Portable Building Leased By School

In order to alleviate crowded conditions in the Tahoka Schools, the school board Tuesday night voted to lease from Lubbock Schools a two-room 30 by 70-foot portable classroom building for the remainder of this school year. Local board members say this will relieve the crowded classroom situation temporarily.

The Tahoka Independent School District has been informed that it will receive a visit from an accreditation team of the State Board of Education on Dec. 5.

The schools were visited by another team last spring and were given recommendations that must be complied with. However, before a second visit was scheduled a warning was issued the school and was released for publication to the Lubbock Avalanche-Journal. In the meantime, Tahoka schools had complied with all recommendations possible, short of building a new high school plant to take care of over-crowded conditions, one of the complaints, and to allow space for new science laboratories, libraries in all buildings, etc.

However, Supt. Otis Spears said that the board has several accreditation teams and the one that will visit here in December is not the same one that came to Tahoka in the spring. What this may mean to the schools is yet to be seen. Some teams are interested in various phases of school work, sometimes emphasizing different categories.

The visit does not mean that accreditation will immediately be taken from the schools as a period of probation time following a warning is allowed for compliance with recommendations.

However, it does mean that if the same line of recommendations is followed by the team coming here this winter Tahoka may be faced with a building problem.

Recommendations given last spring were those for improving the physical plants, stating that over-crowded conditions were found in South Elementary, size of rooms were too small in North Elementary, science and library rooms improvement needed in high school and library facilities inadequate in all schools, along with other recommendations for improved lighting, space for displays, etc., as well as a list of recommendations for improving Dunbar school.

However, a substantial amount of money has been spent since Spring to improve both the libraries and science laboratory and equipment, as well as other phases.

It is the duty of accreditation teams to check Texas schools each year to see if schools are complying.

FFA Boys Take Stock To Fair

Eight Tahoka FFA boys will leave Sunday to show livestock at the State Fair of Texas in Dallas, accompanied by Lester Adams, local Vocational Agriculture teacher.

Ronnie Hart will show a Hereford calf, and swine will be shown by Phil Adams, Ronnie Hart, J. E. Birdwell, Larry Pyron, Jack Reece, Darwin Dykes, Larry Kiziar, and Sammy Ashcraft. They expect to return home on Saturday, October 20.

C. T. Tankersley, who underwent a medical examination Wednesday, was sent back home and his family told there was little the doctors could do for him.

Mrs. T. W. Johnson, mother of Mrs. Lee McFadden, is showing improvement at Tahoka Hospital where she is a medical patient.

Cotton Harvest Barely Started

Lynn county has ginned only about 4,000 bales of 1962 cotton, one of the latest crops in history, up to Thursday morning, according to a survey of nearly all the gins made by The News.

Tahoka had ginned 597 bales, O'Donnell approximately 600, Wilson 1200, and New Home 900. Individual gins in other communities had ginned from 10 to 270 bales.

Very few hands are being used this year, and for this reason farmers will wait for cotton to open following defoliation or frost. Many farmers with early cotton are now defoliating.

Much of the county dryland crop and some of the irrigated is very late and production still depends on how late the first killing freeze comes. The potential crop has been estimated by most observers at from 120,000 to 130,000 bales, or 40,000 to 50,000 bales less than last year.

Whereas most of the Lynn county crop has been harvested by hand in the past, they are rebelling this year on the use of high-priced hands for pulling. As a result, the big rush will not come until after heavy frost.

Grain men report that early milo has been harvested, and farmers are just now getting underway on harvest of later and better milo. Total of the milo crop is not expected to run more than half of last year's big crop.

E. J. Cooper, 78, Dies Wednesday

E. J. Cooper, 78, prominent Lynn county citizen for 36 years, died of a heart ailment at about 1:30 p. m. Wednesday in Methodist Hospital in Lubbock, where he had been a patient since Thursday of last week.

Mr. Cooper had been in ill health since suffering his first heart attack several years ago.

Funeral services will be held today, Friday, at 2:00 p. m. in the First Baptist Church with the pastor, Rev. James Efrid, assisted by a former pastor, Rev. Geo. A. Dale of Lubbock. Burial will follow in Resthaven Mausoleum, Lubbock, under direction of White Funeral Home.

Mr. Cooper was born in Mountain Home, Arkansas, April 20, 1884. He was married to Miss Ettie Ann Chisholm on July 19, 1906, in Dorchester, Grayson county. The couple moved to Lynn county from McKinney in 1926 and farmed north of Tahoka before retiring and moving to town. He served two terms as County Commissioner of Precinct 1, and also had served on the Tahoka school board. A faithful member of the First Baptist Church, he was at the time of his death the oldest living deacon. A leader in many phases of church work, he had also served on the church building committee.

Mr. Cooper was one of the founders of Farmers Cooperative Association of Tahoka, and also had served as a director of the Plains Co-op Oil Mill. Survivors include his wife; three sons, Noel of Lamesa, Andrew of Welch, and Lt. Col. Truett Cooper of Fort Monroe, Va.; five daughters, Mrs. P. A. (Opal) Nowlin of Lamesa, Mrs. O. R. (Myrtle) Ross of Dallas, Mrs. Alton (Geneva) Cain of Tahoka, Mrs. Charles (Mildred) Harris of Compton, Calif., and Mrs. Clifton (Vinita) Hamilton of Tahoka; three sisters, four brothers, 17 grandchildren, and seven great grandchildren.

Tahoka's First Coach Is Speaker At Annual Homecoming Program Here

Before a homecoming crowd of ex-students at Kelly Field Friday night, Miss Dixie Ashcraft was crowned Homecoming Queen immediately preceding the Ralls-Tahoka football game.

The ceremony was among several activities of Homecoming Day for Tahoka High School. A program in the afternoon featured M. B. Hood, Tahoka's first football coach and now mayor of Plainview, as the speaker. A banquet was held at 6:00 p. m. for ex-students when new officers of the Ex-Students Association were elected.

The coronation ceremony was held on the football field with the Tahoka High School band forming a heart. The candidates came to the center of the formation from four sides of the field escorted by football players. Larry Price and Allen Cox brought the crown and a bouquet of roses to the center of the field and Jim Wells placed it on her head.

Permian Basin Meeting Here

The Permian Basin Water and Sewage Works Association met at the Tahoka Community building on Oct. 9 for its regular monthly business meeting.

Evon Wilson was in charge of the program when the subject was slides or film with moderation.

The meal was prepared by the Eastern Star ladies of which Mrs. Esther Vaughan is Worthy Matron. About 100 men attended the meeting from all over this district.

Football Squads Have Open Date

Tahoka Bulldogs have an open date this week end, but will open their District 5-A Conference season on Friday night of next week with the Cowboys at Plains.

Seventh and Eighth grade teams will play at Frenship next Tuesday night, and Frenship B team comes here next Thursday night.

Otis Spears, critically injured several weeks ago when a horse fell on him, was released from Tahoka Hospital last week end and is continuing to recuperate at his home here. He is able to be up on crutches some of the time, and is also aided in getting around by a walker.

Duey Riddle, son of Mr. and Mrs. A. D. Riddle and a junior in Hardin-Simmons University, was home over the week end attending Homecoming activities. Accompanying him were two boys, his room mate from Angleton, and another from Washington, D. C.

Boys Ranch Can't Find Gift Cow

South Plains Boys Ranch is in a dilemma.

The boys at the ranch received a very nice contribution recently in the form of a milk cow, which they need badly. The donor, a man, said the ranch could have the cow if the boys would transport the animal to the ranch premises.

There is just one hitch. No one remembers who the donor is. Ranch officials feel that the man lives either in the Tahoka, Lamesa or O'Donnell area.

The cow seemed like a gift from heaven when the contribution was made, because it takes a great deal of milk to feed 11 hungry boys. In fact, the boys consume about three half-gallons of milk each morning for breakfast, cutting sharply into their food budget.

The ranch officials would greatly appreciate the generous man contacting them in the near future.

Mrs. A. C. Weaver is still in a Lubbock hospital suffering from hepatitis and had not yet responded to treatment Wednesday.

