Serving Tahoka and Lynn County Since 1903!

Volume 59

Tahoka, Lynn County, Texas, Friday, February 1, 1963

Number 18

5,315 People Received Type III Polio Vaccine

A total of 5,315 people received the third and final dose, Type III, of Sabin oral vaccine to prevent polio Sunday afternoon in the Tahoka and O'Donnell school cafeterias.

In Tahoka, 3,950 received the vaccine, and in O'Donnell there were 1,365.

Receiving the first dose last August were a total of 9,700 people and getting the second dose early in December were 6,700.

Those who have missed any one of the three doses are urged to consult their physicians to secure the vaccine or visit some clinic in neighboring counties.

The program here Sunday, like the two previous ones, went off without a hitch as a steady stream of people filed through the clinic.

Practically every organization, church, and many individuals cooperated in the program, one of the finest examples of community cooperation the county has ever had.

Doctors and H. B. McCord Jr., county chairman of the National Foundation, extend thanks to one and all for the wonderful cooperation in the program.

Although the number receiving Type III was not as great as in the others, some people had already received the dose elsewhere and others were still coming to their physicians this mid-week to get the dose.

Any funds left over from expenses of holding the clinics, which was at a minimum except for the vaccine, since all workers, doctors and nurses, gave their services free of charge, will go to the National Foundation for local use.

Local doctors say the chance of Lynn county citizens contracting polio is now slight, but urge that those not having received all three doses should arrange to do so as a protection to themselves and to others.

NEW HOME TEACHER

Miss Sharon Huber of Lubbock, mid-term mathematics graduate of Texas Tech, was hired this week as a new teacher in the New Home schools. She succeeds Miss Carolyn Galennie, who resigned last week to get married.

Douglas Greer Dies Wednesday

Douglas Greer, 48, reared in the Grassland community, died of an apparent heart attack about Tuesday midnight at his farm home in south Lubbock county. He had previously had a heart attack. He worked in the field Tuesday and was apparently all right when he went to bed that night. He was rushed to Methodist Hospital in Lubbock where he was pronounced dead at 12:55 a. m. Wednesday.

Funeral services were held at 2:30 p. m. Thursday in the First Methodist Church of Slaton with Rev. Charlie Holden of Austin and Rev. Tommie Beeson of Wolforth officiating. Burial followed in Greenwood Cemetery at Slaton.

Douglas was reared in Grassland, to which place he came with his parents in 1923, and moved to Lubbock county about seven years ago. He was a former worshipful master of the Tahoka Masonic Lodge.

Survivors include his wife, a son, Ronnie, and a daughter, Sherry, all of the home; his mother, Mrs. W. R. Greer of Slaton; and four sisters, Mrs. J. F. Richey and Mrs. Billie White, both of Slaton, Mrs. Johnny Ray of Post, and Mrs. J. Fred Bucy of Houston; and a number of other relatives in Lynn county.

Mrs. C. S. Allen, who was dismissed from Tahoka Hospital Friday, was admitted again on Tuesday. She has been a patient there for several weeks.

Water Aqueduct Plans Are Laid

Lynn county commissioners, meeting Monday morning, passed a resolution authorizing County Judge W. M. Mathis to sign easements for the right of the U. S. Government and Canadian River Municipal Water Authority to lay an aqueduct under county roads.

Specifications call for a subterranean concrete aqueduct not more than 78 inches in diameter to be laid at a minimum depth of 18 inches below the lowest point in bar ditches. Understanding here is that the aqueduct across Lynn county will have a diameter of 72 inches.

Roughly, the aqueduct will follow U. S. Highway 87 across the county from north to south en route to its terminus at Lamesa.

The line will enter the county a mile or two east of U. S. 87 at the north line of Lynn county, proceed south past the roadside park, veer west under the four lane highway and around Tahoka to the west at the west city limits, and proceed south and parallel to U. S. 87 to the west edge of O'Donnell and the county line.

Jimmy Shook Dies In Wreck

James Lee (Jimmy) Shook, 44, reared at O'Donnell, was killed when the ambulance he was driving went out of control Friday night at about 9:00 o'clock on the highway between Rogers and Temple, in Central Texas.

Funeral services were held in O'Donnell First Methodist Church Sunday at 2:00 p. m. with the pastor, Rev. David Hamblin, officiating, assisted by Rev. C. R. Smercer, Methodist pastor at Draw. Burial followed in O'Donnell Cemetery.

Shook had owned the funeral home at Rogers two or three years. Friday night he had been to Temple to visit his wife in a hospital there, and was en route home. The News is informed he started to pass a truck in a construction area, lost control of the ambulance as the wheels ran on to the road shoulder, and was thrown from the vehicle as it overturned.

Jimmy's father, Jeff Shook of O'Donnell, and sister, Mrs. Gus Sherrill and husband of Draw, were en route to Temple and Rogers to visit the couple and arrived there only a few minutes after the accident.

Jimmy Shook was born in Cain Hill, Ark., but had lived in O'Donnell many years. His mother died of a heart attack only two or three months ago.

Survivors include his wife, the former Miss Helen Gant; the father, Jeff Shook of O'Donnell; two sisters, Mrs. Gus (Mary V.) Sherrill of Tahoka and Mrs. Sterling (Hope) Beardon of Stephenville; and an adopted sister, Linda Sumrall of O'Donnell.

Mrs. Wilmer Smith Hurt In Accident

Mrs. Wilmer Smith of New Home received scalp lacerations Friday afternoon when a two-car accident occurred on Slide Road near 52nd Street in Lubbock.

She was admitted to Methodist Hospital for treatment and was released Sunday.

A car driven by Jeanette Roberts Hays of route 4, Lubbock stopped directly in front of Mrs. Smith, causing her to crash into the rear of the Hays car. Mrs. Hays was treated and released on Friday at West Texas Hospital.

The condition of Mrs. Jodie Nevill, who has been in serious condition for nearly two months, is unchanged at Tahoka Hospital, where she is a patient.

License Plates Now On Sale

Motor vehicle license plates go on sale today, Feb. 1, at the office of Tax Assessor and Collector George McCracken, and for convenience of citizens they may also be secured at Moore Insurance Agency in O'Donnell, and the Co-op gin offices in Wilson and New Home.

In the past, special numbers have been held, on request, for those desiring the same, but this year vehicle owners will not be able, except in a few cases to get the old numbers they have been accustomed to getting.

Mr. McCracken says the state this year has sent Lynn county only numbers 10 through 24 in the low-number category, and all other plates are numbered 5,675 through 9,999.

New 1963 license tags must be on vehicles by April 1.

Plans Laid For County C-D Set-up

Plans were laid Monday by the Commissioners Court for a county-wide Civil Defense organization if desired by people of communities other than Tahoka.

Tahoka has a completely organized Civil Defense program, but this will be reorganized to fit in with the county-wide organization, if formed.

E. L. Short, head of Tahoka Civil Defense, was named by the court temporary county director of Civil Defense.

Towns of O'Donnell, Wilson and New Home will be approached at an early date to determine if people in these areas desire the county-wide set-up. Under the county-wide organization set-up, there would be zone directors for the northern, central, and southern sectors of the county.

New Home OK's Bonds For New High School

New Home voters Saturday approved a bond issue of \$275,000 for the purpose of erecting a new high school building and other improvements to the school plant.

There were two propositions on the ballot. No. 1, for levy of an ad valorem tax at the rate of \$1.50 per \$100 valuation, was approved 121 to 15. Proposition No. 2, for issuance of the bonds, carried 119 to 18.

Supt. H. L. Miller says the board, headed by President E. M. Rudd, is planning a modern high school building on the lots formerly occupied by the Baptist Church and adjacent to the present school plant that will include a new gymnasium, modern science laboratories, and a library. The present high school building will become the junior high, and some classes will move from the elementary building to this junior high.

The school has had an almost unprecedented growth the past two years, crowding the present plant past capacity.

Kind words never die—they just become victims of ingratitude.

Have News? Phone 908-4088.

Tahoka Jaycees Sell Poll Tax Receipts

The Tahoka Jaycees held their regular meeting Tuesday night and two new members were present, Steve Thompson, attorney, and Truman Johnson, who is employed at Piggy Wiggy No. 2.

In addition, 21 other members attended.

The Club discussed future projects but nothing definite was decided. Presently, the Jaycees are circulating around town selling poll tax receipts and having success in this project. Bert Stevens reported a good turnout for S.O.S.

Harry Short was in charge of the program.

The next meeting will be held Feb. 5.

County Financial Report Published

The annual financial statement of Lynn County for the year 1962 is published in this week's issue of The News.

The report shows receipts and disbursement of the various county funds, bonded indebtedness, and outstanding indebtedness on road machinery.

Kind words never die—they just become victims of ingratitude.

C. of C. Plans For Stock Show, Annual Banquet Completed

Plans for the annual Farmer-Businessman banquet early in March and the Lynn County Junior Livestock Show here Feb. 28, March 1 and 2, were discussed at a lengthy meeting of Tahoka Chamber of Commerce officers and directors Wednesday night.

Date for the banquet, probably not later than March 15, is still pending arrangements with the featured speaker.

A new president to succeed E. L. Short, who automatically becomes vice president, and seven new directors are to be elected. Ballots will be mailed C. of C. members in a few days to name seven new directors from a field of 17 nominees.

Out-going directors are: W. T. Kidwell, Charles Verner, Charles Townes, Frank Hill, A. M. Bray, Mitchell Williams, and Elbert King.

Holdover directors are: Turner Rogers, H. B. McCord Jr., Charles Brock, Clint Walker, James F. Roberts, Jack Jaquess, Harold Roberts, Wilton Payne, and G. H. Chestnut.

Nominated for new directors are: Alton Cain, Dale Thuren, Leighton Knox, Grady Lakkford,

Frank Hill, H. L. Short, Mrs. Mae Norman, Johnny Wells, Bill Griffin, Charles Townes, Mrs. Abbie Whorton, Ronald Sherrill, Jimmie Dykes, Bob Haney, and Charles Verner.

County Agent Bill Griffin reported on plans for the annual livestock show here, one of the biggest in West Texas. Tahoka Chamber of Commerce finances the show operations, including prize money, and cost of judges, which runs about \$850.00, including \$100 contribution each year from Tahoka Rotary Club. An additional \$1,500 to \$2,000 is made up by merchants and interested farmers, from which fund each boy or girl receives a bonus on each animal that qualifies for the county show.

Mr. Griffin says this plan was worked out several years ago and has proved to be the most desirable means of lending encouragement to all showmen. Last year, each steer shown drew a bonus of about \$10, whether it won a cash prize or not, each pig \$4.00 and each lamb \$3.00. This amounted to a premium of about one cent per pound on steers, two to three cents on lambs.

Cotton Harvest Nearly Over As Ginnings Total 157,000

New ASC Office Manager Named

Donald E. Saverance, 29, is the new Lynn county ASCS office manager. He succeeds Chas. (Buddy) Bragg, who resigned a few weeks ago to become manager of the Lubbock ASCS office. Mr. Saverance will take charge here Monday of next week.

Mr. Saverance comes to Tahoka from Andrews, where he has been ASCS office manager since May, 1960. He is married and has one child.

He was born at Goldsboro, Coleman county, and was reared on a stock farm. He attended Texas Tech College, where he graduated in 1957 with a degree in Agricultural Economics. After college, Saverance spent nearly two years in the Army, from July, 1957, to May, 1959.

He was selected Friday by the Lynn County ASCS committee, composed of Wayman Smith, Clarence Church, and Ellis Barnes, who had considered several men before making the selection.

Civic Club Will Meet On Monday

Better sewer disposal will be the subject of New Home Civic Club at its monthly meeting next Monday night at 7:30 o'clock in the Community building. A meal served by the Home Demonstration Club will precede the program.

