Boll Weevils New Threat To Cotton

The boll weevil, most dreaded of all cotton insects and the hardest to control, has invaded the eastern edge of Lynn county.

County Agent Bill Griffin last week found the first evidence of boll weevils ever reported in this county in a cotton field east of Redwine.

Tuesday, in company with Don Rummell, area entomologist of the Extension Service, the Lynn county crops committee, and a group of other farmers made spot inspections in eastern Lynn and found boll weevil infestation in eight separate locations, principally adjacent to the caprock and the Double-U pasture.

Signs were found in the Grassland, Redwine, and Draw areas.

Boll weevils or weevil punctured bolls were found in the Carl Williams, D. W. Gagnat, Billy Loren Thomas, Jeff Huddleston, "Shorty" Williams, and Leroy Davis fields, and also in two fields a mile south and a mile east of Grassland. Boll weevils had previously been reported found at Close City over in Garza county.

Other men in the party making inspections were Carl Sanders, Robert Warren, Joe Lambright, and Bertice Askew of the county crops committee; Wilton Martin, O'Donnell ginster; Loyd McCormick, president of the Farm Bureau; Dan Cook, Wilson banker; Elmer Rash, and some of the other men on whose places the weevils were found.

Large areas of the South may have been ferred out of cotton production because of the boll weevil.

Until recently, agriculturists believed the winter weather on the Plains would prevent boll weevils from ever migrating to this territory.

But, two years ago, a few weevils (Cont'd On Back Page).

Walter Kahl, 60, Dies Suddenly

Walter H. Kahl, 60, a resident of Tahoka and Lynn county for 30 years, died suddenly at his home Friday at 11:30 a. m. He was found in the yard by a neighbor where he had collapsed. Death was attributed to a heart attack.

Funeral services were held Monday at 2:00 p. m. in the First Methodist Church in Tahoka with Rev. J. C. Herklotz, pastor of Grace Lutheran Church in Slaton, and Rev. Aubrey White, local Methodist pastor, officiating. Burial was in Tahoka Cemetery under direction of White Funeral Home.

Born in 1903 in Vernon, Mr. Kahl was married to Miss Mamie Lee Smith there in November, 1922. The couple came to Lynn county in 1903. Mr. Kahl was a farmer, had worked for many years at Carmack Gin and at Westside Grocery, owned by his late daughter and son-in-law. Mrs. Kahl died May 18, 1959 and his only daughter, Mrs. Dorothy Payne Renfro, died here Aug. 28 of the same year.

He was a member of the Grace Lutheran Church in Slaton. Survivors include one son, Walter J. of Tahoka; two sisters, Mrs. Delle Vogel of Lytle and Mrs. Elsie Gamble of El Monte, Calif.; and one grandson, Roger Renfro. Paulbearers were Olen Renfro, Harold Smith, C. O. Carmack, W. A. Fulford, Herman Renfro, J. W. Owens, Elmer Owens, and Joe Durham.

McCord On Trip

H. B. McCord Sr. flew out to Albuquerque Friday for a Phillips meeting, and flew back into Lubbock Saturday night in time to meet the family at the A&M Tech game.

Mrs. Hubert Tankersley was a medical patient in Tahoka Hospital from Wednesday of last week through Friday.

County Ginnings About 4,000 Bales

Lynn county had ginned only about 4,000 bales of 1963 cotton up to Thursday morning. The News estimates after making spot checks.

Tahoka gins had ginned a total of 720 bales. The late crop and shortage of hands will result in most of the crop being machine harvested. A few farmers have already defoliated, and many others expect to defoliate this week and next. The News is informed by airplane spray men. Others will wait for a killing frost.

Although gins are still coming in at a slow pace, gins men say many farmers will have better cotton harvest than they had expected. O'Donnell Index-Press reports 370 bales ginned there up until Tuesday evening.

Salvation Army Drive Planned

Harold Roberts is the campaign chairman of the annual Salvation Army fund drive scheduled to begin here on Oct. 21. Plans for the drive were made at a meeting of the local committee here Tuesday afternoon.

The kick-off breakfast will be held on the morning of Oct. 20 and it is hoped the drive will be completed in that week, Roberts stated.

Local volunteers are needed and those persons called upon to serve as team captains and workers are urged to cooperate with the drive.

Funds derived from the drive are used primarily for local people, and this year have been used in the following ways: Groceries, \$304.05; rent, \$15.00; shoes, \$2.02; medicine, \$14.54; hospital care, \$65.00; electric bill (sickness in family) \$26.31; and for transient lodgings, \$9.00; meals, \$11.34; cash aid, \$10.00; and transportation, \$29.76.

In addition the drive supports various rehabilitation centers, homes for unwed mothers, and a camp for boys near Dallas.

Last year the local chapter exceeded its goal and it is hoped that this year's drive will be as successful.

Local People Have Wreck In Canada

En route home from Alaska last week, Arnold and Ruby Cloe, Susie and Stevie Chaney, and Mrs. Reagan (Veda) Reed were involved in a serious car accident on the Alcan Highway, but fortunately no one was injured.

About 800 miles down the road in British Columbia and 30 miles from Fort Nelson, a tire on their car blew out, the car overturned, caught fire and burned on Tuesday of last week.

Some travelers picked them up and carried them into Fort Nelson. They proceeded by train to Seattle, Wash., where Arnold bought a station wagon and the party left there on Saturday for Tahoka.

Mrs. E. G. Halford was an overnight medical patient in Tahoka Hospital Wednesday of last week.

Building Permits Nearing \$400,000

Building permits in the City of Tahoka totaled \$382,739.00 this week for the nine-month period of 1963.

This includes \$152,300.00 since the last report was made in May. Most of the new construction is for new homes with the exception of that for a nursing home, addition to Lyntegar REA, and some other commercial improvements.

It does not include three new homes being built on the Fred McGinty property in the Roberts Addition, which is outside City limits, or other new homes near town, also outside City limits.

Permits have been issued to Shamburger-Gee Lumber Co. (J. W. Fenton home); Purcell Construction Co. (Lyntegar Electric addition); Jim Walters Corporation (Hubert Green home); Le-Voy's Nursing Home; Higginbotham-Bartlett Lumber Co. (W. W. Gurley home); Dub Tippitt (Dan Curry home); J. T. Garrett (Fenton Gin improvements); Purcell Construction Co. (Dale Beauty Shop addition); Canyon Lumber Co. (Winfred Craig home); J. W. Jaques, addition to house; and Juan Gonzales, addition to house.

Other new homes not included in the list are those of Norvell Redwine, located on the Post highway; Dr. Gerald Woods, H. O. Hargett and Jake Jacobs, all on the Fred McGinty property.

Also, not included in the figures is the new half million dollar school building program.

MRS. VIVIAN LINER

Foods Program Will Be Oct. 24

Mrs. Vivian Liner, home service advisor for Southwestern Public Service Company, will demonstrate labor saving and kitchen cooking hints at the Food Demonstration Oct. 24 at 3:00 p. m. in the Lyntegar board room sponsored by the Extension Service.

The demonstration is a major project of the Program Building committee of Lynn county, Mrs. Billie Carr, home demonstration agent, states.

Mrs. Liner received her B. S. degree from Mary Hardin Baylor College at Belton and did her graduate work at the University of Colorado and Texas Women's University. She has taught home economics in high school and worked as a home demonstration agent. She has been active in the work with women's organizations such as garden clubs, study clubs, American Association of University Women and church groups.

Mrs. Liner has served as vice president of Region II, Texas Home Economics Association and is now serving as state chairman of Housing and Household Equipment Section for Texas Home Economics Association.

The public is invited to attend the event. No admission will be charged.

A door prize will be given by Piggly Wiggly No. 1 and freezer foods will also be drawn for, Mrs. Liner announces.

Mrs. Laura Lewis was released from Tahoka Hospital Sunday where she had been a medical patient since the preceding Friday.

Old-Fashioned Sidewalk Sale Saturday

Saturday will be Sidewalk Sales Day in Tahoka, a lot of the merchants will have special bargains out on the sidewalk for sale, there will be booths, clowns, people dressed in old-time costumes, and a general good time is planned for old and young.

