## SWPSC Plans \$1 Million Building Program Here

One of the major transmission line projects in the 1963 improvement budget announced by Southwestern Public Service Company will be of direct benefit to the Tahoka area.

Construction will begin in the very near future on the 115,000 volt transmission line from Lubbock to Tahoka. In addition the construction of the 40,000 kilowatt interchange substation, at the present location of the Lynn County Interchange Station, about two miles north of town, will make it possible to bring more than twice as much power into the area as is now being used.

Harold Roberts, Tahoka manager for the Southwestern Public Service Company, said "The new transmission line and addition to the interchange substation will give the Tahoka area the electric power to grow on for many years to come."

The Tahoka-Lubbock transmission line and the Interchange Station at Tahoka represent an investment by Southwestern Public Service Company of more than \$700,000. Some additional construction to be done in the Lubbock area, but of benefit to Tahoka and the Lynn County region, bring the total investment in the project to more than \$1,000,000.

## Lindly Thomas Dies On Monday

Lindly Dale Thomas, 22, son of Mr. and Mrs. Clyde Thomas of Tahoka, died Monday in Letterman General Hospital in San Francisco, Calif., where he had been under treatment several weeks for cancer.

The body is scheduled to arrive here Saturday, and funeral services Saturday morning, and funeral rites are pending.

He has been in the Army 10 years, recently stationed at Fort Ord, Calif., and living in nearby Seaside. After becoming ill, he went to a hospital on October 9 and was found to have stomach cancer, which soon spread to his lungs.

Mr. and Mrs. Clyde Thomas and daughter, Wanda Louise of Atlanta, Georgia, and the latter's two children, Pat and Mike Sartin, who have been living with their grandparents, went out to spend Christmas with Lindly and family. Lindly was released from the hospital three days to spend Christmas with them and his family. The Clyde Thomas family had returned home on Saturday of last week and received the death message on Monday, whereon they returned to California.

## Special Services At First Baptist

Beginning the new year's special activities at the First Baptist Church will be January Bible Study Week. The four nights of concentrated study will start Monday, January 7, at 7:00 p. m.

The Bible Study Week is sponsored each winter by the Southern Baptist Convention and is observed by churches throughout the United States.

The adults and young people will study the Gospel of Matthew under the direction of the pastor, T. James Efrid. In addition, classes will be conducted for all other age groups.

The first legislative body in America assembled at Jamestown, Va., in 1619.

## Woman Dies Of Shooting Wound

Investigation was still underway here this week by county officials of the fatal shooting of a 19 year old Latin American woman at a farm about six miles south of Tahoka.

Mrs. Dominga Banda Jasso was dead on arrival at Medical Arts Hospital in Lamesa Friday morning. She had received a gunshot wound in the heart from a .22 calibre pistol which was found at the scene.

Sheriff Norvel Redwine was not notified of the shooting until Friday afternoon when the investigation began. Apparently there were no witnesses to the shooting, but there is a possibility a baby was in the room when the shooting occurred. Relatives of the woman were in an adjoining room, but said they heard no noises until the gun was fired.

The shooting occurred on the farm owned by A. P. Stephens near the Midway community and being operated by Jack Miller.

The victim came to Tahoka seven years ago with her parents from Guadalupe county. She attended school in Tahoka and was married to Lee Jasso. She was a member of the Catholic Church.

Graveside services were held in Tahoka Cemetery Sunday at 2:00 p. m. with Rev. Peter Rogan of O'Donnell officiating. White Funeral Home was in charge of arrangements.

She is survived by her husband; one daughter, Hilda; her parents, Mr. and Mrs. Max Banda of Tahoka; one brother and two sisters, all of Tahoka.

## Botkins Parents Of New Year's Baby

A seven pound, two ounce boy is the 1963 New Year's baby in Tahoka. He is the son of Mr. and Mrs. Finis Botkin.

Born at 2:18 a. m. Thursday, Jan. 3 in Tahoka Hospital, he has been named Terry Wayne.

The grandson of Dr. and Mrs. Emil Prohl and Mr. and Mrs. V. L. Botkin, all of Tahoka, the new arrival has two big brothers, Tony, six years old, and Tommy, five years old.

Mrs. Jodie Nevill is in serious condition at Tahoka Hospital. She was injured in an automobile accident Dec. 6 and has suffered a heart attack since that time.

## Postage Rates Increase Monday

New postal rates go into effect next Monday, January 7, and all those mailing first class letters and post cards are especially warned to be sure this mail carries the correct postage, states Charles Townes, assistant postmaster.

First class letters will have to carry five cents in stamps, an increase of one cent, an airmail letter requires eight cents instead of seven, and post cards are four cents instead of three cents.

Failure to apply sufficient postage will delay mail, and letters carrying insufficient postage will cause the addressee to pay the difference or will be returned to the sender.

New rates also apply to second class matter, or newspapers, which is causing most newspapers to increase their subscription rates to cover the additional costs.

However, The News has not yet announced a rate increase, but may be forced to do so in the near future. Newspaper and magazine rates will be reported later.

## Mrs. Jim Banister Rites Wednesday

Mrs. Tennie-Bell Banister, 78, died at 2:24 p. m. Monday in West Texas Hospital in Lubbock where she had been a patient since Dec. 21.

She was a resident of Tahoka, although she had been in a Lubbock rest home for several years after she suffered a stroke in 1957.

Funeral services were held at the Sweet Street Baptist Church Wednesday at 10:30 a. m. with Rev. Joe Webb, pastor, and Rev. Monte Robinson of Lamesa officiating. Burial was in Tahoka Cemetery under direction of White Funeral Home.

Mrs. Banister was born Sept. 3, 1884 in Batesville, Ark. She was married to James Leroy Banister July 15, 1910 at Avery, Texas and the couple came to Lynn county from Vernon in 1923. Mr. Banister died in 1957.

Mrs. Banister was a member of the First Baptist Church. Survivors include one daughter, Mrs. Opal Mayberry of Tahoka; one step son, Ray Banister of Oklahoma City, Okla.; two sisters, Mrs. F. A. Guatney of Conway, Ark. and Mrs. Lowell Bassett of Salina, Kans.; one brother, George Galloway of Kansas City, Kans.; 14 grandchildren and 29 great grandchildren.

Palbearers were Charles Oliver, Ira Vaughn, Charlie Lichey, Otto Carter, Claude Carter and Thomas Curry.

DUSTY WALKER

## Dusty Walker Wins Third With Essay "Trade At Home"

Third place winning essay in the "Value of Trading at Home" contest written and submitted by Dusty Walker, 13 year old student in Tahoka High School, appears below. The recent contest was sponsored by C. Edmund Finney, photographer, and the Lynn County News.

"Why trade with local merchants when big places have discount prices?" Mary asked me. There are hundreds of reasons but one always "pops" into my mind. It is their friendliness toward us, the customers. In large stores do they offer little things for your convenience as our merchants do for us?

Who makes our town what it is? Who helps with community drives? Who makes up a large part of our top population? The answer to all three are our local merchants.

## Christmas Party At Boys Ranch

The boys at South Plains Boys Ranch enjoyed a big Christmas, Jack Miller reports.

On Friday, Dec. 21, they were treated to a turkey dinner and gifts of pants, shirts, and ties through courtesy of Tahoka Jaycees, and there were many other gifts from other sources.

## Bill Craig Plans For Opening Soon

Bill Craig Electric is preparing to open a store about January 15 in the building next door north of The News.

In the electrical contracting business for the past six years, Bill will carry a complete stock of electric supplies and hardware, light fixtures, and small appliances.

## Record Week Of Ginning In Lynn Ups Total To 120,000

### Building Permits Total \$440,000

Building permits in the City of Tahoka totaled \$440,000.00 for the year 1962, according to records at City Hall.

Only two permits have been let since the last report the middle of December, the two totaling \$25,000.00, including the following: Cicero Smith for Robert E. Abbe, \$16,000.00.

Dr. K. R. Durham, \$9,000.00 for remodeling the old telephone building.

## Tahoka Jaycees Get Recognition

Tahoka Jaycees received recognition this week along with a number of other Texas Jaycee organizations for their activity in promoting better traffic safety.

Texas Junior Chamber of Commerce, headquartered in Grand Prairie, received certificates of commendation from Allstate Insurance Companies for the "Rest Stop" program on the 1962 Labor Day weekend, and Tahoka was singled out as one of the 66 Jaycee clubs participating.

The clubs set up "coffee rest stops" at 130 highway locations, and 2,600 Jaycee members put in 30,000 man hours in serving in excess of 100,000 cups of coffee and other soft drinks.

Jesse Dorman is president of the Tahoka Jaycees.

## Legion Receives New Wheel Chairs

The American Legion has received three new aluminum wheel chairs, which are available to anyone needing them.

These may be obtained at George Glenn Barber Shop in Tahoka, located on Main Street.

The American Legion has much equipment now in use by area people, including hospital beds, wheel chairs and crutches.

The latest addition of such equipment was made possible as a bonus in the recent magazine sales conducted by the local members of American Legion.

Fleet Street, London, is the home of England's newspaper offices.

