

Seventh, Eighth Game Winners

Tahoka seventh and eighth grades won games over Abernathy here Tuesday night, the seventh running away from the Antelopes with a 32-0 score, and the eighth coming from behind in the second half to win 10-6.

Abernathy led the eighth grade 6-0 at halftime but the Tahoka lads came back with determination. Dickie Davis and Harlan Curry made a touchdown each and Davis ran the ball across for extra points each time. Playing an outstanding game defensively were Larry Jolly, James Brown, Richard Williams, Gary Anderson and Davis.

The seventh graders made four touchdowns and ran across four times for extra points during their battle. Halftime score was 24-0. Scoring for the winners were Charles Dotson, one touchdown and one run for two points; Raymond Chapa, one touchdown and two runs for four points; Milton

41 Car Wrecks In Lynn County

The Highway Patrol investigated three accidents on rural highways in Lynn county during the month of August, according to Captain E. L. Posey, Highway Patrol Supervisor of this area.

These wrecks accounted for one person injured, and a property damage of \$1,345.00.

The rural traffic accident summary for Lynn County from January through August of 1961 shows a total of 41 crashes. As a result of these crashes there were no persons killed and 24 persons injured. The estimated property damage amounted to \$31,944.00.

With the starting of school the Captain reminds all motorists of the State law regulating traffic in regard to school buses. "The driver of a vehicle upon a highway outside the limits of any incorporated city or town upon meeting or overtaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle immediately before passing the school bus, but may proceed past such school bus at a speed which is prudent, not exceeding (10) miles per hour, with due caution for the safety of such children."

The teams go to Slaton next Tuesday night.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

In an official order, Attorney General Robert Kennedy has announced that from now on, until further notice, in cases of anti-trust violations, where the government is entertaining accepting a consent judgment from the defendants, the proposed consent judgment will be made public at least 30 days before it is entered in court.

This is perhaps a step forward in the objective that has been sought by the C. W. Harder nation's independent businessmen voting through the National Federation of Independent Business.

As it has been in the past, the government could find some operation guilty of a violation of the anti-trust laws. The defendant corporation, rather than having the matter go to trial, can accept the government's findings and agree to a consent judgment. This judgment has been entered in the court and the case and its records then closed, with usually the defendant agreeing to cease and desist, and sometimes paying a nominal fine, in addition.

From the standpoint of independent competitors who have been severely damaged, or ruined by the practices to which the defendant pleaded guilty, there is then no opportunity, from a practical standpoint, to exercise the right of the injured party to sue for triple damages.

Of course, the injured small competitor does have the right to sue, but from a practical standpoint, the injured com-

petitor does not have the funds to carry on long and expensive search for evidence that the government has engaged in, usually with the assistance of the FBI.

It has long been the viewpoint of independent businessmen, that inasmuch as Federal tax funds were employed to dig up the findings that causes the guilty party to agree to a consent judgment, that this evidence, gathered at tax expense, should be available to the injured small competitors in bringing damage suits.

While this new order by the Attorney General does not accomplish this full objective, it at least means that it will not be possible, as in the past, for a guilty firm to engage in private negotiations to cease illegal practices, and to have the matter handled with the utmost of discretion.

Inasmuch as some 70% of the anti-trust cases have been handled in this manner, the issue is quite large here.

The purpose of the order is to permit injured competitors and other persons and government agencies, to comment upon the case at issue. Justice Dept. on the basis of such additional information received, will reserve the right, if it is deemed to be proper, to withhold the government's sanction to a consent judgment, and thus bring the matter for a full scale trial.

Probably the greatest gain for independent business gained here is a forthwith recognition by government that violations of the anti-trust laws are illegal, and that before government should accept a plea of guilty and then consent to a modest penalty, the parties injured by the action should be heard from.

Grassland News

(By Mrs. O. H. Hoover)
Mr. and Mrs. Roy LeMond have recently had their new home landscaped and it is a place of beauty. The roses and some of the shrubs are in bloom. Fruit trees in the back and others will be a screen around the place.

The college students are leaving one by one. Lendell Norman returned to Texas State University in Denton last Sunday. He is a senior this year. Miss Dottie Harrison returned to Texas Tech where she is a junior. The Rev. Wendell Leach is a student at South Plains Junior College at Levelland.

The Grassland Woman's Society of Christian Service met at the church last week to make plans for the year's work. They had not met during the summer, but will meet regularly now at 9:00 a. m. every Monday.

Mr. and Mrs. C. E. Short are making some improvements on their home. It now has a new roof and they plan to stufo the house.

Rev. and Mrs. Wendell Leach entertained in their home Friday night honoring and surprising Jim Bob Porterfield on his birthday.

