Tahoka-Plains Will Open League Play

Tahoka Bulldogs open the District 5-A conference season with the Plains Cowboys here tonight at 7:30 o'clock, a half-hour earlier than previous games.

This has been designated "Dad's Night," and the Bulldogs are dedicating the game to their fathers, who will be honored with special sideline seats.

Coach Gilbert Hough expressed optimism Wednesday after the team had gone through two of the best work-outs of the season Monday and Tuesday, after having had a week's "rest" by reason of an open date last Friday.

Although the squad has been reduced by schoolroom failures and injuries, Hough thinks the squad, predominantly Juniors and Sophomores, "will put up an interesting battle against always tough Plains. We had our best offensive work-outs of the year this week."

One starter and nine other boys, six of them Colored, were lost from the squad because of failing grades. Out for the season, also, is Hugh Jack Norwood, and others who possibly will miss action because of minor injuries are End Macky Joe McWhirter, Freshman Halfback Mitchell Williams, and Quarterback Terry Harvick.

Probable Tahoka starters are: Eddie Howard, and Rett Patterson, ends; Larry Jolly and Jack Edwards, tackles; Gary Grogan and Jim Wells, as Mike Curry, guards; Dennis Clem, center; Stanley Kevre, quarterback; Gary Tomlinson and Freddie Pierce, or Dean Hamilton, halfbacks; and Adolph (Cont'd. on Back Page)

Homecoming Is Friday, Nov. 1st

Homecoming this year at Tahoka High School will be held on Friday, Nov. 1, instead of on Nov. 4 as stated last week. The occasion will precede the Tahoka-O'Donnell football game.

A saas supper is being planned this year instead of the usual banquet and local ex-students are being asked to call Mrs. Jesse Dorman at 898-4045. Salads should be brought to the school cafeteria by 5:15 p. m. that day. The supper and business meeting will begin at 8:00 p. m. and be adjourned in time for the football game slated at 7:30 p. m.

The class of 1963 is being honored this year on its 30th anniversary, and the class of 1961 is planning a get-together, according to reports.

An afternoon program at 2:00 p. m. for the ex-students will be held in the high school auditorium under the auspices of the Student Council.

Jesse Dorman is president of the Ex-Student Association this year and Mrs. Helen Ellis is secretary.

Former Citizen Dies Sunday

Harry W. Scott, 66, of San Bernardino, Calif., who lived in Tahoka for a short time in the 1920's died Sunday in a hospital there.

Funeral services were held at 10:00 a. m. Tuesday at the First Presbyterian Church there and burial was in Forest Lawn Cemetery in Los Angeles.

Mr. Scott married the former Miss Johnnie Henderson, who is well known in this area, the daughter of Ed Henderson. Mr. Scott was a dry goods sales man and owned land east of Tahoka. Following their marriage the couple moved to Dallas and later to California, where he became a well known contractor both for fine homes and apartment houses.

He is survived by his wife; one son, Dr. Wayne Scott; and three grandchildren, all of San Bernardino.

Plan Open House At Gurley Home

Open house will be held Sunday afternoon from 1:00 to 6:00 o'clock at the new home of Mr. and Mrs. W. W. (Dub) Gurley at 1805 North Seventh in Tahoka.

The brick residence of three bedrooms, living room, den, kitchen, and utility room is a "total electric Gold Medallion" home, and Southwestern Public Service Company is sponsoring the open house.

Wilson Game Today, Not On Saturday

Wilson football fans are advised of a change in time of this week's game, previously announced for Saturday. Supt. Leroy Scott says the game will be played tonight, Friday, at 7:30 o'clock at Sands, south of Lamesa.

Wilson will hold its annual school homecoming Friday of next week, Oct. 25, and the annual Wilson Mustangs-New Home Leopards football game will be the feature attraction at 7:30 p. m.

WRECKED BY VANDALS—Above is a scene of the wrecked interior of a vacant residence on North First visited recently by vandals, believed to have been small children. Furnishings were a "complete wreck" and holes were knocked in the sheetrock walls. The house is owned by Mrs. Irvin Scarbrough of Post, the former Pauline Smith of Tahoka, and the furnishings were those of "Dub" Glass, who currently is reported to be in California. Tahoka Winner In Journalism

Tahoka High School won first place in Class A and B in the yearbook division of Texas Tech's annual Journalism Day held there Saturday.

