Local Civil Defense Takes Precautions

In order to acquaint people of Tahoka with the local Civil Defense emergency warning signal, the local fire siren will be sounded Saturday at 12:00 noon.

This signal at 12:00 noon Saturday will not be a warning of a national emergency—repeat, WILL NOT—but simply to acquaint people with the quivering, or wavering tone for such an emergency should one ever come, states E. L. Short, local Civil Defense leader.

Tahoka has had a relatively complete Civil Defense organization set up for a year with plans complete for almost any emergency. Fire, police, and a score of committee heads are on alert to go into action in such a case.

Wednesday night, Short held a meeting of such department heads and workers in the City-Legion building for the purpose of reviewing precautionary measures and further promotion of a closely knit organization.

The public is warned not to become alarmed when the siren is turned on Saturday at 12:00 noon, but simply to note the type of signal that will be given in an emergency.

Greatest danger in Lynn county is from people becoming panicky, getting out on the road, and getting hurt in an automobile accident, or from possible influx of people from other areas to rural sections such as Lynn county.

Local Civil Defense people are advised by National Civil Defense authorities. They will notify Tahoka CD authorities if there is any national emergency.

Lubbock is not a primary target, and local CD authorities expect attack on the U. S. there would be no immediate danger in this immediate area except from panic.

Although every precaution will be taken, there is no cause for immediate alarm even if an attack would come.

Principal advice from local CD authorities at present is for citizens to remain calm, stay off the highway, and stay at home in an emergency.

Mrs. Proctor, 86, Buried Monday

Mrs. Rachel C. Proctor, 86, long resident of O'Donnell and mother of John Proctor of Tahoka, died Friday of last week in a San Angelo hospital following an illness of several months.

Funeral services were held Monday at 11 a. m. in O'Donnell Church of Christ with Ode Prescott, minister, officiating, assisted by Minister W. T. Hamilton of Lamesa. Burial followed in O'Donnell Cemetery under direction of White Funeral Home.

Mrs. Proctor was born in Erath county on November 23, 1875, and was married to D. L. Proctor July 3, 1895 in Comanche county. She came to Lynn county from Eastland in 1925, and had lived in O'Donnell since 1939.

Fire Siren Tuesday Caused Excitement

With the troubled world situation Tuesday, a lot of people got a little frantic when the Tahoka Fire Department siren quivered and stuttered a bit when turned on to herald a trash fire at Lankford Variety.

A box of trash at the rear door had caught fire and no damage was done except for a scorched door.

Fire Chief Pat Patterson and City Secretary J. M. Uzzie, who turned on the alarm, said the alarm was simply improper operation of the siren switch.

Wilson Exes Name Officers

Wilson ex-students report they had a great time visiting at the annual meeting at Homecoming Saturday evening.

Although 200 registered, 186 attended the banquet. No formal program was held, but the time spent in visiting.

The group voted to hold the Ex-student reunion every other year in the future, and officers elected this year will be for a two-year period. Homecoming will be observed by Wilson Schools next year, but there will be no formal ex-student program until 1964.

Among those attending the banquet Saturday evening, were ex-students from as far away as Arkansas, Colorado Springs, Albuquerque, and Fort Worth. Coming the greatest distance, 800 miles, were Mr. and Mrs. Brunson, she having been a Parks before her marriage, who came from Arkansas.

New officers elected at the meeting are: Edmund Maeker, president; Hubert Teinert, vice president; Mrs. Milton Wied, secretary and treasurer; and Mrs. Willene Schutte, reporter.

Outgoing officers are: Floyd Heck, president; Mrs. C. C. Swope, secretary; and Mrs. Billy Weaver, reporter. Teinert was also vice president last year.

Mrs. Dot Allsup Undergoes Surgery

Mrs. Lewis (Dot) Allsup, a patient in Methodist Hospital in Houston for several weeks, has undergone surgery there. The News is informed that she should now be on the road to recovery.

The News received a letter earlier in the week from Mrs. Allsup in which she enclosed an interesting column from the Houston Chronicle, "Dial Watchmen," in which readers asked questions and the editor attempts to answer them in order to "guard your right to know what goes on" in public affairs. Questions range from personal ones to those about city, state, and federal government, schools, etc. The idea is a very good one, and she thinks The News could conduct such a column for benefit of its readers.

Durhams Attending National Meeting

Doctor and Mrs. K. R. Durham left by car Tuesday afternoon to attend the 103rd annual session of the American Dental Association in Miami Beach, Fla.

Doctor Durham is a delegate from Texas and will meet daily with the House of Delegates of the A. D. A. October 28th through October 31st. The Durhams will return Nov. 4th.

Mrs. Corene Cathcart is showing improvement in Tahoka Hospital, where she has been a patient since breaking her hip in a fall at her home two weeks ago.

Discover New Cotton Quality

Some revolutionary developments in cotton goods were shown The News this week by Wilmer Smith of New Home, nationally known leader in the cotton field, and this little story in The News is probably a news scoop of the entire nation.

Samples of newly developed cotton fabrics were sent Smith by Southern Regional Research Laboratory at New Orleans, operated by the Department of Agriculture.

Wilmer says the new cotton research product is revolutionary in that it has the quality of stretch, a feature long desired in cotton materials.

The material stretches and comes back into place. As a result clothing with this quality are not so likely to split out, pull out at the seams, and such garments as shirts and skirts may fit snugly and return to proper shape.

He had a sample of new blue denim, a cotton tie with the stretch quality, and a shirt of woven check mercerized fabric, resin treated to be drip dry and wrinkle resistant, and at the same time having the stretch quality.

Before many months, the new fabrics may be in production.

Homecoming At New Home Today

New Home will have their homecoming Friday Oct. 26. There will be a banquet at 6:30 in the Grade School Cafeteria. A business meeting will follow the banquet and new officers will be elected. Everyone is invited.

The football game will begin at 8:00 p. m. with the New Home team playing Wilson. The football queen will be crowned before the game.

Coffee and a reception will follow the football game. Present officers are: President, Darrell Fletcher; Vice-president, Sue Armontrout; Sec. and Treas., Joanne Kieth.

Miss Buchanan Is On Cactus Staff At Texas University

Elayne Buchanan, daughter of Mr. and Mrs. Preston Buchanan, is among the 118 University of Texas students who have been appointed to the staff of the Cactus, student yearbook, by Editor George Paydue Bunch of Artesia and Associate Editor Kay Lynn Morrow of Houston.

Elayne is a freshman at the University.

616 Tahokans Own Homes Valued At \$4,435,000 Census Report Shows

(Special to The News) New York—By virtue of the homes they own, residents of Tahoka share largely in the wealth of the community.

On the basis of property values locally, as recorded in the recent Census of Housing, the 616 non-farm dwellings that are owner-occupied have an estimated worth of \$4,435,000.

The owners' equity in these homes, over and above the mortgage debt, is approximately \$2,484,000.

These facts emerge from a national study of consumer finances, conducted by the University of Michigan, and from housing data gathered in connection with the census.

The findings are detailed for all areas throughout the country. They show that America's non-farm homes have a total market value in excess of \$400 billion.

Some \$117 billion of it, however, represents mortgage liability. The figure is three times as high as it was in 1950, reflecting the fact that home buying has been made easier, with lower down payments, backed by Government-insured funds.

The \$400 billion is far more than was invested originally in the purchase of these dwellings. They have steadily grown in value over the years and have, as a result, been one of the principal hedges against inflation.

Over the last ten years, accord-

ing to the reports, the average market value of a non-farm home in the United States has increased 46 percent.

In Tahoka, the Government's sampling survey shows, owner-occupied homes have a median market value of \$7,200. For all such dwellings locally, the total comes to approximately \$4,435,000.

As is the case generally, more than half of them are mortgaged. In the local region 55 percent have mortgages.

As to their size, those in the area are found to be about 6 percent smaller, as a whole, than in most parts of the United States.

The average figures, applied to Tahoka, give an overall total of \$1,951,000 for mortgage debt locally.

The difference between market value and debt, \$2,484,000, represents the equity that local home owners have in their property.

O'Donnell Pancake Supper Is Nov. 2

O'Donnell Lions are sponsoring a pancake supper Friday, Nov. 2, preceding the Tahoka-O'Donnell football game, from 5:00 p. m. until game time, in the Elementary School Cafeteria in O'Donnell. All the pancakes a person can eat are promised for 60 cents.

Funds raised at the supper will go to the Lions Club projects.

Farm Bureau, In Annual Meeting, Sends 15 Resolutions To State Body

Only about 50 of the 727 members of Lynn County Farm Bureau turned out Monday night for the annual membership meeting in Lyntegar conference room, but the meeting was a very interesting affair. Loyd R. McCormick Jr., president, conducted the meeting.

In addition to election of directors and some talks, 15 resolutions were approved for submission to the state meeting in San Antonio on Nov. 11.

The principal address by Joe Ed Sullivan, manager of Terry County Farm Bureau, covered a wide range of subjects and an appeal for more work from directors and members to make the farmers voice heard in Austin and Washington.

Sullivan declared few of us agree with all final policies adopted at the national level by Farm Bureau, but that these policies are determined at the grass roots by the members themselves at the county level, then worked over at the state level, and finally at the national convention, which will be in Atlanta, Ga., in December. No person has the authority to change these policies. They all have originated at the county level, and usually are the best that all farmers can come up with. Texas will have a little more say at the national convention this year with six or seven voting delegates.

Sam Holland, 69, Is Death Victim

Sam Holland, 69, formerly of Lynn county, a resident of Whitney, died Monday. He had been in ill health several years.

Funeral services were held Wednesday in the First Baptist Church of Hillsboro, and burial followed in Arlington. Mr. and Mrs. T. I. Tippit, friends of the family, attended the services.

Mr. Holland farmed east of Tahoka, was elected county commissioner of Precinct 2 in 1934. He moved away in about 1940.

He is survived by his wife, one daughter, and two grandchildren.

Move Ray Grider To Albuquerque

Ray Grider, 49, a patient in Big Spring Veterans Hospital the past two and a half months suffering with cancer, was transferred Monday to the Veterans Hospital in Albuquerque for radium treatment. His brother, "Bud" Grider of Andrews, accompanied him on the transfer.

Judge G. C. Grider, his father, says Ray is in critical condition with the cancer having spread over the right chest, shoulder, neck, and now has taken away the sight of his right eye.

Mrs. Al Smith was dismissed from Tahoka Hospital Tuesday. She had been treated for a heart condition there for about two weeks.

Debbie Miller, daughter of Mr. and Mrs. J. T. Miller, was an overnight medical patient in Tahoka Hospital Monday.

Autumn In Bloom At Munsell Home

"Autumn in Bloom" might well be the name of the front yard of the Eugene Munsell home on South Ninth Street.

