## Local Bank Opens New Night Depository, Purchases Building

A. C. Verner, president of First National Bank, this week announces two improvements in service for customers of the institution, one already in effect and another planned for the future.

The bank announces purchase of the two story A. D. Shook building on Main Street, on the opposite corner north of the bank building, now occupied by Stanley Army Surplus, from W. T. Kidwell, who bought the property some years ago from F. E. Calvery.

Mr. Verner says plans are in the making for raising this building and installing drive-in bank facilities on the site some time in the future.

The Shook building is one of the older business buildings in Tahoka, having been erected back in the teens.

Another new service went into operation last week end, night depository, the night depository vault having been installed on the south side of the present modern bank building.

Actually, there are two drops, but a majority of bank customers are interested in only one. This is the envelope drop, which may be used after banking hours, week ends, and holidays by any customer wishing to make a deposit.

The bank customer wishing to make a deposit and have his funds in a safe place simply places his checks or currency in an ordinary envelope and drops the same into the envelope chute. The following business day, a deposit slip will be returned by mail to the customer making the deposit.

A bag drop is also provided for business institutions principally wishing safe keeping deposit for large amounts of silver, bills and checks after banking hours. Firms or individuals wishing to make this type deposits will be provided with a lock bag and also a key to the lock bag drop.

The deposit drop into a small but sturdy vault in the night depository, are insured, and will be removed and recorded the next business day by bank employees. However, this vault has further protection in that two separate employees are required to open the vault. One of these employees has a key to the vault and another has to work a combination lock. No one person will be able to do both.

## Church To Discuss Building Plans

Members of First Methodist Church are requested to attend a church conference Sunday evening, April 7, at 8:30 o'clock, when a presentation of bids on construction and remodeling of the church building will be made.

All members are requested to be present and express their desires, states A. M. Bray, building committee chairman.

Jack Petree was dismissed from Tahoka Hospital Tuesday, where he was a medical patient. He is employed by Herman Renfro Co.

"Neighbors on the job" feature by Est. Nelson this week is Farmers Co-Op Gin of Tahoka, whose ad appears on the back page of section two.

## Deposits In Banks Total \$16 Million

Lynn county bank deposits for the March 18th call were a surprising total of \$16,537,996.90, nearly two million above the last call made on December 31 and one of the highest March totals in the history of the county.

The large total deposits for the three banks at this time is due largely to the late 1962 crop, much of which was sold after January 1 this year.

First National Bank of Tahoka showed deposits of \$9,894,491.46, First National of O'Donnell had \$2,899,304.98, and Wilson State Bank \$3,773,900.53.

## Band Contests This Saturday

The Tahoka High School Band will be trying for another first division award when they go to Plainview for the Region I University Interscholastic League concert band contest Saturday.

Tahoka will be competing against 13 Class A bands in the area. In the UIL marching contest in October, the local band was one of five scoring a first division. This was the first time in 10 years for a Tahoka band to achieve such a high rating, according to Vic Kaylor, band director.

In the Plainview contest, each band will play three selections in concert and one number will be sight read. The Tahoka group will leave about 7:30 a. m. Saturday and return following their performance at 11:00 a. m. in Estacado Junior High.

## O. H. Hoover, 75, Buried Friday

O. H. Hoover, 75 year old resident of the Grassland community for 47 years, died late Wednesday, March 20, in Methodist Hospital in Lubbock, where he had been a patient several weeks.

Funeral services were held Friday at 2:00 p. m. in the First Methodist Church at Post with Rev. J. E. Peters of Shallowater and Rev. J. E. Yates, pastor of the Grassland Methodist Church, officiating. Burial was in Grassland Cemetery.

Mr. Hoover, who moved to Grassland in 1916, had farmed there since coming to Lynn county and was widely known over the South Plains. He was a charter member of the Grassland Methodist Church, which was organized in 1928. Mrs. Hoover has been the Grassland correspondent for The News for several years.

Orvel Huston Hoover was born near Conway, Mo. Nov. 20, 1887. He moved with his parents to Greer county, near Altus, Okla. when he was 11 years old and later moved to what was known as the big pasture in Tillman county, Okla. He was married to Myrtle Verner Oct. 16, 1910.

Survivors include his wife, one daughter, Mrs. Nina Belle Chapman of Plainview; five sons, Huston of Littlefield, Herbert of Shallowater, Jerry of Lubbock, Billy Bob of Mountain View, Calif., and Major Jack Hoover of Vacaville, Calif.; three sisters, Mrs. Nora Scarborough and Mrs. Bertha Clemmer of Grandfield, Okla. and Mrs. Urcis Jett of Frederick, Okla.; 17 grandchildren and nine great grandchildren.

Pallbearers were Marion Inklebarger, Jim Norman, Roy LeMond, C. A. Walker, Gerald Norman, Jim Bob Porterfield, Morris Huff and J. W. Inklebarger.

Mrs. Jennie Reba Flowers, daughter of Mr. and Mrs. Jodie Nevill, underwent major surgery in Phoenix, Ariz. last week. She is reported to be improving.

GERALD H. SANDERS

## Jaycee Banquet Here Saturday

Gerald H. (Jerry) Sanders of Littlefield will be guest speaker at the Tahoka Junior Chamber of Commerce installation banquet at 7:30 p. m. Saturday in the City Legion building. W. H. McNeely will be installed as new president of the group.

Sanders is now owner-operator of radio station KZZN in Littlefield and was formerly associated with a Lubbock station. Sanders has been very active in Jaycee work, having served as director of the Levelland Jaycees, past president and director of the Lubbock Jaycees and past state vice-president of the Texas Jaycees. He has served as state Americanism chairman of the Texas Jaycees for three years.

Another highlight of the installation banquet will be the presentation of the Outstanding Jaycee of the Year award to the member who has worked the hardest for the club and the community during 1962.

Joining McNeely as new officers for the coming year are: Harry Short, first vice-president; Wayne Huffaker, second vice-president; John Redwine, secretary; Charles Oliver, treasurer and J. D. Atwell, state director. New directors include: Minnie White, Bert Stevens, Ike Carter and Dan Lockaby. Jesse Dorman is retiring president.

The Rhythm Riders, a combo from Tahoka High School, will provide special music for the evening. Tickets may be obtained from any Jaycee for \$2.00 per person and the public is invited to attend.

## Wilson Second In One-Act Play

Wilson High School speech student took second place in the District 7-B one-act play Interscholastic League competitions recently.

The play was "The Slave With Two Faces" under direction of Jerry Church. Special honors went to Valton Maeker and Sandra Lumsden both of Wilson who were selected for the best supporting cast.

## Levine Bros. Will Have New Front

A new store front is being added to the Jack Featon building on the west side of the square, occupied by Levine Bros. and operated by Mr. and Mrs. Al Lehman.

Mr. Lehman says the interior of the store will also be remodeled and improved.

## Mrs. Opal Harvick Is Critically Ill

Mrs. Roy (Opal) Harvick underwent major surgery Monday in West Texas Hospital in Lubbock and is in serious condition there, although reports are that she is doing as well as can be expected.

She became ill Sunday and was transferred to Lubbock from Tahoka Hospital for the surgery.

## New Oil Tests In Limelight

Several developments the past two weeks have brightened the prospects for more oil in Lynn county.

Wednesday, a new test in Tahoka school district, although in Terry county, was staked by Cities Service of Midland on the half section of land owned by Eldon Carroll and James F. (Sonny) Roberts, northwest of West Point near the Mound Lake field. Owners of the adjoining half section are Roscoe Roberts, Lewis Allsup and Charles Reid.

This test, the No. 1 E. Reed is one and three-quarters miles southeast of the discovery well, 1,900 feet from the north and east lines of Section 55, Block E, EL&RR survey, and is scheduled for drilling to a depth of 11,400 feet.

At the same time, Cities Service announced recovery of free oil in the nearby No. 1-B Lindale, bottomed at 11,200 feet from the Fusselman. Location is 1,900 feet from the north and east lines of Section 46, Block E, EL&RR survey.

An offset to the discovery well on the Oscar Roberts Ranch had been a failure.

Activity also picked up in the south part of the county at two locations.

Williamson Petroleum Co. of Midland will re-enter and deepen the No. 1 Sutton, old wildcat duster dug to 7,505 feet in 1948 by Ray A. Albaugh, located 2 1/2 miles southwest of Wells in Section 22, Block H, EL&RR survey. The hole will be deepened to 11,500 feet to test the Fusselman.

Standard Oil Company of Texas will drill a 10,800 Pennsylvania wildcat 1 1/2 miles north of O'Donnell as No. 1 Buri W. Koeninger, 1,903 feet from north and 650 feet from west lines of Section 48, Block 8, EL&RR survey.

Three miles east of Wilson, L. E. Windham of Rankin is developing a dual discovery of the No. 2-G Nan T. Guinn from the Gloria in the Guinn San Andres pool of Section 3, Block L, IRR survey. Potential was pumping 30 barrels of 39 gravity oil plus 63 percent water at 4,805-8 feet. The well was originally drilled to 4,700 feet in 1961 in the Guinn field, which has three San Andres wells.

## Meeting Tonight On Pony League

All parents and others interested in Pony League baseball are asked to meet tonight, Friday, at 8:00 o'clock in the court house, for the purpose of organizing the summer program, Harold Green announces.

A president, vice president, and secretary for the Pony League organization will be elected. Also, possible workers are asked to attend.

Mr. Jodie Nevill continues to be in critical condition at Tahoka Hospital, where she has been a patient since early December.

## Tahoka And Wilson Holding City Elections Next Tuesday

### W. A. Reddell Retires Following 42 Years In Rural Mail Service

W. A. (Bill) Reddell has retired after 42 years and three months of service as a rural mail carrier, nearly 26 years on route 1, Tahoka. Because of ill health Mr. Reddell officially retired on Feb. 28.

Becoming a carrier on Dec. 1, 1920 at Chico, Texas he has travelled about 700,000 miles delivering the mail and has deposited about four million pieces of mail in boxes.

Mr. Reddell has received the following commendation from J. Edward Day, Postmaster General of the United States:

"Honorary recognition is accorded William A. Reddell for devotion to duty in the course of an honorable career in the United States Postal Service. This citation, tendered on the occasion of his retirement from active duty, conveys official commendation from the Postmaster General and cordial expression of esteem from co-workers in the Service."

A member of the Rural Letter Carriers Association since he began work in 1920, he has served (Cont'd. on Back Page)

W. A. (BILL) REDDELL

## Grave Markers For War Veterans

Free grave markers are available on presentation of proper application of relatives for Civil War veterans buried in Tahoka, O'Donnell, Wilson and Grassland cemeteries, announces J. M. (Mutt) Huddleston of Grassland, chairman of the Lynn County Historical Survey Committee.

Information is being sought on all veterans, Confederate or Union, of the war by the local committee composed of Mr. Huddleston, Bill Griffin, Judge Walter M. Mathis, Mrs. G. M. Stewart, Frank Hill, and Mrs. Ben Moore of O'Donnell.