Sponsored by Tahoka Chamber of Commerce, the event is for fun and profit for the people of this trade area. If nothing else, one merchant says, the event affords a chance for people to visit, enjoy a few laughs, pick up a few bar-

gains, and affords a good-will gesture from merchants.

There will be some first class merchandise, some the merchants want to move, and some not worth much to anybody.

Two clowns and Tom's Peanut Man will be on hand to entertain the kiddies, and there will be free drinks, candy, etc.

Some merchants, clerks, the Pythian Sisters and Rainbow Girls, and others who desire will dress in old-time clothes in keeping with the old-time sales day.

Tahoka Jaycees will have a booth selling hotdogs, cold drinks, and taking Christmas tree orders; Pythian Sisters will be selling candied apples, popcorn balls and home-made candy; Young Homemakers will have aprons, pot holders and other gadgets; Girl Scouts will sell cookies, cakes, and pies; and among the others planning something are Rainbow Girls, Junior and Senior Classes, Brownie and Cub Scouts.

Rose Theatre will have a special show from 1:00 to 6:00 p. m. with admission charges reduced to 10 and 25 cents.

Retha Dunn, Chamber of Commerce secretary, says there will be old and new cars, boats, toys, jewelry, grab boxes, ladies' men's and children's wear, corsets, hose, trace chains, horse collars, furniture and hardware, photos, household items, buttons, tires and batteries, tools, farming implements and what-have-you on sale.

"Come on out, everybody," she says, "You might find something you want, and anyway, we think you can have a good time."

Turner Rogers, C. of C. president, says the event is being repeated on popular demand because so many had so much fun last year.

Officers Elected By Civic Club

The New Home Civic Club met Monday night with a dinner served by Underwood's to kick off its new year when 46 persons attended.

Guests were County Agent Bill Griffin and Mack Mauldin from the Soil Conservation Service. Mr. Griffin told the club of the seriousness of the boll weevil problem and of its presence in eastern Lynn county.

E. R. Blakney was re-elected as a member to the SCS committee from the New Home zone. Four new directors were named for two year terms, Leland White, John Edwards, L. H. Moore and Willie Nieman. Holdover directors include O. R. Phifer, James Farr, Gene Eades and Marlin Maloney.

Following the meeting the directors elected Leland White president of the organization, L. H. Moore vice president, and James Farr was re-elected secretary-treasurer. Moore also was appointed program chairman.

The directors planned for a large variety of programs for the coming year, and to push for a larger membership of old and new members.

All men of the community are urged to attend the monthly meetings.

Ex-Students Plan Meeting On Nov. 4

Tahoka Ex-Students Association is planning a Homecoming reunion for Friday, Nov. 4, the day of the annual Tahoka-O'Donnell football game, and this year the Class of 1943 will be holding its reunion at the same time.

Jesse Dorman, Ex-Student president, and Mrs. Helen Ellis, secretary, say an interesting program is being arranged by the Student Council for the afternoon program in the school auditorium at 2:00 o'clock.

Instead of a banquet, a salad supper will be held at 6:00 p. m. in the school cafeteria, and local ex-students will be asked to contribute salads for the affair. The meeting will be over in time for the O'Donnell game at 7:30.

A committee composed of E. L. Short, Charles Reid, J. W. Inklebarger, and Robert Harvick is seeking a full turn-out of members of the Class of 1943.

Other ex-students are invited to contact those living elsewhere and notify them of the Homecoming event.

Vandals Damage Local Residence

Vandals have recently "completely wrecked" the interior and furnishings of a house on North First owned by Mrs. Irvin Scarborough of Post, the former Mrs. Pauline Smith, and occupied recently by "Dub" Glass, who reportedly left his furnishings in the house and moved to California.

Holes were knocked in the sheetrock wall, and furnishings were almost a complete wreck. Destroyed or damaged were a refrigerated airconditioner, color TV and black and white TV sets, leather chairs and mattresses slashed, and other furniture overturned and broken or damaged. The damage was discovered Monday.

Girl Scout Fund Drive Opening

Tahoka's Girl Scout financial drive is getting underway this week, and help of the community is being sought in an effort to pay this town's part in the program and make up the current year's quota.

"Other towns in the Caprock Girl Scout Council have been paying the way of Tahoka Girl Scouts this year," states Wilton Payne, financial drive chairman.

Tahoka's dues for this coming year are \$946.00, and as such of this year's obligation of \$935.00 as possible should be raised, Girl Scout leaders declare.

Parents of the girls, businessmen, and other interested parties are being solicited to help put over this financial drive in Tahoka so that the Girl Scout work may be continued.

In addition to Payne, the finance committee is composed of Bob Connolly, Turner Rogers, Harold Roberts, Harry Lee Short, George Glenn, and Dayton Parker.

Citizens are requested to make their Girl Scout contributions to one of these committee members. Tahoka now has three Girl Scout troops, and leaders have been secured for two more troops, according to Mrs. Charles McClellan, neighborhood chairman.

The girls and their parents pay membership dues, camper fees and special activity fees, buy uniforms, etc.

Communities in which Girl Scouts operate are asked to furnish a proportionate part of expenses for administration, training of volunteers, troop organization, program services, camp administration, etc., for which a budget of \$97,820.80 is set up for the 18-county Caprock Council.

"The public always seems willing to come through on any program for boys but seems a little reluctant, for some reason, to support similar training for girls," a worker states. "Tahoka should get behind this program for the girls."

Tom Cogburn was an overnight medical patient in Tahoka Hospital Monday night.

Lynn Bank Deposits Up Nearly Million Dollars

Lynn county bank deposits are up nearly a million dollars for September 30 this year as compared with the call on the similar date in 1962.

The three county banks have \$12,065,001.55 on deposit, an increase over last year at the same time of \$448,712.05.

As this September closed, First National Bank of Tahoka had deposits totaling \$7,273,955.91. Wilson State Bank of Wilson reported total deposits of \$4,011,133.25.

First National Bank of O'Donnell had total deposits of \$1,779,912.39.

Bankers say they consider this unusually good considering the fact that this year's crop has been very expensive to many farmers and that very little of this year's crop money is reflected in the Sept. 30 bank reports.

Tahoka Bulldogs Have Open Date

Tahoka, O'Donnell, and Wilson football teams all have open dates tonight just before launching conference play Friday of next week, while New Home plays its last non-conference game today at Lushadde.

Friday of next week, Tahoka will entertain Plains, Sundown is at O'Donnell, Wilson goes to Sands, and New Home goes to Cooper.

They build, live in Tahoka.

Annual Lynn County Farm Bureau Meeting Is October 21 At Lyntegar

The annual convention of the Lynn County Farm Bureau will be held Oct. 21 at the Lyntegar directors room in Tahoka, according to Loyd R. McCormick, president. Meeting time is 7:30 p. m.

"This will be the most important meeting of the entire year for the local organization. Proposed resolutions on local, state and national matters will be voted on."

Adopted resolutions dealing with local issues will become the policies of the county Farm Bureau to guide it during the coming year. Approved resolutions dealing with state and national matters will be forwarded as recommendations to the voting delegates of the state convention to be held Nov. 10-13 in Fort Worth. There they will be acted upon and either accepted, rejected or amended. Those pertaining to state issues will become Texas Farm Bureau policies if adopted. Approved recommendations on national issues will be sent to the national

convention in December in Chicago.

Only members of the Farm Bureau can participate in the organization's policy-making process which begins with the local county convention and culminates in the annual convention of the American Farm Bureau Federation. More than 1,600,000 farm families have an opportunity to have a voice in the formation of the national Farm Bureau policies which are developed democratically through the series of conventions. Three out of every four organized farmers belong to Farm Bureau.

After the local county FB forms its recommendations on state and national issues, it sends voting delegates along with other county Farm Bureaus to the state convention. Each county's strength is based on its membership. These representatives of county Farm Bureaus approve the state policies for 1964 and the recommendations to the national convention. The Texas Farm Bureau, in turn, sends delegates based on its membership strength to the national convention where the national policies are adopted. Texas, the fourth largest state Farm Bureau, has one of the largest voting blocs at the national convention.

