## Lynn Cotton Acreage Is Reduced 10.5 Percent

Lynn county farmers are unhappy this week over the announcement Tuesday that Secretary of Agriculture Orville Freeman had ordered a drastic cut in base cotton acreage allotment for 1963, which will amount to 10.54 percent, or 20,760 acres in this county.

The acreage reduction, unless adjusted by Congress before next planting season, will represent an estimated loss in income of \$3 million to the economy of the county.

Chas. (Buddy) Bragg, local ASC office manager, says the new allotment is for 175,341 acres of cotton, as compared to 196,101 acres allotted this year.

Each farm unit will therefore be cut 10.5 percent for the coming crop year. In other words, a farm with an allotment of 100 acres in 1962 may harvest 89.5 acres of cotton in 1963.

However, small farms with an allotment of 10 acres or less will not be cut at all.

The reduction in Lynn county is in keeping with the cut in acreage over the nation.

Agriculture Department officials argue the nation is raising too much cotton. Most industry men, as well as many producers, declare the trouble is American cotton is supported at such a high price that synthetics are taking over, and also point out foreign sales are declining because of the high price of American cotton and cotton manufactured goods are being shipped into the U. S. made from foreign produced cotton to compete with our goods.

The farmer, with his acres cut smaller and smaller, is placed in a further pinch to produce enough to pay his high cost operations and pay for high priced land.

The only hope, some local farmers say, is that new cotton legislation may be adopted by Congress early next year in time for planting.

The allotment for 1963 is the lowest in the history of the farm control program in Lynn county.

## Vote Tuesday On Cotton Quotas

Polling places where Lynn county farmers may cast ballots in the referendum on marketing quotas for the 1963 upland cotton crop were announced today by Charles G. Bragg, Office Manager of the Agricultural Stabilization and Conservation Service Office. The referendum will be held on Tuesday, December 11.

The polling places are located as follows: West Point Gin, New Home Co-op Gin, Lakeview Gin, Petty Gin, Wilson Co-op Gin, New Moore Gin, Lynn County ASCS Office, Gordon Gin, W. W. Rowland Gin, Paymaster Gin, Draw, Producers Gin, Grassland, Wells Farmer's Co-op Gin, and Farmer's Co-op Gin, O'Donnell.

Polls will be open from 8:00 a. m. to 6:00 p. m. Any person who does not reside in the county in which he is engaged in the production of upland cotton in 1962 may obtain a ballot prior to the referendum from any county ASCS office and cast his ballot by mail. Also, any producer who resides in the county in which he is engaged in the production of cotton, but will be out of the county on December 11, may cast his ballot by mail. Absentee ballots must be mailed in accordance with instructions available at county ASCS offices and must reach the county office for the county in which the producer is eligible to vote by 6:00 p. m. on December 11.

Bragg explained that every effort has been made to inform farmers fully about the allotment-quota program so that the outcome of the referendum may represent the considered opinion of all the voters. Farmers eligible to

## 4-H Beef Show Here Saturday

The annual 4-H Beef Calf show will be held this Saturday morning, beginning at 9:00 a. m., in the Lynn County Agriculture Exhibit building, according to County Agent Bill Griffin.

About 37 calves are expected to be shown by boys and girls of the county.

Two showmanship awards will be made this year in the senior and junior divisions. These awards are through the courtesy of Ruth-erford's Department Store.

## Two Honored At Gold Star Meet

Miss Jeanie Hewlett of Wilson and Harold Bessire of O'Donnell, Lynn County 4-H Club Gold Star winners, were among those from 20 South Plains counties honored at the fifth annual District II banquet held in Lubbock at the First Methodist Church Monday night.

Attended by 368 people, the winners received presentations from H. J. (Doc) Blanchard with Ed Wilks as narrator.

Charles E. Lawrence of Seminole, county judge of Gaines County, was the speaker and told the group the simple things that will help them are friendship, cooperation, initiative and service in accomplishing even greater things in the future.

## Former Citizen Buried Friday

Ray Reed, 65, son of Alice Reed of Tahoka, passed away Wednesday of last week as Stockton, Calif., where he has lived for a long time. Funeral rites were held there on Friday.

Mrs. Reed, who is nearing 86, was unable to attend the services due to age. Deceased is an uncle of J. A. Pebworth Jr. and Boyd Pebworth, both of Tahoka, and Mrs. Eva Hyles of Hico. His only sister, Mrs. J. A. Pebworth Sr., passed away last year.

Reed is survived by his wife and three children. He resided here for about three years, leaving in 1936.

## Spears Raising Family Of Boys

Another son was born in the Spears family Tuesday, and the grandparents, Mr. and Mrs. Carl Spears are closing in on the Bill McNeely family record.

Mr. and Mrs. Bill Spears are the parents of a son, Tommy Lynn, weighing eight pounds, seven ounces, born at 1:55 p. m. Tuesday in Mercy Hospital at Slaton. He has a big brother, Rodney, who is three and a half years old.

But, the Carl Spears now boast of having four sons and four grandsons and are still looking for a grand daughter. Maternal grandparents are Mr. and Mrs. Ernest Rector of Plainview, formerly of Tahoka.

For years, the McNeely family produced all sons and grandsons, but finally after a long wait, along came a grand daughter.

This takes nothing away from the boys, however, because both families are as proud as punch of the males that will carry on their family names for a long, long time.

Mr. and Mrs. Wes Owens and children attended funeral services in Abilene Saturday for his sister, Mrs. Miller King, age 45.

Mrs. H. D. Nelson was an overnight patient in Tahoka Hospital Saturday night.

MISS ANDRA SUE CARROLL was crowned 1962 Tournament Queen here Saturday night following the annual basketball tournament. A sophomore in Tahoka High School, she is the daughter of Mr. and Mrs. Eldon Carroll. (Photo by Finney)

## 6,400 Received Type II Polio Vaccine Sunday

More than 6,400 Lynn county people received Type II Sabin Oral Vaccine Sunday afternoon at clinics in the Tahoka and O'Donnell school cafeterias.

The exact total was 6,357, of which 4,665 took the dose in Tahoka and 1,692 in O'Donnell. However, others have since taken the dose in offices of doctors in the two towns. Many others in the county had taken the second dose in Lubbock, Slaton and Post.

A total of 9,700 received the Type I dose last August.

Type III Sabin Oral Vaccine will be given here on Sunday, January 27. This dose is for the bulbar type polio, the most dreaded type of all.

Local doctors say the number taking Type II exceed their expectations. They were hoping for a 60 percent coverage on this dose, and the total exceeded this figure. The program of giving polio vaccine is being sponsored by Drs. Emil Prohl and Skiles Thomas of Tahoka and Dr. Noble Rumbo of O'Donnell, the National Foundation, and hospital staffs. Virtually all church and civic organizations in the county, as well as officers and individuals, have been assisting with the program.

All adults, regardless of age, have been urged to take all three doses. Although most adults are not susceptible to the disease, they can be carriers of the disease and give it to others in their families.

All restrictions on the Type III vaccine, once a matter of controversy, have been lifted in Canada, and the green light has been given for administering the dose elsewhere. Doctors are of the opinion that odds are so fantastic that taking the Type III dose is very much safer than doing without it. In fact the chance of the dose producing polio is one in several million.

## Mrs. Harris' Niece Buried Recently

Mrs. Otis Kendle, niece of the late W. M. Harris, died about two weeks ago. Burial was in Marietta, Texas.

Mrs. Kendle taught school in Corsicana and is survived by a son, Pat. She was the daughter of Mr. Harris' youngest sister.

## SPEND WEEK FISHING

Winston Wharton and W. T. Kidwell spent a week recently on a fishing trip to Falcon Lake. They were joined there by Jack Fenton and Clint Sikes. They report they caught their limit every day.

## Pioneer Gas Co. Has New Manager

Clifton L. Clark, 32, took over Monday as the new manager of the local Pioneer Natural Gas Company office, succeeding Dean Taylor, who is moving today to Ralls to become manager there.

Clark is married and he and his wife Della have one daughter, Charisse. With Pioneer since 1950, he has been active in Midland civic work and just recently resigned as vice president of the Optimist Club because of his move.

Taylor, 37, has been in the Tahoka position since Feb. 1, 1956, and has been active in civic work here.

## Tahoka Jaycees Decorate Town

Twenty-five Jaycees viewed a car racing film presented by Jack Henry at their meeting Tuesday night, and discussed a number of projects on which the club has been working, states Jesse Doran, president.

Jaycees, during the past two weeks, have made and put up 240 wreaths in down-town Tahoka for Christmas decorations. Funds raised from sale of the wreaths will be used in community projects.

Bill Gandy is in charge of the float being decorated for the parade this Saturday, and Jimmy Hawkins heads the committee to throw three turkeys from the court house Saturday following the parade.

The club voted to contribute to the fund for needy families for Christmas and help the Fire Department members and others on the program.

Bert Stevens reported fine cooperation in helping stage the second SOS polio immunization program last Sunday.

Due to the large number of projects being handled at this time by the Jaycees, the proposed turkey shoot has been called off, at least for the present.

Two visitors were present, C. J. Renfro and Clifton Clark.

## TWO NEW HOMES

M. F. Jones is moving two new three bedroom homes to the lots he recently bought from A. J. Kaddatz on South Sweet street, just south of the Highway Department warehouse.

Every day is a safety day.

## Big Parade Saturday Opens Christmas Season In Area

### Goodfellow Fund Is Sought Here

Contributions to the Goodfellow Fund this year may be sent to Box 1154, Tahoka, and since Christmas is only two weeks away, those wishing to send checks or money for the fund are asked to do so at their earliest convenience.

