Bulldogs Play At Crosbyton Tonight

Tahoka Bulldogs journey to Crosbyton tonight (Friday) for the second non-conference game of the season at 8:00 p. m.

The Bulldogs opened the season here last Friday with a close 14-12 victory over the Friendship Tigers. (See story on front page of second section.)

Last year, Tahoka pulled a mild upset by tying the Crosbyton Chiefs 6-6 on the local field, but the local team realized it has an uphill fight for victory tonight.

Coach Dean Wright, former Tahoka assistant, has many of the same boys back and has frankly declared he has a better team at Crosbyton than he had last year.

Last Friday, his boys showed surprising offensive strength in winning over the O'Donnell Eagles 37 to 28, although the Chiefs made defensive mistakes. Wright will doubtless have his team keyed up for a victory over Tahoka.

Left halfback Calvin Brints is considered one of the better running backs on the South Plains, as is Ricky Edwards at fullback and Travis Burns at quarterback.

Wright has been shifting his crew around for an effective combination, but these will probably start in the line: Johnny Hartkins and Mike Moore, ends; F. E. Edwards and Roger Smith, tackles; Rene Richardson and Mike Dandy, guards; and Gaylon Wheelock, center.

Coach Gilbert Hough and Assistant Coach and Pitta have been working their boys hard this week in an attempt to correct errors and weaknesses shown in the game Friday. Coach Hough was pleased with the showing of his inexperienced team through most of the game, but said there was "too much inclination for the boys to stand and watch the play."

The coaches were laying special emphasis this week on pass defense, possibly the weakest point in the Friendship game, and also polishing up on offensive passing.

The coaches are also pleased with the overall attitude of this year's squad, and are expecting the boys to improve with more and more game experience.

Friday of next week, the Bulldogs will entertain the Slaton Tigers here, which game is being dedicated by the boys to their mothers.

Criminal Cases Set Next Week

The new term of 100th District Court will open here Monday, states District Clerk W. S. (Skip) Taylor. There are no jury cases set for Monday, due to failure of the Myers case to come to trial, for which special veniremen had been called.

However, the criminal docket will be taken up on Wednesday, District Judge Trust Smith informs The News.

However, L. C. Bureson, local Negro, charged with the murder of Robert Person, another Negro farm laborer of Petty community, in the former's cafe here on June 3, Bureson claimed Person was shot in the groin as the two scuffled over a gun.

Sears Gift Show Set In O'Donnell

Saturday, Sept. 14, at 9:00 a. m. the Lynn County Sears Gift show will be held at the O'Donnell Livestock Barn in connection with the O'Donnell community fair. Purchase awards will be given to buy swine equipment awarded winners by Sears Foundation.

Participants are as follows: Roger Gickhorn of O'Donnell, Lester Gickhorn of O'Donnell, LeWita Wood of O'Donnell, Benny Garrison of O'Donnell, Gregg Thomas of Tahoka.

James Murray reports good crowds have been attending the revival at Grassland Nazarene Church, conducted by the Fowler Family, evangelists and musicians. The meeting closes Sunday.

John Edwin Myers, the Illinois man charged with the murder of an Iowa hitchhiker near Big Spring in 1961, will not be tried in Lynn county after all, District Judge Trust Smith of 100th District Court told The News Wednesday.

Trial of Myers had been set here on change of venue Monday, August 16, when a special venire of 90 prospective jurors were called. But, material witnesses failed to show up at that time, and Judge Smith continued the case until Monday, Sept. 16, in court here.

However, this week District Attorney Gill Jones of Big Spring announced he was giving custody of Myers to Illinois authorities, and he was being transferred to that state this Wednesday for trial on another murder charge. Whereupon, Judge Smith transferred the Texas case back to Howard county on his own motion.

Judge Smith also released the court-appointed defense attorneys, Mitchell Williams and Steve Thompson of Tahoka, from further obligation to represent Myers.

The special veniremen will not be required to report Monday, Judge Smith told The News.

Newspapers across the nation featured the trail of murder and bloodshed left by John Edwin Myers and his 13-year-old mistress, Donna Marie Stone, both of Chicago, back in 1961 when the pair was alleged to have killed four people for money—and only got a total of about \$16.00.

Donna Marie had gone to live with a relative at Belleville, Ill. Myers went there and the pair decided to leave. Heading money and a car, they came upon George (Cont'd On Back Page)

1,200 Students In Tahoka Schools

Tahoka schools had gained an additional 84 students on Tuesday morning, according to principals, and now has a total enrollment of 1,197 students.

Including eight students in Lynn County Special School here, the total is 1,205.

Of the increase, South Elementary has registered 62 students since last week's report, North Elementary 20, eighth grade one, and high school one.

This brings South Elementary's total to 534, North Elementary 278, Eighth grade 68, High School 231 and Dunbar 85.

School officials expect a steady increase during the fall.

Farm Tour Is Held Wednesday

A total of 37 men attended the crop tour Wednesday sponsored jointly by the Lynn County Soil Conservation District and the Lynn County Extension Service.

Several out-of-town guests were on hand for the event including Lee Robertson of Vernon, Sherman Inman of Muleshoe, Gene Linn of KCB-D-TV and Dave Sherrill, Area irrigation specialist, both of Lubbock, and a representative of the New Home Young Farmers.

The group made its first stop at the Robert Warren farm near Dixie community for a cotton variety demonstration. From there they went to the Wilson area to continue the tour. Second stop was the May Ranch where brush control was inspected, and other points were the Don Cook farm for a cotton fertilizer inspection; Jasper Campbell, gas water ways; Oscar Wuensche, Plains bristle grass; and Melvin Wuensche, cotton variety demonstration and cotton following grass.

Lunch was served at the Melvin Wuensche farm and was provided by the banks of Lynn County.

Experiment Station Field Day Set

The annual Field Day at the Texas Agricultural Experiment Station seven and one-half miles north of Lubbock on Highway 87 will be held Tuesday, Sept. 17, from 1:00 until 5:00 p. m.

Farmers and others interested are urged to attend to "increase yields and lower production cost by use of latest developments in agricultural research."

Field Day Highlights include weed control, cotton diseases, water stretching, sorghum midge and other items of interest.

Mrs. J. A. White was admitted into Tahoka Hospital as a medical patient Monday and was dismissed Tuesday.

Farmers Are Busy Poisoning Worms

STEPPING OUT FRONT of Tahoka's 1963 marching band are the above high school beauties, Montie McGinty, drum major; Patricia Sikes, head majorette; Patricia Patis and Layne Walker, majorettes. Director Vic Kyler has 52 pieces in the band this year, 52 in the junior band, plus the elementary band just now getting started.

Nursing Home Near Completion

Work is nearing completion on the new 30-bed nursing and convalescent home on South Seventh for C. W. Roberts, who hopes he will be ready for the opening in about 10 days.

The modern brick veneer L-shape building will be modern in every respect, meet all state requirements, and will be completely furnished with the most modern equipment for the comfort of the ill and aged.

Mrs. Ida Osborne of Quanah has been employed as supervisor. She is a trained nurse of many years experience and has been connected with a nursing home at Quanah. She was here this week looking for a place for her and her eight-year-old son to live.

Mr. Roberts says the local home will be known as Lavey's Nursing and Convalescent Home. He hopes to be able to announce the opening date next week.

Wilson Man Hurt In Farm Accident

Bill Klaus, well known Wilson farmer, had a leg badly mangled in the power take-off of a shradder he was operating with his tractor Wednesday of last week.

Friends reported to The News Wednesday he is doing fairly well, and it is now believed the leg may not have to be amputated.

Other Students Attending College

In addition to college students enrolling for another year's work listed in the News last week, are the following:

University of Texas Law School: Gerald Huffaker.
University of Texas: Mrs. Gerald (Becky) Huffaker.
Texas Tech: Gene Scott, Mrs. Dan (Marthelen) Kamp.

