Boys Ranch Plans Given Approval By Area Men

South Plains Boys Ranch, which will be located at the C. W. Slover home place southeast of Tahoka, is getting set to go into full operation in the near future. Application for a charter for the non-profit organization has been mailed to the Secretary of State, and approval is expected in the near future.

Seventeen interested citizens of Dawson and Lynn counties met here one night recently, approved the charter, financial records, and the proposed set-up. These men are among the proposed officers and directors of the Boys Ranch.

The former S. N. McDaniel story and a half home, a landmark in Tahoka, was recently moved to the site, is being remodeled, and will

be ready for housing the boys and the ranch foreman at an early date.

Charles Gifford, formerly with Otto's Boys Ranch of Odessa, has been secured as foreman of the ranch, and eight boys have already been placed under his supervision. They are living in a rent house owned by Police Chief Jack Miller, until the ranch quarters are completed.

These boys are attending Tahoka schools, and so far are doing very well considering circumstances, it was brought out at the meeting here.

Ed Brown, Lamesa attorney, presented the financial and progress report to the group, discussed

articles of the charter, answered questions in regard to the ranch set-up, and presented copies of the financial report containing a list of all donors so far to each man present.

He said \$730.00 in cash had been received and \$2,000 in merchandise and services. Since the meeting, Wayne King, district manager of General Telephone of the Southwest, has presented a check for \$500.00 from his company to Mrs. Margaret Renfro, secretary and treasurer of the Ranch. Others have expressed a desire to contribute.

Billy B. Trig, supervisor from the Texas State Welfare Department, was also a speaker at the

FFA Stock Teams In Judging Event

FFA teams from 13 towns participated in the Mesa District Livestock Judging Contest held here Tuesday in the new Lynn County Livestock Exhibition building. Tahoka FFA was host to the meeting, according to Billy Davis, president of the local chapter.

Winning first place was Klondike with a score of 1488 points; O'Donnell was second, 1453; Wilson, third, 1410; and Tahoka was fourth with 1390 points.

High individual was Billy Shofner of Klondike with 508 points, and Jimmy Martin of O'Donnell was second with 501.

Banners were presented the three top teams. This was a warm-up contest for the area contests which will be held in Lubbock.

Towns represented in the district were Tahoka, Lamesa, O'Donnell, Post, Plains, Klondike, Dawson, Gail, Brownfield, New Home, Wilson, Seminole, and Wellman.

Members of the Lynn county teams are:

O'Donnell: Jimmy Martin, Lyndol Askew, Joe Emerson, and Terry Phillips.

Wilson: Larry Mears, Bobby Stone, Billy Barker, and Tommy Swann.

Tahoka: Billy Davis, Robert Smith, Fred Hegl, and Fred Martin.

New Home: Russell Swinson, Dennis Haley, Amador Cantu, and James Carter.

WESLEY ROBERTS

Wesley Roberts Senate Candidate

Wesley Roberts of Seminole, senior legislator from the South Plains in the state house of representatives, this week announced his candidacy for state senator of the 28th district.

Roberts, 36, is seeking the senate seat formerly held by Preston Smith of Lubbock. Smith is a candidate for lieutenant governor.

The 28th senatorial district is composed of Andrews, Cochran, Crosby, Dawson, Gaines, Hockley, Martin, Terry, Lynn, Lubbock and Yoakum counties.

A native West Texan, Roberts was born in Howard County, the son of Mr. and Mrs. C. W. Roberts. As the son of school teachers, Roberts has lived in Lamesa, Ropesville, Slaton, Seagraves and Andrews. In 1934, his parents moved to Andrews and founded the newspaper there. He is a graduate of Andrews high school and attended Baylor University where he was a star tackle for the Golden Bears.

During his three terms in the state legislature, Roberts has become a well-known and respected leader of the responsible, and con-

New Home Building Takes Jump In City

Building permits in Tahoka since Jan. 1 have totaled \$85,500.00, states City Secretary J. M. Uzzle. This does not include construction underway just outside of the city limits.

In addition to the permits, a large home is being constructed by D. W. Gaignat about one mile north of Tahoka, and a drive in restaurant just outside city limits on the Lubbock highway is being built by Macky Greer of Lubbock.

All permits taken out to date in the City are for new homes and home improvements. These include the following:

John Chapa, \$500, bathroom addition.

Mike Montemayor, \$4,000; new home.

Howard Draper, \$7,000, home on North Second.

B. R. Tate, \$2,000, carport at home on North Fifth.

C. E. Ford, \$8,000, home on North First.

Jessie Dorman, \$4,500, addition of two bedrooms and bath to home on North Fourth.

Cecil Clem, \$17,500, new home on North Fourth.

Higginbotham Bartlett Co. for Mrs. Mathis, \$16,000, new home on North Seventh.

R. W. Clem, \$4,000, addition of bedroom and utility room to home on North Fifth.

Walter Brasher, \$10,000, new home on North Fourth.

L. D. Evans, \$500, addition of carport and utility room on North First.

W. E. Stone, \$500, addition of garage on North Fourth.

Gordon Arnold, \$9,000, new home on North Fourth.

Truett Schneider, \$2,000, addition to home on North Fourth.

Other improvements in Tahoka recently include redecorating of Rutherford's and Piggly Wiggly. Keltner Hotel has repaired its roof and the House of Flowers is in the process of adding floor space to the north side of its present building.

Building permits in Tahoka since Jan. 1 have totaled \$85,500.00, states City Secretary J. M. Uzzle. This does not include construction underway just outside of the city limits.

218 Farms Sign In Grain Program

According to information furnished by the ASCS office, 218 farms have signed to participate in the 1962 Feed Grain Program in Lynn County through March 8. Farmers have agreed to divert 15,638 acres of grain sorghum production from a total base of 39,258 acres.

Advance payments computed for the farms signed up amounted to \$97,367.37. Sight drafts have been issued totaling \$35,445.10.

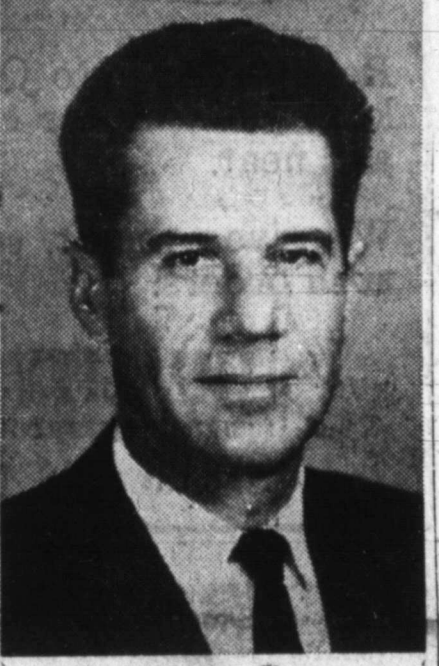

Sign-up under the program is progressing about the same as last year. After 4 weeks of sign-up in 1961, 219 farmers had filed notices of intentions to participate. The ASCS office expects the usual "Last-Minute" rush will push participation this year to approximately 80 percent. Last year from 88 percent of the farms took part, but several withdrew from the program later on in the year.

Reports received from adjoining counties and from the State ASCS office in College Station indicate that almost all farms on the South Plains will participate. State wide, 26,933 farms were signed as of February 15, agreeing to divert 986,700 acres. Advance payments had been made at that date amount to \$8,251,300.

The U. S. Department of Agriculture on March 2, announced that 262,532 farms had been signed through Feb. 21 to divert 5,632,200 acres. For all farms signed, possible advance payments that can be made this spring come to about \$77,933,000. As of the March 2 report, 48,744,900 in drafts had been issued to participants and \$902,100 in certificates for redemption in feed grains.

