Volume 58

Tahoka, Lynn County, Texas, OCTOBER 27, 1961

Number 4

Serving Tahoka and Lynn County Since 1903!

Tahoka Ends Home Play With Stanton

Tahoka Bulldogs play their last home game here tonight at 7:30 o'clock, and it will be the first time the Stanton Buffaloes have played on the local field. Next Friday, Tahoka goes to Denver City to wind up the season with the powerful Mustangs.

Since the first two games, the Bulldogs have been playing good football, but have managed only two victories, over Idalou and Slaton, the latter a conference game. Last Friday, they lost a thriller to Post 32 to 16, as the Antelopes played one of their best games before a Homecoming and "Norm Cash Day" crowd.

Stanton has won only three of seven games, but the Buffaloes are regarded as the second best team in District 3-AA. Stanton lost to Denver City 20 to 44 last week in its first conference game of the year.

The Buffaloes opened the season with a 20 to 6 victory over Merkel, lost to Big Lake 0 to 15, took Coahoma 28 to 14 and Ozona 14 to 0, then lost to Fort Stockton 14 to 8 and Crane 20 to 6.

Coach J. D. Atwell's thin-ranked Bulldogs are dedicating this last home game to their dads, and the team may be expected to go all out for victory.

Coach Harlin Dauphin has more than fifty boys on his Stanton squad and only seven seniors in the entire lot, six of whom are starters. In fact, all his starters are lettermen from last year.

The News does not have exact positions, but backfield starters are listed as: Jim Sale, quarterback, 160-pound senior; Robert Turner, 157, senior; Joe Williams, 150, senior; and Dewey Anderson, 188, junior. Buddy Glaspie, 151, junior, does much of the passing.

Possible lineman starters are: Center Mack Mathis, 163, senior; Guards Ben Mott, 180, junior; and Steve Springer, 163, senior; Tackles Mike Sorley, 210, junior; and Sammy Webb, 161; and Ends Herb Sorley, 160, and Mike Black, 138, both seniors.

School Crossings May Be Marked

Through negotiations with the Texas Highway Department, permission is expected in the near future for the City of Tahoka to establish three crossings in the town for school children, according to Mayor Meldon Leslie.

The Highway Department has already given verbal approval for two such crossings on US 380 in West Tahoka and one on US 87 in North Tahoka.

Mr. Leslie says these crossings for school children will be clearly marked with painted stripes on the highways, accompanied by blinker lights, at the three intersections. An official permit for the installation of these crossings will have to come from officials of the State Highway Department.

MISS HELEN POE

Helen Poe Will Speak Saturday

Students from over Lynn county and others, who wish to attend, will hear Helen Poe, world traveler, lecturer and author Saturday night at 7:30 p. m. in the high school auditorium, under the auspices of the National Honor Society of Tahoka High School.

All students of the county have been invited to attend and all adults are invited as well. No admission will be charged, as this is one of the major service projects this year of the NHS of which Mrs. Madeline Hegi is sponsor.

Helen Poe has travelled all over the world, spending three months each year in some section of the world. Her interest in world affairs began as a college student in 1939.

Glenwood Krause Dies In Wreck

Glenwood Krause, 33 years old, was killed near Del Rio about 11:00 p. m. Sunday night when the vehicle which he was driving failed to make a turn and crashed into a ditch. He died instantly as a result of a broken neck.

He was the son of Mr. and Mrs. Albert Krause of route 5, Tahoka.

On Friday, Oct. 20, Stanley Krause, 18, a younger son of Mr. and Mrs. Krause received injuries at about 1:30 a. m. in a pickup car collision about three and one-half miles south of Hale Center. Robert Price Surratt of Ralls, a passenger in the car, was killed and two others injured. Stanley was to be released from West Texas Hospital this week.

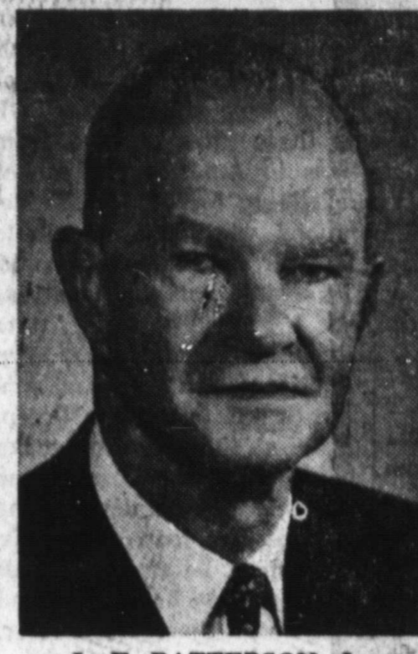

Glenwood Krause was taking a couple home Sunday night after a barbecue when the accident occurred near Del Rio. The other two occupants of the car were not injured.

He was raised in Lynn county and had moved to Del Rio about three months ago where he was employed on a ranch about 15 miles from town.

Funeral services were held Tuesday at 2:00 p. m. in St. John's Lutheran Church in Wilson with Rev. J. P. Burnett, pastor, officiating. Burial was in Southland Cemetery under direction of Stanley Funeral Home.

He is survived by his wife, the former Ranell Ingle; one daughter, Melaney; his parents, Mr. and Mrs. Albert Krause; one sister, Mrs. Evelyn Wardroup of Lubbock; and one brother, Stanley of the home.

Stanley was injured when his pickup collided with a car driven by John R. Pritchell of Carlsbad, N. M. Pritchell and Miss Barbara Glenn of Plainview, also a passenger in the car, were injured. Krause told highway patrolmen he saw the car, attempted to avoid hitting it, but couldn't.

L. E. PATTERSON, JR.

Rotary Governor Here Next Week

The Rotary Club of Tahoka next Wednesday night and Thursday noon will be host to L. E. Patterson, governor of the 573d district of Rotary International, who is making his annual official visit to each of the forty-three Rotary Clubs in northwest Texas.

He will address the local club and confer with President Skiles Thomas, Secretary Dale Thuren, and committee chairmen on Rotary administration and service activities.

Mr. Patterson is an independent petroleum geologist in Midland and is a member and past president of the Midland Rotary Club. He is president of the Morrison-Smith Lumber Company of Graham, Texas, and is a director of Cleora Smith Lumber Company. He was

Crops Damaged By Wednesday's Wind

Lyntegar Loan For Extensions

Approval of a \$2,153,000 loan to Lyntegar Electric Cooperative of Tahoka was announced last week end by the Rural Electrification Administration in Washington.

Garland Pennington, manager said the loan is mostly for improvements to the existing system. Among the needed improvements are the new sub-stations; 296 miles of distribution line to serve 1,285 connections, mostly irrigation wells; 37 miles of 69 KV transmission lines, 218 miles of the lines, and conversion of 185 miles of existing lines.

Lyntegar serves most rural areas of Lynn, Terry, Garza, Borden, Dawson counties, and parts of Gaines, Yoakum, Hockley, and Martin counties.

High winds Tuesday night and Wednesday which accompanied a cool front did some damage to open cotton and blew down some maize that was yet to be cut. Farmers thought largest loss may be to lowering of cotton grade and staple.

The wind also put a temporary halt to the harvest of cotton.

Up until Thursday morning, Tahoka had ginned a total of 10,951 bales, an increase of 3,000 bales over the previous Thursday morning.

Based on previous years, The News estimates that Lynn county's 29 gins have turned out approximately 55,000 bales to date from the current crop.

Much more defoliated cotton is now ready for cotton strippers, and gins expect to be running almost continuously, barring further bad weather.

Cotton harvest has been a little slower in the O'Donnell area this year than usual, due to a late crop, ginnings were about 8,000 bales and estimated to be little more than one-fifth of the crop.

Also, in the east and southeast part of the county, as well as some other spots, cotton is late and harvest is a little late getting in full swing. Much of the crop is ready for a killing frost, while some late crops can stand a few more days of warm weather.

Some out-of-county "experts" are still estimating Lynn's 1961 crop at 150,000 bales, but many local observers say it will run much higher than this.

Much maize still remains to be cut, and some local elevators are full and are piling milo on the ground.

TB Tests Given First Graders

All Tahoka first grade students are being given tuberculosis tests with the new Heas testing gun, said to be the very latest method of testing for the disease.

Mrs. Lillian McCord, school nurse, says this is the very same method being used in Lubbock, about which there has been so much publicity in the Lubbock Avalanche recently.

She says the method is the latest thing out, is 96 percent sure of detection, and surpasses all other methods for a positive test reading. The device was invented in England and just recently put into use by the medical profession.

The test is taken with the Heas gun with absolutely no pain or inconvenience to the child. Approximately 150 first grade students will be given the test.

15-Acre Wheat Quota Reduced

The 15-acre marketing quota exemption for wheat production is no longer in effect, Charles G. Bragg, Office Manager of the Lynn County ASCS, underscored this statement this week.

"Many farmers still ask us about this at the ASCS office," Bragg said, "and I want to emphasize this 'change in the law.'"

Under the 1962 wheat stabilization program, there is no exemption for a farm which has no 1962 wheat allotment and which did not have wheat for harvest in any one of the 3 years 1959, 1960, and 1961. On such a farm, the entire harvested wheat acreage would be subject to marketing quota penalty, Bragg said. Under previous programs, farms that produced more than 15 acres of wheat for harvest were not subject to marketing quotas even though they had allotments of less than 15 acres.

For 1962, the marketing quota exemption for a farm is the smaller of: (1) 13.5 acres, or (2) the highest acreage the farm had for harvest in the 3-year period 1959, 1960, and 1961. The marketing quota exemption is not an allotment. If the acreage harvested is within the farm allotment, all of the wheat produced on the farm may be marketed free of the marketing quota. If, however, the wheat acreage on the farm exceeds the allotment or the exemption, whichever is higher, the penalty will be computed on the acreage in excess of the allotment.

Mrs. Carroll Is C-C Secretary

Tahoka Chamber of Commerce has employed Mrs. Eldon (Weesie) Carroll to serve as secretary of the organization. She assumed her duties Monday, and will have her headquarters at Tahoka Municipal Building as soon as some rearranging of office space there can be done.

The C. of C. board, headed by E. L. Short, president, has been considering hiring a secretary for several months. Work of the office and projects underway have grown until there is too much for businessmen to take the time to attend to the duties properly. Dean Taylor has been serving part time as secretary for several months.

Short says the C. of C. will now be much better prepared to render service to the members, the town and county. Almost daily there are inquiries from people about the town, rental property, farming and business opportunities, etc., and this correspondence requires considerable time.

Also, the C. of C. is working on several projects that demand time, and several more are planned for the immediate future, including Christmas programs and promotion.

Mrs. Carroll has had considerable office experience and some experience in public relations. After graduation from Tahoka High School, she attended John Tarleton College and Texas Tech. She worked in the local Welfare office a year, and worked three years in the ASC office. While her husband was in the service, she was employed in the Provost Marshal's office in South Dakota and in the Army Public Relations headquarters office while he was in Illinois.

Homecoming At New Home Today

Ex-students and ex-teachers will attend homecoming today at New Home when the New Home Leopards play Sands at 7:30 p. m.

Homecoming activities begin at 6:30 p. m. in the Community Center when ex-students will register. Following the football game a reception and business meeting will be held at the same location, when registration will continue.

No officers will be elected this year for the Ex-Students Association, as the present officers will serve another year. These include Darrell Fletcher of Lubbock, president; Mrs. Charles Armontrout, vice president; and Mrs. Jimmie Kieth, secretary-treasurer. This year Mrs. Armontrout will preside at the business meeting in the absence of the president.

Several ex-students and high school boys will provide entertainment at the reception.

In a half-time ceremony at the football game, the 1961-62 homecoming queen will be crowned.

Youth Is Sent To Gatesville School

Probation of a 15-year-old O'Donnell Mexican youth was revoked in county court here Thursday of last week, and he was committed to the Texas Youth Council training school at Gatesville.

The youth had been placed on probation as a result of the theft of an O'Donnell man's car during the Tahoka-O'Donnell football game there on October 6, pending good behavior. However, on October 14, he was arrested in Muleshoe on a charge of drinking and fighting, which automatically nullified his probation term.

County Attorney Harold Green says this is the only case in which a Lynn county youth has been committed to the Gatesville institution since he took office in June, 1955. In all other juvenile cases, he says it has been possible to work out something else rather than sending youths to the Gatesville institution.

Allocation Stands For US 87 Highway For Time Being

As long as Tahoka and Lynn county is moving forward toward a plan for securing right-of-way for the new US 87 four-lane highway through town, the \$650,000 allocation from the State and Federal governments will not be withdrawn.

This information was given Mayor Meldon Leslie a few days ago by O. L. Crain, district engineer of the Texas Highway Department, Lubbock.

However, Mr. Crain explained, the Department will not be able to hold off indefinitely if no progress is made locally to comply with the plans for the road.

Quota Reached On Bond Sales

The people of Lynn County purchased \$25,858.00 savings bonds during the month of September, according to Charles Verner, Chairman of the Lynn County Savings Bonds Committee. Bond sales in this county during the first 9 months of the year were \$289,041.00. Goal for Lynn county for 1961 is \$250,000. Hence, the county's percentage of its goal is 115.6.

"Texas savings bonds sales for the first 9 months of 1961 totaled \$119,954,483, of which \$11,692,606 were purchased during September. Texas has achieved 72.7 percent of its 1961 goal."

