US 87 Freeway North Is Now Complete Except For Topping

The second phase of the US 87 four-lane freeway through Lynn county has been completed, except for the application of a triple asphalt topping which will be applied immediately by another contractor. Total cost of the 13.8-mile sector will run slightly over \$616,000, highway officials inform The News.

E. E. Hood & Son of San Antonio have completed their contract for building structures, grading, base and temporary surfacing at a cost of \$450,000.

Pioneer Pavers, Inc., of Lubbock has a \$166,000 contract for applying the triple asphalt surfacing and sealed shoulders. Fifty working days are allotted for completion of the job, which is expected to start in a few days.

While the topping is being applied, one side of the road will have to be closed at a time while work proceeds, according to J. W. Stephens, engineer with the Texas Highway Department. Travelers are cautioned to observe warning signs on the route and be patient for just a few more weeks.

Only remaining sector to be rebuilt is the four-plus mile sector through Tahoka from a point two miles north of town to the John Slover corner two miles south, the end of the paving from the Dawson county line at O'Donnell almost to Tahoka.

Negotiations are now in progress for right-of-way along Doak Street, a block east of the court house square, and settlement has already been made on at least one piece of property. Texas and the Federal government have something over \$600,000 appropriated for this section, which will include an underpass under US 380 in Tahoka.

Right-of-way outside the city limits will be borne 50-50 by the State and County. Inside the city limits, the State will furnish 50 percent of the right-of-way funds, the county 25 percent, and the City of Tahoka 25 percent. Tahoka voted \$50,000 in bonds several years ago for its part of the project.

Plans have been changed since originally drawn to where they are much more acceptable to local people, which includes the underpass instead of an overpass and also entries and exits from the major highway on South Third and North Third, as well as at the south and north city limits.

Five Men Given Probated Terms

Five pleas of guilty were entered in District Court Thursday of last week before Judge Truett Smith.

Three Big Spring youths charged with burglary of L. D. Jackson Drive-In at O'Donnell recently were assessed probated three-year sentences each, provided they make restitution for loss to the store owner. They are Jessie Lee Williamson, 19, Loyd Thomas McGary, 18, and Marshall Leon White, 18.

A three-year probated sentence, provided he make restitution, was assessed Roger Wayne Munn in a theft case.

Charged with failure to support his children, Tanisado Acosto was assessed a three-year probated sentence, provided he send support money for the children to the District Clerk weekly.

District Attorney George Hanes of Lamesa and County Attorney Harold Green represented the state in the cases.

PLAN COX DINNER

Jack Cox of Breckenridge, Republican candidate for governor will be honored at a dinner in Tahoka some time late in July, The News is informed. Further details will be available later.

Mexican Loses Home In Storm

Lupe Recendez, wife and eight children, lost all their belongings when their house burned about 5:30 Wednesday morning. The wife and children were away at the time, visiting in San Antonio. Lupe, the husband, was sleeping in a cellar and did not detect the fire until it had destroyed everything.

Lupe farms for Olen Renfro and the house was on the farm of Dr. K. R. Durham, ten miles west and two miles north of Tahoka.

Anyone wishing to help this unfortunate family contact Olen Renfro. The children range in age from eight months to 16 years old. There are two little girls in the family, three and six years old.

County Pioneer Dies Saturday

Hugh Gray, about 66, a pioneer citizen of Lynn county, died Saturday afternoon at Truth or Consequences, N. M., where he had gone from his home near Belen for rest. He had been ill for some time with a heart ailment.

Funeral services were held Wednesday at 2:00 p. m. in Albuquerque.

Mr. Gray came to Lynn county with his late parents in 1907, lived on the place where his nephew, Sheriff Norvell Redwine, and wife now live just east of town. He served in World War I, following which he was married to Miss Etta Ketner, daughter of the late Mr. and Mrs. J. E. Ketner.

He left here in 1927, accompanied by Myrl Redwine, then a youth, in a covered wagon and a team of bronc horses for Trecha do, N. M., where he homesteaded and his family later joined him. He moved to Belen in the 1940's, and had lived there most of the time since.

He is survived by his wife, five daughters, one son; three sisters, Mrs. F. E. Redwine Sr. of Tahoka, Mrs. Foster Black of San Antonio, and Mrs. Dixie Chapman of Isleta, N. M.; and one brother, Charley of Belen.

Mrs. Redwine, his sister, was visiting in California at the time of his death and flew in to Albuquerque Sunday for the funeral. He was a brother-in-law of Mrs. Happy Smith, and an uncle of Sheriff Redwine, F. E. Redwine Jr., and Mrs. Rush Dudgeon, all of Tahoka. Mr. and Mrs. Norvell Redwine and Mrs. Dudgeon attended the services. Ross Ketner of San Antonio was also present.

Nazarene Building Is Being Moved

Tahoka Nazarene Church building on North First and Ave. M has been sold to E. D. Roberts of Slaton, and the structure is being torn down this week.

Mrs. Leighton Knox says the local church has been inactive for some time, and Rev. Hurn, the district superintendent, recently authorized disposal of the property. The lots will be offered for sale. If the church rebuilds some time in the future, a new site will be selected, Mrs. Knox says.

HANES FATHER DIES

R. O. Hanes, 92, father of Supt. W. T. Hanes of Irving, former Tahoka school superintendent, died Sunday at his home in Commerce. Funeral services were held in that city Tuesday morning.

Mrs. John Bueermann and children from Denver, Colo., are here this week visiting her parents, Mr. and Mrs. Carl Williams, and other relatives.

New Building At Central Church

Construction of the new Central Baptist Church, except for minor details, is just about complete, announces the retiring pastor, Rev. Kenneth Leach.

Rev. Leach, wife, and two children left Tuesday for Union, Miss., where they will remain until he enters New Orleans Theological Seminary in a few weeks.

He has been pastor of the church for six and a half years, four of these years while he was attending Texas Wesleyan College and Southwestern Baptist Seminary in Fort Worth. Members say he has done a good job at Central.

Last March, the church started dismantling the old building erected in 1923 when Grassland and Magnolia churches combined, and material has been used in the erection of the new building.

Central's new church is a "do-it-yourself" product, with members doing practically all the work, and as a result the congregation has a building valued at about \$12,000 at a cost of only about \$5,500. Furthermore, a debt of only about \$1,200 remains on the building, and a gift of \$500 of this amount is expected from Southern Baptist Convention.

The modern frame and stucco building is 33 by 74 feet in size. The auditorium will seat about 150 people. There are also seven classrooms, rest rooms, and a fellowship hall with kitchenette.

Members of the Church Council are: H. R. Fitts, Ruel Smith, S. A. Bengel, J. E. Thomas, and Mrs. Alton Greer.

Seniors' Records Moved To Lubbock

Test records of Lynn county high school graduates for the years 1961 and 1962 have been transferred to the Lubbock office of the Texas Employment Commission, according to John U. Nelson, county supervisor of guidance.