The local committee is gathering information on all Civil War veterans buried here for the Texas State Historical Survey Committee in Austin, and such information will be filed in the State Archives.

Eight names have already been turned in to the local committee.

On presentation of the proper information, three types of grave markers are available from the United States Government which will not interfere with, or detract from, the larger tombstone, if any.

Members of the local committee are seeking names of Civil War veterans buried here, and in addition to the name and place of burial, if possible such other information as the following is desired: Date of birth and death, service number or pension claim number, enlistment and discharge dates, branch of service and company, regiment, and division, battle served in, etc.

Anyone with such information is asked to contact any member of the Lynn county committee.

T-Bar Ranch headquarters was recently marked with a suitable medallion, and other historic sites in the county will probably be marked later with similar medallions or monuments.

The projects have a number of purposes, to recognize those who have had a hand in the history of the country, to preserve history, to furnish added interest to tourists and visitors, to promote pride in the area's past, etc.

## Little League Meeting Sunday

Charles Reid, head of the local Little League program, announces a meeting to be held at 1:00 p. m. Sunday in the Council room of Tahoka City Hall.

All mothers and fathers of prospective Little League baseball players are requested to come plan the summer activities. Reid promises the meeting will be kept brief so it won't interfere with other Sunday meetings.

Mrs. E. S. Davis, 88, was admitted to Tahoka Hospital Sunday. She is a medical patient.

Tahoka voters will go to the polls Tuesday to elect city officials. Mayor Meldon Leslie has filed for re-election and five men have filed for the two posts on the City Council.

Charles Oliver, whose term expires this year, filed for re-election and other candidates include Jack B. Jaquess, Ray Hopkins, E. L. Short and Dan Curry. Borden Davis, whose term also expires, did not file for re-election.

The election will be held in the City Hall and voters are urged to show their interest in their city government by turning out in record numbers.

Wilson Election Citizens of Wilson will elect a mayor and two aldermen in the City election there Tuesday, April 2. The Campbell building will be the polling place.

Candidates for mayor are Clarence Church and M. L. Murray, to succeed Thad Smith, whose term expires.

For aldermen are A. N. Crossen, for re-election, D. J. Hutcheson, Lawrence May and Clarence Nelson. Sam Gatzki, whose term expires, did not choose to run again. Holdover members are Victor Steinhauer, Billy Rhoads and Oscar Follis.

## Child Is Killed In Car Wreck

A tire blow-out Friday, March 22, was responsible for the death of six-year old Alisa June Kieschnick, a native of Wilson, when the station wagon in which she was riding overturned about 5:05 p. m. 1.8 miles north of O'Donnell on the Tahoka highway.

Her mother, Mrs. S. L. Stephens Jr. was hospitalized in critical condition in a Lamesa hospital with a broken back and other injuries. Stephens, 38, a Lamesa contractor, who was driving the car was not injured. A son, Roger Kieschnick, five, was treated and released for slight injuries.

Mrs. Stephens, the former Mrs. Lajuna Kieschnick of Wilson, and her husband had been married about a week when the accident occurred and she had moved to Lamesa at that time.

Alisa June was possibly thrown from the vehicle, which overturned one and one-half times after the left rear tire blowout. She received fatal head injuries. State (Cont'd. On Back Page)

## Winners Named In Spelling Bee

Yvonne Nettles, 13 year old daughter of Mr. and Mrs. LeRoy Nettles, Route 1, Wilson, was declared Lynn county spelling champion Friday. The county spelling bee was held in Tahoka High School auditorium.

Alternate to the winner was Debbie Wright, 12 year old daughter of Mr. and Mrs. Bryan Wright, Tahoka. Debbie misspelled the word "auctioneer". The champion spelled that word correctly and then spelled "audacity" to win the contest. This will be Yvonne's second time to go to the Lubbock contest which will be held next month.

The two Wilson entries in the county bee were Francis Maeker, daughter of Mr. and Mrs. Orville Maeker and Janie Young, daughter of Mr. and Mrs. Lowen E. Young.

Susan Hancock, daughter of Mr. and Mrs. N. B. Hancock, was the New Home contestant. Tahoka's other entry was Beverly Falls, daughter of Mr. and Mrs. C. J. Falls, who was winner of the Tahoka High School spelling bee.

LeRoy Scott, superintendent of Wilson schools, was pronouncer for the event.

PRESENTED PLAQUE—E. R. Blakney of New Home is shown above receiving a plaque last Thursday night from Roy Lynn Kahlich, president of Wilson Lions Club, at its meeting last Thursday night for being Lynn county's outstanding conservation farmer of the year. Mack Mauldin, local SCS office manager, presented the program at the Lions Club.

## Society & Club News

### Miss Frances Gayle Sailor And Steve Slover Take Wedding Vows In Louisiana Church

Wedding vows were exchanged by Miss Frances Gayle Sailor and Steve Lynn Slover at 6:00 p. m. Saturday, March 16, in the First Baptist Church in DeRidder, La. when Rev. Emory Wallace, pastor, read the double ring ceremony before an arch of greenery interspersed with white flowers flanked by tall baskets of white gladioli and white tapers in branched candelabra. A myriad of white tapers in pyramid arrangement were in the background.

Parents of the couple are Mr. and Mrs. J. W. Sailor of DeRidder, La. and Mr. and Mrs. Rufus Slover of Tahoka.

Given in marriage by her father, the bride wore a floor length gown of white peau de soie detailed with scrolls of Alencon lace. The fitted bodice featured a scoop neckline and long sleeves that came to points over her wrists. The shaped skirt was detailed with inserts of Alencon lace. The bride's elbow length veil of illusion fell from a tiara of seed pearls. She carried a white orchid arranged with carnations and stephanotis atop a white Bible. Her only jewelry was a string of pearls, a gift of the bridegroom. Miss Wanda Eubanks was maid of honor and wore a floor length gown of pale blue chiffon over taffeta with matching net headpiece. She carried a cascade of feathered pink carnations.

D. D. Henley of Midland served 25 best man and ushers were Larry Ward and Ronnie Rhodes, cousins of the bride, and Bo Henderson, all of Louisiana.

David Sailor, brother of the bride lighted the candles. Traditional wedding music was provided by Mrs. Luther Brown, organist, who also accompanied Ed McMullen as he sang "Till the End of Time" and "The Lord's Prayer."

Following the ceremony a reception was held in the home of the bride's grandmother, Mrs. D. A. Thompson. The bride's table was laid with a white cutwork linen cloth and centered with an arrangement of white carnations. A three-tiered wedding cake and crystal punch service completed the decor.

For a wedding trip to South Louisiana, the bride chose a Navy blue knit suit with white accessories and a white orchid corsage.

The bride is a graduate of DeRidder High School and attended the Lily Jolley School of Nursing in Houston. She was employed at Memorial Baptist Hospital prior to her marriage.

The bridegroom is a graduate of Tahoka High School, where he was an outstanding athlete lettering both basketball and football. He served five years in the U. S. Army with several months duty in Germany. Slover was called back into active service with the 49th Reserves and was stationed in Fort Polk, La.

The couple will make their home in Midland, where Slover is employed.

Mr. and Mrs. Rufus Slover attended the wedding ceremony.

**CARD OF THANKS**  
The family of O. H. Hoover wishes to express their deepest gratitude for the many expressions of sympathy, the lovely flowers and the food so graciously provided during the loss of our beloved husband and father. 11p

### Miss Carol Elizabeth Schear, Phillip Havins Married In Tampa, Florida, Ceremony

Miss Carol Elizabeth Schear and Phillip Troy Havins exchanged wedding vows Saturday, March 16, at 4:00 p. m. at the First Evangelical United Brethren Church in Tampa, Fla. Reading the double ring ceremony was Rev. Frank B. Gilchrist.

Parents of the couple are Mr. and Mrs. M. M. Schear of Tampa, Fla. and Mr. and Mrs. W. T. Havins of Tahoka.

Traditional wedding music was presented by Mrs. George Seewers and Mrs. Ray Cameron.

Given in marriage by her father, the bride wore a floor length gown of white silk organza over taffeta applied with Chantilly lace and pearls. The fitted bodice featured a round neckline and long sleeves coming to points over the wrists. The bride's veil of illusion was attached to a pill box of Alencon lace studded with pearls. She carried a bouquet of orchids, carnations and lilies of the valley.

Maid of honor was Miss Gloria Davies who wore a sheath of pale pink crepe with matching veiled pill box. Her bouquet was composed of blue iris.

Ralph Bredbenner served as best man. Ushers included Delmore Muller and Donald Lewis.

Following a reception held at the church, the couple left on a wedding trip to the east coast. They will make their home at 2113 Hills Avenue in Tampa.

The bridegroom is a graduate of Tahoka High School where he played football and was active in the FFA Chapter. He attended Sul Ross State College at Alpine and is now serving in the U. S. Air Force. The bride graduated from high school at Tampa and attended Tampa University.

Mr. and Mrs. Havins attended the ceremony, leaving here on Sunday, March 10, and returning on Tuesday of last week.

### H. D. Club Council Meet Thursday

The regular order of business was conducted when the Lynn county H. D. Council met Thursday in the Lyntegar board room. Eleven representatives were present.

During the business session the council voted to buy the ribbons for the 4-H favorite foods division. Also plans were made pertaining to next year's local Fat Stock Show.

The Council wants to remind all members to make reservations with Mrs. C. P. Louder, Route 5, for the Spring district meeting to be April 18 at the Second Baptist Church in Lubbock. Tickets for the dinner meeting are \$1.33. Members are also urged to turn in their checks for the 4-H scholarship fund as soon as possible.

The Joe Stokes Club was host for the refreshment time. The next meeting of the Council will be April 25 because the district meeting conflicts with the regularly scheduled time.

### Lubbock Couple Win At Duplicate

Winners at duplicate bridge Tuesday night at T-Bar Country Club were Mrs. Polly Cope and Butch Adams, both of Lubbock. The session held this week was master point play.

Second place winners were Mrs. L. C. Haney and Mrs. Oscar Roberts, and winning third place were Mrs. Mary Anderson of Lubbock and Mrs. A. N. Norman, Jr.

### Senior Parents Sponsoring Supper

The parents of the local graduating Senior class are sponsoring a salad supper Tuesday evening in Fellowship Hall at First Methodist Church.

The public is invited to attend from 6:30 to 8:30 p. m. for the salad buffet and games. Tickets are on sale now for \$1.00 per person and may be obtained from any member of the Senior class.

### New Home Bowling For Last Week

Katie Clements made news with the New Home Bowling Club when her 183 game gained her a "175" pin, when the group bowled Wednesday night.

The New Home Gin won 3-1 over the New Home Farm Store. Zana Stanford and Billie Rudd had a 377 and 374 series for the Farm Store while Havah Haley and Katie Clements had a 375 and 388 series.

Co-op No. 4 downed Petty Gin 3-1 and Della Halford brought in a 468 series for No. 4 while Lil Todd's "blind" of 441 was high for Petty.

