## Schools Are Ready For New Session

Lynn county's four school systems are all set for opening, with Wilson breaking the ice on this coming Monday, a week earlier than the other three.

### Wilson Opens Monday

Supt. Leroy Scott has announced Wilson will open Monday, Aug. 27, with a full schedule of classes following a general assembly at 8:40 a. m. High school students who have not registered during the past week are requested to do so this Friday afternoon, and should be accompanied with their parents to discuss the program and the students' careers.

### Tahoka Opens Sept. 3

Tahoka's classes will begin Monday, Sept. 3, according to Supt. Otis Spears, as Labor Day is not being observed here.

Seniors will register next Wednesday morning, Juniors on Wednesday afternoon, Sophomores on Thursday morning, and Freshmen on Thursday afternoon. Students in all other classes will come to school on Monday, Sept. 3, when buses will run their regular schedules.

Tahoka faculty members will attend a breakfast meeting at 8:00 a. m. Friday of next week, followed by conference to receive final instructions.

### New Home Opens Sept. 4

New Home schools open Tuesday, Sept. 4, according to announcement of Supt. H. L. Miller. High School students have already been registered, and a full schedule will be carried on from the opening day.

### O'Donnell Opens Sept. 4

Classes begin at O'Donnell on Sept. 4, also, announces Supt. John Criner, but high school students will be registered next week. Seniors will register in the school library Monday morning, Aug. 27, at 9:00 a. m., juniors at 10:30 a. m., sophomores at 1:00 p. m., and freshmen at 2:30 p. m. Junior High students will register on Thursday, Aug. 30, in the new Junior High building. Elementary school students will register on Sept. 4.

First faculty meeting will be Friday, Aug. 31, at 9:00 a. m. in the cafeteria.

O'Donnell has a new high school principal, Andy Gardenhire, reared at Memphis, B. A. from Texas Tech, where he played football, M. A. from West Texas State, a teacher and coach the past two years at Plainview.

### Two Schools Integrate

Two Lynn county schools, O'Donnell and New Home, will open the new year on an integrated basis as a result of recent elections favoring the moves after the Texas Education Agency had put pressure on them to either integrate or furnish equal facilities for Negroes.

## Large Crowd Hears Harvey

More than 3,200 people heard Paul Harvey speak on "Americanism" Saturday night in Lubbock Municipal Auditorium, sponsored by Radio Station KSEL for the benefit of South Plains Boys Ranch of Tahoka.

Many Tahoka people were present and report the talk was "wonderful."

R. B. McAllister of the radio station was master of ceremonies, and introduced the boys from the ranch, Executive Director Jack Miller, President Melton Leslie, and all the directors who were present.

Station KSEL expects to sponsor one major program of this kind each year, the profits from which will go to the Boys Ranch.

## Friendly Town Project Launched

By Karl Prohl

"Welcome to Tahoka, The Friendliest Town in the World." This is how four 30-foot signs will read on the highways leading into our city. The local merchants, backed by the Tahoka Rotary club, began Wednesday with their project of making Tahoka the friendliest city in the world.

Each stranger or visitor that stops in Tahoka will be given a "Welcome Badge" that will entitle him to a free cup of coffee at any of the cafes or drug stores. The guest badge will consist of a book of matches that can be placed on a shirt or coat pocket in the form of a badge. On the match cover will be inscribed:

"This badge entitles you to honorary citizenship in our city and to a free cup of coffee at any of our coffee shops."

Merchants and service station operators will have these badges (Continued on Back Page)

## Wilson Sewer Election Carries

Wilson citizens voted Saturday, by a narrow margin, authority for its City government to issue bonds for the construction of a modern sanitary sewer system.

The vote was 42 to 36 in favor of Proposition 1 on the ballot and 44 to 35 in favor of Proposition 2. The first proposition was for issuance of \$60,000 in revenue bonds, pledging income from the combined waterworks and sewer system for repayment thereof.

The second proposition called for another \$25,000 in general obligation bonds and the levy of a tax in payment thereof, also for the purpose of constructing the sewer system.

## Special School Opens On Sept. 3

Lynn County special school will open on Monday, September 3, according to Mrs. Margaret Renfro, teacher.

She requests that parents bring their children to school this first day and register them in order that she may know how many there will be. This is a county-wide unit, and any eligible child living in the county is welcome.

Mrs. Renfro has spent most of the summer in Santa Fe, N. M., and in Canyon, Texas.

## FLY TO CALIFORNIA

Calva Ann and Elva Jo Edwards, who live with their grandparents, Mr. and Mrs. Carroll Edwards, flew by jet plane from Lubbock Sunday out to Pasadena, Calif., to spend two weeks visiting their great uncle, Fred Boyd.

Mrs. C. T. (Helen) Johnston and niece, Carole Brashear, of Plainview visited in the home of Mr. and Mrs. Elbert King Sunday. Mrs. Johnston is Mrs. King's sister and Carole is their niece who is attending Tech.

## TEACHING IN ARIZONA

Miss Nita Fortenberry, daughter of Mr. and Mrs. J. E. Fortenberry, has gone to Tucson, Arizona, where she will teach in the schools. A graduate of Abilene Christian College, she taught last year at Lovington, N. M.

# Immunize For Polio Sunday!

Sunday is the big day when an effort will be made to immunize all Lynn county people from polio through taking Sabin oral vaccine—three drops on a cube of sugar, or three drops in the mouths for babies—from 1:00 to 5:00 p. m. in the City-Legion building in Tahoka or in the School Cafeteria in O'Donnell.

Everyone taking the vaccine is asked to contribute at least 25 cents per dose to pay for the

program, but no one will be turned away whether he or she pays or not.

Sabin vaccine so far has been 100 percent effective, and not only immunizes the person taking it but also eliminates him as a carrier of the dread disease. Salk vaccine was very effective, but it did not prevent a person from being a carrier. Therefore, even if one has already had Salk, he should now take Sabin.

Anyone from age three months to 110 years can take the vaccine by mouth with perfect safety—no shots, no after-effects. Diabetics should take it without sugar. It is not recommended, however, for persons running 102 degrees or more of fever, or for persons who have had an appendectomy or tonsillectomy within the last two weeks.

There are three types of polio. The first dose being given this

Sunday is for Type I, the most deadly. Types II and III will follow in six-week intervals.

Bedridden people and shut-ins in Tahoka will be taken care of if they will call White Funeral Home, phone 998-4433. In O'Donnell, they may call the City Secretary. Messengers will deliver the oral vaccine to the home.

Parking space will be provided for elderly people and cripples, and vaccine doses will be brought to the car. Citizens able to do so should be "good neighbors" and bring elderly people to the polio vaccine centers.

Farmers and others should see that Latins, Negroes, and other employees and their families get to the polio vaccine centers. Pre-SOS day response from farmers has been great, and many have already informed workers they will bring their employees to the centers.

Those coming to the polio vaccine centers are asked to have the blanks filled in when they get there. Thus, one may receive his vaccine and be back in his car within five minutes in order to give parking space and room in the centers for others. Workers will be on hand to direct traffic.