Glen Medlin was an overnight patient in Tahoka Hospital Thursday of last week for treatment of an injury received while at work.

W. F. Meeks was admitted into Tahoka Hospital Monday as a medical patient.

Championship Rodeo In Final Show Saturday

BY-PASS AT O'DONNELL IS BEING PAVED

Highway 87 by-pass through the city of O'Donnell is being paved by the Texas Highway Department from curb to curb.

"The new paving will greatly increase the effective width of the road and increase drainage," the O'Donnell Index-Press reports.

Opening performance of the Championship Rodeo was being held here Thursday night of this week, and the final performance will be Saturday night. No show is being held Friday night due to area football games.

Cotton Defoliation Meet Next Friday

Friday, Sept. 20 at 2:00 p. m. a meeting will be held in the Board Room of the Plains Co-operative Oil Mill in Lubbock.

The main theme for the program will be "Cotton Defoliation." The meeting will include information on the growth habits of cotton plants, cotton harvesting methods and other information pertaining to cotton quality and up-to-date defoliation information.

Those who will be on the program will include: Fred Elliott, Cotton Work Specialist from the Texas A. & M. Extension Service.

Beverly Reeves, Cotton Gin Specialist, from the Texas A. & M. Extension Service.
Bill Gunter, Area Agronomist.
John Seibert, Area Farm Manager and Specialist.

New Oil Well Goes On Pump

Texaco No. 1 Orb Coffman is installing pump on the new oil well in the Tahoka (Petty) Field in the northwest part of Lynn county. The well extension is the fourth producer in the field.

The 9,912-foot project on a late gauge showed 50 barrels of oil and 41 barrels of salt water in 10 hours.

The well is located west of Petty 1,980 feet from the south and west lines of section 142, block 12, EL&RR survey.

Band Boosters Elect Officers

Officers were elected at a meeting of the Tahoka Band Boosters Club Thursday night of last week when 15 members attended.

President is Mrs. Lahrue Tippit; vice president, Mrs. Dorothy Kenley; secretary - treasurer, Mrs. Christine Jaquess; and reporter, Mrs. Rosalie Burnett.

The aim and purpose of the organization is to help plan and raise funds for band activities and to assist Band Director Vic Kyler in any way possible.

Tahoka High School Band has grown considerably in the past two years under the direction of Mr. Kyler, this year having a 32-member marching band.

A meeting of the Band Boosters Club will be held the first Tuesday of each month at 7:30 p. m. in Room 8 of the high school building. Each mother of a band student is urged to attend.

Fred Alganda of San Antonio was admitted into Tahoka Hospital Saturday for an appendectomy.

Farmers have been engaged the last few days in the battle against the worms, both bollworms and leafworms, and a score of airplanes were flying from daylight until dark early this week spreading poison over cotton fields.

Although infestation of both worms has been spotted, they were found in damaging numbers in all parts of the county. This mid-week most farmers had the leafworms fairly well under control. County Agent Bill Griffin said, but another hatch may be expected later this month. This year's infestation is the worst since 1950.

Mr. Griffin urges those who have poisoned for leafworm to keep a close watch for bollworm eggs on undersides of leaves.

There has been continuing damage from bollworms, which must be poisoned with a heavy application while very small for effectiveness. He said Thursday morning there was a heavy bollworm buildup in the Newmoore area.

Spotted showers fell over the county last week end and again on Wednesday night, the latter bringing cooler weather Thursday morning.

Unusually high temperatures have been the rule for September so far, the highs ranging from 91 to 96 in daytime and the lows from 62 to 68 at night.

Both cotton and maize production will be lower than for several years. Local guessers are estimating the cotton crop from 120,000 to 130,000 bales, or thirty to forty thousand bales less than last year.

Land Bank Meet Here Saturday

The annual meeting of the Federal Land Bank Association of Tahoka will be held Saturday, Sept. 14 in the City-Legion building in Tahoka at 3:00 p. m. Following the regular business meeting, George Taylor, Regional Manager from San Angelo, will show a movie entitled "Credit Where Credit is Due."

Door prizes will be given and refreshments served.

Recently dividend checks of over \$11,000 were mailed to the approximately 450 members.

The Federal Land Bank Association of Tahoka features loans on farms and ranches with low interest rate, as well as loans that can be retired at any time without any bonus charges to the borrower. From a recent financial statement this association shows a total capital structure of \$569,587.25.

Directors of the Federal Land Bank Association of Tahoka are: Fred McGinty of Lynn County, Vernon Willhoit of Lynn County, J. D. McCampbell of Garza County, L. A. Forsythe of Lynn County, and Avery Moore Jr. of Garza County. The office manager is Ross Smith and office assistant is Mrs. Elvora Curry.

The office is open in Tahoka five and one-half days a week and open in Post each Wednesday.

Mr. and Mrs. A. D. Riddle took June and Ducey to Abilene last week to enter Hardin-Simmons University and then went on to Cisco to visit their daughter and family, Mr. and Mrs. Tom (Charlene) Stevenson and Tammy.

Mrs. Riddle says that the Stevensons attended school during the summer at Commerce, where he is working on his master's degree. Mr. Stevenson is dean of students at Cisco Junior College.

WASHINGTON AND "SMALL BUSINESS"

If a man had a water bucket that leaked from two holes, one above the other, it is better to stop the smaller hole first. The other smaller than a dime, it is to be presumed if he wanted to continue using the bucket he would plug up both leaks.

But if this man plugged up the smaller hole, leaving the larger one unplugged, then announced his bucket was in much better condition than before, his neighbors would look at him with some bewilderment.

This somewhat parallels the curious proposals now before Congress to stop U.S. gold loss.

The biggest drain on U. S. gold has been the exchange of dollars sent abroad in various foreign give away programs for U. S. gold. These various schemes have already cost over \$100 billion.

There also happens to be some American investors, large and small, attracted by the profit possibilities of some foreign enterprises, who have been risking their own money to buy stock in these firms. This outflow is literally pennies compared to the vast handouts by the foreign give away people.

So now there is before Congress a proposal that Americans who desire to invest in foreign enterprises be charged a 15% tax. In other words, if a man wants to buy \$100 worth of stock in a foreign firm, he will

lose \$15 worth of the stock, the balance going to tax.

This method of thinking becomes quite confusing. On one hand when thumping the tub for bigger and better foreign give aways, the argument is that foreign nations need these vast outpourings of American tax money to expand their economy and keep them from going down the road of socialism to communism.

On the other hand, it is now argued that it is bad for the American economy for the individual American to spend some of his own money to buy stock in a private foreign enterprise to help it expand.

This is a most difficult paradox to understand. So, it is perhaps well at this point to consider the current controversy over the proposed steel plant in India.

In private hands, India has all the steel industry it can support at present. Yet the foreign give away people want to shovel millions of U.S. tax dollars in building a state-owned steel plant in India.

This, then, seems a logical explanation of the situation.

It is quite all right to take tax dollars from American private enterprises to build a state enterprise abroad, but it is bad for private American investors to risk their own money in private foreign enterprise. Paraphrasing the stirring cry of a famous American patriot at the time of the Tealpoll incident, the cry now seems to be "Billions for socialism, but not one cent for private enterprise."

Solon Cites Waste Of Tax Money

Waste of the taxpayers' money by government bureaucrats is an old story. And the most glaring examples usually involve the expenditure of a relatively small amount of money. For a government which is spending 100 billion dollars a year, what's another couple hundred thousand more or less?

What is often overlooked by those who take this attitude is that there are hundreds—perhaps thousands—of cases every year involving the wholesale squandering of funds on totally useless projects. Put together, they represent millions in waste.