Mrs. H. W. Edwards Sr. of Tahoka was a guest in the home of her son-in-law and daughter, Mr. and Mrs. Roy LeMond Friday night.

Mrs. O. C. Harrison visited her mother, Mrs. Fortenberry in Welch Sunday.

Mrs. A. L. Shepherd of Tahoka was a visitor in Grassland this week.

Rev. Wendell Leach, pastor of the Grassland Methodist Church, after preaching to his own congregation at 6:00 p. m., was a guest speaker at the Tahoka Methodist Church at 7:30 p. m. Some of his members attended the Tahoka service.

Mr. and Mrs. Bob Norman were at Lake Thomas over the week end. They went down with their daugh-

ter, Lorene and her family of Brownfield.

Mr. and Mrs. C. M. Greer spent most of last week in the mountains of northern New Mexico, and also did some fishing while there.

Mr. and Mrs. Earl Odom and daughter, Shirley from Ropesville visited his mother, Mrs. D. D. Odom and the Ruel Smiths Sunday afternoon. Other visitors were Mr. Cash from Levelland; Mr. and Mrs. Otis Cash of Andrews; LeRoy Carthers and son of Levelland; and Mr. and Mrs. J. E. Thomas.

Mr. and Mrs. Roy Appling visited in Houston with their granddaughter and family and visited their daughter on the return trip.

Mr. Hoover and Jerry are home from fishing at Lake Stamford and report a good catch.

Fire Prevention Week Is Oct. 8-14

College Station—Farm fires caused losses estimated at \$165 million in the nation last year. W. S. Allen, extension agricultural engineer, said the figure was supplied by the U. S. Department of Agriculture.

Building losses accounted for about 65 percent of the total loss payments by companies for which a breakdown by property class was available, he added. Almost three-fourths of the building losses were on main buildings—homes and barns.

Allen continued that now is the time for neighbors to attack this problem of fires, and suggested that special emphasis be placed on fire prevention during National Fire Prevention Week, October 8-14. This period is just ahead of the month when farm fires take their greatest toll. November was the peak month last year. Four-fifths of all 1960 farm fires and 84 percent of the lives lost occurred during the six months from October through March, Allen said.

President John F. Kennedy in his proclamation designating the special week said, "Our communities and the Nation can ill afford this inexcusable waste of our resources."

Family training in fire hazard drills for establishing escape routes in case of fire were suggested by the engineer as things families and neighbors could work on together. Farm families, in particular, he added, must rely on their own fire safety training, fire prevention check-ups, and fire protection measures to safeguard their lives, fire income and property.

Local county extension agents can supply information and suggestions for carrying out educational programs not only on fire prevention but also on farm and home safety activities, Allen said. A visit with the agents and community leaders was suggested by Allen as a starting point in planning for National Fire Prevention Week activities.

New Officers For Ladies Study Club

The Phebe K. Warner Club has begun its new year with Mrs. Emil Prohl leading its list of officers as president.

Other new officers include Mrs. E. R. Edwards, vice president; Mrs. Elmer Owens, secretary-treasurer; Miss Ethel Calahan, corresponding secretary; Mrs. Skiles Thomas, reporter; Mrs. G. M. Stewart, librarian; and Mrs. R. W. Fenton, Sr., parliamentarian.

The theme for the year is "Peace Through Education."

On Sept. 12 the program was entitled "Understanding Our Neighbors to the South" and was presented by Mrs. H. W. Carter and Mrs. Truett Smith.

The next meeting will be on Tuesday, Sept. 26, when Mrs. Edwards is the hostess and the program, "Our Responsibility to the Indians" will be presented by Mrs. Owens and Miss Calahan.

A Canton, Pa. motorist bought a horse and buggy after losing his driver's license for speeding. He hung his sign on the buggy: "Drive slow, or you, too, will ride this way."

Methodist Guild Has Silver Tea

Mrs. Pete Hegi presented a book review on "The Listener" by Taylor Caldwell at the annual Silver Tea Thursday afternoon sponsored by the Wesleyan Service Guild of the First Methodist Church and held in Fellowship Hall.

The book is the latest of Miss Caldwell's, who also wrote "Dear and Glorious Physician." It concerns an elderly man, who realizes death is near, built a sanctuary for those in trouble to "pour out their souls to 'The Listener.'" Those who were truly sincere and repentant, at the end of their stories, could press a button causing a curtain to be pulled aside and the Listener be revealed to them. In sincere ones could press the button, but the view of the Listener remained concealed.

The dramatic climax of the book, following chapters revealing human need throughout the world, pulls the curtain open for the reader where he sees the ivory image of Christ upon the cross.

The review was presented to women from the local church, visitors from Tahoka, O'Donnell, New Home, Wilson, Grassland and Draw.