Well known for his gardening ability, Mr. Munsell has covered his entire front yard with crysanthemums and they are now in full bloom, completely carpeting the yard in rows of white, yellow, bronze, pink, purple and orchid.

Also in full bloom are two other of his projects at the roadside park four miles north of Tahoka and at the highway department building on the O'Donnell highway.

Flower lovers are urged to see the result of his work while the plants are full of blooms.

Beware of Fake Salesmen, Public Is Given Warning

Householders are being warned by Tahoka Chamber of Commerce to beware of questionable door-to-door salesmen.

This week a New Home lady reported a magazine salesman operating in that section who claimed to be sponsored by Tahoka Lions Club. There is no Lions Club in Tahoka at the present time, and when local people were notified of this false claim the officers were notified.

Citizens suspecting crooked salesmen can help stop these peddlers by notifying Tahoka Chamber of Commerce, Mrs. Leonard Dunn, secretary, at the City Hall.

Miss Whitaker Is Nurse In Army

2nd Lt. Mary Helen Whitaker is currently stationed at Fort Sam Houston at San Antonio undergoing an eight week orientation.

She passed her examinations to become a registered nurse on Sept. 15 and went into the Army on Oct. 17. However, in 1959 Miss Whitaker, daughter of Mr. and Mrs. Oscar Whitaker, was inducted into the Army Nurse program.

Following her training at San Antonio she will be sent to Fort Benning, Ga.

Tahoka Ex-Student Meeting Monday

Jesse Dotman, new president of Tahoka Ex-Students Association, is still seeking ideas on methods of reviving interest in the organization and its annual fall meeting.

All people interested are urged to attend a meeting in the Lyntegar conference room next Monday night to discuss some plans for a more active program. He asks the support and cooperation of all who will come out.

Bulldogs Meet Wink Tonight In Conference Game Here

Tahoka Bulldogs entertain the tough Wink Wildcats here tonight at 7:30 o'clock in the second 5-A Conference game of the season, after having lost to Plains there 20 to 0 last Friday. Next Friday, the Bulldogs play at O'Donnell.

Wink comes to town with a record of four victories and two losses, having dropped their 5-A opener to Seagraves last Friday 20 to 18 and losing earlier to strong Crane 35-12. Wins have been over Jal 18-0, Eunice 12-7, Van Horn 18-7, and McCamey 24-6.

Coach Truman Nix starts a backfield composed of Quarterback B. Price, 150, a good passer; Halfback Mark Emmer, 149, star runner, and B. Tidwell, 133, who

also does some passing; and Fullback Amalio Losoya, 156, also credited with being a top ball carrier.

Starters in the line will probably be: Ends, A. Holloway, 175, boomed as an all-state candidate, and F. Lane, 185, who also runs at fullback sometimes, or J. Langford, 152, a co-captain; Tackles T. Hook, 227, and B. Nobles, 178; Guards, J. Spencer, 180, and co-captain, and B. Jenkins, 150; and Center K. Herring, 150.

At Plains, the Bulldogs ran up against a tough defensive club and had trouble moving the ball, but Coach Gib Hough seemed pleased with the defensive effort put up by his team most of the game. In fact, the Plains coach declared

Tahoka had the hardest hitting bunch of boys his team had met so far this season.

Other coaches have made similar statements. Olin Reddell, of Idalou, who later died in a car accident, told Tahoka people the Bulldogs were a tough ball club that would be heard from in the future. Other coaches of opposing teams have made similar remarks.

Although in another losing season, the Bulldogs are maintaining high morale, have been putting forth good effort, and are making progress, those in position to know declare. Many fans have remarked they are glad to follow a team that doesn't quit, which is the label that has been put on this year's Bulldogs.

Crop harvest had just gotten under way again this week, following last week's rains, when Thursday dawned cloudy and damp.

Tahoka had ginned 1,483 bales up until 9:30 a. m. Thursday. The News estimates, on the basis of scattered reports, from these and other county gins, that Lynn county has ginned approximately 9,000 bales of the estimated 120,000-bale 1962 crop.

Harvest of both cotton and maize was brought to a stop Wednesday of last week, which continued through Saturday. The few hands available were back in reported, on Wednesday.

In the rainfall last week, 1.75 inches were recorded by the U. S. Weather Bureau gauge in Tahoka, which brings the total for the month of October to 1.88 inches and the total for the year to 16.20 inches.

Tahoka had a low of 39 degrees Wednesday morning, lowest of the fall. Normal killing frost date in Tahoka is Nov. 11 to 13, about five days later than Lubbock. Most farmers, especially those over most of the eastern half of the county, would welcome at least two more weeks of dry weather with sunshine.

Mrs. B. P. Maddox Dies At Midland

Mrs. B. P. (Laura) Maddox, about 78, widow of a pioneer Tahoka attorney, died suddenly at her apartment in Midland Wednesday at about 2:00 p. m. She had suffered a stroke about a year ago, but was in reasonably good health.

Funeral services will be held at 10:00 a. m. in the Newbie Ellis Funeral Home, and burial will follow in a Midland cemetery beside the grave of her husband, Mrs. Claude Denaldson was informed by members of the family Wednesday night.

She was reared at Palo Pinto Miss Laura Pitts, and was married there in June of 1908 to B. P. Maddox, who had operated a drug store in that town, but studied law, was admitted to the bar, and served several terms in the Texas legislature.

Mr. and Mrs. Maddox moved to Tahoka in 1916 and raised their family here. He practiced law here, served as county attorney, chairman of the Red Cross and was administrator of several relief programs during World War I and the Depression.

Mrs. Maddox devoted most of her time to raising the children, but was also a loyal member of the Baptist Church.

Judge Maddox retired from law practice in about 1955. He and Mrs. Maddox had gone to Midland to visit their children in September, 1959, when he died suddenly there on September 24. He was buried there.

Mrs. Maddox sold her home here to Mr. and Mrs. F. A. Wyatt, and has been living in Midland near her children since his death.

She is survived by one son, Robert W. Maddox; four daughters, Mrs. Barney R. (Helen) Greathouse, Mrs. Gail (Charline) Eastman, Mrs. Wallace (Barbara) King, and Mrs. Marshall (Lynelle) Kestler, all of Midland; six grandchildren, and several great grandchildren.

Mrs. G. R. (Bud) Milliken came home Sunday from West Texas Hospital, where she spent several days under medical treatment.

Mrs. A. C. Weaver, who has been in a Lubbock hospital several weeks under treatment, has undergone surgery.

L. S. Todd was an overnight patient in Tahoka Hospital Tuesday.

Juniors Defeat Slaton Teams

Tahoka won two junior games here Tuesday night against Slaton, following a "B" team game Thursday of last week and lost to Frenship.

Local seventh graders pounded the Tigers for a 44-0 victory. A 16-14 win was chalked up by the eighth graders from Slaton. The "B" team bowed to Frenship 8-0.

Cliff Thomas was responsible for 22 points, making three touchdowns, two on runs and one on a screen pass from John Tyler, and two conversions on runs. Buz Owens scampered across the goal line on a pass from Doyle Schneider, Chris Roberts and Richard White both hit pay dirt, and John Tyler ran a conversion. The entire team was outstanding on defense and Coach Mill Fitts' offensive "Head Hunter's Club" for the week include Gary Brooks, Charles Isbell, Richard White, Keith Davis, Chris Roberts, and John Tyler.

The Tigers scored in the first in the eighth grade battle and a conversion put them in front 8-0. Coach Dave Hesterday's boys tied the score before the half, they scored again in the second half and were successful on both conversions, taking a 16-8 lead. The Tigers scored again but were unable to cross the goal line for two extra points. Mitchell Williams scored one touchdown and conversion. Jimmy Griffin added another TD and Raymond Chapa ran the conversion. Wendell Medina

was outstanding on defense. Although unable to score, the "B" team has been playing good ball and battled the Frenship team all the way. Playing outstanding offensive ball were Jim Crawford and Terry Harvick. Reti Patterson was the outstanding defensive player.

Mrs. Elbert King left Sunday for Spring market in Dallas, expected to be there several days.

Mrs. Sallie Kemp 50-Year Member Of Eastern Star

Mrs. Sallie Kemp was honored as a 50-year member in Eastern Star at a program presented by officers of Tahoka Chapter No. 743 in the home of her daughter, Mrs. Bob Rutledge, Sunday afternoon at 2:00 p. m.

Mrs. Kemp sat in the East wearing a corsage, a white chrysanthemum with "OES-50" in gold letters on it. Below the corsage she wore the badge she wore at Grand Chapter in 1912 when she was Worthy Matron of Waco Chapter.

She transferred her membership here in 1942. Mrs. Kemp was also presented a 50-year Eastern Star pin by Secretary Opal Hines in behalf of the Tahoka Chapter.

Also celebrated was Mrs. Kemp's 67th birthday. A birthday cake topped with the numbers 87 and candles complemented the decor. Refreshments of cake squares topped with a gold star and punch were served.

Patricia Sikes registered the guests, including members of the Eastern Star, and many other friends both from Tahoka and out-of-town.

The officers participating in the program were Esther Vaughan, Walter Vaughan, Opal Hamilton, Ed Hamilton, Opal Hines, Emily Sikes, Christine Jaques, Jane Moorehead, Helen Ellis, Grace Clinton, Marietta Montgomery, Estelle McCord, Lady Stewart, Bertha Williams, Jewel Duggan and Zella Taylor.

Faith Circle In Meeting Tuesday

The Faith Circle of the W.S.C.S. met Tuesday morning in the home of Mrs. A. M. Bray.

Six ladies heard Mrs. R. M. Stewart give the devotional.

The Circle will meet next week at the church for the World Day of Prayer.

MISS BRUMLEY, Bride of Roger Munn

Miss Sandra Brumley And Roger Munn Take Marriage Vows Today In Hereford

In a candlelight ceremony at 6:00 p. m. tonight Miss Sandra Annice Brumley will become the bride of Roger Wayne Munn in a ceremony with pink and satin streamers tied with love knots.

The bride-elect is the daughter of Mr. and Mrs. Roger Brumley. Parents of the prospective bridegroom are Mr. and Mrs. Marvin J. Munn of Tahoka.

Rev. B. L. Davis, minister of the First Baptist Church of Hereford, will read the double-ring ceremony before a corner fireplace flanked by two spiral candelabra with white votive cups and two arrangements of white stock and white beauty asters. Centered on the mantle will be an arrangement of greenery and white wedding taper and before the fireplace will be an arrangement of jade and emerald greenery.

Miss Suzy Woodford, pianist, will play a prelude of nuptial selections and traditional wedding marches and accompany Sargent Munn, brother of the bridegroom, of Denver City, as he sings, "Because", "I Love You Truly", and "The Lord's Prayer".

