Sidewalk Sales Day Will Be Held Saturday, Oct. 12

Tahoka's second annual Sidewalk Sales Day has been set for Saturday, October 12, by Tahoka Chamber of Commerce, sponsor. The unique event last October furnished fun and profit for a lot of people over this trade territory, and the merchants sold quite a bit of merchandise at bargain prices. Business people will again be asked to dress in the manner of yesteryear, and will be offering rare bargain to customers, states Turner Rogers, C. of C. president. There will be two of the "best clowns in America" present to amuse both kiddies and adults, and free candy, bubblegum, and balloons will be distributed to the kiddies. Business houses will move many items of merchandise right out on the sidewalk, unless weather prohibits, and there will be some rare bargains as well as some "duds."

There will be \$20.00 dresses for \$5.00, trace chains and horse collars, tools, toys, notions, dry goods, men's wear, cold drinks and cream cones for a nickel, hardware and appliances, drugs, popcorn, automobiles and tractors, hats and shirts—almost everything imaginable. The event is intended for fun, interest, business promotion, and an opportunity for local merchants to pass on merchandise to the public at greatly reduced prices and at the same time show appreciation for past business. Most merchants will also have special prices inside their stores, and invite the public to come in and shop around. There are no strings attached, says Rogers. "You might find something you want to buy, but, if not, come anyway and have a good time."

Some special booths are also planned by organizations who will sell cakes and pies, sandwiches, peanuts and popcorn, etc. Rose Theaters will be running a special matinee picture with admission reduced to 10 and 25 cents. The old-time Sidewalk Sales will start at 9:00 a. m. and continue all day, and people are invited to come early for the best bargains. The date is Saturday, October 12.

J. H. Edwards Is Buried In Austin
J. H. Edwards, 88, prominent pioneer Lynn county citizen, died Sunday at about 6:00 p. m. at his home in Austin, 6011 Grover, following an illness largely from infirmity. Funeral services were held Tuesday at 2:00 p. m. in Austin. Born in Ellis county in January, 1875, shortly after his parents had moved to Texas from Tennessee. Mr. Edwards grew up at Crawford and married Miss Mollie Goddard there in 1898. He and his then small family came to Lynn county in 1906.

He was a deputy sheriff under Lynn county's second sheriff, J. S. Wells. He was elected sheriff and served two terms, 1910 until 1914. He engaged in farming, later in the real estate business, and was with the Texas Railroad Commission for several years. Moving to Austin in about 1930, J. H. worked for the treasury department of the State of Texas for many years until retiring at the age of 64.

Mr. Edwards took a deep interest in politics, from the local level to the national, and was active here in almost every political campaign. The mother of his children died following their moving to Austin, and 10 years ago he was married a second time. Mr. Edwards was a member of the Baptist Church and helped organize the Masonic Lodge here, serving as the first Worshipful Master. A 32nd degree Mason, he was a member of the Hill City (Cont'd. on Back Page)

Jaycees Name Top Members

Bob Pennington and Clifton Clark have been voted "outstanding Jaycees of the month" for August and September, respectively. Each month a member of Tahoka Jaycees is cited for outstanding service to the club and to the community. Jaycees in their Tuesday night meeting voted to operate a booth to the Jaycees roster in the recent Day Oct. 12 at which those "delicious hot dogs of Little League tournament fame" will be sold and orders taken for Christmas trees. In charge of the booth will be Charles Osborne, Bob Anderson, and Clifton Clark.

Four new members were added to the Jaycees roster in the recent membership drive, according to John Ed Redwine. They are Bob Anderson, Ray Bradshaw, Milton Reynolds, and Billy Tomlinson. Osborne was winner of the meeting night jackpot.

PLAN BOY SCOUT DRIVE

Elda Cruce was dismissed from Tahoka Hospital Friday where she had been a medical patient.

The Lynn County News is 60 years old with this week's issue, first edition of the newspaper having appeared on October 4, 1903, with Otis and Inez Lilly as publishers. Second publishers were Mr. and Mrs. Harry C. Crie, who were followed by R. B. Haynes, now of Miami, and the business was acquired by the late E. L. Hill in October, 1923. Thus, the paper has been in the Hill family for the past 40 years this month. Actually, there was a gap of several months during 1904 and 1905 when no paper was published until revived by the Cries.

