Tahoka Meets Tulia Saturday In Lubbock

Tahoka will meet Tulia Saturday at 11:10 a. m. in Lubbock Municipal Coliseum in the 1962 regional girls basketball tournament. The Tahoka girls of District 3AA won the opportunity by defeating Alpine 59-27 in the first-round game played at Alpine Monday night.

Other Class AA teams appearing in the tournament will be Hamlin of District 6AA and Granbury of District 8AA. Tulia represents District 1AA, and is considered one of the better teams in the area.

The Tahoka girls played possibly their most outstanding game of the season at Alpine and functioned throughout as a team. The local winners took a 17-6 first quarter lead and were never threatened by Alpine. Half time score was 33-16 and third period score was 44-22.

Judy Thomas canned 22 points for Tahoka. Kay Halamicsek netted 19, Loretta Short made 10 and Jerre Wyatt added eight more. Adamson was high point for Alpine with 10.

About 150 Tahoka fans followed the team to Alpine by cars and chartered bus.

If Coach J. D. Atwell's team continues to play as exceptionally well as it has been, it has an excellent chance of winning the regional tournament and becoming Tahoka's first team to enter a State tournament in Austin. The State event will be held next week and if Tahoka is a contender, a large group of fans plan to attend.

Admission at the regional event in Lubbock is 50 cents per session to all school students and school employees and \$1.00 per session for all others. Two Class A games will be played prior to the AA games Saturday morning, so fans are promised a full slate of basketball activity.

However, regional officials have stated that no one will be allowed on the coliseum floor during the tournament except players, coaches and officials, and fans must abide by this ruling.

To gain a berth in the regional tournament, Hamlin defeated Spearman, Tulia downed Muleshoe and Granbury won over Lake View of San Angelo.

The local girls team travelled to Alpine on Sunday, the day before the game, leaving here at 9:00 a. m. They worked out in the gymnasium there from 3:30 to 5:30 p. m. and then attended church services in Alpine together. On Monday morning, they were shown through the McDonald Observatory by Mrs. Tim Roberts, the former Miss Jan Thomas, who is a guide there, and later visited Fort Davis. The team spent the afternoon resting in preparation for the game.

City, County Reach Agreement On County's Part In Rural Fire Fighting

City of Tahoka, City of O'Donnell, and Lynn County have reached an agreement on use of Tahoka fire-fighting equipment on fires outside the city limits.

For the past several years, the county has been paying \$1,200 to Tahoka, O'Donnell, and Wilson on a percentage basis for making runs to rural fires.

"This did not come anywhere near paying Tahoka's rural fire-fighting expenses," Mayor Mel Leslie tells The News. "In fact, the past five years, expense of the Tahoka Fire Department has been \$4,462.00, not including the fire trucks. During this time, more than 70 percent of the fire runs have been made outside Tahoka city limits. Tahoka taxpayers were paying most of the bill for fighting rural fires, which we feel was not just."

March Of Dimes Drive Near End

The annual March of Dimes will be concluded this week, states county chairman H. B. McCord, Jr. so those who have not contributed and wish to do so, should mail their checks in immediately.

About \$1,100 has been collected in Tahoka, but there is no county report at this time.

The counter containers were picked up on Wednesday and if any were missed, these should be reported to McCord. However, the amount collected in this way is not included in the above figure.

When all contributions are counted, the amount should be about that usually collected in Lynn county.

Miller Files For School Trustee

The name of J. T. Miller has been filed as a candidate for school trustee in the school board election to be held here April 7, making a total of four candidates to fill three vacancies.

The names of Wilton Payne, for re-election, H. B. McCord, Jr. and Welch Flippin were filed two weeks ago.

The terms of Payne, Earl Terry and Sam Edwards expire in April. Holdover members of the board include Clint Walker, president, Clint Sikes, Maurice Huffaker and Olin Renfro.

Deadline for filing for a place on the ballot is March 7, according to J. M. Small, school secretary.

Six Are Filed For New Home Board

Six names have been filed for the school board election of the New Home Independent School District, which will be held on April 7.

E. M. Rudd, president of the board, Cecil Keith, and Carl Armes have filed for re-election to the board. Others whose names have been filed include Foy Swinson, George Sealy and Richard Wyatt.

Holdover members of the board are Robbie Gill, Roy Blevins, Edwin Nettles and Frank Lisebmy.

Filing deadline is March 5. Any qualified person desiring to place their name on the ballot should contact County Judge W. M. Mathis in person or by petition.

RECEIVES DISCHARGE

Sp-4C Hulan Murray, son of Mr and Mrs. T. J. Murray, arrived home from Panama on Feb. 19. He received his discharge in South Carolina.

Wilson School Heads Re-elected

Two coaches and three teachers were re-elected by the Wilson school board this month, according to Supt. Leroy Scott. The remainder of the teachers will be re-elected at next month's meeting.

Travis Rector, head coach; Bill Snowden, assistant coach and basketball coach; Bobby Lee, vocational agriculture teacher; Mrs. Velma McWhirter, home economics teacher; and Kerman Bond band director were re-elected for the next school term.

Last month D. H. Koeninger, high school principal; M. L. Green, elementary principal were re-elected and Supt. Scott was given a two year contract.

Statement Made By Judge Mathis

County Judge W. M. Mathis has issued the following formal statement in regard to his candidacy for re-election:

I have filed with the Chairman of the Democratic Executive Committee an application for my name to be placed on the official ballot in the Democratic Primary Election which is to be held on May 5, 1962 and have paid the filing fee as a candidate for re-election to the office of County Judge of Lynn County, Texas. In doing this I am ever mindful of the many duties and responsibilities connected with the office.

I am very grateful to the people of Lynn County for the opportunity of serving you in this capacity for the past several years and also for the cooperation which I have received.

I have tried to handle the office in an efficient and impartial manner. No one knows better than you, the people, as to whether or not I have made you a hand.

If you feel that I have made you a hand, I would appreciate your continued support in the coming elections; and, if elected, I will continue to carry on the duties of the office to the best of my ability.

Sincerely,
W. M. Mathis.

John King On Legal Research Board At Texas

John King, son of Mr. and Mrs. Elbert King, has been named one of the four assistant directors of the newly organized Student-Legal Research Board, which has recently been approved by the State Bar of Texas.

The Board, which has a director and 14 writers in addition to the four assistant-directors, "has as its purpose the improvement of legal research and writing abilities of its members." The board will accept legal problems from attorneys and law firms wishing to use the service.

Nineteen students qualified for the board, but its membership potential is 60 at the present time.

There will be no faculty participation on the board and the faculty advisor, Professor Pierre Loiseaux, will only advise the group on non-memorandum problems.

King received his B.B.A. degree from Texas Tech in 1959. He is a member of Delta Theta Phi legal fraternity.