New Officers of the Civic Club installed last month are O. E. Phifer Jr., president; Marlin Maloney, vice president and program chairman; and James Farr, treasurer.

Mr. Maloney says more than fifty members have been signed up for the new year. Visitors are welcome to attend the meeting.

Bryan Pistone, 18 month old son of Rev. and Mrs. John Pistone, was admitted to Tahoka Hospital Tuesday night as a medical patient.

N. T. Conner of Lubbock, formerly of Tahoka, is a medical patient in Tahoka Hospital, having been admitted Monday.

Sale of Poll Taxes Turns Up Short

Lynn county poll tax payments have been "fairly good" but probably will run a little short of the 2,000-mark that had been hoped for, stated George McCracken, tax assessor and collector Thursday morning.

Deadline for payment of poll taxes was Thursday night. Early Thursday, 1450 had been reported at Mr. McCracken's office, but there was no report from Wilson and O'Donnell and Tahoka Jaycees were yet to turn in some receipts they had sold.

Mr. McCracken said they hoped to sell quite a few last-minute customers on Thursday.

Don Earley, 26, Dies of Burns

Donald Wayne Earley, 26, reared at Redwine the son of Mr. and Mrs. C. B. Earley, now of Morton, died early Thursday in a Levelland hospital from burns received early Wednesday morning at a service station where he was working.

Funeral services have been set this Friday afternoon in the First Baptist Church at Levelland.

While working at the service station Wednesday at about 6:00 a. m., Don's coveralls became saturated with gasoline and somehow ignited. He ran out into the street and people living nearby are said to have grabbed quilts and wrapped around him to extinguish the flames, but not before he had been critically burned.

Don was reared at Redwine and attended Tahoka schools. He had been at Levelland about ten years.

Survivors include his parents, Mr. and Mrs. C. B. Earley of Morton; a brother, Kenneth, of Levelland; a sister, Joyce, who lives in Missouri; and his grandparents, Mr. and Mrs. E. P. Hale, also formerly of Redwine, who now live in Levelland.

Miss Davidson's Rites On Sunday

Miss Louise Davidson, 42, ill for about a month, passed away Saturday morning in Mercy Hospital in Slaton. She lived east of Wilson on route 2 with her parents, Mr. and Mrs. F. M. Davidson.

Funeral services were held Sunday at 3:30 p. m. in the First Methodist Church of Southland with Rev. Elmer Crabtree of Plainview officiating, assisted by Rev. Ronald Davidson of Slaton. Burial followed in Southland Cemetery.

Mrs. McDaniel Is Out of Hospital

Mrs. S. N. (Alice) McDaniel, 95, pioneer resident of Lynn county and wife of the first county clerk, has been in the hospital at Weatherford, her son-in-law, Homer St. Clair of Garner, writes The News, but she expected to be released Tuesday.

Mrs. "Mack" has gotten to where she can't see to read, and Homer says this is about the hardest thing she has faced. Friends may write her at Garner, Texas, where Mr. and Mrs. Homer St. Clair live.

Miss Marsha Scoggins, girls basketball coach, was admitted to Methodist Hospital Monday. She was expected to be released Thursday.

D. C. Davis was released from Tahoka Hospital Tuesday. He was treated there for pneumonia for about three weeks.

Lynn county has ginned between 155,000 and 158,000 bales with only a little scattering cotton yet to be ginned. The News estimated Thursday morning on the basis of previous reports of gins.

Tahoka had ginned a total of 28,264 up to Thursday morning. One gin reported it was through, another estimated about 50 more bales to gin, and two others said there would be "a few more." This was 1,686 bales more than the report of two weeks ago, when 26,698 had been ginned locally.

Grassland, where the crop was extremely late and most of the cotton has been ginned since January 1, reported a total of 8,300 bales handled by the two gins, an increase of 1,650 bales since the report of two weeks ago.

The News made no survey of other county gins this week, but they likewise are virtually through for the season.

Indications are that the final bale count will fall a little below 160,000 when figures are adjusted for cotton ginned from out of the county, which is usually done by the U. S. Bureau of Census in March.

The crop has turned out much better than almost anyone predicted earlier in the year, when most guesses ran from 120,000 to 130,000 bales.

"Zeke" Waldrep Is Buried Here

C. E. (Zeke) Waldrep, 62, of route 5, Brownfield, died Monday at 12:45 a. m. in Tahoka Hospital, where he had been a patient several weeks. He had been in critical condition for three months.

Funeral services were held Tuesday at 2:30 p. m. in the Sweet Street Baptist Church with Rev. Cletus Caswell of Woodrow, Rev. D. W. Copeland of Knapp, and Rev. Gene Tone of Union officiating. Burial was in Tahoka Cemetery under direction of White Funeral Home.

Mr. Waldrep was born July 24, 1900, in Hamilton county, and came to Lynn county in 1915 from Eastland county. A farmer, he was a member of the Baptist Church and Masonic Lodge. He was married to Mrs. Anna Dyer June 16, 1950, at Union in Terry county, where the couple made their home.

Survivors include his wife; one daughter, Mrs. Richard Monfrini of Belton; two sons, Lloyd of San Antonio and Dan of Austin; his parents, Mr. and Mrs. J. J. Waldrep of Tahoka; three sisters, Mrs. S. E. Fallin of Tahoka, Mrs. J. B. Roberts of Welch, and Mrs. Gertrude Dubbs of Concord, Calif.; two brothers, Hermon of Chino, Calif., and Joe of Bridgeport; three step-daughters, Mrs. Lena May Gunter, Mrs. Joyce Robinson and Mrs. Frances Hansard, all of Brownfield; four step-sons, H. S. Dyer of Brownfield, Roy Dyer of Fort Hood, Charles and Jim of the home; eight grandchildren and 12 step grandchildren.

White Funeral Home and Cicero Smith Lumber Co. are the features this week of the "Neighbors on the Job" series by caricaturist "Hut" Hutson on inside pages of this issue of The News.

Lynn County Soil Conservation District News

E. R. BLAKNEY HAROLD PAYNE
WARD EAKIN BOYD BARNES
MELVIN WUENSCH

More and more farmers and ranchers are inquiring about the Great Plains Conservation Program as time progresses.

The GPCP is a long range program. Its purpose is to assist farmers and ranchers in carrying out approved plans of operation for the mitigation of climate hazards and the protection of their land from erosion and deterioration by natural causes. Achievement of this purpose will bring about greater stability for the agriculture of the area.

To participate in the program, a farmer or rancher shall furnish a plan of operations, satisfactory to the Secretary, which incorporates needed cropping systems and land use changes along with needed soil and water practices in proper combinations. The plan of operation shall include a schedule for carrying out these measures within a period of not less than three years and not to exceed ten years.

The Secretary of Agriculture is authorized to enter into a contract with such a farmer or rancher to

assist him in carrying out his plan of operations. The contract will assure the farmer or rancher of needed cost-sharing assistance in carrying out his individual plan as rapidly as conditions permit.

Conservation practices for which cost-share is available are terraces (small or parallel), diversions, grass seeding, underground irrigation pipeline, land levelling, windmill wells, storage facilities, farm ponds, brush control, range seeding, and others.

Anyone interested in the program can contact one of the District Supervisors or the Soil Conservation Service.

Excess Acreage Deadline March 4

Farmers have until March 4 to file at county ASCS offices for more cotton acreage or for release of acreage allotted to their farm for 1963, according to B. G. Reeves, Extension Service cotton pinner and mechanization specialist.

Farmers desiring additional cotton acreage for 1963 should make application, in writing, as soon as possible but before the deadline of March 4. Cotton released elsewhere may be available for redistribution in Plains counties.

Also, farmers not desiring to plant all their allotment may release unwanted acreage to the ASCS committee for reapportionment and yet preserve the allotment history of his farm. Allotments can be released from a farm for two years with no effect on allotment history, but cotton must be planted on a farm every third year to maintain the acreage history of that farm.

However, any acres reapportioned in excess of the 1963 allotment will be for one year only and do not affect in any way the base of the farmer receiving additional acre allotments.

"Cotton acreage allotments are a valuable part of a farm's inherent values," Reeves says, "and every farmer should protect his title to them."

Oberlin College in Ohio was the first college to confer degrees on women.

Grassland News

(By Mrs. O. H. Hoover)

Joan Smelser spent the time between semesters with her parents, Mr. and Mrs. C. R. Smelser. She attends McMurry in Abilene.

Mr. and Mrs. Sam T. Hoover and two children of Levelland visited Mr. and Mrs. O. H. Hoover Sunday afternoon.

Pete Moore is spending the semester vacation with his parents. He attends A&M College.

Mr. and Mrs. Harold Blackstock and children of Morton spent last week end with her parents, The C. R. Smelers.

Mrs. W. A. Oden visited the Hershell Oden family in Levelland two days last week.

Mr. and Mrs. E. B. Gregg went to Savannah, Ga. for Mrs. Gregg to have a medical check up. They are back home now.

Mr. Peter Gerner's youngest brother, Gottlob Gerner, passed away in Bessie, Okla. last week. Nieces and nephews from here attending the funeral services were Mr. and Mrs. Amos Gerner, Mr. and Mrs. Rufus Gerner, Mrs. Emma Muller, Mrs. Alene Brewer and Lee Mason.

Mr. and Mrs. C. O. McCleskey and grandchildren had lunch with the W. G. McCleskeys last Friday. Mrs. Bobby Ferguson and baby of Spur are here visiting her parents, Mr. and Mrs. A. E. Riley.

Mr. and Mrs. Bert McDonald's two boys are sick with chicken pox.

Bobby Patterson goes back to Fort Hood this week after a 30 day furlough at home.

Miss Louise Gerner of Dallas spent the week end with her folks because of car trouble. Mr. and Mrs. Amos Gerner took her home Sunday afternoon and returned home Monday with their son Jerry and friend, Jerry Baker.

Mrs. Hoover spent two days in Methodist Hospital in Lubbock with kidney stones. Mrs. Huston Hoover came and stayed with Mr. Hoover while she was gone. Both are improving.

Mr. and Mrs. C. M. Greer had lunch Sunday with Mr. and Mrs. N. O. Townsen and then visited the A. L. Faubians in their new home in Lubbock. They also visited Mr. and Mrs. Robert Donnell, former resident of this community.

Celebrating their birthdays Sunday in the home of Mr. and Mrs. C. A. Walker were Kathryn Moore, the Walker's daughter, and Mrs. Marilyn McGrew. Others attending were Mrs. Jim McGrew, Mr. and Mrs. Doyle Terry and children, Mr. and Mrs. Doyle Rains and daughter, Robin, and Bill Moore and Christy, all of Lamesa.

Mrs. Amos Gerner and Laura visited Jimmy Wells in the Garza Hospital one day last week.

Jerry Gerner and Jerry Baker visited in Denton last Monday and in Sherman with Benny Stanley who is in the Air Force there.

Mr. and Mrs. Kenneth Turner and family of Tahoka were week end guests of his parents, the L. S. Turners.

Mrs. E. M. Norman had major surgery Jan. 23 in West Texas Hospital in Lubbock. She is reported doing well and expects to come home late this week.

Mrs. Amos Gerner attended the wedding of Miss Jane Frances in Post Saturday night at the First Baptist Church.

Miss Tommie Hall of Lubbock is staying with her grandparents, the W. P. Thomases while her mother takes her mid-term exams at Tech. Dennis Haley of New Home was

Citizens Band Is Organized Here

Lynn County Citizens' Band was organized here Friday night when about thirty short-wave radio enthusiasts met.

Granvel Ayer was elected president; Shorty McLaurin of O'Donnell, vice president; and B. W. Hobbs of Wilson, secretary.

Directors are Dan Curry and Frank Palady of Tahoka, Burley Brewer and Billy Gardenhire of O'Donnell, and Alton Hobbs and Bob Smith of Wilson.

