Barrows

Spotted Poland China, Lightweight: 1. Stanley Price; 2. Billy Miller; 3. Cal Womack; 4. and 5. Johnny Rogers.

(Cont'd. On Back Page)

O'Donnell Show This Saturday

O'Donnell Community Livestock Show, one of the largest community shows in this area, will be held this Saturday in the O'Donnell livestock exhibition building.

County Agent Bill Griffin says about 125 hogs, 24 steers, and 90 lambs will be shown. James Reed's vocational agriculture boys and girls and 4-H members under Mr. Griffin will show their animals.

Judges will be Monte Griffin, Lamesa hog breeder, swine; and Calvin Holcomb, Gaines county agent, steers and lambs.

Animals will be received at the show barn Thursday and Friday afternoon after 4:00 p. m. for the convenience of school students. General superintendent is Kenneth Pearson, and he will be assisted by B. B. Vestal.

Other workers include: Arena and ribbons, Bertice Askew and Robert Bessire; weighing, C. A. Moore, Arlys Askew, E. E. Bates, Eb Crawford, and Noel Caswell; sheep superintendents, J. D. Evans and Bobby Cox; swine, Harold Mires, Paul Sherrill, and Bart Anderson; steers, Jerald Barton and Raymond Hancock; records, Ralph Brock and Deen Davis; announcer, Jack Minter.

Buddu Jolly In Galveston Hospital

"Buddy" Jolly, seriously afflicted with sugar diabetes, left Saturday for Galveston, where he was scheduled to enter John Sealy Hospital for possible amputation of his leg. He was accompanied by his wife and baby.

Jolly has been seriously ill for some time, and is reported to have become worse from a wasp sting. Bob Littlepage, J. O. Freeman, and others made up a fund here last week in order that his wife could accompany him to Galveston.

MRS. COOPER ILL

Mrs. E. J. Cooper suffered a light stroke early Monday morning, but was able to go home on Wednesday and is reported to be doing nicely.

Local Show May Break Records

This year's Lynn County Livestock Show is expected to be the biggest in history and will probably fill the new \$45,000 livestock exhibition hall to capacity, according to County Agent Bill Griffin.

Dates for the show are Thursday, Friday and Saturday of next week, March 1, 2, and 3. Judging of swine will start at 10:00 a. m. Friday, and lambs and steers will be judged Saturday.

Mr. Griffin expects the entry of about 400 swine, 45 steers, and 90 lambs.

Wilson, New Home Show Saturday

Wilson-New Home Livestock Show will be held in the new county livestock exhibition building in Tahoka this Saturday. Previously the show has been held in Wilson, and New Home on alternate years, but is being moved here this year on account of the possibility of bad weather.

About 150 hogs and four or five beef calves will be shown. Lambs and Shetlands will also be shown. Judging will be done by Paul Gross, assistant county agent, of Seminole.

The show is sponsored by the two communities and will feature FFA projects of Bobby Lee, Wilson, and Leonard Wilson, New Home, vocational agriculture teachers, and 4-H boys of County Agent Bill Griffin.

Lloyd Mears of Wilson is general superintendent; George Williamson, W. R. Steen and Frank Timmons, swine; Jim Bob Smith, beef calves; Edmund Maeker, lambs; and Morris Renfro, Shetlands.

Committee members sponsoring the show include: Walter Ray Steen, chairman; B. L. Hatchell, secretary-treasurer; Mears, Williamson, Tom Mason, H. G. Cook, A. L. Holder, E. R. Blakney, Dick Turner, Smith, C. E. Roper, Timmons, A. C. Fillingim Jr., Lee, Wilson, and Griffin.

In addition to cash prizes, a bonus of \$5.00 per exhibitor is presented by Wilson State Bank. Most animals in the show will be shown in the Lynn County Show on March 1, 2, and 3.

Tech Students At First Baptist

Members of the Baptist Student Union at Texas Tech will be in charge of the morning worship services at the First Baptist Church next Sunday, February 25. Rev. S. L. Harris, B.S.U. secretary and Bible teacher at Texas Tech, will bring the message, and special music will be furnished by a girls quartet. The B. S. U. president, Bill Goughly, will give his testimony. Everyone is invited to hear this group of young people.

Roberts Heading Red Cross Drive

Harold Roberts has been named fund drive chairman in Lynn county of the annual Red Cross drive, according to county chairman Bill Griffin.

Roberts said the drive will get underway on March 5 with a kick-off dinner for workers at Al Smith's Cafeteria.

Goal for Lynn county this year is \$2,300.00.

HAS LEG AMPUTATED

T. G. Gage, who had a leg amputated in Tahoka Hospital Monday night, is reported to be showing improvement.

C. Of C. Banquet Will Be March 2

Plans have been completed and tickets are now on sale for the annual Farmer-Businessman banquet of Tahoka Chamber of Commerce on Friday, March 2, at 7:30 p. m., in the school cafeteria, according to E. L. Short, president of the body.

All directors, a few other members, and both drug stores have tickets available at \$1.50 each. Ladies are not only welcome but are urged to attend.

A top speaker in Berl Huffman, from Texas Tech, has been secured for the address. Mr. Huffman is a humorist and may be depended upon to bring an unusual and entertaining talk. He is freshman football and varsity baseball coach, formerly was head coach at the University of New Mexico, and for several years was manager of the New Mexico Industrial Commission.

Clint Walker will serve as master of ceremonies, and special music will be brought by the Verner sisters. Walker says the program will be snappy and to the point.

Awards will be presented to the Conservation Farmer of the Year and high school student winners in the Soil Conservation essay contest.

Short will make a brief report on the C. of C. activities for the past year, and new officers and directors will be introduced.

Monday night, Mr. and Mrs.

Elliott Estate Makes Donation To Tahoka Park

The Elliott Estate has contributed \$1,500.00 this year to the City of Tahoka for park improvements, according to J. M. Uzzle, city secretary.

This is one of several substantial contributions from the Elliott Estate which also contributes earnings to local churches annually.

Mr. Uzzle said \$1,000 of the total will go toward City Park improvements, and \$500 will go to the Little League park program.

Delbert Mouser's Home Is Burned

The Delbert Mouser home on the Coleman land on the north line of Lynn county was totally destroyed by fire Tuesday afternoon, and loss was estimated at \$15,000 to \$20,000. All the Mousers furnishings and clothing were lost.

Lubbock firemen, called to the scene, said the fire had gained too much headway for them to extinguish, and high winds also caused the structure to burn rapidly.

The Mousers farm land of A. J. Coleman, 2604 Cornell, Lubbock, located just west of the Martin land and northeast of New Home. The seven room two story house was not insured.

Tim Walker, son of Mr. and Mrs. Perry Walker, is a medical patient in Tahoka Hospital.

Skip-Row Planting of Cotton Will Not Reduce Grain Base

Lynn County farmers are concerned about the proposed farm program for 1963 submitted to Congress by Secretary of Agriculture Freeman. One of the items of the proposed program is acreage allotments and marketing quotas on grain sorghum, corn, rye, oats, and barley. Much misleading information has been circulated in recent weeks concerning the program, such as a brochure published by a seed company in Lubbock which advises that skip-row plantings of cotton may reduce the grain sorghum base in the event of future allotments.

In an attempt to clarify the situation, Charles G. Bragg, Office Manager of the local ASCS office has submitted the following:

ROBERT E. OWEN

Owen In Race For Representative

"Nearly every day in my office I see unfair and harsh results brought about by the present Automobile Insurance Merit Rating Plan," stated Robert E. Owen, 33 year old practicing attorney with offices in Seminole and Seagraves. Owen has announced that he is a candidate for the office of State Representative for the 75th Legislative District of Texas, composed of Andrews, Dawson, Gaines and Lynn Counties, subject to action of the Democratic Primary, May 5th.

He said that the present administrative ruling as handed down by the State Board of Insurance is costing the people of this district large sums of money each year, and if elected he will work to see that this situation is corrected.

Owen stated that another vital area of legislation requiring study is the Oil Allowables. As foreign imports and domestic production of oil have increased, the Texas Railroad Commission has reduced Texas Oil Production Allowables. Just last week the allowable for (Continued on Back Page)

Pancake Supper Set For Tonight

Tonight a pancake supper will be served from 5:30 to 8:00 p. m. by the Tahoka Rotary Club in the school cafeteria at \$1.00 per plate. Proceeds from the event will help finance the visit of another foreign student to Tahoka this summer.

MRS. O. J. JACKSON IS IN CRITICAL CONDITION

Mrs. O. J. Jackson, 86, mother of Mrs. Ed Hamilton, is seriously ill at La Porte, near Houston, suffering from high blood pressure and a heart ailment.

Mrs. Hamilton returned Tuesday from her bedside. Mr. Hamilton had accompanied her to La-Porte last week.

Mrs. Kate Cathcart, a medical patient in Tahoka Hospital, was released Wednesday.

Ronnie Bruton of New Home is a medical patient in Tahoka Hospital.

New Street Markers Bought For Installation This Spring

New street markers have been bought for all Tahoka streets, and they will be installed by City employees this spring.

For sake of convenience, all streets running north and south will in the future be known as Avenues and bear the letters of the alphabet. These streets were originally named for pioneer settlers of the town, and for legal purposes these names will remain in abstracts. However, the hodgepodge of names has been meaningless in trying to locate any certain place in town.

Several years ago, when Dr. K. R. Durham was mayor, a compromise move was made in the direction of an alphabetical listing such as

"Sweet-J" and "Petty-K," etc. For some reason this still didn't catch on with entire success. Many of the markers put up at that time have since been torn down by vandals and the wear of time.

The new markers will bear simply the designation Ave. J, Ave. K, etc. and North First, South First, etc.

They will be larger and more durable than the old street markers, and will be mounted on 2-inch pipe standards nine feet high, instead of 1 1/2-inch standards and set in concrete.

City Secretary J. M. Uzzle said 216 such intersection markers have been ordered, which will take care of just about every intersection

in town where there are any houses.

Tahoka Chamber of Commerce had recently endorsed such a move by the City.

The City Council has also bought a new Chrysler automobile for the Police Department on a low trade-in bid of \$1025 from a local dealer.

Bobby Hays was employed as meter reader to succeed Pat Chamblee, who resigned Feb. 1 to take a job with Al Smith Cafeteria.

Tahoka Girl Scouts will possibly take on a project of selling new house numbers to property owners.

Help keep Tahoka clean.