Many important issues are confronting farm people now, and it is important for farmers to express themselves on these issues in a manner that will enable them to be heard, the county FB president said. He urged all members to attend the meeting and participate in the discussion and voting.

Mr. and Mrs. Reese Married 50 Years

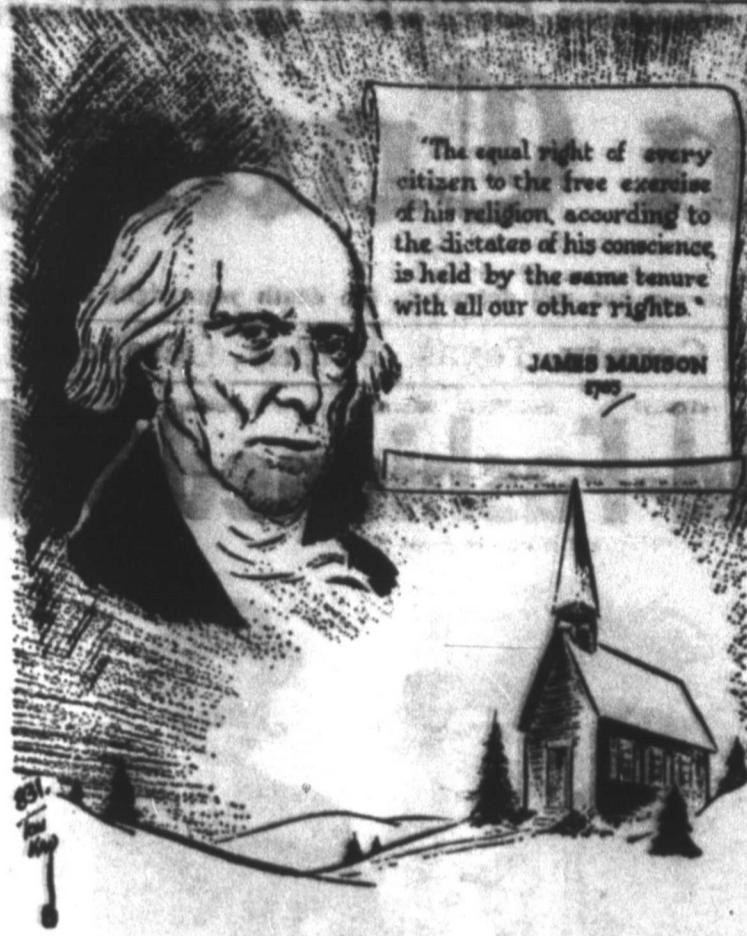

Mr. and Mrs. J. L. Reese, formerly of Tahoka, will be honored with a reception on their fiftieth wedding anniversary at 100 Donald Street in Fort Worth on Sunday, Oct. 13, from 2:30 until 5:00 p. m.

The Reeses lived here for many years before moving to Fort Worth to be near their two sons, Martin S. Reese, journalism professor and manager of the SMU press in Dallas, and Carra, who is employed in an aviation plant at Fort Worth. A daughter, Mrs. Jack (Lorene) Keyser, lives in Huntington, W. Va.

Proof Of Age May Be Secured From Census Bureau For Social Security

Last year, more than 14,000 residents of Texas turned to the Bureau of the Census, U. S. Department of Commerce, for help in proving where and when they were born. They needed proof of age to collect social security and other retirement benefits. They needed it to obtain passports. They needed it to qualify for jobs carrying certain age or citizenship requirements. They needed it for some forms of insurance.

These persons who requested assistance from the Census Bureau last year were among an estimated 20 million U. S. residents who are without proof of age or birthplace.

The historical records of the Census Bureau provide the only acceptable source of this information for many of these people. Since its beginning in 1790, the U. S. Census has recorded identifying data for almost 350 million persons, many of them listed several times in separate censuses. The Bureau has provided copies of these records to about 3.5 million people, as legal proof of age, place of birth, citizenship, or kinship.

Persons seeking such a record for social security purposes should go to the local Social Security office, or, for other purposes, write to the Personal Service Branch, Bureau of the Census, Pittsburgh, Kansas, for an application form. A fee of \$3.00 is charged for a search of not more than two censuses for one person and for one copy of the information found. Additional copies cost \$1.00 each. An expedited search costs \$4.00. Expedited searches are usually completed within a few days while the routine \$3.00 search may take up to 30 days, depending upon the backlog of requests.

The personal information in the records of the 1900 and later Censuses is confidential by law and may be furnished only upon the written request of the person to whom it relates or, for a proper purpose, a legal representative such as a guardian or administrator of an estate. Information regarding a child who has not reached legal age may be obtained upon the written request of either parent.

Congratulations—

Billy Graham Show Sunday

addresses the generation growing up in the shadow of the atomic cloud in his newest feature motion picture, "Touch of Brass," which premieres in Tahoka Oct. 13 at 8:00 p. m. at First Baptist Church.

Graham's producing organization, World Wide Pictures, took its sound-color cameras to the homes, factories, and places of amusement of Manchester, England, where the story of a working man's family actually took place. The dramatic cast was drawn from the locale itself, resulting in a ring of authenticity rarely seen on the motion picture screen. The film was directed by Dick Ross and runs the emotional gamut which includes something for every age group.

Scheduled with the dramatic feature is a Musical Featurette, "To God the Glory," which features the artistry and talents of the Billy Graham platform team: Cliff Barrows, song leader and master of ceremonies; George Beverly Shea, an internationally known soloist; Tedd Smith and Don Hustad at the piano and organ, and the voices of the Christianaires Choir.

A unique highlight is a "Sing Along" segment in which the audience participates as Cliff Barrows conducts.

The two motion pictures provide a full evening of inspiration and spiritual challenges blended in a most unusual manner.

The public is cordially invited

to attend the Tahoka premiere of this latest Billy Graham dramatic film, "The Touch of Brass," at the First Baptist Church, Oct. 13, 8:00 p. m.

The state of Delaware has a perfect circular arc for one of its boundaries.

New Home PTA Plans Projects

The New Home Parent-Teachers Club met October 3 at 3:30 p. m. with eighteen members present. The meeting was called to order by Mrs. Charles Louder and the minutes were reported by Mrs. Barney Mayfield.

Goal committee chairman was Mrs. Wayne Tekell and she presented several project suggestions. Some of them were as follows: Landscaping for a patio for the new school building; air conditioning for the cafeteria; stainless steel and glasses for the cafeteria; and workbooks for children in grade school. All of these suggestions were accepted by the members present at the meeting.

Some suggestions made for some fund raising projects were: two volley ball tournaments, white elephant table, and a calendar.

The Parents-Teacher Club meets the first Thursday of every month and they wish to extend a cordial invitation to all parents and teachers who are interested in attending the meetings.

Tatum-Harris Double Ring Ceremony Read In O'Donnell Methodist Church

Miss Jackie Charlene Tatum and Rodney Vance Harris exchanged double ring wedding vows at 8:00 p. m. Friday in the First Methodist Church in O'Donnell. The Rev. David Hamblin officiated.

The bride is the granddaughter of Mrs. John Tidwell and the bridegroom is the son of Mrs. Otis Harris and the late Mr. Harris.

Given in marriage by her uncle, the bride wore a formal length gown of white peau de soie featuring a scalloped neckline and petal sleeves. The fitted bodice was designed with a pleated midriff and flowed into a pleated skirt. Her veil of imported French illusion was attached to a crown of encrusted pearls. She carried a bouquet of white and tinted roses atop a white Bible.

Maid of honor was Miss Sherry Harris, sister of the bridegroom. Her dress was of blue cotton satin similar to that of the bride's. She carried a single long stemmed white rose.

Ston D. Harris served his brother as best man. Ushers were Venson Caswell, cousin of the bride, and Donald Krepps, cousin of the bridegroom.

Miss Jan Caswell and Mike Mensch were candlelighters. Flower girl was Debbie Sue Mensch and ring bearer was San Mensch. Mrs. Carr Spraberry accompanied Tim Rexrode, soloist, in wedding selections.