Ayer says about 48 Lynn county people hold Federal communication licenses, and there are fully that many two-way communication systems in operation.

Legal Notices

NOTICE TO BIDDERS
Notice is hereby given that the Commissioners' Court of Lynn County, Texas, will receive sealed bids until 10:00 O'Clock A. M. on Monday, February 25, 1963, at the Office of the County Judge in the Courthouse at Tahoka, Texas, for the sale of the following:

The old sheetiron building located on Lot No. 8, Block 20, Original Town of Tahoka, Lynn County, Texas, and commonly known as the Old County Sewing Room.

Said Building to be torn down and removed from said Lot by April 15, 1963.

The County reserves the right to reject any and/or all bids.
By Order of the Commissioners' Court of Lynn County, Texas, Jan 28, 1963.

W. M. MATHIS, County Judge, Lynn County, Texas, 18-2tc

Mrs. O. E. Corley was admitted to Tahoka Hospital Tuesday night as a medical patient.

An overnight guest of Jerry Gerner Saturday night.

Mr. and Mrs. Amos Gerner visited the White River Dam site Sunday. They report good progress being made.

Whites Observe Anniversary Here

White Funeral Home is a relatively new name to an old firm, now owned and operated by Martin and Billie White, who came here in 1955 as manager of Stanley Funeral Home and bought the business on February 1, last year.

Over a period of 40 years, the business has been owned by George Small, J. K. Applewhite, W. M. Harris, Neal and Joyce Stanley. Mr. Harris built the present funeral home building back in the 1920s.

The building has been remodeled several times, and just recently it has been greatly improved, redecorated, and now has modern equipment as may be found in almost any city. The firm has two air-conditioned oxygen-equipped ambulances. In related services, the firm also offers burial and whole-life insurance service, monuments and markers.

Mr. and Mrs. White and Borden Davis are all licensed in their trade and have had many years training and experience. They feature friendly, courteous, and helpful service to those who need their services, and try to conduct services on a dignified basis.

Martin White, born at Winters, graduated from high school at Sudan, attended Naval Laboratory School, Navy Hospital Corps School, Landig College of Mortuary Science in which he holds a lifetime scholarship, and University of Wisconsin.

He is a member of Texas Funeral Directors and Embalmers Association, the National Funeral Directors and Embalmers Association, Texas Honorary Society of Medical Technologists, the Masonic Lodge, and the Church of Christ.

Before coming to Tahoka, he had experience in the Navy, in funeral homes at Littlefield and Clovis, and managed Higginbotham Funeral Home at German.

His wife, Billie, whom he married in 1948, was born in Scurry county, graduated from Littlefield

High School and Commonwealth College of Science, and is a member of Texas and National Funeral Directors and Embalmers Associations, and the Church of Christ. The Whites have three sons, Richard, Randy and Gary.

Borden C. Davis, born in Desdemona and a resident of Lynn county since 1919, and a graduate of Tahoka High School, is also a graduate of Smith's School of Embalming in Dallas, receiving his license in 1929 and practicing the profession for 34 years. He owns a hardware and furniture store, but fills in at the funeral home any time he is needed. Few men in this area have had more experience embalming, funeral directing, and ambulance calls. He and his wife, the former Minnie Curry, have one daughter, Mrs.

Dan (Gwynelle) Brookshire and two grandchildren, who live in Brownfield. The Davises are active in the First Baptist Church.

Martin says: "During this time when the county is celebrating its 60th anniversary, we wish to express our gratitude for the trust and confidence placed in us during the time we have been here."

DRUGS ARE DONATED

In an unprecedented contribution, American drug companies donated more than \$30 million worth of drugs for the release of the Cuban freedom fighters held captive by Fidel Castro. Estimates say the contributed drugs will cover virtually all medical needs for Cuba for two years.

Lynn County's 60th Anniversary gives us the opportunity to thank our neighbors for letting us have a part in our county's growth.

To the many fine families who let us come into your homes in time of sickness and sorrow—during this first year of our ownership and during prior years of management—we are indeed grateful for the trust and confidence you have placed in us.

It is our desire to continue serving you, when needed, to the best of our ability.

—The Martin Whites and Borden Davis.

Martin White, now in his 9th year serving you, joined Stanley Funeral Home in 1955 as manager, purchased the firm February 1, 1962.

Rebecca Gregg Becomes Bride of Gerald G. Huffaker Here Friday

In a double ring ceremony read Friday at 4:00 p. m. Miss Rebecca Mae Gregg became the bride of Gerald G. Huffaker in the home of the bridegroom's parents.

MRS. GERALD HUFFAKER

Rev. Paul McClung, pastor of the New Home Baptist Church, read the vows in the living room of the home before a mantle decorated in stock and large white chrysanthemums flanked by candleabra with white tapers.

Parents of the couple are Mr. and Mrs. E. M. Gregg of route 4, Tahoka, and Mr. and Mrs. Calloway Huffaker of Tahoka.

Mrs. Harold Green played traditional wedding music.

Given in marriage by her father, the bride wore a white wool suit with a slim skirt and a semi-fitted jacket accented at the neckline by pastel mink in an autumn shade. She wore a white satin pillbox hat and beige accessories. The bridal bouquet was a beige cymbidium orchid surrounded by white feathered chrysanthemums carried atop a white Bible.

Miss Betty Taylor, maid of honor, wore a double knit sheath dress in sea green color featuring long sleeves. She carried a noseyay of white carnations.

Karl Prohl served as best man. A reception was held in the

home following the ceremony when the dining table was centered with yellow chrysanthemums and acacia.

For a wedding trip the bride chose a sapphire blue wool suit with black accessories.

The bride is a graduate of New Home High School and is a junior at Texas Tech majoring in history education. She has been an officer of Association of Women Students for West Hall.

The bridegroom is a graduate of Tahoka High School and is a senior at Texas Tech majoring in accounting and pre-law. He is a member of Saddle Tramps and is employed by Standard Abstract Company.

The couple will make their home at 1606 Ave. T in Lubbock, where they will continue to attend classes at Tech.

Mrs. Bray Reviews Book At WMS Meet

Mrs. A. M. Bray presented a review of the book, "Beyond Ourselves" by Catherine Marshall, Monday afternoon at the meeting of the Woman's Missionary Society in Fellowship Hall of the First Baptist Church.

During a social period, tea and coffee were served to about 45 ladies.

Church Dinner Is Sunday For Those Going To College

Presenting the merits of attending a Texas Baptist college or university will be the purpose of the "College Decision Dinner" at the First Baptist Church Sunday from 5:00 to 7:00 p. m. The dinner is being held for the second year for Baptist juniors and seniors in Tahoka High School.

Informative displays on each of the eight Baptist colleges in the state will decorate the Fellowship Hall where the dinner is to be. Each display will present valuable information concerning the merits of the particular school. Catalogues, annuals, and pamphlets explaining what each school has to offer will be available to the students.

A varied program designed to answer the student's many questions about college is being planned for the dinner. The highlight of the program will be a talk by Mr. Holt Sodemman of Plainview. Mr. Sodemman is the director of student recruitment for Wayland Baptist College.

Recital Saturday For Piano Students

Mrs. Marcus Edwards is presenting piano pupils in a recital at her home Saturday, Feb. 2.

Those playing at 2:30 p. m. are Kathy Stevens, Georgia Thomas, Nancy Louder, Joel Carter, Cindy Park, Judy Park, Jodi Norman, Judy Norman, Susanna Warren, Cindy Gibson, Carolyn Cox, Debbie Wright and Debi Thomas.

Pupils playing at 3:30 p. m. will include ensemble numbers. They will also play in the South Plains Music Teachers ensemble program to be given at Monterey High School auditorium in Lubbock in March. These include Sheila Kay Tankersley, Jan Brookshire, Cathy Wells, Kim Turner, Carol Thomas, Jeri Southern Wells, Tonia Dorman, Debra Webb, Karen Elliott, Ja Jean Jaquess, Donna McAllister and Lexi Adams.

Pythian Sisters Hold Game Party

Pythian Sisters met at the WOW Hall Tuesday evening for a game party and dinner and invited guests on the open date.

A gift was presented the outgoing Most Excellent Chief, Winnie Spruill.

The next meeting will be on Feb. 5 when new officers will be installed.

Hostesses for the party were Dorothy Kidwell, Pauline Warren and Myri Mathis.

Congratulations-

Mr. and Mrs. Emil Anton Raindi on the birth of a daughter at 1:10 p. m. Sunday in Tahoka Hospital.

Mary Lyn weighed eight pounds, eight ounces. She has a big sister, Cindy, who is nine years old, and a big brother, Tim, who is two.

Mr. and Mrs. William Lloyd Emerson of route 5, Tahoka on the birth of a son in Tahoka Hospital at 12:19 p. m. Tuesday.

Weighing seven pounds, four ounces, he was named Sam Howard. The Emersons have two other sons, Danny Lloyd, five, and Johnny Glenn, three.

MRS. TOMMY STELL was the former Miss Linda Kay Roper before the couple's marriage on Saturday, Jan. 19. Parents are Mr. and Mrs. Claud Roper of route 2, Wilson and Mr. and Mrs. David Stell of route 1, Slaton. They will make their home in Lubbock where they are Texas Tech students.

Mrs. Thomas Gives Lesson At WSCS

Woman's Society of Christian Service met Monday at 9:30 a. m. in Mrs. Roy Edwards' home.

There were 14 members present to hear Mrs. Skiles Thomas give the last lesson on the study "Today's Children for Tomorrow's World."

Circles will meet next Monday, the Faith Circle with Mrs. A. M. Bray. Margaret Circle meeting will be announced later.

Mr. and Mrs. Eddie Meyer and two children have recently moved from Fort Worth to Longview, according to Mrs. Meyer's mother, Mrs. Frankie Sargent. Mrs. Meyer is the former Miss Sue Sargent.

Cicero Smith Is In Sixtieth Year

At the same time Tahoka and Lynn county are celebrating their 60th anniversary, Cicero Smith Lumber Co., in Tahoka more than 40 years, is likewise observing its 60th year of organization.

J. Lee Johnson III of Fort Worth is the president, and of interest is the fact that Mrs. Johnson is the daughter of the late Amon G. Carter of the Fort Worth Star-Telegram. Both have visited Tahoka frequently, and Mr. Johnson once spoke at the annual Chamber of Commerce banquet here.

Also of local interest is the fact that an old Tahoka and New Home boy, Floyd E. Goad, is a vice president of the firm.

The firm deals in a complete line of building supplies, turn-key building jobs, tools, paints, electrical and plumbing supplies as well as lumber.

Manager is Ronald Sherrill, who was born in Knox county and came to Draw, Lynn county, with his parents when he was about four years old. He attended school at Draw, and went to work for Cicero Smith on Feb. 15, 1943, and this is his 20th anniversary with the company and in the building trades.

Ronald has long had a big hand in civic affairs, has been on the Chamber of Commerce board several years, served as a member of Tahoka City Council, and has long been active in the Rotary Club, in which organization he is currently serving as secretary. He and wife, Mildred, have two young sons in whom they take pride. Darryl Mac and Delwyn Lane, and the family attend the Church of Christ.

Lee Owens, who came here from Vernon last November 1 as assistant manager, is a brother of Carl Owens of Lubbock, a former manager of the firm here. Lee was born at Hillsboro, attended school in Tipton, Okla., and has been with Cicero Smith since May 5, 1916, 47 years. He and his wife, Iva, have three children, John, Frank and Jayne, and they also attend the Church of Christ.

Rudolf Hess, Nazi Deputy Führer, landed in Scotland by plane on May 10, 1941.

Honor Roll For New Home Schools

First semester honor roll New Home High School includes 11 students, listed as follows:

Ninth grade: Dickie Turner and Randy Unfred.

