Miss Jerrie LeMond And Ted Pridmore Are Married In Grassland Ceremony Staurday

Double ring vows were exchanged at 8:00 p. m. Saturday in Grassland Methodist Church by Miss Geraldine Ruth (Jerrie) LeMond and Ted Thomas Pridmore. The Rev. H. A. Watkins, pastor of Fluvanna Methodist Church, officiated at the candlelight ceremony.

Parents of the couple are Mr. and Mrs. Roy LeMond of Grassland, and Mrs. Beulah Pridmore, Tahoka, and Joe T. Pridmore, Lubbock.

Given in marriage by her father, the bride wore a gown of misty white taffeta, designed with sweetheart neckline and highlighted by appliques of Alencon lace, encrusted in pearls, and extending over the shoulders to form brief sleeves. From the figurine bodice flowed a magnificent dome skirt enhanced by self-fabric roses, centered with pearls, and streamers that flowed gracefully to mid-hemline. The gathered fullness at back waistline swept into a chapel train. Her fingertip veil of silk illusion fell from a lace cap dotted with seed pearls. She carried a bouquet centered with a white orchid atop her white sorority Bible.

Mrs. Fred Schkade of Rotan, cousin of the bride, was matron of honor. Miss Carol Lambert, O'Donnell, was the bride's other attendant. They wore dresses of white silk organza designed with bateau neckline in front. The full skirts were accented at the waist by a cummerbund. They carried a long stem red rose atop a white open Bible to the first chapter of Ruth. Candlelighters were Jill Edwards

and Debbie Wright, cousins, of the bride, Shannon and Challis Carter, nieces of the bridegroom from Norfolk, Va.

Sam Pridmore served his brother as best man. Groomsman was Gordon Smith, cousin of the bridegroom of Fort Worth. Ushers were Carlton Bell, Jerry Cain, and Jerry Tennant of Dallas. Jody Edwards, cousin of the bride, was junior usher.

Miss Carol Smith accompanied Mrs. Don Bell in wedding solos. Both are cousins of the bride.

The reception followed in the home of the bride's parents. Those in the house party were Mrs. C. L. Rogers, Abilene; Mrs. Robert Pritchett, Dallas; Mrs. Bill Ueckert, New Home; Mrs. Betty McCurdy, Midland; and Miss Jane Wescott, Seminole. Also assisting were Mmes. R. M. Thomas, W. H. Norman, O. C. Harrison, Weldon Martin, and Miss Dottie Harrison.

For a trip to Dallas, Mrs. Pridmore chose a black suit accented with black and white organza. White accessories and an orchid from her bridal bouquet completed her ensemble.

The pair will establish residence in Grand Prairie where the bride will teach in the fall. Both are graduates of Tahoka High School. She is a graduate of McMurry College where she was president of Kappa Phi social sorority. She was also Senior Class Favorite. She formerly taught in Midland public schools.

The bridegroom is a graduate of

Brownie Scouts Hold Investitures

On July 12 Brownie Troop No. 399 held their investiture service at the W. O. W. Hall.

The following girls were presented their pins: Carolyn Bragg, Teresa Brown, Donnie Dudgeon, Toni Leverett, Kathy Mauldin, Judy Park, Penny Parker, Cindy Raindl, Barbara Roe, Eunice Smith and Carol Thomas.

This troop, under the leadership of Mrs. Pat Park and Mrs. Alth Thomas are responsible for filling the planter box at the Scout Hut with plants. The girls are also working on a library by bringing books from home.

Brownie Troop No. 306 held their investiture on July 20.

The following girls took part: Diana Akin, Debbie Barham, Linda Chamblee, Brenda Kay Crowell, Diane Dykes, Tommie Hale, Ellen McDonald, Debbie Miller, Jan Ann Moore, Staci Short, Kim Turner, Cathy Wells and Southern Wells.

After the investiture the girls sang the Brownie smile song and displayed their troop room and the puppets and pictures they had made. They also presented their mothers with vases they had assembled.

Troop leaders are Mrs. Mackey Turner and Mrs. Ruth Edwards.

Girl Scout Troop No. 404 invested 11 girls into the Girl Scouts Tuesday. After the candlelight service in which the leaders took part, pins were presented to Lexi Adams, Sandra Bragg, Susan Chaney, Jane Collard, Beverly Falls, Beverly Franklin, Quaydene Pool, Linda Spears, Arlene Stephens, Debbie Wright.

The Girl Scout Training sessions are to be held Aug. 1-3 and Aug. 8-10 at the W. O. W. Hall. Sessions will last from 9:30 until 2:30 each of the two days. Those attending are to bring a sack lunch.

