## New Fire Truck Ordered By City

City of Tahoka has awarded a contract for assembly of a new 500-gallon pumper fire truck to replace the 1956-model truck wrecked on May 12 while en route to a fire. Delivery is not expected before about Sept. 1.

An F-750 Ford truck is being assembled in Louisville, Ky., and Central Fire Truck Co. of St. Louis, Mo., is building the fire-fighting equipment to meet State of Texas specifications. Low bids were \$7,271.88 for the pumper and equipment and \$3,578.67 for the truck, a total of \$10,850.55.

Also, this week, the Volunteer Fire Department bought a new 1963 Plymouth station wagon to replace the present 1963 panel truck. The 20 firemen are buying the station wagon on their own, and this vehicle will cost the City nothing.

When this new equipment is in service, Tahoka Fire Department will be better equipped than almost any town in this area of comparable size.

In the meantime, fire protection is given the area with the old 1937 Ford 500-gallon pumper and the new 1963 Chevrolet 100-gallon pumper with 400-gallon tank. The latter is designed principally for rural fire runs, as well as city.

The 1963 pumper which was wrecked was traded in on the new pumper, and the 1956 truck chassis will be kept by the city and the motor put on some other city truck. The News is informed.

In the May 12 wreck of the truck, three firemen were injured but all are recovering. Albert Curry, the most seriously injured, received severe face lacerations which required plastic surgery, an injured shoulder and a fractured vertebrae. Pat Chambliss received a severe back injury, and Bill Craig a concussion and broken ribs. Charlie Boswell received bruises only.

## Tahoka Jaycees Plan Projects

In a regular membership meeting Tuesday night, the Tahoka Jaycees voted on several projects and discussed others which are still in the planning stage, according to Ed Redwine, secretary.

The group voted to take four local boys to the Junior Camp track meet at Fort Stockton this weekend. This project is under the direction of the Youth and Sports committee, consisting of J. D. Atwell, Billy Jack Dunlap and Walton Terry.

As a result of the success last year, the Jaycees will again sponsor the "Labor Day Rest Stop" on both Highway 380 and Highway 87. This is a part of a state-wide effort to encourage drivers to slow down, take a break, and resume their trip in a safer, slower manner.

Announcement was also made that the local group will begin selecting a Jaycee of the Month and at the end of the year, these men will be eligible for the club's annual Jaycee of the Year award. The Youth and Sports committee, under the direction of Atwell and Willis McNeill, are already making plans for the Little League All-Star Tournament in July which will be sponsored by the Jaycees.

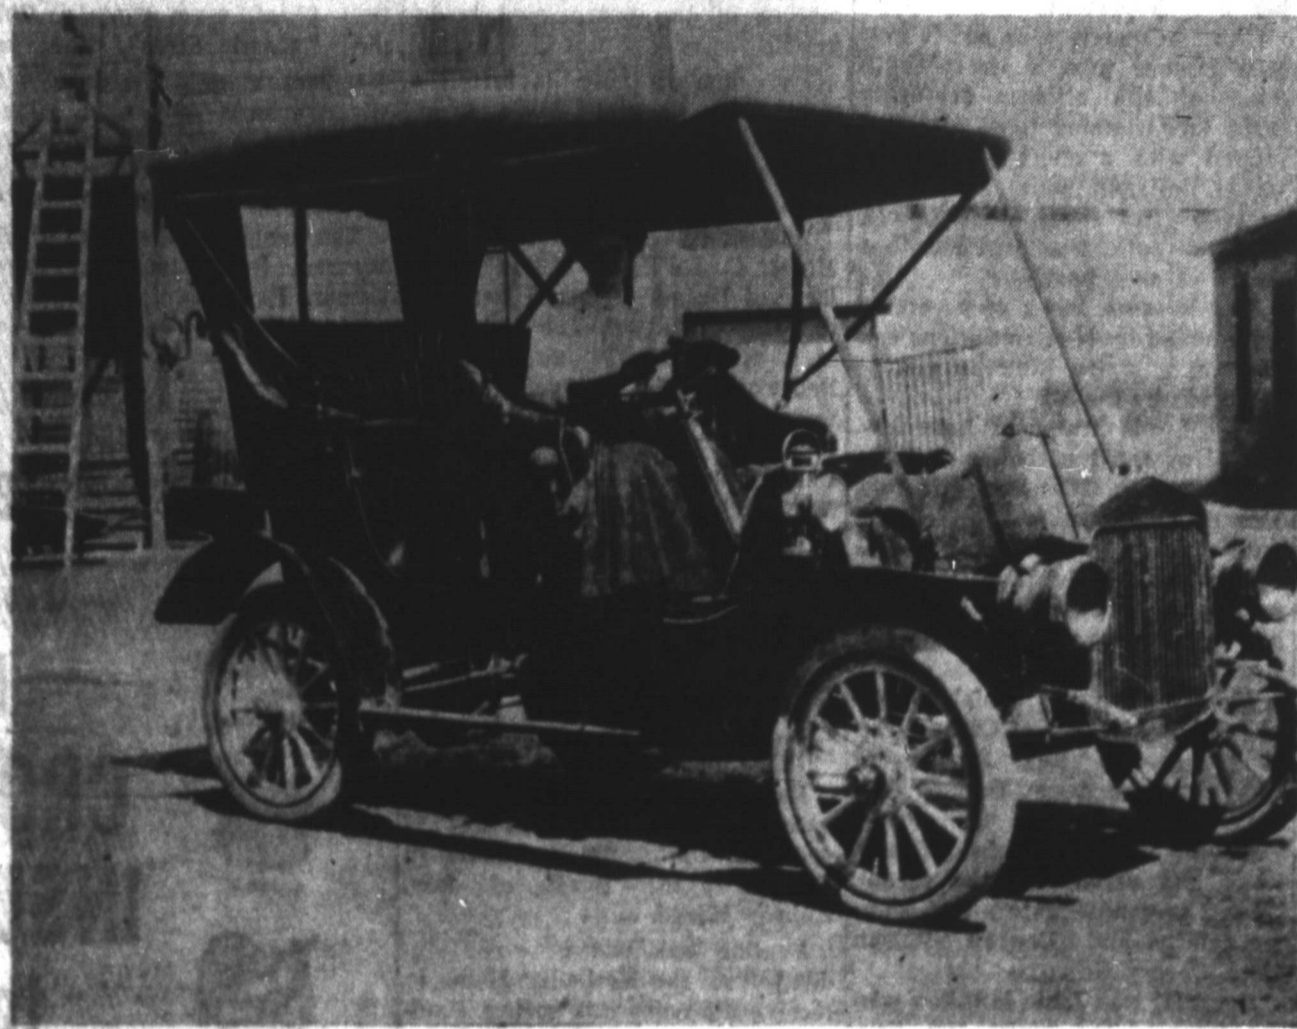

The Jaycees will hold another meeting at 8:00 p. m. Tuesday at the Short Company in order to resume the regular schedule.

## Parrish Services Are Held At Shamrock

Funeral services were held Saturday in Shamrock for Mr. Henry V. Parrish, father of Mrs. Lionel Miller of Tahoka. Burial was in Shamrock Cemetery.

Mr. Parrish, who was 68 years old, died at his home near Shamrock on Thursday. Mr. and Mrs. Lionel Miller, accompanied by Connie and Vink, left Thursday for Shamrock. Miller returned Sunday but the rest of the family will remain for several days.

Mrs. B. J. White had surgery at Tahoka Hospital on Tuesday and is reported to be doing nicely.

## Sub-District Group Elects New Officers

The June meeting of the Spearhead Sub-District of the Methodist Youth Fellowship was held at the First Methodist Church in Tahoka Monday night.

After registration and a sack lunch supper, the business meeting was held with Dave Hancock presiding. New officers for the coming year were elected and installed.

The new officers are John Huffaker of Tahoka, president; Dave Hancock of New Home, vice-president; Maria Bray of Tahoka, secretary-treasurer; Paige Verner of Tahoka, publicity; Linda Horton of Meadow, Christian faith; Susan Hancock of New Home, Christian witness; Louise Birdwell of O'Donnell, Christian outreach; Janis Gattis of Tahoka, Christian citizenship; Ronnie Wood of O'Donnell, Christian fellowship; Sharon Patterson of Tahoka, musician; and Billy Singleton, of O'Donnell, song leader.

The adult counselors will be elected at the next meeting to be held at the First Methodist Church in O'Donnell on July 6.

## Logsdon Rites Are Held In O'Donnell

Funeral services for a former Lynn county resident, Joseph Arthur Logsdon, 74, were held last Sunday at the O'Donnell Church of Christ.

Don Browning, Tahoka, and Jack R. Hackworth, O'Donnell, officiated and burial was in Tahoka Cemetery under the direction of White Funeral Home.

