Volume 58

Tahoka, Lynn County, Texas, November 10, 1961

Number 6

Serving Tahoka and Lynn County Since 1903!

Home Building Continues Here

Several new homes are being built here, and additions made to others, according to City Secretary J. M. Uzzle.

New permits since the middle of September have totaled \$51,575, bringing the year's total to \$418,488.00. These have been issued for the following construction:

W. A. Reddell, \$13,000.00, new home on North Fourth in Roberts Addition.

S. R. Duncan (R. C. Roberts), \$15,225.00, new home on North Second in Roberts Addition.

M. M. Hall, \$5,000, new home on South Second Street.

Kenneth Thomas, \$5,800, new home on Petty (K) Street.

British Daniel, \$1,500, home in Northeast Tahoka.

Lois Smelser, \$2,000, addition of garage to home on Lubbock Highway.

Rosa Jolly, \$1,000, addition of a room to home on South Sixth Street.

Dub Gurley, \$300.00, utility building at home on North Sixth.

Seth Singleton, \$1,500, addition to garage on Sweet Street.

Farm Bureau, \$1,750, remodel west end of Farm Bureau building.

H. B. Howell, \$4,500, new building behind Chestnut Service Station.

Mrs. John Minor Rites Wednesday

Mrs. John W. Minor, 72 year old long-time resident of Tahoka, died Monday at 8:00 a. m. in West Plains Hospital in Muleshoe. She suffered a stroke there on Oct. 26 while visiting her daughter.

Funeral services were held Wednesday at 2:00 p. m. at the First Baptist Church with Rev. George A. Dale of Lubbock, former pastor in Tahoka, and Rev. Joe A. Webb, pastor of the Sweet Street Baptist Church, officiating. Burial was in Tahoka Cemetery under direction of Stanley Funeral Home.

Born Jan. 29, 1889 in Lampasas county, Bertha Mae Swope was married to John W. Minor on March 11, 1906 at Killeen. They came to Lynn county in 1923 from Haskell. Mr. Minor died in 1956.

She was a member of the Baptist Church and was the mother of seven children. The five boys were star athletes in the Tahoka schools and three were outstanding college gridiron performers, James at Howard Payne; Max at the University of Texas and West Point; and Joe Don at University of Texas. Their pattern as football, basketball and track stars in Tahoka was set by the two oldest boys, A. J. and Jack, and the Minor name became a legend in Tahoka where athletics events were concerned.

Survivors include two daughters, Mrs. Cleve Bairrington of O'Donnell and Mrs. Glenn Phipps of Muleshoe; five sons, A. J. Minor of Spokane, Wash., Jack Minor of Seagraves, James Minor of Post, Major Max Minor of West Point, N. Y., and Joe Don Minor of Brownfield; four brothers, Henry Swope, Lon Swope and Charles Swope, all of Killeen, and J. B. Swope of Houston; 26 grandchildren; and 19 great grandchildren.

Preceding the funeral services, the body lay in state at the First Baptist Church from 1:00 p. m. until 2:00 p. m. Pallbearers were A. J. Thompson, Ivan Cathcart, Charlie Benson, Jess Gurley, Charles Townes, Jake Jacobs, J. L. Phipps and Chester Short.

BROTHERHOOD MEETING

The Brotherhood of Sweet Street Baptist Church will meet Monday night, Nov. 13, at the church with supper to be served at 7:00 p. m. Following the meal, the group will hear a guest speaker. All men of the church are urged to be present and to bring a guest. Bert Stice is in charge of the program.

Copyrights extend for a period of 28 years.

Stores Will Open On November 11

There will be no general closing of Tahoka business institutions Saturday, Nov. 11, Armistice Day.

This decision was reached by Tahoka Chamber of Commerce board Wednesday following a survey of the town. A few favored closing.

By vote of merchants, five holidays are observed by virtually all business institutions, New Year's, Fourth of July, Memorial Day, Thanksgiving and Christmas.

However, all government offices, including the postoffice, will be closed all this Saturday.

Thanksgiving comes on November 23 this year, and this holiday will be observed by Tahoka business houses.

Wilson Mustangs In Bi-District

Wilson Mustangs play the last home game of the season today, Friday, at 2:00 p. m. with the Cooper Pirates. A victory will give the Mustangs a clear District 4-B conference championship, states Supt. Leroy Scott.

Wilson already has won the right to represent the district in the play-offs by reason of a win 4-2 on penetrations last Friday over Lorenzo in a 16-16 ball game.

The Mustangs will meet Anton, champion of District 3-B, Friday, November 17, at 7:30 p. m. in Lowrey Field, the first such game to be played in Lubbock's new high school stadium.

Coach Travis Rector's boys started slowly this year, and lost a non-conference game to Anton 22 to 6 on Sept. 22. Injuries healed, other boys joined the squad, and the team is now much stronger, and so far is undefeated in conference play.

Plan Brochure Featuring City

A brochure of pictures and facts about Tahoka is being prepared by Tahoka Chamber of Commerce, and copy is expected to be ready for printing in the near future.

H. B. McCord Jr. and Wilton Payne have been named by C. of C. president E. L. Short to arrange the brochure. Featured in the pictorial advertising folder will be the agricultural, recreational, religious, social, economic and business life of the town and county. An attempt will be made to get over the idea that Tahoka is a friendly and clean place to live and raise a family, as well as a place of opportunity for new citizens.

Haneys Attend Relative's Funeral

Mrs. Overton Stone of Carbon, sister-in-law of Mrs. L. C. Haney, died there at 2:00 p. m. Sunday following a long illness.

Mr. and Mrs. Haney attended the funeral services at Carbon this week.

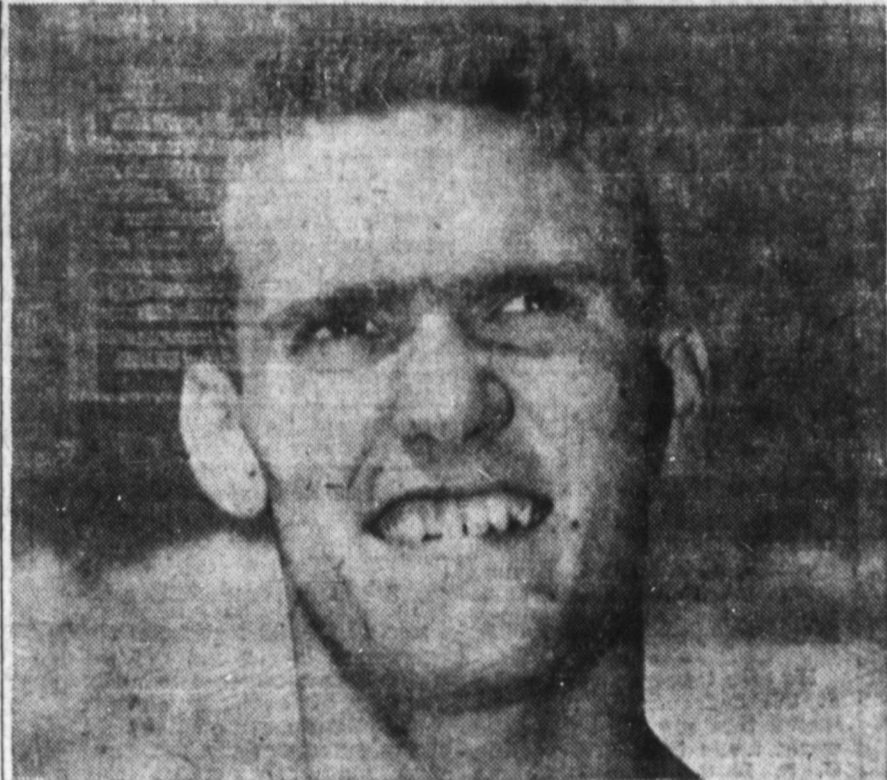

Mrs. Stone, who had lived in that city since 1924, is survived by her husband; two daughters, Mrs. J. C. Poe of Eastland and Mrs. Tom Ireland of Lubbock; one son, Sam Stone, stationed with the Air Force in Oregon; two grandchildren and one great grandchild.

INCREASE AT DUNBAR

Dunbar School in Tahoka now has 84 students enrolled, an increase over last year, states British C. Daniels, school principal.

Mrs. W. I. Lemon has been transferred to the Tahoka Hospital from Lubbock after having undergone surgery in that city for a broken hip.

Mr. and Mrs. Maurice Small returned home Wednesday from Arkansas where they visited their son and family, Rev. and Mrs. George Maurice Small and daughters.

1960 OLYMPIC STAR Earl Young, pictured above, from Abilene Christian College, will be the speaker at a banquet here Saturday night honoring the Tahoka High School football team. Teenage members of Tahoka Church of Christ are sponsoring the banquet.

Olympic Track Star From A.C.C. Will Spak At Banquet For Football Team

Olympic gold medalist Earl Young of Abilene Christian College will speak at a banquet honoring the Tahoka High School football team Saturday at 7:30 p. m. Teenage members of the Tahoka Church of Christ are giving this banquet honoring the football squad and the event will be planned around a Viking theme.

Young, who won a gold medal in the 1960 Olympics and competed against the Russians in Moscow this past summer, will tell of his experiences on these foreign tours. He will stress the responsibility of American youth in preserving our way of life.

An Abilene Christian College senior, Young was the youngest U. S. trackman to win a gold medal at the 1960 Olympic Games in Rome. Sprinting 400 meters in 45.5 seconds Young helped the American 1600-meter relay team establish an Olympic Games and world record of 3:02.2.

He also placed sixth in the 400-meter dash at Rome with a clocking of 45.9 seconds. Before leaving for Rome in 1960, he helped establish a world record of 3:05.6 for the one-mile relay in a California meet.

Anchoring his Abilene Christian teammates this past spring he clocked the Wildcats tie the national collegiate record of 3:07.6 for the one-mile relay. He also anchored an ACC team when they tied the world record of 1:22.6 for the 880-yard relay at the 1961 Texas Relays.

He toured Europe this past summer with the United States team for dual meets with Russia, Germany, England and Poland. (Cont'd. On Back Page)

State Candidate In City Today

Bill Hayes, of Temple, prominent young Central Texas business man who is a candidate for Lieutenant Governor of Texas on the Republican ticket, will be a visitor in Tahoka today, according to Mr. and Mrs. Larry Hagood.

There will be a reception and coffee honoring Mr. Hayes Friday night at 7:30 o'clock in the City-Legion building, and all people interested are invited to attend and become acquainted with Mr. Hayes.

Rotary Governor At Local Club

Rotary clubs in 123 countries are united in these difficult times of international tensions in an endeavor to promote understanding, good will and peace throughout the world.

That was the message of L. E. Patterson of Midland, governor of District 573 of Rotary International, brought to the Rotarians of Tahoka Thursday noon, following a conference with local Rotary officials the night before.

