Miss Iris Bryan Married Recently

Mrs. Frank (Vivian) Bryan of Siloam Springs, Arkansas, formerly of Tahoka, announces the marriage of her daughter, Iris, to Robert Lee Hillhouse, Jr. of Siloam.

The couple was married in Pine Ville, Missouri on Sept. 7 by the Rev. J. P. Willbanks, pastor of the First Methodist Church of that city.

Mrs. Hillhouse attended Tahoka schools until October of 1959, and is presently attending Siloam Springs High School where she is a senior student. She plans to continue her education and graduate in May of the next school semester. Mr. Hillhouse, who was reared in Siloam Springs, is the son of Mr. and Mrs. R. L. Hillhouse, Sr.,

Fathers Honored By Rainbow Girls

Tahoka Assembly No. 234, Order of the Rainbows for Girls, held its Father-Daughter banquet Monday night in the basement of the Methodist Church. Approximately 50 persons attended the event.

The tables were decorated with red and white poinsettias, red candies and silver balls.

A. M. Bray gave the invocation. The welcome was given by Sue Walker and Eldon Gattis the response. Calloway Huffaker was guest speaker for the occasion, and P. G. Vander Linden presented an entertainment period with his magical acts.

also of Siloam Springs. He graduated from Siloam Springs High School in 1958.

The couple is making their home at 915 E. Twin Springs in Siloam Springs where he is employed by the Rogers Oil Co. He is also a sergeant in an Arkansas National Guard unit of the 142nd Artillery group.

MRS. V. W. BOLECH (nee Miss Patricia Raindl)

Granddaughter Of Mrs. Raindl Weds

Miss Patricia Gwendolyn Raindl and Victor William Bolech, both of Shiner, were united in marriage Nov. 11 at 4:00 p. m. in SS. Cyril and Methodius' Catholic Church in Shiner. A Nuptial Mass followed the double ring ceremony.

The Rev. Father John F. Hanacek officiated at the service.

The bride is the daughter of Mrs. Esther H. Raindl of Shiner and is a granddaughter of Mrs. Frank Raindl, Rt. 1, Wilson. Bolech is the son of Mr. and Mrs. Bill Bolech, also of Shiner.

Louis Brosch of Lubbock, uncle of Miss Raindl, gave her in marriage.

Attendants were Miss Ellen Raindl of Shiner, sister of the bride, who served as maid of honor, and Mrs. Isidor Malik of Houston, sister of the groom, as bridesmaid.

Jerry J. Siegel of Shiner was best man and Isidor Malik was groomsmen. Witnesses were Edwin Chumchal of Shiner and Bohumir Pustejovsky of Hallettsville.

Following the ceremony a chicken barbecue supper was held at the Parish Gym in Shiner. Miss Mary Ann Pustka of Hallettsville presided at the register while Miss Marilyn Harbers recorded the gifts.

Mr. and Mrs. Bolech are now at home at 5616 Belmont, in Houston. Both are employed at the J.M.H. Supermarkets.

Christmas Story Told At Guild

Mrs. Natt Park presented the "Story of the First Creche" at the Christmas program of the Wesleyan Service Guild Thursday night of last week in Fellowship Hall of the First Methodist Church.

She told of St. Francis of Assisi being the first to use the nativity scene in his church and the events that surrounded that season.

Mrs. W. M. Mathis served refreshments and provided a Christmas centerpiece.

The Guild will again this year entertain the Latin American school rooms here with their Christmas parties. A Guild member has been appointed room mother for each of the rooms and will have a committee serving under her to serve refreshments and distribute toys.

Also under consideration is a Christmas dinner for the members and their husbands next Thursday night. If the event is held the president, Miss Lois Montgomery, will provide the turkey and members will bring the remainder of the dinner.

The first credit union in the U. S. was founded at Texarkana, Texas, in 1934.

S. S. Classes Will Entertain Children

Two Tahoka Sunday School classes will sponsor a party for about 150 Negro and Latin American children Tuesday at 7:30 p. m. in the City Legion Building.

The classes are the Berean Class of the Methodist Church and the Young Married Couples Department of the First Baptist Church of which P. G. VanderLinden and Mrs. Truett Smith are teachers.

A program will be given the group and bags of candy given the children.

All children who do not have transportation are to meet at the Mexican Baptist Mission and the Methodist Church in the colored section of town. The Baptist bus will make trips to each place and take them to the City-Legion Building.

Girl Scout News

For the month of November the following girls served as officers of Brownie Troop 306:

Kim Turner, president; Diane Dykes, vice president; Debbie Miller, secretary; Debbie Barham, treasurer; and Donna Gunnells, song leader.

This month we have made piggy banks from baby food jars and pencil holders from popsicle sticks. We have also been working on embroidered cup towels. We participated in the Christmas parade on Dec. 9.

Troop 306 is planning a Christmas party for Dec. 20 and each girl is to bring one item of canned goods or other groceries to prepare a Christmas basket for a needy family.

At the next meeting the troop will plant daffodils which will bloom next Spring to commemorate the Golden Anniversary of Girl Scouts in 1962. The troop will not meet on Dec. 27 because of the Christmas holidays.—Jane Ann Moore, reporter.

Troop 404

Girl Scout Troop 404 will hold its Christmas party this afternoon when various committees will serve refreshments, plan games, etc. Gifts will be exchanged and members will also bring toys, canned food, and other items to be contributed to the Goodfellow Fund.

