Reece Officer Is Rotary Speaker

Capt. Donnie B. Clemens, instructor pilot at Reece Air Force Base, was the speaker at Tahoka Rotary Club Thursday noon and showed a picture. "Breaking the Language Barrier."

Capt. Clemens told of the training program at Reece in teaching pilots from other countries to fly the 400 mile-per-hour jet trainers. He said these pilots "from foreign countries undergo 52 weeks of intensive training at Reece. They are the best these countries have to offer, but most have limited use of the English language, have little or no mechanical knowledge, and some have never even driven a car but are flying planes. However, he said he is amazed at the progress they make flying.

Some of these foreign pilots will be speaking at Tahoka Rotary Club in the near future, and he stated we Americans should do everything possible to promote friendship and the American way of life with these friendly allies.

The picture he showed dealt with our Thunderbird precision flying team demonstrations in foreign lands, flying at 600 to 700 miles per hour, and how such demonstrations promote good international relations.

Charles (Buddy) Bragg introduced the speaker as a native of

OTHER EARLY RESIDENTS OF-DRAW ARE RECALLED

J. E. (Guy) LeMond of Snyder writes that, in the recent interview with The News on old times in the Draw community, he regrettably omitted a number of the early day settlers of the area.

"One reason," he says, "I was not sure as to dates after 55 years time," and, too, that it is hard to recall all on short notice. "We called 10 or 15 miles as neighbors in those days."

Some of these families omitted in addition to the Tunnells, were the McDonalds, Phillips, Alexanders, Marsh, Majors, Edwards, Hights, Jones, Walkers, and also the Doyle Ranch just under the "cap."

Another family member not mentioned was Rev. Claude LeMond, new Methodist pastor at Haskell.

Incidentally, Guy is going up to the Seattle World's Fair by bus, and expects to fly back home.

Colorado, graduate of University of Colorado, and a pilot of fighter-bombers in foreign service. Dale Thuren and Larry Hagood arranged the program.

Student guests for the month, J. E. Birdwell and Andy Bray, were introduced by Lynn Seales.

Dr. Skiles Thomas, club vice president, was in charge of the meeting in the absence of President Calloway Huffaker, out of town attending court.

BURSTING WITH NEWS... '63 MERCURYS

NEWS-MAKING ROOF FROM MONTEREY. The advantages of Monterey's distinctive styling go far beyond its beauty. This is elegance that works. See how the recessed rear window slants inward? It stays clearer in rain or snow. On hot days, it opens for breezeway ventilation. The overhanging roof shades rear-seat passengers from the sun, gives more headroom, keeps glare off the rear window for better rearview visibility. More good news: a Mercury Marauder 390 V-8 is Monterey's standard engine.

SPARKLING NEW MODELS FROM METEOR. For 1963, Meteor is the hot brand. Meteor is the sparkler with a whole new line of models in the low-price field—sleek new low-to-the-road hardtops, sedans, and three new station wagons. Feel sporty? Try the racy Meteor S-33 hardtop, with individually adjustable bucket seats and a handy console. For brilliant performance to match Meteor's sparkle, a new Lightning 260 V-8 is available in every model. And you save on upkeep with Mercury service-savers.

THE LID'S OFF COMET. Now a jaunty new convertible joins Comet's all-fun line. This sleek, rakish beauty comes in two models: the Custom and the dashing S-22, with bucket seats and optional stick shift. All Comets now have a complete package of service-savers like self-adjusting brakes. And Comet still heads its class with the largest trunk, longest wheelbase, and best resale value record. See Comet's whole happy '63 line-up: convertibles, sedans, station wagons. Fun-test your favorite Comet now!

Mrs. Roy Edwards Is W.S.C.S. Speaker

Thirteen members were present when Mrs. Roy Edwards brought the study of Tiawan, a place of beauty and luxuriant plant life. Study was brought out in the schools, industries and church work.

Mrs. Cantrell named the different peoples and commented on language problems in Tiawan.

Mrs. G. M. Stewart will direct the study on Hong Kong on Oct. 8. Mrs. Prohl will show slides which she made while on tour of China.

Draw and Grassland societies are invited to attend.

New Home Girls Will Give Dinner

New Home Girl Scout Troop No. 43 is sponsoring a community dinner Sunday from 11:30 a. m. to 2:00 p. m. in the Community Center to help raise funds for their trip to Old Mexico, according to Jack Clements.

Everyone in the area is invited. Prices are \$1.75 for adults and \$1.00 for children.

Girl Scout leaders at New Home are Mrs. Leroy Nettles, Mrs. Lit Moore Jr., and Mrs. Joe D. Unfred.

NEW HOME GIRL SCOUTS ELECT PATROL OFFICERS

Girl Scout Troop No. 43 met Tuesday, Oct. 2. They were divided into patrols and elected officers.

Patrol I officers are as follows: Patrol Leader, Von Nettles; Assistant Patrol Leader, Sidney Sealy; Sec-reporter, Nancy Unfred; Treas., Betty Schoppa; Entertainment Chairman, Linda Jo Blevins.

The troop discussed plans for the coming year and the meeting was adjourned.

Baptist WMS, GA's Install Officers

The W.M.U. and G.A.'s of the First Baptist Church met Thursday in Fellowship Hall for installation of new officers for the ensuing year.

Mrs. W. H. Kenley was narrator. The theme carried out was stars in the heaven with a blue sky for the background. Silver stars were placed in the sky as each officer's name was called and she was given her duties. The program was closed with the verse of scripture from I Corinthians 15:41, "There is one glory of the sun and another glory of the moon, and another of the stars, for one star differeth from another star in glory."

Mrs. Garland Pennington is president for the new year.

Birthday Party At Special School

Sandra Gayle Traweek, daughter of Mr. and Mrs. L. H. Traweek of Wilson celebrated her 20th birthday September 27 at a party given to her at the Lynn County Special School.

The honoree's mother furnished the decorations and was co-hostess with Sandra Gayle for this occasion. The birthday cake was topped with a large number 20 with two burning candles on top. Wearing a silver crown and queen of the party the honoree was a gracious hostess. She received many lovely gifts and remembered each child with a party favor and chose the games and songs played.

This is Sandra's sixth year in the special school. Besides her academic work she has grown into a lovely young lady with tact, and a great desire to help her people.