Tenth grade: Diane Newman, Alice Nunley, Eddie Jo Halford, and Donna Morris.

Eleventh grade: David Unfred, Jerry Todd, Elton George, and Dave Hancock.

Twelfth grade: John Lynn Edwards.

Making the honor roll during the past six weeks term were:

Third grade: Alicia Cardona, Celia Estrada, Jodie Halford, Terry Norman, Patti Phifer, Juanita Rodriguez, Pam Zant, Greta Corbell, Becky Blevins, Adella Hernandez, Robyna and Rodney Nettles, Terra Nieman, Rodney Overman, Melody Peek, Virginia Smith, Judie Wilkinson.

Fourth grade: Jeanne Bruton, Danna Corbell, Sophia Estrada, Linda Upchurch, Jackie Clements, Junior Estrada, Jonette French, Bonnie Inman, Rickey Maloney, Annie Rodriguez.

Fifth grade: Sonya and Tanya Armstrong, Harlen Bruton, Vickie Ewing, Ronny Farr, Kay Lewis.

Debe Moore, Sandra Schoppa, Roy Smith, Francis Timmons, Vicki Unfred.

Sixth grade: Stanley Gill, Kathy Hancock, Lera Nettles, Laura Sealy, and Guy Zant.

Seventh grade: John Cole and Marilyn Hill.

Eighth grade: Larry Brent, Rhonda Gill, Susan Hancock, Yuonna Moore, Yvonne Nettles, Sandy Newman, Sidney Sealy, Donnie Todd, and Nancy Unfred.

Ninth grade: Dickie Turner and Randy Unfred.

Eleventh grade: David Unfred, Jerry Todd, and Dave Hancock.

Twelfth grade: John Lynn Edwards.

MRS. LARRY EDWARDS (nee Miss Mary Lee Carpenter)

Mary Lee Carpenter And Larry Edwards Take Wedding Vows In Snyder Friday

Miss Mary Lee Carpenter and Larry Strain Edwards exchanged double ring marriage vows Friday evening in the Ave. D Baptist Church in Snyder. The ceremony was read by the bride's father, Rev. O. D. Carpenter, pastor of the Snyder church. Rev. G. M. Rogers assisted.

Parents of the couple are Rev. and Mrs. O. D. Carpenter of Snyder and Mr. and Mrs. J. B. Edwards of New Home.

Nuptial selections were presented by Miss Kathleen Mott, organist; Wallace Sherez, soloist; Misses Karen, Mary and Deanna Carpenter, trio; and Mrs. Frank A. McDonald, soloist.

The bride wore a waltz length gown of Alencon lace over tulle. The princess lines of the bodice

were highlighted by a Sabrina neckline re-embroidered with iridescent sequins. The bouffant skirt was fashioned with lace ruffle inserts at the back. Her veil of silk illusion fell to shoulder length from a tiara of seed pearls and sequins. The bride carried a white orchid arrangement atop a white Bible, gift of the Young Woman's Auxiliary of the University Baptist Church in Abilene.

Miss Deanna Carpenter was her sister's maid of honor. Miss Karen Carpenter, another sister, and Miss Linda Whitton of Cross Plains served as bridesmaids. They wore identical dresses of red velvet. Bodices featured deep necklines and the skirts were pleated. Their head dresses were of red velvet and their flowers were arrangements of white gladioli.

John Lynn Edwards of New Home, brother of the bridegroom, served as best man. Roy Graham and Jim Towns were groomsmen. Hillman Kirby and Duane Lindsey ushered the guests and lighted wedding tapers.

Miss Cindy Davis of Abilene was flower girl and Dee Stephen Carpenter, brother of the bride, was ring bearer.

A reception was held in Fellowship Hall of the church. Misses Jackie Dean, Monnete Lewallen and Ann Bryant of Abilene were in the houseparty. For a wedding trip to Dallas,

Order of Rainbow Installs Officers

Installation of officers of Tahoka Rainbow Assembly was held Saturday night in Masonic Hall when Miss Billie Smith became Worthy Advisor.

Mrs. H. W. Carter was installed as Mother Advisor, succeeding Jane Moorehead, who has served in that capacity many years.

Installing officers included Vickie Hamilton, Janis Gattis, Martha Bell, Nedra Young and Patricia Sikes.

Other new officers installed at the hall, decorated in colors of orchid and white, were Sarah Wells, Worthy Associate Advisor; Carla McNeely, charity; Barbara Orr, hope; Vivian Short, faith; Linda Hale, recorder; Barbara Brown, treasurer; Pam Roberts, chaplain; Leah Short, drill leader; Marla Bray, love; Donna McAllister, religion; Vicki Jacobs, nature; Kay Lambert, immortality; Chloe Jan Huffaker, fidelity; Lacye Walker, patriotism; Jill Edwards, service; Davaughn Evans, confidential observer; Joy Thomas, outer observer; Linda Thomas, musician; Paige Verner, choir director.

Mrs. Winston Davies of New Home spent Friday night and Saturday in Snyder visiting her daughters, Ann Walton and Sue Reese and families. She attended the wedding of Larry Edwards and Mary Carpenter Friday night. On Sunday, Mr. and Mrs. Davies visited another daughter, Mrs. Charles (Billie Jo) Freeman and family in Crosbyton.

Molly Pitcher took her husband's place in the Battle of Monmouth in 1789, as he lay dying beside his cannon.

Huey Long, shot while in the Louisiana capitol, died September 10, 1935.

The bride chose a three piece red and white wool suit with white fur hat and black shoes and bag. The bride is a graduate of Snyder High School and is a student at Hardin Simmons University, where she is a member of the A Capella choir. She formerly attended Hendrick School of Nursing. She is a pianist and secretary for the University Baptist Church in Abilene.

A graduate of New Home High School, Edwards is also a student at Hardin Simmons University, is vice president of the Student Senate, senior favorite, member of Tau Alpha Phi, Alpha Chi, University Quartet, and A Capella choir. He was named to Who's Who in American Colleges and Universities at Hardin Simmons. The couple will reside at 1641 1/2 North 21st, Abilene.

March of Dimes Helps Save Boy

Here's Johnny at age one after first operation . . . and today, leading a normal life at age four.

At his fourth birthday party, Johnny Wilson's big blue eyes sparkled as his mother carried in the most magnificent cake he had ever seen.

It was shaped like a huge boat plowing its way through mountainous waves of whipped cream and icing. Johnny's winsome smile beamed at friends and he gave out kisses all around.

It was a happy affair. Yet at one time, Johnny's parents had little hope he would live to celebrate even his first birthday. For he was born with the often fatal birth defect of water on the brain, or hydrocephalus.

Surgical treatment saved Johnny's life when he was three months old. At that time, doctors performed what is known as a shunt operation. They inserted in Johnny's head a plastic tube which allowed excess fluid from the brain to be harmlessly absorbed by the youngster's body.

Without the operation, fluid within the brain is prevented from taking its normal course,

and causes the head to swell enormously. This is what had happened to Johnny. (If shunt surgery is not performed in time, mental retardation and blindness may ensue, even death, in certain cases.)

Since 1956, doctors have performed two other shunt operations and have treated Johnny for gastroenteritis and septicemia.

Today, Johnny leads a relatively healthy, happy and care-free life. Like any other little boy who lives on a farm, he loves to hug lambs, chase cows and tease chicks on the family's 100 acres near Columbus, Ohio.

He is a good example of thousands of afflicted children being helped to live nearly normal lives through a unique medical care program financed by The National Foundation-March of Dimes.

Babies with birth defects are born every other minute in the United States, 250,000 of them each year, almost 700 each day.

Johnny goes regularly to a special Birth Defects Clinical Study Center at Children's Hospital, Columbus, supported by March of Dimes funds.

It is one of more than 30 similar centers across the na-

tion set up for the study and treatment of birth defects.

At the center, trained specialists work together to help children with many kinds of birth defects. They include a neurosurgeon, orthopedic surgeon, internist, psychiatrist, physical therapist and medical social worker. They have put their skilled hands and minds to work on Johnny's behalf.

Every four months, Johnny's mother drives him to the center for his check-up. A doctor always measures his head to make sure there is no change in size. Since 1959, his head size has remained relatively constant.

Johnny is growing up to be an impish, energetic and friendly little boy who likes to do everything and go everywhere. Especially, he likes to wheedle rides on a pony at the next farm. He'll settle, though, for a tour on the tractor with his mother or father, Julia and John Wilson.

Like Johnny, other afflicted children who receive proper treatment may live to enjoy shooting cap pistols, watching television, singing songs or playing a toy banjo—with the best of four-year-olds.

TPA

Texan of the Year AWARD

Presented to
DAN BLOCKER
OF BOWIE COUNTY TEXAS

THIS AWARD is presented on behalf of the Daily and Weekly Newspapers of Texas to **DAN BLOCKER**, who truly measures up to a Texan's yardstick of a real Texan. It is tendered in appreciation of the high honor and distinction he has brought to the Lone Star State.

DAN BLOCKER's role as Hoss Cartwright on NBC-TV's Bonanza series is natural casting. In real life, as in his character part, the word of this modest and unassuming Texan is as good as his bond.

This gentle giant of a man had to have a big body for such a big heart.

Texas newspapers salute him for what he is, as well as for the fame he has brought to our great State.

☆☆☆

Presented by The Texas Press Association on Jan. 26, 1963 at TPA's Mid-Winter Convention in San Antonio, Texas

SOCIAL SECURITY MAN TO BE IN TAHOKA FEB. 11

Relying on a well-meaning neighbor's advice about social security benefits may prove to be costly if the neighbor is unaware of the most recent amendments to the social security law.

The district manager of the Lubbock Social Security Office, John G. Hutton, pointed out that several hundred proposed changes to the social security law are introduced into Congress each session. While only a small number of these proposals become law, those that do may materially affect benefit rights. Such things as the amount of covered work a person needs to be eligible for benefits (less now than it used to be) or the amount of money a person can earn while continuing to collect benefits (more than it used to be) are affected by the amendments.

Neighbors may try to save a person a trip to the local social security office by giving advice on retirement benefits, disability payments or cash benefits to surviving widows and children of a deceased wage earner, but the only way to make absolutely sure that the information is up-to-date is to call or visit the office.

Many hundreds of dollars have been lost by persons unaware that those 72 years of age or older can earn as much money as they wish

Local People At National Meeting

Local people recently attending the National Telephone Cooperative Association meeting in Las Vegas, Nevada, report a great time and came home with much new information of telephone service that will be of help in administering Poka-Lambro Rural Telephone Cooperative.

Representing Poka-Lambro at the meeting were Manager W. D. Harmon, Attorney Mitchell Williams, Directors C. W. Roberts, George A. Sealy and Joe D. Unfred of Lynn county, Herbert Green and Irvin Snell of Dawson, and Lee Bartlett of Terry, and their wives.

Among the speakers were President James L. Bass of the national organization, Executive Manager David C. Fullerton, Administrator Norman Clapp of the Rural Electrification Administration, and O. L. Moody and C. R. Peck of Bell's American Telephone and Telegraph Co. of New York.

Fullerton and Clapp, unfired reports, answered some of the critics of loans for REA construction by the government. Fullerton stated "Now the present cost of money to the government is slightly more than 2 percent, but this is a period of inflated interest rates. During other periods the cost of money to the government has been lower than 2 percent, Congress felt — and showed it by enacting legislation to that effect — that 2 percent money was equitable both to the government and to the borrowers."

Clapp pointed out the major

Semester

Seniors, all A's, Billy Clinton, Patricia Hammonds, Carolyn Howard, Sarah Wells, Jimmy Wright; one B, Andy Bray, Betty Edler, Birger Ollrogge, Brooksie Reece, Roger Renfro, Tony Spruiell, Jerre Ann Wyatt.