Girls' Regional Game Monday Or Tuesday

The first round of regional play-offs, in which the Tahoka girls basketball team will play either Alpine or McCamey, will be played Monday or Tuesday night, according to school officials.

This will not be a bi-district game, which was previously announced, but is the first game of the regional play-off which will be continued on Saturday, March 3, in Lubbock.

The time and place for the first round game will be decided following the Alpine-McCamey game tonight. Alpine is leading that district, but if McCamey wins tonight, the teams will be tied and will flip a coin to see who represents the district.

Tuesday is the last night a first round regional game can be played, and will probably be played either in Tahoka, Alpine or on a neutral court. Neither the night or the location can be decided until a district winner is named between Alpine and McCamey.

The winner of the first round regional game, in which the Tahoka girls will participate, will play the winner of the Tulia-Muleshoe game on Saturday, March 3. The Lubbock Coliseum is the probable location for the regional (Cont'd. On Back Page)

Parking Lot At Church Paved

Paving of the parking lot just west of the First Baptist Church will be completed by the week end. Work is being done by the Ballinger Construction Co. of Lubbock. This will greatly increase the parking facilities of the church, and the paved strip will also be used for recreational activities for the young people of the church.

Beard Growing Time Has Arrived

It's beard growing time!

With the annual Tahoka Rodeo coming up on May 25, 26, 27 and 28, there's three months time to grow face decorations to advertise the event and possibly win a prize—so say officials of Tahoka Rodeo Association.

"Of course," stated on Rodeo official, "Some men just can't grow a beard, but those who can are challenged to get started soon. Maybe the wife won't care. Anyway, you can save on your razor blade bill. Go Western; get that beard, mustache, sideburns, goatee, Van Dyke, or just turn 'em loose."

Mrs. E. E. Perry Is Buried Here

Mrs. E. E. (Olah) Perry, 68, of Englewood, Colo., former resident of Lynn county, died Friday, Feb. 16 at 1:30 p. m. of a heart attack while she and her husband were in a bank.

Funeral services were held in White Funeral Home Chapel here Wednesday at 2:00 p. m. with Don Browning, minister of the Church of Christ, officiating. Burial was in Tahoka Cemetery. Deacons of the Tahoka Church of Christ were pallbearers.

Mrs. Perry was born Feb. 20, 1893 in Nashville, Tenn. She was married to Elmer Perry in 1913 in Navarro county and the couple moved to Lynn county in 1927. They farmed here in T-Bar and Dixie communities until 1937, when they moved to Lamb county. The Perrys operated a laundry, grocery store and other businesses on the South Plains until moving to Colorado about six years ago. Mrs. Perry was a member of the Church of Christ.

Survivors include her husband; two daughters, Mrs. J. D. (Florence) Adams of Tahoka and Mrs. Elmer (Kathleen) Owens of Littlefield; three sons, W. C. of Denver, G. H. of Artesia, N. M., and John M. who is in the Navy stationed in Rhode Island; two sisters, Mrs. F. W. Farley and Mrs. R. C. Felts both of San Saba; three brothers, W. B. Cayce of Fort Worth, R. D. Cayce of Texas City, and J. A. Cayce of Dallas; 16 grandchildren and three great grandchildren.

Mrs. D. V. Smith of Mineral Wells came up Monday for a visit with her sister, Mrs. C. T. Oliver, and other relatives and friends. The two ladies are also visiting in Lubbock and Hereford.

D. C. Carroll was released from Methodist Hospital in Lubbock Saturday morning where he had been a patient for several weeks.

Brewer Twin, 90, Funeral Monday

Mrs. Mary Evelyn Brewer, 90 year old pioneer of O'Donnell, died at her home Sunday at 5:15 a. m. following an illness of about four months.

Born Dec. 14, 1871 in St. Francis county, Mo., Mrs. Brewer was married to P. P. Brewer on Aug. 7, 1889 at Joshua, Texas. They came to Lynn county in 1910 from Knox county and farmed at the Joe Bailey community for many years. In 1937 they moved to town. Mr. Brewer died in 1951 and since that time Mrs. Brewer and her twin sister had lived together.

She was a member of the O'Donnell Baptist Church.

Funeral services were held at the First Baptist Church in O'Donnell at 2:30 p. m. Monday with Rev. Howard Marcum, pastor of the O'Donnell Methodist Church, and Rev. B. R. Kuykendall, pastor of the O'Donnell Assembly of God Church, officiating. Burial was in O'Donnell Cemetery under direction of White Funeral Home.

Mrs. Brewer is survived by one daughter, Mrs. John Warren of Lubbock; two sons, Bert C. of Elida, N. M., and Jack of O'Donnell; her twin sister, Mrs. Martha Brewer of O'Donnell; eight grandchildren, eight great grandchildren, and three great great grandchildren.

Pallbearers were Woodrow Brewer, Joe Brewer, Alfred Abshier, Ralph Beach, Dave Ferguson, and J. D. Brewer.

City Election Set For April 3

Tahoka's annual City election will be held on Tuesday, April 3, and final date for filing for a place on the ballot is 30 days prior to the election, or March 3.

Three council members are to be elected. Terms expiring are those of Ronald Sherrill, W. T. Kidwell, and James F. (Sonny) Roberts, the latter serving out the unexpired term of Winston C. Wharton, who moved to his new home outside the city limits.

Holdover members of the Council are Mayor Meldon Leslie, Borden C. Davis, and Charles Oliver.

Trash Fires Are Hazard To City

Local citizens are again being asked by City employees not to burn trash in their trash barrels.

One day recently, smoldering fire from some trash barrel which had been dumped into the City garbage truck, set the truck on fire. Fortunately, the Fire Department got to it in time to prevent only about \$26.00 in damage, but Warren Smith says the City came very near losing the truck.

J. E. Walker, who recently underwent surgery, is reported to be improving at Tahoka Hospital, which he entered Friday.

Young Farmers Work On Barn

About sixteen members of Tahoka Young Farmers spent most of last week setting up pens, show arena, and bleachers and getting the new county livestock barn ready for the Tahoka community show, according to Wayne Huffaker, reporter for the Young Farmers organization.

The Young Farmers also operated the concessions stand, and furnished most of the expenses of the show.

Robert Draper is president of the Young Farmers, and Walton Terry is vice president.

Jimmy Williams, program chairman, has secured a man from Hereford to give a talk on permanent grasses at the next monthly meeting of the club on Monday night, March 5, in the Tahoka Vocational Agriculture department building.

The club meets each first Monday night. Any young farmer interested is invited to attend any of the meetings of the club.

WILSON SAILOR IS ON AIRCRAFT CARRIER

Western Pacific (FHTNC) — John C. Jander, machinist's mate second class, USN, son of Mr. and Mrs. Fred R. Jander of Route 2, Wilson, is serving aboard the attack aircraft carrier USS Coral Sea, operating as a unit of our Seventh Fleet in the Western Pacific.

During the cruise, the mighty carrier is expected to visit several ports in Japan and Hong Kong.

The Coral Sea serves as flagship for Commander, Carrier Division Five.

Civilization is a movement and not a condition, a voyage, and not a harbor.—Arnold Toynbee.

Grassland News

(By Mrs. O. H. Hoover)

We had quite a scare in our community last week. Carla McCleskey, two year old daughter of Mr. and Mrs. Carlos McCleskey, ate some castor beans. Knowing they were poison, they rushed her to Methodist Hospital in Lubbock. The doctors pumped her stomach and kept her there from Monday until Thursday under observation but she suffered no ill effects from the beans.

Mrs. Glenn had the 4-H Club to meet in her home last Friday. Four future homemakers attended, Beth Peel, Kim McClellan, Sue Parrish and Nancy Norman. They learned how to make apple crisp.

Mr. and Mrs. W. G. McCleskey's two granddaughters from Post spent the week end with them.

Mr. and Mrs. Bob Norman are having a new five room and bath home built in Lubbock. It will be moved east of their present home.

Mr. and Mrs. Bud Stevens and Mr. and Mrs. J. A. Propst have gone on a fishing trip. They will stop at Buchanan Lake for a while, then go down to the coast.

Mr. and Mrs. E. N. Norman spent Sunday evening with Mr. and Mrs. Bud Norman.

Our pastor's sister and family, Mr. and Mrs. Harris, from Colorado City visited them Sunday and attended church Sunday morning.

Mrs. Grace Thomas had as a week end guest her granddaughter, Tommye Hall, of Lubbock.

Mrs. E. M. Walker is flying to Miami Beach next Sunday. She will meet her brother, John Davis and family, there for a stay of six weeks or more.

Mrs. Viola Greer is in the Methodist Hospital in Lubbock. She is some better.

Mrs. L. S. Turner has been sick for some time with the flu. The Grassland and Draw WSCS met Monday in the Grassland par-

THE AMERICAN WAY

Relief Needed—From Politicians

sonage and finished the book on Latin America. Mrs. Hoover brought the devotional, a litany of thanksgiving and praise. She used the 23rd Psalm as scripture. It was given in unison. There were nine ladies present.

Mr. and Mrs. Melton visited last week in Fort Worth and Dallas with some cousins they had not seen in 20 years, went on to Edgewood and visited Mr. Melton's mother and father, went from there to Lufkin and visited some old friends, a Mr. and Mrs. Carter. They came back by Grand Saline and visited Mr. and Mrs. Pierce and family, cousins, and a friend in Terrell, a Mr. and Mrs. Lay and family.

Mr. and Mrs. W. L. Gribble visited in Slaton Sunday afternoon with friends.

Mr. and Mrs. Tom Murray and Mr. and Mrs. Bert McDonald were luncheon guests Sunday of the James Murrays.

C. O. McCleskey's landlord, Mr. and Mrs. Roby Childress, of White-wright visited in the McCleskey home Sunday.

There will be a missionary zone rally in the Nazarene Church at Grassland Thursday night. The Rev. Hurn of Lubbock will speak.

Jim B. Porterfield, A. J. McAister and Robert are fishing at Falcon Lake. They have been gone several days and report they are really catching a lot of fish.

Mr. and Mrs. Tom Murray's son, Hulen, has been discharged from the service and will be home soon. The Murrays and Mr. and Mrs. W. G. McCleskey met the bus Sunday but he wasn't on it. They spent the rest of the evening with the Ted McDonalds of Post.

Dean Laws and Dad Mann Laws of Hobbs, N. M. spent Saturday night with the Kelly Laws family.

Mr. and Mrs. Rayburn Pitts and Mr. and Mrs. Dick have been down to the coast fishing. The Pitts children stayed with Mr. and Mrs. Kelly Laws while they were gone.