REV. GEORGE COULTER

Guest Speaker At Grassland Church

Rev. George Coulter, executive secretary of the Department of Foreign Missions in the Church of the Nazarene with offices at world headquarters in Kansas City, Mo., will speak at the 7:15 p. m. service Sunday at the Grassland Church.

Everyone is invited to hear Rev. Coulter, who is a native of Ireland coming to Canada at the age of 11 with his parents.

He has filled many pastorates, has been superintendent of the Northern California district of the church, and has been in the world mission program since 1960.

Fun And Bargains Offered At Sidewalk Sales Day Saturday

General Election Ballots Ordered

Order was given The News this Wednesday for printing ballots for the General Election on Tuesday, November 6.

Absentee voting is scheduled to begin on October 17, if ballots can be printed in time, and will continue through November 2.

In addition to party candidate, 14 important Texas Constitutional Amendments are up for a vote in this election.

Since many citizens lost their votes in the last general election because of failure to scratch candidates, voters are now warned that there will be names of voters in three columns on the ballot. All names in all columns for which the voter does not wish to vote must be scratched.

These candidates are under the headings, Republican Party, Democratic Party, and Constitution Party. A fourth column, Independent Party has no candidates. But, there is a fifth column headed "Write-In" where a voter may write in the name of any person he wishes, but to get this vote counted he will have to scratch out all other candidates in other columns for this particular office.

In the drawing for places on the Lynn county ballot, the Republican Party drew Column 1, the Democratic column 2, and the Constitution Party column 3.

Homecoming At Wilson October 20

The Ex-Student Association of Wilson High School will have its fourth annual Homecoming Saturday, Oct. 20, when Wilson Mustangs meet Sands.

Registration will begin at 3:00 p. m. and continue until 5:00 p. m. in the high school library. A barbecue supper will be served in the school cafeteria at 5:00 p. m., where there will be a short business meeting at 6:00 o'clock. Game time is 8:00 p. m. and following the game doughnuts and coffee will be served in the cafeteria.

Tickets are being sold for \$1.50 for the barbecue and those planning to attend should send their money, name and address to the Wilson Ex-Student Association, Wilson, Texas by Oct. 15.

Everyone is invited to attend the homecoming activities whether they are ex-graduates, ex-students, ex-teachers, or friends.

County's Bank Deposits High

Lynn county bank deposits have held up unusually well this fall considering the fact that only a very small percentage of the 1962 crop has been harvested and sold.

Total deposits in the three banks at the close of business on September 28, when the call was made, was \$11,116,349.50.

First National Bank of Tahoka showed deposits totaling \$6,873,454.59; First National Bank of O'Donnell, \$1,824,761.93; and Wilson State Bank, \$2,418,133.08.

BRING HOME FISH

Otis Hillhouse and Jimmy Bragg, fishing at Falcon Lake last week, are reported to have "hit the jackpot" fishing for catfish and caught "a big load" weighing from one to 14 pounds.

Mrs. W. B. Stovall, who returned home Thursday of last week from Mercy Hospital at Slaton, where she underwent treatment, will return there soon for major surgery.

RHONDA LITTLEPAGE

Rhonda Littlepage New FFA Queen

Miss Rhonda Littlepage has been named the queen of the Tahoka Future Farmers of America chapter and will represent the chapter at special occasions during the year.

She is a sophomore student and is the daughter of Mr. and Mrs. Walthal Littlepage.

Other candidates were Joy Thomas, freshman; Patricia Sikes, junior; and Marian Sue Milliken, senior.

The contest was held among students of Tahoka High School on a penny-a-vote basis. Proceeds will go to the local FFA chapter.

Miss Littlepage will also enter the princess contest at the South Plains Junior Livestock Show next spring. Later this year she will receive an official jacket.

Complete Church At Grassland

The Grassland Nazarene Church was completing its new sanctuary and educational unit this week with members laying the sidewalks, which is the last work to be done.

The 3,766 square foot L-shaped building was erected at a cost of \$22,000, although the value would be much greater since a great deal of the work was done by the congregation, according to Rev. R. B. Fitzgerald, pastor.

The building is constructed of concrete block with a brick veneer exterior. The sanctuary features ashwood beams and paneling behind the choir loft and at the back of the room stained fruitwood to match the pews and altar furniture, which are fruitwood stained oak. The acoustical tile ceiling, cement floors covered with vinyl tile were installed by the congregation, who also did much of the finishing work.

Four Sunday-School rooms are available in the new educational unit, with an additional five classes in the sanctuary. The building also contains a pastor's study, a choir room, baptistry, nursery and rest rooms.

Lubbock Attorney Speaker For Sunday

George McCleskey of Lubbock will be the speaker when the First Baptist Church observes Layman's Day this Sunday morning.

The Brotherhood, of which Walthal Littlepage is president, will be in charge of the services and there will be an all men's choir.

McCleskey is a well known Lubbock attorney and is the teacher of the Downtown Men's Bible Class.

Mrs. John Garner was admitted to Tahoka Hospital Wednesday as a medical patient.

Saturday has been designated Sidewalk Sales Day in Tahoka.

The unique event, promoted by local merchants and the Chamber of Commerce, should furnish fun and profit for the people of Tahoka trade territory.

Many stores will have merchandise on sale right out on the sidewalk, and some of this will be at "give-away" prices.

In addition to merchandise, there will be two clowns to amuse the kiddies—and adults—free balloons, candy, and bubblegum. There will be bake sales, cold drink stands, sandwich bars, and what have you!

Many sales people expect to dress in old time clothes to sell merchandise at old time prices, including almost every kind of merchandise imaginable including \$20.00 dresses for \$5.00, as an example, double-dip cream cones for a nickel, coffee for five cents, six hamburgers for \$1.00, yard goods, toys, notions, hardware, appliances, automobiles, boats, popcorn, men's wear, drugs, tools, etc.

There will be top merchandise and some "duds."

During the afternoon, there will be a sack race, horseshoe pitching contest, and maybe some more amusements and contests.

The High School Junior Class will have a bake sale; the Seniors, a sandwich bar; Sophomores, peanuts; National Honor Society, candy apples; and Pythian Sisters, popcorn balls, aprons and pot-holders.

E. L. Short, Chamber of Commerce president, and Mrs. Retha Dunn, secretary, say the event is intended for fun, interest, business promotion, and an opportunity for local merchants to pass on merchandise the public might want at greatly reduced prices, and at the same time show appreciation for past business.

Most of the merchants also will have special prices inside their stores, and also invite the public to come in and shop around. Naturally, some businesses dealing in services can not participate. Mrs. Dunn said, but the public should realize these people also appreciate the fine trade the buying public gives Tahoka.

4-H Club Stock In State Fair

Nineteen Lynn county 4-H club boys and girls have entered 55 head of livestock in the Junior Livestock division of the State Fair of Texas, which they will show next week, Oct. 15-20, according to County Agent Bill Griffin.

The stock will be loaded out here Saturday at 1:00 p. m. at the Tahoka Compress dock for shipment by truck.

The following have swine entered: Ronnie Lanita, Kent and Billy Wood, Harold and Robert Bessire, Eddie Joe, Mary and Carol Moore, Layne Birdwell, Danny Brewer, Max Young, Lexi Adams, and Gregg Reed, three hogs each; and Joe Emerson and Linda Edwards, two each.

Lambs will be shown by Layne Birdwell, Jan and Judy Caswell, two each.

POLIO PATIENT IMPROVES

Milton Miller, 14, suffering from a "mild" case of polio, was able to leave Tahoka Hospital last Saturday and is recuperating at the home of his parents, Mr. and Mrs. Roy Miller.

Milton is able to be up a part of the time and hopes to be able to return to school before too long.

Mrs. Clifton Hamilton was released from Tahoka Hospital Sunday after being an overnight medical patient.

Chinese Pilot Rotary Speaker

Lieut. Colonel Tapeng Ma of the Republic of China Airforce was the speaker at Tahoka Rotary Club Thursday noon, describing and showing movies of his native land, Taiwan (Formosa), major base of Nationalist China, the refugee government from the mainland.