In addition to the activities of more than 11,000 Rotary clubs within their own communities to promote this objective, Mr. Patterson explained, Rotary International has awarded grants of more than \$3,750,000 in the past 14 years through its program of student fellowships, which enable outstanding college graduates to study for one year in countries other (Cont'd. On Back Page)

Rotary Club Observing 25th Year Next Week

Next Thursday night Tahoka Rotary Club will observe its 25th anniversary with a banquet here in the City-Legion building. Wives of Rotarians, many of the charter members, and club officials from several other towns are expected to be in attendance.

Charter for Tahoka Rotary Club was granted by Rotary International on October 22, 1936, and the local club is No. 4032. Since that time more than 7,000 other clubs have been chartered around the world. In fact, the Rotary move has grown until there now are more than half a million members in more than 11,025 clubs in 123 countries and geographical regions.

Of the 28 charter members, only four are still members of the club. These are Dr. K. R. Durham, Happy Smith, Wynne Collier, and L. C. Haney. Each of these has (Cont'd. On Back Page)

Scout Drive Is Short Of Goal

The Boy Scout drive now underway has raised about \$850.00, according to H. B. McCord, Jr., but is not yet complete.

Of this amount, \$489.00 is credited to the sustaining list, or those to contribute by pledge annually. An announcement on television late last week was in error when it stated Tahoka had raised \$1200.00, McCord said. Not realizing the total included the sustaining list, that amount had been added again.

It is hoped that several hundred more dollars will be raised for the project, which supports the Cubs, Scouts and Explorers troops in Tahoka, which have about 100 members.

Saturday Will Be "Poppy Day"

Mayor Mel Leslie announced this week that Poppy Day will be observed this year on Saturday, Nov. 11.

He said the annual memorial to American war dead, which is sponsored by the American Legion Auxiliary, will last all day. Volunteer workers from the Auxiliary, Rainbow, and other participating organizations will be on street corners throughout Tahoka offering poppies to the public.

"Poppy Day enables every American citizen to personally wear a memorial to this nation's war dead," Mayor Leslie said. "At the same time, the wearing of a red poppy is recognized as a tribute to our disabled veterans of three wars," he added.

"I hereby proclaim Saturday, Nov. 11, 1961, to be Poppy Day in the city of Tahoka. I strongly urge that all our citizens observe this day by wearing a memorial poppy," Mayor Leslie said.

David Bray Will Meet With Nehru

David Bray, Tahoka student in Southern Methodist University who is making an outstanding college record, last week was recognized with another high honor.

David has been invited by the Indian Consulate, along with other student leaders from over the nation, to a consultation with Prime Minister Nehru of India in New York City on November 11 on the subject, "1961 United Nations Year of Crisis."

He will fly to New York City today and fly back to Dallas on Sunday.

Mary and Margaret McKee, students at Wayland College in Plainview, spent the week end with their parents, Mr. and Mrs. L. D. McKee.

Weather Is Slowing Harvest Of Cotton

Events Planned For Christmas

Plans for Christmas lighting and events are being worked out by Tahoka Chamber of Commerce in cooperation with other organizations.

Down-town lights have been ordered repaired, and business houses are being asked to make plans early for extensive decorations. Arrangements are being made to have Santa Claus in town several days instead of just one day and to appear in various stores.

The religious side of Christmas will be emphasized this year, and some plans are underway for some special programs to carry out the Christian spirit of the season. Included among these are a parade and program by Tahoka High School band, and perhaps some guest bands.

Church Building Sold To Fenton

The old Presbyterian Church, located on North Second Street, has been sold to R. W. (Buster) Fenton, Jr., who plans to move the building to his farm.

Built in 1926 by a group of Tahoka Presbyterians, the church continued to serve its members until two or three years ago, when the group disbanded. Original members of the church still living in Tahoka include Mrs. J. L. Heare, Mr. and Mrs. John Evans, Mrs. Carl Griffing, Mrs. T. J. Bovell, and Mrs. Raymond Weathers.

Several pastors served the church, but the group has been without a pastor for about 10 years. Nevertheless, the members always met together for Sunday School. The years took their toll, and with the exception of Mr. Evans, all of the men have died. It became so difficult for the ladies to continue looking after both the building and services that the group was forced to disband.

Sunday Closing Law In Effect

On Wednesday the new Sunday Closing Law went into effect in Texas and will concern businesses for the first time this week end.

A bill enacted by the last session of the Texas Legislature entitled "Saturday and Sunday—Sale of Goods on Both Consecutive Days—Prohibition," will affect stores in Tahoka open on Sundays in the sale of certain items.

The bill allows the merchant an option to sell certain items on Saturday or Sunday, but not on both days. Actually it is identified as the Sunday Closing Law, but the option was designed to avoid, if possible, a legal attack on the bill charging religious discrimination.

The bill is actually aimed at large discount houses, but locally will affect any grocery store, drug store, service station and any other business that opens on Sunday.

Some items, prohibited sales that appear on the list, may be sold on an emergency basis if it is needed for the "welfare, health or safety of human or animal life." In this instance, the purchaser must sign a certificate of emergency which the merchant will retain for inspection for a period of one year.

However, the separate sale of certain items is considered a separate offense and maximum punishment for the first offense is \$100.00, and second and subsequent offenses up to \$500.00 and (Cont'd. on Back Page)

Events Planned For Christmas

Down-town lights have been ordered repaired, and business houses are being asked to make plans early for extensive decorations. Arrangements are being made to have Santa Claus in town several days instead of just one day and to appear in various stores.

The religious side of Christmas will be emphasized this year, and some plans are underway for some special programs to carry out the Christian spirit of the season. Included among these are a parade and program by Tahoka High School band, and perhaps some guest bands.

The giving of prizes to store visitors is also being planned.

Salvation Army Kicks-Off Drive

Kick-off for the annual Salvation Army drive will be held Tuesday morning at 9:00 a. m. in the dining room of Tahoka Delicatessen, according to Mrs. Roscoe Treadaway, campaign chairman this year.

Team captains have been named for the event, each of which will have five workers on a team, including Mrs. H. W. Carter, J. E. (Red) Brown, Ronald Sherrill, Mrs. Truett Smith, Johnny Wells, Mrs. Larry Hagood, Mrs. Clint Walker, and Mrs. R. H. Gibson.

Walker, and Mrs. R. H. Gibson. Otis Spears of Tahoka and Leroy Scott of Wilson are heading the school divisions.

Heading the drives in other communities of the area are Roy Stephens, West Point; Mrs. Roy LeMond, Grassland; A. L. Holder, Wilson; and Mrs. Bill Balch, New Home.

The campaign has been moved this fiscal year from February to November and no drive will be held in February, Dean Taylor, chairman of the local Salvation Army committee said.

Since funds have run short the past two years, citizens of the area are asked to give generously. Local expenditures since Jan. 1, 1961 have included the following: groceries, \$160.58; meals, \$16.13; doctor and hospital, \$62.50; gasoline, \$14.73; clothing, \$15.90; lodging and miscellaneous, \$4.00.

Other than local expenses, funds raised here help support a boys camp that is attended each summer by local boys, homes for expectant mothers, rehabilitation centers, disaster units, etc.

This year the Salvation Army fed and sheltered thousands of persons during Hurricane Carla on the Gulf Coast and has done a great deal of work in helping restore the devastated areas.

In addition to the above, the local unit helps workers here, when possible, provide toys and food to indigent families at Christmas time.

Henry Triston underwent an appendectomy in Tahoka Hospital Monday.

Basketball Team Prospects Good For Both Boys And Girls This Year

Workouts began Monday afternoon for the Bulldog basketball squad, and the girls opened their season Tuesday night with Abernathy here. The varsity five will play host to McAdoo for their opener on Nov. 17. Prospects for an outstanding season this year are good for both teams.

Coach Jake Jacobs' roster promises the team some experience, with only two lettermen lost last year by graduation, and nine lettermen returning. Thirty-three boys reported for workout Monday afternoon including four seniors, seven juniors, four sophomores, and 18 freshmen. After two or three weeks of workouts, this number will be reduced, Jacobs said.

This year Jacobs will be assisted by Milt Fitts, Tahoka's all-state basketball star of a few years ago, who later played for West Texas State and named to the all-Border Conference team. Fitts will also coach the freshmen and "B" teams.

Coach J. D. Atwell's girls also have experience, having lost only one by graduation and two with injuries. However, reserve strength is not as deep as is desirable, and may hurt if the team is plagued by injuries this year. Three seniors, four juniors, three sophomores and 16 freshmen compose the squad.

Returning lettermen on the Bulldog squad include Perry Flippin, Fred Hegi and Steve Ellis, re-

turning lettermen on the Bulldog squad include Perry Flippin, Fred Hegi and Steve Ellis, re-

Full Schedule For Boys, Girls

Following is the 1961-'62 basketball schedule, which opens Nov. 17 for the Bulldogs. The schedule includes a total of 58 games for varsity and "B" teams besides the three tournaments scheduled for Tahoka, Abernathy and Slaton. An additional 36 games besides the district tournament for the seventh and eighth graders, brings the total to 94 games that Tahoka boys and girls will be participating in this year.

Tahoka varsity teams will enter the Abernathy and Slaton tournaments and play host to a tournament here on Nov. 30, Dec. 1 and 2.

Nov. 7—Abernathy "B" and "A" girls, here, 6:30.
Nov. 17—McAdoo "B" and "A" boys, "A" girls, here 5:30.
Nov. 20—Levelland "B" and "A" boys, here, 6:30.
Nov. 20—"B" and "A" girls at Sundown, 6:30.
Nov. 21—"B" and "A" boys, "A" girls at O'Donnell, 5:30.
Nov. 28—Crosbyton "B" and "A" boys, "A" girls, here, 5:30.
Nov. 30, Dec. 1, 2—Tahoka tournament.
Dec. 5—"B" and "A" boys, "A" girls at Frenship, 5:30.
Dec. 7, 8, 9—"A" girls and boys at Abernathy tournament.
Dec. 12—"B" and "A" boys at McAdoo, 6:30.
Dec. 15, 16—"A" girls and boys at Crosbyton doubleheader.
Dec. 18—"B" and "A" girls at Abernathy, 6:30.
Dec. 12—O'Donnell "B" and "A" boys, "A" girls, here, 5:30.
Dec. 21—"B" and "A" boys at Levelland, 6:30.
Jan. 2—"A" girls and boys at Idalou, 7:00.
Jan. 4, 5, 6—"A" girls and boys at Slaton tournament.
*Jan. 12—Slaton "B" and "A" girls, "A" boys, here, 5:30.
*Jan. 16—"B" and "A" boys at Denver City, 6:30.
*Jan. 19—Stanton "B" and "A" boys, "A" girls, here, 5:30.
Jan. 23—Plains "B" and "A" boys here, 6:15.
*Jan. 26—"B" and "A" boys, "A" girls at Post, 5:30.
*Jan. 30—"B" and "A" boys, "A" girls at Slaton, 5:30.
*Feb. 2—Denver City "A" boys, Sundown "A" girls, here, 5:30.
*Feb. 6—"B" and "A" boys, "A" girls at Stanton, 5:30.
Feb. 9—"B" and "A" boys at Plains, 6:15.
Feb. 13—Post "B" and "A" boys, "A" girls, here, 5:30.