New Home Butane took 3-1 win over J. W. Edwards and Nona Nieman led Edwards with her 484 series while Beth Phifer rolled a 484 for her team.

Pridmore Spraying downed Farr Texaco 3-1 and Faye Leverett and Sis Blewins had a 439 and 436 series. Betsy Pridmore rolled a 532 series with games of "162", "182" and "188".

Follis Conoco took 3-1 victory from Co-op No. 7. Bethal Brown and Mentha Maloney led No. 7 with series of 406 and 404. Adrianna Clem led Conoco with her 434.

High series were Betsy Pridmore, 532; Beth Phifer, 484 and Della Halford, 468. High games were Beth, 191; Betsy, 188; and Beth had 185 for third.

### A.A.U.W. Meeting Called Monday

The Tahoka branch of American Association of University Women will meet at 8:00 p. m. Monday in the Tahoka South Elementary School.

Mrs. Charles Verner, Tahoka, will speak to the group on "Individual Problems." All members will want to hear this informative topic.

Rev. Aubrey White entered Tahoka Hospital Tuesday as a medical patient. He is pastor of the First Methodist Church.

**For COLDS take 666**

### Plan Guest Night At Bridge Club

Next week will be guest night at party bridge of T-Bar Country Club when the group meets on Thursday night. Mr. and Mrs. Wade Holland will be hosts for the event.

Thursday night of last week

Mrs. John Thomas was hostess when Mrs. Frank Hill was first place winner and E. L. Short won second.

### Grassland News

(By Lucile Walker)

Friends and neighbors of the O. H. Hoover family were saddened Thursday morning when they received word that Mr. Hoover had passed away. May God comfort them in their time of sorrow.

Mrs. J. D. McGrew of Lamesa spent the week end with her brother and family, the Marion Inklebargers and the C. A. Walkers.

Mr. and Mrs. A. B. Henrey and Mrs. Martha Harris visited the Billy Rash family in Lubok Sunday. The three Rash children, Billy, Bobby and Sherri have had the measles.

Mr. and Mrs. C. E. Short returned home last week from the Rio Grande Valley, where they had spent the winter months. Mrs. Short says the valley is a beautiful sight to see right now. They say the freeze didn't do quite as much damage as was reported at first and there will be a fair fruit crop.

Rev. and Mrs. Yeats, the Methodist pastor and wife, are both ill with the flu.

Mrs. Bernice Gribble called Tuesday on several people who have been on the sick list the past week, her granddaughter, Kim, Mrs. E. B. Gregg, Mrs. Odie Campbell and Mrs. W. M. Davis.

Visitors in the O. H. Hoover home Monday afternoon were Mrs. Bonnie Johnston, Mrs. Bob Norman and Mrs. Ruel Smith.

Visitors in the Mack Richey home this past week were the W. G. McCleskeys, the T. J. Murry's and the W. L. Gribbles.

Mrs. C. O. McCleskey and Delbert spent Monday and Tuesday night with her parents, Mr. and Mrs. J. C. Allen of Lubbock.

Mr. and Mrs. Yantis who live in Plainview stopped by Friday afternoon to visit the W. G. McCleskeys.

A group of people from the Grassland Nazarene Church went to Post Saturday night to hear the A cappella choir from Bethany Nazarene College of Oklahoma. The choir members were guests of the Nazarene Church in Post.

Bobby Patterson received his discharge from the Army March 21.

Mr. and Mrs. Lucian Walker have gone to California to visit with relatives and do some fishing.

Mr. and Mrs. H. R. Pitts were in Peacock this week end visiting her mother.

Rev. James Farmer and son of Shamrock spent some time in the Marion Inklebarger home Saturday.

Week end visitors in the home of Mr. and Mrs. Jim Bob Porterfield were: Mr. and Mrs. Buster Adams and children of Stanton; Mr. and Mrs. Charles Rushing and Mrs. Ursula Woodbridge of Alamo, N. M. and Mr. and Mrs. R. V. Blacklock and Gloria.

Mr. and Mrs. Morris Huff and Traci spent Saturday evening with Mrs. Hoover and son Billy Bob. Major Jack Hoover has returned to his home in Vacaville, Calif. Billy Bob will return home this week.

Other visitors in the Hoover home this week have been: Mrs. Wanda West of Hereford, Mrs. Ruth Kemp, Post; Mrs. Maude Thomas, Mrs. Carl Fluitt, Mr. and Mrs. Gus Porterfield, the Rev. and Mrs. Yeats and Mr. and Mrs. A. R. Mills of Lubbock.

Dannie Markham, former resident of Graham community and also a former student in Post High School, won first division at the Math Fair in Loveland last week.

**CARD OF THANKS**  
May I express my sincere thanks for being remembered so many ways since my recent surgery.

The beautiful flowers, kind deeds, words of encouragement, cards, visits, food, and most of all the heart felt prayers are greatly appreciated. Truly, Tahoka people are wonderful. God bless each of you.—Mrs. W. H. Eudy. 11p

**CARD OF THANKS**  
My deep appreciation is extended to all the wonderful friends for your many kindnesses shown during my stay in the hospital, and especially to the doctors and nurses for their care and concern. God bless each of you.—Mrs. E. B. Mathis. 11p

### MOST COURTEOUS EMPLOYEE CONTEST

TO: CHAMBER OF COMMERCE  
TAHOKA, TEXAS

I wish to submit the following employee as the "MOST COURTEOUS" in Tahoka.

EMPLOYEE'S NAME \_\_\_\_\_

EMPLOYER'S NAME \_\_\_\_\_

All employees working in Retail Stores or Offices are eligible for contest. A cash award of \$10.00 will be given the winner each month.

### Congratulations—

Congratulations to Mr. and Mrs. Dwayne K. McNeeley on the birth of a daughter last Thursday in West Texas Hospital. She weighed 6 lbs. 7 1/2 oz. and was named Melonie Anne. Proud grandparents are Mr. and Mrs. Arlie McNeeley of Tahoka. The mother is the former Joann Keys of Dimmitt.

Mr. and Mrs. Eliseo Avila Torres of Wilson on the birth of a daughter at 2:14 p. m. Tuesday in Tahoka Hospital. Weighing six pounds, 14 ounces, she has been named Debbie Sue. The father works at a gin in Wilson and the couple have two other children.

### D. R. PROFITT WRITES HE ENJOYS FARM LIFE

D. R. Proffitt, who recently sold his service station business here and moved to his son's farm near Dublin, writes:

"I am really living on the farm. I have been busy from early until late and have not had to hurry, and, boy, that suits me fine.

"Building fences and taking care of the stock, plus lots of garden work, sure makes the food taste good and I really make a hand at the table.

"We have a beautiful country home and lots of shade trees."

J. F. Akin of Petersburg, formerly of Tahoka, was a visitor here Wednesday. Mrs. Akin is undergoing treatment in a Galveston hospital, and he reports she is showing improvement.

### Tom Gill Home From Vacation

Tom Gill, local Santa Fe agent, who is taking a two-months leave from his job, is in Albuquerque this week end to visit his mother, Mrs. D. I. Gill, also formerly of Tahoka, who is observing her 82nd birthday.

Mr. and Mrs. Gill returned home Sunday from Temple, where he underwent a check-up in the hospital and received the "green light." The doctors told him his trouble was meanness.

They visited in Dallas with their daughter, Mrs. Lewis (O'Gene) Williams, enjoyed a few days fishing and rest at Buchanan and Granite Shoals lakes, and visited in San Angelo with his brother, Francis.

Brotherhood Has Wives As Guests

Members of the Brotherhood of the First Baptist Church entertained their wives with a banquet Tuesday night held in the school cafeteria.

Dr. Roy McClung, accompanied by his wife, was the principal speaker for the event. Dr. McClung is pastor of the First Baptist Church in Plainview and is the president-elect of Wayland Baptist College.

Walthal Littlepage, president of the Brotherhood, served as master of ceremonies for the event, attended by about 200 persons. Entertainment was provided by the "Rhythm Riders" a combo of high school band members.

Band Banquet Is Held Friday

Members of the Tahoka High School band and their dates were entertained with a banquet last Friday night in the City Legion building.

Don Browning, minister of the Tahoka Church of Christ, was the principal speaker.

The Band Mothers furnished funds for the decorations, the theme, "Hawaiian Paradise" being revealed at the banquet. On the decorating committee were Roger Renfro, Marla Bray, Jackie Burnett, Townes Walker and Tim Tippit.

Food for the event was catered by Al Smith's Cafeteria.

Tahoka FHA Girls Elect Officers

Officers of the Tahoka Chapter Future Homemakers of America have been elected for the 1963-64 school term.

Jan Whitaker will serve as president of the organization; Elvanda Tekell, first vice president; Rhonda Littlepage, second vice president; Karen Laws, third vice president; Jackie Burnett, fourth vice president; Louella Tomlinson, reporter; Cherie Norman, corresponding secretary; Janis Gattis, secretary; Judy Connolly, historian; Marlene Pitts, treasurer; Stella Howle, parliamentarian; and Jean Flippin, pianist.

The new officers will be installed at the Mother-Daughter banquet on April 19.

Girl Scout News

Girl Scout Troop 401 met last Thursday at the Scout Hut. Refreshments were served by Vicki Owens and Paula Payne. The girls were given information about camp Rio Blanca and also did work on their scrapbooks.—Reporter.

Cheer Leaders Are Elected At School

Five cheerleaders for the 1963-64 school term were selected in try-outs Wednesday afternoon by a group of out-of-town judges.

Arnetta Wood and Nancy Inman were the two seniors chosen; Andrea Sue Carroll, junior; Joy Thomas, sophomore; and Leah Beth Holloway, freshman.

Try-outs were held in the school gymnasium following the dismissal of classes.

Girl Breaks Arm In Fall Saturday

Carolyn Bragg, nine year old daughter of Mr. and Mrs. Buddy Bragg, received a fractured right elbow Saturday about 8:00 p. m. at the Roy Stephens farm west of Tahoka. She underwent surgery that night in Methodist Hospital and was released on Monday.

Carolyn said she was running from a dog, tripped over the marker on a tractor and fell, her elbow hitting an oil can. Her grandmother, Mrs. Ernest Bates, of Paducah is staying here with Carolyn this week.

YOUR FAIR SHARE...

Most Texans, we believe, are fair-minded folks. They believe in fair play, square dealing, and mutual respect for personal and property rights. Those who want to take advantage of their neighbors are the exception.

Sometimes it may be hard to define "a fair share." This can occur in dividing oil or gas production, when two or more landowners are involved.

As we all know, oil and gas don't pay any attention to fence lines.

Here in Texas many wells have been allowed to produce more oil or gas than they should have because they were drilled on very small tracts. That extra oil or gas came from under the neighbors' land.

Some oilmen made a regular practice of this type of operation. Obviously, one owner got more than his fair share—others, less.

