School Graduation Exercises Tonight

The Senior Class of 1963 will receive diplomas tonight in Commencement exercises to be held at 7:30 p. m. in Tahoka High School auditorium.

Cheve Littlepage, president of the school board, will make the presentation of diplomas after Supt. Otis Spears presents the class.

"Criteria for Success", will be the theme when five honor students address the class. Jerre Ann Wyatt will speak on "Initiative"; Tony Spruiell, "Education"; Sarah Wells, "Citizenship." The salutatory address will be delivered by Carolyn Howard and the valedictory address by Patricia Hammond.

Larry Price will give the invocation and Billy Wallace the benediction. Mrs. Ray Adams will play the processional and recessional and the class will sing "Graduation Day."

Members of the Senior Class include J. E. Birdwell, Andy Bray, Billy Clinton, Ronny Driver, Jerry Furey, Ronny Gandy, James Gormley, Ronnie Hart, Claudio Hinkle, Donnie Hopkins, Taylor Knight, Alfred Lawrence, Craig Lelie, John D. Mares, Birger Ollrogge, Larry Price, Ronny Fyburn, Larry Pylon, Jack Reese, Roger Renfro, Johnny Rogers, Kenneth Scott, Tony Spruiell, Roy Siles, Mike Taylor, Billy Wallace, Jimmy White, Jimmy Wright, Tommy Jones, Gloria Blacklock, Sharon Brown, Lynetta Cain, Sharon Drager, Bettie Edler, Cynthia Franklin, Bonnie Hale, Patricia Hammond, Ruby Hinkle, Carolyn Howard, Sue Jones.

Marian Milliken, Brookline Reese, Jane Riddle, Sarah Wells, Jerre Ann Wyatt, and Jo Ann Zedlitz.

Mrs. A. J. Edwards Is Buried Here

Mrs. A. J. Edwards, 68, a former long-time resident of Tahoka but living in Lubbock the past 28 years, passed away Thursday of last week at 11:55 a. m. in West Plains Hospital, Muleshoe, where she had been a patient the last eight months. She had been ill about five years.

Funeral services were held at the First Baptist Church here Saturday at 2:00 p. m. with Rev. Wayland Edwards, pastor of Southcrest Baptist Church in Lubbock, officiating, assisted by Rev. Geo. A. Dale, retired former pastor here now living in Lubbock. Burial followed in Tahoka Cemetery. Born in Burnsville, Miss., on August 24, 1878, she moved to Texas with her parents, and was married in 1902 at Waldo, near Crawford, to A. J. (Jack) Edwards. The couple moved to Tahoka in about 1912. Mr. Edwards bought a gin here and later acquired considerable farm land and several other gins over this area. In the early 1950's he sold his gin to Farmers Cooperative Ass. No. 1 of Tahoka. Following his death about 20 years ago, she moved in 1948 to Lubbock. She was long a member of the Baptist Church here.

Survivors include one son, A. F. (Pete) Edwards of Lubbock; two daughters, Mrs. Inez Knight of 1784 29th street, Lubbock, and Mrs. W. T. Bovell of Muleshoe; five grandchildren, four great grandchildren; three sisters, Mrs. Pearl Edwards of Fort Worth, Mrs. Beatrice Frady of Crawford, and Miss Agnes Anderson of Cleburne; three brothers, John Anderson of O'Donnell, Coy Anderson of Crawford, and Winslow Anderson of Dallas; and numerous more distant relatives, some of whom live here.

OIL TEST ABANDONED
The No. 1 Mrs. Callie Lumsden oil test of Gould Drilling Co., one-half mile east of Wilson, has been abandoned as a dry hole at a total depth of 4,982 feet.

Tahoka Closing Memorial Day

Next Thursday, May 30, is Memorial Day, and most Tahoka business institutions and all offices will be closed.

This is one of five holidays taken during the year by local business.

Plans in the annual City Open golf tournament will be played during the day. Spectators are welcome to attend the event.

Murder Trial Is Transferred Here

The nationally-publicized Myers murder case will be tried in 108th District Court in Tahoka, trial date to be set, on a change of venue from Howard county. District Judge Truett Smith has announced.

John Edwin Myers, charged with the murder of Arthur DeKraal in Howard county, was originally tried in Cherokee county on a charge of venue and found guilty. But, Texas Court of Criminal Appeals reversed the conviction on grounds of misconduct by the trial jury. His accomplice in the slaying, Donna Marie Stone, teen-age lover, was named in a separate charge.

The murder was committed by the pair on Highway 80 in Howard county in September, 1961, and the suspect is being held in the county jail at Big Spring.

Wheat Programs Approval Fails

Lynn county farmers joined the nation's wheat growers in Tuesday's balloting to vote down Secretary of Agriculture Orville Freeman's proposal for stricter controls on the crop. A two-thirds vote was necessary for approval of the program.

Twenty-six ballots were cast in Lynn, 15 for the proposal, 11 against, or 57.8 percent in favor of the program, but short of the 66.6 percent.

Nationwide, less than 50 percent favored the stricter controls.

In Lynn county, wheat is a very limited crop, there being less than 100 small growers, but ASCS office officials said this was the highest percent of farmers who had ever voted on such a program.

The Administration had hoped for passage of the proposal, and, if it passed, tentative plans had been made to place more rigid controls on most other farm products.

Heavy Rains Cover Area

Housing For Aged Project Approved

Approval from the Public Housing Administration was given last week on the 12-unit housing program for elderly people to be built on the half-block south of the Sunshine Inn at an approximate cost of \$157,400.

Bids will be accepted until 2:00 p. m. Tuesday, June 25, at City Hall in Tahoka.

Persons 62 years of age and older will be eligible to live in the units and those wishing to apply for a unit may do so with the local Housing Authority at City Hall.

Eight units will be no-bedroom dwellings but will have a bedroom area and living area. Four units will be one-bedroom, fully partitioned into three rooms and bath. Eight will face south under one roof and four will face west under one roof. Built of tile with brick facing, the units will alternate in facing north-south or east-west, whichever the case may be, with porches provided.

Also in the blueprints are a laundry building with access walks from each unit, maintenance and office building, parking area, shuffle board and horse shoe courts, a clothes line area, and a garden area of approximately 70 by 70 feet.

The project will be paid in 40 years, with rental making most of the annual payment. The appropriation is government guaranteed, or payments are guaranteed by the government in case the payments cannot be completely made locally.

Work on the project by the Housing Authority, architect, Public Housing Authority, etc. has been underway for several years. Final approval was made on May 14. The rental, maintenance, etc. will be under direction of Tahoka Housing Authority, which was set up when the low-rent housing project for low income families was built here consisting of 14 units in the Negro, Latin American and White sections of town.

Contract Let For Three Miles Paving

Contract was let in Austin this week by the State Highway Department to James Kerr of Lubbock for the paving of three miles of farm-to-market road in Lynn county extending from Lakeview Baptist Church south to intersect the paved road two miles west of Petty gin.

Included in the contract is the paving of Dawson county farm roads under a total contract of \$250,421.

Mrs. Kenneth Moerbe of Wilson entered the local hospital on Tuesday as a medical patient.

Permits Issued For New Homes

Building permits in the City of Tahoka had reached the level of \$230,430.00 on Wednesday of this week, with \$54,000 of this amount having been recorded since the first week in April.

Those applying for building permits at City Hall include the following:

- Charlie Boswell, \$11,000 for new house on South Eighth.
- R. L. Littlepage, \$500 for addition to house on North First.
- H. B. McCord, \$1,900 for improvements to house on North Third.
- C. M. Lamberson, \$6,000 for new house on South Seventh.
- Harold Roberts, \$16,500 for new house on North Third, Roberts Addition.
- Higginbotham-Bartlett (J. D. Alwell), \$18,000 for new house on North Seventh.

Dental Clinic Work Complete

Dr. K. R. Durham has completed his new dental clinic enlargement for himself and his associate, Dr. Gerald E. Wood, and he says the clinic is probably the largest and best equipped small-town clinic in the Southwest, larger than most city clinics.

Dr. Durham bought the adjoining telephone building, has remodeled the same, and built a connecting link with his old clinic building. The entire building has been remodeled, rearranged, and redecorated, and much new and modern equipment installed.