Family Victims Of Gas Explosion

A Latin-American family miraculously escaped death in an explosion which completely wrecked the house in which they were living Tuesday of last week 4 1/2 miles northwest of Brownfield, on the farm of R. E. Townzen of O'Donnell, which is farmed by Harold Franklin of Tahoka. Mr. Townzen is the father of Mrs. Ellis Barnes of Wells.

Eight members of the John Jimenez family were in the house when the blast occurred, presumably from a collection of butane gas, but none was seriously injured. All were knocked unconscious and a baby was hurled 20 feet out of the house.

Jimenez revived first and began to dig in the rubble for his family. Two bracers came to help, and they loaded the group in a car and rushed them to a Brownfield hospital. All had been released by Thursday.

Mr. Barnes told The News he could not see how anyone could have survived the blast for the house was a complete wreck.

Frank Greathouse, son of Mr. and Mrs. Frank Greathouse Jr., spent the week end with his parents. He is a freshman at Wayland College in Plainview.

Cotton culture is thought to have originated in India about 1500 B. C.

WASHINGTON AND "SMALL BUSINESS"

C. WILSON HARDER

"It is about time we recognize that we have a genuine crisis in our country and to follow policies which go beyond the realm of being a generous free world leader which will ultimately weaken the strength of the free world."

This statement, made by Rep. John Ashbrook of Ohio, was part of his remarks on his observations so far as a member of the House Special Committee investigating the Impact of Imports and Exports on Employment in the United States.

He reports that the State Dept. gets too many people to listen to them when it is brought out that restricting imports of residual oil will help employment in the coal mines of America. State Dept. says this will create a crisis in Venezuela. But crisis that exists in American coal communities is not, presumably, supposed to be recognized.

Rep. Ashbrook points out that we allow Canada to ship gas and oil into the U. S. duty free, but if we ship coal to Canada, the Canadians charge 50 cents per ton duty.

He also takes a broad swipe at the bureaucratic news releases that say the balance of world trade is in favor of the U. S. If that were true, he points out, we would not be continually losing gold reserves.

As a matter of fact, Rep. Ashbrook says, in 1960 our give away items, counted as part of world trade, not only knocked out \$5 billion dollar

balance favoring U. S., but left deficit of \$3.8 billion.

In addition the U. S. under the farm programs is selling cotton abroad for 30 to 40% of the world price, last year shipped 600 million bushels of wheat with a subsidy of 60 cents per bushel. Without the half billion dollar subsidy on these two products alone, there would not have been \$2 billion worth exported. Thus, figures on American import-export trade are fallacious.

Rep. Ashbrook also points out that Russia reneged on paying into the United Nations its share of the costs that have so far been incurred in keeping things quiet in the Congo. The United States picked up the Russian share of this tab totaling \$15 million. Where did the money come from?

Here is Rep. Ashbrook's answer: "Congress would never appropriate this sum for such folly so that takes \$5 million from the President's contingent fund and \$10 million from the foreign aid fund and literally gives it away to aid our enemy. Congress has already appropriated these amounts so we have no check on them. A logical question, however, is just who is obligating us to help pay the communist's share. Again we see a sign of our national weakness. We should insist that the Reds pay up or get out but instead the communists make mockery of the U. N. and we blithely make our own beleaguered taxpayers the fall guys once more. In effect, this means we are financing both sides of the Congo operation."

This all seems to add up to one thing.

America's future appears to depend on an aroused Congress.

Junior Teams Have Schedule

Junior high basketball teams will begin their season at Abernathy on Nov. 27 and have a full slate of games for the year. Coaching the teams this year will be Jerry Don Brown, eighth grade girls and boys; Milt Fitts, seventh grade boys, freshman and "B" team boys; and Mrs. Mary Brown, seventh grade girls; J. D. Atwell, freshman and "B" team girls.

Nov. 27—7th and 8th girls at Abernathy, 6:00.
Dec. 4—7th girls and boys at New Home, 6:00.
Dec. 7—7th and 8th boys at Brownfield, 5:00.
Dec. 11—Abernathy 9th and "B" boys, here, 6:30.
Dec. 14—7th and 8th girls and boys at Frenship, 5:30.
*Jan. 4—Post 7th and 8th girls and boys, here, 5:30.
*Jan. 11—7th and 8th girls and boys at Slaton, 5:30.
*Jan. 18—7th and 8th girls and boys at Post, 5:30.
Jan. 22—Brownfield 7th and 8th boys here, 6:00.
*Jan. 25—Frenship 7th and 8th girls and boys, here, 5:30.
Feb. 1—Slaton 7th and 8th girls and boys, here, 5:30.
*Feb. 5, 8, 9—7th and 8th District Tournament at Post.
Feb. 12—9th and "B" boys at Abernathy, 6:30.

Pat and Terry Jester of Floydada spent last week end with their grandparents, Mr. and Mrs. G. B. Tomlinson.

Luttrell Family, Early Settlers Of County, Hold Reunion In City

The eight living children of the late Mr. and Mrs. J. W. Luttrell, pioneer settlers of Lynn county, held a reunion here Saturday in the home of Mrs. L. M. Nordyke.

Except for the funeral of Mr. Luttrell in 1938 and of Mr. Nordyke in 1955, this was the first time all the brothers and sisters had been able to get together around the same dinner table in many, many years.

Present were Mrs. J. O. King of Wilson, Mrs. W. R. Traweck of Draw, Squire G. Luttrell of Portales, N. M., Wesley T. Luttrell and Robert R. Luttrell of Midway, Mrs. Hannah Nordyke of Tahoka, Mrs. Paul McDonald and Mrs. George Henry of Midway.

Others present included Mr. and Mrs. Buster Burr and family, she being a daughter of the McDonalds; Mr. and Mrs. Sam Goldman of Riverside, Calif., she being a daughter of the Squire Luttrells; Mr. and Mrs. Gene Hughlett of Carlsbad, N. M., and Mrs. Fred Taylor of Tahoka, daughters of the Burrs; and Mrs. Charles Kennedy and two children, Connie and Kevin, of Lubbock, Mrs. Kennedy being the daughter of Mrs. Nordyke.

The late Mr. and Mrs. J. W. Luttrell, who came to Lynn county in November, 1901, were mar-

ried in Missouri, where Mrs. King and another daughter, Linnie, who died in 1900, were born. They next moved to Kansas, where four children were born. These were Mrs. Traweck, Squire, Nora (deceased), and Wesley, Rob, Mrs. Nordyke, Mrs. McDonald, and Mrs. Henry were all born in Texas. The last child, Mrs. Daisy Henry, was born in Lynn county.

The Luttrell clan first came to Williamson county, Texas, then moved out West to Coke county, where they lived about four years. Mr. Luttrell came out to the Plains in the summer of 1901 and purchased a section of land northeast of present day O'Donnell. That fall, the family started its migration to this then sparsely settled land, in which Mr. Luttrell thought there was a great future.

They came by wagon, with Mrs. Luttrell and the children riding in the wagon, while Mr. Luttrell and the older children drove the stock. The route was up by Colorado City and Gail, and the children began to have some misgivings about the promised land on the lonesome trek.

The following year after their arrival, land began to become available to settlers for filing on it, and Mr. Luttrell selected two sections north of the one he had bought, 11 miles southeast of the present Tahoka. The family moved to this new site, and the land has been in the family ever since. Incidentally, Tahoka had not been established and Lynn county had not been organized when they came here.

A well was dug, but the water contained too much alkali for drinking purposes, and Squire says it now seems like he spent most all his time as a youth hauling water. Frequently travelers came by, some of them migrating to the

Farm Facts

The number of horses and mules on farms decreased from 11,626,000 in 1945 to 2,069,000 in 1960, according to the U. S. Department of Agriculture.

While horses and mules have been disappearing from the farms, the number of tractors has been increasing at an impressive pace. In fact, tractor numbers more than doubled from 1945 to 1960. There were 2,354,000 tractors on farms in 1945 as compared with 4,770,000 in 1960.

Since about three acres of land are needed to feed one mule, a drop of more than 8,000,000 in the horse and mule population released 24,000,000 acres for other purposes.

Mules, however, are stubborn critters and are making a mild comeback in some areas. Wade Tribble, who operates the last mule barn in Memphis, sold 100 to farmers during the first eight months of 1960 as compared with a total of 80 for the year before.

A Birmingham dealer says

The number of horses and mules on farms is less than 1/3 that of 1945.

he can sell all he can get—as many as 5,000 head a year. In 1957, he wasn't selling enough to meet expenses. Tribble says farmers with small acreages of cotton and tobacco consider mule power the most economical.

Plains, took a mouthful of the water and promptly spit it out.

No traveler was turned away in those days, however; in fact, they were usually welcome, for the brought news from down state.

Some sod land was broken out, and finally all the land went into crops. Some of it today is irrigated, although the Luttrells never dreamed any such thing would ever come to pass back in the early 1900's.

Antelope were so numerous here in those days that they mixed with the cattle and came right up to the house on occasion for a drink.

While getting established in the new land, the Luttrells feasted on such delicacies as goat meat (antelope) and jackrabbit stew.

Mesquite wood and grubs and prairie coal (cow chips) were used for fuel. Transportation was by horseback, hack, or wagon. For a time, the stage line from Colorado City and Gail to Tahoka (after 1903) and Lubbock stopped by their place.

Some of the children went to school at Midway and later at Tahoka.

All the children grew up and married here, except Squire, who went to New Mexico to file on land and has lived near or in Portales most of the time since. Seven of the eight living children, however, have lived here and raised their families here, and there is probably no other large pioneer family with so large a majority of the children still here. Not only

Coodies was a nickname applied to those members of the Federalist Party in New York who favored the War of 1812.

A coulometer is an instrument for measuring the amount of electricity passing through a circuit.

this, but their mates may also be termed pioneers of the county.

Mrs. Luttrell passed away in 1911, and Mr. Luttrell followed her in death in 1938.

Naturally, Saturday was a great day for the Luttrells.

Safety Sunday Is December 10

Sunday, December 10, has been designated by Governor Price Daniel as "Safety Sunday" to mark the opening of the annual State-wide Christmas-New Year's traffic safety campaign.

In a special proclamation, the Governor said that "experience . . . indicates that the solution to the traffic problem lies in the hands of the individual driver," and urged all citizens "to join in a united effort to awaken the conscience of every driver."

The Governor urged pastors of all Texas churches to "remind their members of their personal and moral responsibility to drive carefully, obey the traffic laws and to protect the sanctity of human life in our State."