The girls will take a hike this Saturday morning if the weather permits.

Brenda Drager served refreshments of hot chocolate and cookies at the last meeting when plans were discussed for future meetings.

Wilson 4-H Girls Start On Projects

The Wilson Grade School 4-H Club met last Thursday with their leader, Bill McCutcheon.

Electricity kits were given to those whose projects deal with electric devices. Calendars were donated to the 4-H members by the First National Bank of Tahoka.

V.F.W. Auxiliary Plans Visit To Veteran Hospital

Tahoka V. F. W. Auxiliary met in the City-Legion Building Monday at 7:00 p. m. for a regular meeting with the president in the chair.

After a regular business meeting, plans were completed for the trip to the Veterans Hospital at Big Spring to help the ex-service men and women that are confined to the hospital have a love gift and visit during the Christmas season. All members of the V. F. W. and Auxiliary who wish to make this trip are to contact Mrs. J. I. Gattis before Thursday, Dec. 21 so ways may be planned for all. Cars will meet at Mrs. Blanche Burroughs on the O'Donnell highway ready to leave by 4:30 p. m. Dec. 21

There have been some 285 or 290 gifts wrapped to be delivered to the patients. Refreshments also will be served to all that are able to have refreshments, as well as candy and cigarettes. Some love baskets will be given to our shut-in members here during Christmas.

Monday night's meeting closed those for 1961. The Auxiliary will meet the third Monday night in January for a regular meeting.

The Auxiliary thanks all who have helped make this a successful year. The group is looking forward to seeing more of the members out for each meeting next year as there is a big job to be done.

At Monday's meeting Santa presented each member present

Everyday Religion

By J. B. Thompson

Christmas unveils the significance of little things. The value of a Christmas gift is enhanced many times in the mellow glow of the Advent season. Contrary to the common idea that expensive gifts convey more love there is a transforming power that accompanies even the most inexpensive gift if prompted by true devotion. Thus, under the magic spell of Christmas common things are rare

things; more precious even than jewels, unless one wraps himself in the package the gift is a shame for "the gift without the giver is bare." But, beyond the insignificant looms the majestic. Each true gift at Christmas becomes a symbol of the Gift. The divine gift of God to His children. "For God so loved the world that he gave." Each gift at Christmas time should bear with it the glad tidings of the Life our Lord came to bring. When one gives himself in the spirit of Christ he gives the greatest gift of all.

QUESTIONS, PLEASE

QUESTION: WHAT IS THE DISEMBODIED STATE?

ANSWER: By "disembodied state" is meant the conscious existence of both the righteous and the wicked after death and prior to the resurrection. The New Testament affirms such a state. In this state the spirit is without a body, yet for the righteous it is a state of conscious joy and blessedness, while for the wicked it is a state of conscious suffering.

The disembodied wicked are separated from God. This idea Lazarus and the rich man in the parable of Luke 16:19-31. The disembodied wicked are separated from God. This idea Lazarus and the rich man in the parable of Luke 16:19-31. The disembodied wicked are separated from God. This idea Lazarus and the rich man in the parable of Luke 16:19-31.

The term "separated from God" in no way suggests conflict with the concept of God's omnipresence. The idea is that of separation from the blessings and fellowship of God. The disembodied wicked are suffering punishment. This was true of the rich man. He died and found himself immediately in a state of torment.

The disembodied righteous are in paradise or in Abraham's bosom and these are terms descriptive to the state of blessedness in the presence of God. No greater joy could be contemplated by a good Hebrew than to be clasped to the bosom of Abraham, the father of the race.

The place of existence of the righteous and wicked dead is a fixed place in the Hadean world. Hades simply means the unseen world and in this unseen world of the spirit there are two dwelling places for the departed spirits; paradise or Abraham's Bosom for the righteous and Tartarus or punishment for the wicked. These states will continue until the return of our Lord.

Walter Vaughn Tells Interesting Story Of Deer Hunt In Rugged Rio Grande Area

Mr. and Mrs. Walter Vaughn and party of relatives and friends returned Saturday night from a deer hunting and fishing trip to some of the wildest country they ever saw down on the Rio Grande.

Their trip was to the Marion Baulch Ranch, 54 miles south of Sanderson, then five miles from his ranch house out to their camp site, a mile from the River.

Mr. Vaughn says they were an hour and a half making that five miles from the ranch house to the camp, but all their pickups were equipped with "grandma" gears and they made it fine.

They had 25 sections with 12 miles fronting on the river on which to hunt, but there was only one little trail two to three feet wide going down 1,600 feet to the river. Only a man and pack mule had room to walk, and then it took two and a half hours to make

ESTIMATE IS MISTAKE

The estimate reported last week of the damage done by a fire at the Dr. Skiles Thomas home was not given by the firemen as stated. The exact extent of damage is not yet known.

Bunk Gill, who formerly farmed in the New Home area but who is now living at Woodrow, will farm a place just north of Tahoka this next year, and says he would like to move to Tahoka if he can find a two- or three-bedroom house in which to live.

Mr. Baulch, who lives in San Angelo, has a 1100-foot well with an oilfield pump that pumps water through a one-inch pipe to a watering place on each section of his ranch. The hunting party had water at their back door.

This is the brakes of the Rio Grande with nothing but canyons 300 to 500 feet deep, and Mr. Vaughn says it is the roughest place he has ever seen in Texas, excepting the high mountains.