"The Kennel" published by Taylor Publishing Company of Dallas received the awards from that company, as did all yearbook award winners.

Mrs. N. E. Wood has been sponsor of "The Kennel" staff for many years here, and public opinion is that the award was justly deserved as the publication has become very outstanding for a small school.

Winning second place in the A-B classes was Ralls, Texico N. M. won third place.

Trophies were presented the top three newspapers and year books by the West Texas High School Press Association in the four conference classifications based on school enrollments at a banquet held in the Union Building.

The contest was supervised by local coaches. Awards will be presented the boys tonight at 7:00 on the Tahoka football field preceding the Tahoka-Plains football game, Mr. Waters says.

Meadow Man Buys Thuren Farm Store

Dale Thuren has sold his farm store, effective next Monday, to Albert Holder, who has had experience in the farm supply store business in Meadow.

Mr. Thuren told The News he has no immediate plans for the future.

The new owner will operate the business under the name of Tahoka Feed & Seed, Inc.

Mrs. Mattie Jackson, 74, was a medical patient in Tahoka Hospital from Thursday until Saturday.

Mrs. G. H. Spears, 85, was released from Tahoka Hospital Monday after being a medical patient since the preceding Friday.

Jaycees Seeking Airport Interest

A committee has been appointed by the Tahoka Jaycees to investigate the possibility of sponsoring a Fly-In breakfast and dedication ceremony at T-Bar Airport.

At a meeting of the organization Tuesday night special guests Mayor Meldon Leslie, Police Commissioner Emory Nance, and Seth Lewis met with the group, and asked for Jaycee support to increase the interest of the airport. Several Jaycees are taking flying lessons and expressed the desire to support the proposal.

On the committee are Billy Jack Dunlap, John Ed Redwine, Wayne Huffaker, J. E. Nance, Steve Thompson and W. H. McNeely.

Members said the airport has never been officially dedicated. It has been certified by the FAA as a public airport, has a paved landing strip, hangars owned by the City, has been used this year by five agriculturists, and has many possibilities, members stated.

Jaycees announce that Christmas tree tickets will go on sale in Tahoka on Nov. 1 at \$1.00 each.

At the Sidewalk Sales Day the organization sold over 820 hot dogs.

The group voted to have their blood typed and to leave information with the Jaycee secretary, John Ed Redwine, so that such will be available if needed.

Two new members, Billy Tomlinson and Loanuh Harston, were among the 19 members and two visitors attending the meeting.

Jones Is Unhappy About Break-Ins

V. F. Jones was pretty unhappy when he arrived at his place of business, Jones Grain & Seed Co., Saturday morning.

Burglars had broken out a glass window, entered the building, moved the safe to a rear room, scattered papers and records all over the place, used Jones' own tools to pry open a cash box, and made off with possibly 30 or 40 pennies.

The safe, unlocked, contained no money, and nothing but the pennies did he find missing. He leaves no money there at night.

This is about the third time burglars have broken out a window, and once before they carried away a bunch of papers worthless to any one but Mr. Jones. But, he's getting a little weary of straightening things up and replacing window glasses.

Next time burglars enter the place, he wishes they would leave two or three dollars to pay for replacing the window glass and also refrain from messing up his office.

Mrs. George Short was released from Tahoka Hospital last Friday after receiving treatment as a medical patient.

Pleas Of Guilty In Local Court

Five pleas of guilty were heard in county court here Monday and Tuesday and penalties assessed in each case before Judge W. M. Mathis, according to County Attorney Harold Green.

Monday, Samuel Garcia Cortez pled guilty to driving while intoxicated, fined \$150.00 and assessed a term of 20 days in jail. Cortez recently ran into the car of Marie Potts as it was parked on South Sweet street while she was attending church services.

The same day, Logio Herrera and Jimmy Vasquez were assessed fines of \$150.00 each and 10 days in jail on charges of destroying personal property. Jimmy is said to have thrown a wrench through Logio's car windshield, and Logio rammed his car into the back of Jimmy's car.

Tuesday, Bicenete Ramirez of Sebastian was fined \$100 and 10 days in jail for contributing to the delinquency of a minor, having taken out a 14-year-old girl without consent.

Also on Tuesday, Leroy Gloria of O'Donnell pled guilty to carrying a pistol, and was assessed a fine of \$250.00. He is said to have discharged the gun in an O'Donnell show house. Fortunately, no one was hurt.

