Tahoka's Big Rodeo Is Successful Show

Tahoka's Frontier Days Rodeo held here last week end has been declared a big success by all people concerned.

Profit to Tahoka Rodeo Association after payment of all expenses, was almost \$1,500, according to Ruben McElroy, secretary, and his wife, who handled most of the "paper work" of the event.

Spectators totaling 7,300 admissions for the three days, businessmen of the county, the 248 contestants, the people who furnished the stock, workers, and Tahoka Rodeo Association and the Chamber of Commerce leaders who helped them all were happy over the event.

The H&K Company of Snyder, owned by Alvin Koonsman and Joe Helms, had excellent stock, were happy with the crowds, and want to come back for next year's show. They drew \$2,800 for staging the show.

The cowboy contestants were happy because the purses were larger than in many of the larger shows, even the professional ones. All entry fees were returned to the cowboys participating, a total of \$3,414.11 being paid out to the six top winners in each event. They took home more money than do winners in some of the professional RCA shows.

For example, first place in bareback bronc riding took off \$270.13 plus a \$26.00 belt buckle award. Such buckles were given each first place winner. Fourth place drew \$130.41. Sixth place in the same event drew \$23.29.

Tahoka Rodeo Association has only 22 members, but is seeking more who are interested in horses, roping, and rodeo sports. They asked for no donations to put on this year's show, and propose to make the show stand on its own feet. However, they are handicapped for bleacher seats and would have had a larger profit but for the expense of renting and moving bleacher seats, some of which were loaned by O'Donnell.

Incidentally, about fifty workers were required to stage each performance.

There were no serious injuries. The cowboy hooked by a Brahma bull late Saturday night, received hospital attention but was released after examination showed his injuries were not serious.

The Rodeo Association was given help by Tahoka Chamber of Commerce in staging the show, booster trips, queen and beard contests, inviting sheriff's posse and feeding these visitors, etc. The two groups have asked The News to extend thanks to all who helped make the show a success.

4-H Members In District Contests

Lynn county boys' and girls' 4-H club judging teams are entered in the Area I judging contests being held in Lubbock Saturday, according to County Agent Bill Griffin and Home Demonstration Agent Connie Anderson.

Following are the teams and individuals:

Entymology: Ronnie Wood, Lynn-dol Askew, Charlotte Vestal, and Carol Ann Moore.

Tractor operator: Lester Ford.

Junior Dairy Foods team: Arlene Stephens and Donna McAllister.

Junior Dairy Foods individual: LaNita Wood.

Senior Dairy Foods individual: Sherron Renfro.

Junior Vegetable team: Jolene Balch and Katie Garrett.

Electric team: Mike Paden and Richard Whitley.

The condition of W. M. Harris is reported to be about the same by Tahoka Hospital officials. He has been a patient in the institution for several weeks.

Absentee Voting Starts Monday

Absentee voting in the special U. S. Senate run-off election will begin Monday, May 8, in the office of C. W. Roberts, county clerk of Lynn county. Deadline for casting an absentee vote will be May 23.

Date of election has been set for May 27, at which time a successor to Lyndon B. Johnson, now serving as vice president, will be elected.

In the recent special election, the two top men on the ballot were William Blakley, now serving as interim U. S. Senator from Texas, and John G. Tower, a Republican.

Young Farmers Form Club Here

A Young Farmers of Tahoka organization was formed at a meeting of 14 young men 21 to 35 years of age in the Tahoka High agricultural building. Next meeting date is May 15 at 8:30 p. m., and all young farmers of the county interested are invited to attend.

The group will become affiliated with the state organization, and plans 12 educational meetings a year plus social activities.

Officers elected Monday night were: Robert Draper, president; Walton Terry, vice president; Jimmy Williams, secretary; Milt Draper, treasurer; and Wayne Huffaker, reporter. V. P. Carter and Lester Adams, local vocational agriculture teachers, are advisors.

Don Phipps, president of the Welch chapter and vice president of the state organization, was the speaker at the opening meeting, and explained the purposes of the organization.

Aggie Teams In Area Contests

New Home, Wilson and O'Donnell schools placed in the 33rd annual Vocational Agriculture Judging Contests held at Texas Tech Saturday, with New Home coming in a first place winner, and all three qualifying to enter the State meet this Saturday at College Station.

The New Home team was first in cotton classing, emerging as overall high team in that event. The school tied for first with Monterey in the grading team event, placed fifth in stapling team. David Hancock tied for third in individual grading. Elton George was third in individual stapling and was fifth in overall high individuals.

The Wilson team was second in the Dairy Cattle division following Big Spring. Wilson tied for second in the Jersey teams. Junior Hewlett was first in individual Holstein event and second in overall high individuals, and the team was third in the Holstein team event. In the Dairy Products division, Tommy Swann placed fifth in high individuals. In the Poultry division, Wilson was third in team eggs, and Larry Riney tied for second in individual eggs.

Some of these events will be held at the state meet and those qualifying include Dairy products, Wilson; Poultry, Wilson and O'Donnell; Livestock, O'Donnell; and Dairy cattle, Wilson, New Home and O'Donnell.

HAMILTON ON JOB

Ed Hamilton, who recently underwent surgery, is able to be back at his store part time this week. At least, he is able to take a look at the new building he is having erected.

Mrs. Mary Stuart is improving in Tahoka Hospital where she has been a patient for several days.

WOODROW BRAZIL
Was winner of Frontier Days beard growing contest.

MARY JANE MCCORD
Was queen of Frontier Days rodeo last week end.

Johnny Clark, Wilson, Resigns

Johnny Clark, superintendent of the Wilson Independent School District the past three years, has resigned to accept a position as superintendent of schools at Henrietta, Texas.

Clark resigned at a special session of the Wilson school board Monday.

A Henrietta, he will replace Tyra Roper, who had been superintendent there for seven years. Clark's resignation is effective July 1.

The Wilson school board is accepting applications to fill the position of superintendent, according to Clarence Church, president of the board.

Bank Deposits Remain High

In spite of the so-called recession and cost-price squeeze on the farming county, total Lynn county bank deposits were virtually the same at the mid-April call as they were in March a year ago. County deposits showed a drop of \$36,469.20 from a year ago.

Total county bank deposits at the April 12 call were \$12,394,151.84, and total loans and discounts were only \$4,888,941.56.

First National Bank of Tahoka reported \$7,753,572.53 on deposit and Wilson State Bank had on deposit \$1,969,223.43. First National of O'Donnell had a slight increase in deposits, showing a total of \$2,030,537.81.

Such reports prove the county as a whole is in sound financial condition.

The First National Bank of Tahoka this week is announcing something new in banking in this area, a \$1,000,000 fidelity bond, which virtually eliminates any possibility of a bank going broke from loss of funds.

At a recent meeting of the First National Bank of Tahoka officers and directors, A. C. Vermer, who has been serving as executive vice president since W. B. Slaton has been in ill health, was elevated to president of the institution. F. B. Hegi was promoted to executive vice president and cashier; Mrs. W. B. (Ethel) Slaton is vice president; and W. H. Eudy and J. W. Inklebarger are assistant cashiers. Other directors are E. E. Ellis, W. R. Slaton, and L. O. Sparks.