This has been done for convenience of these Seniors wanting work, and will save them and the State both time and expense, Mr. Nelson states, in referring them for jobs in Lubbock. The test records are also available in the Lamesa office of the Texas Employment Commission.

MAYOR BREAKS ARM

Mayor Meldon Leslie was thrown from a horse Saturday and his right wrist broken.

Mrs. Ed Hamilton and Mrs. C. B. Evans accompanied Vicky Hamilton to Boulder, Colorado, Tuesday and the latter will attend University of Colorado there this summer.

Robnett Expands Chicken Farm

Robnett Egg Farms, with headquarters in Lubbock, has begun a major enlargement program at its baby chick and pullet plant just east of the railroad at the southeast Tahoka City limits.

Construction is underway on a 40 by 300 foot building to house at least 25,000 or 30,000 pullets, two more this large or larger are planned for immediate construction, and present chicken houses, will probably be enlarged, The News has learned.

Expansion of the Tahoka plant is being brought about by Robnett's expanding business and also because of transfer of a major portion of the pullet production from Lubbock to Tahoka. Robnett has had the former McIlhenny dairy plant leased the past few years, but does not expect to renew this lease, The News is informed.

New facilities will permit Robnett to keep 200,000 or more growing pullets in the Tahoka chicken farm, whereas 25,000 to 30,000 pullets are being raised here now.

Marvin Munn is in charge of construction of the new building, which are built of steel frames, covered with plywood and sheet-iron.

N. J. Robnett, the owner, was formerly vocational agriculture teacher at Wilson.

Mrs. Singleton Rites Saturday

Mrs. J. R. (Mag) Singleton, 90, widow of an early day Tahoka dentist and mayor, died at 10:00 p. m. Thursday of last week in West Plains Hospital at Muleshoe, where she had been a patient for three months. Mrs. Singleton had had a heart ailment for several years.

Funeral services were held at 11:00 a. m. Saturday in the First Methodist Church of Muleshoe with the pastor, Rev. Frank Perry, officiating, and graveside services followed at Tahoka Cemetery at 3:30 p. m. the same day.

Born July 8, 1881, in Cass county, she was married to Dr. Singleton on January 23, 1905, in Jefferson. The Doctor came out to Tahoka in December, 1914, to begin practice here, and his family arrived the following March. Dr. Singleton, who served as Mayor of Tahoka from 1916 to 1928, passed away in 1945.

In ill health, Mrs. Singleton moved to Muleshoe in 1955 to live with her daughter, Mrs. Gilbert (Ola Belle) Lamb, whose husband operates Radio Station KMUL in that city. She was a member of the Methodist Church and the Half Century Club in Muleshoe and was a former member of the Methodist Church here.

Survivors include a son, Dan, of Lamesa; a daughter, Mrs. Lamb; one granddaughter, Mag Ann Lamb of Muleshoe; and a sister, Dr. Jewel Wurtsbaugh of Norman, Oklahoma.

Mrs. Dub Fulford was released from the Tahoka Hospital Wednesday.

Help keep Tahoka clean.

Two New Men At SCS Office

One is retiring and two new men have joined the staff of Lynn County Soil Conservation District, according to "Mack" Mauldin.

A. E. (Pete) Ware expects to retire on July 6 after having served with the government 30 years, 20 of them in Tahoka. Pete spent two years and four months in service during World War I, attended Oklahoma A&M, worked as a mortician several years, and joined the Soil Conservation Service on April 14, 1934. After working in Oklahoma, Nebraska and Kansas for eight years, he came to the local SCS district on October 1, 1942.

Pete's wife died several years ago, and on last April 15, he was married to Mrs. Ethel Tate of Slaton, and the couple now reside there. He says he expects to do a lot of fishing after his retirement.

George Chandler, reared at Balmorea and more recently of Midland, is succeeding Mr. Ware as conservation aide here, and is already on the job getting acquainted with the work. He will move his wife and three children here as soon as he finds living quarters.

Another new man at the SCS office is Randy Moore from Dallas, a senior this next year in Texas Tech, who is a student trainer working in the local district this summer.

Walter Bertsch and Tom Owens are the other two members of the SCS staff. Owens is currently on a two weeks Army Reserve training assignment at Fort Polk, La.

Jaycees Complete Marking Of Streets

Tahoka Jaycees on Tuesday night of this week just about finished up their project of painting parking and no-parking areas on the pavement and curbs in downtown Tahoka.

Citizens are requested to observe the lines, park at the proper angles, and as a result everyone will have more parking room and at the same time protection from getting fenders and doors scratched by parking too close to other cars.

Jesse Dorman is the president of the Jaycees. Their project was carried out without cost to the City.

WILL BUILD HOMES

West Texas Builders expect to start three new brick veneer homes soon on North 8th street in the Lockwood addition.

Mrs. Pauline Walters was admitted to the Tahoka Hospital Tuesday as a medical patient.

Mrs. Dub Fulford was released from the Tahoka Hospital Wednesday.

Pioneers Meet Here June 23

Many out-of-county former citizens are expected for the annual Lynn County Pioneer Reunion here all day Saturday, June 23, in the new county livestock exhibition building in south Tahoka, just east from the southeast corner of the city park.

Plans have been completed for the big event, according to Mrs. Harley Henderson, secretary, and the building would prove to be a fine place for the meeting. There is plenty of room for the people to meet, visit, partake of the noon meal, and rest, all in the shade. Air coolers will be used to keep the building comfortable. Plenty of seats will also be available.

Tom Hale Jr. is president of the organization this year.

O'Donnell Rodeo Is Rained Out

O'Donnell had hard luck on its rodeo last week end, but no one was sad because the rain more than offset the disappointment in the show.

Cool weather and blowing dust marred the opening night performance, and the Friday night show was run off on schedule. Rain caused postponement of the Saturday night performance until Monday, rain again interfered, and the final performance was called off. C. R. Burlison announced prize money would be split up among contestants.

Miss Jan Hardberger was crowned Rodeo Queen Friday night by Miss Daphne Hogg, the 1961 queen.

John Ellis is president of the O'Donnell Rodeo Association.

Swimming Course Will Open Monday

Swimming lessons for beginners will start Monday, June 18, at 10:00 a. m. at the Municipal Swimming Pool. Instructors will be Milt Fitts and Jay Gurley.

There will be two classes each day, one at 10:00 a. m. and the other at 11:00 a. m. and the classes are limited to children from the age of six and up (15 per class). The lessons will be held during weekdays only.

Minimum cost for qualified instruction is \$10.00 for ten lessons. Registration may begin immediately and only the first 30 students will be accepted. Fees are payable on first day of instruction at 9:30 a. m.