Mrs. H. D. Gartman is keeping her little granddaughter for awhile.

Mrs. Janet and son, Jimmy Don, visited Friday with Mrs. Clarence Gun in Close City and Sunday afternoon in Post with the Boyd Copples.

Mrs. C. A. Walker's daughter, Kathryn Moore, is staying with her mother while she is recuperating.

Mr. and Mrs. Ollie J. Stanley gave a "42" party Friday night in their home. Attending were Mr. and Mrs. Elmer Rash, Mr. and Mrs. Kelly Laws, Mr. and Mrs. I. V. J. Melton and Patsy Stanley.

Mrs. Ollie J. Stanley honored David Stanley Sunday with a birthday dinner. Attending were Mr. and Mrs. J. M. Patterson and Mr. and Mrs. O. J. Stanley.

CATCH BIG BASS
Mr. and Mrs. R. C. (Ruby) Wells returned Monday from Falcon Lake, where they spent the week end fishing. Ruby says they caught "a big lot of big bass." He says the fishing there was the most fabulous he ever saw.

Clayton Lawrence Returns To County

Mr. and Mrs. Clayton Lawrence and two children this week moved back from Eugene, Oregon, where he will farm the section of her mother's, Mrs. Alice Fortenberry, west of town.

Mrs. Fortenberry arrived earlier and will spend a while here, but expects to return to Oregon, where her son J. W. and family live. J. W. is a Rambler salesman.

The Lawrences moved to Oregon in 1954, and have been in the poultry raising business. Clayton's parents, Mr. and Mrs. C. A. Lawrence, also formerly of Tahoka, he being with the Lynn County ASC office, are now stock farming at Hamilton.

Research workers of the Texas Agricultural Experiment Station have found that chemicals can be used successfully for controlling the grain sorghum midge. Timing of application is very important.

Texas has about 46 per cent of the U. S. gas reserves.

Keep your mattress fresh, clean and new looking with a mattress pad. Filled with layers of cotton batting, it prevents soiling and prolongs mattress life and comfort.

For generations, expert quilters have recognized the advantages of soft-glazed cotton batting for making quilts and comforters. It won't stretch or break, stick or fall apart.

Jim Whorton Will Wed Dallas Girl

Dr. and Mrs. Frank J. Daugherty of Fort Worth announce the engagement of their daughter, Terri Sue, to James T. Whorton, son of Mr. and Mrs. J. T. Whorton of Tahoka.

Wedding vows will be read at 8:00 p. m. June 28 in Robert Carr Chapel of Texas Christian University and a reception will follow at River Crest Country Club.

Miss Daugherty attended the University of Texas and is a junior at TCU. She is a member of Chi Omega sorority. The prospective bridegroom is a graduate of Tahoka High School, served in the Marines, and is a senior student at Texas Technological College.

Draw H. D. Club Has Demonstration

The Draw Home Demonstration Club met Tuesday, Feb. 13, in the home of Mrs. C. R. Smelser when the agent, Mrs. Connie Anderson, gave a demonstration on "Vegetables With a Flair."

One new member attended the meeting, Mrs. E. B. Gaither.

The hostess served the agent and 10 members from a table decorated in the Valentine theme.

THE SEVEN AGES OF CHILDHOOD

These are the ages of greatest change, ages that most deserve to be captured and held through the magic of fine photography.

Such a record grows in value with the passing of each year, and should be a part of your child's heritage.

We'll be glad to send you the booklet, "The Seven Ages of Childhood." Request your copy today.

Miss O'Gene Gill Plans June Rites

Mr. and Mrs. Thomas L. Gill of Tahoka announce the engagement of their daughter, Betty O'Gene, of Midland to Lewis Lanier Williams, son of Mr. and Mrs. J. W. Williams, Jr. of Marlin.

The couple will be married at 4:00 p. m. June 9 in the North A and Tennessee Streets Church of Christ in Midland.

Miss Gill is a graduate of Tahoka High School, received her Bachelor of Science degree from North Texas State University, and has done graduate work at Texas Technological College. She is a teacher in Rusk Elementary School in Midland.

Williams is a graduate of Rice University and received his law degree from Baylor University School of Law. He is a member of Phi Delta Phi, legal fraternity, the Dallas County Bar Association and State Bar of Texas. He is an attorney with Hunt Oil Company in Dallas.

H. D. Club Ladies Plan Concessions

The Lynn County Home Demonstration Council met Thursday of last week at the Lyntegar building in Tahoka when all six clubs of the county were represented.

The Council discussed the concessions stand and will be in charge of the stand during the New Home-Wilson Stock Show this week end and during the Lynn County Livestock Show March 1, 2, and 3.

Good food, as well as hot coffee and cold pop, will be served at the concessions stand, Council members say. The group voted to buy a 55-cup coffee maker and any one wishing to use it may contact Mrs. Connie Anderson, home demonstration agent.

Refreshments of fried pies and coffee were served 15 Council members by the Draw Home Demonstration Club, according to Mrs. Clyde Childress, reporter.

Latson Family Reunion Sunday

All the children of Mr. and Mrs. O. W. Latson of Lubbock were present for a family reunion dinner here Sunday at the home of Mr. and Mrs. Wynne Collier.

In addition to Mrs. Collier, those present were Bill Latson, editor and publisher of the Commerce Journal; Jack Latson of Dallas; Mrs. Ralph Bourland and husband of Plainview, Mrs. C. W. Wells and husband of Midland, and the latter couple's daughter, Miss Verna Ann Wells, a student in Arlington State College.

Miss McGrew And Doyle Rains Wed

(by Mrs. O. H. Hoover)
The sanctuary of the Clark Methodist Church in Lamesa was the setting for the wedding of Miss Jerrine McGrew and Doyle Rains recently.

The bride is the daughter of Mr. and Mrs. J. D. McGrew of Welch, formerly of Grassland, and is the granddaughter of Mrs. J. M. Inklebarger. Rains is the son of Mr. and Mrs. C. F. Rains of Lamesa.

Rev. Wendell Stewart read the double ring vows. Mrs. Wanda Bucklew played traditional wedding music.

Given in marriage by her father, the bride wore a white chiffon street-length gown featuring a fitted bodice and full skirt. Her fingertip veil was held by a single headpiece and she carried a bouquet of red roses atop a white Bible.

Miss Geneva Gibson, maid of honor, wore a red chiffon gown with matching headpiece.

Bobbie Pierce of Lamesa served as best man.

Bruce Terry, cousin of the bride, was ring bearer and flower girls were Misses Cristy Moore of Seagraves and Jerri Lou Terry of Lamesa, both cousins of the bride.

A reception followed the ceremony in Fellowship Hall of the church. Assisting in hospitalities were Mrs. Bill Moore of Seagraves, Mrs. Ronnie McGrew and Mrs. Doyle Terry of Lamesa.

Attending the ceremony were families and close friends of the couple.

O'Donnell Couple Married Sunday

Miss Sandra Jane Smith became the bride of Roy Gene Harris in a ceremony read at the Tahoka Church of Christ on Sunday, Feb. 18, at 8:30 a. m.

Don Browning, minister, read the double ring vows.

Parents of the couple are Mr. and Mrs. Slim Smith and Mr. and Mrs. Valton Harris. Only the parents attended the ceremony.

Hostess Is Winner In Party Bridge

Mrs. E. L. Short won first place and "Buddy" Bragg second when five tables played bridge Thursday night of last week at T-Bar Country Club.

Mr. and Mrs. E. L. Short were hosts.

Eastern Star Meets Monday

Tahoka Chapter No. 743 will have its regular meeting Monday night, Feb. 26, at 7:30 p. m.

All officers are urged to be present. Members and visitors are welcome. Jean McCord, Worthy Matron; Opal Hines, secretary.

Every day is a safety day.

Valentine Party At Special School

The Lynn County Special School had a Valentine party on Valentine Day when Mrs. L. H. Tra-week was hostess and served heart shaped home-made cookies and soda pops.

The children had previously decorated paper sacks, put their names on them, hung them on the wall, and put Valentines in each of them.

On Valentine Day during the noon hour the Rainbow Girls brought the children a beautifully decorated box filled with Valentines and visited with the children.

After the Valentines were distributed to the children, they sang songs and played games.

Local Jaycee-Ettes Honor Husbands

Tahoka Jaycee-Ettes honored their husbands with a dinner and bowling in Lubbock Friday night.

Those attending were Messrs. and Mmes. H. C. Gribble, Charles McClellan, Preston Hall, Jimmy McMillan and Edward Pool, and Mrs. Dorothy Craig.

The fast pace of modern living has much to do with the high cost

Garden Club Elects Officers

New officers were elected at a business meeting of the Tahoka Garden Club Tuesday afternoon at T-Bar Country Club preceding a program on landscaping presented by two Texas Tech students.

Ronald Moreau and Jay Mullin presented the program and gave many good pointers in landscaping a home.

Chosen president of the Garden Club for next year is Mrs. Clarence Williams; vice president, Mrs. K. R. Durham; and secretary-treasurer, Mrs. Charles Townes. The new officers will be installed in May. Mrs. Calloway Huffaker is the outgoing president.

Mrs. Townes and Mrs. Mitchell Williams were hostesses at the Tuesday meeting when the George Washington theme was carried out in the refreshments and table arrangements. The table centerpiece, provided by Mrs. Natt Park, was a crescent arrangement of white mimosas, miniature U. S. flags and a silhouette of Washington in a white container. The coffee table arrangement by Mrs. R. M. Stewart was a horizontal design of yellow daffodils and greenery.

About 40 members and guests attended the event.

Advertising doesn't cost, it pays.

Sue Coleman, Jerry Adams To Marry

Mr. and Mrs. L. A. Coleman of Wilson announce the engagement and approaching marriage of their daughter, Sue Coleman, to Jerry Adams, son of Mr. and Mrs. J. D. Adams, of Tahoka.

Miss Coleman is a graduate of Wilson High School, attended Texas Tech, and is now employed by Lyntegar Electric Coop in Tahoka.

Adams is a graduate of Tahoka

High School, attended Howard Payne College, and is now employed by Cicero Smith Lumber Company in Tahoka.

The couple will be married in the Wilson Methodist Church in Wilson, on April 7th at 7:30 p. m.

All relatives and friends of the couple are invited to attend the wedding and reception that is to be held in the L. A. Coleman home.

Kind words never die—they just become victims of ingratitude.

Dixie Home Demonstration Club met Wednesday in the home of Mrs. R. W. Haley with nine members present.

The program was on the Texas motor vehicle law.