Pythian Sisters Hear Deputy Chief

District Deputy Grand Chief of Texas Mrs. E. J. Bartlett spoke to Lynn Temple Pythian Sisters Tuesday evening on building Pythianism and the duties of the Past Chiefs, of which the Lynn Temple has 22.

Officers were hostesses and presented a program entitled "Roll On Little Past Chiefs," according to the reporter, Mrs. Lucy Brice.

The next meeting will be Oct. 16 and a district meeting will be held in Country Club Party House in Lamesa on Oct. 27, and all are urged to attend the event by Mrs. Ella Schmidt, Past-Chief of Lamesa.

Pat Campbell Weds Willa Wakeland

Pat Campbell and Mrs. Willa Wakeland were united in marriage Saturday evening, September 29, at 4:30 in a quiet ceremony in the parsonage by Rev. R. F. Scott, pastor of First Baptist Church, Wilson.

Miss Webb Marries William Phillips

William Phillips and Janice Webb were married September 14 at 10:30 p. m. in the parsonage of Southcrest Baptist Church in Lubbock, by the Rev. J. Wayland Edwards in a double ring ceremony. The bride is the daughter of Mrs. Nita Webb, 1213 46th Place, Lubbock, and the groom's parents are Mr. and Mrs. C. W. Phillips of Wilson.

The bride wore a white street length dress with pleated skirt and empire waistline, boat neck, and sleeveless bodice. A peacock blue cummerbund effect was accented by matching accessories. She wore a white mum corsage.

Mrs. Phillips attended school at Bonham Junior High School in Odessa, and the groom is a graduate of Wilson High School, now employed by Wilson Lumber

Yard. After a short honeymoon to Seminole, the couple makes their home in Wilson.

7th And 8th Win At Abernathy

The eighth grade football team romped over Abernathy Tuesday night 44-0, while the seventh graders also continued an undefeated season, winning 14-6.

Coach Dave Easterday's eighth graders are well into another season with an unbeaten ball club, the team coming through last year as undefeated district champions under the tutelage of Milt Fitts.

Scoring in the one-sided battle Tuesday night were Raymond Chapa, who made two touchdowns and ran two extra conversions; Mitchell Williams, who also made two touchdowns and two conversions and then passed to Jerry Jolly who scored on the play; L. D. Mayo plunged across the line for the sixth touchdown.

The entire defensive unit was commended by Easterday for outstanding performance in the game.

Coach Milt Fitts' seventh grade team won another game for this season with Chris Roberts running across the goal line to score. Doyle Schneider ran the conversion. Another touchdown was made on a pass from John Tyler to Schneider.

Playing an outstanding defensive game against the Antelopes were Gary Brooks, Richard White, Randy Wood and Keith Davis.

Next Tuesday is an open date for the teams.

Larry Edwards Is Officer Applicant

Larry S. Edwards of New Home, son of Mr. and Mrs. J. B. Edwards, has been designated as one of six Distinguished Military Students as a result of their outstanding records in the ROTC program at Hardin-Simmons University, Abilene.

The six will become Distinguished Military Graduates and will be entitled to Regular Army commissions on graduation if they maintain their standing. Larry is a history major at Hardin-Simmons. He is a graduate of New Home High School.

Local Mexican Is Found Dead

Charley Munguia, 47, Latin-American living on the Borden Davis farm southeast of town, was found dead Wednesday about 9:30 p. m. in a shack near the house in which he lives.

Funeral services have been set for 4:00 p. m. Saturday in Our Lady of Guadalupe Catholic Church here, under direction of White Funeral Home.

Munguia, who works for Vernon Davis, had lived here about three years. Death is believed to have been from a heart attack.

He had just returned Tuesday night from a Veterans' Hospital where he had undergone treatment for heart ailment. Wednesday morning he left his home at about 9:00 a. m. and his wife presumed he was going to work.

When he failed to show up late in the evening, his wife went to look for him at local gigs. On failing to find any trace of him, officers were notified. Sheriff Norvell Redwine and Deputy Tom Hale went to the place and found the body in the shack, a few hundred feet from the house in which he lived.

He is survived by his wife and four children.

Supt. Otis Spears, who was severely injured about six weeks ago when a horse fell on him, is improving steadily in Tahoka Hospital. This week he has been able to begin sitting in a wheel chair and to begin some walking on crutches.

Two members of the Texas Tech coaching staff once coached at Texas A&M—head man J. T. King and aide Willie Zapalac.

Texas Tech lost six games to Texas A&M before defeating the Aggie gridders 6-0 in San Antonio in 1946.

With less feed being grown as a result of skip row planting and the feed grain program, cover and organic matter must be supplied in some other form. One way to provide both is to apply cotton burrs.

Research shows that gin waste will increase lint yields by an average of 36 pounds of lint per ton of burs applied. Yields are highest when burs are applied at 6 tons per acre if the supply is unlimited otherwise the 2 tons per acre will return the greatest profit

per ton of burs applied. Each ton of burs contains nitrogen, phosphorus and potassium in amounts worth about \$7.65.

Tests have shown that 12 to 15 pounds of nitrogen added per ton of burs usually will provide the necessary nitrogen for the crop being grown and for decomposition of the burs at the same time. For best results apply burs in the same location for at least three years. Maximum increases in yields can not be seen until two or more applications of cotton burs have been applied. Burs applied in this manner will give improved yields for 3 to 5 years.

Mrs. Earl Morris

We are sorry to report Mrs. Jesse Ward is seriously ill this week and she has asked this reporter to pinch hit for her.

The Rev. Minor has resigned from the Baptist Church at Southland and he and Mrs. Minor have moved to Louisiana where he has accepted a church.

Mrs. Alpha Taylor has returned home after a visit with her daughter and family, Delbert and Syble Alcorn and Jan. Mrs. Taylor was recuperating from a virus while in Amarillo.

Guests in the home of the Alfred Basingers last week were Mrs. Basingers cousins, Mr. and Mrs. Tallie Eberheart of Graham.

The Baptist ladies met at the church Monday afternoon. Mrs. Earl Lancaster was leader for the Royal Service program. Those present were Mrs. Jack Hargrove, Mrs. H. D. Taylor, Mrs. Jack Myers, Mrs. Don Pennell and Mrs. Lancaster.

