Miss Ann Wharton, James Carl House Take Vows In Home Wedding Ceremony

Before an altar formed with baskets of white fuji chrysanthemums and candelabra Miss Beverly Ann Wharton became the bride of James Carl House of Lubbock in a double ring ceremony read by Rev. Aubrey White in the home of the bride's parents, Saturday, Sept. 14, at 8:00 p. m.

Parents of the couple are Mr. and Mrs. Winston C. Wharton of Tahoka and Mr. and Mrs. James F. House of El Paso.

Mrs. Kay Kirkpatrick, organist, played wedding selections while guests assembled including "O Promise Me" and "The Wedding March."

Given in marriage by her father, the bride wore a gown fashioned of white peau d'ange featuring a basque bodice with scooped neckline and sleeves. Re-embroidered Alencon lace encircled the neckline and accented the front of the bodice. The skirt fell softly into an intermission train. Her imported veil of illusion cascaded from a pillbox of Alencon lace and she carried a cascade bouquet of white cymbidium orchids, feathered chrysanthemums and tulle.

Mrs. Robert Beckwith, cousin of the bride, of Lubbock was matron of honor and wore a scooped neck costume suit of Spanish olive green crepe featuring a hip-length jacket with self fabric bow at the waist. Shoes and headpiece were in blended shades of color to match. She carried a cascade bouquet of bronze pom pom chrysanthemums and English ivy.

served his brother as best man. Craig Leslie of Tahoka lighted the candles.

James T. Whorton, cousin of the bride, served as usher and Mrs. J. T. Whorton, aunt of the bride, received guests at the door.

Following the ceremony a reception was held in the home. Members of the houseparty included Mrs. Joe Smith of Lubbock, who registered guests, Mrs. Travis Polk of Lubbock, and Mrs. Max Simpson of Waco, who presided at the bride's table, Mrs. A. C. Verner, who presided at the groom's table, Mrs. Meldon Leslie, Mrs. Jess Gurley, Mrs. A. N. Norman and Mrs. D. W. Gagnat, all of Tahoka.

The bride's table was laid with a bridal cloth of floor length white satin and net featuring a floral arrangement of fuji chrysanthemums and white tapers in silver candelabra. Punch, nuts and the traditional wedding cake were served from silver appointments.

The groom's table, covered with brown linen cloth, bore the matron of honor's bouquet of bronze chrysanthemums. From appointments of brown carafes and gold dishes were served coffee and date cake.

For a short wedding trip the bride chose a two-piece cranberry suit with black accessories and an orchid corsage taken from the bridal bouquet.

Wedding selections were played by the chapel organist.

Billing System Is Improved By SWPS

Electric service bills for Tahoka customers will come in envelopes beginning next week, it has been announced by Harold Roberts, Manager for the Southwestern Public Service Company.

The change from the postcard bill, which has been in use for a number of years, is the result of the installation of new electronic billing equipment, Roberts said.

"I think the chances are slim that anyone would throw away an envelope with our company's return address on it, without first seeing what it contained, but it seemed wise to point out, at the start of this new billing procedure, that the statement will be coming in an envelope in the future," Roberts added.

The new envelope, white in color with a green block, is clearly marked on the outside as an electric service bill. Enclosed along with the new statement is a return envelope. The stub from the bill should be enclosed with the payment, the same practice that has prevailed in the past.

Roberts said Tahoka customers would be billed at the same time of the month that they have been in the past.

Roberts pointed out that there is a feature in the new billing

The Lynn County News, Tahoka, Texas Friday, September 20, 1958

system which might encourage more customers who have checking accounts to use the bank draft method of payment. He said that the objection to this method on the part of some customers in the past has been that they didn't know how much their bank account had been charged.

Under the new billing system, the customer using the bank draft method of payment will receive a copy of his statement at the same time that the billing for Tahoka customers is made. The statement will be clearly marked that it should not be paid because a bank draft will be drawn, but it will inform the customer of his monthly charges for electric service.

A small pamphlet, announcing the new billing procedures, will be enclosed in the first statements, scheduled to go out next week, Roberts said.

Understanding and Preserving Our Great American Heritage (by Dixie Ashcraft)

Our American heritage is the greatest that has ever fallen to any segment of the human race. Half the world's population lives on four dollars a month, yet how many of us take our luxuries for granted? Men die every day trying to escape from behind the Iron Curtain, yet how many of us take our freedom for granted?

