Tahoka, Lynn County, Texas, Friday, November 2, 1962

Number 5

Local Civil Defense Plans In Operation

On Monday afternoon, some time between 2:00 and 4:00 p. m. a practice drill of the school evacuation plan will be made. At an undisclosed time, the siren will be sounded, all policemen will take their stations to direct traffic on one-way streets and block traffic on intersections. Parents will follow the pattern of the evacuation plan, printed below, in picking up their children at school. All children will be given instructions on what they should do and the cooperation of parents is urged. School will be dismissed at the time of the drill, but parents should not go to the school to wait for them before the siren sounds.

About 175 men have volunteered their services and include those who make up Tahoka Civil Defense organization. After two meetings last week, a tight organization has been set up to control almost every phase of an emergency situation brought on by nuclear war or natural disaster.

Although the nucleus was organized a year ago, more intensive work has been done in recent weeks, and appointments have been made of department heads and committees of men secured for each division. In addition, a complete school evacuation plan has been made, and teams made up for radiological purposes, communications, supplies, ambulance and first aid, fire and rescue, police, engineering and health, and emergency welfare.

The local Civil Defense wishes to be an informative, precautionary organization that will ease the tension of people. Its duty will be not only to protect local citizens, but to direct a large amount

John Heck Is Buried Monday

John Heck, 80, of Wilson, long one of Lynn county's most prominent citizens, passed away Sunday at 5:45 a. m. in Baptist Memorial Hospital in San Angelo, where he had been a patient several weeks. Mr. Heck had been ill many months following a stroke.

Funeral services were held Monday at 3:00 p. m. in First Baptist Church of Wilson with the pastor, Rev. H. F. Scott, officiating. Burial followed in Wilson Cemetery under direction of White Funeral Home.

Mr. Heck had been a deacon and active worker in the Baptist Church for 55 or 60 years. He was frequently called the "daddy" of Lyntegar Electric Cooperative, for it was largely because of his work that the organization was set up. He was also the second president of the Plains Co-op Oil Mill gin board. He was a progressive citizen and identified himself with many movements for the good in this county.

John Heck was born in Limestone county on February 10, 1882, grew up there, and was married in 1900 at Groesbeck to Miss Sallie Cox. The couple moved to Runnels county, and came to Wilson from there in 1927 and farmed just northeast of Wilson until retiring because of his health a few years ago.

He is survived by his wife; three sons, Henry of Plainview, Herman of 1318 82nd in Lubbock, and Floyd of Wilson; two daughters, Mrs. F. H. (Lorene) Cannon of 5212 7th in Lubbock, and Mrs. H. G. (Johnie) Cook of Wilson; one sister, Mrs. R. H. Stricklin of Lamesa; eight grandchildren, and 12 great grandchildren.

Pallbearers were Garland Pennington, Howard Moore, Roger Blakney, George Williamson, Pat Campbell, and E. O. Montgomery. Deacons of his church were honorary pallbearers.

Harvest of Crop Moves Slowly

Little more than 12,000 bales have been ginned in Lynn county to date, The News estimates. Tahoka ginners reported a total of 2,183 had been ginned in town up until Thursday morning.

Cotton harvest has been picking up slightly this week, but the big rush this year will not come until cotton is ready for machine harvest. Most of the maize has been harvested, although some still remains in the fields.

Light rains Sunday and Monday, amounting to .13 inch in Tahoka, delayed crop maturity to some extent.

Rain during October totaled 2.01 inches in Tahoka, bringing the year's total to 16.33 inches.

Lowest temperature to date recorded in Tahoka has been 39 degrees, but light frost or freezing weather should not be long in coming now.

Many farmers declare they would welcome two or three frosts prior to a freeze to rip cotton and drive sap out of late maturing bolls. A hard freeze would doubtless reduce production of much late cotton.

Family Night At T-Bar Club

Monday will be Family Fun Night at T-Bar County Club members and their families. A dinner will be served at 7:00 p. m. at \$1.00 per person, followed by a surprise fun program arranged by Mrs. Whorton.

The event is being arranged by the Adult Entertainment Committee composed of Mrs. Glenda Dunagan, chairman, Mrs. Maxine Edgard, Mrs. Macky Turner, Mrs. Jo Belle Robinson, Mrs. Anita Billman, and Mrs. Dot Roberts. All club members and members of their families are invited, and a "hilarious time" is promised, Mrs. Dunagan says.

Special Program At New Home Club

Hugh Lorimer of Fort Worth, southwestern representative of Doane Agricultural Service, will be the speaker at New Home Civic Club next Monday night, following the monthly 7:00 o'clock dinner.

Lorimer will speak on livestock feeding and management and other farm projects in the Southwest. He was secured for the talk by Joe D. Unfred.

Three door prizes will be given by New Home Farm Store, 8 by 10 color photos of farmsteads located within 30 miles of the airstrip.

Visitors are welcomed to the meeting.

Amendment 14 Is Opposed By Group

Lynn County Farm Bureau, as are many other individuals and organizations, is urging citizens not to approve Amendment 14 when they vote in the General Election next Tuesday.

Voters are urged to read the advertisement elsewhere in this issue giving the reasons why this amendment should not be approved.

Also on another page in this issue is a brief synopsis of all the 14 amendments which appear on the ballot. The News does not have the space to discuss all of them, but most of the daily papers have already carried arguments for and against these proposed changes in the Texas Constitution.

Vote Tuesday!

BAND SWEETHEART for 1962, Miss Nancy Inman, daughter of Mr. and Mrs. Travis Inman, crowned at the Tahoka-Wink game Friday night, is shown in the center above. She is flanked by the other candidates, Miss Montie McGinty, daughter of Mr. and Mrs. Fred McGinty, on the left, and Miss Patricia Sikes, daughter of Mr. and Mrs. Clint Sikes, on the right.

Tahoka Underdog Against O'Donnell

Past records usually mean little when the Tahoka Bulldogs and the O'Donnell Eagles get together in their annual intra-county football battle.

The same is expected to hold true tonight when the two teams do battle on the O'Donnell gridiron at 7:30 p. m. and a record crowd will doubtless be on hand for the set-to.

Tahoka has won only one game, its opener with Frenship, but Coach Gib Hough's boys have proved they can be mighty tough on defense, although lacking in ability to move the ball consistently on offense.

On the other hand, Coach Clyde Blair's Eagles are capable of scoring on just about any play by runs from speedy backs such as Fernando Lopez, 150 pounds, Wendell White, 180 pounds, and Bobby Bessire, 145, all-halfbacks; Rex Graves, 160 pound fullback; and Fen Taylor, 155, quarterback. Charles Burleson, 155 pound end, which combination has resulted in many long gains and scores.

The other end will possibly be Coy Mahurin, 150, or any one of two or three other good pass spatchers; tackles will probably be Donald Richardson, 190, and Terry Phillips, 170; guards, Bob Furlow, 150, and Charles Gardenhire, 145; and center Lyndol Askew, 145.

Like Tahoka, O'Donnell has lost two 5-A conference games, to Sundown 20 to 14 and to Plains 34 to 18. The Eagles also lost to Crosbyton 14 to 6. But, the Eagles have won three games, over Ralls 26 to 20, over Wilson 28 to 7, and over Frenship 28 to 0.

Coach Hough will likely use his usual line-up this week: Billy Miller at wingback, Steve Greer at tailback, Gary Grogan and Adolph Chapa at fullback, and Tony Spruiell at quarterback. In the line will be Craig Leslie, Billy Clinton and Jose Cervantes at ends; Jack Woods and Johnny

(Cont'd on Back Page)

Absentee Voting Deadline Is Today

Fifty-two absentee votes in the General Election had been cast up to Thursday and 10 other ballots had been mailed out that had not yet been returned, County Clerk C. W. Roberts reports.

Today, Friday, is the final day for casting an absentee vote for Tuesday's election.

Dr. C. L. Kay Will Speak Thursday

Dr. C. L. Kay of Lubbock Christian College will speak before the student body of Tahoka High School on next Thursday, Nov. 8, at 10:30 a. m. and the public is invited to attend the session in the auditorium, according to Miss Patricia Hammonds.

Dr. Kay is a member of the following organizations: Southwest Rotary Club in Lubbock; is on the Speaker's Bureau for Lubbock's Project Alert; West Texas Chamber of Commerce Speaker's Bureau; The National Association of Real Estate Board's Speaker's Bureau; Lubbock Christian College's Speaker's Bureau on Americanism; as well as the YMCA Model Legislator's Speaker's Bureau.

During the past year, the educator has made over 325 addresses to civic clubs, Parent-Teacher Associations, youth banquets, Chamber of Commerce Banquets, Texas Press Association, West Texas Press Association, New Mexico State Convention of American Legion, New Mexico State Convention of the Farm Bureau and Livestock Association, the 1961 Boys' and Girls' State of New Mexico, and Texas State Convention of Home Demonstration Agents, the New Mexico Model Legislature Convention, and the Tri-State Convention of the National Association of Bank Women.

For two years he was the author of a weekly column entitled "The Spirit of America" and is present in the director of a weekly radio program entitled "Awakening to Freedom."

Dr. Kay was awarded the "George Washington Medal of Honor" by Freedoms Foundation, Valley Forge, Pennsylvania for his speech entitled "The Battle Ahead." In addition, he has been the recipient of numerous service awards and citations.

Mrs. George Small was released from Tahoka Hospital Monday, where she had been a patient after falling at her home and receiving bruises.

Mr. and Mrs. G. H. Spears are both medical patients in Tahoka Hospital. Mrs. Spears was admitted on Tuesday and Mr. Spears on Wednesday.

MOST COURTEOUS EMPLOYEE for the month of October is Mrs. A. T. (Ethel) Adams, a clerk at Rutherford's Department Store in the contest being sponsored by Tahoka Chamber of Commerce. Voting was very close again this month, Mrs. Retha Dunn, C. of C. secretary, reports.

Election Is Tuesday

DR. C. L. KAY

O'Donnell Child Killed By Car

Rosa Linda Garza, two year old daughter of Mr. and Mrs. Jose Garza, died in Rumbos Clinic in O'Donnell about 3:30 p. m. Thursday, Oct. 25, after being struck by a car in front of the home of her grandparents.

The child was pinned between the car and the front porch of the home of Mr. and Mrs. Ben Hernandez.

She was born May 3, 1960 in Lamesa. Her father is employed by Bill McKenzie at O'Donnell.

Funeral services were held Saturday at 10:00 a. m. in the O'Donnell Mexican Baptist Church with the pastor officiating. Burial was in O'Donnell Cemetery under direction of White Funeral Home.

Survivors include the parents; one sister, Erlinda, age six months; the grandparents of O'Donnell and also Mr. and Mrs. Donato Garza of Mexico.

Supt. Otis Spears Undergoes Surgery

Supt. Otis Spears underwent surgery Tuesday morning in Methodist Hospital in Lubbock and he is reported to be doing fine.

He was severely injured in August when a horse fell on him, causing the saddle horn to do extensive damage, including a fractured pelvis.

WILSON MUSTANG CLUB TO SPONSOR PANCAKE SUPPER

There will be a Pancake Supper Nov. 3 from 5:00 to 7:00 p. m. in the Wilson High School Cafeteria sponsored by the Wilson Mustang Club. Tickets will be \$1.00 and may be purchased from any member of the Wilson Mustang Athletic Club or at the door. Proceeds go to buy a whirlpool bath for Wilson School Athletic teams.