Juniors, all A's, Allen Cox.

Sophomores, all A's, Dixie Ashcraft, Karen Laws, Jean Flippin; one B, Cherri Norman.

Freshmen, one B, Ralph Brock, Stella Howle.

Eighth grade, all A's, Maria Bray, Davaughn Evans, Chloe Jan Huffaker, Mariena James, Tommy Kidwell, Rhonda Lawrence, Sharon Mauldin, Paige Verner, Mitchell Williams, Donald Gosdin; one B, Deborah Jones, Wendell Medlin, Dusty Walker, Leah Beth Holloway.

A modern home is a place where a switch regulates everything but the children.

portion of REA loans are not to cooperatives. Of 797 REA loans to telephone borrowers, less than a quarter, 213 have been to cooperatives. Loans have totaled \$998 million, and of this only \$316 million was to cooperatives. These loans are bringing modern dial telephone service to 1,800,000 subscribers, 302,000 members of cooperatives.

Moody and Peck declared ETV — educational TV — is already here, outlined some of the developments, and pointed out the coming trend for use of television in educating children at all levels.

Gordon - Southland

(By Mrs. Edgar Moseley)

Nattie Kellum, the mother of Nellie Mathis, was surprised last Friday with gifts and a birthday cake on her 88th birthday. The gift cakes were left at the post-office with Mrs. Mathis. After the postoffice closed, she carried her the surprise. Mrs. Kellum's son and wife, Mr. and Mrs. Walter Kellum of Slaton, and granddaughter, Mrs. Jim Dulecham from California, visited throughout the evening.

Mrs. Stanley Smith and Debra of Canyon visited from Wednesday until Saturday with her parents, Mr. and Mrs. Jesse Ward.

Mrs. Carl Chilesat spent the week end in Corpus Christi with their daughter, Joan, who is attending the university there.

Rev. and Mrs. J. L. Gary from Ruidoso, N. M., and Mr. and Mrs. Walt Layman from Dallas visited their parents, Mr. and Mrs. Earl, over the week end.

Mrs. Hub Taylor, Mrs. Earl Lancaster, Mrs. Jack Hargrove, and Mrs. Eddie Fortson went to College Avenue Baptist WMU Quarterly Conference last Thursday night.

Mrs. Alpha Taylor, who has been with her son, Clarence Taylor, for the past three months, came home last Thursday from Nederland. Mr. Taylor has been bedfast since last February.

Little Terry Scott Smallwood is sick this week.

Jack Roberts, son of Mrs. J. O. Roberts, from Topeka, Kan., Air Force Base, is home with his mother until Feb. 2.

Cline Drake is ill at this time. Rev. Eddie Fortson went to the Baptist Convention in Dallas.

Mr. and Mrs. Harold Donahoo and two children of Lubbock and Mr. and Mrs. Claud Kelly and two children of Slaton visited in the Kenneth Calloway home over the week end.

Little Sunday Stewart from Gall is visiting her grandparents, Mr. and Mrs. Kenneth Davies.

The Rev. Turrentine of Lubbock preached at Southland Methodist Church Sunday.

Max Morris and Mrs. B. L. Cagbill of Lubbock visited in the Earl Morris home Sunday. Mrs. Cagbill is Mrs. Morris' sister.

Mr. and Mrs. Edgar Moseley went to Amarillo Tuesday, spent the night with their daughter and family, Mr. and Mrs. Jack Lancaster, and had a fish fry from a 25-pound catfish caught in Sugar Lake, Old Mexico.

Dougie Smallwood was honored on his 10th birthday Jan. 16 in the home of his parents, Mr. and Mrs. Arthur Smallwood. Those present were Mr. and Mrs. Fagan Ross of Slaton, Mr. and Mrs. G. N. Smallwood, Mr. and Mrs. E. C. Smallwood, Mr. and Mrs. E. C. Smallwood, Terry Scott, Mr. and Mrs. Hubert Pinkert, Steve and Janey of Lubbock, Mr. and Mrs. Joe Ross and Demetra of Slaton, Mr. and Mrs. Harvey Hancock, Tracy and Tony of Lorenzo, Mr. and Mrs. Don Bass, Lars Ann of Wilson, and Ronnie of the home.

Mrs. Jack Myers visited her mother, Mrs. O. M. Hart, at Spur Saturday. Mrs. Hart is in the hospital there.

The J. L. Hawthornes of Lockney visited Riley Wood last week. Relatives here for Louise Davidson's funeral were Mr. and Mrs. William Cato of Quanah, a cousin; Mrs. Ald Odle and Miss Mildred Burk, sisters of Louise's mother, Mrs. Fred Davidson, from McKinney; Mrs. Bennie Killian, a niece, from Fort Worth; Mrs. Gene Cato from Lubbock, Homer Cato from Post, Mr. and Mrs. E. C. Wells of San Angelo, and David Harpote of Plainview.

Shirley Lee, daughter of Mr. and Mrs. C. C. Lee, is now at college at HSU in Abilene.

Mrs. W. P. Lester, Joe Harrison, Sam Hoover and Randy Lida, all of Levelland, visited in the Ed Cummings home Sunday.

Mrs. H. H. King, Mrs. Homer Cleckler, Mrs. Eudy, Bessie Cox, and Cecil Seals all visited in the Brandshaw, Robert Lee Hagler and E. L. Hagler homes Monday.

RIGHT TO WORK

Only 16 of the nation's fifty states have laws that guarantee all men the right to work where and when they wish. And these laws are jeopardized by whims of the courts. — Greenburg, Indiana, Times.

Jerry Pennell flew to Huntsville, Ala., to be interviewed at Red Stone Arsenal Missile Base for work there.

Mr. and Mrs. Lewis Kuykendall and children of Littlefield visited his parents, Mr. and Mrs. J. M. Kuykendall, Sunday.

Mr. and Mrs. Vernon Scott and Mrs. C. B. Scott visited the Bill Pools in Big Spring over the week end.

Brenda Dabbs, student in Texas Tech, was home for the week end.

Mr. and Mrs. Earl Lancaster visited her sister, Mrs. Carl Foster, and Snappy in Lubbock Sunday.

Mr. and Mrs. Ed Denton went to Draw to be with her cousin, Tulla House from Fort Worth.

Mrs. Edgar Moseley and Mrs. Will Barton visited Mrs. Sam Martin Monday evening.

Still in critical condition at Taboka Hospital is Mrs. Bill (Corene) Cathart.

John B. Ray Finds Family He Knew Seventy Years Ago

Mrs. H. C. Louis, who works in the office of Robert Abbe, reports a meeting of old acquaintances that "tops them all."

Here is her story: Tuesday of this week, a man and his wife sat down at my desk to sign their income tax return. After they had finished, the man, Mr. John B. Ray from out near Central Baptist Church, 10 miles east of Tahoka, said to me, "Now, what is your name, lady?"

I told him my name, "Mrs. Louis," and spelled it out for him so that he'd understand it.

He then said, "Well, well, I haven't seen anyone by that name in 70 years."

I was immediately interested, and asked where he had known some 70 years ago some one by the name of Louis.

He told me that he knew a family in Bell county by this name, but that they had moved away when he was just a kid. Then, he began to name some of the children of the family, "Baldwin and Pearl, I remember . . ."

It just so happened that Baldwin was my husband's dad. Pearl

is my husband's aunt, and she lives in Lubbock. Baldwin Louis passed away about 10 years ago.

Mr. Ray insisted that we come out to see them some night, because he wants to talk to the son of Baldwin Louis, who is H. C. Louis of this city.

It is a small world, isn't it?

DEVALUING DOLLAR

Economists serving the Senate House Economic Committee have issued a report in which they recommend that the dollar be devalued. It isn't too likely to

happen, because the present Administration like the Eisenhower Administration, has vowed not to devalue. Citizens had better hope that our Government keeps this pledge, because devaluation would mean an instantaneous loss of the purchasing power of all savings — including billions of dollars in Government bonds bought because of faith in the Government's fiscal honesty. — Miles City, Mont., Daily Star.

Kind words never die — they just become victims of ingratitude.

Seagraves Wins Over Bulldogs

The Seagraves Eagles outscored the Tahoka Bulldogs there last Friday night 50-33 in a game that proved much better than indicated by the results. The local "B" team lost 53-40.

Taking a 12-9 first quarter lead, Seagraves stayed far in front of the local team, which couldn't hit the basket but played an outstanding defensive game. The Eagles led 28-15 at halftime and 38-22 at the end of the third period.

High point man for Tahoka was Billy Clinton with 10 points and was the only player hitting in doubt figures. Spot Johnson paced the winners with 13. The usual high scorer for the team, a Negro boy Bill Bean, was held to three points and was unable to get many shots at the basket. James Petty made 11 and Sam Faulkner 10 for the winners.

The loss was the first in conference play for the Bulldogs. The "B" game saw another Negro boy, Willey Bean, at the helm of the scoring, making 22 points and Hamilton added another 15 for the winners. However, Tahoka's team looked very good, both offensively and defensively. Stanley Renfro scored 15 for Tahoka.

Seagraves led 15-9, 28-21, and 40-29 at the end of the first three periods.

Seagraves led 15-9, 28-21, and 40-29 at the end of the first three periods.

NOBEL PRIZE WINNERS

Is it "chance" that prior to 1948 the U. S. and Britain were tied in the number of Nobel prizes awarded for medicine in each country... but in the years since Britain adopted socialized medicine she has produced only four Nobel medicine winners while the U. S. has produced 197 — Port Huron Times-Herald.

Ball Teams Play Away From Home

The Bulldog basketball squad travels to Wink tonight for a 5-A conference tilt and on Tuesday night goes to Sundown with the "A" and "B" girls' teams.

Although nearly all hope of a chance at the district title is gone, the Bulldogs still have a glimmer if O'Donnell and Seagraves lose two games before the schedule runs out and Tahoka can win the remainder of its games.

Tahoka has a 2-2 conference record and O'Donnell and Seagraves each hold a 4-0.

After the Sundown game Tuesday night, the Bulldogs will meet the conference foes on their home court, except for a Plains game on Feb. 15.

The girls team, with a 1-1 record, has a good chance of coming through. The main barrier will be the Sundown team, which defeated the local girls here.

Next Monday night, the four junior teams will play at Slaton with games starting at 5:30 p. m., and on Thursday night of next week the freshman boys and "B" girls play Slaton here at 6:00 p. m.

Idalou junior teams come here the following week and on Feb. 14, 15, and 16, the district junior tournament will be held at Slaton. The winners of the tournament will then play the winners of the round-robin schedule for the district titles.

SURVEY PLANNED

"A federal agency contemplates making a survey to determine how Americans spent their money."—Press report. Such a survey would most likely show that some 85 percent of the money spent goes to support federal agencies which go around making silly surveys.—Alamo News.

Junior Boys Win Plains Tourney

Tahoka eighth grade boys won first place in the Plains Junior Basketball tournament held there Saturday, and the seventh grade boys were second place winners.

Coach Gib Hough's eighth graders defeated Tatum, N. M. 47-27 in the finals for the championship trophy. The seventh graders lost to Plains in the finals 32-23. It was the first defeat in any athletic event for that team.

The finals saw Mitchell Williams score 28 points for Tahoka with Milton Miller adding nine more and Raymond Chaps five.

With Plains winning the seventh grade division, Tahoka's Richard White led with seven points while Gary Brooks and Cliff Thomas scored six each.

In the first round games, the eighth grade team ousted Plains 33-21 with Williams, Miller and Chaps scoring 14, nine and five points respectively.

The seventh graders defeated Seagraves in the first round 20-21. Cliff Thomas hit the basket for 12 points and Richard White made eight.

Junior Teams In Split With Slaton

Four junior basketball teams played make-up games Thursday night of last week when Slaton teams came to Tahoka.