It has been announced that Buddy Bragg will act as financial chairman for the Girl Scouts.

Mrs. Leroy Schulle Shower Honoree

Mrs. Leroy Schulle was honored with a "pink and blue" shower Wednesday afternoon in the home of Mrs. D. R. Grayson, with Mrs. Jeanette Roseberry and Mrs. Tina Lee McNeely serving as hostesses.

Pink punch was served from a crystal bowl by Mrs. Patsy Grayson and Thresa Mason. Pink trays and white napkins were used.

Twenty-seven guests were registered, and other friends sent gifts. The hostess gifts were a crib blanket and a crib set.

Mr. and Mrs. Gordon Smith were home Saturday for the Pridmore-LeMond wedding. He is a student in Southwestern Seminary, Fort Worth.

Mr. and Mrs. Charles McClellan and children are vacationing in New Mexico this week.

Story Book Hour Starts Next Week

There will be a story book hour held the first four weeks in August on every Wednesday and Saturday from 4:00 until p. m.

The sessions, which will be held in the old city park immediately north of City Hall, will be composed of two groups: pre-school age children and first graders will compose the first group and second through fifth grades will make up the second group.

The story book hour is being sponsored by the local FHA Chapter and the Phebe K. Warner Study Club. There will be a member of the study club and an FHA girl present at each of the sessions.

Stories will be told to the children who attend. After the story the children will be taken to the Lynn County Library where they will be taught how to use the library and will be allowed to check out books if they wish to do so.

Rebekah Ladies Plan Programs

Noble Grand Louise Wyatt presided at a regular meeting of the Tahoka Rebekah Lodge No. 209 Tuesday night. Eighteen members were present.

Ladies present set friendship night for Sept. 12. A love offering was also made to the memorial program fund to erect a memorial in honor of the founder of the Rebekah Lodge, Schyle Colfax, and also the pilgrimage fund for the children's home in Corsicana.

The Oddfellows and Rebekahs plan to have an old-fashioned box supper on August 12 when the public will be invited to attend, bring boxes and join in the fun. Place is to be announced later. Funds from the supper will be used to support Grand Master, E. V. Riley's building program fund, a home for Oddfellows and Rebekahs of Texas, to be located in Dallas.

Saturday night, July 29, the Oddfellows and Rebekahs and their invited friends are to meet at the park at 7:30 p. m. Members are asked to bring their ice cream and cake for refreshment period.

RAINBOW GIRLS HOLD CHARITY BREAKFAST

About \$91.00 profit was raised by the benefit breakfast held Tuesday morning in Fellowship Hall of the First Baptist Church.

The breakfast was sponsored by Jan Brown, daughter of Mr. and Mrs. J. E. (Red) Brown, as her charity project in the Rainbow Girls. Most of the money will go to the Masonic Home for Crippled Children at Fort Worth.

Mrs. Kenneth Mires was admitted to Tahoka Hospital Wednesday morning as a medical patient. She received a leg and chest injury last week when she almost fell into a cesspool.

It is better to drive slowly than to be driven that way.

Congratulations:

Mr. and Mrs. Arthur Timmons, Rt. 5, Tahoka, on birth of a son weighing 5 pounds three and a half ounces at 9:25 p. m. Sunday in St. Mary's Hospital. The father is a farmer.

Mr. and Mrs. Raymon Lee Stotts, Lubbock, on birth of a son in West Texas Hospital Saturday, July 22, at 11:45 p. m. Weighing 8 pounds 7 ounces, he has been named Daryle Ray. The mother is the former Doris Browning of Tahoka. The father is employed by Baldridge Bread Co. and previously had the Tahoka route.

ATTEND MEETING

Mr. and Mrs. Bill Corley of Wilson and Mr. and Mrs. I. B. Hill of Tahoka motored down to Garman to attend the Primitive Baptist Association. They left here Thursday and returned Sunday night and reported a wonderful meeting. A large crowd was in attendance with 14 or 15 preachers present.

Mrs. Tom Bartley and Debbie recently accompanied her sister, Mrs. Florene Hulseley to Grand Prairie, where the latter teaches school. Mr. Bartley then went down for a visit, and then the Bartleys went to Ladonia for a week's visit with his mother, Mrs. C. M. Bartley. They returned home Tuesday. Mrs. Hulseley had been here visiting the Bartleys and her parents, Mr. and Mrs. D. C. Carroll.

Mrs. H. B. Howell accompanied her son, Wade Howell and family to Austin last week for a few days. This was Mrs. Howell's first time to see the Capital, and also saw the Legislature in session.