Mr. Slaton is active chairman of the board. Incidentally, Mr. Slaton is one of the pioneer bankers of this area, having joined the local bank about the time it was organized in 1907, and is recognized generally in banking circles for having built and maintained one of the most stable banks on the Plains of Texas.

Mrs. B. K. McClintock was dismissed Tuesday from the hospital where she had received treatment for injuries sustained in a car wreck.

Lamb Speaks At New Home Church

Gilbert Lamb of radio station KMUL, Muleshoe, formerly of Tahoka, spoke on the subject of "Temperance" at New Home Methodist Church at the Sunday morning service, giving personal experiences.

He was invited to make the talk by Rev. A. L. Mitchell pastor. Members say Gil's talk was one of the best layman sermons they had ever heard.

He was accompanied to New Home by his wife, the former Ollabelle Singleton of Tahoka.

ROBINSON IMPROVING

Hall Robinson had the pin taken out of his broken bone last week in West Texas Hospital, and is back home "hobbling around." He is reported to be recovering nicely.

J. W. Inklebarger was dismissed from the local hospital where he had been a patient several days.

Seven Indictments Returned By Grand Jury On Wednesday

Seven indictments, including two cases of rape, were returned late Wednesday by the Lynn county grand jury following an all-day session.

An indictment was returned against a Negro man, Bennie Lee McIntyre, 18, farm-worker who has been working at Grassland, charged with the rape of a 27-year-old white mother of two children at her home in the Redwine community Tuesday afternoon of last week while her husband was in town. The Negro is being held without bond in the Lubbock county jail.

Trial has been set for Tuesday May 16, in 108th District Court here before Judge Truett Smith.

District Attorney George Hansard of Lamesa and County Attorney Harold Green told The News McIntyre had made signed statements, but they did not deem it wise to release any details.

An indictment was returned against David Lee Case, 19, charged with the rape of a young Tahoka school girl on or about March 3. Case was formerly employed by South Plains Electronics here. He is in jail at Lubbock.

Other indictments returned by the grand jury were:

T. G. Holloway of Jones county, defrauding by worthless check. He is alleged to have given a check to Wayland Taylor, Inc., of O'Donnell for \$400.00.

Four-Lane Highway 87 North Work Set For This Summer

BOB BARNES, Minister

Church of Christ Minister Resigns

Bob Barnes, minister for the local Church of Christ, will be moving in Sheridan, Wyoming the last of May. Sheridan is in the north part of the state in the Big Horn mountains.

Mr. Barnes will be supported by the 37th Street church of Christ in Snyder. He will be leaving Tahoka on May 19 to work for two weeks with the church in Snyder before he and his family move to Sheridan.

"I would like to take this opportunity to thank the good people of Tahoka for the very wonderful reception I have enjoyed. My stay here has been an enjoyable one," Mr. Barnes said.

School Bands In League Contests

All three high school bands in Lynn county participated in the regional Interscholastic League meet held in Brownfield Friday and Saturday and received ratings in concert and sight reading.

Tahoka High School band, in Class AA, received ratings of 3 in concert and 2 in sight reading. Class A O'Donnell band was 4 in concert and 4 in sight reading. The Wilson band in Class B received a 2 in concert and 1 in sight reading.

The bands were among 35 in this region that were included in the musical events.

E. J. Cooper was admitted to Tahoka Hospital Monday and is reported by attendants to be doing very well.

Duard Nelson was admitted as a medical patient Thursday of last week and was dismissed Saturday from the local hospital.

School Closing Exercises Set

Tahoka High School seniors will receive diplomas in commencement exercises Friday, May 19, at 7:30 p. m. in the high school auditorium, states Principal Clifton Gardner.

The class sermon will be presented Sunday night, May 14 at 8:00 p. m.

An awards day program is to be held in the auditorium next Friday, May 12, for the purpose of recognizing achievements of outstanding students and athletes, and presenting medals to the honor students. Honor students will be recognized in each subject and also those who were placed on the honor roll throughout the year with a grade average of 90 or above.

All parents are invited to attend the awards day program since no awards will be presented the night of graduation, as has been the custom in the past.

Explosion Burns Lakeview Man

O. D. Weaver, Lakeview gin employee, was critically burned Friday night between 8:00 and 8:30 o'clock in a butane explosion which destroyed a house on the gin property.

Mr. Weaver is reported to have second degree burns on the upper part of his body. The News is informed that the burns covered about 40 percent of his body. He is a patient in Methodist Hospital.

Friday night he had been at his son's home in Lubbock. They had decided to go on a fishing trip. He drove to the house at Lakeview, entered and turned on the lights. When he fired his cigarette lighter to light a cigarette, a violent explosion occurred, presumably from butane fumes that had collected in the room. He ran from the burning building, got in his car and drove to his son's home in Lubbock, from which place he was taken to the hospital.

Some people at a weiner roast at Lakeview Baptist Church, across the highway, heard the explosion, saw Mr. Weaver get in the car and leave. For a while they feared other members of the family were in the burning house. Witnesses said the explosion threw sheet-rock across the street.

Tahoka Fire Department was called to the fire scene, but the house was already too far gone to save any of it. The gin had just recently been bought by New Home Cooperative Gin, and the four room and bath house was a part of the property. It was covered by insurance.

Free Plane Rides For Cub Scouts

All Cub Scouts are to meet at the local airport Saturday morning at 10:00 a. m. when Seth Lewis will take the group on a plane ride. The event which was to have been held at an earlier date was postponed. Saturday the boys planning to take a plane ride must have a written permission from the parents or else a parent must accompany the child to the airport, states Cubmaster John Ed Redwine.

Mrs. A. A. Philpot fell and broke her left shoulder Friday of last week. She was admitted to Tahoka Hospital and was released Saturday.

Mrs. M. T. Wyatt remains a patient in Tahoka Hospital where she is recuperating from a recent heart attack.

Arkansas has an annual average of 48 inches of rainfall.

Bids for construction of 13.709 miles of paving from a point two miles north of Tahoka to the Lubbock county line on U. S. Highway 87 have been called for by the Texas Highway Commission, according to O. L. Crain of Lubbock, district engineer of the Texas Highway Department.

This is the four-lane divided highway and will be similar to the section from a mile south of Tahoka to the Dawson County line at O'Donnell.

Bids will be opened on the project in Austin at 9:00 a. m. on May 20, and construction is expected to start soon thereafter.

Specifications call for the construction of an additional two lanes to the existing paving, and the contract will be for grading, structures, base and surface treatment.

Mr. Crain has informed The News that the present roadside park north of Tahoka will be left virtually intact. When the highway is completed it will be accessible principally to southbound traffic.

The Highway Department has acquired about 11 acres of the Reble Thomas land lying on the east side of the right-of-way, about a mile south of the present roadside park and adjacent to the Harley Henderson farm. Part of this will be taken by the widened right-of-way, but the remaining seven acres will be made into another roadside park for principal use of northbound traffic.

Appraisers for the state have for some time been checking property along the proposed right-of-way for the new highway through Tahoka on Doak Street, a block east of the present right-of-way.

Mrs. Henderson Is Buried Here

Mrs. Johnnie T. Henderson, 79 year old former Lynn county resident, died Thursday, April 27, at 8:24 a. m. in West Texas Hospital in Lubbock. She had lived in Lubbock since December, 1960.