A freshman congressman, Gene Snyder, R-Ky., was recently challenged to show how the budget might be cut. He replied by citing 66 examples of ridiculous expenditures over the past year or two, suggesting that many more similar cases might be found in the current budget. The list is long, but here are a few typical gems:

- Purchase of 1,000 TV sets for \$400,000 to be used in underdeveloped countries where there is no electric power.
- Donation of a \$3,100,000 yacht to the millionaire emperor of Ethiopia.
- A grant of \$1,250,000 for the study of relations between an infant monkey and its mother.
- \$10,000 for a tour of U. S. dense plants by officials of Communist Poland.
- \$18,000 to find out why patients break appointments at pediatric clinics.
- \$61,985 to establish a colony of baboons and \$13,816 for another monkey colony.
- \$9,775 to produce a "sterotactic" stick of the beagle brain.
- \$11,500 to study blood group genetics of Southampton Island Eskimos.
- \$20,092 to study diseases of a giant snail.
- \$13,837 to find out what information is contained in echoes.
- \$20,991 to study how synthetic detergents travel in percolating water.
- \$9,205 to study the "social role" of aging wild horses.

Although the exact amount of money involved could not be determined in the following cases, they are of equal interest:

- Government officials in Kenya has used our foreign-aid money to purchase extra wives.
- We have bought suits for Greek underlings.
- Superhighways have been built in countries with few, if any, cars.
- In Lebanon, we built a stock-breeding farm with nine stalls for every bull.
- In Taiwan, we built a sawmill which couldn't handle the type of lumber produced there.
- In Indonesia, millions of dollars in U. S. aid were used to buy U. S. gold.
- In Liberia, millions we donated to reduce the level of poverty have been used to build a luxurious new place for the president.

The \$61,985 to set up a colony of baboons might be a good investment, come to think of it. Baboons, they say, can be trained to do just about anything a human being can do—or should do. Maybe a Bureau of Baboons on the Potomac, \$100,000 to check on useless expenditures such as setting up a colony of baboons, would save us some money now and then.—Dallas Morning News.

Scotch Twosome At T-Bar Sunday

A Scotch twosome will be held Sunday, Sept. 15, at T-Bar Country Club when the "Dubbers" challenge the "Flubbers" in a grudge match.

Two-o'clock time is 7:00 a. m. and 2:00 p. m. A weimer roast for testants only will be held at 8:30 p. m. Entry fee is \$1.00 per player and if a name is not listed of a player who wishes to enter, he may contact Jack Robinson or Oscar Whitaker, team captains.

A list of pairings of the "Dubbers" of which Whitaker is captain includes H. B. McCord, Peggy Atwell, Mack Mauldin, Glenda Dunagan; Harold Roberts, Anita Billman; J. D. Mrs. Milt Finch Suffers Stroke

Mrs. Milt (Eunice) Finch is in a convalescent home in Waco and is in poor health, according to Tahoka friends. She suffered a stroke on Aug. 8 and although her left side is paralyzed, is able to talk and knows everything.

A long time resident of Tahoka, she moved to Hubbard City with her husband when they left Tahoka. Her son, Wilbert, and his wife, Sus, and children visited in Tahoka with Mrs. Charlie Finch early in August. He is employed in Waco at a rubber plant and his wife is a school teacher.

Mrs. Finch would appreciate cards and letters from old friends and she will receive them at 3008 Lyle, Convalescent Hospital, Room 20, Waco, Texas.

Juniors Win One Tie One, Plains

Tahoka's seventh grade won its opener 1-0 at Plains Tuesday night and the as yet undefeated eighth graders tied the Cowboys 0-0.

Milt Pitts' seventh graders scored in the first quarter on a pass play from Quarterback Charlie Brown to End Jim Adams. In the second quarter Fullback Larry Arnold scampered across the goal line for pay dirt. Halfback Gregg Thomas ran over the two conversion points.

The entire team looked good on defense.

Dave Easterday's eighth grade team kept their clean state but was unable to win. However, Halfback Chris Roberts crossed the goal line on a 65 yard run, but the play was called back because of a clipping penalty.

Defensive standouts were Linebacker Cliff Thomas and Tackle Gary Brooks.

The teams travel to Post for games there next Tuesday night.

Mrs. Thompson To Review Book At Methodist Church

On Thursday, September 19, at 4:00 p. m. in Fellowship Hall of the Methodist Church, Mrs. Stephen Thompson will review "The Lost Horizon" by James Hilton.

Mrs. Thompson received her Bachelor of Arts degree from Baylor University in 1960 with majors in Speech, Education and Social Studies. After graduation she taught Social Studies in junior high in Waco. Since moving to Tahoka in July of 1962, Mrs. Thompson has taught History and Civics in Tahoka High School.

The Wesleyan Service Guild of the Methodist Church is sponsoring the book review and silver tea and not only invites but urges all women of the county to hear this outstanding young woman.

FORMER LOCAL LADY HAS NEW BABY, ADOPTS ANOTHER

Mr. and Mrs. Charles Enox of Kermit are the proud parents of a new daughter, Karen Sue, weighing 8 pounds and 5 ounces, born to them in a Kermit hospital Saturday. Karen Sue has an adopted sister, Kandis, age 8 months and 1 week.

Mrs. Enox will be remembered here as the former Miss Mary Alice Westbrook, sister of Mrs. Ivan McWhirter, who lived here four years with the McWhirters while attending Texas Tech. She has been a teacher in the Kermit schools, which have given her a leave of absence for two years. Mr. and Mrs. Ivan McWhirter visited the Enox family Sunday.

Mrs. Frances E. Dunagan and her sister-in-law, Mrs. A. T. Kent of Buffalo, spent last week end at Mrs. Dunagan's summer home in Ruidoso, N. M.

Washington State, scheduled for Lubbock Sept. 21, is the first member of the AAWU on the Texas Tech schedule.

Pythian Sisters Visit At Ruidoso

Eleven members of Lynn Temple, Pythian Sisters spent last week end at Ruidoso, N. M., the guests of Mrs. H. B. Tankerley, at the Tankerley cabin.

Leaving here Friday morning and returning Monday evening, the ladies had a great time at the resort and declare they "saw just about everything there is to see at Ruidoso."

Those making the trip were: Mesdames Johnny Raindl, J. T. Brice, E. B. Gaither, C. E. McClellan, J. F. Toler, Carl Williams, Joy Lindley, J. B. Oliver and Ebu Rusk, and Miss Dorothy Kidwell.

The group visited the Indian reservation, took a trip to Lost Jesu and attended the First Baptist Church together on Sunday morning. On Friday night an inch of snow fell six miles from Ruidoso at Alto and many of the trees are beginning to turn, the ladies said.

Mrs. Brice and Mrs. Oliver rode the tramway at the ski run and while travelling to the top of the mountains saw a bear.

In addition to other activities, the ladies held a sing-song the last night of their stay in Ruidoso.

Methodist Men Hear Rev. Efrid

About 25 men attended Methodist Men's breakfast meeting Monday morning in Fellowship Hall of the church when Rev. James Efrid, pastor of the First Baptist Church, spoke on his recent trip to Japan.

The morning breakfast meeting was purely experimental, but members of the organization voted to continue meeting at night on the second Monday of each month. Elmer Owens and Eldon Gattis served on the food committee.

"Minute Men" was the name given to companies of militia organized at the time of the Revolution.

NOTICE TO BIDDERS

Sealed proposals addressed to The Honorable Mayor and City Council of the City of Wilson, Texas, will be received at the office of the City Secretary, Mrs. Ethel Covey, at 2:00 P. M. on September 30, 1963 for furnishing all necessary materials, machinery, equipment, superintendence and labor for the construction of certain Sanitary Sewer Improvements for the City of Wilson, Texas. The principal items of work consist of furnishing and installing approximately 18,300 feet of 6" V. C. sewer mains and 2,700 feet of 8" V. C. outfall line in various depths of trench (maximum cut of 22 feet) including the necessary manholes, cleanouts, branch connections, and other appurtenances; furnishing and installing one package type lift station; furnishing and installing approximately 70 feet of 6" cast iron sewer line; and construction of a sewage treatment plant complete, including one Imhoff tank, one sludge pump, sludge drying beds, sewage stabilization pond, manholes, chain link fence, barbed wire fence, piping and other appurtenances.