"During the 20th Anniversary year of the savings bonds program, and in light of the current international situation, we feel that it is important that Texas achieve its 1961 savings bonds goal. We are confident that if all Texans will purchase an extra bond during the remainder of 1961, our sales goal will be met," Chairman Verner said.

Turkey Shoots Set For November

Turkey shoots will be held at T-Bar Country Club for three consecutive Sunday afternoons, beginning Nov. 5 under the sponsorship of the club and the American Legion.

Contests will be held for all classes of shooters beginning at 1:00 p. m. on Nov. 5, Nov. 12, and Nov. 19.

Turkeys, hams and steaks will be given as prizes. Shells and guns for contestants will be available.

The News Want Ads got results.

State Inspects Tahoka Schools

Two members of the Accreditation Team of the State Department of Education, who determine whether or not schools meet state standards in order to be accredited visited the Tahoka schools Tuesday.

A report will be made in several weeks to Supt. Otis Spears, which will contain both criticisms and complimentary remarks concerning the school. Spears will then have a chance to state the school's case concerning criticism. If these are substantial, the report may be revised and then sent to the State Department of Education and to the Tahoka school board.

The team visited almost every teacher's classroom in the Tahoka schools, inspected the physical plant, the athletic program, the Negro school, etc. Spears stated that the team was very complimentary in most fields, but had some criticisms in a few. However, the ones considered weaknesses will be covered in the final report and will be announced at the time that report is made.

L. V. Dotson Baby Shows Improvement

Johnny Dotson, little son of Mr. and Mrs. L. V. Dotson, Tahoka, is said to be doing much better according to a letter received from the hospital in Denver, Colo., to which he was admitted several weeks ago.

Reports said that the baby's temperature has gone down considerably and has been able to play in the floor. Johnny is suffering from Collagen, a rare disease in the connecting tissues, and will stay in the hospital about four months.

Many local citizens, organizations and churches have made contributions to help meet the baby's expenses and are grateful of his progress.

Lewis Bonham was admitted to the Methodist Hospital in Lubbock Monday for bone graft and bone infection.

Lourey Is Named "Miss New Home"

Burnell (Bud) Lowrey was named the winner in the comic Miss New Home "beauty contest" in the school cafeteria Monday night and sponsored by the Parent-Teacher organization.

Local judges were on hand to name the most beautiful "woman" in the contest, and Clarence Nieman crowned the winner.

Other contestants were Leland White, Charles Armontrout, Joe Lewis, Freddie Kieth, Benny Burleson, Wilton McNabb, Loyd Nunley, Edwin Nettles and Floyd Harmonson.

Music for the event was provided by Marlow Rudd and Clarence Nieman.

Joe D. Unfred acted as master of ceremonies and Mrs. Edwin Nettles was narrator.

For Each \$1 Billion Spent By Federal Government, Lynn Digs Up \$57,000

(Special to the News)

NEW YORK—What does an additional \$1 billion in spending on the part of the Federal government mean to the average Lynn County family? How much money does that sum take out of local pocketbooks?

On the basis of some figuring done by the Tax Foundation, a non-profit organization, the cost locally is \$57,000 for each billion spent.

That is the estimated amount that must be met sooner or later by the county's 3,000 families. The Government may get this money through direct or indirect taxation, or by going into debt, which means reducing the value of the dollar, or by a combination of these methods.

The statisticians at the Tax Foundation find that each billion

dollars of increase in Federal spending represents \$19 to the average American family of four. It ranges above and below that amount in individual communities, in relation to their income levels.

In other words, notes the report, a \$1 billion spending increase takes money that each family could have used to buy an electric toaster or five LP records.

A \$2 billion increase would take the amount that they might have used to purchase clock radios or power tool sets.

"The enormity of a billion dollars is hardly grasped. To reduce it to understandable terms, an economist put it this way: If a firm went into business at the time Christ was born and proceeded to lose \$1,000 every day from that time on, it would not yet have

MR. AND MRS. L. H. MOORE VISITING IN COLORADO

Mr. and Mrs. L. H. Moore Sr. are visiting with their son and wife, the Kay Moores, in Durango, Colo., and friends say Mr. Moore is probably already eating fresh venison.

Kay came down for them about two weeks ago.

Home over the week end from Baylor University, Waco, were Idalia Wood, John Hegl and Carol Smith.

Miss Susan Thomas, Freshman at SMU, Was Home for the Week

Miss Susan Thomas, freshman at SMU, was home for the week end visiting her parents, Dr. and Mrs. Skiles Thomas.

Miss Nellie Richards remained a patient in Tahoka Hospital where she is showing improvement.

Every day is a safety day.

Honor Roll For Tahoka High School

Principal Clifton Gardner announces the following students made the honor roll in Tahoka High School for the first six weeks term:

Seniors, all A's: Jan Brown and Elaine Buchanan. All A's and one B: Carol Jean Allen, Donna Cope- lin, Vesta Dudgeon, Fred Hegi, Jerry Pebsworth and Darlene Tekell.

Juniors, all A's: J. E. Birdwell. All A's and one B: Bettie Edler, Carolyn Howard, Larry Price, Brooksie Reece, Patricia Hammonds and Jerre Wyatt.

Sophomores, none with all A's. All A's and one B: Allen Cox, Janis Gattis and Townes Walker.

Freshmen, all A's: Dixie Ashcraft and Karen Laws. All A's and one B: Jim Crawford and Jean Flippin.

Eighth Grade, all A's: Linda Dotson, John Huffaker and Brenda Riddle. All A's and one B: Ralph Brock and Stella Howie.

Man accomplishes his best work under an annual average temperature of 62 to 68 degrees, if the climate is not too monotonous and there is some change between seasons.

Every day is a safety day.

HARRY ELAM

New Manager For General Telephone

General Telephone Company of the Southwest has announced the appointment of Harry Elam as manager of the company's western division operations. The announcement was made by E. H. Danner, president of the company.

Elam comes to Brownfield from General's southern division office in Robstown where, for the past two years, he served as division traffic superintendent. He replaces the late J. L. (Dusty) Kemper.

R. B. Shirey, who has served as western division manager in a temporary capacity since mid-September, becomes manager of General's north central division at Sherman.

Crop, What Is It? Grassland News

It is a Christian Rural Overseas Program. It is a non-denominational collection agency which would help all Christians gather up such important items as food and clothing and raw materials for the starving and naked millions in poverty stricken lands overseas. Surely this is what our Savior expects of us that we "give to him who has need." Surely this is the best way to meet the need of these people by sending what they need rather than sending cold cash to their governments.

CROP concentrates on getting the raw materials such as cotton, corn, and wheat from our fields and our hands into the hands of those who have the need. CROP collects these gifts of love from Christians in America and makes them available to the various denominations who then distribute the gifts through their own missionaries and mission stations overseas. If you want your gift to be distributed through your own denomination's channels you simply indicate this to the CROP representative at the time you make your offering. There is only one request made of the distributing organizations overseas, that is, these gifts must be given to those who are known to have need and it must be done regardless of color, class or creed.

All churches in Lynn County are being contacted with material on this work. We are suggesting that Sunday, November 12 be observed as CROP Sunday at which time tracts could be handed out and possibly the sermon could center on the thought of Christian love in action filling the needs of others. The greatest thing we have to give all people is the Gospel of Salvation. We have sent out our missionaries into all the world to do this, now let's stand behind them with our tangible gifts of love for the people to whom they would preach. Let's prove to them that God's love is real to us and has moved us to love in return with no strings attached.

Rev. Robert Kamrath of Wilson is the county CROP chairman.

Vision is definitely affected by glasses, especially after they have been filled and emptied a few times.—The Barnacle, Atlantic Reserve Fleet.

(By Mrs. O. H. Hoover)
Mrs. Glen Norman had a coffee in her home Friday which was homecoming day for her class of 1944 in high school. Attending were Mrs. T. A. Stone (Margaret Porterfield) of Wilson, Mrs. David Harpole (Janice Cato) of Dimmitt, and Mrs. Dee Hodges (Jeanette Gilmore) of Post. They sat and reminisced while having coffee and doughnuts.

Mrs. Jess Cunningham fell recently and hurt one of her knees. George Spear's sister at Gainesville passed away recently. Mr. Spears and son went from here. Mrs. Spears was not able to go because of her health and is staying with Mrs. Cunningham.

Mrs. Martha Harris celebrated her birthday Sunday when all her children and grandchildren had a luncheon for her. Her grandson, Billy Rash and family were here for the occasion.

Mrs. Flourney Moore and son, Arlie are here from Harrison, Ark. They are moving back and brought a load with them.

Mrs. Douglas Shepherd is in the West Texas Hospital at Lubbock. We wish for her a speedy recovery.

Terry Powers from Post spent the week end with Joy Thomas.

The pastor's parents, Mr. and Mrs. Leach of Colorado City visited them over the week end.

The Hoovers had as their guests Monday their granddaughters, Mrs. Sue Grigsley, Lee and Susan of Abernathy, and Mrs. Sandra Messer, Rickey and Randy of Lubbock.

Attending the fall meeting of the W.S.C.S. in Levelland last Thursday from Grassland were Mrs. Gus Porterfield, Mrs. Wendall Leach and Mrs. Roy LeMond. Bro. Leach went to the Wilson lectures in Abilene Wednesday and Thursday.

Mrs. W. G. McCleskey visited her sister, Mrs. D. M. Dubose last week.

Mrs. Ollie J. Stanley had a Stanley party in her home last week.

Mrs. J. C. Howard and Mrs. Elmer Dee Jones visited Mrs. Hoover Monday afternoon.

The foundation for the new Nazarene Church at Grassland has been started. It will be west of the present church and will be made of concrete blocks.

Mr. and Mrs. Don Carriker have moved to Muleshoe.

Mrs. J. W. Warrick of Lubbock had a minor operation last week. Mrs. W. G. McCleskey's granddaughter, Carrie McDonald of Post spent last week end with her.

Mr. and Mrs. Glen Norman and children went to the Tech-Baylor football game Saturday night in Lubbock and stayed for the students reunion after the game. Mrs. Norman is a Baylor ex-student.

Talona Gribble spent last week with her grandparents in O'Donnell.

Marlene Fitts, Cherrie Norman and Karen Laws attended a District FHA meeting in Lamesa Saturday.

Mrs. Ted McDonald honored her mother, Mrs. W. G. McCleskey on her birthday Sunday.

The young adults of the Methodist Church at Grassland had a Mexican dinner in the fellowship hall Saturday night.

O. C. Harrison is at the bedside of his mother in Mineral Wells. His mother is reported to be very ill.

Mrs. Madge Webb of Post visited in the O. R. Cook home Sunday afternoon.

Mrs. Hoover visited in the W. M. Davis home Saturday evening. Mr. Davis is some better.

We extend our sympathy to the family of Mr. L. R. Mason in their great loss.

Herbert Hoover of Shallowater visited in the O. H. Hoover home Friday afternoon. He had attended the services of Mr. L. R. Mason.

Mrs. Leroy Davis' mother, Mrs. Lightfoot has gone home after visiting here three weeks.

The W.S.C.S. has two more lessons in the book, "These New Times". There were 11 ladies present.

CARD OF THANKS

We wish to express our deep appreciation to our many friends for your kindness shown us during the illness and death of our husband and father, for the cards, flowers, food and many kind words of sympathy. May God's richest blessings be yours. The L. R. Mason family.

Miss Linda Davis spent the week end at home with her parents, Mr. and Mrs. Leroy Davis. Visitors in the Hoover home Sunday night were Mrs. Hoover's niece and husband, Mr. and Mrs. Everette Puckett of Denver City.

Tuesday evening 15 of the Grassland Methodist children will be among more than 2,500.00 American boys and girls who will devote their Halloween fun to save the lives of other children in more than 100 countries aided by UNICEF. The local group will be under the sponsorship of Mrs. Linda Short and Mrs. Janet Porterfield. They will meet at the Grassland Methodist Church at 6:00 p. m. where they will receive stickers and tags. Only children bearing the UNICEF symbol are authorized to collect contributions to the fund. On Saturday, Oct. 28, these boys and girls will meet at the church at 2:30 to ring door bells in Post and Tahoka from 3:00 until 5:00 p. m. to aid in their drive for UNICEF.

Brother Of Local Man Is Buried

Henry (Frank) Stevens, 82, a resident of Post 51 years and a brother of D. A. Stevens of Tahoka, died Tuesday night of last week in Garza Hospital. He was the uncle of Mrs. C. Edmund Finney and Curtis Stevens, both of Tahoka.

Mr. Stevens was well known by many Tahoka people. Born in Coryell county Dec. 28, 1878, he came to Post to pioneer that area, helped pave that city's first streets,

managed a grocery store, and was a charter member of Post Volunteer Fire Department.

Funeral services were held Thursday in Post Church of Christ, of which he had long been a member, and burial followed in Terrace Cemetery.

Duplicate Bridge Winners Listed

Winners in monthly master point duplicate bridge play at T-Bar Country Club on Tuesday night were:

Mrs. Lee Roy Knight and Mrs. Charles Verwer, first; Mrs. Rufus Rush and Mrs. Mary Anderson, both of Lubbock, second; Mrs. Dudley Walker and Mrs. H. L. Bennett, also of Lubbock, third; Mrs. D. W. Gagnat and Johnny Wells, fourth.

Four nationally ranked Life Master players participated.

Growing...
growing...
gone.

