4-H Beef Calf Tour Tuesday

Lynn county's annual 4-H Beef Calf Tour has been set for Tuesday, August 15, leaving the court house square in Tahoka at 1:15 p. m., according to County Agent Bill Griffin.

Twelve stops will be made and 24 calves in the 4-H beef calf program will be inspected.

Stops and calves to be seen on the tour are:

1. Jim Bob Smith farm, two miles north and 2 1/2 miles west of Wayside; calves of Dean and Rex Hamilton, Stanley Gill, and James Smith.

2. A. R. Milliken feed lot, west of Compress in Tahoka; Marian Sue Milliken.

3. Elmer Owens farm, 4 miles east and one south of Tahoka, Buz Owens.

4. Ray Adams farm, two miles west of Owens', Jim Adams.

5. Lester Adams lots on Gai-gnat farm, three miles south Tahoka, Phil and Lexi Adams.

6. Beatrice Askew farm, one mile north of Wells, Lyndol and Jo Ella Askew.

7. D. J. Bessire farm, six miles west O'Donnell, Harold Bessire.

8. Willard Emerson place, three miles northwest O'Donnell, Larry Emerson.

9. Jack Wood farm, two miles northwest O'Donnell, Ronnie and LaNita Wood.

10. Shorty Vestal farm, three miles south O'Donnell, Charlotte Vestal and Robert Scott.

11. James Reed lots, in O'Donnell, Gregg and Carolyn Reed.

12. Lynn Birdwell farm, four miles northeast of O'Donnell, Louie and Layne Birdwell, Janie Barnes, and Dannie Brewer.

Farmers Co-op Meets Thursday

Stockholders and patrons of the Farmers Cooperative Association No. 1 have been called to meet on Thursday, August 17, on the gin premises, according to an announcement from Manager C. W. Stevens.

The Association has completed its largest year since organized, ginning just under 13,000 bales, and total earnings amounted to \$73,350. Of this amount, they will retire \$58,656 in old stock, and cash returns will amount to \$17,632.

The program will start promptly at 9:30 a. m. by the awarding of one of the most valuable door prizes. Other awards will be made at intervals throughout the entire meeting.

The audit report will be given by Harold Douglas, a qualified auditor, who has made a careful study and analysis of the Association's operations.

Two new directors will be elected to the seven man board who will direct the business during the coming year. The usual barbecue lunch will be served at noon but everyone is invited to come early and be present for the business session which will start promptly at 9:30 a. m.

Serving with President John F. Thomas on the board are: T. D. Dunlap, vice-president; J. O. Allen, secretary; Cleve Littlepage, Charlie Lichey, Lois Smelser, and L. D. Howell.

Hall Robinson Is Injured In Fall

Hall Robinson fell Monday at the Lynn County Tractor Co. breaking his left hip. He was taken to Tahoka Hospital and surgery was performed Tuesday by a Dr. Lovelace, bone specialist of Lubbock.

Hospital officials said that Mr. Robinson's condition was good. Some time back, he received a broken right hip as a result of a fall.

Rev. O. N. Reed, pastor of Lakeview Baptist Church near Abernathy, is doing the preaching at Gomez Church, west of Brownfield, this week. Rev. Reed is a native of Lynn county.

THESE LYNN COUNTY 4-H'ERS attended electric 4-H camp at Scott Able 4-H Camp, 9,000-feet high, near Cloudcroft, N. M. last week. Camp was sponsored by Southwestern Public Service Company. Back row, left to right: Connie Anderson, Home Demonstration Agent; Bill Griffin, County Agent; Jean Ann Littlepage, Tahoka; Jimmy Gay Gardenhire, O'Donnell; Anna Lee Biggerstaff, Tahoka; and Jeanie Hewlett, Wilson. Front row, left to right: Louie Birdwell, O'Donnell; James Smith, New Home; Ronnie Wood, and Harold, Bessire, both of O'Donnell.

4-H Boys, Girls Attend Camp

One hundred and thirty-seven District 2 4-H'ers, last Friday, completed a 4-day electric 4-H camp sponsored by Southwestern Public Service Company at Scott Able 4-H camp, 9,000-feet high and 29 miles south of Cloudcroft, N. M.

The camp was held to teach the youngsters the economical usage of electricity on farms and ranch.

Attending the camp from Tahoka were: Connie Anderson, Home Demonstration Agent; Bill Griffin, County Agent; Jean Ann Littlepage, Anna Lee Biggerstaff; from O'Donnell, Jimmy Gay Gardenhire, Louise Birdwell, Ronnie Wood and Harold Bessire; from Wilson, Jeanie Hewlett and from New Home, James Smith.

Special guests attending the camp this year were: Dean Stengel, dean emeritus, department of agriculture, Texas Tech; Bill McCurne, director of farm electrification research, Texas A&M; W. H. Jones, District Agent; and John I. Bowling, a director of 4-H clubs Recognition Committee.

Local Firemen Complete Course

Three Tahoka volunteer firemen who attended the State Firemen's School at Texas A. & M. College last week will receive certificates of graduation from the courses, states Pat Patterson, Tahoka Fire Chief.

Johnny Raindl, Tahoka fire marshal, took the third class fire marshal's course. This is for the top rating and is the first time this third year course has been offered. Clyde Spruiell, assistant chief, and Evon Wilson each enrolled in the basic requirements course.

Clyde said that except for the intense heat the course was a most helpful and enjoyable one.

The 20-man volunteer department is without a chaplain at the present time, Norris Wilburn having moved to Colorado.

John Tyler On All-Star Team

John Tyler, 11, son of Mr. and Mrs. I. G. (Graham) Tyler, has made the all-star team of the Big State Baseball Camp at Meredean, according to Johnny Carrigan, the camp owner.

As a member of the all-star team, John will leave Waco Saturday for Monterrey, Mexico, to play three games.

Other boys from Lynn county attending the school are expected home this week end.

3,259 People Fed At Lyntegar's Meeting

A crowd totaling 3,256 people from nine South Plains counties went through the food line here Tuesday night at the 23rd annual membership meeting of Lyntegar Electric Cooperative, Inc., in the football stadium.

Brief reports were heard, two directors re-elected, and necessary business transacted, but principal interest of the crowd was in the usual fine meal, served this year by a Lamesa catering service, the presentation of prizes, and visiting with old friends.

Kenneth Purcell of Brownfield and G. Q. (Graham) Hensley of route 2, Tahoka, were re-elected to the board.

At a board meeting, following the general session, Frank Harris of Dawson county, was re-elected president; W. H. Moore, also of Dawson county, vice president; and G. Q. Hensley, secretary. Other directors are: Roger Blakney of Wilson, L. G. Thuet of Garza county, and Bob Alexander of Hockley county. Garland Pennington is the manager.

Music for the occasion was furnished by a string band, "The Twilighters," from Seagraves. Calloway Huffaker served as master of ceremonies and conducted the business session. Don Brown of Tahoka Church of Christ (Cont'd. On Back Page)

Football Tickets Now On Sale

Season reserved seat Tahoka football tickets are now on sale at the school office in the Deen Nowlin Building, announces Maurice Small, school district secretary.

Reserved seats are only \$1.00 above the regular admission charge, but there are six home games this year, and therefore the reserved seats are selling for \$7.00 for the six games.

Those who wish their same seats they have had in the past should make reservations as early as possible.

Meeting At Gordon All Next Week

Gordon Church of Christ will hold its "Gospel of Christ" meeting next week, Sunday, Aug. 11 through the following Sunday, with services at 10:00 a. m. and 8:00 p. m.

Milton Bruster of Alamogordo, N. M. will do the preaching and song director will be Roger Turner of Sundown.

Slow down at sundown unless you want a showdown.