## Rainfall In 1962 Is Below Normal

Rainfall, snow and hail brought a total of 17.49 inches of moisture, slightly below normal, in Tahoka during the year 1962, according to measurements made by The News on instruments furnished by the U. S. Weather Bureau.

Normal rainfall in Tahoka is slightly less than 19 inches. Precipitation for the year, by months, follows:

January	.10
February	.04
March	.11
April	1.37
May	.14
June	2.74
July	4.28
August	1.88
September	3.70
October	2.01
November	.44
December	.72
Total	17.49

Measurements in recent previous years have been: 1961, 15.17 inches; 1960, 20.71; 1959, 24.54; 1958, 17.78; 1957, 29.88.

## Andy C. Aycox Rites Saturday

Andrew Craig Aycox, 81 year old prominent Lynn county farmer and rancher, died Friday at 6:15 a. m. in Tahoka Hospital. He had been in ill health for about 18 months.

Funeral services were held at the First Methodist Church at 3:00 p. m. Saturday with Rev. Aubrey White, pastor, officiating. Burial was in Tahoka Cemetery under direction of White Funeral Home.

Mr. Aycox was born Jan. 15, 1881 in Indian Territory, Okla. He was married to Anna Mae Cobb Feb. 8, 1911 at Criner, Okla. and the couple came to Lynn county in 1923 from Las Vegas, N. M. Mr. Aycox farmed about five miles north of Tahoka and operated a ranch just south of Tahoka Lake. He was retired at the time of his death.

Survivors include his wife; two daughters, Mrs. Meldon (Fern) Leslie and Mrs. A. N. (Auda M.) Norman, Jr., both of Tahoka; one sister, Mrs. Lillie Pesterfield of Tahoka; and two grandsons, Craig Leslie and Jim Norman, both of Tahoka.

Palbearers were Jess Gurley, Charles Verner, Elmer Sproles, Buel Draper, G. B. Sherrod and Bert Stice.

## W. F. Raymond Dies Wednesday

W. F. Raymond, 60, long a prominent citizen of the Wilson area, died Wednesday morning in St. Mary's Hospital in Lubbock following a long illness.

Mr. Raymond had to have a leg amputated about a year ago. Then, on Saturday, Dec. 22, he suffered a heart attack and had been in critical condition since that time.

Funeral services will be at 11:00 a. m. today, Friday in the Wilson Baptist Church with the pastor, Rev. H. F. Scott, officiating. Burial will follow in Wilson Cemetery.

Mr. Raymond is a retired farmer. A native of Delta county, he moved to Wilson in 1922. Survivors include his wife; two daughters, Mrs. Robert Chapman of Ralls and Mrs. Donald Hancock of New Home; two sisters, Mrs. L. E. Evans of Lubbock, route 6, and Mrs. Joe Wooley of Seminole; and eight grandchildren.

Adrian Evans, who entered Tahoka Hospital as a medical patient last Friday, is improving.

Close to 120,000 bales of 1962 cotton had been ginned up to Thursday mid-morning, according to an estimate made by The News, and prospects now are that the total crop will run far above most estimates made earlier by cotton men.

Tahoka had ginned a total of 20,978 up until Thursday morning, an increase of over 4,000 since Thursday of last week, and there was an estimated 1,500 bales of unginned cotton on the yards.

The past week, all ginning records were doubtless broken as approximately 30,000 bales were ginned by the county's 29 gin plants, if reports to The News by ginners and farmers are correct. A consensus of opinion of ginners indicates the crop is 80 to 90 percent harvested, and another week will see a slowing down of ginnings.

Ginnings at O'Donnell had jumped to in excess of 28,000 bales, an increase of 14,000 since mid-December, according to reliable reports.

Wilson and Wayside ginnings were nearing 20,000 bales total, and New Home gins reported 18,500 and a huge backlog of unginned cotton on the yards.

Lakeview, Petty, West Point, Wells, and Newmoore gins were all in the 4,000 to 5,000-bale class, as was Hackberry in the northeast, while Draw, Grassland, Gordon, and New Lynn were all in the 2,000 to 3,000 range.

Evidently The News' estimate of 85,000 bales last week was a little shy, and 90,000 at that time was probably more nearly correct.

Many farmers down the east one-third of the county, however, had very late cotton which not only has a poor turn-out but also the per acre production is less than expected.

Most of the rest of the county is producing more cotton per acre than most farmers had expected.

Thursday dawned with skies overcast and moisture was in prospect, which would put a stop to harvest operations again.

## Officials Take Oath of Office

Ten district, county, and precinct officials took the oath of office and started four-year terms at brief ceremonies here Tuesday morning, January 1, in the county court room.

County Judge Walter M. Mathis administered the oath of office to District Judge Truett Smith, of 106th District Court for his second term, and then Judge Smith administered the oath to other officials.

Only new official is Harry L. Roddy, retired mail carrier, who was sworn in as Justice of the Peace of Precinct 1, Tahoka. He succeeds Judge C. A. Clem, who was not a candidate for re-election in the recent elections. Other officials taking the oath of office for another four year term were:

W. S. (Skip) Taylor, district clerk. Mrs. Ola Reid, county treasurer. J. P. Hewlett, county school superintendent.

Wogrow Brewer, county commissioner of Precinct 2. L. K. Nelson, county commissioner of Precinct 4.

Horace Brunette, Justice of the Peace of Precinct 4, O'Donnell.

Hold-over officers include: Harold Green, county attorney; Norvell (Booger) Redwine, assessor; George McCracken, tax collector and collector; Curtis Morgan, county commissioner, Precinct 1; Mrs. Beatrice McLaurin, county commissioner, Precinct 3.

Mrs. L. B. Jones was admitted to Tahoka Hospital Wednesday as a medical patient.

## Teinerts Observe 40th Anniversary

Mr. and Mrs. A. A. Teinert, long time residents of Wilson, celebrated their 40th wedding anniversary on Christmas Day with all their children and several friends attending.

The Teinerts were married on Nov. 28, 1922 at Twin Mountains near Copperas Cove, Texas. They came to Lynn county in the fall of 1935 from Copperas Cove in Coryell county and lived about three miles north of Wilson until two years ago, when they moved to their present home two miles north of Wayside.

Mr. Teinert was born at Lincoln in Lea county. Mrs. Teinert, the former Norma Umlang, was born at Giddings, also in Lea county. After coming to Wilson, Mr. Teinert operated the Wilson Mercantile store over 17 years until selling the business recently. He also has farmed during those 28 years in Lynn county.

A three-tiered cake and red punch were served the guests from a table covered with lace cloth and decorated with candles. The candle holders were decorated to match the cake. Carrying out the Christmas theme in decorations, the color of red also fit in with the 40th anniversary symbol, the ruby.

Children attending the event and their families were Mr. and Mrs. Nelson Rost, Patti and Randy of Arlington, Mr. and Mrs. Vernon Teinert, Donna, Steven and Rhon of Kenedy, Mr. and Mrs. Hubert Teinert, Lisa, Paul and Timmy of Wilson, and Mr. and Mrs. Milton Wied, Keith, David and Gregory of Wilson. Friends present for the event included Mr. and Mrs. Cecil Wied and family, Mr. and Mrs. Melvin Wuensche and family, Mr. and Mrs. Martin Wuensche, Jr. and family, Mr. and Mrs. R. E. Behrend and family, Mr. and Mrs. Carl Herzog and family, Rev. and Mrs. Robert Kamrath and family, all of Wilson, Mrs. Kamrath of Nebraska, Mr. and Mrs. Albert Wuensche and daughter of Springfield, Ill., and Mr. and Mrs. Jim Porter and family of Oklahoma.

## Miss Glynda Davis Sets Wedding Date

Mr. and Mrs. Floyd H. (Cotton) Davis, 2113 46th Street, Lubbock, announce the engagement and approaching marriage of their daughter, Glynda, to Phillip K. Saunders, son of Mrs. Anne Saunders, 3301 38th Street, Lubbock.

The wedding is scheduled for 8:00 p. m. Friday, January 18, in the Caprock Church of Christ.

The bride-elect is a graduate of Monterey High School and is presently employed by S. S. Kresge Company. She is the granddaughter of Mrs. M. M. Davis, Rt. 3, Tahoka, and Mr. and Mrs. E. F. Rainey, Rt. 4, Lubbock.

The prospective bridegroom attended Lubbock schools and is employed by Kinney's Shoe Shop. They plan to make their home in Lubbock.

Friends and relatives of the couple are invited to attend.

## Davies Attend Snyder Reunion

Mr. and Mrs. Winston Davies of New Home spent Christmas with their children in the home of Mr. and Mrs. C. H. Reese in Snyder.

Those present were Mr. and Mrs. Charles Freeman, Joe Loyd, Gregg, and Roger of Crosbyton, Mr. and Mrs. Don Cowan, Brad, Ben, Carolyn and Deanna of Panhandle, Mr. and Mrs. Dan Cowan of Richardson, Mr. and Mrs. Wayland Walton, Wayla, Marta, Scott and Brian of Snyder, and the host and hostess, Mr. and Mrs. Reese, Liz, Susan and Chris.