Bidders must submit a Cashier's or Certified Check issued by a bank satisfactory to the Owner, or a Proposal Bond from a reliable Surety Company, payable without recourse to the order of The City of Wilson, Texas, in an amount not less than five (5%) percent of the largest possible bid submitted as a guaranty that the Bidder will enter into a contract and execute bonds and guaranty in the forms provided within ten (10) days after notice of award of contract to him. Bids without the required Check or Proposal Bond will not be considered.

The Successful Bidder must furnish a Performance Bond and Payment Bond on the forms provided in the amount of 100% of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety, or other Surety or Sureties acceptable to the Owner.

All lump sum and unit prices must be stated in both script and figures. The Owner reserves the right to reject any or all bids and to waive formalities, and to accept the bid which seems most advantageous to the City's interest. In case of ambiguity or lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable (or "unbalanced") unit prices will authorize the Owner to reject the bid.

Attention is called to the provisions of the Acts of the 48rd Legislature of the State of Texas,

Check Advised On Screwworms

Mission — An increase in the screwworm population this fall must be prevented if early eradication of this livestock pest is to be realized, officials of the Southwest Screwworm Eradication Program emphasize.

Favorable weather conditions and shearing and other ranch operations usually result in a marked increase in screwworm infestations in both livestock and wildlife from early September through November.

Eradication machinery is poised to move quickly onto farms and ranches where screwworms are reported. Officials stress livestockmen should watch closely for infested animal wounds; they should save samples of the larvae and immediately report the discovery to the county agent or veterinarian.

The 19-month-old program has already reduced the annual incidence of screwworm infestations by more than 95 percent. As fall operations approach, screwworm cases are at an all-time low for the season. For example, less than 75 cases were reported during August as compared to over 5,000 for the same month last year. Only two of those cases were reported in the area of South Texas where screwworms can survive during the winter. This area must be kept free if eradication is to be achieved, officials said.

Several other factors are considered favorable for early eradication: First, the capability for producing sexually sterile screwworm flies is at an all-time high; more than 135 million sterile flies per week can be released to mate with native flies and prevent reproduction. Next, inspection stations, to prevent the transportation of infested livestock into the eradication area, are operating along the western edge of the area. A barrier to prevent reinfestation from Mexico is in operation along the U. S.-Mexico border, and finally, livestock inspectors are ready to deal with any emergency.

Eradication workers consider each new screwworm case an emergency situation. Increased num-

EDITOR, THE NEWS

I want to say I enjoyed the article on the first school in Tahoka by Mrs. Edwards, and the article by Doug Henderson on his trip to Russia.

What I have to say now may cause me to offend some, but I am uneasy about conditions in our country, first granting each their right to be for a Socialistic State or to be conservative.

With our leftist form of government, we have no thought of ever paying our debts of the past or for the future. We give aid and assistance to our enemies all the time. Communist countries more so than to our staunch friends, Turkey, for instance, who are the best fighters in the world, except our boys, who don't have "retreat" in their manual.

All our officialdom, it seems, is surrounded or influenced, in part, by Communists. We once had a noted Texan who deserted the people who voted for him.

This Socialist State idea was started by FDR and continued more or less by those succeeding him in authority. During Truman's administration, we had a woman with the power to place 115,000 people in key positions, and she placed known Reds and others influenced by Reds in places of authority in the State Department, Defense Department, and had the crosses removed from National cemeteries. The FBI has warned all along of these Red infiltrations.

Congress voted money for Nationalist China, but this was diverted by those in authority to Red China causing quick collapse of Nationalist China.

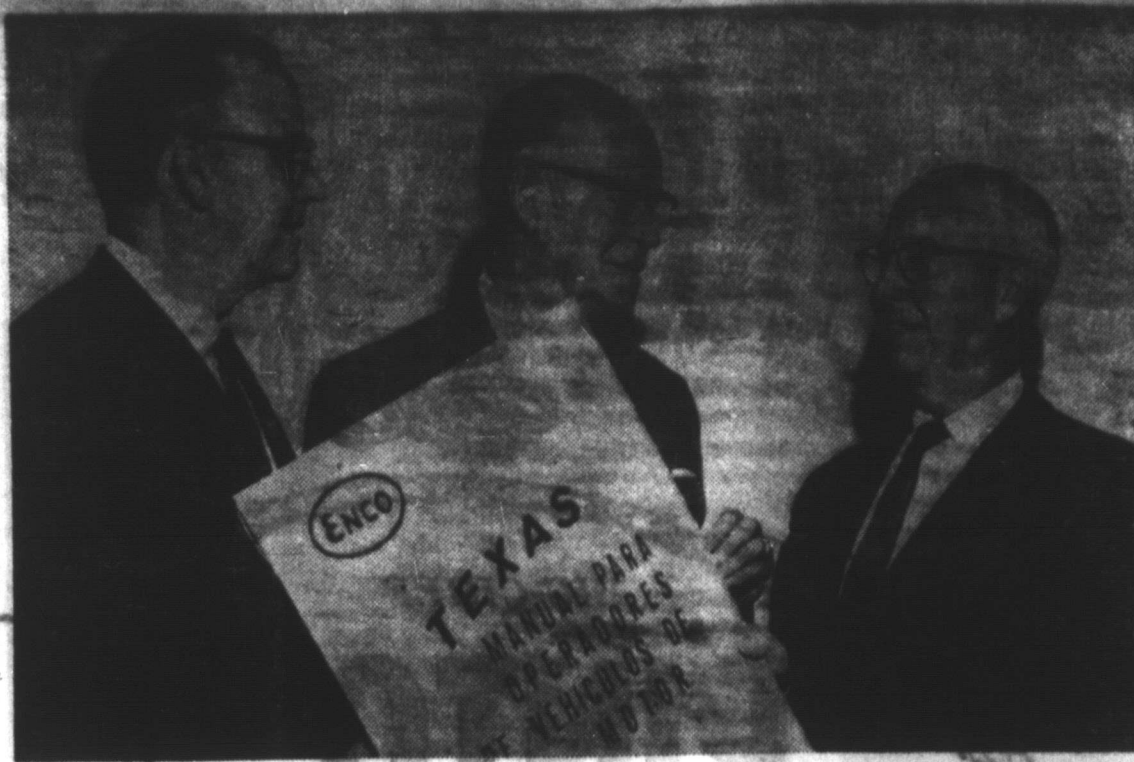

The leaders of our present racial trouble are known Communists, or fellow-travelers, in sympathy and have official blessing of those in power, who don't have time to prosecute known Communists who have defied U. S. laws. When our "bonus boys" marched on Washington they were called "Communists and insurrectionists, but what we have now is Communist backed and has official blessings. Trouble will never be settled by force or guns and soldiers like it was after the Civil War with disgraceful carpetbag rule by those in authority. If the South does not repudiate this dictator rule, we deserve no sympathy.

Senator McCarthy was crucified by his colleagues, but all his charges have come true. If the Test Ban is voted by Congress, this is another sell-out to Russia, which has broken every treaty signed. It is inconceivable how anyone can trust Russia, which has murdered millions, owes \$50 million to UN, and still suckers Uncle Sam to stay in and vote against every move by Western interests and for the little pimp, Castro.

If the U. S. doesn't wake up that the UN is controlled by the

For all of these measures to be effective, however, full support and cooperation from livestock producers must be received, officials stress.

Aged O'Donnell Man Dies At 96

James Marion Bates, 96 year old retired farmer of route 2, O'Donnell, died Friday, Sept. 6, in a Lamesa hospital.