Logsdon was a retired farmer and ginmer who moved to Lynn county in 1928 and lived in the area until moving to Dallas seven years ago. In 1951, he married the former Mrs. Mary Smith. A native of Arlington, he passed away Friday night at his home in Dallas.

Survivors include his wife; three sons, T. G. Smith, S. P. Smith, R. W. Smith, all of Dallas; two daughters, Mrs. H. M. Pope, Gunter AFB, Alabama, and Mrs. L. F. McDaniel, Dallas; his mother, Mrs. Katie Logsdon, O'Donnell; two sisters, Mrs. Nora Rogers, O'Donnell, and Mrs. Johnnie Bloomfield, Fort Worth; and three grandchildren.

Palbearers were Randy Hancock, Jim Mahurin, Billy Snider, Sam Moore, Virgil Adams and Bobby Henson.

## Wilson Students At Music Camp

Texas Tech's annual Summer Music Camp is underway with four Lynn county bandmen participating in the ten-day training sessions.

Gini Gatzki, Ted Bartley, Jeanie Howlett and Cassandra Scott, all of Wilson, are among the 167 area students registered for the music camp. A concert at 6:30 next Friday in the Tech Union building will climax the two weeks of training.

PIONEERS AT THE REUNION here on Saturday, June 22, may recall such scenes as the above—Mrs. Hall (Ethel) Robinson in a Model F Buick, the first car in Lynn county back in the early 1900's. Her father, Jack Alley, manager of the Col. C. C. Slaughter's Tahoka Lake Ranch, bought the car, which was shipped by rail to Big Spring accompanied by a factory representative, who came to the ranch and taught Mr. and Mrs. Alley and Ethel how to drive the contraption. Mr. Alley took the Buick dealership and sold the first cars in Lynn, Terry, Borden and Scurry counties. Incidentally, Mrs. Robinson came to the county in 1896, when her widowed mother married Mr. Alley.

## Valton Maeker, Wilson FFA Member, Wins Trip To Europe

By Margret Bartley  
Valton Maeker, 17, son of Mr. and Mrs. Edmund Maeker of Wilson, was one of seven boys selected from the Texas Future Farmers of America as outstanding in his agriculture work.

Maeker was awarded a three-week trip to Europe where they will visit eight countries on the "People to People Good Will Program." The family received a card this week from Valton post-marked London, England.

The tour group will return on about June 25.

## College Students Will Receive Degree

The News overlooked two college students in the list last week. There were doubtless many more, especially in other county communities.

Virginia Willhoit, daughter of Mr. and Mrs. Vernon Willhoit, will complete her work for a degree at Texas Tech during the first six weeks of the summer session. She will teach in the Albuquerque, N. M., schools this coming year.

Paula Jane Wood, daughter of Mr. and Mrs. N. E. Wood, is home from the summer from East Texas State, Commerce, where she has completed her freshman year.

## Local Authorities Concerned About Results Of TB Tests

To date local authorities have been unable to complete arrangements for the promised visit of a mobile tuberculosis X-ray unit of the Texas State Department of Health to Lynn county.

As a result, local school nurses and Tahoka Jaycees, sponsors of the recent Heat-gun tests last April, suggest that all persons who had positive reactions from the tests, who are financially able to do so, should contact their family physician as soon as possible for further tests.

In the past two years, there have definitely been two deaths in the county from TB, 30 cases have been sent to Carlsbad Sanatorium, and there are now at least two advanced cases in which there is little hope for survival. The News is informed.

Ever since the TB tests were taken here in April, efforts have been underway to get the State Department of Health to send its mobile unit here, all to no avail. This action was promised last year, but now the State Department says Lynn county has no history of a TB problem. Possibly, they do not have records from the Carlsbad Sanatorium, a spokesman for the local sponsors says.

## Continuing Rains Are Threat To Prospective Cotton Crop

### Baptists Plan 60th Anniversary

First Baptist Church of Tahoka is planning a big all-day observance of its 60th anniversary on Sunday, July 7, according to Mrs. Betty Curry, church secretary.

All former pastors and members are being invited, and the afternoon will be devoted to short talks from pioneers in the church. Dinner will be served at noon in the Fellowship Hall. A guest pastor will preach at the Sunday evening service.

The church was formally organized on July 5, 1903, although there had been previous Baptist church services held in various homes over the area.

The News will publish a brief history of the church in the near future.

### Cancer Drive Nearing Quota

Lynn county's Cancer Fund drive has now reached a total of \$1,507.00 on the quota of \$1,600, according to J. P. Hewlett, drive chairman.

This Wednesday a man from the Wilson area made a \$20.00 contribution as a memorial to the late Claude Coleman of that community.

Contributions are still being accepted by Mr. Hewlett for the fund.

### Tahoka Seniors Praised By Ruidoso Motel Operator

A Ruidoso, N. M., motel owner declares, "The Tahoka seniors staying at Blue Spruce were the nicest group of kids we have ever had, conducted themselves as ladies and gentlemen, and we would be glad to have Tahoka kids stay with us at any time."

Mrs. Tom Hale, one of the sponsors of the group of 36 Tahoka seniors on their trip to Ruidoso May 27-30 says she was very proud of the conduct of the youngsters.

Other sponsors for the trip were Mrs. Garland Pennington, L. A. Forsythe, and Lee Roy Knight.

The group spent four days enjoying the various phases of recreation at the mountain resort, climaxed by a banquet at Gateway Restaurant.

Mrs. John Garner was admitted to Tahoka Hospital as a medical patient on Friday of last week and was released on Sunday.

Mrs. E. A. Hargraves was dismissed from Tahoka Hospital on Friday of last week.

### New Homes Are Being Built Here

This spring has brought the usual rash of new home construction to the local scene with several parts of town showing growth.

The Maurice Huffaker home being built on North 3rd features a circular drive in front and on the same block the Harold Roberts have a brick home under construction.

On North 7th three new brick homes have appeared with the Clint Sikes family moving in this week and the J. D. Atwell home nearing the final stages of work.

On the same street, the Steve Thompsons have occupied a new home since May.

In the south part of Tahoka, Charlie Boswell is building a "gold medallion" home on South 8th, directly across from the Municipal Park and swimming pool. Other recent construction on 8th street is the home of Mr. and Mrs. Mickey Bertroux, and the Thomason Jolly home on the same street is reported to be almost ready for occupancy.

Several other homes are still in the planning stages with construction expected to begin during the favorable summer weather.

### Voting Light In Integration Poll

Very little interest was shown at the polls in Saturday's election called by the Tahoka School Board for the purpose of voters in the school district expressing an opinion on integrating high school grades.

There were 56 votes cast in favor of the move, only 20 against. The board proposes, The News is informed, to integrate the top four grades and thereby furnish education locally for high school Negro students. This past year, Tahoka district transferred eight Negro students to the Slaton Negro high school, and tuition and transportation on these students cost \$4,000.

In the upcoming \$650,000 school building program, the board also proposes to add two classrooms to Dunbar Elementary School, which now has three rooms, and make other improvements to bring this school for Negroes up to State requirements, or as near to these standards as possible.

### Church of Christ Has Summer Associate

Richard Williams has arrived in Tahoka to assume duties as summer associate minister at the local Church of Christ.

Williams, who is from McAdoo, finished Lubbock Christian College this spring and plans to enter Abilene Christian College next fall as a ministerial student.

This summer, Williams will stay in the home of the Church of Christ minister, Don Browning and family.

### Mrs. S. R. Kemp, 88, Suffers Stroke

Mrs. S. R. Kemp, 88, who suffered a light stroke about 1:30 a. m. Monday was in a much improved condition according to reports received here Wednesday.

Mrs. Kemp is the mother of Mrs. Oscar Rutledge and has grandchildren and several great-grandchildren living in Tahoka. She is in Room 112 of the Garza County Memorial Hospital.

Mrs. Rollin McCord Jr. was a medical patient in Tahoka Hospital from Sunday until Wednesday. The McCords live in Midland.

Rains last week end and again on Tuesday further delayed cotton planting, but most farmers are very busy this week replanting or "scratching".

Most cotton will be up or planted by the end of this week, farmers say, although much feed land, especially in the north and east parts of the county is still under water or too wet to plow.

Many farmers have planted four and five times and are still in trouble if more rain falls this week.

Tahoka recorded 1.36 inches on Thursday afternoon of last week and another .60 Saturday night to bring the total precipitation to 10.20 inches since June 5 and 12.22 for the year to date.

Tahoka missed the rain Tuesday which extended from Lubbock county down across Wilson, Garza, New Lynn, and Grassland areas nearly to Redwine, and another shower which extended southward across the Midway and O'Donnell areas.

Much of the cotton already planted over this area will have to be replanted, and many farmers, especially around Wilson, will be further delayed from getting all their cotton in the ground.