Mrs. Ethel Adams Contest Winner

Mrs. A. T. (Ethel) Adams, clerk at Rutherford's, is the "most courteous employee" for the month of October in the contest sponsored by Tahoka Chamber of Commerce.

Winners each month are determined by ballots taken from The News and mailed in to the C. of C. by patrons of local stores. Ballots received after Friday will be applied on the November contest.

Others receiving votes in the very close contest were: Mrs. Ruth Brashear, Bill Garrett, Mrs. Marie Walker, Mrs. John Hill, Mrs. Jessie Jewel Stevens, Jackie Applewhite, J. W. Inklebarger, Mrs. Ann Roberts, Mrs. Violet West, Jerry Isham, Mrs. Bess Reid, Ronnie Hart, Mrs. Willie Thorne, Mrs. Gloria Dulin, Mrs. Cleo Stice, and Mrs. Maxine Bonham.

Anyone is eligible to vote in the contest, but people are requested not to cast more than one vote a week in order that everyone may have a fair opportunity.

Next Tuesday's general election, many observers over the state declare, will be the first time in 30 years Republicans have seriously threatened to elect a governor of Texas.

John Connally, 45, of Fort Worth, former aide to Senator Lyndon B. Johnson and later appointed by President Kennedy as Secretary of the Navy, is the Democratic nominee. He is a native of Wilson county, and a law graduate of the University of Texas.

Jack Cox, 40, born and reared at Breckenridge, graduate of North Texas State, and a former conservative Democrat who joined the Republican party, is making a strong bid for election. He is an independent oil man, former member of Texas Legislature and former secretary of Texas Commission on Higher Education, and was recipient three times of Valley Forge Freedom Foundation award.

A third candidate, who has attracted little attention, is Jack Carswell, Houston funeral director, Constitution Party nominee.

For Congressman-at-Large Democrat Joe Pool of Dallas is opposed by Des Berry of Houston.

Ben Ramsey, Democratic nominee for Railroad Commissioner, is opposed by Bernold M. Hanson, Midland Republican.

Robert S. Calvert, Comptroller of Public Accounts, from Sweetwater, has opposition from Mrs. Hargrave Smith, Republican, and Joseph M. Rummeler, Constitution Party nominee.

Land Commissioner Jerry Sadler of Perilla is pitted against Republican Alber B. Fay of Houston.

Nominees for Commissioner of Agriculture are John C. White, Democrat from Wichita Falls, and Harry Hubbard, Republican from Marfa.

Coming closer to home, Democratic Congressman George Mahon of Lubbock is opposed by Dennis Taylor, Crosby county minister and farmer, a Republican.

H. J. (Doc) Blanchard of Lubbock, Democratic nominee for State Senator, is in a contest for votes with Jack Christie, Brownfield businessman and Republican nominee.

This district's nominee for State Representative are R. G. (Randy) Pendleton, Democrat from Andrews county, and Gene Dean, Republican and Baptist minister from Lamesa.

There are 14 constitutional amendments on the ballot on which voters will pass judgment. These are outlined briefly in an article elsewhere in this issue of The News. Voters are urged to inform themselves on these amendments, which are being explained in the daily press.

Voters are cautioned to be very careful in marking their ballots. A person may vote for any person in any column, but to have such vote counted he must mark out the name or names in other column or columns for any given office. He may even mark out all candidates for any given office, and write in his choice in the write-in column. You may "vote 'or straight'" or vote a "split" ballot.

Not since Reconstruction Days, following the Civil War, when in 1873 Democrat Richard Cole defeated Republican E. J. Davis, has Texas had a Republican governor.

Twice in this century, Republicans came close but lost, in 1924 when Mrs. Miriam A. Ferguson defeated Republican George C. Butte, and in 1932 when she defeated Orville C. Bullington.

However, three times in this century, Texas has given a majority vote to a Republican nominee for President, to Herbert Hoover in 1928 and to Dwight D. Eisenhower in 1952 and 1956.

Mrs. Bill (Corene) Cathcart was dismissed from Tahoka Hospital Monday, where she had been a patient after falling in her home breaking her hip.

Lynn County Soil Conservation District News

E. K. BLAKNEY ELLIS BARNES
WARD EAKIN BOYD BARNES
MELVIN WUENSCHÉ

The Lynn County Soil Conservation District is assisting land owners to establish conservation irrigation systems to consume the underground water supply, utilize all the rainfall, prevent erosion and to maintain the production of the soil. Conservation irrigation is the management of the soil and water to get the maximum production through even distribution of moisture, reduction of erosion and a cropping system to improve fertility. One phase of a conservation irrigation system is level borders or bench leveling with underground pipeline to distribute the water to the borders with the minimum loss. Open ditches usually allows a great loss in water

and every gallon of water pumped and not used for production lowers the farmers profit and reduces the underground supply.

E. R. Blakney, chairman of the district, cites as a good example of level borders with underground pipeline for distribution on 60 acres of borders being constructed on the Melvin Wuensché farm. Wuensché was given engineering assistance by the Soil Conservation Service personnel. The borders are designed to get the water spread evenly to allow the least amount of water to be wasted by run-off or excessive application. Besides the installation of underground pipeline and level borders, Wuensché will sprig several acres of Midland Bermuda grass. Cost share will be received through the Great Plains Conservation Program.

TAHOKA TEXAS

Brief Review Is Given On 14 Proposed Amendments On Tuesday's Ballot

The News below presents a necessarily brief review of the 14 proposed amendments to the Texas Constitution which will be voted upon in the November 6 general election:

No. 1—Allowing the Legislature to add political subdivisions such as school districts, water, irrigation and navigation districts to the list that can provide workers' compensation for employees, is now possible for state, county and municipal governments that choose to do so. Actual protection still would be up to local agencies, as now.

No. 2—Authorizing a raise in the ceiling from \$47,000,000 to \$52,000,000 a year on state contributions to old age assistance and aid to needy blind and needy children. Advocates say it will allow Texans to get the maximum possible under federal law; opponents say there is enough now if proper definitions were put on "need."

No. 8—Setting a new ceiling of \$2,500,000 a year (\$1,000,000 above the present ceiling) on the amount that can be paid out of state funds for assistance to the totally and permanently disabled.

Nos. 3 and 9—Creating new hospital districts in Ochiltree, Castro, Hansford and Hopkins Counties and parts of Brazoria, Damon and Sweeny school districts, and authorizing creation of a nursing home for the aged in Titus County.

No. 5—Authorizing the Legislature to create hospital districts, obviating the need for such amendments in the future as No. 2.

No. 4—Allowing the Water Development Board to purchase water storage space in federal floor control reservoirs for later sale to municipalities. Proponents say it might tie up all funds in a few big projects and would have no guarantee of a purchaser at future dates.

No. 6—Authorizing retirement programs for all political subdivisions—taking in elective as well as appointive employees and raising the maximum annual contribution and benefits.

No. 7—Providing continuity of state government in event of nuclear war or other disaster—by allowing the Legislature to provide succession for all officials except members of the Legislature.

No. 10—Permitting state employees to serve on local school boards and professors and others to serve on national scientific and research agencies—and to receive expenses—without impairing their state employment.

No. 11—Permitting the Veterans Land Board to re-sell to citizens other than veterans any lands forfeited by veteran borrowers, provided they first had been offered to veterans.

No. 12—Authorizing Gulf Coast counties to regulate motor vehicle traffic, littering and other details of tourism on public beaches. Advocates say such power is necessary, opponents say there could be a variety of regulations for tourists to learn.

No. 13—Allowing independent school districts in Dallas County to take in new territory without calling new elections on outstanding bonds or risking invalidation of them.

No. 14 is the "de novo" amendment or "all new" trials on appeals from orders of administrative agencies, opposed by virtually all administrative officers favoring local self-government. They say this amendment would wreck the "separation of powers" theory of our government by giving courts the right to make administrative decisions and more than double the case load of the courts and making necessary the establishment of more courts at a great cost.

Awards Presented Local Cub Scouts

Cub Scout Pack 782 held a monthly pack meeting at the City Legion Building, Monday night, at 7:30 p. m. E. B. Gaither, Cubmaster, presided, assisted by H. B. McCord Jr., assistant Cubmaster.

The following boys were presented Bobcat pens: Ricky Riddle, Jeff Atwell, Eddie Mullins, Scotty Smith, Larry Edler, Frank Krotzer, Leslie Paris, Frank Palady, Fred Pendleton, Bradley Wilmarth, Richard Ingle, Robin Harvey, Larry Durham, and Gary McCord. Jerry Edwards transferred from Wilson, Texas and Mike Hough transferred from Goddard, Kansas.

Wolf badges were presented to Byron Jones and Ladd Roberts. Reggie Stark received a gold arrow point under Wolf rank. One-year service stars were presented to Reggie Stark, Keith Holloway, Charles McAuley, Jim Farris, Ronnie Haley, Eddie Howard, and Robert Gage. Two-year service stars were presented to Dan Reid, David Rogers and Jimmy McCord.

The following boys received a neckerchief slide for recruiting one new boy in the fall "Go-Roundup": David Rogers, Jimmy McCord, and Gordon Harvey.

The Pack then had a Halloween Carnival with games, fortune telling, food and drinks. There were 125 present.

Special thanks go to all the mothers who cooked and to the daddies who bought.

Two new dens were formed earlier this month. New den mothers are Mrs. Maxine Paris and Mrs. Georgia Riddle. Other den mothers are Mrs. Joann Adamson, Mrs. Helen Jaquess, Mrs. Jeanne McCord and Mrs. Turner Rogers.

BLANCHARD VISITS CITY

Rev. Aubrey White On Home Board

Rev. Aubrey White, pastor of Tahoka Methodist Church, left Thursday for Waco to represent the Brownfield District at the annual meeting of the Board of Commissioners of the Methodist Orphans Home on Friday and Saturday.

Rev. White sponsors two children in the home sent there while he was pastor at Olton, one a girl 16 and a senior in Waco High School and the other a boy aged 14 and a sophomore in the same school. Rev. White says the young people of the Tahoka church are furnishing these young people spending money.

The minister will go from Waco to Houston to visit his son and wife, Mr. and Mrs. Willmon White, and more particularly his grandchildren.

AUTRY VISITS HERE

J. R. Autry, former Tahoka businessman, has been here this week visiting old friends and "looking around." The Autrys moved to Mens, Ark., more than a year ago, and he has been on the police force there most of the time.

CARD OF THANKS

Thanks for those who visited in San Angelo, for the memorial gifts, flowers, food, etc.—The John Heck family. 1tc

Average expenditures for drilling wells in Texas is \$1055 per foot.

Vote Tuesday, Nov. 6 for Democrat

JOHN CONNALLY
FOR GOVERNOR

RESPONSIBLE LEADERSHIP FOR TEXAS!

Since Republican Jack Cox has brought up the questions, we'd like to set the record straight on these two:

- Cox tried unsuccessfully to associate Connally with Billy Sol Estes. There is indisputable evidence that Cox made innumerable trips in Estes' plane over the State of Texas in 1960 in his campaign for governor on the Democratic ticket. Affidavits on file with the Secretary of State in Austin further show that Billy Sol Estes was a contributor to Cox's campaign.
- In the 1960 Democratic Primary, Cox carried "Box 13" and Jim Wells county, lost Duval county. In 1962 Republican Primary, Cox carried Duval county and Jim Wells county, and "Box 13" made no report public. In the 1962 Democratic Primary, Connally lost "Box 13" and Jim Wells county. Connally was not a candidate in 1960.
- Standing of the two men in their home counties: Wilson county, Connally's birthplace, in the May Primaries, gave John Connally 3,631 votes, Jack Cox 19 votes; Stephens county, Cox's birthplace, gave John Connally 811 votes, Jack Cox 90 votes.