Crops Needing Rain Again

Much Lynn county cotton, rank and fruiting heavily, is already badly in need of rain. Many fields of maize are also in need of water, farmers say.

The critical August period is already at hand for many farmers, due to rapid plant growth and heavy fruiting which draws the water out of the ground at a rapid rate. Other crops were sapped rapidly by weeds which farmers could not get cut fast enough.

Without a rain soon, this year's production will be cut materially, but another rain could insure a bumper crop.

Rain fell in the Lakeview community Friday of last week ranging from a sprinkle down to almost nothing, and other showers fell east of Tahoka ranging up to .8 inch.

However, a narrow strip of country northeast of Lakeview received hail damage. Byrre Milliken is reported to have had 75 percent damage to a part of his cotton crop, and others receiving damage included D. W. Hancock, Duane Williams, C. B. Nowlin, and Mr. Reeves. Exact extent of damage is not known, but many bolls were beaten off or bruised.

Year's First Milo Is Received Here

The first load of 1961 milo was brought into Tahoka Wednesday afternoon by J. A. Evans, Rt. 5, of the New Home community.

Evans took the grain to Tatum Bros. Elevators in Tahoka where he received a \$50.00 bonus.

The milo, which was from a five-acre plot, weighed 15,740 pounds, and had a moisture test of 20.85. Evans was given \$1.65 per hundred pounds.

Leighton Knox, manager of the local elevator said that the first load was exceptionally good and clean.

J. B. Walker, 89, Falls, Breaks Hip

J. B. Walker, 89, pioneer former citizen of Tahoka, broke his left hip Saturday in a fall at his home at 2421 21st street in Lubbock.

He is a patient in West Texas Hospital, where he is in a cast and reported doing fairly well considering his age.

Mr. Walker was an early day superintendent of the Tahoka schools. He is the father of Clint Walker of Tahoka.

Dividend Paid By Land Bank

Directors of the Federal Land Bank Association of Tahoka have declared a five percent dividend on capital stock as of July 31. Checks totaling \$10,000.00 are being mailed the stockholders, announces Ross Smith, manager.

The association makes and services long term farm loans in Lynn, Garza, and a part of Borden counties. Approximately three and one-half million dollars are in loans at this time.

Annual meeting of the association will be held on Sept. 2, at 3:00 p. m. in the City-Legion building in Tahoka, at which time directors for the ensuing year will be elected.

Present officers, directors and personnel are: Fred McGinty, Lynn county, president; Avery Moore, Garza county, vice president; J. M. Small, Lynn county, director; Vernon Willhoit, Lynn county, director; J. D. McCampbell, Garza county, director; Ross Smith, manager; and Mrs. Elnora Curry, of Big Bend county, assistant.

Mr. and Mrs. Medford Moore and daughter, Janet, recently visited a few days with his parents, Mr. and Mrs. L. H. Moore Sr., and brother L. H. Jr. and family at New Home. He has been a rural carrier at Wellston, Okla., about 15 years and a total of 28 or 29 years in "Uncle Sam's Service."

Scouts Advance At New Home

Seven Boy Scouts received their advancement Monday night at the monthly meeting of New Home Civic Club.

Each boy told of some phase of training he had received in the Scout program. Awards were presented by Scoutmaster Jack Clements, and his assistants, Lit Moore and Milton Evans.

David Unfred received his Life Scout award, having advanced from Tenderfoot through Second Class and First Class. To attain the Life Scout ranking, a Scout must pass tests of ten or more Merit Badges in various fields of activity.

Receiving Second Class awards and also making brief talks were Adrian Hill, Mike Paden, Gid Moore, Stanley Gill, Jimmy Farr, and Dickie Turner.

Also advancing to Second Class, but not present on this occasion, are Randy Unfred, Mike Fillingim, and Steve Liseby.

Mr. Clements showed pictures of the New Home troops camping activities which illustrated the improvement the Scouts have made since the first camp.

Mack Mauldin of the Lynn County Soil Conservation District office presented a talk on the Civil Defense program.

Calvin Tucker is the New Home Civic Club president.

Mrs. Hickman, 87, Rites Monday

Mrs. Mollie Hickman, 87, of Lakeview, route 1, Meadow, a resident of Lynn county for 30 years, died at 1:20 a. m. Sunday at her home following a long illness.

Funeral services were held Monday at 2:00 p. m. in Rix Funeral Chapel, Lubbock, with Rev. Philip Goodrum, pastor of Lakeview Baptist Church officiating. Burial followed in Resthaven Memorial Park.

Mrs. Hickman was born on April 26, 1874, at Nuburg, Alabama, the daughter of V. A. and Elen Byrd. She was married to J. F. Hickman in Lawrence county, Tenn., on October 6, 1901. The couple moved to Coahuila county, Texas in 1913, and on out to West Texas in 1913. The couple came to Lynn county in 1931, and lived west of Tahoka, near Three Lakes, and later near New Home. Mr. Hickman passed away in October, 1953. She was a member of Lakeview Baptist Church.

She had been in ill health for some time, and recently had to have a leg amputated.

Survivors include two sons, Robt. R. Hickman of Ropesville and M. E. Hickman of Muleshoe; two daughters, Mrs. E. H. West of Tahoka and Miss Elen Hickman of the home; one sister, Mrs. Everett Robertson of Spur; five brothers, Manuel and Luther Byrd, both in Tennessee, L. E. and O. E. Byrd of Lubbock, and G. C. Byrd of Melrose, N. M.; 10 grandchildren, and six great grandchildren.

Pallbearers were W. T. Knight, Frank Timmons, Leland White, C. J. Falls, Edwin Nettles, and M. E. Hickman Jr.

Water Rate Study Indicates Increase May Be Necessary

Looking forward to receiving water from the Canadian River Municipal Water Authority in the next few years, City of Tahoka has had A. C. Bowden, consulting engineer, make a comprehensive study of present rates, water usage, and possible needs for the future.

Monday at the meeting of the City Council, Mr. Bowden presented the report of his findings.

As anticipated, water rates will have to be raised slightly before Tahoka begins using water from the dam on the Canadian River. However, it is not believed, the rates will have to be advanced as greatly as had been anticipated by members of the Council in past years.

The engineer proposes that the City raise its rates soon, however, to build up a little backing for the time rates must be raised.

Tahoka's present rates are \$2.00 for the minimum, the first 3,000 gallons; 40 cents per 1,000 for the next 3,000 to 5,000 gallons; and 30 cents per 1,000 gallons for all over 12,000 gallons.

He estimates Tahoka will need to raise its water revenues approximately 20 percent to pay its part of the Canadian project.

The engineer presented three proposals to the City, the first two of which do not increase the rate to the small user, either of which would raise additional revenue.

Proposal 1 is for a minimum rate of \$2.00, 45 cents for 3,000 to 30,000 gallons and 35 cents for all over 35,000.

Proposal 2, in which the Council seemed most interested in its meeting Monday night, is for the same \$2.00 minimum, 50 cents per thousand for all water from 3,000 to 30,000 gallons, and 40 cents for that above 30,000. One Council member told The News he thought this raise might be necessary.

Proposal 3 is that the minimum be raised to \$2.50, and all over 3,000 gallons used be priced at 40 cents per 1,000 gallons.

Tahoka now has about 1,000 water users. The engineer's study goes into the number of users in each bracket, past revenue and expense and future revenue and expense, town growth, and makes other recommendations for more efficient water service.

A Great Plains Conservation Plan is being developed on the M. O. Otis farm southwest of Tahoka. The plan will include a water way for the purpose of carrying water received from adjoining land to a lake bed. A level terrace system will be constructed on the cropland. Waterway and terrace construction is cost shared through the Great Plains Program. The plan will also include a conservation cropping system, crop residue use and proper pasture use.