Col. Ma is stationed at Reece Airforce Base for a year observing operations. Wilton Payne, who introduced the speaker, was informed by Reece personnel that Col. Ma is one of China's most distinguished pilots, has served nearly 19 years, flown 500 combat missions, and was the first man in history to shoot down a MIG-17 by air-to-air rocket.

Col. Ma described his homeland of Taiwan as being an island off the southeast coast of China 250 by 85 miles in size, subtropical, 48 mountains of 11,000 feet, fertile valleys, heavy rainfall, populated by 11 million people.

Taiwan was ceded to Japan in 1895 and returned to China after World War II. Since the Nationalist government fled China as the Communists took over in 1949, universal suffrage has been attained, representatives are elected by popular vote, and 85 percent of the voters cast ballots in elections.

A land reform program has been instituted, reducing the number of tenants by means of the government buying farm land in excess of 300 acres owned by any one man and reselling it to the landless.

Educational development has been remarkable, with 94 percent of the children attending school. Today there are 27 colleges and universities and 300 high schools.

Farm and industrial development has likewise been remarkable. Principal crops are rice and sugar. Manufacturing has gained tremendously, an indication of which is evidenced by the fact that in 1945 350 million KWH of electricity was used, compared to 2,900 million last year.

The military has been reorganized and standards raised to the equivalent of the U. S., comparatively, in the Army, Navy, and Airforce, using the most modern weapons, including jets.

He said the remarkable development of Nationalist China was accomplished by its own people with help from the U. S., and today stands as a barrier to Communist China.

Determination of the people is best illustrated by the fact they held their ground without a waver during 44 days of bombardment from the Communists.

The government and economy are stable, and the primary object is recovery of the mainland.

Col. Ma showed impressive movies of the island, its towns and countryside, and the military might as displayed in a great parade.

Club president, Calloway Huffaker announced the annual District Rotary Institute for new officers in Lubbock Monday at 9:30 a. m. in Second Baptist Church, that Tahoka club lacks \$200 being 200 percent in the Rotary Foundation Fund, and the club had an attendance record of 91.76 during September, 12th in

SCREWORM ERADICATION WEEK—The week of Oct. 14-20 has been designated Screwworm Eradication Week by Gov. Price Daniel. This week climaxes the efforts of Southwestern livestock producers and sportsmen to raise \$1.3 million to be used to rid Texas and the Southwest of this costly livestock pest that does an estimated annual damage of \$100 million. The program entails the production and release of sterile screwworm flies over infested areas, which results in infertile eggs and eventual eradication.

Eat Well For Less

By Connie Anderson

Home Demonstration Agent

Good meals that go easy on the budget don't just happen. They result from careful planning, buying, storing, and cooking of foods.

1. Planning—Improve use of time, energy and money by planning meals in advance. Study food advertisements in local papers, on T. V. and radio to determine the best buys. Select foods that are in season and on the plentiful list. These are usually lower in cost. Plan to prepare most of your food at home; particularly prepared and ready-to-eat foods usually cost more. Make a shopping list.

2. Buying—Foods in large packages or containers means time, energy and money saved, if adequate storage space is available and what is bought is used before it deteriorates. Of course, there are techniques to purchasing in each main line of products. Pick up the booklet "Eat Well for Less" B794 in your Home Demonstration Agents office. It gives many more details as well as a member of money-saving nutritious recipes.

The recipes below are typical inexpensive recipes.

Ham and Macaroni Casserole

1 cup chopped cooked ham
1/4 cup bread crumbs
1 cup hot milk
3 tablespoons melted fat
1 tablespoon chopped green pepper, optional
2 eggs, slightly beaten
2 cups, cooked macaroni
1 tablespoon finely chopped onion
1/4 teaspoon salt

Mix crumbs and milk; add to remaining ingredients. Turn into a greased baking dish and bake one hour at 350 degrees F. Serves four. Serve with apple and carrot salad, garlic bread, custard pie and milk.

Tuna Chowder

1/2 cup finely sliced onion
1/2 cup chopped celery
2 tablespoons margarine or butter
2 tablespoons flour
1 teaspoon salt
Dash of pepper
1 7-ounce can tuna, flaked
4 cups milk

Lightly brown onions and celery in margarine or butter in large sauce pan. Remove from heat. Blend in flour, salt and pepper. Add tuna and milk. Cook over low heat until thoroughly heated. Do not boil. Serves four. Serve with cracker, tossed green salad, gingerbread squares, lemon sauce.

General chairmen of the show are Mmes. Roy Edwards, Natt Park and John Witt. Other chairmen include Mmes. Skiles Thomas, judges; Garland Pennington, R. M. Stewart, G. H. Hines, horticulture; W. W. Hagood, Terry Noble, Oscar Roberts, hospitality; Emil Prohl, Clarence Williams, classification; Natt Park, L. C. Haney, consultants; Mitchell Williams, publicity; W. T. Kidwell, J. D. Martin and Dale Thuren, clerks.

Stewarts Observe 56th Anniversary

Mr. and Mrs. C. E. Stewart observed their 56th wedding anniversary at their home on North First Street Sunday.

Their four children and many friends attended the event.

The Stewarts were married in 1906 at Snyder. Mrs. Stewart was the former Miss Edna Rambo.

Mr. Stewart came to Fisher county in 1894 and the couple moved to Borden county in 1908 where he was a rancher. He worked on the Slaughter Ranch for 12 years in both Borden and Garza counties and was one of the real pioneer cowboys of this area.

He was on many cattle drives across Tahoka Lake and this area even before Lynn and Terry counties were organized.

The Stewarts moved to Grassland in 1923 and farmed for many years before moving to Brownfield to continue farming in 1943. They moved back to Tahoka three years ago.

Attending the anniversary event were Mr. and Mrs. H. P. Stewart of Lubbock, Mr. and Mrs. J. O. Key of Corvallis, Ore., Mrs. H. P. Lee of Fort Hood, Charles W. Stewart of Amarillo, a niece and husband, Mr. and Mrs. Jim Kelly of Lubbock, Mr. and Mrs. Roy Armstrong of Fort Stockton, Mrs. Armstrong of Lubbock, Gene Munsell and James of Tahoka, Mrs. Bell Woodthin and son of Slaton, Mr. and Mrs. Orville Stanley of route 5, Tahoka, Mr. and Mrs. J. W. Young of Post, Mr. and Mrs. Coby Watkins of Lubbock.

The Stewarts have four grandchildren. One grand daughter, Dorothy Key Armstrong, was present. Two of their grandchildren of Fort Hood were unable to attend and one grandson is in medical school in Memphis, Tenn.

New Officers For Young Homemakers

New officers were elected at a meeting of the Young Homemakers Home Demonstration Club held Thursday of last week in the home of Mrs. Margaret Owens when 15 ladies attended, including one new member and one visitor.

Mrs. Patsy Dunlap will serve as the new president and other officers include Mmes. Gwen Seales, vice president; Margaret Owens secretary; Gerald Deane Wood reporter; Joanne B. Hammonds, council delegate; Marjorie Dulin, council alternate.

New committee chairmen appointed by Mrs. Dunlap are Mmes. Rhoda Bertsch, finance; Jean Bell, yearbook; Jeanne Hicks, education, expansion and exhibits; DeLores Henry, recreation; Betty Hawkins, 4-H clubs.

Home Demonstration Agent Connie Anderson gave a program containing tips on new fashions concerning fabrics, colors, jewelry, length, etc. as well as a demonstration of new sewing methods for zippers, button holes, etc.

The group is making plans to sell Katherine Beich candy as soon as the ladies receive their order.

Mrs. Dulin received the hostess gift of kitchen linens, and the group was served refreshments.

The next meeting will be held Nov. 1 at 3:00 p. m. in the home of Mrs. Nettie Hollars at 1801 North Sixth.

Lumpkins Marries Miss Martha Janders

Miss Martha Jander of Wilson was married to Ben Lumpkins of Tahoka on Monday, September 24 in Slaton with Roy Dean Verner, minister of Slaton Church of Christ, officiating. Relatives of the two parties attended.