Run-away Youths Caught At Wilson

Two run-away Plainview juveniles in a stolen car were picked up by Deputy Sheriff Alton Hobbs in Wilson Monday night.

Sheriff Norvell Redwine said the boys were 14 and 15 years of age. The local sheriff's office had received a pick-up order on the boys, Mr. Hobbs was notified, and he soon had the boys in custody.

CLASS TEACHERS

While the teacher, P. G. Vander-Linder, is on vacation, the Berean Class will have the following guest speakers: John Hegi, June 17; Mitchell Williams, June 24; and David Bray, July 1.

Mr. and Mrs. Leon Davis of Temple were here from Friday through Tuesday visiting home folks. Leon is now stationed at Fort Hood, while his wife, the former Miss Carolyn Duckett, is a nurse in the Veterans Hospital in Temple.

Every day is safety day.

The rains came—at least sufficient for Lynn county farmers to belatedly plant their crops. Although not enough in some areas, particularly in the northeast quarter of the county, up to four or five inches of rain fell in the south and southwest.

Even in the drier areas, most farmers have already, are now, or will be able to plant in the water furrows.

Total rainfall in Tahoka since Tuesday of last week has totaled 1.78 inches, bringing the total for the year to 3.54 inches. Of this amount, .30 fell on Tuesday night, .29 Thursday night, another .21 Friday, .46 Saturday, .10 Tuesday, and .42 inch in the early hours of Wednesday. More showers are predicted by the Weather Bureau.

The showers have been accompanied by cool weather, ranging from a high of 73 degrees to a high of 87 on Wednesday.

A few dry spots remain, including parts of the New Lynn, Gordon, Morgan, Wilson, Wayside, Joe Stokes, and New Home communities. But, The News is informed, most farmers in these areas are planting in the water furrows with varying degrees of success.

Soil had become so dry and powdery on most dryland farms that up to two or three inches of rain failed to wet the seed beds. As one farmer expressed it, the rain had about the same effect on dry beds as pouring water in a big pan of flour.

Although time is getting late, there is still ample time with favorable weather to make a crop. There was already some acreage of dryland cotton, but it had been buffeted around and burned considerably by the winds, and even a lot of irrigated cotton had been lost.

Some farms are so wet in the south half of the county that planting will not be possible for two or three days even if no more rain falls.

Rains have been especially heavy in the Newmore, Wells, Three Lakes and T-Bar communities. Sufficient rain fell at Grassland, Draw, O'Donnell and up to Tahoka. Petty also received heavy rains, and the strip hailed out from West Point northeast to Dixie and northwest of Wilson had sufficient moisture on which to plant.

R. E. Willingham Died On May 27

R. E. (Zeak) Willingham, 81, former long-time resident of Lynn county, died after a long illness on May 27 in a Sacramento, Calif., hospital following a long illness. Funeral services were in Sacramento and burial in Oroville, Calif.

He had entered the hospital in November, 1960.

Mr. Willingham was born in Alabama in 1880, and was married to Beulah Thompson in Hubbard City on August 5, 1900. He had lived in Oklahoma, Texas, and California, and lived at New Lynn, Tahoka and Redwine communities in Lynn county for many years. Mrs. Willingham passed away in February, 1957.

Survivors include nine sons, Richard D. of Sacramento, Paul J. of Modesto, Calif., Dan G. of Denver, Colo., Ralph of Oroville, Calif., Jess R. of Oroville, Calif., Myral of Susanville, Calif., Mart W. of Manitou Springs, Colo., Ted of Denver, and Neal B. of Stockton, Calif.; three daughters, Mrs. Edith Bartland of Oroville, Calif., Mrs. Zelanda Lindley of Jonesville, Calif., and Mrs. Zelma Van Kirk of Sacramento; 41 grandchildren, two sisters and one brother.

Of 85 people in the immediate family, Mr. Willingham's is the third death the other two being Mrs. Willingham and one infant grandchild who died in 1906.

Citizens' Cooperation Asked In City Sanitation Program

Letters went out this week to all city residents from the City of Tahoka asking cooperation in the new sanitation program being set up here in compliance with State Department of Public Health recommendations.

Citizens are being asked to join in on the program on a voluntary basis to save tax money and also as a saving to individual citizens.

The City asks that all open barrels of 55-gallon capacity be replaced with covered containers not to exceed 30-gallon capacity and that burning of trash within

the city limits be discontinued. Tahoka City Council expects to pass an ordinance requiring such some time in the future, but hopes citizens will join in the program voluntarily.

In order to expedite this program and to impose a minimum of burden on citizens, the City has purchased a new packer body for the sanitation truck which doubles its capacity, has inaugurated twice a week pick-up of trash instead of once a week, and pledged cooperation with citizens in helping

make this a cleaner and more pleasant place in which to live. Many have already installed the smaller trash receptacles. Some are building racks in which to put the smaller containers in order wind will not blow them away or dogs may not overturn them.

City officials say 55 gallon barrels are difficult to lift, especially when half full of ashes or grass cuttings.

David Bray, son of Mr. and Mrs. A. M. Bray, is going to Missouri this week end to attend the wedding of one of his school mates.

Every day is safety day.

Screwworm Plant Will Be Dedicated

Vice-President Lyndon B. Johnson will dedicate the 75-million-per week sterile fly plant at Mission, headquarters of the Southwest Screwworm Eradication Program, on Saturday, June 16.

Dedication ceremonies begin at 10:00 a. m. at the plant, Moore Air Force Base, 14 miles north of Mission. Also included in the day's program will be tours of the plant before production and security regulations are started the following day.

The plant, built with funds contributed by individual livestock producers and sportsmen through the Southwest Animal Health Research Foundation, is being dedicated to the improvement of the Southwest Livestock Industry.

This day will be a milestone in the history of the Southwest livestock industry. Completion of the plant is the climax of one of the most intensive voluntary efforts ever made by stockmen anywhere. Their funds built the plant and it is being dedicated to the improvement of their industry.

The plant is actually a "fly factory." It covers 75,000 square feet, will employ 500 people working in three shifts every 24 hours for seven days a week, and is designed to produce from 50 up to 75 million sterile screwworm flies each week of the year. Every operation is timed to coincide with the normal life cycle of the screwworm.

Last Wednesday Mr. and Mrs. W. G. McCleskey went to Brownfield to visit her sister, Mrs. Dubose. Another sister was also visiting a Mrs. Ruth Harris, who is a nurse in the Methodist orphanage at Waco. She came home with Mrs. McCleskey for a few days visit. She was on her vacation.

Mr. and Mrs. Albert Howard and family are moving to Post. Mr. Howard has been operating a garage in Grassland. We are sorry to lose this fine family.

Jim and Inez McGrew went down to Lake Thomas this week to do some fishing and check on their trailer house. They reported some damage to cabins there from the recent rain and hail storms.