R. M. Thomas, who farms south of Grassland, has also made application for the Great Plains Conservation Program. A pond to provide livestock water is to be constructed in partnership with a neighbor, Carl Jones. Half of the

cost of building the pond will be provided through the Great Plains Program. Also including in the plan will be a conservation cropping system, crop residue use and proper pasture use.

A district conservation plan is to be developed on the O. C. Sikes farm located south of Three Lakes. The plan will include terraces, conservation cropping system, crop residue use and contour farming.

A tank for the purpose of supplying livestock water is being constructed on the place owned by Dr. K. R. Durham. The structure will be cost-shared through the Great Plains Conservation Program.

The District Supervisors have announced plans to hold their annual tour August 24. More information and details will be available at a later date.

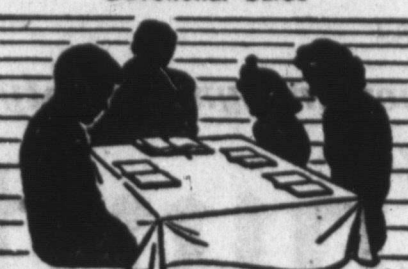

Now is the time to make plans for planting winter cover crops. Crops may consist of either small grain or winter legumes. These crops add organic matter to the soil as well as controlling blowing. You wouldn't let your cattle move to another man's farm; why let your soil?

Teach me, O Lord the way of thy statutes; and I shall keep it unto the end. (Psalm 119:33.)
 The psalmist impresses us here in that the presence of God was real to him. He believed that the eternal God would accompany him through all the paths of life. This certainty was so real to him that he wanted to proclaim it from the bottom of his soul. However, he wanted his faith to find backing in the Word of God.

The Psalms marvelously anticipated the spirit of Christianity. Today we have a greater and better testimony of the presence of God. It came to us in the person of God made flesh, Jesus Christ. Through His personal presence He revealed the Father and declared all things to us.

Today, as yesterday, the man of Christ should be completely consecrated to Him, always studying His Word and being fortified by His Presence. Thus the Christian receives power to announce Christ by his testimony—Emmanuel, God with us.

PRAYER—We praise The O heavenly Father, for the great testimony of ancient men of faith who were consecrated to Thee. We also praise and glorify Thee for the ineffable gift of Thy beloved Son, Jesus Christ. In His name we pray. Amen.

THOUGHT FOR THE DAY—In the Word of God, which is eternal wisdom, we find inspiration for our lives.—Antonio R. Lopez (Argentina.)

Unfreds Attend Army Reunion

Mr. and Mrs. Joe D. Unfred and children returned home last week from an interesting trip to the Midwest.

At Charles City, Iowa, they visited the Oliver tractor plant and Joe Roland, an engineer there who was formerly at the New Home test station.

They spent three nights at Milwaukee, Wis., at the 14th reunion of the Third Armored Division, with which Joe D. served during World War II. He says there were 950 people registered for the reunion, the largest ever. The Third landed on the French beach three days after the beachhead was established, and fought its way into Belgium on General Patton's left flank.

In Sycamore, Ill., they visited an

the Ted McDonald family. Mrs. E. M. Walker, Mrs. Myrtle Mathis and Mr. and Mrs. Gus Porterfield attended services at the Nazarene Church Sunday night, the closing service of the revival. Mrs. C. B. King furnished fresh flowers each day for the church.

Printer's Ink-lings

By F. P. H.

The critical time for crops is here. Whether old Lynn makes 130,000 or 180,000 bales depends a lot on the conditions. A good rain—right quick could insure a bumper crop.

One strange factor in this year's crop is the absence of insect infestation. Except for some early season infestation, there has been little. It's fine for farmers but hard on poison dealers and the airplane sprayers.

Bob Newton, the new Co-op gin manager at Wilson, and Postmaster Pat Campbell, both estimate that about 3,000 acres of cotton in that community was badly damaged by the July hail. In fact, about 1,500 acres of this cotton was a total loss, and has been plowed up. Mr. Newton is from Enochs, but is well known in ginning circles all over the Plains. M. L. Murray, former gin manager at Wilson, is the new gin manager at the Bailey county community of Enochs.

There's usually a way to beat the government—legally. In 1956, the John W. Baughman estate of Kansas had to sell its holdings in Colorado to pay inheritance and income taxes. Wayne Tallman figured out a way to buy 6,960 acres of the land at \$20 an acre. On approval from ASC, he sub-divided the tract and cash leased it for 10 years to several smaller farmers to get around the \$5,000 limitation, put all the law would allow in the soil bank for 10 years, each farmer to farm the remaining land, and turn over to him the equivalent of the soil bank checks. The land cost him \$139,200, but he will get \$271,000 in soil bank checks, a profit of \$131,800—and he will still have the land. Still, there are those who say Washington can handle things better!

vote in our legislative bodies. There's nobody representing the average man to put on the pressure—unless YOU write your representatives what you think!

We know you get tired of hearing alibis, but you don't get near as tired as The Printer gets of apologizing for errors in the paper. Seems like there's a big boner every week. Last week's paper had a headline saying the big Lyntegar meeting was Monday, and the body of the story said it was Tuesday, which was right. A few weeks ago, we carried a story about Forrester Insurance Agency, but the heading indicated it was about Keeton Cattle Co. Embarrassing? Boy, howdy! Good thing our friends are tolerant. We're printing the Forrester story again. We hope nobody came in Monday for Tuesday's Lyntegar meeting.

Reminds us of an error made by a neighboring newspaper a few years ago. A prominent citizen, with a big family died. The news story of his death closed with this line, "All the family was here for the funeral." But, the printer divided the last word of this statement and the linotype slug was lost bearing the last part of the word. What appeared in the paper was, "All the family was here for the fun." The family of the deceased and the editor of the paper both needed sympathy.

Some day we're going to adopt the policy of "Smitty" of the O'Donnell Index-Press, who says he never apologizes for errors because the many he makes still are not as many as those made by some of his readers and all of those who write items for his Big O newspaper.

Mrs. S. A. (Loyce) Fleming says she really appreciates The News while away from home out in Arizona. She's the third generation of the pioneering Sherrod family.

All the oldtimers, especially, were saddened by the passing of Mrs. Grover Shaffer, wife of a Tahoka businessman. Her daddy, Frank Sherrod, was one of the real pioneers of Tahoka and operated one of the first hotels here.

The Printer and Mae were also saddened last week by the passing of Mrs. Albert Jacobs, mother of our son-in-law. Mrs. Jacobs was a great lady, in our book, a fine influence on all who knew her and who, even in ill health, enjoyed a good laugh. As far as that goes, her grieving husband is also "our kind of folks."

Ken Durham of Commerce has sent The News a very interesting description of Tahoka written 50 years ago which he found in the Dallas Public Library, taken from The Texas Magazine, Vol. III, No. 3, issue of January, 1911. We will publish the article some of these days when we have more room. Thanks, Ken!

Our thanks go to Mrs. Hoyette Hodges of Plainview (her husband formerly managed Tahoka Co-op gin) for some kind words about this newspaper. The Hodges have a lot of friends in Tahoka.

The News received a renewal from Major Max Minor, who is still stationed at the U. S. Military Academy, West Point, New York. Scholastically and athletically, Max is doubtless the top-ranking student ever to graduate from the local schools.

Mrs. A. L. (Jessie) McMillan, route 1, Cameron, Okla., whose husband died a few months ago, writes, "I enjoy the news from home very much."

Mrs. Charles "Boggie" Stewart of West Columbia, S. C., says they look forward to The News each week. She says they expect to be here this week.