There now are five dental chairs, each in a separate room, a larger laboratory for Bob Connolly, technician, one utility room, a recovery room, two private offices, a storage room for the air-conditioning and heating equipment, a ladies' locker room, and three rest rooms.

Leaders Named By School Band

In try-outs held Tuesday of last week Montie McGinty was named drum major of the Tahoka High School band for the 1963-64 school term.

Majorettes will be Patricia Sikes, head majorette, Patricia Falls and Lacey Walker.

Serving as judge in the try-outs was Wells Teague, drum major for the Texas Tech Red Raider band.

Wilson Seniors Get Diplomas

Wilson seniors received diplomas last Friday night, May 17, in Commencement exercises in the Wilson High School auditorium from Lloyd Mears, president of the school board.

The valedictory was delivered by Jerelene Wied and the salutatory address by Allen Wuensche. Special awards were presented by D. H. Kosminger, high school principal. Supt. Leroy Scott presented the class; Billy Hatchell gave the invocation; and Patricia Walker, the benediction. A candle lighting service was conducted by Ted Bartley, president of the junior class. Claudia Stoker played the processional and recessional.

Wilson seniors include Sandra Behrend, Servando Benavides, Cherry Campbell, Leon Delgado, Wayne Edwards, Jimmy Gickhorn, Billy Hatchell, Glen Lehman, Sandra Lumsden, Larry Mears, Don Schneider, Helen Schneider, Bobby Stone, Charlene Talkmitt, Patsy Walker, Jerelene Wied, Allan Wuensche and Lowen Young.

Two Local Students Will Attend Nuclear Symposium At TU

Tony Spruiell and Alfred Lawrence, graduating this week from Tahoka High School, have been selected as representatives from this area to attend the Texas Nuclear Science Symposium at the University of Texas in Austin on June 9-12.

The symposium is a joint venture of the Texas Atomic Energy Research Foundation, of which Southwestern Public Service Company is a charter member, and the University of Texas.

During the symposium there will be lectures and demonstrations in the fields of nuclear physics and atomic energy by scientists from the Oak Ridge, Tennessee, atomic energy center and University of Texas scientists in charge of experiments at the laboratories there. They will also tour the science departments at the University.

Spruiell and Lawrence have both been honor students in the local school.

Tony is the son of Mr. and Mrs. Clyde Spruiell, and Alfred is the son of Mr. and Mrs. Clayton Lawrence.

In addition to the Tahokans, Wilson will send two representatives to the symposium, also sponsored by Southwestern Public Service Company. They are, Mrs. Pearl Davidson, of the faculty, and student Allen Wuensche.

Thirty-seven students and teachers from Southwestern Public Service Company's area will make the trip to Austin by Chartered bus on June 8, 1963.

On Sunday, Tahoka Hospital admitted Mrs. J. N. Freeman for medical treatment. She was dismissed on Tuesday.

Biggest news on the South Plains this week was the general rain Tuesday night which covered up the dry spots and brightened prospects for a crop year.

Although most farmers were hailed out, washed out, or blown out, most of those who had cotton up are not complaining, and those who had not been able to plant because of lack of moisture were elated.

Tahoka received 1.35 inches during Tuesday night, which had been preceded by .37 earlier in the week and .60 last week. This brought the total rainfall in Tahoka to 3.74 inches for the month of May and 5.16 inches for the year.

The weather continued cool and cloudy through Thursday, and was falling Thursday morning and prospects were good for more rain.

Last good rain in town before May had come last October, although possibly two-thirds to three-fourths of the county already had enough moisture for planting.

Tuesday's rain was the first rain in some time that had been general over the entire South Plains. Previously dry Dawson, Galena, Yoakum, Terry, and Hockley counties were among those needing moisture badly which are said to have received sufficient moisture for planting.

Much of Lynn county evidently received more rain than did Tahoka, for fields were washed badly in some areas, and many lakes are filled with water in scattered areas all over the county. Some areas reported the most surface water since 1941. Hail, high winds, and driving rain beat much young cotton into the ground and covered up other young cotton.

Some farmers will save some of this cotton, but much of it will have to be replanted, farmers tell The News.

Driest areas, possibly, were from New Lynn south to Redwine and a large area west of O'Donnell, but these sections received up to two inches, in some cases more, Tuesday night. O'Donnell reported 1.60 inches.

Many crops had been hailed out or burned by blowing dust last Sunday evening when rain and hail followed a terrific north wind across the county. Principal hail damage then was a large strip northwest of Grassland and another strip in the vicinity of the Lynn West and Robert Lamb farms north of Tahoka and west of Wilson.

Many irrigation farmers and some dryland farmers were disappointed about having to plant again, as many of them had beautiful stands of cotton, but the overall good of the rains far outweigh the damage. Dryland farmers, especially, say this is a fine time to plant cotton, and will be in the fields as soon as possible.

Some areas had torrential rains, for instance, the city of Lubbock, where some stores and homes were flooded, and many cars were caught in underpasses and even by high water in the low places of streets.

Student Transfers Due By June 1st

Pete Hewlett, county school superintendent, announces that June 1 is the final deadline on making a student transfer in or out of the school district.

Parents who are interested in making a student transfer for next year should contact Hewlett at the courthouse.

Billy Craig, who had been hospitalized with injuries received in the fire truck accident on May 11, was released on Tuesday and is recovering at home.

Another victim of the fire truck accident, Pat Chambliss, continues to improve in Tahoka Hospital. He received a broken vertebrae.

1963 Economic Census Will Be Taken By Government In County

(Special to The News)
New York—The Government announces that it is preparing forms which will be sent to business firms in Lynn county later this year, in connection with the forthcoming 1963 Economic Census.

This is a periodic inventory, conducted by the Department of Commerce. It covers retail trade, wholesale trade, the service indus-

tries, manufactures, minerals and transportation. The last such survey was made in 1958.

As in the past, local business men will be asked about their payrolls, number of people employed, hours worked, sales volume and, what is new this time, a breakdown of sales by broad merchandise lines.

What will the census show as to Lynn County? What economic changes have taken place locally since the last such survey was taken?

The answers are important to the merchants and manufacturers themselves, as well as to others who need such information to measure product demand and to set plans for future inventory requirements.

Lynn county's figures will show, according to unofficial estimates, that considerable progress has been made since the 1958 census, which reported local retail trade for that year at \$12,091,000. Before that, in the 1954 census, it was \$10,015,000.

According to latest figures, which indicate the rate of growth since then, the 1963 total is expected to be in the neighborhood of \$14,704,000. This would be a five-year increase of 22.3 percent.

The local service industries have been moving ahead rapidly. From a volume of \$464,000 in 1954 they rose to \$724,000 in 1958. This year, allowing for the same rate of growth, they will reach an estimated \$1,300,000.

The Government states that, while it is mandatory to fill out the questionnaires, the replies will be held confidential and will not be made available for any investigation purposes.

Also, firms may keep duplicates of their reports without fear of having them impounded in any kind of court action.

The information in the returns will be fed into complex data-processing machines which will turn out the results in a shorter time than was required previously.

Good character is still the best collateral for a loan.

A young man who put his dream on wheels was Henry Ford, pictured with his first automobile in 1896. That dream was to produce a light-weight, inexpensive automobile that the ordinary family could afford, and its fulfillment put the world on wheels. Mr. Ford, born 100 years ago this July 30, was 33 when he posed in his Sunday finest, sporting a proud mustache, with the car he built in a rented workshop in Detroit.

Sterile Flies Are Being Released

"Hotspotting" control of screwworms is continuing in the Southwest Screwworm Eradication Program, but livestock producers must cooperate in the program to make it effective.

When screwworms are reported through samples, the program releases 100,000 sterile flies twice each week within a three to five mile radius of the infested premise. Inside of the release area, 25,000 flies in addition to the regular grid or water course treatment, are released once each week in a two to three mile radius.

Jerry Church of Wilson said authorities point out that quick action is possible only when livestock men collect and send in samples as soon as they detect a case. They urge stockmen to check their animals often and if an infestation is detected and treated early it is not too serious. However, if larvae become fully developed and fall out and burrow in the soil, there is a chance of more cases within a few weeks.