The club will next meet on March 7 in the home of Mrs. Troy Copelin.

DATE IS CHANGED ON DANCING LESSONS

The ballroom dancing lesson series has been changed from Wednesday night until Saturday night. The News is informed, at T-Bar Country Club.

A Brownfield instructor will give lessons for high school students beginning at 7:00 p. m. and running until 8:30, and lessons for seventh and eighth grade students 8:30 to 9:30 p. m. The series of 10 lessons may be had at \$1.25 per lesson.

REV. COPELAND WILL PREACH AT BERRY FLAT

Rev. D. W. Copeland, Baptist minister, will preach at the Berry Flat Church, south of Draw in Borden county, this Sunday, Feb. 25.

All Lynn county people are invited.

Gilda Gandy, daughter of Mr. and Mrs. Gilbert Gandy, underwent an appendectomy in Tahoka Hospital Tuesday.

Wait a bit—don't get hit!

Statistics Given On Boys' Play

The Tahoka Bulldogs, who ended their basketball season with a 12 won, 17 lost record, scored a total of 1332 points this year against 1373 scored by opponents, a difference of 41 points.

Total scoring and rebounding by the individual players are listed below:

Craig Leslie, 337 points, 376 rebounds; Perry Flippin, 232 points, 255 rebounds; Billy Clinton, 192 points, 28 rebounds; Fred Hegi, 165 points, 41 rebounds; Andy Bray, 104 points, 127 rebounds; John F. Thomas, 97 points, 91 rebounds; Jerry Forsythe, 79 points, 52 rebounds; Tony Spruiell, 50 points, 33 rebounds.

Steve Ellis, 27 points, 37 rebounds; Billy Wallace, 25 points, 10 rebounds; Allen Cox, 12 points, 18 rebounds; Billy Miller, six points, one rebound; Macky McWhirter, six points, five rebounds; Jose Cervantes, two points, two rebounds.

The team hit 32 percent of their field goals, with their opponents hitting the same percentage; hit 53 percent of their free shots against 54 percent made by opponents; and rebounded a total of 1074 times while their opponents rebounded a total of 759 times.

Volleyball Play Is Set At Wilson

An independent volleyball tournament will be held in Wilson on March 22, 23, and 24 sponsored by the Wilson schools and is open to men's and women's teams of the area.

Trophies will be awarded the winning teams and a consolation bracket will be set up.

There is no entry fee, but all entries must be in by March 9. The tournament games will be played on the basis of the best two out of three. Those wishing to enter the tournament should call Wilson 2291 during the day or 2842 or 2301 at night.

Admission will be \$1.00 for adults and 50 cents for students.

Cotton carpeting is mothproof, and has excellent abrasion resistance.

Farm Facts

Farmers buy the same things city folks buy—food, clothing, drugs, furniture, and other items. These purchases amount to more than \$15 billion a year. But farmers spend from \$25 billion to \$28 billion annually for goods and services to produce crops and livestock.

Farmers are big buyers.

Furthermore, says the U. S. Department of Agriculture, farmers are expected to be even better customers. Their gross income in 1961, after all totals are in, is expected to be about \$12 billion more than in 1960.

Equipment and machinery purchases may be from \$100 million to \$150 million higher. Farmers will spend more for other production items—fuel, oil and other petroleum products, pesticides, fertilizer, and containers. Some will improve their homes, or build new ones. Others will make capital investments in new or better farm service buildings.

Farmers also will use a part of their increased incomes for appliances, clothing, medical care, education

for their children, and other things.

This creates and maintains non-farm employment and makes labor's buying power more stable. Farmers, in turn, will have a steadier demand for their products.

Screwworm Fund Is Sought Here

Jerry Church, chairman of the Lynn county Animal Health Foundation Committee says, "Texas stockmen and others have contributed over one million three hundred and thirty-three thousand dollars to the screwworm eradication program."

"The goal for the State has been set at three million dollars," says Church. He urges all of those concerned who have not already contributed to leave their contributions with Cleve Littlepage, route 3, Tahoka. Son Guin, route 4, Tahoka, or B. K. Cooley, route 4, Tahoka.

The federal government has pledged to match the producer-raised funds in this all important program. Mr. Church wishes to thank all of those workers who have helped in the fund solicitation campaign and those who have made their contributions. The screwworm eradication program is a reality and is evidence of what group action can accomplish.

MRS. EDWARDS IMPROVING

Mrs. Wright Edwards of Tahoka, who fell and broke her hip in December, is improving slowly and is able to ride in a car, although

Gurley Candidate At Eastern N. M.

QUESTIONS, PLEASE

QUESTION: MUST CONFESSION OF SIN BE PUBLIC?

ANSWER: A member who has done a public wrong, such as drunkenness, is never humble enough to be forgiven till he is humble enough to publicly take away the reproach that he has publicly brought upon the church. Whenever such men are ashamed to go before the whole church and make their confession there, either by their own mouth or through some one else while they are present, to give their personal sanction to it, their repentance is not sincere, as we think, and there is not much hope of permanent reformation in such cases. A very deep and earnest repentance and humility are necessary to a reformation of life. And it is a false idea that men have that is degrading to go before the congregation and publicly acknowledge a public wrong. The wrong itself is already public, already known by all the church, and the stain of it felt by all; and all are entitled to hear the confession of the

wrong to and enjoy the benefits resulting from such confession, which is calculated to have a good effect upon all in reminding them of the weakness of humanity. A man is doing himself incalculable injury in trying to hide a public offense. No one who does it is truly honest with himself, his brethren, or with his Lord and Master.

Let a man be a man and confess the whole truth, and then he is in a condition to be forgiven, both by the church and by our Heavenly Father. Christians are commanded to confess their faults one to another that they may be healed, and they should be honest, truthful, and faithful in so doing.

When the offense is wholly of a private character, only involving the rights of an individual member, then it may be sufficient to confess it to him alone; or if it be an offense only against God, then let him go to God with it and confess it to him alone and pray for pardon, if he does not wish men to know it.

You are invited to send your questions to: Don Browning Box 812, Tahoka, Texas. You are also invited to attend the services of the Church of Christ.

Don Browning may be heard Sunday mornings at 11:00 and evenings at 7:00 on your radio dial.

Mrs. W. L. Palmer Collehon Was Dies Tuesday Buried Friday

Mrs. W. L. (Madge Poe) Palmer, 79, formerly of O'Donnell, died at about 8:30 p. m. Tuesday following a long illness at her home at 3305 38th street in Lubbock.

Services were held Thursday at 10:00 a. m. in McDonald Funeral Chapel in Lubbock with Rev. E. E. White, associate pastor of Lubbock First Methodist Church, officiating. Burial followed in City of Lubbock Cemetery.

Born in Mount Vernon, she came to Lynn county from Knox county in about 1924. The Palmers farmed near O'Donnell, later were in the implement business, and moved to Lubbock in the 1930s. Mr. Palmer died a few weeks ago. The couple had considerable land holdings in Gaines county.

Survivors include three daughters, Mrs. Fay Westmoreland of Lubbock and Mrs. Thelma Smith and Mrs. Irma D. Rossiter, both of Albuquerque; three granddaughters, and two brothers.

Some more information on the life and death of Gilbert Collehon, who died of a heart attack in San Diego, Calif., on February 12, was furnished The News this week by his niece, Mrs. Frances Conrad.

Gollehon, a former citizen of Tahoka, was born February 12, 1909, at Gorman, came to Lynn county in 1920 with his parents, Mr. and Mrs. W. B. Gollehon, and resided in Lynn and Garza counties until 1942. He was well known in both counties, having operated service stations and a car dealership in Post and a service station in Tahoka. He was a member of the Methodist Church.

He was married May 16, 1933, to Miss Jessie Winn of Levelland. To this union three children were born, Mrs. Carey (Phyllis) Gibbs of Garden Grove, Calif., and Nancy and Robert of the home.

Other survivors include three granddaughters; his father, W. B. Gollehon of Gravette, Ark.; two brothers, Burrett of El Cajon, Calif., and Milton of Bellflower, Calif.; three sisters, Lorena McGlothlin of San Diego, Calif., Mrs. Frank (Vivian) Bryan of Siloam Springs, Ark., and Mrs. Clyde (Renell) Hodges of Gravette, Ark.

Funeral rites were held in San Diego last Friday.

Governor Price Daniel proclaims FFA Week in Texas, February 17-24. L-R are: James Morris, President, Texas FFA; Governor Daniel; Clemon Montgomery, Executive Secretary, Texas Association FFA.

Gordon-Southland

(By Mrs. Jesse A. Ward)

The Southland Seniors, accompanied by their sponsors, F. W. Calloway, Coach Buchanan and Mrs. Kuykendall, went to Carlsbad, N. M. Saturday where they toured the cavern. Seniors making the trip were Brenda Dabbs, Carol Stolle, Jimmy Lancaster, Linda Payton, Travis Lancaster, Edwin Lewis, Shirley Lee, Reta Fern Jones and Sammy Ellis.

Mr. and Mrs. William Cato, Nancy and Brenda from Quanah spent Saturday night and Sunday with Mr. and Mrs. Fred Davidson and Louise. Sunday the Cato's son, James from Texas Tech, joined them for dinner. Also dinner guests were Mr. and Mrs. Robert Lee and Candza from Slaton. Visiting in the afternoon were Mr. and Mrs. Bob Russell of Post.

Kelly Davies from Texas Tech spent the week end with her parents, Mr. and Mrs. Kenneth Davies.

Mr. and Mrs. Jack Myers were luncheon guests in the home of their son, Mr. and Mrs. Fred Myers and Stephen in Post Sunday.

The Southland Junior High School boys won a trophy as a consolation prize in the basketball tournament Saturday night at Wilson.

Mr. and Mrs. C. A. Haire of Slaton visited Mr. and Mrs. G. N. Smallwood Thursday afternoon.

Mrs. Sam Ellis visited her daughter and family, Mr. and Mrs. Larry Alford, at Petersburg Sunday. Her grandson, Tippy, came home with her for a few days visit.

Mr. and Mrs. Billy Ramsy and children from Midland recently visited her parents, Mr. and Mrs. G. N. Smallwood. Mrs. Sybil Payne

from Olney were visitors last week.

Mrs. John Taylor reports to us her grandson, Eddie Taylor, son of Mr. and Mrs. J. L. Taylor of Tyler, had an accident while riding his motor scooter and broke his leg in two places. At last report he was doing fine.