More than 300 workers will be on hand to help with the program, 50 men and 75 ladies, the latter in two shifts, working at each center.

County doctors sponsoring the immunization program say they never saw such wonderful cooperation from all over the county. Workers will represent every organization in the county. Every community in the county has a representative. In some communities, like New Lynn, West Point and Newmore these committees have made a door to door call to tell of the program.

White, Latin, and Colored church leaders have joined in wholeheartedly. Churches, the ASCS office, and several business institutions have mailed out notices and registration blanks. Tahoka Jaycees and O'Donnell Lions have put out placards, Wilson has joined Tahoka in furnishing secretaries, Tahoka and O'Donnell firemen, peace officers, civic leaders, housewives and other individuals are helping promote the program, and grocery stores have put blanks in grocery bags.

Doses of Sabin vaccine for 10,000 people were ordered originally, and then 2,000 more were ordered just to make sure there would be no shortage, as some people from other counties are expected.

Due to the popularity of the program over the Southwest, the cube sugar supply ran out, and local doctors canvassed the stores of the county to pick up sufficient sugar cubes.

Similar programs have been very successful in Lamesa and Brownfield, close at hand, and in Dallas-Fort Worth and Houston on a larger scale. Lynn hopes to have a similar turn-out.

The program is being sponsored by the Five-County Medical Association, more specifically by Doctors Emil Prohl, Skiles Thomas and Noble Rumbo. Any surplus will be turned over to Lynn County Committee of the National Foundation for treatment of Lynn county cases.

**POLIO REHEARSAL TONIGHT**  
All workers in the SOS polio immunization Sunday, are requested to attend a rehearsal tonight, Friday, at 7:30 p. m. at the City-Legion building.

Mr. and Mrs. Mack Mauldin returned home last week end from a two weeks vacation spent visiting her relatives in Athens, Ga., and his relatives in Stephenville.

## Championship Rodeo Will Be Staged Aug. 31-Sept. 1

All next week has been proclaimed "Western Week" to spotlight attention on the big Championship Rodeo here on Friday and Saturday, Aug. 31-Sept. 1, and all citizens are asked to wear western attire.

Business houses, all organizations, and individuals are invited to make entries in the parade set for Friday at 5:30. Sheriff's posse, horsemen, and possibly a band or two will be in the parade, which will form on South Second street west of the square, as before.

Because of its central location and the fine support given the spring rodeo, Tahoka has been selected as the site for this big championship event which will feature only the 15 top contestants from Southwestern states who have appeared in H-K rodeos this year.

These will be the professionals, many among the best riders in the nation, competing for the championships. A purse of \$100 is added to entry fees in each event, except the \$50 added in barrel racing.

Cowboys will compete for top honors of the year in saddle bronc and bareback bronc riding, bull-dogging, bull riding, calf roping, team tying, and barrel racing.

H-K Rodeo Ass'n. of Snyder, owned by Alvin Koonsman and Joe Helm, is the organization which has staged the Tahoka shows the last two years.

Advance tickets are on sale at \$1.25 and 60 cents for each of two 7:30 p. m. performances. Selling tickets are Nancy Inman, 1962 rodeo queen; Mary Jane McCord, 1961 queen; Jane Stoker of Wilson, Arnetta Wood, and Betty Kuwaski.

Tahoka Rodeo Ass'n. is sponsoring the show. Officers are: Jack Miller, president; Jerry Church, vice president; Ruben McElroy, secretary and treasurer; Oran Short, Dock Dockery, and B. A. Young, directors.

All members of the Rodeo Association are requested to meet at the rodeo arena Monday night at 8:00 p. m. to get the plant in order for the show.

RAYMOND KELCY

## Church of Christ Meeting Opens

Raymond Kelcy, who is the minister of the Trail Lake Drive Church of Christ in Fort Worth, will be here to hold an eight day Gospel Meeting at the Church of Christ beginning August 28th and going through September 2nd, according to Don Browning. Mr. Kelcy will arrive on Monday and begin his part of the meeting that night. Bro. Browning will get the meeting under way on Sunday.

Mr. Kelcy is the brother of Doyle Kelcy, who was minister for the Church of Christ for five years here in Tahoka.

Congregation singing will be directed by Jimmy McCoy of Houston. Mr. McCoy is an instructor of music in one of the Houston colleges. He is the nephew of John McCoy, who is the minister of Crescent Hill Church of Christ in Brownfield.

Services in the meeting will be conducted daily at 10:00 a. m. and 8:00 p. m. except on Sunday. The time on Sunday will be Bible Study at 10:00 a. m. and worship at 11:00 a. m. and 7:00 p. m.

"Everyone is invited to attend. There will be spiritual food for all," states the minister.

## TEACHING IN ARIZONA

Miss Nita Fortenberry, daughter of Mr. and Mrs. J. E. Fortenberry, has gone to Tucson, Arizona, where she will teach in the schools. A graduate of Abilene Christian College, she taught last year at Lovington, N. M.

# Bulldogs Show Great Promise As 47 Turn Out For Practice

By Karl Prohl

Some 47 boys took the field Monday as the Tahoka Bulldogs began their pre-season football training.

Having moved from Class AA to Class A, the Bulldogs will face one of the roughest schedules in that class. They will compete against such fine teams as Seagraves, O'Donnell, Plains, Sundown and powerful Wink.

Under the coaching of Gilbert Hough and his assistants, Dave Easterday and Milt Fitts, the Bulldogs will employ a completely new offense compared to the familiar

straight T seen around Tahoka for so long.

Hough's offense will consist of an unbalanced line with the backfield in a single wing formation. "With the linemen in this position, they will be able to lead the plays around end," remarks Hough.

Tahoka fans will be treated to a wide open brand of football with stress placed on passing and quick running plays.

"I have never seen a better first day," commented Hough after Monday's workout. "I told the boys to go three-fourth speed, but they

rarely slowed down."

"Just about every position is open for the man with the most ability and desire," comments Fitts.

Hough will build his unbalanced wing T around 11 returning lettermen. Among those returning from last year's squad are: Seniors Craig Leslie, Andy Bray, Billy Clinton, Johnny Rogers, Larry Price and Tony Spruiell; juniors Steve Greer, Billy Miller, Gary Grogan, Jack Woods, Macky McWhirter.

Although these boys have had (Continued on Back Page)

### Wash And Wear

By Connie Anderson  
Home Demonstration Agent  
With school starting, we thought that this might be a good time to give a few pointers on fabrics and fibers for those back-to-school clothes and for your new fall wardrobe.

So many of the hang-tags on garments today state WASH AND WEAR. But do they always turn

out to be that after the first trip to the laundry? Below are some guides which we hope will eliminate some of this disappointment.