The officials also note that individual sterile fly and spray treatment can be continued only as long as the man, plane and sterile flies now available can handle them. Therefore, if producers do not take care in handling their livestock and allow screwworm cases to develop, there is danger of reaching a point where "hotspotting" can no longer be continued.

In Texas in 1962 there was a sharp decrease in infestation, only 37 being reported compared to 2,638 in 1962. Non-screwworms reported were 1,465 in 1963 and compared to 507 in 1962.

S. S. Payments \$39,947 Monthly

Monthly old-age, survivors, and disability insurance benefits in Lynn County now top \$39,947, John G. Hutton, District Manager of social security in Lubbock, said today on releasing his annual county benefit data report.

The new monthly figure represents an increase of 15.4 percent over the corresponding period last year.

"This increase can be attributed to the changes in the law in recent years, as well as to the growth of our aged population," Mr. Hutton said. "This money stimulates county business; most of it is spent for food, clothing and shelter."

"There is no longer any doubt, social security benefits are helping to stabilize the income and spending power of many residents in Lynn County."

Monthly benefits first became payable in January, 1940, and they have continued without interruption for 23 years, accompanied by a steady growth in the number of beneficiaries. Mr. Hutton noted that as of December 31, 1962, some 749 residents of Lynn county were collecting benefits from social security, an increase of 13 percent over 1961.

More people in Lynn county, he said, could draw social security benefits if they knew about the law, and for that reason they are urged to visit or call the local social security office whenever they have a question concerning their benefits or responsibilities.

As of January, 1963, in the nation at large, more than 18 million beneficiaries were receiving payments at the rate of over \$1 billion per month.

The average monthly old-age retirement benefit in January was \$78.19 for all States, while in the state of Texas the average was \$68.48, Mr. Hutton said.

BROWN COUNTY REUNION TO BE HELD JUNE 3

The annual Brown County reunion will be at 10:30 a. m., June 3 at Mackenzie Park Terrace building in Lubbock. President Roland Thompson invites everyone to come and bring a picnic basket, lunch, plates, cups, and silverware.

BOOTHILL CEMETERY IN NEAR TAHOKA

In the days of the old west, you were a big man if you were quick on the draw with your Colt single-six. Men died with their boots on and were buried the same way at the famous Boothill Cemetery in Tahoka, Texas.

To relive the old west, visit Tahoka, some 25 miles northwest of Amarillo and present site of Cal Farley's Boys Ranch.

Northeast of Crowell, Texas, at the cradle of the Panhandle, is the Pecos River Battlefield. It is best known as the spot where a band of Texas Rangers recaptured Cynthia Ann Parker twenty five years after she was kidnapped by the Comanche Indians in 1836.

Gordon-Southland

(By Mrs. Edgar Moseley)
The Rev. Jimmy Halliburton preached at the Baptist Church at Southland Sunday night. He used to live at Southland, finishing high school here.

Mr. and Mrs. Ed Denton have returned home after a 34 day trip. They have a cabin at Rock Creek. One weekend they visited their daughter and family, Mr. and Mrs. E. W. Lickley at Durant, Oklahoma. Also they visited Mr. Denton's brother, Oliver Denton at Cumby, Texas. Mrs. Denton said she was glad to be back home.

Mrs. Wilber Wood flew in last Tuesday from Talent, Oregon to visit her father-in-law, Mr. J. R. Wood, who has been in Mercy Hospital since April 17. Mrs. Wood returned to Talent by jet plane on Monday. While she was here, her sister, Aline Henington from Tatum, N. M. came to see her Sunday.

The Southland Seniors left Saturday on their Senior trip, accompanied by these adults: Mr. F. W. Calloway, Mrs. Hubert Dunn, Mrs. Hub Taylor. The Seniors going were Johnny Haire, Sharis Taylor, Webster Crawford, Bobby Albright, Jackie Dunn, Robert Mack, Larry McNeely, Sue Prichard, Lou Alice Edwards, Cindy Altman, Mary Lou Halliburton, Kathleen Smith. Their first stop was at Six Flags Over Texas. They plan to go to Mississippi and return home in about 10 days.

Mr. and Mrs. Bill Lancaster, David and Kathy of Temple are visiting her parents, Mr. and Mrs. Earl Lancaster this week. Tuesday the Bill Lancasters went to Amarillo to visit his brother's family, the Jack Lancasters and other friends.

Mr. and Mrs. Jesse Wood spent the weekend at Canyon with their daughter, Mrs. Stanley Smith and family.

Mr. and Mrs. Edgar Moseley visited Mr. and Mrs. Robert Cannon at Floydada Tuesday night.

Mrs. Jack Lancaster, Kevin Lee and Jonathan from Amarillo visited her parents last week. Sunday was Kevin's sixth birthday and his grandparents, Mr. and Mrs. Edgar Moseley, took him to Lubbock for his birthday dinner. Afterwards the whole group visited Mr. and Mrs. Eldon Lancaster in Lubbock where Kevin opened his gifts and pictures were made.

FLAME CULTIVATION

FOR WEED-FREE CROPS

Time-tested and proved, AFCE Flame Cultivation is the best answer yet for complete weed, grass and vine control in rowcrops.

Weed control means higher yields — flaming means less weeds. Gas costs average less than \$1 per acre. Crops can be flamed at 4 to 10 acres per hour. And flaming does not harm the crop when used as recommended.

You owe it to yourself to learn more about AFCE Flame Cultivation. Let us discuss flaming with you, or better yet we can arrange a demonstration.

Savings Bonds Sales Increase

A. C. Verner, chairman of Lynn County's Savings Bonds Committee, reports that Series E and H Savings Bonds sales in Lynn County totaled \$48,531 in April. Sales for the first four months in 1963 were \$136,078 and 90.2% of the year's goal has been achieved.

April bond sales in Texas totaled \$12,227,193. Sales for the first four months of the year were \$32,815,029 which represents 84.9% of the state's 1963 bond goal.

"The 1963 Freedom Bond Drive is in full swing throughout the Nation. Literally thousands of bond volunteers are working to bring the bond message to all Americans. We of the Lynn County Bond Committee urge all citizens of Lynn County to buy at least one bond during our Freedom Bond Drive which ends July 31st," Chairman Verner said.

Grassland News

(By Mrs. O. H. Hoover)
Grassland had another good rain Sunday afternoon late. We hear it rained about 2 1/2 inches in and around Grassland. Also some were balled out but there is plenty of time to plant over with all this good moisture.

Mr. and Mrs. Morris Huff and Traci ate supper Saturday night with the Adrian Cooks in Post.

Mrs. H. C. Gribble had a party Friday afternoon and afterwards a group of the guests including Darla Murray, Joy Laws, Lucy Cunningham, Maggie Murray and Mrs. Ira Campbell visited with Mrs. W. G. McCleskey.

Other visitors in the McCleskey home through the week were Mrs. Bob Norman, Mrs. Edith Inklebarger and Rev. and Mrs. Campbell, Dessie Gritman, Mr. and Mrs. W. L. Gribble and Mr. and Mrs. Bert McDonald and family.

Mrs. Ted McDonald, formerly of Post but now living in Selah Washington and daughter of Mrs. W. G. McCleskey, pulled a fast one on her parents Saturday. She and two of her daughters walked in about 2:00 p. m. and was there surprise and joy in that house!

Mrs. Bea Allen of Midland spent the weekend with her brother, Rev. Campbell Smelser and his family.

Everyone was glad to see Mr. and Mrs. M. C. Ritchey at church

Sunday for the first time since December.

Rev. Jesse Young, former pastor of Grassland Methodist Church, was the speaker at family night program in fellowship hall at the church Friday night. It was a very enjoyable program. The ladies served homemade ice cream and cake and there was lots of it. Mrs. Young came with her husband.

Mr. W. M. Davis and daughter, Mrs. Mittie Walker and Mr. and Mrs. Leroy Davis have returned home from San Augustine.

The ladies of the Thursday Club were entertained last week in the home of Mrs. Hoover. The evening was spent chatting. Mrs. Hoover served a salad plate for refreshments and frosted punch. Those present were Ada Oden, Lillian Stevens, Bernice Propst, Emma Jones and the hostess. The next meeting will be with Lillian Stevens June 6.