Government reports state that the 1961 program, identical in most respects to this year's program, was an unequivocal success. The program contributed to a \$1 billion increase in net farm income, cut CCC costs, and will eventually save \$600 million in storage, interest, and other carrying costs.

The Lynn ASC County Committee urges each producer who intends to participate to sign-up as soon as possible in order to avoid the late rush. March 30, is the deadline date.

REV. D. W. COPELAND

Holding Revival At Berry Flat

Rev. D. W. Copeland will conduct the revival services at the Berry Flat Baptist Church beginning Sunday night, March 18, and continuing through March 25.

Berry Flat is eight miles south of the Draw community.

Prayer meeting will be held each night at 7:00 p. m. and the preaching service at 7:30 p. m. Morning services will be held at 10:30 a. m.

Rev. Copeland is formerly of Tahoka and has served as pastor of several Lynn county churches. He is now pastor of a Baptist Church near Lake Thomas.

Tahoka Jaycees Set Charter Night

Tahoka Jaycees will hold their charter night banquet Monday night, April 5 at 7:30 p. m. in the City-Legion building. The public is invited to attend.

Lewis Timberlake of Stamford, State Junior Chamber of Commerce president, will be here and give the principal address.

A total of 27 members were signed up at a meeting Tuesday night, according to Binie White, temporary secretary.

A nominating committee for new officers was appointed by Harold Roberts, temporary chairman, consisting of Binie White, chairman, Jesse Dorman, Harry Lee Short, Jimmy Dykes, Charles Brookshire, and Wayne Huffaker.

Officers will be elected at the next Jaycee meeting on Tuesday, March 20, in the City-Legion building. Anyone interested in the Jaycees is invited to attend this meeting.

Street Markers Being Installed

Standards for the new street markers over the City of Tahoka are being erected on which to attach the new street markers. City workers are making the installation.

All streets running north and south in the future will be known as Avenues, and will be lettered alphabetically for convenience of citizens in locating addresses.

A compromise lettering of streets was put in effect several years ago, for example Sweet-J and Petty-M, but many of these markers have disappeared and the idea never did catch on with the public in the way it should.

North and South streets were originally named for pioneer families of the town, and these names will remain officially on abstracts, but the ABC method will be more convenient in locating addresses, the City Council believes.

Mayor Meldon Leslie says 2-inch pipes now being installed, on which the markers will be placed, should be more stable and he hopes vandals will not tear them down.

Streets running east and west will remain as they are, for example, North First and South First.

Names of a few short streets will not be changed—for example, Conway, a two-block street east of Piggly Wiggly, and Harper, a three-block street running east and west adjacent to Nance Super-Save.

Former Citizen's Rites Thursday

Mrs. Gordon (Bess) Murphy, 58, the former Mrs. A. H. (Buddy) McGonagill of Tahoka, died Tuesday at 7:30 p. m. in Santa Ana, Calif., following a year's illness, according to Mrs. Gladys M. Stokes.

Funeral services were being held there on Thursday, her birthday.

She was born Bessie Irene DeMent, daughter of a pioneer Baptist minister. She was married to "Buddy" McGonagill in 1924. The couple lived here from 1938 until he entered the service, and she worked in the offices of Dr. L. E. Turrentine and Dr. J. W. Sinclair. Mr. McGonagill passed away in 1949 at Grants Pass, Oregon, and she was married to Gordon Murphy in 1951.

Services Are Held For Pierce Infant

David Wayne Pierce, infant son of Mr. and Mrs. Douglas Wayne Pierce of O'Donnell, died at 6:00 p. m. Thursday, March 8, in a Post hospital.

He was born at 4:00 p. m. on that same day, and was the couple's first child.

Graveside services were held Friday at 3:00 p. m. in Tahoka Cemetery with Rev. Henry Lonis, pastor of the Assembly of God Church, officiating. Burial was under direction of White Funeral Home.

Survivors include the parents; grandparents, Mr. and Mrs. G. T. Galneau of route 2, Tahoka, and Mr. and Mrs. W. E. Pierce of route 2, Tahoka; great grandparents, Mrs. Nora B. Rogers of O'Donnell, Mr. and Mrs. S. N. Mensch of Lubbock, Mr. and Mrs. Joe Pierce of Post, and Mrs. Salie Lou Galneau of Portales, N. M.; and great great grandparents, Mrs. Katie Lagdsen of O'Donnell and Mrs. S. D. Mensch of Gainesville.

Wilson Host To Meeting Of Lions

A zone meeting was held by the Wilson Lions Club Thursday night of last week when "Hack" Lassiter of Slaton, zone chairman, was the speaker.

Officers of the zone from Lubbock, Slaton, Post and Wilson attended the meeting, according to Hubert Teinert.

The Wilson Club recently bought a pair of glasses for a New Home child after having the eyes of two New Home and two Wilson children checked.

Children Requested To Observe Safety Zones On Highways

Crosswalks and safety zones for school children are being painted on the two major highways through Tahoka with approval from the State Highway Department, according to Police Chief Jack Miller.

Parents are asked to instruct their children to use these crosswalks where at all possible. School officials are also instructing children to use them when going to and from school.

Likewise, authority from the State Highway Department has been received to reduce the speed limit on the two highways in Tahoka from 40 and 50 miles per hour to a maximum of 30 miles per hour.

Chief Miller requests that both children and drivers of motor vehicles observe these crosswalks and speed limits.

On US 380, or Lockwood street, in West Tahoka, there are two crosswalks for school children, one at the intersection with Avenue N and the other at Avenue R. On US 87, there is a crosswalk at the intersection with North Third street.

Ladies Golf Club Will Elect Officers

The Ladies Golf Association will meet Tuesday at T-Bar Country Club for its regular monthly luncheon when new officers will be elected.

Those whose names have been placed on the ballot include Mrs. Kenneth Turner and Mrs. Roscoe Treadaway for president; Mrs. Clint Walker and Mrs. Dick Turner for vice president; Mrs. Bobby Carroll and Mrs. Buddy Bragg for secretary; Mrs. Peggy Elliott and Mrs. Joe Bob Billman for tournament chairman; and Mrs. Jack Alley Robinson and Mrs. John Thomas as for Ladies' Play-Day chairman.

Officers who have served during the past year are Mrs. Bryan Wright, president; Mrs. Kenneth Turner, vice president; Mrs. Truett Smith, secretary; Mrs. Roscoe Treadaway, tournament chairman; Mrs. Skiles Thomas, social chairman; and Mrs. Reble Thomas, Ladies' Play-Day chairman.

C. B. Morrison Dies Saturday

C. B. Morrison, 82, pioneer of Lynn county, died Saturday following a long illness at his home a mile and a half east of O'Donnell.

Funeral services were held Monday at 2:30 p. m. in O'Donnell Church of Christ with Minister Ode Prescott officiating, assisted by W. T. Hamilton, minister of Lamesa Church of Christ. Burial followed in O'Donnell Cemetery.

Charles Benjamin Morrison came to Lynn county in 1900, worked on ranches, and acquired farm land in the south part of the county. He was generally recognized as one of the county's finest citizens. Incidentally, he had been a subscriber to The News almost the entire life of the newspaper.

Survivors include his wife, Grace; four daughters, Mrs. Fred Taylor of Elida, N. M., Mrs. Bertice Askew and Miss Lucy Morrison, both of O'Donnell, and Mrs. Virgil Matthews of Lamesa; two sons, D. C. of Breckenridge and C. B. Jr. of O'Donnell; one brother, W. A. of Greenville; a sister-in-law, Mrs. May Arnold of O'Donnell; 12 grandchildren and five great grandchildren.