1. Look for these fibers on the labels.

a. Polyesters: Dacron, Fortel, Kodol, Vycron. These fibers are noted for excellent wrinkle-resistance. As a group they are the best.

b. Acrylics: Acrilans, Creslan, Orlon, Zefron. These hold a fine crease, but they're not as wrinkle-

resistant as the polyesters. Look for a high percentage when mixed with other fibers.

c. Arnel. Noted for holding pleats, when used alone. High percentage is needed in blends for wrinkle-resistance.

Nylon: 100% nylon tricot is good wash and wear. In a blend, nylon is used mainly to add strength and abrasion-resistance.

2. Look for a high percentage of the wash and wear fiber. a. Polyesters—at least 50%. b. Acrylics—at least 70%. c. Arnel—75% or more. d. Nylon—100% in tricots and knits.

Here are some good blends:

65% polyester with cotton or flax; 55% polyester with rayon; 50% polyester with an acrylic; 80% acrylic with cotton; 70% acrylic with rayon and wool.

3. Look for cottons with a good wash-and-wear finish. Best of all are spin-dry cottons that can go through the full cycle of a washer, thus eliminating drip-drying. Good wash and wear will have a label listing (1) brand names of fabric or finish (2) washing instructions (3) extent of ironing needed. If it doesn't, don't buy it!

4. Check to see how the garments are made.

a. Seam construction—well finished, especially if fabric is sheer and apt to fray. Don't buy if the seams have any puckering at all, they will be worse when laundered. The fewer seams in a garment will probably mean a better looking garment after laundering.

b. Avoid frills, tucks, and check thread, zippers, and lining carefully.

5. Remember to—

a. Pretreat stains and soil at cuffs and collars before laundering.

b. Reduce wrinkling by use of a short, gentle wash cycle, warm or cool water if lightly soiled.

c. Remove clothes from dryer while they are touch-damp and hang on hangers of smooth and fold.

d. Hang on a hanger when not using a dryer and smooth seams, pleats, and creases with fingers as clothes dry.

e. Use low iron setting.

6. Don't—

a. Let clothes become heavily soiled.

b. Over-crowd wash, at least one pound under recommended load.

c. Use chlorine bleach on cottons labeled "Do not bleach." Use

### WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDER

There is a rumor making the rounds that a measure will be introduced to raise Social Security tax rate a fraction of a cent to provide senior residents with free plumbing service.

This new measure, to be known as Plumincare, will provide for fixing leaking faucets, stopped up toilets, installing water heaters, other plumbing work for everybody 65 or over, whether they have the means to afford a plumber or not.

Of course, this is a facetious proposal... or is it? It was sparked by the successful settlement of a building trades strike in California in which the U. S. Dept. of Labor ended the deadlock, largely so the vast government projects in that state could proceed.

In a kind of "let's hold down inflation by reverse action" the plumber's union was persuaded to accept a contract that calls for pay, plus benefits, that will reach \$7.55 per hour. On regular time this will give them almost \$16,000 per year, and with a modest amount of overtime at double rates, should give plumbers around \$18,000 per year.

This, of course, gives the plumbers a bigger income than the majority of the nation's doctors. Now it is being touted that the nation's senior citizens cannot afford to pay for medical services, that is a true premise, they obviously cannot afford to pay for plumbing services.

In addition, adequate plumbing facilities are probably as essential to good health as medical care.

So perhaps this idea of Plumincare should not be taken as a joke. Some worthwhile things could develop.

For example, if Social Security taxes are raised to finance both Medicare and Plumincare, it would open new opportunities to young men.

A lot of young men, instead of spending years and thousands of dollars studying to practice medicine partly under bureaucratic control, could elect to become plumbers, which of course would also be under bureaucratic control. They could earn good money during the comparatively short apprenticeship, then step right into earning more than they could hope for in the first few years of medical practice.

Of course, in time this is liable to result in nation having lots of plumbers, few doctors. But if the situation got too unbalanced, bureaucracy could rise to the crisis.

After all, under Medicare and Plumincare, both plumbers and doctors would be on a semi-civil service status, and it would be a simple matter for a bureaucrat to change classification of any number of plumbers to that of a doctor.

That would be simple, for has not the United States, founded on the principle of freedom and free enterprise, elevated to highly influential positions such men as Galbraith and Schlesinger. Apparently anything is possible.

### 800 People At Co-op Meeting

Around 800 people attended the 33rd annual membership meeting of Farmers Cooperative Association of Tahoka Saturday in the new County Livestock Exhibition building, where a barbecue dinner was served at noon.

Checks totaling \$103,000, or \$9.92, were handed out from dividends, not including stock credits, from operations of the cotton gins, service station and butane business.

Auditor Ed Merriman of Lubbock reported the Co-op has assets of \$661,000 and owes only \$80,500 on its new gin plant. Last year, the plant handled 16,170 bales of cotton. He declared the Association has one of the best records on the Plains.

Brief talks were made by Andrew Unger of Southern Farmers Supply, Amarillo; Red McKinney of Farmers Cooperative Press, Otha Key of Plains Co-op Press; George Babcock of Texas Planting Seed Association; and Jim Parker of Plains Cotton Growers.

John F. Thomas, a director for 12 years and president of the board for 10 years, who was not a candidate for re-election to the board, presided at the meeting and conducted the election of new directors. Dan Thomas was elected a new member of the board to replace John F. Thomas, and Cleve Littlepage and Charlie Lichey were re-elected to the board. Holdovers are T. D. Dunlap, J. O. Allen, Lois Smelser, and L. D. Howell.

C. W. Stevens, manager of the gin the last four or five years, has been with the organization 31 years. Mrs. Sue Robertson is the secretary.

Door prizes with a total value of \$100.00 were given away during the morning session.

## Cotton Legislation Problems Topic Of Wilmer Smith In Cotton Journal

Current issue of The Cotton Trade Journal, published in Memphis, Tenn., has a 72-page supplement featuring all phases of the cotton production business on the Texas High Plains, which has become the greatest single cotton-producing area in the nation.

Most of the articles in the paper are by South Plains men who know what they are writing about.

One of the most pertinent is by Wilmer Smith, a real student of cotton and its problems, entitled "Legislative Dilemma: How to Keep Cotton Competitive and Protect Producers' Income."

"Increasing competition, shrinking allotments and higher production costs make it mandatory that certain goals for a healthier cotton industry be established," Smith writes. "Agricultural legislation, as it involves cotton must be realistic and effective if cotton is to increase, or even maintain, its present role in economy."

Smith cites the threat to our cotton from foreign competition and synthetics, the problem of income protection to the American farmer, and then discusses the various plans that have been tried or proposed.

"The present administration," he says "seems determined to keep supply in line with demand—and demand is slipping... This is another reason that cotton producers and others in the cotton industry need to get busy NOW on realistic legislation to fight cotton's competition."

He declares a long range cotton program should point toward these objectives:

1. To protect the farmer's income, and permit him to use his land equipment more effectively.
2. To make cotton competitive in price and quality in both the domestic and foreign markets.
3. To provide means for orderly marketing and stability in the price structure.
4. To return cotton marketing to its normal channels of trade.
5. To increase consumption of cotton through lower prices at both mill and retail levels.
6. To continue reduction of the present surplus.
7. To prevent accumulation of new surpluses.