Mrs. Hegi was introduced to the group by Miss Lois Montgomery, president of the Wesleyan Service Guild, following a tea served from a table decorated by Mrs. Clifton Hamilton. Presiding at the serving table were Mrs. Clint Walker and Mrs. Harold Green. Mrs. Maurice Huffaker was in charge of arrangements for the event.

Birthday Party Is Given Student

On Sept. 6 the Lynn County Special School had its first birthday party for 1961-62 school year. The honoree was Kenneth Thompson. Every child has a party each year celebrating his or her birthday.

Kenneth is the son of Mr. and Mrs. L. B. Thompson of Tahoka. His mother was the hostess for the party which was held in the city park. She served homemade ice cream and cake to all of the children and mothers who were present.

Kenneth wore the Special School's silver crown, making him king of his party. He made a wish and blew out the 12 candles that topped his cake. After opening each gift, Kenneth embraced the giver and said "thank you." His mother brought favors for every child.

The honoree selected the games played and all of the children had a happy time.—Margaret Renfro, teacher.

Ketner Children Tahoka Visitors

Mr. and Mrs. W. E. (Happy) Smith have had five of her sisters and one brother visiting here this past week, all former Tahoka citizens and members of the pioneering J. E. Ketner family.

Here last week were Mr. and Mrs. Elmer (Kate) Coughran of St. Helena, Calif., Mrs. Ruth Sherrod of La Habra, Calif., Mrs. Etta Gray of Las Lunas, N. M., Mr. and Mrs. J. C. Burgett of Galveston, Mrs. Pearl Foote of Napa, Calif., and Coughran Ketner of Midland. All left last week end but Mrs. Foote, who remained here until Thursday of this week.

Mr. and Mrs. Burgett left Galveston before the hurricane struck that city, but they were informed that very little damage was done to their house as most of the damage was east of their place in that city.

The fast pace of modern living has much to do with the high cost.

Today's MEDITATION

The World's Most Widely Used Devotional Guide

The Upper Room

Read Acts 19:13-20

O taste and see that the Lord is good: blessed is the man that trusteth in him. (Psalm 34:8)

Daulat Singh, with his dancing and singing, had been for years a leader in the worship of village gods in a hill district of North India. When his hour of trial came, in the sickness and death of his wife, his gods failed him. He decided to learn more about Jesus, of whom he had heard. So Daulat Singh went to the nearest mission station.

After some months, he found peace and became Christ's devoted one. It was not long before he desired to tell others of his peace and love. But how? Going to the minister of the local church, he laid bare his heart and asked: "How can I help to tell others of Christ? I cannot preach or teach." Said the minister, "You can sing. Let us see if we can put the stories of Jesus into songs."

Sp Dault, still using his tambourine, visited village homes and sang new words of faith, love, and cheer, using the old tunes. When we called with him at a home, the greeting was, "Daulat, will you sing for us? His answer was "Yes, I'll sing and tell you of Jesus."

Prayer: Our Father, may we be ready always to witness for our Lord in ways to open to us. Help us to tell of the love of Christ as best we can in our everyday words and ways. So may others learn of Christ through us. In His name Amen.

Dixie Club Meets With Mrs. Smith

Dixie Home Demonstration Club met Sept. 20 with Mrs. A. D. Smith. Eleven members and one visitor were present.

A program was not conducted, but new officers were elected.

The next meeting will be with Mrs. E. J. Cooper on October 4.

Winston Redwine, who has been here since June visiting his mother, Mrs. F. E. Redwine, and other relatives, left Monday morning by plane to San Francisco, where he will return to his position with Preman Music Company there. Leaving Lubbock at 8:00 a. m. he arrived in San Francisco at 1:00 p. m. by jet airliner.

Mrs. A. B. Bray returned home recently after spending several weeks at the bedside of her father, C. W. Brown, at Ennis. Mr. Brown underwent two major operations within 14 days and is in critical condition. Mr. Bray's mother, who has been in Tahoka, has returned to her home.

Lynn County Has Few People In Low Income Bracket, Late Survey Shows

New York, Sept. 21—According to a nationwide survey, Lynn County has more of its families in the "over \$4,000" income brackets and a smaller proportion of them in the lower income groups than have most places in the West South Central States.

Locally, the trend has been toward bigger incomes in recent years, with the result that families have been moving up to higher brackets.

How they stood at the beginning of this year is revealed by a report that details, for every section of the country, what portion of its population falls within each of the income categories.

The report gives a clear meaning to the term "average income" as applied to a particular community. It shows whether the average represents earnings that are well distributed or whether it represents a few families with high incomes compensating for a large number with meager earnings.

In Lynn County the balance is good and the average relatively high. Some 59.5 percent of the local households now have cash incomes, after taxes, of \$4,000 or more.