Teachers Hear Frank Gonzales

Frank Gonzales of Lubbock, a native of Mexico, was the speaker at the Lynn county teachers meeting here Monday night of last week in the school cafeteria.

In stressing the need for friendship between Mexico and the United States, Gonzales said that the U. S. should bring to the public eye what is being done here for the Latin American population. In Mexico, only adverse conditions in the U. S. are printed, which is instigated by the Communists and subversive groups. He said that we should work together to keep Communism out of the two countries.

Students attending the universities in Mexico are under constant pressure by these groups and even those of strong convictions in freedom are influenced and sometimes completely swayed by these pressures.

The Lynn county teachers will have its final meeting of the year in O'Donnell in April when officers for next year will be elected.

North Lynn Little League Will Meet

Officials of the North Lynn Little League will meet on March 20 at 8:00 p. m. in the Wilson Co-op Gin office.

The league takes in the Wilson, New Home and Cooper areas.

Milton Wied of Wilson is president of the organization.

Shaving Permits On Sale Monday

Shaving permits will go on sale here Monday, March 19, for all those who do not wish to grow beards in preparation for the Tahoka rodeo to be held April 25-28.

A horse trough will be placed on the street on Monday, and those with neither beard nor permit will be "dunked." In fact rodeo officials report that Roy Edwards is already "gunning" for Lum Haney and is hoping he will be able to produce neither.

Those planning to enter floats or other entries in the parade, to be held at 5:00 p. m. on April 25, are urged to begin preparations or plans now for that event. It is hoped that this year's parade will be better and larger and the cooperation of all is urged.

LOWELL M. BRYAN HAS ENLISTED IN ARMY

Lowell M. Bryan, son of Mrs. Myrtle V. Bryan, former Tahoka resident, was enlisted in the regular army March 8th at Amarillo, through the Lubbock recruiting station.

Pvt. Bryan will report initially to Fort Leonard Wood, Missouri, for processing, after which he will be assigned for training in radio and carrier repair, according to Sgt. George Moore, local army recruiter.

O'DONNELL MEN FILE FOR SCHOOL TRUSTEES

Four more O'Donnell men have filed for school trustees, Boyd Barnes, W. H. (Punk) Cook, W. W. Emerson, and J. G. Rogers.

Previously filing for the three board vacancies were B. J. McLaurin, Andy Jordan, G. W. Jones, B. B. Vestal, Bart Anderson, C. R. Burlison Jr., and Kenneth Pearson.

Work Night Set At Rodeo Arena

All members of the Tahoka Rodeo Association are requested to attend a work night meeting tonight at 7:30 p. m. at the rodeo arena.

Since there is only a little over a month before the four-day event beginning April 25, all members are urged to be present.

HOMER ST. CLAIR HERE

Homer St. Clair of Garner, formerly of Tahoka, was a visitor here Tuesday. He reports his mother-in-law, Mrs. S. N. McDaniel, who will soon be 95, is doing fairly well in a rest home at Bowie, although her sight is failing badly.

Wait a bit—don't get hit!

L. L. (Slim) Carpenter of Bakersfield, Calif. was here Saturday and Sunday visiting his mother, Mrs. C. J. Carpenter and sister, Mrs. Lawrence Harvick. He was returning home from a business trip to Baltimore, Maryland.

MAKE COTTON TOUR

L. C. Unfred and B. A. (Burr) Morrow were among the South Plains group which visited South Carolina cotton mills last week, the tour being sponsored by Plains Cotton Growers, Inc.

CORRECTION

The name of Ted Ratcliff was filed for the City Council rather than Ted Ratliff, as reported in The News last week.

Brad Hammonds, five month old son of Mr. and Mrs. Edgar Hammonds, Jr. entered Tahoka Hospital Tuesday where he is being treated for a virus infection.

Basketball Girls At State Tourney

Coach J. D. Atwell and family and Mrs. Emma Halamicek took eleven members of the Tahoka High School girls basketball squad to Austin last week end for the State Girls Tournament.

Tulia, which won over Tahoka in the regional meet at Lubbock when Tahoka's guards fouled out after holding the Hornettes even-stein for three quarters, lost in the State Class AA finals to Devine. Mr. Atwell said Tulia should have won. The Tulia girls went into a stall in the fourth quarter with a 37-34 lead, missed an important free throw and Devine went on to win.

The Sundown Roughettes won the Class A championship. In non-conference games, Sundown had defeated Tahoka twice but by narrow margins.

Anyway, these games are evidence that Tahoka had one of the top girls teams in the state, and possibly could have gone to the state finals except for some hard luck in the second half of the game with Tulia.

Members of the girls squad making the trip to Austin were: Judy Thomas, Kay Halamicek, Sharon Drager, Brooksie Reece, Carolyn Howard, Jerre Ann Wyatt, Linda Thomas, Elwanda Tekell, Ann Wright, Rhonda Littlepage, and Andra-Sue Carroll.

Everyday Religion

By J. B. Thompson

Dr. Richard Hoffman wrote an article some time ago in The American Weekly entitled "Tension's Little Trigger Men." He says, "More than half of our hospital rooms are occupied by people with nervous troubles, most of them caused by such out-of-hand emotions as anxiety, despair, discontent, fear, and frustration. By our habits we heckle our nerves with minor irritations."

Dr. Hoffman names three of these "little trigger men" as "telephones, clocks and calendars." We succumb to the tyranny of appointments. A friend of the writer, minister of a large city church, had an appointment to speak to a downtown club at noon. Several things at the church office caused a delay in his leaving for the appointment. He jumped into his car, slammed the door, and raced down the street gripping the steering wheel with taut fingers. When traffic lights delayed him further he became more nervous and anxious. Suddenly he says, he realized that he was on his way to make a speech to some business men on "How To Live at Peace Under Pressure" and that he himself was a perfect example of how not to do so.

We all know people who can meet rigid and exacting schedules, relaxed and poised. They never get frustrated and never get ulcers.

The secret of this poise and self-control is to be desired by every one in our day. The writer believes it has to do with an inner peace and confidence which some have called serenity. Or as Fulton J. Sheen once said, "A soul with a fight inside itself will soon have a fight outside itself with others—a man not at peace with himself will not be at peace with his brothers."

I am not sure how to close this. Maybe this is because there is no easy answer; no easy solution to "tension's little trigger men."

Next Tuesday Is John Deere Day At Gilmore & Jaquess Here In Tahoka

George Gobel, noted TV personality, will star in the coming John Deere Day program to be held at our store on Tuesday, March 20, it was announced by Gilmore & Jaquess, host for the event.

In addition to lending his comedy to the role of "Uncle Henry" in a film fantasy which serves as a background for the entire program, Gobel will also double on film as the program's master of ceremonies.

According to Jack Jaquess, this year's film is altogether different from any previously shown on John Deere Day.

Woven into the program, which features, besides Gobel, Hollywood's John Carradine and child actor Billy Mumy, are six additional educational, informative films. These include the best in "Oddities," a collection of the most popular "Oddity" films shown in previous John Deere Days since the series began some years ago. Also included is "All in a Day's Work," an unusual harvest film showing late-model combines being checked in grain fields in various parts of the country. Other films are "Pattern for Performance," the story of the relationship between careful manufacturing, checking, and testing of tractors, and the performance of the tractors in the field; "One-Man Hay Day," a report on the John Deere one-man haying system and the way it pays off in lowered labor cost and in increased milk and beef production from better hay;

Day of Prayer Is Observed By Ladies Of Methodist Church

World Day of Prayer was observed Friday, March 9, at the Tahoka Methodist Church, when members joined in prayer with Christians in more than 150 areas of six continents for peace and understanding throughout the world.

