Volume 57

Tahoka, Lynn County, Texas, Friday, April 7, 1961

Number 27

Tower And Blakley In Senate Run-off

Lynn county gave 313 votes to William A. (Bill) Blakley, interim senator by appointment, and 198 to Republican candidate, John Tower, in the special U. S. Senatorial election Tuesday to fill the vacancy left by Vice President Lyndon B. Johnson.

Of the other four leading candidates, Will Wilson was second in Lynn county with 275 votes; Jim Wright third with 263, while Henry Gonzales received only 32 votes and Maurey Maverick only 23.

The remaining 64 candidates on the ballot received a total of 45 votes.

Voting here was surprisingly light. There were more than 2,000 citizens holding poll tax receipts and, in addition, several hundred over age people eligible to vote, but only 1153 ballots were cast.

Out of these 1153 votes cast, there were only four mutilated ballots, according to a survey of the precinct returns. This was also surprising considering the unprecedented number of candidates listed for the office. In the general election last November, 285 ballots were thrown out by election officials in Lynn county as having been improperly marked or mutilated.

The 45 ballots for minor candidates were distributed as follows: Wesley Roberts of Gaines county, 12; Mrs. Martha Tredway, four votes; Hugh Wilson, five; George A. Davison, five; Curtis E. Hill, one; R. G. Becker, one; S. S. "Chefe" Vela, one; W. L. Burlison, six; Delbert E. Grandstaff, two; Hoyt G. Wilson, two; Arthus Glover, one; John N. Hopkins of Garza county, four; and Jacob (Jake) Bergolofsky, one.

In Tahoka, Blakley received 158 votes, Wilson 141, Wright 114, and Tower 90.

By precincts votes were cast as follows:

South Tahoka, Blakley, 36; Gonzalez, 16; Maverick two; Tower 21; Wilson 26; Wright, 40.

Wilson, Blakley, 39; Gonzalez five; Maverick seven; Tower 28; Wilson 37; Wright 44.

O'Donnell, Blakley 34; Gonzalez 0; Maverick two; Tower 38; Wilson 32; Wright 56.

New Home, Blakley 33; Gonzalez four; Maverick four; Tower nine; Wilson 19; Wright 13.

Draw, Blakley 12; Gonzalez 0; Maverick 0; Tower seven; Wilson 12; Wright six.

North Tahoka, Blakley 89; Gonzalez two; Maverick four; Tower 53; Wilson 69; Wright 47.

Grassland, Blakley 12; Gonzalez one; Maverick 0; Tower two; Wilson four; Wright 10.

West Tahoka, Blakley 27; Gonzalez 0; Maverick four; Tower 13; Wilson 44; Wright 21.

Newmoore, Blakley four; Gonzalez and Maverick 0; Tower three; Wilson seven; Wright seven.

Lakeview, Blakley 11; Gonzalez two; Maverick 0; Tower 14; Wilson five; Wright one.

Absentee Blakley six; Gonzalez one; Maverick 0; Tower three; Wilson two; Wright six.

Peggy Halamicck Makes Honor Roll

Peggy Halamicck, sophomore education major at Texas Woman's University in Denton has been named to the first semester Dean's List. She is the daughter of Mrs. Emma Halamicck of Tahoka.

The Dean's List includes only the names of students who made grade point averages of at least 2.3 out of a possible 3.0. This is equivalent to a B-plus average.

CATCH BIG FISH

"Doc" Johnson reports he and Paul Howell went fishing down in Garza county last week end. He says they had a very successful trip catching two real nice fish about three inches long. The rest were small ones Dock says.

State Results In Senate Election

Statewide, the count up to Thursday morning in Tuesday's Senatorial election had gone 324,465 for Tower, 188,809 for Blakley, 169,826 for Wright, 121,498 for Wilson, 104,499 for Maverick, 96,477 for Gonzales, and 25,829 for all others.

Thus, the two leaders, both conservatives, polled more votes than the next four candidates and almost as many as all other candidates combined.

In Lynn county, Tower and Blakley combined polled 511 votes to 683 for all others. In the 25-county Lubbock area, the two leaders polled 20,194 to 20,011 for the next four men. All of which may be an indication that people in Texas are not satisfied with free-spending socialistic trend in Washington.

New Home Will Hear Dr. Golden

New Home Civic Club is sponsoring Dr. Floyd Golden in a program Monday night, April 10, at 8:00 p. m. in the grade school cafeteria.

Dr. Golden has been presented in several programs in this area and Monday night will speak on the educational phase.

Ministers of the three New Home churches are acting as co-chairmen and are working with the Civic Club and others to have a good attendance for the event.

Everyone in the New Home community and surrounding area is invited to hear Dr. Golden and to those who have already heard the distinguished speaker the invitation is also extended.

Dr. Golden was chosen one of 36 educational administrators to tour the Soviet Union primarily to study their educational system. The administrators toured kindergartens, 7-year schools, 10-year schools, boarding schools, vocational schools, technical schools, pedagogical institutions, research institutions, medical schools, law schools, colleges and universities.

He received his education from West Texas State College in Canyon, University of Colorado in Boulder, Colorado College of Education in Greeley, University of Texas, Columbia University in New York, and Hardin-Simmons University in Abilene.

Dr. Golden is President Emeritus of Eastern New Mexico University in Portales and is educational consultant for Rittenberry and Rittenberry and Associates, Architects, in Amarillo.

Seige Of Mumps In Local Schools

The first seige of mumps in the local school is waning this week, according to Mrs. Lillian McCord, school nurse, but another is expected during the next week or two when the children exposed by our first cases begin having the communicable disease.

Last week about 40 students were out of school with mumps, most of them from the South Elementary School. This week, however, only about 15 or 20 students are out with the disease.

Mrs. McCord requests parents to keep their children home and away from public places while they are ill with mumps or when they begin showing symptoms.

Only other communicable disease in the schools recently has been pink eye, and it has been arrested, Mrs. McCord said.

Henry Clark underwent major surgery in Tahoka Hospital Tuesday and is reported to be doing nicely.

County School Trustee Election

School board trustee elections were lighter than expected in several Lynn county communities, according to reports following the Saturday polling.

In Tahoka, Maurice Huffaker was re-elected to the board, of which he is now president, with 35 votes. Olen Renfro was elected with 37 votes to succeed W. W. Young. Total vote in the election was 40 ballots. Receiving write-in votes were Dale Thuren, three votes, and James Roberts, one.

New Home probably had the largest percentage of voters going to the polls with 115 votes cast. Both incumbents were re-elected to the board, Robbie L. Gill with 45 votes, and Frank Lisebmy, 32 votes. Other candidates were Dwight Corbell who received 14 votes and George Sealy who got 25 votes.

Alfred Crowson was re-elected to the board at Wilson with 49 votes out of 98 cast, and Jim Lane received 57 votes to replace Pete Rhoads who got 43. Other candidate, James Savell, received 28 votes. Five votes were cast for three write-in names.

At O'Donnell Dick Franklin, with 73 votes, and Julian W. Pirtle, with 108 votes were elected to the board of trustees. A total count of 175 votes was reported. L. L. Birdwell, incumbent, received 55 votes; G. W. Jones, 27 votes; C. A. Moore, 60 votes; and Mrs. Zhel Singleton, lone woman in the race, 25 votes.

In the county school board election, Jimmy Applewhite was re-elected trustee-at-large, while Homer Hardberger was named trustee for Precinct 3 and Tom Mason for Precinct 1.

REV. BERVIN CASWELL

Methodists Open Meeting Sunday

Rev. Bervin Caswell, pastor of the First Methodist Church in Carlsbad, New Mexico, will be the preacher for special revival services at the First Methodist Church next week. Hubert Carson, choir director of First Methodist Church, Lubbock, will direct the singing.

Rev. Caswell was reared in Lynn County having moved here from Montague County with his parents, Mr. and Mrs. Walter Caswell, in 1926 and settled in the Draw community. His mother, two sisters and one brother still live in Draw and one brother lives in O'Donnell.

He received his B. A. degree from McMurry College in Abilene and his Bachelor of Divinity degree from Perkins School of Theology at Southern Methodist University. His pastoral ministry has been spent in Texas, Oklahoma and New Mexico. Since August, 1960, he has been pastor of First Church, Carlsbad, one of the leading churches in New Mexico, where he conducts two Sunday morning services each Sunday of the year. He is also the secretary of the New Mexico Conference of The Methodist Church.

Mrs. Caswell is the former Miss Etha Mae Sherrill of Draw. They have four children, and the oldest, James Caswell, is a sophomore in S. M. U.

Mr. Hubert Carson is director of the total choir program of First Church, Lubbock, and is in great demand for leadership in camps, retreats and revivals throughout the West Texas territory. He was teacher of choral music and band for the Throckmorton High School and choir director for the Throckmorton Methodist Church for several years and director of religious education and music for the Means Memorial Methodist Church in Andrews before going to Lubbock in 1960.

A display of the services is to be found elsewhere in this issue and the pastor and members of the church extend a cordial invitation to everyone to attend these services next week.

DR. FLOYD GOLDEN

Pre-School Day Is Set For Youngsters

Pre-School Day for children who will enter the first grade in September will be held Friday, April 21, according to J. B. Howell, principal of South Elementary School.

All children who will be six years old on or before Sept. 1, 1961 should attend the orientation day. However, each child must be accompanied by a parent or a responsible adult, Howell said.

The children will not stay for an entire school day. The Pre-School program will end at 11:45 a. m. and all children attending must be picked up at that time. There will be no bus room in the afternoon for those attending Pre-School Day.

Children will be served lunch in the cafeteria for 25 cents each and parents may also eat in the cafeteria for 30 cents each.

WELLS OUT OF HOSPITAL

George Claude Wells was released from Methodist Hospital Wednesday where he underwent surgery on Saturday.

Surgery was necessary after Wells fell from a horse about two weeks ago near Rotan and broke his shoulder.

W. M. Harris was admitted to Tahoka Hospital Sunday where he is a medical patient.

Hall Robinson was admitted to Tahoka Hospital this week where he is a medical patient.

Leslie Elected Mayor, Davis And Oliver City Councilmen

Open House At General Plant

General Telephone Company of the Southwest will host an Open House Sunday for residents of Tahoka and the surrounding areas.

The Open House will be held at the phone company's new dial office at Conway and South 1st, from 2 until 5 p. m., according to district manager W. A. King of Lamesa.

Guided tours of the office will be conducted by General Telephone employees and will include an explanation of how calls are routed through the Automatic Electric dial equipment.

There will also be telephone exhibits and a dial demonstration unit, which illustrates the step by step procedure of a telephone call.

The General Telephone "Showmobile" will be on display in the parking lot adjacent to the building. The Showmobile features the latest in modern telephone devices, including the electronic secretary, the "hands free" speakerphone, the dialophone, the new Starlite, and many others. An attendant will be on hand to explain this equipment.

There will be giveaway items and refreshments for all, said King.

Farm Bureau To Conduct Drive

Farm Bureau officers, directors, and workers will meet Monday morning at 9:00 o'clock in the private dining room of the Stockman Cafe to complete plans for the Lynn-Garza county membership drive.