On Sunday night, Dec. 23, Mr. and Mrs. Davies had an early Christmas dinner and tree in their home with Carlton and Joyce Davies, Randy and Kenna of Lubbock, Mr. and Mrs. Charles Freeman and boys of Crosbyton and Mrs. Claude James of New Home.

## Witt Observing 25th Anniversary

This Thursday, John Witt observed his 25th anniversary in the butane business in Tahoka.

He opened the local business on January 3, 1938, in the Larkin building, now owned by Ed Hamilton, later moved to the Belton Howl building, and then to his present building at 1304 Lockwood, just west of the Farmers Cooperative Association, in 1951.

John Witt Butane Gas Co. has grown with the times to where he now employs five full-time people, with combined butane experience of 78 years. The firm features butane and propane sales, installations, appliances, tanks, and carburation. The firm has two-way radio communication, two delivery trucks and one transport truck for quick delivery in serving an area of 35 miles radius of Tahoka. All members of the Witt butane department have passed the rigid State Butane examinations, and the firm is bonded and insured. Mr. Witt is a member of the Texas Butane Dealers Association.

Mr. Witt was born at Old Emma, Crosby county, a member of one of the oldest pioneering families on the Plains. He attended school at Lorenzo and graduated from high school at Lubbock in 1921. As a younger man, he played baseball at Lorenzo and Lubbock, and still is a baseball fan and also likes to watch football. Both he and his wife, Vera, enjoy yard work and gardening, and have one of the most beautiful, landscaped homes in Tahoka.

The couple have one son, Guy, who graduated from the Tahoka schools and for several years has been operating the Witt farm between Wink and Potts. Guy is married to a Wink girl, and they have two daughters, Penny and Pam, in whom Mr. and Mrs. Witt

naturally take great pride. Before coming to Tahoka, John Witt worked for the Texas Highway Department from 1924 to 1930, and started in the butane business in Lamesa in June, 1940. Mr. Witt suffered a light heart attack last week, and will be "out of circulation" for a few more days, but he has a loyal group of employees who are carrying on just as if he were on the job.

Mr. and Mrs. Wynne Collier had their children home for Christmas, including Mr. and Mrs. Pete (Jan) Cash of Weatherford, Okla., who returned home Saturday, and Mrs. Clark (Carolyn) Dyess and daughter of California who made the trip by plane and returned on Dec. 28.

MRS. PEARL BROWN HAS HAPPIEST HOME CHRISTMAS Mrs. Pearl Brown had about the happiest Christmas she could have, as she had her three children, as well as grandchildren and great grandchildren here for a week until last Saturday.

In addition to J. E. Brown and family of Tahoka, here were Mr. and Mrs. O. D. (Faye) Pierce of Houston, and Mr. Pierce's mother, Mrs. Effie Howard of Seagraves; and Mr. and Mrs. W. R. (Marie) Sanders, also of Houston; and in addition, Mr. and Mrs. Jerry (Donna Faye) Rayle and two sons of Baytown and Mr. and Mrs. Charlie Brown Sanders and three girls of Houston. Mrs. Rayle and Charlie Brown Sanders are children of Marie and husband.

## Gibbons Hosts At Reunion In Tahoka

Two anniversaries and three birthdays were celebrated Sunday in the home of Mr. and Mrs. R. H. (Hick) Gibson in Tahoka.

Mr. and Mrs. T. M. Boykin of San Angelo, uncle and aunt of Gibson, celebrated their 50th wedding anniversary, while Polly and Hick celebrated their Jan. 7th 30th anniversary.

Mrs. W. R. Gibson, Hick's mother, of O'Donnell was celebrating her 82nd birthday which will be on Jan. 7. His sister, Mrs. Lorene Freer of Anchorage, Alaska, was observing her birthday, Dec. 30, and his aunt, Mrs. Jake Gates of O'Donnell, had her Dec. 27 birthday celebration.

Mrs. Boykin and Mrs. Gates are sisters of Mrs. W. R. Gibson. A dinner was served to the group as well as other members of the family including Mrs. R. M. Middleton, Mr. and Mrs. Howard Thomas, Mrs. R. M. Beach, Mrs. Jim Anderson and Joylene, all of O'Donnell, Mr. and Mrs. Roy W. Gibson of Denver City, Guy McGill and Joe McGill of Andrews, Mr. and Mrs. Homer Dan Vaughan of Lubbock, Kent and Cindy Gibson.

A reception was held at T-Bar Country Club. Assisting in hospitalities were Misses Sue Walker, Elyne Buchanan, Barbara Brown, sister of the bride, Barbara Orr, sister of the bridegroom, Judy Thomas, Mrs. Doylan Lewis and Mrs. Natt Park.

The bride is a graduate of Tahoka High School and is attending Draughon's Business College in Lubbock. Mr. Orr, also a graduate of Tahoka High School, is a student at Texas Tech. For a wedding trip to Ruidoso, N. M. the bride chose an off white wool sheath dress and brown accessories. The couple will make their home at 2314 14th street in Lubbock.

Mr. and Mrs. John Glover returned home Dec. 26 from a week's trip to the Valley.

### Miss Geany Wedding

Double ring wedding for Miss Geany Olin Poer at 7:30 the Sweet Street by Rev. Joe Wayne Poer, pastor.

Parents of the bride are Mr. and Mrs. W. G. Olin of New Home. Given in marriage the bride wore Chantilly lace over taffeta. The fitted bodice featured a bateau neckline outlined in scallops of lace and long sleeves terminating in points over the hands. The long bouffant skirt was covered in back with wide lace ruffles ending in a short train. Her shoulder-length veil of silk illusion fell from a tiara of pearls. The bridal bouquet was of white feathered carnations.

Mrs. Donna Rayle, cousin of the bride of Houston, was matron of honor. She wore a street length gown of red peau de sole. The princess style gown was complimented with a scooped neckline and three quarter sleeves. She carried a bouquet of white flowers.

Candle lighters were Charlie Brown, brother of the bride, and Miss Linda Orr, sister of the bridegroom. Flower girls were Misses Kim Brown and Teresa Brown, sisters of the bride. The three wore floor length dresses of white organza. Danny Orr, brother of the bridegroom, was ring bearer.

O. D. Orr served his son as best man. Ushers were Larry Paul Thomas and Stanley Krause.

Following the ceremony a reception was held at the home of Mr. and Mrs. W. G. Olin.

### Former Citizen Buried Tuesday

F. D. Pharr, 77, retired farmer and building contractor who formerly farmed in Lynn county, died Saturday afternoon in Brownfield, where he had lived since moving from southwest Lynn county in 1924.

He was the grandfather of Mrs. H. L. McMillan of Plainview, also formerly of Tahoka, whose husband formerly worked for The News and now is president of the Holland-Tapp Printing Co., Inc., in Plainview.

Funeral services were held Tuesday at 2:30 p. m. in the Brownfield Primitive Baptist Church with Elder V. J. Lowrance of Lubbock, also formerly of Tahoka, officiating. Burial was in Brownfield Cemetery.

Mr. Pharr is survived by his wife; six sons, James Dawson of Plains, Cecil of Lubbock, Vernon D. of Selma, Calif., John Robert of Waco, and Travis Edward of Seminole; four daughters, Mrs. Val Perry of Lovington, Mrs. Ruth Durkee of Denver, Mrs. Jack Nelson of Lubbock, and Mrs. Chris Lassater of Hobbs; 26 grandchildren and 23 great grandchildren.

Visitors here over the week end were Mr. and Mrs. Claud Slover and four children of Fort Worth.

### Farm Facts

Fluorescent powder, a material often used in law enforcement, now is used by scientists in tracking boll weevils.

The technique was developed at the South Carolina Agricultural Experiment Station and with it workers are able to "tag" weevils with a coating of the powder and find them after they are released in fields.

An ultraviolet light is carried at night by workers and any weevil in its glow will light up, allowing researchers to see the insects from as far as 15 feet away. They can even be seen through a young, thin cotton leaf, according to scientists.

Even the path taken by the boll weevils will show up, allowing study of their movements on the cotton plant. The powder has no apparent physical effect and remains effective for more than three months.

Previous methods forced re-

search men to search slowly and painstakingly through each plant in making population studies of field-released test weevils. The new technique makes it possible to count the weevils as fast as the worker can walk.

### O'Donnell Woman Died Saturday

Mrs. Etta Abernathy, 85, a resident of O'Donnell for 18 years, died in a Midland hospital Saturday afternoon.

Funeral services were conducted

in the First Baptist Church of O'Donnell Monday at 10:00 a. m. by the pastor, Rev. Calvin Partain, and burial followed that afternoon in a cemetery at Merkel. Survivors include several nephews and nieces, and a sister-in-law.

### Miss Geanne Gandy and Olin Poer Take Wedding Vows in Local Church Ceremony

Double ring wedding vows were read for Miss Geanne Gandy and Olin Poer at 7:30 p. m. Friday in the Sweet Street Baptist Church by Rev. Joe Webb, pastor, and Wayne Poer, student minister.

Parents of the couple are Mr. and Mrs. W. G. Gandy of route 1, Tahoka and Mr. and Mrs. Robert Poer of New Home.