T. L. Barnes was hospitalized three days last week in Methodist Hospital in Lubbock. He is doing fine. Sunday afternoon visitors were Mr. and Mrs. Bob Russell of Post and Mr. and Mrs. H. S. Eubank of Hale Center.

The Southland Baptist Church honored their pastor, Rev. E. L. Minor, with a love offering for his birthday Wednesday night after prayer meeting.

Visitors in the home of Mr. and Mrs. G. N. Smallwood Sunday were Mr. and Mrs. Auther Smallwood and sons.

Mrs. Donald Pennell was honored with a birthday dinner by her sister and brother-in-law, Mr. and Mrs. Carl Cedarholm in their home at Post Sunday. Accompanying her were her husband and two sons, Don Halan and Harvey Lewis. Another sister and family, Mr. and Mrs. A. A. Ferguson of Post were also dinner guests.

Visitors in the home of Mr. and Mrs. Ed Milliken Sunday were William Cato and Brenda of Quanah, Fred Davidson, Mr. and Mrs. Bryan Shaw, Tommy Crites, Mrs. D. H. Hatchett, Mrs. Molly Black, Raymond Milliken, Mike and Mary Ann all from Lubbock, Mr. and Mrs. Ralph Milliken, Peggy Jean and Vicki from Wolf-orth, Byron Milliken of Lakeview, Mr. and Mrs. H. W. Seals.

Rev. and Mrs. E. L. Minor went to Greenville Monday for a few days.

Mrs. Donald Pennell, Mrs. Kenneth Calloway and Jay, Mrs. Jack Myers were in Lubbock Saturday and visited Rev. and Mrs. Eddy Fortson.

Mrs. Milliken reports her granddaughter, Janey Milliken, daughter of Mr. and Mrs. Bryon Milliken of Lakeview, is in Mercy Hospital in Slaton with pneumonia.

Spending Thursday night in the home of Mr. and Mrs. Jack Myers were his sister and family, Mr. and Mrs. Curtis Palmer, the Myers' granddaughter, Nedra Sue Myers, all from Garden City.

Mr. and Mrs. J. T. Davis, Johnny, Richard, and Cathy of Lubbock were Saturday visitors of her mother, Mrs. Agnes Rinker and grandparents, Mr. and Mrs. T. L. Barnes.

Mrs. Ed Cummings visited her niece, Lucille Walker of Grassland, in the Post hospital last week.

Sunday afternoon visitors of Mr. and Mrs. Jack Myers were Mr. and Mrs. Grady Hunt from Lubbock, Mr. and Mrs. Don Stewart and Sundee, Arthur and Bill Davies.

Linda Robinson was an overnight guest of Kelly Jo Myers Sunday night.

Mr. and Mrs. Jesse Ward spent Friday to Sunday in Canyon with Mr. and Mrs. Stanley Smith and Deborah.

B. F. McGehee of Lubbock had dinner with his son and family, Mr. and Mrs. Weldon McGehee Thursday of last week.

Good Start In Sale Of Bonds

January Savings Bonds sales in Lynn County totaled \$17,881.00, according to A. C. Verner, Chairman of the Lynn County Savings Bonds Committee. This figure represents 7.2 percent of the 1962 sales goal of \$250,000.

Total January sales in Texas were \$15,310,631, which is 9.3 percent of the 1962 state goal of \$165,100,000.

"The highlight of our 1962 sales activities will be the Freedom Bond Drive held in May and June, Chairman Verner reported.

"The Freedom Bond Drive will be the first nation wide Savings Bonds campaign held since the Korean War. This campaign was personally inaugurated by President Kennedy at a meeting in Washington on January 19th. I feel confident that the citizens of this County will respond to the Freedom Bond Drive and our 1962 Savings Bonds goals will be met," Verner concluded.

Speed And Greed

When you are exceeding the speed limits, or traveling too fast for conditions, you are displaying greed of the most dangerous kind. "Just how do you mean?" someone might ask. First of all, it must be explained by saying that speed laws are determined by traffic engineers with one major thought in mind: Safety! The speed limit posted on highways, freeways, streets and in school zones is the maximum safe speed under favorable conditions a motorist can travel on these thoroughfares.

Greed, as we usually know it, was demonstrated clearly during World War II when many persons hoarded certain hard-to-get items. Hoarding, of course, resulted in smaller shares for those conforming with rationing laws. This was bad enough, however this kind of hoarding did not usually impair life or limb.

Greed, as demonstrated in traffic, is another matter. Here when a motorist hoards time by exceeding speed limits, or driving too fast for conditions, he steals time

not lawfully his and disregards the safety of others.

His usual practice is to leave late for engagements, then try to make up time by exceeding speed limits or going too fast for conditions. His greed is transferred to the pedal under pressure, and all law-abiding motorists and pedestrians in his path are in danger of serious injury or death.

Hoarding time by speeding is a deadly business where innocent and guilty alike may suffer for the sake of a few minutes or seconds. Let us take an example of the hoarding driver traveling down the road at 60 MPH, 50 feet behind another car traveling 60 MPH. The minimum safe following distance under ideal conditions is 120 feet. The accepted guide in determining this minimum following distance is to double the speed in miles per hour of the vehicle you are following to determine your following distance. All this hoarding driver can gain is to get to his destination 70 feet earlier than if he were following 120 feet. At 60 MPH this gain amounts to eight-tenths of one second.

TPA

TEXAN OF THE YEAR

AWARD

Presented to

VAN CLIBURN

of Kilgore

THIS AWARD is presented to Van Cliburn, one of the great pianists of all time, by the Daily, Weekly and Semi-Weekly Newspapers of Texas represented by the Texas Press Association. It is presented in appreciation of the high honor and distinction he has brought to his beloved Lone Star State.

After winning numerous competitive awards in his own country, Van Cliburn rocketed to worldwide fame when he won the Tchaikovsky Competition in Moscow in 1958.

Since then, this modest young Texan has shown that he is an artist of which his State and Nation can be extremely proud. Additional evidence of his superior talent came with the recent announcement that a million copies of his recordings had been sold . . . the first classical album ever to achieve this milestone.

For his great talent, his humility of spirit, the gracious charm of his personality, his Texas pride, his contributions as an international ambassador of goodwill, and the fame he has brought to our State, we salute Van Cliburn as "Texan of the Year."

Presented by The Texas Press Association on Jan. 20, 1962 at TPA's Mid-Winter Convention in San Antonio, Texas

Seventh Grade District Champ

Coch Milt Fitt's seventh grade boys basketball team won its district championship here in a play-off game with Frenship Thursday night of last week, coming out on top 27-17.

The Tahoka boys won the round robin schedule, but Frenship won the district tournament championship, so a play-off game was necessary.

High scorers for Tahoka were Raymond Chapa and Milton Miller, who hit the basket for eight points each.

This is the second championship the seventh graders have won this year, the other coming from the seventh grade football team coached by Jake Jacobs and Fitts.

Girls Out-Class Three-Way Team

The Tahoka girls outclassed Three-Way here Tuesday night in a warm up basketball game 55-28. The local team is awaiting its bi-district tilt next week and were playing Idalou Thursday night here in another warm-up game.

Tahoka led 12-3 at the end of the first quarter, 27-11 at half time, and 41-21 at the end of the third. Judy Thomas scored 23 points and Kay Halamecek added 20 points. Linda Sims, daughter of Archie Sims, former North Elementary School principal here, and Miss Fine scored 11 points each for the losers.

All of the Tahoka girls saw action in the Tuesday night game.

Junior Play Is Held At Wilson

Tahoka junior basketball teams participated in the Wilson junior basketball tournament last week end, and although none of the local teams won a title, each played in the event.

Tahoka eighth grade took third place in a game played against the Tahoka seventh grade, which took the fourth place berth, in winning 31-29. The eighth grade girls defeated Slaton 21-8 for third place, and the seventh grade girls lost to Wilson 24-12 to come out second in the consolation bracket.

In first round games of the boys division, Tahoka's seventh graders defeated Slaton's seventh 38-31 with Mitchell Williams scoring 22 and Milton Miller 7. The eighth took on Wilson to the tune of 52-15 with Gary Tomlinson scoring 12 and Freddie Pearce 10.

The second round saw the local seventh lose to Slaton's eighth grade team 33-31. Raymond Chapa and Milton Miller scored six each.

Tahoka's eighth grade boys lost to New Home 25-22 in the second round, Frankie Stanley scoring eight and Larry Jolly six.

For third place in the tourney, Brit Robinson and Frankie Stanley paced the eighth graders with 13 and eight points, respectively, to defeat the Tahoka seventh graders 31-29. Mitchell Williams scored 12 and Chapa 10 for the losers.

The girls division saw the Tahoka eighth defeat Wilson 26-23 with Joy Thomas and Mary Ellen Wyatt scoring 10 and eight in the first round. The Slaton seventh defeated the Tahoka seventh 16-11 with Marla Bray scoring three and Sue Woodall, Jill Edwards, Martina James, and Teresa Mason each ing two each.

New Home downed the eighth graders 30-13 in the second round. Joy Thomas scored seven and Mary Ellen Wyatt made four points. The local seventh graders topped Southland 27-21 with Marla Bray scoring nine points and Sue Woodall and Teresa Mason scoring eight each.

In the third place finals, Tahoka eighth graders outscored Slaton 21-8 behind the shooting of Mary Ellen Wyatt's 12 points and Brenda Riddle's six. The seventh graders lost the consolation title to Wilson 24-12. Sue Woodall scored seven, Kay Lambert three, and Margie Novian two.

Cotton Center Is Winner 57 to 54

Cotton Center, girls champion of district 5-B, defeated Tahoka, winners of 3-A, 57-54 here Friday night in a warm-up game here.

Cotton Center held a 20-12 margin, but after a slow start, the Tahoka team took the lead 34-32 at halftime and provided a nip-and-tuck battle to the finish. At the end of the third period the score was tied 47-47.

Judy Thomas and Kay Halamecek each scored 21 points and Judy White of Cotton Center took honors with 26 points.

The average American family eats about 50 different kinds of food in a week.

30 Teachers In Counseling Class

About 30 teachers overflowed the new class on guidance being offered in Tahoka at the school cafeteria by Texas Tech under direction of Dr. Cobb.

Local teachers have just completed one guidance course, and this one is being offered for those wishing to take it on a voluntary basis.

The large enrollment was unexpected since the student testing course has just been completed and many had applied for this course on Counseling for the fall semester, according to John U. Nelson, a guidance supervisor in Lynn county.