Odell Frazier of Levelland will be present to discuss the campaign and the current bracero labor problem. Don Smith is president of the Lynn-Garza County Farm Bureau.

Now Is Good Time For Smallpox Shots

Children who will begin school in September should have their vaccinations now before the arrival of hot weather, Mrs. Lillian McCord, school nurse, states.

All students in the local school are required to have such vaccinations and those entering the first grade must either show their vaccinations or proof that they have received negative results.

Children receiving the vaccinations during cool weather will be more comfortable, Mrs. McCord says, and will be able to enjoy the summer months without the restrictions that vaccinations require.

Five Queen Candidates Are Entered In Frontier Days Rodeo For April 27-29

"Frontier Days" is the name that has been given the Tahoka rodeo to be held here April 27, 28 and 29 in conjunction with the Tahoka Rodeo Association, according to E. L. Short, president of the Chamber of Commerce.

Entries have been received in the rodeo queen contest and these girls will solicit votes by selling advance tickets to the three-day event. Only the candidates have tickets to be sold at \$1.00 for adults and 50c for children. At the gate tickets will be sold for \$1.25 and 60 cents.

Contestants in the queen event include Iris Tyler, daughter of Mr. and Mrs. Ira G. Tyler, sponsored by the Tahoka Chamber of Commerce; Linda Applewhite, daughter of Mr. and Mrs. Jimmie Applewhite, sponsored by the American Legion; Nedra Roberts, daughter of Mr. and Mrs. C. W. Roberts, sponsored by Tahoka Tractor and Auto Service, Jude Taylor, 66 Service Station, and Edna's Cafe; Mary Jane McCord, daughter of Mrs. Lillian McCord, sponsored by Lynn County Sheriff's Posse; and Sharon Blakley, daughter of Mr. and Mrs. E. R. Blakley of New Home, sponsored by the New Home Co-Op Gen.

Several sheriff's posses and riding clubs have already entered the parade to be held on the first day of the rodeo, including Scurry County Sheriff's Posse, Idalou Riding Club, Cochran County Sheriff's Posse, Hockley County Sheriff's Posse, in addition to the Lynn County Sheriff's Posse. Others are expected to enter also, Short said.

On Wednesday and Thursday, April 19-20, a tour will be made of surrounding towns by a group of boosters. Also, a group will appear on television at 11:45 a. m. April 25 on Channel 13, Lubbock. (Cont'd On Back Page)

Local Rainfall Above Normal

Light rain fell in Tahoka early Thursday, but only sufficient to dampen the topsoil.

Tahoka has received 3.60 inches of rain this year the first three months, which is just exactly twice the normal amount of 1.80 inches for the period.

FFA Banquet Held Tuesday

The F. F. A. Parent-Son Banquet was held Tuesday evening, April 4, at 7:30 p. m. in the school cafeteria.

Approximately 170 people enjoyed the fine program which included the very impressive ceremony presented by the F. F. A. officers: president, Jerry Forsythe; vice president, Mike Orr; treasurer, Fred Hegi; secretary, Carroll Best; reporter, Perry Flippin; sentinel, Billy Davis; and acting advisor James Walsh, senior agricultural education major from Texas Technological College in Lubbock.

Wilmer Smith of New Home, nationally known agriculturist, presented a very interesting and informative talk on "Agriculture in This Changing World."

Mr. and Mrs. J. W. Owens were each presented with honorary degrees for outstanding contributions to the F. F. A. during the past several years. Their son Mickey, now a student at Texas Tech, was active in the F. F. A. Chapter in high school and holds the State Farmer Degree.

Invocation was given by Buddy Chestnutt, Fred Hegi played the organ during the dinner period, and Mrs. Harold Green presented her choral group composed of Montie McGinty, Arnetta Wood, Patricia Sikes, Sharon Patterson, Linda Thomas and Patricia Falls who sang several numbers.

Awards for outstanding accomplishment in agriculture for the year were presented by the president and Jackie Alexander, FFA Sweetheart, to the following: Best overall farming program, Billy Davis and Gary Grogan; swine production, Fred Hegi, Tony Spruiell, Don Hammonds, Billy Riley, Jerry Pebsworth, J. E. Birdwell, Jack Reece and Robert Smith.

Freshman Future Homemakers assisted in serving the banquet.

Surplus proceeds are to help pay for the improvements of the school farm.

Lester Adams and V. P. Carter are the local agriculture teachers.

Former Tahokan Buys Newspaper

Charlie C. Curry formerly of Tahoka and a brother of Mrs. Borden Davis, has bought the Chillocothe Valley News, and took over the management last week. The former owner, Mrs. E. Ann Kennedy, will assist him in publishing the paper.

Mr. Curry attended high school here, and following his marriage worked for The News several years. Since then he has worked for several newspapers and printing firms, most recently in Dallas, from which place he has moved to Chillocothe.

VANDERGRIF IN AIRFORCE

Carl Wayne Vandergriff, son of Mrs. L. B. Thompson, recently enlisted in the U. S. Air Force. He left by plane March 28 for Lackland Air Force Base, San Antonio, for eight weeks basic training.

Mary Helen Whitaker, student in Baylor's School of Nursing, was home over the holidays visiting her parents, Mr. and Mrs. Oscar Whitaker, and sister, Jan.

Tahoka and Wilson had almost record breaking votes cast in the two City elections, while O'Donnell reported about average turnout.

Meldon Leslie L. Tahoka's new mayor having received 253 votes to nose out Ross Smith, who received 220, in one of the closest mayor's races in Tahoka's history.

Named to the City Council were Borden Davis, who received 321 votes, or about two-thirds of the total vote of 473, and Charles Oliver with 167. James F. (Sonny) Roberts received 152 votes, Dr. C. Skiles Thomas 144, and J. R. Aury 106.

Leslie succeeds H. B. McCord Sr., as mayor, who has served two terms and did not seek re-election. Davis and Oliver will take over the councilmen posts vacated by Leslie and Dr. Thomas at the end of their terms this year. Holdover members of the council include Winston Wharton, Ronald Sherrill and W. T. Kidwell.

Thad Smith was elected mayor at Wilson with 36 votes, to succeed Clarence Church who did not seek re-election. However, Church received 30 write-in votes.

Named to the City Council were three aldermen in the regular election and one alderman in a special election held at the same time to fill out an unexpired term. Re-elected to the council were A. N. Crowson with 42 votes, and Sam C. Gatzki with 40 votes, Oscar Polis was elected to the council with 35. Victor Steinhauser received 43 write-in votes to fill out an unexpired term of M. L. Murray, who is moving away, and Alfred Krause received 22 write-in votes. In the regular election other candidates, J. F. Covey received 20 votes, Lawrence May 22, and E. L. Walker 32.

Voting was about average at O'Donnell when three city councilmen were re-elected uncontested. Each received 62 votes. They are J. H. Lott, Shag Garrett and N. B. Shaw. Mayor L. J. Hash's term did not expire this year.

T. E. Trammell Accident Victim

Thomas E. Trammell, former resident of Lynn county, died Friday at 5:00 p. m. in Methodist Hospital in Lubbock, two hours after he was struck by a pickup as he was crossing Railroad Avenue in Lubbock.

Funeral services were held at 3:00 p. m. Sunday in the Sweet Street Baptist Church in Tahoka with Rev. Bob Moore of Lubbock and Rev. Bill Tanner of Pecos officiating. Burial was in Tahoka Cemetery under direction of Stanley Funeral Home.

Mr. Trammell, 60, was a City of Lubbock employee. He had parked his truck after delivering a truck load of gravel to the site of the city project and had walked across the street to ask unloading directions of a fellow worker. Returning to his vehicle he was struck by a pickup driven by Ronnie O'Neal, 20, of route 4, Lubbock.

Born Oct. 23, 1900 at Athens, he was married to Miss Bessie Weeks Sept. 8, in Henderson county. The couple came to Lynn county in 1943. They moved to Lubbock in 1948. Mr. Trammell had been employed by the street and water department there for 12 years. He was a deacon of the Skyline Baptist Church.

Survivors include his wife of 1103 Purdue St., Lubbock; two daughters, Mrs. Emma Trammell, Lubbock, and Mrs. Bobbie Lacy, Quanah, two sons, Nolan W. Trammell of Laredo and James W. Trammell, Tahoka; his father, A. W. Trammell, Eustace; six brothers and three grandchildren.

Buy, build, live, in Tahoka.

Grain Sorghum Test Results

Both irrigated and dryland hybrid grain sorghum demonstrations were carried out last year in Lynn county, and County Agent Bill Griffin has announced their results.

Clifton Hamilton had an irrigated demonstration of seven different hybrids completed on October 13 on land he farms 30 miles northwest of Tahoka.

These varieties were planted on June 16 on Amarillo fine sandy loam soil. The land was irrigated prior to planting and the demonstration received two post planting irrigations, one at bloom and one at soft dough. Available moisture was adequate at boot and bloom stage from rainfall.

Hybrids and per acre yields cor-

rected to 13 percent moisture were as follows:

Texas 610	4,770 lbs.
Texas 608	4,832 lbs.
E 56	5,565 lbs.
PAG 5155	6,206 lbs.
PAG 5155	6,206 lbs.
PAG 4355	6,353 lbs.
Lindsey 722	7,128 lbs.
DeKalb X 49	7,585 lbs.

Lois Smelser, two miles east of Tahoka, carried out a dryland demonstration on Amarillo fine sandy loam soil, complete on October 4. His six varieties of hybrids were planted on June 18.

Yields per acre corrected to 13 percent moisture content are as follows:

Texas 601	3,201 lbs.
Texas 608	3,231 lbs.
PAG 435	4,092 lbs.
E 56	4,177 lbs.
Texas 66	4,529 lbs.
TE 55	3,636 lbs.

GRASSROOTS

By BILL GRIFFIN
County Agent

GOOD MANAGEMENT

Good management is fundamental to successful pecan growing. Factors of management which are important in the operation of a pecan grove include:

There are many native trees along the rivers and creeks of Texas. Where these grow on good soil and in favorable locations, they can be developed into good commercial groves in the relatively short time. The first step is to clear out any underbrush and crowding timber. This eliminates competition, provides better ventilation and permits more sunlight for the building of food materials by the trees.

The second step is to thin out the pecan trees to provide adequate spacing for the regular production of good crops. A thinning plan should be followed that will prevent the touching of limbs from adjacent trees. Every side of the tree should be exposed to sunshine. Trees up to 20 or 25 years old need 50 feet between trees. As they grow larger, more space is required. Where practicable, thinning can be done by cutting out poor producing trees and leaving the better ones. Weeds and grass should be controlled since they may retard tree growth and the development of the nuts. This can be done by cultivation, mowing or grazing.

Trees that produce poor native pecans should be topworked to standard varieties. This can be done by inlay grafting or by patch budding. Many of the outstanding commercial pecan groves in Texas have been developed from native trees.

Pecan trees are susceptible to several diseases and insect pests and the soils selected should be free from termites, nematodes, crown gall and other destructive organisms.

