**Troop 404 Meeting**  
 Girl Scout Troop 404 met Friday afternoon when three new members were invested and Berger Ollrogge of West Germany, who is attending school here, spoke to the group.

Becoming Girl Scouts in investiture ceremonies were Barbara Braddock, Jan Roberts and Brenda Drager. This brings the total membership of the troop to 19.  
 Ollrogge told the group of the schools in Germany, the religion, customs, etc. His talk was followed by a question and answer period.

### Neighborhood Meeting

The monthly neighborhood meeting of Girl Scout leaders was held Monday at the WOW Hall when plans were made for various occasions.

Mrs. Jack Jaquess was named chairman of the cookie sale to be held from March 8-23.

Plans for a Day Camp to be held in or near Tahoka the second week in June were also begun with Mrs. Shirley Draper named to be Day Camp director, and Mrs. Laquita Leverett as her assistant. These ladies have 16 hours of training and will attend another camping course before the event.

"Thinking Day" will be held on Feb. 22 to commemorate the birthdays of the founders of Scouting, Juliet Lowe and Lord Baden Powell.

Mrs. Matey Flowers, district director, attended the session and preceding it held a short training meeting with the local service team.

Mrs. Charles McClellan, neighborhood chairman, announces that Group Leadership Training courses will be held at the Scout Hut in Lubbock on Jan. 23, 30, Feb. 6, and 13 and that all leaders needing to make up sessions may do so then.

The neighborhood meeting for March will probably be held at Rio Blanca near Crosbyton, Mrs. McClellan said.

In 1961, almost 600,000 children in Texas public schools participated in the national school lunch and milk programs. They consumed approximately 174,000,000 pints of milk during the 12 month period.

(By Mrs. O. H. Hooyer)

Alaska must have slipped her moorings and slid into Texas, the last 10 days have been so cold, and with frozen pipes, there is consequently no water. In fact, the pipes are still frozen underground at the Hoover home.

The WSCS will begin the study on Christian missions in Latin America Tuesday at 9:30 a. m. at the Methodist parsonage. Mrs. Roy LeMond will teach the study, when the Draw Methodists are meeting in joint sessions. All ladies are urged to attend.

Mr. and Mrs. W. G. McCleskey and Mrs. Lucy Cunningham were visitors in the Ritchey home Sunday afternoon.

Pauline and Joy Riley, Vivian Campbell, Mrs. Pearl Riley, and Karen Laws attended a singing in Lubbock Sunday afternoon.

Mr. and Mrs. Bobby Huffaker are registering in Bethany College again this semester.

Mr. and Mrs. C. M. Greer's daughter, Mrs. Bethel Brown, underwent major surgery in Methodist Hospital in Lubbock. After being hospitalized eight days, she is recuperating at home now.

Miss Linda Davis spent the week end with Mr. and Mrs. Leroy Davis. Her room mate from Irving, Miss Brown, came with her. They teach in Andrews.

Mrs. Ira Lee Duckworth and Mr. and Mrs. Ray Smith had dinner Saturday night with the Glen Normans.

Luncheon-guests Sunday in the Gus Porterfield home were their daughter and family, the T. A. Stones and three sons of Tahoka, and Mr. and Mrs. Jim B. Porterfield and son.

Rev. and Mrs. T. J. Crawford and Mrs. Bill Bennett visited the Ted McDonalds in Post.

Mrs. C. C. Jones visited in Post Sunday with the Carl Jones family and with her sister, Mrs. Cordie Laws.

Mr. and Mrs. Jim McGrew of Welch and Jim's mother, Mrs. Ferguson of New Pine Creek, Ore., spent the day Sunday with the C. A. Walker family. Other visitors were the Walker's daughter and granddaughter, Kathryn and Crystal Moore of Seagraves.

Mr. and Mrs. E. B. Gregg have returned from an extended trip to points in California. They visited Mrs. Gregg's brother and family, the J. A. Normans, in Pomona and Mr. Gregg's nephew in Whittier. Also, the Roy Locke's in Manhattan Beach and Jack Frost in Oxnard. The temperature was 86 while they were there. They ran into a sandstorm on the way home and had to be guided for a while. ### Farm Facts

A few years ago many fruits and vegetables were available only in season. A U. S. Department of Agriculture bulletin reminds us, however, that we can now enjoy crisp lettuce, garden-fresh sweet corn, tree-ripened peaches, and many other fruits and vegetables the year around.