All too soon the years of bare summer feet, sugar-and-butter sandwiches and cartwheels are yesteryears. But fine photographs capture and hold the growing years, become more cherished as childhood slips into memory.

Such a record will be yours, if you start it today. We would like to show you how it's done with photographs of

Mrs. Martha Harris Is Dinner Honoree On 81st Birthday

Mrs. Martha Harris of Grassland celebrated her 81st birthday Sunday with a dinner in her home. Mrs. Harris has three daughters, Mrs. A. B. Henry of Tahoka, Mrs. Mamie Evans of San Benito and Mrs. Hubert Edwards of Dimmitt, eight grandchildren and 18 great grandchildren.

Those attending were: Mr. and Mrs. A. B. (Red) Henry, Mr. and Mrs. Elmer Rash, Tommy and Diane, all of Tahoka; Mr. and Mrs. Billy Rash, Billy, Bobby and Sherri of Burk Burnett, and Mr. and Mrs. Kenneth Baker, Patti and David of Slaton.

Unable to attend were Mrs. Mamie Evans, Mr. and Mrs. Hubert Edwards, Mr. and Mrs. Arvil Evans and family, Dr. and Mrs. John Bumpus and family, Mr. and Mrs. Delwyn Tunnell and family, Mr. and Mrs. Melvin Edwards and son, and Mr. and Mrs. Leroy Edwards and family.

W.S.C.S. Completes Current Study

The W.S.C.S. met Monday in the Methodist Church with 22 members and one guest present. Visiting was Mrs. H. C. Story, a former resident of Tahoka and now of Austin.

Mrs. G. M. Stewart gave the final study on "Human Suffering" and was assisted by members, and Miss Lois Montgomery of the Guild gave a summary.

Announcement was made about the "Week of Prayer and Self-Denial" to be held next week beginning on Monday. Mrs. R. M. Stewart will have charge of this program.

Miss Tyler Plans February Wedding

Mr. and Mrs. Graham Tyler are announcing the engagement of their daughter, Iris Gayle, to Jack Hoskins, the son of Mr. and Mrs. Jack Leigh Hoskins of O'Donnell. The wedding will take place in February.

Flowers Displayed At Garden Club

Tahoka Garden Club members and their guests enjoyed a placement flower show in the home of Mrs. Emil Prohl October 19 from 3:00 until 5:00 p. m.

Much interest was shown by members in making assigned arrangements. The horticultural division showed a wonderful interest in the many varieties grown here. Mrs. Pat Park won the tri-color award for arrangements. Mrs. Vera Witt won tri-color in the horticulture. Many blue, red and yellow ribbons were won.

Mrs. Alta Thomas is flower show chairman, and Mrs. Nina Huffaker, president of the Garden Club. State judges judged the show.

John Thomas Is "Shark" At Bridge

John Thomas won first place for the second consecutive time at Party Bridge of T-Bar Country Club Thursday night of last week. Second place winner was Mrs. Buddy Bragg.

The group was meeting Wednesday night this week because of conflicting meetings on Thursday night. Miss Echo Milliken was to be hostess.

Hosts for party bridge during the month of November are: Nov. 2 guest night, Mr. and Mrs. Harry Lee Short; Nov. 9, Mr. and Mrs. E. L. Short; Nov. 16, Mr. and Mrs. J. M. Small; Nov. 23, Mr. and Mrs. John Thomas; and Nov. 30, Mr. and Mrs. Mitchell Williams.

Wilson 4-H Girls Elect Officers

Members of the Wilson fourth and fifth grade 4-H Club met Tuesday and elected officers for the year.

They include: Teresa Holder, president; Jimmie Lane, vice president; Sharmyn Lumsden, secretary; Karen Bond, council delegate; Kathy Christopher and Vivian Campbell, recreational leaders.

The club's pledge is: I pledge my head to cleaner thinking, my hands to larger loyalty and my health to better living to my club, my community and my country. Sheila Turner, reporter.

Birthday Party At Special School

A birthday party was held recently at the Lynn County Special School for Margie Nell Lindsey, daughter of Mr. and Mrs. Frank W. Lindsey of Tahoka.

Margie Nell's mother baked and decorated her birthday cake, which was topped with 13 burning candles. The honoree blew out the candles as the other children sang "Happy Birthday." She received many lovely gifts and as a happy little queen she wore a silver crown and directed the activities of her party.

Lodge Is Planning Halloween Party

The Odd Fellows and Rebekahs lodge of Tahoka is sponsoring a Halloween party and family night Saturday at 8:00 p. m. at the lodge hall.

There will be supper and drinks, and "42" and other games will be played.

The Navy Recruiter was trying to interest a young man in submarine duty. "No thanks," was the response. "I'm not getting on any ship that sinks on purpose."—The Dragline, Youngstown, Ohio.

Today's MEDITATION

The Upper Room

Read Philippians 1:3-11
Pray at all times in the Spirit, with all prayer and supplication. To that end keep alert with all perseverance, making supplication for all the saints. (Ephesians 6:18. RSV.)

Now that I am facing life far away from home and family, I remember nostalgically the good times I had in a boarding school.

Every Thursday afternoon as we ran and played under a magnificent blue-flowering tree in the courtyard of the school, we were interrupted at 5:45 o'clock by the tones of the familiar bell. At once we thought, "It's time for vesper," and our hearts were filled with joy.

We sat down on the ground, which was carpeted with lovely green grass. There with our beloved school principal, we had our service of thanksgiving to God.

Ever since, at that hour of the day, I have had a moment of communion with God in prayer. Thus I find that my work, my everyday problems, my worries and cares are made lighter. I feel my heart relieved and strengthened by blessings from heaven.

PRAYER: Father, creator of our lives, strengthen our desire to commune with Thee. Prepare our hearts for an encounter with Thee. Forgive us our sins, and deliver us from evil. Preserve our souls from death. For Jesus' sake. Amen.

THOUGHT FOR THE DAY: "In the secret of His presence, how my soul delights to hide!"
Antonia de Campos (Brazil)

Cafeteria Menus For Next Week

Menus to be served in the Tahoka schools during the week of Oct. 30-Nov. 3 are as follows:
Monday: Toasted weiners with cheese, cream potatoes, carrot sticks, buttered broccoli, rolls, butter, honey and milk.

Tuesday: Turkey and dressing, green beans, fruit salad, cranberry sauce, giblet gravy, bread and milk.

Wednesday: Spanish rice, cream-ed peas, buttered corn, lime jello salad, apple butter, rolls, butter and milk.

Thursday: Navy beans with tomato sauce, spinach, glazed carrots, "harvered" beets, corn bread, butter, peanut butter cookies and milk.

Friday: Hamburgers, onions, tomatoes, lettuce, baked potatoes, apricot pie and milk.

WILSON MENUS
The following menu schedule to be served in the Wilson schools has been released for the week of Oct. 30-Nov. 3:

Monday: Navy beans, super dogs, peach pie, mashed potatoes, salad, rice, corn bread, hot rolls, butter, syrup and milk.

Tuesday: Meat loaf, potatoes, green beans, tomatoes, jello with fruit, hot rolls, butter and milk.

Wednesday: Fried chicken and gravy, mashed potatoes, sweet peas, peaches, hot rolls, butter and milk.

Thursday: Bologna and cheese sandwiches, potato chips, bread, ice cream and milk.

Friday: Fish sticks, black eye peas, mashed potatoes, salad, hot rolls, butter, cup cakes, syrup and milk.

CARD OF THANKS
We wish to thank our friends for the kind deeds, the beautiful flowers, the food and for everything done during our recent bereavement. Bill Mason, Mrs. C. C. Phipps and Jr., Mrs. Edd Mason and children, Mrs. M. F. Mason and children. 1tp

The Lynn County News, Tahoka, Texas

October 27, 1961

Methodists Plan Week Of Prayer

The "Week of Prayer and Self-Denial" is being observed by the Methodist churches throughout the world having begun Wednesday and continuing through October 31.

During this period everyone is urged to pray for peace and understanding between nations and for such projects as Christian libraries around the world, student centers in Argentina, a revolving fund for evangelical bookstores in Latin America and for medical work being carried on in all parts of the world. Such projects need our money too. Could we in this "land of plenty" deny ourselves one small luxury and give to these timely projects along with our prayers?

A special program of "Week of Prayer and Self-Denial" observance, sponsored by the Woman's Society of Christian Service, is being held at the Tahoka Methodist Church on Monday, Oct. 30 from 10:30 a. m. until 2:00 p. m. A sack lunch will be served in fellowship hall at noon. Everyone is invited to attend all or any part of this program.

Those who for various reasons cannot attend this program but wish to leave a gift may drop by the church and leave it on the plate in the vestibule of the sanctuary during these hours.

Roy Adams Are Tahoka Visitors

Mr. and Mrs. R. R. (Roy) Adams are here from San Diego, Calif., where they moved several months ago after selling their House, N. M., property. They have bought a home in San Diego and report that they like that city fine, especially the climate. They still own their Wells community property, but are considering selling it.

Mr. Adams is a former Lynn county ASC office manager, and Mrs. Adams formerly taught in the local schools.

ist Church on Monday, Oct. 30 from 10:30 a. m. until 2:00 p. m. A sack lunch will be served in fellowship hall at noon. Everyone is invited to attend all or any part of this program.

Those who for various reasons cannot attend this program but wish to leave a gift may drop by the church and leave it on the plate in the vestibule of the sanctuary during these hours.

Jaycee-Ettes Aid Girl Scout Drive

Tahoka Girl Scouts were assisted in their financial fund drive this week when the local Jaycee-ette organization met and made a donation for the new Girl Scout troops.

The Jaycee-ettes met in the home of Joan Hamm Tuesday for a regular meeting. They also voted to help with the food and toy show for the needy at Christmas. The show is to be on Saturday, Dec. 23.

Assisting Mrs. Hamm with hostess duties was Tola Wilson. They served refreshments to Jeanie McMillan, Dorothy Craig, June Dunn, Peggy McClellan, Kathy Dorman, Mickey Gribble, Onita Evans and Cecile Henry.

Junior 4-H Club Selects Officers

The Wilson Junior 4-H Club met this week and elected the following officers:

President, Jeanie Hewlett; vice president, Diane Martin; secretary, Jeanette Brosh; reporter Ruth Rucker; recreation, Karen Swann and Vickie Rhoades; and council delegate, Elaine Christopher.

How America's farmers grow a crop of cash

In less than eight years, every \$75 you "plant" in U.S. Savings Bonds grows up into \$100—automatically and safely.

America's farmers have grown millions of extra dollars this way. A little at a time soon adds up to the money you need for new equipment, new livestock, new land, perhaps even college for your youngsters.

Why not start planning your own little harvest right now? Remember, U.S. Savings Bonds are guaranteed by Uncle Sam. And every Bond you buy is a share in a stronger America.

Highway Patrol Reports Wrecks

The Highway Patrol investigated six accidents on rural highways in Lynn county during the month of September, according to Capt. E. L. Posey, Highway Patrol Supervisor of this area.

These wrecks accounted for one person killed, two persons injured and a property damage of \$8,320.

The rural traffic accident summary for Lynn county from January through September of 1961 shows a total of 47 crashes. As a result of these crashes there were one person killed and 26 persons injured. The estimated property damage amounted to \$40,264.00.

Shorter days and longer nights spell disaster on the streets and highways," Capt. Posey said. Next time you turn on your headlights, glance at your watch and see how much earlier you are using lights than you did only a week or two ago. And, as time moves on during the next three months, carlights will be needed earlier day by day.

No matter what anyone may tell you as to how good a driver he is after dark, you had better take it with a grain of salt, because no human sees as clearly or as well after dark as he does in the daylight. Some people may see better than others, and some may not be bothered too much by bright lights in traffic; but if they will be honest with you, they will admit that they do not consistently employ the same driving tactics after dark as they do in the daylight. The veteran Highway Patrol Supervisor added that night driving is different; therefore, it calls for a driving technique very different from that used during the daytime.

Want Federal Aid For Your Schools?

Washington — The schools in the District of Columbia depend on the federal government. The federal government aids them. The federal government controls them. Just what dependence on the federal government can mean to a community's education program was shown, according to the Chamber of Commerce of the United States, by an article in a Washington, D. C., newspaper the day after Congress adjourned.

The headline read: SCHOOLS HURT BY INACTION ON D. C. MONEY BILL.

The article said: "District school children will bear the brunt of problems arising from Congress' failure to vote a 1962 revenue program for the city. The result will be either: more double sessions or a higher pupil-teacher ratio."

The city's school superintendent was quoted: "The children will pay the cost of this action."

Construction of two grade schools, a 17-room addition to a grade school, and a junior high school would be deferred, the article said.

For the residents of the District of Columbia, federal money goes hand-in-hand with federal control. Their school program is tangled in the politics of Congress. Their children will pay."

California News

By Raymond Griffin

On October 14th I was grocery shopping at the Liberty Market in Turlock and ran into Rufus Reid from Tahoka. Rufus married Norma Solsberry of Lynn county and have lived here 11 years. During World War II, I met Russ and Marine White of New Home in Bellflower on the street.

Mr. and Mrs. B. J. Mayberry had their 50th wedding anniversary Sept. 17. Glenn and Faye Boydston motored up from Long Beach that day and spent the night. All the children were there, plus nearly all of Mr. Mayberry's brothers and sisters.

Thelma Jo (Griffin) Parker drove down from Placerville to visit our 84 year old mother, Mrs. Nora Griffin who is ill.