Mrs. J. B. Thompson gave a historical outline of the World Day of Prayer which began with the idea of one woman back in 1887 of such a need.

Mrs. G. M. Stewart presented the many projects supported by the offerings on that day. Mrs. R. H. Gibson, assisted by Mrs. Jackson, Mrs. Ramsey, Mrs. Cantrell and Mrs. R. M. Stewart conducted a period of intercessory prayer.

Mrs. Earl Tunnel was pianist for the occasion. In the afternoon session of the observance, Mrs. Harold Green sang the "Lord's Prayer," accompanied at the organ by Mrs. Pat Patterson.

Mrs. George Heather of the Lubbock League of Women Voters was the guest speaker of the day. She spoke on the "Changing Status of Women." Mrs. Heather pointed out "that in our prayers we cannot fail to express the gratitude we must all feel that we have been born among the fortunate ones of the world and as we recognize this fact, we must also recognize and acknowledge the responsibility that is a part of our heritage. We as American women owe a staggering debt to those valiant and tenacious women who braved the ridicule of their fellow citizens, both male and female, and who sacrificed much of the normal life enjoyed by their contemporaries in order to win for women of future generations those basic human rights which we now enjoy and take so much for granted."

As she continued, she warned against "women of all ages and all walks of life restricting their activities more and more to their own tight little islands, in spite of political and physical emancipation, placing neither their hearts, imaginations or interests at the service of the wider world. We, at this particular moment in history cannot afford to do this. Freedom can be retained only at the price of eternal vigilance. This is even more true now than when it was first said by one of our early great patriots. Perhaps it is because so many of the battles fought by crusading women of the past appear to be won that we have so few crusaders now. Such a situation reflects dangerous complacency."

She ended her talk with the

Girl Scout Leaders Will Meet Monday

A neighborhood meeting of Girl Scout and Brownie leaders, assistant leaders and committee members will be held Monday night at 7:30 p. m. in the home of Mrs. Charles McClellan.

Plans will be discussed for the meeting to be held at Rio Blanca on April 7, when Intermediate Girl Scouts and fly-up Brownies will join the neighborhood at that location. The trip will provide the girls and leaders an opportunity to inspect the Girl Scout camp in preparation for summer camping trips.

The fifth grade troop mothers will be hostesses for the Monday night meeting and all members of the neighborhood are urged to attend.

Mrs. Maeker Hostess To Joe Stokes Club

The Joe Stokes Home Demonstration Club met Tuesday, March 6, in the home of Mrs. W. C. Maeker when the program was facts and figures concerning fall out shelters.

Mrs. Connie Anderson, agent, presented the program, supplemented with slides. Mrs. Maeker showed the five members and Mrs. Anderson the concrete storm shelter constructed at her home last year.

The next meeting will be held on April 3 with Mrs. H. D. Dean as hostess.

Special School Plans Workshop

Lynn County Special School Parents Club met recently at the school to discuss workshop projects for the remainder of the school year, according to Mrs. Margaret Renfro, teacher.

Some of the projects consist of arts, arts crafts, carpentry, sewing, and anything else the parents think the children need to work with in order to contribute to their improvement.

Mrs. Renfro says such work also helps to give the children a sense of being needed, wanted, and of contributing. She says they are ever very proud of their finished work, and enjoy showing it to visitors.

Visitors are welcome at the school at any and all times.

MRS. BLEDSOE TAKES TRIP TO DALLAS BY AIRPLANE

Mrs. Maude Bledsoe, 84, of Lubbock and formerly of Tahoka, was here Tuesday and stated she recently took her first airplane ride, a trip to Dallas.

She underwent an eye operation a few months ago, and she thinks the operation will prove a success. She is considering moving back to Tahoka soon.

Mrs. Bledsoe was accompanied by her daughter, Mrs. N. H. Cromer of Denver City, formerly of Lynn county.

plea for union "that we might have the wisdom and moral strength needed to fulfill our potential as informed citizens of this remarkable nation in order that we might gear aloft the torch of freedom."

In closing the observance an impressive communion service was presided over by the pastor, Rev. J. B. Thompson.

THE SEVEN AGES OF CHILDHOOD

These are the ages of greatest change, ages that most deserve to be captured and held through the magic of fine photography.

Such a record grows in value with the passing of each year, and should be a part of your child's heritage.

Girl Scouts Will Observe Birthday

Girl Scouts from Caprock Council will celebrate their 50th Anniversary in a celebration Saturday, March 17, at 7:30 p. m. in the Lubbock Municipal Coliseum.

Neighborhoods from the 11 and one-half county council, which includes Lynn county, will display projects their Girl Scouts have completed and over 4,000 Girl Scouts will participate in a pageant telling how Scouting can be seen, heard and felt.

They will be among three and one-half million girl and adult members in the United States celebrating the anniversary of the organization which was begun by Juliette Low with a troop of 12 girls in 1912 in Savannah, Ga.

There will be no admission charge to the Lubbock event.

Here's why you'll profit planting cotton seed treated with Du Pont **CERESAN** LIQUIDS

1. When you plant seed treated with "Ceresan", it helps to assure maximum cotton stands and plant-growth vigor by protecting against seed rot. "Ceresan" also reduces soil and control seed-borne anthracnose boll rot and angular leaf spot.

2. Pick upwards of 328 extra pounds of cotton per acre at a cost for treating with "Ceresan" of only 20 cents an acre. This is an average return of \$603 on every 10 acres you grow. You'll get crop insurance plus bonus yields for extra profits when you treat with Du Pont "Ceresan".

3. "Ceresan" colors seed red. One look tells you the seed has been treated. And you'll like the way seed treated with "Ceresan" stores: stays clean and viable... longer.

Seed treatment with Du Pont "Ceresan" liquid seed disinfectants has proven itself in all the major cotton growing centers. Don't wait for the busy season. Take your seed to your local treater now—and get in on the big bonus profits.

On all chemicals follow labeling instructions and warnings carefully

Oldsmobile — GMC — Rambler

What's different about Rambler's rustproofing?

It goes all the way up to the roof. Only Rambler has Deep-Dip rustproofing—entire body immersed in primer paint right up to roof—plus 8 other body rustproofing steps.

What's different about Rambler's brakes?

They stop when other brakes can't. Double-Safety Brake System has tandem master cylinders. If front brakes fail, rear brakes still work and vice versa. Self-adjusting brakes standard, too.

What's different about Rambler's headroom?

It's greater than any other American car's. Rambler Classic 6 and Ambassador V-8 beat all other makes in front-seat headroom (even Cadillac)—can seat six 6-footers easily.

What's different about Rambler's muffler and tailpipe?

They won't rust out. Ceramic-Armored muffler, tailpipe guaranteed against defect as long as you own your new Rambler. If either rusts out, collision damage excepted, a Rambler dealer makes free replacement.

What's different about Rambler's prices?

They're America's lowest. Only Rambler brings you America's lowest suggested retail prices for convertible, 2-door and 4-door sedans and wagons—all quality-built with Rambler excellence.

"Litterbug" Drive Meeting Success

The Tahoka Garden Club is progressing in its "litterbug campaign", and five receptacles will be placed in downtown Tahoka soon.

These have been painted and names of donors placed on them by Mmes. Jack Alley Robinson, H. B. McCord, Jr., Calloway Huffaker, and Skiles Thomas.

Two more receptacles are needed to place in vulnerable spots, and if anyone wishes to donate them they can be purchased at City Hall for about \$45.00 each.

Those who have donated the five include Tahoka Rotary Club, City of Tahoka, Phebe K. Warner City, Tahoka Auto Supply, and the Garden Club.