Tahoka Bulldogs Playing Ralls Jackrabbits Tonight

Tahoka Bulldogs go to Ralls tonight to test out the Jackrabbits, another tough team from District 4A, and will be seeking revenge for the 21-0 victory of the Caprock county boys here last year. Coach Gilbert Hough has a hard driving ball club, although inexperienced, which is pleasing to the fans, and, from judging from the past four games they will give the fans their money's worth tonight. The locals soundly outplayed favored Idalou here last Friday and lost 13 to 6. (See story in second section.)

But, Ralls is surprisingly tough, in spite of losing to Post 24 to 0 and to O'Donnell 20 to 7. Two weeks ago, the Jackrabbits outplayed Floydada most of the way and lost 20 to 3 in a game somewhat similar to Tahoka's loss to Idalou. Then, last week, came near upsetting Lockney before losing in the last two minutes 29 to 22. Coach Neal Chastain's boys like to pass, and rolled up 94 yards passing against Lockney, but there are some good runners, too, and Fullback Deering got away on a 70-yard run.

Although Chastain has been shifting players around considerably, these boys are likely to start: Ends: Gary Daniel, 170, all-district last year, who does the place-kicking; and Ronnie Smithee, 165, or James Holley, 185. Tackles: Mike Stark, 165, and James Anderson, 200. Guards: Dale Boone, 175, and Mike Wicks, 165. Center: Dwayne Phillips, 175, or Davey Abell, 150. Quarterback: Jim Parks, 150, a top passer last year. Halfbacks: Gene Dunn, 160 pound senior who was ineligible last year, and Ernest Esparza, 145. Fullback: Eugene Deering, 175, a hard runner.

Under the direction of Mrs. K. H. Gibson, leader of Troop 401, the girls gave the Girl Scout laws, promise and formed a friendship circle when they sang a song. Speakers at the meeting were Bill Ailing, finance consultant from Dallas Regional office; Mrs. L. L. Screwworm Check Advised By Agent

Lynn county livestock producers are advised by County Agent Bill Griffin to keep a close watch on their stock for screwworms, and report any suspected cases as quickly as possible. Nine airplane fly-overs were conducted during June and July in which sterile flies were dropped over Lynn county herds. Mr. Griffin says recent cases of screwworms have been reported in the nearby counties of Garza, Yoakum, and Gaines. BROTHER DIES. J. M. Porterfield, 81, brother of Gus Porterfield of Grassland and Mrs. J. E. Sherrill of Brass, died Sunday in Ontario, Calif. Funeral services were held there Wednesday. Mr. and Mrs. Gus Porterfield and son, Jim Bob, left early Monday to attend the services.

Lynn county has ginned only about 2,000 bales of 1963 cotton, a spot check of representative gins over the county made by The News Thursday morning indicates. There are few hands available, and most farmers are not anxious to hire cotton hand pulled but expect to await full maturity and use machines. Very light frost was reported north of Lubbock early Monday, but low temperature recorded in Tahoka was 40 degrees. Farmers are hoping the heavy frost or freeze holds off this year until the normal killing date, about November 10. In fact, due to the late crop, production this year depends a great deal on how late the first freeze comes, as much cotton still has to make. However, farmers report cotton is ripening unusually fast this fall. There is much cotton open, but in other fields cotton has hardly begun to open as yet. Some cotton is already reaching the stage that farmers may use defoliant to rush maturity and opening of bolls. County Agent Bill Griffin warns bollworms are still a threat in some areas and that farmers should keep a close check on them. He says weather has not been cool enough to stop work of bollworms. In the meantime, milo harvest is in all stages due to the wide difference in planting and maturity dates. Grain is coming in at a slow but steady pace.

Mrs. Boyce Evans Has Narrow Escape

Mrs. Boyce Evans of Abernathy and formerly of Tahoka narrowly escaped injury Wednesday of last week when a wheel weight from a passing car apparently flew into the windshield of her automobile

as she was driving from Lubbock to Abernathy on highway US 87. The incident was reported to have been a bullet, but no evidence of a weapon or person was found in the vicinity, and Mrs. Evans' parents, Mr. and Mrs. H. O. Hargett of Tahoka, said the article apparently was a wheel

weight. The passing car was travelling at a very high rate of speed and the weight shattered the windshield. Glass was strewn all over the front seat and into the lap of the driver.