Tahoka won two seventh grade games and lost two eighth grade games, seventh boys 24-12, seventh girls 32-8, eighth boys 29-28, and eighth girls, 21-17.

Milt Pitts' seventh graders were ahead one point, 5-4, at the end of the first period, but held Slaton scoreless the next two quarters leading 13-4 at the half and 20-4 at the end of the third. Cliff Thomas scored nine points and Gary Brooks six for Tahoka.

Seventh grade girls had no trouble defeating Slaton after leading 16-3, 22-5 and 28-5 at the end of the first three quarters. Quaydene Pool scored 10 points and Loretta Webb eight for the winners.

Although trailing from the start, the eighth grade girls came close to catching up with the Slaton team, which led 31-10, 4 and 17-12 the first three periods. Teresa Mason was responsible for nine points for Tahoka and Carolyn Cox added five points.

Slaton went ahead 8-4 at the end of the first quarter in the eighth grade boys game, but the score was tied 13-13 at halftime. The Tigers pulled ahead again to lead 26-18 in the third. Mitchell Williams hit the basket for 11 points and Milton Miller had seven.

Eighth Grade Loses, Seventh Grade Wins

Post junior basketball teams lost two games to seventh graders and won two from eighth graders here Monday night as the schedule heads into the home stretch.

The seventh grade boys won 25-21, the girls 16-13. Eighth grade boys lost a close one, 37-36, and the girls lost 16-7.

The eighth grade boys led the first half, the score standing 10-7 at the end of the first period and 18-15 at halftime. Post overcame the Tahoka team in the third to lead 28-22 and the local eighth graders nearly caught up in the final six minutes. Mitchell Williams scored 25 points for Tahoka and Jerry Jolly made nine.

Tahoka's eighth grade girls couldn't get started in the first half and Post led 4-1 and 8-1 in the first two stanzas. Third period score was 12-4. Teresa Mason took scoring honors for the local team with four points. Chloe Huffaker made two and Jill Edwards one.

The seventh grade boys continued their conference winning streak leading 12-0, 17-3, and 21-3 in the first three quarters. Post came into its own in the final period scoring a total of 19 points for the game to end 25-21. Three boys made six points for the winners, Richard White, Doyle Schneider and Cliff Thomas.

Another hard fought battle was the seventh grade girls game when the local team got revenge for an earlier defeat. Tahoka led 4-3 and 7-5 when the first two quarters ended, pulled away to 12-7 at the end of the third and were successful in holding Post off in the fourth. Loretta Webb scored nine points for Tahoka, Brenda Drager made four, and Quaydene Pool three. Outstanding defensive action was displayed by guards Vicki Jacobs, Frances Chaps and Beverly Falls.

In 1626 Peter Minuit purchased Manhattan Island from the Indians for trinkets worth about \$24.

O'Donnell Takes Tahoka 53 to 51

Tahoka Bulldogs lost a heart-breaker in a make-up conference basketball game to the O'Donnell Eagles there Saturday night by a score of 53-51. The loss gave the local team a 1-2 conference record and left O'Donnell and Seagraves each with a 3-0 record.

Originally scheduled Tuesday night of last week, the game was postponed because an official failed to appear.

The Eagles took a lead in the first stanza with the score standing at 13-7. Halftime score margin was widened to 25-16. The Bulldogs came back in the second half fighting for the game and narrowed the margin to 37-32 at the end of the third. Scoring 35 points in the second half, Tahoka came within three points with five minutes left in the game, and it looked as if the Bulldogs could pull the game out of the fire. The Eagles never let down, however, and stayed ahead to win by two points, proving again that a Tahoka-O'Donnell athletic event is anybody's game.

Charles Burleson set the basket on fire for the Eagles making 29 points and was the only winning player to make double figures. Billy Clinton scored 19 points for Tahoka, while Craig Leslie and Andy Bray each made 12.

Bulldogs Receive Jackets, Recognize "Chain Man" Chancy

Bill Chancy was honored by the Tahoka High School athletic department Friday when members of the 1962 Bulldog football team received their letter jackets.

In addition, the football queen, Dixie Ashcraft, received a jacket. Chancy was presented a blue blanket with his name and the words "Chain Carrier" in white letters. The presentation was by Jake Jacobs on behalf of the department.

He has carried the chain at both home and out-of-town games for Tahoka for 15 years and in

Bulldogs Take Plains Cowboys

Tahoka took a 61-54 conference victory over the Plains Cowboys here Tuesday night, while the "B" team dropped its game 48-27. With Plains having no girls team, Post girls came to town and defeated Tahoka 52-35.

The Bulldogs emerged from the game with a 2-2 record in District 5-A. Highlighting the local performance was accuracy at the free throw line, the Bulldogs sinking 78.4 percent, or 25 out of 32, of their free shots. Craig Leslie pumped in 28 points and Larry Forsythe made 11 for double-figure scorers. Plains' Ernie Anderson took 18 and Ronnie Hendricks 12.

Tahoka led 13-11 at the end of the first quarter but pulled away 37-17 at the half. Third period score was 40-28, but at one point Tahoka led by 15 points. In the fourth period the Cowboys came within four points.

Tahoka girls led the first two quarters of play, 15-13 and 27-23 before Post caught up and pulled ahead in the third stanza. At the end of that period the score was 42-30. Nita Wilson hit the basket for 36 points for the winners. Carolyn Howard made 15 for Tahoka and Louella Tomlinson made 11.

Plains led from the beginning in the "B" boys game, the score standing at 10-6, 25-10, and 35-17 at the end of the first three quarters. Lowe was high point man for Plains with 18. Stanley Renfro sank 14 points for Tahoka and Freddie Pierce made five.

all that time has missed only one game. The presentation was for his faithfulness and loyalty to the school and for the many hours contributed in being the Tahoka chain carrier.

Gerry Sherrill In Accident Wednesday

A Dawson county farmer was killed and a Lynn county man received minor injuries in a head-on collision of a pickup and a propane transport truck at the intersection of FM 179 and FM 213 in southwest Lynn county at 5:30 p. m. Wednesday.

Hollis Wilson, 47, of Dawson county died at 9:00 p. m. in a Lamesa hospital. He was the driver of a pickup heading north on FM 179.

Gerry Ken Sherrill, 26 year old son of Mr. and Mrs. Gus Sherrill of Draw, was driving the truck owned by his grandfather, Jeff Shook of O'Donnell. He was headed west and turning left off of FM 213. Sherrill was treated and released from a Lamesa hospital.

An unidentified farm worker, passenger in the pickup, was also treated and held for observation.

Help keep Tahoka clean.

WHEN YOU DO SOMETHING WRONG, MAKE A POINT TO GET CAUGHT

By Cal Farley in Boys Ranch Roundup
"Nothing is worse than doing something wrong and not getting caught at it."

This sage bit of philosophy came not from a trained psychologist or an unusually observant adult but from one of our own Junior Staff Leaders, 17-year-old Leon Martin of Hereford, Texas, as we discussed some of the problems boys seem to have when they first come to the Ranch. I was struck with the understanding and clear reasoning of this fine young man because he was voicing an opinion I and a good many others have held for a long time. The one difference, however, is that I reached my conclusion only after many years of experience in working with the type of boys we have at Boys Ranch.

Just to sound him out, I asked Leon exactly what he had meant by that statement and I was pleasantly surprised when he said that, in some ways, it had two meanings. The most obvious one, he explained, was that if a boy did something wrong and was not caught and corrected right then and there, he would probably do it again.

Then, if he was permitted to get away with small wrong-doings, it wouldn't be long before he would try something bigger, finally graduating to serious offenses that would result in loss, damage or personal injury to some innocent person and apprehension and prison for himself, usually bringing shame and hardship on his family. "Nothing is worse than doing something wrong and not getting caught at it."

Leon went on to explain the second meaning which concerned some people who, through a peculiar mental quirk, would do almost anything, including committing a crime, to bring attention to themselves and thereby, recognition. He had read somewhere that this could be an all-consuming urge and this is frequently true.

Police files contain hundreds of cases where an offense is committed with no clues whatsoever as to who the offender is, and yet he is eventually apprehended simply because he was not getting the attention he felt he deserved and had to brag to someone of his "accomplishments." It is nothing more than human nature to seek some sort of recognition and the desire is just as strong in the criminal as in the law-abiding citizen.

I thoroughly enjoyed my conversation with Leon as he explained the thinking behind his

Scouts Stress Physical Fitness
STRENGTHEN AMERICA
be prepared be fit
SCOUT WEEK
FEBRUARY 7-13, 1963
BOY SCOUTS OF AMERICA

Scout Week Celebrates 53rd Anniversary
Physical fitness, one of the principal aims of the Boy Scouts of America for 53 years, is receiving special emphasis during Scout Week in February by the organization's 5,210,000 members. The theme, "Strengthen America—Be Prepared—Be Fit", as shown on the new 1963 Scout Week poster, will be dramatized during special meetings of nearly 135,000 Cub Scout packs, Boy Scout troops, and Explorer posts.

BLANCHARD INTRODUCES BILL TO CHANGE REAL ESTATE LICENSING LAW
Austin—Senator H. J. "Doc" Blanchard of Lubbock has introduced a bill that would amend The Real Estate License Act. The legislation was recommended by the Texas Real Estate Commission and is supported by the Texas Real Estate Association. Since the present act was passed in 1955 the Commission has found several areas where loopholes exist. It feels these corrective amendments will give the authority to cope with the numerous problems that arise in the proper licensing of 30,000 Texans to sell real estate.

The bill would give the Commission eight new reasons for the revocation and suspension of a license, reduce the grandfather clause from five to one year, and provide that applications for renewal of licenses shall be made by December 1 of each year.

In introducing the legislation, Senator Blanchard said, "A large portion of the average Texas family's earnings go for the purchase of their home. So that our citizens will not be preyed upon by a few unscrupulous operators, it is necessary from time to time to upgrade and improve our procedure for the licensing of those who sell real estate."

Senator Don Kennard of Fort Worth joined Blanchard as a co-sponsor of the legislation.

ON TAX REDUCTIONS
Orwego, Kan., Independent: "A lot of well meaning U. S. citizens are trying to figure out how to make sense out of a proposed tax reduction in an overall way, when the government's financial outgo not only continues to exceed its financial intake, but in a sum that continues to get bigger each year. If the proposed tax reduction is to just take less out of one pocket and more out of another, why kid ourselves?"

BALD EAGLE MAY BECOME EXTINCT
Carlsbad, N. M., Current-Argus: "For some time, now, conservationists have been worrying about the threatened extinction of the bald eagle. In a sense, the decline of this mighty bird symbolizes what is happening to many forms of wildlife. Various birds and beasts are hunted down and exterminated because they are predators. Yet man is the greatest predator of all."

John Arbuthnot, a Scotsman, was the creator of the character known as John Bull.

There is room for 40 people to stand at one time on the Statue of Liberty's head.

The first barbed wire was made in 1873 by Joseph F. Glidden of DeKalb, Ill.

The bird urbot lays 14,000,000 eggs.

Frank Gotch was one of the greatest wrestlers of all time.

statement and I was particularly proud when he said that he and all the other boys wanted to work with the staff in any way possible to help guide and correct boys who, for one reason or another, seemed unable to keep out of trouble.

As far as Leon was concerned, it was nothing more than a matter of correcting a boy every time he stepped out of line and explaining the reason for the correction because, "Nothing is worse than doing something wrong and not getting caught at it."