Mrs. Morris Bingham who had surgery in a Brownfield hospital Tuesday is reported to be doing fine.

Mrs. M. L. Thomas received word Saturday of the death of her nephew, Vernon Crawford, whose home was in Fort Worth. The Crawford family lived in the Graham Chapel Community for a number of years and were frequent visitors in the Grassland Community. Vernon was also a cousin of Mrs. L. S. Turner. Marvin Crawford, Vernon's father was unable to attend the funeral services. Mr. and Mrs. M. L. Thomas and Mr. and Mrs. L. S. Turner spent the day Sunday in San Angelo with Mr. Crawford. Our heartfelt sympathy to the family and loved ones.

Mr. and Mrs. Claude Chapman and family of Plainview visited the L. B. Burks Sunday afternoon.

Mr. and Mrs. C. A. Walker visited the Doyle Terrys family in Lamesa Sunday.

Mrs. Lucy Cunningham and Mrs. Tom Murray visited the W. G. McCleskeys Wednesday. They were on their way home from sitting up with Mrs. H. A. Roberts.

Guests in the home of Mr. and Mrs. Gus Porterfield the past week were Mr. and Mrs. S. D. Pollock, Mrs. Lena Pollock, Mr. and Mrs. Gene Pollock and two children of Oklahoma City. Also visiting later in the week were Mr. and Mrs. T. A. Sherrill of Odessa. This week they have three of their grandchildren, Lesa Ann, Jim and David Porterfield of Abilene visiting them.

Miss Jewel York of Dallas is a house guest of Miss Gladys Fox and Mrs. Zuella Thomas.

Mr. and Mrs. Carlos McCleskey and children visited their grandparents, the W. G. McCleskeys.

Mr. and Mrs. Odie Cambell and daughter visited Mr. and Mrs. M. C. Ritchey Sunday afternoon.

Mr. and Mrs. Reagan Reed and family of Brownfield visited her parents, Mr. and Mrs. B. A. Norman Sunday.

Rev. Kenneth Leach, pastor of the Central Baptist Church, is leaving Grassland. He is moving to New Orleans, La. The church gave them a farewell party Monday night.

Mr. and Mrs. M. C. Ritchey's son, Elmer and his family, visited his parents last week. Glenda Ritchey went home with them. They live in California.

We are sorry to hear Mrs. D. D. Odom is not feeling so well. Mrs. Odom is Mrs. Bob Norman's and Mrs. Ruel Smith's mother. The Odom family are one of our pioneer families. They came to the Texas plains from Oklahoma and have lived in the Grassland Community about 43 years. We hope that Grandmother Odom will be feeling better real soon.

The O. H. Hoovers have returned home from a two week vacation on Stamford Lake. Didn't fish much, just loafed mostly, but we sure saw some big ones the other fellow caught. The largest weighed 55 pounds. It rained every night last week, that sure is a wet country.

Rev. and Mrs. Joseph Yates returned to Hermleigh Monday to finish moving to the parsonage.

Mr. and Mrs. C. M. Greer's daughter, Mrs. Ruby McClelland and son, Phil, spent the day with the Greers Monday.

Mr. and Mrs. C. M. Greer attended the funeral service of

BILL KLATTENHOFF CALLS NEWS HAND ON AN ERROR

Bill Klattenhoff of Slaton, here Tuesday looking after his farming interests, declared much of the northeast part of Lynn county still did not have enough moisture for dryland planting.

Bill, who 19th District Republican chairman, said he had a "crow o pick" with The News because of the statement that John Connally had been "elected" as governor. Bill is right, Connally was nominated by the Democratic party. He says Jack Cox is going to give Connally plenty of trouble in the November general election.

Mrs. A. L. Swafford and Cindy Gober, both of Amarillo, were here last week visiting the former's niece, Mrs. Dale Thuren, and family.

Gene Dean of Lamesa, Republican candidate for State Representative, was a visitor in Tahoka Friday.

Mrs. Lillian McGenley in Slaton Tuesday afternoon. Mrs. McGenley was Lillian Ritchey and lived in this community at one time.

MOMENTS WITH GOD

"DOING TIME"
"There is none righteous, no, not one." Romans 3:10.

"Guilty as sin!"
This is a verdict which applies without exception to all of us.

The trouble is that our human nature lets us do everything about our guilt but admit it.
We find excuses easily. "I couldn't help it."
We are adept at putting the blame on someone else. "Passing the buck," we call it.

This has been going on ever since Adam and Eve began "doing time" for their original disobedience. Adam blamed his wife and she blamed the serpent. And so we still try to blame others for our sin.

But no human being has ever been able to open the prison into which he has locked himself for a life-long sentence by the sins of his life.

Nevertheless, there is no need for anyone's "doing time," plagued by unresolved guilt, torn by inner conflict, restless in mind and spirit.

For God not only judges righteously but pardons mercifully. Yea, the Bible says, "God caused Christ, who knew no sin, to be sin for us." And so God's Son bore our sins—in His own body to the cursed tree. He took the punishment for us.

"Look to the Cross!" is the message of the Gospel. "Repent! Believe!" is its invitation.

Instead of wasting my life "doing time" let me pray:
"For Thy name's sake, O Lord, pardon my iniquity" (Psalm 25:11), and by faith let me see that Thy love is greater than my guilt. Amen.

If you, fellow-sinner, have not yet found God's pardon and peace, then we invite you to join us in our Bible Study this Sunday at 7:30 here in Tahoka at the W.O.W. Hall and we will bring you His peace.

Former Wilsonite Married Saturday

By Margret Bartley
Miss Delores Kay Davis, daughter of Mr. and Mrs. R. C. Davis of Muleshoe, and formerly of Wilson, and Jackie Redwine of Progress, were united in marriage Saturday night, June 9, at 7:30 in the First Baptist Church of Progress.

The bride wore a full length gown of white silk organza and finger-tip veil of imported lace with seed pearl crown. She carried a bouquet of white carnations, centered around an orchid atop a white Bible. Attendants were dressed in pink.

For a honeymoon trip to Ruidoso, N. M., the bride wore a beige suit with striped blouse. Accessories were orange gloves and hat, and beige shoes and bag. The couple will make their home in Progress.

Mr. and Mrs. Zollie Moore of Wilson were members of the house party.

The fast pace of modern living has much to do with the high cost

Miss O'Gene Gill And Lewis Williams Married In Midland On Saturday

Miss Betty O'Gene Gill of Midland became the bride of Lewis Lanier Williams of Dallas Saturday, June 9, at 4:00 p. m. in the North A and Tennessee Church of Christ in Midland. The Rev. Hardeman Nichols officiated the single ring vows.

Parents of the couple are Mr. and Mrs. Thomas L. Gill of Tahoka and Mr. and Mrs. J. W. Williams Jr. of Marlin.