Every man got a blacktail deer, ten in all, that weighed 150 to 185 pounds, and most of them were killed in those deep canyons. They were brought out of the canyons by two Mexicans and two pack mules.

The camp was made up of one camp house 16 by 20 feet in size, furnished, and having butane and water. Each of the seven families had a tent, and their granddaughter's husband, Alvin Miller, furnished the light to every tent and the cook shack with his electric light plant. Mr. Vaughn says the place looked like an Army camp.

After they got their deer, the men took their camping and fishing equipment on pack mules and went to the river, spent the night, and caught enough blue, channel, and yellow catfish to feed the party two days.

Mr. Vaughn says the trip was a wonderful experience. No one got sick or hurt.

Making up the party were: Walter and Esther Vaughn of Tahoka; their son-in-law and daughter, Clyde and Gladys Barron; grandson, R. D. Barron; granddaughter and husband, Alvin and Dorris Miller and son Ronnie; Clarence and Cris Miller and two sons, George and Lillian McKesley, and Ralph and Myrtle Crouch. The Clarence Millers live in Fort Worth, the others in San Angelo.

Juniors In Split At Brownfield

Seventh and eighth grade basketball teams split two games with Brownfield last week, the seventh winning 42-39 and the eighth taking a 26-21 loss.

Brownfield led the seventh grade game at the end of the first quarter 16-9 and at the half 21-17. Mitchell Williams scored 15 points in the third quarter and the local team pulled ahead 38-27. Williams made a total of 28 points in the game and Milton Miller made 10.

The local eighth graders trailed 6-1 at the end of the first stanza, 15-10 at halftime, and 16-13 at the end of the third. Dickie Davis made seven points for Tahoka, but Smith of Brownfield made 17.

Local Team Lose Games At McAdoo

McAdoo won two games from Tahoka there Tuesday night defeating the boys 62-40 and taking the girls' game 51-47.

Tahoka couldn't make a dent against the shooting of four Eagles who scored in double figures. McAdoo led 11-7, 28-18, and 53-26 by quarters with Norman McCormick leading the scoring with 15 points, John Powers 11, and Bill McWilliams and Larry Morris, 10 each. John Freddie Thomas was high for the Bulldogs with 10 points and Craig Leslie scored eight.

McAdoo was out in front 25-18 at halftime in the girls' game but Tahoka was a threat throughout the game, coming within four points at the end of the battle. Gayle Hardy scored 27 points for the winners and Tommie Harris 19. Loretta Short hit 19 points for Tahoka and Judy Thomas made 16.

LITTLE CINDY WUENSCHÉ DISAPPOINTED WHEN SHE FAILS TO GET TRAIN RIDE

Cindy Wuensché of Wilson, daughter of Mr. and Mrs. Melvin Wuensché, is a very disappointed little girl.

Daddy Melvin and son Don were leaving by train from Slaton for Gatesville to drive home a new pickup Melvin had purchased there, and promised Cindy her first train ride from Slaton to Post, where her mother, Agnes, would pick her up.

But, things went wrong. En route to Post, Agnes had a flat, and seeing she didn't have time to meet the train at Post called the Slaton station to so inform Melvin.

But, Cindy couldn't understand why Daddy would promise her a train ride and then tell her she couldn't make it. Mother arrived at Slaton after the train had left, and Cindy asked, "How come my daddy don't want me to ride the train."

Melvin and Don also visited the Vernon Tienerts in Victoria, the Arthur Wuenschés, formerly of Wilson, in Bartlett, and also made a business visit to San Antonio.

PARIS VISITS HERE

Mr. and Mrs. Donald Paris of Amarillo, where he teaches in a junior high school, were here over the week end visiting his mother, Mrs. Jim Hill, and other relatives. Donald says his brother Lt. Tommy Paris and wife are now in Okinawa with the Army, and Bobby Paris is a senior in West Texas State and Bobby's wife is employed at The Canyon News.

Mrs. J. D. Davis was a patient in Tahoka Hospital from Sunday until Tuesday where she was treated for carbon monoxide poisoning. Mrs. Davis, her husband and little boy slept Saturday night in a closed house with open heater when the carbon monoxide poisoning occurred. Mr. Davis and the little boy were not hospitalized.

Congratulations:

Mr. and Mrs. Wayne Tekell, Rt. 4, on birth of a daughter in Methodist Hospital, Lubbock, at 1:02 a. m. Sunday, Dec. 10. She has been named Melanie Gaye and weighed 6 pounds 10 ounces. The couple also has two sons, Mark 4 and Lane 2. Maternal grandparents are Mr. and Mrs. Sam Bartley, and Mr. and Mrs. O. O. Tekell are paternal grandparents. The father is a farmer.

Rev. and Mrs. James P. Burnett of Wilson on birth of a son, James David, at 3:27 a. m. Saturday, Dec. 2 in Mercy Hospital, Slaton. He weighed 6 pounds 4 ounces. The father is pastor of St. John Lutheran Church in Wilson.

Mr. and Mrs. Frank Rocha, Route 1, on birth of a daughter in Tahoka Hospital at 9:06 a. m. Sunday, Dec. 10. She weighed 8 pounds 2 ounces and has been named Josephine. The family works for LeRoy Knight.