Nelson stated the demand for the course illustrates the genuine interest of local teachers to voluntarily keep abreast of the times in training to be better prepared to meet the new program of school guidance.

March 3-10 has been designated as 4-H Club Week in Texas. The same week will also be observed as National 4-H Club Week. In his official proclamation, Governor Daniel pointed out that the development of citizens and leaders for America is a high purpose of 4-H Club work. All citizens have a special invitation to participate in the activities planned for their community.

Girl Scouts Take Skating Lessons

Ice skating lessons are available to Girl Scouts and Brownies from 11:00 a. m. until 12:00 noon each Saturday at the Iceland Rink in Lubbock.

Several Tahoka girls attended the first lesson last week, and others are free to begin this week. Lessons are 80 cents each or \$8.00 for 10 lessons.

County 4-H Club Elects Officers

The county-wide 4-H Club met recently and elected officers for the new club year.

President is Lyndol Askew; vice president, Dean Hamilton; secretary, Harold Bessire; and reporter, Ronnie Wood. Chosen as council delegates were James Smith and Carol Moore.

The next meeting will be Feb. 28 at 7:00 p. m. in the City Legion building in Tahoka. All eighth grade and high school students in the county are invited and urged to attend, according to the reporter, Ronnie Wood.

TEACHES MEN'S CLASS

Lonnie Howell from the First Baptist Church taught the Men's Down Town Class at the WOW Hall last Sunday morning. There were 38 men present.

Wilson Juniors Play Is March 2

The Wilson Junior Class will present its annual play on Friday, March 2, at 8:00 p. m. Title of the play is "The Ghost House," a mystery comedy in three acts.

Admission is 50 cents for adults and 25 cents for students.

The cast is composed of the following:

Jimmy Gieklhorn as William Harrison; Sandra Behrends as Gloria Willoughby; Sandra Lumsden as Henrietta Willoughby; Helen Schneider as Ann; Lowen Young as Andrew Barnes; Billy Hatchell as Patches; Jerelego Wied as Mother Blake; Allen Wuensche as Oliver Mellon; Don Schneider as Soleless Sam; Jerry Campbell as Rebecca West; and Wayne Edwards as Dr. Roget.

The play is under the direction of Mrs. McWhirter and Coach Snowden.

Everyone is invited to attend.

H. G. Cooks Make Trip To Hawaii

Mr. and Mrs. H. G. Cook of Wilson will be among the passengers aboard Matson Lines' luxury liner Matsonia when it sails for Hawaii on Feb. 26.

The liner will sail from Los Angeles. Cook is president of the Wilson State Bank.

Regional . . .

(Continued from First Page)

ourney. The winner of that game will play in the finals to determine which team will enter the state tournament in Austin. In other words, there are three games between the Tahoka girls basketball team and the state tournament.

Tahoka girls won their district championship last week and have since been playing warm up games to stay in shape for the coming play-offs. The success of the team from now on will depend on the effort put out by each girl, Coach J. D. Atwell said.

Some fans have expressed the desire to charter a bus to the first round game if it is played away from Tahoka, but no definite plans can be made for that, either, until game arrangements are made.

Candidate . . .

(Continued from Page 1)

March was again reduced, he stated. This reduction of allowances has placed many hardships and burdens upon the people of this area, and he said he will work to remedy this condition.

Still another vital area of legislation is the revision of the Sales Tax Law to remove the inequalities and ambiguities contained therein and to remove the unfair tax burden and increased book-keeping costs which are caused by these uncertainties in the law. The ruling which forces a store owner making numerous sales under 25c, and on which he collects no tax, to pay taxes on such sales must be changed, Owen stated.

Finally, he believes that a real effort should be made to establish economy in our State Government. "We need to establish a committee which will ferret out duplication, extravagant wastes and unnecessary expenditures. In this connection I would pay particular attention to abuses of the Welfare Program."

A native West Texan, Owen was born and reared in Taylor county. His parents, Mr. and Mrs. Marvin Owen, now live in Kermit, where they own and operate Owen Jewelry.

He graduated from Abilene High School and attended McMurry College prior to entering the military service in 1951. At that time he volunteered as a private in the U. S. Army. During his period of active duty service, which covered some 38 months, Owen attended Officer Candidate School from which he graduated as one of the two distinguished military graduates in his class.

Owen was appointed a Regular Army Officer, but after the Korean conflict ceased, and in order to complete his education, he resigned his Regular Army Commission, was appointed a Reserve Officer and was released from active duty. He currently holds the rank of Captain in the Army Reserve.

A graduate of the University of Texas School of Law and a licensed practicing attorney in the State of Texas, Owen is a member of the Gaines County Bar Association, of which he is currently president, the State Bar of Texas, the American Bar Association, and the American Judicature Society.

Owen is married to the former Wanda Jean Roman, who was born in Lynn County. She graduated from Knott High School and her parents, Mr. and Mrs. E. L. Roman, still live just outside of Knott where Mr. Roman is engaged in farming. Mrs. Owen graduated from Hardin-Simmons University and has done graduate study at the University of Texas. She is presently employed as a teacher in Seminole High School and is the girls' volleyball coach.

Both Owen and his wife are members of the First Baptist Church in Seminole, and Owen was in Instructor at New Mexico Baptist College in Hobbs, New Mexico, for some 18 months.

In announcing his candidacy, Owen said, "I feel that my education, business experience and background qualify me for the office which I seek. I urge the voters of this district to study the qualifications of all the candidates for this office before making a decision for the candidate of their choice. The State is a multi-million dollar business; to entrust it to the unqualified or inexperienced is a mistake we can ill afford to make at this time."

Bobby Caswell, who has been in Tahoka Hospital with chickenpox and pneumonia, was released Thursday.

Grain Base . . .

(Cont'd from Page 1)

what will happen to my maize base?

A. Nothing. The feed grain base on a farm is the average plantings during certain years, as adjusted by the community and county ASCS committees. The new bill specifically provides that allotments will be apportioned to farms on the basis of an average acreage of feed grains produced during a base period, and that the base period for the 1963 through 1965 crops will be 1959-1960, the same as the 1961 and 1962 Feed Grain Programs. Further, the bill provides that for the crops after 1965, the two most recent calendar years for which statistics are available would be used for a base.

Thus, we will not use either of the years 1961, 1962, or 1963 in computing bases for future grain allotments, according to the proposed law.

Q. If the bill passes, would I be paid for the difference between my grain base and my allotment?

A. The ASCS office would be authorized to make payments for acreages diverted with respect to the 1963, 64, and 65 crops, and in addition, the farmer could voluntarily divert an additional 20% of the allotment for payment.

Q. What would be the level of price support?

A. From 70 to 90 percent of parity, as determined by the Secretary.

Q. What happens if farmers do not approve allotments by the two-thirds majority?

A. There will be no price support, and CCC is authorized to sell stocks of government-owned grain now in storage, at the rate of 10 million tons annually, for unrestricted use at market price.

At the beginning of the 1961 marketing year, stocks of all feed grains totaled 84.4 million tons, of which 75.6 million were corn and grain sorghum, with 74.4 million tons owned or controlled by Commodity Credit Corporation of USDA. Because of the high degree of cooperation by farmers who recognized the need for bringing supply into balance, government stocks were reduced in 1961—the first year since 1952 that production has been below utilization. We now have less than 70 million tons on hand, representing approximately a six month supply, but the supply is still considered excessive.

This information is furnished in order that you may make your desires concerning the legislation known to your Congressman, states Mr. Bragg. Please feel free to call on the ASCS office at any time for additional details.

Banquet . . .

(Continued from First Page)

Short gave a coffee for directors and their wives in the Lyntegar conference rooms, and final plans were completed for the meeting.

All farmers and business people, whether members of the Chamber of Commerce or not, are urged to get their tickets as early as possible since only about 280 tickets will be available and these are usually sold out before the day of the banquet.

Ballots in the election of new directors were to be counted today.

The following are the hold-over directors: A. C. Verner, Charles Townes, W. T. Kidwell, Frank Hill, E. L. Short, A. M. Bray, and Mitchell Williams.

Outgoing directors are: Wilton Payne, H. B. McCord Jr., Clint Walker, E. R. Edwards, Harold Green, Ray Adams, Jack Jaquess, C. W. Roberts, and Herman Renfro.

All of the above have tickets available for anyone wishing them, as do the following: L. C. Haney, Wynne Collier, Turner Rogers, Granvel Ayer, George Glenn, and Harold Roberts.

Committees announced for banquet arrangements are: Food: Messrs. and Mmes. Turner Rogers, Al Smith, G. H. Chestnutt, and Calloway Huffaker.

Tables and chairs: Jack Jaquess, Dale Thuren, George Glenn, Granvel Ayer, and Irvin Dunagan.

Decorating: Messrs. and Mmes. Joe Bob Billman, Mitchell Williams, and H. B. McCord Jr.

Program: Clint Walker and Frank Hill.

CARD OF THANKS

We wish to thank Dr. Prohl and his staff and the many friends who sent cards and flowers and fruits, who offered prayers, and to all for the many kindnesses extended during my illness.—Mrs. Bill White and family.

Sandy Newman of New Home was a medical patient in Tahoka Hospital overnight Tuesday, being released on Wednesday.

U. S. Is Failing In "Good Neighbor" Policy With Mexico, Speaker Says

The U. S. Government is helping Mexico become a socialist state, and yet the U. S. has a great opportunity through the bracero program to help our neighbor to the south and keep her from going Communist.

This is the conclusion of Frank Gonzales, a citizen of Mexico, who held the members of Tahoka Rotary Club spell-bound last Thursday in discussing a "Good Neighbor Policy." He made some shocking statements—not bitter, but facts his listeners seemed to sense were true.

"Mexico is becoming a socialist state by help of the millions of dollars in foreign aid we send her," he declared. "The little people who need help never see the money. The Mexican government uses this money to buy up railroads, power plants, oil companies. It does not promote democracy."

Mr. Gonzales was born and reared in Nogales, Mexico, on the Arizona border, in an international atmosphere. Early in life, he was told by his father he must

learn the English language for it is the language most used in international affairs. He attended the American school by day, the Mexican school by night. He liked U. S. people, and did not believe the things Mexicans said about us.

Then he went to the University of Mexico. Gradually, everything changed. Americans were not good neighbors, they were selfish, superior in attitude, discriminated against Mexicans. There were and still are many stories in the Mexican newspapers of the bad treatment given Mexicans in the U. S. but little or nothing about the good treatment. He decided Americans were not so hot. He had a chip on his shoulder.