The bride, who was given in marriage by her father, wore a gown of exquisite bridal silk organza and Chantilly lace. It was designed with a lace bodice, scalloped portrait neckline embroidered with pearls. Long lace sleeves tapered to petal points over her hands. The skirt of silk organza was enhanced with cascading lace drifting over it accented by beaded lace medallions which swept to a formal chapel train. She carried a bouquet of white stephanotis and Star of Bethlehem, clustered around a white Cattleya orchid.

Matron of honor was Mrs. Kenneth Ramage, Spade, sister of the bride. Other attendants were Mrs. Seth Cowan of Garland; Mrs. John Huckabay of Midland; and Miss Marian Cantrell of Fort Worth. They wore street-length dresses of Nile green silk organza over tafeta. Bodices had scoop necklines dipping to low Vs in back and elbow-length sleeves and bell-shaped skirts accented with self fabric bows at the front waistline. The skirts were draped with soft folds. They wore matching hats of silk organza with short circular veils. The matron of honor's dress was yellow. Each carried crescent-shape bouquets of Golden Rapture roses.

Dr. Seth Cowan of Garland served as best man. Groomsmen were J. W. Williams, III, brother

of the groom; E. C. Jahn of Dallas; and Austin McCloud of Colorado City. Also assisting with ushering duties was Kenneth Ramage, Spade, brother-in-law of the bride.

Flower girls were Becky Jones of Odessa and Carol Watlington of Midland. The bride's nephew, Kenny Ramage, was the ring bearer.

Music was provided by the Wedding Chorus with Tom Salmons and Mrs. Jean Akins as soloists.

The educational building of the church was the scene of the reception which was held immediately following the ceremony. The bride's table was centered with an arrangement of White Stock, Majestic Daisies and yellow roses. The house party included Mrs. Lorene Edwards of Midland and Miss Nelda Cook of Fort Worth.

For a short trip to South Texas, Mrs. Williams chose a cap sleeved sheath in sea foam green Italian silk designed by Wayne Fuller, accenting it with chalk white jewelry and a soft white organza petal hat. The couple will be at home at 6462 Lontos, Dallas.

The bride is a graduate of Tahoka High School and North Texas State University and did graduate work at Texas Tech. She has been a teacher in the Midland Public School System.

The bridegroom is a graduate of Rice University and Baylor Law School. He is an attorney for Hunt Oil Company in Dallas.

Pythian Sisters Report On Meeting

We all like to crow at times, however, our hearts were overjoyed with the help of the town when we sponsored Mr. and Mrs. Lewis Bonham's show and coffee at the WOW Hall Friday morning, June 8. Again, we say thanks for living in our town, Tahoka.

THE LOVE OF FRIENDS
By: Virian Laramore
Give me the love of friends, and I shall not complain of cloudy sky's or little dreams that fade and die.

Give me a clasp of one firm hand and lips that say "I understand," and I shall walk on holy land—for fame and fortune burdens bring, and winter takes the rose of spring, But Friendship is a God-like thing. Our following meeting will be June 19. Hostesses will be Mrs. Emma Halamecek, Mrs. Eulalia Richardson, and Dorothy Kidwell.

For all of you who were not at our last meeting, we have the material to start quilting for Boys Ranch. The date and place will be announced at our following meeting.—Lucy Brice.

SUMMER HOMEMAKING STARTED AT WILSON

Wilson Organizes Women's H. D. Club

By Margret Bartley

A Wilson Home Demonstration Club has recently been organized with eight members. Mrs. Connie Anderson is the home demonstration agent. Officers were elected at the organizational meeting, June first in the home of Mrs. J. H. Lambright. They are as follows: president, Mrs. J. H. Lambright; vice president, Mrs. J. W. Lambright; secretary-treasurer, Mrs. Floyd Wilson; Counsel delegate, Mrs. C. C. Swope; alternate delegate, Mrs. B. O. Wilke; Education and expansion chairman, Mrs. Curtis Wilke. Other members are Mrs. Gilbert Steinhauer and Mrs. Ruben Sander.

The group meets on the first Friday of each month. The July meeting is scheduled for the home of Mrs. J. W. Lambright. At the meeting this month, Mrs. Anderson gave literature and a demonstration on "Freezer Ideas and Frozen Foods." A useful and informative subject will be discussed at each meeting, and should be of help to any farm or housewife.

New members are invited, and anyone interested in joining should contact Mrs. J. H. Lambright or Mrs. Curtis Wilke, or attend the next meeting.

KIOWA
New Medium-Early Sorghum Hybrid

Kiowa is Paymaster Seed Farms' new medium-early maturing grain-type sorghum hybrid. It is widely adapted, producing grain of high test weight and good protein content.

Kiowa has excellent standability with long sturdy stalks; heads dry well to permit ease in harvesting. Further, Kiowa has demonstrated unusually high resistance to head smut and charcoal rot in all tests throughout the Sorghum Belt.

Come in and let us show you how you'll profit when you plant Kiowa, one of Paymaster's new Indians. See us today.

QUESTIONS, PLEASE

QUESTION: WHAT ARE IDLE WORDS?

ANSWER: Matt. 12:36: "Every idle word that men shall speak, they shall give account thereof in the day of judgment." Our question is concerned with the meaning of the word "idle" in this passage.

The next verse also adds: "for by thy words thou shalt be justified, and by thy words thou shalt be condemned." James calls the tongue an unruly member. It brings people into many difficulties, and needs to be continually controlled by the word of God. The word idle in this passage evidently means useless and even injurious speech, words out of harmony with the pure character of the Christian religion requires people to form. Paul says to Christians: "Let your speech be always with grace, seasoned with salt, that ye may know how to answer each one." (Col. 4:6). This is a very expressive passage, and shows how careful Christians should be as to the character of their speech, their whole conversation, and see that they say nothing to anyone out of har-

mony with the pure and acceptable will of God. Again, he says: "Let no corrupt speech proceed out of your mouth, but such as is good for edifying as the need may be, that it may give grace to them that hear." (Eph. 4:29). These passages show that all Christians should forever be on their guard as to the character of their conversation with their fellow men. Some Christians seem never to think or talk of anything that is noble or dignified. They seem to be fleshly-minded, and talk of fleshly things—things that are corrupting both to themselves and those to whom they talk. They mind only earthly things. All such conversation is corrupting, degrading, idle, useless, ruinous. Men love to talk about things they think most of and about. Hence the great importance of being spiritual-minded—think about the purity and dignity of things divine and things that will be edifying one to another. There are many who are recognized as Christians whose conversation will condemn them at the last day. Let us all, therefore, be especially guarded and careful as to our speech.

You are invited to send your questions to: Don Browning Box 812, Tahoka, Texas. You are also invited to attend the services of the Church of Christ.

Don Browning may be heard Sunday mornings at 11:00 and evenings at 7:00 on your radio dial.