Class of 1951 Will Meet Here Nov. 2

Class of 1951 of Tahoka High School is planning a reunion here on the night of Saturday, Nov. 2, at 7:00 p. m. in Lyntegar conference room, the day following the Tahoka Homecoming of Friday, Nov. 1.

There were 47 members of the class, and all have been contacted except one girl, whose name and address is unknown.

No program is being planned, but members of the class and husbands or wives are invited to be present and enjoy visiting. Refreshments will be served.

Planning the event are Elwayne Crotwell, Jerry Ford, Mrs. Willis (JoAnn Benson) McNeill, and Mrs. Tad (JoAnn Bennett) Corbett.

Cotton Harvest Is Getting Underway

RONNIE WOOD

4-H Club Boy Is Trip Winner

College Station, Oct. 17 (Sp1)—A Lynn County 4-H boy, Ronnie Wood, will attend the nation's number one 4-H meeting in Chicago, December 1-5, because hogs are his favorite farm animals. He was named today as the top 4-H hog producer in Texas and his award will be an all-expense trip to National 4-H Club Congress.

The state 4-H Club office announcement, listed the Moorman Mfg. Company, Quincy, Illinois, as donor for the national "Swine awards program. In addition to trips for state winners, Moorman also provides medals for county winners and six \$300 scholarships for a national blue award group. Ronnie's record will be submitted for national judging, the announcement said.

The new state champion is the son of Mr. and Mrs. J. M. Wood, Route 3, O'Donnell; a high school senior and for seven years a top (Cont'd On Back Page)

Lynn county has ginned in the neighborhood of 10,000 bales up until Thursday morning, a spot check of scattered gins over the county indicates.

Tahoka has ginned 1,725 bales up until 10:00 a. m. Thursday, an increase of 1,005 bales over the same period last week.

Ginners report much of the present cotton being harvested is by hands, although some farmers are already using stripping machines in burned cotton or cotton that has been defoliated.

They expect harvest to step up considerably, but the big rush will not be on until the first killing frost.

Some farmers, particularly in irrigated fields, have already applied defoliants and some others intend to apply them very quickly.

However, many others with late or rank cotton will take advantage of the weather as long as possible to get all the production they can secure.

One local grain buyer estimates the milo grain harvest is near 75 percent complete, and says many farmers are averaging 1,500 pounds or more per acre. Some have excellent grain, while others hit by the hot, dry weather at an inopportune time are making a light crop. Overall, he says the production is much better than many observers had expected.

Average killing frost date in Tahoka is from November 10, a week or two later than Lubbock's average based on weather reports of the past 30 years.

Farm Bureau Meeting Monday

Lynn County Farm Bureau will hold its annual meeting Monday, Oct. 21, at 7:30 p. m. in Lyntegar conference room, when proposed resolutions on important local, state and national matters will be voted upon.

Also, policies will be adopted by the local organization for the coming year, and five directors are to be elected.

Terms of five directors expire at this time, Loyd R. McCormick Jr., Leland White, Don B. Smith, Milton Evans, and Howard Moore. Holdover directors are T. B. Mason, Ward Eakin, A. L. White, Lois Smelser, and Woodrow Brewer. Earl Cummings is secretary, McCormick is president and White is vice president.

Mr. McCormick says the local Farm Bureau would like for each farmer to be present and have a say in policies, express ideas and opinions, and preferably to put them into written statements to be discussed and voted upon by the entire group.

One problem is cotton—whether or not to continue the present price with prospect for fewer acres, or an increase in acres and a more competitive price.

Another is government regulation of farm wages. At the present, the government has set wages for harvest of sugar beets at \$1.05 per hour, and similar regulations are in prospect on all farm labor.

Local Farm Bureau leaders think all farmers should be present and express themselves on these and other vital problems affecting the South Plains and farming in general. All policies of the National Farm Bureau begin at the grassroots in meetings such as this.

DR. FROEL IS IMPROVING

He is president of Tahoka Chamber of Commerce, sponsor of the event. Attendants reported they had a lot of fun, found some bargains, and got some relief from routine business life.

Junior Teams Defeat Frenship

Both seventh and eighth grade teams defeated Frenship here Tuesday night, the visiting eighth grade receiving its first defeat of the year. The seventh grade won 28-20 and the eighth 14-12.

Coach Dave Easterday's crippled eighth graders hit pay dirt the first time they had the ball with Dickie Van Hoose going over on a five yard run. Gary Brooks ran the extra two points.