NEWSPAPER JUDGED FAVORITE MEDIUM FOR ADVERTISERS
From Jackson, Miss. Clarion-Ledger
Advertisers will spend an estimated \$4 billion in U. S. newspapers during 1963 according to Dr. Sam S. Talbert, Chairman of the Department of Journalism at the University of Mississippi. He notes that the Bureau of Advertising has compiled nine reasons why retailers prefer the local newspaper as an effective advertising medium:

Newspapers reach more people. — People like advertising in newspapers. — The newspaper is the only medium people consult for a buying decision. — Newspapers are the only medium where people shop the ads. — Newspapers deliver more ready-to-buy prospects. — They are the only medium offering the magnetic appeal of classified advertising. — They have more selling versatility. — There are more plus services to improve the selling effectiveness of advertising. — Newspapers produce more sales per dollar of advertising cost.

Year after year, the increase in volume of newspaper advertising has been constant, in spite of the fact that new media for advertising have consistently appeared. In 1962, advertisers have again spent more money in newspapers than in any other medium, and the newspaper remains overwhelmingly dominant as a local advertising medium.

FREEDOM OF CHOICE SEEN IN SOUTHERN ALL-STAR GAME
Foley, Ala., Onlooker: "It was the first time that Negro players had played on a Southern all-star team. The significant thing is that those players had the freedom of choice in deciding whether they wanted to play in the bowl game or not. There was no court order telling them they had to play. There was no order from the attorney general threatening them with dire consequences if they did not play. Had there been any of these, there would have been strong resistance. Even the TV viewers had the freedom of choice. There were several games being televised."

Every day is a safety day.

Von Roeder Shows Wild Game Film, Cal Farley Speaks At Rotary Club

Nolan Von Roeder of Snyder brought a talk and colored movies on game-calling to Tahoka Rotary Club Thursday noon of last week.

Imitating a wounded rabbit, he and his wife, Opal, have a hobby of enticing wild game of West Texas toward them and then killing the animals. The pictures showed many instances where bobcats, coyotes, coons, badgers, and foxes in the rough country below the Caprock fell victim to this ruse.

He said he had found the best time for calling up such game is in the morning, skies overcast, and the wind from the north or northeast.

Coyotes are hardest to call up because of their cunning, bobcats more easily fooled.

His pictures also depicted other wildlife features including rattlesnakes, coyote dens, javalina hogs, Texas and Wyoming antelopes, Central Texas whitetail deer and Rocky Mountain mule deer; a house cat nursing baby skunks, and a dog nursing baby bobcats.

Von Roeder is a farmer and seedgrower of prominence, but both he and his wife spend much time hunting and this year will make a big game hunt in Africa. They have previously hunted all over the Western United States, Mexico, Canada and Alaska.

Cal Farley of Amarillo, the "daddy" of Cal Farley's Boys Ranch at Tascosa, was also present and made a brief talk in which he told of some of the boys the

ranch is reclaiming to useful lives. There now are 301 boys at the Ranch and one little girl.

He issued a special invitation to Lynn county people to visit the ranch, preferably on Sunday, when visitors may attend church services on the ranch and enjoy Sunday dinner with the boys.

The program was arranged by Mack Mauldin, chairman for the month, who introduced the speaker.

President Calloway Huffaker announced club attendance was 90 percent for December, only one member having missed one meeting, and the club was second in the district in attendance percentage for the month.

Clifton Clark, new gas company manager, was introduced as a new member. The club now has 83 members.

Other guests at the luncheon included Capt. Waters of the Texas Rangers, Sheriff "Booger" Redwine, John Lippert of Boys Ranch and three Rotarians from Brownfield.

Honor Roll For N. Elementary

C. R. Cargile At Draw 41 Years

C. R. Cargile of Draw was in town Monday for the first time since being released from the hospital on January 9.

He says he always knew the finest people in the world live at Draw, but he never realized so much their friendship until he went to the hospital. The help they gave him makes him feel very humble.

C. R. has been a Draw resident 41 years, coming to the community on April 1, 1922, during a terrible sandstorm. He says the good friends compensated for the bad weather and he soon was a permanent fixture.

Mr. Cargile farmed about three years in the early 1920s, operated a store for 14 years, and much of the time since has engaged in trucking and selling apples.

Mr. and Mrs. Tom Bartley and Debbie of Grand Prairie were here this week end visiting the Jake Jacobs and other friends. They taught in the Tahoka schools for many years before moving to Grand Prairie last summer.

VISIT IN AUSTIN

Mr. and Mrs. W. T. Kidwell returned home Sunday from Austin, where they visited several days with their daughter, Karen, who is attending Texas University. While there, they moved her to a new apartment.

Savings Bonds Sales Top Quota

Lynn county went far over its quota in U. S. Savings Bonds sales in 1962, as citizens purchased \$229,421.00 in bonds, or 119.8 percent of the \$250,000 quota, states A. C. Verner, chairman of the Lynn County Savings Bonds committee.

Sales during the month of December totaled \$32,689.00, he reveals.

Texas as a whole reached only 85 percent of its goal of \$15,400,000, with total sales being \$13,083,285.

Dickens county led District 4

Kieschnick Child Has Heart Surgery

Ailsa J. Kieschnick of Wilson, daughter of Mrs. Lajuana Kieschnick and the late Delbert Kieschnick, underwent heart surgery at the Children's Medical Center in Dallas on Jan. 9.

The surgery was reported to be successful and in a matter of time she is expected to be up and around, playing like any normal child.

in sales of 160.2 percent but had a quota of only \$90,000; Cochran county, 136 percent on a quota of \$50,000; Garza county, 135.2 percent on a quota of \$120,000.

THANK YOU . . .

FOR BANKING WITH US

February is the month of Friendship and a most appropriate time to tell you, our banking friends, that we sincerely appreciate your continued loyalty and confidence.

Since this month also marks the 100th Anniversary of Commercial Banking, our message is especially fitting during this Centennial Month celebrating a Century of "Progress through Service" in banking.

The most effective way to demonstrate our appreciation is to provide you with the highest standards of personal attention, convenience, and banking service—now and in the future. We shall consider it a privilege to serve all your banking needs.

"Where Friendliness is a Tradition"

THE FORD IDEA: build the fun in... build the worry out!

Spend fifteen minutes at your Ford Dealer's—see how much difference the right idea makes! These cars are more fun than cars have ever been before. The Super Torque Ford (foreground) has V-8's up to 405 horsepower, a \$10 million ride, rich interiors and luxury features like an optional Swing-Away steering wheel. The sleek new Fairlane middleweight (center) is quick, nimble, solid as a bank—and offers America's newest V-8! Don't miss Falcon (top)—now with a new dash of fun, including the first Falcon convertible. The '63 cars from Ford are designed to be less trouble than cars have ever been before. They're tight, quiet, solid as they come—and all* have Ford's Twice-a-Year (or 6,000-mile) Maintenance!

America's liveliest, most care-free cars!

BRAY CHEVROLET
 1615 Lockwood Tahoka, Texas Phone 998-4544

Every now and then we get to doodling with figures trying to figure out, just out of curiosity, what a million or billion is.

Last week, Federal officials announced the cost of keeping one man in Old Miss for one semester, four and a half months, had run to approximately \$450 million dollars, not including cost of sending Federal marshals there. The cost, also, does not include two men killed. It does not include the damage to the university, the state, the other students, or the widening of the breach between white people and black people, or the loss of more states rights.

But, for the same amount of money, 80,000 students could have been given a four-year college education, or this sum would have built four colleges as big or big

ger than Texas Tech with a value of more than \$100 million each, or it would have operated Tahoka Independent School District for 1,125 years at \$400,000 a year. If the Government had wanted to, it could have given \$37,500 to each man, woman and child in Lynn county and had money left. For \$450 million, it could have built a new colored school in Tahoka costing \$200,000 and had enough left to build 2,249 other such Negro schools across the nation. Or, we could have built 45,000 miles of new four-lane highways costing \$10,000 per mile.

In the name of civil rights, we have overlooked the rights of others; the rights of whites as well as blacks, the rights of both Negroes and whites to choose their associates and marry a word has been said about the rights of Indians, the only true Americans, many of whom do not have the right to vote even through payment of poll taxes or registration because they are branded "wards of the government." If we really want to get technical about civil rights, why don't we give these Indians a break? The answer is that Indians don't have enough votes.

Anyone with any fairness in his heart knows the Negro has not had a decent break, and deserves a better lot in life. But, the Negro needs to do more for himself to improve himself, to raise his standard of living. The Negro is not entirely responsible for his lot in life, but this fault can not be corrected with armed troops and bayonets and other such force which only foments more trouble and more hatred and bitterness.

Last year, we got "pooped off" at a prominent Lubbock minister who has been preaching the integration theme. He has not taken any Negroes into his church. His family, so far as we know, has not associated with colored people. We have read of no missionary work he has done with the race in his home town. Not all hypocrisy is in the hearts of the prejudiced Southerner.

The Penalty of Efficiency in our Welfare State.

The South is not entirely to blame for the race problem, either. If we remember our American history correctly, it was Boston and New York traders and shippers who went to Africa, picked up black men like wild animals, brought them to the United States to sell as slaves. Finding no buyers in the North, for the Negroes then, just out of the jungle, could not hold jobs in factories and the small farms of the North had no need for them. As a result, these Northern dealers in human flesh took them to the South, then the frontier of agriculture, and sold them to plantation owners who built up big estates with such slave labor. Suddenly, our great young nation decided the slaves should be freed—and freed overnight. Such quick adjustment would have thrown Southerners into immediate bankruptcy. The terrible Civil War was the result.

Harriet Beecher Stowe's novel, "Uncle Tom's Cabin," inflamed Northerners and Southerners on opposite sides of the Slave question, and the repercussions are still with us today. Children today, even in the South, are told the fiction of how the slaves were beaten and mistreated, a rare exception in the Old South.

The Printer is the grandson of two old Southerners who fought in the Civil War. One of our grandfathers once owned some slaves. Down in Central Texas, where we lived as a child, we remember several former slaves and remember talking with them. We sat at the knee of our grandparents as they told us stories of the War and slave days. When the Printer was a child, we had a fine old Negro "mammy" in our home, and we remember our mother jokingly saying Frank loved the old "mammy" better than he did her. Although freed by the war, two slaves lived on our Grandmother Evetts farm until they died and were loved almost as members of the family. All the former slaves we knew had highest respect for their former owners. All good Negroes had the respect of most white people, even if they did move in a social circle of their own. An uncle of ours gave the land and built a school for Negroes of his community. We remember attending an old ex-slave Negro's funeral at old Moffat, Bell county, when there were possibly 2,000 people present, nearly all white folks from bankers to laborers. Then, as now, there were no-good niggers and "pore white trash." We started our life in "nigger country" but both races had a measure of respect for the other. So, you see, we know a little about the subject. We believe we know more even than JFK and Bobby. There are people in Lynn county who know more than we do.

We have good Negroes (and bad) in Tahoka, just as we have good and bad white people. But, our Negroes need to do a little more for themselves, educate themselves, take more personal pride, improve the appearance of "the hill," raise their standard of living, take pride in their race, and quit feeling sorry for themselves. The white public can help, but it's largely up to the Negro to improve himself just as it is with white people.

The Negro race, only about five or six generations, at the most, out of the jungles of Africa, has

made the greatest advancement of any race in the history of the world. But, water and oil won't mix—yet. Black and white won't mix—yet. You can't even mix 'em with bayonets if they don't want to mix. We doubt if they should mix. There's a place for both. There's lots of room for the Negro to advance in his own race and among his own people.

The State Board of Education can force integration in Tahoka, but it can't make this better either for the Negroes or for us whites.

Pressure from the radical NAACP, Federal Government, Northerners and politicians, even when their motives are sincere (which they usually are not), has done damage to race relations that will require years to heal in the souls of many people.

"Hut" Hutson of Amarillo, here drawing the caricatures of local merchants and their employees, says he has fallen in love with Tahoka and Lynn county. "The air is no different" but the atmosphere is," he says. "People are so nice, friendly, and have such a fine sense of humor. I've fallen in love with Tahoka."