Blocker Injured In Film Accident

Dan Blocker, the 33-year-old O'Donnell native, who portrays "Hoss" on the Bonanza series, and Pernell Roberts, 32, who plays "Adam" were injured Thursday of last week while filming a sequence at Iverson's Ranch in the San Fernando Valley, according to the O'Donnell Index-Press.

Roberts' horse fell and Blocker's went over him. Both men were taken to the Northridge Emergency Hospital and then transferred to the care of a bone specialist. Blocker suffered a fractured left collar bone and will be in a cast for four weeks. Roberts received sprains of neck muscles.

Huffman Speaker At C-C Banquet Today

Berl Huffman, popular member of the Texas Tech athletic department and one of the most entertaining after-dinner speakers of the area, will be principal speaker at the annual Farmer-Businessman Banquet of Tahoka Chamber of Commerce tonight at 7:30 p. m. in the school cafeteria.

E. R. Blakney of New Home, chairman of Lynn County Soil Conservation District board will present an award to the outstanding conservation farmer of the year. Winners of the Soil Conservation essay contest, participated in by high school students, will also be announced.

Clint Walker will be master of ceremonies, and special music will be presented by the three A. C. Verner daughters.

President E. L. Short will make a brief report on the progress of the C. of C. during the past year. Services have been expanded and Mrs. Eloise "Weesie" Carroll employed as secretary of the body.

Mr. Huffman, the speaker, is reputed to be one of the most versatile men in the area, and his Southern drawl, wit, and homespun humor and philosophy is enjoyed by West Texas audiences.

A native of Waxahachie and a graduate of Trinity University, he coached at White Deer High School and then at Lubbock High before joining J. T. King and Polk Robinson. He coached football, basketball, and track. Next he served four years in the Army Air Force. Another year at Tech, he moved to coach and finally athletic director of University of New Mexico.

From 1952 to 1955, he was manager of Albuquerque Chamber of Commerce, then for two years was director of the State Economic Development Commission of New Mexico, following which he was director of the Alamogordo Industrial Development Corporation.

Coaches Robison and King lured him back to Tech last year, where he is freshman football coach and also coaches varsity baseball. He is said to be superb in directing freshman athletes to find themselves in college life.

Berl is married to the former Miss Zella Riegel, and their son, Walter Burl, is 16.

Some tickets for the banquet were still available Thursday. They may be obtained at \$1.50 each at the local drug stores or from C. of C. officers and directors, or by calling Mrs. Carroll.

Select Princesses For Stock Shows

Miss Charlotte Vestal of O'Donnell will represent the Lynn County 4-H Club as its princess at the county livestock show being held here this week end.

Miss Anna Lee Biggerstaff of Tahoka, daughter of Mr. and Mrs. J. A. Biggerstaff, was selected by the organization to enter the princess contest at the South Plains Livestock Show to be held in Lubbock.

The county-wide club met Wednesday night and elected the girls as the two princesses.

Three Trustees At O'Donnell Filed

Three candidates for three places on the O'Donnell school board have filed for April 7 election.

The name of Andy Jordan has been filed for re-election, and others are G. W. Jones and B. J. (Shorty) McLaurin.

The terms of school board president Dave McMillan, Bart Anderson, and Jordan expire in April.

L. H. Moore Jr. Is "Man Of Year"

L. H. (Lit) Moore Jr. was recently named New Home's "Man of the Year" for outstanding community service during the year 1961. The award is made annually by New Home Civic Club, states Leland White, and is considered the outstanding honor of the community.

Moore has been active in Boy Scout leadership, and has given his time to take the boys on overnight camps. He also works with the junior baseball program, the Civic Club, and is ever ready to lend a helping hand to any other community project, members say.

Active in his church, he is assistant superintendent of the Methodist Sunday School, teaches a class, and is past president of New Home Methodist Men.

"Lit" is a member of a pioneer Lynn county family, saw service in World War II, and is married to the former Miss Ruby Lee Hancock, daughter of Mr. and Mrs. D. W. Hancock. The Moores have three children, Yuonna, age 13; Gid, age 11; and Debe, age ten.

Bake Show Is Set March 10

The 1962 Lynn County 4-H Bake Show will be held Saturday, March 10, in the Lyntegar Assembly Room, according to Home Demonstration Agent Connie Anderson.

Registration for the products will begin at 8:30 a. m. and judging will begin at 9:00 a. m. Judges for the event will be Mrs. Leta Smith, HD agent from Garza county and Miss Elinor Harvey, HD agent from Gaines county.

The Lynn County Farm Bureau will present trophies to the high point girl in each division. Ribbons will be awarded by the Lynn County Home Demonstration Council and W. T. Kidwell will give five pound bags of flour to girls scoring above 250 points.

The possible score is 300 and the girls can prepare three products to attain this score.

The senior division entries will be peanut butter bread, a cake, an apple pie. The junior division will enter cheese biscuits, brownies and gingerbread. The elementary group will prepare cheese biscuits, plain bread muffins and refrigerator cookies.

If any 4-H girl was overlooked when the recipes were distributed please contact Mrs. Anderson at 698-4650.

Help keep Tahoka clean.

New Home Wins County Titles

New Home Junior boys and girls basketball teams both won the Lynn County trophies in the Junior tournament held at Wilson recently. The News is informed. The two teams also finished second in the over-all tournament.

The News failed to receive complete results of the tournament, and last week reported only on the games in which Tahoka was participating.

Annual Career Day Is Slated For County High School Students

The annual Career Conference at Tahoka High School will be held Tuesday, March 6, and all senior students from New Home, O'Donnell and Wilson have been invited to attend the event.

Sponsored by the National Honor Society as one of its service projects, the meeting will get underway at 9:30 a. m. when Dr. Beatrix Cobb, head of the psychology department at Texas Tech, will be the keynote speaker.

At 10:00 a. m. students will attend their first choice vocational sessions and at 11:00 a. m. will attend their second choice sessions. All girls will attend a personal care session at 1:30 p. m. conducted by Betty Barnett, a consultant from Jessie Lee's Beauty Institute, and all boys will attend a session conducted by a representative from the Armed Services.

At 2:00 p. m. Charles Holmes, superintendent of the Vanderbilt schools in South Texas, will speak to the assembly on choosing their vocations. Supt. Holmes' schools have recently set up a guidance

and counselling program that has made excellent strides in helping students make these choices.

Counsellors for the sessions on various vocations include T. L. Leach of Texas Tech, agriculture; J. E. Waller of the Plains National Bank in Lubbock, banking and office work; Charles Townes of Tahoka, civil service; Dr. C. G. Oberg of Texas Tech, engineering; Dr. Bill Lockhart, Texas Tech, interior decoration; Dr. W. H. Gordon of Lubbock, medical services; Mrs. C. C. Barrier, registered nurse in the Methodist School of Nursing, Lubbock, nursing.

A representative from the Federal Bureau of Investigation in Lubbock, police work and FBI; Don Browning, minister of the Tahoka Church of Christ, religious education; Dr. G. E. Morris, director of guidance and counselling in the Lubbock schools, teaching; George Howell of Lubbock, vocational rehabilitation; and Tom Clinton of Lubbock, legal field.