The Lord's Prayer has 56 words. Lincoln's Gattysburg address has 266. The Ten Commandments have 297. The Declaration of Independence has 300. But a recent government order setting the price of cabbage had 26,911 words, according to the Chicago Kiwanis Magazine.

Two spinsters were discussing men. "Which would you desire most in your husband—brains, wealth or appearance?" asked one. "Appearance," the other answered, "and the sooner the better."

The Echo (paper of Texas Prison System inmates) has a suggestion to save Texas a lot of tax money—Trade Mrs. Roosevelt and Walter Reuther a bunch of prisoners for some tractors. The Echo says a lot of inmates would like to buy one of those gadgets shown on TV recently where a man straps a jet-powered do-dad on his back and takes off over hill and dale (and walls).

Figure this out yourself: Take your age, multiply by 2, add 5, multiply by 50, subtract 365, add the loose change in your pocket under a dollar, then add 115. The first two figures in the answer are your age, and the last two are the change in your pocket.

HOW'S A COW?

The cow is a mobile animated machine—housed in unprocessed leather. One end is equipped with a mower, a grinder, bumpers, headlights, wing-flaps and foghorn. At the other end is a milk dispenser and insect repeller. Centrally located is a conversion plant, consisting of combination storage and fermentation vat, 3 converters in series, and an intricate arrangement of conveyor tubes. This machine is also equipped with a central heating plant, pumping system, and air-conditioning. Although mysterious and secret, this plant is unpatented. It is available in various sizes and colors, with output capacity ranging from 1 to 20 tons of milk per year.—The Tumbleweed, Childress Rotary Club Bulletin.

Everyday Religion

By J. B. Thompson

Are you lost in the "wounds"? The little folk-song, "Babes in the Woods", has been paraphrased by one writer with the above question. This is a very suggestive thought. We all, more or less, are "lost in the wounds."

We say, "I would go to church—but." And then we proceed to present reasons why we cannot do so. "I would take part in the community affairs—but." "I would offer my help to those in distress or need—but." And the reasons we give are usually selfish in their nature. We would do many worthy things—but our own personal ambition or personal comfort comes first. We are lost in the "wounds."

This is bad too, for we usually sense no danger—we do not feel lost at all. If we were lost in the woods we would become concerned immediately if not down right hysterical about our fate, but we are complacent about being lost in the "wounds."

How sad it is for us to continually excuse ourselves from so many of life's obligations and rich rewards by simply saying, "I would—but."

Pity the grouch—he's a guy who has sized himself up and got sore about it.

PICTURE OF A LADY ADJUSTING HER BRAKES

Back up! Put your foot down! Presto! Your brakes are adjusted if they need it!

The '61 Ford is so beautifully built...the brakes adjust themselves automatically! Another example of the sensationally sensible engineering beneath the Classic Ford Look for '61

One of the world's most expensive imported cars has this self-adjusting brake feature and so does Ford! Just one of many new built-to-be-more-service-free improvements! Here's another surprise—you can normally drive 30,000 miles before your Ford needs lubrication of major chassis components. Then a quick, inexpensive, Ford Dealer lube job will get you set for another 30,000 miles.

And the '61 Ford has a new optional 390-cu. in. Thunderbird Special V-8 waiting for you to test-drive. You can't get this in any other car in Ford's price class.

Nor can you get the Classic Ford Look in any other car. The Straight-Line design of the '61 Ford steps out in front and says there. But, seeing is believing, so pay us a visit. See for yourself that the 1961 Ford is...

Beautifully proportioned to the Classic Ford Look!
We are very proud of this model, presented by the International Fashion Authority, Centre for L'Alta Moda Italiana, to the 1961 Ford for functional expression of classic beauty.

HERE'S HOW THE '61 FORD BRIVES BEHIND ITS BEAUTIFULLY BUILT TO BE MORE SERVICE-FREE!

Save on Lubrication—You'll normally go 30,000 miles between lubrications of major chassis components, which saves you time and money, because Ford has replaced conventional grease fittings with a sealed-in lubrication system.

Save on Oil Changes—You'll go 4,000 miles between oil changes because Ford's Full-Flow oil filter gives you filtration through three, not two, stages of the oil at all times.

Save on Brake Adjustments—New Truck Size brakes adjust themselves automatically.

Save with Extended Motor Life—Ford motors are double-wrapped and lubricated to last three times as long as ordinary motors.

Save with Protective Body Coating—All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath the doors.

Save with Special Body Plating—Ford's new Diamond Lath Plating never needs waxing.

Methodist Men Honor Ladies

Approximately 100 people attended the annual ladies' night meeting of the Tahoka Methodist Men Thursday night on the back lawn of the home of Mr. and Mrs. Calloway Huffaker.

Dr. Emil Prohl, who with his wife recently attended the Rotary Convention in Tokyo, Japan, and visited other Asiatic countries, told of their visit with Robert Rahn and family in Osaka, Japan, and his comments proved very interesting and inspirational.

Robert Rahn is a missionary which the Tahoka Church helps to support, sponsored by the Brownfield District of the Methodist Church. He helps with 24 Protestant churches in the United Church of Japan, sponsored by six or seven Protestant denominations of the U. S. and Canada.

Carl Westbrook led singing and two duet numbers were presented by Sharon Patterson and Linda Thomas, and Mrs. Gwen Patterson accompanied. During the meal organ music was furnished by Fred Hegi.

Louie Weathers, head of the local Methodist Men, presided at the meeting.

A fish dinner was prepared and served by Calloway and Maurice Huffaker and Maurice Bray, with help from others.

In 1960 Texas traffic, one person was killed every three hours and 53 minutes; one was injured every one hour and 35 minutes; a traffic crash was recorded every 100 seconds.

Janet Collier Is Shower Honoree

Miss Janet Collier, bride-elect of Robert Weldon Cash, Jr., was honored with a shower Saturday, August 5, from 9:30 until 11:00 a. m. in the home of Mrs. R. H. Gibson.

Co-hostesses were Mmes. W. W. Hagood, Larry Hagood, V. F. Jones and Roger Bell.

Forty-five ladies attended with out of town guests from Midland, Lamesa, Post and Lubbock. Colors of blue and white were used in decorations. An arrangement of white chrysanthemums and bells with blue streamers centered the serving table. Other floral arrangements were of white roses and mums.

Miss Sunny Gibson and Mrs. Wilma Forrester served from silver and crystal, coffee and punch, white cakes with blue coconut and miniature meat pies. Cindy Gibson registered the guests.

J. A. Giles Family Plans Open House

Friends of the J. A. Giles family are invited to open house at their home, 5309 23rd St. in Lubbock, (second block west of Slide Road), Sunday, August 13 from 2:30 until 6:00 p. m. in honor of homecoming of their six children and their families.

The Giles family lived in Lynn county from 1933 to 1944 and their five oldest children graduated from Draw Rural High School. Their youngest daughter, Mildred, was born in Redwine community.

Children to be honored at the Sunday event are listed below.

M-Sgt. and Mrs. Truett Giles, Donna, Truett II, Tommy and Jeffrey from Weisbaden, Germany. Truett has been in France and Germany since November, 1958. Donna graduated from high school there on June 12th this year. Mrs. Giles (Mae) is the daughter of Mrs. J. D. Crawford of O'Donnell.

Major Donald Giles and daughters, Sherry Lynn and Wendy Sue from Denver, Colo. Major Giles is with the Air Force in the finance and accounting department and served three years in Japan, 1953-1956. His wife and two children, Dean and Nancy will not be able to attend.

Mr. and Mrs. Robert E. Giles, Richard and Shelly from Albuquerque, N. M. Robert is with the Atomic Energy Commission in Albuquerque.

First Lt. and Mrs. Bobby Day, (Mildred), Bebbie Elaine and Bryan Dwayne from Edwards Air Force Base, California. He is a graduate of Tech and received his Master's degree from the University of Illinois as an engineer major.