Letters To Santa:

Dear Santa Claus,
I'm a good little boy 2 years old and I'm all excited 'about' your visit Christmas Eve. I'd like some little boy records and a record player. Also a new rock and roll monkey, a robot, a car and gas pump. Don't forget the fruit, candy and fire crackers. Please remember all the other little boys and girls. Love you Santa, Randy Lynn White.

Dear Santa,
I'm in the second grade. I have been a very good girl all year. All I want is a kissy doll and a Maxwell house set. I have two brothers—they would like a tractor each. Brenda.

Mrs. Urban Brown has been a medical patient in Tahoka Hospital since Friday.

Girls Third In Abernathy Tournament Boys Lose In Consolation Finals

Tahoka girls won third place in the Abernathy tournament defeating Ropesville 51-43, but the boys lost their consolation title to Olton 49-48.

Jerre Ann Wyatt, guard on the girls' team, was named to the all-tournament team. She was the only Tahoka player to receive the honor.

The Bulldogs lost their opener to Roosevelt 42-23 when they couldn't find their range. Halftime score was 18-7 with Roosevelt leading. Faulkner was high point man for the winners with 16 and Hartly made 13. No one scored in double figures for Tahoka, although Craig Leslie made nine points.

The boys gained a berth in the consolation finals by defeating Crosbyton 45-32 after leading at halftime 22-10. Fred Hegi paced the Bulldogs with 11 points while Leslie made 10. Watson led the Chiefs with eight.

In the consolation finals Tahoka took a first quarter lead over Olton of 11-7, and at halftime held a 25-16 lead. They still led at the end of the third 39-35, but the Olton team took over in the fourth period to win the game by one point, 49-48. Andy Bray took high

point honors for Tahoka with 15, while Leslie made 14. Shenck led the winners with 21 and Johnson was right behind with 20.

The girls opened the tournament by defeating Roosevelt 54-34 after taking a 31-10 halftime lead. Judy Thomas scored 22 and Kay Halamiczek 21 for the local team while Bobbie Gregory made 11 and Alice Woolley 10 for the losers.

Abernathy knocked the girls out of a shot at the finals by one point in winning the second round game 43-42, after the local team led until the final quarter. Halftime score was 28-20 with Tahoka out in front. The Abernathy girls pulled the game out of the fire in the last stanza by scoring 14 points to Tahoka's five. Johnson led the winners with 28 points and Judy Thomas scored 22 for Tahoka.

The girls came back to defeat Ropesville and win third place by a score of 51-43. Tahoka dominated the game and led at halftime 33-26. Kay Halamiczek scored 22 points for Tahoka, Loretta Short 17, and Judy Thomas 12. Sharia Biggs took honors with 23 and Sandra Jeffcoat added 12.

Hints On Filing New 1961 Income Tax Forms Are Given By Accountant

Hints on filing 1961 income tax forms were discussed by Robert E. Abbe, local accountant, at Tahoka Rotary Club Thursday noon of last week.

New income tax forms are being sent out this year, and these are necessary to conform to the government's new electronic system for processing these returns.

Each year, the Internal Revenue Service is pinching down a little tighter and making more requirements in the filing of returns.

This year, each member of the family reported on a person's income tax report should have a Social Security number, no matter how old the person is. Time and "red tape" can be saved now by getting a Social Security number for everyone in the family from the baby to grandma, for the time will soon be here when every citizen must have a number.

Future income tax reports and other government papers filed will have to carry the Social Security number of the person or persons involved, or a penalty of \$5.00 will be charged for each failure to report this number.

He explained other phases of the new income tax forms applying to Schedules B and C, particularly the latter which will require a fairly accurate inventory. He also discussed the value of tax planning to the individual, declaring that tax evasion is illegal and can get one in trouble, but tax avoidance is legal and smart business.

All records of business necessary to prove income tax and business records must be kept at least three years, and even certain checks involving expense of business and other items that may be deductible should be kept forever, Mr. Abbe declared.

The program was arranged by Dr. K. K. Durham, who introduced the speaker.

H. B. McCord, Sr., a charter member of the club, and H. W. Carter, who has been out on leave for several months, were welcomed back into the club by the president, Dr. Skiles Thomas.

Christmas Leave Offered Enlistees

Again, as in the past, a Christmas leave policy is being offered by the U. S. Army. According to Sgt. George Moore, local Army recruiter, men enlisting from December 11 through New Year's Day may request as much as 15 days leave before reporting for basic training.

With this liberal leave policy young men can enjoy the holiday season with their families and still draw full pay and allowances from the U. S. Army.

Those who desire more information on this leave offer and the many other benefits available to young men should contact Sgt. Moore, at the Post Office, Wed., 3 to 4:30 p. m. or phone Lubbock, PO 3-2821 (Collect) or at 1110 Texas Ave., Lubbock.

Gene Akin Gets Insurance Award

National recognition has been awarded to Mr. Gene Akin, of 1414 Avenue Q, Lubbock, who was reared in Tahoka, a representative of the Great American Reserve Insurance Company, through publication of his article, "Plan for Consistent Production", which appears in the current issue of THE INSURANCE SALESMAN, one of the nation's leading business journals and the largest paid-subscription journal in the Life and Health insurance industry.

In his article, Mr. Akin describes how a positive mental attitude is the real secret of organizing for consistent production in selling insurance.