"Safety Sunday" has been observed by a steadily increasing number of Texas churches and church organizations since it was first proclaimed by Governor Daniel in 1958.

The idea originated with the Safety Committee of the McAllen Rotary Club and the McAllen Chamber of Commerce in 1958, both headed at that time by a McAllen civic and traffic safety leader, L. D. (Hoot) Harris. At his suggestions, the Governor designated the annual "Safety Sunday" on the second Sunday before Christmas in each subsequent year.

First national presidential nomination convention in the U. S. was held in Baltimore in 1831.

Former O'Donnell Citizen Buried

William Edgar Payne, 83, formerly of O'Donnell, died Sunday at 5:30 p. m. at his home in Seagraves, where he had lived since moving there from Lynn county in 1937. He had been bedfast the past six months.

Funeral services were held in Seagraves Tuesday afternoon in the First Baptist Church, and burial followed in O'Donnell Cemetery.

Mrs. Mamie Hackenberg and son Arthur Jr. flew down by jet from Old Bridge, N. J. Saturday and are here visiting this week with her parents, Mr. and Mrs. W. Z. Florence. This is Mrs. Hackenberg's first visit home in five years.

By careful budgeting, a friend of ours is able to make his paycheck cover a week's expenses almost to the penny. His only problem is that he gets paid by the month.—Changing Times.

Abernathy Wins Over Local Girls

Abernathy took a 45-41 victory here Tuesday night when the local girls lost their first game of the 1961-62 basketball season. The "B" team girls were also defeated 45-16.

However, Tahoka looked good in many ways and with improvement promise to be a strong contender in this district.

The game was "nip and tuck" most of the way and Abernathy led by 22-20 at halftime, the score bouncing back and forth until the fourth quarter when the Antelopes were able to pull ahead 11 points. Behind the guarding of Brooksie Reese, Jerre Ann Wyatt and Sharon Drager, the forwards were able to get on their feet again

and almost pulled the game out of the fire in the last few minutes. Abernathy's hot-shot, J. Johnson, scored 34 points while Tahoka's Judy Thomas made 21. Kay Halamicek 10, and Loretta Short 10.

In the "B" game, Donna Webb made 24 points for the winners and Andra Sue Carroll hit for 10 points for Tahoka.

In a scrimmage held last Saturday night at O'Donnell, Coach J. D. Atwell's girls outclassed the Eagles in every department. Atwell shifted the guards to forwards, and vice versa, and all were able to hit the basket. The O'Donnell team was returning the scrimmage here Thursday night.

QUESTIONS, PLEASE

QUESTION: IS CHRIST NOW A KING?

ANSWER: If Christ is not a King now, I cannot see when he ever will be. Paul (I Cor. 15:24-28) says: "Then cometh the end, when he shall have delivered up the kingdom to God, even the Father; when he shall have put down all rule and all authority and power. For he must reign, till he hath put all enemies under his feet. The last enemy that shall be destroyed is death. . . . And when all things shall be subdued unto him, then shall the Son also himself be subject unto him that put all things under him, that God may be all and in all." He reigns now, will reign till the last enemy is destroyed; then he (Christ) will be subject unto him (God) that put all things under him. He now possesses an authority that he will not possess when he, having conquered the last enemy, will become subject to

God. "That God may be all and in all." Paul (I Tim. 6:15) says: "Who (Christ) is the blessed and only Potentate, the King of kings, and Lord of lords." Christ clearly has as much authority as he will ever have. In the exercise of that authority it takes time to overcome his enemies. When they are overcome, he will surrender the kingdom he has rescued up to the Father and be subject to him.

The word prince is often used in the sense of king. Webster defines it: "The one of highest rank, a sovereign, a monarch; the son of a king or emperor, or the issue of a royal family." Jesus Christ is the Son of the King or Emperor of the universe. He is in the exercise of kingly powers and prerogatives. He was given the kingly prerogative when all power in heaven and earth was given into his hand. If we will follow him, we will find his power sufficient to save us.

You are invited to send your questions to: Don Browning Box 812, Tahoka, Texas. You are also invited to attend the services of the Church of Christ.

Don Browning may be heard Sunday mornings at 11:00 and evenings at 7:00 at 750 on your radio dial.

Society & Club

Thanksgiving Is Theme Of F.H.A.

Tahoka Chapter of Future Homemakers of America held a general meeting Tuesday, fifth period, in the high school auditorium. Donna Coppelin, president of the organization, presided.

Brooksie Reese had charge of the program with the Thanksgiving theme, "Why I am Thankful". Girls making speeches on the subject were: Loretta Potts, senior; Sharon Drager, junior; Ann Wright, sophomore; and Rhonda Littlepage, freshman.

Following the program, the chapter elected Miss Reese by acclamation as "girl of the month" for September. Sarah Wells was selected for the honor for the month of October. Darlene Tekell then reminded the homemaking students of work on their junior, chapter and state degrees.

Elwanda Tekell is reporter of the local chapter.

Methodist WSCS In Monthly Meet

Fourteen ladies attended the monthly meeting of the WSCS in the Methodist Church Monday afternoon.

Mrs. R. H. Gibson was in charge of the business session. Mrs. R. M. Stewart gave the devotional and Mrs. J. B. Thompson commented on the song "Holy Spirit", the four characteristics of the spirit. Mrs. Margaret Carter gave the program, "Jesus Christ, the Light of the World."

The two circles will both meet with Mrs. V. F. Jones next Monday, the Faith Circle at 9:30 a. m. and the Margaret Circle at 3:15 p. m. All ladies are urged to attend one of the circles.

Pledge Service At M.Y.F. Meeting

The Intermediate MYF of the Methodist Church will hold its pledge service Sunday evening, according to Mrs. Maurice Huffaker, sponsor.

The group has been recently organized for the intermediate department, of which seventh and eighth grade boys and girls are members.

Marla Bray is president of the organization that now has about 14 members. All members are urged to attend Sunday evening.

Girl Scout News

Girl Scout Troop 404 met Friday and made Christmas pin cushions under direction of Mrs. Bryan Wright.

The cushions, made of velvet, cotton and brass jar lids are one of the items displayed at the recent Christmas display of handwork held in Lubbock.

This week the troop will present their puppet plays, which has been the group's project this fall.

A called neighborhood meeting of Girl Scout leaders, Council members, and all registered adults was held Wednesday noon in the WOW Hall.

A report on the Regional Conference held in Dallas was made by Mrs. Charles McClellan, neighborhood chairman, who attended.

The group was served a salad luncheon.

CARD OF THANKS

We wish to take this means of expressing our heartfelt appreciation to the wonderful people of the Redwine, Draw and Tahoka areas, to the people at Farmer's Co-op Gin, and the Red Cross for your help in replacing our furnishings and clothing, in addition to the money you collected for us, following the fire at the Henderson place that destroyed the house—and all that we had. Your help has made our disaster much easier to bear. Mr. and Mrs. Elmer Little and family, Mr. and Mrs. W. R. McNeely. 1tc

Girl Scout Leader Reports On Meeting Held In Dallas

DALLAS, Nov. 3—Girl Scout adults ended their three day Girl Scout Regional IX Conference last Friday on a note of major effort and major change: effort to extend Girl Scouting to larger numbers of girls in the three state region and plans for change in the Girl Scout program.

Reporting to the nearly 1,000 adult leaders, including Mrs. Charles McClellan of Tahoka, Mrs. Clayton Malone, Regional Chairman, said that by October 1963 Girl Scout councils in the region including Texas, Oklahoma, and New Mexico, have pledged a growth of 20,440 girls. Girl Scouting is the largest organization of its kind in the world, but opportunities to practice service and citizenship through the Scouting program still need to be extended to more girls who want to belong. In order to reach this basic goal, local councils are being asked to increase the size of present Scout troops.

Miss Catherine Hammett, National Staff Member, outlined the major changes proposed in troop program. This new program has been developed and planned following a comprehensive survey of the interests and needs of adolescent girls, conducted by the University of Michigan for the Girl Scouts. The transition from the familiar Brownie, Intermediate and Senior program groupings to four groups is one of the changes designed to continue teaching the Girl Scout ideals of self-reliance, citizenship, community service and personal responsibility.

Extensive revision of materials is in progress, Miss Hammett said, and new leaders notebooks, guides and handbooks will be available to coincide with local council's preparation for the change. Beginning now, with the appointment of Council Program Launching Coordinators, the new program should be in operation by the fall of 1963.

The closing session of the triennial conference included an inspirational address by Mrs. Herbert C. Schuckle, member of the Girl Scout National Board of Directors, and the introduction of a new song "On My Honor," sung to the words of the Girl Scout Promise. The next regional conference will be held in El Paso in 1964.

Dr. John Furbay, director of the Global Education Program of Trans-World Airlines, keynoted the three-day meeting Wednesday by outlining four human dreams for which the system of the Free and Communist worlds are competing. Thursday, the adults, conference participants, including nearly 100 selected Senior Girl Scouts, discussed the way Scouting looks to them, how it looks to others in the communities which they serve, and then ways of painting a clearer portrait.

Congratulations:

Mr. and Mrs. Carlos Leon McCleskey, Grassland, Rt. 3, Post, on birth of a son weighing 8 pounds at 2:30 p. m. Tuesday, Oct. 31, in Goodnight Hospital, Lubbock. The couple has two other children, a boy and girl. The father is a farmer. Maternal grandparents are Mr. and Mrs. V. L. Melton, Grassland, and Mr. and Mrs. C. O. McCleskey, New Lynn.

Mr. and Mrs. George L. Uppencamp on birth of twins, a boy and girl, Wednesday morning, Nov. 8, in Methodist Hospital in Lubbock. The little girl weighed 5 pounds 14 ounces and was born at 5:26 a. m., and the little boy, born at 5:31 a. m. weighed 5 pounds 7 1/2 ounces. The twins are the couple's first children. Mrs. Uppencamp is the former Virginia Renfro of New Home. Her husband is stationed with the U. S. Army at Ft. Hood. Maternal grandparents are Mr. and Mrs. Morris Renfro of New Home, and paternal grandparents are Mr. and Mrs. Lee Uppencamp of Eagle Pass.

Mr. and Mrs. Daniel Thomas on birth of a son at 6:02 p. m. Friday, Nov. 3, in Tahoka Hospital. He weighed 8 pounds 8 ounces and has been named Larry Don.

Mr. and Mrs. Refugio M. Lopez on birth of a girl in Tahoka Hospital, Saturday, Nov. 4, at 1:24 a. m. She has been named Linda Moreno.

Mr. and Mrs. Merrill Dwain Jones on birth of a girl, Marla Gail, at 4:31 a. m. Saturday, Nov. 4, in Tahoka Hospital. She weighed 7 pounds and has an older brother. The father is owner of West Side Grocery.

Mr. and Mrs. Roy James Teaff, Post, on birth of a son in Tahoka Hospital Sunday, Nov. 5, at 4:47 a. m. He has been named Randy Wade and weighed 8 pounds 11 ounces. The couple has another child, also a boy.