New Home Girl Scouts Honor Dads At Banquet Friday

The New Home Girl Scouts held their annual Father-Daughter Banquet on Friday night, Feb. 23, in the school cafeteria when the theme was in conjunction to celebrating the 50th year of scouting.

Miss Yvonne Nettles opened the program in leading the Pledge of Allegiance and Rev. Phillip Goodrum gave the invocation. Mrs. Mattie Flowers, District Director for District Eight, led the group singing, Troop 248, under the direction of Mrs. Joe M. Armontrout and Mrs. Milton Evans, presented the "Brownie Story."

Sandra Schoppa, Sonya Armontrout, Kay Lewis, Vicki Unfred, Debe Moore, Delinda Norman, and Francie Timmons were presented their Brownie wings in a fly-up ceremony by Mrs. A. B. Norman and Mrs. Elmer Schoppa.

Lynda Jo Blevins received her curved bar pin, which is the highest rank previous to Senior Scouting. Yvonne Nettles, Yuonna Moore, Sidney Sealy, Rhonda Gill and Nancy Unfred received their First Class rank. Cindy Paden received her second class rank. Girls receiving their five-year pins were Lynda Jo Blevins, Yvonne Moore, Sidney Sealy, Rhonda Gill, Nancy Unfred and Betty Schoppa.

Adults receiving their five-year pins were Mrs. LeRoy Nettles, Mrs. L. H. Moore, Jr., Mrs. George Sealy, Mrs. Roy Blevins and Mrs. Joe D. Unfred.

Approximately 120 fathers and daughters attended the banquet.

The United States Railway Mail Service began in 1862.

Velma Jean Hagler Sets Wedding Date

Mr. and Mrs. Robert Lee Hagler of the Gordon community announce the engagement and approaching marriage of their daughter, Velma Jean, to John Arville Gilliam, son of Mr. and Mrs. A. E. Gilliam of Ozona, Texas.

The wedding will be solemnized on April 20 at 7:00 p. m. at the Gordon Church of Christ.

Miss Hagler attended Wilson Public Schools and is a student at Jessie Lee's Hair Design Institute at Lubbock. Gilliam attended Ozona High School and is employed by Ozona Butane Co.

Friends and relatives of the couple are invited to attend the ceremony.

Day Of Prayer Will Be Observed

The World Day of Prayer will be observed here on March 9 beginning at 10:30 a. m. in the First Methodist Church.

The day will include a speaker from the League of Women Voters of Lubbock when her subject will be "The Changing Status of Women."

A sack lunch will be held a noon and the afternoon session will end at about 2:00 p. m.

All denominations are urged to join in prayer on that day for world wide peace and fellowship between all nations and mankind.

Last year on the 75th anniversary of World Day of Prayer, 823-260 persons participated in the outpouring of united prayer, and everyone is urged to join in the observance this year.

Tahoka Church Is Participating In Education Crusade

The First Baptist Church of Tahoka has voted to participate in the Christian Education Crusade currently being conducted by the Baptists in Texas.

The Crusade has four goals: One, to encourage Baptist students to attend Baptist schools; Two, to enlist more Baptist students in the work of B. S. U.; Three, to lead Baptist young people to dedicate their lives for church-related vocations; Four, to raise 28 million dollars for capital improvements on Texas Baptist campuses. The local church has accepted its goal of \$26,241.00, which is to be raised over a period of four years.

Special programs of an informative and inspirational nature are being planned for high school students. During the next two months there will also be provided information to the general church membership on the needs of Baptist schools.

The Crusade committee for the local church includes the pastor, Rev. T. James Efrid, chairman, Judge Truett Smith, co-chairman, Mrs. Clay Bennett, co-chairman, and James Hollars, George McCracken, Robert L. Warren, T. R. Riddle, Clay Bennett, Walthal Littlepage, Dr. K. R. Durham, Garland Pennington, Mrs. W. H. Kenley, Mrs. Nan Adams, and Mrs. Rogers Curry.

Today's MEDITATION from The World's Most Widely Used Devotional Guide

Read Luke 12:13-21
A man's life consisteth not in the abundance of the things which he possesseth. (Luke 12:15.)
A parable has been described as an earthly story with a heavenly meaning. Jesus used many parables to illustrate His teachings.
For instance, He told the parable of the rich man who had bountiful harvests and decided to build larger barns to hold them. Thus he planned to have "goods laid up for many years" so that he could take his "ease, eat, drink and be merry."
But God said to him, "Thou fool, this night thy soul shall be required of thee." Jesus concludes the parable, saying, "So is he that

150 Attend Baptist Brotherhood Banquet

Rev. Levi Price, pastor of the First Baptist Church in Monahans and former pastor of the Tahoka First Baptist Church, was the guest speaker for the annual Brotherhood Ladies Night Banquet held Monday night.

"The Cross In My Pocket" was the topic of Rev. Price's message when about 150 people attended the event in the school cafeteria.

Others who participated on the program were Dr. K. R. Durham, George McCracken, Mrs. Lucille Smith, James Hollars, Glenn Hopkins, Rev. James Efrid, and Carol Jean Allen.

RADIATION RESEARCH: Scientific investigators seen here are seeking to isolate substances in bone marrow which it is believed may protect man from the effects of excessive radiation, a known cancer cause. The researchers are drawing a blood sample for their studies from a rhesus monkey that has been exposed to a controlled amount of radiation. Studies such as this at Roswell Park Memorial Institute, Buffalo, N. Y., are part of the research supported by the American Cancer Society throughout the country.

Lutheran College Band Concert To Be In Held Wilson

The Texas Lutheran College concert band, under the direction of M. A. Nyquist, will appear in a concert March 12 at the Wilson School Auditorium under the sponsorship of St. John Lutheran Church.

Time of the concert is 8:00 p. m.

The concert in Wilson is one of 15 appearances the band will make on its annual tour through West Texas, Oklahoma and Colorado, lasting 10 days.

There will be no admission charge but a free will offering will be taken.