North of Wilson, some farms were badly washed again and more water put in lakes by a heavy downpour. East of town, "Hy" Turner reported an inch or more on a strip from the Draw road extending east of Grassland and north and east of New Lynn. Draw had only a light shower.

On the bright side, a larger portion of the county has cotton coming up, much of which had to be scratched out.

Barring further rains until farmers can get their cotton up and growing, prospects are still good for a crop, although it will be later than usual, especially for irrigated cotton. Of course, there are still many possibilities down the line, including rain at the proper time, insect damage, hail, and whether there is an early or late fall.

### Littlepage Dies Of Heart Attack

Robert Lee (Bob) Littlepage, 74, a resident of Lynn county for 55 years, died suddenly of a heart attack at his home here Monday at about 5:30 p. m. He had been bothered with a heart condition for several years.

Funeral services were held Wednesday at 2:30 p. m. at the First Baptist Church, of which he was a member, with the pastor, Rev. T. James Efrid, officiating, assisted by Don Browning, minister of the Church of Christ. Burial followed in Tahoka Cemetery under direction of White Funeral Home. Masons were pallbearers and conducted graveside rites.

Bob was born in Hamilton county on January 7, 1889, and came from there to Lynn county in 1908. He was married to Miss Lillie Mary Cleveland on December 25, 1912, in the Midway community, where the couple lived and farmed until the death of Mrs. Littlepage about six years ago, following which he moved to town.

He was a long-time member of the Masonic Lodge, in which he reached the high 32 degree rank, and was also a Shriner. He was also active in the local Odd Fellows, being a past grand, and the Rebekah Lodge. Since loss of his wife he had taken great interest in lodge work.

Bob Littlepage was a highly respected citizen, long a leader in his community and the county, had helped many people in trouble over the years, and was devoted to his family, especially to two granddaughters.

Monday he had been working in the hot sun. Not feeling well, he asked a neighbor to remain (Cont'd. On Back Page)

### Announcement Made Of Fall Wedding

Mr. and Mrs. Winston C. Wharton of Tahoka announce the engagement and approaching marriage of their daughter, Beverly Ann, to James Carl House of Lubbock.

The prospective bridegroom is the son of Mr. and Mrs. James F. House of El Paso and is an attorney associated with the Veteran's Administration in Lubbock. The couple plan an early fall marriage.

### WCSO Holds Monday Business Luncheon

The Woman's Society of Christian Service of the Methodist Church met Monday for a business luncheon with Rev. Aubrey White and Thomas Bormann, youth director, as special guests.

Mrs. R. H. Gibson presided over the business session when the group voted to pay the expenses for Mrs. I. M. Mullins to attend a training school at Buckman Camp in Merkel, June 17-21. Mrs. Mullins is the wife of the pastor of the Negro Methodist Churches in Tahoka and Lamesa.

"Family Needs Around the World" was the theme of the program given jointly by Mrs. R. M. Stewart and Mrs. G. M. Stewart. An impressive worship center was arranged by Mrs. R. M. Stewart.

Faith circle was hostess for the covered dish luncheon. Another business luncheon will be held on July 1 with the Margaret circle as hostess.

Of two different engines differing only in compression ratio, the higher compression engine will require less gas.

### Sunday Vows Read For Draper-Epperson

Miss Barbara Draper and John Keith Epperson were married at 3:00 p. m. Sunday afternoon in the Lakeview Baptist Church with the Rev. Phillip Goodrum performing the double ring ceremony.

The bride is the daughter of Mr. and Mrs. A. E. Draper, Route 3, Tahoka and Epperson is the son of Mr. and Mrs. R. G. Epperson, Route 1, Ropesville.

Given in marriage by her father, Miss Draper wore a street-length dress of silk organza featuring three lace-trimmed tiers. It was topped with a short-sleeved lace jacket designed with a portrait neckline. Her shoulder-length veil of nylon tulle was attached to a crown of seed pearls.

Her bouquet was a white orchid surrounded by blue carnations carried on a white Bible, a gift to the bride by the YWA.

Miss Linda Timmons, Lakeview served as maid of honor and the bride's cousin, Miss Donna Morris, also of Lakeview, was an attendant.

The groom's brother, Rob Epperson of El Paso, was best man and groomsmen was Gail Gregg of Ropesville.

Ushers were the bride's brothers, Johnny Draper of China Lake, California and Roy Draper of Lakeview and Jerry Tate of Abilene.

Debbie and Lonnie Wilson, niece and nephew of the groom, served as candlelighters and Sherrie Collins and Denean Wilson were flower girls.

Organist was Janie Milliken who accompanied the soloist, Mrs. Sandra McNabb.

A reception was held in the fellowship hall following the ceremony.

For the wedding trip to Ruidoso, New Mexico, the bride wore a three-piece knit suit of blue accented with white and with matching accessories.

The couple will be at home at Route 1, Ropesville where the bridegroom is engaged in farming. The bride is a senior at New Home High School. Epperson is a graduate of Ropes High School, Ropesville and attended McMurry College.

### Young Homemakers Plan Family Picnic

The Tahoka Young Homemakers Club met last Thursday in the home of Mrs. Hilton Wood. Members answered roll call with the number of points they had achieved in the club's award system. Mrs. Patsy Dunlap, president, obtained information for the survey sheet for the THDA report of work. Members discussed the preparation of material for the South Plains Fair Exhibit which the Lynn county clubs will maintain this September.

Mrs. Wood served refreshments of angel food cake surprise and punch. The hostess gift was a fancy tissue dispenser, and was received by Mrs. Donald Williams.

The next meeting will be at 3:00 p. m. Friday, June 21 at the home of Mrs. Marvin Hagens. On the same day, club members will entertain their families with a picnic at 6:30 p. m. at the City Park. Shirley Kunze from the Buckner Girls Home in Lubbock will be guest of honor.

### Barnes-Furlow Wedding Tonight

Miss Brenda Elaine Barnes, daughter of Mr. and Mrs. Boyd Barnes, and Bobby Mack Furlow, son of Mr. and Mrs. A. E. Furlow of O'Donnell, will be married at 7:00 p. m. tonight in the Draw Methodist Church. Friends of the couple are invited to attend.

### Winners Named In Duplicate Play

Winners in duplicate bridge play Tuesday night at T-Bar Country Club were the following: Mrs. Clint Walker and Mrs. Oscar Roberts, first; Mrs. Meldon Leslie and Mrs. D. W. Gaignat, second; Mrs. L. C. Haney and Mrs. A. N. Norman, third.

Mr. and Mrs. John Wells, directors, announce the annual individual play will be held in the near future.

**FUN NIGHT HELD**  
Junior High Fun Night was held for all young people in Junior High at the First Methodist Church last Tuesday night in the Fellowship Hall. After a period of recreation, the young people had a Bible study on "Why we should study the Bible."

Talk is never cheap when you have to take some of it back.

### Shower Given For Lubbock Bride-Elect Of Buddy Chestnutt

A miscellaneous shower, honoring Miss Jane Kerr, bride-elect of Buddy Chestnutt, was given Friday in the home of Mrs. Fred McGinty.

Receiving guests with the hostess and honoree were Mrs. Jimmie Kerr and Mrs. Thurman Neill, mother and sister of Miss Kerr; and Mrs. G. H. Chestnutt, mother of the prospective bridegroom.

The serving table, featuring a centerpiece of white daisies in an epergne decorated with cupid's of silver, was laid with a white net cloth over taffeta.

Assisting with hospitalities were Mrs. C. E. Ford, Wilma Davis, Howard Draper, Garland Pennington, Ed Hamilton, Joe Bob Billman, Hanes Howie, and O. A. Pebsworth, Jr. Other hostesses were Mrs. Lionel Miller, Clint Sikes, A. M. Bray, John Witt, Charles Reid, L. A. Forsythe and Miss Vicky Hamilton.

The hostess gift was matched linens.

### Waco Graduate Is Summer Visitor Here

Pauline Jolly, 18 year old graduate of Waco High School, is spending the summer months in Tahoka as the guest of Rev. Aubrey White.

Pauline was one of eight students from the Methodist Home to receive diplomas this spring. Pauline had lived at the Home for eleven years and still has a younger brother residing there.

Although Pauline has her meals with the parsonage family, she is staying in the home of Mrs. C. A. Thomas. She is planning to attend McMurry College in Abilene, this fall.

The Interstate Highway System in Texas is being blessed with large, elaborate Safety Rest Areas for the safety and convenience of Texas travelers. Motorists can now relax and refresh themselves in the first of these rest areas (roadside parks) designed and built on the Interstate Highway System in Texas. This new rest area contains eight arbors equipped with five places for family cooking, incinerators, fire wood, and big spacious tables and benches for picnicking. The "park" lies on a small knoll ten miles east of San Antonio on Interstate Highway 10 and was formally dedicated May 29.