People in 26 out of 29 oil-producing states have found a way to divide their oil and gas so that each owner gets what is rightfully his. They simply put their small acreage together and share the costs and income. This system is known as POOLING.

Such a system is needed in Texas. It is proposed in a bill now before the Legislature, HOUSE BILL 516. When the neighbors cannot agree, the Railroad Commission would set up a drilling block and see to it that the rights of all owners are protected... all costs and proceeds equitably divided.

Oilmen who have made fortunes at the expense of others could not be expected to support House Bill 516. They are bitterly opposing it. But the responsible oilmen of Texas are overwhelmingly for it. So are the informed citizens who want to see justice done.

Ask your Senator and Representative at Austin to support House Bill 516—so Texas, too, will have a reasonable and legal way to assure to each landowner his FAIR SHARE.

(Pol. Adv.—Paid for by Committee for Equitable Development of Texas Oil & Gas Resources, C. W. Alcorn, Chairman.)

### Annual Senior Play Is April 5

The annual Senior Class play will be presented at 8:00 p. m. next Friday in the Tahoka High School auditorium. "The Defiance of David Charles" is the name of the 3-act comedy-drama.

Action of the play takes place in a typical high school.

Seniors in the cast are as follows: Craig Leslie as David Charles, a disturbed high school boy; Billy Clinton as Mr. Charles, a successful architect; Lynnetta Cain as Mrs. Charles, his wife; Andy Bray as Mr. Graising, principal of the high school.

JoAnn Zedlitz as Miss Betts, his secretary; Jerre Ann Wyatt as Miss Teale, guidance counselor; Sarah Wells as Faye Ellis, David's best girl. The four high school boys are Roger Renfro, Dewey; Tony Spruell, Nap; Larry Price, Dingo; and Alfred Lawrence, Sturkey. Four high school girls include Bettie Edler, Gladys; Carolyn Howard, Lottie; Brooksie Reece, Sherry; June Riddle, Janie.

The play is under the direction of Miss Lois Montgomery and Floyd Tubb. Admission will be 75 cents for adults and 50 cents for students.

### VISITS IN SNYDER

Mrs. Winston Davies of New Home spent the week in Snyder with her daughter, Mrs. C. H. Reese and family. Sue underwent major surgery on Tuesday and is making satisfactory recovery in Cogdell Memorial Hospital. Mrs. Mary Ellen James, also of New Home, was a Snyder visitor on Tuesday and Wednesday. In addition to visiting Sue, she also spent time with her brother and sister, Jack Inman and Mrs. Gerald Walton.

U. S. farmers have assets of over \$300 billion. That is equal to three-fourths of the value of the current assets of all the corporations in the United States.

## The NEW Santa Fe Trail

A report on some of Santa Fe's newest milestones

BY THE PRESIDENT OF THE SANTA FE

In 1963, Santa Fe is investing some 90 million dollars on new equipment and improvements.

All this money is being used to keep the Santa Fe up-to-date in every way.

As a matter of fact, so many new and exciting things are happening on the Santa Fe today that some people are calling it "The New Santa Fe Trail."

Here are just a few highlights of the many improvements.

- 2546 new boxcars.
- 600 Mechanical Temperature Control cars.
- 850 covered hopper cars.
- 194 double and triple deck autorypes.
- 181 flat cars.
- 86 new diesel locomotives.
- 34 hi-level passenger cars.
- 31 semi-lightweight small and baggage cars.
- Increasing our microwave communication system to 3064 radio miles.
- Experimenting with new and more efficient freight cars such as compartmentalized cars for automobile parts.
- Advancing our piggy-back operations to include joint rail-truck rates.

And we haven't been standing still up until now. We've invested over a billion dollars in progress since World War II. For example:

- The new cut-off line into Dallas.
- Major line relocations in Arizona.

- Equipped 2546 new freight cars with "Shock Control" devices for damage-free shipment of fragile freight. (Most of these cars are on order.)
- Equipped 7745 freight cars with roller bearings.
- Designed and built the best multi-level automobile transport cars—the autorypes—which are now used by all the major railroads.

To keep pace with changing times and with the rapid growth of the areas we serve, we keep constantly on the move toward a better way to serve you and to strengthen a vital part of our national defense.

It is our aim to keep the Santa Fe Trail always new.

The railroad that is always on the move toward a better way

### CARD OF THANKS

We wish to express our sincere and grateful appreciation to everyone who was so kind during the loss of our loved one, especially to the employees of Lewis Construction Company and our many other friends for the flowers, cards, food and many words and deeds that were so comforting. May God bless each of you.—Mrs. Nannie Renfro, Mr. and Mrs. Price Richey, Mr. and Mrs. Winfred Craig, Mr. and Mrs. C. J. Renfro.

Mrs. Keith Whitfield, formerly Martha Crooks of New Home, is now residing in Dover, Delaware where her husband is with the Air Force. Mrs. Whitfield is a graduate of New Home High School and the daughter of Mr. and Mrs. J. Ed Crooks of Brownfield.

Wait a bit—don't get hit!

# Farmers Co-op of Tahoka Is One Of the Oldest

Farmers Cooperative Association No. 1 of Tahoka, this year celebrating its 33rd anniversary, is one of the oldest cooperatives in this area.

The original organization was set up in the summer of 1930, when the old plant was bought from the late A. J. (Jack) Edwards, and the charter was dated October 13, 1930.

The original board was composed of R. G. Wood, president; D. T. Rodgers, vice president; Loyd E. Huffaker, secretary; Newton M. Barham, and L. F. Pitts.

Today, the board is composed of Cleve Littlepage, president; L. D. Howell, vice president; Daniel Thomas, secretary; Lois Smelser, J. O. Allen, T. D. Dunlap, and Charlie Lichey, all prominent farmers of the area.

The Co-op boasts of one of the largest and most modern cotton ginning plants in this area, and all equipment is kept up to date with the most modern machinery and ginning equipment.

Profits are returned to the organization's customers each year in patronage checks, and the system is owned and operated by its members.

Over the 33-year period, there have been some lean years, but most of the time it has been a going business. In 1958, a second gin plant was added to handle the gin's increasing business.

During the Co-op's biggest ginning season, 1961-62, a total of 16,303 bales were ginned, and this year 13,633 bales were processed.

The Cooperative also has been operating a complete service station, dealing in gasoline, oils, greases, tires, batteries, accessories, and farm supplies.

In 1958, a butane division was added to serve members, and the butane plant includes 19,000 gallon storage capacity and a delivery truck.

C. W. Stevens is the gin manager, having been with the organization for many years, 10 years as gin foreman and the last five manager. Curtis was born at Tredway, Fordson county, attended Tahoka schools and as a student was quite a fullback on the Bulldog football team. He and his wife, the former Esther Bairrington, have two sons, Jerry and Jack, who are, as their parents, graduates of the Tahoka schools.

Stevens says they have a fine staff who try to carry out policies in the business set by the board, members of which are elected from the membership of the organization.

The force includes Mrs. Sue Robertson, head bookkeeper; Edgar Hammonds Jr., assistant book-

keeper; Mrs. Joyce Peabworth, who handles cotton marketing in season; Cliff Lamberson, gin foreman; Otha Wood, ginner; J. L. Kizlar, ginner and truck driver; Ruben Gandy, station manager; T. R. Riddle, sales and service; A. B. (Red) Henry, station attendant; and "Junior" Brown, washing and lubrication.

Farmers Cooperative of Tahoka represents one of the biggest business investments in the town, and Stevens says only through cooperation of the member-owners has the organization been able to achieve outstanding success.

## Many Visitors For Hoover Funeral

A large number of friends and relatives attended funeral services for O. H. Hoover held Friday in First Methodist Church in Post.

These include Mr. and Mrs. Everett Puckett of Denver City; Mr. and Mrs. Alva Varner, Jr., Sundown; Miss Mamie Love, Bernard Love, Cecil Love and Ed Love, all of Lovington, N. M.; Mr. and Mrs. Alfred Scarborough, Lubbock; Mrs. Nora Scarborough, Mrs. W. E. Hoover and son, Frank, Mr. and Mrs. Hoyt Clemmer, Mrs. Otha Clay, Mr. and Mrs. W. L. Gourley, all of Grandfield, Okla.; Mrs. Faye Kirk, Tipton, Okla.; Mrs. Mildred Kerr and Mrs. Claude Reed of Walters, Okla.; Mr. and Mrs. Jack Stevens, Petersburg; Mr. and Mrs. Sam T. Hoover, Levelland; Mrs. Charles Jones, Oklahoma City; Mrs. J. A. Courneilus, Ralls; Mrs. R. W. Clem, Mr. and Mrs. D. R. Adamson, Mrs. Bonnie Adamson, Mrs. D. G. Cook, all of Tahoka;

Mr. and Mrs. M. J. Williams, Mr. and Mrs. Doyle Williams, Mr. and Mrs. Jack Brock, Mr. and Mrs. James Manell, Mr. and Mrs. Weldon McCreary, Mrs. Ray Smith, Mrs. Ruth Kulin, Mrs. Varina Puttman, Mrs. Clea Vaughn, Mr. and Mrs. Darrell Boyd, B. J. Thomas, Jr., James McMenamy, Benton Mason, Mrs. Ernest Kimberlin, Rev. Walter Hadley, Rev. and Mrs. J. E. Peters, all of Shallwater;

Mr. and Mrs. Arlie Fewell, Crosbyton; Mr. and Mrs. M. A. Graham, Crosbyton; Mrs. L. E. Rylant, Lovington, N. M.; Mr. and Mrs. R. C. Mangum, Mr. and Mrs. Forrest Chapman, Mrs. M. H. Cross, Mr. and Mrs. L. N. Yantis, all of Plainview; Mr. and Mrs. Jack Christian, Mrs. John Nail, Rev. and Mrs. Jack Elzey of Littlefield; Mr. and Mrs. Jack Brock, Mrs. Doyle Terry, Mr. and Mrs. Jim McGrew, Ronnie McGrew, all of Lamesa;

B. J. Brown, Mrs. Sadie Moore, A. J. Stevens, R. C. Colby, Mr. and Mrs. Lee Mason, A. R. Mills, all of Lubbock; Mrs. Bill Moore, Seagraves.

Mr. and Mrs. Ben Hur Lawson, Los Angeles, Calif., are on a luxury cruise this week in the Caribbean. Lawson, a 1929 graduate of Tahoka High School, won the trip as one of the top 100 Chrysler-Plymouth salesmen in the nation.

The couple left last Friday from California for Florida and sailed on the Italian M/S Riviera for Haiti, Nassau and other points in the Caribbean. This is the fifth year Lawson has been awarded such a trip. Following their return about April 1, the couple will visit locally with Lawson's mother, Mrs. G. H. Spears of Grandland and his sister, Mrs. G. C. Watson of Redwine.

Mrs. Lawson is the former Elva Massingale who taught in the Tahoka schools in 1928-29.

Mrs. Skiles Thomas returned to Galveston this week to be with her father, W. G. Lyons, who is in John Sealy Hospital seriously ill following a heart attack.