Toys, canned goods or clothing may again be taken to the City Hall. This year the Rainbow Girls will pack the boxes, pick up toys, and do any other necessary jobs as Sarah Wells' charity project. Last year the Scouts repaired broken toys.

Already the Methodist women have dressed nine dolls for the Christmas boxes intended for children who might not otherwise receive a visit from Santa.

As usual, a list of contributors will be printed in the News unless otherwise instructed.

### Former Tahoka Girl Is Killed

Robbie Ann Grizzle, 11, daughter of Mr. and Mrs. Morris Grizzle, Lamesa, formerly of Tahoka, was killed late Tuesday afternoon in an accidental shooting at the family home. Mr. Grizzle formerly worked here with both Peka-Lambro and General telephone companies.

The little girl was shot above the left eye by a .38 calibre pistol in the hands of a playmate who had found the gun on a bed which she thought was a toy. She was taken to a Lamesa hospital for treatment and died while en route to a Lubbock hospital for examination by a specialist.

The parents were visiting in Teague at the time, and Mrs. Grizzle's mother from Hobbs, N. M., was staying with the granddaughter, a Lamesa school student.

Funeral services were at 3:00 p. m. Thursday in Second Baptist Church of Lamesa with Rev. Clifton Igo, pastor, and Rev. Joe Grizzle of Tucson, Ariz., former pastor of Redwine Baptist Church here and uncle of the little girl, officiating.

Survivors include the parents; two sisters, Kathleen, 14, and May Beth, 4; maternal grandparents, Mr. and Mrs. Joe Coursey, Hobbs, N. M.; and paternal grandparents, Mr. and Mrs. C. G. Grizzle of Lubbock.

### New Fire Truck Ordered By City

City of Tahoka is negotiating for a new fire truck to replace the old truck at a cost of approximately \$5,800.00, according to City Secretary J. M. Uzile.

The old truck has just about "seen its day," firemen declare, who say a smaller truck would be more adaptable for use both in town and on rural runs.

The City expects to buy the chassis on which to mount the equipment from a local automobile dealer.

### Wilmer Smith On Cotton Council

Wilmer Smith of New Home has been appointed a delegate to the National Cotton Council, which will hold its 25th annual meeting in El Paso January 28 and 29.

Roy Forkner of Lubbock is chairman of the Texas Unit, and other delegates from this area include Roy B. Davis of Lubbock, H. L. King of Brownfield, and C. H. DeVaney of Coahoma.

Mrs. Bill (Corene) Cathcart was reported to be improved this week at Tahoka Hospital.

MRS. JESSIE JEWEL STEVENS

### Mrs. Stevens Is 'Courteous Clerk'

Mrs. Jessie Jewel Stevens is the "most courteous employee" for November in Tahoka, as determined by ballots of patrons of local stores cast in the Chamber of Commerce series of contests.

She receives a \$10.00 bill for the honor.

Nineteen employees received votes in the contest during November.

These included: Mrs. Ruth Brasher, Lee McFadden, Mrs. Lillie Clara Harper, J. W. Inklebarger, Mrs. Marie Walker, Mrs. Etta Lorene Reid, Mrs. Mildred Polk, Mrs. Ethel Adams, Leonard Dunn, Jackie Applewhite, Miss Floyce, Mrs. Linda Watson, Charles Towne, Ronnie Hart, Jerry Isham, and Sidney Hart.

The contest for December is already underway, and voting is by coupon printing in each week's issue of The News. Store patrons are asked, however, not to "stuff the ballot box" by votes of family members and relatives in order that the contest may be fair to all.

### W. R. Gibson, 87, Rites Wednesday

Warren Russell Gibson, 87, long time resident of O'Donnell, died Tuesday morning in a Lamesa hospital following a long illness. Funeral services were held Wednesday at 2:30 p. m. in the First Methodist Church at O'Donnell.

Rev. David Hamblin, pastor, officiated and burial was in O'Donnell Cemetery.

Mr. Gibson was born in January, 1875 in Perkins, South Carolina. He was married to Mildred Virginia Garner Dec. 9, 1894 and the couple would have celebrated their 68th anniversary this Sunday.

Coming to O'Donnell in 1928, Mr. Gibson was a retired livestock dealer and cafe owner. He operated a cafe in O'Donnell and also one in Tahoka in the late 1920's.

Survivors include his wife; three sons, R. H. Gibson of Tahoka, Harold T. of O'Donnell, and Roy W. of Denver City; four daughters, Mrs. R. M. Middleton, Mrs. H. H. Thomas, Mrs. Morene Freer, and Mrs. Ralph Beach, all of O'Donnell; 14 grandchildren, 16 great grandchildren, and one great great grandchild.

Grandsons were pallbearers.

### Honor Roll For New Home High

Following is the honor roll for New Home High School for the last six weeks, as announced by school officials.

9th grade: Dickie Turner, Randy Unfred, Joe Dalesquez, and Kenneth McClung.

10th grade: Diane Newman.

11th grade: Elton George, David Unfred, Dave Hancock and Jerry Todd.

A parade of Christmas floats and marching bands, a visit from Santa Claus, a sing-song of massed youth choirs, gift certificates dropped from an airplane, free turkeys thrown from atop the court house, are all in store for Tahoka visitors Saturday afternoon, all sponsored by Tahoka Chamber of Commerce, churches and other organizations and the businessmen.

The parade, directed by Don Browning, starts at 2:30 p. m. and will feature "Christmas in Song." Those entering the parade are requested to gather on South Second, west from the court house square at 2:00 p. m., when positions in the line of march will be assigned.

Heading the parade will be the Lubbock Christian College band, and both the Tahoka High and Junior bands will appear. Several other bands have been invited and some of these may be present.

At least a dozen floats have entered and each will feature one of the Christmas songs, including floats from the Methodist, Baptist, Church of Christ, Special School, school classes, Pythian Sisters, Rainbow Girls, Girl Scouts, Brownies, Jaycees, Rotary, and possibly other organizations.

Both prior to the and following the parade, a plane will fly over the down town section dropping sheets of paper. Among these sheets will be hundreds of dollars worth of merchandise gift certificates valued at \$5.00 to \$10.00 each contributed by almost every merchant in town. Visitors are invited to join the scramble to collect these certificates.

Immediately following the parade, there will be a choral presentation on the square by youths from the various church choirs under the direction of James Holars, music director of First Baptist Church. Young people are requested to meet at the City Legion building Saturday morning at 10:30 o'clock to practice these Christmas carols.

Also following the parade, Tahoka Jaycees will give away five turkeys, which will be thrown from atop the court house.

Joe Durham, local distributor for Baldrige Bakery, will furnish a sound truck for the program.

In the meantime, Santa Claus will mix with the crowd giving "goodies" to the little children.

### Tom Moore, 64, Of O'Donnell, Dies

Funeral services for Thomas Harwell Moore, 64, were held in O'Donnell Friday at the First Methodist Church, and burial followed in O'Donnell Cemetery.

Mr. Moore died Thursday in a Lamesa hospital following a long illness. Born in Bell county, he was a veteran of World War I, and had farmed west of O'Donnell since 1924.

Survivors include his wife, Bernice; two daughters, Shirley Ann of the home and Mrs. Jack Eicke, Brownfield; a son, Bob of Oklahoma City; a sister, Mrs. J. C. Carlton of Stamford; and a brother, Jack of New York.

### Seeks Clothing For Needy Children

Some more clothing is needed for local school children, states Mrs. Lillian McCord, school nurse.

She needs some dresses for a 12 year old girl, shirts and jeans and other clothing for two boys 12 and 14 years of age but a little large for their age.

Mrs. W. M. Harris left Thursday for San Angelo where she will visit in the Baptist home there for two weeks. Rev. and Mrs. James Efrid accompanied her.

## Two Bulldogs Named On 5-A All-District Team

Two Tahoka Bulldogs were named on the 1962 All-District 5A defensive football unit by coaches in the district at a meeting held Thursday night of last week in Seagraves. Three boys made the honorable mention defensive and offensive lists.

Jack Woods, defensive end, and Andy Bray, guard, were selected to the first defensive team. Tony Spruiell, linebacker, received honorable mention. On the offensive unit Billy Clinton, end, and Craig Leslie, tackle, were given honorable mention.

The complete selections follow: Offensive: A. Holloway, end, Wink; Charles Burleson, end, O'Donnell; T. Hook, tackle, Wink; Kenneth Smart, tackle, Seagraves;

John Espinoza, guard, Seagraves; Dennis Hickman, guard, Plains; Robert Gilmore, center, Seagraves; Joe Caddell, quarterback, Sundown; Clyde Keltner, back, Seagraves; Howard Phillips, back, Sundown; M. Emmer, back, Wink; Ronny Hendricks, back, Plains.

Defensive: Ends, Jack Wood of Tahoka, J. Spenser of Wink, Monty Sansom of Seagraves. Tackles: Charles Latch of Sundown, Ty Earl Powell of Plains. Guard: Andy Bray of Tahoka. Linebacker: Ernie Anderson of Plains, F. Lane of Wink, Fernando Lopez of O'Donnell, Dee Howard of Sundown. Halfback: J. Langford of Wink, Ronny Fields of Seagraves, Mike Field of Plains.

Center: Larry Williams, Plains.

Defensive, honorable mention: End: Weldon Bessire, O'Donnell; Jimmy Kerby, Plains. Tackles: B. Nobles, Wink; Cleve Garrard, Seagraves. Linebacker: Tony Spruiell, Tahoka; A. Lasoya, Wink.

**Juniors Take Four Victories**

Tahoka took a clean sweep of four junior basketball games when Abernathy teams visited here Monday night.

Eighth grade boys walloped the Antelopes 42-9; eighth grade girls won 9-7; seventh grade boys took a one-sided 29-3 victory; and the seventh grade girls won by an easy 17-7.