Mr. and Mrs. Antonio Garza, Cotulla, Texas, on birth of a son named Noe Antonio at 5:36 p. m. Tuesday in Tahoka Hospital. He weighed 6 pounds 12 ounces.

Sammie Norwood remains a patient in Tahoka Hospital where improvement.

What Is The Lutheran Teaching On Salvation?

Lutherans teach and believe what the Bible teaches on salvation.

I. WE NEED A SAVIOR.
For "all have sinned and come short of the glory of God;" Ro. 3:23. "If we say that we have not sinned, we make Him (God) a liar, and His Word is not in us." I John 1:10. And God says, "The wages of sin is death;" Ro. 6:23. This means eternal separation from God and eternal damnation.

II. WE HAVE A SAVIOR.
By the grace of God we have His Son as our Savior. "By grace are ye saved through faith;" Eph. 2:8. "God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life." John 3:16. Jesus is our Savior and He is our only Savior. We can not save ourselves. "Neither is there salvation in any other; for there is none other name under heaven given among men, whereby we MUST BE SAVED." Acts 4:12.

JESUS OUR SAVIOR HAS DONE FOR US WHAT WE CAN NOT DO FOR OURSELVES. He kept the law for us. "God sent forth His Son, made of a woman, under the law, to redeem them that were under the law." Gal. 4:4,5a. "Who did no sin, neither was guile found in His mouth." I Pet. 2:22. Jesus died for us and rose again. "He died for all," II Cor. 5:15. "Who was delivered for our offences, and was raised again for our justification." Ro. 4:25.

III. WE ARE SAVED BY FAITH IN JESUS AND WHAT HE HAS DONE FOR US.
When we are sorry for our sins against God, when we confess our sin to Him and ask in all sincerity, "What must I do to be saved?" Then God says to us, "Believe on the Lord Jesus Christ, and thou shalt be saved." Acts 16:31. God gave His Son into suffering and death, "that WHOSOEVER BELIEVETH in Him should not perish, but have everlasting life." John 3:16. We can not save ourselves by trying to keep God's laws. The Bible says, "Therefore by the deeds of the law there shall no flesh be justified in His (God's) sight;" Ro. 3:20. We can only be saved by trusting in what God has done for us through His Son Jesus Christ. "We conclude that a man is justified by faith without the deeds of the law." Ro. 3:28.

IV. THIS SAVING FAITH PRODUCES A NEW LIFE IN US.
We are new creatures in Christ, who love Him and want to do His will. He is our Lord and King and we would now serve and obey Him as such. Yea, Jesus says, "If you love Me, keep My Commandments." John 14:15. And the believer says, "For the love of Christ constrains us; because we thus judge. . . that He died for all, that they which live should not henceforth live unto themselves, but unto Him which died for them and rose again." II Cor. 5:14,15. We know that we have been SAVED FROM SIN FOR SERVICE IN HIS KINGDOM.

If you would like to know your Savior better and find the peace and joy which comes only to those who trust Him, love Him, and serve Him, then St. Paul Lutheran Church invites you to come to our SPECIAL BIBLE CLASSES IN TAHOKA beginning next Thursday, Nov. 16th, in the W.O.W. hall one-half block south of the Methodist Church, at 7:30 p. m.

St. Paul Lutheran Church of Wilson also invites you to attend Sunday morning Bible Class and Worship Service at 9:30 and 10:30 each Sunday. We are on the west edge of Wilson.

Watch "This Is The Life" on T.V. Ch. 13 and listen to "The Lutheran Hour" on KCBD. Both come on at 12:30 on Sundays.

Lynn County Soil Conservation District News

W. H. BLAKNEY ELLIS BARNES
WARD EAKIN BOYD BARNES
MELVIN WUENSCHÉ

An article in the current issue of "The Progressive Farmer" states that brush is the Southwest's greatest land problem, and that more than 75 million acres are infested with this menace.

This area comprises about 45 per cent of all the land in Texas and is costing landowners at \$40 million annually. This loss is a result of the moisture requirements of the brush. It is stated that brush requires from two to four times more water to produce a pound of vegetation than do grasses. This fact alone illustrates why proper grazing is important. Closely grazed grass loses its vigor and cannot recover after times of stress as can grass that is properly grazed.

Government assistance is available through the Great Plains Conservation Program not only for controlling brush but for range reseeding as well. Further information is available at the office of the Soil Conservation Service in Tahoka.

A single terrace system to serve three adjoining farms is being installed four miles north of New Home. The farms, owned by Mrs. Eura I. Cook, H. F. Ray and Herbert Hunt, will all be terraced as one place.

The Lynn County Soil Conservation District board of supervisors held their regular meeting Tuesday. New officers were elected for the coming year with E. R. Blakney chosen as the new chairman. Blakney will replace Melvin Wuensché. Others elected to serve with Blakney include Ward Eakin, vice chairman; and Ellis Barnes, secretary. Boyd Barnes and Melvin Wuensché are members.

The board of supervisors completed their annual report on their year's accomplishments in the Lynn district. Their report was submitted to the Governor as well as other various agencies and interested persons.

The supervisors again decided to sponsor an essay contest for the school children in the district. This year's essay title will be "Conservation and the Population Explosion". Any boy or girl under 19 years old may enter. Local prizes as well as a chance at the \$200 state prize will be awarded. More information on the essay contest will be available later.

The board voted to purchase some land leveling equipment as soon as possible. This will be for use by district cooperators as a rental basis.

All board members were concerned about the acreage of clean land in the district, and urged all cooperators to use cover crops or some means of cover to keep their land from blowing. Land that is allowed to blow not only destroys itself but is a hazard to the land around it. Rye is probably one of the best cover crops for starting this time of the year.

Kenneth Harston Completes Course

Fort Bliss, Tex. (AHTNC) — Army Pvt. Kenneth B. Harston, son of Charlie B. Harston, Route 1, Wilson, Tex., recently completed a three-week course in communications, driving methods of instruction at Fort Bliss, Tex.

Harston entered the Army in January 1961 and completed basic combat training at Fort Hood, Tex.

The 22-year-old soldier, son of Mrs. Junita I. Harston, 406 Avenue X, Lubbock, is a 1957 graduate of New Home High School.

Corsica, an island 100 miles off the French coast, is famed as the birthplace of Napoleon.

(Mrs. O. H. Hoover) Congratulations to Mr. and Mrs. Carlos McCleskey on the birth of a son Tuesday, Oct. 31. He weighed 8 pounds and was named Kevin Ray. The McCleskeys have two other children.

Mr. and Mrs. Odie Campbell had lunch Sunday with Mr. and Mrs. W. L. Gribble.

Mr. and Mrs. C. M. Greer went to Lampasas last week end to see Mr. Greer's brother who had fallen and was injured. He is much improved. They went to church Sunday morning there and later went to the fall flower show where Mrs. Greer says the flowers were gorgeous.

Mr. and Mrs. Glen Norman went to Waco Friday to Baylor University homecoming. They stayed for the game and came back Sunday.

The Thursday Club met Nov. 2 in the home of Mrs. Alvin Morris in Post. The event was spent in sewing and visiting. One visitor, Mrs. Blanch Oden of Clarendon met with the group. Members present were Bernice Propst, Viva Davis, Ada Oden, Minnie Wright, Iris McMahon, Myrtle Hoover and the hostess.

Mr. and Mrs. John Paul Lawson of Ozona came back to Tech Friday and Saturday and spent Sunday with his parents, Mr. and Mrs. E. A. Thomas.

The Ted McDonalds of Post had lunch with the W. G. McCleskeys Sunday and visited in the afternoon at the C. O. McCleskeys home and admired the new grandson.

Mr. and Mrs. Gus Porterfield visited their son and family, the Dr. Porterfields in Abilene last week.

Mr. and Mrs. C. A. Walker spent one evening in Littlefield with the L. Walker family. L. has a cleaning business there.

Bill Bailey and family of Plainview and J. C. Bailey Jr. and family of Acuff visited Sunday with Mr. and Mrs. J. C. Bailey Sr.

Mrs. Tom Murray visited in the W. L. Gribble home Thursday afternoon.

Mrs. C. C. Jones visited her daughter-in-law, Mrs. Carl Jones Monday. Mrs. Carl Jones is on the sick list.

The Kelly Laws family had lunch Sunday with the Bert McDonalds and visited the C. O. McCleskeys in the afternoon.

Mr. and Mrs. W. L. Gribble visited the C. O. McCleskeys Saturday night.

Congratulations to Mr. and Mrs. Jim Bob Porterfield on receiving their baby boy last Thursday. They have named him Jimmy Don and he weighed 6 pounds 4 ounces at birth.

Mr. and Mrs. C. C. Dorn of Whiteface were guests at the week end with Joy Thomas.

Terry Power of Post spent the week end with Joy Thomas. Methodist parsonage of their daughter and family, the Rev. and Mrs. Leach and children recently.

Jim and John Thomas spent the

W. R. Warren Has 100-Year Old Story On Battle In War

W. R. (Bill) Warren a few days ago brought The News a reprint copy of a page from the Pontotoc, Mississippi, Examiner of August 9, 1861, as republished recently by The Pontotoc Progress, present day newspaper in the old town where Bill was born and raised.

The paper reprints an address by Lieut. Charles D. Fontaine, as made in Pontotoc 100 years ago, telling of the horrors of the Civil War in general and a detailed re-

port on the first Battle of Manassas (Bull Run).

The address is of special interest to Bill because he knew the Fontaine family well, some of them still prominent in that area. In fact, he knew many of the sons and grandsons in Pontotoc of men who fought in the Civil War and even a few of the veterans.

Even though there is still little prejudice left from the Civil War days, especially in this Plains country, The News wishes everyone could read this address for an intimate glimpse into the conditions, the hardships, the inequities, and the thinking of the people, their patriotism and devotion to their cause, as revealed in this address by a soldier home from the War Between the States. For one thing, it points out strongly how our ancestors would fight to the end for the principles for which they stood, for rights they firmly believed to be theirs. Though brother American was pitted against brother, the address arouses devotion to the democratic principles on which this great nation had been founded.

For those who have forgotten their Civil War history, the first Battle of Bull Run was said to have been one of the most terrible battles ever fought on this continent, when 15,000 travel-worn Southern soldiers "availed against 60,000 of the best appointed army the world ever saw." The Pontotoc Minute Men, under direction of

Mrs. O. H. Hoover visited Mrs. Inklebarger Monday morning.

We really had the ghosts and goblins Hallowe'en night. We enjoyed them and the church collected \$45.00 for UNICEF.

General Bee, was one of the units in the battle, and Mr. Warren knew many of the descendants of that unit.

Lieut. Fontaine's address, a literary gem, must have stirred the hearts of many people that day in Pontotoc as he told of the action of men from that Mississippi town, the valor and heroism of fathers, brothers and friends in that battle in which some of them died or were wounded.