Given in marriage by her father, the bride wore a gown of Chantilly type lace over tulle. The basque bodice of lace featured a scalloped Sabrina neckline and long sleeves. The soft princess lines of the skirt extended into a chapel train.

Her fingertip veil of net was attached to a crown of pearls and she carried a bouquet of white feathered chrysanthemums and bronze masterpieces chrysanthemums atop a white Bible.

Matron of honor was Mrs. Edgar Hammonds, Jr. and bridesmaid was Miss Gilda Gandy, both sisters of the bride. They wore street-length dresses of gold velvet with straight necklines and long tapered sleeves with full

pleated skirts. They wore matching accessories and corsages of white carnations.

Nick Ford of Lubbock served as best man and groomsmen was Gayland James of New Home. Ushers were Donnie Skipworth of Cooper and Mike Taylor.

Miss Arnetta Wood of Tahoka and Ronnie Mouser of Lubbock, cousin of the bridegroom lighted the candles.

Traditional wedding music was played by Miss Margaret McKee and Mrs. Marlin Hawthorne, organist and pianist, who accompanied Mrs. Joe Webb, soloist.

Following the wedding ceremony a reception was held in Fellowship Hall of the church. For a wedding trip, the bride chose a winter white brocade ensemble with gold accessories and a corsage of bronze chrysanthemums from the bridal bouquet.

The bride is a graduate of Tahoka High School and is a sophomore business major at Texas Tech. The bridegroom is a graduate of New Home High School and is employed by Southwestern Public Service Company in Lubbock.

The couple will make their home at 2317 Baylor in Lubbock.

### Lt. Baker, Wife Visit Ola Reid

Lt. F. L. Baker and wife and little son, "Rusty," have been here during the holidays visiting her grandmother, Mrs. Ola Reid. Mrs. Baker is the former Sandra Reid, daughter of Herman Reid, and attended high school here.

Lt. Baker received his discharge from the U. S. Navy about two weeks ago after having served aboard the USS Franklin D. Roosevelt and in Turkey. He and wife and baby are moving to Dallas, where he will become an aeronautical engineer with an aircraft firm.

Mrs. Reid accompanied them during the Christmas holidays on a visit with Herman and wife at Opelika, Alabama.

### FRIDMORES HERE

Mr. and Mrs. Ted Fridmore spent the Christmas and New Year's holidays here with their parents, Mr. and Mrs. Roy LeMond of Grassland and Mrs. Beulah Fridmore of Tahoka. Ted is a second year student in Southwestern Medical School in Dallas, and his wife, the former Miss Jerri LeMond, is a teacher in the Grand Prairie schools.

## Farm Facts

The 1962 honey crop set a new record and it was produced by fewer colonies of bees, the U. S. Department of Agriculture reports. There were some 5,450,000 colonies, about 1% fewer colonies than were on hand in 1961.

Honey production, estimated at 274,514,000 pounds for 1962, was slightly more than the previous record crop in 1961 and 12% more than the 1956-60 average output.

Production per colony averaged 50.1 pounds, compared with 49.7 for 1961 and with an average of 45.3 pounds for the 1956-60 period.

The 10 leading honey-producing states in 1962 (in order of production) were: California, Minnesota, Florida, Texas, Wisconsin, Ohio, New York, Iowa, Indiana, and Illinois. These states accounted for 87% of the crop.

California had a good flow of honey from orange, safflower, and buckwheat crops. In Florida an excellent nectar

## AGRICULTURE'S EFFICIENCY...

Lets You Live Better...for Less!

DID YOU KNOW THAT . . .

- Each U. S. farm worker grows 80% more food now than 15 years ago?
- Today you work fewer hours to earn a month's supply of food—38 hours as compared to 59 hours 15 years ago?
- In the U. S. A., only 20% of the average wage-earner's income is spent for food, while in Britain 30% goes for food, and in Russia 50% or more goes for food?

### Boys And Girls Play At Slaton

The Slaton tournament is on the schedule for the Tahoka girls and boys varsity teams this week end with both teams playing their initial games Thursday afternoon.

The Bulldogs were meeting Spur and the girls' playing Lockney. Winners of the girls game play winners of the Post-McAdoo game at 6:15 p. m. today. Losers play at 2:30 p. m. The winner of the boys game play the victor of the Post-Slaton tilt at 7:30 p. m. while the losers play at 3:45 p. m.

Other teams in the tournament include boys and girls from McAdoo, Shallowater, Lockney, Spur, Post, Slaton, the Littlefield boys and the O'Donnell girls.

A and B Boys and A girls go to Frenship Tuesday night for games at 5:30 p. m.

In the Caprock tournament held last week end at Lubbock Municipal Coliseum the Bulldogs were defeated in two games, but gained valuable experience playing in the large building.

In Tahoka's opener played Thursday Dimmitt defeated the Bulldogs 58-47 after leading 17-8 in the first quarter, 34-19 at the half, and 47-33 at the end of the third. Billy Clinton scored 12 points, the same as scored by Dimmitt's Michael Calvert. Craig Leslie made 13.

Playing without Craig Leslie Saturday noon, the Bulldogs fell to Abernathy 67-51 after leading the first quarter. Tahoka went ahead 20-13 at the end of the first half, but held a nine point lead much of the way. Abernathy caught up in the second and held a 37-30 lead at the half. Third period score was 51-38 with Tahoka able to make only eight points during that time. Davis of Abernathy was high point man with 20 points, while Pat Richey made 13, Sammy Huntley 11 and Mike Miller 10. Allen Cox came through with 16 for Tahoka and Tony Spruiell made 10.

Dimmitt was defeated by McAdoo in the finals of the small school bracket, and Abernathy went on to win the consolation trophy by defeating Denver City.

O'Donnell also had bad luck in the tournament losing to McAdoo in their first game and to Denver City in the second.

Mrs. C. S. Allen is improving at Tahoka Hospital, where she is being treated for a heart condition.

### Gordon - Southland

(By Mrs. Edgar Moseley)

Many of the readers who are friends of Clarence Taylor, who formerly resided in this community and who now lives at 2320 Franklin, Nederland, Texas, will be interested in the tremendous response of the birthday card shower for him on December 21. Forty-nine cards and letters were sent as well as many gifts. One card came as far away as Talent, Oregon, from the Wilbur Wood family.

Mr. Taylor has been bedfast since being stricken with multiple sclerosis in February, 1962.

"Would you please use your column to express my deepest appreciation to the many good people of this area for their participation in the card and letter shower for my birthday, money, prayers, and gifts. Good wishes to our many friends," Mr. Taylor said.

Visitors in the Sam Ellis home Sunday were Rev. and Mrs. George Ellis of Summit, New Jersey; Mr. and Mrs. Erbie Boyd of Crosby; Mr. and Mrs. Larry Alford and children of Petersburg; and Sammy Ellis, student at Canyon.

Mr. and Mrs. Lee Mason and Robert of Lubbock spent the Christmas holidays with Mrs. L. E. Mason and Lonnie.

Mrs. Brovis Smith and Claudine of Houston, Mrs. Carroll Estes of Maine, B. B. Shaw, D. H. Hatchett, both of Lubbock, visited in the Ed Milliken home Sunday.

Mrs. Curtis Head of Lubbock and her son, Ronny, who is in the Navy visited Mr. and Mrs. Lee Mason and J. B. Hudman at Post. Beatrice Kiesel, who is a student at Texas Tech was home with her mother, Selma Kiesel, through the holidays.

Mr. and Mrs. Ned Myers and Nedra of Post, Mr. and Mrs. Fred Myers and Stephen of Post, Mr. and Mrs. Curtis Palmer of Garden City, Dickie Kendrick and Jimmie Don of Lubbock visited Mr. and Mrs. Jack Myers Christmas.

Mr. and Mrs. Woodson Campbell and sons, Dale and Glen, of Lubbock, Mr. and Mrs. Jasper Herndon of Lubbock, Mr. and Mrs. Serf Campbell and daughters of Leveland, Mr. and Mrs. Bill Bailey of Whiteface, and Mr. and Mrs. Bill Baker of Slaton attended a singing at the home of Mr. and Mrs. Hub Taylor Thursday night.

Mr. and Mrs. Earl Morris spent Christmas in Dallas with a daughter and family, Mr. and Mrs. Walt Lyman. While there two of their sons and families from San Antonio and Houston visited with them. Others visiting in the Lyman home were Mrs. Morris' sister, Mrs. G. E. White, and daughter from Terrell, and Mr. Morris' sister, Mrs. Esma Cash and sons.

Mr. and Mrs. H. D. Taylor and Sharla had Christmas Eve dinner with her parents in Lubbock.

Miss Jerlyn Huddleston, teacher in Albuquerque, N. M., visited her parents, Mr. and Mrs. J. H. Huddleston, Saturday.

Mr. and Mrs. Alva Albright have gone to Austonia, Texas, to visit his parents, Mr. and Mrs. W. E. Albright.

Guests in the home of Mr. and Mrs. H. D. Hallman for Christmas dinner were Mr. and Mrs. W. L. Hallman and family, Mr. and Mrs. Wayne Hallman and family, Mr. and Mrs. Durwood Hallman and family of Lubbock, Mr. and Mrs. H. D. Hallman and family of Fort Worth, Mrs. Helen Richards and Don of Lubbock, Mr. and Mrs. Herman Dabbs and children, and Mrs. Sam Martin.