With all team members seeing action, and almost all of them scoring, the eighth grade boys had no trouble outrunning the Abernathy team. Half time score stood at 23-6. Mitchell Williams had 12 points, Leslie McCuiston scored six and Mike Chandler five.

Sue Woodall led the eighth grade girls with six points in a close game that saw the score standing at 5-4 at the half way mark. Guards Teresa Mason, Marla Bray and Paige Verner were outstanding on defense.

Leading 19-3 at halftime, the seventh grade team held its opponents scoreless in the second period. Chris Roberts led Tahoka's scoring with 10 points, Cliff Thomas was responsible for eight, and Richard White 4. Again all the team participated in the game.

Seventh grade girls took a 9-4 first half lead with all members playing during the game. Quay-Jene Pool scored nine points and Loretta Webb six. Outstanding on defense were Vicki Jacobs, Beverly Falls and Frances Chapa.

The teams travel to Post next Monday night for games beginning at 5:30 p. m.

Mrs. Maurice Small was released from Methodist Hospital Thursday of last week, where she had been a patient for several weeks.

### Railroad Crossing Here Hazardous Spot

Editor, The News: The most hazardous spot in our town is the location where the railroad track crosses the Post Highway, near the east city limits. The buildings, trucks, and other obstacles make this a blind intersection, so to speak.

We know that not every car traveling this road is going to stop at the railroad. If they did, it's still possible that obstacles might prevent seeing the train if it were approaching.

I, as a citizen, want to plead for citizen support to take action against this hazardous spot. I realize it does not have a name for an accident location, but how accidents are escaped is a mystery to me.

I want to plead support for our own sake, as citizens, as well as for travelers, that action be taken to get a warning light for the location when the train is making its run through this blind intersection. This could be a very important asset to our city's safety.

—A Concerned Citizen.

### "The Way To Heaven"

Editor, The News: I enjoy reading the Printer's Inkings and agree with most things you say, but you had a piece about the men discussing the way to go to heaven and a Colored man saying, "There are three roads to the gin, and when you get there the ginner ain't gonna ask which way you come. He'll just say, 'Did you bring the cotton?'"

This week, I received a bulletin with about the same answer, only this time it was "Grandpa" that gave the answer.

There is just one thing wrong. People are following Grandpa or the Colored man instead of following Jesus Christ. Jesus said, in John 14:6, "I am THE WAY, the truth, and the life: no man cometh unto the Father, but by me."

In Matt. 7:13-14, He said, "Strait is the gate and narrow is the way, which leadeth unto life, and few there be that find it." Solomon said, in Proverbs 14:12 and 16:25, that "There is a A WAY that seemeth right unto a man, but the end thereof are the WAYS of death."

Let us all follow Christ instead of following Grandpa. If we follow Christ we will please God. John 8:29.

In the book of Acts there are

many examples of conversion; after the new law came into effect. Without exception they all did the same thing. They heard the word, they believed, they repented, and were baptised for the remission of sins.

Byron Jones received a slide for recruiting one boy, Ricky Gurley.

Following the awards, a Pine-wood Derby race was run. Each Cub Scout, with assistance from his father, made a small race car. E. B. Gaiter, Cubmaster, made the track for the derby.

In the final race Eddie Howard was the winner and received a Cub Scout ring. Winners of preliminaries, or of each den, received a gold plaque and were Den 1, Ricky Gurley; Den 2, Larry Durham; Den 3, Terry Laws; Den 6, Eddie Howard; Den 7, Billy Birdwell.

Billy Birdwell led the audience in singing "America" to close the meeting.

### Land Bank Cuts Interest Rates

The Federal Land Bank of Houston has announced that effective on January 1, 1963, it will reduce temporarily to 5% the interest rate on all outstanding loans which presently bear a rate in excess of 5%. The contract rate on new loans will continue to be 5 1/2% but interest on loans closed on and after December 1, 1962, will be billed temporarily at 5% until further notice by the bank.

In making the announcement, Hal Weatherford, President of the bank, said that of its \$260 million of loans outstanding more than \$100 million bear contract rates in excess of 5% and that the savings of Texas farmers and ranchers by this action will be more than a half million dollars in the year 1963 alone. Weatherford said this is the fourth time the bank has voluntarily reduced the interest on its outstanding loans.

The Houston bank makes long-term farm and ranch loans through 73 Federal Land Bank Associations located throughout Texas. The one serving this area is the Federal Land Bank Association of Tahoka. Ross Smith is the manager and the other officers and directors are Fred McGinty of Tahoka, President; Avery Moore Jr. of Post, Vice President; L. A. Forsythe of Tahoka; J. D. Campbell of Post; and Vernon Willhoit of Tahoka.

Burney Wren, who was injured recently in an automobile accident, was released from Tahoka Hospital last Friday.

Debbie Follis, daughter of Mr. and Mrs. E. L. Follis, Jr. of New Home, underwent a tonsillectomy in Tahoka Hospital Friday.

## LOWER COSTS ON Farm and Ranch LOANS

The Federal Land Bank of Houston has announced that effective on January 1, 1963, it will reduce temporarily to 5% the interest rate on all outstanding loans which presently bear a rate in excess of 5%. The contract rate on new loans will continue to be 5 1/2% but interest on loans closed on and after December 1, 1962, will be billed at 5% until further notice by the bank.

This action is further evidence of our announced goal to supply your loan funds at the lowest possible cost. Without obligation, come in and let's see if you and your land can qualify for the special benefits provided through one of our loans.

# O'Donnell, New Home Are County Champions

## Slaton Boys, Floydada Girls Overall Tournament Winners

The Slaton Tigers eked out a 67-66 win over O'Donnell in an overtime to take the championship of the annual Tahoka tournament held Thursday, Friday and Saturday and the Floydada Whirlettes won 62-29 over New Home in the girls division, but not before O'Donnell boys and New Home girls won county championships, the Eagles defeating Tahoka, 50-39 and New Home winning over Wilson 36-23.

Tahoka Bulldogs took third place winning over Sundown 50-39, while Slaton won over Wilson girls 50-40 for third place honors. Consolation trophies went to Frenship Tigers, who barely won over a young New Home team, 44-43, and to Tahoka girls, who defeated Frenship 34-27.

The county championship has long been one of the most interesting features of the Tahoka tournament, and the titles have remained in Tahoka until this year when the trophies were snatched by O'Donnell boys and New Home girls, whose teams outplayed all other Lynn county teams to take their rightful honors.

Following the Saturday night games, an all-tournament team was named and Miss Andra Sue Carrell was crowned 1962 Tournament Queen by last year's queen, Rhonda Littlepage. She and other candidates, Jerre Ann Wyatt, Janis Gattis and Nancy Parker presented trophies to the winning teams as well as awards to those named on the mythical teams.

Named on the boys team were Ronny Jones and Leslie Brown, both of Slaton, Charles Burleson and Wendell White, both of O'Donnell, and Craig Leslie of Tahoka. The girls team was composed of Jan Alexander and Pierce of Floydada, Treva Kieth of New Home, Elizabeth Christopher of Wilson, Glenda Bownds of Slaton and Sharon Drager of Tahoka.

**Championship Games**  
In the tournament championship boys game, Slaton took an early 21-14 lead, but the Eagles found their range in the second quarter and got into the ball game, trailing by only one point at halftime. Slaton went ahead again in the third leading 47-43, but a determined O'Donnell squad kept going and outplayed the winners in the final quarter. Slaton was

leading 58-56 with seconds remaining in the ball game when Wendell White tossed in a field goal to tie the game 58-58. In the three minute overtime period the teams exchanged two field goals, Slaton added a basket and two free throws to go ahead four points. A field goal by O'Donnell narrowed the margin to two points, but Slaton got a free throw, giving them a three point lead. A final goal by O'Donnell ended the game in a hair-raising exhibition of good basketball, with the score standing at 67-66.

Leslie Brown made 18 points and Larry Smith 16 for the Tigers, but White's 25 points took honors, with Bob Moore making 13 for O'Donnell.

The girls finals saw a magnificent display of shooting on the part of Floydada's Jan Alexander, who made 37 points, to lead her team in defeating a fighting New Home team 62-29. Taking an early lead, Floydada kept a safe margin throughout the game, 18-9 at the end of the first quarter, 36-18 at halftime, and 45-23 at the end of the third. However, the game left New Home fans with plenty to be proud of, the northern county team never quitting, after winning two previous games in the tournament. Helping Alexander in the scoring department was LaJuana Rimmer with 12. Janie Milliken was high point for the losers with 11.

**Third Place Finals**  
The Tahoka Bulldogs won third place taking Sundown 50-39 in a game that saw the local team leading at the end of every quarter, 13-10, 29-25, and 38-32, and gave spectators a reason to hope for a good team this season. Billy Clinton made 19 points for Tahoka, and many boys, some returning lettermen, and some newcomers to the squad looked very good and promise to develop into a smooth team. For Sundown Bill Patton was high point with 13 points.

Slaton girls took third place over Wilson 50-40 in a battle that was close much of the game. Wilson led 12-7 at the end of the first quarter and trailed only one point, 22-21 at half time. Slaton pulled ahead in the third 35-28 and the Wilson girls were not able to catch up, but also displayed a fighting spirit. Glenda Bownds led Slaton with 26 points, while Janie Thompson made 12. Wilson's

Elizabeth Christopher scored 18 and Saundra Lumsden 12.

New Home went down fighting to Frenship 44-43 in the boys consolation finals, showing prospects of a team that will make a dent in the future with its current group of young boys. Frenship

led 11-9 at the end of the first quarter and pulled way ahead, 28-17 at the half. New Home got back into the game in the third and closed the gap 35-31 at the end of the third, before almost scoring enough to win in the fourth. The team, dominated by freshmen and sophomores, was led by Jerry Brown's 15 points and Elton George's 13. High for the winners was Mike Burgamy with 13.