### Girl Scouts Make Trip To Camp

Three New Home Girl Scouts, Kay Lewis, Debbie Moore and Vicki Jo Unfred, are attending Camp Rio Blanco, near Crosbyton, this week, having gone to the camp Sunday.

Five Senior Scouts left Monday to attend Camp Mary White in the mountains near Mayhill, New Mexico. These girls are Rhonda Gill, Yuonna Moore, Von Nettles, Sidney Sealy, and Nancy Unfred.

Mr. and Mrs. Joe D. Unfred, Mrs. Jane Fetter, Mrs. LeRoy Nettles, and Mrs. Lit Moore Jr. drove the Senior Scouts to Artesia Monday morning, where school buses picked up the New Home girls and other Girl Scouts from the area and took them on to the camp.

Mr. and Mrs. Robbie Gill had preceded the group on a trip to

the mountains, spent a few days at Cloudercroft, and left Rhonda and Sidney in camp Monday morning before returning home.

Senior Scouts at New Home are collecting wire coat hangers to raise money for their trip to the Girl Scout Cabana in Old Mexico next summer.

**ART LOVER'S PARADISE**

It's an art lover's paradise. But you really don't have to be an art lover to enjoy the Indian Pictographs drawn on the rock cliffs of Indian Shelter Cliff.

This pictorial cliff is located about 25 miles north of Fredericksburg—near Doss, Tex.—and close to the scenic old Lange's Water Mill.

Take your camera with you, as you'll want to remember this trip.

Mr. and Mrs. W. N. Stone and children visited relatives in Fort Worth over the past week end.

### Traffic Deaths Show Increase

During 1962 death stalked the streets and highways of Texas for a record of 2,421 human lives in traffic mishaps, an increase of 107 over 1961. Another 144,943 were sent to doctors and hospitals, an increase of 12,373 over 1961, some of these injured being maimed for life. Some 400,000 automobiles were damaged or demolished. Our economic loss came to an astounding figure of \$387,843,000, an increase of \$31,731,000 over 1961. Our liability and collision insurance premiums came to a sum over two hundred and seventy five million dollars.

If the 2,431 dead traffic victims were stacked in a pile, the dimensions would be about 2 3/5 miles in length, or 3/4 of a mile in width, or 4/10 of a mile in height. The dimensions for the 144,943 injured would be 158 miles in length, or 46 miles in width, or 23 miles in height. The dimensions of the some 400,000 damaged or demolished vehicles would be 1,330 miles in length, or 500 miles in width, or 379 miles in height.

Now for a descriptive look at the three hundred and eighty-seven million dollars cost of the traffic accidents. The playing area of a football field measures 300 by 160 feet, or 48,000 square feet. United states currency measures about 2 5/8 inches by 6 1/8 inches. If a football field was completely covered with one dollar bills, then a layer of two dollar bills, then a layer of five dollar bills, then a layer of ten dollar bills, then a layer of twenty dollar bills, then a layer of fifty dollar bills, then a layer of one hundred dollar bills, then a layer of five hundred dollar bills and on top of these eight layers of paper money, dump 2,707 tons of silver dollars, this would represent the economic loss we suffered in Texas for the year 1962.

The three hundred and eighty-seven million dollars would have bought 10,000 homes at \$30,000 each; 10,000 refrigerators at \$400 each; 10,000 cooking ranges at \$350 each; 10,000 TV sets at \$350 each; 10,000 dishwashers at \$300 each; 10,000 automobiles at \$3,000 each; 10,000 central air conditioning units at \$1,400 each and furnish the head of each of the 10,000 households with a bank account of \$12,984.

### Grassland News

By Mrs. Lucille Walker

Commencement exercises for vacation Bible School were Friday evening in the Church of the Nazarene, Grassland. The theme for the school program was "Adventuring with Jesus". Kindergarten workers were Mrs. Walker and Karen Law; Primary, Lavonia Moore; Juniors, Mrs. Joy Laws; Junior High, Mrs. Bert McDonald. Mrs. Nelda Murry was in charge of music. Mrs. Campbell directed the music. Mrs. Maggie Murry and Mrs. Lucy Cunningham were in charge of refreshments each day.

Word was received here that a former resident of Grassland, Mrs. Nina Bell Chapman now living in Plainview, had her home damaged by fire Wednesday of last week.

Mr. and Mrs. John Sherrill visited with the Gus Porterfields Sunday and attended Church with them Sunday evening.

Visitors in the W. G. McCleskey home Sunday evening were Mr. and Mrs. A. E. Riley and two girls, Tahoka. Mr. and Mrs. Bert McDonald and family, Mr. and Mrs. Carlos McCleskey and family, Mr. and Mrs. C. O. McCleskey and son, Mr. and Mrs. H. D. Gartman and Bernice Gribble.

We were happy to hear Mrs. W. G. McCleskey was able to go to Church last Sunday. Mrs. "G" has been unable to be out since falling and injuring both her legs.

Mr. and Mrs. Tom Murray were in Mineral Wells over the weekend.

Mrs. Dean Laws and children have been visiting her sister and family in Cortez, Colorado.

Visitors in the B. A. Norman home over the weekend were Mr. and Mrs. Raymond Gerner and children of San Angelo. The children, Wade and Sherry will spend the week with their grandparents. The Gerners also visited Mrs. E. B. Gregg, who has been a patient in a Lubbock hospital for some time.

Mr. and Mrs. W. G. McCleskey were luncheon guests in the C. O. McCleskey home Sunday.

Mr. and Mrs. Forrest Chapman were to leave by plane sometime

this week, for points in California to visit relatives.

Mrs. D. G. Porterfield and children of Abilene spent three days last week with the Gus Porterfields and other relatives.

Mr. and Mrs. Glen Blacklock of Fort Worth are visiting the Blacklock families and Mr. and Mrs. Jim Bob Porterfield and son.

John Paul Lawson of Andrews visited his mother, Mrs. E. A. Thomas last week.

Mr. and Mrs. H. E. Huffaker have been visiting their daughters' families, the Webbs and Reese's who live in Denver, Colorado and Colorado Springs, Colo. Their grandchildren, Linda, Donnie and Larry Keese and Rodney Webb came home with them. The granddaughters will spend two or three weeks here but Rodney and Larry will spend the summer to help with the farming. Mrs. Huffaker says it is really dry there, which is very unusual.

Mr. and Mrs. Roy Appling drove down to Killeen Friday to attend the wedding of their grandson, Sharol Lawson and Miss Jean Hurd. They also visited their granddaughter, Patricia and their daughter, Mrs. Jean Short.

Mr. and Mrs. C. A. Walker attended a Bar-B-Q supper Tuesday evening at the home of the J. D. McGrews in Lamesa, for the ink-barger clan.

The Gary McGrews left Wednesday morning for their home in Quistin, California.

Mrs. Lettie Bullock of Ft. Worth and Mrs. Ivy Young visited Mrs. C. C. Jones recently.

Visitors in the C. A. Walker home Sunday were Mr. and Mrs. Doyle Terry, Bruce and Jerri Lou,

Lamesa, and Mr. and Mrs. Leucian Walker.

Mr. and Mrs. James Murray and children left Saturday morning for Snyder, Oklahoma to visit his brother, Phillip Murray and family.

Mr. and Mrs. Don Carrickaker of Muleshoe visited her parents, the H. D. Gartmans.

Remember when we were in

Grade School, the lines, "Rain, Rain go away come again another day"? I'm thinking some of the farmers are beginning to wish it might wait until another day, maybe in late July or August.

About 5,500 persons visit the White House daily.

Every day is a safety day.

## Rainbow Girls Leaving Saturday For State Meeting

Nine girls of Tahoka Assembly No. 234 of the Order of Rainbow will leave Saturday midnight to attend the Grand Assembly of Texas being held in Houston Monday through Wednesday.

Making the trip will be Sarah Wells, newly installed Worthy Advisor, Janis Gattis, Linda Thomas, Patricia Sikes, Vivian Short, Leah Short, Janis Renfro, Barbara Orr and Melanie Leverett. Mrs. H. W. Carter, Mother Advisor, will accompany the group.

Mrs. Oscar Rutledge, Grand Visitor in the area and also a member of the Grand Executive Committee, is planning to attend the Houston convention if the condition of her mother, Mrs. S. R. Kemp, permits.

At the Grand Assembly, the local group will receive recognition in several areas. Special mention will be given the Tahoka Assembly for participation in the state project to collect used nylon hosiery for use in Veterans' Hospitals. Therefore, the girls would like to express their appreciation

## Methodist Youths Conduct Services

Methodist Church of Tahoka observed Youth Night by letting the youth be in charge of the evening worship service. Craig Leslie led singing, Sharon Patterson played the organ, and Marla Bray played the piano. Special music was furnished by Paige Verner, Ralph Brock and John Huffaker.