What is our American heritage? It's our great way of life. We don't have more resources than the other people of the world, we just have the chance to use and develop them.

What are the fruits of our American heritage? First of all there's freedom—man's greatest desire from the beginning of time. But freedom is God-given, not government-given.

Then there's economic well-being to an extent never before experienced. To prove this our national income has equalled that of the next highest 10 countries combined. During World War II, we produced more armaments than our enemies, our allies, and the neutrals put together. With only six percent of the world's population, we produce 40 percent of the world's manufactured goods. We send more young people to college than all the rest of the world put together.

Third, our great spiritual heritage. It's not enough to be free and well-off. We must have spiritual well-being. Today 60 percent of our people belong to churches and we have a bigger percentage of our people in church on Sunday than any other country. Besides church attendance, our

spiritual awareness is expressed in our orphanages, homes for the aged and widows, private church-related colleges, and foreign aid to people who are not so fortunate as we.

BUT—we cannot take our heritage for granted. Great principles and high standards do not exist just because they are right. If they did, Rome and Greece would still be the greatest nations in the world.

What are the foundations of our great way of life? What lies behind our great prosperity? First of all, faith in God, the cornerstone of our heritage. Second, our constitutional government which guarantees every man his God-given rights. And third, our private enterprise economy which allows a man to do as much as his abilities and his determination let him.

We just stand at the brink of our possibilities. The possibilities of the space age are unlimited. What's to stop us? We have the freedom and the material to do great things, yet. No other people have the opportunities made available to us by freedom, know-how, and our great wealth.

Yet, to preserve our freedoms, we must overcome the threat of Communism. The Communists intend to bury us and with us, capitalism, the way of life that has brought so much to our people. Khrushchev says that time is all the Communists need to overcome capitalism.

What can we do about this threat? We can create more appreciation for our great heritage. If more people understood the American way of life and all its fruits, the Communists with all their propaganda wouldn't stand a chance.

We need to learn what Communism is, what its tactics are, and what its goals are. We must immunize our people by waking them up to what is going on in the world right now. We can't wait around until we're surrounded by the Communists and have no choice but to submit. Our system of government is not perfect, but it has shown itself to be better than any other man has tried. We must remember this:

"I am but one, but I AM one. I cannot do everything, but I can do something. What I CAN do, I ought to do. What I ought to do, I will do. Oh Lord, what will thou have me to do?"

L. D. Gilderleeve Is Visitor Here

Mr. and Mrs. L. D. Gilderleeve of Northheim and son, Vance, of Dallas, were here a short time Saturday visiting a few old Tahoka friends.

A former rural mail carrier here from 1933 until 1937, Mr. Gilderleeve retired last January at age 70 after 45 years and 9 months in the postal service, during which time he traveled approximately 725,000 miles, the equivalent of 11 times around the globe.

As a rural carrier since May 1, 1917, he had used in delivering

mail two buggies, two sleds, a jeep, seven pickups, and six cars on nine different routes from six postoffices in three states, Minnesota, Kansas, and Texas.

While at Tahoka, Mr. Gilderleeve served a term as president of the West Texas Rural Letter Carriers Association.

The couple and their son were pulling a travel-trailer behind their car, and he told The News they were taking a leisurely trip to the West Coast to see the sights of the West.

Mr. and Mrs. Leon Davis of Abilene were here last week and visiting relatives and friends.

REV. AND MRS. CLEMENTS VISIT NEW HOME FRIENDS
Rev. and Mrs. Robert L. Clements of Greenville, who were on their way to Red River, N. M. on vacation, stopped in New Home Friday and Saturday to visit friends.

Rev. Clements was pastor of the New Home Baptist Church from 1933 to 1938. He is now pastor of the Beniel Baptist Church in Greenville.

Rev. A. C. Hardin of Cisco, former pastor of the First Baptist Church here, is conducting a revival meeting this week at Northside Baptist Church in Lamesa.

GENERAL TELEPHONE TOWNS ON THE MOVE

Van Heusen Shirts come to Augusta

When the Augusta, Arkansas Industrial Development Corporation set out to secure new industry, they came up with one of America's largest and most respected manufacturers of men's shirts.

The Phillips-Van Heusen Corporation, makers of famous Van Heusen shirts, was brought to this 2300 population town about a year ago. They employed local workers, instituted an intensive training program, and completed the first products in the brief time of 14 days. Such aggressive ac-

tion by local citizens and company officials has caused the plant to become a major factor in the local economy.