Johnny Hillhouse, son of Mr. and Mrs. Otis Hillhouse, returned last Friday from a month's vacation in Oklahoma with his grand-father.

Mr. and Mrs. Guy Smith of Midland, who farmed near New Lynn for many years, were here first of the week visiting friends and relatives.

Johnny Dotson, little son of Mr. and Mrs. L. V. Dotson, is still a patient in Tahoka Hospital this week. He was admitted to the institution July 3.

WHY ADVERTISE?

"The businessman who does not advertise because his forefathers did not, should wear knee breeches and a queue."

"The business man who does not advertise because he tried it once and failed, should throw away his cigar because the light went out."

"The businessman who does not advertise because he does not know how himself, should stop eating because he cannot cook."

"The businessman who does not advertise because he cannot know absolutely that it is going to pay, should commit suicide to avoid being killed by accident."

(The only thing remarkable about these little gems of wisdom is their publication date—the year 1911)

In 1944, the number of fatal accidents to farm residents reached 17,200. Currently, the trend is downward, 11,700 in 1959, the last year for which figures are available.

Ancient Greeks believed that the gates to the underworld were guarded by a three-headed dog named Cerberus.

Farm Facts

In the past 30 years the value of the soybean crop has increased a hundred-fold. It now is worth over a billion dollars annually and ranks fifth among cash crops.

The U. S. Department of Agriculture estimates that 26.4 million acres will be planted to soybeans in the 1961 season. About 1.5 million a year were planted during the 1920's.

The USDA attributes this to: (1) improved varieties; (2) diversion of land to soybeans as a result of price supports and restrictions on acreage of other crops; and (3) a shift in acreage from feed grains to soybeans as requirements for feed for workstock dwindled.

War-time demand for fats and oils spurred a rapid expansion in soybean acreage. Oil supplies were cut off from the Far East and soybean meal consumption.

The Corn Belt is the top soybean area, but production has zoomed in the Delta and Lake states. About 15% of sulted in greater need for the acreage is in the Delta more protein feed for livestock.

Value of the soybean crop has increased a hundred-fold in 30 years.

THE LYNN COUNTY NEWS

QUESTIONS, PLEASE

Question: Should one call the church a denomination?

Answer: Every religious group appears to have its own peculiar plea. We as Christians set forth the plea for a complete restoration of the church which was established on the first Pentecost after the resurrection of Christ in the city of Jerusalem (Acts 2). Every one familiar with the New Testament knows that the twelve apostles were the charter members of this church and that three thousand souls were added unto them at the close of the first sermon which was preached by Peter (Acts 2:41, 47).

This church of which the apostles were the charter members was not a denomination. What is a denomination? A denomination is a party, division, class or sect. The dictionary defines a sect as a faction of dissenters who have pulled off from an established or orthodox church, holding to a particular creed or practice. If the

church established by Christ and his apostles in Jerusalem on Pentecost was a denomination, I ask from what parent or orthodox church did they pull off? The church established there was the parent and orthodox church itself. Christ came into this world for the purpose of establishing his own church. In Matthew 16:18, Jesus says, "Upon this rock, I will build my church; and the gates of hell shall not prevail against it." He did not come into the world to simply pull off a group of dissenters from a church which had already been established.

Before Christ could establish his church he had to die on the cross and shed his blood to purchase it (Acts 20:28). Christ is the head of His church (Eph. 1:22-23). Therefore the church is His and one should never refer to it as "my" church or "our" church. To refer to it as "mine" or "ours" makes it a denomination and by definition the Lord's church it not a denomination.

You are invited to send your questions to: Don Browning, Box 812, Tahoka, Texas. You are also invited to attend the services of the Church of Christ.

Don Browning may be heard Sunday mornings at 11:00 and evenings at 7:00 at 750 on your radio dial.

True Meaning Of Freedom

Rev. Kamrath of St. Paul Lutheran Church sent us the following from the "Bankers Bulletin":

The weakness of a free society is the fact that so few of its people understand it. Far too many have the notion that to be free means to be unrestrained. To them it means freedom to deceive, freedom to exploit, freedom to malign, freedom to steal (politely), freedom to lie (for a profit), freedom to avoid civic duty, freedom to discard moral issues. Freedom, in short, to do as you please as long as you keep out of jail.

Few of those who hold this conception of freedom use all these forms of free expression. Some use one and some another—but all together gnaw away at the structure that makes true freedom possible.