This farm freshness comes to us as a result of modern marketing, handling, and transportation methods.

A carload of lettuce shipped from California to eastern markets used to consist of 20,000 pounds of lettuce and 40,000 pounds of ice. Vacuum-cooled lettuce now is shipped in refrigerated trucks and rail cars. Savings in packing and shipping more than offset cost of the new cooling method.

Improved handling and marketing not only give us better food but save us money on our food bill. New cooling and packaging methods cut shipping costs of Texas carrots by \$1 million

We can buy farm fresh foods all year

Research on refrigerating California grapes brought savings of \$780,000 a year. Better refrigeration and container cut tomato costs several million dollars annually.

a wonderful trip.

The C. O. McCleskeys had several luncheon guests Sunday.

Mr. and Mrs. H. D. Gartman visited until bedtime Sunday night with the W. G. McCleskeys.

Allotments of \$2,225,000 have been made to 345 schools and 16 junior colleges in Texas to purchase materials and equipment to strengthen instruction in science, mathematics, and modern foreign languages.

### O'Donnell Day At Stock Show

"O'Donnell Day" at the Fort Worth Fat Stock Show has been set for Monday, Jan. 29 when a block of seat reservations are being held for O'Donnell people wishing to attend.

Dan Blocker, television star and a native of O'Donnell, is one of the stars in the rodeo this year and has invited citizens of his home town to attend.

Miss Donna Jackson, daughter of Mr. and Mrs. L. D. Jackson, will be "Miss O'Donnell" for the night performance of the rodeo which begins at 7:30 p. m. The O'Donnell Eagle Band will play in concert beginning at 7:00 p. m.

Those planning to attend, either by the chartered bus, or otherwise are urged to contact Mrs. Wayne

Clayton, O. G. Smith or Bill Hulse in O'Donnell to reserve their tickets.

### NEW FIRE TRUCK

City of O'Donnell has a new fire truck. "Shag" Garrett and Jimmy Hash went to Indiana last week end to pick up the new machine.

Approximately 8,000 school buses transported 423,000 students more than 493,000 miles per day bumper to bumper the buses would create a traffic jam more than 51 miles long. Approximate annual cost of the transportation program to the State is \$16,224,000.

## Dr. Leon Herzel Tells Of Conditions In His Native Cuba At MYF District Banquet

Dr. Leon Herzel, surgeon in the West Texas Hospital in Lubbock, was the speaker at the Brownfield District Methodist Youth Fellowship banquet held here Saturday night when over 200 young people attended.

Dr. Herzel, who came to this country in June from Cuba, told the group that his native country is now poverty stricken and that money means nothing. In fact, the value of the dollar has gone down to the point where it cost him \$20,000 for \$600 American dollars when he came to this country. In years past, the exchange was dollar for dollar.

The Cubans used to have freedom, Dr. Herzel said, until one day they woke up to find their freedom was gone. When Castro appeared on the scene with his revolution, the population backed him hoping to win back their free-

dom. Since Castro took over the reins things have gone from bad to worse, and Castro has been forced to enlarge his army to the third largest in the world, manpower wise, to keep the people in line.

Held in the school cafeteria, the tables were decorated with red, white and blue candles and a single United States flag. Theme of the program was "Together Under One Flag."

Also appearing on the program were Fred Hegi, president of the local MYF; Sue Wescott of Seminole, District president; Sylvia Bailey of Spade, Sub-District president; Roger Ward of Seagraves, Sub-District president; and Andy Bray, Sub-District president, who introduced the speaker.

Mr. and Mrs. Roscoe Treadaway, sponsors of the local MYF, were in charge of staging the banquet, which is held each year in a different city of the district.

## Eastern Star Will Host Deputy Grand

Tahoka Chapter No. 743 will have its regular meeting Monday, Jan. 22 at the Masonic Hall at 7:30 p. m. when Cecile Pettit, Deputy Grand Matron from Abernathy, will make her official visit.