To be given in marriage by her father, the bride will wear a designer's gown of white chantilly lace and tulle over silk taffeta. Styled with a portrait neckline outlined in iridescent sequins, the gown is fashioned with an along-asted bodice enhanced with seed pearls, complementing the ruffled tulle skirt with a triple-back pouf of white bridal satin, which cascades into a train. Her finger-tip veil of silk illusion falls from coronet of pearls. The bride will carry a cascade arrangement of white cymbidium orchids and feathered carnations on a base of maline, tied with satin streamers and strands of pearls, atop a white lace-covered Bible.

Mrs. Paul Larson of Littlefield, aunt of the bride, will be matron of honor. She will wear a petal pink satin brocade sheath dress, fashioned with a brief jacket and come overskirt with matching shoes. Her head dress will be a pink lace tiara studded with

pearls and complimented with a circular nose veil. She will carry a colonial sashway of white carnations with pink and satin streamers tied with love knots.

Mike Brumley, brother of the bride, will light the candles.

Donald Crooks of Hereford will serve as best man.

A reception will be held in the home following the ceremony. The serving table will be laid with a floor-length pink tiered net cloth over pink taffeta and centered with a silver candelabra entwined with white roses, stephanotis and smilax, which will also encircle the base of the three-tiered wedding cake. Appointments will be in silver and crystal. Assisting in hospitalities will be Miss Jani Brumley, sister of the bride, Mrs. Kenneth Coker and Mrs. Louis Woodford.

For a wedding trip to New Mexico, the bride will wear a light blue wool suit, a cerulean mink hat and black accessories. Her corsage will be orchids lifted from the bridal bouquet.

The bride is a graduate of Hereford High School and attended West Texas State College and is now a student at Texas Tech. The bridegroom is a graduate of Denver City High School, attended West Texas State College and Texas Tech. The couple will make their home in Tahoka.

Those from this area attending the ceremony will be Mr. and Mrs. Marvin Munn, Sheryl Nevill, Mr. and Mrs. Urban Brown, Sharon, and Mrs. Stella Throckmorton, all of Tahoka, Mr. and Mrs. Joe Marshall of Post, and Mr. and Mrs. Sargent Munn, Neal and Kevin of Denver City.

Rebekah Lodge Plans Activities

Rebekah Lodge met at 7:30 p. m. Tuesday evening with Mary Beckham, Noble Grand presiding. Dates to be remembered are: Friendship night in Lamesa Nov. 10; Odd Fellow Circle meeting in Tahoka Nov. 1; Rebekah bake sale at Piggly Wiggly No. 1; Friendship night in Tahoka Nov. 17.

The past week Rebekahs have placed in the deepfreeze 79 quart size bags of peas, 25 bags of okra, 5 chickens, 10 bags of green beans and pies.

Initiation meeting will be Nov. 13. All are asked to bring a salad as reported by Lucy Brice.

Book Review At Meeting of Guild

About 35 ladies heard Mrs. A. M. Bray present a review of Catherine Marshall's book, "Beyond Ourselves," Thursday, Oct. 18, in Fellowship Hall of the Methodist Church. The event was the Wesleyan Service Guild's annual Silver Tea. Coffee and spiced tea were served from silver services at a table laid with a beige linen cloth and decorated with a fall arrangement of bronze chrysantheums. An identical cloth covered the registration table.

Mrs. Maurice Huffaker was chairman of the hostess committee and Mrs. Charles Brookshire was in charge of decorations. Ladies attending the event were from Tahoka and O'Donnell.

CARD OF THANKS

We would like to express our sincere appreciation and thanks to each and every one who contributed in any way during our sorrow in the loss of our husband and father. Words fail to say what is in our hearts. May God be with each of you; is our prayer.—Mrs. E. J. Cooper and family. 11c.

Ladies attending the event were from Tahoka and O'Donnell.

CARD OF THANKS

We wish to thank all our friends and neighbors who were so kind in our time of sorrow. Your prayers and kind deeds during the past five years have made our loss easier to bear. May God bless you and yours forever.—Clark Barton, B. L. and Kelvin Thomas. 11p.

Mrs. Ola Hughes of Alamogordo, N. M., recently spent several days here visiting Mr. and Mrs. Jodie Nevill and other relatives.

Guest Night Held By Bridge Group

Guest night was held at party bridge at T-Bar Country Club Thursday night of last week with seven and one-half tables of players participating. John Thomas won high and Mr. Albert Curry was second. Local Civil Defense Takes Precautions

In order to acquaint people of Tahoka with the local Civil Defense emergency warning signal, the local fire siren will be sounded Saturday at 12:00 noon.

This signal at 12:00 noon Saturday will not be a warning of a general emergency—repeat, WILL NOT—but simply to acquaint people with the quacking, or wawing, tone for such an emergency should one ever come, states E. J. Short, local Civil Defense leader.

Tahoka has had a relatively complete Civil Defense organization set up for a year with plans complete for almost any emergency. Fire, police, and a score of committee heads are on alert to go into action in such a case.

Wednesday night, Short held a meeting of such department heads and workers in the City-Library building for the purpose of reviewing precautionary measures and further promotion of a closely knit organization.

The public is warned not to become alarmed when the siren is sounded on Saturday at 12:00 noon, but simply to note the type of signal that will be given in an emergency.

Greatest danger in Lynn County is from people becoming panicky, getting out on the road and getting hurt in an automobile accident, or from possible influx of people from other areas to local sections such as Lynn County.

Local Civil Defense people are advised by National Civil Defense authorities. They will notify Tahoka CD authorities if there is any national emergency.

Lubbock is not a primary target, and local CD authorities believe that in case of nuclear weapon attack on the U. S. there would be no immediate danger in this immediate area except from panic.

Although every precaution will be taken, there is no cause for immediate alarm even if an attack would come.

Principal advice from local CD authorities is present is for citizens to remain calm, stay off the highway, and stay at home in an emergency.

Fire Siren Tuesday Caused Excitement

With the troubled world situation Tuesday, a lot of people got a little frantic when the Tahoka Fire Department siren quacked and stuttered a bit when turned on to herald a trash fire at Lankford Variety.

A box of trash at the rear door had caught fire and no damage was done except for a scorched door.

Fire Chief Pat Patterson and City Secretary J. M. Uzie, who turned on the alarm, said the alarm was simply improper operation of the siren switch.

Wilson Exes Name Officers

Wilson ex-students report they had a great time visiting at the annual meeting at Homecoming Saturday evening.

Although 200 registered, 186 attended the banquet. No formal program was held, but the time spent in visiting.

The group voted to hold the Ex-student reunion every other year in the future, and officers elected this year will be for a two-year period. Homecoming will be observed by Wilson Schools next year, but there will be no formal ex-student program until 1964.

Among those attending the banquet Saturday evening, were students from as far away as Arkansas, Colorado Springs, Albuquerque, and Fort Worth. Coming the greatest distance, 800 miles, were Mr. and Mrs. Brunson, she having been a Parks before her marriage, who came from Arkansas.

New officers elected at the meeting are: Edmund Maeker, president; Hubert Teinert, vice president; Mrs. Milton Wied, secretary and treasurer; and Mrs. Willene Schutte, reporter.

Outgoing officers are: Floyd Heck, president; Mrs. C. C. Swope, secretary; and Mrs. Billy Weaver, reporter. Teinert was also vice president last year.

Mrs. Dot Allsup Undergoes Surgery

Mrs. Lewis (Dot) Allsup, a patient in Methodist Hospital in Houston for several weeks, has undergone surgery there. The News is informed that she should now be on the road to recovery.

The News received a letter earlier in the week from Mrs. Allsup in which she enclosed an interesting column from the Houston Chronicle, "Dial Watch-em," in which readers asked questions and the editor attempts to answer them in order to "guard your right to know what goes on" in public affairs. Questions range from personal ones to those about city, state, and federal government, schools, etc. The idea is a very good one, and she thinks The News could conduct such a column for benefit of its readers.

Durhams Attending National Meeting

Doctor and Mrs. K. R. Durham left by car Tuesday afternoon to attend the 103rd annual session of the American Dental Association in Miami Beach, Fla.

Doctor Durham is a delegate from Texas and will meet daily with the House of Delegates of the A. D. A. October 28th through October 31st. The Durhams will return Nov. 4th.

Discover New Cotton Quality

Some revolutionary developments in cotton goods were shown The News this week by Wilmer Smith of New Home, nationally known leader in the cotton field, and this little story in The News is probably a new sweep of the entire nation.

Samples of newly developed cotton fabrics were sent Smith by Southern Regional Research Laboratory at New Orleans, operated by the Department of Agriculture.

Wilmer says the new cotton research product is revolutionary in that it has the quality of stretch, a feature long desired in cotton materials.

The material stretches and comes back into place. As a result clothing with this quality are not so likely to split out, pull out at the seams, and such garments as shirts and skirts may fit snugly and return to proper shape.

He had a sample of new blue denim, a cotton tie with the stretch quality, and a shirt of woven check mercerized fabric, resin treated to be drip dry and wrinkle resistant, and at the same time having the stretch quality.

Before many months, the new fabrics may be in production.

616 Tahokans Own Homes Valued At \$4,435,000 Census Report Shows

(Special To The News)
New York—By virtue of the homes they own, residents of Tahoka share largely in the wealth of the community.

On the basis of property values locally, as recorded in the recent Census of Housing, the 616 non-farm dwellings that are owner-occupied have an estimated worth of \$4,435,000.

The owners' equity in these homes, over and above the mortgage debt, is approximately \$2,484,000.

The facts emerge from a national study of consumer finances conducted by the University of Michigan, and from housing data gathered in connection with the census.

The findings are detailed for all areas throughout the country. They show that America's non-farm homes have a total market value in excess of \$400 billion.

Some \$117 billion of it, however, represents mortgage liability. The figure is three times as high as it was in 1950, reflecting the fact that home buying has been made easier, with lower down payments, backed by government-insured funds.

The \$400 billion is far more than was invested originally in the purchase of these dwellings. They have steadily grown in value over the years and have, as a result, been one of the principal hedges against inflation.

Over the last ten years, according to the reports, the average market value of a non-farm home in the United States has increased 46 percent.

In Tahoka, the Government's sampling survey shows, owner-occupied homes have a median market value of \$7,200. For all such dwellings locally, the total comes to approximately \$4,435,000.

Homecoming At New Home Today

New Home will have their homecoming Friday Oct. 26. There will be a banquet at 6:30 in the Grade School Cafeteria. A business meeting will follow the banquet and new officers will be elected. Everyone is invited.

The football game will begin at 9:00 p. m. with the New Home team playing Wilson. The football game will be crowned before the game.

Coffee and a reception will follow the football game. Present officers are: President, Darrell Fletcher; Vice-president, Sue Armontrout; Sec. and Treas., Joanne Kleih.