Tahoka girls came out of the consolation finals victorious defeating Frenship 34-27 in a game that saw the local team leading all the way. Tahoka took an early 10-3 margin, and led 21-12 at halftime and 28-22 at the end of the third. Linda Thomas set the pace for the winners with 14 points and Carolyn Howard scored 11. Frenship's Sue Pace tossed in 12.

**County Championship**  
In the second round of play in the tournament the county championships were decided. O'Donnell winning over the Bulldogs 50-39 and New Home girls defeating Wilson 36-23.

Tahoka led 7-6 at the end of the first quarter of play and the score was tied up 20-20. With Bulldogs fouling out right and left, seven in all, O'Donnell surged ahead 35-29 to maintain a lead to the end of the game. O'Donnell's Charles Burleson poured in 15 and Wendell White 13. Craig Leslie and Billy Clinton made 18 and 11, respectively, for Tahoka.

Wilson took the lead in the early minutes of the girls county championship, the score standing at 7-4 at the end of the first period. New Home came back to overtake the losers 17-11 at the half and kept ahead until the end of the game. Third period score was 27-19. New Home's Treva Kieth scored 14 points while Janie Milliken made 10. Elizabeth Christopher led Wilson with 14 points.

Slaton Tigers gained their birth in the finals defeating Sundown 75-41 in the second round. The score stood at 15-7, 34-17, and 58-26 at the end of the first three periods. Leslie Brown scored 21 points, Larry Burk 15, and Ronny Jones 14 for the winners, while Bill Patton managed 12 for Sundown.

Floydada Whirlettes also brought home a big score, 68-41, over Slaton to get into the finals

with Jan Alexander pouring in 39 points and LaJuana Rimmer 16. Glenda Bownds and Janie Thompson made 18 and 15, respectively. Quarter scores were 15-8, 34-19, and 49-23.

New Home Leopards won over Wilson in the second round, 47-30, to get a chance at consolation title, leading 11-5, 28-10, and 39-21 the first three periods. Elton George led the scoring with 17 and Dave Hancock made 11 for the winners. Don Webb scored 13 for the Mustangs.

Tahoka girls bounced O'Donnell 36-24, leading all the way, 7-2, 18-11 and 27-13 to come into the consolation finals. Carolyn Howard scored 12 points and Linda Thomas 10 to lead the winners, while Sherry White made 11 for O'Donnell.

Frenship outscored the Crosbyton Chiefs 46-23 in the second round, coming from behind to win. Crosbyton led 8-6 and 18-16 during the first half, but Frenship pulled ahead 28-23 at the end of the third. Mike and David Burgamy were responsible for 12 and 10 points, respectively, and C. P.

Roberts of Crosbyton made seven.

Frenship girls barely slipped by Crosbyton 36-29. Leading 11-6 and 18-12 the first two quarters, Crosbyton passed the winners to lead 24-22 at the end of the third before succumbing by one point at the final whistle sounded. Sue Pace made 17 and Charlotte Snowden 11 for the winners. Sylvia Curry and Suzette Gallimore scored 13 and 10 for the losers.

**First Round**  
After a slow start, Tahoka won over New Home 44-32, but the game was neck and neck the first half, the score tied up 9-9 at the end of the first quarter and the Bulldogs leading 22-17 at halftime. They pulled further ahead 34-24 at the end of the third. Tony Spruiell made 13 points and Craig Leslie 11 for the winners while Dave Hancock scored 13 for the Leopards.

O'Donnell way-laid Wilson 61-29 leading at quarters 19-4, 33-11, and 38-20. Wendell White poured in 18 points and Charles Burleson 12 for the Eagles. Don Webb of Wilson made 14.

Slaton Tigers outclassed Fren-

ship 48-31 after playing a close first half. Quarter scores stood at 8-3, 16-14, and 31-20 with Slaton leading all the way. Ronnie Jones led Slaton with 12 while Leslie Brown added 10. Frenship's David Burgamy scored 10.

Sundown Roughnecks knocked over Crosbyton 36-24 after controlling the game most of the time. Sundown's Douglass Ellison made 11 and Lyndal Watson seven for the Chiefs.

The New Home girls squeezed by Tahoka 31-29, although they controlled most of the game with the local team threatening to tie the score as the game ended. New Home led 11-6, 20-16, and 30-22 at the end of the first three quarters. Treva Kieth hit the basket for 16 and Gailyn McMillan 11 for the winners. Carolyn Howard made 14 and Linda Thomas 12 for Tahoka.

Wilson girls downed O'Donnell 46-29 leading the entire game 15-2, 32-13, and 42-23 at quarters. Elizabeth Christopher scored 20 points for Wilson while Donna Jackson made 14 for the losers.

Slaton girls whipped Frenship 56-34. The end of the first quarter saw them tied 7-7, but Slaton pulled ahead 30-17 at halftime and

46-28 at the end of the third. Janie Thompson and Glenda Bownds scored 18 and 17, respectively, for Slaton, but Frenship's Charlotte Snowden took honors with 21 and Martha Tucker added 10 more.

Floydada Whirlettes took the Crosbyton girls 65-35, leading throughout the game. Jan Alexander made 31 points with La Juana Rimmer adding 14 for the winners. Suzette Gallimore made 16 and Freda Parsons 13 for the losers.

Thurman Bartley, son of Mr. and Mrs. Sears Bartley, returned home Tuesday night. He will be here on leave until Christmas. He is stationed at Wichita, Kansas.  
Mr. and Mrs. Tommy Burns of Lubbock visited Friday night with Mr. and Mrs. E. L. Walker.

Mean gremlins get in their dirty work in a newspaper regardless of everything. Last week, there was an innocent little item in the Wilson news about Mr. Pete Hendrix and Mr. Howard Cook going fishing, but some how a little "s" slipped in at the wrong place and made the second name "Mrs. Howard Cook." We're sorry, folks. It won't happen again—we hope. But, we've got our fingers crossed.

## QUESTIONS, PLEASE

WHAT IS THE MAMMON OF UNRIGHTOUSNESS?  
In Luke 16:8-9 the unjust steward had made such a use of his master's goods as to make friends out of his master's debtors. His master commanded him for his sharpness, not for his dishonesty toward his master. But he had sharply used the goods of another for his own profit. The Savior then said to the disciples: "Make to yourselves friends of the mammon of unrighteousness; that, when ye fail, they may receive you into everlasting habitations." By "the mammon of unrighteousness" is here meant money, property of this world. The earth and the fulness thereof belong to the Lord. The idea, therefore, is that we, as Christians, must so use the money or property that comes into our hands as to make God and Christ our friends, so that when we die we may be received into everlasting habitations—into heaven. Christians should remember that they are not their own; that the money or property that comes into their hands is not their own; that they and all that they have belong unto the Lord and must be used to his honor and for the good of his cause. And if they do this, all things else being equal, they will go home to heaven when done with this life.  
You are invited to send your questions to: Don Browning Box 812, Tahoka, Texas. You are also invited to attend the services of the Church of Christ.  
Don Browning may be heard Sunday mornings at 11:00 and evenings at 7:00 at 750 on your radio dial.

## Property Bought For Highway 87

With approximately one-fourth of the right-of-way already purchased in the proposed US 87 north-south four lane divided highway, City officials inform The News they now hope to be able to obtain the property necessary close to the \$200,000 figure originally estimated.  
City of Tahoka pays one-fourth of the right-of-way costs, Lynn county one-fourth, and the State one-half.  
Three-fourths of the property north of US 380, in North Tahoka, has already been purchased, and three parcels have been purchased south of 380 in Original Town.  
Negotiations are now being held up to await receipt of the State's portion on some of this, or about \$11,000, according to J. M. Uzzle, City Secretary.  
Principal remaining parcels north of 380 are the Ross, Burleson, and Fenton properties. South of 380, only the Mexican Mission property and one other lot has been purchased to date.  
The property bought so far, including several residences, has cost a total of \$71,000. Few other residence remain to be bought, but major pieces of property south of Hwy. 380 include Higginbotham-Bartlett Lumber Co. and the M. F. Jones property.  
There are a total of 128 parcels along the route, and 32 have been settled to date. However, in most instances several parcels are owned by one person or firm.

## Local AAUW In New Home Meeting

The newly organized branch of the American Association of University Women was named the Tahoka, Texas Branch at the meeting, Monday, December 3, 1962, at New Home in Mrs. Geraldine Nichol's home.  
Meeting with the Tahoka Branch was the Lamesa Branch of AAUW. Mrs. Sylvan Dalmont introduced the skit, presented by Mrs. Andrew Essary, Mrs. Jack Baker, Mrs. A. H. Smith and Mrs. Lorene Brumley of Lamesa; concerning the women's rights according to the laws of Texas. Mrs. E. A. Doring, also from the Lamesa Branch, reviewed some of the bills to be introduced in the next session of the Texas Legislature, in regard to our public schools.  
The business meeting was used to study the constitution and adopt by-laws for the Tahoka Branch.  
Mrs. Margaret Renfro, Tahoka was elected membership chairman.  
The members present were Mrs. E. L. Blankenship, Mrs. Loyd McCormick Jr., Mrs. Paula Morgan and Mrs. J. L. Green, Wilson; Mrs. Geraldine Nichols, and Mrs. Joe Lewis, New Home and Mrs. Dock Dewbre, Tahoka. The visitors were Mrs. Jack Waldrip, Tahoka and Mrs. J. G. Miller, New Home.  
The next meeting will be Monday, January 7, 1963 at 7:30 p. m. at Tahoka in the school cafeteria.