District Deputy Is Visitor With Pythian Sisters

Lynn Temple No. 45 Pythian Sisters met Tuesday night when District Deputy Leona Howard of Odessa made her official visit and Temple Deputy Lucy Brice visited fraternally.

The reobligation of members and visitors was held during the program.

A salad supper was served to 17 members and the following visitors, Velma Bartley, Elizabeth Merrick, Minna Wood, Ella Schmidt, all of Lamesa, Irene George of New Home and the District Deputy.

Hostesses were Florene McCracken, Emma Halamiczek, Elsie Dee Brooks, Corene Cathcart, Bertha Williams, Bertha Lee Edwards, Joy Lindley, and Hannah Nordyke.

On Nov. 21 the annual roll call will be held when hostesses will be Dixie Payne, Linda Stice and Clifford Tankersley.

A chinook wind on the eastern slope of the Rockies can melt two feet of snow in 24 hours.

Douglas McClellan, Jackie Alexander Marry November 19

Mr. and Mrs. J. O. Allen invite friends to attend the wedding of their niece, Jackie Alexander, and Douglas McClellan Sunday, Nov. 19, at 2:30 p. m. at the First Baptist Church of Tahoka. The reception will follow the ceremony in fellowship hall.

Dinner Party For Members of MYF

Members of the Methodist Youth Fellowship will attend an invitation semi-formal dinner party at 6:30 p. m. tonight at T-Bar Country Club.

Also attending will be Rev. and Mrs. J. B. Thompson, pastor; Mr. and Mrs. Clint Walker, Sunday School teachers in the youth department; and Mr. and Mrs. Roscoe Treadaway, sponsors of the MYF. Mrs. Treadaway will prepare the food for the event.

The group also wishes to express their appreciation to women of the church who baked cakes and pies for the bake sale last Saturday, when a total of \$160.00 was raised for the organization.

Series Starts At Duplicate Club

First game of a six-game series was played Tuesday night at T-Bar Duplicate Club.

Winners this week were: Mrs. Meldon Leslie and Mrs. Bill Lumden, first; Mrs. Larry Hagood and Johnny Wells, second; Mr. and Mrs. Frank Hill, third.

Holland Winner At Bridge Party

Winners in bridge play at T-Bar Country Club last Thursday night were Wade Holland, first, and Mrs. Frank Hill, second. Hosts were Mr. and Mrs. Harry L. Short. Hosts this Thursday were to be Mr. and Mrs. E. L. Short.

Sunday Luncheon For Baptist YWA

The Young Women's Auxiliary of the First Baptist Church will have a luncheon at the church Sunday, Nov. 12, following the morning worship service.

Following the luncheon Mrs. Leta Warren will present a foreign mission study, "Your Guide to Europe." All unmarried girls 16 years of age or older are urged to attend and to bring a covered dish.

V.F.W. Auxiliary In Meeting Monday

Tahoka VFW Auxiliary met in regular session at the City-Legion Bldg. Monday, Nov. 6, at 7:30 p. m. with the president in the chair.

Following the realistic opening, reports were given from the district meeting in Brownfield last week end.

The Auxiliary is working on unit to get ready for a State officer's visit and inspection in the near future. The district was extended an invitation for a school in instruction to be held some time early in 1962 here in the City-Legion Bldg. if District President Marge Wharton of Seagraves has not already selected a place.

Much time was devoted to the Christmas prayer for the patients in the VA Hospital on Dec. 21 in Big Spring. Each patient will receive a Christmas wrapped gift and refreshments. The Ladies Auxiliary will wrap gifts, serve and visit each patient in the hospital.

Ladies who would like to help with this prayer and give of the service may call the president, Mrs. R. L. Richardson and transportation will be provided. Those making the trip should dress comfortably and wear low heels.

It is also "membership dues" time. All members are asked to please turn their dues in so your paid-up insurance will be kept in force. The Auxiliary pays insurance on each member of the unit.

Next meeting will be Monday, Nov. 20.

Cafeteria Menus For Next Week

Menus to be served in the Tahoka School cafeteria during the week of Nov. 13-17 are as follows:
Monday: Baked ham, glazed yams, English peas, cabbage and apple salad, rolls, butter and milk.
Tuesday: Chili burger, tossed salad, green beans, apricot cobbler, and milk.
Wednesday: Toasted weiners with cheese, navy beans, jello and cottage cheese salad, apple butter, rolls, butter and milk.
Thursday: Spanish rice, green beans, buttered corn, carrot sticks, whole-wheat bread, coconut pudding and milk.
Friday: Hamburgers, onions, lettuce, tomatoes, baked potatoes, egg custard pudding and milk.

Seventy-five per cent of all West Point graduates were Boy Scouts.

Championship Trophies Presented At Banquet For Junior Football Teams

District championship trophies were presented the seventh and eighth grade football teams at a banquet held in their honor Monday night in the school cafeteria, sponsored by the mothers of the two teams.

Coach J. D. Atwell, principal speaker for the event, told the boys that there are three qualities that make a good athlete, physical well being, high morals and mental alertness. He said that by necessity a good physical condition is the first prerequisite of a good athlete. Boys must have a high standard of morals and "conduct themselves as gentlemen, both on and off the field of play."

"You are a missionary for your school every time you go onto the football field," Atwell said. A player must be mentally alert at all times, because it is his responsibility to carry out his assignment on the field, and he must have the will to win battles on the gridiron, as well as those in life.

In closing his speech, Atwell gave the definition of the word "Champs": C—concentration, H—heart, A—attitude, M—modesty, P—practice, S—sacrifice.

The seventh grade team was introduced by its coach, Milt (Junior) Fitts, and the eighth grade team by Coach Jerry Don Brown.

Athletic Director Jake Jacobs presented the two district championship trophies to the coaches.

A. M. Bray, master of ceremonies, in behalf of the two teams, presented to the three coaches, Fitts and Jacobs, and Brown, plaques bearing their names, the words "District Champions, Tahoka, 1961", and the names of the players on the teams.

The pep squad was introduced to the gathering by Bray and was commended by him and the coaches as doing an outstanding job in backing the teams and for the excellent school spirit they helped provide. In turn, the pep squad and cheerleaders expressed their appreciation to Mrs. Brown for the

help she extended them during the season.

Mitchell Williams gave the invocation and the program was closed with the benediction by Dean Hamilton.

All the coaches complimented the undefeated teams on their spirit, sportsmanship, and attitude during the year and expressed their expectations for their performances in athletics during the coming years.

Glenda Young In Business School

Lubbock, Nov. 9—Miss Glenda L. Young, daughter of Mr. and Mrs. L. E. Young of Route 1, has entered Draughon's Business College in Lubbock, where she plans to major in secretarial work.

Miss Young was valedictorian of the 1961 Senior class at Wilson High School. While in High School she was a member of the National Honor Society and the Future Homemakers of America club. She was seen in both the Junior and Senior plays. She served as Assistant Editor of both the Annual and Paper Staff. Miss Young was given a special scholarship for being the most deserving of the honor in her Senior Class.

representative of most of the clubs from Fort Worth north and west.

Rotary was the first of the many service clubs now in existence, and was started by a lonesome young attorney, Paul Harris, in Chicago in 1905, with six members meeting weekly in rotation with each member serving as host in turn. Object was for fellowship, service, and acquaintance.

From this beginning, the idea spread. The motto became "Service Above Self" and "He Profits Most Who Serves Best." The object of Rotary International has become "to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster: First, The development of acquaintance as an opportunity for service; Second, High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying by each Rotarian of his occupation as an opportunity to serve society; Third, The application of the ideal of service by every Rotarian to his personal business, and community life; Fourth, The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional men united in the ideal of service."

On the thesis that a man can not receive good from Rotary or be of great value to the organization unless he attends regularly, much stress is laid on attendance at all or most club meetings.

Rotary, unlike some other service clubs, ursups few of the functions of a Chamber of Commerce. No collections of money are taken at Rotary for an project. However, many projects arise in the club. For instance, in Tahoka, the local club was responsible for securing the old city hall and remodeling the same for the Boy Scout Hut and Lynn County Library, started the Little League program, and has had a hand in scores of other projects, many of them dealing with youth.

Sunday Closing . . .

(Cont'd. from Page 1)

than their own, as Rotary ambassadors of good will. Since 1947, when this program was established, 1454 Rotary Foundation Fellowships have been awarded to study in 70 countries for students in 50 countries, with grants averaging \$2,600.

"With fellowship and service to others as its keynote, Rotary provides a common ground for 509,000 business and professional executives throughout the world, regardless of differing nationalities or customs or languages or political and religious beliefs," the Rotary district governor emphasized.

"In addition to the promotion of international understanding," Mr. Patterson continued, "special emphasis is being placed by Rotary clubs in this district, which

includes 43 Rotary Clubs in north-west Texas, on service to youth and the lifting of the moral tone of our society."

The district governor urged all local Rotarians to attend the Rotary district conference to be held in Odessa in March of next year. The only thing mother needs to save for a rainy day is patience.

Bulldogs Close Season With Loss To Denver City Mustangs Friday

Tahoka Bulldogs were completely outclassed as they were snowed under 60 to 0 last Friday night at Denver City by the powerful Mustangs, last year's Class AA state champions. The victory was the 24th consecutive win for the Mustangs and assured them of another district championship.

Coach Don Orr's boys "poured on the coal" all the way in their effort to run up the score and humiliate the visiting team as much as possible. Although he used

reserves, they were usually mixed in two to four at a time with the first string.

However, Tahoka played one of its poorest games since early in the season, as the boys couldn't get out of their reach from the start.

The Mustangs presented both a powerful offense and defense, rolling up 409 yards rushing and 67 yards passing to Tahoka's 60 yards net rushing and 33 passing. Although there were many penalties, the game was relatively a clean one from the standpoint of both teams.

With two touchdowns in the game Sophomore Pat Hubbard of DC became the Plains' leading scorer with 138 points through Friday. He alternates at quarterback and fullback.

DC scored three times in the first quarter with Halfback Don Kinder going 36 yards, Halfback Kim Freeman going four, and Hubbard 29. There was only one score in the second, this by Freeman on a four-yard drive. In the third, Halfback Tommy Jones went 11 yards and Hubbard five for two touchdowns. In the fourth, QB Bobby Hunnicutt passed 37 yards to End George Curtis for one TD, and the final score was on an 89 yard run by Hunnicutt. Martin kicked four extra points and Hunnicutt one.

Offensively, Tahoka had few bright spots, although Glenn Hopkins, Fred Hegl, Andy Bray, and Tommy Jones were able to move the ball on occasions for short yardage, and Hopkins caught four passes for Tahoka, Jones intercepted a Denver City pass, and Kenneth Scott covered a fumble, and Billy Clinton blocked an extra point kick attempt.

Seniors playing their last game for Tahoka were Billy Davis, Perry Flippin, Curtis Harvick, Hegl, Hopkins, and Jones.