With one second left in the first half, Gary Brooks received a pass from John Tyler and ran 80 yards for a touchdown. Conversion at tempt was no good.

Playing outstanding offensively were Brooks, Tyler and Richard White. Defensive standouts were Roger Williams, Doyle Schneider and Brooks. Coaches said the entire team looked their best of the season in the Frenship game.

Playing without Chris Roberts and Cliff Thomas, who is out with a broken finger, the eighth graders now have only a 12-man squad.

The seventh graders received the kick-off and Greg Thomas returned the ball 80 yards for the teams' first touchdown. Later Charlie Brown made a touchdown on a 55-yard punt return and another on a two-yard run. Larry Arnold hit pay dirt on an eight yard run. Extra points were run by Brown and Arnold.

Coach Mill Fitts' boys came from behind to win the game after Frenship took a 14-6 halftime lead.

Outstanding on defense were Jody Edwards, Joel Inklebarger, Randy White and Arnold.

Giving fans a half-time show was the junior high school band, over 50 strong. Going through formations and playing marching selections, the group gave an appearance that was very commendable for so young a band, which consisted of sixth and seventh grade students. The drum major, Janice Renfro, and twirlers, Kathy Curry, Patricia Young and Alta Hale made their first appearance of the season with the band.

CROP Program Scheduled Here

Plans are complete for local participation in the CROP (Christian Rural Overseas Program) the last week in this month to help starving peoples in foreign lands, according to Rev. Robert Kamrath of Wilson, county chairman.

A film, "Hunger", was shown here Sunday night to a group of young people from the Methodist and two Baptist Churches who will take up a "trick of treat" collection for CROP on Sunday afternoon in Tahoka from 3:00 to 5:00 p. m., according to Rev. Aubrey White, local Methodist pastor. About fifty young people are expected to help with the collection in Tahoka.

The same film was being shown Thursday at Tahoka Rotary Club by Rev. James Efrid, First Baptist pastor.

Wilson will have its "trick or treat" collection on Halloween night, and other communities of the county are being asked to participate in some way.

Churches over the nation are participating in the program to

raise foodstuffs and funds to help feed unfortunate peoples, principally across the seas as a humanitarian effort and to help the cause of Christianity.

Since 1947, CROP has been sending high protein foods, emergency supplies, and other commodities donated by individuals and about \$40 million in government surplus foods to more than 50 countries of the world to relieve hunger and suffering.

"We feel we need to support this program," Rev. Kamrath says, "in order to back up our missionaries in foreign lands. If for no other reason, because it is hard for them to preach effectively to people who are starving."

Mr. and Mrs. W. P. Andrews of Cleburne, who formerly lived here, have been visiting their son-in-law and daughter, Mr. and Mrs. C. E. Yeates at Lakeview.

Teen-Age Population In Lynn Big Economic Force

(Special to The News)
New York — Lynn county's teen-age population has become an economic force to be reckoned with—a \$1,202,000 force.

As a consumer group, they have this impressive amount of money at their command, a matter of great interest to local retail merchants.

Equally important, from a business point of view, is the influence these youngsters wield in determining how their parents spend money. They help decide the kind of car that is bought, the appliances that are purchased and the type of improvements that are made in the home.

The size-up of the teen-age market is based on studies and reports made by the Department of Labor, the U. S. Chamber of Commerce, Gilbert Youth Research, Inc., and other agencies.

In Lynn county, as in most other areas of the United States, the teen-age population is large and is growing larger rapidly, it is shown.

In 1960 there were 1,326 boys and girls locally between the ages of 13 and 19, according to the Census Bureau. The number is expected to be about 30 percent greater by 1965.

The rate of growth in this age category is found, in line with the national trend, to be 3½ times faster than that of the population as a whole.

But sneer numbers is only part of the story. Teen-agers locally have bigger allowances than ever before. One reason is that their parents can afford to give them more. Another is that since, to a greater extent than in former years, the children do their own shopping for clothes and other necessities, they have to have more spending money.

A breakdown shows that it costs about \$800 a year to maintain the average 13-year-old, taking into consideration food, clothing, housing, medical care, entertainment and miscellaneous expenses.

At age 15 the cost is up to \$865, at 17 to \$920 and at 19 to \$955, with college costs excluded.

The average figure is \$905, which occurs at age 16½.

Applying this national average locally, the amount spent on Lynn county's teen-age population per year comes to an estimated \$1,202,000.