Methodist Men Hear VanderLinden

"Friendship" was the subject of a talk by P. G. VanderLinden at the monthly meeting of Methodist Men Monday night, the theme of which was "the only way to have a friend is to be one yourself."

In spite of the storm, 22 men were present including the new pastor, Rev. Aubrey White, who expressed his pleasure in being sent here.

President J. O. Allen presided. Louie Weathers led the singing, and Pete Hegi introduced the speaker. A fried chicken dinner was served by "Cap" Rowe and Maurice Bray.

Harold Green and Milton Uzzle were appointed to secure the program for the next meeting and Eldon Gattis and Earl Tunnell to arrange the meal.

Young H. D. Ladies Elect Officers

The Young Homemakers Home Demonstration Club met in the home of Rhoda Bertsch June 7 at 3:00 p. m.

Majorie Dulin, recreation chairman, had an activity and flower guessing game planned and it was participated in by the members.

During the business part of the meeting, the ladies voted to have crafts for the July program. They also planned to start a club scrapbook.

Patsy Dunlap, president, presented a program on freezer ideas and handed out literature.

The hostess gift, made by Mrs. Bertsch, was refrigerated strawberry preserves, and Mrs. Donald Williams received the gift.

Next meeting will be July 5 in the home of Mrs. Joanne Hammonds, 1728 North First.

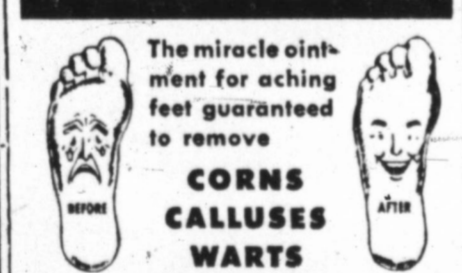

Mrs. Pat Chandler was admitted to Tahoka Hospital Tuesday as a surgical patient.

Lois Montgomery left Sunday for Denton to attend Texas Women's University for six weeks.

Housing Program Declared Success

Mr. L. J. Cappleman, State Director of Farmers Home Administration, recently stated, "The Rural Housing Loan Program was started in Texas some twelve years ago and the records show the success of the program. Up to December 31, 1961, some 2,730 loans have been made and not one penny has been lost or written off as uncollectible."

"More than \$20,440,000 has been advanced in Texas in Rural Housing Loans and the principal and interest payments made total over \$8,845,000. Over 24 percent of these loans have been paid in full. Payments of principal and interest on the 2,064 loans outstanding total over \$4,561,000, or 104 percent of the amount that has become due," Mr. Cappleman said.

"This is a remarkable tribute to the financial integrity of rural families and their ability to manage their financial affairs," the State Director said. "Loans under this program are made only to those who cannot obtain financing from conventional sources. As a result, the 2,730 Texas families who obtained these loans have had to be extra diligent in meeting their repayment obligations."

"This repayment record of rural housing loan borrowers is also a tribute to the judgement of the 654 Texas FHA Texas County Committeemen who assisted in evaluating the soundness of these loans," the State Director said.

"This program provides benefits throughout the entire rural-based small town economy and the overall economy of these counties," he added. "Contractors, small businessmen supplying contractors, and building trades workers all benefit through increased business. Their stepped-up activity in turn stimulates the entire rural economy. The approximate \$4,800,000 the Farmers Home Administration in Texas will make available this year is the equivalent of several new industries in terms of more jobs and greater purchasing power."

A survey made in an Alabama County showed that the \$281,906 loaned to 28 borrowers under the Rural Housing Program in 1961 provided 37,324 hours of work to local labor, and \$195,720 for the purchase of electric supplies, bathroom supplies, and other building materials. Of this amount, \$81,620 was spent for materials produced or manufactured in the county, such as lumber and cement blocks.

Proposes Semi-Pro Football League

Is anyone interested in a semi-pro football team in Lynn county? Lloyd Browning of Arlington was here Tuesday in the interest of extending the sport to this area. He says there are quite a few such teams being organized from Throckmorton east, and he is interested in seeing a league started on the South Plains.

As a promoter of the Tri-State Semi-Pro Football League of Arlington, this organization would help sponsor such a league made up of men now out of school.

He says some of the players in that area are 35 years old and older, while others are just out of high school.

His organization furnishes the promotion, tickets, schedules, and helps otherwise for 10 percent of the gate in the league, and the players split the remainder of the receipts.

Local Men On Steering Committee Promoting Cotton Research Program

A 33 man Plains Wide Steering Committee for the Cotton Producers Institute met in Lubbock recently to make decisions and plans for moving the Institute forward during 1962.

The committee, consisting of County Chairmen and other leaders, was appointed by Roy Forkner at the request of the Producer Organizations which initiated the C.P.I. program in West Texas. E. R. Blakney and Wilmer Smith of New Home and Carl Sanders of O'Donnell are representing Lynn County on the Steering Committee.

Mr. Forkner announced that an excellent first year start was made in the Western States that initiated the program last year. Well over the one million dollar minimum requirement has been deposited to the C.P.I. escrow account and there will be a program

in operation before ginning starts on this crop.

"Total collection this year should reach about \$1½ million," Mr. Forkner said. A substantial research and promotion program can be started with this volume of money and its none too soon when we understand accelerated challenge cotton faces from its synthetic competitors. It was pointed out at the meeting that cotton suffered a direct competitive loss of 200,000 bales to rayon during the first 3 quarters of 1961.

Roy Forkner said, "The Cotton Producers Institute is a must if we are to survive as a major industry in the face of these new competitive threats."

The steering committee spent a great deal of time working out a method for the election of West Texas Trustees to the Institute.

Frankie L. Grayson In Army Tests

SCHOFIELD BARRACKS, HAWAII (AHTNC) — Army PFC Frankie L. Grayson, whose wife, Linda, lives on Route 3, Tahoka, Tex., recently participated with other personnel from the 25th Division's 2d Battle Group, 35th Infantry, in Army training tests in Hawaii.

During the tests, Grayson's unit with tank and artillery support, engaged in tactical exercises designed to evaluate the combat readiness of his unit.

The 19-year-old soldier, a gunner in the infantry's Company C, entered the Army in February 1961 and completed basic training at Fort Hood, Tex.

Grayson, son of Albert D. Grayson, 1316 Thirty-eighth St., Lubbock, attended Tahoka High School.

Four Boys Go To SA Camp

More than 2200 youths, including 650 young boys from 239 Salvation Army Service Units operating in Texas cities, towns and rural communities, will enjoy a full week of camp activities at The Salvation Army's Camp Hohlitzelle near Dallas.

Thirteen camps will be conducted this summer, with each camp lasting one week and accommodating about 175 campers.

Lillian McCord, camp chairman for Tahoka, has been busy for weeks selecting boys to attend the camp. The local campers are: Donald Richey of Grassland, Tommy Cavett, Morris Cavett and Eddie Stice of Tahoka.