Improvements already made and planned include the new Council Service Center in Lubbock, which has cost \$80,000; a new building program at Camp Post which includes \$6,500 for four new troop camp sites, \$14,000 for kitchen facilities, \$3,000 for a food storage building, \$11,500 for a headquarters building and health lodge, \$5,000 for swimming pool repairs, and \$5,000 for a water system; additional showers, toilets, 'roopites and water system at Camp Tres Ritos costing \$5,000; and roads, water, toilets and troop sites at Camp Haynes costing \$10,000.

The city of Lubbock is raising \$85,000 to \$90,000 of the amount needed, and the other towns in the Area Council are pledged to raise the remainder of the \$162,500.

Roberts says the Council serves 11,000 Boy Scouts in the 20 coun-

## Scout Campaign Is Opened Here

South Plains Area Council of the Boy Scouts of America has underway a campaign to raise \$162,500 for permanent improvements for this Boy Scout area.

Harold Roberts, local manager of Southwestern Public Service Company, has been named community chairman for the Capital Funds Campaign.

Improvements already made and planned include the new Council Service Center in Lubbock, which has cost \$80,000; a new building program at Camp Post which includes \$6,500 for four new troop camp sites, \$14,000 for kitchen facilities, \$3,000 for a food storage building, \$11,500 for a headquarters building and health lodge, \$5,000 for swimming pool repairs, and \$5,000 for a water system; additional showers, toilets, 'roopites and water system at Camp Tres Ritos costing \$5,000; and roads, water, toilets and troop sites at Camp Haynes costing \$10,000.

The city of Lubbock is raising \$85,000 to \$90,000 of the amount needed, and the other towns in the Area Council are pledged to raise the remainder of the \$162,500.

Roberts says the Council serves 11,000 Boy Scouts in the 20 coun-

ty area. The reputation of the Boy Scouts for "building our men of tomorrow" is well known.

Gifts may be made in money, stocks, bonds or real estate, are deductible on income taxes, and pledges will be received on a three-year basis. Those wishing to help the program should contact Mr. Roberts.

Johnny Wells left Monday for Galveston, where he is visiting his brother, R. C. Wells, who is in critical condition at John Sealy Hospital.

## 7th Grade Second In Track Meet

Tahoka seventh graders made a total of 57 points to place second in a field of over 20 teams at the Springlake track meet Saturday.

The eighth grade team received 20 points with Mitchell Williams placing first in both the low hurdles and high hurdles.

Seventh grader Jesse Olivia was first in high hurdles and third in low hurdles; Richard White was fourth in 50-yard dash; Bill Brock second in 440-yard dash; and Gary Brooks sixth in 220-yard dash. The 440-yard relay team came in second behind the running of Gary Gunnels, Gary Brooks, Chris Roberts and Bill Brock. Placing third was the 880-yard relay team composed of Gunnels, Brooks, Olivia and Brock.

From Bowie, they went out to old Forestburg to the old home of their grandparents, Mr. and Mrs. G. L. Brown, a two-story house still standing and still occupied by members of the same family to whom the Browns sold.

Of special interest to them was seeing the stairway landing on which their parents had taken their wedding vows.

They also visited the house in Gainesville, where their mother and father lived following their marriage.

In Henrietta, Okla., they visited Mr. and Mrs. Jim Bob McAtee. Mrs. McAtee being their sister, and also in Elk City, Okla., with another sister, Mrs. J. J. Hamilton and husband.

They also visited the house in Henrietta, Okla., they visited Mr. and Mrs. Jim Bob McAtee. Mrs. McAtee being their sister, and also in Elk City, Okla., with another sister, Mrs. J. J. Hamilton and husband.

## Cobb "Children" Visit Birthplace

Gion Cobb, Mrs. Mae Aycox, Mrs. Sue Robertson, and Miss Virginia Cobb, all children of the late Mr. and Mrs. J. H. Cobb, returned home Saturday from an interesting visit to their old homes in Montague and Cooke counties.

From Bowie, they went out to old Forestburg to the old home of their grandparents, Mr. and Mrs. G. L. Brown, a two-story house still standing and still occupied by members of the same family to whom the Browns sold.

Of special interest to them was seeing the stairway landing on which their parents had taken their wedding vows.

They also visited the house in Gainesville, where their mother and father lived following their marriage.

In Henrietta, Okla., they visited Mr. and Mrs. Jim Bob McAtee. Mrs. McAtee being their sister, and also in Elk City, Okla., with another sister, Mrs. J. J. Hamilton and husband.

### Damage Light In Rash of Fires

A number of fires in Tahoka and Lynn county has kept the Tahoka Fire Department busy the past week, one at Wilson knocking out telephone service there.

Most of the fires were grass or field fires with one destroying 400 acres in T-Bar pasture.

At 11:55 p. m. Tuesday a storage house behind the home of Howard Cook in Wilson burned to the ground and a telephone cable of 26 wires strung in the alley near the burning building was burned, blocking the telephone service in Wilson. Jerry Goodnight, plant supervisor in Lamesa, said the telephone company was notified Wednesday and service was re-

stored that afternoon.

Also on Tuesday night at 9:20 p. m. a Mexican house on the Garland Pennington farm east of Tahoka Cemetery caught fire when a leak developed in a butane line servicing a refrigerator. Only about four feet square of flooring was destroyed however, according to Pat Patterson, Fire Chief, and some damage from scorch and smoke.

Wednesday night about 80 to 90 acres of sorghum alum burned in a field on the John Saleh farm about four miles south of Tahoka. Wednesday afternoon, bushes near the Dwain Jones home caught fire while Mrs. Jones was burning grass and threatened to set fire to window sills.

On Sunday about 400 acres of T-Bar pasture burned out when a grass fire started eight miles west of Tahoka on the Bill Eckert place.

Thursday of last week the Fire Department was called to the C. W. Roberts home on North Third when a grass fire in the back yard threatened to burn the fence, which resulted in only scorch.

Chief Patterson said that none of the fires were started intentionally. However, many farmers will be intentionally burning sorghum alum fields this spring and he urgently requests that the fire department be advised of such action previously so that it may stand by in case such fires threaten to get out of hand, and to prevent unnecessary runs by the truck when reports from passing motorists or spectators come through.

### Silas Russ Critical, Blood Is Needed

Silas Russ of O'Donnell remains seriously ill in St. Mary's Hospital in Lubbock, although some improvement, following an operation last Friday for removal of one of his lungs. Complications developed. The News is informed, and for a day or two doctors had no hopes for his recovery.

Through Monday, he had received 20 pints of blood.

Now, the hospital is calling on people of Lynn county, particularly O'Donnell, to donate replacements of blood required for Mr. Russ. Donors may report to St. Mary's Hospital.

Mr. Russ is a prominent farmer of the old Joe Bailey community northeast of O'Donnell.

### Tournament Held Sunday At T-Bar

Members of T-Bar Country Club participated in a Pro-Am tournament held there Sunday afternoon.

The winning foursome included *Ray and Mary Wright, Clifton Hamilton and Bill Griffin.* Second place winners were George and Wanda Glenn, Irvin and Glenda Dunagan. Winning third place were Abbie Wharton, Thomas Jolly, Mac Mauldin and Oscar Whitaker.

Sun, build, live in Tahoka.

TWO TOP CALVES in the recent South Plains Junior Livestock Show at Lubbock were shown by Tahoka brothers, Rex Hamilton (top), fifth grade 4-H member, and Dean Hamilton, freshman FFA member, both sons of Mr. and Mrs. Clifton Hamilton. Rex's calf was grand champion in both the Tahoka and the Lynn county shows. Dean's calf was reserve champion in the Tahoka show, and fourth in the Lynn county show. In other classes, Rex showed a 17th place medium weight Hereford in the Lubbock show, and Dean showed a sixth place heavyweight Hereford.

When calves were judged for the grand championship at Lubbock, Lynn county had four of the 12 top calves in the lot, the above two winners, plus Phil Adams' first place Hereford and Jerry Forsythe's second place light Angus, both of these two boys being Tahoka school students also. (Photos by Finney)

### Craig Leslie On District Team

Craig Leslie was named to the all-district Class 5-A basketball team at a meeting of district officials Wednesday night at Seagraves. Billy Clinton was named to the second team.

Louella Tomlinson, forward, and Sharon Drager, guard, were both named to the all-district first team. No second team was selected.

The mythical teams were chosen when coaches nominated players from opposing teams.

In other action at the meeting the district basketball schedule for 1962-63 was set up and the district track meet scheduled for April 6 in Sandown was organized.

Otis Spears was named chairman of next year's basketball district and Clifton Gardner was elected secretary.

### Child Killed

Highway Patrolman Marvin Hagens said the vehicle skidded 127 feet after the blowout. Skid marks indicated Stephens, held the vehicle on a true path for several yards. The station wagon suddenly veered to the right and off into the bar ditch where it rolled with tremendous impact.

Friends of the couple said Stephens was carrying a load of tile, returning home from Lubbock where he had been laying a tile floor in a new business establishment. Apparently the tile shifted, crushing the child, who may also have been thrown from the car, and causing Stephens to lose control of the vehicle.

The Lamesa Daily Reporter said Hagens stated the left rear tire had a hole in it "as big as your fist." The 1956 model vehicle was completely demolished.

Alisa June was born in Wilson and had lived there all her life until moving to Lamesa. Funeral services were held at 2:00 p. m. Sunday in the First Baptist Church in Wilson with Rev. Clifton Igo of Lamesa officiating. Burial was in the Wilson cemetery.

Survivors include the parents; the grandparents, Mr. and Mrs. E. O. Montgomery of Wilson and Mr. and Mrs. A. A. Kieschnick of Lamesa; three brothers, Allan Dale, Rodney Lee and Roger Keith, all of Lamesa; a step-sister, Linda Stephens of Lamesa; and a step-brother, Mike Stephens of Lamesa.

Mrs. G. W. Turner of New Home had a pleasant surprise when her daughter, Mrs. Sue Hardin of Dallas, came for an unexpected visit last week end.

### Reddell

(Cont'd. from Page 1)

six years on the executive board of the Texas R.L.C.A., two of those years as its president.

He has a 33 year Safe Drivers Award from the Department of Public Safety, and has not had an accident since that department has been in existence.

Since beginning his work as a mail carrier on a 24 mile route at Chico, he has driven a horse and buggy, a Model T Ford, and has used 40 different automobiles since then. In the horse and buggy days, which lasted four years, Mr. Reddell used two buggies, one mule and three horses.

Mr. Reddell, his wife, and three children came to Tahoka in 1937 and he began carrying mail on route 1 on July 1, of that year. When he retired on Feb. 28, 1963 there were 18 of the original families on that route, several of which are first generation families. More of his patrons are second and third generation families.

Of the people on route 1, Mr. Reddell said, "Not once have I felt I would like to trade my patrons for those on another route. I think I have been very lucky in always having the very best people to serve, and I want to thank everyone of them for always being so nice and thoughtful of me and for the thousands of gifts, such as vegetables, fruit and meat."