It is another reason we say General Telephone towns are on the move. Community improvements are under way, local resources are being developed, new businesses, new industries are coming in. If your town seeks additional information about expansion, perhaps we can help. Just write our Community Development Department, Box 1001, San Angelo, Texas.

Junior Teams Split Games With Post

Tahoka's seventh grade won over the Post Antelopes 28-14 there Tuesday night, but the evening was marred by the eighth grade's loss of 22-8.

The Post eighth graders won their ball game in the first half however, leading 22-0 at the middle stanza. Tahoka came back stronger the second half and scored a touchdown in the fourth quarter when Halfback Gary Brooks went the last eight yards. A pass from John Tyler to Brooks was good for a conversion.

Outstanding on defense were linebackers Roberts and Cliff Thomas and End Gary Brooks.

The seventh grade game saw Fullback Larry Arnold hit pay dirt for four touchdowns and two conversion runs. End Mike Glenn made another touchdown when he caught a pass from Quarterback Charlie Brown. Halfbacks Bobby Martin and Doug Taylor each were successful on a conversion run.

But Plains came back in the third quarter to win the game on a drive that ended with the scoring play coming from the one-yard line, and bucked over the

New School . . .

(Continued from Page 1) ments. This addition cost \$4,512.00 plus about \$1,000 for the remodeling.

After paying bond and architect's fees, about \$30,000 will be left for furnishings in the new buildings, J. M. Small, district secretary told The News.

He said difference in the high and low bid on the building program was only \$12,593.00, and the board was pleased with the bid, some being fearful the bid might be too high for the money available.

Architects for all the work are Maeker, Jordan, Stephens & Associates of Lubbock. The contractor, V&N Construction Co., is the same firm which built the South Elementary building a few years ago, with which the board at that time was pleased.

Tahoka School Board believes these additions and improvements will take care of Tahoka's school needs for many years to come.

Bulldogs Take 7-6 Win At Crosbyton

Tahoka football fans are sensing a new day has dawned. Once a football power, but for the past few years a losing ball club, the Bulldogs of 1963 are a refreshing change. Fans think they sense the old Bulldog tenacity, fight, football savvy and desire to win.

The Bulldogs played a great game Friday at Crosbyton in noosing out Coach Deane Wright's Chiefs 7 to 6 in a rock'em, sock'em, hard-nose battle such as local fans have not seen from a Tahoka team in a number of years. They had to come from behind to win against a very rugged team, and the defense was adequate to stop the Chiefs almost cold for most of the way.

For fans who like a defensive battle, this was it. There were mistakes, but Coach Gilbert Hough and his assistants were pleased with the progress made by the young squad and promise the boys have the right attitude and will do even better in the future.

A large crowd followed the team to Crosbyton, and the band and pep squad were on hand to boost the Bulldogs.

Star Lineman Out

There was one note on the dark side, Gary Grogan, 160, senior linebacker, already being hailed locally as one of the best on the South Plains, went out early in the second quarter with a "knocked-down" shoulder and will possibly be out of action a week or two. Also, Britt Robinson, 155, sophomore, one of the more promising young backs, reinjured his knee.

Crosbyton received the kick-off, moved nine yards in three plays, and punted. Tahoka took over on its own 28, and moved for three first downs on three plays, HB Hugh Jack Norwood going 13, FB Adolph Chapa 10, and HB Gary Tomlinson 14 to the Chief's 35. Chapa made three, Norwood 10 and Tomlinson three to the Chief 19. Here the Chiefs stiffened, and on a pass play Tahoka drew a 15-yard holding penalty. Norwood took a pitch-out from QB Terry Harvick, passed down-field, and the Chief's Calvin Brints intercepted and ran the ball all the way to the Tahoka 47.

Crosbyton Scores

On third and 10, Substitute QB Jim Blagg caught the Tahoka secondary asleep and hit HB Jim Flourney for a 34-yard gain to set up the TD on the Tahoka 13. Two plays later, Blagg tossed to End Johnny Harkins for the score. Brint's place-kick was no good.

Tahoka moved for two more first downs after the kickoff and was on the Crosbyton 43 when a fumble was recovered by Chief (Continued on Back Page, Sec. 2)

New Home After Third Victory

There's a new day, footballwise, at New Home as the Leopards have gone wild to score 100 points in their first two ball games, and tonight at New Home they take on another opponent, Roosevelt, to see what they can do.