P. T. Barnum, the famous circus owner, once said: "I've had a lot of people tell me how to run my

Letters From News Readers—

(The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.)

Dear Friend Frank:
I enjoyed your story on Dan Blocker. I am a Blocker fan just because he grew up in O'Donnell and, too, he is a good actor. I am just doggone glad he wasn't growing up at the same time I was trying to grow up in Lynn county. If I remember correctly, and I think I do, I didn't win any fights.

I am also a Norm Cash fan because he grew up at Justiceburg and, too, he is a good ball player. We enjoy the paper.
Howard Tunnell, 3709 35th street, Lubbock.

circus. I've listened to most of them. But it is a strange thing—most fellows who tell me how to run the show end up by wanting to borrow a few dollars."

The Doctor advised, "You should take a hot bath before retiring," and the patient replied, "But Doc, I won't be retiring for another 10 or 15 years."

"Gus Says" in Graham Rotary Scandal Sheet: "Most husbands know how to manage a wife but most wives won't let them. Young folks who can make enough money to go to college these days don't need any more education. Folks who rant and rave about the modern generation forget they had something to do with it."

Too much stress and strain has been applied recently toward what is called "the equality of man." By dropping the letter "e" from the word equality and devoting the same effort toward developing that which remains we will enhance the possibilities of advancement for all, including those who may be called "down-trodden." Quality in itself has an intrinsic value and commands respect. It is not something which can be lastingly bestowed upon anyone. The most effective and beneficial lifting of human quality must come from within.—Ralph E. Lyne, Taylor, Mich.

Alabama seceded from the Union January 11, 1861, and re-entered July 13, 1868.

On Oct. 3, 1941, Hitler announced that Russia was defeated, never to rise again.

The first postage stamps were issued in 1847.

FDR held his first "Fireside Chat" in 1933.

Everything piles up handsomely in a Chevy II including savings

Imagine a low-loading wagon roomy enough to handle most anything you can heft—and still trim enough to slip into cramped parking spots. We imagined it, built it and called it Chevy II. Made it as dependable as a wagon can get. And made it so it'll keep piling up savings over the years. Those show up in the way

this one goes and goes on a gallon. They grow with brakes that adjust themselves. An exhaust system that lasts longer. And a Delcotron generator that keeps battery reserve power up. Want to hear more? How about a low price, natty interiors, Body by Fisher craftsmanship—and a talk with your Chevrolet dealer soon!

Nova 400 4-Door 6-Passenger Station Wagon

See four entirely different kinds of cars at your Chevrolet dealer's... Chevrolet, Chevy II, Corvair and Corvair.

MOST COURTEOUS EMPLOYEE CONTEST

TO: CHAMBER OF COMMERCE
TAHOKA, TEXAS

I wish to submit the following employee as the "MOST COURTEOUS" in Tahoka.

EMPLOYEE'S NAME _____

EMPLOYER'S NAME _____

All employees working in Retail Stores or Offices are eligible for contest. A cash award of \$10.00 will be given the winner each month.

220 Lynn County Veterans Expected To Receive GI Insurance Dividends

(Special to The News)
New York, Jan. 30—Some 220 former GI's, residing in Lynn County, are being sent special government checks as the result of steps taken by President Kennedy. Most of the checks are arriving this month, and during the month of February.

The local vets will be sharing in a \$327,000,000 melon that comprises GI insurance dividends of \$237,000,000 and an extra, one-time dividend of \$90,000,000.

The payment is being made under a speeded-up timetable, the purpose being to put more money into circulation and thus give the economy an added push forward.

The action affects more than 5,200,000 of the nation's 22,500,000 veterans. They will get \$63 apiece, on the average. The amount depends on how much insurance they hold.

The 220 estimated to be on the receiving end in Lynn County represent nearly one-fourth of the local veteran population, which numbers 958.

Most of the recipients are holders of National Service Life Insurance policies, issued for service in World War 2. The others, who were in the first World War, have U. S. Government Life Insurance policies.

In Lynn County, the checks add up to approximately \$14,400. Most of it, it is expected, will be spent soon in local retail stores.

The final effect of the new money on local business, because of its circulation and re-circulation, should be several times that much.

The Veterans Administration, in announcing the size of the distribution, pointed out that previous payments of dividends, when they

occurred, were on the anniversary dates of the individual policies. This time, all payments that would have been made in 1962, together with the extra of \$90,000,000, are being made now, irrespective of anniversary dates.

The regular dividends are primarily a return to the veterans of part of their premium payments, made possible by the fact that the mortality rate among GI policyholders has been running lower than expected.

As to the special dividend, it was declared after it was found that the reserves in the insurance trust funds were greater than necessary.

Hamilton Visits College Campus

Ed Hamilton of Tahoka and his sister, Mrs. L. R. McWilliams of Lubbock, were in San Marcos last week end to attend the Winter graduation exercises of Southwest Texas State College as their nephew, Lynn Waits of Lott, received his B. A. degree in Education and a commission as second lieutenant in the U. S. Army Reserve.

Ed attended Southwest State back in 1927 and 1928. Although the campus has changed a lot since he was there, Ed says the visit recalled many happenings while he was a college student.

JERRY EDWARDS WORKING ON APOLLO CAPSULE

Jerry Edwards, son of Mr. and Mrs. M. H. Edwards of Tahoka, is currently working on the Apollo Capsule at North American Aviation plant in California. This is the capsule designed to carry three men to the moon in two or three years from now.

Jerry lives in Rico Rivera, Calif., and has been with North American about ten years, according to his mother. He was born and reared in Tahoka.

THE NEWS

WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDER

In a recent poll conducted by the National Federation of Independent Business, 76% of the nation's independent business and professional people voted in favor of cutting off all foreign aid to countries that do business with communists.

Probably one of the great concerns of the forthcoming Congress will be the groundswell of indignation over the mollycoddling of communism as evidenced by the results of the ballot quoted above.

In the last session of Congress, there was started a strong revolt against State Dept. domination which has long been a factor in U.S. public affairs.

For one thing, a major cut in foreign aid appropriations was made. For another thing, restrictions were placed on the type of aid that could be given to foreign nations. All of this met with strong opposition from the State Dept.

And now, throughout the land, there is a grass root uprising of sentiment quite contrary to State Dept. wishes.

Rather loosely organized, but apparently effective groups, nonetheless, are carrying on a boycott movement against the sales of goods made in communist nations.

The State Dept. attitude is that the people should not interfere in these matters, but let the State Dept. look after the people's interests.

But there seems to be a great reluctance to accept this doctrine. Somehow the American people have gained the impression it was only a mighty public outcry that forced the action which prevented Cuba from having the means of waging an atomic attack.

And even though this situation was only a few days away from becoming a reality, the State Dept. had done nothing to head off the danger.

Whether the people are right or wrong on this matter, they have apparently taken a position.

And this attitude will perhaps be the most powerful force at work in the forthcoming new session of Congress.

Congress is showing more and more an inclination to listen to grass roots opinions, despite partisan affiliations or connections.

This Congressional inclination augurs well.

It would seem apparent that so long as the people continue to take an active interest in what is going on in Washington, there will again be a government of the people. It may be ironic, but it also may well turn out in the long run that Castro unwittingly did more to restore democracy to the United States than any recent figure in history.

Moerbe Gets Bars At Tech Ceremony

Ronald H. Moerbe of Wilson was one of the Texas Tech ROTC cadets at Texas Tech receiving his commission as a second lieutenant in the Army Monday afternoon at exercises held in the Tech Student Union.

He was among 14 named as distinguished Army ROTC students. Five other students were commissioned for service in the Air Force.

Friends and relatives attended the ceremonies, and heard an address by Dr. Paul J. Woods, associate professor of history at the college.

UNCLE IS BURIED

Roy Nettles of Lakeview reports an uncle of his, T. J. Campbell, 87, died at Floydada on Saturday, Jan. 19, the day before his brother-in-law, Salah Williams of Lakeview, passed away.

Every day is a safety day.

Boat Registration Information Given

Owners of boats used on Texas lakes and streams will be interested in the renewal procedure for Texas registered motorboats, states Tax Assessor and Collector George McCracken.

As a means of streamlining the renewal process for re-registration, the Texas Highway Department is mailing "renewal notices" to owners of boats now registered. Owners will return the receipt, filled in, with proper fees, and will be able to keep the same Texas number issued during the last registration period.

If the boat has been sold, the person receiving the renewal notice should return notice showing name and address of person to whom sold.

If a boat owner does not receive a renewal notice by Feb. 15, he should immediately execute

Form 80 which can be obtained from marine dealers, peace officers, and county tax collectors.

The swastika became the national flag of Germany in 1935. Henry VIII had six wives.

Mr. and Mrs. Ernest Martin of Muleshoe were here last week and visiting their daughter, Mrs. Lonnie Isbell, and family. The Martins formerly lived here.

Constantinople was renamed Istanbul in 1930.

If Wide-Track is as hot as Pontiac says, why don't they put it in their Tempest?

They just did.

We can take a hint. When people are as happy with something as Pontiac owners are with Wide-Track, we're willing—eager—to let everybody else in on it. That's why Tempest has a Wide-Track of its own this year. It's why you get to choose between a Styly 4 and a 230-cu. in. V-8, too. We aim to please—and if we do say so, we're pretty accurate. *Optional at extra cost.

Now there are two kinds of Wide-Track cars... Pontiac and Tempest

The Dales believe in investing much of their time with their three children, Karen, 6; Marilyn, 4; and Kenny, 5. The warm floors that their electric heating gives them make it possible for the Dales to enjoy games with their children, informally, on the living room floor.

Mrs. Dale touches up a dash built by Mr. Dale in his garage workshop. Marilyn, an interested spectator, indicates her desire to help in such a fascinating project.

Mr. Dale, a teacher, by profession, instructs Karen and Kenny on the importance of safety using power tools in his woodworking hobby.

"We wouldn't go back to any other kind of heating," say the HARRY DALES of 313 E. Church, Roswell, N. M.

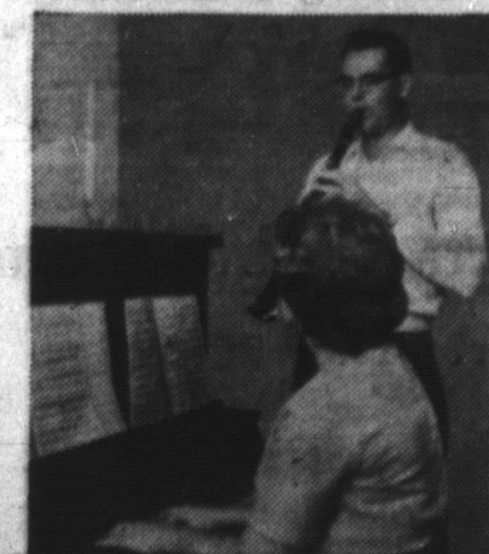

"Even on the coldest day, 23 degrees below, we were completely comfortable," says Mrs. Dale. The Dales' experience with electric heating shows that this modern heating method is capable of delivering true comfort, over-all warmth no matter what the outside weather.

The Dales use infra-red wall panels in their heating system. Other types of electric heating equipment are: ceiling cable, completely concealed in the ceiling; baseboard units; electric furnace, and electric heat pump that both heats and cools. One of these modern electric heating methods will fit into your home.

YOUR PUBLIC SERVICE MANAGER HAS COMPLETE INFORMATION ABOUT MODERN ELECTRIC HEATING.

PUBLIC SERVICE COMPANY

Mr. Dale enjoys hunting, as well as home crafts and music. Here he inspects scope-eggged rifle. Lamp base was made by him.

Electric thing frees the family for pleasant occupations. The Dales enjoy music, as participants. Both are accomplished musicians.