A pecan grove may be started by planting nursery trees. Three and 4-year-old trees, 5 to 7 feet high of standard varieties, can be purchased from nurserymen at about \$3.00 per tree. The best time for transplanting is in the winter or early spring. The tree will have

been dug with at least 3 1/2 feet of tap root, with the corresponding lateral roots. Holes for planting can be made to the proper depth with a 10-inch posthole digger. The trees are set, the hole is filled with loose soil, the soil is settled with enough water to fill the hole, and more soil is added to raise the mud slightly above ground level. About half of the

tree top should be cut back at time of planting. The tree trunk should be wrapped with paper to retard drying, prevent sunscald and discourage damage by flat head apple tree borers.

Home for the Easter holidays from Baylor University, Waco, were Idalia Wood, John Hegt, Carol Smith and David Copeland.

IN AMERICA'S BIGGEST, TOUGHEST 1961 ECONOMY CONTEST...

Which man drove Rambler?

In the most realistic test of all-around gasoline economy ever staged—the NASCAR sanctioned 1961 Pure Oil Economy Trials at Daytona—Rambler won three trophies, held by driver Les Viland in the photo above.

No other make won more than one award... most won none.

Unlike other runs that put a premium on feather-footed driving, the Pure Oil Economy Trials closely parallel your own everyday driving experience.

Every U.S.-built production car is eligible. None are arbitrarily barred, as in some runs. In 1961, 145 cars representing all 5 U.S. makers competed.

Rambler American Custom with overdrive beat them all to win the cherished Overall Winner Trophy and captured the Class 6 trophy in competition with Falcon, Corvair, Lark and Tempest 4. In fact, it took the first 6 places and 8 of the first 10.

And Ambassador V-8 by Rambler won its Class, swept the first 8 places and 9 of the first 10 spots.

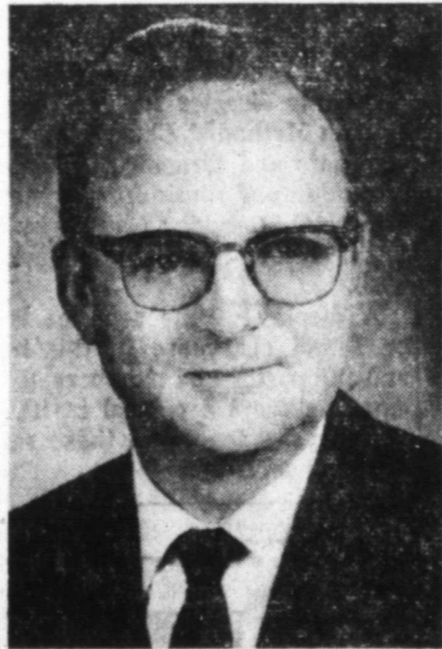

With speeds up to 65, and averaging more than 40 M.P.H., the winning Rambler American made 14 complete stops, shifted through the gears 15 times while circling the 3.7 mile course, and still averaged 26.86 miles per gallon!

This is the second straight year Rambler won the Pure Oil Economy Trials.

Want more proof of Rambler value? Then see your Rambler dealer. You'll find top gas economy is just part of your savings. Rambler costs less to buy, is voted most trouble-free by owners, has top resale value.

Rambler dealers sell twice as many compact cars per dealer as most other dealer groups. So, you get a better deal... on the best of the compacts. Rambler—world standard of compact car excellence.

SEE YOUR RAMBLER DEALER—Drive the Recognized Economy King!

Miss McMullen To Wed James Taylor

Mr. and Mrs. H. B. McMullen have announced the engagement of their daughter, Patsy, to Alan R. Taylor, son of Mr. and Mrs. James B. Taylor of Seminole. The couple will be married on June 3.

Miss McMullen graduated from Lamesa High School and is employed by the First National Bank. Taylor, whose family is well known here, graduated from Lamesa High School and Texas A & M. He served as a lieutenant in the U. S. Air Force and is teaching in Lamesa High School.

Draw H. D. Club Studies Salads

The Draw Home Demonstration Club met Tuesday, March 28, with Mrs. Lois McKay.

Mrs. W. H. Williams brought a program on low calorie salads.

A lovely refreshment plate carrying out the Easter theme was served to eight members.—Reporters.

Banquet Held By Pythian Sisters

Pythian Sisters Lynn Temple No. 45 met Tuesday evening, April 4, with Most Excellent Chief Emma Halamicek presiding.

A buffet banquet was served in fellowship hall of the Methodist Church at 6:30 p. m. to approximately 40 members and guests. The occasion was honoring Grand Chief of Texas Eunice Garrett of Mineral Wells who made her official visit. Everyone enjoyed the talk by the lovely honoree.

Eight members of Friendship Temple No. 55 of Lubbock were present.

Two new members were initiated into the order, those being Bertha Lee Edwards and Joy Lindley.

Refreshments of coffee, punch and cookies were served by hostesses Darlene Gurley, Emma Halamicek and Wanda Glenn to 30 members and nine guests.

Duplicate Bridge Series Continues

Four tables of players attended the second game of the Spring Handicap Series of duplicate bridge at T-Bar Country Club Tuesday night.

Winning first place were Mrs. A. N. Norman and Dr. Dale McIlroy of Lamesa. Two couples tied for second and third places, Miss Echo Milliken and Mrs. Meldon Leslie and Mrs. Johnny Wells and Mrs. Jimmy Forbes of O'Donnell.

Directors of the TVA are appointed for nine-year terms by the president and confirmed by the U. S. Senate.

MRS. WILTON IRWIN (nee Sara Rochelle)

Junior 4-H Girls Have New Members

The fourth and fifth grade girls had their 4-H Club meeting in the North Elementary School Thursday, March 30.

Lexi Adams, president, called the meeting to order. Betty Zan Ashcraft, secretary, called the roll. Several new girls attended and became new members of the 4-H Club, according to Vicki Jacobs, reporter.

The group also learned the 4-H Club pledge: I pledge my head to clearer thinking, My heart to greater loyalty, My hands to larger service, My health to better living. For my club, my community and my country.

Pakistan has mapped a 2-year \$84 million railway development program.

Miss Sara Rochelle Marries In Lubbock

Miss Sara Sue Rochelle and Wilton Royce Irwin repeated wedding vows Sunday at 4:00 p. m. in Bowman Chapel of the First Methodist Church, Lubbock, before an altar with Easter lilies and condelabra.

Dr. J. Chess Lovern read the double ring ceremony.

The bride is the daughter of Mrs. Myrtle Rochelle of Lubbock and formerly of Tahoka. Parents of the bridegroom are Mr. and Mrs. C. H. Irwin of Lubbock.

Organ music was provided by Mrs. Gene Coulter, who presented traditional wedding music and played "The Lord's Prayer" during the ceremony.

Given in marriage by her uncle, Frank P. Hill of Tahoka, the bride wore a waltz length gown designed with a bodice of lace embroidered with sequins and a full skirt of tulle over taffeta. A sequin and pearl embroidered bandeau, designed with a teardrop pearl, held her finger-tip length veil. She carried a colonial bouquet of a white orchid and white sweetheart roses.

Miss Anita Jo Rochelle, sister of the bride, was maid of honor. She wore a pink polished cotton sheath dress featuring an overskirt of melon silk organza on a waistband of pink velvet ribbon. Other attendants were Mrs. Wilita Hepp, twin sister of the bridegroom, and Mrs. James McAdams. They were dresses of aqua and overskirts of peacock blue identical to that worn by the maid of honor. They carried colonial bouquets of pink carnations.

Eldon Deaver served as best man and ushers were Don Huckabee and Clyde Amburn. For her wedding trip the bride chose a gold cotton two-piece dress designed of hounds tooth check, and white accessories.

The bride attended the Tahoka schools, Lubbock High School, studied at Larrimore's Studio in Lubbock and at the Ballet Theatre School in Denver, Colo. Irwin attended Lubbock High School and is employed by W. G. McMillan Construction Co.

The couple will make their home at 1712 E. Auburn St. in Lubbock.

POLK HAS VISITORS

Easter visitors in the J. D. Polk home were all his children except one daughter of Killeen, who could not be present on account of illness.

The visitors included: Mr. and Mrs. Bill Polk of Stanton, Mr. and Mrs. Mason Polk and children of Levelland and Mr. and Mrs. Jack Polk and family of Austin; and those living here, Dave and Dennis Polk and Mrs. Bernard Trammell and families.

T-BAR CALENDAR

Friday, April 7—Children's party, club house, 7:30-9:15 p. m., ages 6 through 9.

Saturday, April 8—Party bridge, Mr. and Mrs. Harry Lee Short, hosts, guest night.

Tuesday, April 11—Duplicate bridge, club house.

Atlantic City generally is thought of as a summer resort, but the seaside city is breaking out in a rash of ice skating rinks for the winter visitors.

Today's MEDITATION

The Upper Room

Fear not ye: for I know that ye seek Jesus, which was crucified. He is not here: for he is risen, as he said. Come, see the place where the Lord lay. (Matthew 28: 5, 6.)

During the dark days of World War I, Air Pilot Smith, now Bishop Angie Smith, heard Harry Lauder, the great singer of Scotland, when he sang to 1100 officers and men at a chapel service at a camp in Arkansas.

Before singing, Harry Lauder said: "Comrades, my son, my only child, was killed in battle two years ago. My heart was crushed.

I said I would never sing again. I looked down the road to dissipation to kill my grief.

"Then I decided to travel a road that was to lead me up a hill. I found it a rough and rugged road, but I traveled it to the end. Then I found the grave of my son and a cross upon it. There my burden of sorrow was lifted, and I received new hope and the impulse to sing again.

"Now I can sing with more assurance than ever before, for I know that because the one who died on the cross of Calvary lives, my son also lives, and someday I shall see him again."

That is the Easter message. PRAYER: Our Father, we thank Thee for Thy redeeming love, which, through Thy Son who suffered, died, and rose from the dead, saved us from sin and death. In His name we pray. Amen.

THOUGHT FOR THE DAY—The Easter fact gives hope to our hearts and meaning to our lives.—M. A. Childers, (Texas).

Nigeria may become one of the first 10 world oil producers in the next 10 years, a Shell Oil official said in Lagos.

The Lynn County News, Tahoka, Texas

April 7, 1961

FARM SAFETY

Here's a reminder from the Texas Farm and Ranch Safety Council—don't, they warn, let an accident overtake you. Though farm and ranch work in many sections is far behind schedule, you can't get back on schedule from a hospital bed or a cemetery. The crop or livestock you save by being careful may be your own.

PLANT DISEASES

The prevention and control of plant diseases are important in livestock production because profits depend on maximum yields from pastures and crops, says Harlan Smith, extension plant pathologist.

The United States bought more goods from Turkey, and sold her more, in 1960 first quarter, than did any other country, Ankara reports.

Mr. and Mrs. J. R. Strain visited with their daughter and family, Mr. and Mrs. W. G. Chapman in Borger from Saturday until Wednesday of last week. They report the Chapmans doing fine, and J. R. says the wheat up there is looking real good.

Lady Golfers In Play At Lubbock

Mrs. Jack Smith was the only Tahoka lady to win at the South Plains Ladies Golf Association play day held Wednesday at Meadowbrook Country Club in Lubbock.