Our earliest ancestors, who came to this wild land to escape the punitive restraints or monarchical society, knew that to find a durable free order here they must first of all assume voluntary restraints.

They regarded it as every man's privilege to serve the community. They were convinced that no free economy stood a chance of survival whose people felt no sense of responsibility to sacrifice as needed to maintain it. Freedom, in their language, meant being free to exercise this privilege, to perform civic duties conscientiously, to serve God and one another as condition might require. They did not interpret freedom as license to promote the good of any man, themselves included, at the cost of justice to another.

Freedom, in their view, was primarily justice—that gave every man the fullest and fairest opportunity to make the most of whatever was best in his make-up.

Whether or not our freedom will endure depends on which of these views predominate among our people at this crucial moment in their history.

"WHY DID IT HAPPEN?"

(Slaton Slatonite)

On one occasion, in another community, I talked with a heart-broken officer of the law who had just returned from the scene of a grinding collision.

A 14-year-old boy had been killed, and the cause was obviously reckless driving and speeding. The mother of the boy, when summoned by the officer, had understandably become hysterical and had spoken out in her grief.

"Why?" she cried, "Why do you let them drive that way?"

I learned a partial history of the boy who was killed. His father had been dead for several years. The boy had started driving at an

extremely early age, and had been ticketed on several occasions for recklessness, but had never been fined too heavily, mainly because of the family's inability to pay.

And ironically, on one occasion when the boy had been stopped by the officer and had no driver's license for the third time, he was brought before the corporation court. At that time, some 12 months prior to the wreck, the mother had paid the \$16.50, and said to the Justice of the Peace, "Why are they always picking on my boy?"

When any community endorses a program for strictness on reckless driving and unlicensed drivers, there are generally complaints. There are usually persons who feel

that the officers or the city, or someone, is trying to persecute their children.

Those responsible for the current focusing of attention on the unlicensed drivers will probably have complaints. Officers will probably be accused "picking on" some of the youngsters.

But the program was endorsed in the behalf that the question of "Why are they picking on him?" is much easier to answer and much less painful than answering, "Why did you let it happen?"

Mrs. Herbie Milligan of Leachville, Ark. visited over the week end with her sister, Mrs. J. H. Hinkle and Mr. Hinkle.

Tahoka Wins Praise For Entertaining Young People Stranded In Town

A party of 35 travelers in a chartered bus who were stranded in Tahoka on Friday, July 14, when their chartered bus broke down, have extended thanks to local people for courtesies extended to them.

A letter received by Harry Short, addressed to his firm and "Friends of Tahoka" written by Truce V. Lewellyn, pastor of Monte Vista Christian Church in Albuquerque, N. M., says:

"I am not sure you know it but you made quite an impression upon the young people of our Youth Caravan when we stopped in your city last week. We were all extremely grateful for your Southern hospitality and the marvelous way in which you cared for our needs. The young people are still talking about it."

The party consisted of 32 young people 13 to 17 years of age and three sponsors from Tatum, Hobbs, Carlsbad, Roswell, and Albuquerque, N. M., and from Altus, Okla. They were returning from a 3,300 mile trip by a chartered Trailways bus to visit Christian colleges in Chicago, New York, St. Louis, New Orleans, and other cities.

The bus broke down here at 3:30 p. m. and it was not until 9:00 p. m. that a replacement bus arrived from Amarillo to take the party on to their homes.

In the meantime, they made their headquarters at The Short Co.

where Harry Lee and E. L. Short did what they could to make them comfortable and entertain them. Then, Alton Cain, Dale Thuren, and City Policeman David Dunn took them to the City park for a swim, and the group had a picnic supper in the park while waiting for the bus.

Prohl Tells Of Rotary Meeting

Dr. Emil Prohl, office representative of the Tahoka, O'Donnell, Brownfield and Post clubs at the recent Rotary International meeting in Tokyo, Japan, accompanied by his wife, made his report to Tahoka Rotary Club Thursday noon of last week.

When they landed by plane in Japan at midnight May 24, he said they were apprehensive about the reception Americans might receive. But this was soon dispelled, as Japan went all-out to make its guests welcome.

There have doubtless been many changes since 1945 as Japan has come from relief lines to a major nation, with the help of American dollars, and has developed into a democracy. Although the nation and its people are still having difficulty learning what a democracy actually is, the progress has been almost astounding.

Dr. Prohl said he found a surprisingly large number of Japanese speak good English, and contrary to the common belief they are "handshakers and backslappers." For weeks before the Rotarians arrived, radio and television had broadcast instructions on how to greet the visitors.