Mrs. Harold Wayne Donnahoo was honored with a layette shower last Thursday evening in the home of Mrs. Pat Taylor. Fruit punch and cookies were served to the guests. Hostesses were Meses Doll Haire, Bobby Oats, Gloss Davies, Francis Albright, Lucille Myers, and Taylor. Their gift was an infant seat.

Mrs. L. L. Corbell and Bunyon visited the Dwight Corbells near New Home Sunday.

Mr. and Mrs. Dillard Dunn, Mr. and Mrs. Pete Lancaster made a trip to South Texas last week.

They were gone nine days and visited San Antonio, Corpus Christi, and did some fishing in Falcon Lake. Mrs. Dunn reports they enjoyed the outing very much but caught colds as well as fish.

Mrs. Don Pennell, her sister and brother-in-law, Mr. and Mrs. Carl Cederholm of Post spent the week end in Decatur visiting a brother and family, the Riley Howards.

Some of the young people of the community have started to college including Harvey L. Pennell, Kelly Davies, Brenda Dabbs, who are attending Texas Tech, and Sonny Ellis, who is attending West Texas State.

Mr. and Mrs. H. D. Hallman and her brother, H. D. Dabbs, in Amarillo, who is seriously ill.

Mr. and Mrs. Fred Davidson and Louise visited the Don Millikens near Wolforth last Thursday.

Mr. and Mrs. Martin Edmunds were host and hostess for a rehearsal dinner honoring their son, Dale and his fiance, Miss Ann Haddock of Slaton at a Slaton restaurant. Another son and family, Mr. and Mrs. Donald Edmunds and children also attended the dinner.

Mr. and Mrs. Jim Dyer, their daughter, Mrs. Carl (Gloria) Brewer and son Mike, and Dyer's sisters, Mrs. W. T. Shepherd and Mrs. G. E. White of Lubbock, were guests of J. R. Wood last Friday. The Lubbock groups visited in the home of Mr. and Mrs. Buford Power near Wilson that afternoon.

Mrs. Ray Maeker, who works in Slaton, was returning to her farm home recently when her car collided with another which was attempting to turn off of the highway. Mrs. Maeker was badly bruised, and her car was a total loss. The other lady had a back injury but not seriously injured.

Brenda Dabbs, who is attending Texas Tech, spent the week end with her parents, Mr. and Mrs. Herman Dabbs and David.

Jimmy Lancaster, who was recently inducted into the U. S. Army in Amarillo, came by to visit his parents, the Earl Lancasters, on his way to camp at Fort Polk, La. where he will be stationed.

Jerry and Alvin Gary of Ruidoso, N. M. are attending school at Wayland in Plainview. Alvin is a ministerial student and Jerry is a religious education major. The boys formerly lived in this community and are grandsons of the Earl Morrises.

Mr. and Mrs. Alfred Basinger returned last week from a two weeks visit with their sons and families. In San Antonio they visited the Harlan Basinger family, and in Mercedes they visited the Billy Basinger family. They report they enjoyed the visit and Alfred said he did quite a bit of fishing while there.

Mr. and Mrs. J. W. Donnahoo recently spent a week of fishing and recreation at Possum Kingdom. One day while they were out in a boat and so busy catching fish they failed to see an approaching storm, they were caught in the storm and had quite a time reaching land.

Word has been received here that Richard Hagler and his daughter, Mrs. Bettie Ruth Campbell, were in a car accident. He received bruises and Mrs. Campbell received a broken arm and bruises.

Mr. and Mrs. Billy Winterroud of Amarillo were here Thursday visiting their son and family, Paul and Cookie Winterroud and their children, Dahlona, Breon and Jerry.

Mrs. J. F. Rackler celebrated her 70th birthday Sept. 16. Guests for the occasion were her children, Mr. and Mrs. Claud Roper, Nelda and Linda and a friend, Tommy Stell of Wilson, Mr. and Mrs. J. B. Rackler, J. B. Jr. and Beverly and her friend, Sherry Smith of Slaton, and Miss Ora Snappy.

Mr. and Mrs. B. F. Gunnel and Ronnie, Mr. and Mrs. Bobby Miller, all of Slaton were guests of the Donald Edmunds Sunday. Mrs. Edmunds and Mrs. Miller are daughters of the Gunnels.

Mr. and Mrs. Earl Lancaster were in Lubbock Sunday visiting her sister, Mrs. Carl Foster and

Mining of Slaton, who presented Mrs. Rackler with a lovely pot plant.

Mr. and Mrs. N. H. Crisp, who have been spending a few weeks at Ruidoso, N. M. returned home last week and spent awhile Saturday evening with the Ed Cummings.

Mr. and Mrs. Ed Milliken report their grandson, Sgt. Joe Don Milliken, has returned home after four years of service in Germany. The sergeant has a 30 days leave. Other guests in the Milliken home have been Mrs. Tot Hatchett of Lubbock, Byron Milliken of Lakeview, Mrs. Clea Young, Mr. and Mrs. Robert Milliken and children all of Slaton, and Mrs. S. D. Martin.

Mr. and Mrs. Clyde Shaw spent the week end in Friona with a son and family, the M. J. Stacey.

Mrs. Sam Kirby and daughter from Ja., N. M. are visiting her mother, Mrs. Horace Seals. They all visited the Ed Millikens Sunday.

Rev. and Mrs. Ross Dunn of Lamesa visited his brother and sister-in-law, Mr. and Mrs. Ronnie Dunn last Friday. The men's parents, Mr. and Mrs. Dillard Dunn also visited with them.

Mrs. Jack Martin, who lives in California was here last week visiting her mother-in-law, Mrs. S. D. Martin. She also visited her mother, Mrs. Mary Edwards in Lubbock and other relatives before returning home.

Monroe and Miss Dolly Shelton of Ruidoso, N. M. spent the week end in the home of the Ed Millikens.

Mr. and Mrs. B. F. Gunnel and Ronnie, Mr. and Mrs. Bobby Miller, all of Slaton were guests of the Donald Edmunds Sunday. Mrs. Edmunds and Mrs. Miller are daughters of the Gunnels.

Mr. and Mrs. Earl Lancaster were in Lubbock Sunday visiting her sister, Mrs. Carl Foster and

Flippin Was Hurt In Football Play

An error concerning an injury sustained by Jack Flippin about two years ago was printed in The News on Sept. 14.