A reception followed in Fellowship Hall. Composing the house party were Misses Wanda Seaton and Diane Tatum.

For travel the bride chose a three-piece beige ensemble with dark brown accessories. The couple will be at home in O'Donnell.

FHA at New Home Holds Initiation

New Home Future Homemakers of America held its monthly meeting Monday night with Gailyn McMillan presiding.

Minutes of the last meeting were read by Janie Milliken, secretary.

Following the business session, 11 Freshman girls were formally installed as members of FHA. Each was given a red rose and received her FHA pin. The table was laid with a white lace cloth, 12 white candles and one red candle.

As each candidate repeated an FHA purpose, she lit a white candle with the red candle. Refreshments were served by members of the Junior Class, who acted as hostesses.

Officers for the 1963-1964 school year are: Gailyn McMillan, president; Paty Swinson, first vice-president; Shirley Smith, second vice president; Treva Kiehl, third vice president; Diane Newman, fourth vice president; Josephine Castro, fifth vice president; Janie Milliken, secretary; Peggy Marshall, historian; Eddie Halford, parliamentarian; and Donna Morris, treasurer.

Miss Gerene Harris is the Chapter sponsor, and Chapter parents are Mr. and Mrs. J. T. Swinson.

David Unfred has been elected FHA Beau for the coming year.

Local MYF Visits New Home Church

The Tahoka MYF presented a program to the New Home MYF Sunday, a three-part skit entitled "So You Want to be a Fellowship."

The first and last segments of the skit involved a youth and his parents attending the youth's first meeting. The second portion was directed at new MYF members in telling how the organization was founded and the meanings of the different symbols.

Following the skit, a panel discussed the word "fellowship." Refreshments were served and recreation was provided.

The bi-monthly meeting of the Spearhead Sub-District MYF was held Wednesday with the New Home Methodist Church serving as the host church. The theme of the program was stewardship and what youth can do to further the cause. A meal was served and recreation provided.

Many Lynn People In Higher Income Bracket

(Special to The News)
New York — A larger segment of Lynn county's population than ever before is now to be found in the middle and upper income brackets.

The income gains of recent years have carried many of them to new and higher levels. Families who had been in the \$4,000 to \$7,000 category have moved into the \$7,000 to \$10,000 bracket. Their former position has been occupied, in turn, by families who had been in the \$2,500 to \$4,000 group previously.

The facts are brought out in a breakdown of 1962 incomes, conducted by Sales Management. The copyrighted study, which shows the proportion of the population in each grouping, covers the entire country.

It determines, for each community, whether the so-called "average income" is enjoyed by a large part of the population or whether it is merely a statistical figure resulting from a balancing off between very high and very low income classes.

Some 1,318 households in Lynn county had disposable, cash incomes last year of \$4,000 or more, it is shown. This was after payment of their Federal and state taxes.

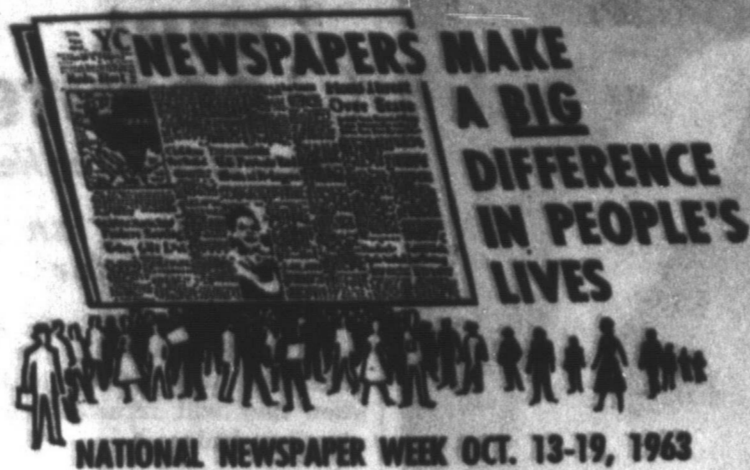

It marked a gain over the preceding year, when there were 1,268 local households in the "over \$4,000" bracket.

The change in the one year amounted to 3.9 percent. The comparable gain in the United States was 2.7 percent. It was 3.6 percent in the State of Texas.

At the \$7,000 to \$10,000 level locally are 233 households, the breakdown shows, and, at the \$2,500 to \$4,000 level, 617 households.

It all adds up, for the average family, to greater purchasing power than before. The increase in its net cash income has more than kept pace with the rise in the cost of living, according to the U. S. Office of Business Economics.

It reports median income in 1962 was \$220 higher, nationally, than it was in 1961. The prices of

Pfc. Jerry Kelley In Air Exercises

Fort Benning, Ga. (AHTNC)—Army PFC Jerry L. Kelley, son of Mr. and Mrs. William V. Kelley, 1721 S. Fifth St., Tahoka, is participating in Exercise SKY SOLDIER I, a 23-day 11th Air Assault Division maneuver, which is scheduled to end Oct. 15.

The men of the 11th Division will be deployed by helicopter at the request of the government of "Stewartland," a hypothetical republic established for the duration of the exercise and located near Fort Stewart, Ga., to assist the country in repelling aggressors from "Georgiana," another hypothetical country.

The exercise is designed to test the effectiveness of the Air Mobile concept, which entails the descent in mass of helicopter-borne combat troops on enemy positions and the regrouping of the troops for immediate assault elsewhere.

The 19-year-old soldier, a mechanic in Headquarters Company, 3d Battalion of the division's 187th Infantry, at Fort Benning, G., entered the Army in March 1961 and completed basic training at Fort Hood, Tex.

Kelley attended Tahoka High School.

consumer goods and services advanced only one-third that much, however, in the year, so that real purchasing power rose nearly \$190 per family.

The big incomes earned today, compared with what they were 10 or 15 years ago, are attributed, in part, to the fact that nearly half of the nation's families now have two or more wage earners. The answer is that many more married women have entered the labor force.

MRS. GATTIS RECOVERING FROM BROKEN FOOT

Mrs. Eldon (Mary Ellen) Gattis is able to get around some without a cast now and her foot, broken six weeks ago at her home, is reported to be healing nicely. The break occurred when she was walking across the floor. The unusual thing about the fracture was that no accident occurred causing the injury.

NORWOOD OUT OF FOOTBALL

Hugh Jack Norwood, one of Tahoka's star halfbacks who received another leg injury at Ralls Friday night, is out for the season and his doctors have advised him not to play anymore football. Norwood has been a key player on both offense and defense.

DR. DURHAM ATTENDING ATLANTIC CITY MEETING

Dr. K. R. Durham will be among 28 dentists representing Texas at the 104th annual session of American Dental Association being held Oct. 14-17 in Atlantic City, N. J.

He will serve as a delegate to the House of Delegates, legislative body of the Association and is the only representative from the South Plains.

More than 500 essays, clinics, lectures, films and exhibits will be presented on the scientific program, held in conjunction with the annual business meeting.

Attendance of 18,000 dentists, dental educators, dental manufacturers and guests is anticipated. The Association last met in Atlantic City in 1956.

KENNETH THOMPSON HONORED WITH PARTY

Kenneth Thompson, son of Mr. and Mrs. L. B. Thompson, was honored with a birthday party at Lynn County Special School at Tahoka recently. This was the school's first birthday party of the 1963-64 school year.

Every child has a party and wears a Silver crown, making them a king or queen for the duration of the party.

Kenneth's mother brought a beautiful cake topped with 14 lighted candles. He received many gifts.

MARTINS JUNIOR MEMBERS OF ANGUS ASSOCIATION

Bobby J. Martin, 12, and Fred W. Martin, 16, of Tahoka, have been granted junior memberships in the American Angus Association at St. Joseph, Missouri, announces Frank Richards, secretary.

Their new junior memberships, issued during September, enable them to register their purebred Angus at regular membership rates and entitle them to the privileges of the Association until they reach the age of 21. At that time they will be eligible to convert to lifetime memberships in the Association.

The Martins were among the 245 young people in the United States to receive junior memberships last month.

Mrs. Simon Martinez was released from Tahoka Hospital last Thursday after receiving treatment as an overnight medical patient.