Jack Cox Has Become Silent On These Issues!

VOTE DEMOCRATIC — VOTE CONNALLY

(Political Advertising Paid for by Lynn County Democrat Connally for Governor Committee)

VOTE Against Trial de Novo
(Amendment 14—Last on Ballot)

If Constitutional Amendment No. 14 is adopted by a vote of the people and the Legislature exercises the power it is granted, then it would:

- Transfer control of local government from the people to the courts.
- Destroy a fundamental principle of government—the balance of power between legislative, judicial and executive branches of government.
- Subordinate the judicial and executive branches of government to the legislative branch.
- Force judges to become executives and administrators.
- Swamp the courts with law suits.
- Permit appeals to courts for the sole purpose of harassment and delay.
- Increase the cost of government by as much as one-third.
- Endanger the basic freedoms of all Texans.
- Create chaos in established democratic processes.
- Render ineffective established and essential executive functions of government.
- Stymie local improvements and invite Federal financial aid and control.
- Permit a lone disgruntled person to appeal and nullify important decisions relating to education, health, safety and welfare.
- Make Texas the only state to abandon the American system of checks and balances.
- Discourage qualified candidates from seeking public office or accepting appointment to administrative posts.

We dont believe this amendment is for the best interest of our State.

Tahoka FHA Has Monthly Program

The Tahoka Chapter of Future Homemakers of America held a general meeting Wednesday, Oct. 17, in the high school auditorium. Brooksie Reece, president, called the meeting to order and Montie McGinty had charge of the program, which was entitled "Personalities on Parade."

Louella Tomlinson spoke on ambition; Sarah Wells, dependability; Jo Carol Nichols, sincerity; Patricia Sikes, courtesy and consideration; Stella Howle, friendliness; and Janet Whitaker, good grooming.

Sharon Drager was chosen "Girl of the Month" for September on the basis that she has helped at every one of the concessions of the home football games. Sarah Wells was chosen "Girl of the Month" for October for her work on the FHA yearbook.

Jerry Forsythe was elected FHA beau by popular vote of the FHA girls. Billy Miller and Hugh Jack Norwood were the other candidates. Jerry is president of the Tahoka FFA.—Louella Tomlinson, reporter.

Vote Tuesday!

Finis Rogers Was Married Recently

Finis Rogers, son of Mr. and Mrs. Ted Rogers of Newmoore, was married on October 21, to Miss Wanda Louise Malone, daughter of Mr. and Mrs. Johnny Malone of Lamesa. Rites were in the home of the bride's sister, Mrs. Olen Bullard, with Rev. Clifton Igo, pastor of Lamesa Second Baptist Church, officiating.

Attendants included the bride's sister, Miss Evelyn Malone, and the bridegroom's brother-in-law, A. G. Crutcher.

The bride is a graduate of Lamesa High School, and Rogers is a graduate of O'Donnell High School. The couple will live near O'Donnell.

Berean S.S. Class In Social Meeting

The Berean Sunday School Class will have a party Saturday night, Nov. 3, at 7:30 p. m. in Fellowship Hall of the First Methodist Church.

Games will be played and refreshments served. All members are urged to attend.

Have News? Phone 998-4888.

Federated Clubs Meet In O'Donnell

All interested club women are urged to attend the board meeting and workshop of Caprock District, Texas Federation of Women's Clubs, at the First Methodist Church, O'Donnell on Nov. 3. The board meeting's theme will be "Lighting the Way". The hostess clubs are 1936 Study Club, 1940 Club, and Entra Nous, all of O'Donnell.

Registration and coffee will be from 8:30 to 9:50 a. m., executive meeting from 8:45 to 9:15 a. m., and will be called to order at 9:30 a. m. by Mrs. Bill Davis, District President. The invocation will be by Rev. David Hamblin, pastor of First Methodist Church; Pledge of Allegiance to the United States Flag by Mrs. Norman Strange; "God Bless America" will be led by Mrs. Bobby Cox accompanied by Mrs. Robert Lancaster; welcome by Mayor Jimmy Wash; response by Mrs. D. D. Webster; presentation of program district officers by Mrs. Bill W. Davis; "Our Live Members" by Sammy Hale, state junior director; "Meet Our Juniors" by Mrs. Lane Decker, district junior director; roll call of clubs by Mrs. Gracie Bonds, district third vice president; report of executive committee by Mrs. Davis Sumrow, district secretary; "Our Headquarters Maintenance" by Mrs. A. E. Boyd, trustee.

Lunch will be served at 12:30 p. m. and music will be by Mrs. Robert Lancaster, Lubbock; the Lamp Lighter School by Mrs. B. F. Seay, state second vice president; introduction of departments and divisions by Mrs. T. L. Dunlap, district second vice president; "Let's Organize More Clubs" by Mrs. Gracie Bonds, third vice president; and report of registration by Mrs. Morgan Copeland, registration chairman; and adjourn to South Plains Boys Ranch.

Registration and coffee will be from 8:30 to 9:50 a. m., executive meeting from 8:45 to 9:15 a. m., and will be called to order at 9:30 a. m. by Mrs. Bill Davis, District President. The invocation will be by Rev. David Hamblin, pastor of First Methodist Church; Pledge of Allegiance to the United States Flag by Mrs. Norman Strange; "God Bless America" will be led by Mrs. Bobby Cox accompanied by Mrs. Robert Lancaster; welcome by Mayor Jimmy Wash; response by Mrs. D. D. Webster; presentation of program district officers by Mrs. Bill W. Davis; "Our Live Members" by Sammy Hale, state junior director; "Meet Our Juniors" by Mrs. Lane Decker, district junior director; roll call of clubs by Mrs. Gracie Bonds, district third vice president; report of executive committee by Mrs. Davis Sumrow, district secretary; "Our Headquarters Maintenance" by Mrs. A. E. Boyd, trustee.

Methodists Plan Training School

The Commission on Education of the First Methodist Church, of which Clint Walker is chairman, has been meeting every third Wednesday of each month.

Plans are in the making for a training school for church school teachers in January, to be held three successive nights. Also under discussion is the securing of a projector and film for use in the education program.

Superintendents of the departments and teachers have been named in the children's department and include the following: Nursery, Mrs. Jake Jacobs; Kindergarten, Mrs. Turner Rogers; Primary, Mrs. Raymond Ashbrook, superintendent and teacher, Mrs. James Roberts and Sharon Patterson, teachers; Junior, Mrs. Johnny Wells, superintendent and teacher, and Mrs. Skiles Thomas, teacher.

World Prayer Day Observed By WSCS

W.S.C.S. observed World Day of Prayer Monday, Oct. 29 with the following program:

Mrs. W. E. Cantrell commented on the "Purpose and Use of This Quiet Day."

Devotion and prayer followed with the entire group participating.

Presentation of some of the "Needs In Our Home Missions" by Mrs. R. M. Stewart.

The story of "The Week of Prayer and Self Denial" by Mrs. R. H. Gibson.

After prayer lunch was held in the fellowship hall.

Meditation was brought by Mrs. V. F. Jones.

Mrs. H. W. Carter talked on "The Needs of Some of The Mission Fields In Asiatic Countries." Mrs. G. M. Stewart told of "Women Who Have Contributed To Our Spiritual Growth." Benediction.

Jaycee-Ettes In Social Meeting

The Jaycee Etties met on Oct. 23 in the WOW hall.

Saturday, Nov. 3 is set for the Jaycee-Jaycee Ette social. It will be at 7:00 p. m. in the WOW Hall.

Cecile Henry and Peggy McClellan were hostesses at the meeting Tuesday. Pearl Miller won the hostess gift.

Gifts were exchanged by last years secret pals and new names were drawn.

Ten members were present. The next meeting will be November 13 and plans will be made for a bake sale.

Cafeteria Menus For Next Week

Monday: Barbecue on bun, green beans, buttered carrots, tossed salad, cheese sticks, apple pie, milk.

Tuesday: Chili beans, spinach, tomatoes and macaroni, carrot sticks, peanut butter cookies, corn bread, milk.

Wednesday: Hamburgers, onions, tomatoes, lettuce, baked potatoes, cherry pie, milk.

Thursday: Baked ham, glazed yams, black-eyed peas, cabbage salad, honey, milk, rolls, butter.

Friday: Fish with tartar sauce, buttered corn, creamed English peas, whole wheat bread, fruit cups, milk.

MRS. TRUETT SMITH WILL TEACH DOWNTOWN CLASS

Mrs. Truett Smith will teach the lesson at the Downtown Men's Sunday School class Sunday morning in the WOW Hall.

Cap Rowe is president of the class and Dale Thuren is in charge of securing teachers this month. All men are invited to attend.

VISIT IN WACO

Mr. and Mrs. Hubert Tankersley and little daughter, Sheila Kay, spent last week end in Waco visiting their son, H. R. Jr., patient in the Veterans Hospital. They attended the Baylor University Homecoming and saw the Baylor-A.M. game. En route home, they had Sunday dinner with the John Bulmans on their ranch between Hamilton and Hico. They report John is getting along much better now following his operation a few months ago.

REBEKAHS DONATE FOOD TO BOYS AT RANCH

Mrs. Wilma Tyler, secretary for South Plains Boys Ranch, reports that the local Rebekah lodge has donated a quantity of food to the boys.

Included were 84 fruit pies for the deepfreeze, a large quantity of peas, and other foodstuffs.

New Home Holds Homecoming Event, Names New Officers

New Home Ex-Students were entertained at homecoming activities last Friday at a banquet, football game and reception.

Miss Treva Kieth, daughter of Mr. and Mrs. C. G. Kieth, was crowned football queen by the pep squad beau, Johnny Edwards, son of Mr. and Mrs. Boswell Edwards, who in turn was crowned by the queen. Her court, composed of Muriel Swanson and Janie Milliken, was brought onto the field aboard a float while the pep squad formed a heart in the center of the field.

A banquet was held preceding the New Home-Wilson football game in the school cafeteria when new officers were elected. These included Mrs. Charles Armontrout, president, succeeding Darrell Fletcher; Leland White, vice president, succeeding Mrs. Armontrout; and Mrs. Bill Ueckert, secretary-treasurer, succeeding Mrs. Jimmie Kieth.

A reception for the exes was held following the game, also in the cafeteria.

Girl Scout News

Troop 401 Girl Scout Troop 401 met at the Scout Hut Thursday, October 25. They learned how to give first aid; then demonstrated what they had learned. There were 22 Scouts and four leaders present.

Jeanie McDonald and Sue Glenn served refreshments of cookies and punch.—Paula Payne, Reporter.

GRANDDAUGHTER IS HONORED AT DENVER CITY

C. Ann Donaldson, daughter of Mr. and Mrs. Claude Donaldson of Denver City and granddaughter of Mr. and Mrs. C. C. Donaldson of Tahoka, was recently elected fire chief of Denver City elementary school on a close vote 75 to 74 over Bart Kelley.

Her picture and a story telling of the election appeared in last week's Denver City Press.

YOU HAVE A BIG STAKE IN TUESDAY'S ELECTION!

make sure Texas does not fall into the hands of an irresponsible, militant minority.

DEMOCRAT JOHN CONNALLY

★ Has a specific 71-point program for progress for all our people

★ Has a distinguished record of success in private life and public service

HIS REPUBLICAN OPPONENT

● Was twice defeated as a Democrat before switching parties

● Has spent his time attacking the President and Vice President of the U.S.