New Home Has Record Of 585

New Home schools on Monday reached a record enrollment of 585 when 25 new students were received, and a new class for transients had to be started, reports Supt. H. L. Miller.

Work on the new high school building is progressing rapidly, and Mr. Miller says students will continue to "hang out the windows" until the new structure is complete. All outside work on the building is complete, and inside work is going forward.

The four-classroom addition to the elementary building have been in use since the opening of school, although minor details remain on this part of the construction program. The old school building is being used until the new high school is finished.

Then, the present high school will be utilized as a junior high building, and the school superintendent hopes the older building will not have to be used except possibly in an emergency.

New Home, last spring voted \$256,000 in bonds for the expanded plant.

Most of the increase is in Latin American and Negro students. Miller says there are four first grade divisions. As an example of the increase, there are 80 students in the third grade, three divisions, and only 13 are Anglo whites. In grades six, seven and eight, there are 30 to 38 students. But, there are only 75 in high school. The high school enrollment is due to increase, however, in coming years if those now in the grade remain in school.

New Home has 23 teachers this year, many of them young teachers recently out of college.

Chapa fullback. Other boys will also see action.

Tahoka opened the season with a 14-12 victory over Frenship, and since has had four really tough ball games in which they won over Crosbyton 7 to 6, and lost to Slaton 16 to 15, to Idalou 13 to 6, and to Ralls 13 to 0, but the boys have played fine football most of the time in these games.

The time has come, however, the coaches say, when the boys will have to bear down in order to win in tough 5-A competition, but the coaches think the fans will be treated to fine effort and some victories.

Coach Rip Sewell's Plains Cowboys, although not as rugged as last year when they defeated Tahoka 20 to 0 there, are reported to have an excellent ball club. They opened the season with a loss to Crane 21 to 14, the dropped a 9 to 0 decision to Post, then to Friona 15 to 13. The last two outings, the Cowboys have defeated Sudan 9 to 0 and Farwell 25 to 22. Like Tahoka's opponents, Plains' have been among the top teams.

Starting for the Cowboys will be eight of them lettermen last year: Richard Spencer, 166, and Jack Lowe, 179, ends; Fred Carnley, 186, and Dan Smith, 187, of Bruce Long, 173, tackles; Jim Kerby, 172, and Olan Smith, 169, or Fred Blount, 170, guards; Larry Williams, 170, center; Mike Field, 170, quarterback; John Robertson, 150, and Roland Fairer, 158, halfbacks; and Joe Dan Cook, 173, fullback.

Profits from his projects have been used to provide first-class facilities and improved breeding stock and as a nest egg for college. He uses the latest information in his projects and likes to tell others about his experiences.

His projects have also included crops, other livestock, safety and electricity. He has held every elective office in his local club and this year served as chairman of the district electric camp. He was a member and high point individual on the county's 1962 state winning entomology team. County Agent Bill Griffin with assistance from local 4-H adult leaders have supervised Donnie's highly successful 4-H career.

Mrs. E. E. (Pearl) Callaway and nephew, Q. T. Brian, both of Abilene, were here several days this week looking after her Lynn county farming interests.

David Bray Writes First Impressions Of England

David Bray, son of Mr. and Mrs. A. M. Bray, SMU graduate, and Rotary Foundation Fellow for a year's study in Oxford University, England, has written The News a first of a series of articles on his experiences in that country, which appears below.

In a personal letter, he says he and John Hegl, son of Mr. and Mrs. Fred B. (Fete) Hegl, Baylor U. graduate, who went to Europe with David, have spent the last month traveling through Holland, Belgium, and France.

"John and I," David writes, "visited several of the students who spent a summer in Tahoka. Hank Arendse from Holland was very kind to us. The parents of Bernard Debonno own a hotel in Paris and put us both up for a week. They were most hospitable and kind. John has left for Den-

mark, Norway, and Sweden. I will be here in school for eight weeks before meeting him in Paris for some more travel. Please say hello for me to all the wonderful Tahoka people."

FIRST IMPRESSIONS

(By David Bray)

I hardly know where to begin. I have seen so much, had many interesting experiences, met countless numbers of people and learned a good deal.