Nyquist, a transplanted Nebraskan, has been the director of the Texas Lutheran band for five years and has earned an enviable reputation for the fine work he has

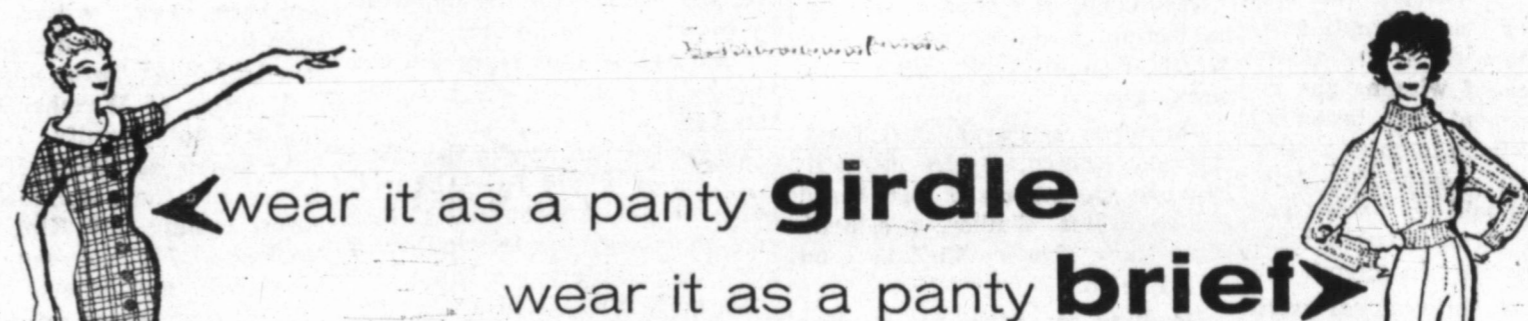

Thought For The Day

PRAYER: Our Father, forgive us for striving for earthly pleasures and possessions. Turn our minds and hearts to seek spiritual treasures which pass not away. Trusting Thee to supply our needs, in Christ's name we offer our prayer. Amen.

THOUGHT FOR THE DAY — "Set your affection on things above, not on things on the earth."

TESTS TREATMENT THEORY: A male chick, left, that has been treated with a chemical compound having the effect of the female hormone, is compared with an untreated male chick. The drug — which may prove useful in treating human breast cancer — has notably reduced the size of the chick's comb. Breast cancer is the commonest major form of cancer among women. Studies such as this at Northwestern University, Chicago, Ill., are part of the research supported by the American Cancer Society.

When you buy foundation makeup you should choose a shade that will harmonize with your natural skin tone. Your face powder should be a shade lighter than your foundation.

Long white gloves mark the "woman of distinction." Obviously they must be washed clean after each wearing, for they do attract attention, and the tiniest smudge will be noticeable.

Dear Frank:
We don't want to miss the paper for it is just like getting a letter from home.

My wife gets a kick out of the inkings, and I enjoy reading all of it. You see, I went there 42 years ago and I was 36 when I went there. If you are pretty good in figures you can find out how old I am—but still going strong. Hope everybody is OK out there. Will try and come to the Old Settlers Reunion this summer. So, thank you and good luck.

120 People Attend Cub Scout Banquet In City Building Here Last Thursday

Cub Scout Pack 782 held its annual Blue and Gold banquet Thursday night, Feb. 22, in the City Legion building, when about 120 persons attended.

The Cub Scouts presented the program, "Parade of Presidents," with each telling about all of the presidents when they were boys. L. A. Forsythe, a Cub committeeman, gave the invocation before the buffet-style meal, cooked by the mothers, was served to families of the Cubs.

The tables were decorated with blue and gold crepe paper, napkins and programs. Small gold statuettes of President George Washington and President Abraham Lincoln also decorated the tables.

The following awards were presented: Bobcat, Clyde Curry; Wolf Badges, Ronnie Haley, Charles McAuley; Bear badges, Jimmy McCord, Billy Birdwell, Jackie White Mitchell Thurman, David Rogers; Webelos badges and banners, Michael Glenn, Billy Curry, John Ayer.

Also several gold and silver arrow points were awarded for achievements to Mitchell Thurman, Barry Jaquess, Cliff Gardner, Max Bartley, Calvin Adamson, Ronnie Schneider and Jackie White.

E. B. Gaither, Cubmaster, introduced Jerry Reece, a district leader, who gave details on the Scout-O-Rama, a series of Booth demon-

strations, to be held March 10 at the Lubbock Municipal Coliseum. Pack 782 will have a booth and all Cubs are selling tickets to the Scout-O-Rama.

Bringing the banquet to a close, Judge Truett Smith, gave a delightful talk to the Cubs and their families.

Den Mothers helping decorate and serve for the banquet were Mrs. Helen Jaquess, Mrs. Jeanne McCord, Mrs. JoAnn Adamson, Mrs. Jeannie White, Mrs. Turner Rogers, and Mrs. R. W. Haley.

Wynette Johnson On Debate Team

Miss Wynette Johnson of Lubbock, daughter of Wyman Johnson who graduated from Tahoka High School, was one of two Texas Tech speech students who won top honors in the annual Abilene Christian College debate tournament last week end.

The team of Miss Johnson and Cleo Haston of Plainview won the first place trophy from a field of 28 teams after defeating two Baylor University teams in the semifinals and finals.

Miss Johnson was also awarded the top speaker award with a total of 142 points out of a possible 150 speaker points. She also reached the finals in extemporaneous speaking.

Miss Johnson is a niece of Mrs. Pete Dorman.

CARD OF THANKS

I want to express sincere thanks for the many kindnesses shown me during my recent illness, to the doctors, nurses and entire hospital personnel, and for the flowers, cards, visits and prayers on my behalf. I shall always be thankful.—Mrs. C. J. Bohannon. 7tp

Mousers Saved Some Furnishings

The Delbert Mousers saved a part of their home furnishings and the rest were fairly well covered by insurance when the house on the A. J. Coleman land northeast of New Home burned Tuesday of last week.

Mrs. Mouser says she was in the living room when she smelled smoke, opened a bedroom door and found the eastern portion of the house on fire. Furnishings in the kitchen, den, and Ronnie's bedroom were saved.

"No one anywhere has better neighbors," Delbert declared. "Before the fire had been put out, three neighbors had offered us quarters. We deeply appreciate the help and offers of help from friends and neighbors."

Wilson Committee Selects Textbooks

Members of the Wilson textbook committee have completed review of new textbooks offered for State adoption and have recommended their selections for local distribution in September, 1962, according to Supt. Leroy Scott.

The following titles were selected from a State-approved multiple-choice list for use in the Wilson Independent School District: Geography, grades 4, 5, and 6; "A Journey Through Many Lands;" Vocal Music, grades 7 and 8; "Time For Music"; American history; grade 8, "This is America's Story"; American Dictionaries, grades 4-7; "Websters"; High School Science, "Physical Science, A Basic Course"; High School American history, "Rise of the American Nation"; and High School World history, "Story of Nations."

Members of the Wilson Textbook committee are Bobby Lee, Mary Watkins, Pearl Davidson, Gladys Kirtley, Travis Rector, Ker-man Bond and Natalia Blankenship.

CARD OF THANKS

We take this means to try to express our sincere thanks to our many friends and neighbors for their many kindnesses shown us during our bereavement due to the loss of our wife and mother. We thank the minister and members of the Church of Christ for taking charge of arrangements, the singers, pallbearers and those who sat up at the funeral home, to all those who brought food and the ladies who served lunch at the Legion Hall. We thank each one who sent cards and flowers and those who helped in any way to make our sorrow easier to bear, for your kind words and your prayers. Friends are priceless in times like these and we pray that the Lord will bless each of you.—The family of Mrs. E. E. Perry. 1t

CARD OF THANKS

We wish sincerely to thank all who visited me while in the hospital, for the gifts, pretty flowers and all the pretty get-well cards, and for the food that was brought to my home. May God's richest blessings be with all of you. Sincerely, Mr. and Mrs. C. M. Greer. 22-tp

Officers Elected By Jaycee Ettles

Tahoka Jaycee Ettles elected officers at a meeting Tuesday night in the home of Mrs. Peggy McClellan, when the members were served a salad supper.