Mrs. Evans is the wife of Rev. Boyce Evans, also formerly of Tahoka.

Tahoka School People Honored Here At Annual Rotary Banquet Thursday

Tahoka's teachers were guests of honor Thursday night of last week at the annual Rotary-Teacher banquet held in the school cafeteria. About 200 persons attended the event.

The group was entertained by the "Singing Plainsmen" a men's choral group from Lubbock which represents the Lubbock chapter of Preservation of Barbershop Singing in America.

Dr. Jack Bates, dean of Lubbock Christian College and president of the Texas Junior College Association, spoke briefly to the crowd.

To open the program Mrs. Harold Green sang "The Star Spangled Banner" accompanied by Rotary Sweetheart Montie McGinty as the room was darkened and the flag spotlighted.

Dayton Parker introduced Dr. Downs, president of the choral group, preceding the presentation of songs under direction of Dr. John Anderson, director and coordinator of music in the Lubbock Public Schools. Thoroughly enjoyed by the crowd, the Plainsmen sang several barbershop numbers, as well as "This Is My Country," "I Love the Whole United States," and "God Bless America." A barbershop quartet also presented several numbers. Perhaps the most entertaining personage to those who could see his facial expressions, was the director who was almost a one-man show.

Don Browning, president of Rotary and master of ceremonies at the banquet, welcomed the teachers. Mrs. Ivan McWhirter, third grade teacher, gave the response. Supt. Otis Spears introduced the school principals, who in turn introduced the teachers. Cleve Littlepage, president of the

school board, introduced the trustees.

Dr. Bates, presented to the group by Calloway Huffaker, said the only frontier that exists today is the minds and spirits of the youth of America. Amid several anecdotes, Dr. Bates hailed the "Unknown Teacher" and also read the "Little Boy's Essay on Human Anatomy."

Rev. James Eford, pastor of the First Baptist Church, gave the invocation and Rev. Aubrey White, pastor of the First Methodist Church, pronounced the benediction.

The meal was prepared by Tahoka Cafeteria and served by members of the local F. H. A. chapter.

Skit Presented At Meeting Of M.Y.F.

Afterwards questions raised in the skit were discussed and the program was closed with a hymn.

The New Home M. Y. F. has invited the Tahoka group to present the program there on Sunday, Oct. 6. Mike Huffaker and Allen Cox are in charge of the program, which will be a skit entitled "So You Want to be a Fellowship." Refreshments are to be served before the program.

The following article is reprinted from the September, 1963 issue of the "National Livestock Producer" in the interest of Lynn county farmers.

Farm homes protected by windbreaks can be heated for 22.9 percent less cost than homes exposed to the winter wind. Under good protection on three sides of the house, fuel savings may run as high as 30-percent, reports Karl

Loerch, forester, University of Nebraska. Windbreaks also reduce feed bills and increase calf crops. According to 86 livestock feeders on Nebraska plains the annual runs over \$800.00.

Another 62 livestock breeders put the calf saving of windbreaks at \$500.00 annually; and 53 dairymen reported \$600.00 annual savings. Windbreaks influence the qual-

ity and quantity of vegetables and fruits from gardens and orchards. The dollar value runs from \$80 to \$700 per year. Windbreaks add greatly to the comfort of the farm family and protect the buildings from the wear and tear of storms that sweep across the plains.

WASHINGTON AND "SMALL BUSINESS"

BY C. WILSON HARDER

It would seem logical that Congress should attach to whatever foreign give away bill is passed, a rider appropriating a billion dollars or so to furnish every 7-year-old American boy with a machine gun, and ammunition.

Thus, the American nation would be consistent. It would be encouraging domestic irresponsibility in the same reckless, reckless manner that C. W. Harder the U.S. State Dept. pursues irresponsibility abroad.

But such a proposition is perhaps no more far fetched than policy of giving irresponsible leaders of immature people lethal toys to play with.

Vietnam is a perfect example where some 2 1/2 billions of American tax dollars have been poured.