Rhythm Ryders Again Available For Local Programs

The News has been informed that the Rhythm Ryders, an independent musical combo organized by students of Tahoka High School, have obtained a large assortment of music in all styles and moods, and have resumed rehearsals in order to prepare for public performances.

The combo, which performed for several affairs last year, does not charge for its services because of University Interscholastic League regulations. The musicians will perform for church, club and civic affairs, as well as for other organizations.

Should anyone desire a 15 to 30 minute program (or longer, if requested) of musical entertainment, please contact a member of the combo: John Huffaker, Paul Kenley, Carroll Curry, Ronny Hudgens, Marla Bray or Ralph Brock, and arrangements will be made for a performance.

One nautical mile measures 6080.2 feet.

Mr. and Mrs. J. W. Gaskins of Fort Worth came Tuesday to visit a few days with her sister, Mr. and Mrs. Ray Foster.

The Young Married Couples Sunday School Class of the First Baptist Church had a class social Thursday night in the home of Rev. and Mrs. H. F. Scott. O'Donnell Man Has Pictures And Paper From Gail Dated Back In 1901

Some early history of this section is contained in a photostatic copy of The Borden Citizen, volume 1, number 23, dated May 30, 1901, published at Gail by James L. Dow, brought The News Monday by Naymon Everett of O'Donnell.

Naymon brought the paper, some early day photographs, and some school programs up to get Tom Hale to try to identify people in the picture, but on missing Tom he left the relics with The News. They were furnished to Naymon by the Maurice Downards of Clinton.

Naymon was born just north of Big Spring, but his parents moved to Gail when he was one year old and he grew up there. His father, the late J. Y. Everett, is dead, but his mother lives in O'Donnell with a daughter, Mrs. John (Flossie) Johnson. His four brothers, Roy, lives in O'Donnell, Dewey in Snyder, Glenn in California, and Travis in Lubbock.

The Borden Citizen was established Jan. 22, 1901. The publisher, James L. Dow, later owned the Lubbock Avalanche, and was connected in some way with The Lynn County News for a time when R. E. Haynes came down from Lubbock to take over publication of The News.

There was no Tahoka at the time, and Lubbock was a small inland town. Gail was quite a trading post and on the freight lines from Colorado City and Big Spring.

Gail had two lumber yards, two hotels, the D. Dorward drug store, a doctor, a lawyer, barber shop, two general mercantile stores, and a wagon yard advertising in the paper. One of the hotels was the Hale Hotel, with Thos. W. Hale, grandfather of Tom Hale Sr. of Tahoka, the proprietor, and advertising "still here to accommodate the public; table supplied with the best West Texas affords; we solicit a full share of trade at moderate rates."

One item of interest to Lynn county people is: "W. D. Nevels (later a Tahoka banker-rancher) return from Big Spring Wednesday where he had been to meet his mother who was returning from a visit to relatives in the east." Another revealed Mr. Sanderson and son-in-law, Mr. Johnson, had bought the Nevels ranch.

Another revealed M. V. Brownfield had bought the 30-section ranch of Bob McNairy in Terry county.

The paper contains advertisements from Big Spring and Colorado City, and also advertisements

CHARLES BOSWELL WILL BE HONORED AT BANQUET

Charles Boswell of Tahoka is one of 86 Southern Division employees of the Southwestern Public Service Company who will be honored next Tuesday at the 15th annual service awards dinner in Lubbock.

Boswell will receive a 15 year service award from A. R. Watson, president and general manager of the electric company.

L. D. Moss of Seagraves, with 40 years service, is the Southern Division's top honoree this year. Throughout Southwestern Public Service Company's 45,000 square mile service area, 285 employees with a combined service of 3,715 years are being honored at service awards dinners this year.

The battle between the Monitor and the Merrimack took place at Hampton Roads, Virginia.

for Arbuckles' Roasted Coffee, Wetmore's chewing tobacco, Western Canada farms, Peruna, Morphine, Thompson's Eye Water, Morphy's Cure for Consumption, "I Cure Pits", and Certain Cough, Chill and Corn Cure, George Washington Soda, and Cascarets, best for bowels and liver.

Mr. Dorward also sent Naymon some prescriptions issued by Dr. J. N. Prince and filled by Dr. Dorward & Co., Druggists, at Gail in 1902, for the late C. B. (Charlie) Morrison for Jewel Fritz of O'Donnell, old Gail citizens.

There were copies of the Gail school commencement program of May 19, 1913, at which Naymon gave a reading, "When I Die," and Dewey Everett a declamation, "A Beautiful Spring Onion." Another program was on Miss Kent's expression and oratory class in 1913, in which Naymon and Flossie and also Alta Mae Hale and Demah Brown, cousins of Tom Hale, appeared.

A group picture shows almost a hundred students outside the two-story frame Gail school building in the year 1900-1901, when J. D. Brown and Minnie Russell were the teachers.

Another picture is an interior view of the drug store, which opened in 1901, and a snow scene with Gail Mountain in the background and four people in a sled pulled by two horses in the foreground.

Tom Hale's father first settled at Gail in 1887 or 1888, before the county was organized, and Tom was born there and attended the Gail school. His aunt married J. D. Brown, the school superintendent who is in some of Naymon's pictures.

GRASSLAND NEWS

(Mrs. O. H. Hoover)
Here is a fish story that is a fish story. Jim and Inez McGrew have just returned from Justin, Calif. where they visited their son, Gary and family. Gary is stationed at the Air Force Base there. Jim, Inez and Gary went out about 80 miles in the Pacific Ocean to fish for Albuore and did they bring them in! Inez caught one 20 pounder and Jim caught several large ones. They brought home the evidence (or did they). They exchanged the live fish pound for pound for Sportsman Special pack in cans. They were delicious—I had a sample.

Mr. and Mrs. C. M. Greer spent Saturday and Sunday in San Angelo at his brother's, Aaron Greer. They went to church services twice daily and had a delicious lunch Sunday at the church.

Mr. J. W. Fox is about the same.

Mrs. Amos Gerner visited Mr. and Mrs. Rufus Gerner Sunday night.

Mr. and Mrs. L. T. (Doc) Reeves of Richmond, Calif. were overnight guests in the home of Mrs. O. H. Hoover Saturday night. They operated several different kinds of business in Grassland, such as a grocery and variety store, filling station and machine shop. They have been in Richmond, Calif. for 21 years but still love Texas and Grassland.

Mrs. O. F. Haley had a heart attack last week. Her daughter, Mrs. Amos Gerner has been taking care of her. She is much improved.

Mr. and Mrs. Albert Odum and children of Post were visitors Sunday in the Ralph Dean home. Later in the evening the Deans visited Mr. and Mrs. Wilbur Morris and Mr. and Mrs. Harlan Morris.

Lucille Walker and Billie Jean Inklebarger spent the day Friday in Lamesa with Billie's mother, Mrs. Clifton and Inez McGrew.

Mr. and Mrs. Ray Norman and Mr. and Mrs. C. A. Walker spent the week end at Stamford Lake fishing.

Jerry Baker of Arlington visited his mother and sister and also the Amos Gerners over the week end.

Mr. and Mrs. B. Norman visited Mr. and Mrs. Earl Gregg Sunday. The Normans live in Levelland. Other visitors the past week were Mrs. Pauline Gregg, daughter and grand daughter of Ropes. Mrs. Gregg is not improving as fast as we would like for her to.

Mrs. Polly Chism and Mrs. May Lewis visited the Kelly Laws and Dean Laws families over the week end. They were on their way to Hobbs, N. M.

Mr. and Mrs. W. T. Luttrell attended funeral services of Mr. Kahl in Tahoka Monday.

Mrs. Cardie Laws of Tahoka was an overnight guest in the home of her son and family, the Kelly Laws.

Mr. and Mrs. Anton Mueller and Linda Kay visited over the week end in San Angelo with Mr. and Mrs. Raymond Gerner.

Lee Mason was a visitor in the Amos Gerner home Monday afternoon.