It was the first play day the local Ladies Golf Association has participated in since being admitted to the South Plains organization. About 24 Tahoka members attended the event, although cold weather kept some of them from finishing their games.

Mrs. Smith won the silver loving cup for having low gross in the first flight and also won a medal for low puts in the same flight.

At noon the group had lunch at MacKenzie Park and also held a business meeting.

HOLIDAY VISITORS

Guests in the home of Mr. and Mrs. R. Riley over the Easter holidays were her children: Mr. and Mrs. Dorsey Allison, Danville, Calif.; Mr. and Mrs. Jack Alexander and children, Sudan; Sgt. and Mrs. Hal Alexander, Fort Knox, Ky.; and Mr. and Mrs. Rufus Morgan, Levelland. This is the first time in 10 years that all of the children had been together.

Paul Harvey Warns Of Dangers From Our Present Trend

The following, clipped from the Bulletin of First Baptist Church of Amarillo, edited by Dr. Winfred Moore, is published on request from a reader:

"Because of the many requests for the material I quoted in last Sunday morning's sermon from Mr. Paul Harvey of the American Broadcasting Company, I am taking the liberty of publishing it here. I am grateful to KFDD Radio for furnishing me the tape of this portion of Mr. Harvey's news-cast on Wednesday, February 22."

"If you want it, buy it. If you don't have the money, steal it. Who gets justice is determined by who can buy the best lawyer. In the jungle, the natives get restless—send them money. You don't like Castro? Don't buy his sugar, cut off his money. Personal budget doesn't balance? Don't discipline yourself, strike for higher wages. Community budget doesn't balance? Don't economize, run to Washington with a tin cup and get a handout. If Washington doesn't have the money, tell them to take it from your neighbor's pocket; but get it, or get voted out. Money will fix anything, anything! Shovel money into the cancer fund, but don't stop dissipating; don't stop smoking, don't inhibit yourself; give money, that will make everything all right."

All the things Americans used to pray for, now they pay for. Taxes taking too much of your money? Don't take time to change the laws, cheat. Juvenile crime is increasing five times faster than the juvenile population; a nation of parents terrified by their own children. Don't take them to church, send a donation—and get Washington to appropriate money. New York Senator Javits has it all figured out; youth crime is increasing at an alarming rate; young offenders become hardened criminals. He says our government must launch a crash program to combat delinquency; he says \$47,000,000 ought to do it, money will fix anything."

"Dad last night at the dinner table was talking about gouging an extra fifty out of his expense account; that was clever. The youngster steals fifty from the super market and it's a crime—he's too young to understand. The store clerk is bribed to push one particular mattress, perfume, camera, it's all right. If he's caught, he can bribe the department head to look the other way. Money can do anything! We want an airfield in Afghanistan. Make a deal for foreign aid for one airfield. Money can buy anything or anybody, though some come high—fifty dollars a night; because the madam gets half, the cop on the beat gets ten percent, and the cab driver gets five. You can hire labor pickets or you buy labor for peace, but this is the pass word for the day—PAY. Our intended Saviour told us there would be days like these. He said they would come close to the end of time."

Local GA's Visit At Howard Payne

Representatives of the First Baptist Church attended the Fourth Annual Texas Baptist Girls' Auxiliary Queen's Court Thursday through Saturday, March 30-April 1, at Howard Payne College in Brownwood.

Eligible to attend were Intermediate GA's who have attained the rank of queen or above. One thousand girls from 115 Texas cities participated.

Mission highlights for the program were built around a theme of "To Be Aware."

Attending from Tahoka were Mrs. Everton Nevill, Mrs. Walthal Littlepage, Mrs. James Huey, Joyce Huey, Calva Edwards, Brenda Riddle, Sheryl Nevill, Anna Lee Biggerstaff, Rhonda Littlepage, Jackie Burnett, Linda Riddle, Sharon Brown, June Riddle and Shirley Henderson.

Marshalls Hold Family Reunion

The home of Mr. and Mrs. Rex Marshall and Peggy at New Home was the scene of a family reunion Sunday, April 2.

Those attending were Mr. and Mrs. James E. Brown and two children, Mr. and Mrs. Junior Marshall and three children, Mr. and Mrs. John E. White and four children, all of Lubbock, Mr. and Mrs. Floyd Lebow and three children of Abernathy, Pfc. Tommy Marshall of Germany and Mrs. Marshall and Mark of Lubbock, SP-4 and Mrs. Terry Marshall of Ft. Riley, Kansas.

Also attending were Mr. and Mrs. Ted Terry and three children of Slaton (a brother of Mrs. Marshall), Mr. and Mrs. Kirk Gibson of Lubbock (parents of Mrs. Tommy Marshall), and Joe Gibson of Lubbock.

S. S. Class Holds Monthly Meeting

Mrs. G. L. Cobb was hostess with Mrs. H. W. Edwards and Mrs. Joy Lindley as co-hostesses to Bessie Brashear Sunday School Class monthly meeting Tuesday afternoon, April 4.

Twenty members were present. Mrs. Wilmer Smith, Mrs. Boyd Bryant of Lubbock, Miss Virgie Cobb and Mrs. J. B. Thompson were visitors.

Mrs. Thompson gave the devotional and Mrs. Smith showed and discussed pictures she had made on a tour to the Hawaiian Islands.

Copenhagen Airport now has a tax-free "Gateway" store. Americans pay no duty on goods up to \$600 value, including five bottles of liquor.

LADY OF GUADALUPE CATHOLIC CHURCH Father Aidan A. Donlon, SCA Located three blocks east of hamburger-gee. Sunday, Mass at 8:00 a. m. Friday, Mass at 7:00 p. m.

Marshall Boys Are Visiting Home

Sp-4 and Mrs. Terry Marshall of Ft. Riley, Kan. and Pfc. Tommy Marshall, who is stationed in Germany, have been here visiting their parents, Mr. and Mrs. Rex Marshall and Peggy, at New Home, and Tommy's wife and son in Lubbock.

The Terry Marshalls visited here 10 days, returning to Ft. Riley Thursday accompanied by the Tommy Marshalls.

Tommy, who has been stationed with the Army for the past 10 and one-half months in Germany, is here on a 30 day visit. He will return to Germany for another 10 or more months service.

W. A. Hardt is a patient in Tahoka Hospital where he was admitted Saturday.

Mrs. Dock Dewbre is a medical patient in Tahoka Hospital where she was admitted Wednesday.

Jackie White, 9-year-old son of Mr. and Mrs. Roy White, is a medical patient in Tahoka Hospital.

CARD OF THANKS

We would like to thank each and everyone who was so kind and thoughtful to us during the death of our beloved little one. For the food, flowers, comforting words and prayers that meant so very much to us. Our thanks to Bro. Eird, Mr. and Mrs. Martin White, Borden Davis, and Mr. and Mrs. J. T. Miller. Also our appreciation and thanks to Mrs. Garland Pennington and Mrs. Walthal Littlepage. To Dr. Vernon McKay who made such an effort to save our baby's life and to the nurses at Medical Arts Hospital for their care of her. May God's richest blessings come to you all.—Mr. and Mrs. H. R. Reynolds, Mr. and Mrs. Jack Reynolds, Mr. and Mrs. Junior Maret. 1tp

Cleaner Quotes

April 7 means 40 more days till school's out. Of the 40 days, 12 are Saturdays and Sundays, leaving 28 actual school days. This news will probably be received with mixed emotions. Most students and teachers will be glad with mild reflections, but just think, we as parents will have our little angels home 24 hours of every day, under our feet, into every kind of mischief, moments of sweetness, and moments of almost despair.

Remember wash and wear needs Ayer Way care for that new look.

Over 483 citizens of this fine city exercised their right to vote in our city election. We salute you. May we never become lax in our voting rights, one of the greatest privileges as citizens of a wonderful country. We wish also to commend our new mayor, Mel Leslie, and the two new council members, Charles Oliver and Borden Davis in their new jobs in our city government.

Our thanks also go to the past mayor, H. B. McCord Sr., and retiring councilman, Dr. Skiles Thomas for their fine work during their past term.

Through our membership in "The Texas Drycleaners Ass'n." we receive many samples of new materials, fabrics and dyes. Included in these bulletins are proven methods and procedures for drycleaning our new and modern materials. It will be our goal here at the Ayer Way to keep abreast of any method to serve you one customer the finest in cleaning and repairing techniques.

AYER WAY CLEANERS The Finest in Drycleaning Using the Finest in Equipment

Miss Omega Burr Plans Wedding

Mr. and Mrs. C. W. Burr announce the engagement and approaching marriage of their daughter, Omega, to Eugene Hughlett, son of Mr. and Mrs. Ray Hughlett of Brownfield.

The bride-elect is presently attending Tahoka High School.

Eligible to attend were Intermediate GA's who have attained the rank of queen or above. One thousand girls from 115 Texas cities participated.

Mission highlights for the program were built around a theme of "To Be Aware."

Attending from Tahoka were Mrs. Everton Nevill, Mrs. Walthal Littlepage, Mrs. James Huey, Joyce Huey, Calva Edwards, Brenda Riddle, Sheryl Nevill, Anna Lee Biggerstaff, Rhonda Littlepage, Jackie Burnett, Linda Riddle, Sharon Brown, June Riddle and Shirley Henderson.

The couple will be married June 25 at the First Baptist Church in Tahoka.

So you want to be STRONG

Remember this: "Some folks just naturally wouldn't want a Farm Bureau as strong as all farmers working together could make it."

It is so easy to be "Against" things—A few loud voices can do farmers a lot of damage. Indeed, it is quite another thing for "Loud Voices" to be "for Something" and make it work.

Farmers, through Farm Bureau, have never made a policy of attacking any program without first advancing a better program. WHAT HAVE YOU DONE TO MAKE IT WORK? Do you exert your thinking in shaping policy making resolutions? Do you attend meetings?

Do you accept responsibilities of holding community and county office?

Do you accept committee assignments?

"Loud Voices" don't attack, criticize, and destroy that which they have helped to build.

JOIN YOUR—
Lynn-Garza County Farm Bureau Now!

(By Mrs. Jesse Ward)

Mr. and Mrs. Earl Morris returned home Friday afternoon after spending almost a month visiting their children, a daughter and son-in-law, Mr. and Mrs. C. A. Maeker and daughters at Pasagoula, Miss. While there they went on a sight-seeing tour in Alabama and Florida. On their return home they spent some time with their sons in Houston, Mr. and Mrs. Jimmy Morris and Maurice Morris, from Houston to Dallas where they visited another daughter, Mr. and Mrs. W. A. Lyman and children.

Mr. and Mrs. Don Clary and son, Donnie of Big Spring spent holidays with their parents, Mr. and Mrs. Robert Lee Hagler and Jean and Mr. and Mrs. Nolan Clary in Post.

Mr. and Mrs. F. W. Calloway and Rodney went to Possum Kingdom Friday where they spent the week end.

Mr. and Mrs. Ned Myers, Mr. and Mrs. Fred Myers and Kelly Jo and Janice Ellis attended the rodeo in Sweetwater Saturday night.