There were more than 23,000 registered for the meeting. Japan has 17,000 Rotarians in 405 clubs, and there were 16,000 Japanese registrants. Incidentally, Rotary is growing in that country rapidly with an average of one new club being formed every ten days.

This was the eighth Rotary International Convention the Prohls have attended, the largest, and one of the most interesting. This was the first time the Emperor had ever spoken before a non-political international gathering. The program of the week's meeting was interesting and inspiring, and the entertainment features were unusual.

There are modern buildings in Tokyo, manufacturing is growing rapidly, the economy is very sound, and the standard of living has been raised tremendously since the war. The speaker was introduced by Charles Townes, program chairman for the month.

Granvel Ayer presented a plan to sell "Mudder's littler helpers," shoe scrapers for the door steps, to help the local Scouting program, and a number were sold to Rotarians at \$1.50 each.

The National Safety Council says: Be sure your windshield wiper blades and arms are in perfect condition. You need one ounce of arm pressure for each inch of rubber blade length to sweep off rain or road spray, instead of sliding over it and causing poor visibility.

Savings Bonds Quota Is Near

Through June, Lynn county was among the ten high counties in Texas in the sale of U. S. Savings Bonds for the year 1961, having reached 96.8 percent of its quota, according to A. C. Verner, county Savings Bond committee chairman.

Bond sales in June were only \$16,165.00 in Lynn county, but this brought the total for the year to \$242,032.00, or 96.8 percent of its \$250,000 quota.

Crosby county led this district with sales totaling 97.5 percent, and Parmer county led the Plains country with 154.7 percent.

Statewide, the quota was only 50.1 percent subscribed.

Total sales of U. S. Savings Bonds in the state were up 2.6 percent at the end of the first six months over the same period for 1961.

WOOD WILL TEACH

N. E. Wood Jr. will teach Latin and English in Arlington High School this coming year. This summer he is doing some special work at North Texas State, Denton, and his wife is a secretary at Arlington State College in Arlington, where they live.

Mr. and Mrs. Hubert Tankersley and Sheila are visiting in Corpus Christi with another daughter, Mrs. Jack Stark, and family, who are in the coast city temporarily.

are 20.2 higher than for the same period in 1960.

"The H Bond is an excellent investment," Verner said, "for persons wishing a regular income, and at the same time requiring safety and ease of redemption. This bond bears three and three-fourths percent interest if held to maturity, and interest checks are mailed every six months to H Bond owners."

Five Youths At Baseball School

Five Tahoka boys are attending Johnny Carrigan's Big State Baseball Camp at Meridian, going down this last week end. They will be in the camp until August 14. The boys are Bill and Cliff Thomas, John Tyler, Steve Greer, and Tommy Kidwell.

Accompanying them to the camp last week were Mr. and Mrs. W. T.

Kidwell, Mr. and Mrs. Alton Greer, and Dr. and Mrs. Skiles Thomas.

The mood is Thunderbird...the economy is Falcon...

...it's the new Falcon Futura by Ford

COMPACT COUSIN OF THE THUNDERBIRD

And, it's the nicest thing that ever happened to America's best-loved compact! Now... step aboard! Relax in the foam-padded comfort of individually contoured twin front seats (styled by the men who designed the Thunderbird!) Rest your lucky feet on the thick wall-to-wall carpeting. Look down beside you: there's a handy console between the front seats for your personal effects.

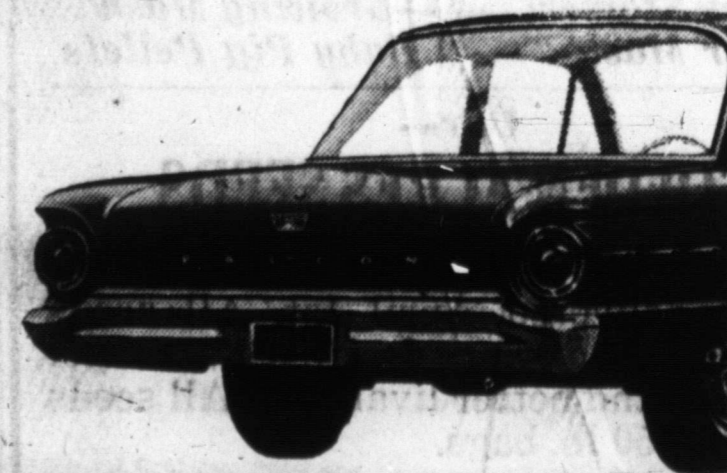

Be sure to check the back seat, too—plenty of room there for 3 people. And, in Futura everyone's luggage goes in the vacation-size trunk—where it belongs. Futura gives you true compact gas economy, too. Finally, when it's time to check the price sticker—surprise! Because—for all its luxury, all its economy—

Futura's actually America's lowest-priced* luxury compact!