Attending the Nolan Von Roeder funeral services in Snyder last week were Mr. and Mrs. M. L. Thomas, Mr. and Mrs. Roy Appling, and Roy LeMond. Mr. Von Roeder died in Africa while on a big game hunting expedition.

Miss Mildred Jones and Miss Edith Frost of Dallas visited Miss Gladys Fox Tuesday. Miss Jones was a Sunday School teacher of Miss Fox for a number of years.

Mr. and Mrs. John Paul Lawson and girls Susan and Cindy spent Monday and Tuesday with his mother, Mrs. E. A. Thomas.

Mr. and Mrs. Roy Appling have gone to Killen and Copperas Cove to visit their daughter, Mrs. Short, and their grand children. They plan to stay several days.

Mr. and Mrs. Gus Sherrill and Paula visited Mr. and Mrs. Sterling Bearden in Stephenville over the week end.

Mrs. C. R. Smelser is ill at this writing.

Mr. and Mrs. Harold Blackstock and children of Morton spent the day Sunday with Rev. and Mrs. C. B. Smelser.

Mr. and Mrs. Leslie Cook of Lubbock and their grandchildren spent the day Sunday with her mother, Mrs. A. Z. Sewell.

Mr. and Mrs. Bert McDonald have gone to Arrow Head Camp to a layman's retreat.

Mrs. Robert Weatherby of Hobbs, N. M. spent the week end with her sister, Mrs. Dean Laws. Mrs. Viola Terry of Post had a little party Friday night after the football game. Attending were the Glen Norman family, the W. H. Child family, and Mrs. Maxine

Mrs. Mary Ellen James and son Wayland Lee of New Home made the guided tour at world famous Carlsbad Caverns National Park in New Mexico, where the visitors helped set a new travel record. Try The News Classified Ads

Juniors Win One, Tie One At Slaton

Tahoka's seventh and eighth grade teams travelled to Slaton Tuesday night with the seventh grade taking a 19-6 victory and the eighth grade tying 8-8.

Coach Milt Pitts' seventh graders romped over the junior Tigers with Larry Arnold making two touchdowns, one on a 10 yard run and one from four yards out. Jim Adams hit paydirt on a 30-yard play when he received a pass from Charlie Brown.

Defensive standouts were Michael Glenn, Charlie Brown and Jody Edwards.

In the second quarter of play, Coach Dave Easterday's eighth graders took the lead when Cliff Thomas broke loose and raced 64 yards for a touchdown. Another long 50-yard run on the part of Dickie Van Hoose who crossed the goal line was called back on a penalty.

In the third quarter Slaton scored on a 15 yard run around right end. With conversions successful for both teams, the game ended 8-8.

Outstanding on defensive were Gary Brooks and Thomas.

W. B. Holland Opens Pool Hall Here

Tahoka Cue and Cushion Club opened this week in the Gattis building on the west side of the square. W. B. Holland of Post is the owner, and H. M. Woods, who has moved here from Abernathy, is the manager.

Mr. Holland says the pool hall will strictly observe rules for clean, wholesome recreation, and there will be no drinking, gambling, or cursing allowed. Also, no one under 18 years of age will be allowed in the hall unless accompanied by a parent, and then only after school hours.

Leaders Selected For Junior Band

A drum major and three twirlers were chosen for the Junior Band Monday afternoon following try-outs.

Janice Rentro will lead the junior group as drum major. Twirlers include Kathy Curry, Alta Hale and Patricia Young. All are seventh grade students.

The Junior Band will appear at various activities this year under direction of Vic Kyler.

Boll Weevil, A. E. Baker, 54, Is Buried Friday

(Cont'd. from Page 1)
found in eastern Floyd county. Then, last year, extensive weevil damage was reported in eastern Floyd and Crosby counties.

This year, weevils have been found all along the caprock country and as far interior as ten miles or more from Briscoe county down through Floyd, Crosby, Garza, and Lynn as far south as Draw.

Weevils feed almost exclusively on cotton, and fly as far as 35 miles, Mr. Griffin says.

Farmers in some of these counties, particularly Floyd and Crosby, where infestation has been damaging, organized a six-county Boll Weevil Committee, headed by Don Anderson, Crosbyton farmer, and means of fighting the boll weevil migration are being studied.

Last Friday, 65 key area agricultural leaders and boll weevil researchers and specialists met in Lubbock to discuss the alarming migration of weevils, the growing threat to the vast Plains cotton industry, and methods of halting the spread.

Attending the meeting were boll weevil specialists from Washington, D. C., Beltsville, Md., Gulfport, Miss., Arizona, Texas A&M College, and from several agricultural agencies.

Fighting the insect is an expensive proposition, sometimes as much as \$50 an acre, and certainly not less than \$15.00 an acre. Cotton men say the weevil must be controlled, regardless of cost.

Even establishment of a buffer zone along the caprock, The News is informed, might cost up to \$10 million.

Experiments with the sterile method, similar to that used in eradicating screwworm flies, have not been too successful so far.

Following is a brief history of the boll weevil published by The Cotton Gin and Oil Mill Press of Dallas:

Boll weevils pass the winter as adults in weeds, grass, woods trash, or protected places near cotton fields. They leave winter quarters and return to cotton fields in the spring when the weather is warm enough for cotton to grow, and they remain there until frost. Boll weevils prefer to feed on and lay their eggs in squares, but they also attack bolls. Eggs are laid singly in deep punctures made within the squares or bolls, and after 3 to 5 days they hatch into white larvae, or grubs. The grubs feed for 7 to 14 days and then change into pupae within the squares or bolls. The adults emerge from the pupae in 3 to 5 days and cut their way out. After feeding on blooms, squares, or bolls for 3 to 4 days, the females are ready to lay eggs. The complete life cycle from egg to adult weevil requires about

Local People's Kin In Peace Corps

Mrs. Frank (Claudia) Raindl's grandson, Roy J. Spann, is with the Peace Corps in East Pakistan. After undergoing a strenuous program at the University of Chicago for three months in preparation as a volunteer for the Peace Corps, Roy, son of Mr. and Mrs. Lon E. Spann of Houston, was assigned to East Pakistan for two years to teach science. He also had to learn the Bengali language. Roy left New York Sept. 12 and the trip took 36 hours actual flying time, 46 hours in all to reach his destination.

Mr. Spann, 26 years old, was born in Moulton, received his B.S. degree in chemical engineering from the University of Texas in 1960, and studied at the University of Texas School of Law. He lacks four hours on his law degree. He is a member of Alpha Chi Sigma professional chemical fraternity and a member of the American Institute of Chemical Engineers. Roy's older brother, Robert, also a University of Texas graduate in aeronautical engineering, is a research engineer for N.A.S.A. in Houston in the space suit division for the Apollo Moon project.

Rugged Ralls Is Winner Over Bulldogs 13 to 0

Tahoka Bulldogs ran into a big rugged ball club at Ralls Friday night and lost a 13-0 decision to the Jackrabbits.

After having played four fine games previously this season, the Bulldogs possibly had a little let-down but they still put up a good battle. Several Tahoka boys had been ill during the week. HB Hugh Jack Norwood went out with a leg injury early in the first quarter, HB Mitchell Williams went out with a back injury at the half, and FB Adolph Chaps was playing with an injured hand. However, Tahoka coaches said they had no apologies, no alibis.

Ralls just had some big rough backs, that Tahoka was not able to stop completely, and some with fans said their boys played one of their better games.

On the good side of the ledger, Tahoka found a runner in Sophomore Halfback-Quarterback Stanley Renfro, who gained 40 yards on 10 tries, while Gary Tomlinson had a good night running for 97 yards on 14 carries. Furthermore, the Bulldogs have an open date this week to get in shape for the 5-A conference season, before opening with Plains Cowboys here Friday of next week.

Taking the kickoff, Tomlinson ran the ball out to the 40, got a run of 17, as he and Norwood, Renfro, and Chaps carried to the Ralls 20. The next play went to the Ralls 16, but Tahoka was

charged with clipping. A fourth down pass to End Eddie Howard was good for eight yards to the Ralls 23, but the ball went over.