Mrs. Ada Oden has had her entire house redecorated on the inside, and it is very nice.

Mr. and Mrs. Monroe Turner of Lubbock visited in the L. S. Turner home Sunday.

Mr. and Mrs. Jerry Hoover and Duane and Gary of Lubbock spent Sunday with his mother, Mrs. O. H. Hoover.

Mr. and Mrs. Mutt McLaugh and Mike spent the day Sunday with her parents, Mr. and Mrs. J. A. Propst.

Mrs. Furgerson, wife of a form-

er pastor of the Nazarene church in Grassland, is here visiting. She spent Sunday night and part of Monday with the J. F. Moore family.

Luncheon guests in the Hulan Murray home Sunday were the Bert McDonalds, the James Murrys and the Tom Murrys.

Mr. and Mrs. Kenneth Rogers and children are here visiting their parents and other relatives.

Mr. and Mrs. Amos Gerner attended the Baccalaureate service at Post Sunday evening.

J. F. Burk of Abilene, brother of Mrs. L. Walker and L. B. Burk, is in Hendricks Memorial Hospital in Abilene following a stroke. He is reported to be paralyzed on his right side and his condition was listed as poor late Saturday.

Mrs. Dottie Parks and daughter, A'leta, of Lubbock were visiting her parents, the O. C. Harrisons Saturday.

Mr. and Mrs. Bud Inklebarger and daughter, Jeanie, went to church services in Spur Sunday.

Mrs. Inklebarger's brother-in-law, Rev. James Farmer did the preaching.

Mr. and Mrs. Gary McGrew and daughter, Tammie, visited his grandmother, Mrs. Edith Inklebarger, Monday. Gary is home on furlough from California where he is in the Navy.

We are glad to report Mrs. E. B. Gregg is improving nicely since her surgery although she is still

Litterbug Contest Winners Named

Winners in the Litterbug essay and poster contest sponsored by the Tahoka Garden Club were announced this week.

Debbie Wright, seventh grade daughter of Mr. and Mrs. Bryan Wright won the \$10.00 first prize on her essay, "Litterbugs—A National Menace." Beverly Ann Franklin, daughter of Mr. and Mrs. J. A. Franklin, won second place in the seventh and eighth grade division. She won \$5.00 on her essay, "Don't Be a Litterbug." Jimmie Lou Dulin's poster entry placed first winning her \$10.00. She is the daughter of Mr. and Mrs. James Dulin and in the sixth grade.

In the sixth grade division, John Scott, son of Mr. and Mrs. J. L. Scott and Tommy Spears, son of Mr. and Mrs. Otis Spears, won \$2.50 each for their essays titled "Litter Business" and "Litterbugs", respectively.

Judges for the contest were Mrs. G. M. Stewart, Mrs. Clint Walker and Mrs. Truett Smith.

The first place essay is printed in this week's News with the other winners in the three following weeks. The winning poster will be on display in a local store downtown.

LITTERBUGS—A NATIONAL MENACE

By Debbie Wright

You are driving down the highway when suddenly, down goes the window and a paper cup is thrown out. Of course, you say, "This is only one piece," but multiply that by the millions of people in the United States. Frightening, isn't it? Each year litterbugs completely ruin some of nature's most beautiful places.

What's more, thousands of germs are spread through outcast garbage. These germs can carry diseases such as tuberculosis, polio, typhoid fever, influenza, pneumonia, as well as the common cold and sore throat. If there were no litter, many epidemics could be prevented. Flies can multiply

rapidly in garbage. These flies in turn carry deadly diseases.

When asked to buy litterbags, some people complain, "That's too much trouble," or "Litterbags cost money." Yes, it is a little more trouble to buy a litterbag or stop to throw garbage in a container provided by the state. But think of the money that goes to buying machinery to clean the highways and to pay people for their labor. Where does this money come from? You! Your taxes pay for it. As more people litter, more machinery and labor are needed, therefore taxes are raised.

Litterbugs can destroy life. Think of the many forest and prairie fires caused by carelessly tossed cigarettes and other inflammable rubbish there are each year. Deer, bears, birds, and many other animals are killed. Trees burn which take many years to replace.

People who litter must not can not realize what destruction they cause. And in spite of what some think, being a litterbug is not cheaper. Many states now fine litterbugs one hundred dollars for just a few pieces of trash. So, remember—every litter bit hurts!

New Home Couple Set Wedding Date

Ray and Mrs. Aaron L. Mitchell of Spade announce the engagement of their daughter, Ara Ann, to Arthur Henry Airhart.

Parents of the prospective bridegroom are Mr. and Mrs. Johnny Airhart of New Home.

Wedding vows will be read at 8:00 p. m., June 22 at Spade Methodist Church.

Miss Mitchell is a graduate of New Home High School and is a freshman at McMurry College, Abilene. Airhart, also a graduate of New Home High School, is attending Fort Worth Electronic College.

"The good die young"—is especially true of resolutions.

Man Killed Sunday Once Lived Here

Billy Dale Pitt, 29, of Merkel, killed Sunday in the crash of an amateur-built helicopter at Snyder, formerly worked for Ed Hamilton Furniture & Appliance here for about six months in 1968 or 1969. Mr. Hamilton informs The News.

Pitt, a licensed pilot, had been flying the aircraft successfully for some time, and the helicopter had been licensed as airworthy by the Civil Aeronautics Authority. But, the props of the machine collapsed as Pitt was piloting the plane about 300 feet above the Snyder airport.

His wife witnessed the accident. He is also survived by a daughter, two brothers, a sister, and his mother, Mrs. Vada Pitt of Amarillo.

Local Girl Scouts Attending Camp

Girl Scout Troop No. 401 is on a two-day camping trip to Camp Rio Blanca, the Girl Scout camp near Crosbyton.

The group left here Thursday morning and will return home Saturday. Accompanying the 17 girls on the trip were Mrs. R. H. Gibson, Mrs. Jack Jaques, Mrs. Dale Thuren and Mrs. Elmer Owens.

The troop planned to camp in tents, but a lodge is available if weather will not allow the outside camping.

NEW HOME EIGHTH GRADE HOLDS CLASS EXERCISES

Graduation exercises for the New Home eighth grade class were Thursday evening at New Home school auditorium.

Susan Hancock gave the salutatorian address and Yvonne Nettles the valedictory. Others on the program were Donnie Goodrum, welcome; Rhonda Gill, class history; Steve Liseiby, class grammar; and a song, "Moments to Remember" by Susan Hancock and Sandy Newman. The invocation was by Nancy Unfred and the benediction by Sidney Sealy. Diane Newman played the processional and recessional.

Principal J. G. Miller presented the diplomas to the following class members: Larry Agers, Larry Brent, Sandra Carter, Ramon Castro, Wayne Fillingim, Rhonda Gill, Donnie Goodrum, Susan Hancock, Ivah Keith, Steve Liseiby, Cathy Martinez, Yvonne Moore, and Fay Ann Morris.

Also Yvonne Nettles, Sandy Newman, Cindy Paden, Joe Reyes, Blanche Roberson, Betty Schoopa, Sidney Sealy, Donnie Todd, Jimmy Torres, Nancy Unfred and Duane Wyatt.

Seventh Grade Banquet Held

Parents of seventh grade students were honoring the class with a banquet Thursday night in the school cafeteria.

James Hollars, educational director at the First Baptist Church, led the group in several games.

Food was catered by Tahoka Cafeteria. About 50 students were expected to attend.

LEE ROY BLAND IS SMYER CLASS VALEDICTORIAN

Lee Roy Bland, son of Mr. and Mrs. Roy M. Bland, former Lynn county residents, has been named valedictorian of the Smyer graduating class.

Lee Roy had a grade average of 95. He attended Smyer High School since 1956, moving there from Lubbock.

Commencement exercises will be held at 8:00 p. m., May 31, in Smyer High School auditorium.

Sharon Patterson who was admitted to Tahoka Hospital last week on Wednesday was dismissed on Friday.

Summer English Class Planned

Students may still enroll in the ninth grade English course which will be offered this summer beginning on June 3, according to Mrs. Lennie Cox who will teach the class.