A Falcon Makes Economy Run History! A 1961 Falcon with standard transmission got 32.6 mpg under the cross-country test conditions of this year's Mobilgas Economy Run... the best gas mileage ever recorded by a "6" or "8" in the Run's 25-year history! Even more impressive... was the competition... a group of expert drivers really out to win. But Falcon topped them all!

More good news! Ford sales are booming! One reason: Falcon, America's best-selling compact has increased its 1961 lead over its nearest competitor to nearly 50,000 cars!

Printer's Ink-lings

By F. P. H.

Back in his younger days, when such was the style, Jodie Nevill once grew a French-style mustache and sideburns. Such a mustache has long tips, he took great pride for a time in this adornment, the barber took an interest in helping him groom it, and the tips

finally got so long he could stretch them all the way back behind his ears. Then, one day several fellows were in the telephone office over Dr. Windham's drug store and got to guessing men's ages. Finally they got around to Jodie. One guessed him to be 42 and another guessed him all of 48. Jodie wasn't yet 23, so he went down and had the mustache shaved off. Incidentally, Mr. Nevill was the local manager of the Staked Plains Telephone Co. here. Cecil Whipp, the first manager, left about 1905, and Jodie served as manager the next few years.

John Harding, the Tech professor and husband of the former Lorene Childers of Tahoka, who farms a part of the T-Bar, had his children out chopping cotton last week. Said he didn't want his children to grow up without knowing what it means to work on the farm.

Story of Tahoka, lawyer and former legislator, and Speaker of the House two terms, will doubtless be a candidate for attorney general.

The fish are biting in the barrow ditches again between Tahoka and O'Donnell. One fisherman said there are perch, polywogs, and even channel cat.

Tahoka Lake is becoming a resort area, with boating, water skiing, and fishing the order of the day. One night recently, we are informed, campfires and boat lights could be seen all around.

Many farmers are still battling the weeds. One man reports he was hoeing his cotton, got hot and tired, stopped a few minutes, hung his hat on the limb of a careless weed, leaned on the hoe handle, and mopped his brow. When he turned around to get his hat, he had to climb up the growing weed four feet to reach his sombrero. Said he saw his pigs stray out into the "forest," and sent his boy after them. The boy was not back yet but he knew he would turn up soon because his neighbors all had their cotton hoed.

A neighbor stopped out at Charles Oliver's farm. "I see you spend a lot of time with your hogs," he said, "Do they pay better than cotton and maize?" And Charley replied, "Well, no, but hogs don't need no hoeing."

Bud Milliken has some peach trees that are breaking down with fruit. In fact, he has had to pull some of the fruit to save his trees.

You cannot bring about prosperity by discouraging thrift. You cannot strengthen the weak by weakening the strong. You cannot help little men by tearing down big men. You cannot help the wage earner by pulling down the wage payer. You cannot further the brotherhood of man by encouraging class hatred. You cannot help the poor by destroying the rich. You cannot establish sound security on borrowed money. You cannot build character and courage by taking away men's initiative and independence. You cannot help men permanently by doing for them what they could and should do for themselves.—Abraham Lincoln said it more than 100 years ago.

"She's a GOOD church woman, but spends most of her time peddling gossip. Please say something about this in your column." This comes from a reader. Well, we're agin it! Sometimes, the Printer begins to wonder if he is not agin more than he is for. There have been old lady—and old men—gossips clear back to Adam and Eve, we suppose. This writer is not going

to be able to stop gossip—one of the worst sins, in our book. But, seriously, we don't see how any person can be "a GOOD church woman," or even a Christian for that matter, whose principal hobby is grabbing every morsel of gossip and passing it on to others. Many times such gossip is malicious, other times it does the person involved no good and helps to push him or her further down into the mire, and it certainly does the gossip no real good. We heard our preacher a number of years ago say something like this: "A gossip repeats tales he has heard and sometimes adds a wee little to them, because of some kind of complex. Sometimes a person passes on bad tales about things he or she would like to do, or to have done, but is afraid to because he or she might get caught at it."

Roger Billings of Waco, whose hobby is county histories, was a visitor Friday. He wanted a history of Lynn county, and we had to tell him there is none, although Tommie Wynn, teacher at Odessa, is writing such a history as her Master's degree thesis at the University of Texas.

Pedestrians who land in the hospital from automobile accidents might be called "the bumper crop."