Jack underwent surgery on Sept. 12 for the removal of a kidney.

The News reported that he received an injury several years ago playing sandlot football when he broke several bones. Actually the injury occurred on Nov. 3, 1960 at 3:30 p. m. at Tahoka High School while working out for football and Jack received a fractured lumber and damaged lower back muscles.

Mr. and Mrs. Aubrey McNeely and daughter spent the week end fishing at Lake Stamford.

Guests in the William Lester home have been Mrs. Lester's two sisters, Miss Lanora Ingle and Mrs. G. E. Davis of Grandview. While here the Lesters took the ladies to visit a son and family, Joe and Joy Lester and children in Amarillo. Mrs. Clem Lester of Lubbock visited the family while the ladies were here. Miss Ingle and Mrs. Davis returned home Thursday.

The Earl Morrises went to Dallas last week and visited a daughter and family, Walt and Mary Lyman and children. Lyman and Morrises spent the week end in Houston visiting two sons, Maurice and Phyllis Morris, Jimmy and Jerry Morris. On the way home the Morrises visited his sister and brother-in-law, Mr. and Mrs. O. G. Lewis near Rule.

Mrs. H. D. Taylor and Mrs. Jack Myers were in Lubbock last Friday to attend a workshop at the Trinity Baptist Church.

Mr. and Mrs. Haywood Basinger visited a daughter and family, Mr. and Mrs. Doug Pearce and Sue at Grantie Shoals last week.

Football Programs Are Among Best In All West Texas

Tahoka Schools get many compliments on the football programs sold at local Bulldog games, proceeds from which go toward athletic awards and other benefits for the players.

The Tahoka 20-page program is probably the most complete produced by any high school in West Texas. In addition to individual and group pictures of team members, the program carries pictures and information on many phases of the local high school, including faculty, coaches, administrators, Laidings, "T" club, football council, Bulldog Mothers, Student Council, past championships, cheer leaders, etc.

Fans are asked by the boys to buy these souvenir programs, take them and keep them for future reference and to show others.

PAUL PITTMAN ILL IN FORT WORTH HOSPITAL

Mr. and Mrs. Bill Biggerstaff visited in Stephenville last week end with her parents, Mr. and Mrs. Fred House, formerly of this county, and brought The News the following clipping from the Stephenville paper regarding another former Tahoka man:

"Paul Pittman, upper Paluxy stock farmer, entered Dublin hospital a few days ago for special treatment but his condition became complicated and he was rushed to a Fort Worth hospital late Friday. His condition was reported critical Saturday morning."

Pistone Family Is Active In Church Work In This Area

Levelland—David Roberto Pistone, South Plains College foreign student from Argentina, likes SPC and his work as full-time minister of the Latin-American Mission of the Woodrow Baptist Church.

Pistone first came to the U. S. in 1960 to visit a brother living in Los Angeles. He spent a half year in Toronto, Canada where his sister and her husband live. His brother-in-law in Toronto is studying to be a minister.

His parents still live in Bilenos Aires, where his father is a salesman and lay worker in the Baptist Church.

A member of a large family, David has five brothers and all of them are living in the United States at present. He has two sisters in the U. S. and one in Canada.

David, an ardent church worker, spent a half year as a missionary in lower California of Old Mexico. He also served a period as interim pastor of a church in Los Angeles.

The Pistone family members are all interested in church activities. David's brother, Joel Pistone, is pastor of a Baptist church at Post John W. Pistone, another brother, is pastor of a Baptist church at Tahoka. A brother-in-law, Henry Medina, is pastor of a Baptist church at Rotan.

Sid Pistone, another brother, is studying in a Los Angeles college toward a career as a minister.

David is taking courses in Bible, history and sociology at SPC this semester.

He resides at Woodrow, some six miles from Lubbock.

Sterile Screw Worm Flies Are Released

More than 62 million sterile screwworm flies were released in Texas and New Mexico during the week of September 16-22, county agent Bill Griffin, has announced. Production of the flies at the plant near Mission, Texas, has increased steadily since it started operation in June.

Livestock producers and sportsmen apparently are receiving the Screwworm Eradication Program with widespread satisfaction, Griffin said. Many Lynn County producers have reported a marked decrease in the number of screwworm cases this year as compared to other years.

Individual inspection and treatment will continue to play an important role in the Screwworm Eradication Program, Griffin said. He urges producers to inspect their animals at least twice a week and treat wounds with approved screwworm remedies such as Korlan Smear, Co-ral Powder, EQ 335 or Smear 62. He also recommends systematic spraying every 10 to 14 days with a 0.25 per cent Co-ral or 0.5 per cent Korlan solution.

"This time of the year, we are especially vulnerable to screwworm infestation because of the wet, cool weather which is favorable for the screwworm fly," he said. "Remember that each case of screwworms you destroy will prevent thousands from occurring later."

He also urged producers to continue to collect 10 maggots from wounds, put them in alcohol or water and deliver them to him or send them directly to: Screwworm Identification, Post Office Box 969, Mission, Texas. Reporting cases is an important aspect in the success of the program, he said.

Adolfo Flores, 72, Dies Wednesday

Adolfo Flores, 72, well known Latin-American, died Wednesday at 9:30 a. m. in a Lubbock hospital. He had recently undergone an operation.

Funeral services will be held Sunday at 10:00 a. m. in the Mexican Baptist Mission with the pastor, Rev. John Pistone, officiating, and burial will follow in Tahoka Cemetery under direction of White Funeral Home.

Flores had lived here since about 1943. Born in Mexico, he was the proud possessor of naturalization papers as a citizen of the United States, which he received a few months ago. He was married 47 years ago.

Survivors include his wife; six sons, Adolf of Thorndale, Albert of Amarillo, Alex, Ray, Jesse, and Emilio, all of Tahoka; and four daughters, Mrs. Amalia Garcia of Tahoka, Mrs. Lupe Lejerina of Hereford, Mrs. Mary Gutierrez of Taylor, and Mrs. Stella Cavazos of Vernon.

James Efird Is Host At Wayland

The event is a Stay-All-Day Party on Monday, Oct. 8; the guests are parents of students, and the place is Wayland Baptist College, Plainview.