J. L. (Ferg) Griffin is running a muffler and welding shop in Modesto.

The weather is nice here now. The temperature is about 50 degrees at night and around 80 degrees during the day.

The grape and tomato harvest will be over in about two weeks.

My wife, Mamie Ruth, gave birth of our eleventh child on Friday, October 13. She was named Bonnie Gail and weighed in at 6 pounds 13 ounces. We have eight boys and three girls. Ten of them are at home here in Turlock.

Hallowe'en Party For Girl Scouts

All Brownie and Girl Scout troops will be entertained with a Hallowe'en party Tuesday night at 7:00 p. m. in the WOW Hall and all members are urged to attend.

Entertainment and refreshments will be furnished by the troops and their mothers.

Groups will be taken to the Rainbow Girls Carnival on that night and everyone planning to attend will be required to have a parent's permission slip to leave the WOW Hall. Also, each girl will be responsible for her own expenses at the carnival.

"Pounding" Given For Local Pastor

Members of the Sweet Street Baptist Church Sunday night gave their pastor, Joe Webb and family a surprise "pounding" with food and other items. Rev. Webb said that it was the first such event that he didn't know anything about and he was really surprised, but nevertheless he and his family appreciated everything.

HARVE HENDERSON HOME BURNED THURSDAY NOON

The nice seven-room home on the Harve Henderson farm near Redwine was almost completely destroyed by fire Thursday at noon.

The house was occupied by the Elmer Little family, employees of W. R. McNeely, who rents the Henderson land. They saved very few of the furnishings.

Mrs. McNeely said the fire apparently started in the attic over the southwest bedroom. Although members of the family were in the house when the fire was discovered, the flames had gained such headway that the house was almost consumed before Tahoka Fire Department could get to the scene.

Gordon-Southland

(By Mrs. Jesse A. Ward)

Devi and Mrs. B. E. Young and Beverly of Post were visitors at the Southland Methodist Church Sunday. It was Layman's Day and Dr. Young had been asked to speak. Mrs. Young spoke on communism instead.

Mrs. Morene Smith of Plains and Mrs. Joyce Biggs of Slaton honored their mother, Mrs. Willie Saunders of Slaton with a birthday dinner at the Slaton Club House Monday. Twenty-one guests were present.

Attending were Mrs. Mmes. Thelma Dabbs, Sam Martin, W. P. Lester, H. D. Taylor, H. D. Hallman, George Baker, James Shelton, Martin Edmunds, Sharon Saunders. There were guests from Ropesville, Lubbock and Tokio. Mrs. Saunders is a former resident of this community.

Mrs. Jay Oats and Commie went to Abilene Friday where they attended the homecoming at McMurry College over the week end.

The Oats' daughter, Sue, who is a junior at McMurry was chosen junior class favorite.

Mr. and Mrs. H. D. Hallman returned home Saturday night after a three weeks sightseeing tour. They and Mr. Hallman's brother and wife, Mr. and Mrs. Clinton Hallman of Garland toured the Southern States, went into Florida, and on their return home visited a brother and wife, Mr. and Mrs. F. L. Hallman at Baytown.

Mr. and Mrs. Max Morris of Lubbock were visitors of Mr. and Mrs. Earl Morris Friday.

Mr. and Mrs. W. P. Lester spent Wednesday until Saturday with their son and family, Mr. and Mrs. Joe Lester, Cindy, David and Carolyn in Amarillo.

Mr. Bennett, one of the new teachers in the Southland schools, was a Sunday night visitor at the Southland Methodist Church.

Mr. and Mrs. Fred Myers and his sister, Kelly Jo, went to Sul Ross College at Alpine Friday afternoon where they attended the college annual homecoming. They returned home Sunday night. Their son, Stephen, spent the week end with his grandparents, Mr. and Mrs. Jack Myers.

Rev. and Mrs. Minor, new pastor at the Southland Baptist Church, visited Mr. and Mrs. Jack Myers Sunday afternoon.

Mr. and Mrs. Martin Edmunds spent Sunday afternoon with their son and family, Mr. and Mrs. Glen Edmunds in Slaton.

Mrs. Donald Edmunds and children visited her parents, Mr. and Mrs. D. F. Gunnels in Slaton Sunday.

Visitors at the Gordon Church of Christ Sunday were Mr. and Mrs. Hubert Robinson and family, Mr. and Mrs. Frank Gallaher, all of Lubbock; Mr. Gallaher's mother from Florida; Mr. and Mrs. Charles Guinn and family, Hale Center; Mrs. Hogan and her grandson of Gordon.

Recent dinner guests in the

home of Mrs. J. F. Rackler were her granddaughter, Miss Nelda Roper, Elder and Mrs. Gary Hensley, all of Lubbock.

Those visiting J. B. Rackler Jr. last week were Mrs. Lehman Mathis, Mrs. Glen Mathis and Donna from Garnolia, Elder and Mrs. Gary Hensley from Lubbock, Mr. and Mrs. Robert Lee Hagler and Mrs. Claude Roper.

Mrs. Susie Bradshaw visited with Mrs. J. F. Rackler Saturday night.

Mr. and Mrs. Raymond McGehee and Jeanne from Lubbock were guests in the home of his brother and family, Mr. and Mrs. Weldon McGehee Saturday and Sunday. Other guests Sunday were Mr. and Mrs. Max Jackson and son, Don Wayne from Slaton.

J. B. Rackler Jr. had the misfortune of breaking his arm recently and spent a night in Slaton Hospital while recuperating. This is the fourth time he has broken his arm.

Recent dinner guests in the home of Mr. and Mrs. J. B. Rackler, J. B. Jr. and Beverly were Mr. and Mrs. Carl Rackler, Carlene, Wanda, Judy and Sandra from Wolforth, Mr. and Mrs. Troyce Rackler, Bobby, Larry and Deborah of Shallowater.

Week end guests in the home of Mr. and Mrs. Robert Lee Hagler and Jean were Johnny Gilliam and Charlie Bingham of Ozona and Brenda Dabbs.

Mrs. Nettie Kellum is visiting her niece, Mrs. Bessie Evans in Lubbock.

Mr. and Mrs. J. B. Rackler, J. B. Jr. and Beverly, and Mrs. J. F. Rackler were among 57 people attending a birthday dinner in the home of Mr. and Mrs. Robert Lee Rackler and family at Lubbock honoring Robert Lee's mother, Mrs. Freeman Rackler of Portales, N. M., Judy Rackler of Wolforth and Beverly Rackler.

Sunday Mr. and Mrs. Claude Roper Jr. and daughter, Renee and Miss Nelda Roper of Lubbock Christian College spent the day with their parents, Mr. and Mrs. Claude Roper.

Mrs. J. T. Davis and children of Lubbock spent Saturday night and Sunday with her mother, Mrs. Agnes Rinker and her sister, Mrs. Cole of Albuquerque, N. M. Other Sunday visitors were Mr. and Mrs. H. S. Eubanks of Hale Center.

Mrs. Herman Dabbs, Brenda and brother, Lt. and Mrs. Travis Dabbs and children of Lubbock attended the fair in Dallas last week and

visited another son, Mr. and Mrs. Gerald Dabbs and baby daughter, and Mrs. Travis Dabbs' brother who is a doctor in Dallas. Gerald is in medical school.

Mr. and Mrs. Sam Martin spent Tuesday through Thursday in Abilene visiting three of his sisters, Mr. and Mrs. J. A. Horton, Mr. and Mrs. W. B. Moore and Mrs. Omega Reese.

Lt. and Mrs. Travis Dabbs and children of Lubbock spent Sunday with his parents, Mr. and Mrs. Herman Dabbs, Brenda and David.

Mr. and Mrs. Sam Martin, her sister and brother-in-law, Mr. and Mrs. B. N. Billingsley spent Saturday with W. E. Kidd, Thelma Lee and Teddy at Slaton. It was Thelma's 18th birthday and they honored her with a birthday dinner. Her grandparents, Mr. and Mrs. B. N. Billingsley spent Saturday night with the Kidds. Mr. and Mrs. Billingsley spent Friday with their daughter, Mrs. Grady Taylor and that night with her sister, Mr. and Mrs. Sam Martin.

Chester Pennell, who has been in Veterans Hospital in Oklahoma City died last week. Funeral services were in Lawton, Okla. and burial at Ft. Sill. Mr. and Mrs. Donald Pennell attended the funeral.

Harvey Lewis Pennell and E. L. Dunn from Texas Tech in Lubbock spent the week end at home with their parents, Mr. and Mrs. Donald Pennell and Mr. and Mrs. Herbert Dunn and family.

Mr. and Mrs. D. D. Pennell left for Houston Tuesday to be with his sister, Mrs. Gladys Cunningham, who underwent surgery Wednesday.

CARD OF THANKS

Our sincere thanks and deep appreciation are extended all those who expressed words of comfort and sympathy, sent flowers, food, cards, and helped in any way, since the tragedy that took the life of our loved one. May God be with you and bless each of you kind people.—The Family of Glenwood Krause. 1tc

QUESTIONS, PLEASE

QUESTION: WHAT CHURCH SHOULD I "JOIN"?

ANSWER: More and more people are becoming interested in religion and one of the first questions which comes to their minds is, "What church should I join?" They realize that there should be a visible fellowship of believers and yet there are many such visible fellowships called "churches." Their question is a very natural one. Let us examine the Word of God to find the answer.

The New Testament presents only one church. Jesus said: "I will build my church; and the gates of Hades shall not prevail against it." He established this church fifty days after his resurrection. Through the Holy Spirit he inspired the apostles on the day of Pentecost and with Peter as the main spokesman they proclaimed salvation to all who would believe and obey Jesus Christ as the crucified, buried, and resurrected Son of God. Those who believed this message asked the

question, "What shall we do?"

not, "What church should we join?" Peter replied to them in these words: "Repent ye, and be baptized everyone of you in the name of Jesus Christ unto the remission of your sins; and ye shall receive the gift of the Holy Spirit" (Acts 2:38). With other words Peter continued and exhorted them to save themselves from that crooked generation. Three thousand of them were baptized in response to this inspired instruction and other obeyed this gospel message later. "And the Lord added to the church daily such as should be saved" (Acts 2:47).

This church of Christ, body of Christ, kingdom of heaven on earth, grew by leaps and bounds. There were no denominations or sects in that New Testament church. Signs of party spirit appeared in Corinth and Paul severely reproved the church for such symptoms of division (I Cor. 1:12). All believers obeyed one gospel and all were added by the Lord to one body or church.

You are invited to send you questions to: Don Browning Box 812, Tahoka, Texas. You are also invited to attend the services of the Church of Christ.

Don Browning may be heard Sunday mornings at 11:00 and evenings at 7:00 at 750 on your radio dial.

Lynn County Soil Conservation District News

E. P. BLAKNEY ELLIS BARNES
WARD EAKIN W. L. (Cap) ROWE
 MELVIN WUENSCHÉ

A Great Plains conservation plan is being developed on the Cass O. Edwards farm located four miles north and 1 1/2 miles west of Tahoka. The place, which is farmed by A. N. Norman, will be terraced and cultural practices will be carried out that control wind erosion by maintaining residues of grain sorghums and small grains on the surface of the soil through the critical blowing period, a crop rotation system that returns organic material to the soil and contour farming.

A basic conservation plan is being developed on the H. F. Ray farm located four miles north and one mile east of New Home. Terraces will be built and conservation practices will be carried out, including contour farming, crop residue use and crop rotation. The place is farmed by Walter Gasper.

The bench leveling project has been completed on the E. R. Blak-

ney farm located three miles north and one west of New Home. A total of 51 acres were benched. In addition, a diversion and water way system was built to direct excess run-off water into a lake bed. The water way was sprigged to bermuda grass. The 51 acres that were bench leveled will be seeded to native grass. The entire project will be cost-shared through the Great Plains conservation program.

Terraces have been constructed on the farm owned by Mrs. C. A. Hubbard located three miles north and one west of New Home. The farm is operated by C. A. Crabtree.

A Great Plains conservation plan has been developed on the Ward Eakin farm located seven miles east of Tahoka. Engineering practices will include the construction of a terrace system and a diversion to control run-off water and make it available for crop use. Cultural practices will include a rotation cropping system, crop residue use and contour farming.

Mr. and Mrs. Ted Jordan and little son, Tad, have moved to Odessa where he is employed. Ted returned from Germany last month where he served with the Army the past two years. Mrs. Jordan is the former Sandra Warren, daughter of Mr. and Mrs. O. H. Warren.

Boy Scouting is adventure, learning by doing and learning with fellows your own age. Scouting teaches boys to be resourceful, to help others, gives boys an opportunity to have fun, and to learn in the great out-of-doors. Scouting is outing.

Girl Scout News

Fund Drive Continues
Girl Scout and Brownie Troops in Tahoka will provide window displays in various business institutions to boost the fund drive now in progress. These will be placed in windows Saturday and will be on display for a week.

Crafts, handwork and phases of the scouting program will make up the displays. Rutherford's will display the three uniforms, Brownie, fifth- and sixth grade uniform and seventh grade uniform.