They will be driven to and from camp by Jack Miller and Norvell Redwine.

Camp Hohlitzelle, located on a beautiful wooded tract of 340 acres, is seven miles south of Midlothian, eight miles west of Waxahachie and within an hour's drive of Dallas. The camp has well equipped playgrounds and recreation areas for all boys sports including a swimming pool and lake for fishing and boating. Organized sports are conducted under the supervision of experienced coaches and counselors.

Campers will be housed in the camp's modern, attractive redwood and brick cabins. Expert cooks and kitchen personnel will prepare balanced, nutritious meals, designed for the needs of growing youngsters, which will be served in the camp's own dining room.

Camp Hohlitzelle has been made possible through the generous gifts of more than one hundred men and women of Texas. Their gifts provided money for the purchase of the land, buildings and improvements on the property. The Salvation Army operates the camp for the benefit of youth who, without their help, would not have the opportunity to enjoy camp life.

Printer's Ink-lings . . .

By F. P. H.

David Bray heard this one somewhere: We will never go Communist because when we Americans hear the cry, "America, Arise," we think it's a coffee break.

An O'Donnell reader says he didn't vote in the recent school integration election — said he couldn't give in to this step toward amalgamation of the races and he couldn't vote against integration because that would mean unbearable taxes to build a Negro school equal to the white.

Attorney General Robert Kennedy, Vice President Lyndon Johnson, and former Vice-President Richard Nixon all advocate integration in "all phases" of life. Each lives in an exclusive neighborhood. Each sends his own children to private school. A lot of politicians talk integration, but don't practice it with their own families. We even have some like that right here in Tahoka. We have some good Negro citizens, too. And, some of these good Negro citizens don't want integration, either. But, the pressure is on, and school districts are being given almost no alternative—one of the prices we must pay for giving up our freedoms to the boys in Austin and Washington.

You can not have government aid without some sort of control from Washington. If you don't believe us ask your school superintendent about the lunch program and the vocational teacher programs. And, the controls on these are mild compared with the proposed regulation of agriculture.

The medicare program is another instance, and The News is informed there has been some misinformation put out on this by the Administration. Texas and many other states have already moved to care for their own aged through the relatively new Kerr-Mills act, which hasn't even been given a chance to work as yet. Under this law, Texas will have medical care administered through Blue Cross to help any aged person over 65 who can not pay his own medical and hospital bill.

Congress is obligated by law to control what it subsidizes. If producers accept government assistance they accept government supervision. "It is hardly lack of due process for the government to regulate that which it subsidizes." (Supreme Court decision, 317 US 131, 1942.)

If we turn over government control of agriculture to the Secretary of Agriculture, including limitations of production, marketing, and price-setting, as proposed in the Farm Bill now before the

House, you can bet your bottom dollar you have not seen anything yet. High fines, loss of allotments, and even jail terms will face violators—and the Secretary would be given the final authority.

Contrary to statements by Secretary Ribicoff and President Kennedy, we are told, the New Jersey doctors being castigated by them did not say they wouldn't treat elderly people. They said they would not accept money from the government for that treatment, but would offer it free if the aged person could not afford it. These doctors did not say these elderly people couldn't use the hospitals in question, but they did say they would not charge for such services if the aged were unable to pay.

We will say, however, we think the medical profession is having a lot to do with bringing socialized medicine on us—if it comes. The medical profession is a closed union. If you don't belong, you can't practice. You can't belong unless you are a graduate of a recognized medical school—which is probably the way it should be. But, not every person can attend a medical school, for the schools also limit their enrollments. We believe the doctors need to do a little housecleaning, themselves. They need to come down off their ethical high horses a little and be good citizens as well as good doctors, be a little more charitable and a little less almighty. We are talking about the profession as a whole, not individuals.

Labor is in the saddle in Washington. The boys from Harvard are planning our economy. The peace-at-any-price, appeasers and one-worlders are in charge of the State Department. The Supreme Court and bureaus are making many of the laws. We'll soon have medicare and eggheads in Washington running our schools, maybe. And, theorists and idealists are planning our agricultural program for us. Soon, we won't have anything to worry about. We can plant just so many acres of cotton, if it rains. We can plant just so many acres of milo, if it rains

If it doesn't rain, we can't even raise turkeys or peanuts. We yokels out in the hinterlands will have had all the pioneering spirit and individual initiative taken away. But, maybe the Great White Father knows best!

Several of our old newspaper buddies have recently sold out, retired, or passed on. C. W. Roberts of Andrews, who came up the hard way as a laborer, teacher, and finally as the long-time editor of a struggling little hand-set weekly which he built to a top-drawer newspaper, recently passed on. We lost our good friend and neighbor, Curtis Sterling, who sold to the Woodson chain. Then, Francis Perry sold his Slaton Slatonite to John H. King of Robert Lee. But, the one that knocked us under was when Homer Steen, one of our best friends in the fraternity, sold out the Floydada Hesperian to S. J. McBeath of Sweetwater, and retired to raise cattle and look after his grandchildren. Homer and Madeline had been operating the Hesperian since away back in 1911. And, on his retirement, the people of his town gave a big banquet in appreciation of the long service to his community.

We have known Homer since about 1921. We were about to get out of college in 1924, and had been offered a job on the Star-Telegram which we wanted to take, we thought, very badly. But, our dad had bought this newspaper, and we were torn between two desires. However, on the advice of Homer Steen, Clyde Warwick of the Canyon News and Sam Braswell of the Clarendon News, we gave up our idea of going to the city and came to Tahoka. We've never regretted taking their advice. We are having a happy life here, and wouldn't think of living elsewhere.

But, The Printer was a little shocked a few days ago when he woke up to the fact that he has been in the weekly newspaper business in Tahoka longer than any other editor on the Plains with the single exception of Deck Wells of the Wellington Leader, lack only about five months being here as long as Chas. A. Guy has been in the newspaper business in Lubbock. Herb Hilburn of Plainview Daily News, however, must be the dean of all Plains news men.

Bob Haynes, whom Dad bought out in 1923 here at Tahoka, is still in the harness at Miami, and Andrew Jackson Stricklin, who sold his Terry County Herald a few years ago, now edits a shopper in our neighboring town to the west.

Some ladies from a neighboring town were going to another town to help some ladies there get the hang of playing duplicate bridge. As they neared the neighboring city, one of the ladies remarked, "Let's be real nice" and friendly to these ladies, and help them any way we can." The visitors went in to the meeting place. One visiting lady met up with a lady of the town she had met before. "Well, how are you, Mrs. Potts," she said, "I'm so glad to see you." And the lady answered, "I beg your pardon, my name is Mrs. Chambers."

The football team had fumbled all afternoon. When a substitute, warming-up-in-front-of-the-bench, dropped a ball, it was too much for a rabid fan. "Send him in, coach," he yelled from the stands. "He's ready."