She will grade the local chapter this year on how many Past Worthy Matrons and Patrons are present, so all are urged to attend, as well as all officers and members. Visitors are welcome.—Jean McCord, Worthy Matron; Opal Hines, secretary.

## Local People In Lubbock Contests

## Garden Club Plans Clean-Up Drive

Tahoka Garden Club met in the home of Mrs. J. F. Toler Tuesday with Mrs. K. R. Durham as co-hostess.

Participating on the program were Mrs. V. F. Jones who discussed "Vines"; Mrs. Clifton Hamilton, "Window Boxes"; and Mrs. Skiles Thomas, "Know Your Fertilizer."

Arrangements using drift wood were furnished by Mrs. Natt Park and Mrs. Hubert Tankersley.

Mrs. Buster Phipps was voted a new member of the club.

A committee was appointed to begin the club's litterbug-and clean up campaign, and to meet with the City Council and various civic organizations.

## Pythian Sisters Install Officers

New officers for the ensuing year were installed Tuesday night by the Pythian Sisters, Lynn Temple No. 45, and the body agreed to sponsor the annual Mothers March.

New officers installed were: Emma Halamiczek, past chief; Winnie Spruiell, most excellent chief; Eulalia Richardson, senior; Elsie Dee Brooks, junior; Lucy Brice, manager; Zella Taylor, guard; and Ruth Benson, protector.

Hostesses at the meeting were Bertha Williams, Ruth Benson, and Blanche Burrough.

The Pythian Sisters will meet Tuesday night, January 30, at 6:00 p. m. at the WOW hall for the Mothers March. Other organizations of the town who would like to help in the drive are invited to do so.

On that night, the fire siren will be sounded at 7:00 p. m., when teams will have been signed up to call at the various homes of the town. Citizens who will contribute to this worthy cause are asked to have their porch lights turned on.

Hostesses for the meeting of Tuesday, February 6, will be Bernice Carter, Lucy Brice, and Clifford Tankersley.

## New Home Ladies Start New Year

New Home Demonstration Club held its first meeting of the new year Tuesday at 2:00 p. m. in the home of Mrs. J. W. Edwards.

Mrs. Connie Anderson, home demonstration agent, prepared a casserole dish.

Games were played under the direction of Mrs. Charles Louder, recreation chairman.

With the chairman, Mrs. Leland White, presiding, the club discussed the programs for the year and the New Home ladies part in operation of concessions at the County Livestock Show in Tahoka in March.

The hostess served refreshments to seven members.

## New Home 4-H Receives Calendars

# Lynn County Families Carry Record \$32 Million Insurance, Survey Shows

(Special to The News)  
New York, Jan. 18—Residents of Lynn County have entered the year 1962 with more protection in the form of life insurance than they have ever had. Their coverage, per family, is at a peak.

The total amount of life insurance in force locally is estimated at \$32,605,000.

The latest figures on the number of policyholders and the size of their holdings on a national and state basis are given in the 1961 Life Insurance Fact Book.

In the period of just one year, the annual report shows, the American people added nearly \$60 billion in face value to their cover-

age. This brought the amount of life insurance in being throughout the country to \$856 billion.

Some \$28,271,000,000 of this total is within the State of Texas. Not included in this figure is insurance provided by the Federal government and by fraternal and other non-profit organizations.

For most families in the state, the amount that is held varies with income. In the average household, it is found, the ownership is equivalent to 20 months' net earnings, after taxes. This is based on income data supplied by Sales Management.

Adapting this average to Lynn County, where the after-tax income amounts to \$542 per household per month, life insurance locally is in the indicated sum of \$10,870 per family.

This is more than the holdings of most families in the United States, the average being \$10,200. In the State of Texas, it was \$9,200.

The report shows that Americans as a whole have added greatly to this type of protection in the past ten years. Ownership per family has more than doubled in that period.

Much of this growth is attributed to group life policies, which are offered at lower rates and are bought in quantity by employers and by unions.

As a result, about 30 percent of all life insurance is now in the form of group insurance, compared with only 20 percent at the end of 1950.

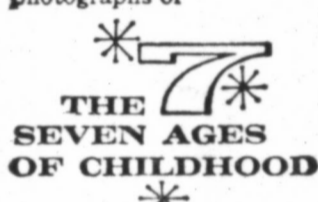

Another explanation of the rise in total coverage is the fact that it is now easier to get a policy than formerly. Currently, only three out of every 100 applications are being turned down.