Miss Buchanan Is On Cactus Staff At Texas University

Elyne Buchanan, daughter of Mr. and Mrs. Preston Buchanan, is among the 118 University of Texas students who have been appointed to the staff of the Cactus, student yearbook, by Editor George Padue Bunch of Artesia and Aspicate Editor Kay Lynn Morrow of Houston.

Elyne is a freshman at the University.

Move Ray Grider To Albuquerque

Ray Grider, 49, a patient in Big Spring Veterans Hospital the past two and a half months suffering with cancer, was transferred Monday to the Veterans Hospital in Albuquerque for radium treatment. His brother, "Bud" Grider of Andrews, accompanied him on the transfer.

Judge G. C. Grider, his father, says Ray is in critical condition with the cancer having spread over the right chest, shoulder, neck, and now has taken away the sight of his right eye.

Mrs. Al Smith was dismissed from Tahoka Hospital Tuesday. She had been treated for a heart condition there for about two weeks.

Debbie Miller, daughter of Mr. and Mrs. J. T. Miller, was an overnight medical patient in Tahoka Hospital Monday.

O'Donnell Pancake Supper Is Nov. 2

O'Donnell Lions are sponsoring a pancake supper Friday, Nov. 2, preceding the Tahoka-O'Donnell football game, from 5:00 p. m. until game time, in the Elementary School Cafeteria in O'Donnell. All the pancakes a person can eat are promised for 60 cents.

Funds raised at the supper will go to the Lions Club projects.

Farm Bureau, In Annual Meeting, Sends 15 Resolutions To State Body

Only about 50 of the 727 members of Lynn County Farm Bureau turned out Monday night for the annual membership meeting in the Eugene Munsell home on South Ninth Street.

The meeting was a very interesting affair. Loyd R. McCormick Jr., president, conducted the meeting. In addition to election of directors and some talks, 15 resolutions were approved for submission to the state meeting in San Antonio on Nov. 11.

The principal address by Joe Ed Sullivan, manager of Terry County Farm Bureau, covered a wide range of subjects and an appeal for more work from directors and members to make the farmers' voice heard in Austin and Washington.

Sullivan declared few of us agree with all final policies adopted at the national level by Farm Bureau, but that these policies are determined at the grass roots by the members themselves at the county level, then worked over at the state level, and finally at the national convention, which will be in Atlanta, Ga., in December. No person has the authority to change these policies. They all have originated at the county level, and usually are the best that all farmers can come up with. Texas will have a little more say at the national convention this year with six or seven voting delegates.

Beware of Fake Salesmen, Public Is Given Warning

Householders are being warned by Tahoka Chamber of Commerce to beware of questionable door-to-door salesmen.

This week a New Home lady reported a magazine salesman operating in that section who claimed to be sponsored by Tahoka Lions Club. There is no Lions Club in Tahoka at the present time, and when local people were notified of this false claim the officers were notified.

Citizens suspecting crooked salesmen can help stop these peddlers by notifying Tahoka Chamber of Commerce, Mrs. Leonard Dunn, secretary, at the City Hall.

Miss Whitaker Is Nurse In Army

2nd Lt. Mary Helen Whitaker is currently stationed at Fort Sam Houston at San Antonio undergoing an eight week orientation.

She passed her examinations to become a registered nurse on Sept. 15 and went into the Army on Oct. 17. However, in 1959 Miss Whitaker, daughter of Mr. and Mrs. Oscar Whitaker, was inducted into the Army Nurse program.

Following her training at San Antonio she will be sent to Fort Benning, Ga.

Tahoka Ex-Student Meeting Monday

Jesse Dorman, new president of Tahoka Ex-Students Association, is still seeking ideas on methods of reviving interest in the organization and its annual fall meeting.

All people interested are urged to attend a meeting in the Lyntegar conference room next Monday night to discuss some plans for a more active program. He asks the support and cooperation of all who will come out.

Autumn In Bloom At Munsell Home

"Autumn in Bloom" might well be the name of the front yard of the Eugene Munsell home on South Ninth Street.

Well known for his gardening ability, Mr. Munsell has covered his entire front yard with chrysantheums and they are now in full bloom, completely carpeting the yard in rows of white, yellow, bronze, pink, purple and orchid.

Also in full bloom are two other of his projects at the roadside park four miles north of Tahoka and at the highway department building on the O'Donnell highway.

Flower lovers are urged to see the result of his work while the plants are full of blooms.

Sam Holland, 69, Is Death Victim

Sam Holland, 69, formerly of Lynn county, a resident of Whittier, died Monday. He had been in ill health several years.

Funeral services were held Wednesday in the First Baptist Church of Hillsboro, and burial followed in Arlington. Mr. and Mrs. T. I. Tippit, friends of the family, attended the services.

Mr. Holland farmed east of Tahoka, was elected county commissioner of Precinct 2 in 1934. He moved away in about 1940.

He is survived by his wife, one daughter, and two grandchildren.

Mrs. B. P. Maddox died in a Midland cemetery beside the grave of her husband, Mrs. Claude Donaldson was informed by members of the family Wednesday night.

She was reared at Palo Pinto Miss Laura Pitts, and was married there in June of 1908 to B. P. Maddox, who had operated a drug store in that town, but studied law, was admitted to the bar, and served several terms in the Texas legislature.

Mr. and Mrs. Maddox moved to Tahoka in 1916 and raised their family here. He practiced law here, served as county attorney, chairman of the Red Cross and was administrator of several relief programs during World War I and the Depression.

Mrs. Maddox devoted most of her time to raising the children, but was also a loyal member of the Baptist Church.

Judge Maddox retired from law practice in about 1955. He and Mrs. Maddox had gone to Midland to visit their children in September, 1959, when he died suddenly there on September 24. He was buried there.

Mrs. Maddox sold her home here to Mr. and Mrs. F. A. Wyatt, and has been living in Midland near her children since his death. She is survived by one son, Robert W. Maddox; four daughters, Mrs. Barney R. (Helen) Greathouse, Mrs. Gail (Charline) Eastman, Mrs. Wallace (Barbara) King, and Mrs. Marshall (Lyne) Keotter, all of Midland; six grandchildren, and several great grandchildren.

Crop harvest had just gotten under way again this week, following last week's rains, when Thursday dawned cloudy and damp.

Tahoka had gained 1,483 bales up until 9:30 a. m. Thursday. The News estimates, on the basis of scattered reports from these and other county gins, that Lynn county has ginned approximately 9,000 bales of the estimated 120,000-bale 1962 crop.

Harvest of both cotton and maize was brought to a stop Wednesday last week, which continued through Saturday. The few hands available were back in reported, on Wednesday.

In the rainfall last week, 1.75 inches were recorded by the U. S. Weather Bureau gauge in Tahoka, which brings the total for the month of October to 1.88 inches and the total for the year to 16.20 inches.

Tahoka had a low of 39 degrees Wednesday morning, lowest of the fall. Normal killing frost date in Tahoka is Nov. 11 to 13, about five days later than Lubbock. Most farmers, especially those over most of the eastern half of the county, would welcome at least two more weeks of dry weather with sunshine.

Mrs. B. P. Maddox Dies At Midland

Mrs. B. P. (Laura) Maddox, about 78, widow of a pioneer Tahoka attorney, died suddenly at her apartment in Midland Wednesday at about 2:00 p. m. She had suffered a stroke about a year ago, but was in reasonably good health.

Funeral services will be held at 10:00 a. m. in the Newell Ellis Funeral Home, and burial will follow in a Midland cemetery beside the grave of her husband, Mrs. Claude Donaldson was informed by members of the family Wednesday night.

She was reared at Palo Pinto Miss Laura Pitts, and was married there in June of 1908 to B. P. Maddox, who had operated a drug store in that town, but studied law, was admitted to the bar, and served several terms in the Texas legislature.

Mr. and Mrs. Maddox moved to Tahoka in 1916 and raised their family here. He practiced law here, served as county attorney, chairman of the Red Cross and was administrator of several relief programs during World War I and the Depression.

Mrs. Maddox devoted most of her time to raising the children, but was also a loyal member of the Baptist Church.

Judge Maddox retired from law practice in about 1955. He and Mrs. Maddox had gone to Midland to visit their children in September, 1959, when he died suddenly there on September 24. He was buried there.

Mrs. Maddox sold her home here to Mr. and Mrs. F. A. Wyatt, and has been living in Midland near her children since his death. She is survived by one son, Robert W. Maddox; four daughters, Mrs. Barney R. (Helen) Greathouse, Mrs. Gail (Charline) Eastman, Mrs. Wallace (Barbara) King, and Mrs. Marshall (Lyne) Keotter, all of Midland; six grandchildren, and several great grandchildren.

Mrs. G. R. (Bud) Milliken came home Sunday from West Texas Hospital, where she spent several days under medical treatment.

Mrs. A. C. Weaver, who has been in a Lubbock hospital several weeks under treatment, has undergone surgery.

L. S. Todd was an overnight patient in Tahoka Hospital Tuesday.

Juniors Defeat Slaton Teams

Tahoka won two junior games here Tuesday night against Slaton, following a "B" team game Thursday of last week and lost to Frenship.

Local seventh graders pounded the Tigers for a 44-0 victory. A 16-14 win was chalked up by the eighth graders from Slaton. The "B" team bowed to Frenship 8-0.

Cliff Thomas was responsible for 22 points, making three touchdowns, two on runs and one on a screen pass from John Tyler, and two conversions on runs. Buz Owens scampered across the goal line on a pass from Doyle Schneider, Chris Roberts and Richard White both hit pay dirt, and John Tyler ran a conversion. The entire team was outstanding on defense and Coach Milt Fitts' offensive "Head Hunter's Club" for the week include Gary Brooks, Charles Isbell, Richard White, Keith Davis, Chris Roberts, and John Tyler.

The Tigers scored in the first in the eighth grade battle and a

conversion put them in front 8-0. Coach Dave Easterday's boys tied up the score before the half, they scored again in the second half and were successful on both conversions, taking a 16-8 lead. The Tigers scored again but were unable to cross the goal line for two extra points. Mitchell Williams scored one touchdown and conversion: Jimmy Griffin added another TD and Raymond Chapa ran the conversion. Wendell Medlin

was outstanding on defense. Although unable to score, the "B" team has been playing good ball and battled the Frenship team all the way. Playing outstanding offensive ball were Jim Crawford and Terry Harvick. Ret Patterson was the outstanding defensive player.

Mrs. Elbert King left Sunday for Spring market in Dallas, and expected to be there several days.

Mrs. Sallie Kemp 50-Year Member Of Eastern Star

Mrs. Sallie Kemp was honored as a 50-year member in Eastern Star at a program presented by officers of Tahoka Chapter No. 743 in the home of her daughter, Mrs. Bob Rutledge, Sunday afternoon at 2:00 p. m. Mrs. Kemp sat in the East wearing a corsage, a white chrysanthemum with "OES-50" in gold letters on it. Below the corsage she wore the badge she wore at Grand Chapter in 1912 when she was Worthy Matron of Waco Chapter. She transferred her membership here in 1946. Mrs. Kemp was also presented a 50-year Eastern Star pin by Secretary Opal Hines in behalf of the Tahoka Chapter.