The group named Mrs. Cecile Henry as the outstanding Jaycee Ettle of the Year.

New Officers include Mmes. Tola Wilson, president; Cecile Henry, vice president; Kathy Dorman, secretary; Ima Pool, treasurer; Loveta Wood, reporter; Dorothy Craig, historian-photographer; and Janie McMillan, parliamentarian. Installation will be held in Lubbock on March 13.

"Litterbug" Drive Gets More Help

The Phebe K. Warner Club has voted to cooperate with the Tahoka Garden Club in its "Litter Bug" campaign, and will buy a trash receptacle to place in a downtown location.

The Garden Club, in cooperation with the City of Tahoka, Chamber of Commerce and student organizations, is asking that merchants clean up behind or around their stores so that citizens may be proud in showing off their "clean" town.

Members state that many beautiful homes have been and are now being built, and they urge the residents of Tahoka to take special pride in cleaning up unsightly areas, both down town and in the residential area of town.

The trash receptacles ordered by the Garden Club have been purchased for placing on vulnerable spots in the city by the City of Tahoka, Garden Club, Phebe K. Warner Club, Tahoka Rotary Club and Tahoka Auto Supply.

Miss Claudia Ann Chapman, daughter of Mr. and Mrs. Claude Chapman of Plainview, is here this week visiting her grandparents, Mr. and Mrs. Harley Henderson.

MOMENTS WITH GOD

TIME TO SPEAK
"That . . . I may speak boldly." Ephesians 6:20.
"Speak up!"

How easy it is for us to talk about the weather, sports, politics—anything and everything except the right thing! How often we find ourselves tongue-tied, groping for the right way to say the right thing!

Why is it that our glib tongues tend to tighten up when we try to "speak up" to someone about God, the salvation He offers, the faith He gives?

To "speak up" as Christians may mean not only saying the right thing at the right time but also saying the right thing at the wrong time.

A man went to prison because he dared to "speak up" and say things that needed to be said. "You crucified Him," said apostle Paul to powerful politicians, "but He lives!"

As it turned out, Paul paid with his life for his courage to "speak up" about his Lord and Savior.

Was he afraid? Of course, "Pray for me," he begged his friends, "that I may open my mouth boldly!"

"Has the cat got your tongue?" we ask of someone who has been quiet too long.

"Has the devil got your tongue?" is what God might well ask us when for fear of this or that we fail to "speak up" when it is time to speak.

Lord, by Thy Spirit give me the spirit of courage always to "speak up" in witness to Thy love and in defense of my faith. Amen.

Do you know what you believe or Who you believe in well enough to "speak up" for Him and His truth? If not, then why not join us in our SPECIAL BIBLE CLASS here in Tahoka every Sunday night at the W.O.W. Hall. Our new time is 7:00 p. m. Bring the children too. We have a message for all ages. Special services will be held at our church each Wednesday for six weeks beginning March 7 at 8:00 p. m. Films portraying the suffering and death of our Lord Jesus will be a part of each service. We are on the west edge of Wilson.

QUESTIONS, PLEASE

QUESTION:
WHO ARE GOD'S ELECT?

ANSWER: God's elect are His obedient children. The word elect means chosen. His people are chosen through the gospel when they obey the gospel. Peter, in the first chapter of his first letter, calls his brethren "elect according to the foreknowledge of God;" and in the latter part of the same chapter he tells how they were chosen, or elected, of God: "Seeing ye have purified your souls in obeying the truth: . . . being born again, not of corruptible seed, but of incorruptible, by the Word of God, which liveth and abideth forever." These people became the elect, or chosen, of God by obeying the truth, which is the Word of God, by which they are born again.

When born again, they are Christians—God's elect; and if you desire to know what word they obeyed in purifying their souls, in being born again, turn to Acts 2, for Peter was writing to those who obeyed the gospel at Jerusalem and were afterwards scattered abroad. Any man or woman may be one of God's elect by obeying the gospel, which is God's elect who will not obey Him, for the disobedient will all be lost.

It has always been predestinated from the beginning that there would be a faithful group or remnant to God. As to who would be in that group there was no foreknowledge. That is determined by obedience to the gospel. Thus, this group is God's elect.

You are invited to send your questions to: Don Browning Box 812, Tahoka, Texas. You are also invited to attend the services of the Church of Christ.

Don Browning may be heard Sunday mornings at 11:00 and evenings at 7:00 at 750 on your radio dial.

OLD AND NEW IN SAN ANTONIO

San Antonio, one of South Texas' leading and most exciting cities, is known to all for a combination of both the old and the new.

Best known of the old is, of course, the Alamo and the many missions.

Best known of new elements is perhaps the numerous military establishments surrounding the historic city.

There also is a little known distinction held by San Antonio that combines both the old and the new. This is the distinction making one of the oldest instruments known to man—the flute.

These San Antonio-made flutes are used worldwide. There are only five other flute manufacturers in the nation.

Parents' Help Sought In Guidance Meet For Students Tuesday Night

Parents of high school students are urged to attend a meeting in the school cafeteria Tuesday, March 6, at 7:30 p. m. when the purpose of the new guidance and counseling program will be explained, according to Principal Clifton Gardner.

Each student has selected one of his or her teachers as his counselor and each teacher in the high school has approximately 13 students under the counseling program. Purpose of the program is to help the students with their problems when the student desires to be helped. Students may make appointments with their counselors, who will be available during their conference periods.

When a teacher is unable to help a student, the teacher is responsible for finding a qualified person who can. Primary purpose is to guide the students in finding their suitable vocations and

Four Day Rodeo For This Year

Shaving permits will go on sale in the near future for those who do not wish to grow boards for the approaching rodeo season, according to Jack Miller, president of the Rodeo Association.

The rodeo will be held this year for four days, April 26, 27, 28 and 29, instead of in May as reported last week.

The Rainbow Girls have been secured to sell advertising for rodeo programs this year and will also sell the programs at the arena. In return the Rainbows will receive 50 percent of the net profit from the programs.

The Boy Scouts will also receive a percentage of net profit from the two concessions stands for selling to spectators in the stands. Other than the program advertising, no solicitations will be made for rodeo expenses.

UTERINE CANCER DEATHS SHOW BIG DROP

This substantial decline in the death rate from cancer of the uterus is the brightest phase of the current cancer picture, says the American Cancer Society. Uterine cancer still claims the lives of some 14,000 women annually. Yet the cure rate of uterine cancer when discovered early is nearly 100%. The Society stresses the importance to every woman of the annual health checkup, which should include a pelvic examination, a part of which should be the "cell examination for uterine cancer" (the "Pap" smear test).