Albert Smallwood of Odessa, Mr. and Mrs. Billy Ramsey and family of Midland, Henry Smallwood of Corpus Christi, Mr. and Mrs. Arthur Smallwood and family, and Mr. and Mrs. E. C. Smallwood and son visited Mr. and Mrs. G. N. Smallwood Christmas.

YOU'LL ENJOY THE EXPERIENCE...

and your family want your portrait in the most prominent place in the house. A kind of spiritual present... a part of a living heritage to them.

## March of Dimes Scientists Find Armadillo Helpful in Twin Study

An oddball research animal that looks like a cross between an anteater and an armored tank is causing scientists to wonder if "identical" human twins are so identical after all.

The nine-banded armadillo, which is a native of Texas and points south, has several child-bearing characteristics that are similar to those of humans.

For this reason, Dr. Kurt Benirschke and colleagues at Dartmouth Medical College, Hanover, N. H., are using armadillos for studies of pregnancy and birth defects under a National Foundation-March of Dimes research grant.

It takes about the same length of time—nine months—for baby armadillos or baby humans to develop in the womb. And in both species, the placentas are structurally similar.

But a quirk of nature has made this odd mammal even more useful for medical research. It always has a litter of four. The four baby armadillos come from the same egg and are therefore always of the same sex.

What has this to do with human twins?

For years, scientists have believed that identical twins—those who develop through division of the same egg—are exactly alike down to the very last gene. They've assumed that it was this genetic similarity that permits successful transplants of skin or of organs between identical twins.

If this theory were wholly correct, it should be easy to exchange skin grafts between identical young of the same armadillo litter since they all came from a single egg.

But Dr. Benirschke and his associates, Dr. Alistair H. Innes and Dr. John Anderson, have found that such grafts often fail to "take."

This paradox has led them to suspect that the answer to graft tolerance cannot be found solely in genetic make-up. The March of Dimes researchers think the key may lie, at least in part, in the relationship of the embryo to the placenta—the material which nourishes the unborn infant.

Each armadillo quadruplet has its own isolated segment of placenta. This means that each gets a slightly different supply of nutrients, hormones

Dr. Kurt Benirschke, March of Dimes grantee at Dartmouth Medical College, Hanover, N. H., studies the strange-looking armadillo.

and blood elements. While such differences are minute, they may be just enough to individualize each animal's development so he won't accept grafts and transplants from his own littermate.

Human twins, on the other hand, sometimes share a common placenta—each getting exactly the same nutrients for development. Thus they become favorable candidates for any necessary organ exchange or skin graft in later life.

If graft acceptance in twins is related to their sharing—or not sharing—the same placenta, some other puzzles of pregnancy may also be a little closer to solution.

Why, for example, doesn't a pregnant animal "reject" its own embryo, which is actually a "foreign" substance made up of cells quite different from her own?

Or does she, in some in-

stances? Could such a reaction lead to spontaneous abortion or a defect in the offspring?

Or could it be that the exchange of substances through the placenta permits the mother to "accept" the embryo?

Does this exchange also make it possible for some mothers and children to tolerate each other's skin or organ grafts later in life?

These are questions which have stumped scientists for many years. The answers, though still to come, may throw a bright new light on many problems of pregnancy, the causes of certain birth defects, and the success or failure of organ transplants.

And it may be one of the nature's more incredible creatures—dasyurus novemcinctus (known familiarly as Mrs. Armadillo)—who will help turn the switch on this lamp of knowledge.

## WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

It is perhaps not too early for self-employed business and professional people to consider how they can best benefit from the retirement program enacted by Congress.

Since 1952, an voted instructions from the nation's independent business, the National Federation of Independent Business worked for the passage of such a measure.

While the legislation, sponsored by Rep. Eugene Keogh does not meet exactly the wishes of the independent business and professional man, in view of the strong administration opposition to any measure of this type based on the protests of U. S. Treasury Dept. it is considered a step forward.

For one thing it is now recognized that the needs of the independent entrepreneur are equally as valid of consideration as those of corporate executives, or union members under a welfare program.

Briefly, in 1952, the self-employed can put aside 10% of his yearly income, up to a maximum of \$2,500 into a private retirement program. There is no compulsion to lay aside the maximum permissible under the law. Any lesser amount can be set aside. Half of whatever is put aside is tax free.

The interest and earnings of money set aside is also tax free provided withdrawals are not made on the fund before

reaching the age of 59½ years. If funds are withdrawn before reaching this age, the tax free part of the fund will be assessed for taxes.

But if the fund is left until retirement age, it can be drawn on with tax paid only on that part which was tax free when paid in.

There are many decisions to be made by the first of the year by those wishing to take advantage of the benefits.

During the battle to get the law through, a "loker" was slipped in by the socialistic element that makes it necessary for the business or professional man, wishing to set up his own retirement program, to also set up and pay for a retirement program for full time employees with three or more years of service.

A full time employee is one who works 30 hours or more per week, or for five or more months in a year. Thus, there will be undoubtedly a great deal of study to determine if employment of full time help can be reduced, or eliminated.

Retirement plans can be worked out with banks, insurance companies, and in a number of other ways.

However, the Treasury Dept. is still somewhat vague as how it will define the wishes of Congress. It will be well for everyone contemplating such a plan to seek counsel from accountants and tax attorneys, as the Treasury will have to approve any plan set up. And in view of the Treasury having fought, the measure, it can be anticipated every possible difficulty will be raised.

## J. T. Peddy Is Buried At Post

J. T. Peddy, 75, a citizen of Tahoka for several years in the early 1940's died Sunday morning at his home in Post following a long illness.

Funeral services were held in First Baptist Church of Post Monday at 2:00 p. m. with Rev. Graydon Howell, pastor of Calvary Baptist Church, and Rev. Shelby Bishop, pastor of Friendship Baptist Church at Close City officiating. Burial was in Terrace Cemetery at Post.

A son, Clyde, graduated from Tahoka High School, and was one of the first young men from Tahoka killed in World War II.

Survivors include the wife; four daughters, Mrs. Mary Hudman of Post, also formerly of Tahoka, Mrs. Dale Stone of Post, Mrs. K. E. Young of Idalou, and Mrs. A. A. Forke of Big Spring; one son, O. B. of Houston; nine grandchildren and 10 great grandchildren.

### O'Donnell Man Dies Wednesday

William Edward Vermillion, 85, a resident of O'Donnell for 35 years, died Wednesday at Stephenville, to which place he moved in 1960.

Funeral services were held at 2:00 p. m. Thursday in O'Donnell Church of Christ with Minister Ode Prescott officiating and burial followed in O'Donnell Cemetery.

Mr. Vermillion came to O'Donnell in 1926.

Survivors include five daughters, Mrs. H. L. Wallace of Davidson, Okla., Mrs. Lee Vaughn of Albuquerque, Mrs. Milford McMurray of Wichita Falls, Mrs. Rhea Heath of Denver, and Mrs. P. H. Goughly of Stephenville; one son, John Vermillion of Rising Star; two sisters, three brothers, and 20 grandchildren.

### Students Conduct Methodist Service

A Student Recognition Day Program was held at the First Methodist Church Sunday morning giving the college and university students the opportunity to share with the local church something of their lives on the campus.

Student speakers were Fred Hegl, Vesta Sue Dudgeon, Gerald Huffaker, Susan Thomas and John Hegl. The topic of their discussion was "What College is Doing for My Christian Faith."

Organ and piano music was furnished by Martha Bell and Lynetta Cain.

Terry Spears presented the scripture reading and Raymond Bagby led the prayer. John Hegl presided at the service.

### MRS. O. J. JACKSON IS ILL IN PASADENA HOSPITAL

Mrs. O. J. Jackson, 86, long-time Tahoka citizen, is critically ill in the hospital at Pasadena, near Houston, from a heart attack she suffered on December 22 while visiting her daughter, Mrs. Lois Compton.

Mrs. Ed Hamilton went down Christmas night to be with her mother, and Ed went down over New Year's to visit her.

### Mrs. Clara Harris Is Leaving Tahoka

Mrs. W. M. (Clara B.) Harris, 77, a citizen of Tahoka for nearly 47 years, left Thursday for San Angelo, where she has bought a room in the Baptist Memorial Geriatric Hospital.

She recently spent two weeks at the hospital, found the environment to her liking, and decided she would be happy there among other people of her age.

Mrs. Harris and her late husband, who passed away here on May 20, 1961, came to Tahoka from Naples, Morris county, in October, 1916, and a few months later purchased the Tahoka Telephone Company, which they operated, expanded and improved.

They sold the telephone business in 1936 to General Telephone and bought the hardware and furniture store from Jack Applewhite, which they sold last year to Borden Davis, and also established the funeral home, which they sold in 1946. Also, in 1936, they bought the G. E. Lockhart residence one of the finest of the old homes in town. She now hopes to dispose of the home and furnishings.

Mr. and Mrs. A. G. Cowthron were accompanying her to San Angelo Thursday. Friends may write her in care of Baptist Memorial Geriatric Hospital, Box 1649, San Angelo.