## New Service To Aid Farmers

A new service to aid farmers in combating salt problems on irrigated land has been announced by the Texas A&M College, according to County Agent Bill Griffin. Facilities for determining quality of irrigation water and measuring salt accumulations in the soil are now ready for full scale operations, Griffin said.

Since all waters contain salt, a salinity threat exists to some degree in every area where irrigation is practiced. Salt problems are most apt to occur in the Trans-Pecos, Coast Prairie, Rio Grande Valley and the Wichita Valley areas, but may exist in local areas of the High Plains, Rolling Plains, Rio Grande Plain and other sections of the state.

Salinity tests of water reveal whether it is safe to use for irrigation purposes and what management practices or soil amendments, if any, are needed for sustained production. Soil salinity tests are also important because soil types determine in many cases whether saline water is usable, the agent pointed out.

A charge of \$5.00 will be made for testing water samples and \$4.00 for soil salinity tests. Testing of soil samples for fertilizer and limestone requirements will continue to cost \$2.00. A special set of forms has been developed for use of farmers in submitting water and soil samples for salinity testing. Lynn county farmers can obtain these forms along with additional information of salinity testing at Griffin's office.

Mr. and Mrs. George Wright and family returned Wednesday after spending a week in California. The Wrights visited relatives in Los Angeles and toured Disneyland and the San Fernando Valley area. According to Mrs. Wright, the trip proved quite interesting and enjoyable.

Mr. and Mrs. Paul Pittman of Bluffdale, near Stephenville, were here over the week end visiting friends. Paul Douglas Kenley returned home with them Monday, and his parents, Mr. and Mrs. "Dub" Kenley were to pick him up this Thursday.

### Miss Sethen Lewis Married Saturday In Midland Church

Miss Sethen Lewis and Jackie Dean Moore of Brownfield exchanged vows in a double ring ceremony Saturday at 11:30 a. m. in Midland. The Rev. Guthrie of the First Methodist Church in Brownfield officiated.

The bride wore a street length dress of silk brocade with matching jacket. She carried a bridal bouquet of white carnations.

Attending the ceremony from Tahoka were Mr. and Mrs. Seth H. Lewis and Gary, parents and brother of the bride; Mr. and Mrs. Ben Moore, Route 1, Brownfield, parents of the bridegroom; Mrs. Claude Chambers and Mrs. Chester Albert, Brownfield, sisters of the groom; and Miss Dana Akin, Midland.

The bride graduated from Tahoka High School in 1961, attended Sul Ross State College and is now employed as receptionist at Midland Country Club, Midland.

The bridegroom graduated from Brownfield High School in 1954, attended Texas Tech, served three years in the U. S. Navy and is now employed by El Paso Natural Gas Products Company in Odessa.

The couple will be at home in Odessa at 1019 E. 5th after a short wedding trip to New Mexico.

## Congratulations—

Mr. and Mrs. George Franklin Childress on the birth of a daughter, Cheryl Elaine, on Thursday, Aug. 16, in Tahoka Hospital. She weighed five pounds, two ounces.

Mr. and Mrs. Harry Rodgers Looser on the birth of a son on Thursday, Aug. 16, in Tahoka Hospital weighing six pounds, 12 ounces. He has been named James Rex. The baby is still in the hospital under an oxygen tent and is in fair condition.

## ATTENDANCE GOOD IN YOUTH ACTIVITIES WEEK

Average attendance was 40 at the Youth Activities Week at the First Methodist Church which closed Saturday night.

The week of meetings was closed with a social meeting Saturday evening, a hay ride and barbecue at Tahoka Lake.

David Bray, student in SMU, and John Hegi, student in Baylor University, were the speakers during the week of meetings and also led discussion session.

Miss Berta Hill of Seguin and Mrs. Eva Hill of Chilton visited here Friday with Mr. and Mrs. Frank Hill while en route to Colorado on a vacation, accompanied by Mrs. Myrtle Rochelle and daughter, Nita, both of Lubbock. They will be back here in a few days for a visit.

### CARD OF THANKS

May we take this means of saying thank you for the expressions of sympathy and comfort occasioned by the recent loss of our precious baby. The many floral offerings, prayers, and food that was prepared by the thoughtful women were deeply appreciated. — Levoey and Joan McCuiston, the Ellis Andrews family and the Earl McCuistons. 1tp

## QUESTIONS, PLEASE

WHAT IS THE CHURCH OF CHRIST?—No. 5.

The New Testament teaches that "God is a Spirit; and they that worship him must worship him in spirit and in truth." (Jno. 4:24). The Word of God reveals the truth about worship for us. "Sanctify them in the truth; thy word is truth" (John 17:17). Here are the forms of worship set forth in the New Testament for the church.

The Lord's Supper. This is a memorial feast inaugurated by Jesus Christ on the night of His betrayal (Matt. 26:26-28). The early Christians partook of both the bread and the fruit of the vine in memory of the Lord's death and in communion of His blood and body (I Cor. 11:24-25). This spiritual feast was observed on the first day of every week (Acts 20:7). Scholars in church history corroborate this fact.

Prayer. Christians should always be in a prayerful attitude and should pray often, but they are also to assemble together and pray together publicly to God. (I Cor. 14:15). Singing. The Bible teaches that Christians are to worship in psalms and hymns and spiritual songs. "Speaking to one another in psalms and hymns and spiritual songs, singing the Lord" (Eph. 5:19). 8:11). Wherever this seed is sown today it will bear the fruit of the use of mechanical instruments of music in first century of Christianity.

There is a powerful movement to go back to the New Testament Christianity all over the world. Jesus said, "The seed is the word of God." (Lk. 8:11). Wherever this seed is sown today it will bear the fruit of the use of mechanical instruments of music in first century of Christianity.

You are invited to send your questions to: Don Browning Box 812, Tahoka, Texas. You are also invited to attend the services of the Church of Christ.

Don Browning may be heard Sunday mornings at 11:00 and evenings at 7:00 at 750 on your radio dial.

## Peggy Halameick Married Saturday

Miss Peggy Halameick of Tahoka, and Mr. Glen Kinsey of Tow, Texas, were united in marriage in the First Methodist Church of Llano, Texas, Saturday night, August 18, at 8:00 p. m. with the pastor of that church officiating in the double ring ceremony.

Miss Halameick wore a street length white linen sheath dress with a side drape trimmed in white fringe. For something old and borrowed, she wore a single strand of pearls belonging to her sister, Mrs. Doyland Lewis of Tahoka. She carried a white Bible topped with the bridal bouquet of white carnations. A white feathered hat and white accessories completed the bride's ensemble.

Mrs. Kinsey is a graduate of Tahoka High School and attended Texas Woman's University at Denton for three years. Prior to her marriage she was doing secretarial work in Tahoka. She plans to continue with her education and has enrolled in the University of Texas for the coming year. Mr. Kinsey is employed in Austin.