The article developed as the result of an inquiry by the magazine's editorial staff to his company's home office in Dallas, requesting company officials to designate a man to submit an article in this particular area. Mr. Akin was selected by his company.

Mr. Akin joined Great American Reserve six years ago. He has been one of their leading producers; he is vice president of their President's Club. He has completed all Life Underwriters Training Council courses offered and is working on his Chartered Life Underwriters.

Coming—dark and stormy weather. Prepare yourself with bright raincoats and matching umbrella. Bright colors on a dark day lift your spirits.

Suggestions For Christmas Mail

Postmaster W. E. Smith has made the following statement in regard to Christmas mailing suggestions.

Many thanks for your splendid cooperation during the busy Christmas season last year, and those of you who would like to help this year we offer the following suggestions:

Unsealed greeting cards without writing, other than your name, may be mailed for 3c, but they cannot be forwarded or returned to you if undeliverable as addressed. Those bearing the letter rate of postage, 4c, can be forwarded or returned if undeliverable, provided they bear your return address. All sealed cards and those containing writing must bear the letter rate of postage.

You can further assist by separating your cards for local and out of town delivery. When they are ready to be mailed, with stamps affixed in the upper right corner, tie them in bundles with all addresses faced the same way. Labels 14-A and 14-B are supplied with-

out charge for your convenience in labeling the bundles. Or you may use slips of paper on which you have written, "All for Local Delivery" or "All for Out of Town Delivery."

Select a sturdy container and wrap your packages in good heavy paper and tie with cord or strong twine so that they will reach their destination in good condition. Write or print the address on one side only and place your return address in the upper left hand corner. Avoid the use of oiled or waxed paper for the outside wrapper. A card may be placed inside the parcel containing your name and address. A letter may be enclosed in the package if you mark on the outside "First class mail enclosed" and pay the rate for the letter plus the parcel post charge. Valuable packages should be insured.

The first credit union in the world was organized in Germany in 1849.

You've got nine Chevy II models to choose from. This is the Nova 400 Sport Coupe.

Luxury and low price were never blended so beautifully

Who but Chevrolet could've done it? Price, spice and everything nice! A car that's bustin' with room, zoom and richness. One that's deep in convenience and comfort. One that won't let you squander a thing but affection. Look over the beautiful new Chevy II Nova here, and light out in it at your dealer's.

NEW CHEVY II NOVA

A SIX WITH V8 SCAT. You design a throaty Six (120 hp. strong) with special refinements like seven main bearings. You take your Six and team it with a car that is hundreds of pounds lighter than the big jobs—and, partner, you've got *Go!*

EASIER GOING RIDE. New Mono-Plate rear springs take the place of old-fashioned multi-leaf springs. Tough but ever so gentle, they help give you a ride that reminds you of the big Chevrolet—and you know how smooth that is.

RICH REFINED INTERIORS. Here's where you sit in the lap of luxury. Leatherlike vinyl upholstery. Foam-cushioned, of course. Carpeting and scuff mats. Vinyl overhead and chrome trim—the works!

EVEN BUCKET SEATS IF YOU LIKE. Comfortable, contoured for full support, padded with thick deep-foam cushioning, covered in rich leather-grained vinyl. Yours at slight extra cost in the Nova Sport Coupe and Convertible.

Body by Fisher

STRIKING NEW STYLING. Any way you look at it, the Chevy II Nova is a neat, nifty fashion plate. The lines are so crisp and clean we're tempted to call them "elegant" (except that sounds downright expensive and, as your dealer will happily show you, Chevy II is anything but!).

See the new Chevy II, '62 Chevrolet and '62 Corvair at your local authorized Chevrolet dealer's

The Slaton Slatonite asks: Remember Billy Mitchell? He was court martialed for daring to advocate air power? The same clan that did this now clamors for a few billion tax dollars for a flight to the moon. General Douglas MacArthur was fired for wanting to win the Korean war against the Communists. General Edwin Walk-

er was fired for training his men to fight Communism in Europe, while the Defense Department at home trained Communists in the use of our best jet military aircraft.

To which we add: Certain members of our Supreme Court have done everything possible, in effect, to protect Communists within our so-called democracy. The U. S. furnishes most of the money for support of the United Nations, while many nations furnish nothing. This includes Communist countries, neutrals, and pseudo-governments who have an equal vote with us in the UN. Yet the UN is getting out of control, has little effect, and is in danger of becoming Communist controlled. Our State Department has proven to be soft, inept, and losing its prestige. Many people high in our government advocate the One World theory and a World Court. Our federal government is growing more powerful as we lose more and more states rights, individual rights. It continues a deficit spending policy. Congress is gradually losing much of its legislative power to the bureaus, the executive and judicial branches. rection in which we are headed? It's getting late!

President Kennedy and Vice President Johnson recently sailed "extremists" in our land who are crying for a return to constitutional government. But, they say nothing about other "extremists" who are interfering with the operation of private business. In fact, many in government, including the President and Brother Bobby, the attorney general of the United States, are encouraging "sit-in" demonstrations in the South and even inciting riot. It all depends on whose ox is being gored.

Legislation and bayonets, whether by the Congress, the Supreme Court, or Presidents Eisenhower and Kennedy, or the Attorney General, can not eradicate social instincts, class distinctions, and physical differences overnight—or ever.

Even the John Birchers should have their rights—short of advocating the overthrow of government—if the equally radical NAACP and CORE and ADA, at the other end of the pole, are to be tolerated and even encouraged. American leaders need to quit playing politics with dynamite and start advocating "Americanism."