Tahoka held, forced Ralls to punt, and Renfro brought the kick from the Tahoka 37 to the 40. HB Williams got away on a 10 yard run, a pass was incomplete, and Tomlinson gained 17 to the Ralls 18 for the second Tahoka scoring threat. However, the Bulldogs were able to move only to the 12, where the threat died.

Norwood went out with his injury on Ralls' second play, and the Jackrabbits moved out to the 36 before having to kick. Tahoka couldn't move in the second quarter, and late in the period, Ralls' QB Gene Dunn completed a 7-yard pass to HB Jim Parks, who alternated with him at quarterback, and then Parks passed to Dunn for the first Ralls score, the play good for 33 yards, as Parks made a remarkable catch. The kick was no good and the half ended 1:51 minutes later.

Opening the second half, Ralls immediately moved for the second score. Big Gary Daniel went 13, and three plays later, Ronnie Smith took a pass for 21, and then Parks broke thru the Tahoka line, evaded a couple of tacklers and went 32 yards to score. Daniel's place kick was good this time for the final score, 13-0.

Tahoka had one more serious threat. Chaps brought the kick-off to the 35, and the Bulldogs moved a four first downs to the Ralls five-yard line, but four plays lost back to the 21. Ralls, in the fourth quarter could not get a scoring drive started, but Tahoka also made only one first down and a bulldog pass was intercepted on the last play of the game.

Also outstanding on offense and defense for Ralls was another big boy, FB Eugene Deering, who carried the ball for 89 yards on 15 tries.

In spite of the pass completions for Ralls, the Bulldogs looked better to The News man on pass defense, but they had trouble all evening containing the rangy, hard-driving Ralls boys and their tricky hand-offs.

New Home Leopards Continue Rampage With Another Victory

The undefeated victory-happy New Home Leopards travel to Lasbuddie tonight for the final non-conference game before opening 3-B conference play at Cooper on October 18.

Playing before a home crowd Friday night, New Home won a free-scoring 46 to 20 battle over New Deal Lions, as HB Terry Brown ran for four touchdowns.

New Home has now won four games, lost none, and leads all Plains scoring with a total of 214 points to opponents' 54. Terry Brown has rolled up a fabulous 96 points and Kenneth McClung 66.

Coach Paul Kitchens, however, hopes the boys will not get overconfident because competition is going to get much tougher right quick in 3-B conference play with Cooper, Wilson, Sands, Meadow, and Ropesville coming up on successive week ends.

Friday night, New Home took a 16-8 first quarter lead as Dave Hancock and McClung each scored and QB Elton George ran both conversions, following which New Deal's Randy Peoples, who also scored four times, ran 51 yards and added the conversion.

In the second, Brown raced 13 yards for his first score, George ran the conversion. But Peoples scored twice more on three and 54-yard carries to make the half-time score 24-20.

Brown went wild in the third period to race through the line 35 yards for one, and in the fourth 70 yards for a second, and 30 yards for a third, with George running two conversions. Peoples also passed to Jerry Brown and Davis converted for the Lions final score.

New Home had 444 yards rushing, all on the ground, and New Deal had 200 rushing and 35 passing.

New Home has won over Christ the King 60-0, Whitharal 40-20, Roosevelt, 68-6, and New Deal 46-28.

The opponent this Friday, Lasbuddie, lost to Wilson 34-6, New Deal 25-16, won over Cooper 28-14, and tied Amherst 12-12 last week.

B-Team Winners Over Frenship

Tahoka B team took a convincing 40 to 8 victory over the Frenship B team in a game here last Thursday night, with three of Tahoka's scores coming on runs of 50, 70, and 60 yards.

Tahoka scored early when Charles Sayles took a Frenship punt at midfield and raced all the way for the touchdown.

In the second quarter, QB Jesse Limon got away on a 70 yard scoring run and the next time Tahoka had the ball, his brother HB Benny Limon raced 60 yards to score, and Sayles ran the conversion. Still in the second quarter, on fourth down the Frenship punter fumbled a bad pass from center, Tahoka recovered near the Frenship goal line and Jesse Limon went around end to score again and FB Danny Coburn busted the line for the two-point conversion, making the halftime score 28-0.

In the third, Tahoka covered another Frenship fumble on their own six, and FB Mike Davis plunged over to score. Against Tahoka B-team reserves, Frenship put on a drive that carried to the Tahoka 20, and then scored on a 20-yard pass play. Frenship also passed for the conversion.

In the fourth quarter, Jesse Limon scored again to make the final score 40 to 8.

Coaches Dave Easterday and Milt Fitts used 28 or 30 boys in the tilt, but the first B-team did all the scoring.

Frenship brought only 16 boys for the game, as their Freshman team had another game scheduled.

O'Donnell Wins Over Spur 29-0

O'Donnell Eagles took a convincing 29-0 victory at Spur of Class AA last Friday, and will be idle today preparing for the game Friday of next week to open the 5-A conference season with Sundown Roughnecks. The Eagles have now won four and lost one game.

The Sundown game has been designated Homecoming for O'Donnell's Exes, and the Eagles will be going all out to please the home crowd.

Friday at Spur, O'Donnell opened its scoring in the second quarter on a 24-yard pass play. Fen Taylor to HB Jimmy Barton, and T Don Richardson kicked the conversion for a 7-0 halftime lead.

In the third, Taylor went over from the two on a keeper, and a short time later Jesse Lopez got loose on a 44-yard scoring run. Again, in the final quarter Lopez dashed 54 yards for another score. Richardson kicked two of the conversions and ran for the other.

O'Donnell opened the season with a 28-37 loss to Crosbyton, and has since defeated Ralls 20-7, Wilson 21-12, Frenship 20-8, and Spur 29-0.

The University of Texas has a permanent fund which is increasing by approximately \$17 million a year.

Wilson Takes Whiteface 42-0

Wilson Mustangs turned on the steam Friday night to roll over Whiteface 42 to 0 as Sammy Crowson scored three times and ran two conversions and Royce Baker ran for two scores and passed to Joe Mason for a conversion. Mason made the other Wilson TD.

The Mustangs are idle this week before opening its 3-B conference season at Sands on October 19 at 7:30 p. m.

In Friday's game at Wilson, QB Baker ran the opening kickoff 60 yards to set up the first score, and three plays later Joe Mason went five yards around end to score. Baker passed to Mason for the conversion. Crowson scored next on a 25-yard run, and after a Whiteface drive, Baker took off on an 80-yard scoring run.

In the third period, Crowson scored twice, once on a 40-yard run and again on a 35-yard gallop and ran both conversions for a 36-0 lead. In the fourth, Wilson stopped a Whiteface drive on the one-foot line, drove out to the 40, and then Mason passed to Baker on a 60-yard scoring play to make the final score 42-0.

Janis Gattis and Andra Sue Carroll visited Sarah Wells at Tech last week end.

 Mister Boll Weevil and family have set up housekeeping in Lynn county, and now the cotton farmer has another "friend" with which to contend. One farmer from Down East says, "The only way to kill the boll weevil is to pick him off the cotton plant, put him on a brick, and hit him with a hammer—but he has already left a passel of eggs behind."

We have boys in the cemetery because we sold scrap iron to Japan for a few filthy dollars. Now, some of our leaders want to sell grain to the Communists who have frankly stated they expect to bury us.

Our President demanded removal of Communist forces and nuclear weapons from Cuba, and demanded the right to inspect that Communist foothold in America. Then, he backed up and failed to carry out the demand. Instead, we removed nuclear weapons from Turkey and Italy and men from East Berlin. There's strong suspicion of some kind of deal with Khrushchev. There have been rumors of some kind of deal on East Berlin. Russian "fishing vessels" are invading U. S. territorial waters, and some of our Government officials admit they are not only gathering valuable information on our shorelines but may be dropping and picking up Communist agents. Out of 52 agreements we have had with Russia, the Soviets have kept only three, we are told, and yet our Government wants us to go into another on disarmament. We pick up the tab for UN while Communist countries fail to pay all their dues in strict violation of UN rules for membership. We had a law passed requiring Communists to register or go to jail. The law is not being enforced. And, some of us say, our Administration is not soft on Communism.