● Voted against increased pensions and farm-to-market roads, but campaigned for a pay raise for himself by pitching a pup tent on the Capitol lawn!

VOTE FOR PROGRESS. VOTE TO KEEP THE LOWEST TAXES OF THE 10 BIGGEST STATES IN THE NATION. VOTE DEMOCRATIC!

VOTE FOR JOHN **CONNALLY** FOR GOVERNOR!

pol. ad paid for by Connally for Governor Campaign, Gene Locke, Chairman

YOU'LL ENJOY THE EXPERIENCE...

and your family wants your portrait in the most prominent place in the house. A kind of spiritual present... a part of a living heritage to them.

We will be glad to arrange your sitting to suit your convenience.

Wilson News

By Margret Bartley
Mr. and Mrs. Floyd Bartley and Mitchell spent the day Saturday in Tahoka with Mr. and Mrs. Bobby Jolly and Vicki.
The Wilson 8th grade class had a picnic Saturday out in the country. They played games and enjoyed themselves.
Charlie and Jim Shackelford of Frankston, Texas are here staying with the Lloyd Anders family for the ginning season.
Mrs. C. W. Phillips returned last Tuesday from Dallas, where her sister is improving.
Mr. and Mrs. Tommy Burns of Lubbock were here Sunday visiting the E. L. Walker family. They visited the Floyd Bartleys Sunday night.
Mr. John Heck died early Sunday morning, and was buried in Wilson, Monday evening at 3:00.
A surprise shower was given Tuesday, October 23 in the home of Mrs. Howard Cook, in honor of Mrs. Pat Campbell. It was a come and go affair, and started at 7:30.
Mr. and Mrs. E. L. Blankenship attended the Tech Homecoming Saturday, and a reception in honor of the Ko Shari Club. It was a reunion for the club.
Mr. Edwin Martin and father, Archie Martin of Hillsburg, Calif. went to Paris, Tex. Friday to visit, and returned Monday evening.
The Young Married Couples Class of First Baptist Church had

a Hallowe'en party Thursday night at the home of Jerry Ross. They came in costume for a scavenger hunt, refreshments, and games.
Mrs. Bobby Smith, Randy and Charles are in Ruidoso for a week with her parents, the Roberts.
Mr. Archie Martin of Hillsburg, Calif., has been here since last Tuesday visiting his son and family, the Edwin Martins.
Mr. Ray Noble was taken to Post last week, suffering from muscle spasms around the heart. He is doing very well, now.
Mr. and Mrs. P. S. Bartley, Joen and Jan visited in Tahoka Sunday evening with her sister and family, the J. W. Jollys.
Mr. and Mrs. Curtis Christopher and Randy of Lubbock were here Sunday for church and visited parents, the Cecil Fields and the Lloyd Christophers.
Mr. and Mrs. H. D. Cleckler Jr. of Lubbock were here Thursday night visiting his parents, Mr. and Mrs. H. D. Cleckler and Janice.
Mr. and Mrs. C. C. Swope spent the week end in Ponca City, Okla. visiting Mr. and Mrs. Jim Porter.

Texas produced 14 percent of the world's oil in 1959, 22 percent in 1949, and 23 percent in 1939.
Texas crude oil value in 1959 was \$2.9 billion.

Letters From News Readers—

(The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.)

There is more talk in Washington, D. C., about "economy" and less of it practiced than any other place on earth.

A man can't throw his chest out when he is continually "ducking" something. And I think the same goes for a nation—our nation.

The Supreme Court justice who wrote the majority decision against prayer in New York state schools really "showed his color (s)"—He is Mr. Justice BLACK. Old Teddy Roosevelt, though a Republican, had a mighty good foreign policy—talk softly and carry a big stick. It worked then and I am sure it will work today. As far back as I can remember, folks were trying to invent perpetual motion. It seems now that the USSR and the USA have finally come up with it. It is called "the Berlin crisis."

Do you know of any of our Pentagon leaders, policy planners who seem to be going in circles? Well, here is why: When one is continually turning LEFT, it is a natural result; he is bound to go in circles.

We constantly read and hear of certain community projects being done with "federal money." Friend, that is a misnomer; there is no such thing as "federal money." Our federal government doesn't earn any money to speak of—it just spends ours.

I have no idea of the number of hours per day or week our President occupies his rocking chair. But, from his insistent clamor for unwanted and unneeded legislation by the congress, it is quite evident that he has been "off his rocker" much of the time.

Why does Mr. JFK run around and shout himself into a "fever" trying to get more Democrats into congress? Doesn't he know that it was Democrat votes that defeated most of his proposed "left wing" legislation? With a Democratic majority of two thirds in the senate, and three fourths in the house, the Republicans couldn't have done it.

Our nation is a republic (or was till the politicians changed it), in which individual citizens created the states, which in turn created the nation. But now our bureaucrat bosses have it reversed. They act as if the federal government existed first, and created the states and their sub-divisions, and has the right to tell us what to do.

Society & Club

Pythian Sisters Honored At Meet

Members of Lynn Temple, Pythian Sisters, attended the district meeting in Lamesa Saturday, and several members of the local lodge were honored at the meeting.

The Grand Temple degree was conferred on ten members of the district, two being from Lynn Temple, Bertha Williams and Emma Halamecek.

Four officers won Proficiency certificates, one of them being Emma Halamecek as past chief.

A feature of the meeting was a talk by the Grand Chancellor, Dr. Amos Shaw of Denton on "Daymon and Pythias," the history of our Order, and also on Americanism, the principles of our forefathers who gave greatness to the nation and fought and died for these principles.

He pointed out the trend America is following today, and compared this to the history of the fall of the Roman Empire. He declared that if we fail to return to the principles of our forefathers in the preservation of American ideals America can fall just as the Roman Empire fell.

Among the Grand officers present were Marie Shaw, Grand Chief of Denton; Edna Earle Brown, Grand Senior of El Paso; Marie Smith, Grand Press Correspondent of Big Spring; Katie Lou Ashley, Past Grand Chief of Lamesa; and Thelma Oliver, Past Grand Chief of Tahoka.

Party Scheduled At T-Bar Club

A party for third and fourth grade boys and girls whose parents are members of T-Bar Country Club will be held from 7:00 to 9:00 p. m. on Nov. 12.

A complete list of these children is not available, so hostesses urge those who do not receive an invitation to attend the event.

Texas operators spent \$825 million drilling in 1959; \$117 million lost to dry holes.

and when and how. Since the above was written things that happened in the president's Monday evening speech. What it produced is unknown. And whether it had political implications is yet to be seen. It was a shade late, but maybe good will come out of it—we hope.
N. W. ALLPHIN.

Duplicate Bridge Winners Listed

Winners were named at duplicate bridge at T-Bar Country Club Tuesday night.

Taking first place were Mrs. Ruby Hutchinson and Mrs. Lola Stevens of Lubbock. Mrs. Johnny Wells and Mrs. Meldon Leslie were second, and Mrs. R. C. Roberts and Lum Haney were third.

Tahoka Rotarians At Lubbock Meet

Tahoka had the largest delegation, outside Lubbock clubs, at the annual Lubbock Rotary Inter-City meeting Tuesday night in Fair Park Coliseum, attended by 500 Rotarians from Northwest Texas and Eastern New Mexico.

Although 35 Tahoka Rotarians were present, Tullia won the attendance award because of distance.

Following a chicken barbecue and songs by Tech men's glee club, the principal address was brought by Cliff Randall, former Rotary International president from Milwaukee, on the subject, "Understanding."

NEW HOME BOWLING WINNERS ANNOUNCED

The New Home Ladies League bowled on Wed., Oct. 31 at Oakwood Lanes.

Petty Gin came out with a 40 win over J. W. Edwards. Petty's Lil Todd brought in a 481 series for her team while Nana Nieman's 423 was high for Edwards.

New Home Farm Store lost 3 games to Co-op No. 4 and tied one game. Fernie Fillingim was high for the Farm Store with a 346 and Della Halford rolled a 442 for Co-op.

Farr Texaco took a 3-1 win from New Home Butane. Fayeve Leverett brought in a 450 for Texaco while New Home Butane's Beth Phifer rolled a 418.

Pridmore Spraying and Co-op No. 7 split 2-2 by a slim 16 pin margin. Bea Follis bowled a 447 for Pridmore while Bethel Brown rolled a 383 for Co-op.

Follis Conoco and New Home Gin also split 2-2. Zana Sanford had a 347 and Nell Balch had a 349 for the Gin. Bennie Sealy rolled a 402 for Follis.

The high series were: Lil Todd, 481; Fayeve Leverett, 450; and Bea Follis, 447.

The high games for the day were: Norma Smith, 178 (Norma is a substitute, bowling for Petty Gin); Lil Todd, 176; and Bea Follis, 172.
Every day is a safety day.

MOST COURTEOUS EMPLOYEE CONTEST

TO: CHAMBER OF COMMERCE
TAHOKA, TEXAS
I wish to submit the following employee as the "MOST COURTEOUS" in Tahoka.

EMPLOYEE'S NAME _____
EMPLOYER'S NAME _____

All employees working in Retail Stores or Offices are eligible for contest. A cash award of \$10.00 will be given the winner each month.

Congratulations—

Mr. and Mrs. Saloma A. Gutierrez on the birth of a son Sunday, Oct. 28, at 1:42 a. m. in Tahoka Hospital. He has been named Fabian and weighed seven pounds, six ounces. The father works for Otto Carter.

ALBERT CURRY HAS HEART ATTACK WEDNESDAY

Albert Curry, well known local farmer, suffered a heart attack Wednesday afternoon at his home southeast of town. On Thursday morning he was reported to be resting very well at the Tahoka Hospital, where he is a patient.

Average price for Texas crude oil in 1959 was \$3.00 per barrel.

The average Texas oil well yields 14 barrels a day.

Vote Tuesday!

Buy, build, live in Tahoka.

QUESTIONS, PLEASE

WHAT IS MEEKNESS?

A very good Bible thought along the lines of one being meek may be found in Matthew 5:1-12 and also I Cor. 3:18. Paul says, "Let no man deceive himself. If any man among you seemeth to be wise in this world, let him become a fool, that he may be wise."

One dictionary definition of meek is "not easily provoked or irritated." I like that definition. The world mistakenly thinks of meekness as weakness. The meek man may be considered by his worldly companions as foolish, but in true meekness he is demonstrating the wisdom of God.

When we use his wisdom he works with and for us. Read Romans 8:28. Meekness is wisdom!

Meekness actually will accomplish things where pride and force fail. One day in London a man and his wife were

in Piccadilly Circus. They decided to lunch at the famous Piccadilly Hotel and presented themselves to the headwaiter. He looked at the man's zipper sweater and told him that he could not enter without a jacket. Many things came into the mind of that man and none of them complimentary. Fortunately he took it well and said nothing. "I am sorry," he said, "I should have known better. I'll come back some other time." They smiled and walked back across the lobby.

Upon opening the door he felt a touch. It was a waiter, sent to bring them back. The headwaiter repented with these words, "I just couldn't see you leave disappointed." They accepted, entered the dining room and had a most enjoyable lunch. I wonder what would have happened had he expressed his first thoughts.

Truly the meek do inherit don a man and his wife were

You are invited to send your questions to: Don Browning Box 812, Tahoka, Texas. You are also invited to attend the services of the Church of Christ.