J. Edgar Hoover, long-time head of the FBI, just last week declared: The Communists now control one-fourth of the earth's surface, one-third of the world's people, and have infiltrated the very foundations of our own land.

An example of too much power centered in Washington is the case of the questionable ultimatum recently given Slaton by the U. S. Department of Labor requiring that the town integrate its swimming pool immediately (right here in the dead of winter) or 31 farmers in that trade area would be black-listed and lose their right to use bracero labor—a ruthless, despotic, and unfair act. Labor Sec'y. Arthur Goldberg, a former Union lawyer, is out to break the bracero program and to unionize all farm labor, by his own admission. Lynn county voters should remember that Senator Ralph Yarborough is also against the bracero program and has voted consistently with union labor.

Mrs. W. R. (Bill) Warren was

What Others Say—

Cecil Waggoner in the Clapde News:

Some democrats are jumping from the frying-pan into the fire. They may feel they are changing politics but from where I sit both parties seem channeled in the same direction and they will soon find their sad mistake has netted them nothing.

These "switch-overs" would have better served their country by staying in the Democratic party and returning it to its historic heritage. In past decades the Democrats have held fast to Constitutional Government and the balance of power between state and national governments. However, with in the past 30 years it has been captured by socialistic minded individuals and carried far afield from its original foundation. Do we intend now to turn the party over to his group, lock stock and name, or stage a comeback?

I had rather take my chances in staging a comeback and forcing the socialists to form their own party.

West Virginia Salem - Herald: "Government statistics show concern over the fact that 25 percent of American families live beyond their incomes. Look who's talking!"

Center, Colo., Post - Dispatch: "Small-town newspapers actually are the basic advertising medium for 99 million folks. There are about 10,000 small town papers across the country, and they get into way over 27 million homes. There isn't much doubt about the

in the other day to send the paper another year to the children, and we recalled some of the hard times of the "depression" days when we knew the Warrens the best. She said on one occasion Bill needed to have some blacksmith work done and didn't have a penny. She was scraping the bottom of the sugar container and found a \$10.00 bill she had hidden there and forgotten. She said that \$10.00 bill looked like a fortune.

A lot of the younger generation have no conception of how hard times were in the early 1930s. Some of the instances seem funny now, but they were no laughing matter then. Almost everyone was barely existing, and many people lost their farms, their homes, everything they had. The Printer was fortunate in that he managed to hold on to his house and his little interest in the business.

But, we recall one month we had paid just about all our bills but our grocery account at Bob Tate's store. We went by the bank and found we had a balance of \$13.20. That will be enough to pay off Bob Tate, we thought, and went by the store and asked him for our bill. Bob dug out the bill and told us we owed him \$15.50. We thought, Goodnight, what in the world has Mae been doing to spend all that money for groceries in one month. Anyway, The Printer wrote Bob a check for \$13.20 and told him we would try to get him the balance by Saturday. "Is that all the money you've got?" Bob asked. We replied, "Well, I've got 30 or 40 cents here in my pocket." Whereon Bob exclaimed, tearing up the check, "Heck, if that's all you've got, Frank, just pay me this fall." By fall, we had run the debt to about \$70, and that was the hardest debt we ever had to pay. Bob had done us an injustice instead of a favor.

We get to thinking about those days and it's a little funny now. But, remembering those "depression" days has kept us on more than one occasion from popping-off money on something we didn't need or couldn't afford.

Rev. Bill Thompson tells this story: Little Ivan, a Russian schoolboy, asked to describe America, replied, "America is a decadent country where the workers are exploited by the rich and depraved capitalists."

"Excellent," said the teacher. "Now tell us the aim of our great Soviet Republic."

"To catch up with America," answered Ivan.

A little boy came home from his first day at school announced, "Ain't going tomorrow." And his mother asked, "Why not dear?" To which the boy replied, "Well, I can't read 'n write 'n they won't let me talk—so what's the use?"

"How old are you, little boy?" asked a visitor. "When I'm home I'm seven, and when I'm on the bus I'm five."

LYNTEGAR ELECTRIC CO-OP BREAKS SEVERAL RECORDS

The following is from the recent issue of Texas Cooperative News: Lyntegar Electric Cooperative, Inc., broke several records during 1960: An all-time high in amount of total revenue, number of connections and amount of kilowatt hours sold. A milestone reached in 1960 was the beginning of refund of capital credits, which is that portion of money paid for electric service over and above the actual cost to the cooperative. More than \$100,000 of capital credits for the years 1939 through 1944 were retired to the patrons. A safety plaque was awarded the cooperative for having completed 200,000 man-hours without a lost-time accident.

Frank Harris is president, W. H. Moore is vice president, and Garland Pennington is manager. The cooperative has 10,345 connections in a nine-county spread.

Strict sanitation is the most effective barrier between the dairy cow and the organism which cause mastitis, explains A. M. Meekma, extension dairy specialist. The only practical way to prevent the spread of mastitis, he says, is to keep it from reaching udder tissue.

Citation Awarded Bobby R. Hamm

Austin—An official State Health Department citation was awarded this week to Bobby Ray Hamm, service specialist with the Tahoka municipal water department, for proficiency in water plant management.