Mr. and Mrs. Roy Pharies (Maurice), Phillip, David and Paul from Route 1, Levelland.

The Rev. and Mrs. Bruce Giles, Karen, Billy Bruce and Gary of Lubbock. Bruce is pastor of Flint Ave. Baptist Church.

Mr. and Mrs. Clifford Giles of Lubbock. He is a junior at Tech.

Slow down at sundown unless you want a showdown.

MRS. PAT PENNELL (nee Miss Laverne Lauderdale)

Miss Laverne Lauderdale Married Friday To Pat Pennell At Central Church

Wedding vows were pledged by Miss Laverne Lauderdale and Pat Pennell Friday evening at 8:00 o'clock in the Central Baptist Church at Grassland.

The Rev. Kenneth Leach, pastor, read the ceremony before an archway covered with greenery and pink gladioli and flanked with baskets of pink gladioli.

Parents of the couple are Mr. and Mrs. V. C. Lauderdale of Route 3, Post and Mr. and Mrs. I. S. Pennell of Post.

Given in marriage by her father, the bride wore a waltz-length gown of nylon chiffon over satin. The fitted bodice, designed with a shirred midriff, was topped by a jacket of nylon lace featuring three-quarter length sleeves. Her veil was of French silk illusion, attached to a crown of sequins and seed pearls. She carried a bouquet of pink carnations atop a white Bible.

Mrs. H. C. Drake attended her sister as matron of honor. She was attired in a pink dress of arnel cotton featuring a shirred midriff and full skirt and wore a headband of iridescent sequins. She carried a colonial bouquet of pink carnations and white satin streamers.

Howard Teaff served as best man, and Tom and Kenneth Pennell, brothers of the bridegroom, acted as ushers.

Preceding the ceremony, Mrs. Kenneth Leach accompanied Mrs. J. B. Greer at the piano as she sang "Always" and "Because."

Following the wedding the bride's parents were hosts at a reception in their home. The serving table was laid in a white lace cloth over pink and centered with an arrangement of pink carnations with pink candles. The traditional wedding cake completed the table decor.

Members of the house party were Mrs. Leon Anderson, Mrs. Roy Teaff and Miss Mariene Fitts.

For travel Mrs. Pennell chose a black dress with pink accessories.

The couple will live in Post where he is employed at Postex Cotton Mills, Inc.

Baptist Choirs Honor Choates

The adult choir members of the First Baptist Church and their families enjoyed a social on the lawn of the Hubert Tankersley home Thursday evening, Aug. 3.

Others attending were the choir director, Bill Choate and family; church organist, Mrs. Clay Bennett and husband; and pianist, Mrs. Ray Adams and family.

Refreshments of home made ice cream and cake were served to 40 guests.

Dr. Durham, choir president, gave a most humorous, as well as very complimentary talk honoring the Choates who will be moving from Tahoka in a short while. Then as a token of love and appreciation, he presented them with some sterling silver flatware.

Miss Ashbrook Plans Marriage

Mr. and Mrs. Raymond Ashbrook, Route 2, Tahoka, have announced the engagement of their daughter, Mae Daun, to Robert Glenn Dooley of Borger, son of Mr. and Mrs. Clinton Dooley, Holdenville, Okla.

Miss Ashbrook attended Tahoka High School and is a graduate of the American School.

The couple will marry Sept. 8.

CARD OF THANKS

May we extend our deepest appreciation to Tahoka friends for the beautiful flowers, telegrams and cards we received Friday expressing sympathy on the passing of Jake's mother in Carthage, Mo. May God bless each of you—Mr. and Mrs. L. F. Jacobs and family, (Lake City, Colorado).

Kindergarten Slates Enrollment

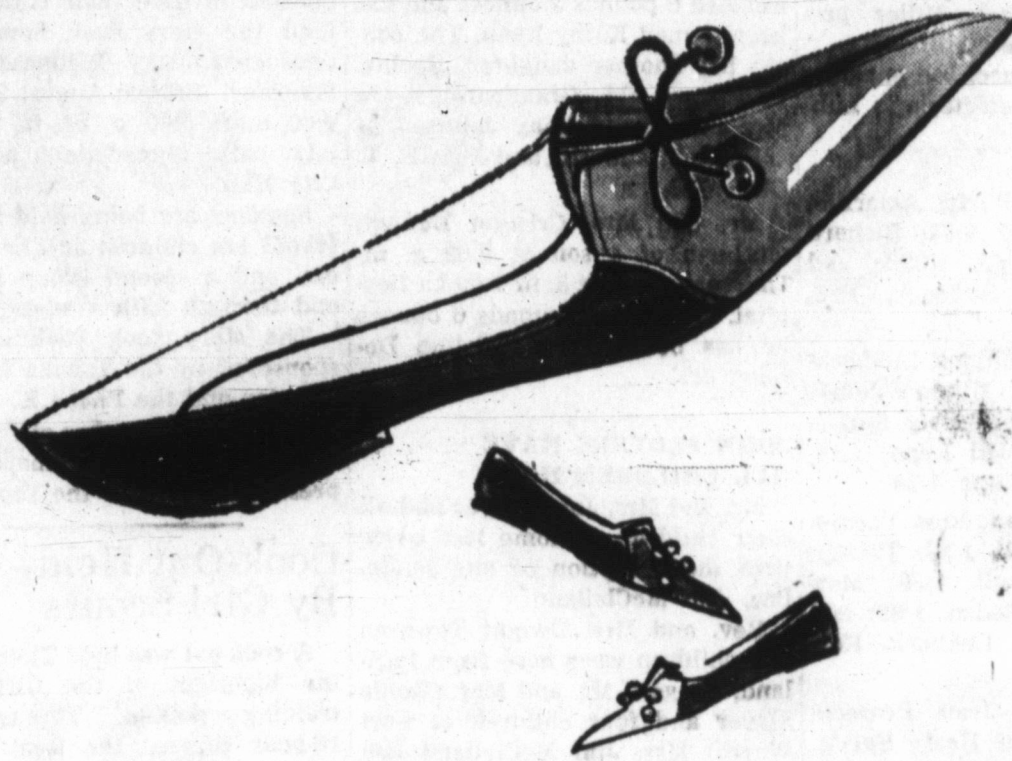

Mrs. Polly Weathers of 2109 Kelsey Street will begin August 30, enrolling students for her Kindergarten School.

Classes will start September 5. This will be Mrs. Weathers' fifth year to teach Kindergarten in Tahoka.

The Kindergarten course offers regular kindergarten classes, plus supervised playground activities and music. She will be assisted with the music direction by Mrs. J. K. (Bob) Applewhite.

Interested parents are urged to contact Mrs. Weathers at 998-4705 at their earliest convenience due to limited enrollment. 1tc

Driving Contests Are Held Here

Fifty-six entries including cars from Dallas, Amarillo and other widely scattered points participated in the Town Square Gymkhana, sponsored by the South Plains Sports Car Club in Tahoka Sunday afternoon.

Top honors went to Paul Silvius of Lubbock, who turned in the best individual time of 1:29 minutes, and an average time of 1:35.

Jack Wirtz, Amarillo, won the larger car class by going around the obstacle type course in 1:38 average.

Four classes ran in the race-cars over 1600 cc, under 1600 cc, compact-sedan and women's.

A gymkhana is a race in which drivers must go around obstacles, including cloverleaves, zig-zags and slaloms. Only one driver is on the track at a time, racing against time.

The scores are based on two runs. One has a Le Mans start and the second, a normal start.

Police Chief Jack Miller presented the trophies.

Following the race, the entrants had a dinner at a cafeteria in Lubbock.