Mr. and Mrs. Herman Dabbs, and Brenda and David spent the week end with their son and daughter-in-law, Mr. and Mrs. Gerald Dabbs and baby at Irving. On their return home Monday they visited a nephew and family, Mr. and Mrs. H. D. Hallman Jr. and children in Fort Worth and Mr. Dabbs' sister, Mr. and Mrs. L. J. Bagett in Ranger.

Mr. and Mrs. Ed Denton returned home from Graham Monday where they have been on vacation. They have a home at Rock Creek, 16 miles from Graham.

Week end guests of Mr. and Mrs.

W. J. Powell were their daughters, June and Carolyn of Lubbock. They attended church at Southland Methodist Church Sunday. Others were Mrs. A. J. McAlister and children, Post; Mr. and Mrs. Wayne Runkles, Lubbock; and Sue Oats, McMurry College, Abilene.

Mr. and Mrs. Donald Edmunds and children spent Sunday afternoon at Buffalo Lake.

Mr. and Mrs. Claude Roper Jr. and baby of Lubbock visited in the home of his parents, Mr. and Mrs. Claude Roper Sunday.

Sunday afternoon visitors in the home of Mr. and Mrs. Earl Morris were Mr. and Mrs. Josh Cogdill, Mr. and Mrs. Max Morris, all of Lubbock.

Mr. and Mrs. Royce Josey and baby of Post were Sunday visitors of her parents, Mr. and Mrs. Hubert Taylor and attended the revival services at Southland Baptist Church Sunday.

The Southland Methodist Church dismissed services Sunday night and attended the closing services of the revival at the Baptist Church.

Mr. and Mrs. W. A. Pritchard, Robert and Sue spent the weekend in Santa Anna and Temple. In Santa Anna they visited their son and family, Mr. and Mrs. Don Pritchard and baby and Mrs. W. A. Pritchard's parents, Mr. and Mrs. W. E. Vanderford. They visited Mr. Pritchard's mother, Mrs. M. A. Pritchard in Temple.

Mr. and Mrs. Glenn Hill and family and Wartes Mathis, all of Lubbock, and a daughter, Mr. and Mrs. Montgomery of Slaton were visitors in the home of Mr. and Mrs. Carl Wartes Sunday and were church visitors at Southland Baptist Church.

Mr. and Mrs. D. D. Pennell, Mr. and Mrs. Kenneth Calloway and baby visited in Post Sunday afternoon with Mrs. Pennell's sisters and families, Mr. and Mrs. Carl Cedarholm and Mr. and Mrs. A. A. Ferguson.

Mr. and Mrs. Elton Truelock of Lubbock spent Sunday with his parents, Mr. and Mrs. Truelock and attended services at the Baptist Church.

Susan Martin of Littlefield spent the week end with Mr. and Mrs. Kenneth Davies and family while her parents, Mr. and Mrs. Blanton Martin visited relatives at Weatherford.

Mr. and Mrs. Jack Myers spent Monday, Tuesday and Wednesday of last week in Odessa where Jack attended a judging and commissioners convention.

Mr. and Mrs. Sam Martin went to Abilene Thursday and visited his sister and families, Mr. and Mrs. Will Moore, Mr. and Mrs. Arron Harton and Mrs. Ben Reese. The Martins returned home Sunday.

Mr. and Mrs. Jackie Haire from Slaton spent Sunday afternoon in the home of Mr. and Mrs. Jack Myers and family.

Mrs. J. F. Rackler spent Monday and Tuesday with her daughter Mr. and Mrs. Claude Roper. Tuesday afternoon Mrs. Rackler, Mrs. Claude Roper and daughter-in-law, Mrs. Claude Roper Jr. and baby visited Mrs. C. E. Roper who is sick.

Miss Nelda Roper of Lubbock spent the week end with her parents, Mr. and Mrs. Claude Roper.

Mr. and Mrs. T. L. Barnes and daughter, Agnes Rniker spent Sunday at Hale Center with his niece, Mr. and Mrs. H. S. Eubanks.

Elder and Mrs. Gary Hensley of Levelland, pastor at New Lynn Baptist Church, were Sunday dinner guests in the home of Mr. and Mrs. J. B. Rackler, Jr. B. Jr. and Beverly.

Recently Mr. and Mrs. W. J. Kuykendall spent the week at

Fair Association Will Help Out On Livestock Project

Lynn County Fair Association directors have voted to assist in the equipping and retirement of bonds if county voters see fit to vote the \$35,000 in bonds for a county show barn.

The Fair Association has about \$9,000 in cash which it proposes to use in fully equipping the show barn to make it a first class livestock exhibit barn.

The proposed barn would have a show ring and grandstands, rest rooms, wash racks, pens, concessions stands, etc.

The new four-lane highway is scheduled to take a large portion of the Fair Association's property in northeast Tahoka. The Fair Association has voted to turn over these funds to the County of Lynn to be placed in a sinking fund to help retire the proposed bonds.

V. L. Botkin is president of the Fair Association. Bill Griffin is Secretary, and directors are Albert Curry, Wilmer Smith, J. W. Gardenhire, Mrs. Tom Russell, Cecil Hammonds, George Claude Wells, and Winston C. Wharton.

God gives you His spiritual ideas, and in turn, they give you daily supplies.

Littlefield with their son and family, Mr. and Mrs. Lewis Kuykendall and children.

Mrs. Susan Bartley of New Lynn spent Sunday with Mrs. J. F. Rackler.

Mr. and Mrs. J. B. Rackler were Lubbock visitors Friday. While there Mrs. Rackler went to West Texas Hospital to see the Roberts. Mr. Roberts is improving some.

Mr. and Mrs. Weldon McGehee spent Wednesday in Lubbock. They visited his father, B. F. McGehee in Lubbock and Mrs. Roy Wayne McGehee of Seminole who has been a patient for two weeks at West Texas Hospital in Lubbock, and Mrs. Billie Wintham of Post who is also a patient in the institution.

Recently Mr. and Mrs. J. B. Rackler and children spent Sunday in Wolfforth with Mr. and Mrs. Carl Rackler and family.

Mrs. J. F. Rackler attended church Sunday at New Lynn and was a dinner and afternoon visitor in the home of Mr. and Mrs. Le-man Mathis.

Mr. and Mrs. Pat Taylor have a new house under construction on the farm where they lived, located one-half mile west of Hackberry Gin.

Students home for Easter holiday week end were Karen McGehee and Linda Roper of Lubbock Christian College; J. W. Payton, Texas Tech; and Sue Oats, McMurry in Abilene.

J. I. Bartlett is in Mercy Hospital in Slaton with pneumonia. Friends wish him a speedy get well.

Mr. and Mrs. W. J. Kuykendall spent Sunday afternoon at MacKenzie Park in Lubbock and in the home of their son and family, Mr. and Mrs. Jack Kuykendall and children in Slaton.

Mr. and Mrs. Jesse A. Ward, Mr. and Mrs. Stanley Smith of Canyon joined by relatives and friends from Levelland, spent Sunday at MacKenzie Park in Lubbock.

Visitors Sunday in the home of Mr. and Mrs. Jack Myers were his parents, Mr. and Mrs. K. D. Myers, Crosbyton; Mr. and Mrs. Ned Myers and Nedra, Mr. and Mrs. Curtis Palmer, all of Garden City; Mr. and Mrs. Fred Myers and baby, Sul Ross College in Alpine; and Mr. and Mrs. Grady Hunt, Lubbock.

Farm Facts

What kinds of homes do farmers and their families live in today? The answer is "little different from those of their city cousins."

According to the U. S. Department of Agriculture's Balance Sheet for Agriculture, 1960, a large proportion of farm families now have many of the newer household appliances and home furnishings. Increasingly, expenditures are largely for replacements and improvements.

The value of furniture and appliances in farm homes was \$13.5 billion at the beginning of 1960, an increase of almost 8% over the year earlier and an increase of 73% since 1950.

And this increase has not been accounted for by higher prices. In terms of 1940 prices, the value of home furnishings and equipment has risen significantly. In 1960, the level was 34% higher than in 1950. It was 69% higher than in 1940.

About 98% of our farm homes now have electricity and some 70% have television sets. As long ago as 1956,

Value of furnishings in farm homes has increased 73% since 1950.

CARD OF THANKS

We would like to express our sincere thanks to all the fine people here and to those from Lubbock who sent such beautiful flowers, to those who brought in food, and to those who helped in so many

other ways in the death of our dad, grandfather and husband. May God richly bless each and everyone of you is our prayer. Mr. and Mrs. James Trammell, Bonita and Betty, Mrs. Thomas Trammell and Emma.

Norway claims to have more tape recorders per 100 citizens than any other country and to be a leading exporter of them Oslo reports.

Rings of the planet Saturn are formed by myriad tiny particles, each moving in its own particular orbit.

MORE PEOPLE ARE BUYING CHEVROLETS THAN ANY OTHER MAKE!

When one car outsells all the rest the way this new Chevrolet is doing — there's got to be a reason. And we can think of some pretty good ones. The clean-etched looks of the new Body by Fisher, for example. The eager brand of "git" that's under the hood. The easy way it handles. Plus the added advantage of extra-cost options like triple-turbine Turbo-glide.

But to sample all these reasons together, you have to get a Chevrolet out on the road. And there's where that Jet-smooth ride takes over with its own gentle kind of persuasion. If you weren't absolutely sure, you'd imagine you were riding in a far costlier car.

No wonder people are buying more Chevrolets than any other make! Chevrolets have more of what it takes to please people!

**Official R. L. Polk & Co. registration figures show full-sized Chevrolets outsold the second-choice make by a record-breaking margin in 1960 — and Chevrolets continue to set the pace for the industry this year!*

AND JUST ONE JET-SMOOTH RIDE WILL SHOW YOU WHY!

See the new Chevrolet cars, Chevy Corvairs and the new Corvette at your local authorized Chevrolet dealer's

THRIFTWEST COOK IN TOWN!

That's you — when Reddy's your helper. The real cooking economies come from an electric range. Because electric roasting needs no air, it doesn't draw the moisture from your oven when you're roasting. Result? Less meat shrinkage — more for your meat dollar.

Again — because electric heat is accurately measured — you use less water when cooking vegetables. Result? More minerals and vitamins stay in the food — less heat is used to bring the smaller amount of water needed to a boil. Savings for you once more.

And finally — the big economy from the cleanliness of electric cooking. You won't have to wash your walls and curtains as often — and you'll stretch out the time between painting and decorating expense.

Thrifty cooking? Of course, it's electric.

NOW — 5000 GUMM BROS. OR FRONTIER STAMPS WHEN YOU PURCHASE A NEW ELECTRIC RANGE. ASK YOUR REDDY KILOWATT DEALER.

McCord Motor Co.

Senator Preston Smith

The House revenue and taxation committee, 21 busy men looking for ways to raise Texas' needed funds, appears to be considering some sort of a "tax package."

A "package," containing parts of several different tax plans, is usually one of the logical ways to compromise a large group of conflicting tax ideas.

In spite of action here, and in other parts of the state, the general sales tax has not made much headway, it seems, in the House revenue and taxation committee. There are those who say that if the general sales tax were to be voted on by the committee that the idea would be abandoned once and for all.