The three Brownie troops will show their handcrafts at Tahoka Drug and the sixth grade troop will display its puppets and puppet theatre at Robinson's Ready-to-Wear. The other troops will combine their ideas in decorating the following: Davis Hardware and Furniture, camping; Wynne Collier Drugist, first aid; and Echo's Beauty Salon, personality tips. Posters will be placed in the windows of Piggly Wiggly, Nance's Super Save, Clint Walker Agency, Stockman Cafe, Quality Cleaners, Alton Cain Hardware and Furniture, Lankford's Variety, Bennett's Variety, Glenn Barber Shop, Levine's, and Ayer-Way Cleaners.

Charles (Buddy) Bragg, finance chairman, states that every attempt will be made to end the fund drive by Dec. 1. At the present time only about half of the \$860 required to carry out the Girl Scout program in Tahoka has been raised.

Those wishing to contribute may mail their donations to Bragg. Mrs. Charles McClellan, neighborhood chairman, will attend the Cactus Regional Conference in Dallas being held Nov. 1-3 as the official delegate from Tahoka.

Troop 401 Meets
At the last meeting of Girl Scout Troop 401, Secretary Dean Verner and Treasurer Joan Connally checked the roll and dues while Cindy Gibson served refreshments. We made plans for a Halloween party and for a troop cook-out in the park next week. Ja Jean Jaquess, reporter.

Troop 402 Elects
Girl Scout Troop 402 elected two new officers at its last meeting, including Karen Elliott, reporter and Jan Brookshire, parliamentarian. The nominees for reporter were Patricia Young, Karen Elliott, and Myrna Bartley. Nominees for parliamentarian were Martha Nell Womack, Jan Brookshire and Lana Crogan.

Melanie Leverett was elected treasurer and Janice Renfro was elected scribe at a previous meeting. At the last meeting of the Space Patrol presented a humorous puppet show for the entertainment of the other groups. The Time Patrol gave a flag ceremony.

403 Makes Poodles
Seventh Grade Girl Scout Troop 403 is nearing completion of the plastic poodles started several weeks ago, which has involved a great deal of work and time.

The troop also potted cuttings of begonias they had rooted in water the week before. Mrs. Wallace Moffitt, leader, stated that the troop only lacks a few requirements to earn the Second Class Rank badge.

There were 13 girls present at this week's meeting including Barbara Brown, Gail Dykes, Da Vaughn Evans, Leah Beth Holloway, Chloe Jan Huffaker, Kay Lambert, Sharon Mauldin, Sandra Moffitt, Leah Short, Paige Verner, Lacye Walker, Kay Warren and Dianne Wilson. Ice cream bars were served for refreshments.

404 Visits Lubbock
Girl Scout Troop 404 spent Saturday in Lubbock touring the West Texas Museum and attending a showing at the Planetarium. A total of 18 girls and four mothers made the trip and topped the field trip off with a picnic in Mackenzie State Park. The troop, which has 16 reg-

County Agent
Tax Management

Factors to consider in carry-over of crops for sale in 1962:

Under the cash method... "all taxable income—whether received in cash or property—is included in income in the year it is actually received." "says the internal revenue service. However, if the accrual method is used... "farm income is included in income for the year in which it is earned, regardless of when payment is received."

Many of our farmers will be faced with the choice of holding some of this year's cotton and/or grain sorghum for sale in 1962. If you elect to hold some of this year's crops for sale in 1962, it will not be included as income for 1961, so long as you are under the cash method. If you are under the accrual method, all income earned during 1961 must be declared and is subject to tax.

Let's take a specific example. You are a married tax payer and are planning to file a joint return. As a result of selling all your crops, your taxable income is estimated to be \$30,000. If you elect to keep 50 bales of cotton for sale in 1962 and your net taxable amount on those bales is \$3,750, your new taxable income will be \$26,250. This reduction in taxable income would place you in a lower tax bracket.

Your original tax, if you sold all your crop in 1961, would be \$9,460.00. With the holding of 50 bales of cotton for sale in 1962, your tax would be \$7,767.50, or a saving of \$1,692.50!

Let's look at another example. As a result of selling all your crops, your taxable income is estimated to be \$18,000. If you elect to carry-over 500,000 lbs. of grain sorghum for sale in 1962, and your net taxable income on this grain is \$2,500, your new taxable income will be \$15,500. Without any carry-over, your tax would be \$5,400.00. With the carry-over, your tax for 1961 would be \$4,365.00, or a saving of \$1,035.00!

You can, to some extent, determine your tax by the method in which you elect to sell your crops. Take a minute and figure your estimated tax, and maybe you too can save yourself some money! Contact your county agent for further details.

istered girl scouts, will fill its quota of 20 members in November. Four new girls are working for their Tenderfoot Rank including Becky Davis, Brenda Drager, Barbara Braddock and Jan Roberts.

Today the group will meet to continue work on its current project, a puppet theatre.

Farm Facts

American farmers last year set a new production record. The total for crops and livestock in 1960 was 29% above the country's 1947-49 average.

This report comes from Rex Daly, chief of the Farm Income Branch, Agricultural Economics Division, Agricultural Marketing Service.

Output was equal to that of Mainland China and almost 60% higher than that of the Soviet Union—the world's two other largest agricultural producers.

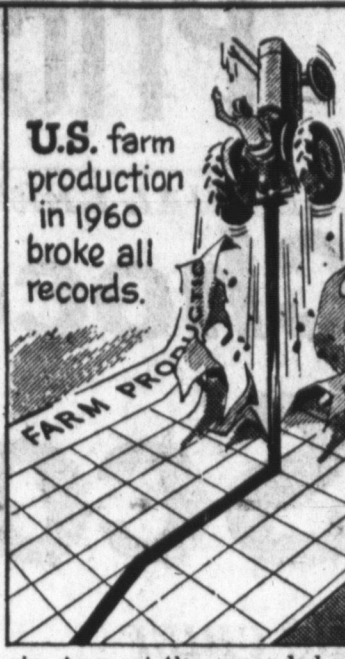

On a per capita basis, our production was double that of the Soviet Union. It was four times that of Mainland China.

Record output in the United States was accomplished with 30% fewer workers and about 5% fewer acres of crop land than in 1947-49. There was a 43% increase in yields per acre for field crops.

Production during the 1950's increased faster than population—77% compared to 19%. This resulted in big accumulations of wheat, feed grains, and cotton.

Farm output will continue to rise to meet the expanded requirements of the coming decade, Daly predicts.

Farmers can be expected to further increase the size of their holdings. Farms will become more mechanized. Fewer workers will be needed to produce the larger output.

Bake Sale Held Here Saturday

The Lynn County Special School's mother club held a very successful bake sale Saturday, Oct. 14 at the Southwestern Public Service Co.

Cakes, pies, cookies, etc. were baked by the parents and friends of the school. By 11:00 everything was sold and people were still coming in to buy. Total sales netted \$116.25, the proceeds to be used for supplies in the children's workshop at the school.

Those associated with the school believe that they have one of the most workable programs, the best county-wide workshop, and one of the strongest mother's clubs in the State of Texas.

At the last mother's meeting each spring a program is made out for the next school year. The projects are chosen and the mothers volunteer for them. Then a yearly plan book is worked out and each mother and teacher is given a copy. That way everybody

knows what to do and when to do it. Two mothers meet twice each week and nobody shirks. They put their children first and do their work well, orderly and with pleasure. The children love this work and look forward to it.—Margaret Renfro, teacher.

4-H And FFA Members Win Many Places At State Fair In Dallas

Members of Lynn County 4-H Club and FFA chapters of O'Donnell, Wilson and Tahoka brought home a large number of awards won at the State Fair of Texas Livestock Show in Dallas last week. All Lynn county awards were in the junior pig show.

Ronnie Wood, 15, and a member of the Lynn County 4-H Club, won reserve champion with his pig in the Spotted Poland China division. He is the son of Mr. and Mrs. Jack Wood of O'Donnell.

Also winning reserve champion with his pig was Harry Hewlett, Jr., 17, in the Berkshire division. He is a member of the Wilson FFA.

Winners in their divisions at the fair are as follows:

Berkshire
Class 1—Lightweight, 180-200 pounds: 2 and 4, John Freddy Thomas, Tahoka FFA; 5, Junior Hewlett, Wilson FFA; 11, Ray Ehlers, Wilson FFA; 14, Jeannie Hewlett, Wilson 4-H; 19, Kent Wood, O'Donnell 4-H; 22, Allen Wuensche, Wilson FFA.

Class 2—Mediumweight, 201-220 pounds: 1 and 2, Junior Hewlett; 8, Jimmie Gickhorn, Wilson; 9 and 10, Jeannie Hewlett; Milton Ehlers, Wilson FFA; 18, Lowen Young, Wilson FFA; 23, Wayne Edwards, Wilson FFA.

Class 3—Heavyweight, 221-241 pounds: 15, Gickhorn.

Chester White
Class 1—Lightweight, 180-200 pounds: 9 and 11, Louie Birdwell, O'Donnell, 4-H; 13 and 15, Jackie Gage, Tahoka FFA.

Class 2—Mediumweight, 201-220 pounds: 2, Carol Moore, O'Donnell, 4-H; 5 and 7, Billy Davis, Tahoka FFA; 8, Rodney Waeker, Wilson FFA.

Class 3—Heavyweight, 221-241 pounds: 6, Davis; 7, Eddie Joe Moore, O'Donnell, 4-H.

Duroc
Class 1—Lightweight, 180-200 pounds: 12, Lexi Adams; 27, Tommy Swann, Wilson FFA.

Class 2—Mediumweight, 201-220 pounds: 16, Rodney Maeker, Wilson.

Hampshire
Class 1—Lightweight 180-200

WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDER

Although the Congress reluctantly renewed foreign give away spending for another year, there are strong indications that if the vote had been delayed until now, the whole sorry mess might have been eliminated.

Probably there have been few things that have hit Congressmen as hard as the action taken in their recent Belgrade meeting of the 24 so-called "neutral" nations.

For they established without a doubt that they are extremely neutral against the United States.

With a callous disregard of morality, Russia had started resumption of nuclear testing in the atmosphere. No one yet knows what damage there can be to human life resulting from radioactive debris floating around in the air. Scientists of repute warn it could be quite serious; in fact they are more inclined to believe it represents danger than not. And obviously, the Russians don't lack in scientific brains.

Yet despite this weight of informed opinion, the Russians, like mad dogs, resumed exploding in the atmosphere, and it is a certainty that if such pollution damages, it will not distinguish between the peoples of the committed West, and the peoples of the "neutral" nations.

Upland Cotton Quotas Are Set

College Station — U. S. Department of Agriculture officials have announced a national marketing quota of 15,714,000 bales and a national acreage allotment of 18,101,718 acres for the 1962 upland cotton crop. The acreage allotment includes an allocation of 100,000 acres from the national acreage reserve to take care of minimum farm allotments.

The referendum on marketing quotas is to be held December 12, and at least two-thirds of the upland cotton producers voting must approve them if they are to be effective.

Based on recent planting and yield trends, the 1962 allotment is expected to produce about as much cotton as will be used in the 1962-63 season, leaving the carryover on Aug. 1, 1963 at about the same level as the carryover for Aug. 1, 1962.

The national acreage allotment for 1962-crop upland cotton will be apportioned to states, state allotments to counties, and the county allotments to farms. Individual farm allotments will be made available to producers prior to the referendum, the USDA reported.

If marketing quotas are approved in the referendum, price support will be available to growers who comply with their farm allotments at such level as is determined appropriate by the Secretary. If marketing quotas are not in effect for the 1962 upland cotton crop, the allotment program will remain in effect and price support will be available to co-operators at 50 percent of parity.

Under the 1962 quota program, growers who exceed their farm acreage allotments will be subject to penalties of 50 percent of the cotton parity price as of June 15, 1962 on the excess production. Also, none of the upland cotton produced on the farm will be eligible for price support.

Join the Cub Scouts — Cuffing all boys ages 8, 9 & 10 as the Cub Scouting program awaits you with lots of things to do; handicraft, games, ceremonies, trips, tours, and the opportunity to wear a Cub uniform and to have fun with a group of boys your own age. Almost every school and many of the churches, civic clubs, and other organizations sponsor Cub Packs. Inquire at the school or with adults in your town or neighborhood about joining Cubbing.

Wilson Boys Place At State Fair

Out of 47 head of swine the FFA boys of Wilson placed 37 barrows at the State Fair of Texas in Dallas.

Boys making the trip were Wayne Edwards, Jack Mason, Lowen Young, Valton Maeker, Gary Herzog, and Johnny Koenig. The boys were accompanied by their advisor, Bobby Lee.

The FFA chapter placed fifth in the exhibitors' contest for having an attractive swine exhibit. Jack Mason and Valton Maeker were in the top five in showmanship.

Placings of the Wilson boys' swine are listed with the other county winners in another story in this issue.

A sudden, rapid rise in the barometer can cause a ringing in the ears.

Key Is Speaker At Wilson Meet

About 300 ex-students and ex-teachers attended the Wilson homecoming activities held there Saturday when Miss Betty Gindorf was crowned the 1961-62 football queen.

Billy Key, superintendent of schools at Sundown and an ex-student of Wilson High School, was the speaker at a program held for the exes. New officers of the Ex-Students Association were elected also including Floyd Heck, president; Hubert Teinert, vice president; Mrs. C. C. Swope, secretary-treasurer; and Mrs. Billy Weaver, reporter.

About 208 exes were served at a barbecue supper held following the Wilson-New Home football game.

The new football queen is a senior student in Wilson High School and is the daughter of Mr. and Mrs. Elmer Gindorf. She was named for the honor during half-time activities of the game.