"In our family," the little girl told her teacher, "Everybody marries relatives. My father married my mother, my uncle married my aunt, and the other day I found out that my grandfather married my grandmother."

David Bray Tells of Red China, As Gleaned From Foreign Ambassadors

"Developments in Red China the Last Few Years" was the subject of an interesting and informative talk by David Bray at Tahoka Rotary Club Thursday of last week.

David is a senior this coming year in SMU, Dallas, majoring in government and economics, and is making an outstanding record in college. He is president of the SMU student body for the coming year, has served as chairman of the Forum, which brings outstanding nationally known speakers to the university, and represents SMU on the Dallas Council for World Affairs. He has been nominated by Tahoka Rotary Club for one of the Rotary Fellowships in International Understanding, a grant which permits college graduates to study a year in some foreign country.

He prefaced his remarks by stating that he was speaking as a young student and was passing on information he had gleaned mostly from others, but including talks he had had with many world leaders, such as Adlai Stevenson and UN representatives from many lands, including Russia, on his two visits to New York.

Where much of the Communist

program has failed in Russia, the success in Red China has been astounding. The Communists took over in 1949, and the next four years were bloody and ruthless as the Communists eliminated the 20 million landlords, and allotted two acres of land to each of 500 million peasants.

The system evolved into collective farm basis and now into a commune system.

In the process, Chinese abandoned their colorful dress for the drab blue uniforms worn by all men and women alike. Loudspeakers everywhere, in buses and trains, on the streets and in the dormitories and small communities blare out instructions and propaganda and hate-American all day long every day from daylight until nightfall, brain-washing the people and drumming into them the Communist line of thinking and making them feel stronger.

Children have been recruited into the "Young Pioneers," and they have been largely responsible for the clean-up campaign that has virtually eliminated flies, sparrows, and much of the filth.

Everyone works, and women have been given equal status with men, dress and work like men, and

have a degree of happiness in their new-found freedom.

There are 20,000 communes, each independent of the other, involving every aspect of life, and each commune has its mess halls, barracks or houses, factories, stores, farms, and its own steel and munition works and military unit.

China has an army of 60 million, plus a militia force of 20 million.

He described a typical commune, this particular one having 58,000 people in 68 villages, 125 nurseries where children are kept after reaching age six months. 130 kindergartens where school children are kept, 136 Red and expert schools where the older students are taught the Communist line and trades, two large hospitals, 146 production teams, and 24 "happy homes" for aged.

Daily life includes 30 minutes of exercise, then breakfast, to work in the field, plants or stores, then congregation for supper, followed by a class meeting and this followed by a party meeting, and then eight hours of compulsory sleep.

We have wishfully thought the Chinese might rebel, but those going inside the country think such is not likely. Fewer are starving normal years and live better on rice and cabbage. They are told they will only have to sacrifice 15 years to develop an industrial and self-sufficient China, and they have already done in six years what it took Soviet Russia to do in 40, although they are still having trouble with agriculture.

Russia, he learned is a bit fearful of and concerned about China because of its rapid development, its overpowering population, success of its communes, and the 4,000 miles of joint border with the country.

He did not think the UN should admit Red China, nor that we should recognize this Communist country and said he doesn't believe we ever will.

Clint Walker introduced the speaker.

"Mac" Mauldin of the local SCS office was introduced as a new member, and Secretary Dale Thuren announced the loss of two members, Rev. J. B. Thompson, who has moved to Memphis, and Band Director Phil Pearce, who has moved to Phoenix, Ariz., leaving a net of 51 members in the club.

Vice President H. B. McCord Jr. presided in the absence of the president, Dr. Skiles Thomas, who with Calloway Huffaker and Charles Townes and families were

Pendleton Thanks Voters of County

To the voters of Lynn County my most sincere and humble thanks for your vote of confidence and your warm reception during my lengthy campaign. I am deeply grateful to you for making my campaign so pleasant and successful.

I want you to know that I have no special interest except serving you and the people of this 75th Representative District. I can honestly and sincerely tell you that I ran on my merit and shall continue my campaign in this manner. I am obligated to no clique, group, nor organization. I owe my success to you who saw fit to place your confidence in my ability and willingness to work. As a guide to my action, I shall remember that our Democracy is based not only upon the rule of the majority but also upon the protection of the minority. I have a great interest in this district's progress and shall never forget that three-fourths of this district is agrarian. I assure you that I will not forget the farmer nor will I forget the various occupations, professions and endeavors of the people in this district. We must work together and we will work together for the benefit of Lynn County, the 75th District and the betterment of Texas.

I wish to congratulate Jerry Cain for his fine race and gentlemanly conduct. I am honored to have known and run against such fine fellows as Jerry Cain, Don Grimes and Bob Owen.

Again may I say I am grateful to you for allowing me to come into your homes and talk with you about our problems and our campaign. I am deeply grateful for your vote and help in making our campaign so successful. Words cannot express our heartfelt thanks.

Randy Pendleton.

MR. AND MRS. ROBERTS ARE NOW LIVING HERE

Mr. and Mrs. Tim Roberts have recently moved from Fort Davis to Mrs. Myrtle Mathis' house near Grassland. Mrs. Roberts is the former Miss Jan Thomas, daughter of Mr. and Mrs. R. M. Thomas.

Mrs. Roberts has accepted a position as secretary to Attorney Mitchell Williams, and Mr. Roberts expects to complete his education at Texas Tech.

Mrs. Roberts has been working at MacDonald Observatory, near Fort Davis, while Tim attended Sul Ross State College in Alpin.

Mrs. C. W. Brown of Ennis has been here the last two weeks visiting her daughter, Mrs. A. M. Bray and family. Mr. and Mrs. W. A. Simmons and Tony of Dallas have also been here visiting the Brays. Mrs. Simmons is Mrs. Bray's sister. Mrs. Brown will accompany them home.

CARD OF THANKS

To the gracious people of Lynn County, please take this as a personal thank you for the many things you have given us, courage, friendship, money and gifts too numerous to mention. May God give each of you end-

less blessings. Lewis, Maxine, and Karen Jane Bonham.

READY Refreshments

FOR THE WILSONS 1314 AMARILLO ST. PLAINVIEW, TEXAS

Mrs. Jake Wilson, in her Medallion Home, likes all her electric appliances but, because of the great convenience, she admits a special fondness for her combination refrigerator-freezer. One of the many uses of her combination is depicted here. At top, Mrs. Wilson has just finished preparing frozen snacks, in advance. In center picture, they may be seen, at left, in the freezer basket. And, below—the happy result—daughter, Patty, and sons, Mark and Rick, enjoy the after-school "lift" of their frozen snacks. The convenience of a refrigerator-freezer can be yours. Your electric appliance dealer will be happy to show you how.