Funeral services were held at 2:30 p. m. Sunday in the First Baptist Church of O'Donnell with Rev. Calvin C. Partain, pastor, officiating. Burial was in O'Donnell Cemetery.

Mr. Bates was born in Coryell county Oct. 2, 1866. Survivors include three daughters, Mrs. C. O. Gartman of Austin, Mrs. T. H. Clem of Muleshoe, and Mrs. Jack Kennemer of Lubbock; one son, E. E. Bates of O'Donnell; six grandchildren and nine great grandchildren.

CARD OF THANKS
I want to thank everyone for the nice gifts, letters, cards, and prayers. They all helped me so much. May God bless each of you.—Mrs. Pearl (Cecil) Caraway.

The dairy cow on the average produces, from an acre of crops, 2,100 pounds of milk, which contains 72 pounds of digestible protein and 712 units of energy.

We need to wake up for our country and not be a party addict, so to speak. It's a tragedy to leave our children of the future unpaid debts, to make paupers of our people, and Congress should wake up and think more of our country than trying to finance and run the world. There are good men in Congress, but they seem to be in the minority. We must quit helping every pig-tail royalty that comes over to see Uncle and gets a tip of a million or more to make more foreign millionaires at our expense.

All U. S. spending is 40 percent graft, or more. Congress should have guts enough to investigate our State Department, throw the Communists out, and our Supreme Court, which has usurped power and destroyed states rights.

I may offend some and be called a fanatic, but it is my firm belief we should wake up and think more of our country than we do for some politicians who are steadily making paupers of our countrymen. No one man should be a dictator and can not be right on everything, even half-time. Let's hope and pray we will wake up and think more of our country's future and the mess we leave coming generations who could be slaves as a result of the ground-work we are laying.

Sincerely,
J. E. (Guy) LeMond.

Games with three other Southwest Conference schools are on the Texas Tech freshman schedule this fall—with Arkansas in Lubbock Oct. 10, with Texas A&M in San Angelo Oct. 26, and with Rice in Houston Oct. 31. North Texas State's frosh will be played in Lubbock Nov. 14.

Texas Has 26 Crimes An Hour

Austin — An average of more than 26 major crimes were committed every hour in Texas during the first six months of 1963 as crime continued to outstrip the population growth throughout the state and nation.

Col. Homer Garrison Jr., director of the Texas Department of Public Safety, reported that crime in the state increased 6.2 per cent in the period January through June, compared to the same period of 1962.

The DPS six months report showed that murder and homicide were up 13.3 per cent, rape increased 27.3 per cent, robbery increased 14.8 per cent, burglary 6.0 per cent, theft 7.0 per cent, and auto theft was up 4.4 per cent. Aggravated assault, the only major crime to decrease, was down 2.9 per cent.

Overall crime in rural areas showed an increase of 13.1 per cent, while the increase in urban areas was 5.2 per cent. By population groups, the greatest increase was 26.7 per cent in cities between 2,500 and 5,000, while the largest decrease was 13.3 per cent in counties with under five rural population per square mile.

"The 1963 figures prepared by our Statistical Services Section," said Garrison, "means that on the average there was one major

crime committed every 2 1/4 minutes, one murder every 7 1/4 hours, one rape every 6 hours and 12 minutes, one robbery every 2 hours and 42 minutes, one burglary every eight minutes, one aggravated assault every 40 minutes, one theft every three minutes and 48 seconds, and one auto theft every 32 minutes."

Rev. Eford Will Speak On Japan

During the evening worship service at 7:00 p. m. this Sunday, Pastor T. James Eford at First Baptist Church will show an assortment of colored slides taken in Japan and Hong Kong in April and May of this year, when he visited these countries to participate in the Baptist New Life Crusade.

Slides will be in five categories: Scenes of Japan, Home Life in Japan, Religion in Japan, Scenes in Hong Kong, and Mission. This service will conclude a week of prayer for State Missions which the church has observed this week. The Baptist General Convention of Texas, which sponsored the Japan New Life Movement, is making plans for a similar crusade among Latin American residents in Texas during August and September of next year.

New Home Young Farmers At Lamesa

New Home Young Farmers attended the Area II convention held in Lamesa last Saturday when the Lamesa Chapter was host to the event.

Those attending, with their wives, were the advisor, Mr. and Mrs. Leonard Wilson, and members Mr. and Mrs. Don D. Balch, Mr. and Mrs. Harold Gene Franklin, and Mr. and Mrs. R. L. Dulin.

The group attended the afternoon program and the banquet held that night.

New Home Young Farmers meet on the fourth Monday of each month at 8:00 p. m. Visitors are welcome. Speaker at the next meeting will address the group on the subject "Defoliation."

Mr. and Mrs. C. H. (Sue) Reese and children of Snyder visited last week end with Mr. and Mrs. Winston Davies at New Home, Sue being Mrs. Davies' daughter. Then, Sunday night, the Davies visited another daughter and family, Mr. and Mrs. Charles Freeman in Crosbyton.

Mrs. V. F. Jones led in prayer and Mrs. R. M. Stewart presented the program.

Punt, Pass, Kick Contests Set

Tahoka and Lynn County grade school boys from eight through 11 can pit their football skills against local boys and thousands of other boys throughout the nation in the annual Punt, Pass & Kick Competition which will culminate with a trip to Washington, D. C., for a White House tour, then to Dearborn, Michigan, and then an appearance at the National Football League Championship game for the top eight winners.

Sponsored nationally by the Ford Division of Ford Motor Company and the National Football League, the Punt, Pass & Kick Program — or PP&K — will be staged in Tahoka by Wayne Waters Ford.

Local youths will be tested for their ability to punt, pass and kick (using a kicking tee) footballs on the same day as thousands of other boys all over the country, with warm-up jackets, football helmets and autographed footballs to be given as first, second and third prizes for each age group, or four top Tahoka winners in all. Scores throughout the state then will be compared to determine the four top Texas winners, and these scores compared to determine the most skillful eight, nine, ten and eleven-year-old fledgling football stars in each of the areas covered by the telecasts of the 14 National Football League teams.

First prize in each age group locally will receive as first prize, a National Football warm-up jacket; second prize, football helmet; third prize, autographed football.

Area winners and their fathers and mothers will receive all-expense-paid trips to a National Football League game in their area, and will compete during half-time to determine the four top Eastern Division winners and four top Western Division winners. These eight boys, accompanied by their parents, will visit Washington, D. C., where they will tour the White House. They will then travel to Dearborn, Michigan, and tour Greenfield Village.

The entire group then will go to the site of the NFL Championship game, for half-time competition to determine the four National winners.

Wayne Waters, owner of Wayne Waters Ford pointed out that there is no body contact necessary in the competition, no charge for entering, and no special equipment needed. "Registration is now open through October 11," he said. "With Wayne Waters Ford as the registration headquarters."

Mr. Waters said entrants will be judged on the distance and accuracy of their punting, passing and kicking (using a kicking tee), with points awarded for each foot of distance the ball travels on the fly and subtracted for each foot the ball lands to the right or left of a center line. Date of the Tahoka competition will be announced later.

Childrens Choir Enrollment Starts

The "September—Church Music Month" emphasis at the First Baptist Church moves into high gear Sunday with the beginning of Graded Choir Enrollment Week September 15-22. During this week, an effort will be made to enroll as many children and young people as possible in a choir.

This Fall, the church will sponsor, in addition to the regular Church Choir, four choral groups: Primary Choir, Junior Choir, Intermediate Choir, and Youth Choir. Each choir will have a well-planned program of activities which will include instruction designed for its particular age group in singing technique, conducting, music theory, music appreciation, and the use of music in worship.

First Baptist Choir Directory: Primary Choir (ages 6-8) Wed., 7:15 p. m. Director: Calva Ann Edwards; assistant director: Mrs. K. R. Durham; sponsor, Mrs. Ray Toney.