That is a better situation than prevails in most parts of the West South Central States, where only 52.2 percent of all households are in the "over \$4,000" brackets. In the State of Texas there are 56.5 percent.

Is the trend toward higher incomes in the United States purely a product of inflation or has it produced real gains for people? The economic reports show that there has been a substantial improvement in living standards for the average American. He has more discretionary income left, after paying for the necessities, than ever before.

The current survey lists 11.7 percent of Lynn county households in the \$7,000 to \$10,000 bracket. As a unit, they account for 15.5 percent of all local income.

Those with cash earnings of \$2,500 to \$4,000 a year comprise 24.7 percent of the households. They garner 12.8 percent of the local income.

The 59.5 percent who are in the groups with earnings above \$4,000 receive 83.4 percent of the total income.

Mexican Labor Supply In Sight

Native Mexican labor as well as braceros will be available to harvest the cotton crop representatives of Texas Employment Commission told a local committee here recently

Garvin C. Wilkes, office manager at Lamesa, and Joe B. Spears, in charge of the Brownfield office, were here to review an analysis of the labor market for the area, to try to anticipate the labor needs for the fall, and to discuss any labor problems that may have developed.

Mr. Spears assured local people labor will be sent this way as needed, reaching a peak through the month of October. He said the labor forces available shows a slight decrease but not anything to be alarmed about.

The two men assured the local committee they would be ready and willing to help out with any labor problems that may arise during the fall.

They said that D. R. Adamson, local farmer, has been employed to make interviews of farmers on the wage survey this fall in Lynn County.

It is very important to the farmers, both Wilkes and Spears said, that farmers cooperate to the fullest in giving information required in these surveys. In fact, cooperation is all to the advantage of the farmer. A few farmers in the past, they said, have been reticent to give out information to the survey taker.

Mr. Spears said the farmer may be assured that his name never gets past the Brownfield office and is not identified with the information given out. Such information sought has an effect in stabilizing the wages paid cotton pullers.

Called in as a committee to confer with the TEC men were County Judge W. M. Mathis, Elmer Blankenship, Otis Spears, and Frank Hill.

A lot of fellows remain bachelors because so many women switch so quickly from "I Do" to "You'd Better."

Statistics show that the general run of pedestrians is a little too slow.

Letter To Drivers

Dear Mr. Driver:

Today my daughter, who is six years old, started to school. She wore a dark blue dress with a white collar, black shoes and blue socks. Her cocker spaniel, Scoot, sat on the front porch and whined his canine belief in the folly of education as she waved goodbye.

Tonight, we talked about school. She told me about the girl who sits in front of her... the little girl with the yellow curls, and the boy across the aisle who makes funny faces.

She told me about her teacher, who has eyes in the back of her head... about the trees in the school yard, and about the big girl who doesn't believe in Santa Claus. We talked about a lot of things... tremendously vital, important things.

We studied spelling, reading and writing, and then to bed. She is there now, up in her room, sound asleep. And "Princess Elizabeth" (her doll) is cuddled in her arm.

You guys wouldn't hurt her, would you? You see, when her doll's finger is cut, or when a leg is broken, I can fix it. But when my little girl starts to school, when she walks across the street... well, then she is in your hands.

She's a nice kid. She can run like a deer, and darts about like a chipmunk. She likes to ride her tricycle and go for a walk with me on Sunday afternoon.

But I can't be with her all the time. I have to work to pay for her clothes and education. So, won't you please look out for her and the other children.

Please drive slowly past the schools and intersections... and please remember that children forget—you must not.

A Father

The average man believes there are three things he can always do superbly well: sing tenor, manage a baseball team, and make the driving rules.

The Class of 1922 will hold a reunion this year in lieu of one that had been planned for next year, it's 40th anniversary. There were only four members of this class: Dr. Lam, the former Monte Draper, Monte and Mary Slater.

Officers of Tahoka Ex-Students Association in addition to the above are Rufus Slover, president, and Robert Warren, vice president.

The following committees have been appointed to make arrangements for the meeting this year: Banquet committee: Robert Warren, chairman, Bitsy Wells, Charley Reid, Walthal Littlepage, and Barbara Jones.

Ticket committee: H. B. McCord Jr., chairman, Wilton Payne, Ruby Harvick, Johnny Wells, and Ima Lou Rainld.

City-Legion building committee: Happy Smith, chairman, Frankie Fenton, Elnora Curry, Ruth Wells, and Mabel McGinty.

Nominations committee to nominate officers for another year: Johnette Havins, chairman, Elsi Dee Brooks, and G. W. White.

DON'T SMOKE IN BED

The number one cause of fires is matches and smoking. Make sure matches and tobacco are out before discarding them. Never smoke in bed or when you feel drowsy. Keep matches out of reach of little children. Keep your home and family safe from fire!