Sessions will be held for seven weeks from 8:30 to 10:30 a. m. Monday through Friday. Charge for the course will be \$15.00.

Those interested in enrolling should contact Mrs. Cox immediately.

EFIRD RETURNS SATURDAY FROM MONTH IN ORIENT

Rev. James Efird, pastor of the First Baptist Church, returned home Saturday of last week following a four-week stay in Japan and Hong Kong. He was met at Municipal Airport in Lubbock at 11:45 a. m. Saturday by about 40 Tahoka people.

While in Japan he served as evangelist in Sasebo under the "New Life Movement" sponsored by Texas Baptist Churches.

Albert Curry was released from a Lubbock hospital Wednesday where he had been a patient since May 11 when he was injured in a car-fire truck accident. He underwent plastic surgery for a facial injury and is reported to be improving steadily.

Otis Nelson, hospitalized from burns received in an explosion at his home on May 11, is showing improvement now.

Mrs. John Ed Redwine was a medical patient in Tahoka Hospital Thursday through Saturday last week.

Cook: Did they say anything about the cooking?
Maid: No, but they prayed before they started eating.

Eighth Grade Names Twirlers

Twirlers to represent the eighth grade at pep rallies and ball games next year were chosen Tuesday afternoon in try-outs.

Debbie Wright is head twirler and others include Beverly Falls and Jerri Ashcraft.

CARD OF THANKS

I would like to say thanks to everyone who visited me, sent cards and flowers while I was in the hospital. Also I want to thank the Chaplain at the hospital and Rev. Joe White from Odessa and Rev. Bruce Giles for their prayers. —Mrs. Fannie Walters. Itc

The first New Lynn reunion has been planned for 10:00 a. m. Sunday, June 30 at the City Legion Building in Tahoka.

Former New Lynn students and residents are invited to come and bring picnic lunch for their own families which will be served buffet style. For further information, call Inalou Raindi at 998-4128 or Ed Stone.

Mrs. Elnora Curry, who underwent major surgery last week in St. Mary's Hospital in Lubbock, was released Wednesday and is now at home.

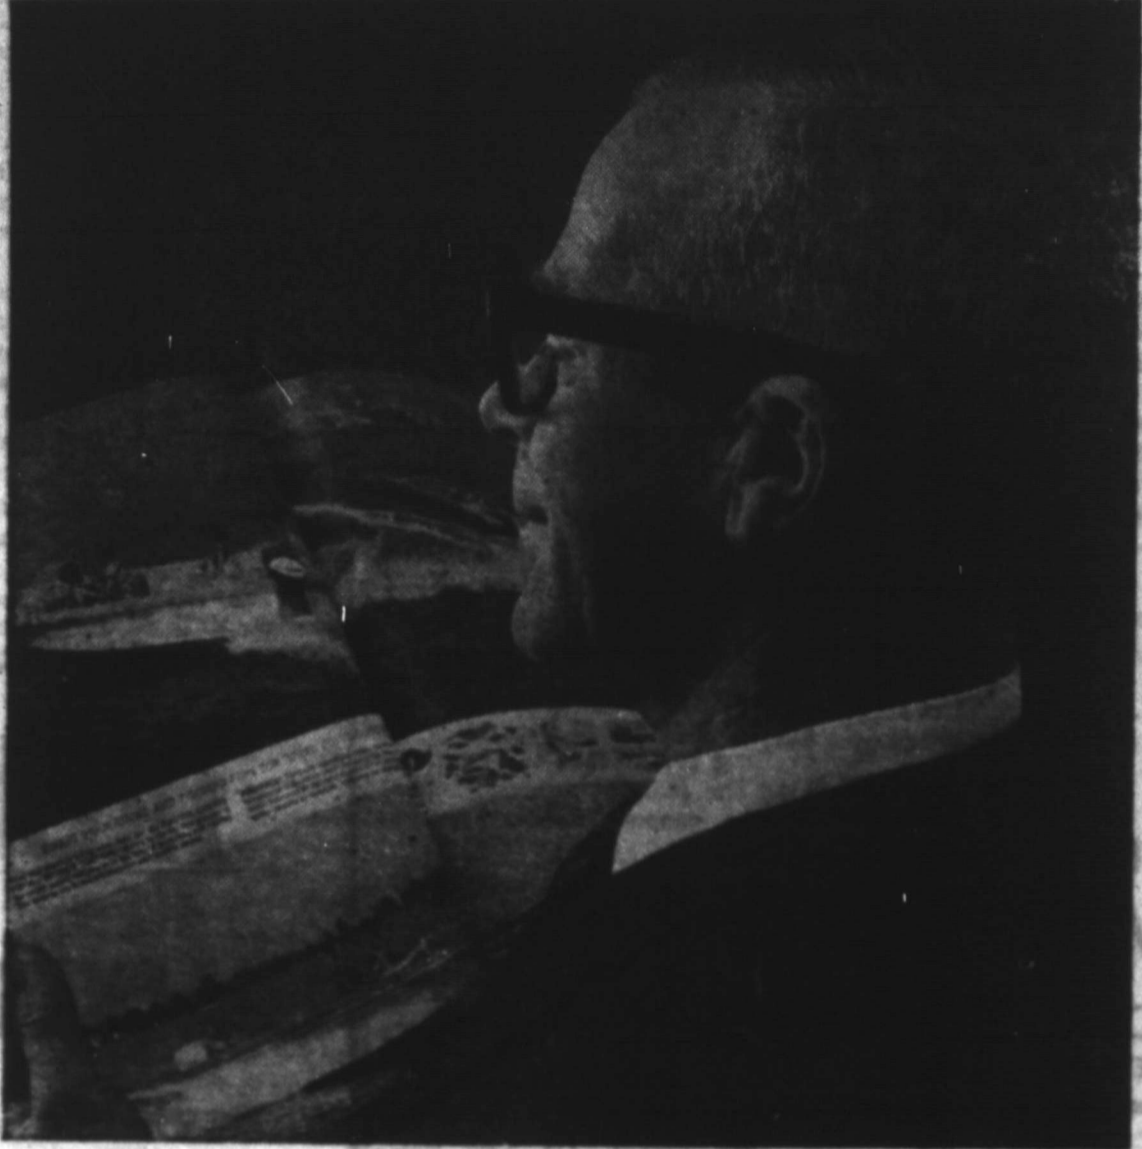

Wednesday Is Set For Sale of Poppies

On Wednesday, May 29, the Tahoka VFW Auxiliary with the help of the Rainbow Girls, will sell poppies on the streets of Tahoka in observance of Memorial Day, which is Thursday, May 30.

Proceeds from poppy sales will be sent to Veterans Hospitals to be used as needed, according to Mrs. I. I. Gattis of the Auxiliary.

Jackie White is in Houston visiting with his mother, Mrs. Roy (Jeanie) White, who is undergoing treatment there.

Help keep Tahoka clean.

Don't you read before you buy?

Most people generally do. Not only do they read; they cut out and show ads to their family and friends; they clip coupons for information and samples. When people see an advertisement in print, they can compare designs... features... and prices of nationally known products and services. (And people do compare before they buy.) Advertising in print is a handy thing. You

can always check back; the message is still there even if your attention is distracted. When you add it up, print advertising—the kind you read in this newspaper—makes sense. And because it measures up to the buying habits of most consumers, print makes sense.

WASHINGTON AND "SMALL BUSINESS"

According to last reports, the Federal Trade Commission is still engaged in a study of trading stamps. But perhaps like so many bureau procedures, by the time FTC gets finished with its "study" the parade will have passed by.

The facts are now that trading stamps are no longer doing the intended job of bringing new customers to a retail establishment, and maintaining a hold on old customers.

In fact, the law of supply and demand has started to work in its classic manner, because now with trading stamps issued by so many retailers, no one is getting advantage from stamps.

Hence, there has come into being such devices as lottery type games such as Split the Dollar, Lucky Books, Spell C-A-S-E, Super Foker and other cash prize games.

But in most cases, the retailers engaging in this type of promotion are continuing to give stamps, not as a positive force, but as a defensive move.

Some states have outlawed trading stamps, some have laws requiring them to be redeemed in cash.

There are some brave psychologists who have attempted to explain what goes on in the housewife's mind relative to trading stamps. Some claim everybody is against trading stamps except the housewife.