The results were:

Over 1600 cc: Wirtz, Amarillo, Austin Healy 3000, 1:38; Richard Vawter, Dallas, Tr-3, 1:38.5; and Norris Rumsey, Lubbock, Tr-3, 1:39.5

Under 1600 cc: Silvius, Lubbock, MGA 1600, 1:35; Milton Jones, Reese AFB, Austin Healy Sprite, 1:37.5; and Whitford Lynn, Lubbock, MGA 1500 coupe, 1:38.

Compact - sedan: Ross Thompson, Lubbock, Saab, 1:39; Thompson, Lubbock, Saab, 1:39; Morris Goolsby, VW Sedan, 1:39; and David Shoemaker, Lubbock, Karmann Ghia, 1:40.

Women's: Mrs. Jean Pearson, Reese AFB, Austin Healy Sprite, 1:41; Mrs. Jean Howze, Lubbock, Renault, 1:52; and Mrs. Carol Wirtz, Amarillo, Austin Healy 3000, 1:54.

Annual Staffers Attend Workshop

The members of Tahoka High School annual staff accompanied by their sponsor, Mrs. N. E. Wood, plan to attend a yearbook workshop at Texas Technological College August 14-17.

The workshop is conducted by members of the faculty in Tech's journalism department and by representatives of some of the largest publishing houses in the United States.

Members of the local group will leave from the school building on Monday, Aug. 14 at 8:00 a. m. Those planning to attend are Carolyn Howard, Brooksie Reece, Marian Milliken, Sarah Wells, Cynthia Franklin, Sue Walker, Elaine Buchanan, Jan Brown, Paula Wood, Donna Copelin and Mrs. Wood.

Congratulations:

Mr. and Mrs. Wayne Cloe, Tahoka, on birth of a daughter in O'Donnell Tuesday, August 8. She weighed 6 pounds 9 ounces and has been named Kathy Lynn. The couple has another daughter, Debbie, two years old. Grandparents are Mr. and Mrs. Johnny Johnson of O'Donnell, and Mr. and Mrs. E. T. Cloe, Tahoka.

Mr. and Mrs. Cristino DeLeon on birth of a son at 9:03 a. m. Thursday, August 3, in Tahoka Hospital. Weighing 7 pounds 6 ounces he has been named Cristino DeLeon Jr.

JOHN SLOVERS HAVE ALL CHILDREN HOME

Mr. and Mrs. John Slover had all their children at home last week, with the exception of one son-in-law, Jim McClelland.

Rev. and Mrs. Dwight Townsend and children were here from Portland, Oregon; Mr. and Mrs. Claude Slover and four children of Fort Worth; Mrs. Jim McClelland and children from Edinburg; and Mr. and Mrs. Wayne Lindsey from Lubbock.

John says there were a lot of potential hoe hands in the crowd, but he didn't try very hard to harness them up and take them to the field.

WINDOW REPLACED THAT PRINTER BROKE

Hospital attendants reported Wednesday that a broken window in Room 14 of Tahoka Hospital was being replaced that afternoon. The window was broken when a patient was attempting to turn over in a bed and hit the glass. The patient—none other than The Printer.

WILSON HEARING

Wilson Independent School District will have a public hearing on the 1961-62 budget at 8:00 p. m. Friday, August 18, in the Wilson High School building.

Mr. and Mrs. Kenneth Reid and son of Houston spent Sunday until Tuesday in the home of his mother, Mrs. J. O. Patterson.

Total number of traffic crashes in Texas in 1960 dropped to 312,000 from the all-time record of 340,000 in 1950, a reduction of 28,000, or 8 percent.

FHA Girls Plan Retreat At Lake

Officers of Tahoka Future Homemakers of America are planning a retreat at Lake Thomas August 21-22 to plan the yearbook for the local chapter. They will be accompanied by Mrs. Madeline Beggs, sponsor, and the group will stay in the Hegi cabin at the lake.

Officers of the chapter include: president, Donna Copelin; first vice president, Loretta Short; second vice president, Darlene Tekell; third vice president, Frances Willhoit; fourth vice president, Sarah Wells; corresponding secretary, Rose Scott; recording secretary, Jerri Wyatt, treasurer, Brooksie Reece; historian, Nancy Inman; reporter, Elwanda Tekell; parliamentarian, Louella Tomlinson; and pianist, Carol Jean Allen.

Story Book Hour Twice Each Week

All mothers of Tahoka are requested to have their children attend the story book hour being conducted every Wednesday and Saturday, through August 26, from 4:00 until 5:00 p. m. in the old city park immediately north of City Hall.

Sessions are being held for preschool age children and first graders, and a second group for second through fifth graders.

The story book hour is being sponsored by the Tahoka F. H. A. Chapter and the Phebe K. Warner Study Club. A member of the study club and F. H. A. Chapter are present at each of the sessions.

Cook-Out Held By Girl Scouts

A cook-out was held Thursday as the highlight of the Girl Scout training session. Through the 16-hour course the local ladies were taught the fundamentals of scouting from start to finish.

Many interesting films were shown to further imbued the ideas in the minds of the students.

Those attending the sessions were: Macky Turner, Polly Gibson, Pat Park, Betty Owen, Laquita Leverett, Ima Pool, Leo Dulin, Mary Ruth Wright, Ruth Walker, Ann Wharton, Grace Huffaker, Shirley Draper, Nancy Collard, Carolyn Howard, Ruth Akin, Rosemary Moffett and Linda Short.

Shower Given For Mrs. Isbell

Mrs. Lonnie Isbell was honored with a "pink and blue" shower Thursday afternoon from 3:00 until 5:00 p. m. in the home of Mrs. Marvin McDonald.

Co-hostesses were Mmes. E. W. Roe, B. R. Taylor, Leonard Norwood, Elbert Roberts, and Elgin Harper.

Pink lemonade and cookies were served to guests. The serving table was centered with a family tree, its base being surrounded by pink flowers. White was also used in the color scheme.

A stork watched over the gifts as the honoree opened them.

Sarah Wells Is Officer In FHA

Miss Sarah Wells, daughter of Mr. and Mrs. George C. Wells, was elected Tuesday, Aug. 8, by the officers of F. H. A. to the office of fourth vice president. She will fill the vacancy of Shirley Henderson, who recently moved.

Other candidates for the office were Jan Brown and Sue Walker.

Brownies Hold Meeting Tuesday

Troop 306 met Tuesday with eight members attending. These Brownies are planning a swimming party for next week with sack lunches to be eaten afterward at the park—Jane Ann Moore, reporter.

CARD OF THANKS

We take this way to express our heartfelt thanks and appreciation for the calls you made, the flowers and the cards, and especially the ladies of Lakeview who sat up and helped us in so many ways, and to Bro. Goodrum, who stood by so faithfully during the long illness and death of our mother. To you who were so kind we will ever be grateful.—The family of Mrs. Mollie Hickman. 1tp

The 1960 traffic toll in Texas dropped from 2,453 in 1959 to 2,254 in 1960, a saving of 199 lives and a reduction of 8 percent. Number of fatal crashes dropped from 2,026 in 1959 to 1,842 in 1960, a reduction of 184, or 9 percent.

QUESTIONS, PLEASE

QUESTION: What Does It Mean To Walk By Faith?

ANSWER: It means to believe the revelation of God's will as recorded in the Bible, and to humbly submit to the same. That which the Bible does not reveal and authorize cannot be done by faith—by Bible faith—for we read: "So then faith cometh by hearing, and hearing by the word of God." (Rom. 10:17) Faith in Christ is not produced by a direct operation of the Spirit, or a physical sensation in the body, but through the word. Jesus prayed: "Neither pray I for these alone, but for them also which shall believe on me through their word." (Jno. 17:20).