Funeral services were held Saturday at 2:00 p. m. in the First Baptist Church in Tahoka with Rev. Frank Teal of Greeley, Colo., Rev. T. James Efrid, pastor, and Rev. J. B. Thompson, pastor of the First Methodist Church, officiating. Burial was in Tahoka Cemetery under direction of Stanley Funeral Home.

Mrs. Henderson was born Feb. 14, 1882 in Bosque county, Texas. She was married to the late Harvey Joe Henderson Nov. 12, 1899 there. The couple came to Lynn county in 1914 from Knox City and lived in the Redwine community where they farmed for many years.

They also operated the old Sinclair Hotel in Tahoka, located at the intersection of U. S. Highway 87 and 380 where the Gulf Service Station now stands. Mr. Henderson died in 1953. Mrs. Henderson moved to Oklahoma in 1946, where she lived until coming to Lubbock in December. She was a member of the Baptist Church.

Besides her husband, she was preceded in death by six children, Lena Ruth, Harvey Joe, Margy, Margaret, Charlie and Frank. She was the mother of 12 children, including three sets of twins.

Survivors include three daughters, Mrs. Mattie Whittington of Lubbock, Miss Lola Bell Henderson of Lubbock, and Miss Claudia Henderson of Roswell, N. M.; three sons, T. Harley of Tahoka, John of Whiteface, and Coleman of Post; two sisters, Mrs. J. B. Henderson of Seymour and Miss Log Harlan of Wichita Falls; one brother, Charlie Harlan of Seymour; 33 grandchildren and 34 great grandchildren.

Are you the kind of fisherman who passes the buck when it comes time to clean your catch?

Well, Mr. Fisherman listen closely and take heed. Cleaning fish doesn't have to be a problem any longer, says the Evinrude Boating Foundation. It's almost as much fun to clean them...

Using a sharp, narrow-blade knife, cut through the back bone of the fish just behind the head and gills. Take up the fish in one hand and cut the skin around the dorsal fin and all of the way back to the tail along the spine.

Now grab hold of the skin just behind the head and pull it from the flesh of the fish. A pair of pliers can be used to make the job easier on larger fish.

Follow these directions and you will stay clear of cleaning up a mess of scales. I've been cleaning all of my lunkers this way for a long time and have found this method to be sound...

Happy boating... and fishing, too.

Seven Additions To Honor Society

Seven students of Tahoka High School whose identities were kept secret were brought to the Home Ec. cottage Monday night by Floyd Tubb and Miss Lois Montgomery, teachers in the local school, when it was made known that they had been selected as new members of the National Honor Society.

New members include Rose Scott, daughter of Mr. and Mrs. J. L. Scott; Tony Spruiell, son of Mr. and Mrs. Clyde Spruiell; Jerry Chapa, son of Mrs. Elodia Chapa; Larry Price, son of Mr. and Mrs. J. C. Womack; Brooksie Reece, daughter of Mr. and Mrs. J. B. Reece; Jerrie Wyatt, daughter of Mr. and Mrs. F. A. Wyatt; and Carolyn Howard, daughter of Mr. and Mrs. O. D. Howard.

All of the new members are sophomores except Miss Scott, who is a junior.

As traditional, four seniors explained the standards of N. H. S. to the new members, those being character, service, leadership and scholarship.

Pythian Sisters Pay Out New Piano

Pythian Sisters Lynn Temple No. 45 met in regular session on Tuesday night at 8:00 with Most Excellent Chief Emma Halamecek presiding.

A new member, Mary Bohanan, was initiated into the order.

The new piano which was recently purchased by the Temple was paid in full. The local Temple extends its thanks to everyone who supported in such a wonderful way the project, and gives special thanks to W. T. Kidwell for use of his store for the recent bake sales.

Refreshments were served to 28 ladies, including the new member, with hostesses being Gertie McFadden, Tiny Lee McNeely, Hannah Nordyke, and Ellen Oliver. Next meeting will be May 16.

ON EASTERN TOUR

Mrs. Howard Draper of Tahoka and two daughters, Mrs. James Petty of Abilene and Mrs. Pat Brecheen and son Cole of Snyder returned recently from a 10-day vacation tour of the Eastern part of the States. They toured parts of Louisiana, Mississippi, Alabama, Florida and Arkansas.

Glenn Riddle, 13, Will Undergo Open Heart Surgery In Hospital At Dallas

Twenty-four donors forming a stand-by blood bank may mean the difference in the fight for a normal, healthy life of Glenn Riddle, 13-year-old Tahoka eighth grade student and son of Mr. and Mrs. A. D. Riddle.

Glenn is to undergo open heart surgery June 1 at the Childrens Medical Center in Dallas when Dr. Hugh Wilson will head a 14-member surgical team in performing surgery. A device new to medical science known as a heart-lung machine is to be used. But the really unusual feature of the proposed surgery is the requirements of 12 pints of blood.

The operation will require blood "on foot," as it were—no ordinary blood bank transfusions. Donors must have no history of malaria, undulant fever or tuberculosis, have received no transfusions and be from 21 to 60 years of age, and weigh over 110 pounds for women, or 120 pounds for men.

Surgery is being performed on the Tahoka boy to enlarge an artery that is now too small which leads from the heart to the lungs.

The Brotherhood of the First Baptist Church took the project of getting enough blood donors with "A" positive blood for the forthcoming surgery of which Wes Owens and T. R. Riddle were in charge. Glenn's father took blood samples of the donors to Dallas two weeks ago and Grady Lankford and Walthal Littlepage took another sample of Glenn's to the city.

Sixteen donors are to be present at the Parkland Blood Bank in Dallas at the time of the operation.

Mrs. Riddle stated that members of the Tahoka Hospital staff worked for several hours to secure blood types of the men who volunteered their services.

Men forming the stand-by blood bank are T. R. Riddle, J. T. Miller, Pug Parker, Rev. T. James Efrid, Garland Pennington, E. W. Roe, O. B. Corley, Lonnie Isbell, F. E. Redwine, A. D. Riddle, James Gage, Turner Rogers, Harvey Pyburn, Robert Warren, Rush Dudgeon, Lonnie May, J. W. Owens, Otis Spears, Mickey Bertreux, Dub Kenley, Jess Gurley, Curtis Stephens, T. B. Mason and Roy Askev.

Others who had their blood typed but did not have "A" positive type were E. A. Howie, Booth Slaughter and Erick Perkins.

CARD OF THANKS

Words cannot express our feelings at this time but we would like to say "thank you" for all the loving words and kind deeds shown me and my children during the long months of illness and death of our beloved husband and father. Our heartfelt thanks for the words and cards of encouragement, also the love gift while we were in Houston. Our thanks to those who at different times cared for my children, to all those whose prayers kept us going when we were discouraged, for the beautiful flowers and food, we say God bless you and keep you. We wish to give special thanks to our pastor, H. F. Scott, whose kind and loving words of sympathy made our burden easier. Lajuana, Dale, Rodney, Alisa and Roger Klesch-nick. 1tp

by Senator Preston Smith

This week opened here with much speculation on Gov. Daniel's possible veto of HB 727, a retail level sales tax that is designed to raise from \$128 to 150 million a year.