Bulldogs Show Great Improvement But Loses At O'Donnell In Close One

Tahoka Bulldogs played a fine game of football at O'Donnell against the Eagles Friday night, although losing 6 to 0, after having looked unimpressive in their games the two previous Fridays against Frenship and Crosbyton. Both players and fans are now encouraged and have hopes there may be better days ahead. At least, the team may have found that it can play hard-nosed football.

Probably the turning point in the stand-off game came late in the third quarter when a 25-yard left end run by QB Fred Hegi was nullified by a 15-yard penalty on Tahoka. Tahoka was forced to punt. HB Dennis Jordan, a fine player for the Eagles, brought the kick from the O'Donnell 20 to the 34. On a fourth and two situation, he carried nine yards to the Tahoka 45. On the next play, speedy and elusive HB Fernando Lopez started to his left, found himself hemmed in by would-be tacklers, cut back to his right across the field, and evaded two or three Tahoka tacklers as he darted and dashed all the way to the goal line. An attempted pass for the conversion was incomplete, and that was all the scoring.

O'Donnell received the opening kickoff, and Roy Mahurin ran the ball to his 45, QB Buster Snellgrove then carried 29 yards to Tahoka's 26, but on fourth down he lost 15 back to the 34, and

O'Donnell's first scoring threat ended.

Andy Bray, playing at fullback, injured his ankle on the first carry for Tahoka. HB Tommy Jones made 5, but O'Donnell recovered a fumble on Tahoka's 41, moved to a first on the 30, lost 14 on four plays, and Tahoka started a drive with Sophomore Steve Greer, Jones, Hegi and Bray carrying for two successive first downs to the O'Donnell 30 before bogging down.

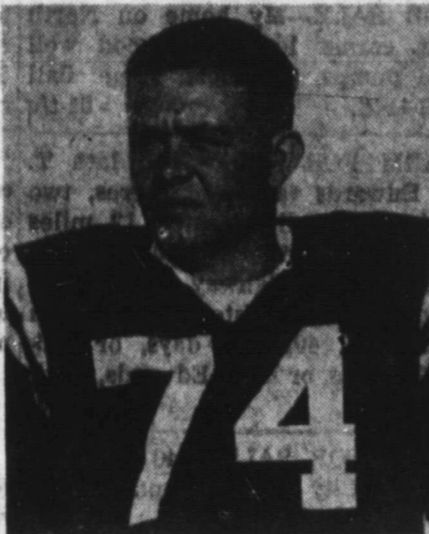

Tahoka held the Eagles, but a Tahoka boy fumbled an O'Donnell punt on the Tahoka 34. However, a vicious Bulldog defense and an intentional grounding a pass penalty on O'Donnell, forced a 21-yard Jordan punt. The crippled Bray made his second 11-yard run of the game as Tahoka moved from its 18 out to the 44, but then Lopez intercepted a Tahoka pass on his own 44.

Two O'Donnell plays lost 2 yards, but Jordan got off a 42-yard quick kick to Tahoka's 14. HB Larry Price made 11, Jones 4, but Tahoka had to punt, and "Moose" Hopkins got off a booming 55-yard punt (he had an average of 44.3 on three punts in the game, and now has a punting average of 37.1 yards on 14 punts for the three games), which Jordan brought back to his 34. Three plays later, Lopez got away on a 25-yard jaunt to Tahoka's 29, where Tahoka received a 15 yard penalty to the 14. The Eagles moved to the 6 on three plays, and with 16 seconds in the half left, an Eagle pass was knocked down in the end zone by Jerry

Forsythe.

In the third quarter, neither team was able to move until O'Donnell's touchdown drive. Greer almost got away on the kick-off return to O'Donnell's 48, but Tahoka's lone drive in the fourth, in spite of nice runs by Jones and a pass Hegi to Steve Greer for 10 yards, bogged down on the O'Donnell 23. The Eagles moved upfield to Tahoka's 46 before stalling. The game ended with three unsuccessful Tahoka passes.

Both teams threw up stout defenses, and Tahoka fans were pleased with the aggressiveness, lacking in previous games, shown by the Bulldogs. Curtis Harvick, Craig Leslie, and Tommy Jones each had seven tackles; Billy Davis and Steve Greer each had five; Jerry Forsythe and Jack Wood, four each. For O'Donnell, Wendell White was the top defensive man as he was credited with nine tackles, and Snellgrove, Charles Gardenhire, Jordan and Martin, three each.

ATTEND SUL ROSS

Kenneth Stice and Sethen Lewis went to Alpine last week where they entered Sul Ross State College. Kenneth attended the spring semester there last year. Sethen is a freshman at the college.