## Girl Scout News

Girl Scout Troop #01 met Thursday, Nov. 28, at the Scout Hut. There were 20 girls and four leaders present at the meeting.  
Instead of drawing to see who would bring refreshments, we made our own. A week ago we cleaned up the stove and kitchen. For our refreshments we made Rice Krispy candy. We divided up into groups; shoppers, cooks, hostesses and clean-ups. We all had a very nice time. — Paula Payne, reporter.

### Lynn County Soil Conservation District News

E. K. BLAKNEY      ELLIS BARNES  
WARD EAKIN        BOYD BARNES  
MELVIN WUENSCH

Interest in a new development in terrace layout and construction is mounting. Most of this interest is being created in the Martin-Howard Soil Conservation District. Jack Hopper, a dryland farmer in this district has constructed a unique terrace system with the assistance of the Soil Conservation Service technicians. Hopper laid off his rows parallel to the terrace guide lines by using a tractor with a marker. He determined that seven of the 17 terraces laid out could be constructed parallel. All 17 terraces were constructed from the back side by scraping dirt from an area about 60 feet behind each terrace. This resulted in a leveled area behind each terrace with no upper channel.

Several similar systems have been constructed in the Lynn County Soil Conservation District. Four out of eight terraces constructed on Mrs. Euna I. Cook's farm are parallel. These join four parallel terraces on H. F. Ray's farm. Virgil Smith has his 160 acre farm terraced with a parallel system. The above systems differ from Hopper's in that they were built from both sides.

The most important advantage to a parallel system is that it eliminates point rows. It also eliminates many of the disadvantages of terracing sprinkler irrigated land. As in the case of all good things, not all fields are suitable for parallel terraces. Some fields are too rolling and break in many directions and slopes are too variable. In these cases, some farms could

be divided into several fields and parallel systems worked out on fields that are suitable.

Along with the parallel terraces some are giving thought to partially leveling between terrace intervals. Partial leveling would involve more earth moving than in the system discussed above. The Spur Experiment Station has had research projects on terrace and leveling for a number of years. They have found that leveling terrace intervals on land with slopes of 0.5 to 2.0 percent greatly improved moisture distribution.

Crop growth was more uniform and more timely tillage practices were possible as a result of more uniform field drying. Yields of cotton were increased by 24 percent from leveling and the addition of supplemental run off water to the leveled acres increased production another 12 percent.

D. M. Mauldin, work unit conservationist for the Soil Conservation Service, says that farmers planning to terrace should consider the possibility of a parallel system and that technical assistance is available through the local S.C.S. office.

### James Moore On A & M Play Cast

James Moore, son of Mr. and Mrs. Burl Moore of Draw, is one of the student actors appearing in the Aggie Players' production, "The Lady's Not for Burning," this week at Texas A.&M. College. Performances are nightly Monday through Saturday.

Moore is a graduate of O'Donnell High School.

Mr. and Mrs. Winter Knight of Lubbock were in Tahoka Tuesday visiting friends and looking after their farms.

## Highway Wrecks For Past Month

The Highway Patrol investigated seven rural accidents in Lynn county during the month according to Sargeant A. E. Roberts, Patrol Supervisor of this area.

These wrecks accounted for four persons injured and an estimated property damage of \$4,165.00.

The rural accident summary for Lynn county from January through October of 1962 shows a total of 58 crashes. As a result of these crashes there were three persons killed and 35 persons injured. The estimated property damage amounted to \$36,260.00.

We are already started on our holiday season and the cold grim "Traffic Facts." During the last five years there has been a total of 11,902 traffic fatalities in Texas. Of this total 2,354 or 20 percent were killed during the months of November and December. For the year thus far there has been 1,841 traffic fatalities as compared to 1,766 for the same period of 1961, an increase of 75 or 4 percent with deadly November and December yet to come.

These cold grim traffic facts alone are a challenge for every responsible citizen throughout this state to join in an all out effort to stop this needless tragedy this Holiday Season. This can be done by obeying all traffic laws and being a defensive driver; that is, be prepared for the unpredictable actions of the other driver," stated the veteran Patrol Supervisor.

### Pfc. Lowell Bryan Writes of Germany

Pfc. Lowell M. Bryan is stationed near Bad Kissingen, Germany, and writes that he is overwhelmed by his "barracks."

Once a mansion, it contains 335 rooms on four floors plus several rooms in the basement, which were originally used as dungeon cells. Every wall in the house is at least 18 inches thick, the outside walls three feet thick. He says the outside doors are wood, six inches thick, perfectly balanced on hinges and are about the size of six railroad ties laid side by side.

He writes that the weather is very cold with about 18 inches of snow on the ground.

### OLAN BLAIR DIED OF CEREBRAL HEMORRHAGE

Olan Blair of Newmoore died from cerebral hemorrhage and not from a heart attack, as stated by The News last week.

Mr. Blair was a prominent Lynn county farmer, having come here in 1922. He had been at Newmoore since 1930.

### CITATION BY PUBLICATION THE STATE OF TEXAS

TO Gola Mae Puckett, and her unknown husband and all of the unknown heirs of Gola Mae Puckett, and all persons claiming any title or interest in land under deed heretofore given to Gola Mae Puckett of Lubbock County, Texas, as Grantee, and all of the unknown owners or claimants of any interests in the property described below. Defendants in the herein-after styled and numbered cause:

You and each of you are hereby commanded to appear before the District Court of Lynn County, Texas, to be held at the courthouse of said county in the City of Tahoka, Lynn County, Texas, at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance hereof; that is to say, at or before 10 o'clock A. M. of Monday the 31st day of December, 1962, and answer the petition of W. O. Davis, J. O. Freeman, and H. E. Mock, Plaintiffs, in Cause No. 2641, styled W. O. Davis, et al vs. Gola Mae Puckett, et al, in which the following persons are Plaintiffs: W. O. Davis, J. O. Freeman and H. E. Mock; and the following persons are Defendants: Gola Mae Puckett, her unknown husband, her unknown heirs, and all persons claiming any title or interest in land under deed heretofore given to Gola Mae Puckett of Lubbock County, Texas, as Grantee, and any and all unknown owners or claimants of any interests in the following described property, which petition was filed in said Court on the 16th day of November, 1962, and the nature of which said suit is as follows:

A Trespass to Try Title suit in which Plaintiffs, for cause of action would respectfully show the Court the following:

That on or about the 7th day of January, 1959, Plaintiff W. Freeman was lawfully seized and possessed of the following described land and premises situated in Lynn County, Texas, holding and claiming the same in fee simple, to-wit:

All of Lot No. Eight (8) and the South One-half (S/2) of Lot No. Seven (7), in Block No. 105, of the Original Town of Tahoka, Lynn County, Texas, according to the official map or plat thereof, of record in the Deed Records of Lynn County, Texas;

That on or about the 10th day of April, 1962, Plaintiff J. O. Freeman was lawfully sized and possessed of the following described land and premises situated in Lynn County, Texas, holding and claiming the same in fee simple, to-wit:

Fifty (50) feet off of the North side of Lot No. Seven (7), in Block No. 105, of the Original Town of Tahoka, Lynn

County, Texas, according to the official map or plat thereof, of record in the Deed Records of Lynn County, Texas;

That on or about the 10th day of April, 1962, Plaintiff H. E. Mock was the beneficiary under a Deed of Trust, said Deed of Trust constituting a lien on part of Lot No. Eight (8), in Block No. 105, of the Original Town of Tahoka, Lynn County, Texas, and was the holder of a Vendor's Lien on the North One-half (N/2) of Lot No. Seven (7), in Block No. 105, of the Original Town of Tahoka, Lynn County, Texas;

being the same land described in a deed from J. W. Letsinger to Gola Mae Puckett dated July 14, 1931, and recorded in Vol. 50 at Page 259, of the Deed Records of Lynn County, Texas, and also the same property described in a deed from Sam H. Floyd, Sheriff, to J. D. Adams dated January 31, 1947, and recorded in Vol. 91 at Page 607-608, of the Deed Records of Lynn County, Texas.

That the Defendants unlawfully entered upon said premises and ejected Plaintiffs therefrom and unlawfully withheld from them the possession thereof. Plaintiffs also say that they have specially pleaded, and intend to rely on, the five and ten year Statutes of Limitation. Plaintiffs pray for judgment of title and possession of said land in accord with their respective interest and other and further relief to which they are entitled as is more fully shown by Plaintiffs' Petition on file in this suit.

If this citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Witness W. S. Taylor, Clerk of the District Court of Lynn County, Texas.

GIVEN UNDER MY HAND

AND SEAL OF OFFICE, at office in the City of Tahoka, this 17th day of November, 1962.

"I wanted to try it... and I'm sure glad I did!"

says MR. SID BAKER, PORTALES, NEW MEXICO in enthusiastically pointing out why he installed electric ceiling cable for his heating system.

The Bakers were completely comfortable and warm during last winter's coldest spells — many nights far below zero... thanks to their efficient electric heating system. These days a typical scene in the Baker home is Mrs. Baker preparing dinner while dad gives Lyndell the benefit of his accounting knowledge. Lyndell, a new student at Eastern New Mexico University, plans to major in accounting. Mr. Baker, head bookkeeper at the Roosevelt

County Rural Electric Cooperative is well qualified to assist. Lyndell not only enjoys the complete comfort of ceiling cable electric heating at home but keeps warm and comfortable while attending her accounting classes in the new Liberal Arts building on the E.N.M.U. campus, electrically heated and cooled by an electric heat pump system.

Lyndell, a May Queen attendant while at Portales High School, and last year's basketball queen, learns from mother, too. Here she watches as Mrs. Baker shows her a stitch on the electric sewing machine. Mrs. Baker is adept at creating dresses for Lyndell and sport shirts for Mr. Baker — he is, in fact, wearing one in these pictures.