Don Browning may be heard Sunday mornings at 11:00 and evenings at 7:00 at 750 on your radio dial.

BE FAIR TO YOURSELF!

Lynn County Citizens Vote Democratic!

And Make Your Vote Count!

- West Texas Democrats have a chance to fill two out of the three top State offices with West Texans.
- Republicans are making an all-out effort to carry the big cities, who have little interest in West Texas and farming. Lynn county Democrats need to vote as never before for Democratic nominees.
- Texas would have chaos the next four years with a Republican governor and a Democratic Legislature and other Democratic state officers.
- John Connally is NOT a man who will be controlled by Lyndon B. Johnson or anyone else in the National Administration.
- Remember, we are Democrats . . . and vote accordingly.
- Democrats need to vote . . . and vote a straight ticket!

It is Very Important That You Vote Next Tuesday

Walter Lichey On Farm 50 Years

Walter Lichey on Friday of last week, October 26, observed 50 years of residence in Lynn county on the same farm in a house that sits on the site of the original Lichey home. He wonders if there is anyone else in the county who has lived at the same place for so long a time.

The Lichey family moved to the section of land, eight miles north of Tahoka, from Colorado county on October 26, 1912. Walter's brother, Charlie, also still lives on the same section in a house to the northeast of the Walter Lichey home.

The elder Mr. Charlie Lichey passed away in 1943. Mrs. Lichey died in October of 1961, and Miss Freda, a daughter of the elderly couple, died in 1952.

The Lichey brothers have a fine, well improved farm. Walter has six small irrigation wells, and Charlie also has six or seven such wells.

Alvin Shambeck, who was down from Lubbock to visit Walter last Thursday night, was reared a neighbor to the Lichey family and says he can't remember when he didn't know the Licheys. Mrs. Elsie Shambeck of Lubbock, Alvin's mother, also came to Lynn from Colorado county. The Shambeck's came here in 1914 or 1915, Alvin says.

The Lichey brothers are counted as two of this county's top citizens.

Farm Facts

Although the U.S.S.R. occupies almost 1/6 of the total land area of the world, less than a half billion of its five billion acres are in cropland. Much of its farmland is either swampy or lacks adequate moisture.

On this acreage of several million less than a half billion, the Soviets produce enough to feed their 210 million people. This compares with less than 360 million acres to care for more than 180 million people in the United States.

These observations come from two U. S. agricultural experts who were members of an exchange delegation to the Soviet Union—C. W. Hall of Michigan State University, and Karl D. Butler, Avco Corporation, Ithaca, N. Y.

Their report notes that Russia has ample farmland and huge acreages have been brought under cultivation in recent years. The majority of the cropland, however, lies farther north than the United States and the growing season is short.

Women do a great deal of the farm work. Almost all of the land is in large collective or state farms, with small plots of an acre or so allotted to families for gardens, etc.

Less than 1/6th of Russian land is in crops.

Screwworm Fly Release Expanded

Extension of the sterile fly release area and changes in the fly release rates were announced by officials of the Southwest Screwworm Eradication Program last week. The latter will put a heavier burden of responsibility on individual livestock producers, Bill Griffin, Lynn County agent said.

An additional 10,000 square miles are being included in the fly release area in western Texas and the number of flies released will be stepped up in some areas and reduced in others. While definite release rates have been designated for all areas, this will tend to vary according to the number of confirmed screwworm specimens sent to the Mission laboratory for identification. Thus, says Griffin, the producers, themselves, will largely determine how many flies they will get each week. This, of course, affects only those counties within the fly release area, he said.

The additional area is composed roughly of the territory encompassed by a line running west from the old line along the Sutton-Schleicher County line, passing just south of Ozona and Sheffield and continuing westward until it intersects with a line coming north from the U. S.-Mexico border and passing through Sanderson. This line could vary somewhat, officials have said.

This new release area will receive 600 sterile flies per square mile per week. The Edwards Plateau and surrounding territory where native flies still exist in large numbers will receive 1,000 flies each week. The areas in southern Texas where fewer screwworm cases are being detected will receive 400 flies per square mile each week.

Program officials will be watching the number of specimens confirmed as screwworms which are sent in to the laboratory each week by livestock producers and livestock inspectors. This will largely determine whether the number of flies being dispersed in any area should be increased or reduced. So, says Griffin, it is up to producers to check their livestock on a regular basis and send in samples, unless they want

to run the risk of having the number of sterile flies released in their area reduced. He said producers should put about 10 maggots or worms from a wound in a container of alcohol or water and send it to Box 999, Mission, Texas, or they may send the sample to him and he will forward it to Mission.

Gordon-Southland

(Mrs. Robert Lee Hagler)

Mr. and Mrs. Ed Denton have had several visitors recently, including their daughter, Mr. and Mrs. L. E. Johnston of Ben Lomond, Calif., their son, Roy Denton of San Barbara, Calif., and granddaughter, Mrs. Neal Pierce of Slaton.

Mr. and Mrs. Johnson also visited her brother and family, Mr. and Mrs. N. E. Denton and Linn of the Aiken community, and Mr. and Mrs. Bill Owens of Eunice, N. M. Mrs. Owens is the former Naideen Webb.

Mr. and Mrs. W. P. Lester's guests are Mr. and Mrs. W. C. Lester of Pensacola, Fla.

Mr. and Mrs. Paul Drake of Lubbock, James Drake of Muleshoe were dinner guests Sunday of their parents, Mr. and Mrs. Cline Drake. They also visited at the Gordon Church of Christ, of which their father is minister.

Mr. and Mrs. H. D. Hallman were visitors of Mr. and Mrs. J. H. Huddleston Sunday.

Tony Bishop broke his collar bone Sunday and will be out of school several days. He is the son of Mr. and Mrs. Jack Bishop.

Mr. and Mrs. Wheat and Mrs. Henry Smith of Quanah visited their daughter and sister, Mr. and Mrs. Van Foster and Rodney over the week end.

Mr. and Mrs. Robert Mock visited his mother, Mrs. Martha Mock in Slaton Sunday. A sister and family, Mr. and Mrs. Charles Rudd, of Amarillo were also there.

Miss Lorene Corbell of Waco spent one week with her mother, Mrs. L. L. Corbell and brother, Bunyon.

Mr. and Mrs. Jesse Ward visited their daughter and family, Mr. and Mrs. R. W. Cook and Regina, in Levelland Sunday.

Mr. and Mrs. Elmer Howard of Anson visited their daughter and family, Mr. and Mrs. Jack Bishop, Sunday and Monday.

Miss Carol Buxkemper of Lubbock has visited her parents, Mr. and Mrs. Monroe Buxkemper.

Mrs. Sam Martin visited Mrs. Mary Edwards in Lubbock. She has been sick quite some time but is improving.

Mr. and Mrs. D. R. Clary and Donnie were dinner guests of his parents, Mr. and Mrs. Nolan Clary of Post Sunday.

Mrs. Ronnie Dunn was complimented with a pink and blue shower Tuesday afternoon in the home of Mrs. T. L. Barnes. The hostesses were Mmes. Jay Oats, Herbert Dunn, W. P. Lester, Weldon Calloway, Clyde Haire, Paul Winterroud, Winston Lester, Earl Morris and Miss Louise Davidson. Fruit punch, cookies and mints were served. Hostess gift was an infant seat.

Van Foster has returned home from Wichita General Hospital in Wichita Falls after undergoing surgery there. This was the second operation he has undergone in five months.

Mr. and Mrs. J. L. Gary of Ruidoso, N. M., Jerry and Alvin Gary of Wayland College were Wednesday night visitors of Mr. and Mrs. Earl Morris.

Mr. and Mrs. J. B. Rackler and family and Mrs. J. F. Rackler were dinner guests Sunday of Mr. and Mrs. Frank Springer of Slaton.

Mr. and Mrs. D. R. Clary and Donnie visited in Post Sunday with Mr. and Mrs. Homer Cato and daughter.

Mr. and Mrs. Monroe Buxkemper and family visited her parents, Mr. and Mrs. O. E. Henrich of Slaton Sunday.

Mrs. Sam Martin spent Tuesday

Mrs. Charles Verner Is School Speaker

Mrs. Charles Verner spoke to the student body of Tahoka High School, Wednesday, Oct. 24.

She told the students of the threat of Communism to the free world. She said she was very happy with the step the United States has taken during the last two weeks. Mrs. Verner also told the students the conditions that will exist if Americans are living under Communism in 1970.

The assembly was sponsored by the Student Council, according to Louella Tomlinson, Student Council reporter.

CARD OF THANKS

The people of Tahoka are the most wonderful people in the world! There are no words to express how much I appreciate the many friends who filled a treasure chest with money during my stay in the hospital, and who did so many other nice things. May God bless each of you as richly as you have blessed me. — Mrs. Bill (Corene) Cathcart. 1tp

Mrs. Wilmer Smith of New Home is expected home within the next few days from her trip to Australia, Southeast Asia, and Japan.

night with her sister, Mr. and Mrs. Bazil Billingsley of Lubbock.

Wednesday Mrs. Sam Martin drove to Hart Camp to visit a son, Mr. and Mrs. Blanton Martin and Susan. While up there she visited Mrs. Effie Privitt of Muleshoe. Mrs. Privitt is recovering from a broken hip. Mrs. Martin returned home Monday.

Grade 3-A: Celia Estrada, Loree Farr, Terry Norman, Tandi Phifer, Andy Smith, Pamela Zant.

3-B: Becky Blevins, Greta Corbell, Pattie Evans, Adella Hernandez, Robyns Nettles, Rodney Nettles, Terri Nieman, Rodney Overman, Melody Peek, Virginia Smith, Judy Wilkinson.

4-A: Danna Corbell.

4-B: Jackie Clements, Junior Estrada, Rickey Maloney, Annie Rodriguez.

Fifth: Harlan Bruton, Ronnie Farr, Vickie Ewing, Kay Lewis, Debe Moore, Debra Patterson, Sanda Schoppa, Francie Pimmons, Vicki Unfred.

Sixth: Kathy Hancock, Lera Nettles, Laura Sealy, Guy Zant.

Seventh: Marilyn Hill.

Eighth: Rhonda Gill, Susan Hancock, Yvonne Nettles, Sandra Newman, Sidney Sealy, Nancy Unfred.

Ninth: Randy Unfred, Dickie Turner.

Tenth: Alice Nunley, Donna Morris, Diane Newman, Eddie Halford.

Eleventh: Jerry Todd, David Unfred.

Grassland News

(By Mrs. O. H. Hoover)

The ladies of the Draw and Grassland W.S.C.S. met in the Grassland church Monday, Oct. 29, and observed the Week of Prayer with an all day service. Twelve ladies attended.

We are sorry to report J. C. Warrick is not improving. He is still critically ill. Mrs. H. A. Roberts also remains about the same.

Mr. and Mrs. W. G. McCleskey and Mr. and Mrs. H. D. Gartman attended a singing in Lubbock Sunday. They also visited the Warrick family at West Texas Hospital.

Mr. and Mrs. Varner and Mrs. Sally Fredley of Yuma, Ariz. returned home Friday. They visited in the E. A. Thomas home for three weeks.

The Thursday Club was entertained in the home of Mrs. Ada Oden Oct. 18. Members present were Lillian Stevens, Viva Davis, Berniece Propst, Edna Morris, Iris McMahon, Myrtle Hoover and the hostess.

Mrs. Bonnie Adamson visited Mrs. Hoover one day last week.

Mr. and Mrs. W. T. Luttrell visited her sister, Mrs. Drura Lemly of Seagraves recently.