Among those serving as hosts and hostesses for the annual Parents' Day gatherings will be Betty Lang, daughter of Mr. and Mrs. T. W. Lang, and James Carroll Efird, son of Rev. and Mrs. T. James Efird. From Wilson will be Carol Lamb, daughter of Mr. and Mrs. R. A. Lamb.

Included on the day's agenda will be a chapel program, lunch in Slaughter Memorial Center, a panel discussion, and dedication services for Wayland's new Home Life Building. Parents will also be invited to attend classes during the day.

SMITH AT CONFERENCE

Judge Truett Smith is attending the annual conference of Texas judges in Austin this week end which will include a series of seminars under joint direction of University of Texas Law School and American Bar Association.

"THIS IS THE LIFE" SETS AMAZING TV RECORD

Can you name a single television program that was on the air ten years ago and still is on today? Very probably not, for the simple reason that such programs can be counted on the fingers of your left hand.

Surprisingly, one such program is the popular series "This Is The Life," sponsored by The Lutheran Church—Missouri Synod, which begins its eleventh consecutive season on the air this Sunday.

Starting with six stations in the fall of 1952, "This Is The Life" has expanded its coverage until today it ranks among the most televised programs in the world. The number of stations carrying the Lutheran program in the United States and Canada every week has skyrocketed to the phenomenal total of 342.

In addition it is seen in such faraway places as Nigeria, Africa, Australia, the Philippines, Ecuador, and it is being released to our armed forces overseas. At present experimentation with foreign language sound tracks is well under way.

Professionally produced in Hollywood, but paid for out of the mission treasuries of The Lutheran Church—Missouri Synod, "This Is The Life" is a dramatic portrayal of Christian faith and life in action. It is on the air 52 weeks of the year and enjoys an estimated weekly audience of 10,000,000 viewers.

Locally, the program can be seen on Channel 13 every Sunday at 9:00 o'clock a. m. Sponsoring the program in this community is St. Paul Lutheran Church, Wilson, of which the Rev. R. F. Kamrath is the pastor.

Daniel Compos, Cresencio Ramirez and Jose Hernandez, all injured in an automobile accident Sept. 23 when one man, Geronimo Lopez was killed, were released from Tahoka Hospital over the week end.

Enlarge Dining Room At Cafeteria

Dining room of the A. L. Smith Cafeteria is being enlarged this week to seat a total of more than 100 people, or about 30 or 35 more than in the past.

Other minor improvements will be made, including moving of ovens to a new kitchen in the rear.

In order to gain the space, Smith is decreasing the size of the locker plant, which occupies the rear of the building.

REV. WEBB IN HOSPITAL

Rev. Joe Webb, pastor of Sweet Street Baptist Church, was carried to West Texas Hospital in Lubbock about midnight Wednesday. No report had been received Thursday at noon on his condition.

Mrs. Katie Hawthorne of Camrilla, Calif., has been here since Saturday visiting her son, Marlin Hawthorne and family, and sister, Mrs. O. E. Eubank, and husband, Mrs. Hawthorne, Marlin and family are leaving Friday to visit other relatives in Fort Worth and Missouri.

Mrs. Waymon Pierce recently had surgery in the Methodist Hospital in Lubbock. She reports that she is improving and will soon be well.

Texas Tech's longest pass play, from quarterback Ernest Hawkins to Cal Stevenson, was good for 90 yards and a touchdown against Texas A&M in 1948.

The automobile has proved to be a great moral force—it has stopped an awful lot of horse stealing.

25% DIVIDEND TO ELIGIBLE TEXAS MOTORISTS

That's right, Texas policyholders have come to expect dividend savings from State Farm Mutual's famous 6-month policy. Nine out of ten policyholders have saved more than \$30,000,000 over the past 27 years. State Farm's present 25% dividend rate makes the actual cost of car insurance lower than that of most other companies. For more complete details see me soon!

HUBERT YANDELL IS HOME FROM GERMANY

Hubert Yandell spent about 10 days visiting with friends and relatives on his return from Germany. Yandell had been stationed in Germany for three years and this was his first time to come home.

He is now stationed in Fort Benning, Georgia.

Mrs. Vada Holt and daughter, Mrs. Charles McLaran, the former Julia Thomas of Grassland, and the latter's little son, are here visiting old friends and looking after their property near Central Church. They live in Texarkana, but the McLaran family is preparing to move to Montana.

CARD OF THANKS

The family of Roland Rhoads wishes to take this method of expressing our appreciation for everything that has been done during our recent sorrow; for the ones who stayed at the hospital; for all the visits, food and flowers; and the ones who stayed at the funeral home. Our special thanks to Dr. Glen Payne and the nurses in Mercy Hospital. Our sorrow in the loss of our dear loved one is somewhat easier to bear because of your kindness. Your sympathy at this time is a comfort to us.—The Roland Rhoads Family. 11

WESTS HAVE VISITORS

Mr. and Mrs. Grover West of Phoenix, Ariz., and Mr. and Mrs. Bill Branch and children of Dallas are visiting this week with Mr. and Mrs. E. H. West.

CARD OF THANKS

I want to thank each and every one of you nice people who sent letters, cards, flowers and all the wonderful visits. I shall always cherish each of you.—Mrs. E. R. Tunnell.

Tahoka Bulldogs Lose To Idalou 28-0 In Game Played There Friday Night

Tahoka Bulldogs lost 28 to 0 to the undefeated Idalou Wildcats, District 4-A champions four years in a row, at Idalou Friday night. Therefore, the Wildcats got sweet revenge for the upset defeat handed them last year by the Bulldogs here.

Tahoka had a lot of hard luck in the penalty department, suffering six such set-backs for a total of 66 yards, not to mention three penalties the Wildcats refused. But, three of these penalties were at very critical times and some of them were questioned by Tahoka fans.

GAME STATISTICS	
	T I
First downs	10 16
Yards rushing	115 177
Yards passing	72 99
Passes complete	5 5
Passes incomplete	7 4

Number of punts	4 2
Punts, yds. avg.	37 35
Number of penalties	6 0
Yards penalized	66 0
Fumbles lost	1 4

However, the Bulldogs were not playing one of their better games, while the Wildcats were steamed up for revenge.