Mrs. J. F. Akin of Petersburg visited in the L. A. Forsythe home this week while her husband accompanied a group into Mexico to finish.

Halfback Roy Witt scored on a one-yard plunge.

Outstanding on defense for New Home were Marlow Rudd and Clarence Nieman.

Wilson Winner Over Meadow

Wilson Mustangs entertain the strong Anton Bulldogs tonight at Wilson, and encouraged by the 39 to 0 win over Meadow at Meadow Friday night the Lynn county boys expect to put up a battle.

Surpy Benavidez, 160-pound junior quarterback, put on a dazzling exhibition of all-around football in leading the Mustangs to victory as he ran for one touchdown, figured in two conversions, kicked a 3-point field goal, and completed 9 of 14 passes.

Following a march down field, Halfback Sammy Crowson plunged over from one yard out, and Billy Baker ran over the conversion. Royce Baker scored the second TD on a 40-yard run, and Surpy passed to Charley Walton for the conversion. Surpy then scored his touchdown in the second period on a 12-yard run, and Walton scored next on a 20-yard run and Benavidez ran over the conversion.

In the third period, Benavidez kicked a 30-yard field goal, and in the fourth, Billy Baker went five yards for the final score.

The victory no doubt will give the Mustangs, short on manpower and playing freshman boys in the starting line-up, quite a lift.

Every day is a safety day.

NEW FROM DIESEL TO DAZZLE!

'62 CHEVROLET JOBMASTER TRUCKS!

WITH NEW High Torque Power

Here they are—handsome, functional '62 Chevrolet trucks powered to work harder in every weight class. Hefty new V8's with the highest torque in Chevrolet history. New diesel brawn for medium-duty models. And new power to pick from in light-duty models.

There's a wider choice of power, a wider choice of torque, across the board. For heavies, there's the new High Torque 409 V8*, with 16½ per cent more torque than ever before available from Chevrolet. Big news in the middle-weight class is the new Chevy-GM 4-53 Diesel. It's compact, rugged, high in torque, and backed by years of GM Diesel experience. In the light-duty lineup, the High Torque 261 Six* adds new sock, new savings in extra-tough applications. You can pick from nine marin'-to-work, ready-to-save engines.

Handsome new work-styling includes forward-sloping hoods that allow drivers to see as much as 10½ feet more of the road directly ahead. Chevrolet's famous Independent Front Suspension gives you a smoother riding, easier working, longer lasting truck. New heavier duty, smoother hypoid rear axles for middle-weights. Rugged new I-beam front axles* of 9,000- or 11,000-lb. capacity are available on Series 80 heavyweights. Mufflers are longer lived on all models.

You'll find a total of 198 models in the new '62 Chevy line—including three work-proved, versatile Corvair 95's. Every model is built to out-haul, out-last and out-value any other truck at anywhere near the price. See your Chevrolet dealer! *Optional at extra cost

By F. P. H.

Some parents drive new cars and have money to buy whiskey, states a reader, but they demand free lunches for their children at school on claims that they do not have money with which to pay for them. The reader thinks the situation is getting out of hand in some Lynn county schools, and suggests there should be some kind of county agency to determine who needs free lunches and who doesn't.

Reminds us of the item in the daily papers about that Arkansas county cutting 11,000 (that's right, 11,000) of the 30,000-some-odd families off the free grocery list.

A while back the City of Newburgh, N. Y., announced a "get tough" policy on its welfare program to cut out the relief chiselers. With 1,400 people in that city of 31,000 on a public dole, in addition to Federal and State welfare recipients, Newburgh proposed to cut off relief to men physically fit who refused a job. Pressure from Gov. Rockefeller and other "do-gooders" forced the city to modify its plan to "deny relief to a man who refused a job if he is fit for the job, the job is not hazardous, and the salary adequate and reasonable in view of all the facts and circumstances." Oh, my, if Tahoka had such a relief program, The Printer could surely qualify!

We put a premium on illegitimate children. The more a woman has, the more help she gets through

welfare. Down in Central Texas there is said to be a woman drawing such relief who has never been married, has 11 children, seven of them born since she began drawing help from the government.

James V. Bennett, director of U. S. Bureau of Prisons, told a U. S. Senate committee "crime, mayhem and violence on TV has a deleterious emotional impact on youth and creates the risk of delinquent behavior." In closing his testimony, he cited this jingle:

TV's Theme Song

Sing a song of TV
For the little ones,
Four and twenty jailbirds
Packing tommy-guns.
When the scene is finished
The blood is ankle deep.
Wasn't that a pretty dish
To send the kids to sleep."