Before the Gentiles could believe the gospel they had to hear it. "And when they had been much disputing, Peter rose up, and said unto them, Men and brethren, ye know how that a good while ago God made choice among us, that the Gentiles by

my mouth should hear the word of the gospel, and believe" (Acts 15:7).

To walk by faith is to believe what God says, and to obey what He commands. Faith that avails anything before God is one that works by love (Gal. 5:6); and faith without works is dead (Jas. 2:26). Walking by faith means abiding in the doctrine of Christ and not going beyond what is written (II Jno. 9:11; I Cor. 4:6).

In failing to understand what it means to walk by faith, many are walking by feeling instead of by faith. This is one of the greatest barriers in understanding the gospel. In many matters of importance in our lives we refuse to rely on our feelings as the deciding factor but demand positive written proof. Why in such an important matter as our SOUL will we trust in feelings alone and refuse to walk by FAITH as God would have us to do?

You are invited to send your questions to: Don Browning Box 812, Tahoka, Texas. You are also invited to attend the services of the Church of Christ.

Don Browning may be heard Sunday mornings at 11:00 and evenings at 7:00 at 790 on your radio dial.

Forrester Insurance Agency Is Pioneer Tahoka Business Firm

Forrester Insurance Agency is "going on 30 years" in business in Tahoka serving the insurance needs of the people of Lynn county.

"We are proud of the fact that we are now writing about \$100,000 a year in premiums," states J. A. Biggerstaff, "and that we have tripled our volume in the past 16 years."

He does not take all the credit for this, although the firm has worked to increase its business.

By RUDY EVINS

No matter where you fish or what kind of fish you are fishing it has been proven that every fisherman is similar to his own particular pattern of fishing.

Confusing? Well, let me clarify this a bit.

There are four fundamentals which almost every good angler uses as a "bible." Follow these rules and improve on them each time you go fishing. Your fishing "luck" will progress with every trip.

Rise early—get up early in the day when the fish feed. Work the shore with various lures to find the hot spots. Try about 25 casts with a surface lure. If you don't get any strikes try a sinking plug for another 25 casts. If you still don't have any luck try a lure that runs a little deeper. You're bound to find them sooner or later and when you do you'll have a field day.

Unacquainted—don't be unacquainted with the water you are fishing. If you don't have a map of the lake's bottom ask the local sporting goods dealer or resort owner for a few tips. They will be more than happy to tell you where the good spots are.

Drift—Approach your fishing hole with caution, especially in shallow water. Your outboard motor won't scare the fish, however, it may stir the bottom, so cut it about 50 yards from where you plan to fish and drift in.

Yield—Always yield a good cast. A bit of practice before leaving on your trip will bring more accurate casts with every outing. Use an inner tube or a pail in your backyard for a target. Remember, practice makes perfect.

The first letter of each of these rules spells Rudy. Keep my name in mind and remember these fundamentals, for they are the key to a better fisherman. Happy boating... and fishing.

THE LYNN COUNTY NEWS

Senator Preston Smith

Being Governor of Texas Aug. 4 was one of the most exciting times the Preston Smith family has ever enjoyed.

By all estimates, there must have been 400 to 500 South Plains people in Austin last Friday, for the Governor-for-a-day festivities. During the reception in the Governor's office, 3 hours in the morning and from 2 p. m. to 4 p. m., Ima, Mickey, Jan and I met and talked to hundreds of visitors, and dozens of newsmen from throughout the state.

To all those who made this event possible, and to those who came to Austin or were among the thousands who sent telegrams and messages of congratulations, the Smith family thanks all of you very sincerely. You helped to make August 4 truly one of the biggest events in our lives.

High point of the day was the banquet that night, at which more than 900 persons jammed the main ballroom of the Austin Hotel. Speakers were J. Ed McLaughlin, Ralls; David C. Casey, Mayor of Lubbock; Joe Anderson, Seminole; State Sen. Martin Dies, Jr., Lufkin; Wilmer Smith, New Home; and Waggoner Carr, Lubbock.

Movie Star Chill Willis was master of ceremony.

The gifts presented to us were wonderful. Ima was presented a sterling silver tea and coffee service and a punch bowl set. Mickey received a very nice 35-mm camera, Jan a wrist watch, and I received a very much desired set of Ben Hogan golf clubs in a beautiful red and black bag, and a wrist watch. Among all the other very nice gifts of the day were the good wishes of friends, the warm smiles and friendly handshakes and the good will exhibited toward us. For all those things we thank you very sincerely.

stand the loss, most people have come to agree that insurance against such losses is smart business.

In the last five years, 1956 through 1960, fire losses in Tahoka have totaled \$149,221.00.

More than a half million homes catch fire in America every year. That is nearly 1,400 buildings every week. Fire strikes all alike—the town home, the farm mansion alike.

Property loss from fire is in excess of \$250 million a year in the nation.

Without presuming to tell people what they should or should not do, "Big" does call attention to some facts pointed out by the State Fire Insurance Department.

Many home fires are caused by smoking in bed, dropping a cigarette in wastepaper basket, flipping a smoke out the door or window, laying a "rag" on a ledge or table or windowsill.

One major cause of home fires is defective heating units; another is overloading of electric circuits with too many appliances; another is putting a penny behind a blown fuse.

Of course there are many others, such as placing oily rags in a closet, use of combustible cleaning fluids, use of gasoline in household processes, children playing with matches, matches dropped in closets and ignited by mice.

"We in the insurance business fear of so many fires started by such innocent little acts of carelessness that we feel it our duty to call attention to those dangers at every opportunity possible for the safety of our friends," Biggerstaff says.

"We are proud of our fire department and the boys who give their time to serve in this department," he says, "but let's all of us try to be a little more careful so that we will not have to turn in the fire alarm."

"We are glad to go over any Lynn county citizen's insurance program at any time," Mr. Biggerstaff told the writer. "In fact, we welcome anyone interested to come see us about your problems, whether you buy insurance from us or from someone else. A part of our business is to advise with you people of our area."

CITATION BY PUBLICATION THE STATE OF TEXAS

To Bessie Brandon, Defendant, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable 106th District Court of Lynn County at the Courthouse thereof, in Tahoka, Lynn County, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 18th day of September A. D. 1961, to Plaintiff's Petition filed in said court, on the 2nd day of August A. D. 1961, in this cause, numbered 2564 on the docket of said court, and styled Curtis L. Brandon, Plaintiff, vs. Bessie Brandon, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: The same being a suit for divorce, the Petition alleging that the Defendant disregarded the solemnity of her marriage vows, and her obligation to treat the Plaintiff with kindness, attention and forbearance, and the Defendant commenced a course of unkind, harsh and tyrannical conduct towards the Plaintiff over a period of time until about the 19th day of February, 1960, when the Defendant abandoned the Plaintiff and fled to parts unknown, and that the Defendant was guilty of such excesses, cruel treatment, misconduct and outrages toward the Plaintiff of such a nature and degree as to render their future living together impossible and insupportable. The Petition also alleges that no child or children were born to or adopted by the parties during said marriage, and that no community property was accumulated by the parties during said marriage, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served with in ninety days after the date of the issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and seal of said court at Tahoka, Lynn County, Texas, this 2nd day of August A. D. 1961.

Attest: W. S. TAYLOR, Clerk

New Trailer License Law Will Save Farmers Money, Officials State

House and Senate agricultural leaders have announced that the new farm trailer law will save farmers and ranchers of Texas millions of dollars annually by reducing the license fee.

They said many farmers do not understand how the law benefits them and were protesting the payment of the annual license fee required under the new legislation.