After passage by the Senate, the bill would go to the governor's office. If he did not return it to the Legislature within 10 days it would become a law without his signature.

If the Governor returned the bill with a veto, it could be passed into law over his objection by a two-thirds vote of each house.

If, however, the sales tax bill should be passed within the last 10 days of the session, Gov. Daniel could kill it with a veto proclamation filed with the Secretary of State within 20 days after adjournment of the Legislature.

The 120th day of the session falls on May 9. The Legislature can stretch the session into a 20-day overtime period, sufficient time to accomplish what many thought was impossible in one session.

It was predicted by many capitol pessimists that one or more special sessions would be necessary before Texas' financial problems were solved.

And, even though things look good now, there are still many doubts in the picture that do not assure the Legislature that it can possibly within this single session:

- (1) Retire the general fund deficit.
- (2) Balance the books on the two-year appropriations with sufficient new revenue.
- (3) Vote school teachers an annual salary increase.

But the session thus far has progressed rapidly, and effectively.

North Lynn Little League Play Starts

North Lynn Little League, composed of two teams each from New Home, Wilson and Cooper, will open play next Monday night, May 8, according to E. R. Blakney, League president.

Since Cooper does not have a home field, the teams will play their games in New Home and Wilson.

Wilson team managers are Victor Steinhäuser and Hubert Tienert, New Home managers are Milton Evans and Billy Ray Smith, and Cooper managers are Buz Vardeman and a Mr. Phillips.

Officers of the North Lynn Little League are: Blakney, president; Milton Wied, vice president; R. C. Carroll, secretary; A. L. Holder, treasurer; and Frank Lisemby, player agents.

The New Home team in the Lynn County Pony League will be managed and coached by Aubrey Smith and Luke Halford.

Pony League Is Opening Tuesday

Pony League play begins Tuesday night at 8:00 p. m. in Tahoka when the two local teams, the Orioles and Braves, clash at Little League park. The Pirates and Dodgers of O'Donnell play there; and the Eagles of New Home go to Wilson to play the Red Sox.

All players in the league must turn in their birth certificates to Perry Walker in Tahoka. He is on the Pony League committee with L. L. Birdwell of O'Donnell, Floyd Heck of Wilson and Robbie Gill of New Home. This group will meet in the near future to select a chairman and take care of other league business.

Team members for the six teams in Lynn county have been chosen. However, all names of these players are not available this week and a complete roster will be published next week.

Dixie H. D. Club Meets In Tahoka

In observation of National Home Demonstration Week the Dixie H. D. Club held a covered dish luncheon at noon Wednesday in the home of Mrs. E. B. Tunnell, when 10 members and one guest, Mrs. Sue Robinson, attended.

Plates were carried to Mr. and Mrs. A. L. Dunagan, who are ill. Mrs. Dunagan is a charter member of the club.

Following the meal the regular club meeting was held with 11 members present. HD Agent Mrs. Connie Anderson brought interesting information on planting and preparing outdoor cookery.

The club voted to give \$5.00 to the All Faith Chapel Fund for state institutions. For the special activity a box of gowns and pajamas was packed for the State Hospital for Epileptics at Abilene, which is the club's charity project. Each year the club packs a box of clothing for the residents there. Also articles suitable for gifts are sent at Christmas time.

Cash donations are made from time to time to help provide equipment needed there. One of \$5.00 was sent at this time to be applied on cost of air conditioning for their buildings.

According to members of the Dixie Club, the letters of appreciation they receive are most gratifying. Many patients apparently are forgotten and the club feels their project is worthwhile. They say it is not difficult to pack a box of clothing since any garment of any size is acceptable.

FFA And FHA In Joint Session

The F. H. A. and F. F. A. chapters of Tahoka High School had a joint meeting Tuesday in the school auditorium when Donna Copelin, newly elected president of the F. H. A. chapter, presided.

A panel discussion of questions and answers of dating problems made the program for the day's meeting.

Panel members consisted of Frank Greathouse and Susan Thomas, seniors; Perry Flippin and Darlene Tekell, juniors; Tony Spruiell and Sarah Wells, sophomores; Mackey Jo McWhirter and Louella Tomlinson, freshmen.

Floyd Tubb, business teacher in the school, served as moderator.

Plan Girl Scout Organization Here

Plans are underway for organizing Girl Scouts in Tahoka, and information is now being gathered on those girls and parents interested in working with the organization.

Mrs. L. L. Beck of Lubbock, executive director of Caprock Council of Girl Scouts, met with a group of mothers last week to discuss the possibility of organizing a troop here.

Mrs. Beck said one of the requirements is that there must be a local or neighborhood chairman who would represent Tahoka Girl Scout leaders in Council affairs. She continued that to make the program a success, the various organizations and individuals in Tahoka would necessarily have to cooperate in all phases of the program.

Girls 10 to 14 years of age in the fifth, sixth, seventh and eighth grades are intermediate Scout age, and girls seven to 10 from the second through the sixth are classed in the Brownie group.

Mrs. Beck stated that troop of 16 girls must have five adult workers before a troop can be organized, a troop leader, an assistant leader and three committee members. These five adults must register with the troop.

There are many girls wanting to become Scouts, but without a sufficient number of adults to work with them, there can be no Scouts in Tahoka. Those who are interested in Girl Scouts and the preparation for later years that Scouting can give them are asked to notify the following women:

Mrs. Elmer Owens, fourth grade girls; Mrs. Reble Thomas, fifth grade girls; and Mrs. Maurice Huffaker, sixth grade girls.

Mrs. Mathis Is WSCS Speaker

Ten ladies of the Woman's Society of Christian Service met at 3:15 p. m. Monday to hear Mrs. V. F. Jones and Mrs. Walter Mathis give the last lesson of the study on "Basic Christian Beliefs." Mrs. Mathis spoke on "The Holy Spirit and the Church." Mrs. Jones was the teacher and has made the study an interesting one.

The circles will meet jointly next Monday at noon for the monthly luncheon when everyone is welcome to attend.

Gayland James Is Honored At Party

Gayland James was honored with a steak supper in the home of his sister, Mrs. Harold Crooks and family of Meadow Tuesday night before he departed Thursday, May 4 for Fort Sheridan, Ill.

Those attending were Sharon Blakney, Mr. and Mrs. Claude James and Wayland Lee of New Home.

QUESTIONS, PLEASE

QUESTION: "Explain Jesus' statement, 'I Am The Vine and Ye Are The Branches.'"

ANSWER: Jesus, in John the 15th chapter, said that He was the vine and His disciples were the branches. This has been interpreted in various ways. It has been used as a "proof text" to justify denominationalism. "Denominations," they say, "are branches of Christ." Let us examine this. Imagine a vine of one kind bearing every different kind of fruit known. If one saw a watermelon vine with watermelons, squash, and gourds growing from it he would examine it very skeptically. Each plant must bring forth after its own kind. This is one of the earliest laws of God. Just so, Christ, as the vine, cannot bring forth doctrines that differ one with the other. When He said that He was the vine and "ye" are the branches He was not referring to different groups

that teach different doctrines. The "ye" referred to His disciples. How do we know this? This is known for several reasons. For one reason denominations were not in existence then. He could not have been referring to them. He must have been referring to His disciples. Another reason is that in John 15:6 He states, "If a MAN abide not in me, he is cast forth as a branch, and is withered; and men gather them and cast them into the fire, and they are burned." Now of whom is He speaking as branches? He is speaking of individual men. "If a MAN," He said, "abide not in me, he is cast forth as a branch . . ." Anyone who is a follower of Christ—a doer of His will—he is a branch attached to Christ. Christ is the source of life. All men in Christ will bear the same kind of fruits because they will all be teaching and following the same doctrine.