The bride is the daughter of Mr. and Mrs. Fred Jander of Wilson and is a graduate of Wilson High School. Mr. Lumpkins is the son of Mr. and Mrs. J. T. Lumpkins of Slaton and is a graduate of Carlton High School.

Mr. Lumpkins is a barber at the George Glenn Shop in Tahoka. The couple is living in Slaton temporarily.

Girl Scout News

Girl Scout Troop 401 attending an outing and cook-out Saturday at Tahoka Lake with 18 scouts, one leader and three troop committee mothers present.

Each patrol built their fire and cooked their own meals, which was a foil dinner of hamburger pattie, potatoes, onions and carrots. After lunch the girls enjoyed a long hike.

The troop met at Scout Hut Thursday, Oct. 4, for its regular meeting and planned the outing. Refreshments were served by Vickie Owens, according to Paula Payne, reporter.

Brownie Troop 399 met Monday, selected patrol names and patrol leaders, as well as troop officers.

Named secretary for the troop was Tony Leverett. Becky Jacobs is the reporter.

The group has three patrols including the following: Eager Beavers: Donnie Dudgeon, leader, Kathy Mauldin, assistant leader, Carolyn Bragg, Theresa Brown, Karen Bonham, and Barbara Roe.

Helpers: Zenda Oliver, leader, Vickie Renfro, assistant leader, Judy Park, Debbie Renfro, and Tony Leverett.

Moonlights: Carol Thomas, leader, Penny Parker, assistant leader, Cindy Raindl, Sandy Wood, Becky Jacobs and Suzanne Warren.

Mrs. Mary Roe is the Brownie leader and Mrs. Laquita Leverett is her assistant.

Dressing Dolls For Christmas

A ladies Sunday School class of the First Methodist Church has begun dressing dolls for the Christmas Goodfellows, according to Mrs. Lillian McCord, school nurse.

The group volunteered its services after seven dolls were given Mrs. McCord for the occasion. The ladies have also expressed a willingness to dress more dolls if these are contributed early enough to avoid the Christmas rush.

Anyone having old dolls or ones not wanted any longer may contact Mrs. McCord. She will also accept other toys and would especially like to have those needing repair at an early date.

Charley Munguia, War Hero, Gets His Wish—Full Military Burial Rites

By Tanner Laine
Avalanche-Journal
Tahoka—Purple Heart winner Pvt. Charley Munguia was buried here Saturday with full military rites—the way he wanted it.

Smartly-uniformed Army men from Lubbock and Texas Tech provided a color guard, honor guard and firing squad as well as white-gloved pallbearers and a trumpet "Silver Taps" ceremony.

Impressive Ceremony
It was an impressive ceremony in sun-drenched Tahoka Cemetery in the afternoon. An estimated 200 persons stood by with bared heads.

The crack Tyrian Rifles, Texas Tech Army ROTC unit, reservists from Lubbock's 4166th Army Reserve unit and National Guardsmen made up the military rites observance.

The flag-draped casket was carried by the uniformed pallbearers with the honor guard and firing squad at attention forming an aisle effect to the graveside.

Catholic Rites Held
A Catholic priest conducted rites with robed altar boys standing beside the casket. The military color and honor guards also stood beside the grave.

Two regular Army sergeants took the flag from the casket, folded it reverently, and handed it to the widow and children. At one point, the World War II veteran's oldest son, Ray Charles, 12, took the flag from his mother's lap and clutched it to his heart.

As the casket was lowered, at command of Capt. Tom Cannon, the eight-man firing squad fired a rifle salute of three volleys that echoed through the cedar-lined cemetery and out across grain and cotton fields of the South Plains countryside.

"Taps" Sounded
Then, military trumpeter E. W. Hallford, standing near the grave, sounded "Taps." The echo was provided by Layne Gullede, Lubbock junior high student, also with trumpet from a spot far removed among the tombstones and trees. The bright sun glistened on the trumpets and rifle barrels.

The military units marched away to leave the family and friends beside the grave.

All this was for ex-GI Munguia, who fought in the European Theater and was a prisoner of war seven months.

Request To Wife
He had always wanted a military funeral and had requested his wife to be sure he got one.

And he did.

Two uniformed soldiers stood at each end of the casket in the funeral home before the services. Funeral rites were conducted in Our Lady of Guadalupe Church at 4 p. m. The small church was overflowing and many persons stood outside.

Participants Identified
The color guardsmen were regular Army Sgts. Bill Jones and Howard Alderman. The pallbearers in black helmet liners, white neck scarves, white belts and gloves, khaki shirts with green trousers tucked neatly in combat boots, were Cadet Lt. John Richard Linnartz, Weldon Scarbrough, Terry Forbes and James Ray, of the Tech Army ROTC cadet corps.

Honorary pallbearers were George Griffin, Wayne Mathews, Henry Brown, James Porter, Thomas Huie and Jerry Darter.

In the firing squad, in khaki uniforms with green billed caps, were Sgt. Weldon Hargis, Sgt. Sam Ainsworth, Sgt. Johnny Burns and Sgt. Albert Penrod, of the National Guard; Lt. Patrick Mulvey, Warrant Officer Richard Rutledge, Lt. Bill McElroy, Sgt. I. C. Roy Carnes and Captain Cannon, of the 4166 U.S.A.R.

Munguia, 45, who was an automatic rifleman with Company G of the 317th Infantry, was awarded two Purple Hearts (twice wounded) and two Bronze battle stars.

Request From Tahoka
His death Wednesday set in motion action to get the military funeral he had always wanted. He had told his wife "be sure the soldiers come if I die, I want the children to see them because I am a soldier."

At first it appeared the request would not be met because veterans units in the Tahoka and Lubbock areas were not prepared to furnish such services on short notice. At one point, Rep. George Mahon of Washington offered to arrange for a military unit to fly out from Ft. Sam Houston if needed.

Paper Gets Request
The Avalanche-Journal received a request from Tahoka Thursday night to help get the military funeral. The Army Reserve unit, Tech Army ROTC rifle unit and National Guard were contacted and agreed to fill the family's request—and Charley's.

And Charley—he would be proud if he had seen the military funeral memorial he got. And the look on the faces of his mother, his children—Ray Charles, 12, Jean Ellen, 11, Jerry Glenn, 8, and Harvey Joseph, 5.

Will Keep Flag
They were so proud. And the bright flag is theirs to keep. For all the long days of waiting in a prison camp for his buddies to come, GI Charley Munguia knew they would.

To the grieving widow who looked up proudly as the straight, stalwart soldiers brought Charley

Army "Too Busy" To Bury Hero

(By The Editor)

A Tahoka Latin-American died the other day. A soldier in World War II, he was wounded twice, received two Purple Hearts and two special citations, and had spent seven months in a Nazi prison camp. He was just a day laborer, but he was proud of having been an American soldier and serving his country. Knowing he was going to die, he had repeatedly told his wife he wanted a military funeral and wanted his children to see the Soldiers.

Reece Airforce Base couldn't furnish a color guard and firing squad "because deceased was not an officer" and anyway they couldn't go out for such affairs; Texas Tech couldn't send the ROTC "because some of the boys had classes and other obligations"; and the Reserves couldn't come "because they didn't have the necessary equipment." Of course, the Army could send 12,000 troops to put James Meredith in Ole Miss, and Reece AFB could send a program to Tahoka Rotary Club any time it was needed. Tech ROTC units could perform at Tech football games, and we'll almost guarantee they'll all be present when Tech plays an afternoon football game. We'll say this for the Reservists, most of them are men with jobs.

Anyway, some local people got pretty hot about these excuses, and Pat Jacobs called the Lubbock Avalanche-Journal for help. Tanner Laine told her there would be a military funeral or else! Tanner then went into action. He called Rep. George Mahon, and Mahon said there would be a military funeral if the Army personnel had to be flown from Fort Sam Houston. This was not necessary, however, when Tanner started building up his case in Lubbock, which resulted in Reservists, National Guardsmen, and Tech ROTC men volunteering to put on the burial ceremonies on their own time. In all, 29 soldiers responded, practiced the ceremony before coming down, and did a wonderful job. Tahoka owes these men its whole-hearted thanks.