In a wild game last Friday night, the eager charges of Coach Paul Kitchens came out 40 to 20 victors over Whitharral Panthers which gave the Lynn county fans quite a thrill. But the game was closer most of the way than the score indicates.

In the first stanza, QB Terry Brown passed to sophomore Kenneth McClung for the first TD, the play good for 68 yards, and Dave Hancock ran the conversion. Whitharral bounced back to make the score 8-6 New Home.

In the second, McClung went 17 yards, Brown added two points, but the Panthers went for another score and converted this time. Halftime score, New Home 16-14.

Elton George scored in the third, Brown ran the points, and Whitharral came right back to make it 24-20 at end of the period.

But, in the fourth, New Home broke the game wide open when Brown dashed 38 yards for one TD and McClung three yards for another. McClung ran over both conversions to make the score 40-20.

New Home, like Tahoka, has had a long drought since it has had a winning team, and fans think the Leopards now have the "go" spirit and will win some more games.

O'Donnell Wins Over Ralls 20-7

O'Donnell Eagles entertain the Wilson Mustangs tonight in a cross-county affray expected to draw a large crowd of partisan fans.

Last Friday, the Eagles took a 20 to 7 victory over the Ralls Jackrabbits in a game played at O'Donnell after having lost a high-scoring dual the week before to Crosbyton.

O'Donnell opened the scoring with a drive ending in a plunge over the goal by Gary Reeves, 162-pound junior fullback. Conversion try failed. But, Ralls jumped into a 7-6 lead when Ronny Smithee took a 40-yard scoring pass from Gene Dunn, and Gary Daniel kicked the extra point.

But, that was all the scoring for the Jackrabbits, while the Eagles rolled to two more scores in the second period. Quarterback Fen Taylor passed to End Charles Gardenhire for one touchdown and to Reeves for another, and Taylor also ran a two-point conversion.

The second half was scoreless. O'Donnell racked up 20 first downs to 9 for Ralls.

Jesse Lopez, the Eagles' speedy little back, failed to score but was a constant threat and helped bring in the victory. Don Blair, guard was given credit for outstanding work. Outstanding on defense for Ralls were Smithee and Fullback Eugene Doering.

Wilson Mustangs Play O'Donnell

Wilson Mustangs say they have already forgotten Friday night, and hope to show the south part of the county some football at O'Donnell tonight. Each team has some speedsters, and the game could be interesting.

Everything was wrong last Friday night at Wilson—at least for the Mustangs. They out-played the visiting Amherst team but lost 13 to 6.

Early in the game, Ben Kelton of Amherst intercepted a Wilson pass and went all the way, 60 yards, for the first score. Gary Pigg kicked the conversion for a 7-0 lead. In the second period, Sammy Crowson broke through the line and raced 40 yards to score for Wilson, but try for point failed. A few minutes later, the Mustangs moved the ball to the Amherst 1-yard line before losing possession.

In the fourth quarter, Pigg went around right end 8 yards for the clincher.

Royce Baker and Johnny Koenig were among the Wilson backs looking good, and in the line Tommy Swann, Gene Herzog, Keith Sanders and Delbert McCleskey were among those standing out.

Coach Doug Duncan, new at Wilson this year, now has 22 boys out and hopes to bring the squad along to where they will be in top condition when they open the 3-B conference season October 18.

49 Rural Wrecks So Far During '63

The Texas Highway Patrol investigated four accidents on rural highways in Lynn County during the month of August, according to Sgt. A. E. Roberts, Highway Patrol supervisor of this area.

These wrecks accounted for an estimated property damage of \$810.00.

The rural traffic accident summary for this county from January through August of 1963 shows a total of 49 crashes resulting in 7 persons killed, 26 persons injured and an estimated property damage of \$33,765.000.

Now is the time to have all motor vehicles "winterized", the Sergeant stated; that is to have

their vehicles safety inspected at one of the approved inspection stations to determine that all parts are in top condition.

The new 1964 vehicle inspection sticker is now available. All vehicles registered in this state are required to be inspected once a year. All motorists are urged to have their vehicles safety inspected to avoid the rush later on.

The veteran patrol supervisor said, "The Vehicle Inspection Program has proved to be a valuable tool in reducing accidents in Texas."