Growing... growing... gone

All too soon the years of bare summer feet, sugar-and-butter sandwiches and cartwheels are yesteryears. But fine photographs capture and hold the growing years, become more cherished as childhood slips into memory.

### MILO PRODUCTION UP

Though Texas grain sorghum producers set an all-time high of 45 bushels or 2,520 pounds an acre in 1961, they still have a long ways to go to match the 9,383.9 pounds an acre produced by Bill Cole, a Deaf Smith County 4-H boy. His yield made with irrigation topped all participants in the 1961 Texas Hybrid Grain Sorghum Production Program. He planted RS 610.

## St. John Church Has Anniversary

St. John Lutheran Church in Wilson will observe its 45th anniversary this Sunday morning, according to the pastor, Rev. James P. Burnett. New officers of the church will also be installed.

Organized in January, 1918, actual services for the congregation at Wilson began in 1913. The present church was built in 1940 and this past year in January, 1961 was rededicated after it was remodeled.

Only charter member still at Wilson is Anton Ahrens. Others included Charles Lichey, Henry Hillen, August Nieman and J. H. Sander.

The anniversary actually was Thursday, Jan. 18, but will be observed in the Sunday morning service when the sermon topic will be "Love Your Church" taken from Eph. 5:25-27, and will be delivered by the pastor, the sixth to serve the church, who came to Wilson in 1926 and before that time the church shared its min-

## Girls Win, Boys Lose To Slaton

Tahoka Bulldogs lost their first conference basketball encounter here when Slaton came from behind to win 51-39. The girls won 34-23 and the "B" team girls came out on top 17-7.

The Bulldogs trailed 9-7 at the end of the first quarter, but took the lead in the second stanza until its fading seconds when Slaton sunk a field goal to lead at halftime 19-18. The Tigers lead was again short lived and the Bulldogs went ahead and enjoyed as much as a seven point margin during the third quarter. The winners narrowed the gap and Tahoka led 31-30 at the end of the third. Slaton's five really came alive in the final quarter to go ahead and win by a 12-point margin. However, the Bulldogs looked good most of the game although their shooting was not up to par.

Ronny Jones took game honors for Slaton with 17 points and Leslie Brown had 10. Perry Flippin sunk 11 for Tahoka and Andy Bray added nine.

The girls' game was Tahoka's all the way, the local teams leading 9-7, 18-9, and 25-14 at the end of the first three periods. Kay Halamicek was responsible for 19 of Tahoka's points and Judy Thomas, 15. Elaine Barnes and Jane Thompson made eight each for the losers. A great deal of guard activity on the part of Tahoka helped keep Slaton out of threatening distance.

Manuella Chapa scored eight points in the "B" game to lead the "B" girls to win. Highest scorer for Slaton was Miss Chapple with three. Tahoka held a 13-5 halftime lead.

**GIRL SCOUT ROUNDUP**—Mrs. Charles U. Culmer of Libertyville, Illinois, national president of Girl Scouts of the U.S.A., meets at White Plains, N.Y., with Charles C. The 10-day encampment of 10,000 teen-age girls and adult leaders in Vermont next July will be filmed by General Foods and presented in an hour-long telecast over the CBS nationwide network in September. Roundup will be a highlight of the 50th anniversary of Girl Scouting which is being celebrated this year by 3,500,000 members.

## Bulldogs Lose At Denver City

Denver City gave the Bulldogs their second conference loss Tuesday night 59-49, but the local quintet battled the Mustangs down to the final seconds and played a good game all the way.

Tahoka trailed only two points at the end of the first quarter, 16-14. The Mustangs pulled further ahead to lead 33-24 at halftime. In the second half, the Bulldogs got down to business and held the Denver City five down to about the same margin the remainder of the game. Third period score was 42-31.

High point man for Tahoka was Perry Flippin with 14. Craig Leslie scored 13. The Mustangs were led by Pat Hubbard's 16 points and Dennis King's 10.

The "B" game saw the Mustangs the winners by a score of 48-30 with Marion Giesecke making 12 points. Allen Cox and Macky McWhirter made six each for Tahoka.