Mrs. Emma Halameick and the late Mr. Paul B. Halameick of Tahoka are parents of the bride. The grooms parents live at Paradise Point on Lake Buchanan.

Mr. and Mrs. Kinsey will be at home at 3003-D Red River, Austin.

Mr. and Mrs. Doyland Lewis, Mrs. Elnora Curry of Tahoka and Mr. and Mrs. Lynn Carl Halameick and sons of Brownfield attended the wedding.

The fast pace of modern living has much to do with the high cost

The opening devotional was led by Mrs. Milton Wied. Mrs. Joe Winston led the topic, "Woman on a Mission."

New officers were elected for the coming year. Mrs. Carl Herzog and Mrs. R. Behrend were re-elected president and treasurer respectively. Mrs. A. J. Giekhorn is the new vice president, and Mrs. Melvin Wuensche is the new secretary. The outgoing officers are Mrs. Felix Nolte as vice president and Mrs. Milton Wied as secretary.

Members present were Mesdames Joe Winston, Cecil Wied, Melvin Wuensche, Monroe Talkmitt, George Dellinger, Byron Talkmitt, B. G. Wied, Raymond Talkmitt, Carl Herzog, Milton Wied, R. Behrend, and Hubert Teinert.

Mrs. Charlie Siewert was accepted as a new member.

## VACATION BIBLE SCHOOL HAS GOOD ATTENDANCE

About seventy children attended the vacation Bible school held last week at the First Methodist Church.

The week's school was climaxed with a special program at the regular Sunday night services of the church with the children presenting songs under the direction of Mrs. John Wells. Projects of the children during the school were also viewed by the congregation, and following the services refreshments were served in the church Fellowship Hall.

KATHLENE HEINEMEIER

## Miss Heinemeier Plans Wedding

Miss Kathleen Heinemeier and Herbert W. Bernhardt have chosen Nov. 23 as their wedding date, according to an announcement from the parents of the bride-elect, Rev. and Mrs. George Heinemeier of Olney. The future bridegroom is the son of Mr. and Mrs. August Bernhardt of Olney.

The bride-elect is a graduate of Wilson High School, Wilson, and will graduate from Lutheran Hospital School of Nursing, St. Louis, Missouri, on Aug. 26. Her fiancé graduated from Olney High School and will enter his Senior year at Texas A & M in September. The couple will recite vows at St. Luke's Lutheran Church.

## Wilson Mustangs, 1961 Champions, Have 10 Lettermen Back This Year

Wilson's District 4-B champions will return to the football scene again this year with what might prove to be the needed combination for another successful season.

Coach Travis Rector will have 10 lettermen returning from a team that posted a 7-4 record last year. This will give the Mustangs the possibility of having a letterman at each spot except for one tackle position.

Leading the team this year will be Charles Walton, all-South Plains end last year and Bobby Stone, all-district center. Another outstanding player for the Mustangs will be Tommy Swann, all-district honorable mention.

Walton has been shifted to full-back and Stone to quarterback for the coming season. Rector feels that this will increase his team's passing and running capabilities.

Rector will again rely on the slot-T and the spread formations for the Mustang's offensive punch.

The Wilson mentor lost five starters from last year's championship team, but feels that when all the players have reported he will have a fairly sound team.

The Mustangs travel to Plainview for a scrimmage with Happy at 5 p. m. Monday, following that with a game condition scrimmage

in Wilson August 31 against Sundown. The latter scrimmage will begin at 8 p. m.

Nineteen boys had reported for workout Monday, but Rector expected a total of 23 boys the end of the week.

"The boys reported in fair shape," Rector stated, "but they have a long way to go before they will be in top physical condition."

## German Youth Back In Tahoka

Birger Ollrogge, 18, a native of East Germany who escaped from behind the "Iron Curtain" and attended Tahoka High School last year as a junior, is back to complete his work in Tahoka High School.

He has been spending the summer with his brother-in-law and sister, Major and Mrs. Bobby Boyd of the Army in North Carolina. Last year he lived here with Bobby's parents, Mr. and Mrs. M. M. Boyd.

Arrangements have been made for him to live this year in the home of Mr. and Mrs. Derwood Howard. Tahoka Rotary Club has made it possible for him to complete high school here by contributing to his support, and he will also work part time.

Birger has adjusted himself exceedingly well to the environment of the local schools, states Supt. Otis Spears. Last year, although very small for his age and never having seen a football game, he went out for football. This year, he is again out for the team.

Mrs. Emma Bevis came Sunday night to visit for a few days with her brother, Mr. Bud Baxley. Luncheon guests Sunday of the Luke Colemans were Mr. and Mrs. Frank Smith of Slaton, Mr. and Mrs. Dewey Winstead, Mrs. Selma Allen, Mr. and Mrs. Jim Johnson, all of Lubbock, and Mr. and Mrs. Jerry Adams of Tahoka.

Mr. and Mrs. Jim Porter, Pam and Mark, of Lubbock had Sunday lunch with Mr. and Mrs. Chester Swope.

Among the out of town relatives here last Friday for funeral rites of Ruby C. Wells were Mr. and Mrs. Garland (Irene) Sharpe of San Antonio and Clay McCoy and son, Michael, of Austin. Mrs. Sharpe and Clay are daughter and son of Mrs. J. H. (Zilla) McCoy and niece and nephew of the deceased.

Mrs. Dwain White, who is still working in Midland, spent last week end here with her husband who is working at the ASCS office and father-in-law, Rev. Aubrey White. The couple married on August 13. She will be here after this week with her husband until the opening of Texas Tech, when Dwain will enroll in college.

### Wheat Program Election Aug. 30

The Secretary of Agriculture has announced that the referendum on the 1963 crop of wheat will be conducted August 30, 1962, and that the vote will be on the basis of a national allotment of 55 million acres—the least required by law. All farm operators who now have a wheat allotment of over fifteen acres are eligible to vote in the referendum.

The question is whether or not marketing quota penalties may be levied against the producer who overplants his wheat allotment. A vote "yes" by a two-thirds majority will allow U. S. D. A. to collect; a vote "no" by one-third or more will, in effect, put wheat on a free market.

If quotas are approved, support price will be set on 75% of parity or \$1.82 per bushel. If quotas are not approved, support will be offered to those producers who plant within their allotment at 50% of parity or \$1.21 per bushel.

On the basis of present law, fifteen acres or less of wheat may be planted, harvested, and sold on any farm in 1963 without incurring a penalty. The referendum was postponed from July in order to allow Congress to pass new farm legislation, but, so far, this has not yet been done.

In the event Congress does adopt new legislation, it probably will include authority to make payments to wheat farmers who voluntarily cut acreage.

Ballots may be voted at the ASC Office in Tahoka. Any person who will be unable to vote on August 30 may obtain a ballot at the ASC Office and vote early or by mail.

All producers are urged to vote.