C. M. Greer is ill with a virus this week.

Mr. and Mrs. C. O. McCleskey visited J. W. Warrick Sunday and had lunch with her parents, Mr. and Mrs. Cliff Allen.

Mr. and Mrs. Jim Patterson visited their son, Bobby, over the week end at Camp Hood.

Mrs. Carrie Walls had as house guests Sunday her two sisters and brother-in-law, Mr. and Mrs. Jessery of Abernathy and Mrs. Jane Gray of Big Spring.

Mr. and Mrs. W. G. McCleskey visited Mrs. McCleskey's sister and family, the W. M. Duboses, of Brownfield Wednesday.

Rev. and Mrs. J. E. Yeats went to Snyder last week to see their son, Jackie, and family.

Mrs. Gus Porterfield has been in West Texas Hospital several days, but is home now and is improving.

Mrs. E. A. Thomas spent the week end in Denver City visiting Mr. and Mrs. Claud Thomas and Mr. and Mrs. Frank Jacobs. Her son, John Paul and family, met her there.

Mrs. O. C. Harrison's mother, Mrs. Dot Fortenberry, of Welch, stayed several days with Mrs. Harrison last week. She was on her way home from the Tyler rose festival.

Mrs. E. M. Walker has had her home redecorated and a new roof put on.

Mrs. Bert Short's grandchildren spent the week end with her, Patti and Robin, daughters of Mr. and Mrs. E. L. Short, and Staci and Bert Lynn, children of Mr. and Mrs. Harry Lee Short, all of Tahoka.

Mr. and Mrs. J. F. Moore have gone to Illinois to a Bible school. They will be gone three or four weeks.

V. V. Laws of Hobbs, N. M., formerly of Grassland, has been back in the hospital with a heart ailment but is at home again now.

Mr. and Mrs. C. A. Walker visited the Doyle Terry and the J. D. McGrew families in Lamesa last week then went on to Seagraves Wednesday to visit their daughter and family, the Bill Moores.

Mrs. Martha Harris returned home Saturday after a three week visit in Oklahoma City. Mrs. Harris and her daughter, Mamie Evans, of San Benito stayed with their grandchildren while Mrs. Evans' daughter and husband were on vacation.

Mr. and Mrs. Lucian Walker left Wednesday to visit relatives in Coleman.

Mrs. Martha Harris was honored with a birthday dinner Saturday, Oct. 27, by her daughter, Mrs. "Red" Henry of Tahoka. It was her 82nd birthday. She lives alone in Grassland, keeps her home very neat, keeps very busy. Attending the party were Mr. and Mrs. Elmer Rash, Dean and Tommy of Grassland and Mrs. Mamie Evans of San Benito.

Mr. and Mrs. J. D. McGrew received word that their son, Ronnie, is taking part in the quarantine on Cuba. Ronnie is a sonar radar man and is on a destroyer. Their other son, Gary, is on Johnston Island taking part in the testing of missiles. Both boys grew up in the Grassland community and attended school in Tahoka.

Mr. and Mrs. Gus Sherrill and daughter, Paula, visited her brother and wife in Rogers over the week end. Another daughter and family, Mr. and Mrs. Dell Freeman and Kelly, met them there for a visit.

H. E. Huffaker and son, Bobby, and E. B. Gregg left for Falcon Lake Monday for several days of fishing.

VISITORS AT STATE FAIR

Among the Lynn county visitors at the State Fair of Texas in Dallas last week were Mr. and Mrs. W. E. Dubree of route 2, Mr. and Mrs. Marshall Dubree of route 1, and Mr. and Mrs. Pete Dorman of route 5.

Wilson Junior 4-H Club Names Officers

The Wilson Jr. High 4-H Club met Tuesday, Oct. 23 for the purpose of electing officers for the coming year. Officers are as follows: President, Mike Ward; Vice-president, Jimmy Koenig; Sec-Treas, Lawrence Stabeno; Reporter, Mac Young.

Discussion of the club's livestock was also held and discussion of the 4-H Club.—Reporter.

Miss Nancy Inman Band Sweetheart

Miss Nancy Inman was crowned Band Sweetheart of 1962 Friday night at half-time ceremonies of the Tahoka-Wink football game. She is the daughter of Mr. and Mrs. Travis Inman.

Her identity was kept secret until a glittered crown was placed on her head by her escort, band member Jack Jaquess. The crown and bouquet of roses were brought to the middle of the field by Allen Cox and Johnny Long.

Also candidates for the honor were Misses Montie McGinty, daughter of Mr. and Mrs. Fred McGinty, and Patricia Sikes, daughter of Mr. and Mrs. Clint Sikes. The three were brought to the field in a convertible. Other escorts were Roger Renfro and Tim Tippit.

The coronation was held as the band went into a diamond formation and played "Moon River."

Lindley Thomas In Hospital With Cancer

Lindley Thomas son of Mr. and Mrs. Clyde Thomas, is in an Army hospital, Letterman General Hospital, San Francisco, Calif., for treatment of a stomach cancer which has spread to his lungs. His parents have just recently learned of his illness.

Mr. and Mrs. Thomas visited him in August and say he was then "the picture of good health."

Lindley has been in the Army nine and a half years, has been stationed at Fort Ord, and his wife and two children live at nearby Seaside, Calif.

Mr. and Mrs. J. A. Biggerstaff and daughter, Anna Lee, attended the New Mexico Military Institute homecoming activities last week end in Roswell.

One-fifth of Texas wells in 1959 were "wildcat" wells, which seek new fields.

Farm Bureau Is Over 1962 Quota

Lynn County Farm Bureau ended its year Wednesday with 741 members, four over the quota of 737 quota set by the directors for the year 1962, Charles Reid reports. The county had a quota of 727 in 1961.

Howard Moore of Wells was declared the "outstanding director" for the month. Wednesday, he brought in 10 memberships from his neighbors to apply on the new 1963 quota, which will be set somewhere in the neighborhood of 750.

Others working Wednesday included Woodrow Brewer, Ward Eakin, Earl Cummings, T. B. Mason, and Alley White.

Tickets Selling For Barbecue At Ranch

About 500 tickets have been sold to the South Plains Boys Ranch benefit barbecue being held at the ranch southeast of Tahoka Sunday, Nov. 11, from noon until 2:30 p. m., Jack Miller states.

Alvin Koonsman of Snyder is donating the beef, Brownfield people are donating beans and potatoes, and Elmer Sproles will supervise the cooking.

Barbecue tickets may be obtained at Rutherford's at \$1.00 each.

Miller says about 30 pigs have been donated to the ranch boys recently, some of which will be used in 4-H and FFA projects.

O'Donnell Pancake Supper Is Tonight

O'Donnell Lions Club invites all Tahoka football fans, as well as any others, to attend their pancake supper in the O'Donnell cafeteria before game time Friday from 5:00 to 7:00 p. m.

Tickets are 60 cents per plate and those attending may eat all the pancakes they can hold.

Fred Hegi Pledges Fraternity At SMU

Fred Hegi, son of Mr. and Mrs. Pete Hegi of Tahoka, is among 40 young men pledged by Phi Gamma Delta fraternity at SMU during formal rush which ended Sept. 18. Fred is a freshman student at the university.

Mrs. Addie Lee Click of Morton received a broken leg Sunday night when she stumbled and fell on a curb in east Tahoka. She was released from Tahoka Hospital on Monday. She was here visiting her daughters, Mrs. Wayne Reeser and Mrs. Don Spears.

Mr. and Mrs. "Pete" Hegi visited their son, John, at Baylor University in Waco last week end.

Mrs. O. W. Green was admitted to Methodist Hospital early this week as a medical patient.

Mrs. Hattie Yates was a medical patient in Tahoka Hospital from Thursday until Sunday.

DeSoto explorers used Texas oil to patch boats in 1543, first recorded use.

The News

Civil Defense . . .

(Continued from First Page)
of traffic that will come from Lubbock and its work will be carried on a 24-hour basis if such a crisis should arise.

Even though National tension has eased this week in regard to the Cuban situation, the Civil Defense in Tahoka does not intend to slacken its work in carrying out a smooth-working organization. Last Saturday at noon a siren was sounded to inform citizens what type would be blown in case of nuclear war, and the Civil Defense also plans to carry out a practice once each month in which all citizens of the town will be asked to cooperate. These practices will begin with the sounding of the siren, all department heads will take their positions and direct committees to certain locations for work, the school evacuation plan will be put into effect, and the entire town will be asked to participate in the drill.

Mayor Meldon Leslie is Civil Defense supervisor; E. L. Short is director of Civil Defense and Bob Haney is deputy director; Mac Mauldin and the S.C.S. personnel head the radiological team; Charles Oliver heads the headquarters protection unit; Milton Uzzle, headquarters office supplies; and Don Browning and all local pastors, the religious advisory group.

The Supplies department is headed by Emory Nance and 15 local merchants; Pat Patterson heads Fire and Rescue, along with the fire department; Borden Davis and Martin White with the help of 10 men will carry out the duties of the Ambulance and first aid; Maurice Bray, emergency welfare; Jack Miller and 20 men will make up the police division who will direct traffic at the schools and other necessary points; F. E. Redwine and 50 men will control communications with Granvel Ayer in charge of emergency information; James Roberts heads engineering and H. W. Edwards health and both are in charge of manpower and transportation along with 30 other volunteers.

School Evacuation Plan
"It is important that every person, whether or not they have children in school, read and understand the following plan for

evacuating the schools. So that this plan can work, everyone must know exactly what to do and where to go.

Part 1. School children who live within three (3) blocks of the school or further, if the parents desire, should go to their homes at once. Parents should advise the children if they are to be picked up at school. It is advisable that all children living West of the school go home on foot so that a minimum of traffic will come from that direction.

Part 2. Parents who wish to pick up their children at the school, may do so if the following is understood and carried out. Those families living on the north side of North 3rd Street and north will load their children on North 4th Street.

Part 3. Those families living on the south side of North 3rd Street and south will load their children on North 2nd Street. Both North 4th and North 2nd streets are one-way, with all of the cars travelling west.

Part 4. All Spanish children, living in town, will load on a bus and be delivered to the Catholic Church, Avenue F along the west side of Shipley Motor Company will be blocked so that the school bus can carry the children to the parking lot on the North side of the church. There the children will either be picked up or can go home depending on the instructions from their parents.

Part 5. All school children who drive cars to school that are parked north of the football field must leave school going at least one block west, then turn north

Local Horses Are Television "Stars"

Tahoka can claim two new television stars. They are Frank and Buck, two bay horses now appearing on "Wagon Train" pulling the covered wagons. The horses were raised by T. B. Barton, who lives southwest of Tahoka in the Three Lakes community. He sold the pair to producers of the television program.

Frank and Buck appeared in a Tahoka Rodeo parade a year ago pulling the wagon ridden by Mrs. E. L. Short and Wade Holland, which won second place in the float division.

Mr. Barton raises horses and Shetland ponies on his farm and has become well known in this field.

Mr. and Mrs. O. C. Roberts visited in Roswell last week end with their grandson, Andy T. Wilson, student in New Mexico Military Institute, and attended the Institute homecoming activities.

About one-third of Texas, or 60 million acres, is under lease for oil and gas exploration.

to North 8th Street and proceed east to your home.

For the safety of the school children and so this plan can be effective and swift, the Civil Defense asks the cooperation of everyone, and when driving to watch for children.

An instruction sheet of the plan as well as a map will be provided to better acquaint children and parents with the evacuation plan.