I just finished a wonderful three days attending a District Rotary Conference. The Conference took place on the tiny island of Guernsey, which is located about sixty miles off the coast of France. Uncrowded, unspoiled, friendly and courteous, with miles of silver sand and warm sea around it, Guernsey is one of those places that captures the imagination of poets and writers. St. Peter Port, the capital, is a quaint cobbled town built on a hill. Rising gently from the water's edge, it looks down on one of the most beautiful harbors in Europe.

Never have I known such cordiality, warmth, and hospitality, nor have I been treated more royally than by these English Rotarians. They just couldn't seem to be able to do enough for me. There were some 550 delegates at the conference, which gave me an excellent opportunity to meet a fair cross-section of the English people. After the conference, I am certain that Rotarians in the world over must possess a universal trait—genuine friendliness.

Most of the popular images we have of the English are entirely wrong. The traditional stuffy, terribly reserved, rather humorless, slightly pompous, and sometimes effeminate Englishman is non-existent, or most certainly they keep to their castles and out of the public stream. Actually, I have found the English love a good joke and are quite willing

Wilson Opening Conference Play

Wilson Mustangs open their drive tonight at Sands (Ackerly), Dawson county, in what they hope will be another 3-B district title, and seeking to improve on last year's record in which they won six games, lost four, and tied with Cooper in district.

This year, the Mustangs under a new coach, Doug Duncan, have won three and lost two games. They have won over Lazbuddie 34-6, and Whiteface 42-0, while losing to O'Donnell 21-12 and Amherst 13-6.

The News does not have a complete record on Sands, but they have lost to Loraine 20-0, Robert Lee 72-0, and Trent 42-0, and won over Hermleigh 8 to 6. The Mustangs should have little trouble handling the Sands boys this year. Last year the Mustangs won over Sands 42 to 6.

This game was previously announced for Saturday, but Supt. Leroy Scott of Wilson says fans should take note that it will be played today, Friday, at 7:30 p. m. at Sands.

Homecoming At O'Donnell Today

O'Donnell Eagles open their 5-A season with Sundown Roughnecks tonight at the feature attraction of the annual Homecoming festivities. Sundown has lost to Idalou 26-6 and Morton 19-0, tied Hale Center 6-6 and won over Anton 26-6 and Sudan 26-20.

O'Donnell lost to Crosbyton 37-22, defeated Rails 20-7, Wilson 21-12, Frenship 20-8, and Spur 29-0, being idle last week to prepare for conference games.

Homecoming events for O'Donnell ex-students begin at 3:25 p. m. today with a pep rally in the school gym, followed by the annual banquet at 6:00 in the cafeteria, and the football game at 7:30.

Banquet tickets are \$2.00 each. The Class of 1966 is being honored this year, its 25th anniversary.

H. VINCENT SEELY

Guest Speakers At Nazarene Church

H. Vincent Seely and family, who have been working in Bolivia for the last four years, representing the Church of the Nazarene, are on a furlough in the United States, doing deputation work among churches of the denomination. They will speak at the Grassland Church of the Nazarene on Thursday, Oct. 24 at 7:30 p. m., according to the pastor, Rev. Ira Campbell.

Mr. Seely, a native of Wyandotte, Mich., has been director of the Nazarene day schools in Bolivia and superintendent of construction on the church district there. The denomination now has 19 schools with about 800 pupils in Bolivia.

In his addresses, Mr. Seely will describe the cultural life of Bolivia and its people. He will tell about the day schools and Bible schools that the church has established.

Mr. Seely and family have been living at La Paz since they were assigned abroad in April, 1959, by the Department of Foreign Missions.

Mr. Seely is a graduate of Northwest Nazarene College, Nampa, Idaho. He taught in public schools for three years prior to going abroad.

Mr. and Mrs. Seely have four children, two sons and two daughters.

Spur Field Day Is October 25th

Paul T. Marion's "cow cafeteria" will highlight the Rolling Plains Experiment Station's annual fall field day at Spur, Texas on Friday, October 25. County Agent Bill Griffin announced to Cay, Marion is superintendent of the Spur Substation and personally directs all beef cattle research activities there. His pet project features a feedlot breeding herd that has never been on pasture. Visitors will see these cows and their 4th calf crop at weaning time, Griffin said.

Other items of special interest to area ranchmen will include reports on brush control research, water conservation practices and cow and calf operations on native pastures.

The Field Day program will get underway with a tour of the station from 9 to 12 A. M., followed by a "dutch treat" chuck wagon lunch.