Wildcats Score Early
Tahoka took the kick-off, couldn't move, Bray punted 36 yards. Idalou couldn't move on its first series, either, and punted back 34 yards. HB Steve Greer made 12 from the Tahoka 20 to the 32, then one, and FB Adolph Chapa made four, but Tahoka bogged down on the 35, and Bray punted 30 yards, which QB J. T. Benton brought to the Idalou 42. FB Manuel Hinojosa, 174-pound driving back who was seldom stopped without gain by Tahoka

made 11 yards in three carries, HB George Johnson lost one, and then Benton's pass to LE Tootie Everitt was good for 20, and three plays later Benton threw to HB Roger Sage on a 31-yard touchdown play. Center Bill Nicholas kicked his first of four conversions and Idalou led 7-0.

After the kickoff, QB Tony Spruiell's third down pass was intercepted by linebacker Dale Parr on the Tahoka 45, and the Wildcats moved to the Tahoka seven before Johnny Rogers recovered a fumble for Tahoka on its own 11. Spruiell and FB Andy Bray moved out to the 24 in two plays, but Tahoka drew a penalty half the distance to the goal. Bray quick-kicked 47 yards, and three plays later Jose Cervantes intercepted a Benton pass on the Tahoka 38 and ran it to the 43.

Tahoka was held for downs, Bray punted 53 yards over the goal line (net 33). Idalou picked up one first down running and one on a 12-yard pass Benton to Everitt, and then Freshman Larry Jolly covered an Idalou fumble on the Idalou 38. Tahoka had a chance here, but three running plays netted only five yards and a fourth down pass was incomplete. Idalou ran two plays and completed a 20-yard pass to Johnson on the Tahoka 39. Here, on the next play, Macky Joe McWhirter covered an Idalou fumble, moved to the 45, and then Sage intercepted Tahoka's pass on the Idalou 42. The very next play, Spruiell returned the favor by intercepting a long pass on the Tahoka 17, and time ran out as Tahoka tried a couple of passes.

O'Donnell Wins Over Frenship

O'Donnell Eagles ran to a 28 to 0 victory before a home crowd Friday night over the invading Frenship Tigers, just recently moved up from District 5-A to District 4-AA.

STEVE GREER

LARRY PRICE

BILLY CLINTON

Wilson Mustangs journey to Whiteface for a 7:30 p. m. game today, and should have an excellent chance in getting back into the victory column.

Whiteface has lost four starts, to Tatum, N. M., 20-0, Meadow 20-14, Cooper 24-13, Ropesville 26-8. Wilson won its first start over Lazbuddie 18-6, and then dropped three to Amherst 12-34, O'Donnell 28-7, and last Friday to strong Anton 34-8.

One of Anton's touchdowns came on a pass to Mike Smith, son of Mr. and Mrs. Jack Smith, formerly of Tahoka.

Wilson will have an open date on Oct. 12, just prior to starting its District 3-B conference games.

"Dub" Harvick Has 1941 Team Picture

W. A. (Dub) Harvick brought The News a picture this week of the 1941 football team, thinking it appropriate in view of the 1962 Homecoming this week, however the picture would not make a good engraving.

but still lost. In the fading minutes, Tahoka drove about 80 yards down field with "Sonny" Roberts carrying the ball most of the time, and had a first down on the one yard line when time ran out.

Members of the team in the picture were: Horace West, left end; Warner Schaffner, left tackle; Dub Harvick, left guard; Robert Harvick, center; Kelly King, right guard; Garland Walker, r. tackle; Jim Bob Curry, right end; Jack Swafford, right half; Dwaine McClintock, left half; Cecil Curry, fullback; and "Sonny" Roberts, tailback. Others on the squad included Eual Akin, Bill Barham, Leonard Wardlow, Dub Fulford, Leland Mitchell, and G. W. White.

That year the team, coached by Leo Jackson, now athletic director at Irving, won five and lost five.

The next year, the 1942 team, made up of many of the above boys, won the district championship and lost to Levelland 7 to 6 in a game local fans still talk about.

Tahoka outplayed Levelland all over the field that day in 1942.

Mrs. J. D. Crawford has been released from a Houston hospital where she was a patient for a week. She is reported to be doing fine.

New Home Plays At New Deal
New Home Leopards go to New Deal tonight after having been idle this last Friday.

Because of a late start, New Home had to cancel a game with Hart, the next week lost to Whitharral, and then took a 16 to 6 victory over O'Donnell B team.

New Deal lost to Springlake 23-7 last week, but has a pretty potent outfit, having defeated Cooper 15-6, Lazbuddie 35-22, and Hart 16-14.

B Team Loses Game To Slaton

Tahoka B team lost a close game to Slaton as result of a freak mishap in the last five seconds of play here Thursday night of last-week. The final score was 14-6 in favor of Slaton B team.

The first-half was scoreless, although Tahoka had penetrated the 20-yard line and bogged down. In the second, a Slaton halfback got away on a 63-yard scoring play. Conversion failed.

In the third quarter, Tahoka again marched down to the shadow of the goal line to bog down again; but in the fourth Tahoka put together a drive that ended in "Butch" Tomlinson scoring from 23 yards out to tie the score at 6-6.

As time was running out, Slaton

was forced to punt and the ball went out of bounds on the Tahoka 2-yard line. Tahoka elected to gamble on a pass play, but as QB Terry Harvick attempted to throw the ball a Slaton player snatched the pigskin in the end zone for a touchdown. The Slaton boys then ran over the conversion, and that was the ball game.

Mr. and Mrs. Marvin Munn are in Snyder for the fall, where he is ginner of the Von Roeder cotton.

Printer's Ink-lings

By F. P. H.

We wonder what it cost to get one man enrolled in Ole Miss. Our leaders get terribly worried about Civil Rights, but the same men are afraid to insult old Castro for fear we'll hurt Khrushchev's feelings. Of course, the feelings of the people of Mississippi don't amount to anything.

Our Attorney General, backed by the President, takes a holier-than-thou attitude on law enforcement and court decisions—and all of us should respect law and order! But, these two leaders encouraged, aided and abetted the invasion of Freedom Riders from the North whose only purpose was to stir up strife and incite riots clearly in violation of the law. Our Attorney General gave encouragement to Sit-Ins on private property of Southern business men—another violation of constitutional rights. This same official asked for and got a law permitting him to jail known Communists—traitors and spies—but how many has he jailed? Couldn't our leaders set a little better example in the matter of law enforcement?