Following is Tanner Laine's heart-touching story as it appeared in Sunday's Avalanche-Journal:

to his final resting place . . . The Army had taken care of its own.

Raymond Bagby, Jr., son of Mr. and Mrs. R. E. Bagby, has been a patient this week in Gaston Hospital in Dallas where he was treated for a virus infection. He is attending the Gupton-Jones Mortician College and his address is Box 210, 4712 Gaston Ave., Dallas 10, Texas.

W. L. Rowes Home From Trip East

Mr. and Mrs. W. L. (Cap) Rowe came in home Sunday from a long vacation trip during which they visited 29 states and Canada, including most of the Eastern seaboard and New England states.

They were accompanied by their daughter, Mrs. Orville (Betsy) Varhaug, who had been visiting here, and they returned her to her home in Carrington, N. D., en route home.

The Rowes were impressed with

Indian Summer in New England, declared that of all cities visited Boston was the hardest to get around in, enjoyed Niagara Falls, came back across a part of Canada, saw all five of the Great Lakes and made a four-hour ferry boat crossing of Lake Michigan.

Mr. and Mrs. C. W. Conway of Littlefield, where he is Piggy Wiggly store manager, were here Friday for Homecoming. C. W. says their two boys are playing football at Littlefield, and Gary is a starter in the backfield on the Junior High team.

The district would like to express its gratitude to Ellis Barnes for the outstanding job he has done while he was a member of the board of supervisors. Ellis served 10 years on the board and during that time was chairman of the board for several years.

Being a member of the board is not an easy thing. There are monthly meetings and special meetings to attend and they all come at the wrong time, but despite this Ellis has managed to attend a majority of them. A good supervisor must also set a good example and Ellis has done this by making conservation a big part of his farming operation.

Harold Payne will succeed Ellis as the new representative from the Wells area and the district welcomes him. Harold has been a member of the district for about six years and we are sure he will make as good a supervisor as he has a cooperater.

CARD OF THANKS
We wish to extend our deep appreciation to our many friends for your expressions of concern and sympathy on the loss of our beloved wife, mother and granny. Grassland News

(By Mrs. O. H. Hoover)
The new Church of the Nazarene at Grassland is finished and the congregation had services in it Sunday. The ladies were meeting there to make draperies for the windows Tuesday.

Mr. and Mrs. W. G. McCleskey went to Whitharrel Wednesday to visit Mr. and Mrs. E. P. Havens, spent the day and night with them, came home by Brownfield Thursday and visited Mrs. McCleskey's sister, Mr. and Mrs. Dubose.

Bobby Patterson, son of Mr. and Mrs. Jim Patterson, spent the week end at home. He is in the service and is stationed at Camp Hood.

Mr. and Mrs. Glen Huffaker are visiting somewhere in California. Mrs. Huffaker has a sister there. Mrs. H. E. Huffaker is baby sitting while they are gone.

Mr. and Mrs. L. Walker and children of Littlefield visited his parents, Mr. and Mrs. Lucian Walker Sunday.

C. O. McCleskey's landlord of Whiteright, Mr. and Mrs. Roby Childress, visited in the McCleskey home Monday.

Mr. and Mrs. Gus Porterfield were guests of their son and family, Dr. and Mrs. D. G. Porterfield of Abilene from Thursday until Saturday.

Mr. and Mrs. Carlos McCleskey took their children to Lubbock last Friday, Carla to get glasses and little Kevin to get a treatment.

Linda Davis visited her parents and grandparents over the week end. She and a girl friend spent Saturday in Amarillo.

House guests in the Bob Norman home over the week end were Mr. and Mrs. Raymond Gerner and family of San Antonio.

Mr. and Mrs. Leroy Davis have returned home from an extended stay at their cottage near San Augustine.

Mrs. Davis went to Houston last week end to see her mother, Mrs. G. C. Lightfoot, who had major surgery on her eyes.

Mr. and Mrs. H. D. Gartman spent the day Tuesday visiting their daughters, Mrs. Don Carriker of Muleshoe and Mrs. Audie Wiley of Friona.

Rev. and Mrs. J. C. Allen of Lubbock were guests of Mr. and Mrs. M. C. Ritchey Friday. The Ritchey's son and wife left Saturday morning for their home in

Christmas-Mail Deadline Is Set

The period November 1 to November 20 has been designated for the mailing of Christmas parcels by surface transportation to members of our Armed Forces overseas. For airmail the period is December 1 to December 10. Greeting cards for the Armed Forces overseas should be mailed within the periods designated for parcels if they are to have a reasonable expectation of delivery prior to Christmas.

The term Armed Forces overseas include personnel of our Armed Forces, members of their families, and authorized U. S. civilians employed overseas, who receive their mail through an APO, New York, N. Y., San Francisco, Calif., or Seattle, Wash., or Fleet Post Office, New York, N. Y., or San Francisco, Calif., or Navy Post Office, c/o Postmaster, Seattle, Wash.

Packaging—All articles should be packed in boxes of wood, metal, solid fiberboard, or strong double-faced corrugated fiberboard.

All fiberboard boxes should be securely wrapped in heavy paper which materially strengthens the package. Each box should be well tied with strong cord. Unless completely packed and tightly filled, boxes are likely to be crushed. Sufficient cushioning material should be used to prevent any rattling or loosening of articles within the package.

A slip showing list of contents and addressee should be enclosed in the parcel.

Prohibited Articles—In addition to the articles normally prohibited in the mails, matches of all kinds and lighter fluid may not be mailed to overseas military addresses. Cigarettes, other tobacco products, coffee, and various other items are prohibited in parcels addressed to some military post offices. Check with local post of-

California after visiting here for two weeks.

Mr. and Mrs. Harold Allen and baby of Lubbock spent the night Thursday with the Carlos McCleskeys, visited Friday with the M. C. Ritcheys and spent Friday night with his sister and family, the C. O. McCleskeys.

Mr. and Mrs. Jim B. Porterfield and son, Don, visited her sister and family in Slaton over the week end.

Mr. and Mrs. C. M. Greer have returned from a trip to Gatesville where they visited his brother and family and fished a few days. They also went to Belton Lake and came home by San Angelo.

Mr. and Mrs. Grady LeMond of Lovington, N. M., J. E. LeMond of Snyder and Mrs. A. Z. Sewell of Draw were guests of the Roy LeMonds Friday afternoon and for dinner.

Mrs. Carl Jones of Post spent the afternoon Sunday with Mrs. C. C. Jones.

Iris McMahon entertained the Thursday Club in her home Oct. 4. Attending were Minnie Wright, Edna Morris, Bernice Propst, Myrtle Hoover and one visitor, Mrs. Tisard of Post.

Mrs. L. S. Turner and Mrs. M. L. Thomas were guests last week of Mrs. Turner's parents in Center, Texas. Mrs. Turner's father has been ill for some time. Mrs. Thomas is his sister.

Mrs. H. W. Edwards of Tahoka was a visitor in the home of her daughter, Mrs. Roy LeMond over the week end.

Mr. and Mrs. John Sherrill and Mrs. A. Z. Sewell visited his brother in O'Donnell Sunday night after church.

Visitors in the home of Rev. and Mrs. Smelser Sunday were their mother, Mrs. S. B. Box, son and wife, Mr. and Mrs. H. R. Box, all of Vernon.

Miss Joan Smelser, daughter of Rev. and Mrs. Smelser, spent the week end with her parents. She attends McMurry College in Abilene.

Miss Brenda Barnes spent the week end in her parents' home, Mr. and Mrs. Boyd Barnes.

Attending the slides show on Asia's Rim given by Mrs. Emil Prohl in Tahoka Monday were 11 ladies from Draw and Grassland.

Starting Work On Christmas Cantata

Rehearsals for the annual community Christmas Cantata are slated to begin Wednesday evening, October 17, at 8:15. The program alternates between the First Methodist Church and the First Baptist Church. This year's presentation and rehearsals will be in the Baptist Church.