AMERICA A SOCIALIST NATION?

"The American people will never knowingly vote for Socialism, but under the guise of liberalism, they will adopt TVA, Social Security, federal aid-to-education, public housing and compulsory health needs. They will adopt fragments of the socialistic platform until one day America will be Socialist without knowing how it came about." (Norman Thomas, six times a candidate for the

President of the United States on the Socialist ticket)

MOMENTS WITH GOD

"ON THE EDGE OF TIME"

"The time is come for Thee to reap." Rev. 14:15

"We shall bury you."
This is the threat that has been thrown at us from Moscow by the shoe-thumping man of ample girth and blustering ego. Living in these days "on the edge of time," we have good cause to pause and wonder whether threats like these will actually be carried out.

From Egypt's ancient Pharaohs to Communism's modern Krushchev, the little gods of this world get only as much rope as allowed by Him Who has said: "Ye shall know that I am the Lord, your God." (Exodus 6:7)

What will the end of our civilization be like?
Will it come in our lifetime?
These are questions for which we have only questionable answers.

That judgment does come upon all from God and that whatever a man sows he shall reap are inescapable eventualities to which the Bible testifies and for which history provides ample evidence.

For all people of this and every age, brought to the "edge of time" by sin and its wages of death, the one sure Word of divine truth is that God in Christ has effected a "rescue operation" which alone represents the hope of the world! Only in God's promise of the Gospel is there certainty and salvation.

As by Thy love, Lord, Thou hast rescued me,
So by Thy grace make me Thine eternally. Amen.

If you have not in this late hour found "the Way" of salvation, then we urge and invite you to come and find it NOW in our SPECIAL BIBLE CLASS each Sunday, 7:00 p. m. at the W.O.V. HALL here in Tahoka.

Grassland News

(By Mrs. O. H. Hoover)

The Central Baptist Church will hold its services at the Grassland Methodist Church until its new building is completed. The church will have the morning services prior to 10:00 a. m. Combined services of the Baptist and Methodist churches will be held in the evenings with the pastors alternating with the preaching.

Mr. and Mrs. Roy LeMond have returned from a trip to Morgan City, La. where they visited her sister and family, the Rev. and Mrs. John Sewell. While there they attended the Mardi Gras and also visited Avery Island, which is noted for its salt mines, the growing of peppers, and for its jungle garden. In the garden is a small Wasi orange tree that is the only one outside the Imperial gardens of Tokyo, Japan. There are only two in the Imperial garden.

Coming home, the LeMonds visited their daughter and husband, Mr. and Mrs. Ted Pridmore of Grand Prairie. Mrs. H. W. Edwards of Tahoka and Mrs. Sewell of Draw accompanied them.

Mr. and Mrs. M. L. Thomas and Mr. and Mrs. L. S. Turner went to Center, Texas Friday to visit Lon Crawford. He is Mrs. Thomas' brother and Mrs. Turner's father and is very ill. Mr. and Mrs. Thomas and Mr. Turner will stay awhile with her parents.

Mr. and Mrs. H. D. Gartman made a business trip to Rotan last week.

Mr. and Mrs. Benny Carrier honored Mrs. Pat Carrier on her birthday Friday evening with a dinner in Lubbock. Attending were Mr. and Mrs. H. D. Gartman, Mr. and Mrs. Melvin Carrier and Mr. and Mrs. Don Carrier.

Mr. and Mrs. Buster Adams and children were guests over the week end in the Virgil Blacklock and Jim B. Porterfield homes.

Mr. and Mrs. T. A. Walker and son, Johnny, of Waco were guests over the week end in the C. A. and Lucian Walker homes. Other visitors were Mr. and Mrs. L. J. Walker and Dennie and Tim of Littlefield. Mr. and Mrs. Ronald D. McGrew of Lamesa, Mr. and Mrs. Bill Moore and Cristy of Seagraves.

Rev. and Mrs. Audie Wiley visited the H. D. Gartmans Tuesday. Mrs. Wiley is Mrs. Gartman's daughter.

Mr. and Mrs. W. G. McCleskey, Mr. and Mrs. W. L. Gribble, and Mr. and Mrs. Gartman attended singing Sunday afternoon at the Assembly of God Church in Slaton.

Arlie Moore has been ill for some time.

Ollie Huffaker and Gene Parrish are on a fishing trip this week.

Mrs. Bobby Ferguson was a guest last week of her parents, Mr. and Mrs. A. E. Riley.

Mr. and Mrs. Edd Finn and children were guests last week of her grandparents, Mr. and Mrs. John Warrick of Lubbock.

Many residents of this area have visited the Ted McDonalds in Post to see their new baby.

E. M. Norman is building a new implement barn on his farm.

Linda Davis of Andrews spent the week end with her parents, Mr. and Mrs. Leroy Davis.

Mr. and Mrs. Roy Appling visited their daughter, Mrs. Jean Short, in Killeen last week. Mrs. Short's daughter, Kathryn and children, of Bryan also visited in Killeen.

Mr. and Mrs. Morris McClendon and family of Abernathy visited her parents, the C. M. Greers Sunday.

ORDINANCE NO. 111
AN ORDINANCE PROHIBITING CONSTRUCTION OF ANY PRIVY VAULT ABOVE OR BELOW THE GROUND IN THE CITY OF TAHOKA, TEXAS; PROVIDING FOR THE REMOVAL OF EXISTING PRIVIES UPON THE ISSUANCE OF BUILDING PERMITS FOR NEW CONSTRUCTION OR ADDITIONS TO EXISTING STRUCTURES; PROVIDING FOR THE CONNECTION OF SEWER FACILITIES TO IMPROVED SEPTIC TANK SYSTEMS IN THOSE AREAS OF THE CITY WHERE CITY SEWER LINES DO NOT EXIST; PROVIDING A PENALTY AND DECLARING SAME TO BE AN EMERGENCY.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF TAHOKA, TEXAS:

Section 1. That it shall hereafter be unlawful for any person, firm or corporation to build any privy vault above or below the ground within the corporate limits of the City of Tahoka, Texas on any lot or parcel of land.

Section 2. Before any person, firm or corporation shall be issued a building permit for new construction or for additions to existing structures, or for moving into the city and placing upon any lot or parcel of land any completed or partially completed structure, applicant for permit shall first agree to install sanitary sewer facilities and to remove any and all existing privies located on the lot or parcel of land on which construction or addition is to be placed, and such agreement shall be made a part of and a requirement for the issuance of such building permit.

Section 3. In those areas of the city where city sewer lines do not exist, all water closets and other such sewage as may come from any residence, place of business or industry shall be connected to a septic tank system constructed and maintained in conformity with the specifications of the State of Texas Department of Health.

Section 4. That every person, firm or corporation who fails to comply with or willfully violates any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and, upon conviction shall be fined in any sum not to exceed One Hundred (\$100.00) Dollars, and a separate offense shall be deemed committed upon each day during or on which a violation occurs or continues.

Section 5. This ordinance shall not become effective until ninety (90) days after its passage and approval and publication.

Section 6. The fact that there is no ordinance prohibiting the building of privies in the city and the fact that the city has been requested by the State Department of Health to eliminate those existing privies to prevent health hazards creates an imperative public necessity that the rules requiring ordinances to be read on more than one day be suspended, and the same is hereby suspended, and this ordinance shall take effect ninety (90) days after its passage, approval and publication.

Passed and approved this the 5th day of March, 1962.