Talk is never cheap when you have to take some of it back.

It does seem that those people attending dances at the City-Legion building could be a little considerate of patients in the nearby hospital. Saturday night, some very ill patients were quite disturbed until past midnight by roudies "raising Cain" between the hospital and honky-tonk party. If they can't, we believe local officers need to take some stern measures.

In addition, our government in Washington is asking: 1. Power to police all race relations. 2. Power to investigate and bring into court businessmen whose customers complain of discrimination. 3. Power to deny aid on community projects unless integration rules laid down in Washington are complied with. 4. Power to take away deposit insurance of banks if federal demands are not complied with. 5. Power to police local registration of voters. 6. Power to use the FBI in policing activities once considered local. 7. Power to regulate stock markets.

How far do you want to go with the Kennedys?

Right now, the liberals are making a big play to discredit the so-called "far right," and to the liberal, everyone who does not agree with liberal proposals of the present administration is "far right." We do not consider ourselves to be to the "far right," such as the John Birchers, but we admit to being on the conservative side as compared to the liberals and the "far left." But, there's one fact that must be evident. The conservatives, and most of the "far-righters," believe in the old, tried and proven American Way of Life. The liberals and "far-lefters" can not make this claim, for they are aligned with the Socialists on their side, those who want all life controlled in Washington, the one-worlders who would sell-out to the UN, and even the Communists, whether they admit it or not. We will stand or fall with the principles expressed in our Declaration of Independence, Constitution, and Bill of Rights. We had rather be aligned with George Washington, Thomas Jefferson, Patrick Henry, Nathan Hale, and other great American patriots who advocated the great American Way. Somewhere along the line, we are going to have to make a choice, or

the democracy we have known in the past is gone.

SOME KIND OF A NUT?
The following is said to have been printed the first time as an editorial in a Texas newspaper, then in a paper in Pennsylvania. Since then it has been widely quoted. The editor is not known but the original title was, "What Kind Of A Nut Is He?"

He wants to run his own business.

He wants to select his own doctor.

He wants to make his own bargains.

He wants to buy his own insurance.

He wants to select his own reading matter.

He wants to provide for his own old age.

He wants to make his own contracts.

He wants to select his own charities.

He wants to educate his children as he wishes.

He wants to make his own investments.

He wants to select his own friends.

He wants to compete freely in the market place.

He wants to provide his own recreation.

He wants to grow by his own efforts.

He wants to profit from his own errors.

He wants to take part in the competition of ideas.

He wants to be a man of good will.

What kind of a nut is he? He's an American who understands and believes in the Declaration of Independence, that's what kind.

Aren't you glad you are too? And don't you wonder why so many of our fellow Americans are trying so hard to destroy the kind of life that has made us the aim and the envy of every other people on earth?

The question is: What kind of nuts are they?

A few weeks ago, Gerald Elder, local teacher, went down to New Orleans to bring back one of the new Tahoka school buses. He stopped off in Minden, Ark., to visit an old Army buddy. This town of about 13,000 has parking meters, and nobody seems to mind them and he says people don't even complain about getting tickets for over-parking. The reason is that all proceeds go into a city-wide recreation program for youths. He was told the town simply has no juvenile delinquency problem.

Crosbyton lost heavily last week with the untimely death of Mrs. Percy (Zina) Lamar and daughter, Marie, killed in a car wreck. Mrs. Lamar was one of the Plains' top philanthropists who shared her wealth with the community where she acquired it. She had erected a fine Pioneer museum and community building in the town, a Masonic hall, furnished one-third the cost of a new church building, built a wing on the hospital, and set up a foundation to help the community in future years. She had helped send many students to college. Mrs. Lamar was a close friend of "Dete" Henderson and Mae Hill of Tahoka, and, in fact, about twenty years ago bought the home place of their parents, the Judge and Mrs. B. H. Howard, two miles west of Crosbyton, where she and her daughter lived at the time of the accident.

The Abundant Life — 1963!
The farmer raised two chickens and sold them to a city man and with the proceeds bought two shirts. The city man now had two chickens and the farmer two shirts.

A planner advised the farmer to shorten up on supply so as to increase the price. Accordingly the farmer raised one chicken, and took it to the market, selling it for the price of two—but when he bought a shirt it cost him twice as much as formerly.

The city man had one chicken and the farmer one shirt. This is called the more abundant life!—Macdonald College Farm Journal.