## Harlem Stars Draw Crowd

The Harlem Stars "left them laughing" Monday night after clowning their way through a basketball tilt here with the Lynn County All-Stars, made up of county coaches and local teachers.

They proved their adroitness at ball handling, expert shots, trick shots, and comedy acts.

However, the crowd enjoyed watching the home town boys almost as well, especially the smooth work of Milt Fitts, Tahoka's all-state and Border Conference player. Participating in the event other than Fitts, were Coaches J. D. Atwell and Jerry Don Brown of Tahoka, Charlie Veston of O'Donnell, Bill Snowden of Wilson, and Edmonson of Wellman; Clifton Gardner, Tahoka High School principal, Robin Vaught and Jerry Kellum, Tahoka teachers. Jake Jacobs served as coach for the local team.

Bringing laughter from the spectators, that filled the gymnasium to capacity, was Howard "Loud Mouth" Rand, the player-coach of the Harlem Stars, who gave fans their money's worth with his antics and wise cracks.

It was generally agreed that with some practice, Lynn county could field a team that could compete with the best of them. Although neither team played seriously, there was evidence that a great deal of talent was on the court in Tahoka Monday night.

## Girls Win Game Over Frenship

The Tahoka girls racked up another victory here Tuesday night when they defeated Frenship 49-23 in a lopsided battle.

Halftime score was 22-6.

Scoring in double figures for the winners were the "triple Deadeye Dicks" Kay Halamicek with 16, Judy Thomas with 15, and Loretta Short with 14.

Frenship depended completely for scores on Kay Conrad, who made 22 of the team's 23 points.

### Terrible Toll Of Death On Highways Graphically Portrayed By Speaker

The terrible toll of death on the highways was graphically brought to members of Tahoka Rotary Club last Thursday noon by C. A. Dempsey, safety education officer of the Department of Public Safety in Lubbock.

During 1960, there were 2,254 people killed in traffic accidents, 127,980 persons injured, and 409,000 automobiles damaged or demolished for a total economic loss of \$350 million. Liability and collision insurance premiums alone came to \$232 million.

The public does not get too concerned about the destruction autos are doing on the highways. A son is safer in war than on the home front, he declared.

In all the wars from 1775 to 1960, fewer Americans died in service or were killed on the battlefields than have been killed on the highways in the "age of the automobile," 1900 to 1960. A total of 1,130,393 have died in U. S. wars, while in just 60 years 1,340,854 Americans have died in highway accidents.

Back in 1946, the President became concerned over death on the highway, and as a result formed the President's Highway Safety Action Program, which is now being promoted to educate the public to carnage on the roads.

He declared the vehicle inspection law has reduced accidents from vehicle defects from 13 to two percent.

Defending the driver's license law, he said a person would not hire a lawyer or doctor who didn't have a license, because one wants to know such a professional man is proficient. For the same reason, we have driver's licenses.

All the laws, police, governors and legislatures can not regulate traffic. Citizens' support is necessary to cut down on violations and traffic accidents.

To illustrate the magnitude of traffic accidents, he said the 2,254 dead stacked in a pile would be 3/4 a mile in width and 4-10 of a mile in height. The 128,000 injured, if laid out end to end would extend 139 miles. The 409,000 automobiles damaged or demolished, would be 1,330 miles in length, 500 miles in width and 379 miles in height.

The \$350 million resulting from traffic accidents would cover a football field 300 by 160 feet with a layer of one dollar bills, a layer of two dollar bills, a layer of five, ten, twenty, fifty, one hundred, five hundred dollar bills, and then on top of these eight layers of bills one could dump 1,595 tons of silver dollars, and this would represent the loss we suffered in Texas alone for the year 1960.

This amount of money would buy 10 homes at \$20,000 each, 10,000 refrigerators at \$400 each, 10,000 cooking ranges at \$350 each, 19,000 TV sets at \$350 each, 10,000 dishwashers at \$300 each, 10,000 automobiles at \$3,000 each, 10,000 central air conditioning units at \$1,400 each, and furnish the head of each of 10,000 households with a bank account of \$9,202.

Harold Green was in charge of the program and introduced the speaker.