Outgoing officers of the Ex-Students Association include Charles Baker, president; Theo Campbell, vice president; Mrs. Victor Steinhauer, secretary-treasurer; and Mrs. Milton Wied, reporter.

"Strengthen America - Character Counts" the national theme for the Boy Scouts all over America. The first line of our nation's defense lies in the character of its people and that of the oncoming generation.

Education by television is like kissing your girl over the telephone. It's the best you can do at the time, but it is not a substitute for intimate endearments. — The Enterprise, Lisbon, Me.

Here is the most exciting new toy of the year!

The ENCO Energy Rocket

Only \$2.95* with coupon from your neighbor in a HUMBLE uniform

This Humble exclusive is a fascinating toy. So safe and easy to use, a small fry of six can run it. So much fun, even Dads will monopolize it.

Its principal parts are of Escon, Humble's tough new plastic. It's battery powered, easy to assemble, (and the car is securely held together by screws). Simply start it, place on track and after a turn or two, throw the switch. The car zips down the side-track into a plastic bumper and wh-o-o-o-oh! The rocket zooms toward the ceiling (but doesn't hit it).

Ask for a coupon at the Humble sign in your neighborhood today. Mail with \$2.95* (cash, money order or check) to address on coupon.

*plus State tax where applicable

Without coupon—You can buy the Enco Energy Rocket without a coupon for \$5.95. Mail cash, money order or check with name and address to Rocket, Humble Oil & Refining Company, P. O. Box 1244, Houston 1, Texas.

"Give your car an energy boost—fill up with Enco Extra gasoline"

Eighth Grade Wins District Title At Post, Seventh Grade Also Winner

The eighth grade football team wrapped up a district championship title Tuesday night by defeating Post in the final two minutes of play 22-16, but must win against Slaton next week to remain undefeated this year.

The seventh graders took a 30-6 victory, but must defeat Slaton to win the district out right. If Slaton wins, the two teams will share the championship.

Post led 16-14 in the eighth grade game with four and one-half minutes left to play. Tahoka drove 94 yards to score with two minutes

to go to win the game and the championship. Harlan Curry made two touchdowns for the winners. Frankie Stanley made one, and Dickie Davis and Britt Robinson each added runs for extra points. Outstanding on defense were Clarence Long, Larry Jolly, James Brown, Davis and Curry.

Tahoka led 30-0 at halftime in the seventh grade game. Raymond Chapa made three touchdowns and one run for extra points. Charles Dotson made a touchdown, and Mitchell Williams ran across twice for four extra points. Milton Miller, Milton Edwards and Charles Dotson did outstanding jobs on defense. All boys on the team saw action in the game, and some of the boys who have not played much this year looked good.

Helen Poe . . .

(Continued from Page 1)
when she heard Hitler's tirade at Nuremberg and Mussolini speak in Rome. A graduate of Southern Methodist University, Columbia University and Julliard School of Music, she returned to Europe in 1940 and saw the ruins left by Hitler and Mussolini and she also visited Russian occupied territory. In years since then she has visited Europe 11 times, and has spent considerable time in Spain, North Africa, Middle East, Scandinavia, Greece, Yugoslavia, Japan, Hong Kong, Thailand, India, Pakistan, Iran, Syria, Lebanon, Russia, Poland. In fact, in 1960 she made a complete trip around the world. In 1953 she saw the coronation of Queen Elizabeth II and visited the British Isles.

Her interest is brought to the United States, Canada and Mexico for nine months out of each year in about 360 speeches per year. She speaks to all age and interest levels.

Helen Poe's latest venture in appearing at public gatherings, in that of addressing youth groups, a level she believes attention should be given most. This audience of teen-agers is very important to her in the modern-day America and in the last two weeks has talked to 4,000 young people. A civic leader once said of Miss Poe, a native of Dallas, "Once you have heard Helen Poe, you'll do two things. You'll recommend her to someone else as a speaker—and you'll invite her back."

All high school students and adults are urged to hear Miss Poe Saturday night.

Rotary . . .

(Continued from Page 1)
elected as a district governor of Rotary International for 1961-62 at Rotary's 52d annual convention in Tokyo, Japan, last May. He is one of 269 district governors supervising the activities of more than 11,000 Rotary clubs which have a membership of 509,000 business and professional executives in 123 countries throughout the world.

Wherever Rotary clubs are located, President Thomas asserted in discussing the governor's visit, their activities are similar to those of the Rotary club of Tahoka because they are based on the same general objectives — developing better understanding and fellowship among business and professional men, promoting community betterment — undertakings, raising the standards of business and professions, and fostering the advancement of understanding, good will and peace among all the peoples of the world.

Each year, this world-wide service organization continues to grow in numbers and in strength. President Thomas added. During the past fiscal year, more than 300 new Rotary clubs were organized in 43 countries and four geographical regions were added to Rotary's membership roster: Gabon, Nigeria, Reunion and Somalia.

In order to fulfill the slogan "Strengthen American - Character Counts" boys and adults will work together that we may: Build a strong America — by building and maintaining a strong movement, capable of leading the largest possible number of boys along the trail to good character participating citizenship and physical fitness.

During the last 25 years, hurricanes have killed about 2,500 victims and caused three billion dollars' worth of damage in the U. S. alone.

The South Plains Council is chartered by the Congress of the United States to serve all boys in the 20 county area.

Cotton Producers Organization Is Meeting Fine Response From Growers

Lubbock (Special) — Prospects for a record crop and wide-grower response indicate participation in the Cotton Producers Institute in the High Plains will be greater than the original estimate of one million bales the first year.

The optimistic outlook for the voluntary grower plan to achieve a 25 per cent increase in cotton markets and acreage was pointed up this week by Roy Forkner, Lubbock, Chairman of the High Plains Committee for the Institute.

A check with Plains growers shows participation in areas where meetings were first held is running as high as 85 per cent in some counties, with the average well above 50 per cent.

Organization of the Institute, controlled and financed at \$1.00 per bale by producers, is nearing completion. Committee members in the counties now are explaining the plan to neighbors and urging them to join.

"The Institute gives us two powerful tools," said Howard Alford of Lubbock. "We'll use research to cut production costs and nationwide advertising to cultivate customers for cotton products. Research also will help us improve cotton products and find new uses."

In Garza county, support already has reached the 85 per cent mark. "There is no doubt people are using more fibers," stated Tommy L. Markham of Post. "The only question is, can cotton farmers get their share of the growing market. I believe we can."

"This Institute is something that we must do," reported LeRoy Durham of Plainview. Pointing out producers have a chance to do something for themselves," he added: "This program cannot keep from being a success. It's a sound business approach to cotton farming."

Durham reported unanimous support at the county-wide organizational meeting and high participation at all local meetings.

J. C. Mills of Abernathy feels the \$61 million research gap between cotton and its competitors must be narrowed. "Synthetic manufacturers are expanding their production, and they're out to get as much business as possible." He added that commitments on more than 12,000 bales were made at the initial Abernathy meeting.

Growers are attracted by the Institute's agreement with the Board of Directors of the National Cotton Council to use Council facilities and staff for supervising projects.

"This means no overhead. Every dollar a farmer invests will go for research and promotion," pointed out David Anderson of Bailey County. "Also, this gives us experienced personnel. We can get moving on getting our costs down and telling people about cotton products."

Don Anderson of Crosbyton pointed up the non-political aspects of the Institute. "It is strictly a cotton program for cotton producers. It's based on a sound business idea we all can get behind solidly. We initiated the plan in Crosby County this week, and feel we'll hit the 50 per cent mark shortly."

Since the Internal Revenue Service has ruled this investment is tax deductible, cotton farmers have the same option as synthetic

Cotton Quiz

HOW DOES COTTONSEED AID NUTRITION?

PROTEIN-RICH COTTONSEED FLOUR IS USED AS A MILK SUBSTITUTE IN SOME NATIONS.

Billion Dollars . . .

(Continued from Page 1)
lost a billion dollars. Another 778 years would be necessary. The Administration has stated that it expects to spend \$88 billion in the current fiscal year, a record peacetime amount.

In terms of the average family in Lynn County, based on the Tax Foundation's estimates, this is equivalent to \$1,672.

For the entire population locally, the bill comes to more than

\$5,015,000. The biggest part of this \$88 billion spending program is for national defense. Non-defense appropriations are running much higher also. More money has been earmarked for domestic projects and civilian aid than ever before.

Explorers get to take part in Canadian Canoe Trips, Philmont Scout Ranch Treks and many other outdoor adventures, such as Explorer Field Sports Tournaments, Swim Meets, Socials, and Air Encampments at various Air Bases.

What Is The Lutheran Teaching On The Bible?

Lutherans believe and teach that the Bible IS the WORD OF GOD, both the old and the new testaments. The Bible itself makes this claim in many places for example II Timothy 3:16 "All Scripture is given by inspiration of God."

Therefore, because it is God's Word, it is God speaking to man, God speaking to you and me. And when God speaks it becomes us to listen, to remember, to believe and to do what He says.

Our Lord Jesus says, "He that hath ears to hear, let him hear." Because the Bible is God's Word we dare not change it in any way, we dare not add to it or subtract from it. This Book we must live. It is profitable for doctrine, for reproof, for correction, for instruction in righteousness: that the man of God may be perfect, thoroughly furnished unto all good works." II Timothy 3:16.

Because the Bible is God's Word it can not contradict itself or contain errors. It is the Truth. "The Word is Truth." John 17:17. Therefore, if we find two sections which seem to disagree we must continue to study other sections on the same subject and they will help us see the true meaning of the sections in question. Lutherans say, "THE BIBLE IS ITS OWN INTERPRETER." Hence, we must never force our own interpretation upon a Bible passage but we must study the Bible in its entirety, prayerfully and carefully, and it will interpret itself to us.

Finally and most important, Lutherans believe and teach that the Bible alone will show us the Way of salvation, the Way back to God from Whom we have fallen. As it is written to a young man in II Timothy 3:15, "from a child thou hast known the holy Scriptures, which are able to make thee wise unto salvation through faith which is in Christ Jesus."

If you have not been reading your Bible as you should, if you have difficulty getting the message and have no one to help you, the St. Paul Lutheran Church invites you to a SPECIAL BIBLE CLASS IN TAHOKA. This class will begin November 16th at 7:30 and will be held in the W.O.W. Hall just a half-block south of the Methodist Church.

St. Paul Lutheran Church also invites you to attend Sunday morning Bible Class and Church at Wilson, 9:30 a. m. and 10:30 a. m. We are on the west edge of town.

Tahoka Loses To Fired-Up Antelopes At Post Homecoming, Score 32 to 16

Tahoka Bulldogs ran up against a fired-up Antelope team at Post's homecoming and "Norm Cash Day" Friday night in the Garza county capital and lost 32 to 16.

The Bulldogs, except of one long scoring run, kept the Antelopes pretty well in check on the ground but could do little to stop the sharp passing attack, with QB Leslie Acker on the throwing end and Left End Dwayne Capps, receiving, this combination alone accounting for 108 yards in the air. Capps caught six passes of the nine completed, two for touchdowns. In addition, Acker intercepted one Tahoka pass and ran it back 67 yards for a score.

Tahoka received the kick-off, failed to move, and Hopkins kicked 37 yards to the Post 32. The teams exchanged fumbles, and after a 18-yard pass to Capps, Post punted back 39 yards. Tahoka still couldn't move but 7 yards, and Hopkins punted back 36 yards to the Post 30.

A jump-pass to Capps was good

Tahoka	Post
15	10
188	141
0	138
7	19
0	9
2	1
2 for 37	4 for 28
5	2
3 for 25	11 for 125

for 12. FB Harold Mason made 2 and HB Jackie Fluit 13, and Acker 15. After a 16-yard penalty, on fourth down Acker passed to Capps for the first touchdown, the play good for 19 yards, and Acker placed the conversion. This came on the fourth play of the second quarter. Score, 0-7 Post.

Tommy Jones brought the kick-off from the 20 to the 35, HB Larry Price made 5, and then QB Fred Hegi got loose all the way to the goal line, but Tahoka was guilty of clipping back on the 30, and drew a penalty to the 45. FB "Moose" Hopkins made 4, and on next play Post drew a 15-yarder to their 24. Hegi ran around right end to the one-yard line, and on the next play Larry Price went over right guard to score. Hegi completed his only pass of the night to Jones for the conversion, and Tahoka led 8-7.

On the first play after the kick-off, Mason broke over right tackle and raced 64 yards for Post's second score. Acker kicked the extra point, and Post led 8-14.

Mackey McWhirter brought the kick-off to the 40. Post drew a 15-yarder, but on third down, Acker covered a Tahoka fumble on the Tahoka 43, but Tahoka stopped a Mason carry and two Post passes were incomplete, and the Antelopes punted 23 yards to the Tahoka 34. On Tahoka's first play, Post intercepted a Tahoka pass on the 37, and the Garza county boys were off on another scoring spree. A pass to Ken Rankin was good for the last four yards and a TD. Conversion failed, but Post led, 8-20.

The half ended two plays later, on two incomplete passes after McWhirter had brought the kick-off to the Tahoka 44.

Tahoka held Post's first series of the second half, the Antelopes punted 20 yards to the Tahoka 41. Hopkins made 4, and Price got away on a 17 yard gallop, but the Bulldogs lost the ball on another fumble at Antelope - 39. Valdez made 6 for Post and Capps caught

H. C. Storys Are Visitors In City

Mr. and Mrs. H. C. Story of Austin were here last week end visiting her brothers, J. Dudley (Buck) Martin and Weldon Martin, and daughter, Mrs. Waggoner Carr of Lubbock.