Emory Stokes Jr. Finishes 8th Grade At Boys' Ranch

Emory Stokes Jr., a Tahoka boy living at Cal Farley's nationally-famous Boys Ranch near Amarillo, is a member of this month's 8th grade graduating class at the fully-accredited Boys Ranch School.

Emory will receive his diploma May 24th in combined commencement exercises for 43 graduates of the 8th grade and 20 seniors. He has lived at Boys Ranch since January.

At the present time 312 boys from all over the nation are being cared for, trained and educated at the Ranch located 36 miles northwest of Amarillo. Ages of the boys are from two to 18 and they leave the Ranch upon graduation from the high school with a diploma or vocational training certificate.

Motley County Judge Albert Reeves of Matador has been named the class' commencement speaker. It will be the largest graduating class since the Ranch was founded by Cal Farley 34 years ago for homeless and troubled boys.

Prominent Lutheran Will Visit Wilson

Dr. Vernon A. Mohr, president of the Southern District of The American Lutheran Church, will be visiting at St. John Lutheran Church in Wilson this week end.

Dr. Mohr will visit with the members and the various organizations of St. John in order to help them in their evaluation of the mission of the church.

Dr. Mohr, as District President, has under his responsibility the functioning of over 250 congregations in his district. He is a member of the Church Council and Evangelical Commission of The American Lutheran Church.

"He is an extremely busy man and we are pleased to have him in our area for this meeting," states Rev. John Onda, pastor.

PARKER DEFEATED IN 1874
 In 1874, Chief Quanah Parker, son of the famous Cynthia Parker, led some 700 picked Comanches, Cheyenne, and Kiowa warriors in battle against 28 brave frontiersmen and buffalo hunters in the Texas Panhandle. He was defeated in this attempted "Alamo" style massacre by the small band of men that included the famous Bat Masterson and Bermuda Charlie. This "Battleground of Adobe Walls" now rests peacefully just thirty miles north of Borger.

Wait a bit—don't get hot! and we are pleased to have him in our area for this meeting," states Rev. John Onda, pastor.

Highway Patrol Reports on Wrecks

The Highway Patrol investigated three rural accidents in Lynn county during the month of April according to Sergeant A. E. Roberts, Patrol Supervisor of this area.

These wrecks accounted for property damage in the amount of \$2,250.00.

The rural accident summary for Lynn county from January through April of 1963 shows a total of 21 crashes resulting in four persons killed, 34 persons injured and an estimated property damage of \$17,270.00.

If you travel the rural roads this month, you will meet up with lots of slow moving farm machinery. The Patrol Supervisor reminds motorists to be ready to slow down in plenty of time to avoid collision—and pass only if you are sure you can do it successfully and safely. Remember too, where there is a farm house, there is a driveway—even though it may be hidden from view. So be prepared to yield, if you must, to traffic entering and leaving. Yielding right-of-way costs you nothing. Demanding it can cost you an accident.

The Sergeant also stated, "Owners of boat trailers should check to see that they meet the State's Motor Vehicle Laws. If they do not you are asking for an arrest or an accident—or both. Every time you take your trailer on the road, make sure all warning and safety devices are working properly. Check especially the lights, and the strength of hitch and coupling. It is a good idea to make additional checks whenever you make a stop."

The fellow with money to burn seldom sits by the fire.

Chevy II Now 400 6-Passenger Station Wagon

A Chevy II wagon looks this big when you load it up
and this big when you gas it up

That in the eye of most Chevy II wagon owners is just about the size of it. A kind of magic for cargo. But a daily use for gas. And this, we hardly need add, is just the kind of wagon we planned it to be. And that's why it is on the outside, we want to great lengths to keep it BIG where a wagon should be BIG. The load platform extends a full nine feet from the back of the front seat to the tip of the lowered tailgate.

And for all the pepper we packed into that 230-hp engine (there's 230 cubic inches of it), we were careful to keep it simple, easy to service—and a real stunner on economy.

Feel in a traveling mood? Well—happy coincidence—this is the time of year your Chevrolet dealer feels in his most generous trading mood. Looks like it's high time you two got together.

Rotarians Hear Space Program

Twenty-three Tahoka Rotarians Friday night attended an inter-city meeting at Lamesa, where they heard Raymond E. Hasset and Edward A. Armstrong of the Manned Spacecraft Center in Houston discuss the U. S. program in outer space.

The speakers illustrated a simulated voyage to the moon, which they said the U. S. would make in the next four or five years under "Project Apollo," the upcoming "Project Gemini," responsibilities of NASA, facilities, budget, and organization of the projects.

The two-man Gemini tests are expected to begin in the coming months.

Following will be the Saturn C-5 rocket and the three-man Apollo spacecraft and its unique detachable lunar excursion vehicle, tests of which are set for 1965 or 1966. They explained the powerful Saturn rocket and explained how the vehicle would detach itself from the spacecraft's command module and descend to the moon's surface.

The astronauts will descend to the moon, while a third man of the team remains in a moon orbit aboard the command module. On the first trip, the period of exploration on the moon will be a matter of hours, later three or four days. The two men on the moon excursion will use the lunar excursion vehicle to ascend from the moon to a rendezvous with the Apollo spacecraft in lunar orbit.

During a question and answer period following the talks, the men said there are 2,800 men in the Houston center, about half scientists and engineers.

Rotarians were present from Lamesa, Tahoka, O'Donnell, Denver City, Andrews, Brownfield, Seagraves, and Seminole.

SCS Awards Presented To Blakney And Unfred

E. R. BLAKNEY

E. R. Blakney and David Unfred were among those honored Friday night at the Region I awards banquet in Plainview as winners in the "Save the Soil and Save Texas" Soil Conservation contests sponsored by The Fort Worth Press.

Blakney was honored as both the Lynn county and the Region I, which covers all Northwest Texas, "Conservation Farmer of the Year," and was presented two handsome plaques by Walter R. Humphrey, publisher of The Press.

Frank Gray of Lubbock, district SCS supervisor, outlined some of Blakney's program on his Lynn county farms in conserving soil and water, and declared he was truly one of the outstanding farmers of the state.

The State award also went to a Northwest Texas man, Howard Bridges of Dimmitt and the Run-ningwater Soil Conservation District.

David Unfred of New Home, son of Mr. and Mrs. Joe D. Unfred and a student in New Home High School, was winner of second place in the essay contest on the subject, "Conservation—A Way of Life." David won first place in the Lynn county contest from a field of 37 entries, the largest number of entries ever made in the contest locally. He, too, received a plaque. First place winner in Region I was Linda Gleason of Farmer county.

Harold C. Hohn, a graduate of O'Donnell High School, was winner of the award for the "Out-standing Conservation Farmer" of Dawson county.

The Fort Worth Press has been sponsoring the contests over the state for 18 years, and Publisher Humphrey stated that approximately \$200,000 has been spent during this time on awards to promote the program. He declared that he does not own an acre of farm land, but he thinks it important that every person in Texas

Send Screwworm Larvae To Mission

Livestockmen sending larvae specimens to screwworm headquarters at Mission are urged by County Agent Bill Griffin to be sure the information sheet that should accompany the sample is filled out completely and accurately.

Eradication officials have reported that numerous samples are received with no information included. Some have been identified as screwworms.

Griffin stated that prompt action is taken whenever an infestation is confirmed. In most instances, additional sterile flies are dispersed over the infested farm or ranch and livestock near the infested premises are sprayed at program expense.

"When samples are received with no information as to where it was collected, no action can be taken," the county agent said. "This could permit additional infestations to develop because no special sterile fly and spray treatment can be given to the area."

Eradication officials report less than 20 percent as many screwworm infestations have been experienced during the first four months of 1963 as during the same period last year. If livestock producers continue to inspect their animals at least twice a week, treat wounds and infestations, collect samples and report cases, officials feel there should be no recurrence of heavy infestations as experienced last year.

Local People Hurt In Lubbock Wreck

A collision at the intersection of East 19th Street and Loop 289 in Lubbock shortly before 7:00 p. m. Sunday resulted in one person being critically injured and six others receiving lesser injuries.