### Bagby Relatives Killed In Wreck

Mr. and Mrs. H. J. Jones, sister and brother-in-law of R. E. Bagby of Tahoka, were killed instantly Tuesday about 4:00 p. m. in an automobile accident near Corpus Christi.

Also killed was a Colored man, driver of the other car.

Mr. and Mrs. Bagby left here Wednesday morning for Corpus Christi. No details of funeral arrangements were known at that time.

Mr. and Mrs. Jones formerly lived at Post and Plainview. She was the former Elsie Lee Bagby, and both are known in this area.

Mr. and Mrs. Otis Bosworth of Harrison, Ark., are here visiting Mr. and Mrs. J. F. Moore of Grassland. Mr. Bosworth and Mrs. Moore and brother and sister, and Mrs. Bosworth and Mr. Moore are sister and brother. They formerly lived here, leaving in 1942 when he went to service, and he now is with the Compton Encyclopedia Co.

### Essay

(Cont'd. from Page 1) Sure, large places may seem to have cheaper prices, but have you considered quality, convenience or real interest in the customer? I had rather pay a little extra money and have the extra offers of politeness and service.

Would a large discount drug store open up at 1:00 o'clock in the morning to sell a dollar and 25 cents worth of asthma pills to a wheezing boy or a large feed store owner sit down and discuss the needs of your 4-H stock? These more than make up for the difference between our merchants and large merchants' prices, if there are any.

Yes, our home town merchants are great citizens and help our town and community. They are truthful, kind and willing to serve us. They may not be famous, but where would our town, county, country and world be without them?

### AAUW Will Hear Local Attorney

Stephen Thompson, local attorney, will be the speaker at a meeting of the American Association of University Women next Monday at 7:30 p. m. in the Tahoka school cafeteria.

His subject will be "Legal Status of Women in Texas." announces Mrs. Geraldine Nichols, program chairman for the AAUW. The meeting is open to the public, and all interested are invited to attend.

### Miss Judy Stovall Will Be Married

Mr. and Mrs. W. B. Stovall of Tahoka announce the engagement and approaching marriage of their daughter, Judy, to Donald Young, son of Mr. and Mrs. Alvin Young of Post.

The wedding will take place on Thursday, February 21, at 7:30 p. m. in the home of the prospective bridegroom's parents.

### CARD OF THANKS

We wish to take this opportunity to express our thanks and gratitude to the many friends and neighbors and to the staff of Tahoka Hospital for all their kind deeds, flowers and food shown us during the illness and death of our loved one.—The L. W. Gandy family.

Supt. Otis Spears was scheduled to undergo surgery a second time on Thursday afternoon or Friday morning in Methodist Hospital, Lubbock. He was injured in a horse back riding accident in August.

J. W. Fortenberry of Eugene, Ore., will return home Saturday by plane after receiving an expense paid trip to the Cotton Bowl game in Dallas New Year's Day. He came on to Tahoka to visit his mother, Mrs. Alice Fortenberry, and other relatives.

Bobby Weaver and family of Aztec, New Mexico, left this mid-week for home following a Christmas visit here with his parents, Mr. and Mrs. A. C. Weaver.

### Lt. Tommy Paris Is On Okinawa

Lt. Tommy L. Paris and wife, Audra, who have been overseas, stationed in Okinawa, for a little over a year and a half, write that they hope to come home in about five months. He is an officer in an Army missile battalion.

Tommy is the son of Mrs. Jim Hill, now of Wewoka, Oklahoma, but was reared in Tahoka, worked for The News, graduated from West Texas State, and taught school a year at Plainview before entering the Army.

### Wilson Mercantile Retains Accounts

Recently The News had a story about Wilson Mercantile closing out its business.

A. A. Teinert, long-time operator of the firm, says the stock and fixtures were sold, but the firm name, charter, and accounts were retained. All accounts due the firm are payable to Mr. Teinert.

Mr. Teinert, who lives on his farm on the Tahoka-Lubbock highway, will devote his time to his farming interests, but likewise would appreciate those owing accounts to the firm seeing him to settle the same.

### WILHOIT VISITORS

Visitors in the home of Mr. and Mrs. Vernon Wilhoit during the holidays included four of Mrs. Wilhoit's sisters and families, Mr. and Mrs. James Taylor of Lamesa, their daughters and husband, Mr. and Mrs. Kenneth Walters and Deborah and Mr. and Mrs. Doyle Norris; Mr. and Mrs. David Musser of Levelland; Mrs. Opal Wheeler and Lonnie from Brownfield; and Miss Ruth Link of Jourdan, Texas.

The children of the Wilhoits were also visitors. Mr. and Mrs. Dale Wilhoit and daughter, Sonya, of Malaga, N. M. Virginia Wilhoit of Texas Tech, and Mr. and Mrs. Jack Stevens of Brownfield.

### FOSTERS VISIT HERE

Mr. and Mrs. I. L. Foster, operators of a resort on the lake at Kingsland and former operators of Wayside store, were here Thursday on business and visiting friends.

They also visited their son, Dr. John Foster, veterinarian, wife and two children at Muleshoe; son James Foster and family in Lubbock, and daughter, Mrs. Charles (Dorothy) Fulkerson and family in Odessa.

### CLAUDE COLEMAN ILL

Claude Coleman of Wilson, about 65, has been seriously ill for several days following a stroke.

Jennie Isbell, 15 month old daughter of Mr. and Mrs. Lonnie Isbell, is a medical patient in Tahoka Hospital, where she was admitted Sunday.

Mrs. Bill (Corene) Cathcart remains in critical condition at Tahoka Hospital, where she has been a patient several weeks.

Mrs. James Trammell underwent major surgery Sunday in Tahoka Hospital and is reported to be improving nicely.

Slaughtering and meat packing is the most important industry of Illinois.

Theodore Roosevelt discovered the Theodore river in Brazil which newspapers called the River of Doubt until its existence was confirmed.

Mrs. W. C. Huffaker Sr. is visiting in California with her brothers.

### Postage

(Cont'd. from Page 1) zine subscriptions now barely cover postage and mailing expenses.

The raise-in-rates is designed to raise about \$600 million to apply to the postal deficit, uniform forms for some employees and wage increases for most postal workers of the U. S. Post Office Department.

Another new regulation announced this week eliminates letters and post cards less than three inches by four and one-half inches in size and also odd-shaped mailing pieces, requiring that all be rectangular in shape.

This ban, already in effect, is designed to eliminate a major source of delay in mail processing, especially in the use of modern canceling machines and other mechanized equipment. This includes souvenir postcards in the shape of animals, automobiles, etc., that can not be handled in the new mechanical equipment.

Cooperation of postoffice patrons with the new rates and regulations can save those sending mail time and trouble, Townes says.

Mail is still one of the biggest bargains there is however, since it permits citizens to send messages across the nation for just a few pennies, and the old adage still holds, "Neither snow, nor rain, nor heat, nor gloom of night stays these couriers from the swift completion of their appointed rounds."

### Congratulations

Mr. and Mrs. Domingo Rodriguez of Tahoka on the birth of a son by Cesarean section Thursday, Dec. 27, at 3:10 p. m. in Tahoka Hospital. Weighing seven pounds, two ounces, he was named Domingo, Jr.

### CARD OF THANKS

We wish to take this opportunity to express our deep appreciation to each and everyone of you for your many acts of kindness during our sorrow, to Dr. Prohl and the nurses at Tahoka Hospital for the care you gave our husband and father during his illness and to all of those who sent food, flowers and cards. May God bless each of you.—The Andy Aycox family.

### Local Man Dies Of Heart Attack

Juan Tijerina, Sr., 74, resident of Tahoka since 1963, died Sunday at about 10:30 a. m. in Rumbo Clinic in O'Donnell, apparently as a result of a heart attack.

Funeral services were held at 10:00 a. m. Tuesday in the Baptist Mexican Mission with Rev. John Pistone, pastor, officiating. Burial was in Tahoka Cemetery under direction of White Funeral Home.

Born Feb. 8, 1888 in Mexico, Mr. Tijerina was married to Ygnacia Ignacio in 1920 at Robstown, where he lived until coming to Tahoka. He was a member of the Catholic Church.

Survivors include the wife and one daughter, Carolina, of the home and several grandchildren.

### Nevill Relatives Are Visiting Here

Here to be with their mother, Mrs. Jodie Nevill, who has been seriously ill in Tahoka Hospital, are Mrs. Milton Flowers and Mrs. Russell Fleming both of Flagstaff, Ariz. and Mrs. Luther Jones of Sanger, Calif.

A son, Eckie Nevill of California, was here before Christmas for a visit.

Mr. Flowers, who is ASC office manager in Flagstaff, and two children, Don and Janice, have returned home for school.

Jerry Slover, in the Army stationed at Fort Ord, Calif., has been home spending Christmas with his parents, Mr. and Mrs. Rufus Slover, and expects to leave for his base about January 14.

### Thomas Named Health Officer

Dr. Skiles Thomas, local physician, was re-appointed County Health Officer of Lynn County at a meeting of the Commissioners Court last Thursday, according to County Judge W. M. Mathis.