Your Public Service Manager has complete details about modern electric heating.

(Delayed)

(Mrs. Earl Morris)  
After being absent for quite awhile nursing a broken arm, the Rev. B. B. Byers preached for his congregation at the Methodist church Sunday.

Mrs. Jerry Pirtle is here from Ft. Worth visiting her parents, Rev. and Mrs. Eddy Fortson.

Miss Ora Minning of Slaton, Mrs. Fred Minning and her daughter, Mrs. Benny Storms and two children, Alta and Steve from California visited Mrs. J. F. Rackler Sunday. They were on their way to Altus, Okla., to attend funeral services for Mrs. Bullard, mother of Mrs. Minning. We extend our sympathy to Mrs. Minning and family. They lived in this community a number of years.

Mrs. Robert Nelson, the former Marie Echert, was honored with a bridal shower in Fellowship Hall of the Methodist church Tuesday afternoon, Nov. 13. Punch and cookies were served. Approximately 30 guests registered. The hostesses, alternated with hostilities. Hostesses for the shower were Mrs. Jay Oats, Sam Ellis, Clyde Haire, Weldon Callaway, Herbert Dunn, Dillard Dunn, Winston Lester, Ronnie Dunn, and Miss Louise Davidson. Their gift to Mrs. Nelson was an electric blanket.

Mr. and Mrs. Martin Edwards were Sunday dinner guests of a son and daughter-in-law, Dale and Ann Edmunds in Lubbock.

Miss Sue Oats, who is a student in McMurry in Abilene, spent the week end with her parents, Mr. and Mrs. Jay Oats and Connie.

Sammy Ellis, student in West Texas State, Canyon, spent the week end with his parents, Mr. and Mrs. Sam Ellis.

Thanksgiving guests of Mr. and Mrs. R. L. Hagler and Velma were Mr. and Mrs. A. E. Gilliam and Janey, Miss Diana Coats of Ozona; Mr. and Mrs. Robert Lee Hagler; Don and Wanda Clary and Donnie; John and Jean Gilliam.

Among our sick people this week have been Mr. and Mrs. E. C. Hogan, Sr. Mr. Hogan is our Gordon gin manager.

Sunday afternoon guests of Mrs. Susie Bradshaw were Mrs. Earl Lancaster and Mrs. Jack Hargrove of Southland.

Mrs. Jack Myers and her granddaughter, Nedra Sue, spent Thanksgiving in Abilene with her two sisters, Mrs. Clifford Leddy and Mrs. Florene Haley.

Mrs. J. F. Rackler's Thanksgiving guests were her granddaughter, Mrs. Claud Roper, Jr. and Renee, Tommy Stell of Wilson, Sherry Smith of Slaton, Mr. and Mrs. Claud Roper, Sr., J. B. and Ruby Rackler, J. B. Jr. and Beverly.

Thanksgiving guests of the Earl Morrises through the week have been four of their children: Chief Warrant Officer Earl Morris and Ruth, their daughter, Myrica Sue (who was born in Germany). Earl has been sent to San Antonio, where the family will live after Dec. 1. Others were Rev. and Mrs. J. L. Gary. Rev. Gary is pastor of the Greentree Baptist Church in Ruidoso, N. M.; Mr. and Mrs. Maurice Morris, and Jimmy, who came up from Houston; two grandsons, Jerry and Alvin Gary also visited. The boys are in school in Wayland and brought along a fellow student, Jerry Rogers of Woodbridge, Va. Being of an inquisitive mind we asked Jerry why he picked Wayland for his first year in college. Here is his story: "My parents are Baptist missionaries in Africa, so I was left to choose my school. I had a number of pamphlets from different schools and I spread these on the table, waved my pencil around and landed on one from Plainview, Texas. I packed my bag and here I am." This is his first time to ever come to Texas.

Mr. and Mrs. William Lester spent Thanksgiving with their daughter and family, I. J. and Maurine Duff and their children of Levelland.

The Andy Shelton children met for Thanksgiving in the home of a sister, Mr. and Mrs. George Baker, Lois and Royce. Guests were Mr. and Mrs. James Shelton and children; Mr. and Mrs. Glen Shelton; Mr. and Mrs. N. R. King, Wendell and Larry, all of Post; Mr. and Mrs. Johnny Myers, Jan and Glen of Lubbock; A. J. Shelton of Slaton; and Miss Dolly Shelton of Ruidoso.

Mrs. Horace Seals went down to Abilene and spent Thanksgiving with her son, Loren Seals and family.

Mr. and Mrs. Paul D. Sledge of Big Spring visited with Mr. and Mrs. M. A. Dunn and Patsy Saturday.

Mrs. Luther Faulkner, Debbie Mare and David came down from Ulysses, Kans., to spend Thanks-

**Tahoka Methodists Visit O'Donnell**

Between 150 and 175 members of the First Methodist Church attended services and a dinner as guests of the First Methodist Church in O'Donnell Sunday night. O'Donnell was host to the local group after the two churches completed an attendance contest at Sunday evening services, carried on for several weeks. The Tahoka church barely nosed out the O'Donnell congregation, but the pastors state that actually, both churches were winners in building up attendance.

giving holidays with their parents and grandparents, Mr. and Mrs. E. C. Hogan.

Mr. and Mrs. Dub Haire and Johnny and Jackie Dunn spent Thanksgiving in Austin visiting Mrs. Haire's kinfolks.

E. L. Dunn spent his basic training at Lackland Air Force Base and then after spending a 10-day leave here with his parents, Mr. and Herbert Dunn, left by plane Sunday for Travis AFB near San Francisco, Calif. Thanksgiving guests in the Dunn home were Mrs. Dunn's mother and aunt, Mrs. Ed Day and Mrs. E. R. Wright of Muleshoe.

Bill Dabbs, 63, passed away in an Amarillo hospital Friday, Nov. 23. Mr. Dabbs came with his family to this part of the country in 1917. He was married here to Miss Onie Boyd. They have two children, and four grand-children. The family moved to Amarillo a number of years ago. One sister, Mrs. H. D. (Maggie) Hallman; two brothers, Charlie and Herman Dabbs live in this community. We extend our sympathy to these families.

Last week's guests in the home of Mr. and Mrs. Ed Milliken were Rev. Scott, Baptist minister from Wilson; Mr. and Mrs. Bryan Shaw and Mrs. Don Hatchett from Lubbock; Monroe and Miss Dilly Shelton from Ruidoso, N. M.; Mr. and Mrs. Clyde Shaw, Mrs. Sam Martin and Mrs. Herman Dabbs.

Mr. and Mrs. Robert Mock, Barbara and David spent the Thanksgiving week end with relatives at Granite Shoals.

Mr. and Mrs. George Baker, Loyce and Royce attended a Bakter family reunion in Lubbock Sunday.

Mr. and Mrs. Stanley Smith and Deborah were Thanksgiving guests of her parents, the Jesse Wards. A granddaughter, Regina Cook of Levelland also spent the week end with the Wards.

**Mrs. D. W. Smith Writes Of Hawaii**

M/Sgt. and Mrs. D. W. Smith and daughters are in Waikiki Beach in Hawaii, after arriving there Oct. 18. They visited here early in October with her mother, Mrs. Dora Solsberry and other relatives.

Mrs. Smith is the former Sarah Murrah.

She writes her mother that Hawaii is as beautiful as the advertisements report and they have been living at the Aina Luana Apartment Hotel while house hunting. M/Sgt. Smith has been transferred to Hawaii from San Antonio.

After leaving Tahoka, the family drove to California and arrived in Sacramento at the time when Hurricane Freida hit. They saw much water damage in the Oakland area and drove through a freeway when the San Francisco Bay was up across the highway, making only one-lane traffic possible.

In Hawaii, they have visited the Hawaiian Village where "Hawaiian Eye" television program is filmed, and have also seen a famed "Lauau" (feast) in the making, including the roasting of two 400 pound pigs.

Mrs. Smith, who lived in Hawaii in 1955 and 1956 while her husband was stationed in Japan, invites everyone to visit the island.

**ALTON HANES DIES IN WICHITA FALLS**

Alton Hanes, about 56, died Friday in Wichita Falls and was buried there on Saturday.

Hanes was known to several Tahoka people as a result of visits here while his brother, W. T. Hanes, now of Irving, was superintendent of schools. Also, his son, Kenneth, lived for a couple of years with the W. T. Hanes here and graduated from Tahoka High School in about 1942.

He is survived by his wife, a daughter, and the son.

## Tahoka, Sands Divide Games

Tahoka Bulldogs came from behind to tear up Sands' play house Tuesday night and win 44-29 at Ackerly, and the girls lost a heartbreaker 40-36 after being tied up at the end of the third quarter. Tahoka's "B" girls sneaked by with a 21-19 victory in an overtime.

Tonight at 7:00 o'clock the Post Antelope varsity girls and boys will invade Tahoka gymnasium, and on Tuesday night the varsity teams and "B" boys go to Slaton. As the News went to press the freshmen boys and "B" girls were playing at Abernathy and will play here next Thursday night at 6:00 p. m.

The Bulldogs took a 10-8 first quarter lead at Sands, but fell behind in the second period to trail 18-15. They got back into the game in the third and went out in front 29-26 before running away from Sands in the final period.

Craig Leslie and Billy Clinton each made 12 points and Allen

Cox tossed in 10 for Tahoka. Leading the scoring for Sands was Smith with 13.

Marsha Scoggin's girls were behind 11-8 at the end of the first period and 22-19 at halftime, but six free throws and three field goals put them into a 30-30 tie at the end of the third. Sands sunk a like number of shots in the fourth period to win the game.