Mrs. Ben Cecil Kizer, Jr. and two children, Connie, eight, and Ronnie, four, of route 2, Tahoka received emergency treatment at West Texas Hospital.

K. B. Eddings, 41 year old Negro of Lubbock, was in critical condition at St. Mary's Hospital. Others injured were George Pates, Lee Thomas and Jessie Johnson, all Negroes, who were riding in a car driven by Pates.

Police said Pates was driving east on E. 19th and Kizer was driving south on Loop 289 when the collision occurred. A trailer carrying a horse pulled by Kizer's car was pulled loose from the impact and was flipped to the south-east corner of the intersection.

At first it was thought the horse was not hurt, but on Monday the animal was taken to a veterinarian when it began to swell. Kizer's car came to rest in a ditch at the southeast corner of the intersection with Pates' car resting nearby, facing southwest, against a utility pole.

INSTALLS AIR-CONDITIONER

Wynne Collier Drug has installed a new 10-ton refrigerated air conditioning unit. Jack Roseberry made the installation on Friday and Saturday in order for the unit to be in operation early in the week.

Buy, build, live in Tahoka.

be interested in saving our soil and water.

Those attending the banquet from Lynn county were: Mr. and Mrs. Blakney, Mr. and Mrs. Unfred and David; Mack Mauldin and Tom Owens of the local SCS office; and James O. Reed, O'Donnell vocational agriculture teacher under whom Harold Hohn studied while in school; Ellis Barnes, farm leader of Wells, and Frank Hill of The News.

Four-Way Test Rotary Subject

"The Four-Way Test" of Rotary is a measuring stick whereby any individual may judge his own behavior, was the theme of a talk by Stansell Clement, Lamesa at-torney, at Tahoka Rotary Club Thursday noon of last week.

He emphasized that the principles of the "Four-Way Test" should be used by all business men in promoting high ethical standards in dealing with the public, in personal life, and by organizations.

Following is the wording of this Rotary statement of principles: "The Four-Way Test—of the things we think, say and do: First, is it the truth? Second, is it fair to all concerned? Third, will it build good will and better friendships? Fourth, will it be beneficial to all concerned?"

Delbert Downing of Midland, a visiting Rotarian, also spoke briefly on the importance of Rotary Clubs getting back to more emphasis on the high principles of the organization and more emphasis on programs on Rotary in club meetings.

Harold Green arranged the program and introduced the principal speaker.

Several visiting Rotarians were also present from Lamesa and Brownfield.

J. O. KING VISITORS

Mr. and Mrs. J. O. King of Wilson had three of their six children home for Mother's Day. They were Mr. and Mrs. G. F. Bailey and family of Odessa, Mr. J. H. King and daughter, Mary Kay of Panhandle and Mrs. Lee Taylor of Morton.

Mrs. Sid Reeder Is Named Sheriff

Mrs. Sid Reeder, whose husband died of a heart attack nearly two weeks ago, has been appointed his successor as sheriff and tax assessor and collector of Borden county. Reeder had been sheriff nearly 27 years. The announcement was made by C. C. Nunnally, county judge. Sadie Cox and Glenn Goombs are the deputies.

Raymond Montemayer attended the Methodist Men's meeting last week, heard Frank Gonzales of Lubbock, a native of Mexico, and came up with an idea which Happy Smith thinks the Chamber of Commerce, Rotary Club, or some such organization should sponsor. His suggestion is that a meeting be held in City Park some night for all Latin-Americans of the county, at which refreshments might be served and a talk made by Gonzales. The meeting could be made an annual affair, possibly on "Cinco del Mayo," May 5.

Mr. Gonzales has a wonderful message for promoting better relations between Latin-Americans and Texans. We are going to have to live together, and Gonzales can do a wonderful job in presenting the correct picture of we people of the United States and our system of government, often misunderstood by Mexicans and other Latin-Americans.

Incidentally, Gonzales says both we and Latins do a lot of things wrong that contribute to bad relations between the two races. The foreign press, especially in Mexico, plays up in big headlines every little item of discrimination in Texas against Mexicans. He says we should not discriminate.

against Mexicans because of their nationality, because they are proud of their heritage. If a store must refuse service, do so because the customer is not clean, or something similar, but not because he is of Mexican derivation. Mexico, he says, has more class distinction and race discrimination than does the U. S.

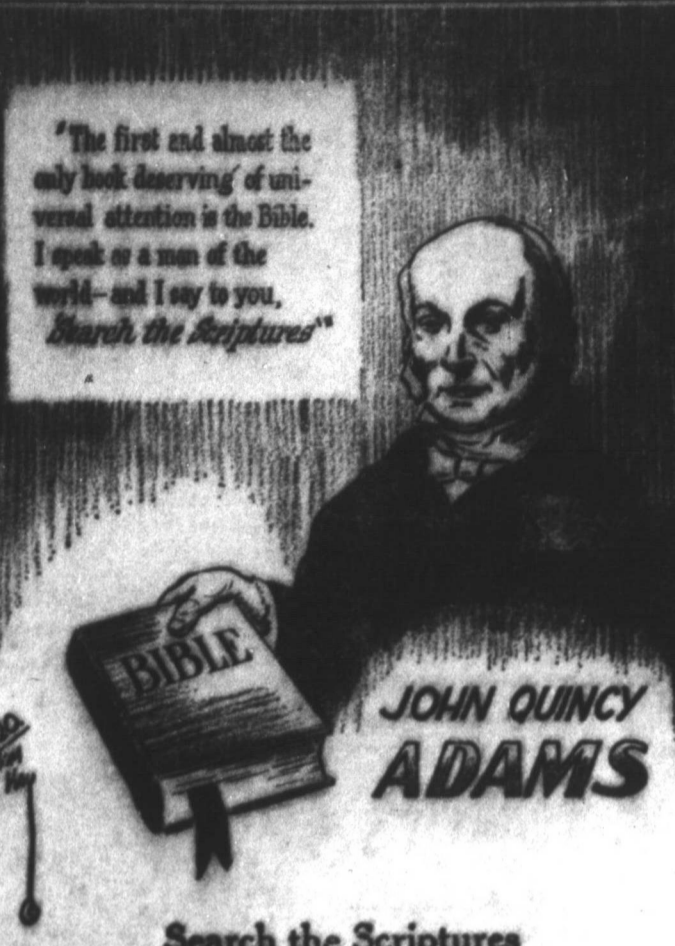

Another thing, we call ourselves Americans. Mexicans are Americans, too. In fact, their American heritage, back through mixture with the Aztecs and Indians, goes much further back than that of Anglo-Americans. Citizens of Mexico like to be called Mexicans and are proud of the designation. Mexicans of U. S. citizenship like to be called Latin-Americans, but should also be proud to be called Mexicans, although this is not always the case. For some reason, the term Mexican is associated with "greaser" in the U. S. The Mexican or Latin-American hates the term "greaser" even more than the Anglo does the term "gringo." These apparent little things, though, made a big difference in relations.

Since the percentage of Latin-Americans is becoming greater and greater in this area, Anglos need to encourage better relations, better education, and better living conditions for these people. Latins need more training for jobs, especially in the farming field. And, they need to be made to feel they can be good citizens and a part of our community and government life. Inherently, people of Spanish descent are a proud people and resent little slights, inferences, and outright discrimination, all of which cause some to carry a chip on their shoulders. Treat the Latin with respect, understanding, fairness, and kindness, and most of them will be your friends.

Roy and Ruby Edwards went up to Plainview one night last week to see their granddaughter, Kim Hutcherson, graduate from kindergarten—complete with cap and gown. Roy made a nose-count of the people who attended the event. He says there were 44 children, 88 parents, 176 grandparents, and 44 flashing cameras — and that's probably not far off!

Bob Collier of Post, a Methodist, says he was kidding the Post Baptist pastor about the pastor's trip to Japan, and Bob remarked, "While you're away, we Methodists are going to try to steal a part of your congregation." And the Baptist pastor replied, "That will be fine if you let me pick 'em out."

Graham Rotary Scandal Sheet says during the recent heavy rains down-state, a newspaper carried this headline, "Beneficial Rains Drown Seven."

It is said that one Texan, drowned in a heavy flood, was telling a group in Heaven about the great Texas rain. One old man in the group yawned and strolled away. "Who was that?" indignantly demanded the Texan. "Oh, that was Noah," chuckled the others.