Also celebrated was Mrs. Kemp's 57th birthday. A birthday cake topped with the numbers 87 and candles complemented the decor. Refreshments of cake squares topped with a gold star and punch were served.

Patricia Sikes registered the guests, including members of the Eastern Star, and many other friends both from Tahoka and out-of-town.

The officers participating in the program were Esther Vaughan, Walter Vaughan, Opal Hamilton, Ed Hamilton, Opal Hines, Emily Sikes, Christine Jaquess, Jane Moorehead, Helen Ellis, Grace Clinton, Marietta Montgomery, Estelle McCord, Lady Stewart, Bertha Williams, Jewel Dudgeon and Zella Taylor.

Faith Circle In Meeting Tuesday

MISS BRUMLEY, Bride of Roger Munn

Miss Sandra Brumley And Roger Munn Take Marriage Vows Today In Hereford

In a candlelight ceremony at 6:00 p. m. tonight Miss Sandra Annice Brumley will become the bride of Roger Wayne Munn in the home of her parents at 303 Sunset Drive in Hereford.

The bride-elect is the daughter of Mr. and Mrs. Roger Brumley. Parents of the prospective bridegroom are Mr. and Mrs. Marvin J. Munn of Tahoka.

Rev. B. L. Davis, minister of the First Baptist Church of Hereford, will read the double-ring ceremony before a corner fireplace flanked by two spiral candelabra with white votive cups and two arrangements of white stock and white beauty asters. Centered on the mantle will be an arrangement of greenery and white wedding taper and before the fireplace will be an arrangement of jade and emerald greenery.

Miss Suzy Woodford, pianist, will play a prelude of nuptial selections and traditional wedding marches and accompany Sargent Munn, brother of the bridegroom, of Denver City, as he sings, "Because," "I Love You Truly," and "The Lord's Prayer."

To be given in marriage by her father, the bride will wear a designer's gown of white chantilly lace and tulle over silk taffeta. Styled with a portrait neckline outlined iridescent sequins, the gown is fashioned with an elongated bodice enhanced with seed pearls, complimenting the ruffled tulle skirt with a triple-back pouf of white bridal satin, which cascades into a train. Her finger-tip veil of silk illusion falls from a coronet of pearls. The bride will carry a cascade arrangement of white cymbidium orchids and feathered carnations on a base of maline, tied with satin streamers and strands of pearls, atop a white lace-covered Bible.

Mrs. Paul Larson of Littlefield, aunt of the bride, will be matron of honor. She will wear a petal pink satin brocade sheath dress, fashioned with a brief jacket and come overskirt with matching shoes. Her head dress will be a pink lace tiara studded with

Rebekah Lodge Plans Activities

Every day is a safety day.

Hallowe'en Fete Next Wednesday

A Hallowe'en Carnival, open to the general public, will be held next Wednesday night, Oct. 31, beginning at 7:00 p. m. in the Wharton Motor showroom, sponsored by the Rainbow girls. There will be several forms of entertainment, games, booths, food and drink on sale, and a gala time is promised for both young and old.

The carnival is being sponsored by the Rainbow advisory board, headed by H. W. Carter and Mrs. Pat Park. An admission fee of 25 cents will be charged.

Book Review At Meeting of Guild

About 35 ladies heard Mrs. A. M. Bray present a review of Catherine Marshall's book, "Beyond Ourselves," Thursday, Oct. 18, in Fellowship Hall of the Methodist Church. The event was the Wesleyan Service Guild's annual Silver Tea.

Coffee and spiced tea were served from silver services at a table laid with a beige linen cloth and decorated with a fall arrangement of bronze chrysanthemums. An identical cloth covered the registration table.

Mrs. Maurice Huffaker was chairman of the hostess committee and Mrs. Charles Brookshire was in charge of decorations. Ladies attending the event were from Tahoka and O'Donnell.

CARD OF THANKS

We would like to express our sincere appreciation and thanks to each and every one who contributed in any way during our sorrow in the loss of our husband and father. Words fail to say what is in our hearts. May God be with each of you, is our prayer.—Mrs. E. J. Cooper and family. Itc.

CARD OF THANKS

We wish to thank all our friends and neighbors who were so kind in our time of sorrow. Your prayers and kind deeds during the past five years have made our loss easier to bear. May God bless you and yours forever.—Clark Barton, B. L. and Kelvin Thomas. Itp

Mrs. Ola Hughes of Alamogordo, N. M., recently spent several days here visiting Mr. and Mrs. Jodie Nevill and other relatives.

Guest Night Held By Bridge Group

Guest night was held at party bridge at T-Bar Country Club Thursday night of last week with seven and one-half tables of players participating. John Thomas won high and Mrs. Albert Curry was second. Mr. and Mrs. Frank Hill were hosts.

Guest night will be held the second week of each month at the club and those wishing to play may attend. The next guest night will be on Nov. 8. However, guests will not be contacted each month

by telephone and members of the club extend a standing invitation to those wishing to play.

Guest night is on a trial basis through permission of Country Club officials and members.

This Thursday night Mr. and Mrs. Calloway Huffaker were serving as hosts.

CARD OF THANKS

My sincere thanks to all my many friends who in any way helped make October 21 such a happy day for me. May you all enjoy good health and much happiness. God bless you.—Mrs. Sallie Kemp. Itc

The Tahoka Chapter of the National Honor Society held a regular meeting Tuesday evening, October 23 in the home of Larry Price with Andy Bray, president, presiding. All members were present for the meeting where several projects were discussed for the year. The Society is planning to sell Christmas cards this year and anyone wishing to purchase these may contact any of the members or Mrs. F. B. Hegi, Chapter sponsor.

On October 30, in the Tahoka High School Auditorium, the Rev. Chess Lovern, pastor of the First Methodist Church in Lubbock, will speak to the student body. The N. H. S. is sponsoring this as well as many other programs throughout the school year and anyone wishing to attend, is cordially invited.

Members greatly enjoyed a book review presented by Mrs. A. M. Bray entitled "Beyond Ourselves" by Catherine Marshall. Catherine Marshall, wife of the great preacher Peter Marshall, told of her trying years before she came to know Christ and also of the years of doubt, fear, and happiness she had after her redemption. The program was greatly enjoyed by all present.

Following the meeting, refreshments were served by Mrs. J. C. Womack.

Mrs. Mary Stuart was dismissed from Tahoka Hospital Monday after being a patient there for several weeks.

Don Brownings Home From Trip

Don Browning, Tahoka Church of Christ minister, and family have recently returned from an eight day trip. They spent their first night in Harrison, Ark. with Howard Draper's son-in-law, James Petty. From there they went on into Missouri to Silver Dollar City in the Ozarks.

The Brownings toured on to Tennessee and stayed in Memphis. They report the scenery was gorgeous as the leaves on the trees are turning to radiant colors. Returning home they came by Dallas for the State fair.

Walter Kahl was released Saturday from Tahoka Hospital where he was a medical patient several days.

Lawrence Harvick was released from Tahoka Hospital last Friday after being a patient there several days.

Jerry Harper Is Given Promotion

Reese AFB—Jerry E. Harper of O'Donnell has been promoted to staff sergeant in the United States Air Force.

Sergeant Harper is assigned to the 3500th Air Base Group here as a photographer. A graduate of O'Donnell High School, he is the son of Mr. and Mrs. Ray W. Harper, 111 Gwaltney St., Jacksboro, Tex. His wife is the former Nancy A. Pierce of O'Donnell.

W. C. Steinhauser of Wilson underwent minor surgery in Tahoka Hospital last week end. He was dismissed on Monday.

The National Basketball Association is in its 17th season.

History of Texas Rangers Is Told

History and work of the famed Texas Rangers was the subject of a talk at Tahoka Rotary Club Thursday by Capt. Raymond Waters of Co. C, Lubbock.

He said the Texas Rangers, first organized in 1822, is the oldest state-wide law enforcement agency in North America. Stephen F. Austin was the originator and paid the expenses of the Ranger force out of his own pocket.

Much early history of the organization is hazy, since records were destroyed by fire in 1855, but the group was for many years attached to the military. In 1874, the Rangers became a separate unit of the Department of Public Safety when this organization was formed.

Back in the early days, sole equipment of members of the Texas Rangers included a horse, saddle, bedroll, six-shooter and rifle. Sometimes, evidence that a Ranger had carried out his assignment was the scalp he brought in. The fabulous force was a deterrent factor in early day Texas in-fighting Indians, catching renegades, desperados, cow and horse thieves, etc.

Today, Texas has 62 Rangers in six companies, who work directly under Col. Homer Garrison, head

of the Department of Public Safety and recognized as the outstanding man in his field in the nation. Principal duties today are to work with local officers in the criminal field.

The Bureau of Identification in Austin, he said is the largest and most complete in the nation, second only to that of the FBI in Washington.

Capt. Waters and Lynn County Sheriff, Norvell (Booger) Redwine, who was a guest of the club for the program, both entered the Texas Rangers in October, 1941.

President Calloway Huffaker announced the Lubbock Inter-City meeting will be held on Tuesday night, Oct. 30, in Fair Park Coliseum, when Cliff Randall, former president of Rotary International, will be the speaker. Most Tahoka club members are expected to attend.

Tahoka club, which now has 53 members, was fourth in the district in attendance during September with a percentage of 97.17.

Clint Walker introduced Ronnie Driver, student guest for the month Visiting Rotarians were present from Post, Brownfield, and Lamesa.

Every day is safety day.

Farm Facts

Director George L. Mehren of the Giannini Foundation of Agricultural Economics, University of California, observes that substitution of other factors for manpower has been the most striking trend in agriculture.

"Over the past 50 years," he notes, "agricultural production has doubled while farm manpower has been cut approximately in half. Mechanization has accounted for much of this progress."

"In a half century, 8 million trucks and cars have replaced 23 million horses and mules. In this fifty years, farmers and ranchers have increased their use of mechanical power and machinery by some 300%; fertilizer by 700%; feed, seed, and livestock services by 500%."

"In 1910, for example, almost no commercial nitrogen fertilizer was used; in 1959, 2.3 million tons. By 1960, the age of animal power on the farm had virtually ended. Gasoline, diesel oil, and electric power had taken over."

"Some 20 years ago, only

Farm manpower has been cut in half in 50 years.

about 50 basic farm chemicals were in use. Today there are about 200 basics available and perhaps as many as 50,000 formulations of them. Almost all pesticides now used have become available only since World War II.

Troop 402

Girl Scout Troop 402 met Thursday, Oct. 10, in the WOW Hall when patrol leaders, patrol names, themes and songs were chosen.