It is largely peopled with backward, ignorant people, to whom the meaning of democratic procedures are as much Greek as the Einstein theory.

Holding power over these people, in a small ruling clique. And apparently the degree of power held by President Diem is in direct ratio to the amount of military hardware the U.S. State Dept. has furnished him.

There is some doubt as to the strength of character this Diem person possesses.

This South is cast by widespread knowledge that he has let his sister-in-law, Ngo Nhu, run the show. From Asian standpoint National Federation of Independent Business.

Hostesses were Mrs. Kathy Doran and Mrs. Wilma Tyler of Tahoka, Mrs. Lavern McCleskey, Mrs. Rash, Mrs. Neida Murray, Mrs. Ollie Huffaker, Mrs. Bernice Gribble and Mrs. Laws.

C. W. Conway of Littlefield, where he is Piggy Wiggy manager, was over Friday night for the football game.

Mrs. Riddle's Kin Dies In Ft. Worth

She was the aunt of T. H. Riddle and A. D. Riddle of Tahoka and of Mrs. R. L. Christopher of Wilson.

Local relatives attended the funeral services.

4-H Club volunteer adult leaders and 4-H Club members in every county of Texas will benefit from a recent \$25,000 grant made by the Board of Directors of the Moody Foundation to the Texas 4-H Youth Development Foundation.

Calvin T. Johnson of Dallas, chairman of the Texas 4-H Youth Development Foundation, stated in receipt of the grant, "We believe this investment in 4-H, approved by the Directors of the Moody Foundation, is representative of a growing awareness and appreciation on the part of individuals, firms, and foundations in the 4-H Club youth movement. In other youth organizations, in my opinion, provides boys and girls greater opportunity to experience first hand principles of our agri-business economic system and to gain an understanding of individual citizen rights inherent in our U. S. Constitution."

The Texas 4-H Youth Development Foundation was organized by Texas leaders of agriculture, business and the professions in October of 1962. The Foundation's mission is to seek and disburse funds from private sources to underwrite 4-H Club activities for which no prior funds were available. Individuals, firms, and non-profit foundations are given opportunity to place with the Texas 4-H Youth Development Foundation a contribution, grant, bequest or through its program will Texas 4-H Club youth money or property.

Bobby Pendleton Writes Of Alaska

Bobbie Pendleton and wife, stationed at Mount View, near Anchorage, Alaska, has written an interesting letter to the Harlee Musick family.

He told of being sent up to Palmer, a small town nestled in the mountains, to display his Army personnel carrier at a fair, and found they raise fabulous vegetables in that near-arctic land, cabbages weighing 42 pounds, turnips nine, cucumbers four pounds, and other vegetables, fruits and flowers. Though small the fair was interesting.

One of the most beautiful sights he saw was the sun coming up at 4:00 a. m. behind one of the peaks through a sprinkling of fleecy clouds. "Talk about art and color, it was there!" he says.

The King Salmon are laying their eggs, turn red in color and then die. Moose caribou, sheep and goat season is open, and their landlord brought them moose steak, and he says it was very good.

He also writes of rifle fire practice, and the Airborne Troop exercises lasting three days with 100 or more men parachuting down only a half mile from his rifle range.

He said they had just had a state church conference in Anchorage, and says there were 77 in Sunday School Sunday.

Tahoka Loses Close Game With Idalou

Tahoka Bulldogs rolled up 19 first downs to six for Idalou and gained 307 yards to 209 for the visitors, and still lost a hard fought ball game here Friday night 13 to 6.

Except for allowing one long 57-yard touchdown run, a key 32-yard pass, and suffering a vital offside penalty, the Bulldogs turned in a stellar performance to stop cold the highly rated Idalou Wildcats most of the way.

Even in defeat, fans praised the Bulldogs for their stout performance on both defense and offense. On any ordinary night, they should have won a game like this one, but victory seemed not to be in the books for the boys on this Friday night.

Fullback Adolph Chapa carried the ball for 137 yards personally, more than the total rushing yardage of 130 for all the Idalou backs; and HB Hugh Jack Norwood added 83 yards; HB Gary Tomlinson 68, and Quarterback Terry Harvick five. The line did a fine job, and the pass defense was considerably improved. Blocking was excellent. But, the club still lacks a dangerous passing threat. Early in the game, Tahoka drove to the Idalou one-yard line, Chapa drove over for a touchdown, but this was nullified by an offside penalty.