### McCouston Infant Is Buried Friday

Daniel Levoy McCouston, eight-day-old son of Mr. and Mrs. Earl Levoy McCouston Jr. of Tahoka, passed away last Friday, Aug. 17, at 4:15 a. m. in the Methodist Hospital in Lubbock.

The infant was born August 9 in the Brownfield Hospital. Graveside services were held Friday, Aug. 17, at 6:30 p. m. with the Rev. Ed Crow, Baptist pastor from Brownfield, officiating. Burial was in the Tahoka Cemetery under the direction of White Funeral Home.

Survivors other than his parents include: the paternal grandparents, Mr. and Mrs. Earl McCouston Sr., Rt. 5, Tahoka; the maternal grandparents, Mr. and Mrs. Ellis Andrews of Tahoka; great-grandparents, Mr. and Mrs. F. M. McCouston of Ralls, Mrs. Ellen Young of Arlington, and Mrs. D. L. Yandell of Post.

### Jaycees Hold Membership Drive, Plan Labor Day Coffee Stops

Next few weeks will be filled with activity for the Tahoka Jaycees, who now have 46 members, states Jesse Dorman, president.

Coffee stops are planned for the Labor Day week end on the two major highways entering Tahoka. Local merchants, officers, and other interested parties will be asked to help out on the project. Free coffee will be served travelers as a good will gesture and to spotlight traffic safety.

The Jaycees launched a membership drive Wednesday to continue several weeks with each member scheduled to sign up one new member. A brightly painted pickup will be seen on the streets during the drive, being driven by some member for two days to sign up a new member, during which time he cannot be caught walking more than half a block. Violation will subject the Jaycee to Kangaroo Court trial.

A mystery prospect has been selected, and the member signing him will win a billfold donated by Levine Bros.

Jaycees are helping with the SOS polio immunization Sunday, and Bert Stevens heads the Jaycee force helping the polio project.

A rodeo work committee, headed by Jimmy Dykes, will help with parking cars and selling tickets at the Championship Rodeo Friday and Saturday nights, Aug. 31 and Sept. 1.

### Karl Prohl Home From Hawaii

Karl Prohl returned home Thursday night from Hawaii, where he spent two months this summer taking some special work in the University of Hawaii.

He will return to North Texas State University, Denton, soon to resume his studies as a senior student majoring in public relations.

Karl says his experiences in Hawaii were very worthwhile. The University, like the Islands, is a very cosmopolitan place as there are students there from all over the world and almost every nationality imaginable.

Until time for returning to North Texas State University, Karl is getting some practical experience in news-writing at The News.

experience, there is some indication that freshmen may be found at several of the starting positions when the final line-up is named, Hough stated.

"We feel the boys reported in good physical and mental condition," said Fitts. "There seems to be a lot of interest with 47 boys out."

A pre-season scrimmage has not been scheduled, but an intrasquad game has been set up for Wednesday.

"I should like to thank the parents for their efforts in getting the boys up for those 7 o'clock workouts," comments Coach Hough. "The coaches realize that it offers some inconvenience and we do appreciate your help."

The boys have chosen six players to head their newly organized Football Council. This group will be the nucleus of the entire football organization and will help the boys with any training problems that arise. They will also be in charge of the lettering procedure for all football players.

The council consists of the following boys: Andy Bray, Craig Leslie, Hugh Jack Norwood, Billy Clinton, Larry Price and Tony Spruiell.

### Former Citizen Drowning Victim

Mrs. Wallace (Dolly) Gannaway of California, formerly of Petty, was drowned at Marble Falls, Texas, while visiting a daughter there on July 25. The News has learned belatedly. She was buried at Marble Falls.

Mrs. C. E. Gannaway of New Home had gone to California for a visit, and while she was there Wallace's wife came to Texas to visit a daughter by a previous marriage when the drowning occurred.

She is survived by her husband and four children by a previous marriage to Noah McClellan. She and Wallace had been married 18 years and had no children by this union. Wallace and his mother came to funeral services held in Marble Falls, after which his mother returned to New Home.

### Nolan E. Wood Jr. Receives M.A. Degree

Denton, Aug. 22 — Nolan E. Wood Jr. of Tahoka was one of 227 graduate students who applied for master's degrees awarded at North Texas State University this Thursday.

Commencement exercises were held at 8 p. m. at Fouts Field. There were 519 candidates for bachelor's degrees, 227 for master's degrees and seven for the doctor of education degree.

A 1956 graduate of Tahoka High School, Wood was a candidate for the master of education degree. He is the son of Mr. and Mrs. N. E. Wood, 1917 Kelsey.

### Producers Co-op Meeting August 30

Producers Co-op Gin of Grassland will hold its annual membership meeting next Thursday night, August 30, at the gin, when a barbecue dinner will be served at 6:30 p. m.

The business session will follow, featuring the annual audit report and the election of three directors. Directors whose terms expire are Ward Eakin, Cecil Clem, and Alton Greer. Mr. Eakin is president of the board.

Walter Dubree is the gin manager.

Mrs. Geraldine Murray of Temple, Okla., formerly of Tahoka, visited here this week while en route home following a visit with her daughter, Mrs. Frances Jones, in Midland and with her sons William and Bobby in Odessa.

Mr. and Mrs. J. C. Francis, (nee Edith Robinson Nevill) wife of the late Capt. Elwayne (Ken) Nevill, visited in the Joe Nevill's home Monday.

All employees working in Retail Stores or Offices are eligible for contest. A cash award of \$10.00 will be given the winner each month.

### Friendly Town . . .

(Continued from Page One)

to give to their visiting customers. The cafes and drug stores will have table placards that will be placed at the table of visitors so the local people will be able to recognize that the people are from out of town.

Whenever a person is seen wearing a yellow badge, it is the civic duty of all local citizens to get acquainted with that individual and invite him for a cup of coffee. The guest will present his badge to the cashier of the coffee shop he is patronizing. He will be given a small form to fill out telling where he is from and how many are in his group. This will give the local citizen a chance to get acquainted with the town's visitors and also give a record of the coffee consumed.

### What is the purpose of this project?

"It is not to give away free coffee as such, but to meet the new people visiting in Tahoka; to give them a warm reception in our community and the feeling that they have found a home away from home. It is to give the people a desire to return to Tahoka and to tell their friends about the friendly people they met here," comments Don Browning, chairman of the project.

This is not a Rotary project alone, but it is a community project. Its success does not lie with the members of any single organization, but with each individual living in the community. Its success depends on you.

"Tahoka is certainly a fine town to live in and to raise children," comments Browning. "But we can increase this community warmth

### and friendliness by extending a sincere welcome to all out of county visitors."

The idea for such a project originated with Calloway Huffaker, local Rotary president. Calloway was looking for something that would let people know about our town. The Rotary Club has taken the responsibility of having placards and badges made for the stores and will take care of the coffee tab.

The Henderson County Reunion will be held Sunday, Sept. 2, at the regular place on the south side of Mackenzie Park in Lubbock. A basket lunch will be spread at noon.

Mrs. W. P. Meeks, mother of Eloise Nelson, underwent a major operation in a Lubbock hospital this week and she is reported to have stood the operation just fine.