GAME STATISTICS		Tahoka	Denver City
2	First downs	23	23
65	Rushing, yds.	409	67
33	Passing, yds.	67	3
5	Passes complete	3	10
6	Incomplete	10	1
2	Had intercepted	1	2 for 35
6 for 31	Punts, avg.	2 for 35	2
1	Fumbles lost	2	7 for 63
7 for 63	Penalties, yds.	11 for 95

TAHOKA, TEXAS

"Heart of the South Plains"

FRIDAY, NOVEMBER 10, 1961

Wilson Winner Over Lorenzo

Wilson Mustangs entertain the Cooper Pirates in an afternoon game today at 2:00 o'clock that ends the regular season. Wilson will represent District 4-B in a bi-district game with Anton Bulldogs Nov. 17 at 7:30 p. m. at Lowrey Field in Lubbock.

Coach Travis Rector's Wilson boys were tied 16-16 by the Hornets at Lorenzo last Friday, but Wilson was the winner by virtue of four penetrations of the 20-yard zone compared to two by Lorenzo.

In the nip and tuck game, Wilson's Freshman halfback, Sammy Crowson, scored from two yards out in the first period to end a 60-yard drive and then ran the extra points.

Lorenzo bounced back in the second, with Roy Swetnam scoring both the touchdown and conversion to climax an equal 60-yard drive.

The score remained tied 8-8 until the fourth, when Leroy Schneider carried on the last two yards of a 40-yard drive following a pass interception. Surpy Benavidez passed to End Charley Walton for the two-point conversion. The Hornets, however, came right back to tie the score when Gary Setliff punted over for a TD and Swetnam ran the conversion.

Wilson had two other penetrations, however, and that was the difference.

O'Donnell Loses To Seagraves

In the annual battle of the Eagles, the strong Seagraves Eagles sewed up the District 5-A football title by rolling over the O'Donnell Eagles at O'Donnell Friday night 20 to 8. Seagraves meets Idalou in the play-offs.

Seagraves scored in the first quarter with Travis Welcher carrying, on an 11-yard pass James Petty to Monty Samson in the second, and on a 13-yard run by Sammy Faulkner in the third. Petty passed to Samson for the only conversion.

O'Donnell scored in the fourth period with Dennis Jordan carrying the last three yards of the drive, and Buster Snellgrove ran over the extra points.

Last week, The News said the game would be played in Seagraves, which was in error because of a misprint on the O'Donnell schedule.

Mrs. Luke (Bettye) Hagood and friend, Mrs. M. E. Worrell, both of Junction, visited here last week end with the former's sister-in-law, Mrs. W. W. Hagood, and family.

New Home Meets Lorenzo Today

The New Home Leopards wind up a disastrous football season by entertaining the Lorenzo Hornets today.

The Leopards lost a 30 to 8 decision to the New Deal Lions last Friday at New Home. The visitors scored once in each quarter. Determined not to be blanked, the home boys came up with a touchdown in the fourth period when Marlow Rudd hit End Bill Kopecky in a 55-yard scoring pass play, and then Rudd ran over the conversion.

The thin-ranked and inexperienced Leopards have deserved the plaudits of fans for sticking it out through a long season in the face of almost certain defeat each season. As one New Home fan said, "It takes a lot of stuff for a bunch of boys to keep plugging away as our boys have this year."

FOOTBALL SCORES

Denver City 60, Tahoka 0. Stanton 26, Slaton 0. Wilson 16, Lorenzo 16 (Wilson wins on penetrations, 4-2). New Deal 30, New Home 8. Seagraves 20, O'Donnell 8. Sundown 32, Frenship 0. Idalou 7, Ralls 0. Petersburg 42, Crosbyton 22.

Mr. and Mrs. W. N. Stone, Myrl Ann and Charlie, visited relatives in Stephenville last week end and Mrs. Stone's mother, Mrs. Williams, returned to Tahoka with them for a visit.

One good thing about the old horse was that he would never run into a tree, even if you were drunk.

Nearly all bottlenecks are the result of somebody's refusal to think or decide at the time he was supposed to.—William Feather.

Wardens Check Hunt Licenses

Austin — With the opening of the major hunting seasons of the year, game wardens now are beginning a careful check of licenses, according to J. B. Phillips, coordinator of law enforcement of the Game and Fish Commission.

A resident hunting license costing \$3.15 is required of every citizen of Texas who hunts outside the county of his residence, or who hunts deer and turkey in the county of his residence. Exceptions are those citizens who are under 17 years of age, or 65 or over, and citizens hunting on land on which they are residing. Exemption licenses are required for each of these exceptions, when hunting deer or turkey.

Non-resident general hunting licenses cost \$25 each. However, non-residents may buy a 5-day migratory bird license for \$5, and a migratory waterfowl license for \$10, issued on a reciprocal basis. A non-resident also may buy a \$3.15 license for use on shooting resorts only.

Landowners who lease hunting rights also are required to pay a \$5 license. They also are required to register and keep a list of persons who hunt on their lands for a fee.

In addition, a Federal regulation requires that all hunters of migratory waterfowl buy a \$3 "duck stamp," which can be obtained from your post office.

Postoffice Helps Count Livestock

Rural mail carriers from the Tahoka Post Office will leave some livestock survey cards along their routes beginning November 16.

Information reported on these cards is used to set the yearly inventory of livestock and poultry on Texas farms.

Rural carriers distribute the cards at random in boxes along their routes.

This means that not every box will get a card. For this reason, it's important for everyone who gets a card to return it filled out so that USDA can get a true sample of the State's livestock holdings.

Carriers assisting with the survey are: W. A. Reddell, Route 1; A. C. Weaver, Route 2; Dall C. Carroll, Route 3; Clyde Ashcraft, Route 4; and Jess L. Gurley, Route 5.

Facts and figures secured in this

survey are the basis for the Texas and National pig crop report and inventories of livestock and poultry on farms as of the first of the year. Stockmen and many others use this information in making business decisions.

Survey results will be widely distributed through Texas Crop and Livestock Reporting Service releases, newspapers, farm magazines, radio, and television.

"This annual survey has been a joint undertaking of the Post Office and the Agriculture Department since 1924," concluded Mr. Smith.

Jerry Wayne Pearson is in San Diego, Calif., after entering the U. S. Navy three weeks ago, according to his grandmother, Mrs. Amos McMillan.

Every day is a safety day.

LEADER

★ ★ ★ Mrs. Gladys M. Stokes of Tahoka receives a Southwestern Life salute for winning two of the highest honors in life insurance — the National Quality Award and membership in the Texas Leaders' Round Table. The National Quality Award is granted by the National Association of Life Underwriters and the Life Insurance Agency Management Association to agents whose service to the public has been deemed superior. Membership in the Leaders' Round Table of Texas, honor group of the Texas Association of Life Underwriters, is limited to those who meet high standards in volume and permanence of business produced. Outstanding representatives like Mrs. Gladys M. Stokes add better service to Southwestern Life's better plans for a better life.

Some cars have new names... **this name will have a new car!**

The name is familiar—the Ford Fairlane 500. The car itself is totally new...so new you'll see nothing else like it this year. It is one of Ford's milestone designs—and will be as influential in its way as the first mass-produced car (a Ford Model T), the first popular station wagon (a Ford Wagon), the first four-passenger luxury car (a Ford Thunderbird), the world's most successful compact (a Ford Falcon).

Right between Galaxie and Falcon in size and in price, the 1962 Ford Fairlane 500 is just the right car for just about everybody; you have never been able to buy anything so right before.

Big in room, ride and performance, it is still priced under most compacts. It nurses a nickel as though it never expected to see another. It moves like a rabbit on roller skates.

New unitized body a foot shorter outside... full-size inside

Ford engineers have changed the proportions of the automobile: a completely new unitized body gives you more room inside with less bulk outside. A foot shorter than previous Fairlanes, the new Fairlane 500 is pleasantly parkable, delightfully driveable, easily garageable. At the same time it packs into its neat and nifty 197 inches as much passenger room as you had in some of the biggest Fords ever built.

Twice-a-year maintenance Service is reduced to a minimum—30,000 miles on many items, twice a year on the rest. You go 30,000 miles between major lubrications, 6,000 miles between oil changes and minor lubrications. You don't have to touch the engine coolant-antifreeze for two years—or 30,000 miles—at a time. Brakes adjust themselves.

All-new economy Eight from world's V-8 leader

The hand that honed the Thunderbird—and sped the Falcon to all-time Economy Run honors—turned to a new problem here, the world's first economy V-8. Made possible by new Ford foundry methods, the new Challenger V-8 is as strong as iron—and a lot lighter than iron's ever been before. As lively as you'd like... thrifter than you'd expect a V-8 to be... it's a natural powerplant for America's first eat-your-cake-and-have-it-car.

For those who want even greater thrift, there's a new Fairlane Six. Its economy would be gratifying in a smaller car. In a car this size it's a downright delight.

Preview America's newest car now

As part of Preview Run U.S.A., new Fairlane 500's are riding the nation's highways and main streets right now. Watch for them. See what thousands have already seen—and raved about. Take a turn at the wheel—and perhaps do a little raving yourself.

We think you'll agree: this all-new Ford is just right for just about everybody. No matter how many new cars you've looked at, you haven't seen anything like this one. It will be at your Ford Dealer's next week. If you miss it now, be sure to see it then.

JUST RIGHT FOR JUST ABOUT EVERYBODY!

Printer's Ink-lings

By F. P. H.

Our high school football boys deserve a little pat on the back, for it's been a little hard to keep up morale while suffering so many defeats—two victories and one tie against seven losses. Yet, they have kept trying. But, life for most of us is a series of disappointments and losses, and most youngsters need to learn to take the hard knocks and to keep their chins up in the face of adversity. Tahoka is fortunate in having such a fine group of boys (and girls, as well). Football has helped make

them better boys—better prepared for the years to come.

The average man is proof that the average woman can take a joke.—Cheer.

This coming year's fiscal spending (including deficit spending), as authorized by Congress in the session just closed, amounts to almost \$600 for every man, woman and child in the United States. Every new child born tomorrow will come into this world owing nearly \$2,000 on the national debt. The supposedly great United States is now borrowing millions of dollars from little old Switzerland, it was revealed last week. When will our politicians balance the budget? Not until we, the people, demand it.

But, while we are complaining about high taxes, crime costs us \$20 billion a year, according to J. Edgar Hoover of the FBI, or \$122 for every man, woman and child. For every \$1.00 spent on education, crime costs taxpayers \$1.45; for every \$1.00 that went to churches of the nation, \$13.00 went to crime.

Ed Eakin in the Quannah News-Tribune says: Vice-President Lyndon Johnson was far off base last week when he lambasted critics of the Administration for "dividing the nation."