Junior Choir (ages 9-12) Wed., 7:15 p. m. Director: James Hollars; assistant director, Mrs. Truman Johnson; sponsor, Mrs. H. B. McCord, Jr.; accompanist, Sheryl Nevill.

Intermediate Choir (ages 13-15) Sun., 5:00 p. m. Director: James Hollars; sponsor, Mrs. Jarrell Thurman.

Youth Choir (ages 16-24) Sun., 4:00 p. m. Director: James Hollars; assistant director, Paul Kenley.

Mrs. Frankie Williams of Lubbock was an overnight medical patient in Tahoka Hospital Friday night of last week.

N. A. Stuart, 65, Buried Sunday

N. A. (Artoak) Stuart, 65, formerly of Tahoka, died last week in Albuquerque, N. M., and funeral rites were held Sunday at Greenville, Texas, where his wife was buried two or three years ago.

Born at Ballinger on September 24, 1897, he was a cotton buyer here for about three years in the 1920s in partnership with his late father, Frank Stuart. He had been a buyer for Anderson & Clayton for many years.

He is survived by one son; his step mother, Mrs. Frank Stuart of Tahoka; one sister, Mrs. Mary Garrison of Mineral Wells; and three brothers, Travis and Frankie of Lubbock and Bill of Fresno, Calif.

Gordon - Southland

(Mrs. Edgar Moseley) Funeral services for Fred Ming, a former resident of Gordon and Hackberry, were held at the Southland Baptist Church Sunday at 3:00 p. m. He died in Riverside, California.

Attending the services were his wife, Maudie, and son, Troy Ming; a daughter, Mrs. Bennie Starns of Concord, Calif. Mr. and Mrs. L. E. Bartlett of Lubbock, Ruth Spence of Levelland, Mrs. Nora Billingsley of Lubbock. Another daughter, Mrs. Bobby Hoffman, was unable to come.

Last Wednesday was family night at the Methodist Church. Barbecued chicken was served to about 40 people. They also gave a pounding to their pastor, Rev. Roy Bassett.

Mrs. W. T. Shepherd visited her sister, Mr. and Mrs. Earl Morris. She was on her way home from California where she had visited relatives. She is from Houston.

Mrs. Sam Martin has returned home after visiting her son, Blanton Martin and family, at Hart Camp. On her return she stopped in Lubbock to visit Mrs. Mary Edwards and Mrs. Manshu, also her sister, Mrs. Nora Billingsley.

Mr. and Mrs. Jack Halliburton and Ronny, Mr. and Mrs. Harley Martin, Tyra, Paul and Kandice, and Mr. and Mrs. Ed Moseley, Nedra, Rhonda, Rheda have returned home after touring eight states. They traveled in a group and visited first in Raton, N. M. and then in Colorado Springs where they went to the zoo, Seven Falls, Garden of the Gods, Ghost Town and the men attended the dog races on Saturday night. They continued to Denver, and Estes Park where they drove over Trail Ridge Drive into Rocky Mountain National Park.

There was snow on the mountains and it was quite cold. From there they went to Cheyenne, Wyoming, went through the capitol and museum. The next stop was North Platte, Nebraska where there was much to see and do. The men were interested in the crops and farming machinery and enjoyed seeing the difference. At Liberal, Kansas the children enjoyed swimming. After going through Oklahoma the group drove to Stratford where they parted as the Moseleys and Martins stopped to visit the Howard Whites, former Slaton residents. The Halliburtons were anxious to see a small son, who stayed with his grandparents in Southland.

The next stop was Amarillo, where they visited Mrs. Martin's and Mr. Moseley's sister, Mrs. Jack Lancaster. In that city the men

Murder Case ...

(Cont'd. from Page 1) Ballard, 47, and daughter, Carol, 11, who were fishing. They bound and shot them, searched for money, found none, and then could not start the Ballard car.

They walked to the home of Miss Margaret Weiricher, 39, a St. Louis department store employee residing at Belleville with some elderly friends. They took her as a hostage, robbed her of \$16.00, Donna Marie shot her, and they left in the lady's car.

Outside Fort Worth, they picked up a hitch-hiker, Arthur Lee DeKraai, 35, of Ottumwa, Iowa, West of Big Spring, on Sept. 1, 1961. Myers' statement said Donna held the steering wheel while he, Myers, shot DeKraai in the head as he dozed in the car seat beside them. Finding no money on his person, they dumped his body in some bushes on a farm road in the vicinity.

Shortly later, State Highway Patrolman Jack Reeves stopped the car, and when Reeves started asking questions about blood in the car, Donna Marie told of the murder and took Reeves to the body of DeKraai.

Donna Marie, now 15, was sent back to Illinois, where she has been in a reformatory.

When a jury could not be secured in Big Spring for a trial, the case was moved to Rusk, Cherokee county, last year, on a change of venue, where he was found guilty and given the death sentence. The Court of Criminal Appeals ordered a new trial because of remarks made by the jury foreman discrediting a defense witness.

The case was then moved to Lynn county on a change of venue.

Judge Smith presumes that Myers will be tried in Illinois on charges for the murder of the Belleville man and his daughter.

Prize Photos On Exhibition Here

Many Tahoka and Lynn county people, as well as others have been attending the exhibit of the 65 best natural color photographs in the nation made in the past few years at the studio of C. Edmund Finney this week.

The photographs include portraits, still life, architecture and many phases of American life taken by some of the best photographers in the United States. Notable was the fact that some of the work on display by Mr. Finney was as good or better than many of those in national exhibit.

To continue through Saturday, everyone is urged to take advantage of the rare opportunity afforded a small town to view the exhibit now on display from 10:00 a. m. until 8:00 p. m. There is no admission charge.

T-Bar Club Is Meeting Monday

T-Bar Country Club will hold its annual membership family night next Monday evening at 7:00 p. m. at the club, at which time new officers and directors will be elected. The meeting is for members only and immediate family members.

The business session will follow a spaghetti dinner served free to all members of the club and their families.

Outgoing directors are Sam Edwards and Clint Walker. Holdover directors are Mrs. Irvin Dunagan, Wade Holland, Johnny Wells, Clifton Hamilton, and Oscar Whitaker. Mrs. Charles Townes is club secretary-treasurer.

A nominations committee has presented the following names, two to be elected, for places on the board: Calloway Huffaker, Jack Alley Robinson, Kenneth Turner, Bryan Wright, and Mack Mauldin.

Clint Walker, president this past year, says this year has been one

of the best years the club has had. There are 108 members, all bills are being paid on a monthly basis, and the club has no debt. Several improvements are being planned for the coming months which are to be announced later.

The new president and committeemen will be named by the new board following the election of the two new directors.

Tahoka Wins Close Tilt With Frenship

Tahoka Bulldogs of District 5-A took a 14 to 13 decision over the Frenship Tigers of District 4-AA here Friday night before a large home crowd to open the 1963 season on a pleasant note for local people.

Most encouraging to fans were several factors that indicate the Bulldogs may be on the road back to the days when this town's team was almost habitually a Class AA contender for the district title.

The young, inexperienced Bulldogs showed they have desire, football savvy, aggressiveness, and want to play ball. When behind, they were able to rally; when their backs were to the wall they put up a stout defense; and when they had their opponents in the shadow of their own goal line, the Bulldogs cashed-in on the opportunity to win with a safety by pushing a Frenship player out of the end zone.

Twenty-one boys saw action, only three of them seniors, and 13 of those in action had never before played a varsity game. Only one backfield starter had ever played a varsity game.

On the other hand, most of the Frenship starters were senior ball players.

Only two little notes of complaint were heard from fans, (1) letting opposing pass receivers get open, and (2) occasional "standing and watching the game." But, these were quickly excused for young, inexperienced players.

Opening the game, Tahoka chose to kick off to give the inexperienced boys a chance to get over first-game first-play jitters—and the strategy evidently paid off. The Tigers QB David Burgamy made 16 yards in two plays, but the next two plays the Tigers lost 13 yards and had to punt.