Mr. Story has been with the State Comptrollers office for the past twenty years or more. He formerly served as Lynn county clerk and Mrs. Story taught in the local schools.

Plains Wildlife Pictures Shown

Color movies of Plains wildlife were shown at Tahoka Rotary Club last Thursday noon by Earl Hunt of Lubbock, who took the pictures.

Mr. Hunt explained that he enjoys hunting with a movie camera rather than with a gun. His pictures were remarkable in that pictures of coyotes, fox, and some other game were secured by the art of "calling." Incidentally, the first pictures he ever took of coyotes at close range were on T-Bar ranch.

His pictures and talk included pronghorn antelope, coyotes, foxes, badgers, raccoons, fishing, ducks and geese, and a rattlesnake roundup.

One reel concerned trapping of ducks and geese in cooperation with Federal and State game wardens, with a cannon net, for the purpose of putting identification bands on legs of the fowl to determine flight habits. Of seven geese banded on one occasion, two were later reported killed in Minnesota, two in Canada, and three bands were sent in by Eskimos in Alaska.

Alton Cain, who arranged the program, said Hunt is a native of Lubbock, in the insurance business. (Continued On Back Page, Sec. 2)

O'Donnell Takes Plains 26 To 14

O'Donnell Eagles will attempt to improve their district 5-A standing tonight when they go to Frenship to meet the Tigers. The Eagles have won one and lost one in conference play.

Last Friday at Plains O'Donnell knocked down the Cowboys 26 to 14 by scoring twice in the fourth quarter to ice the game away.

The Eagles took a first quarter 60 lead when Weldon Bessire plunged over from the one yard line. Plains tied it up 6-6 on a 25-yard pass play. In the second period, O'Donnell again went ahead 14-6 on a 55 yard run by Fullback Dennis Jordan, followed by the conversion, also by Jordan. Plains bounced back to tie the score again, but in the fourth period the Eagles scored twice on a one-yard dive by Bessire and again by Charles Gardenhire from two yards out.

Wilson Winner By 68 To 8 Score

The rampaging Wilson Mustangs go to New Deal this Friday, and the luckless New Home Leopards will entertain Sands (Ackerly).

Saturday afternoon at Wilson's Homecoming, the Mustangs overwhelmed the New Home boys 68 to 8 before a large crowd.

Six Wilson players scored in the lop-sided victory, with Leroy Schneider opening the scoring on a 23-yard gallop. A few minutes later, Sammy Crowson ran 23 yards for another Wilson TD. Surry Benavidez was the next to score on a one-yard plunge a few plays after Schneider had intercepted a New Home pass.

Schneider scored again on a 26-yard run in the second quarter, and a short time later Benavidez passed to Charles Walton for another TD. This brought the score to 48-0 at halftime. Crowson had run over one conversion, Benavidez passed to Larry Petty for two, Schneider passed to Walton for one, and Bill Baker ran over a conversion.

The third quarter was scoreless for Wilson, but the game New Home team drove 72 yards early in the fourth period, with the visitors' score coming on a 20-yard pass Marlow Ridd to Terry Brown, and Rudd ran over the conversion.

However, Wilson scored three more times in the fourth, once on a Benavidez pass to Walton, once following a punt blocked by Tommy Swan and a Benavidez pass to Baker for eight yards; and again after New Home had driven to the Wilson one-yard line, held on downs, and Crowson broke away on a 99-yard scoring run.

New Home was not without its moments, however, as the Leopards moved once to the Wilson 20 in the first half, in addition to the two other drives in the second half, and Marlow Rudd carried for a total of 109 yards on 21 carries. Crowson and Schneider were the big ground gainers for Wilson rushing for 135 and 100 yards, respectively.

Scotch Foursome Held Last Sunday

About 45 players attended the Scotch Foursome golf event at T-Bar Country Club Sunday afternoon sponsored by the Ladies Golf Association.

Two couples tied for first with a score of 66, but one forfeited first place. First place winners were Mrs. George Glenn and Walton Terry; second place, George Glenn and Oscar Whitaker; and third, Mrs. Bobby Carroll and Mac Mauldin. Prizes of golf balls were given the six winners.

Karen Kidwell, junior student at the University of Texas in Austin, spent last week end with her parents, Mr. and Mrs. W. T. Kidwell, and brother, Tommy.

BIG MERCURY MONTEREY

MERCURY COMET
smartly ahead of the compact crowd

MERCURY MONTEREY
the best-looking buy for the big car man

Your Mercury dealer asks: Do you know a better way to furnish a two-car garage?

FOR "HER"—COMPACT MERCURY COMET. So becoming (only compact with fine-car styling). So easy to handle (watch her park like you!). Packed with the quality extras that make the difference, (luxurious upholstery and insulation throughout). Extra room and a smoother ride (up to 7.5-inch longer wheelbase than other compacts). Bigger trunk. Extra resale value. (finest record of any compact). Easy to own, too (priced with or below most compacts).

FOR "HIM"—BIG, LUXURIOUS MERCURY MONTEREY. Mercury's top-of-the-line car. For the man who prefers or needs a big car. He gets quality—example: every automatic transmission is "run-in" at the factory. For extra stability, a longer wheelbase than other cars in its class. More room and trunk space. A smoother ride (Cushion-Link Suspension). More big news: routine service is needed only twice a year—at 6,000- to 30,000-mile intervals!

Printer's Ink-lings . . .

By F. P. H.

As we've said before, we like "characters," for which the West, the Southwest, and Tahoka, in particular, have had their share. C. Edmund Finney, the local photographer, is such a character that he should have been a native Texan. Finney has very decided opinions on most subjects. When he is not sitting up nights working on the fine photography for which he has rapidly built quite a name for himself, he is reading the dictionary, the encyclopedia, or newspapers, magazines or literature. He's done about everything in his lifetime from work as a policeman to news photography on the Los Angeles Examiner, to

movie photography, to operation of a photo studio in Tahoka and fiddling with electronics.

Finney is a sort of philosopher—and if you give him half a chance, he'll start dishing you out his philosophy of life at the drop of a hat.

A few nights ago he was listening to the Jack Parr TV show, nearly blew his top, and as a result he unloaded some of his philosophy on The Printer. It seems that guests Henry Morgan and Alex King and Jack Parr had agreed that "no war is worth just the life of one man." Finney was incensed.

What has gotten the matter with we Americans? Finney asks. No guts, anymore? No willingness to sacrifice for ideals and principles? Are we growing soft? (This is Finney talking, but we agree with him one hundred percent.)

General MacArthur said, "Only people who are fit to live are fit to die." All life is a fight for survival. There can be no progress without sacrifice and death. Why, there's never been a big bridge or skyscraper built without one or more men losing their lives in the process of construction. When the great Holland Tunnel was built under the Hudson, 65 to 70 men lost their lives. A father or mother, ambitious for a son or daughter to have the best in life, may shorten his or her own life through sacrifice so that son or daughter may have an education. And, those fellows on TV were saying no life

is worth sacrifice to protect the American way of life. Why, it's socialistic, it's communistic.

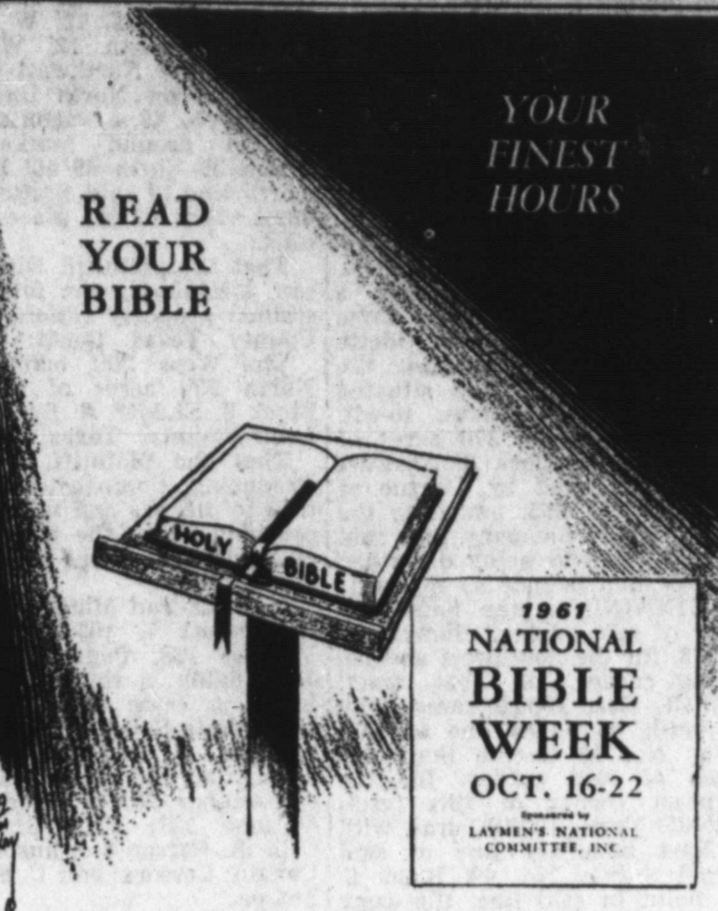

Thirty or forty years ago, man had more human dignity. It was more honorable to stand for something, for principles, for his land, for his country. Too many of the kids today have an ambition to get onto the Government payroll, to be parasites on the public, to draw a salary in pay for a minimum of service, to get security without work, to be protected by someone else. We are carrying this security thing too far. There are still opportunities all around us for us to do something on our own individual initiative. It's still honorable to DO SOMETHING, even if we do have so many weaklings who are parasites on the workers. I feel sorry for the man waiting for his Social Security ship to come in. If that's all he's got to look forward to in old age, his life has been a mighty poor one—and a failure. Finney should be a writer and put his thoughts on paper.

Speaking of "characters," we were saddened last week by the passing of David L. (Pappy) Watson, 72, the "Old Pirooter," brother publisher, once a citizen of Tahoka and known best over the South Plains for his service as the colorful editor of Seagraves, Seminole, and Denver City newspapers. More recently, he had been at Deming, N. M., recently developed cancer, and died Thursday following surgery in a Tulsa hospital.

Few men in America had published more newspapers across the land than had "Pappy." For many years, beginning in about 1912, he bought one newspaper after another, built each up, sold, and moved on to some other field. He had owned papers in the wheat lands, the cotton country, the mining towns of Colorado, the oilfield boom towns. He was typical of the old time editors, for everywhere he went he had a fight on for what he thought this particular town should straighten out. He pulled no punches. He never backed up. But, one thing was certain, people always read his paper. You might disagree with him, you might even want to whip him, but you couldn't help admiring his nerve.

Down on his luck back about 1940, "Pappy" made the Keltner Hotel in Tahoka his headquarters

THE AMERICAN WAY

1961 NATIONAL BIBLE WEEK OCT. 16-22

Letters From News Readers—

(The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.)

Editor, The News:

I am the daughter of Mr. and Mrs. R. E. Lee. My daddy sends me the paper every week. I read this article in the paper (about the 1818 U. S. penny Jim Dulin has). Tell him that his penny is worth \$2.25 in fair condition and worth \$5.00 in good condition. There is a lady here that collects old money, and she told me what it was worth.

Mrs. J. C. Elrod, Olla, La.

Mrs. Lam Writes

Mrs. Inez Lam of Denver City, formerly of Tahoka, sent the following note to Perry Flippin, president of the Tahoka Student Council:

In behalf of Conrad's sister, Norma Jean Emler, and myself, we wish to express our appreciation of the recognition given us at your homecoming and especially I want to thank you for the lovely corsage with the beautiful school colors.

The nice program was well presented by you, and other activities were thoroughly enjoyed. Best of luck to each of you. Sincerely,

Mrs. Inez Lam.

More About Rattlesnakes

The News: Several weeks ago I noticed an item in your paper with caption reading "Do rattlesnakes swallow their young?" I have been watching your paper to see if you received an answer.

A few weeks ago we visited a snake farm in New Mexico. As

we entered the building, there were snakes on either side of the hallway in glass cages. Being a native Texan, we had more interest in the rattlers. We saw a rattlesnake in a cage with several small rattlers about four or five inches long. Since I had not seen so many little rattlers in one bunch, I was curious as to what they would do. When we approached the cage, they apparently became frightened and ran into their mother's mouth. I have no idea at what age or size they stop pursuing this method of retreat, but I do know the young hide some

place inside the older snake. J. T. (Jake) Cunningham, 224 Oakshire Ave., Modesto, Calif.

Since the founding of the Boy Scouts of America in 1910, millions of American men and women have joined in helping to fulfill its purpose and in so doing have built a movement which is a vital part of the American life.

The neutron bomb is designed to destroy people but not property. But then who would pay the propping this method of retreat, but party taxes? — The Herald, De-catur, Ga.

for some time while selling shoes and corn medicine. He never asked for help—he went out and found something to do.