He stated that not one time did he ever have to pay a cent for being pulled out of a mud hole or for help when his car broke down.

Previous to his retirement, Mr. Reddell suffered a heart attack on Feb. 2 and was hospitalized for 25 days. He is at home recovering now, but says he intends to visit his patrons again for a pot of coffee. He has enjoyed his years as a mail carrier and feels that his years of retirement will also be rewarding in many ways. After regaining his health, Mr. Reddell plans to find something to keep him busy and states he is far behind with his fishing and intends to make up some lost time in that category.

In addition to service with the Post Office Department, he served one year in the U. S. Army during World War I with eight months overseas duty. A Mason for 41 years, he served as Worshipful Master of Chico Lodge one year and as Deputy Grand Master of District 67 one year. A member of the Baptist Church for 54 years, he has been a deacon for 30 years, chairman of the board of Deacons of the First Baptist Church in Tahoka for 10 years, was Sunday School superintendent both in Chico and Tahoka.

In 1937 when the Tahoka Boy Scouts were about to fold, he became Scout Master in Tahoka and modestly says "because of great community support we became a going organization again." He served in this capacity for six years.

During his mail carrying career, he had many funny experiences including a hen jumping out of a mail box into his face, the surprise of finding a bull snake in-

side a mail box, a run-away in his buggy, the shooting of a mad dog, and treating sick cows of his patrons. There were also many incidents filled with sorrow and the saddest of these were the delivering of personal belongings to the parents of sons who died in battle and were buried overseas.

**RETURN FROM TRIP**  
Mr. and Mrs. Buel Draper and Mr. and Mrs. Happy Smith returned Sunday from a week's vacation and fishing at Buchanan Lake. Joe Draper and a buddy from Iowa, stationed at Fort Hood, came over to the lake for a visit while they were there.

Kind words never die—they just become victims of ingratitude.

"Four Season" Climate Control

## Air-Conditioning

Cooling and Heating Cycles for the Right Temperature at the Right Time!

The new climate control system provides complete comfort inside the car... from very cool temperatures to very warm—depending upon the driver's preference. The system tempers both cool and warm air for maximum driving comfort! This is what gives the new system its unique versatility... its year-round usefulness!

CLEAN AIR—Washes air free of dust, pollen and moisture

DEHUMIDIFIED AIR—Removes up to 1 1/2 gallons of moisture from the air per hour.

HEALTHFUL AIR—Removes up to 98% of the pollen from the air.

QUIET RIDE—No road or wind noise as you ride with windows closed.

COOLING CAPACITY—Approximately 23,000 B.T.U.'s per hour at average car speeds.

HEATING CAPACITY—Approximately 30,000 B.T.U.'s per hour.

Low Monthly Payments!

# PLANT THE SORGHUMS THAT DO BETTER UNDER PANHANDLE AND SOUTH PLAINS GROWING CONDITIONS

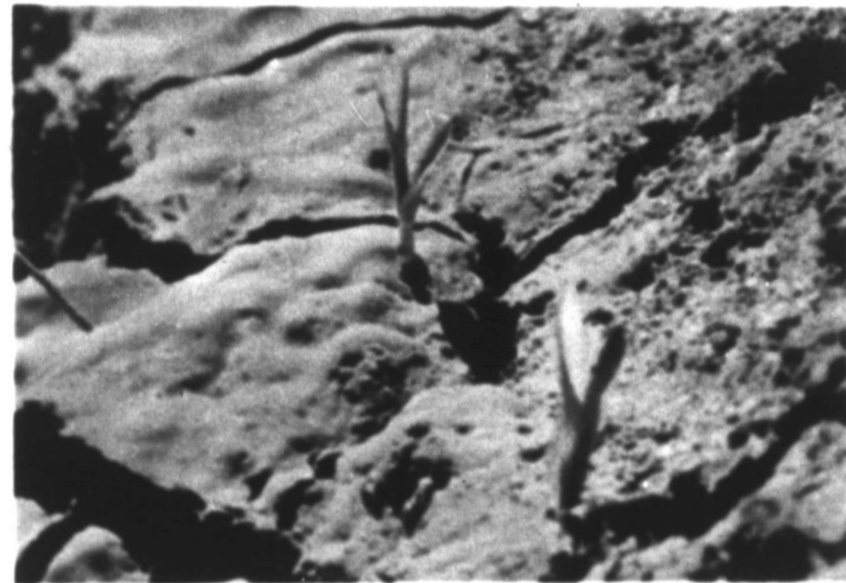

Year after year, Northrup King hybrids continue to get a bigger share of the available sorghum acreage in the Texas Panhandle and South Plains area. There are many reasons for this increasing popularity, but they can all be summed up very simply: Northrup King hybrids are out-performing other sorghum varieties.

**NK Sorghums combine bred-in potential with area adaptability.** Northrup King varieties do better here in the heart of the Texas sorghum country because (1) they have the bred-in ability to produce, and (2) they are particularly well adapted to local growing conditions. This combination of yield potential

and wide-range adaptability is especially important in the Panhandle and South Plains where conditions vary so greatly from farm to farm and even from field to field. This year, plant NK sorghums—the hybrids that are *doing better* under local conditions.

MORE FROM EVERY  
ACRE... THROUGH  
CREATIVE SEED  
RESEARCH

This dramatic photograph shows NK sorghum plants emerging from soil that a hard rain has hardened and cracked. This kind of extra vigor means more plants that come up during stresses, more plants to produce grain and build yields.

## NK SORGHUMS START BETTER

Getting a good sorghum yield depends, first of all, on getting the proper plant population established. NK hybrids have an outstanding reputation for providing thick, vigorous stands, often under adverse conditions where other sorghums would fail. Farmers report that NK sorghums show excellent germination in hot, dusty seedbeds and in cold weather. They push through problem soils that would stop less hardy varieties. This thicker stand and early vigor mean, of course, a field with more capability to produce a big yield.

*emerged were covered so badly with washed soil I gave up on the field. I was all set to replant when the sorghum started to emerge strongly and it went on to produce a good stand."*

**Gene Fletcher (Fletcher Bros.), Gruver**  
*"My NK sorghum got about five inches of rain right about the time it started to come up. Plants that had*

**A. G. Williamson, Route 3, Plainview**  
*"I never saw anything come up like my NK sorghum did after two hard rains. I don't believe corn would do as well. I had started to replant when I noticed it was beginning to come up... it made a good stand."*

## Only Northrup King provides the benefits of Green Treatment

The exclusive Green Treatment process gives NK sorghum seed added protection that means more dependable germination, uniform emergence, and healthy early growth. During the critical days immediately after planting, Green Treatment acts as a protectant against many kinds of harmful soil-borne fungi and seed-damaging insects. Green Treatment is another extra benefit you get when you plant NK sorghum seed.

Determined NK hybrids yield better because they grow better. They avoid much of the damage caused by weather stresses, especially when they're carefully selected according to the expected growing conditions.

## NK SORGHUMS GROW BETTER

Sorghum growers like the way Northrup King hybrids show steady growth and proper development at every step of the way from emergence to maturity. Because NK varieties have this bred-in vigor and additional stamina, they're better able to resist stresses which might occur. They adjust to periods of abnormal growing conditions, avoid permanent setbacks. And because they pull through these stresses in better condition, they go on to make a bigger crop.

**M. G. Watts, Route 3, Floydada**  
*"I'm really sold on NK sorghum. I planted on June 10th the crop grew faster than I expected and headed out with minimum cultivation."*

## Visit a Northrup King demonstration plot this summer

Supporting Northrup King's nationwide network of experimental and breeding farms are sorghum demonstration and test plots located throughout the Panhandle and South Plains. At these locations both established and experimental sorghums are constantly being evaluated to find the best varieties for local conditions. Your NK dealer probably has a comparison plot on his farm; if not, he can direct you to one nearby.

This Northrup King sorghum has been left in the field well into late winter as part of a continuous test program to find better standability. Despite the completely dried out stalks and heavy snow cover, practically all of this crop is still standing erect—proof of bred-in stalk strength and deep root systems.

## NK SORGHUMS STAND BETTER

Some sorghum breeders, in their haste to get bigger yields through bigger heads, have neglected other parts of the sorghum plant. Not so with the Northrup King experts! NK varieties have been developed on the basis of total performance, on their ability not only to produce but to deliver. NK hybrids recommended for the Panhandle and South Plains have deep-reaching root systems that anchor plants securely in loose, sandy soil... stalk

strength that resists breakage in high winds... all the characteristics necessary to avoid lodging.

**Jon Appling, Box 1249, Levelland**  
*"I'm well pleased with NK sorghum. It stands better than other sorghums I planted this year... I'll plant NK again next year."*

Every year thousands of farmers visit NK demonstration plots, such as this one at Lubbock, for firsthand information about sorghum performance.

You get the best yield growing conditions will allow when you plant the proper Northrup King variety. NK hybrids yield more in their maturity class because they have bred-in yield potential and better adaptability.

## NK SORGHUMS YIELD BETTER

Specific, bred-in characteristics such as length of time to maturity, stress tolerance, and insect and disease resistance determine how well a sorghum will yield. No single variety, regardless of how skillfully it is bred and developed, can be the best yielder under all circumstances. That's the reason Northrup King offers three distinctively different grain hybrids for the Texas Panhandle and South Plains. Each of these varieties is well-qualified in its own way to produce a big yield under the varied growing conditions found in this area. This year, get a Northrup King-size yield—local adaptability and bred-in yield potential make the difference!

**Calvin Robertson, Route 3, Plainview**  
*"I tried 13 acres of NK sorghum in 1961 and it cut right at 10,000 lbs. per acre. I upped my acreage to 100 acres in 1962."*

**Billy Bob Jackson, Route 2, Hale Center**  
*"My NK sorghum was the best feed I had last year... I expect good yields again this year."*

# CHOOSE THE NK SORGHUM WITH THE RIGHT "BIG YIELD" ABILITY FOR YOUR FARM

What constitutes a "big" yield? In some dryland fields a harvest of 3,000 lbs. of grain per acre might be considered quite satisfactory. Yet in other places, especially where irrigation water is plentiful, this would be considered a very poor showing. Whether a variety has yielded big or not cannot be determined by grain weight alone—performance can only be judged according to the growing conditions under which the crop was produced.