APPROVED:
 MELDON LESLIE,
 Mayor of the City of

Melvin Wuensche Is Selected As Conservation Farmer Of The Year

Melvin Wuensche of Wilson was presented the "Conservation Farmer of the Year" plaque at the Chamber of Commerce banquet Friday night, March 2. The presentation was made by E. R. Blakney of New Home, chairman of the board of supervisors of Lynn County Soil Conservation District.

Wuensche became a member of the District in 1952, and he immediately developed a complete soil and water conservation plan for his entire farm.

He has been very active in community affairs relating to soil and water conservation. He served on the SCD board of supervisors for over three years, one year as its chairman.

He has 148 acres of introduced and native grasses which are used for grazing, crop rotation, and seed production.

All of his land is terraced, and he has leveled approximately 30 acres. He has installed over one mile of underground irrigation pipe, and carries out a conservation irrigation program.

Fertilizer and cotton burrs are used in his soil building program, and he has increased his cotton yield about a half bale per acre.

Wuensche practices deferred

Lonnie Wheeler, senior student at Texas Tech and a graduate of Tahoka High School, has received two very high honors, one to be bestowed at the All-College Recognition Service this year, and the other an invitation to become a member of Phi Kappa Phi, honor society.

The son of Mr. and Mrs. Howard Wheeler of Brownfield, Lonnie will be recognized for college scholastic honors for the third time. He is eligible for the college honors as he will complete his academic work in three years. The service will be held on Sunday, March 18, at 2:00 p. m. in the Tech Union Ballroom and will honor students in the fields of scholarship, athletics and leadership.

In addition he has been selected for membership in the Tech chapter of Phi Kappa Phi, one of the most widely recognized honor societies in the world, on the basis of his scholarship record. Only those students who rank in the top 10 percent of the senior class or top two percent of the junior class are eligible for membership.

Initiation will be held on May 3 at 6:30 p. m. in the Student Union Ballroom immediately following a banquet.

Lonnie will receive his degree from Texas Tech in August.

Two Rural Wrecks Mrs. G. G. Vaughn County Pioneer During February

The Highway Patrol investigated two rural accidents in Lynn County during the month of February according to Sergeant A. E. Roberts, Patrol Supervisor of this area.

These wrecks accounted for an estimated property damage of \$525.00.

The rural traffic accident summary for Lynn County from January through February of 1962 shows a total of nine crashes. As a result of these crashes there was one person killed and one injured. The estimated property damage amounted to \$7,770.00.

The patrol supervisor reported that as of Thursday, March 1, a total of 227 traffic deaths had been reported to the department, as compared with 264 during the same period in 1961. "This represents a decrease of 37 deaths or 14 per cent," he said, "and presents all of us with a stern challenge to help in further reducing deaths for the remainder of 1962." This will not be an easy job.

"Defensive driving is one of the keys to traffic safety," the sergeant added. "If all motorists were alert when driving and knew the defensive procedures used by a professional driver, the number of monthly traffic accidents would drop sharply."

Mrs. G. G. Vaughn County Pioneer

Mrs. G. G. Vaughn, 88, and two daughters, Miss Effie and Mrs. J. M. Vaughn, visited The News last week end to pay up their subscriptions and revealed a bit of interesting family history.

The Vaughns are pioneers of Lynn county, coming here in June of 1906 to settle on a section of land the late G. G. Vaughn, who passed away in 1957, had bought north of the present O'Donnell.

Both Mr. and Mrs. Vaughn were reared as orphans when they met down in Leon county, and the couple married at the home of her sister on Dec. 17, 1890.

Mrs. Vaughn, the former Miss Helen Irene Vick, was left an orphan as a child when her father, mother, and baby sister all died

within a month as the family was enroute from Alabama to Willis, Montgomery county, Texas, or shortly after arrival. She never had any real home, living with relatives including a brother and half sister until grown.

Mr. Vaughn was a native Texan, born in Leon county in 1873, and likewise was raised an orphan.

One of the daughters, Miss Ola, married J. M. Vaughn on Sept. 7, 1910, after the family came to Lynn county, but Miss Effie Vaughn has never married. There is one son, Dallas Vaughn.

The Vaughns are one of the families which helped settle up the southern part of Lynn county.

Tahoka Players Make All-District

The All-District 3AA boys and girls basketball teams were selected by district officials in a meeting in Tahoka Tuesday night with the starting line-up of both local teams, six girls and five boys, receiving recognition.

Craig Leslie was named to the first All-District team and girls named for the top honors were Forward Kay Halamecek and Guards Brookie Reece and Jerre Ann Wyatt.

The boys second team included Billy Clinton and the girls, Forward Judy Thomas and Guard Sharon Drager.

Making the honorable mention list were Fred Hegl, Perry Flippin and Andy Bray on the boys mythical team, while Forward Loretta Short received the same honor on the girls team.

Complete list of the All-District selections follow:

First Teams

Boys—Craig Leslie, Tahoka; Dennis King, Denver City; Ronney Jones, Slaton; Bob Stephenson, Stanton; Herb Storley, Stanton; George Curtis, Denver City.

Girls—Forwards: Kay Halamecek, Tahoka; Francis Graves, Stanton; Nita Wilson, Post; Glenda Bownds, Slaton. Guards: Brookie Reece, Tahoka; Jerre Ann Wyatt, Tahoka; Ronda Pettigrew, Slaton.

Second Teams

Boys—Billy Clinton, Tahoka; Webber Tefertiller, Slaton; Larry Burke, Slaton; Mike Hubbard,

Boys Ranch

(Continued from First Page) meeting and endorsed the Ranch without reserve. He stated that the project deserves the support of all area citizens.

Jack Miller, who owns the land on which the Ranch is being established, offered the land to the Ranch board of directors on a lease basis with option to buy, or on any basis suitable to the board.

Others attending the meeting included: Sam J. Granat of Lubbock, State Child Welfare Division; Bill Hollingsworth, juvenile officer, and Jim Hollingsworth, juvenile reporter, both of Lamesa; Sam Saleh, Lamesa attorney; Mayor Meldon Leslie, Calloway Huffaker, A. C. Verner, A. P. Stephens, J. T. Miller, Milton Uzzle, E. L. Short, Minister Don Browning of the Church of Christ, Fred McGinty, Mrs. Margaret Renfro of the Lynn County Special School, and others mentioned above.

As soon as the charter is approved, another meeting will be held at which directors and financial and building committees will be set up to get the ranch operational.

Local leaders say that at present no plans are being made to make a big thing out of the Boys Ranch here, but it is being started on a small scale basis to take care of boys of this area who are in need of a home and the proper guidance until they can find a place for themselves in society.

Gifford and Miller hope to move the boys in their care to the newly remodeled home on the Ranch within the next week or two.

Roberts

(Cont'd. from Page 1) scientific, conservative, forces in the Texas Legislature.

He has served on many important committees in the legislature; Appropriations, State Affairs, Insurance, Motor Traffic and Loan Shark Study Committee. He was chairman of the Cost of Government Investigations which resulted in millions of dollars in savings to the state.

Roberts' committee, through its investigations, pinpointed extravagance and waste in many departments of the state government. The committee revealed plans for the \$167,000 home for the president of a junior college, the \$4½ million fish passes on the Gulf coast, and other unnecessary projects were either stopped or modified.

As the senior representative from the South Plains, Roberts has been the outspoken champion for this area. He was instrumental, along with other West Texas legislators in securing for Lubbock a third representative in the House and has long proved his worth in the constant battle to secure adequate funds for Texas Tech. He has been commended time and time again by Tech officials for his efforts on behalf of the college.

In his announcement, Roberts stated that as a senator "I will have a greater opportunity to carry out some of the projects

upon which I have labored as a representative."