You are invited to send your questions to: Bob Barnes, Box 812, Tahoka, Texas. You are also invited to attend all the services of the church of Christ.

New Home Club Hears O. L. Crain

O. L. Crain of Lubbock, district highway engineer of the Texas Highway Department, was the speaker at New Home Civic Club Monday night. "Heavy" Nelson, county commissioner, was in charge of the program.

Mr. Crain outlined the highway and farm-to-market road program being carried out in this area. He declared a primary interest in building farm-to-market roads and the taking over of existing rural paving is the linking of road together that are "going somewhere." He said the Department is now in a tight for lack of maintenance money to property care for existing highways and farm roads. Crain also pointed out that traffic accidents in Texas during 1960 cost the state more than the repair and construction work put together.

President Calvin Tucker named a committee of men on a New Home Little League committee, namely: Joe D. Unfred, Dick Turner, Don Smith, Oscar Lowrey, A. B. Norman, L. C. Unfred, and O. R. Phifer.

The dinner was served by the Home Demonstration Club ladies.

WARD EAKIN ELLIS BARNES
E. R. BLAKNEY W. L. (Cap) ROWE
MELVIN WUENSCHÉ

Alex Sanders has completed planting of approximately 30 acres of mature grass. Side oats gramma grass was planted in rows and will be used for seed production and/or grazing. The grass planting was part of a soil and water conservation plan being applied by Sanders

with part of the cost of permanent practices being shared through the Great Plains Conservation Program.

B. L. Parker, whose farm is located approximately four miles north of Tahoka, has completed planting five acres of Midland Bermuda grass. The grass will be irrigated by a sprinkler system and used for grazing.

Autis Morgan, who farms one mile northwest of Central Church, plans to plant six acres of Midland Bermuda grass for grazing purposes.

May 7-14 has been designed as "Soil Stewardship Week." The theme chosen for this year is "The Reward of The Steward." This is the seventh year that the National Association of Soil Conservation Districts, a non-governmental organization of more than 2,800 individual districts, have sponsored this program.

The Primary purpose of which is to emphasize that the basic motivation behind good soil conservation is man's recognition of his responsibilities under God to protect and use wisely his precious gift of soil.

The record of drivers between the ages of 18-25 improved during 1960 but they still were involved in nearly 28 per cent of all fatal accidents—twice what their numbers would warrant.

New cotton bath towels came in coordinated sets featuring floral patterns, stripes, and solid colors. You can mix and match the colorful terry towels as you please.

Wilson Pre-School For Spanish Tots

Wilson schools will hold a pre-school session this summer for Spanish speaking children from May 29 through July 1, according to Supt. Johnny Clark, Jr. Morning classes will be held from 7:00 to 10:00 a. m. Monday through Friday of each week.

Mr. Clark says the program is designed to prepare non-English speaking children for entry into the first grade with adequate understanding of English words. This training familiarizes the child with the words that he will hear and use in following instructions at the beginning and during his first year in school. A child that does not have this vocabulary usually spends two years completing the work of the first grade.

Last year was the first time that this program had been tried in the Wilson schools, Mr. Clark says. Of those attending last summer's session, 90 percent will complete the first grade in one year. Only about 20 percent of the non-English speaking children who will attend this program will be able to finish the first grade in one year. These facts attest to the value of this program.

Mr. Clark says it is very im-

portant that all six year old Spanish speaking children who will start to school next fall enroll in this class and attend regularly. This instruction is free to the student, and all supplies and materials will be furnished free.

Film For Girls Showing Tuesday

The Citizens Committee for Youth is presenting a film to be shown free of charge Tuesday evening, May 9, at the City-Legion building at 7:30 p. m.

"Molly Grows Up" was filmed especially for young girls with their needs and interests in mind, according to committee members. It is released by the West Texas Audio Visual Dept. at Texas Tech, and has been shown widely to Girl Scouts and grade school groups. It was filmed for fifth and sixth grade girls, but should be of interest to seventh graders also.

Mothers are invited to come and bring their daughters.

NK announces exclusive 3-way crop assurance plan for Sorghum farmers!

Free seed replacement from Northrup King on either forage or grain sorghum if you must replant for any reason!

Here is Northrup King's replanting offer to you:

If your NK sorghum crop (either grain or forage) fails because of drought, flood, insects or ANY OTHER REASON Northrup King will replace the seed FREE. No gimmicks. No double talk. No confusion. Just these simple conditions: You must replant this season; supplies of the NK variety you want must still be available; and we make inspection of the field before you disk. Your local dealer or NK salesman will then replace the NK seed you plant in the amount of your original purchase for one replant.

PLUS unmatched early varieties for late plant or replant

Should hail, flood, or other threat from nature delay planting or destroy your crop, Northrup King has early maturing varieties ready to come to your rescue. These grain or forage varieties are unmatched for their ability to produce profitable yields, even when planted in early July . . . another solid kind of protection available only from Northrup King.

PLUS exclusive green treating and other factors for fast emergence

You start getting additional crop protection from NK sorghums the minute the seed hits your soil. Exclusive green coating on every NK sorghum seed fights off loss from disease and harmful organisms, helps assure uniform stands of strong, healthy seedlings. Other built-in genetic factors speed emergence, promote early vigor . . . help you collect more profit from every acre.

Plant NK sorghums for more from every acre!

Wilson Schools Plan For 1961-'62

Wilson school board at a recent meeting approved the school calendar for 1961-'62, heard several reports, and made plans for the next school year, according to Supt. Johnny Clark Jr.

The board set the meeting date for the Equalization Board for July 6 at 2:00 p. m., made some amendments to the budget, studied new graduation requirements, and heard a financial report. The school will complete this year in good financial condition, barring an emergency.

The average daily attendance report showed an increase of 17 over last year, and this will entitle the school to an additional teacher.

Members of the board are making plans to attend the School Board Member and Administrator Workshop at Texas Tech on May 8.

Next fall, school will open on August 28. School will dismiss on Nov. 22 at 2:00 p. m. for Thanksgiving, with no school on Thursday and Friday. For Christmas, classes will dismiss at 2:00 p. m. Dec. 21 and resume the morning of Jan. 2. The Easter holidays start at 2:00 p. m. April 19th and school resumes April 24th.

School will close next year on

Stark's Brother Killed In Storm

Lewis K. Stark, about 27, of Rt. 1, Lewisville and his 4-month-old son, Randy Lewis, brother and nephew of Jack Stark of Tahoka, were injured fatally as they sat in a car waiting out Sunday night's windstorm near Lewisville.

Mr. Stark and his son were injured when another car ramed into the rear of their vehicle on Interstate Highway 35E south of Lewisville. They died early Monday in a Dallas hospital. Mrs. Stark was in fair condition at Dallas' Parkland Memorial Hospital late Monday. She suffered minor injuries and shock.