The whole affair is a very regrettable one. There have been terrible mistakes on both sides. Negroes have been incited against Whites. Whites have been aroused against certain factions of Negroes. Both lose. Race relations are at a low ebb. School children and college students of both races have to suffer for years to come. Negroes held in high respect have to suffer, too. But, we can't force social reform overnight in an area where people do not want such a mixture of the races and these old prejudices can not be broken overnight.

And, Bobby Kennedy's children will continue to attend an exclusive school. We are waiting to see if little Caroline will go to public school in the district where her family lives, a district in which school enrollment is said to be about 65 percent Negro.

And, Mr. Eisenhower and Mr. Nixon and Lyndon Johnson have also been careful that their children or grandchildren have not had to attend a school predominately black.

Somewhere along the line this past year, The News made a mistake in numbering its issues and had to catch up a week. Maybe you were wondering why last week's issue was Number 53—well, that's the reason. There are not 53 weeks in a year, we just wanted to keep our volume ending in the first week of October.

On October 6, The News will be 59 years of age, the first issue having gone into the mails on that date back in 1903. We take a little pride in the fact that this is the oldest business institution on the South Plains south of Lubbock, although not under the same ownership that long, and is the oldest newspaper in the same area. Furthermore, The Printer has been with this paper longer than any man with any weekly on the Plains of Texas—38 years. We've enjoyed every minute—well, nearly, anyway.

Everything considered, The News has the best team of workers it has ever had. We are proud to have with us Rogers Curry, a former publisher himself who knows all the ropes; Larry Thomas, just out of high school but a promising young printer; Tony Spruiell, schoolboy becoming pretty proficient at the trade; and Gary Thomas, another schoolboy also learning the printing trade. Then, we have Mae, who's been selling advertising for longer than she'll admit; Pat Jacobs and Diana Hawthorne, who keep books, write news, and even get printer's ink on their hands on occasion. The boss doesn't do anything but write checks.

Times were when we had to burn much more midnight oil than we do now to get the paper to bed. Many years we had a little "prayer meeting" of our own down here nearly every Wednesday night that didn't break up until away after midnight. A few times we didn't even go home for supper or for breakfast the next morning, working straight on through the night. Then, there was the time,

right in the middle of a big Christmas edition, we threw a form (two pages of type) off the press and had to spend the rest of the night getting the thousands of slugs and type together again. Then there were press breakdowns, which always come at the most inopportune time.

One we'll never forget was back about 1928, when we had a Christmas edition of about 24 pages. We were late; it was Thursday night, and the papers were to go into the postoffice at 8:00 a. m. Friday. Then it happened! A complicated gear and cam underneath the press broke into a dozen pieces. We loaded up the last four pages of forms and carried them to Slaton to finish the paper with the help of "Red" Donald of The Slatonite. He also still had four pages to go, too. There was only one place to replace the broken gear—Cambridge, Mass.—and there was no fast air service in those days. We still had to think about the next week. About midnight, we called the late S. A. Peavy, a big cog in the Slaton Santa Fe Division, and he telephoned some big wheels in Chicago to secure permission for the Santa Fe shops to make us a gear-cam like the busted one. Incidentally, those shop magicians turned out that new part by daylight. We made the mails with the paper all right, but guess what happened? The same gear on the Slatonite press broke to smithereens just about the time we finished the last press run.

Our last major mishap at The News was about three years ago when an automatic job press broke down, and a press mechanic out of Dallas cost us more than \$800.00 to get it going again. We've got our fingers crossed, but The News has not been late in 38 years.

Believe it or not, there are

things in this business worse than irate subscribers, or those who get their toes stepped on.

At the Tech-WT game, a Seagraves man and wife sat in the stands. He was nattily dressed to the perfection of a men's store advertisement of the ideal in men's fashions. Suddenly the mosquito fogging machines came by, and the spray caused his wife to go into a fit of sneezing. She reached over, pulled the neatly and carefully folded handkerchief from his breast pocket, gave the cloth a wave to unfold it. Then, she blushed as those sitting around laughed, for it was not a handkerchief at all, but one of her nicest cup towels which had colorful figures embroidered across the center.

Overheard at the same game: "They say he's a Puerto Rican, but he looks like a Negro to me," said the Tech-fan wife to her husband. "I'll tell you one thing," the husband answered, "I wish we had him. If he was playing for us, he'd look white as a sheet to me." And, at halftime, the husband was heard to remark, "Well, anyway, we've got some good Colored band members."

This is a funny joke to us: Joe Kelley's sports page in the Lubbock Avalanche, quoting Texas Tech athletic department officials, "Texas Tech will not meet West Texas State anymore because the fans want to see some intersectional games."

We're going to get another raise in postal rates whether we like it or not—like a lot of other things in government. The Post Office Department says it is still operating at a deficit and needs the raise to balance the budget. But, even before the raise goes into effect, these same officials have announced all postal workers will

be given an increase in salary. Added to this, says Postmaster Happy Smith, the Department is about to require postal-clerks to wear uniforms at an initial cost of \$1.3 million—and Congress has refused to exclude the carrying of Communist propaganda free of charge in the U. S. mails. How do you like this?

Swiped from the little house organ, "Cheer": If all of us could hang our troubles on a clothesline and a great downpour began, everyone would run to grab his own. Money still talks, but you have to increase the volume if you want to get the message through. It's strange that so many smart people work for such ignorant bosses. You can't measure happiness by money. A man with ten million may be no happier than a man with nine million. If things don't seem to be coming your way, perhaps you're on the wrong road.

Fire Department Sponsors Circus

Pat Patterson of the Tahoka Fire Department today announced that they plan to sponsor the famous Sells Bros. Circus in Tahoka on Thursday, Oct. 25.

The show, a genuine old time 3 Ring Circus "under the big top," and the largest to play in this area in many years, will give performances at 4 and 8 p. m. at the show grounds located at City Park for one day only.

Sells Bros. 3 Ring Circus, "the oldest and proudest name in the circus world," presents over 30 feature acts in 3 rings, bringing all the thrills of Circus Day to young and old alike. The tented circus is not dead, and the Sells Bros. prove it with an outstanding array of talent from the four corners of the world. Aerial artists and wire walkers share the spot light with jugglers, tumblers and funny old clowns; while amazing animal actors cavort in all three rings to show that Circus Day is still the happiest holiday of the year. Dogs, ponies, monkeys, bears, lions, and many more will hold the attention of the small fry, while the entire family will marvel at the performing herds of elephants.