Even the most optimistic opponents of sales taxes don't seem to have any comparable solution to Texas tax needs. There's not even a darkhorse in the running thus far that can shine as favorably as the general sales tax.

In many parts of the state there are citizens' groups supporting sales tax legislation. I have received petitions from the South Plains. Hundreds of people have sent wires and letters.

The major premise of the committee's "package tax" will probably contain a broad based sales tax of the so-called selective field. That is, a tax pointing toward sales of certain merchandise. The popular items such as gasoline, cigarettes and liquor will be the backbone of the proposal, probably. And because the package will not be as broad, nor as deep, as is

Congratulations—Grassland News

Dr. and Mrs. Irwin Lehman of Dallas on the birth of a daughter, their first child, Sunday at about 7:30 p. m. in the city. She has been named Lisa Gaye and weighed 7 pounds 14 ounces at birth. The father is the son of Mr. and Mrs. Al Lehman of Tahoka and is doing surgery work in Parkland City-County Hospital in Dallas.

Mr. and Mrs. Joe Stone, route 1, on birth of a daughter weighing 6 pounds 11 ounces at 6:36 a. m. Saturday in Methodist Hospital, Lubbock.

Mr. and Mrs. James Wells (Colored) of Tahoka on the birth of a son at 11:40 p. m. Monday in Lauf Clinic in Lubbock. He weighed eight pounds and seven ounces.

Jay Gurley, junior at Eastern New Mexico University in Portales, was home to visit his parents, Mr. and Mrs. Jess Gurley over the holidays.

needed, it will have to be supported by some other revenue measures.

In other business that affects West Texas:

A recommendation that the Board of Water Engineers be reorganized. Coming from Gov. Daniel, the suggestion is before the Legislature, but the three members of the board each has his own idea about how the reorganization should be accomplished. There will be more news on this in succeeding weeks.

(Delayed)
Every time a "rotten apple" is spotlighted in the Legislature, it is temptation for people to say: "I knew these politicians were nothing but a bunch of crooks."

But, when people say that, they are not facing the facts. In the past few years there have been very few cases in which representatives were convicted of dishonesty. Their cases were very rare.

Something that the public tends to forget is the serious and constant "self-policing" procedures that are carried on in the Legislature. A couple of years ago, a young representative was accused of taking a bribe to get a bill passed. This created a furor. Most of the furor was in the Capitol building here.

A foolish action on the part of one legislator had reflected dishonor on the whole house. Such a condition is certainly the last thing any honorable government official could want.

Among the many precautions the Texas Legislature takes to prevent such things is Section 22 of Art. 3 of the Constitution:

"Personal interest in measure or bill—a member who has a personal or private interest in any measure or bill, proposed, or pending before the Legislature, shall disclose the fact to the house, of which he is a member, and shall vote thereon."

The Legislature is made up of all occupations: Lawyers, insurance, farmers, ranchers, auto dealers, school teachers, merchants, cafe operators, and others. These people usually fall into their committee slots in the Legislature because of the knowledge of the subject that will be before committees where the bills are heard and written into the version which goes to the floor for debate.

And drawing the line on "special interest" is difficult. If all farmers, for example, refrained from voting on farm matters; if teachers refused to voice opinions on education; and if working men declined to debate labor subjects, the law making process would lose the voice of experience. But always present in this process is the constantly watchful eye of all Legislators... being sure to avoid "conflict of interest" or any other act of dishonor.

Grassland News

(Mrs. D. H. Hoover)
Mrs. W. A. Morris, president, presided when the Graham Thursday Club met in the home of Mrs. O. H. Hoover March 30. Mrs. Bill McMahon presented a quilt to the club. The afternoon was spent in visiting. Attending were Meses. J. A. Propst, W. A. Morris, Glen Davis, Will Wright, Bill McMahon and the hostess Mrs. Hoover. Next meeting will be with Mrs. P. E. Stevens on April 11.

A revival meeting is in progress at the Nazarene Church in Grassland. Rev. Bob Micke and wife are doing the preaching and Mrs. Micke also has charge of the children's class.

A group of boys from Tahoka went to Lake Thomas for the Easter holidays to ski and fish. They were Jack Burk of Grassland, Robert Smith, Fred Martin, Robert Thomas, Billy Nance and Larry Thomas.

Mr. and Mrs. J. A. Propst have returned home from a month's stay on the coast. They visited with Mr. and Mrs. Tom Ferguson while there.

Mr. and Mrs. Ted McDonald and children of Post visited the Kelly Laws Sunday and the children had an Easter egg hunt.

Mr. and Mrs. "Red" Henry of Tahoka and Mrs. Melton of Grassland visited Mrs. Henry's mother, Mrs. Harris, last Tuesday evening and helped her quilt.

Mr. and Mrs. Mac Ritchey have as their guests their daughter, Mrs. Ora Brazell and two daughters of San Diego, Calif.

Mr. and Mrs. H. D. Gartman went to Hamlin to attend the funeral services of an old friend, A. N. King. Mr. and Mrs. W. G. McCleskey went with them.

Mrs. Tom Murray is staying in the Ted McDonald home in Post while she is recovering from the blood clot in her broken leg.

Mrs. C. C. Jones visited the Mac Ritcheys Sunday afternoon. Work will start Monday on the Methodist parsonage in Grassland. There is quite a lot of repair work to be done before H. A. Roberts stuccos the building.

Ollie J. Stanley has moved a new ready-built house on his lots just south of the church in Grassland.

Also the new machine shop under construction by Earnest Vaughn is coming along nicely.

Lyndell Norman, student at

North Texas State College in Denton, was home for the Easter holidays. Also visiting in the W. H. Norman home Sunday was their daughter, Mr. and Mrs. Richard Brooks and Roddy of Tahoka.

Mr. and Mrs. Leroy Davis are in San Augustine. They are building a new vacation home there for their family.

Jerrie LeMond spent the Easter holidays with her parents, Mr. and Mrs. Roy Lemond. Jerrie is teaching in Midland.

L. Walker or Lubbock visited his brother, C. A. Walker Thursday.

Dottie Harrison spent the week end with her parents, Mr. and Mrs. O. C. Harrison. Dottie attends Texas Tech.

Mr. and Mrs. W. G. McCleskey and Rev. and Mrs. Micke and little daughter had lunch Sunday with the C. O. McCleskeys.

Visitors in the W. A. Morris home Sunday were Mr. and Mrs. Delbert Banks and three children of Lubbock.

Linda Davis visited her grandparents, Mr. and Mrs. W. M. Davis and aunt Mattie Walker over the week end. Linda is teaching in Andrews.

Interesting Story of Trip Through The Deep South Told By Mrs. Earl Morris

(Mrs. Earl Morris) We went sightseeing, drove over to Mobile, Ala. By the way, my mother, the late Mrs. J. V. Dyer, was a native of Alabama. We went through the Bellingrath Gardens, known as the Charm Spot of the Deep South. Trails are running around sections that are filled with azallas, camellias, and other flowers in bloom this time of the year—they are really gorgeous. There were trees and vines, but roses weren't in bloom. We walked over small rustic bridges, swans were swimming in the water underneath. Everything is so lovely you forget about being tired, until you sit down to rest. But they're a mecca for garden lovers.

The next week end we drove over the Pensacola, Fla., going across Alabama. In Fairhope we drove over the Dogwood Trails. Dogwood is a pretty flowering tree. We also found lots of azallas and other flowers in bloom on these trails. Some people were dressed to represent the gay nineties which made very attractive pictures among the trees and flowers; all this for free.

We stopped at a red light and a Cadillac pulled up by us and the driver hollered, "Hello, Texas, what part of the state are you from?" Janey told them Lubbock and another asked if she knew a certain man there. She told him she had written insurance for this man a number of times. He said, "Well he's my brother."

Then on to Florida and down on the beach where we pulled off our shoes, walked barefoot on the sand, waded out into bay—but not very far, those waves looked a little too boisterous for dry land folks. All that country is pretty to visit but after two weeks we were ready for Texas.

We left Pascagoula and drove to Houston, hit the Texas line near Beaumont. This is an interesting drive along the Gulf, lots of water, so many bridges to cross, and of course, lots of trees and pretty flowers around old South-

WASHINGTON AND "SMALL BUSINESS"

BY C. WILSON HARDER

For some time, very much aware of the damages that have been, and are being done, to the American economy by the flood of cheap imports from low wage nations, the nation's independent businessmen, through the National Federation of Independent Business, has requested government to tighten up on the tariff schedules.

For many years now the whole structure of American business has been hopelessly while fuzzy-headed "do-gooders" in the State Dept. have been delivering the American market piece by piece to foreigners. It has been requested that Congress once again resume full control of its tariff-making powers.

Now comes another factor into the critical situation. The Chicago local of the national electrical workers union has served notice that after May 1, their members will refuse to work with electronic component parts imported from Japan. The union local charges that in eight months, 9,000 jobs were lost due to these low cost Japanese imports.

National headquarters of the union are said to be studying this matter, with a view to making such an edict nationwide. One union official claims that around 700,000 U. S. electronic workers have lost their jobs.

This presents a most grave situation. Obviously, American workers have a right to their jobs.

jobs, and also to protest the destruction of those jobs.

A strike over this situation would be bad. First of all, there would be a foolish dislocation of the economy at the present time due to lost sales, lost wages. And in this age of missiles, such a strike could even set back the defense effort, which leans so heavily on electronic devices. But the greatest damage of all would come about if the union won the strike.

For once organized labor won a strike where the issue was the direction of national policy, there would probably be no limits to which power mad labor dictators would not aspire.

And unfortunately, if there were a major strike over the electronics issue, the majority of public sympathy would probably be with the strikers. There seems little doubt that the public would sympathize with workers striking to protect their jobs from the Japs, losing sight of the larger issue that would be involved. That issue is whether or not governmental policies shall ever be dictated by the use of the economic weapon of the strike.

On the other hand, the majority of Congress must of necessity soon face up to a major problem of the times.

From the lumber workers of the Northwest, to the shoe makers of New England, to the steel workers of Pittsburgh, to the oil workers of Texas, to the electronic workers of Chicago, there has hardly been a segment of American industry that has escaped the growing cancer of cheap imports from cheap labor nations. It seems unlikely that the people's elected representatives can desert the people.

Rodeo . . .

(Cont'd. from Page 1) Plans are being made for a dance to be held each night following the rodeo event, but the location has not yet been determined.

HK Rodeo Association of Snyder will furnish the stock for the rodeo, including bulls, broncs and roping calves, the clown and pick-up men.

Citizens of the town are growing beards for the event, but for those not wishing to participate in this category, shaving permits are being sold for \$2.50 each.

Entry fee as a contestant in the calf roping, saddle bronc riding, bareback bronc riding or bull riding is \$15.00, with all entry fees going into prizes. All cowboys of this area are particularly welcome to enter. Entry fee for the barrel racing event will be \$10.00.

There will be two special events for junior cowboys, ribbon roping contests for youths 16 years of age and under, and goat sacking contests for youngsters 13 years and under.

All merchants in Tahoka and Lynn county are urged to enter floats in the rodeo but sponsors ask that no advertising promotions or gimmicks be used.