Tahoka Girls Defeat Idalou

Tahoka's 3-AA championship girls basketball team played one of the better games of the season here last Thursday night in a warm-up for the regional by nosing out a very strong Idalou girls team, Class 4-A district champions. The score was 46 to 43 in favor of Tahoka, after the Tahoka girls had trailed 3-8 at the end of the first quarter, took a narrow lead in the second period and were never again behind.

High scoring honors for the game went to Marge Eubank of Idalou, who meshed 30 points. Bright spot for Tahoka was Jerre Ann Wyatt, a top guard all season, who moved to forward and scored 25 points. Judy Thomas had 15, but Kay Halamecek, closely guarded, had a hard time scoring. Loretta Short moved to guard and did a fine job along with Sharon Drager and Brooksie Reece. Carolyn Howard went in briefly and scored four quick points. Elwanda Tekell substituted at guard.

Mrs. Weldon Smith and sons, Terry, Jerry and Mike of Seminole visited their grandparents, Mr. and Mrs. Claude Harper Sunday.

Heart Trouble Cause Of 52 Percent Of All Deaths In County, Survey Shows

(Special To The News) New York, March 1—How much progress has been made in Lynn County toward a reduction of its heart disease rate? How does the rate compare with that in other parts of the country?

Answers to these questions are of particular importance just now because February is National Heart Month.

Additional interest stems from the fact that the government is planning a mammoth test, involving as many as 50,000 people, to determine whether changes in diet can help prevent heart attacks.

A recent report by the U.S. Public Health Service shows that diseases of the heart and the blood vessels, commonly lumped together under the name heart disease, continue to outrank all others as the principal cause of death in the United States.

In Lynn County, according to the official figures, heart disease is responsible for 52.5 percent of

all local deaths. The ratio is even greater than that reported for the West South Central States, as a whole, 49.9 percent of the total.

It is also above the ratio in the State of Texas, 48.1 percent. One way to control the incidence of heart disease, many doctors have come to believe, is by proper diet.

According to Dr. Herbert Pollock of the American Heart Association, it has been clearly established that there is at least a statistical relationship between heart disease and the amount of cholesterol and other fats in the blood.

To investigate this evidence more thoroughly, the National Heart Institute is considering enrolling the 50,000 Americans for one of the most extensive research programs ever undertaken.

Half of them would continue eating as usual. The other half, for a period of five years, would eat special foods aimed at lowering the cholesterol level.

The latest Federal statistics show, for residents of Lynn County, a total of 78 deaths from all causes during 1959, with 41 of them due to heart disease.

The chief offender was coronary heart disease, which claimed 25 lives locally.

M. C. Rutledge Dies In Lubbock

Massey Copeland Rutledge, 50, son of Mrs. T. J. Rutledge of Tahoka and a brother of Mrs. John Jackson, died about 11:00 a. m. Wednesday of a heart attack suffered at his home in Lubbock. He was dead on arrival at West Texas Hospital.

Funeral services were held at 4:00 p. m. Thursday in the First Methodist Church in Lubbock with Dr. J. Chess Lovern, and Rev. R. Huckabee officiating. Burial was in City of Lubbock Cemetery.

Mr. Rutledge had lived in Lubbock since 1925, graduating from Lubbock High School. He was born in Paducah on April 29, 1911.

Survivors include his wife of 2220 29th St.; one son, David of Arlington; one daughter, Sandra, a student at Texas Tech; his mother, Mrs. T. J. Rutledge of Tahoka; two brothers, Max and Jack both of Lubbock; three sisters, Mrs. Walter Chalk of Lubbock, Mrs. John Jackson of Tahoka, and Mrs. Edgar Pace of Troup; and one granddaughter.

Mr. and Mrs. Clarence Anderson and Butch Ingle have spent several days in San Antonio and on the Gulf Coast. They were expected to return this week.

J. E. Walker was dismissed from Tahoka Hospital Sunday where he had been a medical patient.

Mrs. Jack Adams was hospitalized from Friday until Wednesday as a medical patient at Tahoka Hospital.

TAHOKA, TEXAS "Heart of the South Plains" FRIDAY, MARCH 2, 1962

Dr. Emil Prohl Is Rotary Speaker

The 57th anniversary of Rotary was observed by the local club Thursday of last week when Dr. Emil Prohl brought an interesting talk.

Rotary was born 57 years ago, Feb. 23, when four Chicago business and professional men, someone in a big city, met to help each other. Out of this meeting came the first club which has now grown to a half million men in 11,000 clubs in 126 nations and geographical regions throughout the free world.

"What is there about an organization that has this kind of appeal to busy men?" Prohl asked, and then answered with the statement that men join Rotary for fellowship and a desire to be of service to fellow-man.

The need for better understanding among the different peoples of the world were illustrated by the meetings he has had with foreigners.

Holger Hedberg, a Swedish engineer, visited the Prohls here and went with the Doctor on a call to Newmoore. Along the way, they went out in some cotton and maize fields, and the Doctor pulled up sample stalks for the Swede to carry home. Mr. Hedberg was very reluctant to take them. He thought Dr. Prohl was doing wrong in trespassing on an unknown farmer's land and taking crop samples. He said such would be unthinkable in his country.

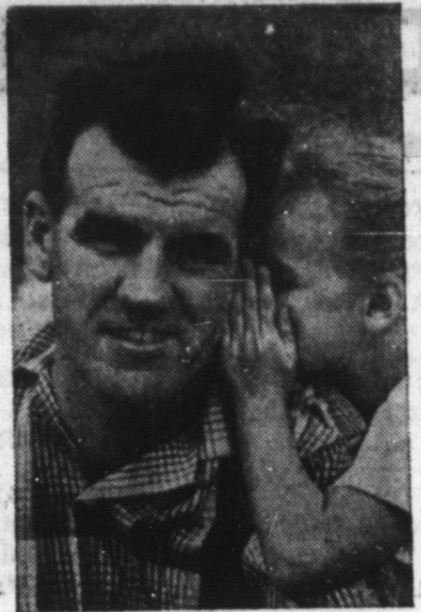

In Tokyo, Japan, a geisha girl waiting on their table in a restaurant was almost offended when he left her a tip.

In Bangkok, Thailand, in front of a hardware store, a well-dressed young priest doing three months mission service, as is the custom of men in that country, invited them into the store, and introduced him to the operators, his kinsmen. The chance meeting resulted in the Prohls helping him get entered as an engineering student in the University of Corpus Christi in Texas.

Dr. Prohl also told of the Rotary Foundation, "an investment in the future," which sponsors scholarships for young college graduates of outstanding ability to study for a year in some country other than their own.

The Rotary district has a Foundation Fellow every other year. This year Rotary International will give 150 such scholarships, bringing the total such to a total of 1,500 since the move was started just a few years ago.