The choir is open to anyone interested in singing regardless of his church affiliation. "Singing in such a cantata is an enjoyable experience and we hope everyone who loves to sing will feel free to come and take part in this program," stated James Hollars, music director at the First Baptist Church, who will conduct the presentation.

Following the tradition of the past two years, the combined choir will again present a work by one of the nation's leading young religious composers, John W. Peterson. "Born A King" is the title of the cantata to be presented this year, and it features the dissonant chords that make Peterson's works so distinctive.

Former O'Donnell Man's Rites Today

Olie Wallace McKee, 66, formerly of Dawson county, near O'Donnell, died Tuesday at his home in Palmdale, Calif., where he had lived 25 years and worked for Lockheed Aircraft.

Graveside services are today, Friday, at 2:30 p. m. in O'Donnell Cemetery with Ode Prescott, minister of O'Donnell Church of Christ, officiating. A son, Robert Lee McKee of Los Angeles accompanied the body to White Funeral Home here.

Mr. McKee was born August 29, 1896, and lived near O'Donnell before moving to California. His wife passed away about six years ago.

He is survived by the son; three daughters, two of whom live in Oregon and one in California; seven brothers, Harvey and Van of O'Donnell, John of Idaho, Jim and Roy of Pietown, N. M., Ed of Seminole, and Joe of Seagraves; two sisters, Mrs. L. W. Ables of Seminole and Mrs. Corene Pickley of Ontario, Calif.; and several grandchildren.

CARD OF THANKS
My sincere thanks and appreciation go to the many kind friends for your visits, cards, flowers and expressions of concern during my illness in the hospital. It helps a lot to know one has so many friends who care.—Milton Miller and the Roy Miller family.

CARD OF THANKS
I would like to thank all those, especially the Rebekahs and Odd Fellows, who were so nice to me during my stay in the hospital. The visits, cards and the beautiful flowers meant so much to me. May God's blessings be with each and everyone, is our prayer.—Mrs. W. B. Stovall. Itc.

Homecoming

(Cont'd. from Page 1)
The glittered helmet on Miss Ashcraft's head. The identity of the winner was "secret" until announced at that time. The queen is a sophomore and the daughter of Mrs. Mary Nell Ashcraft.

Other candidates included Joy Thomas, freshman; Arnetta Wood, junior; and Sarah Wells, senior. Bryan Hood, speaking before students and ex-students in the afternoon program sponsored by the Student Council, said this year marks the 40th anniversary of football in Tahoka High School.

Coming to Tahoka as school principal, teacher and coach, the first team was organized here in 1922. Hood called the local athletes together, told them of the new game called football which was being played in most surrounding towns, and asked them if they would like to play the game. Basketball had been the major sport, and many of the boys had never seen a football game or had any conception of the difference in the shape of a basketball and football.

The boys decided they would like to play football, so the school board made a little money available for the program, and other money was raised in box suppers, etc.

Things were different in those days. No one knew much about the rules, including the officials who had to be shown the rule book more than once to prove a point. When an out-of-town game was played, the boys suited up before leaving Tahoka since there were no dressing room facilities at the schools.

In those days of rural schools, the small ones scattered across the county and surrounding ones were the schools that had the good teams, especially in basketball. He especially recalled the school of Pride in Dawson county that gave the local football team a real shellacking.

Members of the first football team in Tahoka were Quarterback: Pete Edwards; Fullback, the late Jess Lockhart; Halfbacks: the late Edwin May of Wilson and Jack Jackson, the only team member who had played a game of football before; Center: Robert Noble; Guards: Maurice Small and Emory Hall; Tackles: Sam Floyd, Jack Fenton, and Hendricks of Wilson; Ends: Hubert Davis and the late Frank Larkin. Charlie Curry played in the line, the late Lee Baldrige played in the backfield, and there were a few others on the team. In all, there were about 17 members.

Preceding his welcome address to the ex-students, Student Council President Allen Cox presented a plaque to Clint Walker for his many years of service to the school and football teams in announcing the football games.

Wilton Payne gave the response as president of the Ex-students Association. Jerre Wyatt recognized special guests including Mrs. Hood, who was presented a corsage; Mrs. Marcus Edwards from the class of 1913, who received a free football ticket; and Miss Georgia Flint of Amarillo who traveled the longest distance and received a free ticket. Ex-lettermen were also given free tickets to the game.

About 61 ex-students attended the evening banquet in the school cafeteria when new officers were elected. These include Jesse Dorman, president; Mrs. Johnny Wells, vice president, succeeding Dub Gurley; Mrs. Garland Pennington, secretary, succeeding Mrs. G. W. White; and Mrs. Diana Hawthorne, reporter, succeeding Ray Adams. Dorman said he wishes to get a large group of interested ex-students working together in the near future to provide a bigger than ever homecoming next year.

ERROR MADE IN PAPER 19 YEARS AGO CORRECTED

The News usually prints a correction soon after an error appears in a publication. However, this concerns an error that was printed in 1943 when Technician Fifth Grade Robert L. Potts died on Sept. 9 in the South West Pacific area.

The News stated his rank was a private, and the misprint has worried his mother, Mrs. Mary E. Potts these 19 years. She has looked many times for the telegram from the War Department that announced his death, which could clarify the matter. The other day she found it.

The News is glad to make this correction concerning her son.

Mrs. Ivan Cathcart was an overnight medical patient in Tahoka Hospital Saturday night.

Help keep Tahoka clean.

Schools

(Cont'd. from Page 1)
ing with state standards in all phases.

Tahoka schools started out the school year with a record enrollment of 1,019 students and this number had grown to 1,183 on Tuesday of this week. This includes 542 in South Elementary, an increase of 112 since the first week of school; 272 in North Elementary, an increase of 42; and 291 in high school and the eighth grade, an increase of one student; and 78 at Dunbar, an increase of nine.

Already, the music room in South Elementary has been taken over for a class room with no additional rooms in that building available. In North Elementary the school nurse's office was being taken over for a class room this week and her office being moved to the book room. This leaves only the music room in North Elementary the only possible room for an additional class room. In high school there are no available rooms, nor is there at Dunbar where high school students are being transported to Slaton this year to attend classes.

Supt. Spears says the situation

is serious, and points out that many of the new students enrolling are permanent, rather than temporary because of the harvest season, as is the usual case, although there is a large number of the temporary students enrolled in the system.

Ralls Jackrabbits Mar Homecoming With 21-0 Victory Over Bulldogs

Ralls Jackrabbits came to town Friday night and spoiled Tahoka's homecoming by completely dominating the football game and finally scoring 21 points, all in the second half, while Tahoka could never get an offensive drive going.

Although the Bulldogs held the Jackrabbits scoreless the first half, they were unable to stop the hard-driving visiting backs, particularly stocky 185-pound Fullback Elvin Verett, who ran the ball for a total of 112 yards personally.

Although in action much of the game, Tahoka was hampered by the fact that its top ball-carrier and defensive specialist, Fullback Andy Bray, had been ill all week.

Ralls received the opening kickoff, and starting play on its own 31, on four first downs moved to

the Tahoka four for a first down and goal to go. Here, the Tahoka lads put up a wonderful goal-line stand, and four plays later took over on their own one-yard line.

QB Tony Spruiell and Bray moved the ball in three plays for a first on the 11. Bray made 6. HB Steve Greer 2, and Spruiell lacked a yard getting a first, and Bray punted 39 yards out of bounds on the Ralls 41. The Jackrabbits rolled up one first down, were set back on a 15 yard penalty and a two-yard loss, and then quick-kicked 50 yards.

HB Billy Miller made 5, Bray got away on a 21-yard gallop up the middle, but Tahoka bogged down on its 42, and had to kick. That represented Tahoka's only two first downs, but the Bulldogs

Wilson Mustangs To Meet Sands

Wilson Mustangs are idle this Friday, but will launch their District 3-B schedule in defense of the title against Sands at Wilson Friday night of next week.

Last Friday night, Coach Travis Rector's Mustangs went to Whiteface, where they corralled the Antelopes 22-0, icing away the game in the first half and then holding off the stubborn Cochran county team in the final two periods.