The impressively designed certificates of competency, signed by the state commissioner of health and authorities of the Texas Water and Sewage Works Association, credit recipients with having demonstrated "skill and knowledge" of water treatment plant management and an understanding of the public health importance of the work.

Under the State Health Department's operator certification program, operators are carefully examined on their technical ability and on their knowledge of their work's influence on community health. Each must pass a stiff written test to qualify for certification.

The Texas general sanitation law requires that at least one plant operator per shift be certified by the state health agency, but other plant personnel and persons in related fields frequently seek certification on their own time and at

Letters To Santa:

Dear Santa,
I am a little boy almost 5 years old. I would like a walkie talkie, a drum, a shot gun, and fruit, nuts and candy. Don't forget my baby brother, Kevin, he is 17 months old. He would like a rocky horse and play things. Don't forget the little orphan girls and boys. Love from Tony and Kevin Spears.

Dear Santa,
I want a cowboy gun, a hat, rifle, airplane, big dump truck with a loader, talking ghost, some doll clothes, work bench, ice cream maker, telephone, house, race car, logs, every toy in the Wards catalogue, a horse, rocket, tractor, a baby heuy, horn, station, Flint Stone stuff, a record player, a cannon, a detective set, hand cuffs, cowboy suit, Indian suit. Garland

Dear Santa,
I am a little girl who has tried to be good all year long. I would like for you to bring me a new doll and a high chair for her. And Santa, please don't forget to bring something to my granddaddy, Happy Smith. He has been a good boy all year too. Thank you and I love you, Cathy Jo Casey, 2412 36th, Lubbock.

Dear Santa,
Please bring me a Chatty Kathy doll, table and chairs, dishes and xylophone. Don't forget all the other boys and girls. I've tried to be a good little girl. I am 5 years old and love you very much. Pam Riddle.

Dear Santa,
Please bring me some Tinker Toys and a go-cart like my Uncle Bill's. Bring my brother, Randy some toys to chew on since his gums are icky. My girl friend, Dixie, would like a gun and holster. Thank you. As ever, Jerry Glenn Brown.

their own expense to advance themselves professionally and to increase their efficiency as vital public servants.

"The recipients of these certificates are a credit to their profession and to their communities," sponsors of the certification program said.

Points toward certification are earned through actual work experience and by attendance at annual district and state short schools sponsored and conducted by the Texas State Department of Health, the engineering extension service of Texas A and M College, and the Texas Water and Sewage Works Association.

Tahoka Day At Fat Stock Show

Fort Worth — Tahoka has received an invitation to have a special day at the 1962 Southwestern Exposition and Fat Stock Show, scheduled here January 26 through February 4.

W. R. Watt, Stock Show president-manager, said by having a "special day" at the 66-year-old exposition, the city would receive special recognition both at the show itself and throughout a wide area of Texas.

The invitation provides a special block reservation of seats at the rodeo, with a spotlighted introduction to the rodeo crowd. The local band is invited to play a concert on the Stock Show grounds and be the show's guests at the rodeo.

The Fort Worth Rodeo spotlight will fall on television stars Lorne Green (Ben Cartwright) and Dan Blocker (Hoss Cartwright) of TV's popular "Bonanza", plus 400 rugged cowboys. The two big men from "Bonanza" will appear in person at all 20 rodeo performances. In the livestock department, more than 10,000 entries will be exhibited.

The city also is invited to name a cowgirl sweetheart to ride in the rodeo grand entry on the special day, and be introduced to the audience. Riding clubs in the area also are invited to ride in the opening day parade, in the rodeo grand entry on the special day, or both.

The Texas Credit Union League was organized in 1934.

Results Given On 1961 Milo Tests

In the 1961 season fifty-six varieties of grain sorghum were tested under dryland at the High Plains Research Foundation. The highest yielding variety in 1961 was 512 pounds above that of the highest yielding hybrid in 1960. The average yield of all hybrids and varieties included in the test was 462 pounds above the 1960 average. Dr. Earl H. Collister, Chief Agronomist, conducted the test.

The fifty-six hybrids and varieties were planted June 13 and harvested on October 3 and 17. Fifty pounds of anhydrous ammonia were sidedressed on July 28. The dryland varieties were aided by 4.46 inches of rainfall in

July and August of 1961. The area had been planted to wheat in the 1960 season.

The first twenty-eight hybrids and varieties yielded so nearly the same that they are considered equal in ability. The least significant difference in this test was 621.34 pounds of grain per acre. This means that there must be at least this much difference between the yield of any two hybrids or varieties before one would be considered superior to the other, Dr. Collister said.

The twenty-eight varieties were: Amak, R-14, 3723.06; Excel B-52, 3710.91; P.A.G. 625, 3636.21; Excel P-38, 3555.26; Steckley R-108, 3543.25; Frontier 411, 3515.31; Horizon 78, 3490.37; Texas 660, 3471.50; Standing, 3434.27; Cheyenne, 3360.48; Texas 601, 3278.96; Horizon 79; 3274.11; DeKalb C-45, 3258.50; Richardson's 303R, 3252.82;

WAC 750, 3251.43; Te 77, 3239.54; Lindsey 788, 3234.84; P.A.G. 430, 3219.21; NK 210, 3215.37; DeKalb C-44b, 3204.79; P.A.G. 665, 3184.14; Martin, 3173.06; Commanche, 3158.20; DeKalb D-55, 3156.70; Standmaster, 3138.04; R.S. 661, 3120.18; P.A.G. 515, 3114.59; and Kiowa, 3109.92.