We read in the papers that President Kennedy is flirting with the idea of dropping Vice President Lyndon Johnson in the next presidential campaign in favor of Arthur Goldberg, the Chicago labor lawyer and far-left liberal Democrat. The idea is more or less to write off the Old South as strictly Democratic country and make a big pitch for the labor, minority racial groups, and big Northern city votes. Mr. Johnson has tried his best to picture himself as an ultra-liberal, and in doing so has turned his back on his Texas and Southern friends. Personally, we don't care too much what happens to Lyndon, who was able to change his political views in one night at the last Democratic National Convention in order to gain the vice presidential nomination. He's not the Texas type of Democrat.

WHY IT RINGS TRUE

NATIONAL NEWSPAPER WEEK, OCT. 15-19

A year or two ago, a Southern Democratic Senator, maybe it was Senator Byrd of Virginia, and more recently a Readers Digest writer said something like this: The entire Kennedy Klan, Boston reared, has an inheritance of deep abhorrence for the South that dates back to the President's parents and grandparents. Most of the textile industry was once located in Massachusetts, but later moved to the South. Other manufacturers have left that state for the South. Massachusetts leaders, along with the Kennedys, have long resented the growth of Southern industry at the expense of New England. While a U. S. Senator from Massachusetts, President Kennedy has a long record of votes against any legislation that might have been favorable to the South. One only has to look at this voting record to glean President Kennedy's opinion of the Southern States. We didn't say this; we just read it.

JFK has ruled that Communist Yugoslavia "is not controlled by the international Communist conspiracy" and therefore eligible for U. S. military assistance. How dumb can we get?
 Lubbock is elated over receiving the Linton plant. We hope our big city friends are putting out the same effort to save cotton. Without cotton, our Plains country will be reduced to livestock, oil, and minor agricultural production. One big cotton mill in South Carolina converting from cotton to synthetics may be worth more to Lubbock and Tahoka in the long run than some big manufacturing plant.

The Claude News quotes the following "Aesop's Fable":
 "Wolves were plotting an attack on a flock of sheep but could not get near them because of the dogs who guarded them. So they decided to use trickery. They sent ambassadors and asked the surrender of the dogs, arguing that the dogs were the cause of the enmity between them and that if they would rid themselves of the dogs, there would be peace. The gullible sheep surrendered the dogs. The wolves then returned and easily slaughtered the flock and there was lasting peace."
 So it is with our disarmament plans!

For one month only, during October, citizens 65 and over in Texas may purchase from major insurance companies a "low-cost basic and major medical health insurance plan offered as a public service," and no physical examination or medical questionnaire is required regardless of health. This may be free advertising, but from what we've read we think aged people should investigate this rare opportunity.

William Bradford, via Graham Rotary Scandal Sheet:
 It is better to build boys than to repair men.

We need a lot of things in this country and one of the most important is to find a cheaper way to make history.

The real measure of man's worth is how much he would be worth if he lost all his money.

Income tax forms and summer dresses leave little to the imagination and less to the taxpayer.

He has lost the art to live who cannot win new friends.

With both motors of his plane hopelessly on fire, the pilot showed classic courage. As he donned the only parachute, he shouted to the

passengers: "Don't anybody panic. I'm going for help now."

"You mean it cost you \$200 to have your family tree looked up?"
 "Not exactly. It was \$25 to have it looked up, and \$175 to have it hushed up."

The third-grade teacher took her small pupils to visit the zoo. Their homework that night was to write a composition about the animals they had seen.

One starry-eyed little girl wrote: "All the animals were funny, but the one I liked best was the Warning Stand Back."

Awards Presented Tahoka Cub Scouts

Cub Scout Pack 782 met Thursday, Oct. 3, at 7:30 p. m. in the City-Legion building when awards were presented by E. B. Gaither, Cubmaster and H. B. McCord, Jr., assistant Cubmaster.

Den 7 opened the meeting with the flag ceremony and Pledge of Allegiance. Mrs. James Roberts is den mother.

Den 1 presented a science fair, showing a number of experiments the Cubs had worked on in September den meetings. Mrs. Gene Jones is den mother and was assisted by Mrs. Ruth Haley, Mrs. Robert Harvick and Mrs. Larry Hagood.

Awards were presented the following: Wolf badge, Mark Leverett, Robin Harvick and Leslie Paris; Denner badges, Ladd Roberts, Byron Jones and Peter Palady; Assistant Denner badges, Clyde Curry, Gordon Harvick and Clayton Jackson.

Arrow points were given for extra work in electives: Gary McCord, one gold and three silver; Scotty Smith, one gold and one silver; Robin Harvick, one gold

and four silver. Two new boys received Bobcat pins, Dean Rogers and Clayton Jackson.

Den 2, of which Mrs. Maxine Paris is den mother, closed the meeting with a song.

Den mothers are planning a Halloween Carnival for the pack meeting to be held Oct. 31.

This Saturday Cub Scouts will sell Kool-Aid at the Sidewalk Sale. Proceeds will go into the fund for the annual Blue and Gold Banquet in February. Sponsoring institution of the

K-9 Police Dog Show At Rotary

Two members of Lubbock Police Department staged a demonstration with a K-9 police dog and told of the dog's training and use in law enforcement.

Sgt. A. R. Mason said the K-9 dog program was added to the Lubbock Police Department on April 3, 1961, there are now four German Shepherds in use and two in training to be added soon. The dogs are first trained by a man in Houston, each dog is assigned to one policeman and he spends 14 weeks training the dog every day before they are put in service.

They become one-man dogs, and no one else can touch them except the wife and children of the officer with whom they live constantly. Training is fundamentally boiled down into one word, obedience. They learn to obey every

command, both by word and by signs. They track lawbreakers, attack them if resistance is offered, if the criminal makes a quick motion as if to draw a gun or knife, or if his master is attacked by the man being arrested. In pursuing a man trying to get away, the 84-pound dog hits the man, usually in the back with the force of a 250-pound football player. If the man raises a hand or kicks at the dog, the dog grabs the arm or leg.

Officer Jim Simmons and his dog put on a demonstration of obedience to commands. Leighton Knox, former Lubbock policeman, who introduced the two men at the club, assisted in the demonstration. When he made a quick motion as if drawing a gun, the dog came to attention and was

prepared to jump on him had he not been held on a leash by Officer Simmons. The same was true when he made a motion to touch Simmons.

When the dog was assigned to Simmons after completing his training course, Simmons worked with the animal 19 days before he could touch him.

The program was arranged by Turner Rogers, program chairman for the month.

Charles Townes made a three-minute talk on "Why Rotary?" in which he told how the name was selected in 1905 by the first club in Chicago, organized by Paul Harris, because meetings were rotated in the offices on individual members in that city.

President Don Browning announced there would be special activity in the club in observance of Rotary Foundation Week, Nov. 10-16, during which week Governor Jim Willson Jr. of Floydada will visit the club.

Student guests for the month of October, Macky McWhirter and Allen Cox, were introduced by Montie McGinty, club sweetheart.

WITNESS W. S. Taylor, Clerk of the District Court of Lynn County, Texas, 14th.

Net effect of private U. S. foreign investments in 1962 was to improve the U. S. balance of payments. Although \$3.3 billion was invested abroad, income from previous investments amounted to \$3.8 billion, a half a billion dollar surplus.

Shanghai Pierce, a giant Texas cattleman known for his unusually loud voice, could stand on the front porch and bellow orders to the men at work at the cattle pens, a mile away.

About 5,500 persons visit the White House daily.

Solid protection for a solid investment...5-year—50,000-mile warranty.

Chrysler Corporation warrants, for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler/Mopar Corporation Authorized Dealer's place of business, the engine block, head and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,500 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

Above is Chrysler's 5-year—50,000-mile warranty. Read it carefully. Compare it with any other warranty. It's impressive—a promise to repair or replace any vital moving part of your Chrysler power train if it needs it, for a period of 5 years or 50,000 miles. Of course, you may never have to use it, but it's the kind of pledge Chrysler's kind of engineering can offer. Come in today. Take a no-obligation demonstration drive. We let our cars do all the selling.

Move up to CHRYSLER '64. We're the men in your neighborhood who make it easy.