Mr. and Mrs. U. S. Howard of Lubbock and Mrs. Del Reagan of Floydada visited here Tuesday with Mr. and Mrs. Frank Hill.

## Robert Harvick, Mrs. Irene Spears Win Annual T-Bar Club Tournament

Robert Harvick and Mrs. Irene Spears have again won the annual T-Bar Country Club men's and women's divisions, respectively, in the annual club tournament, finals of which were held Sunday afternoon.

They were also medalist winners. Harvick, as a result of his victory over Thomas Jolly in the finals, is also winner of the Mollie Edwards trophy, given in honor of the lady who made the club possible through donation of the land for the country club.

Mrs. Spears won the ladies' division championship flight over Mrs. Mary Ruth Wright in the finals Sunday and also receives the Pearl Calloway trophy, given in honor of a benefactor of the club.

Awards were presented late Sunday evening, following the finals, at a dinner in the club house. Making the presentations were G. W. White and Mrs. Peggy Elliott, tournament directors.

The tournament committee announced a one-day tournament will be held on September 9, following which a movie, "1962 Masters Tournament," will be shown through courtesy of Randolph Rutherford.

Sam Edwards, club president, and Mrs. Fredda Townes, secretary, announce the annual mem-

bership meeting of the club will be held on September 24, when three new directors will be elected.

Sunday night, trophies were presented first and second and consolation winners in all flights. Entries were lighter this year than usual, but competition was keen in all flights.

G. W. White won over George Glenn for consolation honors in the men's championship flight, and in the women's championship flight, Judy Treadaway won consolation over Jo Belle Robinson.

Other final results follow:

**Men's Division**  
First flight: Roscoe Treadaway over Irving Dunagan; Charles McAully over Terry Harvick, consolation.

Second flight: Sam Edwards over Charles Bragg; Sonny Roberts over Clifton Hamilton, consolation. Both of these matches were decided on the 19th hole.

Third flight: Elmer Rice over Bryan Wright; Charley Mack Holland over Joe Bob Billman, consolation.

**Ladies' Division**  
First Flight: Anita Billman over Anita Bragg; Wanda Glenn over Fredda Townes, consolation.

Second flight: Macky Turner over Norma Thomas; Jeanette Harvick over Alta Thomas, consolation.

## Digest Given On 14 Amendments To Constitution Proposed By Legislature

This month, The News is publishing the full text of the 14 Constitutional Amendments to be voted upon in Texas in the November 6th General Election.

Voters should read the full texts of the proposed amendment in their entirety, and study them carefully before going to the polls to vote.

A brief digest of the 14 proposed Amendments follows:

Number one on the ballot (HJR 25)—Provides Workmen's Compensation Insurance for the employees of all political subdivisions.

Number two on the ballot (SJR 9)—Raises the limit on use of state funds to assist needy aged, needy blind and needy children from Forty-seven Million Dollars (\$47,000,000) to Fifty-two Million Dollars (\$52,000,000).

Number three on the ballot (SJR 22)—Permits creation of hospital districts in Ochiltree, Castro, Hansford and Hopkins Counties.

Number four on the ballot (HJR 46)—Provides for a State program of acquiring conservation storage facilities in reservoirs.

Number five on the ballot (HJR 51)—Creates hospital districts and limits their power.

Number six on the ballot (HJR 36)—Authorizes retirement, disability, and death benefits for elected and appointive officers and employees of counties and political subdivisions who have served in such capacity for twelve (12) years or more.

Number seven on the ballot (SJR 13)—Insures continuity of state and local governmental operations in periods of emergency, resulting from disasters caused by

## Corbetts In New Home At Lubbock

Rev. and Mrs. Tad Corbett have moved from Lake Charles, La., to their new home at 6207 Ave. W. in Lubbock, and Rev. Corbett will engage in itinerate Bible teaching, a new field among Baptist churches. Mrs. Jo Anne Corbett is the daughter of Mr. and Mrs. Clay Bennett of Tahoka.

Rev. Corbett is a graduate of Baylor University and Southwestern Seminary, and Mrs. Corbett holds a degree from a Lake Charles College.

## Wool Payments Are Made Here

Wool and Lamb incentive payments for the 1961 marketing year have been made in Lynn County, Charles G. Bragg, Agricultural Stabilization and Conservation County Committee, announced. The payments cover shorn wool and unshorn lambs marketed from April 1, 1961, through March 31, 1962. Applications for the payments had to be filed not later than April 30, 1962.

Payments made in the County under the wool incentive program for 1961 amounted to \$1223.96. Eight producers shared in the payments.

On shorn wool, the rate of payment is 44.5 per cent of the dollar returns the producer received from the sale of shorn wool during the year, or \$44.50 for every \$100 received. This is the amount necessary to bring average wool prices up to the announced incentive level of 62 cents per pound under the National Wool Act. On unshorn lambs, the rate is 76 cents per hundredweight of live animals sold.

As authorized by the Act, deductions of 1 cent per pound from shorn wool payments and 5 cents per 100 pounds of liveweight from unshorn lamb payments have been made for advertising, promotional, and related market development activities on wool and lamb. The promotion program is implemented by agreement between the Secretary of Agriculture and the American Sheep Producers Council, which was established for that purpose. The deductions from payments were approved by producers in a referendum held in 1959.

## Former Citizen Saves Boy's Life

A former Tahoka resident was cited as hero of the hour when he pulled a 15-year-old boy from the turbulent waters of Palo Duro Creek August 5.

Mickey Fitts, son of Milton Fitts, former Tahoka resident now of Canyon, Texas, was attending a family reunion in Palo Duro Park when he was called on to pull Lonnie Wagner 15, of Nazareth, from an 11-foot pool in Palo Duro Creek.

Young Fitts and two cousins, Albert Posey, 31, of Stanton and Gary Anderson, 15, of Tahoka, heard the screams of the Wagner family and immediately ran to the pool throwing clothes and shoes as they ran. Posey reached the pool first pulling Bonnie Wagner 7, to safety.

Diving to the bottom six times, Fitts was finally able to secure the almost lifeless body of Lonnie, who had gone after his sister. The young boy, unconscious and covered with mud, was given artificial respiration by Posey and regained consciousness before an ambulance arrived.

Mickey, who is an excellent swimmer and diver, credits his older brother Milt Fitts of Tahoka, for his swimming and life saving knowledge.

"Our whole family knows what to do around water," comments Milt Fitts, Tahoka coach who runs the local swimming pool in the summer. "Mickey is probably the best swimmer in the family and we are all proud of him."

## Former Tahokans Living In Spain

Mrs. T. D. Dunlap of route 2 says her daughter and husband, S-Sgt. and Mrs. Elmer Aycock and daughter, Sherry, 10, have been stationed in Spain, near Madrid, with the U. S. Air Force, for about two months and expect to be there for three years.

Sherry is already picking up Spanish and has already written her grandparents a letter in Spanish. She is looking forward to entering school there shortly.