Criticism, though at times it may seem unfair, is the genius of American democracy. Abraham Lincoln was criticized severely, Sam Houston was lambasted as a traitor of the land he loved. This has been the life of the politician since the birth of our nation. Muzzle criticism and you muzzle freedom. If we cannot live with it; certainly our republic cannot live without it.

An old boyhood chum, Charley Green, died the other day. Charley and The Printer grew up together down at old Roscoe, we taught him a little about the printing trade, and later he went on to become owner of The Roscoe Times, and at various times was editor of the Nolan County News at Sweetwater, the Kermit News, and other papers, with time out to serve as a chamber of commerce secretary.

We worked together, played together, and got into mischief together. His death calls to mind many pranks that may bring fond memories to some of you who grew up about the time automobiles were coming into use, movies were springing up, and the phonograph was a wonderful new machine. We picked and hoed cotton together, and we hand-set type for the newspaper.

When the false rumor of World War I's ending came out some time before Nov. 11, 1918, we hurriedly printed a special edition of The Roscoe Times and sold it to riders on the T&P Sunshine Special while the trainmaster held up the train for us to spread the glad news—and we've often wondered what those folks thought

the next day when they found out the local rumor was false.

For admission to the silent movie and a sack of free popcorn, The Printer played the piano and Charley the trap drums. Right in the middle of a torrid love scene we would start up "The Burning of Rome," or some such number, and the boss would come down and eat us out. And Mrs. Dr. J. W. Young was kind enough to let two music-hungry boys come into her living room and spend hours playing the Victrola.

The only swimming holes were Seales Creek and Cottonwood tank, but they were a long, hot walk from town, so one summer two boys anxious for a swim and not meaning any irreverence, on the sly filled up the baptistry in the Baptist Church with water. Each hot afternoon for many days that summer we would slip into the church, lift the trap door to the baptistry, and take a "swim."

Ice cream was a rare treat in those days. Although not any more selfish than some growing boys, we would hide in the smokehouse, make and eat a whole gallon of ice cream, made unusually rich with Borden's condensed milk and a big jar of home-canned peaches. We saved P&G soap wrappers for premiums, sold lemonade at the county fair, even exercised the trotters and pacers at the race track for the Newmans and Trammels, rode everything from yearlings to old Mexican steers at Emerson's ranch corral, and were on the high school debating team.

We camped out in the "breaks," twisted rabbits and trapped prairie dogs. With the latter, together with horned toads we collected, we sometimes boarded the T&P passenger train to sell to Easterners and "damyankees" at \$1.00 each. We even tried that stunt of

popping a rattlesnake's head off. It didn't work, but, at least, we didn't get biten.

We rigged up our own telephone, and did the first "wire-tapping" we ever heard about. Our telephone was tied-in with Mr. Green's phone, and we could lie in the bedroom and hear Charley's sister, Mary, and Rhonda Wharton coo and flirt and make love. Lot's of fun!

We hope we never get so old and cranky we can't remember our childhood. Old Charley's gone, but he loved a laugh—and we know he's laughing now in the Great Beyond about some of these happenings in his childhood.

Mrs. O. H. Hoover, The News correspondent at Grassland, is rejoicing over the fine crop that community has this year—if they can get it all gathered. She thinks this year's crop in the community is the best ever, per acre. On the Hoover place 32 acres of dryland maize produced 120,000 pounds of grain, nearly 4,000 pounds to the acre. She thinks the cotton will be better than last year, when they made a bale and a half per acre.

When a young woman applied to the school board for a job, she was asked how long she intended to teach. "From here to maternity," she replied.

When you get kicked from the rear, it means you're in front.—Cheer.

This would be a fine world if all men showed as much patience all the time as they do when they're waiting for a fish to bite.

Comment of a Virus Victim: "I'm so full of penicillin that if I sneeze I'll cure someone."—Irish Digest.

Wilson Telephone Number Changes

A number change is in store for Wilson customers of General Telephone Company of the South-west, according to district manager, Wayne King of Lamesa.

"Beginning on March 29 of next year, all Wilson numbers will be composed of seven digits," King said.

The number change will be made coincident with the replacement of telephone equipment in the Wilson exchange central office.

King stated that businessmen, farmers, and other residents should consider this number change prior

to ordering letterhead stationery and other advertising for 1962.

"The new number assignments will be completed around February 5," King said, "and a supplemental directory will be issued just prior to the equipment conversion."

"A numbering system similar to the one now in use in Tahoka will

replace the existing four-digit numbers in Wilson," King added.

Mrs. Poer Tells Storm Damage

Mrs. Roy E. Poer returned home Sunday after spending a month in Houston with her daughter and family, Mr. and Mrs. Harold Edwards.

While in the city, Mrs. Poer and the Edwards visited hurricane-torn and tornado damaged areas of Galveston, Texas City, Houston and other points. On her return to the magazine section of the Houston Chronicle dated Oct. 18, the special Carla issue, that pictured only a portion of one of the worst disasters on the Gulf Coast.

After viewing the damaged areas, Mrs. Poer says that no pictures or reports have nearly told of the destruction done in the cities. Not only are hundreds of homes completely demolished by the hurricane and tornadoes, but many are severely damaged that are not even considered "damaged." Some of these are homes where water soaked the flooring so badly, that the flooring had to be torn out to keep the walls from buckling.

The devastation left by the tor-

nado in Galveston alone was terrible and amid the blocks of houses destroyed, she saw one that was completely turned upside down.

Texas City, too, was greatly damaged. The son-in-law of the Harold Edwards, Earl Moore, gave Mrs. Poer a publication of the company where he is employed, the Monsanto Chemical Co., which describes the day by day events of the storm in Texas City and the many problems encountered by his company alone, including the assistance program to help plant families rebuild their homes.

But, as the assistant general manager of the plant stated, "Ability to recover is what makes Texas great."

Salary is an amount of money that no matter how large it is some people spend more than—Banking.

A very small river will carry a good deal of water to the sea—if it keeps running.—Sunshine Magazine.

Interest Grows In Soil Testing

College Station—The increasing interest in soil testing, as the foundation for soil improving program and the resulting increase in the number of soil samples submitted to the State Laboratory, has necessitated expansion of the facilities, said Dr. R. E. Patterson, Dean of Agriculture at Texas A&M College.

Dean Patterson added farmers and ranchmen have found that crop and pasture yields can be increased by following recommendations supplied by the Laboratory Soil tests will determine the proper amounts and kinds of fertilizers, and limestone required for profitable production.

The new laboratory, located on the second floor of the College's Old Creamery Building, was put into operation immediately after the move on October 26. It will continue to be operated by the Texas Agricultural Extension Service with Extension Soil Chemist W. F. Bennett in charge.

In commenting on the new facility, Extension Director John E. Hutchison said, "The new laboratory will enable us to provide better service to the agriculturists of the state. The new quarters will provide additional space and increase the capacity of the laboratory."

In addition to the State Laboratory, the Extension Service also operates facilities at Seymour and Lubbock. During the past year, September 1960 through August 1961, the three labs handled 13,987 soil samples. Harris county was high with 702 samples submitted. Castro, Parmer, Lamb, Hale and Wilbarger counties followed in that order. Samples were also received and tested from seven other states and from Mexico, Brazil, Argentina, The Bahamas and Virgin Islands. The High Plains Laboratory at Lubbock began operations last November, which is under the supervision of J. H. Valentine. Baylor County Agent R. L. McClung is in charge of the Seymour facility.

It takes two kinds of people to make the world—poets to write about the glories of autumn, and the rest of us to rake them.—Marjorie Johnson.

Always Discriminating

It is a mistake to think the primary job of education is to make people happy. The job is to teach people to think.—Prof. Malcolm P. McNair.

AUCTION SELLING BRINGS HIGHER COTTON PRICES

Cotton has now joined livestock, tobacco, citrus fruit, eggs and fresh vegetables in using the auction method of selling. However, the monotone chant of the auctioneer which makes livestock and tobacco sales noisy and colorful is entirely missing from a cotton auction.

Plains Cotton Cooperative Association at Lubbock is selling some \$7 million worth of cotton each week quietly and without fanfare. Daily sales catalogs listing from 7,000 to 10,000 bales are flown nightly to cotton buying centers in Dallas, Houston and Memphis and distributed in Lubbock.

Buyers examine the listings and make their bids. These may be presented in person, but many bidders make their offers by wire without leaving their offices. At 2:00 p. m. each day, Monday through Friday, the sealed bids are opened and each quality is awarded to the highest bidder. The CCC loan support and Plains Cotton Cooperative Association's own bids operate to prevent cotton from selling below market price.

Eighty-nine Plains cooperative gin associations with 137 gin plants concentrate their farmers' cotton for Plains Cotton Cooperative Association's auction sales. Farmers find a stronger market because of the economies made possible by cooperative auction and volume competitive selling.

Plains Cotton Cooperative Association was organized eight years ago to find better ways to sell Plains cotton to more mills. By its aggressive sales program, it is now selling cotton in 22 foreign countries and to many mills in the United States.

Being owned by the farmers who use it, any margins made in the competitive auction sale, in merchandising and in warehousing are paid by Plains Cotton Cooperative Association to the farmers who send in their cotton. Last season, \$1,512,000 were paid as patronage

Growing... growing... gone

All too soon the years of bare summer feet, sugar-and-butter sandwiches and cartwheels are yesteryears. But fine photographs capture and hold the growing years, become more cherished as childhood slips into memory.

Such a record will be yours, if you start it today. We would like to show you how it's done with photographs of

Be our guest... SAMPLE A NEW '62 CHEVROLET

Come in and drive any (or all three) of these new cars for '62

Impala Sport Coupe... goes as smooth as it looks

'62 CHEVROLET
If you've a yen for room, refinement and riding comfort (at a price that takes the high cost out of feeling luxurious), take a guest drive in this one. You'll see why this is all the car any-

one could reasonably want. That head-in-the-clouds Jet-smooth ride. The power choices up to a pulse-racing 409 h.p.* The whopping deep-well trunk. Fact is, the more you get to know this built-for-keeps beauty, the more you'll find to like.

Chevy II Nova 400 Sport Coupe... gay-blast on a budget

2 NEW CHEVY II
Sample this savvy saver and you'll discover just how dapper dependability can be. Here's a brand-new line of cars, sensibly designed to save you money on service, maintenance and operation. The ride is wonderfully gentle and precise, thanks to new Mono-Plate rear springs. Roominess, for people and stuff, is remarkable. Discover all the happy details for yourself—at your Chevrolet dealer's.

'62 CORVAIR
Here's a fleet-footed blend of sports car spirit and thrifty practicality. Along with some neat new refinements, Corvair's rally-proved four-wheel independent suspension, rear-engine design and tenacious traction are all back, as tarin' to go as ever. If you haven't had a go in Corvair, your Chevrolet dealer's the man to correct that oversight.

Monza Club Coupe... sporty goer with savings galore

It's easy as 1-2-3 to pick a winner at your local authorized Chevrolet dealer's