Travelling on two vast convoys of motorized equipment, Sells Bros. famous 3 Ring Circus presents an all new show for the 1962 season. They boast a huge big top, with comfortable seating for thousands. No games of chance or gambling devices are carried

with the show, and the sponsor draws attention to the fact that the Sells Bros. Circus is good, clean entertainment for the entire family.

Tickets are on sale now from any member of the sponsoring group, and the sponsor urges everyone to buy their tickets early to avoid the line at the box office on Circus Day. All proceeds will go to local activities of the sponsor.

Warning Given On Defoliation

As the High Plains cotton harvest gets into full swing many growers will be thinking about the use of defoliant and desiccants to prepare cotton for machine harvesting. Timing the use of these materials can make or lose money for cotton growers.

Older, mature cotton frequently can be prepared for machine stripping or picking before frost. Experience has shown that the proper use of harvest-aid chemicals permits earlier harvest of mature cotton before exposure to weather damage reduces the grade or actual field losses due to bad weather occur.

Late cotton (June planting) on the other hand still will need all the time for maturity it can get and defoliation by frost will be more profitable. Too early, trigger-happy defoliation reduces the yields and lowers the quality. This is where "waste" and low micronaire cottons can injure the reputation of a cotton producing area. Also green bolls at the gin present numerous problems. Green short fibers reduce the quality. Green wet fiber from green bolls clogs up and sticks to ginning saws thus causing a chain reaction in reducing quality.

Plant conditions, weather conditions and other factors vary from one year to the next. Each grower will need to evaluate the situation and decide if defoliation will pay. Here are some guidelines that will be helpful:

1. Condition of the plant—Best results are obtained with mature cotton with a heavy boll load, where the irrigation cut off date is followed, leaf moisture is normal, and growth about stopped.

2. Timing—Research at Lubbock and throughout the cotton belt has shown that 60% of the cotton bolls should be open before a true defoliant is applied and more than 60% (preferably 80% open before a desiccant is applied. Harvest-aid materials thus applied have not been observed to reduce yields or lower fiber quality. Top bolls that are expected to mature should be 30 to 35 days old, at least, at time of application, full size, firm when pressed between thumb and forefinger and can't be sliced with a knife.

3. Weather conditions—Cool weather slows up defoliation. When night temperatures are con-

stantly below 50 degrees Fahrenheit and day temperatures under 70 degrees Fahrenheit.

4. Is maturity speeded up by defoliants? No. For all practical purposes maturity of the cotton fiber stops when defoliants or desiccants are applied. The degree depends on coverage obtained. Bolls have been observed to open sooner in treated cotton than in untreated fields, but fiber from the treated cotton was not more mature. Some growers have found that if frost has not occurred by about October 20 and if plant and weather conditions are normal that defoliation or desiccation about two weeks before the average first frost date, usually the first week in November, can be considered. This places the cotton in a dehydrated condition at time of the first frost and permits earlier stripping after frost.

A copy of L-145, Cotton Defoliation Guide for Texas, is available at the County Agricultural Agent's office.

Six From Here Students In LCC

Six students from Tahoka are among the student body of 394 that enrolled for the fall semester at Lubbock Christian College, Lubbock, according to E. R. Higgins, director of admissions. LCC is a Christian liberal arts junior college in its sixth year of operation.

Freshmen students from Tahoka are Lester Ray Ford, son of Mr. and Mrs. Cecil Ford, 1901 North First, Donald Gene Hammonds, son of Mr. and Mrs. Cecil Hammonds, Route 2, and Joyce Ann Swinson, daughter of Mr. and Mrs. J. T. Swinson, Route 4. Larry Gene Brown, son of Mr. and Mrs. Claude Brown, Route 4, is a sophomore. Doyle Andrew Lewis, freshman, son of Mr. and Mrs. B. B. Harding of Sundown.

Bulldogs ...

(Cont'd. from Page 1, Sec. 2)
Tahoka 38. Bray made five, a pass was good to Clinton for 13, and then Tahoka's jump pass was intercepted by Idalou on the Idalou 41. With two running plays mixed in, Idalou moved for its final score on a 16-yard pass to Everitt before Sage broke loose around his left end and raced 37 yards for the TD.

Greer ran the kick-off from the 10 to the 25, Tahoka drew another penalty, Spruiell ran for 18, Greer for three, and as time was running out three passes from the Tahoka 40 were incomplete.

On Idalou's first play, Bray covered a fumble on the 39. Now Tahoka ran up three first downs on three plays, all on passes to Clinton of 13, 12, and 13 yards respectively before the game ended with Tahoka in possession on the Idalou 23.

For Tahoka, Bray and Spruiell were outstanding on defense, and there were spurts of alert play from others, but the Bulldogs did not look as sharp on defense as in previous games this year.

Two Men Serving In Field Exercises

Grafenwohr, Germany — Two Lynn county members of the Third Armored Division recently participated in four week field training exercises here.

Second Lt. Richard Thomas, 22, whose wife, Linda, lives in Wilson, is one of the men. He graduated from Slaton High School in 1957 and from Texas A&M College in 1962. Regularly stationed at Friedberg as a forward observer in Battery C, 27th Artillery, he entered the Army in February, 1962, and arrived overseas in May. The other is Pfc. William R.

Agnew of O'Donnell, whose wife, Peggy, lives at 5080 Warwick Ave., Sacramento, Calif., and whose mother, Mrs. Elizabeth Agnew, lives in O'Donnell. Agnew is a truck driver in Headquarters Company of the 48th Infantry, entered the Army in January, 1961, and arrived overseas in July, 1961.

Here's what the other '63's wish they looked like.

Today—Wide-Track Pontiac '63

Obvious, isn't it, that Pontiac's come up with another beauty this year. Fresh over-and-under headlights, clean profile—but you can see that. There's a wider Wide-Track,

too, and a full line of Trophy V-8's. [That ought to be enough to make those other cars turn green.] And we haven't mentioned such happy touches as self-adjusting

brakes. So what, pray tell, could be keeping you from a new Pontiac of your own? A small suggestion. Don't run down to see one. Call! **Wide-Track Pontiac**