Taking over on its own 25, Tahoka used up nearly 10 minutes in moving 75 yards in 14 plays to score on the first play of the second quarter. Fullback Adolph Chapa, the bulldozer, plowed out 40 of those yards; Halfback Gary

Tomlinson, six; Halfback Hugh Jack Norwood, 10; and Quarterback Terry Harvick, the key six yards to place the ball six yards from the goal, from which point the Bulldozer went through left tackle to score. The drive was helped by two offsides penalties on Frenship. Tomlinson failed to run the conversion.

Frenship bounced right back after the kickoff, with Burgamy passing to HB Jimmy Townsend, who played a great game for the visitors on both offense and defense, for 11 yards, and then Burgamy went around his right end 27 yards, and HB Royce Wittie and FB Robert Kindred collaborated in moving the ball to Tahoka's 18. Here, the visitors drew a five yard penalty. Tahoka's Jack Wood smeared a Tiger for an 8-yard loss, three passes were incomplete, and the ball went over.

Tahoka couldn't move, punted, and two plays later, Wood covered a Tiger fumble on their 48. Tahoka made four yards on two plays, and then Harvick's pass was intercepted by Townsend on the Tiger 20. Townsend then caught a pass for 11, Kindred made 4, a pass was complete to Kindred for 6, and then Burgamy hurled a long one to End Eugene O'Donnell, who was hauled in by Tahoka's Norwood and Freddie Pierce 51 yards down field on Tahoka's 10. Townsend went to the 2, two plays netted a yard, and then sub QB Brent O'Donnell, on a keeper, slipped off right tackle for the tying score on fourth down 40 of those yards; Halfback Gary

Crosbyton Chiefs Take O'Donnell

Crosbyton Chiefs, which team Tahoka plays this week, and O'Donnell Eagles, a 5-A district foe of the Bulldogs, battled it out at O'Donnell Friday night, and in the end the Crosby county team was victorious 37 to 28.

Coach Dean Wright's boys grabbed the first score, kicked point, but the Eagles came back in the second quarter on Tailback Jimmy Barton's scoring drive to take an 8-7 lead when QB Fen Taylor passed to Gary Reeves for the conversion.

Speedy Jesse Lopez scored two of the Eagles' touchdowns that followed in the see-saw battle which saw Crosbyton stay ahead most of the way.

Names familiar to football fans in the past had a hand in Crosbyton's scoring. Calvin Brenta, Ronnie Wheelers, Ricky Edwards, and Travis Sursa.

O'Donnell served notice by scoring on Crosbyton that the Eagles may be pretty tough again this year and will be winning some ball games.

The Eagles entertain Ralls Jackrabbits this week end, a team the Tahoka Bulldogs will also be meeting on in the season, loser to Post Antelopes last Friday 24 to 0.

MRS. CECIL CARAWAY IS BACK AT HOME

Mrs. Cecil (Pearl) Caraway, seriously injured in a car accident six weeks ago, is back at home but will be confined to her bed for at least two more weeks.

Since leaving the hospital, she has been staying with her son, Don, at Plainview. She returned home Sunday.

Her mother, Mrs. Susie Johnson of Lubbock, formerly of Tahoka, is here helping Cecil care for her. Cecil jokingly remarked he had been looking forward to Pearl coming home, but with his mother-in-law here he didn't know whether he was better off or not.

Bulldogs Elect T-Club Officers

Tahoka Bulldog lettermen have elected the following officers for the T-Club for this year:

Wilson Mustangs Meet Amherst

Wilson Mustangs, who won their opener for their new coach, Doug Duncan, Friday night over Lasbuddie 34 to 6, entertain Amherst this Friday night at Wilson. Amherst took Meadow last Friday 13 to 0.

Tonight's game is the first home game at Wilson, and Mustang fans are already all keyed-up for a winning season.

At Lasbuddie, the Mustangs had a fairly easy time in rolling up a lop-sided 34-6 score on 382 yards offensively while allowing the Longhorns only one score on 216 yards from scrimmage.

Wilson's attack featured the hard running of Royce Baker, Sammy Crowson, and Johnny Koenig.

New Home Wins Opening Game

New Home opened the football season Friday night on a new note, a 60 to 0 shut-out of the hapless Trojans of Christ the King parochial school in Lubbock.

Tonight, the Leopards journey to Whitharrel, 20 to 0 loser to Lorenzo last Friday.

But the win may have given Coach Paul Kitchens' boys the spark they need to get on the winning trail. Kitchens has some aggressive boys this year who like to play and want to score.

Last Friday, New Home scored 16 points in the first quarter, 6 in the second, 14 in the third, and made it a rout in the fourth with 24 points.

In the scoring were Terry Brown with three TD's, Kenneth McClung two touchdowns and Jerry Todd, Elton George, and Dave Hancock all accounting for New Home points. Dickie Turner and Randy Unfred were stalwarts on defense.

Coach Kitchens says three more boys joined the short squad last week, Larry Agers, 200, and Jimmy Fillingim, 90, both freshmen; and Calvin Timmons, 120, sophomore.

Jacobs, Coaches Tell Of Goals In Sports Program

Athletic Director Jake Jacobs outlined objectives of the athletics program in Tahoka Schools, and the coaches spoke briefly on football prospects for the year at Tahoka's Rotary Club Thursday noon.

Jacobs said Rotarians and other men of the community are in position to have a lot of influence on school athletes. He said the objective was to build winning ball teams but there are other things more important which go with the program.

First objective is to develop good citizens from the young adults participating in sports. For a successful program, he said, there must be discipline, and coaches have learned that most boys expect disciplinary rules and make efforts to abide by these rules when fairly administered. The boys know in advance what good training rules are, and when a youth steps out of line he is usually given another chance. Furthermore, these 50 boys on the football squad are heroes to 400 or 500 elementary students, for whom they must set a good example on the field and in daily living. Athletes are in the limelight and must

do a good job as an example to others.

Education is an important part of the sports program, and participation in sports is designed to train young minds. In addition, sports help keep people interested in the school and help keep many youths in school who would drop out.

Athletics helps develop team spirit, working with one's fellowman, and for some boys it furnishes an incentive to go to college on an athletic scholarship who otherwise could not continue their education.

Head Coach Gilbert Hough expressed optimism for a better season, praised his boys for effort in spite of inexperience, and declared progress is being made. He said Assistant Coaches Dave Easterday and Milt Fitts were giving invaluable assistance in developing a well rounded team. The two assistants also spoke briefly.

Miss Marsha Scoggin, girls' basketball coach, said she expects 30 girls on the varsity and B squads this year and 26 girls on the eighth grade squad. Right now, (Continued on Back Page, Sec. 2)

Our Congressman, George Mahon, along with a House-mate and two Senators, were honored in New York City Friday by the American Political Science Association for "distinguished service in the 87th Congress last year." Mahon was especially cited, as chairman of the House sub-committee on defense appropriations for his "zealous concern for the national defense, tempered by his concern for the nation's economy." We join other friends in congratulating Mr. Mahon, one of the top men in all Congress, on this recognition.

George and his fellow-members of Congress. Maybe we have been a little unjust, at times. Let us say this: We are personal friends. The Printer has known him since we were high school lads in neighboring towns. This paper was the first on the Plains to advocate his candidacy for Congress back in the early 1930's. We are still close personal friends and write each other several times a year. He is one of the finest men we ever knew.

But, we don't always agree—and neither gets mad at the other. When we think he goes wrong on some vote—wrong in the interest of our section or the nation—we say so. He votes with the liberals too often, we think, and the people of his district are not basically the kind of liberals as those in the North and East pushing some of this legislation. We believe people in this area favor independence from rigid government controls, economy in government, fiscal responsibility, and oppose wasteful foreign aid, further concentration of power in Washington, and further infringement on State and local and individual rights. George doesn't always find out what the man on the street is thinking when he only has opportunity to visit Tahoka an hour or two a year, because of the fact that he is one of the busiest men in Congress.