A welder, Mr. Stark was a native of the Drop community in Denton county. He moved to Lewisville about a year ago from Denton.

Other survivors include a daughter, Vicki Lynn Stark; parents, Mr. and Mrs. Jack Stark, Denton; and two sisters.

May 18, or if the 180-day school year proposal passes the Legislature, school will not be out until May 25. The current requirement is for 175 school days a year.

Rodeo Results Pleasing To All

A total of 248 contestants entered the first annual Frontier Days Rodeo here Thursday, Friday and Saturday and performed before a large number of spectators each night, the crowd averaging 2,500 for the three-day event.

Because of the large number of contestants, after-show performances continued into the morning hours, ending around 2:00 a. m. one morning. Some events were even held during the day Saturday so that all contestants could record their times.

Considered generally a huge success, Frontier Days was sponsored by the Tahoka Rodeo Association of which Jack Miller is president, with assistance from the Tahoka Chamber of Commerce of which E. L. Short is president.

All entry fees were turned back into purses for the winners, making the purses in the events larger than most shows. The stock, which was attributed to having done much to make the rodeo a success, was furnished by the H-K Stock Producers of Snyder, along with the pick-up men and clowns.

Winners in the rodeo events follow:

Bareback bronc riding: John Holt, Lubbock, first; Jim Brock, Lubbock, second; Eddie Stewart, Post, third; Jimmy Moore, Post, fourth; Gail Estep, Tahoka, fifth; Cliff Allen of Earth and Cotton Barrington, Lubbock, tie for sixth (Only one go-around in this event).

Saddle Bronc riding: Elson Rose, Lubbock, first; Moore, Post, second; Barrington, Lubbock, third; Allen, Earth, fourth. First go-around: Rose, Lubbock; Moore, Post; Brock, Lubbock; Barrington, Lubbock. Second go-around: Rose, Harold Williams, Crosbyton; Moore; Tommie Hilton, Lubbock.

Bull riding: John Koonsman, Snyder, first; Brock, second; John Puckett, Jr., Muleshoe, third; Billy Bradberry, Big Spring, fourth; Pete McKee, Abernathy, fifth; John Parks, San Saba, sixth. (Only one go-around in this event.)

Calf roping: James Taylor, Lubbock, first; average time 13.1 seconds; Jack Kirkpatrick, Post, second, 14.0; Tex Garnett, Matador, third, 14.3; Del Burnett, Sweetwater, fourth, 14.8. First go-around: Floyd Lemond, Lovington; Chester Fme, Monahans; Taylor, Lubbock; Jess Everett, Snyder. Second go-around: Sherrill Overturf, Odessa, and Ed Douglas, Clovis, tie; Steve Cone, Lubbock; Tex Garnett, Matador, and Walter Arnold, Silverton, tie.

Double mugging: R. E. Josey, Post, first, 18.5; Buttons Howard, Portales, N. M., second, 21.8; Garnett, Matador, third, 26.1; Oscar Otho, Midland, fourth, 29.8. First go-around: Josey; Jr. Martinez, Pecos; Otho; Howard. Second go-around: Bill Flowers, Aspermont; Garnett; Kirkpatrick, Post; Howard.

Ribbon Roping: Sidney Hart, Tahoka, first 30 seconds; Ronnie Hart, Tahoka, second 31.2. First go-around: Sidney Hart; Kenneth Hart, Tahoka; Ronnie Hart. Second go-around: Jimmy Lemond, Lovington; David Stephens, Tahoka; Sidney Hart; Ronnie Hart.

Large Crowd At Parade Thursday

Probably the biggest and best parade in Tahoka's history filed through the streets of town last Thursday afternoon to open the three-day Frontier Days Rodeo.

Appearing in the parade were 65 units and a total of 236 horse back and Shetland Pony riders, including the 10 riding groups, and many individuals.

Named winners of the riding groups were Cochran County Sheriff's Posse, first place; Scurry County Sheriff's Posse, second; and Hockley County Sheriff's Posse, third.

First place entry in the parade was the First National Bank of Tahoka, a 1922 model Ford owned by J. T. Forbes of O'Donnell and driven by Pete Hegi. He and other employees of the bank, who rode in the car, were all dressed in costumes of pioneer days, and threw "play" money to the crowd of on-lookers. Second place went to Alton Cain Hardware and Furniture with a float featuring "name brands" with cowgirls and boys sitting around a camp fire heating their branding irons. The Special School entry won third with a car decorated with red and white hearts. Students of the school rode in the car with their teacher, Mrs. Margaret Renfro.

Rodeo queen candidates were featured riding in convertibles preceding the naming of the winner at the Thursday night rodeo event.

Flag bearers led the parade followed by the Tahoka, Wilson and O'Donnell bands. At least three other early model cars were entered, floats of organizations and business institutions, large vehicles advertising various businesses in this area, go-carts, Cub Scouts, Boy Scouts, Little Leaguers, and many too numerous to mention.

All events were announced from a reviewing stand located on the court house triangle between Main Street and Sweet Street.

Lamesa Holding Buffalo Rodeo

"Hackberry Slim" Johnson, pioneer rodeo promoter, was here Tuesday advertising a Buffalo Rodeo at Lamesa this Saturday night, sponsored by Dawson County Sheriff's Posse.

There will be calf and buffalo roping, double mugging, buffalo riding for junior boys, barrel races, wagon race, and girls goat tying.

McNatt, Plainview, third, 17.1; Kathy Brakebill, Crosbyton, fourth, 17.2. First go-around: Ruthell Dunn; Pat McNatt and Pat Murphy, tie. Second go-around: Pat Murphy; Kathy Brakebill; Pat McNatt and Ethel Martin, Brownfield, tie.

Junior Girls Barrel race: Margaret Brewer, Lamesa, first 18.9; Lynn Wilson, Sweetwater, second, 20.0; Natha Jo Mears, Post, third, 20.7; Jan Cowley, Ralls, fourth 23.2. First go-around: Lynn Wilson; Natha Jo Mears; Gladys Pinkert, Ropesville; Margaret Brewer. Second go-around: Margaret Brewer; Jan Cowley; Lynn Wilson; Natha Jo Mears.

A goat sacking event was also held for boys and girls 12 years and under, but these results were not available.

Miss McCord Is Rodeo Queen

Miss Mary Jane McCord was named Rodeo Queen of 1961 to reign over Frontier Days in Tahoka at the opening events of the rodeo Thursday night.

She was named as the candidate selling the most advanced tickets for the celebration. Miss McCord is the daughter of Mrs. Lillian McCord and is a senior student in Tahoka High School.

Winners in the beard-growing contest, also announced at the rodeo, were Woody Brazil, first place, and Donnie Sayles, second.

All winners, both in these contests, and winners in the parade received prizes and trophies.

Miss McCord won the title of queen from a field of six candidates, including Misses Nedra Roberts, Linda Applewhite and Iris Tyler, all of Tahoka, Sandra Lumsden of Wilson and Sharon Blakney of New Home.

Winners were named following the grand entry in which appeared the riding groups entering the parade and individual riders. Riding groups included sheriff's posse

ST. PAUL OF WILSON RECEIVES 5 YOUTHS

Five young people were received into communicant membership this past Sunday by St. Paul Lutheran Church of Wilson, Katherine Nolte, Linda Talkmitt, Marilyn Wuensche, Norris Wuensche, and Wanda Wuensche after thorough instruction in the chief doctrines of the Christian Religion and public examination of their faith were received by Rite of Confirmation.