Sandra Moffitt, an eighth grade member, is leader of Patrol I. The patrol was named Araucanians, the theme is "Everything worth doing is worth doing right," and the song is "Swinging Along." Officers elected in the patrol are Bonnie Edler, scribe, and Jerri Dotson, treasurer. Three other girls present were Cindy Carroll, Jimmie Sue Dulin and Karen Elliott. It is hoped that Linda Spears will be the assistant leader.

Davaughn Evans, also an eighth grader, is patrol leader of Patrol II, which was named the Scorpions. The theme is "Love of Mankind" and the song is "Marching." Officers include Lynda Akin, assistant leader, Alta Hale, treasurer, and Jan Ashcraft, scribe. Other members present were Becky Holloway and Sarah Moffitt.

The Araucanians are planning a cook-out, a coffee can supper and also plan to go to the Girl Scout Little House at 2600 Ave. P in Lubbock soon. The Scorpions are also planning a cook-out at Tahoka Lake.

Mrs. Rosemary Moffitt is troop leader and Carolyn Howard is assistant leader. The troop invites any girl of the sixth, seventh and eighth grades who would like to join the Girl Scouts to attend the meetings on Thursdays after school at the WOW Hall.

Troop 401

Girl Scout Troop 401 went on an over-night trip to Brownfield at Coleman Park Friday, Oct. 12.

There were 16 Scouts and a leader, an assistant leader, and two committee women present. The group stayed in the Girl Scout Hut of Brownfield.

Friday night the Brownfield Girl Scouts took Troop 401 to the park and built a campfire. The two groups roasted marshmallows and had a singsong.

Saturday the troop hiked over the park and had a nice lunch, as reported by Miss Paula Payne.

1963 Upland Cotton Quota Announced And Referendum Is Set For Dec. 11

The U. S. Department of Agriculture has announced a national marketing quota of 14,367,000 bales (standard bales of 500 pounds gross weight) and a national allotment acreage of 16 million acres for the 1963 crop of upland cotton. The Agricultural Adjustment Act provides an additional 310,000 acres as a national acreage reserve to be used to the extent needed for the establishment of minimum farm allotments.

It is not anticipated that this will be the final national acreage authorized for the 1963 crop because of new legislation to be recommended to the Congress by the President, officials said.

The national acreage allotment for 1963 of 16 million acres is the maximum permitted under present law in view of the supply-demand situation. This national acreage allotment is fixed, as provided by existing law, to bring estimated production into line with estimated disappearance.

Indicated production for 1962 exceeds estimated disappearance for the 1962-63 season by 1.2 million bales. As a result, the carry-over will increase to 8.7 million bales as of Aug. 1, 1963. It now appears that domestic consumption and exports for this year will be about 13.4 million bales and, unless new legislation is passed, are not expected to change substantially for the next season.

Based on recent planting and yield trends, the 1963 allotment of 16 million acres would produce about as much cotton as would be used in the 1963-64 season, leaving the carryover on Aug. 1, 1964, at approximately the same level as at the beginning of the marketing year.

The President has announced that he will recommend legislation to remove the inequity in the present two-price cotton system

and has requested the Department of Agriculture to make recommendations to him as the means for accomplishing that purpose. This legislation would increase the domestic use of U. S. cotton and may also contain other provisions which would permit increases in the acreage to be planted.

The Advisory Committee on Cotton, following a two-day meeting in Washington Oct. 8-9, recommended to the Department that a "trade incentive" plan, combined with a choice program offered to growers for planting additional acreage if consumption warranted it, be considered for the 1963 and subsequent cotton crops. The Department will make recommendations for legislation to the President after considering the views of the Advisory Committee and other interested parties.

The quota of 14,367,000 bales (standard bales of 500 pounds gross weight) is the result of converting a 16 million-acre national allotment on the basis of a 4-year average yield of 431 pounds per acre.

December 11 has been set as the date for the referendum on 1963 upland cotton marketing quotas. At least two-thirds of the upland cotton farmers voting must approve the quotas if they are to be effective. (A similar vote on marketing quotas for the 1963 crop of extra long staple cotton will be held on the same date.)

The national acreage allotment for 1963-crop upland cotton will be apportioned to States, the State allotments to counties, and the county allotment to farms according to provisions of law.

Individual farm allotments will be made available to producers prior to the referendum. In 1963, if marketing quotas are approved in the Dec. 11, 1962 referendum, price support will be available to growers who comply with their farm allotments at such level as is determined appropriate by the Secretary, after giving consideration to the various factors specified in Section 401 (b) of the Agricultural Act of 1949 having to do with such things as supply and demand, availability of funds, the price levels for other commodities, etc. While no decision has as yet been made as to the level of the 1963-crop support price, it will, of course, be within the range provided by the law of between 65 and 90 percent of parity. The parity price of cotton is now 39.51 cents per pound.

If marketing quotas are not in effect for the 1963 upland cotton crop, the allotment programs will remain in effect, and price support will be available to cooperators at 50 percent of parity, as provided by law.

Under the 1963 quota program, growers who exceed their farm acreage allotments will be subject to penalties of 50 percent of the cotton parity price as of June 15, 1963, on the farm's excess production of the crop. In addition, none of the upland cotton produced on the farm will be eligible for price support. Marketing quotas are in effect for the 1962 crop of upland cotton, having been approved by 96.9 of the growers voting in a referendum on Dec. 12, 1961.

Tuesday, Joe D. Unfred brought his mother-in-law, Mrs. John Fetter of Lubbock, and a friend visiting her from Marysville, Pennsylvania, Miss Olga Keel, to Tahoka and they called at The News to show her some Indian relics.

The two ladies are much interested in the history of the Plains country, the crops and farming operations, but they wonder why, in this modern farming

country, they have not been able to buy any picture post cards of cotton and maize crops, cotton picking, and harvest machines in operation.

They requested our Chamber of Commerce or some one should see that some nice color pictures of cotton and milo fields and harvesting should be on sale for strangers from other parts of the nation to take back home.

Miss Keel left Thursday to visit in Scottsdale, Arizona.

Mahon Explains Vote On Issues

Lubbock Representative George Mahon has returned to West Texas following the adjournment of Congress and reopened his Lubbock office. Mahon said that he would not remain in his Lubbock office regularly, but would visit about the 20-county Congressional District as much as possible.

In commenting on the recent Congressional session, Mahon said: "The international situation continues to be of major concern."

"The President under our constitution, not Congress, is responsible for the conduct of foreign affairs. Through the defense bill which I handle in the House, Congress has provided for a sharp increase in our military strength. We are in a position of unquestioned military superiority and the President can deal from a position of strength," Mahon said.

Mahon noted that in hindsight the errors of former President Eisenhower and President Kennedy in handling the Cuban situation are obvious, but "the fixing of blame does not solve the problem."

"Congress," said Mahon, "did about all it could do in dealing with Cuba short of a declaration of war."

"Castro must be eliminated," said Mahon, "and I voted to authorize the President to use all necessary force, including the armed services in dealing with Cuba."

The President has announced that he will not permit Cuba to become a dangerous military base, Mahon pointed out.

"I shall continue to do all I can toward a policy of strength and firmness in dealing with Cuba, Berlin and other trouble spots. Such a policy involves risks but it is safer than a policy of weakness," Mahon declared.

The Trade bill which Congress passed was, according to Mahon, a necessary reaction of the U. S. to the European Common Market and it should be helpful to this heavy cotton exporting area.

Mahon said he had renewed his protest over the proposed 10% cut-back in the cotton allotment for next year. "It is my opinion," said Mahon, "that through legislation or otherwise, a way will be found early next year to prevent all or most of the decrease."

Mahon, without going into detail, said that in Congress this year he had continued his opposition to such proposals as federal aid to education, the federal medical care program, the Department of Urban Affairs.

"Major issues in the Congress were hard fought," Mahon said, "attesting to the vitality of the American system of government." He asserted that he had great faith in the strength and future of our country.

Mahon makes statement following Kennedy talk. Statement of Congressman George Mahon Monday night following the speech of President Kennedy:

"The President is our spokesman in foreign affairs and I shall support him to the limit.

"I am pleased with the decisive action which he has taken. It was made mandatory by the recent assessment of developments in Cuba. It is fraught with grave risks, but it is safer than a policy of weakness.

I repeat what I have said many times, that the U. S. cannot and will not permit the construction of a dangerous military base in Cuba.

The President has been very patient. In my opinion, he will have the support of Congress and the American people in carrying out the strong and unequivocal program of action which he announced in his statement today.

When it comes to noise makers nothing yet can surpass children in the house on a rainy day.

of all farm organizations, the farmers' voice can be made to influence legislation.

He cited what AFL-CIO was able to do last year. With a budget of \$158,000 for lobbying in Washington, and working day and night, it was able to secure a wage increase that totals more than one billion dollars.

He cited the fight of Labor against the farmer, the price spiral putting the farmer in a squeeze, the loss of individual rights, acreage and markets.

Mr. Sullivan was accompanied by Charles Bruce, president of the Terry County Farm Bureau.

Charles Reid, local office manager, reported on the insurance program, and introduced Jim Schneider of Wilson, special agent, who has written \$313,000 in insurance since February; and J. D. Atwell, who sold \$193,000 in life insurance between Sept. 17 and Oct. 1, and was named the outstanding agent in Area II for the month and also for the state of Texas.

Secretary Earl Cummings read the minutes of last year's meeting and gave the financial report, which showed a balance of \$2,737.18 in spite of improvements made to the Farm Bureau building and meeting payments on the structure.

President McCormick welcomed the group. He highly complimented Mrs. Mary Nell Ashcraft for her work and for having received the first award of Tahoka Chamber of Commerce as "most courteous employee." Also, Mrs. Reid, and thanked Lyntegar personnel, Garland Pennington and Mrs. Lois Greathouse, for their help and the building.

Door prizes were presented Lee Mason, Garland Pennington, Mrs. W. G. McCleskey, N. E. Wood, J. H. Lambright, and Elmer Blankenship.

All directors were re-elected, these being Earl Cummings, T. B. Mason, Ward Eakin, A. L. White, Lois Smelser, and Woodrow Brewer. Holdovers are McCormick, Cummings, Leland White, Don Smith, Milton Evans, and Howard Moore. Officers are elected by the board.

The invocation was given by Clarence Church and the benediction by Don Smith.

Mrs. Greathouse, Reid, and Ashcraft served coffee, cold drinks and doughnuts to the group.

Fifteen resolutions were adopted, and one presented from the floor.

Following is a digest of the resolutions, which the body voted unanimously to have sent to the State meeting and copies sent to out state and national representatives in the Legislature and in Congress:

1. We oppose the idea that a teacher belonging to the Communist Party should be allowed to teach in our public schools and colleges. Therefore, we recommend a firm policy be developed in Texas educational systems to dismiss any teacher on any teaching level who refuses to pledge allegiance to the U. S. flag, or those who belong to the Communist or Socialist group.