But, he met a Texas girl from Amarillo, fell in love with her, convinced her parents he was not a "greaser," and they were married. Very reluctantly, he finally agreed to give living in the U. S. a trial at Lubbock, where his wife had attended Texas Tech.

To his surprise, he was accepted by the best people of Lubbock, and soon he was asking himself, "how can I help relations between these neighbors and help save Mexico from Communism?" He found Texans, more than anyone, want to get along with Mexico.

Even Texans, the best friends of Mexico, have a lot of wrong ideas about Mexicans. The National sport of Mexico is to talk politics. An educated person in Mexico has a little more basic education than a U. S. citizen.

"I believe in a good neighbor policy because it is the most effective way of fighting Communism; it is the Christian way," he stated. "One common enemy is trying to break us apart—and the U. S. government is playing into the enemy's hands."

"The U. S. is spending billions to help allies, and most of it is wasted. We have a great opportunity here in Texas to promote good will—it doesn't cost anything. We are not using our wetbacks to promote democracy."

The braceros who come to this country learn better agriculture, get a desire to do better by themselves, and go home determined to improve their lot in life. He urged that we expand on this opportunity, lend friendly encouragement to these braceros, give them technical help, show them democracy. But, we are falling down on our public relations job.

Seeing this need, Gonzales started the "Good Neighbor" pro-

TAHOKA, TEXAS

"Heart of the South Plains" FRIDAY, FEBRUARY 23, 1962

Farm Facts

President Lincoln on May 15, 1862, signed the act creating the U. S. Department of Agriculture. President Kennedy has proclaimed a centennial observance to begin May 15, 1962, to "commemorate the contributions of agriculture to the health and welfare of every citizen, to the national well-being, and to the development of emerging nations."

When the USDA was established, one U. S. farm worker was producing enough food and fiber for five people. Now, one farm worker grows enough food and fiber for 28 people.

A USDA fact sheet notes that today's farm products are of superior quality. Wholesomeness of our food is beyond doubt. Its variety seems without limit, and its cost requires only one-fifth of our take-home pay.

"This is the farmer's success story. To it, the Department of Agriculture has contributed research, economic

aid, education, technical help, and other services. But, essentially, the world's most efficient agriculture springs from the hard work, the ingenuity, and the ability of American farmers and ranchers."

DENTONS HOME ON LAKE

Mr. and Mrs. Ed Denton of Gordon have spent a part of this winter down at their summer home on Rock Creek at Possum Kingdom Lake, where they have a nice house and boat dock adjacent to deep water. Pioneers of this area, the Dentons have stuck it out farming until they are now able to enjoy life a little more and are enjoying the time they get to spend at the lake.

A Communist is like a crocodile. When it opens its mouth, you cannot tell whether it is trying to smile or preparing to eat you up. —Winston Churchill.

SWPC Contract Is Let For Plant

The Highway Patrol investigated seven rural accidents in Lynn County during the month of January according to Sgt. A. E. Roberts, Patrol supervisor of this area.

These wrecks accounted for one person killed, one person injured, and an estimated property damage of \$7,245.00.

The Highway Patrol supervisor pointed out that rural motor vehicle traffic accidents in the 29 county North Texas district have declined slightly during January, 1962, as compared with the same month last year. Nine deaths were chalked up last month as compared to the ten that were recorded in January, 1961, 147 injuries were reported this January which is higher than the 105 for the same period last year. A total of 217

subject in Lubbock. There is much distrust in Mexico for the U. S.

"But," he declared, "You have the answer to the whole problem of the world, but you have got to show the world."

He attacked the policy of the U. S. Department of Labor to unionize farm labor, to cut out the braceros who are a connecting link in good neighbor relations.

"The first instance of this is the Slaton swimming pool incident. The Labor Department's drive has just started." He thought this policy is unjust and will lead to great harm.

"The Labor Department has a great weapon in the International Treaty. The Mexican is treated as a second class citizen. Anytime a Mexican is discriminated against, your community will be cut off from use of braceros. Don't give the Labor Department this weapon."

Mr. Gonzales then made some suggestions for the treatment of Mexicans in our country to improve relations.

He said our press relations are bad. Every time a Mexican is kicked out of a place of business, or otherwise discriminated against, these reports are played up in the Mexican newspapers. They never print the good things.

"You do have the right to refuse service if the customer is not proper, but don't refuse him service just because he is a Mexican." However, you can refuse a Mexican, or any man, service if he is not dressed right, roudy or obnoxious, or not clean. Mexico has the same kind of discrimination, but it is based on the citizen not being proper and not because of his race. Treat the Mexican with kindness, understanding, and a helpful attitude. This can help improve relations with Mexico.

He also told of the evil influence of Castro in Mexico and the influence of the Russian Embassy in Mexico.

As neighbors, he declared, "we've got to get together for our own welfare, for our own prosperity."

The talk is one every citizen of this area should hear.

The program was arranged by E. L. Short, and B. T. Smith, former Tahoka teacher and now a teacher in Texas Tech, introduced the speaker. Smith said Gonzales is the man who "lit the match that started the Lubbock good neighbor policy."

Seven Rural Accidents In County During January, Officers Announce

A. R. Watson, President of Southwestern Public Service Company, has announced that the Missouri Valley Constructors, Inc., of Amarillo, has been awarded the contract to build a 210,000 kilowatt turbine-generator unit at the company's Plant X, located 7 miles north of Amherst, Texas.

Construction will begin this week, with completion scheduled for June 1964.

The new unit, manufactured by the General Electric Company, is the largest single turbine-generator ever installed in the area served by Southwestern Public Service Company.

In making the announcement, Watson stated that the new addition represents an investment of \$15,000,000 and is dramatic evidence that this region continues to be one of the fastest growing sections of the country.

This will be the fourth generating unit at Plant X, and will bring the capability up to 487,500 kilowatts, and the total for all 12 of Southwestern's plants, to more than 1,200,000 kilowatts.

The electrical construction will be handled by Service Electric Company, Carlsbad, New Mexico.

PLANS ON FISHING

Mrs. L. L. Birdwell of O'Donnell says her parents, Mr. and Mrs. Lewis Robinson of Lamesa, who are well known over this country, are building a new dock down at Possum Kingdom Lake and plan on spending a lot more time fishing in the future.

What size Chevrolet do you want to save money on?

CHEVROLET IMPALA Room, refinement and riding comfort. Foreground, the Impala Sport Sedan.

CORVAIR MONZA Sports Car spice without a sports car price. At rear is the Monza Club Coupe.

CHEVY II NOVA The frisky family-sized Chevrolet with a low, low price tag. Above right, Nova Sport Coupe.

Like your driving sporty, with quicksilver steering, flat-as-a-pancake cornering, sure-footed traction? Then a Corvaire Monza's for you.

Or maybe the new-size Chevy II is more to your liking. Built for big families and still slips neatly into small parking places. And, with this, the kind of ingenious engineering (new easy-riding Mono-Plate rear springs, for example) that

won this year's coveted Car Life Magazine Award for Engineering Excellence.

But say you want to go all out—to get the full treatment in space, spirit and splendor. Then there's nothing like a Jet-smooth Chevrolet. Makes paying more pointless.

So size 'em up—then save it up—at your Chevrolet dealer's.

See the new Chevrolet, new Chevy II and new Corvaire at your local authorized Chevrolet dealer's

Printer's Ink-lings . . .

By F. P. H.

Every now and then we hear young people (and adults) say there are no opportunities any more—a young man has a hard time getting a start in life. We heard the same thing when we were a kid. It's always been hard for most of us to get a start because it takes work and sacrifice.

When a boy says he can't go to college, we are reminded of a lot of students we knew in our college days who wore thread-bare pants and worked nights.

One of them was L. W. Blau, a young man who underwent every obstacle in the books, but got his college education and went on to success in life. The printer was a schoolmate of L. W.'s. His story was an inspiration to us and it may be to some young fellow to-day.

Raised in a German home in one of the Dakotas, he attended public schools only about three months and quit because of the language barrier. But, he had a desire for knowledge and evidently had studied at home before he moved with his parents to Lipscomb county, up on the North Plains. About 1921, at the age of about 21, he applied for admission to West Texas State. Dean L. G. Allen asked him for his high school transcript of credits. Of course, L. W. had none. "But there must be some way I can go to college," he told the Dean. Dean Allen told Blau he might enter college "on conditions" (trial) if he could pass examinations on sufficient high school subjects. "Well, how many subjects you got?" Blau asked. "About 28 or 30," the Dean skeptically replied. "Well, I take 'em!" Blau declared. The young German, who could still speak only broken English, launched in to those examinations, and when the authorities finally stopped him and told him he could enroll he had passed about twenty examinations with flying colors.

Blau once confided to our uncle,

TEXAS PRESS ASSOCIATION
Member 1961

Dr. J. A. Hill, then president of West Texas State, that his full name was Ludwig Wilhelm Blau and that he was a near kinsman of the Kaiser of Germany—which would have been very unpopular if the public had known this in those days. His parents had migrated from Prussia, where they had been of the nobility, to America seeking freedom and democracy in preference to the class system of Europe.

A year or two after Blau entered the college. Dean Allen one day announced in chapel (yes, they used to have chapel exercises even in State schools, but the do-gooders today say you mustn't teach the Bible in school) that no student could go home this week end. Blau went to the Dean's office and asked if he could go home. On being refused, Blau pleaded, "Yes, but I have a little girl up in Lipscomb county who is going to get married Sunday and I think I ought to be there." Blau got to go home, got married, returned to school, continued to work his own way, got his degree. He got his master's degree at the University of Texas, his Ph. D. degree at Harvard, and returned to the University as an instructor.

In the field of chemistry, L. W. Blau developed a solvent for aspirin, which resulted in Aspirinol, popular in drug stores a few years ago. In the field of physics, he adopted the seismograph, invented in Germany, to the practical use of locating possible oil structures. L. W. Blau's development of the seismograph resulted in a complete revolution of world-wide oil field development. As a result, he was given a job with Humble Oil Company, and in a short time was a vice president of that great company. When the company reorganized a few years ago, Dr. L. W. Blau retired, returned to Lipscomb county, financially "well healed," and is now engaged in his first love, stock farming.