In justice, let us point out that Mr. Mahon has opposed civil rights measures on the grounds they are unnecessary and laws are already on the books guaranteeing our citizens equal rights. He has opposed Federal aid to education, aid to depressed areas, the national retraining bill, Federal medical care of the aging and Federal aid to medical and dental schools, increasing the minimum wage, admission of Red China to the UN, a new department of urban affairs, a constitutional amendment to abolish the poll tax (which he feels is a state issue), the half-billion dollar public works acceleration bill, and the area development program. Of local interest, he has supported extension of the brace program and the feed grain law.

What our country needs most right now is another Will Rogers. The late Will Rogers' pithy barbs and puns helped, in his day, keep a lot of thinking on an even keel, took the wind out of the sails of stuffed shirts, would-be little dictators, government folderol, and at the same time kept the nation laughing.

Most of all, we liked his frequent saying, "I never met a man I didn't like."

We usually try not to editorialize in the news columns, but when we write about Lynn county athletic teams we've just got to brag on the kids when they deserve it and can't keep from whining a little when they don't do so well. Please pardon us if we "joke kelly" a little in the sports stories.

The F. M. Billmans of Grandview send best regards. They are the parents of Joe Bob and formerly lived here.

Some local reader mailed us some humorous "poetry" we'll try to slip in as a filler soon.

ATTENDS WEDDING
Mrs. G. M. Stewart was in Wichita Falls Saturday night for the wedding of a great niece, Dawn Dobbins of that city, to Alan Davis of Oklahoma City.

CARD OF THANKS
We wish to express our appreciation and thanks to the many friends and neighbors for the flowers, food, acts of kindness and words of condolence during the loss of our loved one, Mrs. Emma Cleckler. May God's blessings be upon you in all things.—H. D. Cleckler, Mr. and Mrs. H. D. Cleckler Jr., Bob C. Cleckler, Janice Cleckler, Mr. and Mrs. Homer Campbell, Mr. and Mrs. Dewitt Campbell, Miss Laura Campbell.

Which reminds us, Uncle Oscar Wuensche says his nephew, Martin "Junior" Wuensche won't even write him since the latter moved to Arkansas. He kidded Junior so much about the move he thinks Junior has marked him off the list. This ain't no joke, either. Mr. Oscar says, however, there's one thing he can't figure out—how Junior got such a fine wife, and then took her off to Arkansas.

Boy, you can't tell what'll happen next down at Lake Thomas that concerns Lynn county people. There's Mrs. R. B. McCord, who has great grandchildren, swimming around in the lake. There's Luther and Claude Thomas water-skiing. There's Ed Park racing around in a 100 horsepower boat. There's Belton Howell twiddling away his time fishing. And, there's the report that John F. Thomas was seen in a store down there in Bermuda shorts. What's this world coming to, anyway?

Mrs. Eva Eakin Hill of Chilton sent us a copy of The Clare Champion, a newspaper published in Ireland, which is very interesting to us. We noted one headline over a girl's picture which reads "Gone To Texas".

89% Of Lynn Citizens Are Natives Of Texas

(Special to The News)
New York — There is little of the gypsy in the makeup of the average Lynn county resident. He isn't the one to fold up his tent and move at the drop of a hat. That fact emerges from a Department of Commerce study aimed at discovering how often families move from one home to another. Sought, also, was information as to how many families in a given locality once lived somewhere else.

The local figures show that the great majority of the native Americans residing in Lynn county were born in the State of Texas, and have never dug up their roots.

As a matter of fact, the study indicates that some 930 people came from other states to live in the local area.

feel they might do better in another environment that is more dynamic and holds forth the promise of better living.

The mobility of the average family has been greatly improved over the years. Moving to a new area no longer calls for the hardy pioneering that it did at one time. Even within the same neighborhood, it is found, people are constantly on the move, shifting from one house to another. Often it is because of a change in the size of the family. At other times it is because they want and can afford better housing.

The figures show that, in Lynn county, some 4,797 people have moved to other locations within the county in a period of five years.

President Don Browning announced the local club members will be asked to participate in the international relations program of Rotary International President Carl Stiller wherein individually club members will start correspondence with individual members in foreign countries. Names of these foreign Rotarians will be assigned club members in the near future.

Student guests for September, Gary Grogan and Jack Wood, were introduced by H. B. McCord and Alton Cain, respectively.

Agriculture is big business in America, says the USDA. Its 6.8 million workers exceed the combined employment in transportation, public utilities, and the steel and automobile industries. Its \$214 billion assets are equal to nearly two-thirds of the market value of all corporation stock on the New York Exchange and amount to a production investment of \$24,000 for each farm worker.

Frenship Game

(Continued from Page 1, Sec. 2)
as the clock ran out. The kick was wide. Score 6-6.

Opening the second half, Tahoka's Norwood kicked off, and in six plays the Tigers moved to the Tahoka 36, and the ball was moved to Tahoka's 31 on one running play and three incomplete passes.

Tahoka bogged down on its 38, punted, Townsend ran the ball back to the Tahoka 48, and the Tigers moved in three plays and a Tahoka offside to the Tahoka 20, from which point End Carnon Turnbow caught a pass near the goal and stepped in for a 12-6 lead over the Bulldogs.

Mitchell Williams, freshman, ran the kickoff to the 28, Chapa made 17 yards on two carries but fumbled and a Tiger recovered on Tahoka's 48. The aroused Bulldogs rose up and stopped the visitors for a three yard loss on three plays, punted, and Tahoka took over on its own 18.

Ending the third quarter, "Scooter" Tomlinson, a sophomore, took the ball, saw daylight, headed up field, cut to the sideline, and raced 57 yards before being overhauled on the Tiger 25. Norwood went for 7, Tomlinson 11 and a first down, and on the next play Chapa drove the last 7 yards to score. Norwood failed to run the conversion, but this tied the score 12-12.

A Tiger fumbled on first play after the kick off, and Frankie Ferrera covered the ball for Tahoka on the Tiger 36. Tomlinson got away again on a 26 yard sprint to the 10, but Tahoka bogged down as the Tiger defense stiffened on the Tiger 5-yard line.

One play went to the 8, two plays lost three yards, again on the five. A Tiger was back to punt, but Jack Wood broke through and hit the ball player, Jack Edwards got into the act, as did Chapa, and others, to push the Tiger back out of the end zone for a safety—two points for Tahoka. Score 14-12.

Frenship had to kick from its 20, Tahoka moved to the Tiger 38 on two plays, a pass was incomplete, and then Tahoka completed its only pass, a three yard toss, Harvick to End Macky McWhirter, but not enough for a first down, and Frenship had a glimmer of hope left with 1:37 minutes left.

Burgamy hit Kindred with a 15 yard pass, lost 7, ran for 7, completed two passes for 8 and 9 yards to E. O'Donnell on the Tahoka 41, but the next four passes were broken up, Tahoka took over, and Harvick ran out the clock in three plays.

Senior Guard Gary Grogan was great in this ball game, making killing tackles and superb blocks. Norwood, Pierce, Ferrera, Edwards, Larry Jolly, Roy Isham, Jim Wells, Stanley Restro, Cal Womack, Eddie Howard, Mike Curry, Dennis Clem, Dean Hamilton, and Mitchell Williams also had their moments of glory on defense, or offense.

Frenship's team was much improved over last year's, and put up a tough fight all the way in a very clean ball game. The Bulldogs just seemed to want the game the most, and were tough defensively on most running plays.

Both school bands presented half-time shows. Tahoka's marching band, directed by Vic Kyler, has 82 pieces this year in the marching unit, and once again the school has a band in which the community takes pride. Also, there's revived interest in the cheering section, directed by Miss Marsha Scoggin, which adds to the school spirit.