"Buddy" Chestnutt Fraternity Pledge

Doyce Graham Chestnutt, sophomore business major at Texas Tech, is one of 154 students to pledge national fraternities, as recently announced by the Dean of Student Life at Texas Tech. He has pledged Phi Kappa Psi, National men's fraternity, and was selected to serve as captain of the fall pledges.

During his freshman year, Doyce was a cheerleader and also served as a class representative to the Student Council. He is a 1961 graduate of the Tahoka High School and the son of Mr. and Mrs. G. H. Chestnutt.

Bulldogs In Top Defensive Effort Hold Wink Wildcats To 6-0 Score

Wink Wildcats came to Tahoka Friday night a three or four touchdown favorite. Although they went home with a 6-0 victory, the Bulldogs put up a superb defense, one of the finest ever seen here. Had it not been for the Bulldogs' weakness on pass defense, or had they been a little stronger on offense, the game could have been no less than an 0-0 tie.

Even though they lost, the Bulldogs should feel they gained a moral victory for the rugged defensive battle. Incidentally, this was Dad's night, and fathers of the home boys had seats of honor on the sidelines.

The Wildcats were also rugged on defense and allowed Tahoka only two first downs, both in the third quarter. Tahoka was stingy on first downs also, allowing the visitors but two in the second half, although they had eight in the first, most of them the result of passes.

Tahoka received the opening GAME STATISTICS

Tahoka	Wink
2 First downs	10
50 Net yds. rushing	63
0 Yards passing	125

3 for 15 Penalties	1 for 15

kick-off, Steve Greer ran the ball out to the 39, and Tahoka made only three yards and had to kick. Wink made only two first downs in the quarter, and Andy Bray had one of three punts in the first quarter blocked by linebacker Mark Emmer. Near the end of the first quarter, Craig Leslie covered a Wink fumble on the Tahoka 24. Backs Tony Spruiell and Gary Grogan made 8 on three plays. Bray punted again, and on the first play of the second quarter QB Bill Price threw a 30-yard pass to Amalio Losoya to the Tahoka 14, and Billy Miller covered a second Wink fumble on the next play at the 16.

The Bulldogs had to punt again. Bray got off one for 41 yards, and Wink moved on two first downs to the Tahoka 20. On the next play Tahoka drew a pass interference penalty on its own 5 yard line, but the Bulldogs held Wink to only two yards in a stout goal-line stand on four rushing plays. Tahoka couldn't move the ball out and Bray got off a short 21 yard punt, and Wink was in business again. One play made nine yards, but Wink then drew its

(Cont'd. on back page, Sec. 2)

"B" Team Wins Game At Slaton

Tahoka "B" team overwhelmed Slaton 22-14 there Thursday night of last week to put themselves back into the winning column, playing one of their best games of their career.

The Tigers led the ball game 14-10 with seven minutes left to play, but the Bulldogs were able to go ahead with a touchdown and then crossed the goal line for another with seven seconds left.

In the first quarter Eddie Howard raced 25 yards for Tahoka's first scoring punch and succeeded in running across the conversion. Then Mike Reid tackled a Slaton player in the end zone for a safety and two points.

The last quarter saw Dean Hamilton scampering 35 yards for pay dirt and the thriller came to wind up the game when Eddie Howard broke loose for a 65 yard run for the last tally. Neither conversion attempt was successful.

The entire team, led by Howard and Roy Isham, put up a terrific defensive battle, and coaches said the performances displayed by the boys in the game were outstanding.

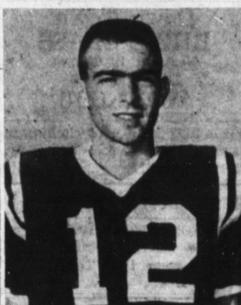

The Lynn County News

TAHOKA, TEXAS "Heart of the South Plains" FRIDAY, NOVEMBER 2, 1962

Meet the Bulldogs! Two Teams Win Over Abernathy

MIKE CURRY

EDDIE HOWARD

FRANKIE FARRERRA

Both seventh and eighth grade teams clobbered Abernathy here Monday night, almost duplicating their scores. The seventh won in a 30-0 battle and the eighth took a 31-0 victory.

In the first quarter of play Mike Chandler blocked a punt on the Abernathy 15 and later Raymond Chapa went over from the two yard line. Mitchell Williams ran the conversion. Halftime score was 8-0.

The combination repeated itself in the third stanza, Chapa going the last three yards and Williams running the conversion. Scoring really broke loose in the fourth quarter with Mitchell Williams making two touchdowns, one from three yards out, and one from the seven yard line. Another on a 42-yard run by Williams was called back because of a clipping penalty. Tommy Kidwell crossed for a conversion and Williams kicked an extra point.

The entire defensive unit of Coach Dave Easterday was outstanding, allowing the Antelopes little yardage.

The seventh grade set the pace winning their one-sided battle by scoring once in each quarter. John Tyler opened the scoring by running a punt back 45 yards for a touchdown followed by a conversion by Doyle Schneider.

The second quarter saw Tyler hit pay dirt in the first play and Cliff Thomas ran across the two points. Thomas, in the third, ran 40 yards for a touchdown and then kicked the extra point. Tyler intercepted a pass on the Tahoka two, took it back to the 35, and later Chris Roberts scampered 44 yards for the final tally. Thomas again kicked the extra point.

Milt Fitts' seventh graders also

(Cont'd. on back page, Sec. 2)

O'Donnell Loses Sundown Game

O'Donnell Eagles, who entertain Tahoka tonight, dropped their second 5-A conference game of the season Friday night to the strong Plains Cowboys 34 to 18.

Plains' Halfback Ronine Hendricks, who did not see action against Tahoka because of a leg injury, ran for four touchdowns. Fullback Tetum Perrin ran for one, and QB Mike Field passed to End Ernie Anderson for the other. Anderson ran over one conversion, and QB J. B. Wilson passed to Perrin for another.

Coach Clyde Blair's Eagles scored three times, but not enough. Charles Burleson, Wendell White, and Fernando Lopez each scoring one.

Texas has produced 23 billion barrels of oil, or 30 percent of the U. S. total.

Texas has 195,000 oil wells in 8,800 fields.

Wilson Winner At New Home

New Home Leopards journey to Sands tonight for their third 3-B conference game.

Last Friday, the rival Wilson Mustangs dampened homecoming at New Home by a 45 to 0 stampede over the thin-ranked New Home boys, playing under great difficulties because of early season injuries.

Wilson's Bobby Stone ran five yards for the first score, Sammy Crowson intercepted a New Home pass and went 60 yards for another. Don Webb passed 20 yards to Walton for one, Royce Baker ran 10 yards for one, Webb passed again to Walton from 60 yards out, Macker then ran 28 yards to score, and Webb passed six yards to Allan Wuenschke for the last score. Walton kicked one extra point and Webb ran one conversion to make the score 45-0.

"Wildcat" wells were drilled in 216 of Texas' 254 counties during 1959.

Vote Tuesday!

For twenty years, now, we've been negotiating and compromising, appeasing and helping, backing off and apologizing—each time losing ground to the Communists. We've been sending foreign aid to Communist and "neutral" countries, as well as others, trying to buy friendship. We've even sent agricultural and technical experts to Soviet Russia to teach them how to raise more and better cotton and grain and to increase the productivity of their manufacturing plants. We've let spies and turn-coats slip away with nuclear secrets. Following these policies and bungling procedures, we lost the respect of almost the entire world.

A Democracy moves slowly, and when our country once awakens it is a terrific force. All of us now hope and pray that our President and other leaders mean exactly what they say, will give no ground, and will stand up to Khrushchev and the like. We hope backing away and compromising has come to an end, for the longer we delay the worse it will be.

Every businessman hates to miss making a sale, just like a farmer hates not to be able to sell some of the crop he has raised, but last week end The News turned down advertising from a group of Lubbock stores that would have totaled \$1,800.00 in a year's time. This account was hard for us to turn down, but we live in Tahoka, make our living from Lynn county people and institutions, preach trade at home, and just can't be a party to influencing people to trade somewhere else. Supposedly, a newspaper's advertising columns are open to everyone, just as any store's merchandise is for sale to all-comers, but we will remain loyal to the

merchants who remain loyal to us. We appreciate the Lynn county businessmen who spend their advertising and printing dollars at home.

By the way, watch out for the fly-by-night salesmen and beggars now working this territory. If approached, you may do your friends a favor by calling Tahoka Chamber of Commerce, which is set up to investigate schemes offered home people by strangers.

It takes a lot of people doing unselfish acts to make a good community. Mrs. T. B. (Sue) Inman and Mrs. Pug (Billie Wayne) Parker have recently been making draperies for the Boys Ranch building, and the boys are taking much more pride in their rooms.

The roadside park north of town should be named "Munsell Park," in honor of Eugene Munsell, who is responsible for this being one of the most beautiful among the Texas Highway Department's 254 such parks. Gene has also made the area in front of the Highway Department warehouse here in town a place of beauty. But, you haven't seen anything yet if you haven't driven by his home on South Eighth, on the street leading west to the City Park. His yard is a solid mass of vari-colored chrysanthemums. Gene certainly has a green thumb!

Here's a story that was going the rounds last week: The reason the President took the drastic action was because a Colored boy tried to enter the University of Havana and Castro slapped him.

Another one: Governor Barnett of Mississippi shot his wife because she bought a colored TV.

We're eating turnips again—this time from Fred McGinty and Buster Fenton. They brought us enough for the entire force at The News. A reader questions the fact that we were eating turnips and corn pone last week intimating The Printer didn't know what corn pone is. Well, we did exaggerate—it was cornbread. We do know the difference, but we'll bet a lot of our readers never saw corn pone.

"Tiny" McNeely brought us a couple of newspapers from "down state," the Rockdale Reporter and the Tomball Tribune, which we enjoyed looking over.

Mr. and Mrs. J. O. King of Wilson brought us a part of the Panhandle Herald's recent historical, J. L. King, who is deputy

Farm Facts

The United States is the largest exporter of farm products in the world. This is pointed out by the U. S. Department of Agriculture in "Food and Agriculture—A Program for the 1960's."

The product of 1/6 of our crop acreage is exported. Agricultural exports were valued at \$5 billion in 1961—1/4 of our total exports.

"More than 2/3 of these exports go to commercial markets and are paid for in freely convertible currencies," the USDA report explains.

"Thus, agricultural exports are one of our best earners of dollars abroad and one of our best tools for dealing with the critical balance of payments problem."

"Half of total wheat production in 1961 was exported; producers of rice and dried peas are even more dependent upon exports. Cotton exports in the calendar year 1961 were equal to nearly 1/2 the 1960 crop, Soybeans (including soybean oil) and tallow

exports equal about 2/5 of output.

"Tobacco, hops, nonfat dry milk, raisins, and many others depend upon foreign demand for up to 1/3 of total sales."

sheriff there. The edition contains very interesting stories and pictures of that early day town which was established back in the 1880's. But the most interesting part, to us, was a reprint of the front page of the Herald, Volume 1, Number 1, dated July 22, 1887, printed on a home-made press by H. H. Brooks.

Even though in a losing season, Tahoka football fans had reason to be proud of the real battle put up by the Bulldogs in the game Friday night and in other games this season. All we should ask is that the boys give their best, and they gave all they had Friday. If the boys can keep up this determined effort, battling all the way, Tahoka is bound to get back in the victory column some of these days. We believe parents and fans should give them and the coaches every chance in a rebuilding program. Gripping fans should realize nobody wants to win worse than those boys and coaches. There are a lot of good players in the stands, but some of us weren't so hot when we were in school. There are a lot of good coaches in the stands, also, but they don't have jobs as coaches.