For the Wildcats, HB Chris Weems, bottled up most of the time, but still was the difference because of his 57-yard touchdown run, a key pass reception and his stout defense. Also outstanding for Idalou on defense were J. T.

Benton, a linebacker, and David Whiting, a guard.

Opening the game, the Bulldogs held, and after making eight yards, the visitors were forced to punt. Safety Freddie Pierce brought the punt from the Tahoka 30 to the 37, and the Bulldogs moved for four successive first downs with Chapa, Norwood, and Tomlinson carrying, to the Idalou 8, where it was first and goal. Tomlinson made four, Chapa two, and Norwood one, and it was fourth down on the Idalou one when Chapa went over, but a Tahoka lineman was offside, and on the next TD try Norwood carried to the three.

Idalou gained nine in three plays, and Weems got off a booming 49-yard punt. Tahoka seemed to be moving goalward again as End Macky McWhirter caught a 10-yard pass from Norwood, 13 yards were made on the ground, and then a long pass to Pierce on the Idalou five was dropped, as many fans thought pass interference should have been called. Tahoka moved on to the Idalou 38, but another Tahoka pass was intercepted on the Idalou nine.

Wilson Winner Over Anton 32-6

Wilson Mustangs, winners in two games and losers in two, entertain Whiteface at Wilson tonight in their last non-conference game. The Mustangs are idle next week, and journey to Sands the following week to start conference play.

The game with Whiteface will be at 7:30 p. m. instead of 8:00, as have been previous games, Coach Doug Duncan says.

Wilson took a convincing 32 to 6 victory at Anton last Friday night, although the Bulldogs scored first. Sammy Crowson passed to Royce Baker on a 10-yard play for one TD. Crowson ran the conversion, then collaborated with Darrell Bishop in talking an Anton back behind his own goal for a safety. Later Crowson intercepted a pass and ran 80 yards to score, and still later ran up the middle 50 yards for another TD. Royce Baker ran the conversion. Final points came on a 25-yard dash up the middle by Johnny Koenig, following which Baker again ran the conversion.

Wilson has now won over Lazbuddie 34 to 6, Anton 32 to 6, and lost to Amherst 13 to 6, and O'Donnell 21 to 13, for a total of 84 points to their opponents' 46.

The team Wilson meets this week, Whiteface, has lost to Meadow, Cooper and Ropesville.

SCS Meeting Is In McAllen Next Week

More than 1,000 Texas farmers, ranchers and other land owners and their wives are expected to attend the annual convention of the Association of Texas Soil Conservation Districts at McAllen Oct. 9, 10 and 11, according to Bill Goldsberry, general chairman.

Federal and state conservation officials will speak, and visitors will see soil conservation projects in Cameron, Hidalgo, Willacy and Starr counties. The Texas conservationists will also be taken on tours of projects in Northern Mexico.

Men and women who attend the convention will be guests at extensive entertainment and hospitality programs planned by 56 members of 14 committees from 12 towns of the lower Rio Grande Valley. Among social events are five area breakfasts, hospitality rooms to welcome conservationists and their wives, Mexican costume dances and music by school pupils from Reynosa, Mexico, square dancing and a conducted shopping tour for women to Reynosa.

Jim Glover, convention manager of the McAllen Chamber of Commerce, has received advance inquiries indicating many delegates

plan to spend several extra days in the Valley before or after the convention so they can swim and fish in the Gulf of Mexico off South Padre Island near Fort Isabel or in huge Falcon Lake, do general Valley sightseeing and dine on wild game at Reynosa, a farming, oil and tourist city, 15 minutes from McAllen. Some of the visitors are planning to make the 4-hour trip from McAllen to Monterrey, Mexico, or the journey over the short paved Continental 281 highway to Mexico City.

WINS FREE TRIP

Mr. and Mrs. Vernon Turner of Lubbock recently won a free trip for selling a half million dollars in life insurance, and visited Lake Tahoe, Las Vegas, Reno, and old Virginia City. Vernon was amazed at the amount of money going through the slot machines in Nevada, and said he was told Las Vegas has 200,000 slot machines to grab the people's money.