J. E. Nance Sr. was down in Tampico, Mexico, a few weeks ago, and says he saw millions of dollars worth of goods piled up along the wharves shipped in from Soviet Russia. Somewhere, he thinks, we are missing the boat in allowing our nearest neighbor to import goods from our avowed enemy. A local Mexican was telling him how useless to the average citizen was the government aid the U. S. gives Mexico. For example, the Mexican said, following the terrible damage done that city by the hurricane, American people responded in a wonderful way in sending money to restore the wrecked buildings. But, what did the Mexican government do with the money? They went out on a barren clay hill where they used the money to build huts for the homeless people. But, the Mexican government is collecting rent on these hovels from the unfortunate people we thought we were helping. Instead of winning friends among the common people, we lost friends by sending them aid. When will our government ever learn that we can not buy friend-

ship with foreign aid dollars? When will it learn that this money never reaches the people who need it?

For some more revealing information about such foolishness read the story in another column about Frank Gonzales' talk at the Rotary Club.

While Rev. Howard Hollowell and wife were here visiting last week, a board member from First Methodist Church in Wichita Falls called and informed him the church was giving him a vacation and a summer trip to Europe for he and his wife. Rev. Hollowell is recognized as one of the outstanding Methodist preachers of the entire South. Incidentally, we knew him as a youth down at Sweetwater. In fact, he was a classmate and chum in high school of our brother, E. I. Jr., who has been in Washington, D. C., and environs for thirty years. Old Howard is another poor boy who made good in spite of little help from his parents.

Reminds us of the time Howard was Methodist pastor at O'Donnell, and the Spur church was trying to get him at a substantial raise in salary. Mack Haymes, we think it was, a member of the O'Donnell board, went up to the parsonage to see if the preacher was actually going to leave them. The Hollowell's little daughter, Helen, came to the door. Mack asked, "Is your daddy really going to Spur?" And the little girl replied, "Well, daddy's in his study praying over it, and mother's in the kitchen packing the dishes."

Industrial News Says:
Remember when—if you were late for church—you could never find the button hook for your shoes? . . . Remember the cigar store gas flame burning like the Eternal Light? . . . Ordinary autos had wooden spokes, but the snazzy ones had wire wheels? . . . There were 913 dogs in town, but the hardware store didn't sell five leashes a year?

Didn't every farmer's sleigh carry a buffalo robe? . . . Wasn't the minister always dressed in black? Did your "Doc" look like he never got enough sleep? . . . Whatever happened to the Barry boy next door who was always yelling, "You're another?" . . .

You mean you've forgotten the town where last year's circus posters stayed up until covered by this year's circus posters? . . . Weren't you personally acquainted with the cow that supplied the milk your milkman brought in a quart can? . . . Weren't you the boy who hated to play "Postoffice" at the party—and stayed, the longest? . . .

You mean you've forgotten the Victrola: "Whispering," "Japanese Sandman" and "Three O'Clock in the Morning"? . . . and Sir Harry Lauder, singing "Quit Tickling, Jock"? . . .

WHICH ARE YOU?

- A pillar or a sleeper?
 - A booster or a buckler?
 - A wing or a weight?
 - A giver or a getter?
 - A goer or a gadder?
 - A power or a problem?
 - A promoter or a provoker?

The Lynn County News, Tahoka, Texas

February 23, 1962

SON OF TAHOKANS IS COACH AT CANADIAN

Ned Jolly, son of a former Tahoka couple, Mr. and Mrs. Vernon Jolly of Phillips, is the new head football coach and athletic director of Canadian High School. A graduate of West Texas State College, where he participated in athletics, Jolly has been assistant at Canadian this year.

His mother is the former Miss Lillie Dell Slover, daughter of the late Mr. and Mrs. C. W. Slover, pioneer settlers of Lynn county.

There are more grades, constructions, and varieties of cotton than all other fabrics put together.

Always iron dark-colored cottons on the wrong side to prevent shine.

WHAT? BUILD A PICKUP TRUCK SPECIALLY FOR TEXAS?

YES SIR—THE '62 FORD!

IT STARTED IN TEXAS—when Ford engineers came here to track down exactly what Texans need in a pickup. They drove Texas roads . . . talked to Texas truck owners . . . and produced a truck that fits Texas to a "T." Drive the '62 Ford pickup and you'll agree!

The wheelbase is long—114 easy-riding inches (122 for 8-foot bodies). There's little chance of bumper-scrape on inclines because of the short front overhang—and more ride stability. The ride is smooth. To the long wheelbase, add easy springing—and the ride's as soft as a Texas drawl!

The frame is strong. It's built to stand the twisting of high-crowned Texas roads.

The savings are BIG—and they start right today! You save now on Ford's pickup prices—the lowest of any leading make.* And you save from now on! Save on gas with Ford's modern engines, Six and V-8. Save on oil—go 4,000 miles between oil changes, thanks to Ford's Full-Flow oil filter. Save on tires because Ford's I-beam suspension keeps front tires tracking true. In certified tests against pickups using independent front suspension, Ford front tires lasted up to 83% longer!

Stop in and drive a '62 Ford pickup today. It's built for Texas, built in Texas. Let us show you why Ford's full-time economy only starts with low price!

FORD TRUCKS COST LESS TO OWN AND OPERATE F.B.A.F.

Texas' Gigantic Screwworm Fight Launched Wednesday of Last Week

College Station — Texas' multi-million dollar screwworm control program is underway. It was launched Wednesday morning, Feb. 14, when sterile male screwworm flies were air-dropped over Hays county.

The release—first of its kind in the Southwest—was timed to coincide with a meeting of the Southwest Animal Health Research Foundation in Austin. More than 400 livestock producers and sportsmen from Texas and adjoining states attended the kick-off meeting. The fly release climaxed the efforts of thousands of stockmen and sportsmen who have worked on the program for many weeks.

C. G. Scruggs, president of the

SAHRF, said the program involves the U. S. Department of Agriculture, Texas Animal Health Commission, Texas A&M College and the research foundation. He reported that contributions by stockmen and sportsmen now totaled approximately \$1,400,000. An intensive drive will be continued, SAHRF officials said, until the \$3 million goal is reached. Scientists, capitalizing on freeze-out of overwintering screwworms in January, believe there is an opportunity for lowering—if not totally eradicating—screwworms from Texas this year.

The program will follow the pattern of the successful eradication effort in Florida and the Southeast. Millions of artificially raised male screwworm flies, made sterile by exposure to radioactive materials, will be released in the overwintering area in South Texas and in a "buffer zone" along the southern border of the state. A giant screwworm producing plant will be constructed in South Texas with an expected capacity of 50-75 million flies per week. Facilities at Kerrville Lab will eventually produce 20 million flies each week. Dr. S. Gartman, who has charge of the Kerrville fly facilities, will head operations at the new plant.

Speakers at the kick-off meeting included Dolph Briscoe, Jr., Uvalde, president, Texas and Southwestern Cattle Raisers Association; Dr. F. J. Mulhern of USDA's animal disease eradication

Everyday Religion

By J. B. Thompson

Many of the problems man faces today are old problems that have plagued the race for ages.

The story is told of an old church in England where the steps had worn into deep impressions where countless feet had trod over the long years. The minister conceived the idea of turning the stone slabs over to use the smooth undersides. Masons were summoned and the steps turned only to find that the other sides were just as deeply worn. Some one met the same problem and had turned the steps many years before.

Many changes have come to the world but human nature, is basically the same as ever and most of our problems have been pondered by our fathers of long ago.

This is why the truths of the Bible seem so appropriate and up-to-date. They deal with man's age-old sins and present God's ageless wisdom and grace.

We can turn to no more authoritative wisdom and guidance than that found in the Bible. Its truths are eternal and the salvation it offers is our only hope for this world and the world to come.

GALVESTON'S OLD FEDERAL BUILDING

Galveston Island is no stranger to Texas tourists. They bask in the sun almost year 'round in this recreational Gulf Coast playground.

Perhaps the most important element for a successful vacationland is having enough attractions to avoid tourist boredom. This is the key to Galveston's success, as there is plenty to see and do.

Least publicized, but far from least appreciated of its attractions, are its many fine homes and interesting buildings.

One of these is the Old Federal Building. Built in 1859, it housed both Confederates and Federals during the Civil War. This building is known to be the best example of Greek Revival Architecture in the entire southwest.

division, and Dr. R. S. Sharman, ADE staff officer, who explained how the program will operate.

Release of sterile flies is only half the job, they said. The remainder is up to the stockmen: If maggot infestation is found, stockmen are asked to remove 10 from the bottom of the wound and report to their county agent for a positive identification.

The fast pace of modern living has much to do with the high cost

J. P. HEWLETT

REPUBLICAN PARTY
For Senator, 28th District:
JACK CHRISTIE, Brownfield.

The dry, warm and windy weather has increased the number of grass fires in Texas during the past few days. The Texas Farm and Ranch Safety Council urges motorists to be careful when driving through dry range areas.

Every day is a safety day.

Legal Notices

NOTICE TO BIDDERS

Notice is hereby given that the Commissioners' Court of Lynn County, Texas, will receive bids until 10:00 O'Clock A. M. on Monday, March 12, 1962, at the regular meeting place in the Court-house in Tahoka, Texas, at which time all bids will be opened and read aloud. Said bids being for the purchase of the following equipment:

One (1) used diesel powered tandem drive motor grader of not less than 115 H. P. capacity and equipped as follows: 6-cylinder engine, inbuilt gasoline conversion unit, deluxe cab, heater, pre-cleaner, pre-cleaner extension pipe, hour meter, muffler, 14' one-piece hydraulic shiftable moldboard, 13.00x24 8-ply tires front and rear, all other standard equipment.

One (1) used Galion 118 motor grader, Serial No. 19432 to be offered as trade-in on said Motor Grader.

If a bid is accepted, the Commissioners' Court intends to purchase said Motor Grader under machinery Lease Contract under the terms of which ownership of the Motor Grader shall pass to Lynn County at such time as the rental payments together with amount of cash payment and trade-in are equal to the purchase price of said Motor Grader. Interest on the unpaid balance at a rate not to exceed five per cent (5%) per annum. The last rental payment shall come due not later than 1964. All bids shall be sealed when

presented or filed and will be opened on the above mentioned date and time.

The Commissioners' Court reserves the right to reject any and/or all bids.

By Order of the Commissioners'

Court of Lynn County, Texas
February 12, 1962.
W. M. MATHIS, County Judge
Lynn County, Texas. 20-21

WE "IRON" OURSELVES IF WE'RE DRIED Electrically!

It's just amazing—the many kinds of washable clothing that dry perfectly—ready to wear immediately without any ironing on your part—when they're dried electrically. And, they feel so good, too—soft and fluffy, and so clean-feeling. You'll enjoy the work-saving features of your new electric dryer—like clothes that "iron" themselves, for instance.