Mrs. Ruth Halford remained a patient in Tahoka Hospital where she has been confined for several weeks.

Mrs. M. F. Wyatt was admitted to the local hospital Friday of last week where she is a medical patient.

ern homes, and some modern ones too. We spent four days in Houston with our sons, Maurice, Jimmy and his wife, Jerry. Spent one day with a sister, Mrs. W. T. Shepherd, who lives there with a daughter and family, the Roy Langleys. The boys took us driving in and around that city where we saw just as many pretty flowers, all kinds of trees and shrubbery as you can find anywhere—just can't beat our Texas.

We drove back to Dallas and another visit with the Lyman family and enjoyed the new daughter, Leslie Karen, with them. The family, Walt, Mary Lynn and Marc have been waiting two years to adopt a baby, so now they are one happy family. We also visited a sister in Dallas, Mrs. Esma Cash, who lives with her son, Bob and takes care of Lin, J. Hunter and Martha. Came home the 31st, found we'd had lots of snow, rain, etc., hence spring weeds are doing well. In fact, some wicked spirit had sowed our yard and garden with a new kind and awful wicked, but they got a good stand, weeds.

During February the Hugo Makers of Wilson went down on the train to Pascagoula and spent a few days with their son and family, the Arden Makers. But they didn't broadcast about their visit like we do. Anyway they told us they really enjoyed the visit in the Deep South.

Mrs. J. O. Allen was admitted to the hospital Tuesday but was expected to have been released Wednesday afternoon.

FRIDAY, APRIL 7, 1961

Chamber of Commerce Launches An Active Program of Work For Year

New officers of the Chamber of Commerce are active in several fields for the benefit of the town and county, but citizens of this county are being urged to contribute ideas for rural and urban betterment.

Right now, the C. of C. is seeking five or six acres in or at the edge of town for development by the Texas Highway Department as shops and equipment storage. If a location can be found, District Engineer O. L. Crain of Lubbock states a modern building will be erected here and the facilities increased. Catch to the new construction is that Mr. Crain is limited to \$3,000 for purchasing of the site.

The C. of C. is giving moral support to the Rodeo Association to promote its rodeo here on Frontier Days, April 27-29, and has secured five queen contestants, promise of 40 floats in the parade, and four visiting Sheriff's posses. It will also help with the caravan to neighboring towns to advertise the rodeo. Outside of the sale of "shaving permits" and tickets, the Rodeo is asking nothing else from the public except to attend the shows, and lend their moral support in other areas such as making guests feel welcome.

A proposal of farm and civic organizations for the erection of a

county building for livestock shows and other large meetings that will be one of the most modern in the area.

A brochure with pictures and data about Lynn county and Tahoka is being prepared for printing in the near future.

Merchants are being asked to cooperate in helping keep out intenerate promoters and salesmen with propositions of questionable value. All such solicitors are requested to secure a permit, after investigation by C. of C. committee, before canvassing the town.

The C. of C. is seeking new members of the organization and asks all public-spirited businesses and individuals to consider taking out memberships to help promote a better community and county.

With cooperation of members and other citizens, the C. of C. will have a very active program throughout the year.

REECE CORRECTION

In the obituary in The News last week of the infant son of Mr. and Mrs. Archie Reece Jr. there appeared two errors. The baby's name is Richard Mack instead of Richard Mark and he was born in Mercy Hospital in Slaton instead of St. Mary's Hospital.

Threat of Communism To Western World Told At Rotary Conference

Reports on the 573rd District Rotary Conference at Pampa were made by Dale Thuren and Dr. Emil Prohl at the local club meeting Thursday noon.

Each speaker told of the growing threat of Communism as brought out by speakers at the meeting. One man on the program, Dale said, predicted that Mexico will go Communist within three to four months. Another declared Mexico, Finland and Denmark are already lost to Communism for all practical purposes.

These speakers included Dr. Floyd Golden, a doctor from Amarillo who was born and reared in Mexico, and foreign students from Texas Tech.

The latter three, from Iran, Formosa, and Japan, declared our foreign relations are bad—if we want to help their countries we must do it through understanding and not with money. Another reason for the bad light in which we are being put in other nations is by our ambassadors, who are ill-trained for the job of getting along with the people in the countries where they serve.

Dr. Prohl pointed out that even Rotary, which has as a major objective international good will, is missing the boat somewhere even though it has a half million members in 10,000 clubs in 120 nations of the world, and a new club is being formed every 45 hours. For instance, Indonesia is pulling out of Rotary.

"We have to sell ourselves, not try to buy our way in—we have to learn to get along with peoples of the world," declared the Doctor, who has traveled in many countries of the world.

The program was arranged by Tom Gill.

Student guests for the month, Jerry Pebsworth and Billy Davis, thanked the club for the opportunity to visit meetings during March. They were introduced by Rotarians L. C. Haney and Fred McGinty.

Among the special guests for the day were District Highway Engineer O. L. Crain of Lubbock and Mayor H. B. McCord Sr. Visiting Rotarians included John Saleh of Lamesa, J. T. Forbes of O'Donnell, and Roy Priest of Brownfield.

Coach and Mrs. Bill Haralson, Kelly and Ben, of Sherman were here over the Easter holidays visiting Mr. and Mrs. Ray Adams and family and other friends. Haralson is coaching in the Sherman schools and Mrs. Haralson is teaching.

Army Chief of Staff

GENERAL GEORGE H. DECKER

comments: "Among Army weapons systems in the research and development stage, none is more important than the Nike Zeus. . . . The feat of intercepting an intercontinental ballistic missile with a killer missile has been likened to hitting a bullet with another bullet. No one underestimates the difficulty of solving that problem. Meanwhile, the important thing is that the problem must be solved . . . before the Soviets produce a means of defending against long-range missiles."

Tahoka Places In Mustang Relays

Lester Ford, member of Tahoka track team, won the mile run in the small school division of the Mustang Relays held in Andrews Friday. His time was 4:45.2.

Coming in second in the event was Bales of Tulia.

In the discus event, Frank Greathouse took fourth place with a throw of 125-10. White of O'Donnell tied Cone of Whiteface for sixth place with 123-10.

Buddy Chestnutt took sixth place in low hurdles.

Lopez of O'Donnell came in sixth in the 220-yard dash.

Tahoka made a total of 15 points in the meet and placed 11th in the field of 20 teams entered in the small school class.

Fort Stockton nosed out Floydada 90-89 to win the meet, while the Tascosa Rebels of Amarillo won the larger school division.

Joe Phil Inman, son of Mr. and Mrs. Travis Inman, a freshman at Texas A & M, was home for the holidays last week end.

Entomology Team Work Is Started

The Lynn County 4-H Club had its meeting Thursday, March 30, in the Tahoka school cafeteria. Beginning next week Bill Griffin, county agent, will work with the entomology team. Mr. Griffin also told the group some factors of the tractor, electrical, cotton and livestock projects.

Our county agent was to leave March 31 to get calves for some of the 4-H boys.

He also announced that eight Sears gilts will be given away. In order to get one of the gilts a boy must be at least 7 years of age and not over 21, write an essay on "Why I want a Registered Gilt." If a boy has had a Sears gilt before he is not eligible to get another. Anyone interested in entering the essay contest may get more details from Mr. Griffin.—Sidney Hart, reporter.

PICK UP AND DELIVERY

Call me to pick up your car for ANY SERVICE we may render to your car at our station.

This will eliminate the "Brand X Service" that you get when you are in a hurry.

It takes a little time to service a car as it should be serviced, and if you call me in time it is much better for all concerned.

Back of this service is over 30 years of experience.

MEMBER OF F. D. I. C.

Beautifully built to cost less* and save more than any other full-size car

Ford Fairlane, equipped the way most people like, is the lowest-priced, full-size, six-passenger car in America. And still—the savings only begin when you buy! Because it's beautifully built to take care of itself, you save while you drive. For instance you lubricate it only each 30,000 miles. (See box at right.) Every Ford is so beautifully built that dealers trebled their warranty! This is the car that sets the economy trend. . . .

This is the Ford in your future!

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF

Lubricates itself—You go 30,000 miles between chassis lubrications (which cost only about \$4.00 and take about 20 minutes).

Cleans its own oil—You go 4,000 miles between oil changes with Ford's Full-Flow oil filter (which filters better through fibers).

Adjusts its own brakes—New Truck Size brakes adjust themselves—automatically.

guards its own muffler—Ford mufflers are double-wrapped and slumozed to last three times as long as ordinary mufflers.

Protects its own body—All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing the body panels beneath the doors.

Takes care of its own finish—Just wash and clean Ford's new Diamond Lustre Finish and it will continue to glisten like new. It never needs waxing.

Extended Warranty—Each part of '61 Ford, except tires, is dealer warranted against defects in materials or workmanship for 12 months or 12,000 miles, whichever comes first. Owners remain responsible for normal maintenance service and routine replacement of maintenance items such as filters and ignition parts.

FORD DIVISION, Ford Motor Company

Beautifully built to take care of itself

FORD FAIRLANE

W. E. Taylor Is In Critical Condition

W. E. Taylor, 83 years old, of Lamesa and father of Mrs. Lee Roy Knight of Tahoka, is in Lamesa Hospital where he is being treated for a broken hip which he received Wednesday, March 22, when he fell in his yard.

He is expected to be operated on to place a pin in his hip because of his heart.

Miss Berta Hill of Seguin was here over the Easter week end to visit relatives and attend the wedding of her niece, Sarah Rochelle, in Lubbock Sunday afternoon.

Printer's Ink-lings . . .

By F. P. H.

When Wilmer Smith spoke recently at the Lubbock Agriculture Club, a cheering section of New Home buddies greeted him with the old college spirit, "Two-bits, four-bits, six-bits, a dollar; All for our speaker stand up and holler!"

We understand a little excitement was created Saturday over at the First National Bank when a Stanley ambulance arrived there with sirens blaring and three attendants, Martin White, Borden Davis and Joe Bob Billman, dressed in white coats and face masks, alighted and hurried inside bearing a stretcher.

Actually, the scene caused more excitement inside the building than it did outside. It seems that all the girls employed at the bank arrived at work Saturday morning, which was April fool's day, wearing maternity dresses. It gave Cashier Pete Hegi such a jolt, he called up Vice President Charles Verner and gave a complete report. Charles, however, after viewing the situation, was not to be outdone. He called in the ambulance.

"The Andersonville Trial," the play about the Civil War presented at Municipal Auditorium in Lubbock a couple of weeks ago, had an unusual interest for the Joe D. Unfred family. Betty's great grandfather Flickinger, a Union soldier, died in Andersonville prison from an infection. Also of interest to us was the fact that her grandfather, George Flickinger, fought in the Spanish-American War; her father, Harry Westfall, was in World War I, and her husband was in World War II. Joe D. claims Betty has been trying to start World War III ever since he married her.

Sometimes the grass looks greener on the other side of the fence. Frequently, some citizen cites some neighboring town to us as an outstanding example of something our town should do. We receive a little magazine called "Sunshine", published by the Methodist Orphans Home at Waco. Each year the Home asks for Christmas offerings for these children who have no parents. The Printer felt a little special pride in Tahoka when he read in the March issue that members of the Tahoka Methodist Church, which annually leads in contributions to the home, had sent the children a total of \$1,418.10 for Christmas.