The term of office is for two years, January 1, 1963, to December 31, 1964, Mr. Mathis says.

# \$130 Million 5-Year Building Program Announced By S-W Public Service Co.

A 5 year construction program which anticipates the investment of an additional \$130,000,000 in new facilities to meet the electric needs of this area, has been announced by A. R. Watson, President and General Manager of the Southwestern Public Service Company.

"In all sections of our 45,000 square mile service area, the indications are that the fast growth which has marked recent years will continue. We have a two-fold obligation to have facilities available for our customers before their need, and to keep their rates low and service efficient. Our construction program is designed to fulfill that obligation," Watson said.

The 1963 portion of the 5 year program calls for an investment of nearly \$25,000,000, with new generating and transmission facilities accounting for the bulk of the figure.

A 210,000 kilowatt generator, largest single unit ever installed by Southwestern Public Service Company, is now under construction at Plant X, near Earth, Texas. Scheduled to be in service in June, 1964, the new unit will bring capability of Plant X to nearly 500,000 Kilowatts, and make it one of the largest generating stations in the Southwest.

A "first" for the Southwestern system in 1963, will be the installation of a 10,000 kilowatt gas turbine unit at Roswell. This "package-power plant" will be used as stand-by equipment and at peak periods. It is designed to start automatically, with the turbine being driven by gas and compressed air rather than the steam drive used in the larger units on the system.

1963 will also see the beginning of the engineering and survey work for a new generator to be installed at Cunningham Station, west of Hobbs, New Mexico. This is also a 210,000 kilowatt machine, and is scheduled to be in service in 1965.

"I think the new unit planned

for Cunningham Station is the ideal example of the growth of our region and the flexible position which an electric company serving a growth area must maintain. Originally, this machine was planned for service in 1966, but as soon as it became apparent that it would be needed earlier, we changed our plans accordingly, and moved it up to 1965," Watson pointed out.

Nearly \$5,000,000, in the 1963 construction budget will be invested in new transmission line facilities. Southwestern's twelve electric generating stations are sited together by a transmission line network of more than 4,000 miles. This interconnection makes it possible to provide power at any point in the 45,000 square mile service area, and to employ the most economical plants, which are those with the larger and newer generators, at all times keeping the power production costs down and the rates for service low. In addition to the transmission line tie-in, the generating facilities of the larger stations, Plant X, Nichols and Cunningham, are directly controlled by an automatic dispatching system, which electronically employs the most efficient plants at all times. The dispatching system also computes the share of the load which other plants should be carrying, on the basis of costs, and then these loads are assigned to the plants by direct communication from the load dispatching center in Amarillo.

"I'm not sure that our customers are aware of the vital part that new equipment plays in keeping their rates down. Our fuel rates, for example, are up almost 100% in the last ten years. Yet, by constantly investing in new and efficient equipment, plus the fact that our customers are using more and more electric service, we have managed to keep our rates at the same level that existed 11 years ago," Watson said.

Watson emphasized that the United States strengthened its world leadership in the production and transmission of electric power in 1962, contrary to some reports from government sources that Russia was gaining on this country.

"The United States, with only 6 percent of the world's population, produces nearly 40 percent of the world's electric power. We generate three times as much as Russia, and have four times the miles of transmission lines. Thanks to the foresight and action of our industry, Russia isn't even close as far as electric power is concerned, and they're getting farther behind," Watson pointed out.

"When the American people have an opportunity to look at the record of the investor-owned, tax-paying electric companies of this country, they see that the arguments of the advocates of a government-controlled, socialized electric power system will not hold water. We have kept the rates low, we have kept service efficient and ahead of the needs of our customers, and we have kept the United States far ahead of Russia in electric generation and transmission facilities. And, we have done all this at the very same time that we have paid to various state, federal and local government taxing bodies approximately twenty five cents out of every dollar that we have received from our customers," Watson concluded.

FRIDAY, JANUARY 4, 1963

Construction of a fourth generating unit, with a capability of 210,000 kilowatts, is underway at Southwestern Public Service Company's Plant X, near Earth, Texas. The electric light and power company will invest more than \$24,000,000 in new facilities in 1963, and a total of an additional \$130,000,000 in the next five years. The Plant X unit under construction is the largest generator ever installed by the company.

## Law Paper Has Story About King

The current issue of The Texas Law Forum has an article in it which says all nine briefing attorneys for the Texas Supreme Court are graduates of University of Texas Law School, including John King, son of Mr. and Mrs. Elbert King of Tahoka.

The article says, in regard to King: "John King, clerk to Judge Meade F. Griffin, became associate director of the Legal Research

Board; participated in Moot Court, the Law Bachelors Club; and was a member of Delta Theta Phi during his law school career. John, who is from Tahoka, majored in business obtaining his B.B.A. from Texas Tech; and in June, 1962, he received his LL.B."

Kay Warren and Chloie Jan Huffaker spent part of the holidays in Sundown with Sandra Jourden.

## Water District Election Tuesday

The High Plains Water District, which consists of thirteen counties in the Southern High Plains, will hold its annual elections on the 8th day of January.

At the end of this year, three of the five men who serve on the District's Board of Directors will conclude their present two-year term of office. These three men are Elmer Blankenship of Wilson, who represents Lubbock and Lynn counties; John Gammon of Lubbock, who represents Bailey, Castro and Farmer counties; and T. L. Sparkman, Jr. of Hereford, who represents Armstrong, Deaf Smith, Potter and Randall counties.

Gammon will be unopposed in his bid for a new two-year term on the Board. Sparkman will be running against Earl Holt of Hereford, a former Water District County Committeeman from Deaf Smith county. Running unopposed for Blankenship's seat on the Board will be Russell Bean of Lubbock. Blankenship will not seek re-election.

Aside from the election of the three Board members, there will be one County Committeeman elected in each of the counties comprising the District. Each Committeeman will be elected for a three-year term of office. There are five men on each County Committee.

Candidates for County Committeeman from Lynn county are Roy Lynn Kahlich of Wilson and L. C. Unfred of New Home. Voting places will be the City Judge's office in Wilson State Bank and

New Home Community Center. Any qualified voter who lives within the High Plains Water District is urged to vote in this election.

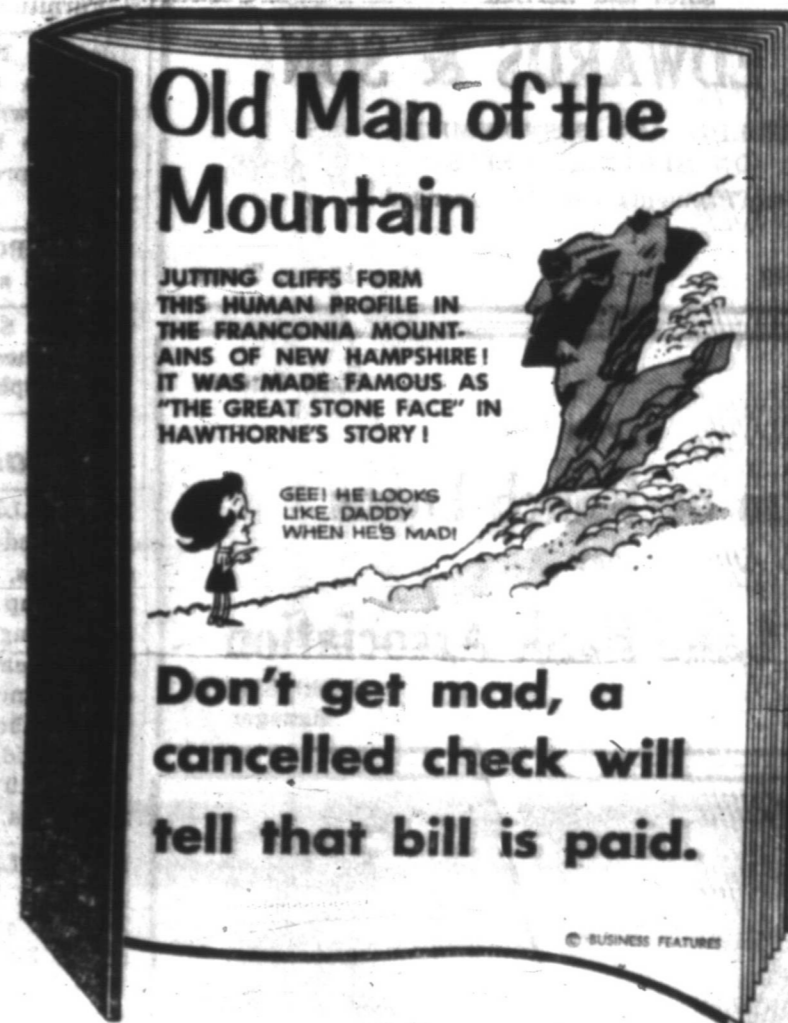

District spokesmen state that in the past, many have had the mistaken idea that to be eligible to vote, one must own farm land or operate an irrigation well. This is not true. Any resident who has a valid poll tax receipt or exemption may cast a ballot. The barber, grocer, attorney, or housewife is urged to vote as well as the farmer and industrialist who directly use underground water. All persons have a stake in matters concerning ground water, and all pay taxes for the maintenance of the District's activities; consequently, all have a voice at the polls.