Just before the sermon by the youth director, Tom Bormann, the pastor installed the new Senior High MYF officers: President, Townes Walker; vice-president, John Huffaker; secretary-treasurer, Janis Gattis; publicity, Ralph Brock; Christian faith, Jim Wells; Christian witness, Andra Carroll; Christian outreach, Sharon Patterson; Christian citizenship, Rett Patterson; and Christian fellowship, Mike Huffaker.

## Lakeview Honors Mrs. Epperson

Mrs. Johnny Epperson, the former Miss Barbara Draper, was honored in a YWA white Bible ceremony June 2 at the Lakeview Baptist Church preceding the morning worship service.

The ceremony is a traditional one in which all YMA brides-to-be are presented white Bibles. Mrs. Phillip Goodrum, YWA sponsor; Donna Morris, club president; and Rev. Phillip Goodrum, pastor, took part in the ceremony.

Every day is safety day.

for the donations last month. Linda Thomas, Tahoka, will serve as a grand choir member in Houston, and two Past Worthy Advisors, Patricia Sikes and Janis Gattis, will receive the Grand Cross of Color Degree in ceremonies there. This degree is awarded to Rainbow Girls who have rendered special service in assembly projects both during and following their terms in office.

The Tahoka group will make the trip in a bus chartered jointly with Mackenzie Assembly of Lubbock. They plan to return Wednesday night.

## GRASSROOTS

By BILL GRIFFIN  
County Agent  
"Fly Factory" Expands  
The fight to eradicate the both-  
erose screwworm from the  
Southwest is receiving increased  
momentum as the plant in which  
sexually-sterile screwworm flies  
are reared is being modified to  
facilitate production of more than  
130 million flies per week.

Officials of the Southwest Screw-  
worm Eradication Program an-  
nounced that the increase in ster-  
ile flies should be available by  
mid-July. The additional flies will  
be used to combat isolated screw-  
worm outbreaks outside of the  
area where the insect can nor-  
mally survive winter temperatures,  
as well as to eliminate native flies  
in the southern parts of Texas  
and New Mexico which comprise  
the overwintering area.

No increase in building space is  
required in order to expand pro-  
duction, officials stated. Some  
modifications of existing equip-  
ment are necessary and an in-  
crease in personnel and cost of  
production and distribution is ex-  
pected.

The plant near Mission was  
completed in June 1962 and was  
designed to produce an average of  
50 million flies per week with a  
total production of 75 million. As  
a result of experimentation that  
developed many improvements in  
fly-rearing techniques, more than  
100 million flies have been pro-  
duced each week for several  
months with little change in origi-  
nal plant and equipment.

The announcement that the "fly  
factory" is to be modified comes  
at a time when Southwestern  
farmers and ranchers are experi-  
encing less than 10 percent as  
many screwworm infestations as  
last year. Since January 1, 1963,  
about 1,200 screwworm cases have  
been reported in the eradication  
area composed of Texas, New  
Mexico, Oklahoma, Arkansas and  
Louisiana, in contrast with more  
than 9,500 cases reported for the  
same period in 1962.

Despite the marked decrease in  
infestations, officials have warned  
that livestock producers cannot  
afford to relax their vigilance.  
Stockmen should continue to look  
for wounds infested with larvae  
and immediately report infesta-  
tions by collecting larvae samples  
from wounds and sending them to  
the Mission laboratory or taking  
them to the county agent's office.  
Materials are available in the  
county agent's office for mailing  
screwworms for identification.

**Mother, Daughter Sailed Wednesday For European Tour**

Mrs. Fred McGinty and daughter, Montie, left Lubbock Tuesday on a 7:30 a. m. flight for New York and sailed Wednesday morning on the Queen Mary for a tour of Europe.

Some scenic places Mrs. McGinty and Montie will visit are England, Holland, Germany, Switzerland, Liechtenstein, Austria, Italy, Monaco, and France.

Before completing their journey they will visit three weeks with Mr. and Mrs. Roy Long and family, who live in Vienna, Austria. Mrs. Long is the former Mariana McGinty. Mr. Long is a missionary in Vienna. The Longs have two children, Matt, four years old, and Vance, four months.

When they reach London they will see St. James Palace, Buckingham Palace, St. Paul's Cathedral, Law Courts, and Dickens' Old Curiosity Shop.

In Venice they will see St. Mark's Square, Doges' Palace, the Bridge of Sighs, and the Piombes Prisons.

While in Rome they will visit Vatican City, visiting the Museum and Galleries and the Sistine Chapel with its superb frescoes by Michelangelo.

In Paris they will tour the Modern Paris to Place Vendome, the Opera, Madeleine Church and the Eiffel Tower.

Other interesting cities which Mrs. McGinty and Montie will visit include Madrid, Versailles, Monte Carlo, Florence, Valladolid and other scenic places and cities.

The two are to arrive home in middle August.

**Billy Kelley's Son Earns Scholarship**

Mr. and Mrs. Billy Ray Kelley and son, Lynn, of Lake Arthur, Louisiana were visiting relatives in Tahoka and Lubbock last week. They visited here with his parents, Mr. and Mrs. Vernon Kelley and in Lubbock with Mrs. Joyce Henderson. Mrs. Kelley is the former Peggy Henderson.

While here, it was learned that the Kelley's son, Lynn, has been awarded a scholarship for special summer work in Advanced Science and Math at McNeese College in Lake Charles, La. Lynn was the only student in Jeff Davis county to pass the series of screening tests given the top 200 sixth graders this spring. The scholarships went to only 75 youngsters throughout the state.

Lynn will commute the 35 miles to Lake Charles for the summer session, June 24 through August 2. In Louisiana, this program for advanced students begins in the sixth grade and continues through high school, with the possibility of applying the summer work toward college credit.

Kelley is superintendent of the Phillips Natural Gas plant in Lake Arthur.

**CALIFORNIA NEWS OF FORMER LOCAL PEOPLE**

By Raymond Griffin

Mamie Ruth (my wife) and I celebrated our 23rd wedding anniversary on June 5th.

Mrs. Lanora Griffin has been sick for about two months. She was 86 years of age March 27.

Mamie Ruth and I just returned from a trip to the Los Angeles area visiting our son, Orson. He is going to a refrigeration and air conditioning school and will finish in August.

Mrs. Emma Mayberry has just returned from a week's visit with Glen and Fay Boydston at Long Beach. In the round of visits, she went to see the Ollie Warrens of Willows.

Laura May (Griffin) Pruitt died of cancer in Houston on March 5, 1962. She was 57. Her husband was in Arabia at the time. They had only one child, Margaret McCready of Virginia, and four grandchildren.

Alvin Hibdon has been down in Los Angeles area opening a new shop. He and his two boys are

building new campers for pick-up trucks. They now have three shops.

Employment has been worse here since November, 1962, than any time since I came to Turlock in 1938. I've been unemployed since Nov. 3, 1962, although I didn't waste the time; I've taken and finished a real estate course at Modesto Junior College since January.

**TEXAS HAS HAD MANY COURAGEOUS MEN**

Texas has been the home of many great and courageous men. A few words describing their feats often can imply the magnitude of their character.

Such are words on a marker on the highway southwest of Llano, in Central Texas, which reads: "Enchanted Rock. From its summit, in the fall of 1841, Captain John C. Hays, while surrounded by Comanche Indians who cut him off from his ranging company, repulsed the whole band and inflicted upon them such heavy losses that they fled."

# Income Tax Laws Favor Lynn Residents Over 65

(Special to The News)

New York—Some 830 residents of Lynn county have made the happy discovery that it pays to be over 65, at least at certain times. One of these times is when Federal income taxes are due. That is when their age stands them in good stead. Under the law, they have advantages that are not available to mere striplings of 64 or under.

The tax laws favor them with special deductions and allowances to help ease their financial burdens, which become harder to cope with at that stage of life. An estimate, based on Government figures, shows that the 830 local residents who are in that age bracket were able to save approximately \$36,200 in Federal income taxes, as a result, in the past fiscal year.

Fore more than 17,000,000 men and women in the United States who are over 65, the tax saving in the year amounted to a healthy \$742,000,000. This is revealed in data published by the Department of Health, Education and Welfare. The official figures show that \$482,000,000 of it is attributable to the fact that personal exemptions for the elderly are \$1,200, instead of the usual \$600.

Of the remainder, \$140,000,000 represents additional deductions permitted for medical expenses, and \$120,000,000, the amount

saved through retirement income credit.

Some of the senior citizens also get special tax benefits at the state level. In 18 of the states, according to the report, provisions for some sort of tax exemption or credit are on the books.

A breakdown of the \$36,200 saved by Lynn county's plus-65 population reveals that \$23,600 of it came from the extra personal exemption of \$600.

Another \$6,900 was from the additional medical deductions and \$5,700 from the credit allowed on retirement incomes.