Then, one day the well dressed, cigar smoking, distinguished looking "Pappy" blew into The News office, and announced, "Frank, I have a printing shop out here on a truck and I'm going to start a paper in Tahoka in competition to you, but I want you to know it first." Naturally, we were a bit floored, for two newspapers in a town is never good and usually results in a fight for survival. We did some fast thinking, knowing "Pappy" could not be badgered, and came up with the suggestion that he go out and contact the business men and see if they really wanted a second paper. This "Pappy" did and in about an hour came back and reported, "Frank, I took your advice, talked to ten business men on the west side of the square, and not a darn one of them wants another paper, so I'm moving on to O'Donnell." However, he didn't open at O'Donnell but at Seminole instead. Later, we bought the present press on which we now print The News from "Pappy." He was quite a guy.

According to an FBI report received by The News, Lubbock had the highest crime rate of any major city in Texas in 1960.

"How long will they have a job?" is the caption under a picture of some braceros in a cotton field down in the Valley. In the past 85 to 90 percent of cotton down there has been picked by as many as 85,000 braceros, but this year only about 10,000 were used as farmers converted to machine harvest. To a smaller degree, the same is happening in Lynn county. In the past, Mexicans have crowded the streets of our towns in the fall when they were not busy in the fields. Today, we have only a handful, due to higher wages and pressure from the Department of Labor. The farmer, the wage earner, and the business men all lose. Union laborers out of a job simply will not do stoop labor.

Jack Stricklin gives out with this verse from an old time song: "I called Friday and Friday heard me, I called Friday and she wouldn't come near me. Hop up, pretty girl, hop up higher; hop up, pretty girl, but don't come nigh me."

The little boy stood admiring the stars. "Gee," he exclaimed, "if Heaven is that beautiful on the bottom, think how it must be on the other side."

Did you hear about the manicurist who married a pedicurist? They waited on each other hand and foot.—Santa Fe Magazine.

Some more "Gus Says" from Graham Rotary Scandal Sheet: Now that cold weather is here we won't see so much of the girls . . . Politicians are about the only fellows who can get anywhere straddling the fence . . . It's getting to where the biggest job our lawmakers have is trying to figure out how to get the most money out of the taxpayers without riling up the voters . . . A lie can travel half way around the world while the truth is getting one leg in its pants . . . Give a woman an inch and she'll complain that nothing fits her any more.

Caller: Is your mother engaged? Little girl: I think she is married.

'62 CORVAIR MONZA

NEW FACE, SAME SPORTING HEART

We might as well tell you straight off: Corvair's the car for the driving enthusiast. Think that lets you out? Maybe. Maybe not. Until you've driven one, you really can't say for sure, because Corvair's kind of driving is like no other in the land. The air-cooled rear engine sees to that. You swing around curves flat as you please. You whip through the sticky spots other cars should keep out of in the first place. (Especially this year, now that you can get Positraction as an extra-cost option.) You stop smoothly, levelly with Corvair's beautifully balanced, bigger brakes. Corvair's found other new ways to please you this year. A forced-air heater and defroster are standard equipment on all coupes, sedans and both Monza and 700 Station Wagons. So are dual sunshades and front-door armrests and some other goodies. You'll note some new styling, inside and out. Nice. And safety-belt installation is easier, too, and cheaper. So you can see we haven't really done much to Corvair this year. Why on earth should we? If this car, just as she is, can't make a driving enthusiast out of you, better take a cab.

And here's America's only thoroughbred sports car, the '62 CORVETTE. We warn you: If you drive a Corvette after your first sampling of a Corvair, you may well end up a two-car man. And who could blame you?

See the '62 Corvair and Corvette at your local authorized Chevrolet dealer's

Buddy Bragg announced the Girl Scout fund drive is short of its goal and E. L. Short called attention to the telephone meeting set here this week.

Dr. Skiles Thomas, club president, called for a club assembly that night, which was held in his home.

Serve the cause of democracy—by giving boys the opportunity to practice good citizenship through service to their fellow man and by helping them to expand their knowledge and love of their country. Achieve the purpose of Scouting—by helping boys to do things for themselves and others and to instill within their hearts and minds the ideals of Scouting based on a reverence to God.

Special Round-up awards will be presented to the new boy and to the boy who does the recruiting in all three phases of the Scouting program. Plan now to get in on the fun, the adventure, and the excitement of the Scouting program.

Football ...

(Continued from Page 1, Sec. 2) a pass for 10. Two plays and a 5-yard penalty on Post, then Acker heaved a long pass away down field to Capps, in the open, and now Post led 8-26. Acker's attempted kick was blocked by Jack Woods.

Hegi brought the kick-off from the 15 to the 37, and Tahoka got another drive going now, with Hopkins, Hegi and Jones carrying for four first downs that moved the ball to the Post 10, but here Tahoka drew a 5-yard penalty, and the Bulldogs bogged down right there.

Post couldn't move, and punted 30 yards to the Post 45, but Tahoka fumbled on the 42. Two plays later, after a long complete Post TD pass was called back by an in-motion penalty. Price intercepted a Post pass on the Tahoka 42. Tahoka moved to the Post 40 on carries by Bray, Greer and Hopkins, but Post's Acker intercepted a Tahoka pass on the Post 37 and raced 63 yards for Post's final score. The conversion failed, but Post had it sewed up 8-32.

Hegi brought the kick-off to the 35, and helped by two 15 yard penalties on the Antelopes, the Bulldogs moved down field on drives by Bray, Hopkins and Hegi to the Post one-yard line, from which point Hegi bucked over for Tahoka's final score, and then carried on another keeper for the conversion. Final score, Tahoka 16, Post 32.

The game ended two plays later after one incomplete pass and another complete for 22 yards.

Tahoka's line put up a good fight, with Billy Davis and Curtis Harvick leading in tackles. Bray and Hegi also were in on a number of tackles.

For Post, Linemen Tommy Boucher and Jerry Bush led in tackles by linemen.

The Tahoka boys put up a good game, but were hurt on pass defense, five fumbles and two interceptions.

Cub Scouting is fun. There are almost 4,000 Cub Scouts in the South Plains Council. Cubbing is open to all boys who are between the ages of 8 and 10. Join in the fun.

GREETING: You are hereby commanded to appear before the Honorable District Court, 106 Judicial District of Lynn County, Texas, at the courthouse door in Tahoka, Texas, by filing a written answer at or before 10:00 a. m. on the first Monday next after the expiration of forty-two (42) days from the date of the issuance of this citation, the same being the 13th day of November, 1961, to Plaintiffs' Original Petition, filed in said court on the 24th day of August, 1961, in this cause, numbered 2566 on the docket of said court and styled John Saleh, et al, Plaintiffs, vs. Cecil Pearce, et al, Defendants, wherein Arslie Saleh, Individually and as Community Administratrix of the Estate of N. Saleh, Deceased; John Saleh, a single man, Odette Saleh, a feme sole, John Saleh and Odette Saleh, Trustees, Ollie K. Carson, joined by her husband, F. T. Carson, and Texas Gulf Producing Company, a Delaware corporation, are plaintiffs and those persons are defendants who are hereinabove first named in this Citation and to whom it is directed, and Louella McLaurin, Ethel Shepard, whose husband is J. B. Shepard, T. M. Pearce, Verda Selvidge, whose husband is Sam Selvidge, Mattie Pearce Shook, Oleta Humphries Dunlap, whose husband is Odell Dunlap, Alta Snyder, whose husband is Charlie Snyder, Clovis Pearce, Cecil Pearce, Oma Mae Covey, whose husband is Sam Covey, Mary Ola Vaughn, Mrs. Ima Shepperd, whose husband is Joe Shepperd, Mrs. Pearl Lewis, Homer Vaughn, Charlie Lester Vaughn, Willis Vaughn, Mrs. Faye Parker, and Francis M. Vaughn are

also defendants.

A brief statement of the nature of this suit is as follows, to-wit: A trespass to try title suit in which plaintiffs, for cause of action would respectfully show that on or about the first day of August, 1961 they were lawfully seized and possessed of the following described lands and premises situated in Lynn County, Texas, holding and claiming the same in fee simple, to-wit:

The plaintiffs Arslie Saleh, Individually and as Community Administratrix of the Estate of N. Saleh, Deceased, John Saleh, a single man, Odette Saleh, a feme sole, and John Saleh and Odette Saleh, Trustees, are claiming the following described land situated in Lynn County, Texas, to-wit: All of the South 370 acres of Survey No. 49, Block 8, Abstract No. 211, surveyed by virtue of Certificate No. 665, issued to the EL&RR R. R. Company and said 370 acres of land being described by metes and bounds as follows:

BEGINNING at the Southwest corner of said original Survey 49, Block 8, for the Southwest and beginning corner of this tract; THENCE East 1900.8 varas, with the South boundary line of said Survey No. 49 to the Southeast corner of said survey, for the Southeast corner of this tract; THENCE North 1098.9 varas, with the East boundary line of said original Survey No. 49, Block 8, to a point in said line, the same being the Southeast corner of the tract in said original Survey 49, Block 8, surveyed by the will of T. S. Vaughn, deceased, to the heirs of Mary Emiline Pearce, for the Northeast corner of this tract; THENCE West 1900.8 varas to a point in the West boundary line of said original Survey No. 49, Block 8, the same being the Southwest corner of said Mary Emiline Pearce tract for the Northwest corner of this tract; THENCE South 1098.9 varas, with the West boundary line of said original Survey No. 49, Block 8, to the place of beginning; and

All of the East 70 acres of the North 270 acres of Section No. 49, Block No. 8, surveyed by virtue of Certificate No. 665, issued to the EL&RR R. R. Co. and being further described by metes and bounds as follows:

BEGINNING at the Northeast corner of said Section No. 49 for the Northeast and beginning corner of this tract; THENCE South 12' East, with East line of said Section No. 49, 818.4 varas to a point for the Southeast corner of this tract and the Northeast corner of 370 acres of land off the South side of said Section No. 49, from which an iron stake set in the ground bears S89°48' W 7.2 varas;

THENCE S. 89°48' West, with North line of said 370 acres, 482.4 varas to the Southwest corner of this tract, a stake marks corner, from which an axel skeen set in ground bears N. 12' W 15 varas; THENCE North 12' West 818.4 varas to the Northwest corner of this tract on North line of said Section No. 49, a wagon axel skeen set in ground marks corner; THENCE North 89°48' East, with North line of said Section No. 49, 482.4 varas to the place of beginning.

That the plaintiff, Ollie K. Carson, is claiming the following described property situated in Lynn County, Texas, to-wit:

The West 200 acres of the North 270 acres of Section 49, Block 8, EL&RR R. R. Co. Survey, Lynn County, Texas.

That the plaintiff, Texas Gulf Producing Company, is claiming title to oil, gas and mineral leases covering all of the above described land, said leases being described as follows:

Oil, Gas and Mineral Lease dated August 7, 1958, recorded in Volume 138, Page 632, between John Saleh, a single man, Odette Saleh, a feme sole, John Saleh and Odette Saleh as Trustees, Lessors, and J. D. Hunter, Lessee.

Oil, Gas and Mineral Lease dated October 28, 1959, recorded in Volume 151, Page 31, between Ollie K. Carson and husband, F. T. Carson, Lessors, and C. S. Hunter, Lessee.

That thereafter defendants unlawfully entered upon said premises and ejected plaintiffs therefrom, and unlawfully withheld from them the possession thereof to their damage. Plaintiffs by way of special plea are alleging title by virtue of the three-year Statute of Limitation, the five-year Statute of Limitation, the ten-year Statute of Limitation and the twenty-five-year Statute of Limitation. Plaintiffs pray for judgment for title and possession of said land, and other and further relief to which they are entitled as is more fully shown by plaintiffs' petition on file in this suit.

If this citation is not served with in ninety (90) days from the date of its issuance, it shall be returned unserved.

The officer executing his return shall promptly serve the same according to the requirements of law and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and seal of said court in Tahoka, Texas, this 28th day of September, 1961.

(SEAL) W. S. TAYLOR, District Clerk, 106th Judicial District of Lynn County, Texas.

Hattie Short, Mrs. Server Visit Here

Mrs. P. D. Server and daughter, Mrs. Hattie Short, are here this week visiting their daughter and sister, Mrs. George McCracken, and many old friends. They also visited Walker Server at Welch and Irwin Server at Ropes, and Hattie attended the Wilson Homecoming Saturday.

Mrs. Hattie Short is former District Clerk of Lynn county, and Mrs. Server's husband, who passed away five years ago, formerly was Justice of the Peace here. The family lived at Wilson before coming to Tahoka.

WILSON METHODIST CHURCH W. O. Rucker, Pastor Sunday School 10:00 a. m. Morning Worship 11:00 a. m. Youth Fellowship 6:00 p. m. Evening Worship 7:00 p. m. Family Night, Fourth Wednesday, WSCS First Monday.

Mrs. Short is escrow officer for Stewart Title Co. in Houston, and has lived in that city since her husband, Tom Short, died in Veterans Hospital there in 1953. The couple had moved from Tahoka to Port Arthur in 1947. Following Mr. Short's death, Mr. and Mrs. Server went to Houston to make their home.

Santa Fe hauls 2.3 million bales of western cotton to markets King Cotton has moved west. In 1945, only 36% of the nation's cotton was grown in the West. Today over 62% of it comes from states served by Santa Fe. This year Santa Fe will haul over 2,300,000 bales of cotton to markets in 34,000 box cars—enough box cars to make up a train 284 miles long. Hauling cotton and other important crops, materials and products from where they are grown or made to where they are needed is another example of how Santa Fe is meeting the transportation needs of a growing America. The railroad that is always on the move toward a better way. SANTA FE SYSTEM LINES