"This is indeed a day of rejoicing when led by the Holy Spirit our young people make public confession of their Lord Jesus and dedicate themselves to Him. May God keep them faithful and give them a fruitful Christian life," Rev. Robert Kamrath, pastor, said.

The new members were given a reception at the parish hall by the Young Peoples Society and invited to join in their program of Bible Study, fellowship, and service to their Lord and His Church.

Army Recruits Visiting Home

Army Recruits Wendell Morrow, Gerry George, William Nick Ford and Gayland James are home for two weeks from basic training at Fort Leonard Wood, Mo.

Each of the soldiers has to be in his new camp today, May 5. George and Morrow go to Fort Sill, Okla. for their schooling in heavy artillery while James and Ford go to Fort Sheridan, Ill. on Lake Michigan for their training in radio and repair.

The recruits have three and one-half more months of service, then each will be back and enter Tech for the fall semester.

NOTE OF APPRECIATION

Members of the E. V. Riley Drill Team of Tahoka Rebekah Lodge wish to extend their thanks and appreciation to all who patronized the bake sale conducted Wednesday morning at Piggly Wiggly, to Mr. Kidwell for the space provided and the staff of the store for their courtesy extended to us during the sale, and to all who helped with the sale and to all who made cakes and pies.

Electric Team Winner Named

Mike Paden and Richard Whitely of New Home were winners in the Lynn County 4-H Club electric team judging contest held at the Lyntegar building Saturday morning, according to County Agent Bill Griffin. Six teams entered the competition.

Their demonstration was an electric brooder.

Second place team was composed of Donald Holden and Larry Hutcheson of Wilson, and their project was an electric motor.

Randa Allen and Jimmie Gay Gardenhire of O'Donnell demonstrated a signal system to place third.

Judges were Tom Hard and Cecil Bradshaw, both of Lubbock, and Johnny Reasonover of Tahoka, all with Southwestern Public Service Company.

Answers Given To Some of Questions On New Federal Feed-Grain Program

This bill was signed on March 22 by the President—known as the 1961 Feed Grain Program. The aim here is to give some interpretation of the provisions of this law and explain points relating to compliance thereto.

What are the major objectives of this bill?

There are four primary ones, namely: To increase farm income of grain producers; to prevent further buildup of the feed grain surplus and reduce it if possible; to help assure the consumer of fair end stable prices for meat, poultry and dairy products; to reduce ultimate feed grain program costs by about \$500 million.

What are the general provisions of the program?

It is for 1961 only, insofar as price supports are affected. It is voluntary of individual growers, although the Department of Agriculture staff hopes that extensive compliance will be had. Participation requires (a) reduction in acreage of corn and grain sorghum; (b) the reduction is from the base acreage of corn and grain sorghum for 1959-60, subject to adjustment by county committee; and (c) conservation use on the diverted acreage—determined in final degree by the county ASC committee.

How much reduction is required to qualify for price support?

Minimum is 20 percent of the feed grain base. Maximum (if base is less than 20 acres) is the total acreage that can be diverted. If base is between 20 and 100 acres, 20 acres plus 20 percent, but not

to exceed the base. If base is 100 acres or more, 40 percent of the base. The producer then receives payment for acres reduced or diverted.

Are there any exceptions where producers do not receive these payments?

Yes, a producer may choose not to take the payment on his acreage diverted from corn or grain sorghum. He may choose to plant for the open market certain crops not in over-supply. These are castor beans, safflower, sunflower and sesame, provided the Secretary of Agriculture designates these in an area. All areas have been approved for growing these crops. Producers should check market outlets.

What rate of payment will producers get on the diverted acres?

Cooperating producers will receive payment based upon the productivity index of their farm. The index is determined by the County ASC Committee and is related to the amount of feed grains produced in the county.

Specifically, on the first 20 percent diverted from grain, producers' payments are determined by multiplying the productivity index (in cwt. of grain sorghum and bushels of corn) by 50 percent of the county average support price times the acres diverted. Average payment per acre in Lynn county is \$11.60.

On the second increment of 20 percent the payment is 60 percent of the county average support price times the productivity index on the acres involved. Average payment in Lynn County is \$13.90.

For example, let's say that Farmer Brown has a 100 acre base on grain sorghum. His productivity index is 100 and the county average sorghum yield is 1221 lbs. He signs up for the minimum diversion, or 210 acres.

First, his yield rate will be the same as the county average, or 1221 pounds, since his index is 100.

Payment—1221 x 50 x 1.88 or \$11.60 per acre.

Then 20 acres x \$11.60 equals \$232.00.

If the producer chooses he may receive one half of his estimated payment for reducing grain production at the time he signs up for compliance.

What about the division of payments on rented farms?

Where the tenant is operating on a share rental basis, the division

New Home Raises Building Fund

The New Home Civic and Home Demonstration clubs made a profit of \$141.00 at the box supper Saturday night, April 22 from which proceeds are being used to make improvements on the community center there.

Winning prizes were Mrs. Leland White, prettiest adult box; Uvonne Nettles, prettiest grade school box; and Leroy Nettles, highest score in "42".

Prizes were donated by Abbie's Fashion Shop, Rutherford's, and Robinson Ready-to-Wear all of which the two New Home clubs are grateful.

Pioneer Workers Will Meet Here

Employees of Pioneer Natural Gas Company will hold their semi-annual golf tournament in Tahoka at T-Bar Country Club this Saturday morning beginning at 8:00 a. m. With good weather, from 60 to 100 men are expected. They will come from Dalhart and Pampa on the north to Brady on the south.

Dean Taylor, local Pioneer manager, will be the host for the tournament.

The visitors will be served lunch at noon by the Ladies Golf Association.

Mel Leslie, mayor of Tahoka and also president of T-Bar club, requests that citizens of the town extend every courtesy possible to the visitors here Saturday. Local golf players are asked to stay off the course Saturday morning as a courtesy to the visitors. The 18-hole tournament will be over by noon, and then the course will be open to members.

Pioneer Natural Gas donated most of the water pipe, valued at \$2,000 or more, when the local golf

course was built, and has since been a major contributor to the club.

Rotary Honors Scout Leaders

Local Scout leaders were honored and new troop charters were presented Thursday at the noon meeting of Tahoka Rotary Club. Gravel Ayer, institutional Scout representative from the club, was in charge of the program.

Among those honored were Explorer Post Advisor Robert Vaught and his assistant, Pat Patterson; Scoutmaster Rush Dudgeon, and John Ed Redwine, Cubmaster and Assistant Scoutmaster.

Shelby Berry of Brownfield, executive of the Quannah Parker Dis-

trict, presented the charters to H. B. McCord Jr., Rotary club president. McCord, on behalf of the Rotary Club, sponsor of the troops, presented the charters to the Scout leaders.

Mr. Berry also presented a very interesting sound-color film made at the Boy Scout Jamboree held in Colorado Springs last summer and attended by more than 50,000 Scouts and leaders from over the world.