Carolyn Howard took scoring honors with 19 points, 12 of which were gained at the free throw line, and Linda Thomas made 12 points. High point for the winners was Zeldia Bodine with 19.

The "B" girls teams were tied 17-17 at the end of the regular game, but Tahoka made four points while Sands was making two to win the game in the overtime. Tahoka led 5-2 at the end of the first, trailed 9-8 at halftime and 12-8 at the end of the third before finding their range in the final stanza to tie up the game. Ann Wright made nine points, Mary Ellen Wyatt six and Dixie Ashcraft five. Oelis Barazza made 11 for the losers.

## Area Pioneer Died Recently

R. E. King, 90, of Plainview died Friday, November 23. Funeral services were held on Saturday in Southland Baptist Church with the pastor, Rev. Eddy Fortson, officiating. Burial was in the Southland Cemetery.

Survivors include five sons, Roy, Leslie, Lowell, J. R. and J. W.; one sister, one brother, 13 grandchildren and 19 great-grandchildren.

Mr. and Mrs. King, the former Emma Bonnie, were married in 1898, moved to Garza county in 1901, settling on a ranch east of the present town of Southland. After the town of Post was founded they lived there for several years. They moved to Southland in 1915.

The King family were charter members of the Southland Baptist Church and were active in this church. They moved to Plainview in 1942. Mr. King was also a Mason.

## Type III Vaccine Date Changed

Type III Sabin oral vaccine, the third dose, will be given Lynn county people on Sunday, January 27, and not on Jan. 13 as previously announced and as printed on the little yellow slip given those taking Type II last Sunday.

The change in dates was announced Wednesday of this week as a result of finding by medical authorities that the Type III vaccine is more effective when taken eight weeks following Type II.

Dr. Emil Prohl, who announced the change in dates, said, "We want our people to get the maximum benefit from the three doses. Although the change in dates may cause some added confusion, we believe we should allow this eight-week interval, as recommended by national authorities this week, in order to get this maximum benefit."

By taking all three doses the program polio should be virtually eliminated among the people of Lynn county.

## Cotton Vote . . .

(Cont'd. from Page 1)

cast ballots are all those engaged in the production of upland cotton in 1962. This includes those farmers whose 1962 cotton history acreage is protected by participation in the Soil Bank, released acreage or preservation. If the husband is eligible to vote, the wife is eligible. Approval by at least two-thirds of the growers voting is necessary if quotas are to go into effect.

Issues to be decided in the December 11 referendum are (1) quotas or no quotas, and (2) the level of price support to be available for the 1963 upland cotton crop.

If the vote is favorable, quotas will be in effect for the crop with penalties on any "excess" cotton produced on the farm, and price support to growers who comply with their farm allotments will be available at a level of from 65 to 90 percent of parity.

If the vote is not favorable, there will be no quotas or penalties applicable to the 1963 upland cotton crop, and price support to cooperators will be at 50 percent of parity, as directed by law.

Department of Agriculture officials have pointed out that, while the Administration plans to recommend new cotton legislation early in 1963, it is anticipated that such legislation would supplement rather than substantially change the basic program choices in the December 11 referendum.

## Congratulations-

Mr. and Mrs. Jack McPhaul of Lamesa on the birth of a daughter Friday, Nov. 29, at 7:45 p. m. in Medical Arts Hospital. Named Heather Elizabeth, she weighed six pounds, 11 ounces, and is the couple's first child. The mother is the former Marilyn Carmack. Grandparents are Mr. and Mrs. C. O. Carmack of Tahoka and Mr. and Mrs. J. D. McPhaul of Lubbock.

Mr. and Mrs. E. L. Manning on the birth of a son in Tahoka Hospital at 10:13 p. m. Tuesday in Tahoka Hospital. He weighed six pounds, 14 ounces and has one brother and two sisters. The baby had not been named Wednesday morning.

Mr. and Mrs. Leonard Trulock of Slaton on the birth of a son at 1:29 a. m. Wednesday in Tahoka Hospital. Named Walter Dale, he weighed seven pounds and one ounce. The couple have one other son.

D. C. Carroll, who recently moved to Grand Prairie, is here and is running his mail route. Mrs. Carroll will join him later.

**Carbon Monoxide Is Deadly Poison**

Carbon Monoxide, the killer gas, each winter brings its toll of death. This gas is loosed wherever fuel is used to power cars, heat the home, edge of weather, or to cook meals. Last year it took the lives of 42 Texans.

Carbon Monoxide does its damage with lightning speed. An automobile running for a mere five minutes in a closed garage 20x30x10 will release enough carbon monoxide to cause serious physical effects.

Unvented space heaters in homes are particularly hazardous. They work well when the room is properly ventilated, but should the oxygen supply be depleted, the carbon monoxide concentration will build up to lethal quantity.

Ventilation is the natural enemy of carbon monoxide. Thinking health minded Texans will keep this in mind during the coming winter season.

Mr. and Mrs. Bob Freeman of Long Beach, Calif., expect to fly in on Dec. 21 to spend a few days with her mother, Mrs. Elvora Curry, and his parents in Lubbock. They will return home on Christmas Day. Mrs. Freeman, the former Margie Curry, teaches in junior high school in Long Beach, and Bob is a mechanical engineer with the B-J Co. there.

## City Sets Aside Fund For Water

Purchase of another \$5,000 in U. S. Savings Bonds, bringing the total to \$10,000, was authorized Monday night by the Tahoka City Council. Funds for the purchase come from the Water Fund.

These funds are being set aside so that a bond issue will not be necessary when City of Tahoka ties into the aqueduct of the Canadian River Water Authority, of which Tahoka is a member.

Mayor Meldon Leslie says, according to present plans, the tie-in will be in northwest Tahoka in the vicinity of North 8th and Ave. P, and when this is done two small reservoirs and a connecting pipeline will be required.

## Wilson Tournament This Week End

Wilson basketball tournament began Thursday and will continue through Saturday with eight teams in each division, boys and girls. These include Plains, Ropes, Sudan, Anton, Wilson, Petersburg, Cooper and Wellman.

## Life Under Grace

If you have no church affiliation and are interested in studying God's word, we invite you to join us in our new Bible course entitled "Life Under Grace." The class will meet each Sunday at 7:00 p. m. here in Tahoka at the WOW Hall.

It's being sponsored by St. Paul Lutheran Church of Wilson, who also invites you to listen to the "Lutheran Hour" at 12:30 each Sunday on KCBD-1590 and to "Day by Day with Jesus" Monday through Friday at 1:05 on KCAS-1050.

## Dick Reynolds received burns

on his right hand and left foot Thursday of last week when he was burning weeds in a field with a sprayer. Some of the chemical that had gotten on his shoe ignited. In attempting to put the fire out, his hand was also burned. He was admitted to Tahoka Hospital for treatment and was released Saturday.

Winston Redwine of San Francisco, Calif., will fly in on Dec. 11 to spend Christmas with his mother, Mrs. F. E. Redwine, and other relatives.

## Slow Moving Vehicles Are Traffic Hazard In Area During Fall

Using the farm tractor for an all-purpose runabout is a dangerous practice. Do not use a tractor for trips not directly related to field work, states the Texas Department of Public Safety.

Slow moving vehicles are one of the major problems of rural highway travel. Many of them are inadequately lighted or lack proper identification with which to warn motorists.

It is up to the operators of slow

moving farm vehicles to practice courtesy whenever they can. When it is possible the farm operator should pull his equipment onto the shoulder and allow faster moving traffic to pass. Although the farm operator has a privilege to move his farm vehicles and equipment upon the roadway he should be willing to pull off the roadway for his own protection. This may prevent himself, his farm vehicles and farm equipment from being involved in an accident.

It has been observed that many farm tractors, vehicles, and motorized equipment while upon the roadway are so designed or pulling other vehicles and equipment that the operator is unable to ascertain the approach of traffic from the rear. Under such conditions these vehicles and equipment should have a rear view mirror like on a truck and bus enabling the operator to see the approach of traffic from the rear. However, in many instances where there were no such obstructions in rear of the operator it has been observed the operator has been negligent in failing to turn his head around to check for the approach of traffic from the rear. This type of operator becomes a "road hog," creating traffic congestion, and endangering the lives of others as well as himself. Farm vehicles should be operated only by mature, responsible persons upon the highways.

Utilization of a farm tractor as an all-purpose runabout is a dangerous practice that can sharply increase the chance of a serious accident. The farm tractor is not built or equipped for all-purpose travel.

The increasing tendency of farmers to jump on the tractor for short trips not directly related

## Visitor From Norway Is Speaker At Rotary On Ambassador Program

Thor Thomassen, 22, from Norway, member of the Ambassador Scholarship program of The Experiment in International Living, was the speaker at Tahoka Rotary Club Thursday noon.

Tahoka was selected as one of three clubs in Texas for such a talk by a foreign student, the other two being Amarillo and Houston, because of its outstanding work with foreign students, having sponsored visits of such students to this country for eight years.

Thomassen proved to be a delightful speaker with a fine command of the English language and a delightful sense of humor. He is an English major in the University of Oslo, was selected for good will talks in the U. S., and has already traveled 30,000 miles in the country in visiting 26 states.

He declared the Tahoka club was the friendliest Rotary club he had visited in the U. S.

His talk dealt principally with the work of The Experiment, founded in 1932 by Donald B. Watt as an independent, non-profit organization with headquarters in Putney, Vermont, to promote better international understanding principally through exchange of students among nations of the world. The Experiment maintains offices in 47 countries, and since its founding 90,000 persons have participated in visits to lands other than their own for study, during which time they have lived in the homes of natives in all walks of life.

Recently, The Experiment has had a big hand in training of Peace Corps groups in this country.