This is not especially outstanding. But, it is three times as much as was given by any other church in Brownfield district. It is one third as much as was given by all the Methodist Churches (11) combined in the city of Lubbock, more than was given by Big Spring, Lamesa, Levelland, Littlefield, Snyder, or Plainview, to say nothing of smaller neighbors of Tahoka.

This brings to our attention other good deeds. Sometimes some of us do not appreciate a good citizen as we should until he, or she, is dead and buried. We are thinking right now of the late Judge and Mrs. J. W. Elliott. The Elliotts had no children. Everything they had they made in Lynn county. When they died, they left a part of the income from their estate to the community and friends who had been good to them. Very little publicity has ever been given the fact, but orphans, the local churches, our local cemetery, and the public in general are all benefitting from the Elliott estate. Many of the improvements in the City Park were made possible by funds from this fine couple since their death. The Elliotts will live a long time as a result of these memorials!

Around the Lillies," and recalled this verse from one of these old songs: "Where coffee grows on white oak trees And rivers flow with brandy, Rocky roads all lined with gold, And the girls are sweet as candy."

Back in our childhood, we can remember the older folk doing a little harmless dance step to such songs as "Skip To My Lou," "Buffalo Gal" and "Put Your Little Foot." Maybe we're better off with beatniks, jive, jazz, and songs with no tune, beat, or rhythm. Some call this progress.

We extend our thanks to Luke Hagood of Junction for a very flattering letter regarding this publication. Thanks, Luke, old boy, we're glad you enjoy The News.

One of the favorite stories of Rev. P. D. O'Brien of Big Spring is about the two little boys coming home from Sunday School.

"Do you believe all that stuff about the Devil?" asked one of the youngsters.

"Naw", replied the other, "its just like the story about Santa Claus—it's your old man."

A first grader was telling about her seven brothers and sisters. "My," said the teacher, "a big family like that must be expensive!"

"Oh, no!" cried the little girl, horrified, "we don't buy 'em; we raise 'em."

A visitor at a golf club paid his green fees and fixed up a match. At the first tee he took a wide swing and completely missed the ball.

"By George!" he exclaimed. "It's a good thing I found out right at the start. This course is at least two inches lower than the one I usually play on."—Santa Fe Magazine.

NK 210

NK 310

HYBRIDS FROM NORTHRUP KING

NK 210: This widely adapted hybrid has been farm tested for performance and profit in your area. In both dry land and irrigated planting, NK 210 will give you exceptional yields. The full, fairly open head combines cleanly—easily.

NK 310: On irrigated land, NK 310 has out-yielded other hybrids by as much as 30%! This is a full-season hybrid with large, easy drying, semi-open heads. In both grain quality and yield, NK 310 is outstanding!

LOOK FOR the "Green Treated" Northrup King seed. It means your seed is safe in the soil from insects and soil diseases. You'll get faster starts, more even stands.

Your NK dealer has NK 210 and NK 310 right now! And try these other NK sorghum hybrids. They'll help you grow more and cut more sorghum this year.

Did you know Gasoline is Taxed at a Rate 5 Times as High as Diamonds?

IN TEXAS, YOU PAY 90¢ TAX ON 10 GALLONS OF GASOLINE

Gasoline taxes will be lowered— if the latest temporary Federal gasoline tax increase expires on June 30th as scheduled by the 1959 Federal Highway Act.

Along with all good citizens, we are in favor of building the roads that the motoring public needs. But, in the last 10 years alone, Federal and State taxes nationwide on gasoline have skyrocketed 51%—skyrocketed to a point where gasoline, a basic commodity, is actually taxed at a rate five times as high as luxuries like diamonds and mink coats.

Must gasoline taxes be so high? Most people believe that gasoline taxes are high because the money is needed to pay for our national highway program. This is not so.

The fact is that out of every highway-user tax dollar collected last year by the Federal government, more than 40 cents was diverted to non-highway purposes.

If these highway-user tax revenues were spent for highways—as they should be—gasoline taxes could be lowered, and the highway program given a boost.

In fact, the Federal-Aid Highway Act of 1959 provides that when the added temporary Federal gasoline tax expires on June 30th, 1961, as scheduled, some \$802 million a year in highway-user taxes—now diverted to the U. S. Treasury's general fund—will instead be deposited in the Highway Trust Fund.

As a result, if the latest Federal temporary gasoline tax

increase expires on June 30th as scheduled—the national highway program will actually get \$225 million more each year than it now receives from the latest Federal temporary gasoline tax increase.

In January of this year, after an exhaustive 2-year survey of national transportation policy, a special U. S. Senate study group confirmed the wisdom of this decision.

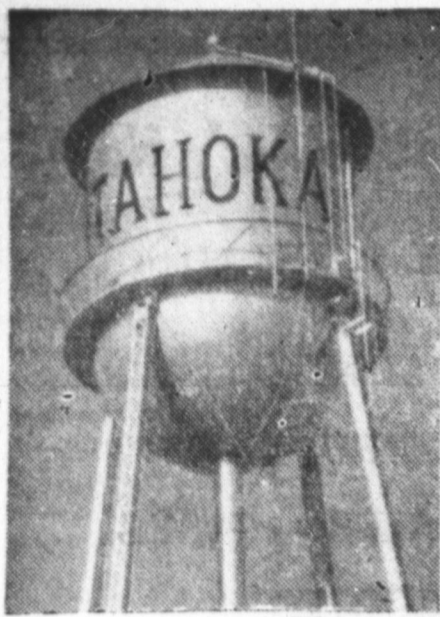

This will be good news for you. You will be able to enjoy a steadily improving highway system, at a lower gasoline tax-rate.

HERE ARE THE FACTS ABOUT TODAY'S HIGH GASOLINE TAXES

- In Texas, you pay 90¢ tax on 10 gallons of gasoline.
- You pay 9¢ tax a gallon—4¢ in Federal taxes plus 5¢ in State taxes.
- Gasoline is taxed at a rate 5 times as high as diamonds.
- The average Texas motor vehicle owner pays \$78 a year in gasoline taxes.
- Since 1951 there have been three increases in the Federal gasoline tax alone.
- In the last 10 years, gasoline taxes nationwide have skyrocketed 51%—yet the national average price of gasoline itself has risen only 5.5% during the same period.

The Gasoline You Buy Is Taxed Too High!

No. 7 In A Series of Stories About— Businesses that Make Our Town "Tops"!

As hard-working townspeople, we are apt to overlook many personalities and programs that aid in making Tahoka a fine and prosperous place in which to live.

Among the folks who deserve recognition and reward for outstanding help in reaching our town goals are the businesses and business men that serve our town and area.

To acquaint you with the folks and firms that mean much to us, The Lynn County News is printing a series of stories about these people and places. We know you will be interested in the stories we tell. We also feel that when you have need for what these friends and their firms sell, you will reward them with your purchases.

(By Frederic de Vries)

UNDERSTANDING SERVICE IN TIME OF NEED, IS AIM OF—

STANLEY FUNERAL HOME

"Do unto others as you would have them do unto you" is the policy of Stanley Funeral Home in trying to give people of Lynn county friendly, courteous service when sorrow comes to a family.

Mr. and Mrs. Martin White, assisted by Borden Davis, operate the business for Mrs. R. E. (Joyce) McKinney, the owner.

Mr. White and Mr. Davis are licensed embalmers of many years experience, and Mrs. White is a licensed funeral director. All have advanced First Aid cards. In fact,

Mr. Davis has been licensed since 1929. The Stanleys bought the business from W. M. Harris in 1947, and Mr. White came here in 1955 after having had training in the Army during World War II and after having attended Lab and special schools.

The firm has the most modern equipment, including a new Cadillac combination ambulance which is air-conditioned and fully equipped with oxygen and first aid equipment for any emergency, and a Ford emergency ambulance.

Most modern equipment and methods are used in the preparation room.

But, personalized service is the outstanding feature of this firm, and the attendants try to treat everyone as if he or she was a relative, and to render all the little added services needed.

One of these added services includes helping with insurance, Social Security, and government claims, when desired.

Parlors and chapel are tastefully decorated and every effort is made to dignify every action.

"The preparation room is a sanctuary of faith," Mr. White says. "The body that is entrusted to

our care represents the most unbounded faith of the faith of the family in our skill and sympathy. We carry on this faith by maintaining the most strict discipline while in this room."

The firm carries merchandise in every price range for 24 to 26 adult units, and makes all arrangements for the final rites, thus relieving loved ones of strain and worry. The firm offers Whole Life Insurance for individuals and family groups to fit any family needs at reasonable rates.

For emergency calls, the experienced and trained personnel and equipment makes possible the utmost care until the doctor or

hospital is reached.

Visitors are welcome to inspect the facilities of Stanley Funeral Home at any time, or to call 998-4433 at any time for further information.

This page appears in The News twice a month, and during the series two news stories, one with a picture, will appear concerning each business firm represented here.

An average of 750 rotary drilling rigs operated in Texas during 1959.

STANLEY FUNERAL HOME, ONE OF MOST MODERN IN THIS AREA

WHEN YOU THINK OF SERVICE, THINK OF—

THE SHORT COMPANY

One of the newest business firms in Tahoka is The Short Co., of which Harry L. Short, a native of Lynn county, is the proprietor.

The new firm, located at the intersection of Sweet Street and the Brownfield Hwy. (US 380) is a service station with emphasis on SERVICE and local dealers for Plymouth and Valiant cars.

The firm offers complete automobile service and repair, and when a car or truck stops in for gas the attendants give the machine a bumper to bumper check-up. The station offers the best in washing and greasing, oil and filter change, battery check, tire repair, windshield wiper replacement, radiator repairs—anything and everything a good service station is supposed to do but sometimes neglects.

This is the only place in town to get that new motor fuel EL PASO for quicker starts and more mileage in three kinds, Regular, Ethyl, and Red Flame; also El Paso oil, or the oil of your choice; Star and General tires, Willard batteries.

Minor automobile repairs can be taken care of at the station, but the firm has arrangements for major repairs in its shop. If you are tired waiting a long time to get your car repair work done, give Short a trial.

The Short Company has the local agency for Plymouth and Valiant cars. If you want a quality low-priced automobile which all tests show to be the best and most economical among "the low-price three," a fine trade-in deal will be

offered on a new Plymouth. If you want a small compact car that will out-perform them all and still give you comfort and quality, the buyer should investigate the Valiant.

The firm is operated by home people who know the problems and needs of both the farmer and the town people, and this firm will be operated with this in mind at all times.

The Short Company only asks for a trial. Being new, it is especially anxious to prove that it has SERVICE as its goal and it is on SERVICE that it hopes to build.

Whether it be a new automobile, car service or repair, washing and greasing, a new set of tires, a windshield wiper blades, a stalled car, or some of our fine El Paso gas and oil—all you have to do is contact The Short Company in Tahoka by coming by in person or by telephoning No. 998-4979, and they will take care of your problems.

The progressive businesses advertising in The News appreciate an opportunity to serve you at any and all times.