Rep. Cannon, Missouri Democrat, says our Federal budget is now near \$100 billion a year and we are spending \$1 million EVERY HOUR that we are taking in. This year we paid in interest alone \$9 billion. Just 21 years ago the entire Federal budget was less than that! "Where are we going?" Rep. Cannon asks. Well, we, the people, don't know. But, for one, Mr. Cannon and Mr. Mahon, and all the rest of our representatives in Washington, we'd like to ask you, "Just where are we going? Is this fiscal policy sound?" When an individual or any kind of business spends more than he or it takes in, he or it has to start somewhere cutting out the frills and the unnecessary expenses.

By the way, we wonder if that trip to the moon is really worth \$8 billion? Can't we fight Communism in some better way?

There's a lot wrong with our thinking right here at home. Recently, Brownfield held a "Freedom Forum." It was sponsored by good and true Americans, and speakers included some men of unimpeachable character and loyalty. But, what happens? A few little pip-squeeks, in the name of liberal thinking, have been criticizing the "Freedom Forum." What's wrong with us? It is growing unpopular to stand up for the principles of democracy on which America was founded?

The News last week reported that Mrs. "Cap" Rowe had speculated that finding so many weeds in the yard when they returned from an Arkansas visit was the cause of Cap's having to go to the hospital for an operation. Rufus Slover says he knows the weeds didn't cause Cap's illness. The weeds and Johnsongrass in Cap's crops never seemed to make him sick.

Excited mother: "Did you save my little boy from drowning?"
Modest hero: "Yes, ma'am, I did."
Mother: "Well, where's his cap?"

C. E. (Charley) Stewart, did a lot of cowboying over West Texas from the 1890's on up into the "teens." After reading that item about Scottie Samson and Doug Morrel, early day Post citizens, he told us he had an interesting visit with them the same day here in Tahoka. Mr. Stewart worked 12 years on the John Slaughter ranch, and in the fall of 1916 helped lead three buffalo yearlings from the ranch in the parade at Post.

The wife of one of our coffee drinking friends complains that her husband drinks so much coffee during the daytime that at night he no longer snores. He just lays there and perks.—James Roberts in Andrews News.

Over at Seagraves, four of the seven directors of the cooperative gin are from Lynn county. These are: Billy Gene Smith, vice president; Bill Moore, secretary; W. D. Alverson and Tommy Billings, directors. The president, Russell McSwain, is well known out in the Wells and Newmoore areas.

"Darling, while we're sitting out here in the moonlight, there's something I'd like to ask you."
"Yes, my wonderful one, my great big gorgeous, irresistible man! Ask me!"

Students Place High In Tests

Five students at Tahoka High School have received certificates for their outstanding performances on the National Educational Development Tests, announced Clifton Gardner, school principal.

The Certificates of Educational Development were awarded by Science Research Associates, a Chicago-based firm serving education, industry and government through applied behavioral sciences. Recipients include: Allen P. Cox, Lema Jo Scott, Billy Clinton, Kenneth

being be-deviled by a stream of unanswerable questions from little Willie.

"What do you do down at the office?" the youngster finally asked.
"Nothing," shouted Father.
After a thoughtful pause, Willie inquired: "Pop, how do you know when you're through?"

G. Scott, and Jimmy B. Wright. In March, 1961, according to Lyle M. Spencer, president of SRA, NEDT exams were administered to more than 366,000 students in 9th and 10th grade classes across the nation.

The certificates are provided for students scoring in the top quarter of each state's participants, by grade.

The Lynn County News, Tahoka, Texas

September 22, 1961

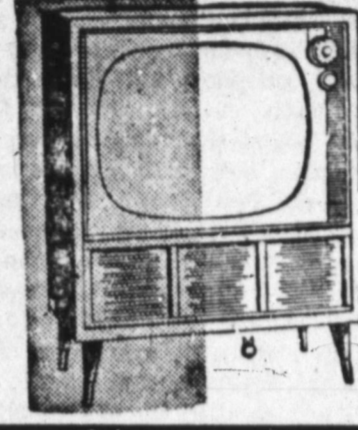

Prepared and administered by SRA the NEDT provided scores in English, social studies, mathematics, natural sciences and word usage. The evaluation of education strengths and weaknesses is particularly important at this stage of a student's scholastic career, the principal explained, so

that school authorities, parents and the students themselves may make better decisions about future careers. A special aim of the program, the principal added, is to enable parents and educators to provide realistic guidance and motivation for high school youngsters.

When a car is this beautiful, you know Pontiac built it!

Who else but the builder of those front-running Wide-Track Pontiacs could bring out a car so freshly, and finely styled! It's longer, with a crisp, low silhouette. It's distinctly Pontiac, with a new twin-scoop grille you can recognize a block away. Powered by the potent Trophy V-8, with 215 to 348 h.p. Beautifully poised on Pontiac's famous Wide-Track stance. We've even cut the turning radius as much as 3½ feet to make handling easier. The result is a pride-pleasing new version of America's Number One Road Car. Come on in—and let a Pontiac show you its stuff while it's showing you off!