Housewife to curvy newlywed neighbor: "Would you mind going in and slipping into that red sun suit of yours, Mrs. Jones? I'd like to get my old man out of the house long enough for him to mow the lawn."

IT DEPENDS ON YOU!

The average age of the world's greatest civilizations has been 200 years. These nations progressed through this sequence:
From Bondage to Spiritual Faith; from Spiritual Faith to Great Courage; from Great Courage to Liberty; from Liberty to Abundance; from Abundance to Selfishness; from Selfishness to Complacency; from Complacency to Apathy; from Apathy to Dependency; from Dependency back again to Bondage.
In 15 years our United States will be 200 years old. This cycle is not inevitable. It depends on YOU!—Rotary Forward, Knoxville, Tenn.

Michael Browning Now In Germany

Bad Kreuznach, Germany—Army Pfc. Michael L. Browning, son of Mr. and Mrs. L. M. Browning, route 5, Tahoka, participated with other personnel from the Seventh U. S. Army's 8th Infantry Division in April Shower, a command post exercise in Germany which ended in mid-June.

The exercise was designed as a study of organization, displacement of units, communications and logistics. All U. S. corps and divisions within the Seventh Army participated at command levels. During April Shower control staffs fed problems and situations involving the activities of a simulated aggressor force to the participating commands. These units then took the necessary action.

Browning, a radio relay and carrier operator in Company B of the division's 8th Signal Battalion in Bad Kreuznach, entered the Army in January, 1960, and arrived overseas the following June. He received basic combat training at Fort Carson, Colo.

The 20-year-old soldier is a 1958 graduate of Brownfield High School.

Kennedy Men In Meeting At Tahoka

Two Rotarians from Kennedy, Texas, down south of San Antonio, 454 miles from Tahoka, met each other Thursday at Tahoka Rotary Club and neither knew the other was even anywhere near.

C. H. McCright, manager of United Gas Corporation at Kennedy and past president of his home club, was returning home from his vacation near noon Thursday, saw a road sign telling that the Tahoka Club meets at noon Thursday, and decided to make up his attendance here.

Seeing Alton Cain in front of the hardware store, he said to himself, "That looks like a Rotarian," and coming over to the club meeting with Alton, the latter told him a man from Kennedy occasionally visits the Tahoka club.

When McCright walked in the door of the City-Legion building, where the local club meets, there was John Stewart Sr., who lives in Kennedy, is a member of the Kennedy club and travels for General Mills gum seed.

One never knows, wherever he may go, when he might run into his next door neighbor.

EVINRUDE BOATING FOUNDATION

By RUDY EVINS

Weed beds and rock piles are some very likely places you'll catch those suckers but many a time you'll have trouble with weeds and snags if you're not using a weedless rig.

It sometimes happens that you favorite deep-running lure doesn't come equipped with a weedless rig. It is in the case take your eyes away from the television set for a minute and do a bit of rigging yourself.

Actually, there isn't much to do to make a weedless lure from your favorite artificial bait. Just connect a rubber band to the eye of the hook and slip the other end over the barb. If you have a double hook just slip the rubber band through the eye and slip the ends of the rubber band to the barb of their respective hooks. It won't keep the fish from being hooked because when they strike the rubber band slips from the barb.

One thing you have to remember about hooks, says the Evinrude Boating Foundation. There is no single hook that suits all situations. Hooks come in different sizes and shapes. Hooks with long shanks are usually used for tying streamers and other artificial bait or for live bait when fishing walleye or northern. Short-shanked hooks are used for panfish and certain short-bodied flies.

What type of hook a fisherman uses is a matter of preference. Some anglers feel that an offset hook—one with the point bent out of a flat plane, hooks fish best. Others contend that the flat bend—one with the whole hook in one plane, is the best.

The shape of the hook, the size of the wire, and the type of barb to use is a matter for debate among all fishermen. Whatever hook you prefer be sure that it will hold up under the stress and strain of the fish for which it is intended and that it is secured to your line properly.

Happy boating... and fishing, too. Rudy

Trautwein's Life Extended Back To Early Day Texas

Louis Trautwein, 94, who died two weeks ago at Shiner, was one of that town's most picturesque pioneer citizens and a resident of the Lavaca county town for 74 years, according to a copy of The Shiner Gazette, brought The News by Robert Lamb.

He was the owner of much farm land near Wilson, the father of Mrs. H. B. Crosby and the grandfather of Mrs. Elmer Blankenship, both of Wilson.