He announced that David Bray of Tahoka, student in SMU, will probably be an applicant for one of these scholarships next year. E. L. Short, who arranged the program and introduced the speak-

er, also urged Rotarians to attend the Wilson-New Home, O'Donnell, and Lynn county stock shows, and the Chamber of Commerce banquet, which is tonight.

President Skiles Thomas announced the club had above 90 percent attendance in January, was striving for 200 percent of its quota in Rotary Foundation, and that individual Rotarians were offering aid to Scouts on first aid, outdoor cooking, and also merit badge tests.

Teacher Meeting Set For March 9

More than 3500 South Plains teachers are expected to attend the third annual convention of the District XIII, Texas State Teachers Association meeting to be held in Lubbock the week end of March 8 and 9.

Classes in Tahoka will be dismissed all day on Friday, March 9.

The theme of this year's program will be "Education—Freedom's Fortress."

The house of delegates will convene in a business session Thursday evening, March 8 at 6:30 at Parkway Manor Motel.

The first general session will be held in the Lubbock Municipal Auditorium Friday morning, March 9 at 10:00 a. m. Dr. Vernon V. Sisney, chief clinical psychologist, Veterans Administration Hospital, Oklahoma City, will give the address.

A number of groups have scheduled luncheons at 12:15. Sectional meetings will be held at 2:15.

The second general session will be held at 4:30 also in the Municipal Auditorium.

By F. P. H.

President Kennedy says our farm program is costing too much and the expense must be cut down.

While talking out of the right side of his mouth, out of the left side two or three times a week lately he proposes some new spending measure. All he wants is a few billion more for a foreign aid program, a lot of which would go to Communist countries or sympathizers, a few billion for federal aid to schools, a few billion for socialized medical aid, a few

more billion to put a man on the moon, to say nothing of more billions for federal highways, public works, urban renewal, and what have you. He suggests the unionization of federal employees. He wants authority given the president to increase or decrease taxes as much as 50 percent in case of an emergency.

This same man, our President today, 17 months ago over TV and in the press was telling us that, if we would elect him president, he could do the job cheaper and better and maybe at a reduction in taxes. You guessed it! Mr. Kennedy's program doesn't sit too well with us.

This column has taken a strong stand against the trend of our government, including concentration of power in the hands of the few, deficit spending, softness toward Communism, etc. For a while we thought maybe this was an unpopular stand—since this is the policy of the Democratic party at the present time. But, about two weeks ago we began making a list of those who would come into our sanctum sanctorum and make unsolicited comments favoring the principles we have espoused on this page. That list has grown to 42 names, not including Republicans, as of last Friday, and they are from the county's most prominent citizens.

We've had a few complaints, also—actually, five. One New

THE AMERICAN WAY

'Tain't Fair

Frontier friend told us joshingly, after we had made some remark in this column about The Printer being a radical, "A lady told me that was the first time you had told the truth."

We think this is strong proof that the people of Lynn County don't like many of Mr. Kennedy's left-wing spending proposals. Farmers are very fearful of Secretary Freeman's farm proposals, and one Democrat-all-the-way remarked, "I wish we had Benson back."

By the way, if we're going to spend all this money, why don't we just spend our own money and not leave such a tax burden for our children and grandchildren? We haven't the guts as a nation to pay our own way.

Congress doubtless is going to raise postal rates. Already, postal workers—just last Friday at a meeting in Lubbock—are asking for another pay raise. The last time President Eisenhower took the lead in raising the rates to erase a deficit, the raise was not applied to this deficit, but instead the postal workers were immediately given a raise. We don't begrudge the postal workers a thing, but why not be honest about the matter?

may get a little tired of reading our ramblings, but with the whole world hating America while we go further and further in debt to help every little nation around the world, appeasing the neutral nations, and lack the guts to stand up and tell those off with Communist leanings, we think our situation is getting desperate. And we're not the only one. A lot of people on the streets of Tahoka

are very dissatisfied the last few weeks with our leaders in Washington. Don't take our word. Talk to your neighbor. How can we help? Well, the best thing to do is write your Senators and Representatives.

Judge Truett Smith brought us a little book, "The Ugly American," by Wm. J. Lederer and Eugene Burdick, two men who have had much experience overseas, especially in Southeast Asia. Every good American should read the book. It'll make you mad—mad at yourself and our State Department. But, good red-blooded Americans need to get mad before it's too late. The dumb, blundering, self-sanctified policies of our State Department are getting us further and further in trouble in our relations with the little people of foreign countries.

For instance, in one Asian country, now about to fall to Communism, we built paved roads and dams when the little people, who had only bicycles for travel, wanted chickens, cows, and pigs, and small pumps that would lift water into rice paddies. The roads are no good to them, and they can't carry water in a bucket from the dams.

Our State Department is too tied up with career diplomats involved in internal policies, paper work, entertaining notables, dishing out money and courtesies to grafting leaders of beneficiary countries that it can not administer to the needs of the nations we would help.

J. E. LeMond of Snyder, formerly of Tahoka, writes he will leave Saturday with the Lubbock Tour for Hawaii. He promises to drop us a few lines about the trip.

Members of the Baptist Brotherhood were planning on pulling a joke on Borden and Minnie Davis at their annual banquet Monday night, but before going through with the idea decided to do a little investigating.

One of the members asked Minnie's sister-in-law, Mrs. Rogers Curry, if Minnie could take a joke. Mrs. Curry replied, "She should be able to. She's been living with one for years."

Do you remember when air mail was flown out of Tahoka? A. C. Weaver, rural carrier, brought us a copy of the special cache air mail envelope, designed by Jake Leedy, which he had sent air mail from Tahoka to his parents, Mr. and Mrs. R. D. Weaver, in Levelland. On May 19, 1938, a lot of air mail went out of Tahoka by a plane which flew down from Lubbock in observance of National Air Mail Week, May 15-21, 1938. Jake Leedy drew up a picture which was printed on the large volume of air mail sent out that day. Featured in the picture were the transition from buffalo and Indian to the covered wagon days of 1900 when the county population was 17, down to the airplane age. A modern farm is shown with a tractor plowing in the field and lettering says "1937 population 15,000 . . . 152,000 bales of cotton."

A floorwalker, tired of his job, joined the police force. Several months later, a friend asked him how he liked being a policeman. "Well," he replied, "the pay and the hours are fair, but one thing I like is the customer is always wrong."—Swiped.

The will of the wealthy, but eccentric, man was being read and the relatives all listened expectantly, especially his playboy nephew. Finally the lawyer said, "And to my nephew, Charlie Jones, whom I promised to remember—'Hi, there, Charlie!'"—Santa Fe Magazine.

Industrial News says:
Did Ma ever catch you lookin' over the ladies' underwear section of the Sears Roebuck catalog? Remember when there were no snow suits (Kids wore 'leggings' and only mother or teacher could straighten 'em right) . . . How about those overnight trips with Pop when he took along a suitcase—with straw sides? . . .