Alaska's famed "Valley of Ten Thousand Smokes" was formed in 1912 following the eruption of the volcano Nova Rupta.

The National theme of the Boy Scouts of America for 1961 is "Strengthen America—Character Counts."

HOTTEST NOVEMBER IN FORD HISTORY!

And here's what started the heat wave!

Last month more Americans bought Fords than in any November in history. The blazing success of the long Ford line was end-to-end, all across the country and up and down it, too. Everywhere the people flocked into their Ford Dealers and bought smart new Falcons, and the new Falcon Squire, the glittering swift Galaxies, the famous Ford Station Wagons and the hot Thunderbirds. And they poured in to see and buy up the brand-new Fairlans just introduced. There are four magic reasons why behind the smashing success of the long Ford line for 1962. First of all is utterly modern styling, the fresh crisp lines that are now being so widely copied by other car-makers, the smart look that dominates the industry. Second is absolute power in eleven kinds of engines, giving you anything you could want in engine

options. Third is total economy—every Ford model is priced directly at your pocketbook, and every Ford, large, medium or small, gives you gasoline mileage outstanding in its class. Fourth is the service-saving concept—every Ford car is built to cut down maintenance worries and problems, with service-saving features other cars may have some day. Ford leadership from Falcons to Thunderbirds is founded on trend-setting innovations... The hot ideas come from Ford. And at the heart of Ford success is an almost revolutionary new concept of quality... most serious and direct concern with the actual part-by-part quality. For the hot trends in the hot cars, for a new experience in quality, and for the best buys on the American Road, see your Ford Dealer.

PRODUCTS OF FORD MOTOR COMPANY

NOW THERE ARE FOUR CLASSES OF CARS... AND ONLY FORD HAS ALL FOUR!

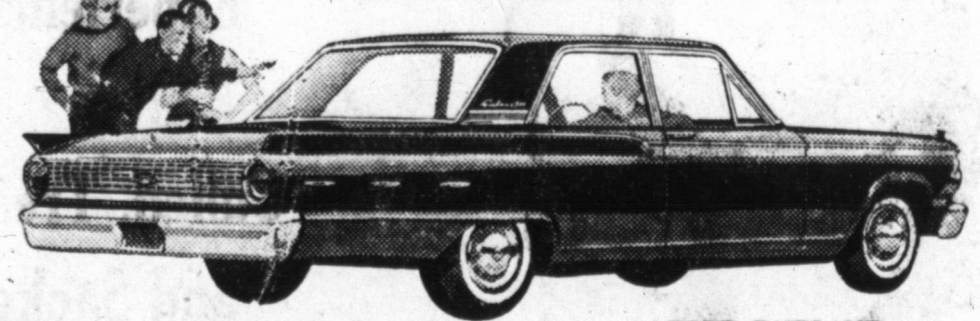

COMPACT CLASS:

FORD FALCON

This class includes cars with 106- to 114-inch wheelbase. Most popular by far (a million happy owners!) is the Ford Falcon. Falcon is America's lowest-priced* 6-passenger car, set a 25-year record for Sixes or Eights in last spring's Mobilgas Economy Run, gives you a choice of 13 models, including the Futura and new Falcon Squire wagon.

FAIRLANE CLASS:

FORD FAIRLANE

The Ford Fairlane is the first member of a new class which combines the advantages of both compacts and big cars... you get big, car room, ride and performance... compact savings and maneuverability. Priced below many compacts, Fairlane even rivals some in gas economy. Has twice-a-year maintenance introduced by the Galaxie.

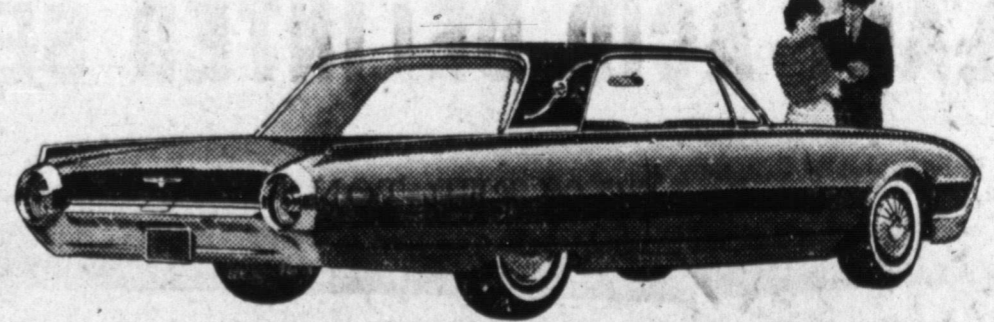

FULL-SIZE CLASS:

GALAXIE BY FORD

The class for families who want big car comfort, performance and prestige. Value leader is the Ford Galaxie—which has every essential feature of 11 costlier fine cars. With the optional Thunderbird 390 V-8 engine, a Galaxie will outperform America's most expensive luxury cars. Requires servicing only twice a year, or every 6,000 miles.

LUXURY CLASS:

FORD THUNDERBIRD

The top class—cars for people who want the very finest. First of the trim-size luxury cars, the 4-passenger Thunderbird is the most distinctive car in this class. Its styling set the trend for an entire generation of cars and now finds a new elegance in the Landau. And Thunderbird's performance is just this side of flight.