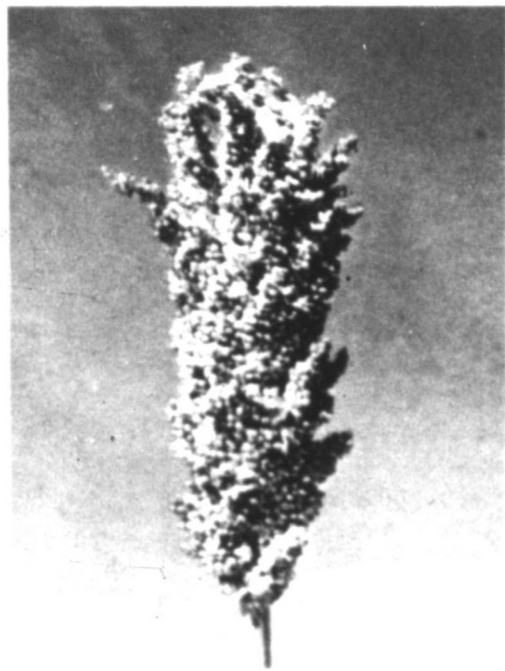

NK hybrids, when used when and where recommended, will produce a big yield under every growing condition found in west Texas. They allow you to select bred-in capability that's exactly right for the soil fertility, available water, stresses that might be encountered, and days to maturity. The right sorghum for your needs is here... in these three outstanding hybrids from Northrup King.

## NK 310 HERE IS THE KING OF THE BIG YIELDERS!

Leader of the full-season, full-potential varieties, Northrup King's NK 310 has proved its yielding superiority over and over against other sorghums in its maturity class. This extra yield potential has made NK 310 the hybrid against which other varieties are compared wherever good soil fertility and adequate water are available.

If you planted NK 310 in the right environment last year, there's not much doubt that you'll be planting it again this season. But if this outstanding hybrid has never been on your farm, and you feel your land and management offer the challenge it needs, talk over its unique qualifications with the local NK seed salesman. If he recommends NK 310 for your farm, don't settle for anything less!

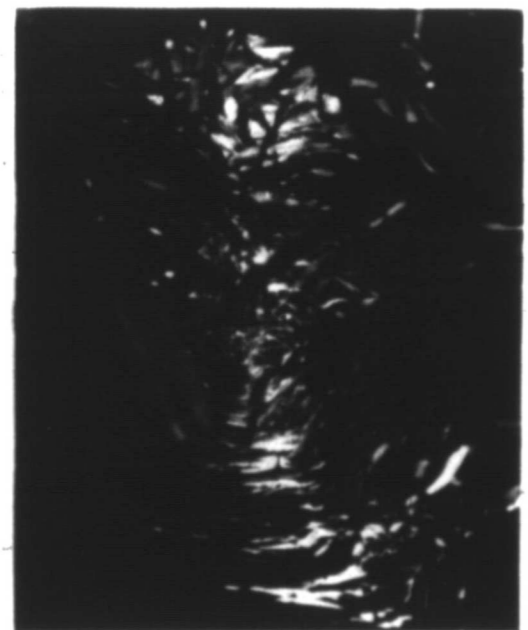

Some of the reasons why NK 310 is such an efficient grain-producing "factory"

**BIGGER HEAD**—NK 310 has big, exceptionally long heads with plenty of room for grain development. Heads thresh cleanly, put more grain into the bin.

**MASSIVE ROOTS**—The NK 310 plant has a gigantic root system that probes deeper into the earth for extra nutrients and water vital to bigger yields.

### NK 310 LEAFINESS STOPS WEEDS, HOLDS MOISTURE

NK 310 quickly reaches the stage where its exceptional leaf development completely shades row centers from the sun. These profuse, wide leaves keep troublesome, yield-cutting weeds from getting ahead of the sorghum plants, help the soil retain more moisture. The result is a field that yields more, harvests easier, and is a real source of pride.

"NK 310 always yields well for me. I started planting it three years ago... had 185 acres this past season. I like the way the leaves shade the ground and retain moisture."

Rae Groce, Route 2, Petersburg

**STRONGER STALK**—NK 310 has a super stalk that enables it to deliver its bigger yield—despite the elements, despite the weight of the big NK 310 head.

"I'm more than satisfied with my NK 310. I'll certainly be planting it again next year. I like the uniform stand and expect it to yield exceptionally well."

M. A. Ulmer, Route 1, Lockney

**MORE LEAVES**—Here, in the "carburetor" of the NK 310 plant where food and oxygen are combined, more leaf surface means additional power to produce grain.

"I believe practically every seed came up... I got a thick stand all across the field. NK 310 is the best maize I've ever planted... and I've been farming 24 years."

Tommy A. Byrd, Route 1, Petersburg

## NK 222

New premium hybrid with a sensational record

Farm reports on this new yellow endosperm hybrid seem almost too good to be true! Originally bred to provide more vitamin A and protein than other sorghums, NK 222 proved in its very first year of large-scale use to have even more ability than its developers expected.

Last season, NK 222 proved that it has a high degree of smut resistance—in areas of heavy infestation most fields of NK 222 remained 100% smut-free. NK 222 also showed its exceptional dependability, refusing to "give up" during stress periods. It proved that it has both the stalk strength and the extensive root system necessary for good standability. Its plump berries surprised growers with their exceptionally heavy test weight. With all these factors working together, NK 222 earned a reputation for beating other hybrids in yield, even sorghums many days later in relative maturity.

Sound impossible for one sorghum to have all these characteristics? Maybe for most sorghums but not for NK 222!

Unprecedented demand has made NK 222 seed scarce this year. But if your dealer can still supply it, don't miss the opportunity to plant a truly amazing hybrid. After seeing its superior performance right in your own fields, you'll probably want to plant all your acreage to NK 222 next year!

## NK 210

The most reliable NK sorghum of them all

If dependability is what you're looking for in a sorghum, NK 210 belongs on your farm. High yields have proved that NK 210 responds to the best management, but an ability to perform well under all conditions—good, bad, or "average"—sets this eager hybrid apart from the temperamental sorghums that all too often fail to deliver the big yields promised. Farmers from Nebraska into Mexico plant more NK 210 than they do any other Northrup King variety. A trial on your farm will prove why!

"I have enough water for only one irrigation and must rely on a good drought-tolerant variety. I think NK 210 is best. It comes right up... matures faster."

Harold Moore, Ralls

## FORAGES

ONLY NORTHRUP KING HAS THESE EXCLUSIVE VARIETIES

From Northrup King research comes three of the finest forages ever offered in the Southwest. Look these NK hybrids over carefully and select the forages ideal for your needs. Remember, they are all exclusive Northrup King varieties available only through NK dealers.

### NK 300...the unique forage sorghum

NK 300 produces leafy plants with strong stalks unusual in forage sorghums. Lodging problems are largely avoided. Even under somewhat droughty conditions, NK 300 will come through with good yields. Trials with NK 300 have demonstrated that its high percentage of grain (up to 30% of total weight is made up of grain) gives extra feeding value. Because it packs more protein per pound, NK 300 is the preferred forage on many of the largest cattle operations in the Southwest.

### SORDAN...the new sorghum / sudan cross

This sorghum/sudangrass cross is another forage being introduced by Northrup King for the first time this year. Extensive testing has shown that Sordan has vigorous early growth and quick recovery after grazing or cutting. Sordan has an exceptionally high leaf-to-stalk ratio and can be used for either pasture or green chop. An excellent yielder, adapted wherever sorghum/sudangrass crosses are grown.

### TRUDAN I...the first true hybrid sudangrass ever available for commercial use

This season, for the first time, you can plant a true hybrid sudangrass—Northrup King's Trudan I. This new hybrid has 100% sudangrass parentage on both sides, a feat of seedsmanship that only NK plant breeders have been able to accomplish on a commercial scale.

These are some of the advantages Trudan I provides:

- **Hybrid vigor.** Trudan I has stronger seedlings, recovers quicker from grazing or cutting than do either ordinary sudangrasses or the sorghum/sudangrass crosses.
- **Higher yields.** Yields up to 40% more than those of other sudangrass varieties have often been reported.
- **Better quality.** Trudan I forage is fine-stemmed and leafy, excellent for all purposes.
- **Adaptability.** Trudan I can be grown almost everywhere that other sudangrasses thrive.
- **Low prussic acid content.** Trudan I has prussic acid content as low or lower than most sudangrasses.

Only a very limited amount of Trudan I seed will be available this year. If you order now, your NK dealer might still be able to set aside a portion of his allotment. See him at once!

## Your NK dealer invites you to a delicious sweet corn dinner!

NK seed dealers listed here have been given a supply of Northrup King's famous hybrid sweet corn seed for free distribution to sorghum growers. To get your sweet corn "dinner," just fill out the coupon and present it to your local NK representative. There's nothing to buy, no obligation. This is Northrup King's way of saying "thank you" for your enthusiastic acceptance of their sorghums. But better hurry. NK roasting ears have a way of disappearing mighty fast.

Present coupon and get your free sweet corn seed from any NK dealer listed here!

## Rotary Club Program Tells Effects of Nuclear Fall-Out On Agriculture

"Fall-out and Agriculture" was the subject of a sound movie and talk presented by Mack Mauldin at Thursday's Rotary meeting which emphasized the effects of radio-active fallout from a nuclear explosion on man, livestock, growing plants, soil, and foods.

In case of a nuclear attack, maximum protection would be in a fall-out shelter, where one should be prepared to remain for two weeks with supplies of safe food and water.

Naturally, the degree of danger would depend on distance from the nuclear explosion. A person or animal inside a tight house would have twice the protection of being outdoors, and further protection would be assured in the basement.

But, the program dealt mostly

with the effects of residual radiation wherein the bones, muscles, and vital organs of man and beast is affected by radiation; the deposit of radiation over a long period of time in the soil and the absorption of plants through air and soil, which would in turn affect man and animal.

H. B. McCord Jr. was in charge of the program.

Dale Thuren announced the club's rural-urban day will be on Thursday noon, April 11, when the speaker will be Paul Walser, assistant state conservationist of the SCS. Rotarians will invite farmer guests.

On the committee with Thuren sponsoring the day are Harley Henderson, Robert Abbe and E. L. Short.

President Calloway Huffaker

# The Lynn County News

TAHOKA, TEXAS "Heart of the South Plains" FRIDAY, MARCH 29, 1963

## T-Bar Will Limit Play By Students And Non-Members

At a meeting of directors of T-Bar Country Club Thursday of last week, rules were set up for various school golf teams in using the golf course for the remainder of the school term.

It became necessary to make the rules because of the increased play by dues paying members of the Country Club with the coming of warm weather, and the increased participation by such golf teams in the county.

Directors said their primary interest is to have the facilities of the club available to dues paying members and their families at all times and the board will appreciate the cooperation of all members in enforcing the following regulations:

1. All members of golf teams and instructors must pay \$1.00 green fee each time they play (unless parents are members of the club).
2. Practice periods will be limited to school days (Monday through Friday). Team matches against other schools may be played on Saturday. Under no circumstances will these playing privileges be allowed on Sundays or holidays.
3. Members of the golf team must be accompanied by the instructor at all times while playing on the course. Instructor should instruct players on golf etiquette.
4. At the close of the school term these privileges automatically cease and the course will be limited only to members and their families.
5. Effective immediately all players and instructors who are not members of T-Bar Country Club will not be allowed to play except under this special student program during the specified times.