Congratulations to Tahoka Rodeo Association on a fine show! There were many, many favorable comments. Several have said the crowd at the parade Thursday was the biggest crowd of people ever seen in Tahoka.

Cochran county has a finance problem, also. It had an election Saturday, April 29, to vote a 30-cent tax raise for public roads and a 5-cent raise to maintain its park, swimming pool, and livestock exhibition barn. It already has a county tax rate of 95-cents compared to Lynn's 80-cent rate.

Hardeman county (Quanah) has started a move for an Agricultural Pavilion to cost \$10,000 to \$20,000.

We are sympathetic with the principal objectives of the controversial John Birch Society, but the leadership is so rabid and radical and makes such irresponsible statements that it is hard for many

night stated that in 1957 Texans paid more than \$2.5 billion in federal taxes and got only \$454 million in federal benefits. Still, there are those who think the Federal government can run our local affairs better than our school districts, cities, counties, and states.

A little while back, the ultra liberals and the Democratic party faithfuls were pointing out the "crime" of bolting the party or splitting a ballot, and calling everyone a Republican who did not vote the Democratic ticket from top to bottom. Now, Mr. Sam and V. P. Johnson are urging us to vote for Blakley, even though he is conservative. Our senator Ralph Yarbrough has said narry a word. And, we got a big laugh when we read last week's Texas Observer, the ultra-liberal paper published in Austin. The issue carried a number of letters from liberals proposing to vote for Republican John Tower.

Cal Farley of Boys Ranch says: Most boys in trouble never had the word NO explained to them. . . . Some parents will spend anything on their children except time. . . . Son, if you never do any more than you get paid for, you'll never get paid for very much.

The first graders were being taught the importance of being kind to dumb animals and asked to report to the class stories of their own experience. When it came to little Freddy's turn, he arose proudly and addressed the class: "Last summer I kicked the boy next door for kicking his dog."

We can't understand the thinking of people who willfully destroy property. Some culprit deliberately ran over with a car one of the gas light standards out at T-Bar Country Club west of the club house, where no car is supposed to drive. Not content with this, glasses were broken out of two other lights. Many people have put hard work and money into this community project, and they are discouraged when someone shows his breeding by destroying this property. But, there will always be idiots and numskulls, demented, jealous, and mean people who will do almost anything. Such acts are no mark of intelligence.

A banquet is being initiated and planned for May 12 by Irving business and professional citizens who wish to show their appreciation to Supt. W. T. Hanes for his service to the community, according to the Irving News. Formerly of Tahoka, Hanes is given credit for settling a community rukus over the school system there, and recently was given a new 5-year contract.

LOCAL MAN PARTICIPATES IN ARMY MANEUVERS

By BILL GRIFFIN

Fort Campbell, Ky.—Army PFC Cecilio Reyes, whose wife, Isabel, and parents, Mr. and Mrs. Valentine Reyes, live on Route 5, Tahoka, is scheduled to participate from May 1-15 with other personnel from the 101st Airborne Division's 501st Infantry in Long Thrust, a NATO training exercise in Europe.

Long Thrust, which is being conducted from April 24-May 20, is designed to test the capabilities with forces located in the U. S. Personnel from the division stationed at Fort Campbell, Ky., will be airlifted to Europe to participate in the exercise. The 101st, a major Strategic Army Corps (STRAC) unit, constantly maintains an immediate readiness force for airborne deployment to any area of the world.

Reyes is regularly assigned as a rocket launcher gunner in the 501st's Company A at Fort Campbell. He entered the Army in December, 1959, and received basic combat training at Fort Riley, Kan.

The 23-year-old soldier attended Brownfield High School and was employed by Reed's Body Shop, Brownfield, before entering the Army.

GRASSROOTS

By BILL GRIFFIN
County Agent

Crows in a pecan grove are annoying and destructive. There are "grove" crows which inhabit the grove, usually in relatively small numbers throughout the year. These usually can be kept under control by persistent shooting.

There also are "drove" crows which appear in great numbers—literally thousands—and they can destroy a pecan crop quickly. The common treatment is to disperse them, since only a few could be killed by an individual grower. Fire crackers are placed in ropes, placed at strategic locations in the grove, and the rope is set on fire and allowed to burn slowly so that explosions will occur at 10 to 15 minute intervals, causing confusion among any crows present. This is more effective if supplemented with shooting at intervals to impress the crows with the possible seriousness of loud explosions.

Pecan trees are struck frequently by lightning, particularly tall ones. It is dangerous to be around tall trees during a lightning storm. Trees can be protected against lightning by the use of a type of lightning rod. Number 6 steel wire, properly grounded, and extended to near the top of a tree apparently provides adequate protection against lightning, and it can be installed at the cost of \$2.00 or \$3.00 per tree.

Harvesting pecans presents unusual problems, because of the ultimate great size of pecan trees, short days, frequent cold or rainy weather, and the short season from the time the pecans mature until the best time to market them dur-

ing the Thanksgiving and Christmas seasons.

Pecans are gathered by thrashing the trees with cane poles and picking up the nuts by hand. This is slow, tedious, hard work. Mechanical shakers, operated by tractor power, are in common use, and are satisfactory for trees to 50 feet in height. Some growers spread sheets under trees to catch the pecans, and from the sheets the nuts are picked up by hand or separated mechanically from the leaves and trash. Vacuum-type machines are available for picking up the pecans and are practicable for large-scale operations.

Sol-U-Phos LIQUID FERTILIZER
DIVISION OF GOODPASTURE GRAIN & MILLING CO., INC.
Main Office—Brownfield, Texas

MARVIN GREEN . . . Hockley county farmer . . . had this to say about Solutions: "I really gave Liquid Fertilizers a test last year. After all the heavy rains we had, I went back and side-dressed my cotton with Liquids. I saw a big increase in production in comparison to what some of the other county farmers gathered who didn't use another application of fertilizer."

This is Green's second year to use Solutions. He uses the tool-bar mounted applicator-cultivator with front-mounted saddle-type barrels. With this type rig—Green added: "I was able to apply 50 acres or more per day of fertilizer. And another thing, I have never been able to get the results from other types of fertilizers that I have received from Liquid . . . with the saving in labor expense, plus the low initial cost of SOLUTIONS, I don't know why everyone doesn't use Liquid Fertilizers."

Today's MEDITATION

The World's Most Widely Used Devotional Guide

The Upper Room THE UPPER ROOM, NASHVILLE, TENNESSEE

Him that cometh to me I will in no wise cast out. (John 6:37.)

Word came to a missionary that a woman had died. When he saw her, he persuaded her people not to bury her, for he said she was not dead but in a coma.

What she told them confirmed what the missionaries had been telling the people. She told them that she had seen a beautiful place where there was no sickness or hunger. She said, "Jesus is so good and I am so bad."

In that village five men came to the mission, seeking the way of salvation. They opened their hearts to Christ. Thus was the church established in another dark corner of the world.

The church is surely at work in the world. Even now many persons are hearing of the one true God for the first time.

PRAYER: O God of the nations, bless the work of Thy church in every land. Confound the work of sin and bearing glory to the name of Thy victorious Son in hearts where darkness still holds sway.

THOUGHT FOR THE DAY: The work of salvation is the Holy Spirit's but He uses human messengers.—Great Second, Uruse (Papua).