In spite of the rain, it is said in some parts of Texas the rivers are so dry there are fish in them four years old that have never learned to swim.

One of the penalties for being President is being the butt of jokes, as well as barbs. Wilton Payne had the following story in last week's Rotary Stenographer, told by Dr. O. Brandon Hall of Lubbock:

It seems that President Kennedy had had a very trying day, and had passed by the Lincoln Room on his way from his office. Upon noticing Lincoln's rocking chair, he decided to relax for a few moments. After rocking and dozing awhile, he awoke to find Pres. Lincoln standing before him. "You're just the person I need to see," said Pres. Kennedy. "I've always admired you and we have a lot of problems in common. You had race problems. We both faced the grave dangers of war—both of us presided during very trying times. Now I've had an unusually bad day. The people don't like the way I've handled Cuba. Khrushchev doesn't like the way I handled Cuba. Castro doesn't like the way I've handled Cuba. Congress doesn't like my legislative or tax programs, people are beginning to doubt what my administration says. Now, you've been through this sort of thing, perhaps you have a suggestion?"

"Yes, perhaps I can help," said Pres. Lincoln thoughtfully. "Have you ever considered attending the theatre?"

Some one, we've forgotten who, handed us this one:
CAPITALISM: You have two cows. You sell one and buy a bull.
SOCIALISM: You have two cows and give one to your neighbor.
FASCISM: You have two cows. The government appropriates them and permits you to buy skim milk.
COMMUNISM: You have two cows. The government takes both and shoots you.
NEW FRONTIER: You have two cows, the government takes both of them away from you, slaughters one, hires two men to milk the other, and lets the milk spoil.

A little push will perform more miracles than any amount of pull.
Man's deeds attract more attention than his creeds.
Dissatisfaction breeds progress.

OSCAR WUENSCHES VISIT IN CENTRAL TEXAS
Mr. and Mrs. Oscar Wuensch recently visited relatives at their old home town of Thorndale, from which place they moved to Wilson in 1924, and also his brother, Arthur, and son, Gilbert, who formerly lived at Wilson but now farm at Bartlett, in Central Texas. Mr. Oscar says crops are good

in that section and the country looks good. Arthur is working hard but looking better than he did when he left here. Mrs. Oscar Wuensch, who recently underwent surgery, is now much improved but is still having trouble with her arm. The Boy Scouts of America was founded in 1910.

Crime Rate In Nation's Capital Cause Of Concern To Texas Congressman

Editor's Note: The Federal Government operates Washington, D. C., our nation's capital. At the same time, our Washington leaders are advocating more such control over the rest of the nation, control of schools, a hand in urban affairs, doing away with states' rights, complete control of the farm program, etc. Recently N. O. Townsen brought The News the article appearing below written by Congressman O. C. Fisher of the Texas 21st District, published in The Lampasas Dispatch. One of our biggest problems is civil rights, which the do-gooders and politicians are trying to push too fast, and some of our Federal government's fine (?) work may be gleaned from Mr. Fisher's story below. At any rate, it seems the Negro race must do some improving on its own before it is ready for good citizenship, at least in Washington.

DC Crime Rate Reported Mounting

By Cong. O. C. Fisher
The crime rate continues to mount in the District of Columbia. All tourists who visit their Nation's Capital are warned to exercise care and caution while here. Serious crimes in Washington increased 17.4 per cent in January over a year ago. The number of rapes doubled, robberies almost doubled, and there was a 42.2 per cent jump in house-breakings. This rate of increase is the highest in the Nation. There were 2399 robberies here during the past

year, compared with 1433 ten years ago. The Congress has provided 3,000 policemen for the District—about all that can be used efficiently, according to the Police Department. A year ago a canine division was added, with trained German police dogs. But despite all this, crime marches on.

Observers attribute this sorry record to the influx of Negroes at the District, the exodus of whites, and the presence here of several very active civil rights agitating organizations. The total Negro population in D. C. is 54.8 per cent. Of all persons arrested for serious crimes in the District last year, 84.6 per cent were colored.

The big crime increase became noticeable after school integration was ordered in 1954, and has been increasing gradually since that time. Today 83.4 per cent of all public-school pupils are Negroes.

Of the 4,251 illegitimate births listed by the District in 1961, there were 356 white and 3,893 colored. A large proportion of these were teen-agers. The unwed mothers start drawing monthly welfare checks. That fact is said to account for much of this.

Two weeks ago, at 5 p. m., a young pregnant woman alighted from a city bus. As she walked toward her nearby home a Negro ex-convict snatched her purse and ran. She pursued, joined by a patrolling police car. After a few blocks, the thief was stopped, but a police club failed to halt him. Finally, as a last resort, a police-

INVITATION FOR BIDS

The Housing Authority of the City of Tahoka, Texas, will receive bids for the complete development of Housing Project, TEX 106-2, consisting of 12 Dwelling Units in two (2) buildings, a Management and Maintenance Building, Shelter and Service Building, Site Improvements (such as recreational areas, curbs, walks, utilities, landscaping, etc.) until 2:00 P. M. (C.S.T.) June 25, 1963, at the City Hall in the City of Tahoka, Texas.

at which time and place all bids will be publicly opened and read aloud.

Proposed forms of contract documents, including plans and specifications, are on file at the office of the Housing Authority of the City of Tahoka, Texas, and at the office of the Architect, F. Olin Smith, 9401 Camp Bowie Blvd., Fort Worth, Texas, telephone number FE8-4291. Mailing Address, P.O. Box 62, Fort Worth, Texas.

Copies of the Documents may be obtained by depositing \$50.00 with the Architect for each set of Documents so obtained. Such deposit will be refunded to each person who returns the plans, specifications and other Documents, in good condition, within ten (10) days after bid opening.

A certified check or bank draft, payable to the Housing Authority of the City of Tahoka, U. S. Government Bonds, or a satisfactory bid bond executed by the Bidder

man fired his pistol, which killed the robber.

A police hearing exonerated the policeman, found he was acting in the line of duty. But immediately CORE (Committee on Racial Equality) and NAACP, filed intemperate protests, claimed it was murder, with racial overtones.

Both white and right-thinking colored people support law enforcement. But the agitators encourage more crime by protesting police actions such as this.

and acceptable sureties, in an amount equal to five percent of the bid shall be submitted with each bid.

The successful bidder will be required to furnish and pay for satisfactory performance and payment of bond or bonds.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the specifications must be paid on this project.

The Housing Authority of the City of Tahoka reserves the right to reject any or all bids and to waive any informalities in the bidding.

No bid shall be withdrawn for a period of sixty (60) days subsequent to the opening of bids without the consent of the Housing Authority of the City of Tahoka, Texas.

NOTARIES PUBLIC MUST RE-QUALIFY DURING MAY

Secretary of State Crawford C. Martin announced that all qualified Notaries Public desiring re-appointment for the new term ending June 1, 1965 must re-qualify by the payment of the required fee and the filing of a new oath and bond with the County Clerk of his residence between June 1, 1963 and June 10, 1963.

Martin emphasized that Notaries Public should not send requests for re-appointment or for commissions directly to the Secretary of State. The law specifically requires that the County Clerks approve notary bonds.

Any person not a Notary Public who desires appointment should apply to his County Clerk between April 1, 1963 and May 20, 1963. Application during this period will assure prompt attention before the rush procedure of re-appointing present Notaries.

The Secretary of State further pointed out that each person ap-

plying for a commission as a Notary Public must be at least 21 years of age and a resident of the county for which he is appointed. The exact name and permanent address of the applicant must be furnished the County Clerk. 31-4tc

Reports are that Mrs. E. J. Tanner Sr., who suffered a light heart attack on May 14, is improving nicely. She is able to be up part of the time now.

ATTEND FUNERAL

Mrs. Marvin Wood and her daughter, Mrs. M. A. Harston, left Monday morning to attend the funeral of Mrs. Wood's brother, Wesley Johnson of Oklahoma City. Mr. Johnson had been hospitalized several weeks with a heart condition and died Sunday night following a severe attack.

Final funeral arrangements were still pending when the Tahoka relatives left.