HB 1082, the farm trailer law, was passed during the regular session of the Legislature and became effective May 29 with Governor Daniel's signature. It reduces that farm trailers of from 4,000 to 10,000 pounds gross weight be registered with the county tax assessor. It also provides that owners must secure a special farm trailer license plate for a \$5 annual fee.

Farm trailers up to 4,000 pounds gross are not required to have license tags, and all farm trailers up to 10,000 pounds gross are exempt from brake requirements.

Senator A. J. (Andy) Rogers of Childress and Rep. Grainger McEll...

many of Wheeler sponsors of the trailer bill, said many legislators have encountered mass resentment on the part of farmers over the \$5 license fee.

In a statement to the Texas Farm Bureau legislative office, the two lawmakers said they wanted farmers to understand that without passage of the trailer law this year, the cost of operating farm trailers would have been prohibitive.

They said, for example, that before the new law was passed, the license fee for a 10,000-pound trailer (gross weight) was \$55, or \$50 more than is required by the new law. They pointed out that the Department of Public Safety had warned that if a farm trailer bill were not passed this year, the department would begin strict enforcement of laws on trailer licensing and brake requirements.

Lyntegar ...

(Cont'd. From Page One) gave the invocation, and Clint Walker gave the welcoming address.

Brief reports were made by President Harris, Secretary Hensley, Attorney Harold Green, and Auditor Edwin E. Merriman. Prizes were presented under the direction of Bert Stevens, and the meeting was over by 9:30 p. m.

Some interesting figures are revealed by the reports issued for the annual meeting.

Lyntegar's assets now total nearly \$9 million, and has had tremendous growth since established back in the late 1930's. On July 31, according to Mrs. Lois Greathouse, 10,630 billings were mailed out.

Originally planned to serve Lynn, Terry, and Garza counties, the Lyntegar system had spread out to the rural areas of Dawson, Borden, Martin, Gaines, Yoakum, and Hockley counties.

There are 66 full time employees, most of them at the headquarters offices and warehouse here in Tahoka, which had started out under the leadership of John Heck of Wilson as president, the late Tom Garrard, attorney, and Garland Pennington, manager.

There are 4,109 miles of 7,200 volt distribution lines and 69 miles of 69,000 volt transmission lines, 19 substations and metering points, 63,989 poles.

The last few years, irrigation wells have been a big factor in the growth of the cooperative.

Lyntegar is recognized as one of the outstanding electric cooperatives in Texas, according to a 1960 survey. Lyntegar ranked first in total of operating revenue, second in net margin, second in number of kilowatt hours of electricity sold, fifth in number of miles of line. Of the 937 electric cooperatives in the nation, Lyntegar ranked 36th in operating revenue, 8th in net margin, 13th in number of miles of line.

In August, 1960, more than \$100,000 was returned to members as a refund on capital credits, and further payments are expected to be made in the future.

Mr. and Mrs. Horace Rogers of Piggly Wiggly are spending this week in New Mexico on vacation and visiting relatives.

Farm Facts

About 51% of the 1959-60 cotton crop was harvested mechanically. An estimated 38% was machine picked and 18% was machine stripped.

From the Carolinas to central Texas and in irrigated areas of the Far West, when cotton is harvested by hand, workers pick the fleece from the open bolls.

The spindle-type picker duplicates this process as its revolving spindles engage and pull the cotton from the bolls. It does not pull leaves or unopened bolls. Picking, therefore, may be repeated as often as necessary.

In cotton yielding 300 pounds of lint per acre, the average hand picker gathers about 20 pounds of seed cotton per hour. The one-row mechanical picker can pick almost 650 pounds per hour. It can do the work of from 30 to 40 hand pickers.

Unlike the spindle-type picker, the stripper is a once-over machine. It breaks off the entire boll, simulating hand snapping, a practice followed in the semi-arid areas of Texas

More than 1/2 the cotton crop is harvested mechanically.

and Oklahoma. It can harvest more than a bale of cotton an hour — as much as 30 laborers hand snapping. Virtually none of the cotton crop was mechanically harvested prior to World War II; only 3% in 1947.

W. B. Slaton ...

(Cont'd. From Page One) ed as chairman of the board.

He was married on December 8, 1909, to Miss Ethel McCarley, and the couple has continued to live in Tahoka ever since.

He became a Mason on June 10, 1911, held many offices over the years in the local lodge, and two months ago was presented his 50-year pin.

Although, he devoted most of his life to the bank, he gave moral and financial support to many civic and church affairs.

He was recognized over Texas as one of the outstanding small town bankers, and he ever kept the local institution in sound condition. During the bank holidays in the years of the Depression, the Tahoka bank was one of the few that remained stable and refused to close anything but its front door in token of cooperation.

In recent years, the bank has been modernized, largely under his direction, both in physical plant and methods.

Survivors include the wife; one daughter, Mrs. Earl (Lucille) Lethenstrom of Seattle, Wash.; one grandson, Slaton Davis of Dallas; two brothers, Wilbur R. Slaton of Lubbock and Paul Slaton of

Dallas; two sisters, Mrs. Harry N. Stone of Seminole and Mrs. T. H. (Elizabeth) Payne of Mulvane, Kansas.

Irving Stewart underwent surgery in Methodist Hospital Thursday morning.

O'DONNELL MEETING O'Donnell Farmers Co-op will hold its annual membership meeting this Saturday, beginning at noon, at the school cafeteria. Two directors are to be elected and distribution of earnings made on a patronage basis of \$157,000.

OUR HATS ARE OFF TO—

Speaker Tells Of Girl Scout Work

Mrs. Irene Beck of Lubbock, executive director of the Caprock District of Girl Scouts, told local Rotarians Thursday of last week of the work being done for girls in this area.

Girl Scouts will observe the 50th anniversary of its organization on March 12, 1962. Since its inception in 1912, membership has grown from an initial group of eight girls to three million today. More than 4,000 girls are registered in this district.

The Caprock Council, of which Lynn county is a part, is composed of Farmer, Bailey, Lamb, Cochran, Hockley, Terry, Lubbock, Lynn, Crosby, Dickens, Garza, and a part of Hale county.

District 8 of the Council includes Cooper, New Home, O'Donnell, Slaton, Post, and Tahoka. She said when Tahoka came in recently Council officials were skeptical about the success of a training course at this time, but were pleasantly surprised at the wonderful response.

Mrs. Beck showed color pictures of Camp Rio Blanco, the new camp for Girl Scouts being developed east of Crosbyton in Blanco Canyon on 120 acres of land donated by J. S. Birdwell of Wichita Falls. Girls are very proud of this camp and gain much through attending, she said.

Cost of the Girl Scout program is about \$10 per member, and since Tahoka has 80-odd girls already registered the budget for this town has been set at a little more than \$800.00.

Chas. G. (Buddy) Bragg, local Girl Scout finance chairman, who was in charge of the Rotary program and who introduced the speaker, announced that the local Girl Scout drive will be made in the next few days.

T-Bar Opening Club Tourney

T-Bar Country Club members are qualifying this week for the annual club tournament, finals of which will be Sunday afternoon, Aug. 20.

All players must qualify in threesomes or foursomes, state the tournament chairmen, George Glenn and Judy Treadaway. Medalist play will be this Sunday afternoon, Aug. 13, and first and second rounds must be played before the following Saturday night.

Glenn says this year the men's championship and first flights will be medal play, and not match play as in the past. Each man qualifying in these two flights will play 72 holes, counting his 18-hole qualifying score in the total, or 54 holes in addition to the qualifying round.

Winner of the men's division receives the Mollie Edwards trophy and of the ladies' division the Pearl Calloway trophy. There will be trophies in all flights for first, second and consolation.

Those not playing in the tournament who wish tickets for the presentation dinner Sunday evening, Aug. 20, should make reservations in advance at \$1.50 per plate.