The '62 Wide-Tracks are here!

Scholarships Are Available Here

All 1963 graduates of Tahoka High School who wish to enter the 1962-63 National Merit Scholarship competition should register now at the school office, Clifton Gardner, principal, announced today.

The National Merit Scholarship Qualifying Test will be given in the school at 9 a. m. Saturday, March 10, 1962.

Students who will graduate from high school in 1963 and enter college in the same calendar year are eligible for scholarship consideration in the 1962-63 Merit Program.

To receive consideration, the student must take the test when it is offered in his school. Participating students pay a \$1 fee on the day of the test. Any interested student who is unable to pay the fee should consult Gardner.

Awards in the Merit Program are granted on the basis of intellectual merit but student financial needs determine the amount of individual stipends. The stipends are renewable each year without further

Son Of Nelsons In Lubbock Office

George Nelson, son of Mr. and Mrs. G. H. Nelson of Lubbock, has been named as a new assistant to District Attorney George Gilkerson, in Lubbock, according to an announcement in the Lubbock Avalanche Journal Sunday.

George passed the state bar examination on Sept. 8 and was sworn in Monday in Austin at special ceremonies. He graduated from SMU Law School in May.

His parents are former Tahoka residents and his father is a former Lynn county attorney and state senator.

Another son of the Nelsons, Bert, is an attorney in Lubbock. They have two daughters, Wilella, whose husband, Roland Nabors, is director of the sales tax division of the State Comptroller's office in Austin, and Mary, of the family home.

George is married and has two children.

testing.

A student's performance on the qualifying test also provides him with information that is useful in career planning or in selecting courses in high school and college, Gardner stated.

After the test, each participating student receives an interpretive folder prepared by Science Research Associates, the testing agency, that reports individual test results for comparison with scores of high school students across the country. Thus, Gardner said, students can learn more about their educational strengths and weaknesses—whether or not they plan to attend college.

Coach Atwell Tells Program

Coach J. D. Atwell, in a talk before Tahoka Rotary Club Thursday of last week, told of the local athletic program and prospects for the future.

He said there are no alibis and no excuses for the losses. Tahoka has a fine bunch of boys and a better potential than has been shown, but are lacking in leadership. Every winning team must have this leadership—some boys who can and will take charge with no fear of hurting some one's feelings. He said there was no dissent on the team that he knew about.

However, there is just one boy on the starting line-ups that started football in high school under the present coaching regime.

The Seventh and Eighth grade and Freshman teams seem to have this leadership and desire that is so badly needed, and the Coach has hopes that Tahoka has some fighting ball clubs coming up.

Jerry Don Brown, his assistant who was present at the meeting, and a new coach, Jerry Don Kellum, have charge of the Freshman and Eighth grade boys, and Junior Fitts and Jake Jacobs have charge of the Seventh grade boys.

He also cited the basketball program, which now gives more emphasis on basketball for girls. Every able-bodied student is given an opportunity to participate in the physical education program.

A. M. Bray, in charge of the program, introduced Coach Atwell, declaring that he is doing a marvelous job under difficulties.

Dr. Skiles Thomas, president of the club, made a brief report on the Rotary Institute he attended at Lubbock.

Harold Roberts of Levelland, coming here as the new manager of Southwestern Public Service, was introduced by Johnny Reasonover, who is moving to Ralls. Reasonover has ten years perfect attendance in the local club. Wynne Collier presented the name of Roberts for membership in the Tahoka club.

Student guests for the month, Billy Davis and Fred Hegi, were

Salvation Army Contributes Aid

The Salvation Army disaster canteen from the Lubbock area, which the local unit contributed to when it was purchased, is in the Gulf Coast area along with many others aiding victims of Hurricane Carla, a report from Salvation Army headquarters stated.

In addition, every available Salvation Army officer in Texas is working somewhere along the coast housing and feeding these victims. The Salvation Army has housed 10,000 people and has fed approximately 19,000 people and has been extending many other services to the victims.

Headquarters for the Salvation Army during the disaster and its aftermath have been set up at Houston with Major Harlan Cleveland state disaster director, in command.

HOOD COUNTY REUNION

The annual Hood County Reunion will be held Sunday, September 24, at the barbecue pit in the MacKenzie State Park, Lubbock. A basket lunch will be served at noon with free drinks for all. Gifts will be given to the person traveling the greatest distance, the largest family represented and the oldest person there.

Fish are said to be good food for the brain and we believe it's true. They certainly improve the imagination of a man who tells about the size of his catch.

Introduced by Mitchell Williams and Frank Hill, respectively.