Tahoka has had some fine teams in the past, and will have again in the future. One we'll remember a long time was the 1951 team. Avalanche "experts" had picked Post to win the district, and was publicizing Jack Kirkpatrick as the greatest back the Plains had ever produced. Tahoka had lost to Post three years in a row. Then came the meeting of the two teams here on October 12, 1951.

"Bing" Bingham, now coach at Slaton, was head man at Post, and Bill Haralson was Tahoka's head man and had help from Tom Bartley and Jake Jacobs. "Bing" was mad at Tahoka because he had attempted and failed to find two or three Tahoka boys ineligible.

Surprising everyone but Tahoka, the Bulldogs took a 20-6 victory in one of the greatest games ever played by a Tahoka team. Jack Kirkpatrick was held to minus-14 yards rushing and the Post team to only seven net yards, although they did complete 13 of 24 passes for 146 yards (Tahoka intercepted three), and Tahoka rolled up 183 yards rushing and 50 yards passing. Tahoka went on to win the district and lost to powerful Anson there 27 to 0. But, an Avalanche sports writer's account of the game with Post was an all-time classic. He spent the whole story except for giving the score, telling how Kirkpatrick couldn't get to going.

Members of that 1951 team included Lynn Halamick, James Foster, Benny Brookshire, Wiley Curry, Charles Hyles, Earl Bartley, Bill Short, Joe Brooks, Richard Havens, Wayne Tekell, Wayne Martin, Don Brice, Billy Stice, John Foster, and John Curry.

A newspaper once carried this correction of an error: "Our paper carried the notice last week that Mr. John Jones is a detective in the police force. This is a typographical error. Mr. Jones is really a detective in the police force."

You're getting old when the

Laymen Present Methodist Service

Laymen's Day was observed Sunday morning at the First Methodist Church of Tahoka with men of the church conducting the 11:00 o'clock service.

Messages were brought by three laymen, A. M. Bray, whose subject was "A Christian's Vocation"; P. C. Vander Linden, "A Christian's Use of All Resources"; and Dr. Skiles Thomas, "A Christian's Use of His Possessions."

Mitchell Williams presided, Dr. Emil Prohl led the singing, and the pastor, Rev. Aubrey White, played the organ.

The church is in a Sunday night attendance contest during the months of October and November on a membership percentage basis with O'Donnell Methodist Church. So far, Rev. White reports, the contest is "nip and tuck," with the Tahoka church having had an average attendance so far of better than 100 on Sunday nights. The winning congregation will visit the loser and bring the service but be entertained by the loser.

About 3,500 "wildcat" wells were drilled in Texas in 1959; only 10 percent found oil or gas.

Help keep Tahoka clean.

Glean in your eyes is the sun hitting your eyes.

Husband-hunting is the only sport in which the animal that gets caught has to buy the license.

Oil Depletion Is Explained Here

"If we are to continue the hunt for oil, our government must keep in force the Revenue Act of 1926 which provides 27 1/2 percent depletion for oil and gas," Bob Hanson and Jay Krath, petroleum engineers from Brownfield, told Tahoka Rotarians Thursday.

"Without the depletion allowance, an income tax deduction allowed nearly all producers of natural resources, wildcaters would have to quit hunting more oil, our reserves would soon be exhausted, and the price of oil products would go up almost immediately," Mr. Hanson emphasized. "Even a cut to 15 percent would eliminate the wildcatter, for odds would be against him."

"Our nation depends on oil for 60 percent of its energy needs." To illustrate how oil depletion allowances and the hazards of hunting for oil work, the men operated a little game among the 50 men present. Each was issued a "lease map" of 54 sections of land, each man received \$9,000 in stage money, and each invested \$1,000 in nine sections of the 54 on which an oil test was to be drilled.

Operating on a basis the same as an oil company would operate in good prospective territory, with each man having 1/150th interest in each wildcat at a cost of \$140,000 to drill and each offset at a cost of \$74,000, oil was "discovered" on five of the 54 sections, four of which produced a half million barrels, and only one produced five million barrels. Only four men out of the 50 were found

David Bray Gives SMU Award To Tech

David Bray of Tahoka, president of the S. M. U. student council, participated in the half-time ceremonies at the Texas Tech-S.M.U. football game, won by the Mustangs 14-0, Saturday in Lubbock.

In the center of the field, he made the presentation of a "Friendship Award" to the president of the Tech student body from the student body of Southern Methodist University.

depletion allowance. An explorer finds oil in one out of nine holes, one in 50 of these produces a total of one to 10 million barrels, one in 200 produces 10 to 50 million barrels, and one in 1,000 produces 50 million barrels or more.

Typical costs involved include \$15 an acre to lease land, \$140,000 for drilling a wildcat well or \$75,000 for a development well, and \$1.00 a barrel to produce, 14 cents a barrel state tax, plus the percentage to the royalty holder.

Percentage depletion works like this: Gross income from a well totaling \$10,000, less operating expenses of \$4,000, leaves a net income before taxes of \$6,000. The 27.5 percent depletion figured on gross income amounts to \$2,750, leaving \$3,250 in net taxable income. However, if 27.5 percent of gross income is greater than one-half of net income before taxes, the producer can take only the one-half of net income as a deduction.

The very interesting program was arranged by Lynn Seales, who introduced the speakers.

E. L. Short announced much interest being shown in the Local Civil Defense organization in view of the Cuban crisis and a number of meetings being held to coordinate plans in case of a nuclear attack.

President Calloway Huffaker, for a little fun, subjected Winston Wharton to a fine for not issuing a free coffee coupon to an out-of-town visitor in his place of business. The fine assessed was coffee and doughnuts for all Rotarians at his place of business Saturday at 10:30 a. m.

WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

By an affirmative vote of 92%, the nation's independent business and professional people voting through the National Federation of Independent Business approved a measure that was introduced in Congress to raise the interest rates on government loans to electric cooperatives. At the same time 87% voted for the Senate resolution to reduce government competition with private business.

The creeping socialism which has been infecting the government of the United States has created many situations that defy all reason or logic.

Boys when they first learn to shoot marbles, are admonished to "shoot from jaw." In other words, everybody starts from the same line, with no advantage to any.

Yet side by side there can be two electric utility systems. One, the private stockholder owned one, needs borrow money at whatever the prevailing interest rates are. In addition, it must pay full tax rates on income. The other, operated under the sacred name of "public owned" which covers a multitude of socialist practices, gets loan from the government at a rate of interest usually lower than it has been costing; the government to borrow money.

There is a substantial question as to whether or not the government should not be prohibited by constitutional amendment.

National Federation of Independent Business

C. W. Harder

ment from loaning money to any cooperative operation.

For example, one of the biggest canning complexes in California about two years ago became a co-operative.

Two things immediately resulted which gave it a competitive edge.

One, of course, was the fact that it escaped a great deal of the income tax payments formerly made. Equally as big in an industry which borrows vast sums for operating capital during the packing season, it qualified to borrow from the government sponsored bank for cooperatives and thus able to borrow money for about 2% below the prevailing rate.

In the meantime, through the Federal Reserve Board, in the event that an administration gained power that believed in all out socialism, it is possible to practically completely communize the nation.

For after all, it would be a simple matter for the Federal Reserve Board, if so inclined, to run the cost of borrowing money up so high that industry after industry would be forced into organizing as cooperatives merely to get working capital at a cost that could be justified.

History always writes dramatically about revolutions in terms of bloodshed, and groups engaged in street battles.

But after all, no revolution yet succeeded unless before the shooting started, the economy and money supply had been rigged. It is dangerous when government supplies working capital at a lower rate to those who compete with individual free enterprise.

Average depth of wells drilled in Texas in 1959: 4,218 feet.

Juniors Win ...

(Cont'd. from Page 1, Sec. 2) had a touchdown called back, a pass from Schneider to Buzz Owens on an infraction of the rules.

Defense was very good, for the seventh graders also led by Gary Brooks, Richard White, Randy Wood, Chris Roberts, Jim Huey and Buzz Owens, and if junior games are any indication, Tahoka will be fielding some real football teams during the next few years. The seventh graders are undefeated and the eighth graders have lost only one game in two years.

Named on the "Head Hunters" (offensive blockers) this week on the seventh grade team are Gary Brooks, Keith Davis, Thomas, White, Huey and Roberts.

The teams played their last home games complete with all the "works." The junior band, under direction of Vic Kyler, provided music and even twirlers were present, Debbie Wright, Beverly Fails and Arlene Stephens. Clint Walker announced the game, printed programs were passed out to the fans, and the pep squad was on hand as usual. Cheerleaders this year are Leah Beth Holloway, Marla Bray, and Susan Woodall, eighth graders; Vicki Jacobs, Debi Thomas and Zan Ashcraft, seventh grade; Leah Short, Pat Sarten, Quaydene Pool and Brenda Drager, alternates.

Vote Tuesday!

Bulldogs ...

(Cont'd. from Page 1, Sec. 2) only penalty of the game, 15 yards for holding back to the 41. With time in the half running out, QB Price threw to End Johnny Lankford for 14 yards, then to Emmer for nine, and finally on the Tahoka 18, rolled out and shot a pass to Lankford, all alone in the end zone for the only touchdown of the game. Emmer's attempted place kick for conversion was no good, and there was only six seconds left in the half, just time enough for Greer to run the kick-off from the 18 to the 28 as the gun sounded.

Opening the second half, Edwell caught a pass for 20, and two plays later caught a 19-yard pass to the Tahoka 25, but fumbled on a hard tackle and Grogan recovered. Greer and Grogan moved for 17 yards on four plays, but Tahoka lost 11 on a fumbled pitch-out and had to kick. On Wink's first play Leslie covered Wink's fourth fumble on the Tahoka 46. One Tahoka pass was incomplete, drew a penalty on intentional grounding, and the third was intercepted by Wink's Price on the 50 and run back to the Tahoka 32. Tahoka held again, look over on its own 33, and Grogan, Spruiell, and Greer moved the ball out to the 44 before having to punt again.

Astraddle the third and fourth quarters, Wink lost 14 yards in three plays back to its own 15, punted short 29 yards, and Tahoka moved to a fourth and one to go on the 35 before drawing an offsides penalty, the Bulldogs' best chance to score. Bray punted out of bounds on the Wink 13, had to punt three plays later, but Spruiell's pass was intercepted by Losoya. After another exchange of punts, Wink moved to Tahoka's 9, where Tahoka held them for downs. Tahoka couldn't move, but neither could Wink, and the game ended with Tahoka in possession trying three passes, one complete to Miller but for no gain, and Greer ran the ball seven yards for the last play of the game.

All the Tahoka boys were stars on defense. Andy Bray had the most tackles again, and other leaders included Randy Workman, Grogan and Greer, Tony Spruiell, Larry Jolly, Jack Woods, Billy Clinton, Craig Leslie, and others. For Wink, outstanding boys

CARD OF THANKS

Many thanks to the kind friends for the visits, cards, flowers and help while in the hospital; and special thanks to the Doctors and nurses at Tahoka Hospital, who were so kind and attentive. It's wonderful to live in such a fine town and have such fine friends. —Mrs. T. W. Johnson and children.

were Frank Lane, one-handed Colored boy, Lankford, Langford, Holloway, and Emmer.

Texas oil men drilled 18,526 wells in 1959, or 37 percent of U. S. drilling.