The special tax benefits that have been provided for the nation's elderly, as well as the other kinds of protection that are in being or are planned, underscore the dramatic changes that have taken place in a little more than 25 years.

Today, fewer people are left high and dry, with no source of income, after quitting work for health or other reasons.

## STUDENTS CLEAN UP DAY

The Senior High of the Methodist Church in Tahoka had church clean up day Thursday. The youth cleaned out old closets washed windows, picked up the paper on the church yard, swept the sidewalks, boxed up out-dated material, and had fun while sharing some of their time to beautify the church.

## KNOW YOUR INSECT ENEMY THE PINK BOLLWORM

Trademark of this pink pest is a rusted cotton bloom (lower photo). In more than 40 countries around the world, cotton growers have been battling the pink bollworm for many years. The first attack in the United States was on Texas cotton in 1917.

Pink bollworms hurt cotton yields in several ways. In severe infestations, damaged squares and small bolls are shed. Larvae penetrate bolls and tunnel into the cotton seed, their preferred food. Thus, cotton seed is ruined and the oil is lost. Grains and staple of lint also are lowered by the tunneling worms.

Adult moths are brown and almost an inch across from tip to tip of the wings. Because they are inactive by day, moths are seldom seen. Female moths lay about 300 small white eggs, generally well concealed on smaller bolls under the calyx. The pupal stage is distinctive; white when first formed, turning to dark brown before emergence. The head end is short, stout and hooklike.

Careful quarantine efforts have succeeded in limiting the range of this pest to seven cotton states: Texas, Arizona, New Mexico, Oklahoma, Louisiana, Arkansas and Florida. Spot infestations in Florida and Georgia have been successfully eradicated. Regulated planting and stalk destruction dates have been important factors in preventing more serious pink bollworm problems.

A new carbamate pesticide is being widely applied both as a dust and in spray formulations. According to growers, Sevin insecticide controls pink bollworms and knocks out other major cotton pests as well.

Fest control experts emphasize that the combination of sound culture practices and planned insecticide applications can minimize the pink bollworm threat.

**THE NEWS**

**Don't you read before you buy?**

Most people do. They count on advertising in print to give them the information they want on products that interest them—information on features... designs... and prices, for example.

People not only read about products and services, they show ads to their family and friends; they clip coupons for information and savings; they tear out ads to take along when they go shopping.

When you add it all up, print advertising—the kind you read in the pages of this newspaper—makes sense. And because it measures up to the buying habits of most consumers, print makes sales. Most people read—and then buy. Don't you?

### McCord Visitors From Alabama

The Rev. and Mrs. Lucius Clements of Tuscaloosa, Alabama were visitors this week in the home of Mrs. R. B. McCord, aunt of Mrs. Clements. Rev. Clements is pastor of a Baptist Church near the Alabama city.

Last Sunday they went to Denver City where they visited with Mr. and Mrs. Carlos Edwards and the Claude Thomas family. On Monday, they spent the day at the C. E. Short home in the Grassland community. Mrs. Short is Mrs. McCord's daughter.

### Britt Robinson Is Junior Marksman

Tahoka's own Britt Robinson won his third straight junior crown at the 39th Texas State Trapshooting Tournament held at the Amarillo Gun Club last weekend. Britt is the son of Mr. and Mrs. Jack Alley Robinson.

Winning a total of five trophies during the four-day meet, Britt continued to add to his tremendous trap-shooting record. In addition to the high all-around in the Junior class, he copped a trophy for high in doubles, which is two targets coming out of the trap at one time, and was runner-up in the singles.

In Thursday's preliminary round, Robinson tied with Phillip Ross and Daro Hanedy of San Antonio in the Class AA singles division with 99 hits out of 100 targets. In the second day of preliminaries, he was awarded a silver tray for second place with another 99 out of 100.

Another honor to come recently to the young Tahoka marksman is his re-election as captain of the 14 and under sub-junior 1963 Sports Afield All-American trapshooting team.

Britt was accompanied to the Amarillo shoot by Clyde Tatum, a Lubbock shooting expert, who has taken an interest in the Junior champ's trapshooting career. The two have attended several meets together.

Britt is currently making plans to attend the Grand Shoot which will be held in Vandalia, Ohio the latter part of August.

Chris Dyer, son of Mr. and Mrs. J. C. Dyer, was released from the Tahoka Hospital on Thursday of last week after treatment for broken ribs.

Mrs. John Ed Redwine was admitted to Tahoka Hospital Thursday as a medical patient and was released on Friday.

### Science Teacher In Tech Institute

Robin Eugene Vaught, local teacher, is one of 60 participants from throughout Texas taking part in the Summer Institute for High School Biology Teachers which began last Friday at Texas Tech.

The Institute is a special course administered under a grant from the National Science Foundation. Dr. Earl D. Camp, professor and head of Tech's biology department, which sponsors the institute, reported that applicants were selected solely on the basis of their ability to benefit from the program, and their capacity to develop as teachers of science.

Lectures and demonstrations will be given by staff members of Tech's biology department and by visiting lecturers. In addition, field trips are planned to supplement the program. Two extensive field trips, each lasting one week, are planned to Xilitla, Mex., and to Taos, N. M.

The institute ends on August 8. Mr. and Mrs. Seth Singleton accompanied by daughter Mrs. Joe Mathis of Amarillo and granddaughters Jo Nell, 10, and Lucretia Gay, 7, will leave today for a weekend trip to Six Flags Over Texas.

### O'Donnell Couple Is Coming Home

Mr. and Mrs. Don Cattle expect to arrive from Puerto Rico by Sunday, Father's Day, to visit her parents, Mr. and Mrs. Andy Jordan at O'Donnell. Mrs. Cattle is the former Miss Kay Jordan and is a granddaughter of Mr. and Mrs. W. J. Jordan of Tahoka.

Both have been teaching school at Roosevelt Naval Station in Puerto Rico this past year, he teaching industrial arts and she in the elementary school. When the couple married last December, Mr. and Mrs. Andy Jordan and Mr. and Mrs. Dallas Vaughan flew down by jet airline for the wedding. Don is a native of Hannibal, Mo., and Kay was reared at O'Donnell and graduated from Texas Tech. They met while teaching in Puerto Rico.

The couple is flying to New Orleans today, where they expect to pick up their car and drive to O'Donnell.

### Fifteen Enrolled For Spanish Pre-School

Fifteen children enrolled Monday for the summer school for Spanish speaking children, according to Mrs. Thelma Dewbre, teacher.

The classes are being offered to those children who will be six or before September 1, 1963. The school is from 8 to 11 a. m. Monday through Friday in the South Elementary building. It will continue through August 2.

### Braves Winners In Three Games

Last Friday night, the Tahoka Braves defeated the New Home Colts 14-4. Gary Brooks won his fifth game of the season. Pedro Gutierrez relieved Gary in the sixth inning.

Wyatt pitched five innings for the New Home Colts.

The Tahoka Braves also defeated the Wilson team in a double header on Tuesday night. The winning pitcher for the first game was Pedro Gutierrez. Final score for this game was 4-3.

For the second game Gary Brooks was the winning pitcher. The final score for this game was 4-2.

### Yankees and Giants Are Game Winners

Randy White was the winning pitcher on Monday night when the Yanks beat the Cards 8 to 2. Relief pitchers were Ruben Cayares and Greg Thomas. Larry Durham was losing pitcher.

The same night the Giants beat the Cubs 15 to 1 with Charlie Brown the winning pitcher. Willie Brown was the losing pitcher for the Cubs, with Jim Adams and Billy Curry relieving him.

### Lieut. Tommy Paris Home From Army

Mr. and Mrs. Tommy Paris have been here this week visiting his brother, Leslie Paris, and family, having just recently received his discharge from the U. S. Army after serving two years as a lieutenant.

The past 21 months, Tommy has been stationed on Okinawa in classified nuclear work, and hopes to get into this type of work in civilian life.

He and his wife arrived two weeks ago in San Francisco, and since then have been visiting her parents, Mr. and Mrs. R. W. Watson Jr. of Plainview; his parents, Mr. and Mrs. Jim Hill in Wewoka, Okla.; and his brothers, Don and Bob Paris and families in Canyon.

Tommy is a 1956 graduate of Tahoka High and a 1960 graduate of West Texas State. He taught mathematics in Plainview High School before going into Army service. Donald is teaching in Amarillo High, and Bob, a recent West Texas State graduate, this week joined the International Harvester Co. in Amarillo. Both Donald and Bob each have a son, Ty and Kyle, each a little over a year old.

### MR. AND MRS. TOM SMITH ARE VISITORS IN TAHOKA

Mr. and Mrs. Tom Smith of Lubbock, pioneers of Lynn county, were here for the R. L. Littlepage funeral Wednesday, and visited old friends.