Mrs. Aycock is the former Miss Irene Dunlap, who attended high school in Tahoka through her junior year. Following her marriage, she completed high school in San Francisco, and then went to a nursing school and is now a graduate nurse.

Her husband was reared at New Lynn, the son of Mr. and Mrs. Joel Aycock. Mr. Aycock is deceased, and Mrs. Aycock now lives in Modesto, Calif.

Don't forget SOS Sunday! We can completely eliminate polio if we all take this Sabin oral vaccine. It costs so little and can mean so much!

Farmers, be sure to see that all your employees and members of their families have a way to get to the vaccine dispensing centers.

Mrs. Renfro says the following is the prayer used in the Special School here:

"Our Father in Heaven: Thank you for our special school and your precious children who attend. Thank you for helping us to learn tender love, patience and integrity of character. May we always have respect and reverence

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER ELEVEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 6, 1962.

SENATE JOINT RESOLUTION NO. 25 proposing an amendment to Article IX of the Constitution of the State of Texas to add a new Section to be known as Section 1-A which permits the Legislature to delegate certain zoning powers to the governing body of any county bordering on the Gulf of Mexico or the tidewater limits thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IX of the Constitution of the State of Texas be amended by adding thereto a new Section, immediately following Section 1, to be known as Section 1-A which shall read as follows:

"Section 1-A. The Legislature may authorize the governing body of any county bordering on the Gulf of Mexico or the tidewater limits thereof to regulate and restrict the speed, parking and travel of motor vehicles on beaches available to the public by virtue of public right and the littering of such beaches. Nothing in this amendment shall increase the rights of any riparian or littoral landowner with respect to beaches available to the public by virtue of public right or submerged lands.

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER THIRTEEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 6, 1962.

SENATE JOINT RESOLUTION NO. 6 proposing an Amendment to Article VII of the Constitution of Texas by adding a Section to be known as Section 3-b, providing that school taxes therefor voted in any independent school district, the major portion of which is within Dallas County, shall not be abrogated, canceled or invalidated by a change in boundaries nor shall bonds voted, but issued, at the time of such change, be invalidated by such change; authorizing the levy of taxes after such change without further election in the district as changed; providing an exception in the case of the annexation or consolidation of whole districts; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article VII of the Constitution of Texas be amended by adding thereto the following:

"Section 3-b. No tax for the maintenance of public free schools voted in any independent school district, the major portion of which is located in Dallas County, nor any bonds voted in any such district, but unissued, shall be abrogated, canceled or invalidated by change of any kind in the boundaries thereof. After any change in boundaries, the governing body of any such district, without the necessity of an additional election, shall have the power to assess, levy and collect ad valorem taxes on taxable property within the boundaries of the district as changed, for the purpose of the maintenance of public free schools and the payment of principal of and interest on all bonded indebtedness outstanding at the time of such change, adjusted or allocated to such district or any territory thereof, in the amount, at the rate, or not to exceed the rate, and in the manner authorized in the district prior to the change in its boundaries, and to assess, levy and collect ad valorem taxes on all taxable property in the district as

changed, for the payment of principal of and interest on such bonds in the manner permitted by the laws under which such bonds were voted. In those instances where the boundaries of any such independent school district are changed by the annexation of, or consolidation with, one or more other school districts, the taxes to be levied for the purposes hereinafter authorized shall be in the amount or not to exceed the rate theretofore voted in the district having at the time of such change the greatest scholastic population according to the latest census and delivered and any voted, but unissued, bonds of other school districts involved in such annexation or consolidation shall not thereafter be issued."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held throughout the State of Texas on the first Tuesday after the first Monday in November, 1962, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Article VII of the Constitution of Texas, by adding thereto Section 3-b providing that taxes or bonds previously voted in any independent School District, the major portion of which is in Dallas County, shall not be abrogated, canceled or invalidated by any change in boundaries and authorizing the continuance of the levy of taxes after such change without further election."

"AGAINST the Amendment to Article VII of the Constitution of Texas, by adding thereto Section 3-b providing that taxes or bonds previously voted in any independent School District, the major portion of which is in Dallas County, shall not be abrogated, canceled or invalidated by any change in boundaries and authorizing the continuance of the levy of taxes after such change without further election."

If it appears from the returns of said election that a majority of the votes cast were in favor of said Amendment, the same shall become a part of the State Constitution and be effective on and after the date of its adoption.

Sec. 3. The Governor shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and laws of this state.

Student Guest Tells Of Britain

Paul Bartlett, from England, summer foreign student guest of Tahoka Rotary Club, was the speaker at the club Thursday noon of last week.

Paul told something of the physical make up of his country of Great Britain, which includes England, Scotland, Wales and North Ireland, the area in which he lives in Southeast England, his home town, where his father is a bank manager. He also told of the university he attended in Northeast England.

Bartlett showed color slide pictures of his native land, and also told how he came to get the appointment for the trip to Tahoka under the Experiment in International Living program.

Horace Rogers was in charge of the program, and Harold Green

prayer just as they have in the past.

Mrs. Frank Edwards of Houston sent us a clipping from a Marlin paper telling about a "good deed" the people of that town, including some former Tahokans, had done for some unfortunate Boy Scouts from Decatur, Georgia, en route to Philmont Camp in New Mexico. Ten Explorer Scouts, their advisor and wife, were involved in an automobile accident near Marlin, and five Scouts were hospitalized. Mr. and Mrs. Hubert Davis, formerly of Tahoka, Mrs. Davis being the daughter of Mrs. Nettie Davis, opened their home to those not in the hospital, and other Marlinites flew in to entertain and make their unintentional guests comfortable in typical Texas-hospitality fashion. Mrs. Edwards says the friendliness shown these strange boys away from home reminded her of Tahoka's friendliness to people in time of need.

Tahoka Chamber of Commerce and the Rotary Club have both launched projects to help make Tahoka a more friendly town.

We understand at least two of the local churches have started moves to promote more friendliness in congregations. David Bray suggests that the idea could be extended still further — into the schools, other churches, clubs, and to the average man on the street and housewife in the home. A friendly smile and a handshake costs nothing. They can mean a lot to a stranger. They even make the giver feel better. Being a friendly person, or a friendly community can mean a lot to all of us.

Our lesson for the week in the high cost of big government in Washington:

Sen. Wm. Proxmire (D-Wis.) recently objected to an item in the budget for five Lincoln limousines costing \$6,714 each, to distribute mail for Senators around the capital city. Sen. John O. Pastore (D-R. I.) defended the \$146.7 million money bill to finance Congress in the current fiscal year, and said the limousines were "an old Senate custom."

Willie's mother, a great believer in the "be-a-little-gentleman-and-don't-fight" method of raising her boy, was unsuccessfully trying to instill this noble outlook into her pugacious young man.

"Will, when that naughty boy threw stones at you, why didn't you come and tell me instead of throwing them back at him?"

"What good would that do?" snorted Willie. "You couldn't hit the side of a barn."