During a question and answer period, Thor said Europeans form

to field work must be discouraged. In many areas of our state, the use of farm tractors as utility vehicles is becoming an increasing problem in highway safety.

Besides offering little protection for the driver, the farm tractor has poor brakes, instability and low speed. Tractor operators should allow extra time when crossing travelled roads and not try to beat approaching cross traffic. If he has attached farm trailers, or equipment it will take him even longer to clear the crossing.

Intelligent use of road requires understanding, courtesy and judgment. Caution, forethought and consideration are the basic ingredients for all prescriptions for rural highway safety. A typically rural American characteristic — neighborliness — can help to increase safety on public roads.

much of their impression, which he said he had found to be entirely false, from American movies. Eighty percent of the movies shown in Norway are made in the U. S., and he said he thought 79 percent of them were bad. Another bad impression we give Europeans is by way of our tourists, where the exception is the one given the bad picture. Europeans hardly notice the average American tourist, but the show-off who throws his money around causes resentment of the U. S. The picture left is that Americans are materialistic, rich, and powerful, which the European resents because he can not have the luxuries these tourists seem to have.

Nevertheless Norwegians look to the U. S. as something in which they can place their trust.

He said Norwegians are democratic by nature, although their government is a socialist-democracy. The Nazi party could never find a place in Norway. Nor, will his country ever accept Communism. Norway manages to get along well with Soviet Russia, however, and the Norwegians seem to have less fear of Soviet power than the U. S.

Harold Green, chairman of the foreign-student program of the local club, introduced the speaker.

Several local Rotarians fitted Thor out in a complete Western costume of shirt, trousers, belt, tie, and boots to go with a Western hat he had bought in Amarillo.

President Calloway Huffaker announced the club was sixth in the district in attendance in October. A number of guests were present, including the directors of Tahoka Jaycees, Jesse Dorman, Willis McNeil, Bine White, H. L. Short, Wayne Huffaker, Ike Carter, and Bert Stevens, who were introduced by E. L. Short, president of the Chamber of Commerce.

Don Browning told of the forthcoming Christmas parade, Dr. Skiles Thomas of the Type II polo program Sunday, and Craig Leslie of the basketball tournament.

Student guests, Craig Leslie and Tony Spruiell, were introduced by Mack Mauldin and Urban Brown, respectively.

## Don Hammonds In LCC Social Club

Donald Gene Hammonds, son of Mr. and Mrs. Cecil Hammonds of Tahoka, was recently initiated into Sigma Kappa Chi, a men's social club at Lubbock Christian College, Lubbock.

Organized in 1958, when the junior college was in its second year of operation, the club participates in inter-campus sports events, competes for the highest cumulative grade average of the 11 social clubs at LCC, and holds special events such as banquets and picnics.

Hammonds, a May graduate of Tahoka High School, is a freshman at LCC.

## New Paving For O'Donnell Loop

The Texas Highway Commission has announced an offer to help the City of O'Donnell in widening two sections of Loop 76 within the city limits.

Limits of the project extend from the P. & S. F. to 200 feet west of Doak Street and from Seventh to First Street, a total distance of about 0.8 mile.

Under the Commission proposal, O'Donnell will provide for construction of continuous curb and gutter, utility adjustments and storm sewers. The Texas Highway Department will provide for widening the pavement at an estimated cost of \$26,000. The Department also will maintain the new facility.

A. W. Partain of Lamesa, senior resident engineer, will supervise the work.

## MEADOW TURKEY SHOOT IS THIS SATURDAY

Meadow High junior class is sponsoring a turkey shoot Saturday, Dec. 8, a half mile south of town. Prizes are turkeys, hams, and steaks. Trophies will be presented individual marksmen, and a 12 gauge automatic shotgun will also be given away.

PICK YOUR KIND OF CAR

AT YOUR CHEVROLET DEALER'S ONE-STOP SHOPPING CENTER

If you'd like to see how your car dollar can be tailored to your needs, your Chevrolet dealer has four entirely different kinds of cars that do it handily. Jet-smooth '63 Chevrolet: It's a luxury car that invites comparison with the high-priced cars, '63 Chevy II: Really much too snappy looking and spirited to be called a thrift car. But sparing is what it is in price and up-

keep. '63 Corvair: The rear-engine wonder for people who like their sport with the family along. Then there's our all-out sports car—the new Corvette Sting Ray: It's completely restyled and re-engineered, and now available in convertible or sport coupe. Whatever your new car fancy, you'll find the answer at your Chevrolet dealer's.

**Printer's Ink-Lings**  
The man who reaches the top is the one who is not content with doing just what is required of him. All work and no play makes Jack a dull boy, it is said. And I say, all play and no work makes Jack a duller boy.

Here it is Christmas time again. While doing your shopping, please give the Lynn county merchants, your friends and neighbors, a chance to furnish you the gifts you need.

The Jaycees are due a pat on the back for their efforts in decorating the town. They have worked nights making the wreaths used to decorate the streets, and the home-made decorations are beautiful. Also, a big hand should be given E. L. Short and the Chamber of Commerce for promoting the Christmas parade and programs, Don Browning, Church of Christ minister, who is the workhorse in putting them over, and the many organizations and individuals who are cooperating.

The annual basketball tournament held here last week is just about the best good-will activity the town has ever had, as people from the four corners of the county meet, visit in the lobby of our beautiful gymnasium, and enjoy the games. Fully 3,000 people are brought into Tahoka for the tournament, but we were really embarrassed this year because so few of our business men were in attendance, not to enjoy the games, but to meet and greet these people with whom they hope to do business. We think a lot of our business men are missing a good bet here.

Just as an example, C. R. Burleson of Newmoore, a ginnee, made the statement that he wouldn't miss this meeting for anything—just to see so many old friends he hardly ever sees or visits with elsewhere. Similar statements were made to The Printer by Hal Singleton and Ben Moore of O'Donnell, Mrs. E. R. Blakney, Dick Turner, L. C. Unfred, and Mary Ellen James, all of New Home, and Clarence Church and Elmer Blankenship of Wilson.

We get really weary year after year hearing and worrying about "the farm problem," and we suspect that as long as the politicians play with the "problem" we will continue to be perplexed. The whole thing started back in the early 1930s, as the result of the depression. Our government came to the rescue of the farmer and saved many from financial disaster. But, that was the beginning of big farming, and hundreds of little farmers were forced out of business—either because they couldn't operate a small unit to advantage, or because government subsidies caused the government with vision to buy the smaller places and keep going on the subsidy payments. It was also the start of political meddling, and farming became a political football that is still being kicked around.

Wouldn't it be nice if the politicians with their own axes to grind would let the cotton producers, handlers and processors get together and map out a program that would work? Some say this couldn't be done. Who knows, until we've tried? Anyway, we'll betcha some of the plans these groups have recommended would be a lot better for cotton than some far-fetched plans conceived by a Dr. Cochrane or a Mr. Freeman, who wouldn't know a boll of cotton from a cockle-burr. One thing we do know, our own Wilmer Smith, if these fellows would really listen to his ideas, could develop a program for cotton that would be more sensible than any tried yet.

Cotton is in real trouble, all the authorities in the cotton industry tell us. At the present rate of loss in foreign markets and to synthetics, we are told by manufacturers of cotton products, within 10 years we will need only half the acreage we planted in 1962 to produce all the cotton that can be sold at "spiked" prices.

The U. S. has gotten things all skewed up. Our labor government is trying to make labor the basis of all economy. When The Printer was in college, he got exposed to a course in economics. Our teacher often told us all economics

from the beginning of time had been based on what we take from the soil—and the law of supply and demand—and that such would be the case for all time to come. His favorite example was of how the Egyptians in pre-Biblical days had tried a planned economy—and it didn't work—that is, for the populace. Soon the workers were all slaves doing what the Pharaohs told them to do, and soon these dictators had these subjects in non-productive jobs such as building pyramids.

In our U. S. planned economy today, the all-wise government is trying to make labor the basis for economy—high wages, short hours, planned production, and put the surplus labor in unproductive government jobs or retired on guaranteed income. While this is going on, other nations refuse to buy our products of the soil and manufacturing plants. In addition, they are flooding our markets with manufacturing goods made from cheap labor. But, we, as farmers and as a government refuse to face these facts. Our principal interest is in getting a high price THIS YEAR for our products.

We have an apology to make to President Kennedy. Little daughter Caroline is attending an "integrated" school. It seems there is a kindergarten in the White House operated for her benefit and there are about 20 students. Right recently, a little Negro girl was admitted to the school—probably for the looks of things, though. Little brother Bobby, however, still lives on a big estate over in Virginia in a segregated district and sends his children to a private school. The White House is in a Negro district, where there are public kindergartens—but not for Caroline. But, all you yokels must integrate, whether you or the Negroes want it or not.

Dr. J. A. Hill said: A high I. Q. is no substitute for hard work or

good character. . . . The man who reaches the top is the one who is not content with doing just what is required of him. All work and no play makes Jack a dull boy, it is said. And I say, all play and no work makes Jack a duller boy.

Alton Hanes, a used car dealer down at Wichita Falls and brother of ex-Supt. W. T. Hanes of Tahoka, who died last Friday, was a most unusual character and carried on an unusual advertising campaign in the Wichita Falls newspaper that really got results: Nobody knew what he would come up with next. One ad. ran something like this: "How can I sell these cars so cheap? I have a brother who is superintendent of schools at Tahoka and he steals them in the dark of the moon." Sometimes, he brought up more personal subjects, some of which caused his wife to break out in tears at the thought of what acquaintances might think. One of these was something like this: "I'm in the dog house. My wife has locked me out. I must sell these cars today to pay my board bill at the Kemp Hotel." One thing about it, he had the people buying the paper to see what he would say next. And he sold cars.