He was a native Texan, born Sept. 17, 1866 in DeWitt county, grew up on the farm, started clerking in a store at 20 and Washington its manager. He went to Shiner in 1889 when that town was two years old, bought a cotton gin in partnership with his father and brother and remained in the ginning business 43 years. He also became interested in an ice plant and creamery. He acquired other property, including several sections of land west and southwest of the new town of Wilson, Lynn county.

"Diligence, thrift and innate ability for wise and efficient management enabled him to achieve unusual success," says The Gazette. "While never excessively extravagant in providing for his own needs or the needs of those dependent on him, Mr. Trautwein found satisfaction and joy in sharing a generous portion of his material blessings, giving help and support in the interest of a variety of causes and needs including donations to churches of all denominations, which will live and serve the spiritual and temporal welfare of his fellowman."

He served his town 11 years as mayor, was president of the school board for a time, was a loyal member of the Lutheran Church, held membership for 72 years in the Knights of Pythians, 67 years in the Woodmen of the World, the Hermann Sons for 60 years, and the Masonic Lodge for 45 years.

His wife and companion for 65 years passed away October 6, 1954, from injuries received in an automobile accident. Mr. Trautwein remained active up until the last few weeks of his life, and death came only two hours after he had entered the hospital.

The Wilson farm land, under the direction of Mr. Crosby, is farmed by three men outside the family, in addition to Mr. Blankenship, these being Tom Moore, J. W. Lamb, Robert Lamb, and Charley Campbell. Mr. Moore is the only man who has ever lived on the place he farms. In fact, there have been only seven renters on these four farms in 38 years, The News is told, not including the land farmed by Blankenship.

SMALL BUSINESS

WASHINGTON AND... As evidenced by voting through the National Federation of Independent Business... They claim the Japanese made set is not only less than 1/10th the cost of the American item... Interestingly enough, the Japanese do not claim to be in any way competitive with produce where the principal cost is raw materials... It is this cheap labor, they claim, which is causing major American firms to establish plants in the Orient... And hereina highlighted the major fallacy committed by the internationalists when seeking to defend the lack of tariff protection for the U. S.

Today's MEDITATION

The Upper Room

Read Matthew 25:41-46. Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me. (Matthew 25:40.)

One day Mr. Oe, a great Christian pastor and author in Japan, was visited by a leper who had run away from a hospital. Mr. Oe was surprised and puzzled. He hesitated to invite him in.

He went from the door to his wife to ask about it. He said to her, "What shall I do? Shall I call him into the house, or shall we send him off?" His wife replied, "Suppose he were the Lord Jesus Christ. What would you do for him?"

Our Lord's aim was to help individual persons. He visited the sorrowing, healed the sick, forgave the sinful, befriended the outcasts.

With His commands, Christ also gives us His strength and ability to love the least attractive.

PRAYER: Heavenly Father, may our daily aim be to do some kindness for those who are in need and so live in a way which is pleasing to Thee. Help us to see others as Thou seest them. May we realize the deep joy of serving Thee. We ask these things in the

name of our Savior and Master. Amen.

THOUGHT FOR THE DAY. God leans down on the lowest and keeps a watchful eye on the smallest of His creatures. Takashi Amemiya (Japan)

Mrs. Carter's Sister Contest Winner

A sister of Mrs. H. W. (Margaret) Carter of Tahoka has won second place in the International Toastmistress Club convention in Washington D. C., Monday of last week.

She is Mrs. Patricia Emanuel Wyatt, wife of T-Sgt. Robert M. Wyatt of Perrin Airforce Base, Sherman, Texas. She and her husband and three children have visited here several times, and the son, Frank, has visited here several weeks with the Carters.

The contest was held last week in the famed Sheraton Park Hotel and was won by a lady from Ala-

bama. Mrs. Wyatt was second and a lady from Oregon was third.

She is the first lady from Texas ever to win the regional, 78 clubs in seven mid-western states, and the first from Texas to compete in the International.

Mrs. Wyatt finds time in following her hobby to fill speaking engagements near her home town. She has served as a secretary in several fields where her husband has served in the Airforce, including a year and a half in Japan. Her husband is also a Toastmaster member at Perrin, shoots with the base rifle team and instructs at the rifle range.

Her husband, Bob, was not surprised at her accomplishment in

the Nation's capital, declaring, "It doesn't surprise me a bit. I always knew my wife could out-talk any other woman in the whole U. S. And what makes it so wonderful is that now we have a trophy to prove it."

Guests included James Eubanks of Midland, son of Mrs. Clovis Honeycutt, John Stewart Sr. and C. H. McCright of Kennedy, and Jack Spratt of Lubbock.