Quarterback Don Webb, who scored 14 points for the Mustangs, got the first tally in the first quarter in a 2-yard keeper and also ran over the conversion. Halfback Royce Baker ran eight yards for the second TD early in the second period, and Fullback Bobby Stone ran over the conversion to make the score 16-0. A short time later, Webb went four yards for the final touchdown, conversion failed, and that was all of the scoring.

The second half, the Wilson boys put up a stout defense to shut out the Whiteface boys.

Mr. and Mrs. Price Richey and two children, Margaret Ann and Marcell Dale, have been here visiting her mother, Mrs. Samie Norwood, and his grandparents. Mr. and Mrs. M. C. Richey of Grassland. The couple attended the Tahoka ex-students banquet Friday evening.

Kind words never die—they just become victims of ingratitude.

Lazbuddie Will Play New Home

New Home Leopards entertain the Lazbuddie Longhorns this Friday night, a game in which the injury-riddled but plucky New Home boys have a chance for victory.

Short on reserves, the Leopards lost two valuable players earlier in the season, but have not given up yet, fans report.

Last Friday night at New Deal, the Leopards lost to the versatile Lions 36 to 0, who rolled to their fourth season victory against only one defeat.

Football scores of Lynn County teams, opponents: Ralls 21, Tahoka 0. Wilson 22, Whiteface 0. New Deal 36, New Home 0. O'Donnell, open date. Abernathy 31, Frenship 0. Sundown 20, Morton 0. Crosbyton 22, Slaton 0. Rotan 29, Spur 12. Stanton 19, Seagraves 12. Plains 28, Sudan 0. Wink 24, McCamey 6. Ahton 26, Hart 0. Amherst 36, Lazbuddie 8. Whitharral 52, Cooper 0. Bovina 31, Meadow 8.

Spur Plays O'Donnell at Homecoming

O'Donnell Eagles meet winless Spur Bulldogs tonight as the feature attraction of O'Donnell's homecoming celebration. The Eagles were idle last week end, and hope to be in top condition for the contest this Friday.

After dropping their opening game to Crosbyton 14 to 6, the O'Donnell boys came back to defeat Ralls 26 to 20, Wilson 28 to 7, and Frenship 28 to 0.

Spur is having a terrible season, having lost to Floydada 33 to 14, Roscoe 30 to 0, Hamlin 41 to 6, Crosbyton 32 to 0, and Rotan 29 to 0.

Honor class this year is the Class of 1937, but all Exes are urged to attend the reunion.

little prospects of scoring enough at O'Donnell to win.

A full afternoon of Homecoming activities for O'Donnell ex-students has been planned, including a business meeting at 2:15 in the homemaking cottage, a pep rally at 3:15 in the gymnasium, the ex-student banquet at 6:00 p. m. in the cafeteria, the 8:00 p. m. football game, followed by a reception in the Community Center. Baby sitters will be available for ex-student mothers during the banquet.

managed to hold the Jackrabbits away from the danger zone the rest of the quarter in spite of Ralls passes good for one, 23, 12, and 10 yards.

However, opening the third quarter, Ralls got the break it needed to break the game open. After bringing the kickoff to the 24, Tahoka drew a clipping penalty back to the 12. FB Adolf Chapa made 5, Greer 2 and Chapa 2. Bray was back to punt, got a low pass from center, picked it up and in attempting to run it out as Jackrabbits converged on him fumbled and Verett covered for Ralls on the Tahoka one. "Easy cooking... uniform baking!"
says Mrs. Bob Tripplehorn
1801 N. RUSSELL ■ PAMPA, TEXAS

■ Mrs. Tripplehorn is delighted with her electric range. She says, "It's so automatic — almost cooks by itself. In fact, I have no hesitation in setting the controls and then going shopping. I've found, through experience, that electric cooking is easy and that electric baking and roasting give uniform results every time."

You, too, can be delighted with this fine modern cooking method — your participating Reddy Kilowatt dealer will guarantee it. See him this week and get all the exciting details!

NOTICE TO ADVERTISERS ON CLASSIFIED PAGE

A weekly newspaper, unlike a daily, is not all printed on one day. The News prints its first four pages on Tuesday afternoon. For mechanical reasons, we almost have to print the classified page on this first run. Therefore, new ads, changes and "kill" information must be in the hands of the printers by Tuesday noon. However, late ads, turned in up to early Thursday morning will be printed in the "Too Late to Classify" column.—The Publishers.

Printer's Ink-lings . . .

By F. P. H.

You'll remember the Joe Robinsons, now raising cattle on a part of the famed JA Ranch, and their "Little Joe," who was critically burned here a few years ago at Christmas-tree time. Well, "Little Joe" is now nine and in the fourth grade at Clarendon. When his teacher asked the students to write a paragraph describing a good citizen, "Little Joe" penned the following:

"Joe F. Robinson Sr. flew a B-17. He is brave. He has a DFC and lots of medals and his crew shot lots of Germans in World War II. He is a Texas Aggie. He is smart. He is my DAD."

Jack Reynolds says there is a "crying need" for a "walking" Blood Bank organization in Tahoka. There are such at Brownfield, Lamesa, and some other towns in the area. The local Odd Fellows saw the need some time ago and took steps to start such a group. They secured 102 signers in short time, but didn't get too much other cooperation. With just a little community effort, he thinks our town could put over a Blood Bank easily. He says the Odd Fellows will give their full cooperation and special efforts.

The News has reason to be proud of its community correspondents. You may have noted the Wilson News was missing a couple of weeks. The reason was that our Wilson correspondent, Mrs. Floyd (Margret Crowson) Bartley, was busy with a fine 8-pound son born Sept. 16, but Mrs. Bartley was hardly home before she was carrying on in the true newspapering fashion. When Mrs. Jesse Ward, up at Gordon, became seriously ill, Mrs. Earl Morris, a former correspondent who wrote

that excellent story of early day Lynn county, came in to pinch-hit for her. Naturally, we all wish Mrs. Ward a speedy recovery. Then, we have Mrs. O. H. Hoover of Grassland, another unselfish soul doing her community a good deed by writing the news. We think our readers should know Mrs. Hoover donates the little amount of money she makes writing the Grassland news to her church.

Enough credit can not be given Tahoka's volunteer firemen. They contribute a lot to protection of our community, and also are ever ready to help out on nearly any worthy community project. Roy Miller says just recently, when his son Milton developed polio, the Fire Boys got busy in short order and checked out their iron lung to be certain it was ready in case it was needed by Milton.

Edgar Hays in Lockney Beacon: Who knows but what the Supreme Court may issue another order some time regarding farming practices and, when the farmer revolts, federal troops will be sent in to enforce the order. It can happen to any segment of the population under this kind of practice. When are we going to take the Supreme Court out of the law-making business?

The drive to make this a God-less nation goes on. Employees at the Mount Rushmore shrine, a monument supposed to be a symbol of democracy and free enterprise, have, on their own, met each evening just at sunset and sang "God Bless America." Tourists have said the little ceremony was very impressive. This song-prayer was stopped on August 2 by the Internal Revenue Service, which gave the flimsy excuse that singing on the part of these concession employees without payment of an excise tax constituted a violation of the IRS code. The Supreme Court rules you can't say a prepared prayer in school; the same court says the invocation at opening of Congress is more a ceremonial than a prayer; you don't have to repeat "so help me, God," when being sworn in court, a justice has ruled; Army Services say you no longer have to recognize a Supreme Being in its oath; no prayer-at-all is offered at UN sessions.

We don't always agree with our friends. Some of our best friends hardly ever agree with us. That's the way friendships should be. Therefore, the other day, one of our New Frontiersman friends

called The Printer a radical, and we considered it a compliment. We'd rather be branded a radical than to be a party to the present trend to destroy the type of democracy that has made America tick and which has permitted this friend to accumulate a pretty considerable amount of property. We'd rather be a radical American than a liberal New Frontiersman.