Dan Currys Move Into New Home

Mr. and Mrs. Dan Curry and children have moved into their new three-bedroom brick home on North Seventh street.

Mrs. Jean Boone of Hale Center and Dan Curry of Tahoka were married on August 16th by Don Browning, local Church of Christ minister.

Mrs. Boone has one son and Dan has a son and daughter. She had lost her husband and a daughter in a traffic accident, and Dan, local people will remember, lost his wife and a son and daughter in a car accident several years ago.

Many friends wish the couple and their three children the best that life has to offer.

guard Mike Dendy. The Chiefs made a first on the Tahoka 43, but Larry Jolly threw Blagg for a 5-yard loss, a pass was incomplete, and the Chiefs had to kick.

Bulldogs Score
Hugh Jack had another pass intercepted by the Chiefs' Edwards, and the rest of the quarter was a rugged defensive battle with neither team able to move.

The same was true of the third quarter until about midway, when Tahoka took over at midfield. Chapa and Tomlinson made seven, Tomlinson got away on a 16-yard run, Chapa made three, and Norwood 13 to the Chief nine. Chapa hit for two, Tomlinson two, and then Norwood went off right tackle five yards for Tahoka's score. Then, Norwood kicked a perfect bullet-like place-kick right over the cross bars for the winning point.

The Bulldogs stopped Crosbyton cold, but they couldn't move either. Harvick punted to the Crosbyton 34, where it touched a Chief, and Jack Wood and Jolly were both right there to pounce on it. Tahoka had another scoring threat but was stopped on the Chief 25.

TD Called Back
QB Travis Sursa, now in the game for Crosbyton with an injured hand, dropped the ball on the second play and Jack Wood nabbed it on the Chief 30, and Tahoka had another scoring opportunity.

Norwood made 5, Tomlinson failed to go, another play lost three, and then Norwood went around right end and dashed across the goal line 28 yards away. But, downfield a couple of Tahoka boys were caught using their arms in blocking and the TD was nullified and Tahoka penalized back to the 33. Harvick kicked out of bounds on the 15.

Crosbyton Score Nullified
Crosbyton lost five on a fumble to the 10, moved up to the 22, and on fourth down Edwards went all the way for an apparent TD, but a Crosbyton player was found clipping at midfield, and Crosbyton was back on its own 34, although with a first down. The Chiefs made two more first downs to no avail. Freshman Safety Mitchell Williams made a fine run-back of 12 yards on the kick, and Tahoka ate up the time with three plays and a punt. Crosbyton's desperation passes still failed to work, and then Williams intercepted Sursa's pass on his own 40 and ran it to the Chief 45. Two plays and the game was over.

Edwards played a great game for Crosbyton on both offense and defense, as did End Mike Moore, and on defense Brints.

Fine Team Effort
Tahoka fans thought all the Bulldogs were heroes. This was a great team effort, with a lot of boys seeing action. Harvick ran the team in fine fashion with a fine mixture of plays. He had one 42-yard punt that put the Chiefs in the hole on their own eight yard line.

Chapa was a tough runner, and Norwood apparently found himself and was driving hard for every extra yard. The defense was watching Tomlinson closely, but he still got in good gains.

Chapa made 61 yards on 17 carries, Norwood 78 and 18, and Tomlinson 51 on 11, all net.

From tackle to tackle, Tahoka's line was great with Jack Edwards and Larry Jolly doing fine jobs, Dennis Clem did a great job on defense, as did Jim Wells, Rett Patterson, Freddie Pierce, Jack Wood, Mitchell Williams, Stanley Renfro, Frankie Ferrera, and others. Gary Grogan was doing fine until injured and Roy Isham, a sophomore, came in and did a great job, as did Cal Womack at center.

Work On Passing
The Bulldogs still lack a passing offense, and as in the first game the passers failed to find End Eddie Howard wide open down field. End Macky Joe McWhirter was kept pretty well covered.

Pass defense looked bad early in the game as the secondary failed to react in time, but after the first quarter the boys tightened up and allowed only one other completion. Also, Jolly, Edwards, Wood, and others put tremendous pressure on the Chief passer and threw Blagg and Sursa for a total of 24 yards loss while trying to get off passes.

According to statistics, Tahoka should have won, making 184 yards net running and nine first downs, while holding Crosbyton to 69 yards rushing and 64 passing and seven first downs.