Every week the newspaper leaves out some news it should have printed. Every week we have a few errors. But, folks, we can't know everything, and we can't print it if we don't know. So, let us know the news.

Why will young people deliberately commit such acts of vandalism as throwing coke bottles through plate glass windows, or going down the street breaking

off car radio aerials? Tahoka has been fortunate in having little of this type of action, but two such separate instances occurred on a recent week end. City officers solved the breaking of the windows through tracing fingerprints on the bottles, and the boys agreed to make restitution for damages. But, why do people do such things? Don't they realize this is a form of crime that can only lead to trouble, embarrassment to loved ones, and possible conviction in court?

Some local officers tell The News there is an element of our youth, some young married men and some girls, roaming our streets all during the night. What reason does a young man, married or single, or a girl, have for being "out on the town" after midnight or until four or five o'clock in the morning? Parents, you had better check on your youngsters! Young married women, you had better check on your husbands! Some are headed for trouble!

Maybe a curfew ordinance is needed with teeth in it. At least, we believe the City Council might do well to investigate the idea.

Most of our youth here in Lynn county are tags. In fact, we think we have the finest group of young people anywhere. But, a few "bad apples" can contaminate the whole barrel.

Another segment of our society has just about priced itself out of business. There will be very little more hand pulling of cotton in this area, unless something happens to change the situation. As a result, there will be more unemployment, and the farmer and the business man will suffer. Actually, the farmer will, in the long run, be better off than the other two groups. He simply converts to machine harvest, and saves about \$25.00 a bale on cotton pulling. Many times he will lose a little on grade, but many farmers had rather use hand labor, but are not going to pay out all their profits at \$1.75 to \$2.00 per hundred for such hand pulling.

Some of the sports writers are frequently taking shots at the Texas Interscholastic League, usually because of some stringent rule that prohibits some star

athletes from participating in sports. Sometimes, the rules do seem a little stringent, but the fact remains that Texas has the greatest interscholastic program in the nation and the rules are made to keep the sports and literary events clean and above board.

This year, the League reports, more than 100,000 Texas schoolboys on 966 high school teams are playing 4,800 games, which will be seen by nearly 10 million people. There are 3,500 men coaching these boys, and 1,872 officials are required each Friday to run the games, not including the thousands of others helping in various ways and the 200,000 or more other students in bands and pep squads. No other state in the Union has such a program. Pennsylvania comes the nearest to approaching that of Texas, as that state has a few more than 700 teams, although the Texas program is being used as a model by many states.

Football is a big recreational, educational and body-building program, but the basketball program has even more teams and more spectators, and the League also sponsors track, tennis, golf, and baseball programs. In addition, the literary side is the greatest in the nation and includes such fields as band, public speaking, spelling, mathematics, typing and

shorthand, journalism, and other fields. The Texas Interscholastic League not only promotes the glamour side of school work, but encourages youngsters toward higher goals in the educational field. It's a great organization.

The recent death of Nolan Von Roeder of Snyder while on a big game hunting trip in Africa with his wife, Opal, and two men friends, was a shock to many Lynn county people. Nolan was known by hundreds of Lynn county people in business, in farming, and because of his frequent visits and appearances before civic clubs with pictures and talks on his many hobbies. His first success was as a farmer-cotton variety developer, peach grower, and stock farmer—then as a businessman and oil man. But, Nolan Von Roeder was a man in every way, a man of honesty and highest morality, a family man, a community man, a builder in his town and Texas, a true sportsman, and a friend to all. The Printer and Mae were schoolmates of his widow, Opal, and extend her and other relatives our sympathy.

There is a loftier ambition than to merely stand high in the world. It is to stoop down and lift mankind a little higher.—Van Dyke.

The girl has an older sister and two brothers, and her grandmothers are Mrs. Mattie Jackson and Mrs. Blanche Wells, both of Draw. In some way, hospital attendants overlooked reporting the birth to The News at the time.