Social changes come hard. You can't force a man with bayonets or teargas or armed might to make and accept social changes overnight. The regrettable incident in Mississippi just drove a further wedge between two races that had been living side by side for years. We all admit the Negro has not had a "fair shake," but did the importation of 12,000 soldiers and 500 U. S. Marshals to Ole Miss and Oxford (population 3,956) really improve the position of the Negro overnight? Did these white people and students have some civil rights also? Will honest, hard-working, peaceable Negroes of that community also suffer as a result of the widening breach?

We have some good Negro and Mexican citizens in Tahoka. We don't take them into our social circle, and they don't take us into theirs. But, that's no reason why we shouldn't get along. Federal and State authorities will doubtless force some sort of integration here. But, regardless of that, we should help and encourage both Negro and Mexican citizens of Lynn county to improve their homes—in short, to make good, useful citizens.

By the way, it has been more than a year since Brother Bobby pledged that all American Communists who had not registered, according to law, would be arrested and fined \$10,000 for each day of non-compliance. The last we heard, no such Communist had been arrested in the entire U. S. under this law. Civil rights, maybe?

Thousands of Indians, wards of the government, are still confined to reservations. The Navajos, for example, are relegated to a desert wasteland. Yet, they have no vote for local officials, congressional representatives, or president. Talk about Civil Rights! Why don't some of our "Bleeding Hearts" in Washington champion a vote for these first citizens?

Ed Dean, formerly of Lamesa, now labor man with the Plains Cotton Growers, thinks farmers should begin making some better plans for securing year-around farm laborers. He says potentially good, dependable farm hands, tractor operators, among the Mexicans want a better life. Many are growing tired of shuttling back and forth over the U. S. for harvest peaks. Many of these are potentially good farm hands who would like to settle down, live in a good house, have a steady income, and send their children to

school. He thinks we farmers should give them better houses in which to live, use a little patience in teaching them farm skills, and as a result we will get better farm employees. He thinks this is particularly necessary now that we are going to have to machine harvest cotton on a bigger scale.

Mr. and Mrs. H. L. McMillan and two children were here Sunday. H. L. is one of the many boys we have trained in the printing trade here, and local friends will be glad to know he has achieved, at least partially, one of his goals—to own a shop of his own. He and three other young men have a successful printing and office supply business in Plainview. They are in love with the town, are taking part in community affairs, and he is a member of the Optimist Club there.

J. L. Suits tells this story in the Petersburg Journal: Eight year old Junior came rushing in after school and informed his mother that he had only been in school three weeks and "already Miss Jackson asks my opinion on things. Mom!" "Clarence," she says, "What on earth am I going to do with you?"

Mark Twain, in his reporting days, was instructed by an editor never to state anything as a fact that he could not verify from personal knowledge. Sent out to cover an important social event soon afterward, he turned in the following:

"A woman giving the name of Mrs. James Jones, who is reported to be one of the society leaders

of the city, is said to have given what was purported to be a party yesterday to a number of alleged ladies. The hostess claims to be the wife of a reputed attorney."

25% DIVIDEND TO ELIGIBLE TEXAS MOTORISTS

That's right, Texas policyholders have come to expect dividend savings from State Farm Mutual's famous 6-month policy. Nine out of ten policyholders have saved more than \$30,000,000 over the past 27 years. State Farm's present 25% dividend rate makes the actual cost of car insurance lower than that of most other companies. For more complete details see me soon:

GO JET-SMOOTH '63 CHEVROLET—IT'S EXCITING!

smooths bumps better than a bulldozer

If all roads were superhighways, Chevrolet's remarkably smooth and silent ride might be just another luxury. But as most town and country roads will demonstrate, this is one Chevrolet advantage that's mighty easy to get excited about. (The way those four deep-coil springs put the kibosh on bumps, you'd almost think Chevrolet was working for the highway commission.) The '63 Bel Airs, Biscaynes and Impalas are equally easy going on upkeep. Brakes are self-adjusting. New Delcotron generator s-t-r-e-t-c-h-e-s battery life. Even the rocket panels on the Body by Fisher are self-washing and ventilating to cut down on rust. Your dealer's waiting to tell you lots more.

Paul Millers Have 40th Anniversary

According to a recent article in a San Angelo newspaper, Mr. and Mrs. Paul Miller spent a week at Lake Buchanan in observance of their 40th wedding anniversary.

The Millers were married in Tahoka Sept. 30, 1912.

Mr. Miller, a local old-timer, was a cotton buyer on the South Plains, and Mrs. Miller a teacher in the Tahoka schools. During World War I the Millers lived in Mineral Wells and returned to Tahoka in 1923.

They moved to New Mexico in 1928 and on to San Angelo in 1932 where he was in the cotton business.

Mr. Miller retired in 1937 and the couple bought a home in Christoval where they have lived for 25 years. They have one son, Paul S. Miller, who is with the City-County Health Unit in San Angelo, and a grandson, Gaines Filmore Miller, a senior at the University of Texas.

Mrs. Lucy Corona Is Death Victim

Mrs. Lucy Corona, 56, died at 8:20 a. m. Friday, Oct. 5, in Tahoka Hospital. Her husband, Ramon, is employed by Ray Adams.

Mrs. Corona was born Feb. 19, 1906 in Mexico and came to Lynn county in 1960 from Robstown where she married Mr. Corona Oct. 15, 1945.

Funeral services were held at Our Lady of Guadalupe Catholic Church with the Rev. Peter Rogan of O'Donnell officiating. Burial was in Tahoka Cemetery under direction of White Funeral Home.

Survivors include her husband; two sons, Johnny Corona of Tahoka and Manuel Zuniga serving in the Army in New Jersey; two daughters, Lupe Zuniga and Lucia Zuniga both of Tahoka; and three grandchildren.

Education Tests For Ninth, Tenth Grades In March

Clifton Gardner, principal of Tahoka High School, announced today that the ninth- and tenth-graders would participate in the 1963 National Educational Development Tests Program in March.

The NEDT battery, he pointed out, measures each student's ability to apply basic learning skills rather than ability to memorize particular facts or specific subject matter.

Consequently, the principal noted, the tests help educators identify educational strengths and weaknesses, and help students and parents make a realistic appraisal of educational and vocational objectives.

The tests, providing scores in English, social studies, mathematics, natural sciences, and word usage, are constructed under the direction of Dr. E. F. Lindquist, author of the Iowa Tests of Educational Development. In 1962 more than 469,000 students in 5,539 of the nation's public, private, and parochial high schools took the tests.

Football...

(Cont'd. from Page 1, Sec. 2) sneaked over for the Ralls TD, and End Gary Daniel kicked his first of three conversions.

Late in the third quarter, Chapa covered a Ralls fumble on the Tahoka 17 to end another Ralls drive, but Tahoka couldn't move, and starting on its own 45, Ralls moved in 10 plays to the Tahoka 10. Two running plays lost a yard, and then Parks hit HB James Jester with an 11-yard touchdown pass in the end zone.

Jester covered a Tahoka fumble on receiving the kick-off on the Tahoka 37, and the Jackrabbits moved for another touchdown in 10 plays with Verett going the last six yards.

Tahoka tried a desperate passing game, but this failed and the game ended with Ralls in possession on the Tahoka 32.

As usual, Gary Grogan put up a top defensive effort, and others

leading in tackles were Tony Spruiell, Billy Miller, Andy Bray, and Steve Greer.

But, the game was probably Tahoka's poorest showing of the season so far. However, Ralls must be given credit for a fine job both offensively and defensively, and an analysis of the game shows Tahoka never gave up and, even

contrary to the statistics, put up a pretty good defensive battle. The Bulldogs were simply out-manned Friday night and nothing worked for them offensively.

meet Tempest '63...today!

how's this for exploding the myth that cars have to be expensive to look it! Tempest '63

Maybe you can tell the difference between Pontiac's Tempest (especially that Le Mans) and the high-priced jobs. Besides having a 4 that acts like a V-8, Tempest sports a new 260-hp V-8* that acts like nothing you ever got your hands on before. And besides its beautiful balance, Tempest has Wide-Track this year. And self-adjusting brakes and a tachometer* and fetching style and all kinds of niceties that'll make your Tempest smoother and tougher. About all it doesn't have is a big fat price tag. *Vive la difference! Pontiac Tempest*