Mrs. Johnny Wells, a club sweetheart when a high school student, substituted as pianist for Lynnetta Cain, who was absent.

SECTION TWO "Heart of the South Plains" FRIDAY, JANUARY 19, 1962

### Marshall Formby Publishes Book

The growth of Texas is not boom and bust but a steady progress. That is the conviction of Marshall Formby of Plainview, Texas, candidate for Governor, and author of a new outstanding history of early Texas settlers, **THESE ARE MY PEOPLE**. The book points up Mr. Formby's contention that what our ancestors did, their present-day descendants can continue. Building on the solid foundation already laid down, he knows that Texans can develop their own resources; build their own industries and develop their agricultural potential in order to create more jobs for a growing Texas population which he estimates will number 12 million by 1975.

Dedicated to the pioneers who struggled westward, **THESE ARE MY PEOPLE**, published in January by the Naylor Company of San Antonio, Texas, is a history that comes alive in the author's vivid portrayal of the characters who settled in Texas, their lives and the lives of their descendants.

Of particular interest are those chapters dealing with the settling of the Cap Rock country, a unique part of Texas where the plains join the brakes country. Early life here was hard and rough, as it was throughout Texas. The first settlers found buffalo aplenty, grass knee high and even Indians. Beginning his political career as County Judge of Dickens County in 1936, Mr. Formby's public offices have included presidency of the West Texas County Judges' and Commissioners' Association in 1939 and 1940, State Senator for four years beginning in 1940, the latter part of his term while serving with the Army Corps of Engineers for four years, with 20 months' overseas service. By 1959 he had completed six years on the Texas Highway Commission, of which he was chairman the last two years.

A practicing attorney in Plainview and a farmer, Mr. Formby is also a business man and co-owner of four radio stations in Texas.

Born in Hopkins County in 1911, Mr. Formby attended McAdoo and Spur schools in Dickens County; holds a BA from Texas Tech; MJ from the University of Texas, and attended Baylor Law School. He is married and has two children.

### Plan Youth Rally In Lubbock Soon

The first in a series of Youth Rallies sponsored by the Lubbock Baptist Association is scheduled for Saturday night, January 27. The auditorium of the Second Baptist Church, 54th and Elgin in Lubbock, will be the scene of the rally beginning at 7:30.

Dr. Ivaloy Bishop of Wayland Baptist College will be the principle speaker for the occasion. Dr. Bishop is known for his counsel with young people and is a very popular speaker at youth gatherings and commencements over the area. He is president of the Texas Baptist Religious Educators Association.

The Minister of Music and Education at the First Baptist Church in Brownfield, Bill Denton, has been secured to direct the music for the evening.

The public is cordially invited to attend the rally. Anyone from Tahoka desiring transportation to the meeting should contact James Hollars at the First Baptist Church.

### Former Citizen Dies Recently

S. N. (Newt) Steele, 65 year old former resident of Lynn county, died Thursday, Jan. 4, at 4:00 p. m. when he had a heart attack at the Keeth Gas Plant in Lovington, N. M. where he had lived the past seven years.

Mr. Steele farmed east of Wilson on the Walter May place for about 25 years and was well known in this area. He moved to Levelland about 1951 and from there moved to Lovington.

He suffered the heart attack and died beside a butane truck at the plant.

Mr. Steele was born in Comanche county.

Funeral services were held at 10:00 a. m. Saturday, Jan. 6, at the First Baptist Church in Lovington with Rev. J. Samuel Phillips, pastor, officiating. Burial was in Resthaven Cemetery in Lovington.

Survivors include his wife; one son, James R. Steele of El Paso; three daughters, Mrs. C. L. Hodgob of Fresno, Calif., Mrs. W. E. Hodges of Dallas, and Mrs. Jesse M. Keeth of Lovington; two brothers, J. O. Steele and W. A. Steele, both of Sweetwater; and nine grandchildren.

Palbearers were R. P. Turner, Claude Willard, Bill Oaks, Howard Grandon, Earl Grassie and John Garner.

Mr. and Mrs. R. E. Bagby and Mr. and Mrs. Elgin Harper of Tahoka attended the funeral services. Mr. Steele was a cousin of the ladies' mother, Mrs. R. E. Lee.