WASHINGTON QUOTED ON RACE RELATIONS

In these turbulent days a few words spoken in 1895 by the great negro scholar and educator, Booker T. Washington, should be recalled: "The wisest among my race understand that the agitation of questions of social equality is the extreme folly, and that progress in the enjoyment of all the privileges that will come to us must be the result of severe and constant struggle rather than of artificial forcing. No race that has anything to contribute to the markets of the world is long in any degree ostracized. It is important

and right that all privileges of the law be ours, but it is vastly more important that we be prepared for the exercise of these privileges. The opportunity to earn a dollar in a factory just now is worth infinitely more than the opportunity to spend a dollar in an opera-house."—Industrial News Review.

Idalou Wins . . .

(Continued from Page 1, Sec. 2)
Here, Tahoka had more misfortune, as an Idalou punt was touched by a Tahoka player and covered by an Idalou player. A pass, QB Raymond Ater to HB Benton was good for 14 yards, but Tahoka then held as Ater lost two, and had two passes incomplete, Weems punted only 17 yards, but Tahoka couldn't move, and Idalou brought the punt back to their 43. On the first play from scrimmage, Weems broke through left guard, cut to the right and ran 57 yards for a touchdown, and then he kicked the extra point.

Late in the same second quarter, Tahoka failed to move, but Milton Edwards, who played a fine game, covered an Idalou fumble, but two plays later, another Tahoka pass was intercepted by Weems, who ran back to the Tahoka 38. He then caught a fine 32-yard pass to the Tahoka six to set up the visitors' second touchdown. FB Manual Hinajosa made five, and then Ater on a keeper went off tackle for the score. Weems' kick was no good. That was Idalou's fourth first down.

Opening the second half Tahoka moved to the Idalou 41 in a sustained drive and held the ball on a fumble, but held the Wildcats. Mitchell Williams took the punt or the Tahoka 16, and Tahoka moved to midfield and lost the ball on another fumble.

Idalou made two more first downs in the fourth quarter on a 30-yard pass to Weems and a 12-yard run by Benton.

Then Tahoka got its scoring drive going when Gary Grogan covered an Idalou fumble on the Tahoka 6, and the Bulldogs moved on seven successive first downs to the Idalou four. Norwood made two, and then Chapa went through the line for Tahoka's score with only 58 seconds left. Norwood's kick was no good.

After the kick-off, Larry Jolly covered an Idalou fumble on the Idalou 32, and Tahoka had another

Lutheran Meeting In Lubbock Today

The Northwest Conference of the Southern District of the American Lutheran Church will meet at St. John Lutheran Church in Wilson on October 4-5th. There will be approximately 150 people attending the meeting.

Registration will begin on Friday, starting at 5:30 p. m. There will be a Communion Service following, with Dr. V. A. Mohr, president of the Southern District of the American Lutheran Church, delivering the sermon. Rev. Jim Herkholz of Slaton and Rev. John Onda of Wilson will be the liturgists. The remainder of the evening shall consist of the business meeting of the Conference under the direction of Rev. James Otterness, Conference president.

On Saturday the Conference will continue with an extensive study of the town and country church situation, with Luke 16:1-13 being the central Bible study. The main speaker will be Dr. E. W. Mueller of the National Lutheran Council. The Conference will adjourn Saturday afternoon at 4:30 p. m. with a fellowship circle.

The members of St. John Lutheran Church will house the Conference representative. Also the A.L.C.W. and the Brotherhood of St. John shall prepare all meals and coffee breaks.

Under the direction of Rev. Fred Scheffel of Sagerton the committee has planned an extremely well timed conference for our area.

According to Tom Henry in This Week Magazine, it costs the United States \$300,000 a day to store the six billion dollars worth of wheat, corn, cotton, butter, skim milk, and other farm surpluses.

Jim Wetsel, formerly of Tahoka, was here last week end on business and visiting old friends.

outside chance but only 26 seconds left on the scoreboard clock. McWhirter caught a pass for three yards, Tomlinson was stopped, and time ran out as Harvick was attempting a pass.

Other Tahoka boys seeing action included Eddie Howard, Jack Edwards, Jack Wood, Dennis Clem, Stanley Renfro, Dean Hamilton, Jim Wells, Charles Sayles, Roy Isham, Frankie Ferrera, and Bett Patterson.

This was a hard game to lose, but Tahoka fans were highly pleased with the spirit and desire of the Tahoka boys.