The Smiths came to the Redwine community in 1916, and moved to Lubbock on selling their farm a few years ago. Mrs. Smith says they celebrated their 57th wedding anniversary in May. She and her husband have been reading The News nearly 50 years.

Help keep Tahoka clean.

### "Bugs" Pennington Is Local Visitor

Sgt. Charles "Bugs" Pennington, wife and two children arrived on last week and will be here until about June 28 visiting his mother, Mrs. Corene Izard, and other relatives.

Sgt. Pennington, a 15-year veteran of service in the U. S. Army, has been in London, England, the last two and a half years. While there he got to make two tours of the Middle East. He greatly enjoyed the experience, but he says he was sure glad to get back to the States and to his family.

Mrs. Pennington and the children have been living in San Antonio while "Bugs" was in England.

They will leave here on about June 28, for Fort Meade, Maryland, where "Bugs" has been assigned to the Third Surgical Hospital.

Perry Haney, age 3, son of Mr. and Mrs. Bob Haney was admitted as a medical patient in Tahoka Hospital on Wednesday and was released the next day.

nearby while he took a bath. He had his last attack in the bathroom, the neighbor heard him fall, called a doctor, but he had already passed away.

Mr. Littlepage had always been a hard worker, acquired considerable farm land, and owned a number of rent houses in town which he kept busy keeping in repair.

Survivors include two sons, Cleveland L. Littlepage and Walter Littlepage; one sister, Mrs. Eric Hackler of San Antonio; and two grandchildren.

# Russian Jew Is Speaker Here On 'Americanism'

"America at this time is in the greatest danger it has ever faced in its history," stated Dr. Hyman Appleman of Kansas City Thursday noon in one of the most forceful and impressive talks heard at Tahoka Rotary Club in a long time.

Dr. Appleman, an evangelist, is in Lubbock holding a revival meeting. He is a Russian Jew, born in Russia, spoke Russian, Yiddish, Hebrew, German, and Greek before he came to America at age 13 and learned to speak English, graduated from college, practiced law, taught law in a Chicago university, and then entered the ministry.

Opening his talk, he said he wanted to talk from the heart about some things he felt Americans should think about, but not as advice from him.

During his education in America, he said he was told about our great land, the great expanse of territory, our natural resources, our inventive skill and mechanical genius. But, he said his teachers did not tell him the whole truth.

All of America, big as it is, placed over Russia would seem small, as there would be three million square miles of territory left over. One agricultural area of Russia can produce more farm products than our entire country. The

Dead Sea of the Holy Land has more mineral riches than all the world's money in gold, silver, nickel, and copper. Before the war, Germany had the best universities in the world, inventive genius, and furnished the brain power for splitting the atom.

But, he declared, there is one major factor that has made America greater than all other nations—our educational system, free schools and compulsory school attendance.

Unfortunately, for some reason, Columbia University and the theories of a bunch of "old maids and old bachelors on its faculty who don't know the difference between a diaper and a saddle blanket" have taken over education in this country.

He said he didn't know why Columbia has been able to take over. He declared the original great universities, William & Mary, Harvard, Princeton, and Yale were all established by ministers for two purposes, preaching and teaching.

Their founding and the founding of America were based on Judeo-Christian principles of the Bible.

"If this is the case," he continued, "We need to study these principles, practice these principles, and in self-defense we ought to pass these principles on to others."

Americans are hated around the world, but we can preserve these principles and win friends abroad by passing on these principles to these people who do not understand us and our objectives.

America needs a reawakening of these principles, and he said people here in Tahoka who are the heart, brains and backbone of this community should take the lead.

A. E. Herring arranged the program, and also brought his pastor, Rev. John E. Schwensen of Oakwood Baptist Church in Lubbock, and revival singer, Ellis Zehr of Rockville, Ind.

Mr. Zehr led the club singing and also sang a solo.

The club voted to have installation night on Monday, July 1, when Don Browning will be inducted as the new president of the club succeeding Calloway Huffaker. Dr. Emil Prohl, Dr. K. R. Durham, and Wynne Collier will arrange the program for the meeting.

Rev. James Efrid, who recently returned from Japan, presented the club gift banners from the Rotary Clubs of Tokyo and Kobe, Japan, and Don Browning presented a gift banner from Ogden, Utah.

## Litterbug Is Lazy Says Essay Writer

This is the last in the series of winners in the recent essay contest sponsored by the Tahoka Garden Club. This was second place winner in the 6th grade division.

### LITTERBUGS

By Tommy Spears  
 Many people in the United States are litterbugs and the reason for this is laziness. Many people throw trash out of the car because they don't care what happens to the countryside where people have worked and worked to keep it clean. When people don't put their trash in a trash can it will make a bad impression on the people coming through towns where there's a lot of trash on the streets. The trash that people throw out is a bad fire hazard in the real dry towns like in West Texas.

As far as I am concerned, let the litterbugs take most of the blame for many grass fires. When litterbugs throw trash out of the car window it may have a beer bottle or coke bottle in it. Later a car will come by and run over it and have a flat.

There are many clubs in the U. S. that put up trash cans along the streets. Tahoka has a Garden Club which does the things for this town. Litterbugging is a bad habit to get into.

If you are a litterbug now, try to break the habit. The United States government is spending many hundreds of dollars to keep America clean. So please help the many people already working to keep America clean. So you "Keep America Clean."

### MEMBERS OF CURRY FAMILY MET HERE LAST SUNDAY

Five children of the late Rev. and Mrs. J. F. Curry met here Sunday with Mrs. Borden Davis and Rogers Curry for a visit and reunion.

Among those present were Mr. and Mrs. Charlie Curry of Chillicothe, Mrs. Ed (Frankie) Cloud of Rule, Mrs. Jim (Evelyn) Cupp of Tucumcari, N. M., Mr. and Mrs. Jess (Belva) Whittington of Roving Springs, and Virginia Williams of Brownfield.

Unable to be present were Joe Curry of Plains, John Curry of Andrews, Albert Curry of Dallas, and Mrs. Robert Darnell of Odes, La.

About 5,500 persons visit the White House daily.

## O'Donnell Boasts Five Tech Grads

Five O'Donnell residents were also among the Lynn county students receiving diplomas in the June 3 commencement exercises at Texas Tech. They were:

Jim Pete Hale, son of Mr. and Mrs. Pete Hale, B. S. degree in government from the School of Arts and Sciences.

Linda Sue Lott, daughter of Mr. and Mrs. Hugh Lott, B. S. degree in elementary education from the School of Arts and Sciences.

Marla Beth Rexrode, daughter of Mr. and Mrs. V. O. Caswell, B. S. degree in elementary education from the School of Arts and Sciences.

Neal Shaw, son of Mr. and Mrs. Norman Shaw, B. S. degree in accounting from the School of Business Administration.

Sarah Prather Edwards, daughter of Mrs. Hiram Prather, B. S. degree in home economics education from the School of Home Economics.

Mr. and Mrs. Fred Edwards were visitors here last Friday. They have recently bought a home in Waco at 901 North 57th street, to be near his parents, Mr. and Mrs. Wilson Edwards. Fred reports his aged father, who has been ill for some time, is improved.

## Local Storms Damage 25 SPSC Poles

Twenty-five poles were lost in the recent storms on the transmission line from two miles west of Tahoka east to the caprock, states Harold Roberts, local manager of Southwestern Public Service Company.

Five poles were broken off northwest of Tahoka, five northeast, and 15 over in Garza county near Close City (Ragtown).

He says the 15 poles lost near Close City were evidently from a twister. Several farm houses in the immediate area were damaged, one destroyed.

Mr. and Mrs. G. H. Nelson of Lubbock, formerly of Tahoka, were visitors here Tuesday morning.

Buy, build, live in Tahoka.

## Inter-Church Youth Fellowship Staged

An inter-church youth fellowship was being held at 7:30 p. m. Thursday at the City Park, according to Thomas Bormann, youth director at the Methodist Church.

A volleyball tournament was to highlight the evening's activities, followed by refreshments and a devotional period. All young people in the Tahoka area were invited to attend.

Local churches participating in the fellowship were the Sweet Street Baptist Church, First Baptist Church, Church of Christ, and Methodist.

Other similar fellowships are planned for July and August, dates to be announced later.

**FOR WEED-FREE CROPS**

Time-tested and proved, AFCO Flame Cultivation is the best answer yet for complete weed, grass and vine control in rowcrops.

Weed control means higher yields — flaming means less weeds. Gas costs average less than \$1 per acre. Crops can be flamed at 4 to 10 acres per hour. And flaming does not harm the crop when used as recommended.

You owe it to yourself to learn more about AFCO Flame Cultivation. Let us discuss flaming with you, or better yet we can arrange a demonstration.

Every now and then we read in the daily press that the small towns are doomed. The city and the Washington planners feel sorry for the country towns, and have set themselves up as experts in forecasting the passing of rural trading centers.