"For example, I served on the original loan shark study group and the House has consistently passed a fine control bill—yet the bill always fails in the Senate. This year, in our special session, the House passed one of the strongest loan shark control bills in the nation yet it failed to pass in the Senate 14-16. If elected to the Senate, I believe I can help bring about passage of this much-needed law."

Roberts, who introduced a House resolution calling for correction of inequities in the sales tax bill and got it passed 127-30 in the recent special session, believes that as a senator he can bring about corrections in the sales tax law.

"As a state senator I can effectively work to turn back or stop the drift of our state government into spending more and more money on projects that are not needed and cannot be justified," Roberts said. "Too, I believe that the Texas legislature can — and

should — bring about a solution in the oil industry that each year sees other states taking a larger slice of oil markets once held by Texas."

"There are many issues facing the people of the South Plains and residents of Texas in general — and a strong voice representing the people—rather than the small cliques in big cities—is a vital necessity if this area is to

hold its own in Austin.

"My past and my future are tied to West Texas and its people" Roberts said. "And I shall give my

very best to see that this district continues to have an honest, fair, and strong voice in the legislative halls at Austin."

Winners Are Announced In 4-H Club Bake Show Held Here On Saturday

Three girls were awarded plaques here Saturday for rating the highest number of points in their divisions in the Lynn County 4-H Club Bake Show held in the Lyntegar building.

Miss Jean Ann Littlepage, daughter of Mr. and Mrs. Cleve Littlepage of Tahoka, was the high point entrant in the senior division with 299 points out of a possible 300. Miss Lexi Adams scored 282 points to win high point honors in the junior division. She is the daughter of Mr. and Mrs. Lester Adams of Tahoka. Top in the elementary division was Miss Betty Shaw of Wilson, daughter of Mr. and Mrs. Charles Shaw, Jr. with 275 points.

All girls scoring 250 points or more were given a five pound bag of flour by W. T. Kidwell, Ribbons were awarded by the Lynn County Home Demonstration Council.

However, all girls did not enter the three baking events available in their divisions, but were allowed to enter any one of them. Places were given them according to the total number of points from the one to three baked foods entered in the show.

Judges were Mrs. Leta Smith, home demonstration agent from

Garza county and Miss Elinor Harvey from Gaines county.

Winners in the order of their places follow:

Six Girls Talk On Homemaking

Six Tahoka high school girls working toward their State Degrees in Homemaking under Mrs. Madeline Hegi presented the program at Tahoka Rotary Club last Thursday noon.

The six girls are Carol Jean Allen, Vesta Dudgeon, Donna Copelein, Darlene Tekell, Jan Brown, and Rose Scott.

They told of the widespread objectives of the homemaking program, requirements for degrees in the FHA work, and other phases of preparing for life to come.

The girls pointed out that Homemaking is actually a study of home making, and not just learning to cook and sew.

Some of the objectives are development of personality, personal adjustment, preparation for marriage, child care and development, aid to the sick, first aide, budgeting, consumer buying, nutrition, food preservation, grooming and modeling, colors and styles, moral and spiritual values, a career in the homemaking field, and scores of related subjects.

Mrs. Hegi, who introduced the girls, said she now has 70 girls in the local Homemaking department and that they make up one of the best group of girls she has ever had.

The program was arranged by H. W. Carter.

New Textbooks Selected Here

Members of the local textbook committee have completed reviews of new textbooks offered for State adoption and have recommended their selections for local distribution in September, 1962.

The following titles were selected from a State-approved multiple-choice list for use in the Tahoka School District:

Geography, Grades 4, 5, and 6, "Living in the Old World," "Our Big World," and "The American Continents"; Vocal Music, Grades 7 and 8, "Music in Our Life," and "Music in Our Times"; American History, Grade 8, "This is America's Story"; American Dictionaries, Grades 4-7, Thorndike's "Beginning Dictionary" and "Junior Dictionary" and Webster's "New School Dictionary"; High School Science, "Science for the Space Age"; High School American History, Bragdon's "History of a Free People"; High School World History, Rogers' "Story of Nations."

Supt. Otis Spears said members of the Tahoka textbook committee are Mrs. Tom Gill, fourth grade; Gerald Adler, fifth grade; Mrs. Jessie Clinton, sixth grade; J. D. Atwell, American History; Jerry Brown, World History; Miss Kathleen LaMar, music; Principals J. B. Howell, Jake Jacobs, and Clifton Gardner; and Supt. Spears.

Fall-Out Shelter Booklets Available

A booklet of plans for government recommended fall-out shelters is now available in Tahoka for anyone desiring a copy.

The booklet contains eight plans in detail along with a list of materials needed for each type, as approved by the Department of Defense, Office of Civil Defense.

Copies of the booklet are available at the office of County Judge W. M. Mathis and also at the office of The Lynn County News.

Help keep Tahoka clean.

O'Donnell Tops In Lamesa Show

O'Donnell youths took many top honors home from the Dawson County Fat Stock Show last weekend.

Lyndol Askew showed the Grand Champion steer, Reserve Champion steer, the champion Angus and the champion Hereford.

Reserve champion Angus was shown by Larry Emerson.

In the lamb division, Gary Beach exhibited two reserve champions, and Bobby Caswell exhibited the third.

The reserve Champion barrow was a Hampshire exhibited by Johnny Anderson. The pen of three grand champion Hampshires, was shown by Lynn Pearce and the pen of three reserve champion, Chester Whites, Lyndol Askew.

Ronnie Wood earned champion honors in the Duroc division,

Johnny Anderson in the Hampshire, and Douglas Myers in the Spotted Poland China.

Reserve champions in their divisions were Eddie Moore, Berkshire; Joe Ella Askew, Chester White and Duroc.

Jack Reed Will Move To Lubbock

Jack Reed, who has been in Washington, D. C., for several years, is returning to Texas, and has accepted a position in Lubbock. Currently he is staying here in Tahoka with his mother, Mrs. Lillie Patterson.

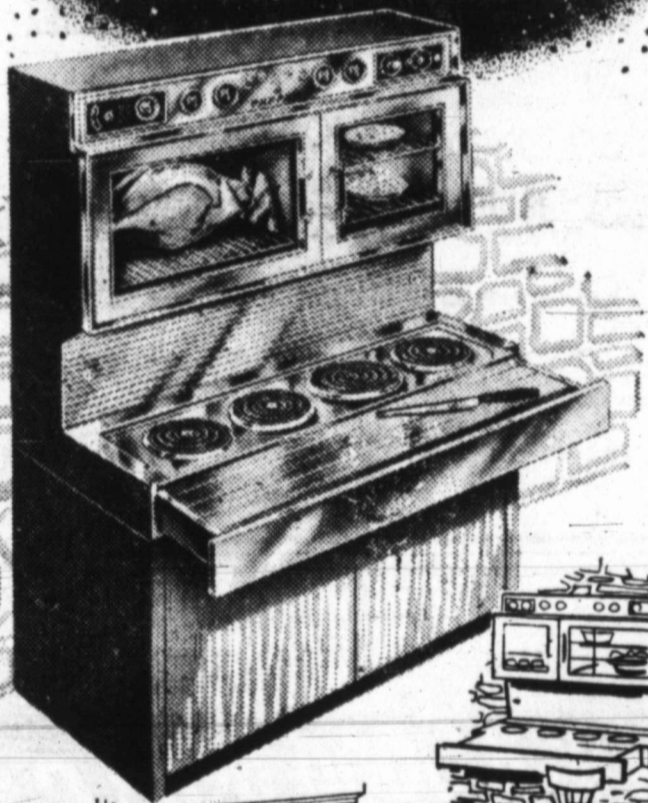

Jack's wife and two sons will come down soon, and they expect to make their home in Lubbock.

Printer's Ink-lings . . .