### CARD OF THANKS

I would like to thank all the people that sent me flowers while I was in the hospital. Also thank those that sent cards and the many gifts that were brought to me and those that visited me. I thank each and every one of you so much.—Ruby Faye Savell. 11c

announced the Rotary District Institute will be held in Shamrock April 4, 5, and 6. He said the recent pancake supper ran off very smoothly and nearly 300 people attended.

Tahoka's club attendance for February, was 95.79 percent, 18th in this Rotary district.

Turner Rogers was announced as a new member of the club.

Student guests, Taylor Knight and Ronnie Hart, were introduced by Harold Roberts and Wilton Payne, respectively.

## Soil Conservation Brochure Issued

A brochure entitled "1962 Progress Report" has been mailed out this week by Lynn County Soil Conservation District to farmers and farm owners of the county telling the story of soil conservation work in the county and indicating needs for the future.

The 64-page and cover publication is filled with pictures and facts about Lynn county farming, and everyone with any interest whatever in our farming program should have a copy. Anyone not receiving a copy in the mail may secure one at the SCS office here.

Among the information in the book includes pictures and information about Agricultural Agency personnel and objectives, rainfall, crop production, conservation practices, needs for the future, and even a brief county history, and related subjects.

The book was compiled by the SCS office personnel and the board of supervisors of Lynn County Soil Conservation District.

Members of the office force are: Mack Mauldin, work unit conservationist; Walter Bertsch and Thomas Owens, soil conservationists; James Stephens, soil conservationist aid; and Ed Manning, agricultural engineer.

E. R. Blakney is chairman of the board, and other members are Ward Eakin, Barnes, Melvin Wuensche, Boyd Barnes, and Harold Payne, who is succeeding Ellis Barnes, who has served on the board 10 years. Mrs. Nan Adams has been secretary-bookkeeper for the board several years.

Farmers may deduct up to 7 percent of their 1962 purchases of new or used machinery, under a new federal tax regulation.

## Lutheran College Choir Will Present Program In Wilson

The Texas Lutheran College Choir, oldest touring college choir in the Southwest, will present a gay concert at Wilson Independent School on April 9 at 1 p. m. The TLC choir will also present a concert at Shepherd King Lutheran Church in Lubbock, Tuesday, April 9 at 8:00 p. m.

The choir will present 15 concerts in West and Central Texas and Colorado during its April 5-15 tour.

Forty-seven students from eight states and Cuba are members of the TLC choir. Director of the group is Walter H. Farrier, Jr.

The TLC choir was organized in the fall of 1929 by the late Dr. Hugo E. Gibson, who directed the group for the next 15 years.

Since 1929 the choir has toured annually, presenting concerts in most of the 50 states and in Canada and Mexico.

## Tahoka Runners In Sundown Meet

Tahoka High School track team participated in the Sundown track event Saturday with a freshman boy, Larry Jolly, placing second in discus.

Jolly also placed sixth in shot put. Steve Greer came in third in the 220-yard dash and fifth in the 100-yard dash. Hugh Jack Norwood ran the 440-yard dash in sixth place.

The Tahoka team garnered 18 points.

**VISITOR FROM CLOVIS**  
Mrs. A. I. Thomas, formerly of Tahoka and now a resident of Clovis, N. M., was a visitor last Friday in the home of Mrs. Jimmy Dulin. Mrs. Thomas was accompanied by her brother, Brewer Corley, also of Clovis.

## Volleyball Finals Saturday Night

Volleyball games will continue this afternoon and evening with finals to be played Saturday night in the Tahoka Volleyball Tournament that got underway Thursday.

Games will begin at 5:00 p. m. today and tomorrow. A total of 10 women's teams and eight men's teams from O'Donnell, Wilson, New Home and Tahoka are entered in the event.

Trophies will be awarded first, second and consolation places in each bracket. Admission is 50 cents for adults and participants and 25 cents for children.

U. S. farmers spread 1 1/2 billion worth of fertilizer and lime on their field annually.

## Lynn Seeks Type II Brucellosis Control

Dr. R. G. Garrett, Executive Director of the Texas Animal Health Commission announces the receipt of Lynn County petition for Type II Brucellosis Control.

Proclamation by the Governor No. 205 has been issued and a hearing has been set for May 6, 1963, at 9:30 A. M. in the office of the Texas Animal Health Commission, State Office Building, Austin, Texas.

All those in favor of or in opposition to the designation of this County as a Type II Brucellosis Control Area are invited to attend. If no opposition is presented, Lynn County will be designated as a Type II Control Area effective July 1, 1963.

**You'll never know what a field can yield until you use RAINBOW**

Rainbow Premium Plant Food is tailored for your crop and soils. There's a Rainbow grade made for you with all the nutrients in the right balance.

It all adds up to a superior plant food that produces more. We know you'll like results. That's why we say: "You'll never know what a field can yield until you use Rainbow Premium Plant Food." Use Rainbow and see for yourself the benefits of premium ingredients wrapped up in a premium plant food.

Well, the wind was out of the east southeast Friday morning, and according to the old Indian sign we're going to have a wet year and a good crop in 1963. Say, Old Man Weather, you better wake up and get started! You haven't given the old Indian much cooperation so far.

Spring is here, the calendar says. But, the mesquites say "Maybe, no." They haven't come out yet, and the mesquites haven't been fooled but once in our memory.

Saw a little item in the daily press the other day about Wendell Bedichek, assistant director of the Texas Research League at Austin, which recalled some happenings "away back yonder" when The Printer was a green college kid and editor of The Prairie, weekly student newspaper at West Texas State, and Wendell was editor of The Optimist, similar paper at Abilene Christian College.

Both of us were delegates to the Texas Intercollegiate Press Association convention being held on the campus of Baylor College, an all-girls school in Belton. Wendell and The Printer were assigned to the same room in a girls' dormitory. A bath room served our room and some other room on the other side. The Printer had not much more than entered the bath room when the door to the other room was opened and in stepped a girl. When she saw The

Printer, she let out a Comanche yell that could be heard clear down to Nolan Creek. The Printer retreated, but pandemonium broke loose as the girl dashed out in the hall still yelling. Girls came from everywhere, and they yelled! The matrons arrived, and soon everything quieted down following some explanations. But, Wendell and The Printer were harassed with kidding and jokes all through the convention sessions.

Climax of the convention was a floozy banquet at Temple Country Club. The boys from SMU, Texas U., and A&M, and Rice all had tuxedos. Wendell and The Printer and some of the other boys never had worn one of the things—in fact, we had never been took to any such place—and were terribly embarrassed because we couldn't get a tux and thought we'd look like what we were, country boys. But, everything turned out all right, most of the boys present were dressed in ordinary clothes, the girls in fancy evening gowns. That is, everything went all right to a certain point. This was our first fancy affair, and we were mighty, mighty nervous about which hardware to use for which eating job. The menu was printed in French, but The Printer just about had it all figured out except that "Jemittasse" stuff which looked black and was served in a tiny cup. Not knowing whether to turn it up and drink it in two or three swallows or whether to use a spoon, we just waited to see what others did—then, we found out it was just plain coffee. Being at a banquet, we refrained, however, from saucer and blowing the stuff.

Every few years we see Wendell and both of us have a big laugh about our experiences down at Baylor College.

Roy Askaw gave us a clipping, telling about two men coming in about night from fishing on a lake when a big fish flopped into their boat. It swatted one man in the face with its tail and broke the others fishing rod, then flipped out of the boat and swam off.

You've heard it said, "He can't even spell his own name," and also "The paper never gets anything right." Well, both statements are partially correct. Last week, Pat wrote a story about Mrs. Carl (Peggy Carter) Beckum going to work for The News. The name came out in the paper "Beckham."

Our attention is called to another error. Back on February 1, we had a column on the race problem in which we said the Federal government had spent \$450 million to keep Meredith in Old Miss, and quoted some figures showing how far this much money would have gone in educating hundreds of children, building schools, highways, etc. We have an unsigned anonymous letter postmarked in Washington, D. C., stating we were in error—the amount should have been \$4.5 million. We got our original information from a news story under a Washington date line—and it definitely said \$450 million—which we suspect actually was an error. But, regardless of the amount, \$4.5 or \$450 million, this is still too much and the principle is all wrong. Bobby Kennedy et al are out of line, power hungry, unfair in their zeal to penalize the masses to help a few, and don't even practice what they preach by sending their own children to integrated public schools. Bobby was even careful to pick out his home in an exclusive residential area. In fact, he's our attorney general for strictly political reasons. Although he has a law license, we're told he never even pleaded a case in a justice of the peace court

until the time, a few weeks ago, after being in this high office two years, he presented a case before the Supreme Court. Incidentally, the latter body is made up of political appointees, not especially qualified as jurists, and several have not even practiced law.

The News was saddened by the passing of one of our finest citizens, O. H. Hoover, Grassland pioneer, and head of one of our finest families. Mrs. Hoover, a lady our force has come to love, writes the Grassland news each week. We think the public should know that she not only does her community and county this service, but she donates the little check she gets from her writings each month to her church.

Mrs. G. G. and Mrs. J. M. Vaughn, pioneer Lynn county settlers, were up from O'Donnell on their annual subscription-paying trip and joined us in bemoaning the fact that so many of the oldtimers are passing. The Vaughns settled here in 1906.

People who can't keep from criticizing the younger generation usually can't remember who raised it.

Mrs. M. B. Walters, 2703 60th street, Lubbock, writes, "I sure wouldn't want to miss receiving The Lynn County News. I enjoy reading all of The News." Mrs. Walters is a pioneer of the Draw-Redwine area.

Lou Calvery, who is postmistress, store operator, and "mayor" of Florey while not riding herd on F. E., writes she always looks forward to receiving her News.

Mrs. J. H. Roy of O'Donnell, formerly of Tahoka, dropped in one day recently to visit The News force and declared she misses her old friends. Mr. Roy

### Letters From News Readers—

(The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed.—The Editor.)

Dear Editor: I just finished reading The Lynn County News and happened to remember your Printer's Inkings of a few weeks ago. I meant to write you then but just forgot.

You remember the item about The News not taking out-of-town ads because of your shop at home program. I want you to know I appreciate your loyalty to yourself and the businessmen of your town. If you had a paper in Olton, or I had a business in Tahoka, I would be compelled to advertise with you.

I think you should be commended for your effort. If your business men are awake to this, it should pay off in money to both of you.

Thank you for reading this. Charles Polk, Olton. (Ed. note: A newspaper can not refuse legitimate advertising, but it can discourage the same. That is what we usually try to do in direct competition with local merchants.)

passed away last December 11.

And J. E. LeMond of Snyder writes: "Enjoy News, also Inkings. Most oldtimers gone. Small papers echo heart beats of common herd. Keep it up."

Principal to small boy: "It's very generous of you Russell, but I don't believe your resignation would help our crowded school situation."—Santa Fe Magazine.

chants who advertise with us. Tahoka and Lynn county come first, and we would be ungrateful if we solicited competing merchants living elsewhere. Occasionally, however, we get caught and almost have to accept some outside advertising. Thank you, Charles, for your letter.)

Nevada was the thirty-sixth state admitted to the union.