They may be partly right. Farming on a small scale is no longer profitable, and many country communities have disappeared, many right here in Lynn county. We remember when old Lynn had about 27 schools, only four today. We have just half as many farmers as we did in 1927, although the county has almost as many people today as it did then. Every time a school has gone out, we have shed a tear of sadness. We are likewise sad to see so many vacant houses, or no houses at all, on so many of our farms.

all, on so many of our farms. The tractor, paved roads, automobiles, and other factors have caused a decline in those living on the farm, but there are still just about as many people depending on agriculture for a living here as in the past. Methods are better, production is higher, and there is more land in cultivation.

A writer points out there were 25 or 30 automobile manufacturers 40 years ago, compared to five today, but there are more than twice as many cars on the road. He wonders why Washington doesn't worry about the passing of car manufacturers.

But the rural centers are not passing away—at least not in this area. Wilson, New Home, O'Donnell, and Tahoka are better towns than ever before, growing, building and improving in every way. A writer defending the small towns and agriculture says farming in America is today an \$2 billion dollar a year industry, the biggest it has ever been—bigger business than oil, steel, or even national defense. The towns in our area are prosperous, along with agriculture. We know of only one vacant business building in Tahoka, and new ones are being built every year. Bank deposits the last 10 years have averaged greater than any time in the county's history. And, as long as business men keep up with the times, merchandise, and push their products through advertising, our small town will continue to improve and prosper. Nope, don't write off the small towns.

Small towns and rural living have many advantages, too numerous to mention here, and we don't ask for or want the sympathy of the city folks. The Printer would rather live in Tahoka than any place in the world—where he can be called by his first name by the tiny child, the man on the street, the old lady, the farmer, the businessman; where he can enjoy mockingbirds sing outside the window mornings; where there is no smog or noises of heavy traffic; where he knows nearly everyone and can share their joys and suc-

cesses, weep with them in time of sorrow and failure; extend a helping hand to friends and neighbors, and receive a helping hand in time of need; yes, even write what he pleases in this column without losing too many friends. We like it right here! We like the country town. We feel sorry for the city folks. A lot of other folks feel the same way.

Just in the past two weeks there have been several examples here of the response of rural-type people to friends and neighbors in distress—which tug at the heart-strings of anyone but the most callous. You can't have such friends in the city.

Many of our Washington leaders, elected and appointed, have dangerous concepts of rights, freedom, authority, democracy. One current example of the flagrant abuse of authority in a so-called republic is action of Secretary of Agriculture Orville Freeman and his department bureaucrats (or autocrats). The Department has revealed that farmers who are elected to serve on ASCS county committees will now be required to sign a "loyalty pledge," which, among other requirements, obligates a committeeman to "support the program he is called on to administer." The aim is to give USDA more say over the firing of committeemen who drag their feet on pushing pet programs. The hour is getting later.

In the recent wheat referendum battle, Freeman and his cohorts attempted to promote his thinking through all people related to the agriculture program—ASCS workers, committeemen, SCS districts county agents, the agriculture schools, and even vocational agriculture teachers—people who are paid by all of us and are supposed to serve both sides on any such program in which there is a difference of opinion.

There are many complexities to the farm program: City men trying to write farm legislation... A lawyer from a dairy state (Sec'y. Freeman) wanting to dictate policies to wheat, milo, and cotton farmers... Lawmakers from the southeast, where a 20-acre cotton farm is the rule, who refuse to grant a reduction in price for the nation to stay in the cotton business... and on and on.

U. S. Senator Richard B. Russell (D-Ga.), speaking at U. of G. 100th graduation exercises, in which class there were two Negroes, said the other day: "Contemporary events in our nation remind us forcefully that self-restraint is essential to self-government. Neither can a free government long endure unless our highest officials accord the same respect to local ordinances that is expected from our people for federal law."

The News received more demands than it could fill, many from Lubbock, for the issue of May 31 which contained the editorial by Myrna Verner blasting two Texas Tech professors for their Communist anti-God leanings. We hear quite a stir has been aroused among Tech faculty members, but not a word has been printed in Lubbock so far as we know.

A member of the Tech faculty says she left a California university and came to Texas Tech to get away from such anti-American, anti-God, pro-Communist teachings—and never dreamed she would run into the same thing in Texas.

It's hard to get ahead of Howard Tunnell, 3709 35th in Lubbock. He noted by his canceled check he failed to pay the state sales tax on his subscription, mailed us nickel and the check to us, requesting we return the canceled check (cost us 10c and him 10c to get the tax paid).

Susan Pearson, O'Donnell third grader, wrote the following verse, "Our Flag":

I love my flag, with the colors bright. I love my country, I know its laws are right. Our flag is a symbol of everything true; it uses the colors of red, white and blue.

In the most primitive regions of darkest Africa, natives beat the ground with clubs and utter blood-curdling yells. Anthropologists define this savage behavior as primitive self-expression. In America, it's called golf.—Santa Fe Magazine.

Did you hear about the farmer who complained to the postmaster that he had been receiving threatening letters through the mail? "Who sent them?" asked the P.M. Came the reply: "The Internal Revenue."

Nolan Porterfield of 2010 5th street, Lubbock, an old Lynn county boy who has made good, has written us an answer to Mrs. Myrna Verner's recent article criticizing two Texas Tech professors for their "apparent Communist-leaning anti-God attitude" and The News for publishing the same. The article is nearly 2,000 words long and therefore impossible for us to publish this week. However we'll gladly give you "equal time," Nolan, if you'll just cut the article down a little.

**To People Who Hate Their Nights**

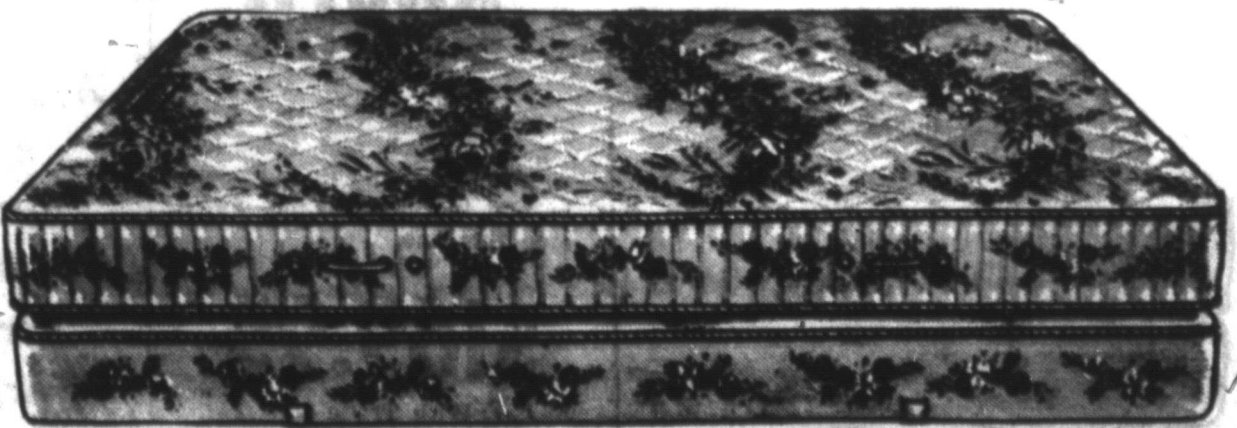

Funny thing about people. Many of them sleep restlessly, wake up tired, feel grumpy and never wonder if their mattress is at fault.

Yet, our experience indicates that a poor mattress is at the bottom of most sleep problems. We say that because so many of our customers have been amazed at the improvement in their sleep after they bought a Beautyrest. Here are typical comments:

"Gee, I didn't know there was such comfort."  
"Haven't slept as well in years."  
"My back hasn't bothered me since I got it."  
"I sleep better, I feel better, I have more pep."  
"Wouldn't go back to my old mattress for anything."

If you have sleep problems—particularly if you are using an old obsolete mattress—better hustle down to our store and find out about Beautyrest. Why us? Well, we are what you might call "Beautyrest Specialists" . . . we've been selling them for years and years . . . we carry all models in stock (few stores do) . . . and you'll find people here who will be genuinely glad to help you find the model that is best for your sleep problem.

### IMPORTANT PUBLIC NOTICE!

## G-E Television PROVED MORE RELIABLE

than any other leading brand

**PROOF**—A recent study of 5050 TV sets under service contract, showed that General Electric TV needed 20% less service than the second best of the leading brands.

**PROOF**—The average of other brands required 63% more service (factory faults requiring service inside set) than General Electric.

\*This study covered the first 90 days use in the home of new TV sets purchased in 1950. All sets included were under service contract to the General Electric Corp. a prominent independent service company in New York City. The leading brands of television receivers were included. The results were tabulated and reported by Audits & Surveys Co., Inc., a leading research organization.