By F. P. H.

The easiest way to make a mountain out of a molehill is to add a little dirt.—Parsons (Kansas) Sun.

For the past few months there has been all too much talk, some of it irresponsible, about local school problems—most of which should be minor problems, but some of which people attempt to fan into major problems.

We're wondering if a lot of us don't sometimes lose sight of the major objective of our school system—that of educating 1,000 children, our children. Usually, a school administrator and fifty teachers, operating under a school board of seven men, is not going to get

too far out of line when the overall picture is considered.

Ill-advised loose talk on the streets helps our school system not one whit. Too much such talk can tear up a school system, and 1,000 children have to suffer. The town and community has to suffer. It's happened before and it can happen again. We know from experience that anyone with a complaint can consult with the administrators. Then, if he does not get satisfaction, he can go before the school board or its individual members. The school board now, and will be next year and the next, is made up of a pretty solid group of citizens who have the welfare of the schools at heart. School board meetings are open to the public. Instead of spreading idle talk, why not take your problems to a meeting of the board? The board only requests that you contact the secretary in advance.

We've printed this statement before, but it's worth thinking about every week: Nikita Krushchev stated three months before he made his visit to the U. S. at the invitation of President Eisenhower: "We cannot expect the Americans to jump from Capitalism to Communism, but we can assist their elected leaders in giving Americans small doses of Socialism, until they suddenly awake to find they have Communism."

We hear a lot in the newspapers, over TV and radio, and from government officials about "big business." Clayton Rand, the columnist, says this is a false impression, "that the nation's 4,000,000 small business concerns together do 95 percent of all the business transacted in the U. S. A. Little business men with their independent stores, factories and enterprises of one kind and another, struggling by the hardest, provide the livelihood for one out of every three

employed persons in America. In the aggregate, these independent shop-keepers and traders are the economic backbone of the body politic. This army of entrepreneurs, the preserve the American free enterprise system against many odds, are the last hope for our survival. . . . If big government, big labor and big business ever crush the bold spirits of these little men, the days of the republic will be definitely numbered."

Writing of the Tech-SMU game in Fort Worth, a Star-Telegram reporter, telling of the excitement among the crowd, said: "Once a matronly lady who probably complains to her husband that she hadn't the agility to carry out the garbage leapt over the rail from the stands and charged close to protest a call made by an official."

In a talk made at Lubbock Chamber of Commerce last week by Dr. Kenneth McFarland, one of the outstanding educators of the nation, the speaker maintained that frustration is one of the over-riding characteristics of Americans today. "Instead of wringing our hands, we need to clinch our fists. America needs to apologize to no one. It's time we started selling America to Americans instead of giving it away to others."

Just as we hate to see our home football team losing when we know our team is the best, McFarland went on, so do Americans hate to see the U. S. continually losing ground in the cold war with Russia. He called for a firm stand on foreign policy, instead of weakness, appeasement and negotiation. "You can't negotiate with the Communists," he declared.

Dr. McFarland, at Lubbock, told about the Texan who was talking with two friends in a hotel lobby. "The Johnson grass and Baptists are taking over this country." Said he, "I think I'll move to Minnesota where only three percent of the people are Baptist." The second man declared, "Why don't you move to Arizona; only two percent of the people there are Baptists." And the third, evidently a Baptist, remarked, "Why don't you go to hell . . . there ain't no Baptists there."

You will know your son has become a man when he walks around a puddle instead of through it.—Santa Fe Magazine.

Out west in the early days many cattle rustlers died of throat trouble as a result of five feet of rope thrown over a limb or coming in contact with one to two inches of hot lead.—Moody Courier.

Thanks to Martin and Melvin Wuensche for going to a little extra trouble to make us feel like this column is appreciated by at least some of our readers. These "boys" are two of our county's best farmers.

Mrs. J. K. (Lucille) Looker of Ingram, writes that she enjoys reading the weekly news of people she knows, and adds the following:

"Recently in your Printer's Ink-ings, you mentioned the need for a recreation club for people who are reaching the Golden Age. Personally, I think that is a wonderful idea. Our experience here in the Hill Country, where so many elderly retired people live, has proven how much happier people are if they have some entertaining event

to look forward to. In fact, when my mother, Mrs. R. B. McCord, visits us we look forward to lots of canasta games, and can get a group of six to twelve ladies together for a game with a 30 minute notice."

When the terrible sandstorm was raging last week end, Mrs. Jerry Cain, a newcomer to West Texas from down state, remarked, "I'd like to see some chiggers and mosquitoes."

Ed Hamilton picked up the following somewhere, written by Abraham Lincoln, entitled "Ten Things You Cannot Do"—

1. You cannot bring about prosperity by discouraging thrift.
2. You cannot strengthen the weak by weakening the strong.
3. You cannot help strong men by tearing down big men.
4. You cannot help the wage earner by pulling down the wage payer.
5. You cannot further the brotherhood of man by encouraging class hatred.
6. You cannot help the poor by destroying the rich.
7. You cannot establish sound security on borrowed money.
8. You cannot keep out of trouble by spending more than you earn.
9. You cannot build character and courage by taking away man's initiative and independence.
10. You cannot help men permanently by doing for them what they could and should do for themselves.

It takes a lot of UNITY to make a community!

Mr. and Mrs. Carl W. McClintock of Fort Worth, were here Friday visiting relatives and old friends while enroute to Morton to visit their son, Derwood McClintock and family. Derwood's wife was to have undergone major surgery Monday of this week.

FISHING PARTY BRINGS HOME THE EVIDENCE

A party of seven fishermen returned last week with 200 pounds of channel catfish and black bass they caught at Sugar Lake, down in Old Mexico.

In the party were J. G. (Ted) Rogers and son, Finis, and Virgil Adams, all of O'Donnell; Jack Rogers of New Home; and J. R. Rogers, Leon Rogers and Kenneth Ussery, all of Venus, over in East Texas.

"I've washed and dried this dress at least 25 times in my electric clothes washer and dryer — the white background is still white and the color portions have not faded," says Mrs. Bill Smith of Guymon, Oklahoma.

Mrs. Bill Smith is well pleased with her electric washer and clothes dryer. She says, "I save on the children's clothes because it's so easy to wash and dry that I need fewer clothes for them to grow out of. I just won't buy anything for them that cannot be washed and dried."

Deesé, 5; Kelly, 4; Todd, 1½; and Paul, 7, enjoy television on stools especially for them. All of the children's clothes sparkle even though they've been washed and dried many, many times in Mrs. Smith's electric clothes washer and dryer.

Tahoka Rainbow Assembly No. 234

Thanks Its Friends

Jan Brown
Worthy Advisor

Who Are Helping Send The Rainbow Girls to the Grand Assembly in Austin Next

June 11, 1962

Bonnie Hale
Worthy Associate

Tahoka Rainbow Assembly No. 234 was organized in 1953, at which time it had to have 25 members in order to obtain its Charter. Deanie Edwards was the first Worthy Advisor and Mrs. Grace Prohl the Mother Advisor. Since that time the Assembly has continued to grow and as of this date it has approximately 70 members in good standing on the roll.

This Assembly is sponsored by the OES and Masons of Tahoka, and we are very grateful to them for all of their support.

Each year on the Sunday nearest April 6th (Founder's Day) the girls attend church in a group

in observance of that day, this being one of their must requirements. July 8 (Founder's birthday) is observed by some special event.

This organization is governed by the Supreme Assembly and Grand Assembly. The girls are taught to live a life of active service, and they respond to all calls.

The meetings are held on the first and third Mondays of each month, and all Masons and Eastern Stars are invited to attend and see the fine work that this group of girls is doing.