2. We propose that all bales of cotton be wrapped in cotton bagging and sampled before it is wrapped; that the micronaire test results be stamped or attached to the green card.

3. We are opposed to paying an import bonus on commodities such as sugar when there are restrictions on U. S. production.

4. We are opposed to Socialized Medicine.

5. We propose that proper authorities investigate more thoroughly all applicants for unemployment benefits and relief to be sure they are eligible for pay-

ment, and that regulations on such be enforced more stringently.

6. We are against all foreign aid to Communist countries.

7. We are opposed to use of Federal funds to advertise Social Security and Unemployment Compensation benefits on radio, TV, and in newspapers.

8. We insist making registrations of members of the Communist Party mandatory and the Attorney General required to enforce this law.

9. We propose a crop-hail policy beyond Nov. 15, at a slight rate, if necessary, or to write a crop-hail policy with rate established for a short term from Nov. 15 to Jan. 15.

10. We insist that laws on sale of narcotics be more rigidly enforced.

11. Lynn County Farm Bureau favors a one percent General Sales Tax to cover all sales over the present program.

12. We favor a continuance of skip-row planting as allowed in 1962.

13. We propose that parents be responsible for under-age children working in fields, rather than the farmer.

14. This body advocates abolition of the State Ad-Valorem Tax, which has become unfair to many counties who have no oil or heavy industry.

15. Lynn County Farm Bureau proposes that all cotton growers receive the same percentage acreage reduction in his county for those who vote in the cotton referendum.

The defeated resolution proposed "that any elected Federal official send his children to public school in Washington rather than private school." One opponent declared "we cannot ask for more freedoms while advocating restrictions on the freedom of choice by others."

Country Club Plans Activities

Committee chairmen were named at the board of directors meeting at T-Bar Country Club last week. Also under considerable discussion were plans for improving the road from Highway 380 to the entrance of the club.

Mrs. Charles Townes was re-elected secretary of the organization after serving in that capacity for several years.

The road to the club property is a graded dirt road and during bad weather is many times inaccessible for travel. It is hoped that improvement can be made so that bad weather will not hamper club members attending activities during the winter or rainy days.

Social committee chairmen were named as well as others and plans

are in the making for various activities for all age groups. Mrs. Eidon Carroll is the teen-age social chairman; Mrs. Charles Verner, chairman for children; and Mrs. Irvin Dunagan, adult social chairman.

Clifton Hamilton and Sam Edwards were named pump committee chairmen. Joe Bob Billman will be chairman of the greens committee, which is composed of the same members as last year. Wade Holland was named tournament chairman and Harold Roberts is his assistant.

Various club members will be called upon to serve on the committees.

Johnny Holland, a football player on the Frenship "B" team, was a patient in Tahoka Hospital as a result of a muscle strain received in the game here Thursday night of last week. He was released Saturday.

Guests in the home of Mrs. C. A. Thomas are Mr. and Mrs. Kenneth Allen from New Hartford, Conn.

Tahoka Loses 20-0 To Plains Cowboys In District 5-A Game Friday Night

Tahoka Bulldogs dropped a 20-0 decision Friday night to the Cowboys at Plains on a soggy field which opened the District 5-A conference season for both teams.

The alert Plains defense was just too much for the Bulldogs to cope with, as the rangy 160 to 195-pound linemen charged into the Tahoka backfield all evening. However, Tahoka also put up a stout defense most of the time, and Coach Jack Pierce of Plains said Tahoka boys hit harder than any team Plains had met.

Opening the game, Tahoka kicked off short. Three running plays and an off-sides penalty gave Plains a first down on the Tahoka 49. A running play was good for two yards, Plains recovered its own fumble on the Tahoka 46, then QB Mike Fields faded back to pass and with two receivers behind the Tahoka secondary, caught flat-footed, let go a long one which was hauled in about the Tahoka 20 by Wingback Jimmy Harris, who raced over the goal line untouched. Harris failed on his attempt to run over the conversion.

Tahoka couldn't move, Andy Bray punted 39 yards to the Plains 15, and six plays later Plains was forced to punt. Jose Cervantes, Gary Grogan, and Tony Spruiell could get only eight yards, then Bray got a bad pass

from center, was rushed by Plains defenders, and the deflected punt went only 9 yards. Starting on the Tahoka 48, Plains moved in eight plays to the Tahoka 20, then on fourth down, and seven to go, a pass interference penalty on Tahoka at the 10 yard line, setting up Plains second-score. On the next play Harris went off left tackle 10 yards to score. An attempted pass on conversion was no good, but Plains led 12 to 0.

Spruiell ran Plains kickoff from the 25 to the 50 yard line, two plays were good for five, and then Spruiell hit Cervantes with a 26 yard pass to the Plains 19. Miller and Spruiell made six yards in two plays, then lost one, and Craig Leslie's attempted field goal failed. Plains drew a penalty to the 10, but when Tahoka held and Plains punted Tahoka was assessed a 15-yarder for roughing the kicker. Tahoka held again, but Plains punted 42 yards to Tahoka's 22. In a 34 yard Tahoka drive, Spruiell had a 16 yard run on a quarterback keeper, then with time running out in the half two attempted passes were incomplete by Tahoka from the Plains 44.

Opening the second half, Grogan brought the kick-off to the 43, then moved on down to the Plains 36, where the Bulldogs failed by a yard to pick up a first down. Tahoka held the Cowboys again, and Steve Greer brought the punt back to the Plains 44, but Tahoka fumbled a pitchout early in the fourth quarter, a long pass was incomplete, and the next was intercepted by Plains' Fields on his own 17. Plains then moved on 16 plays to the Tahoka 25. Tahoka lost 10 attempting to pass, and Bray punted to the 49.

Two plays later, End Ernie Anderson caught a 20-yard pass to the Tahoka 28. Then came a questioned series in which Plains scored on a fifth down. One play carried the ball to the 23, from which point Plains was penalized 15 yards, the next was a pass completed out of bounds, the third down was an incomplete pass, on fourth down Halfback Roland Faires ran the ball 18 yards, and on fifth down a pass was complete to Faires for the

Wilson Mustangs Defeat Sands 42-6

Wilson Mustangs opened defense of their District 3-B title Saturday night before a Homecoming crowd with a convincing 42 to 6 defeat of Sands in the first conference game. The Mustangs journey to New Home this Friday.

Coach Travis Rector's boys clearly outclassed the Sands boys, scoring in every quarter. For the first score, Wilson drove 95 yards with Sam Crowson going the last five and Bob Stone ran the conversion. Still in the first quarter, Stone went over from five yards out and Crowson kicked the conversion. Late in the second quarter, Don Webb passed to Charles Walton 30 yards for the third TD, and Walton kicked the extra point to make the score 22-6.

Royce Baker ran 45 yards for a third quarter score and also ran the conversion, and the other two scores came on a 20-yard pass Webb to Walton and a four yard dive by Crowson.

Sands early in the game drove to the Wilson five before being held on downs. The lone Sands score came in the first half when a lineman intercepted a Wilson

O'Donnell Drops Opening Game

O'Donnell Eagles entertain the Plains Cowboys tonight at 7:30 and local fans think the Eagles are favored, especially if Plains' Ronnie Hendricks is not recovered from his pulled leg muscle.

Last Friday at Sundown, the Eagles dropped a 20-14 heart-breaker to the Roughnecks in the District 5-A opener for both teams. Two dropped passes by the Eagles could have been the difference between a win and a loss. O'Donnell scored first in the opening period when its scoring drive was culminated with an 18-yard pass play, QB Ken Taylor to Charles Burleson. Conversion failed.

Later in the quarter, Howard Phillips of Sundown broke loose on a 40-yard scoring scamper, and Don Huffman kicked the extra point to take a 7-6 lead. Later, Phillips went over from five yards out, and in the third period Jimmy Morgan went 17 yards, Huffman kicked, and the Roughnecks led 20-6.

The Eagles scored in the fourth on a pass Taylor to Fernando Lopez, good for 14 yards and a TD, and Taylor then hit Rex Graves with a pass for the 2-point conversion. Final score, 20-14 Sundown.

pass and ran 65 yards to the Wilson five, and Ronnie Ebell carried over for the touchdown.

State's general revenue fund, briefly on a cash basis last month, has dropped back to a \$19,459,359 deficit and State Treasurer Jesse James expects it to linger until sometime next year.

New Home Will Entertain Wilson

New Home Leopards entertain the strong Wilson Mustangs tonight, Friday, at 7:30 p. m., in a battle between the two Lynn county rivals, a game in which past scores sometimes mean little in the outcome.

This is New Home's annual homecoming game, a queen will be crowned at the game, and the Ex-Students banquet, open to all people and friends of the community, will be held at 6:30 preceding the game at 8:00 p. m.

Wilson, District 3-B champion, has won three games and lost three, while the Leopards have won one and lost four.

In the game at New Home last Friday, Cooper scored in each quarter to pile up a 38 to 0 score. Buz White scored three times, once on a 60-yard punt return.

THS Girl Athletes Form Association

The Tahoka High School Girls Athletic Association has been organized in the local schools and officers, the council and captains have been named. Miss Marsha Scoggins is girls basketball coach, coming here this year from Wayland College, where she played for the Flying Queens.

Captains this year will be Jerre Ann Wyatt and Sharon Drager.

Officers for the association include Brooksie Reece, president; Carolyn Howard, vice president; Sharon Drager, secretary; Andrea Sue Carroll, reporter.

The council is composed of Brooksie Reece, Louella Tomlinson, Andrea Sue Carroll, Jerre Ann Wyatt, Sharon Drager and Carolyn Howard.

Printer's Ink-lings . . .

By F. P. H.

The U. S. has finally asserted itself. Everyone in our country, almost, agrees with everything the President said in his speech. The Communists' bluff finally has been called. We are once again acting like Americans, telling the world no one can continue to push us around. Ever since American soldiers entered Berlin at the end of World War II in Europe, we have been backing away, appeasing, compromising, being pushed back by the Communist dictators. You can not do business or back away from a bully. Khrushchev now must "either fish or cut bait." It may mean war, or retaliation somewhere by the Soviets, but it is our last resort. The President's speech was a strong one, and we hope he meant every word of it.

Just a little over a week ago, Adlai Stevenson of the UN and high officials of our State Department were down-grading the danger of the Communist build-up in Cuba. Now, how many of you believe this?

Interest in the governor's race is perking up a bit. We hope that, whichever man is elected, Texas will have a capable and strong man. In spite of denials, John Connally is branded by opponents the candidate of Lyndon B. Johnson, having been his understudy, and the Kennedy Dynasty. Jack Cox, a former conservative Demo-

crat turned Republican, is branded by the liberals and Democratic Party faithfuls as a turn-coat, but he says he could no longer accept the principles advocated by this party. This could be a horse race. Cox will get many votes from those who usually vote the Democratic ticket straight, but we predict Connally will carry this county, as people in the farming country are more reluctant to vote a split ticket. Without doubt, Cox is strongest in the metropolitan centers. This is a little peculiar situation, though, since Connally is one of the earlier advocates of more power for urban centers. Vote like you think, but vote!