Those were the days when kids didn't keep "jaw-breakers" in their mouths. (Had to take 'em out constantly to see what color they'd turned) . . . That was the era when measurements were free, 'cause the lumber yard gave away yardsticks and the dry goods store handed out tape measures as advertising . . . That was the time of life when there was one bathroom in the town's only hotel . . .

Remember when Spanish-American war veterans were deferential to Civil War Veterans, and World War I vets were young fellows just getting their start in life? (There were more members of the G.A.R. than of the Legion post) . . . And can you forget those distant mornings—when the first one up had to kindle and make the fire in the range?

Remember the first day you went to school alone? . . . Real candles on Christmas trees, with buckets of water nearby? . . . The kerosene can with a potato for a stopper? . . . Ma's mason jars of home-preserved fruits and vegetables? . . . And the day in eighth grade when that beautiful girl in the third row finally answered your notes?

AUSTINITE IN HALL OF FAME

A long-time Austin, Texas, resident is honored by being pictured in the Hall of Fame in Washington, D. C.

Hall of Fame of Forestry, that is, for this resident is the renowned Treaty Oak.

Standing near the bank of the Colorado River's new Town Lake, the age of this majestic live oak has been estimated at between five and six hundred years. Its branches spread 127 feet.

AUSTIN A TOWN OF MUSEUMS

Man progresses by looking forward but man learns by looking back.

With this in mind, Texas' centrally located capital city, Austin, is definitely a leader in education. Not just for the famed University of Texas and its other universities and colleges though. It is an educational leader through its wealth of museums full of history and artifacts of times past.

On the capitol grounds themselves are the museums of the Daughters of the Confederacy and the Daughters of the Republic. Both these museums have old guns, flags, and items used by the early settlers.

A museum made from the picturesque studio of Elisabet Ney, the world renowned sculptress, contains many of the artist's mementos.

The atmosphere and surroundings of a short story genius are preserved at the O. Henry Museum. Here is found, in unique preservation, the dictionary the

famed author memorized. Last, but not least, the story of Texas, from fossil to wild west to oil wells is told through fascinating displays at the famous Texas Memorial Museum.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

In analyzing the figures that will be published to support the attempt to slash U.S. protective tariffs to tie in with the so-called European Common Market, it is perhaps important to bear in mind the story about the government statistician who drowned while wading across a river with an average depth of two feet.

Stripped of all non-essential verbiage, the plans proposed have but one final result. That C. W. Harder is the establishment in the United States of a bureaucratic economic dictatorship.

Perhaps the best evidence of this result is found in the publication "Import Competition and Small Business" written by Howard S. Piquet, senior specialist in international economics of Library of Congress.

Drawing most of his data from 1954 as his latest date which was before the full effect of modern production machinery given to European nations by the U. S. give away programs, and before the rounds of wages increases in U. S. since then, and before the increase in the minimum wage that was made law, he finds that many American industries cannot compete with wage scales of Europe in a free market.

He points out, due to European subsidiaries, other measures, Big Business can protect itself. It is the small business of America that will suffer. But he also raises the question whether or not those American industries which are primar-

© National Federation of Independent Business

ly areas of operation for small business should be permitted to exist.

The report indicates that probably some American industries should, by government edict, be pronounced as inefficient and thus be permitted to be destroyed by cheap foreign imports.

Under this plan, it is proposed, that the businesses operating in these condemned industries be urged to produce something else, with the government giving them loans to re-tool or otherwise revamp their operations.

In addition, the government will put up the money to retrain the workers in these firms in new skills.

This, then, could be the final step to establish a dictatorship in America. Eventually, it would also lead to government telling farmers what they could plant; could not plant.

After all, bureaucracy now tells business how it shall keep books, how much it shall collect in taxes for government, the lowest wages business can pay. In addition, an agreement on wages and hours reached in Pittsburgh must be adhered to by a small plant in Idaho Falls. In short, bureaucracy has already made great strides in dictating how business shall be done in this nation.

So it is not surprising that the drive is now on for the ultimate step.

And that is to dictate what kinds of activity a business may or may not engage in so that this nation of Harvard, by Harvard and for Harvard shall not perish from the earth.

The first dam was built in 1890 to produce hydro-electric power. It created famous Lake Austin. This dam was destroyed in 1900, rebuilt in 1915, and the present dam built in 1938.

Now Lake Austin stands as only one of a chain of seven lakes stretching from Austin and winding almost 100 miles through the wooded hills to the northwest.

IX. God's Purpose Of Grace

Election is the gracious purpose of God, according to which he regenerates, sanctifies and saves sinners. It is perfectly consistent with the free agency of man, and comprehends all the means in connection with the end. It is a most glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility. It encourages the use of means in the highest degree.

St. John Lutheran Plans Preaching-Teaching Services

St. John Lutheran Church in Wilson, combined with several other ALC and ELC churches in the South Plains area, has announced a Preaching-Teaching-Mission beginning Sunday, March 4, at 10:30 a. m.

Other services will also be held daily at 7:30 p. m. from March 4-8.

Rev. Willfred F. Bigott, assistant pastor at Grace Lutheran Church, San Antonio will serve as guest speaker. Rev. Bigott is a very outstanding speaker having spoken many times to the youth at Bible camps and at Leadership Training schools. He was pastor at Leveladn for three years after graduating from Wartburg Seminary, Dubuque, Iowa in 1954.

The Preaching-Mission is to bring a revitalization of faith and more Christ-like love and concern for all who are still outside the fold of God, according to members of the church.

Everyone is invited to attend all of these services.

One big dazzler...

one little gem...

now join the world's greatest V-8 collection

405-HP THUNDERBIRD V-8—Thirty years of Ford experience culminate in this startling V-8. Available in every Galaxie, it puts 405 horses under the throttle, a dazzling level of acceleration that cannot be imagined but must be felt. A super-performance option, it comes only with the four-speed gear box. But, unlike some "special" engines that require delicate tuning and modification, it puts out its potential right off the showroom floor. Even more impressive, Ford skill has made it a docile tiger; it idles smoothly, it is durable, its super capacity does not come at the expense of harshness and noise. Among expert drivers, it is praised as a true high-performance V-8 in America... the pace-setter for 9 other V-8's tailored to every driving need.

NEW FAIRLANE CHALLENGER "260" V-8—When the 221-cubic-inch Fairlane V-8 appeared last fall, automotive writers hailed it as a great basic advance, a compact jewel of design. Now, the "260" V-8 proves their prediction. With 164 hp, 19 more than the standard version, Fairlane gains a new brilliance of performance—but it still runs on "regular," still outsaves any standard-size Six. It has the durability of time-tested cast iron, slimmer and lightened by Ford's precision-casting technique. Created by the one maker who has built 30,000,000 V-8's since 1932, it brings the sparkle and smoothness of V-8 power well within the thrifty budget's reach, puts truly sophisticated engineering at the service of truly economical motoring.