Voting places have been provided throughout the District, and a voter may cast his ballot at any one of the places in his home county.

**NOTICE TO ADVERTISERS ON CLASSIFIED PAGE**

A weekly newspaper, unlike a daily, is not all printed on one day. The News prints its first four pages on Tuesday afternoon. For mechanical reasons, we almost have to print the classified page on this first run.

Therefore, new ads, changes and "kill" information must be in the hands of the printers by Tuesday noon. However, late day morning will be printed in the "Too Late to Classify" column.—The Publishers.

While rejoicing over the return of the hostages held by Castro, we should hang our heads in shame for the method used to get them back—paying a ransom of \$53 million-plus to a little pip-squeak gangster, getting down on our knees and begging this two-bit communist dictator for these people's release, crawling on our belly before the rest of the world. The last two decades the U. S. has worried much about the so-called "image" it presents to other countries of the world. Now, wasn't this a fine image to present? How long do you think a Teddy Roosevelt, or even a Franklin D. Roosevelt, would have dilly-dallied around with old Castro?

For once we agree with Attorney General Bobby Kennedy when he apologized, "My brother made a mistake," in regard to the ill-fated Bay of Pigs invasion.

Our American leaders have lost their guts. Why should we take "nose" from every little outland country that thumps its nose at us, huris insults at us?

As we travel along the road to Socialism, we become soft, a big old generous-hearted nation afraid we will hurt somebody's feelings. But, our brand of democracy is still the greatest in the world, in spite of its shortcomings. The only trouble is, we are fast losing our democracy by electing Army generals and rich men's sons as our leaders—men who never rubbed up against the cold facts of life, who never had to put their noses to the grindstone to make a living. Our government is in the hands of liberals who would wreck democracy for the sake of do-good programs—revolutionary changes, just to leave their names on the pages of history.

Our leaders advocate "civil

rights," and at the same time places the heel of despotism in the stomach of the people of Mississippi. A Kennedy dynasty spokesman has said keeping one Negro student in Ole Miss has cost \$850 million already. What about the rights of the other people of Mississippi? The same kind of oppression can happen in Texas or in Tahoka.

The sad thing about our situation is that the opposition party, the Republicans, put out such "me too" candidates as Richard Nixon or multi-millionaire Nelson Rockefeller, who also has ideas that would lead us further into a Socialistic state, a "father-knows-best" all-powerful, federal government that takes more and more rights from individuals and the states.

We only hope that our congressman, George Mahon, had sufficient opportunity while home to talk to enough people to get the drift of grassroots thinking. If he did, he found that people of his district (if we are any judge of public opinion) do not favor the tremendous foreign aide program that seems to be getting us nowhere, unnecessary federal spending programs, medicare, federal aid to education, increased social security, more concentration of power in Washington, rigid farm controls, usurpation of illegal authority and power grabbed by bureaus, the executive branch and the Supreme Court.

George only has to look at the general election results of last November to see what people back home are thinking about his votes with the liberals in Congress. He was opposed by a Republican preacher-farmer hardly known outside of his home community, yet, this candidate polled half of the votes cast in the 19th district, one-third of those cast in Lynn county and in spite of the fact that he only visited Tahoka about twice, and very briefly then. Many have declared that a strong Republican candidate would have given George a race for his life. Mr. Mahon is one of the most powerful men in Congress, a clean and capable man in every way, but a lot of people were not satisfied with his liberal stand on too many questions.

Most of the farmers who come into The News office are sorely disappointed in the cut in cotton acreage, a cut which will mean at least a 10 percent loss in income. Most say they would rather have more acreage and a lower price. Some are ready to throw out all controls and take their chances on the market, or a program designed toward that end. If you want a better deal, you better write your congressman, because he is inclined to go along with the Administration on most matters. You better do it today, for the time is short.

Benjamin Franklin said, "They that can give up essential liberty to obtain a little temporary safety, deserve neither liberty nor safety."

### THE AMERICAN WAY

*"He saved the world for truth, he cut the good, the pure, the beautiful, from groves and fields of the soul. And, weary workers for the best, we come back laden from our quest to find that all the ages said is in the Book our mothers read."*

**JOHN GREENLEAF WHITTIER**  
THE QUAKER POET (1807-1892)

The Book Our Mothers Read—the Bible

We've got a subscriber out at Wells that wants to know why J. F. Brandon carries a pocket comb since he is as bald as a peeled onion.

Attorney: Do you drink?  
Defendant: That's my business.  
Attorney: Do you have any other business?

There was one lawyer who sent a circuit judge a case of good bourbon whiskey in order to help his case before the judge, that is, he sent it in his opponent's name.

Just before handing down his verdict in a paternity suit, the judge handed the defendant a cigar and said, "Congratulations, you're a father!"

Twenty-five years from now there will be letters to the editor about how all the juveniles are delinquent on account of they don't have the old-time chores around the home any more, like turning up the thermostat every morning or pushing the button to open the garage door.—Minneapolis Star.

### New Hybrid Sudan Will Be Tested

Farmers in this area will have a chance to test a remarkable new annual forage and green chop plant this spring, is the report from Boyce Bryan, Northrup King territory manager from Lubbock. Called Trudan I, it is the first true sudangrass hybrid commercially available to farmers—and it promises some exciting results.

"Trudan I should really slash summer feed bills for cattle of all kinds. Supplies of the seed are very limited, but farmers who do get some are in for an eye-opening experience," said Bryan.

Trudan I produces the same economical, nourishing, green feed that common sudangrass does, but it has out-yielded common sudan by up to 30 or 40 percent. It produces leafier plants that are as low or lower in prussic acid content than common sudangrasses, and its hybrid vigor causes considerably faster regrowth after grazing or clipping as well as stronger seedlings.

**J. O. KINGS VISITED IN OKLAHOMA CHRISTMAS**  
Mr. and Mrs. J. O. King of Wilson returned Wednesday of last week from a Christmas visit in Oklahoma.

Their son, J. L. King, and daughter, Mary Kay, of Panhandle came down and picked them up, and they visited in Geary with their son, Rev. John Paul King, and wife, Thelma and boys Thomas and Francis. The entire group went to Oklahoma City to visit and have Christmas dinner with another son of the Kings, W. W. King, and wife, Patti, and children, Fred, Susan and Rob and also with John Paul's eldest son, James, who also lives in Oklahoma City.

In Paraguay there is a firefly called the railway beetle, which flashes a red light at the ends of its body and a green light along the sides.

### Stewart Children Home Christmas

Mr. and Mrs. C. E. Stewart had all of their children and grandchildren home together during Christmas, when they observed their 52nd wedding anniversary. It was the first time in six years the entire family had been together.

Those attending were a son, Mr. and Mrs. H. P. Stewart of Lubbock; a daughter, Mr. and Mrs. J. O. Key of Oregon; a granddaughter, Mr. and Mrs. Ray Armstrong of Fort Stockton, and grandson, J. D. Key, who is in medical college in Memphis, Tenn.; a daughter, Mr. and Mrs.

H. P. Lee, who is in the service at Waco; a son, Charles W. Stewart of Amarillo, who is announcer on Station KPDA.

Also with the Stewarts was a long time friend, Eugene Munselle. He and the Stewart children grew up together.

Mr. and Mrs. W. S. (Skip) Taylor spent the Christmas holidays visiting relatives in San Antonio.

# FACTS ABOUT PLYMOUTH'S NEW WARRANTY\*

- |  |  |  |  |
|--|--|--|--|
| <b>DOES IT INCLUDE THE COST OF LABOR?</b><br>Yes. There is absolutely no charge for labor and parts. For the entire life of the warranty, should any defect in material or workmanship occur on the parts covered by the warranty, it will not cost you one single cent to have this defect corrected. | <b>DOES IT COVER EXPENSIVE PARTS?</b><br>Absolutely! It covers the major power train components—the engine block and its internal parts, the automatic transmission and its internal parts, the rear axle. These are the parts that would normally cost you plenty to replace. | <b>IS IT TRANSFERABLE WHEN YOU SELL?</b><br>Yes. As long as the car has been serviced at reasonable intervals according to the Plymouth-Valliant Certified Car Care schedules, the warranty can be passed on to the new owner. Think what that will mean to the resale value of your Plymouth! | <b>MUST YOU SPEND MORE FOR MAINTENANCE?</b><br>No. All that is required is the normal care that most car owners would usually give their car. For example, only one chassis lubrication is required for the entire life of the warranty. Other maintenance consists of checks at reasonable intervals. |
|--|--|--|--|

\*Your Authorized Plymouth-Valliant Dealer's Warranty against defects in material and workmanship on 1963 cars has been expanded to include parts replacement or repair, without charge for required parts or labor, for 3 years or 50,000 miles, whichever comes first, on the engine block, head and internal parts; transmission case and internal parts (excluding manual clutch); torque converter, drive shaft, universal joints (excluding dust covers), rear axle and differential, and rear wheel bearings, provided the vehicle has been serviced at reasonable intervals according to the Plymouth-Valliant Certified Car Care schedules.