Of great importance are the 14 Constitutional amendments to be voted upon. Daily newspapers are carrying detailed stories on these. Inform yourself and vote on them. The News will carry a brief resume of these amendments in another column.

President Kennedy, in his campaign for office loftily declared, if elected, he could balance the budget. Even though Congress turned down some of his biggest and wildest spending programs, the nation faces a great increase in the national debt next year. This year, 1962, according to the President's own Joint Economic Committee, the budget deficit will be \$6.3 billion (\$6.4 billion more spent than taken in) and the national debt will rise to \$300 billion. We are now paying more money in interest on this debt than the entire cost of government within the memory of many who read this paragraph. Spending ourselves rich at the expense of future generations seems foolish, doesn't it?

Our own congressman, Hon. George Mahon, comes home preaching economy in government. But, in the closing days of this Congress, George voted for a \$10 million appropriation to build a museum and aquarium in Washington, D. C., to display fish. George, we think votes for too many spending measures that are absolutely unnecessary in this day of higher and higher taxes.

Although Mr. Mahon voted against Freeman's radical long-

THE AMERICAN WAY

Two-Headed Freak

range farm program, he did vote for the temporary program. However, his only stated complaint against the long-range program was "I didn't think it protected farmers in our area whose cotton might be hailed out." We would have been much more pleased if he had said he was opposed to regimentation of all agriculture under one man, giving that man almost absolute dictatorial power to determine acreage, prices, foreign sales, etc. But, Freeman has his foot in the door, and a program of planned agriculture with strict controls is moving forward—with our own congressman's consent.

Do you remember President Kennedy, in campaigning for office, criticizing President Eisenhower and Republicans, declared American troops would never be used against our own people?

Nikita Khrushchev said: "Society cannot leap into Communism from Capitalism without going through a Socialist stage of development," and "I am convinced that tomorrow the Red Flag will fly over the U. S. But we will not fly the flag. It will be the American people themselves."

According to the Post Dispatch, Harry L. Short of Tahoka and Lee Mason teamed up to win Garza county domino championship at the Post Farmer-Rancher Appreciation event Monday night of last week, attended by 450 farmers and businessmen. Justice of the Peace D. C. Roberts, formerly of Lynn county, and partner won second.

Wendell Tooley and wife, publishers of the Littlefield Newspapers, visited The News Saturday, and Mrs. Tooley asked The Printer, "Don't you ever have any time off?" A foolish question for a newspaper "widow" to ask another newsman!

We're eating turnips and cornpone this week. Henry Douthitt brought The Printer a huge turnip he had raised; 20 inches in diameter.

Out New Home way they tell this story on Delbert White: A stranger in town was looking for his old buddy, a J. A. White, with whom he served in the Armed Forces and had not seen since. He was referred to Delbert, and Delbert told the stranger, "I never heard of J. A. White. There's no such man living northwest of Tahoka." The man walked away very much disappointed in not finding his old Army buddy, and then Delbert exclaimed, "Shoot, J. A. White, that's my brother Bill."

"Buddy" Bragg, who edits the Tahoka Rotary "Stemwinder" always has some good ones in the little publication. Here are a few: If you must make enemies, make lazy ones. . . About the time you get it in the bag, the bag breaks. . . Tax payer—One who doesn't have to pass a civil service examination to work for the government. . . A liberal—A person with an urge to give away something belonging to someone else. . . The older and more successful a man becomes, the farther it becomes he had to walk to school.

And here are a few from the Moody Courier: Perhaps the fellow who is going to set the world on fire has never gotten around to apply the torch. . . People who are happy in their own company

Letters From News Readers—

(The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.)

Dear Editor: When a man like Charley Mungula has offered his life in defense of his country—what more can he do? Thank God someone started the chain of events that gave Charley the honor he so richly deserved.

America has become what it is because of little people like Charley. Sure, the trained, the educated make the plans, lay out the patterns, but it is the Charleys who make their dreams come true, whose patient, maybe unskilled labor lays the foundation which may mean success or failure.

I went to Quanah for the Fiesta Mexicana, which was sponsored by the Quanah Tribune-Chief. (Ed. Note: Mrs. Hill's son, Ed Eakin, is editor of the newspaper.) It was a trail blazer in many respects, since never before has such an event been held so far north of the border. Sybil (Ed's wife) said he was getting stooped shoulders and gray hair working on it, but all concerned survived and it is hoped the affair will become an annual event.

Frank, I read your column and say AMEN.

Demonstrating new '63 Chevrolet truck
features the hard way!

When we came to a river we got wet. This river bed was paved with rocks the size of melons. What a test for new light- and heavy-duty suspension systems this was!

Conventional light-duty units have coil-spring independent front suspension—easier on truck, load and driver.

New engines, suspensions, frames and narrower front ends show their stuff on Mexico's tough Baja Run!

With months of proving-ground tests under their belts, why did new Chevrolet trucks take on the rugged Baja (bah'hah) Peninsula?

This is the toughest line of trucks Chevrolet has ever built. Sending them over the most punishing terrain in North America (a road totally unlike the fine highways on the Mexican mainland) was double proof of this fact. Frames, engines, suspension systems were subjected to stresses far greater than trucks normally encounter. You can be sure that trucks that can handle this kind of beating can handle any kind of work.

Users of new conventional medium- and heavy-duty units who have to operate in close quarters are going to like the narrower front ends (up to 7 inches).

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

An organized drive is underway inside America to destroy the U.S. economic system.

Best evidence of this is perhaps seen in fact next year California's voters will be asked to vote for an initiative measure to repeal that state's fair trade laws.

It is significant that papers for the initiative were filed by the attorney for an organization styling itself as "Allied Consumers Association of California" which in reality is organization of discount stores.

There have been substantial rumblings discount stores have been heading into trouble. The claim they can sell for less is being exploded. Their profits come largely from selling at high mark-ups, inferior goods made by cheap labor, much of it foreign. But to keep people coming in, they have to have reliable U.S. brand items which they can "hotshot."

Thus, their success depends on how much merchandise they can obtain in which the makers have invested in promoting for quality and for warranty. When they cannot substitute items in which the public has confidence, they draw no trade.

Of course, continuous "foot-balling" of quality goods in the market place will eventually force all quality goods off the market, as manufacturers to survive will be forced to produce at the lowest possible cost.

But nations around the Mediterranean Basin have never abandoned Caveat Emptor. Once the consumer buys, it is no concern of maker or vendor if the item falls apart on the way home.

Among these peoples such practices are not considered immoral. Every transaction is a duel of wits, with the advantage rightfully belonging to who can be the most clever.

Of course, this duelling in the market place, this lack of confidence has been a major deterrent in the development of the area's economy.

Thus, the drive against fair trade laws is nothing more than a drive to supplant the American system of confidence for the morality of the Mediterranean market place.

abandoning quality, warranties, and other factors that build public confidence.

Thus, the conflict is actually between two different concepts of marketing ethics. One can be called the Anglo-Saxon ethic, the other the Mediterranean Basin ethic.

Early in the Industrial Age, North Atlantic nations, including U.S. realized consumer confidence is essential to keep factories operating. Thus, the old doctrine of Caveat Emptor "Let the buyer beware" was largely relegated in favor of ethical, moral and even legal principles which recognized the right of the customer to protection. Without this transition, marketing of factory products would probably have never reached its present level.

But nations around the Mediterranean Basin have never abandoned Caveat Emptor. Once the consumer buys, it is no concern of maker or vendor if the item falls apart on the way home.

Among these peoples such practices are not considered immoral. Every transaction is a duel of wits, with the advantage rightfully belonging to who can be the most clever.

Of course, this duelling in the market place, this lack of confidence has been a major deterrent in the development of the area's economy.

Thus, the drive against fair trade laws is nothing more than a drive to supplant the American system of confidence for the morality of the Mediterranean market place.

Wilson Churches Supporting CROP

Wilson churches' youth groups will be working together in a united endeavor and it is expected that 50 young people, of Junior High age and older, will be taking part on CROP Hallowe'en Project.

Hallowe'en—the eve of All Saints Day—has become a symbol of Christian sharing for many thousands of young people. Instead of begging for food or candy for themselves, these youth go from house to house seeking contributions to feed the hungry in other parts of the world through CROP.

CROP (Christian Rural Overseas Program) is the Community Food Appeal of Church World Service. Farm commodities and cash are collected to provide food, fibre, and self-help to overseas areas of need where distribution is under church supervision and in cooperation with local social welfare groups. The food and other help is given to people on the basis of need without question of religion, race, or creed. In charge of the distribution is a local committee representing the Protestant churches of the country in need.

Funds collected through the CROP Hallowe'en Project will be used to take care of distributing, handling, and transportation costs of surplus farm commodities given to Church World Service by the U. S. Government. In 1961, 333,893,961 pounds of powdered milk, wheat and wheat flour and other products, corn and cornmeal, beans, rice, edible oils and shortening were given to CWS for overseas distribution. The \$57,162.15 collected by the young people of Texas in 1961 was used to distribute a large portion of these products.

Two From Tahoka In College Band

Two students from Tahoka, Lester Ray Ford, son of Mr. and Mrs. Cecil Ford, 1901 North First, and Donald Gene Hammonds, son of Mr. and Mrs. Cecil Hammonds, Route 2, are playing in the Royal Blue Band at Lubbock Christian College, Lubbock.

According to Director Joe Lee, the band plans two major tours and several area performances during the 1962-63 school year.

Both Ford and Hammonds are May graduates of Tahoka High School and freshmen at LCC.

Texas uses about half the gas it produces.

Mrs. Clark Barton Died Recently

Mrs. Clark Barton, 51, mother of Mrs. B. L. Thomas, a resident of Pleasant Valley community, Garza county, passed away on Sunday, Oct. 14, and funeral services were held the following Monday at 3:00 p. m. in the First Baptist Church of Post. She had been in ill health for five years.

Mrs. Barton was born Millie Velma Dunlap on Oct. 6, 1911, at Rochester, moved to Post with her parents in 1918, and had lived at Pleasant Valley since her marriage on January 3, 1931. She had been a member of the Baptist Church since childhood.

Survivors include her husband; the one daughter, Mrs. B. L. (Helen) Thomas; one grandson; her mother, Mrs. Mattie Dunlap of

Post, one sister and two brothers.

A rugged individualist is the man who doesn't like to eat from a paper plate.

State colleges have about 9,000 more students enrolled this fall than they did a year ago, figures at the Texas Commission on Higher Education indicate.