Afternoon speakers will include E. D. Robinson, station range scientist; W. J. Waldrip, superintendent, Texas Experimental Ranch; Dr. Morris Bloodworth, head of A&M's Soil and Crop Science Department; J. K. Riggs, animal husbandry professor; and H. O. Kunkel, associate director, Texas Agricultural Experiment Station.

The day's activities will be concluded with a question and answer session.

Congratulations—

Mr. and Mrs. Floyd Brasher of Littlefield on the birth of a daughter at 1:00 p. m. Tuesday, Oct. 8. Weighing four pounds, nine ounces, she has been named Toyi Alicea. The mother is the former Miss Mary Alice Roberts. The new baby has a big brother, Terry, who is four. Grandparents are Mr. and Mrs. C. W. Roberts and Mr. and Mrs. M. H. Brasher of Lubbock.

Mrs. Roy Knight fell at work last Wednesday and broke her left wrist in three different places.

Musical Program At Rotary Club

A musical program featuring Bernie Howell of radio and TV fame and a trio of singers, all from Southwestern Public Service Co. in Lubbock, presented the program at Tahoka Rotary Club last Thursday noon.

With Howell accompanying at the piano, Lloyd Thompson, Don Davis, and Mrs. Dovie Watson sang a number of new and old favorites which were greatly enjoyed by the club members.

Wilton (Jim) Payne made a brief appeal for financial help of the Girl Scout program, stating the local organization is in arrears with its dues.

Harold Green made the weekly five-minute talk on Rotary, explaining his service club is unique in that each member has a class-

ification in keeping with his line of work as one of the prerequisites for membership.

Montie McGinty, club sweetheart, introduced the student guests for the month, Macky McWhirter and Allen Cox.

ATTEND PRISON RODEO

Mr. and Mrs. Otis Hillhouse returned Saturday night from a week's vacation trip to South Texas during which they attended the Prison Rodeo at Huntsville, visited Mrs. Hillhouse's sister in Freeport, and got in a little fishing and hunting.

NEWS for truck owners who need a new one now

Things Chevrolet has developed since the last time you bought to give you more for your money:

Double-wall construction. This feature of Chevrolet cabs and the Fleetside 1480 up body has two advantages. Insulation and sound-deadening material is sandwiched between the two layers of steel in the cab to give you more comfort; in the body, the lower inner wall acts as a buffer against load damage, preserving the outer appearance of the truck.

Suspension to fit the truck. Conventional half- and three-quarter-ton models have independent front suspension with variable rate coils in the rear. Variable rate coils do not "bottom out" as readily.

Mediums and heavies have I-beam suspension with variable-rate leaf springs. It automatically stiffens as the load increases—and vice versa. It means a smoother, flatter ride regardless of load, a better handling truck.

The right engine. Chevrolet never has been in better position to give you the type and size you need for maximum efficiency. Today there are many different capacities of gasoline and diesel

Chevrolet truck engines—fours, sixes, V8's.

Stronger frames. Every conventional 1964 Chevrolet truck has a ladder-type frame. This type is more resilient, better able to give with the load and terrain. Its simple design also makes it easier to mount special bodies on the truck. Its riveted side rails are stronger.

Greater model selection. This time you're going to find it a simple matter to pick the exact type of Chevrolet truck for the kind of work you do. In delivery trucks, for instance, in addition to regular panels and pickups, we have eleven different sizes of ready-made walk-in vans, some with full-width rear doors.

Quality and value. Chevrolets today are a lot more truck than your money bought the last time, and yet the price tag is just about the same as 5 or 6 years ago. Call your Chevrolet dealer for information or for a demonstration.

Quality trucks always cost less!

NOTICE TO ADVERTISERS ON CLASSIFIED PAGE
 A weekly newspaper, unlike a daily, is not all printed on one day. The News prints its first four pages on Tuesday afternoon. For mechanical reasons, we almost have to print the classified page on this first run. Therefore, new ads, changes and "kill" information must be in the hands of the printers by Tuesday noon. However, late ads, turned in up to early Thursday morning will be printed in the "Too Late to Classify" column.—The Publishers.

This being National Newspaper Week, we thought we'd give just a little space to our newspaper, which may be of interest to some, and follow it up with a little on Tahoka and Lynn county as it was 40 years ago, together with a few personal experiences.

Lynn County was 60 years old this last spring. The News is 60 years old this month. The present editor's dad, E. I. Hill, bought The News 40 years ago the latter part of October, but The Printer and Mae were still in college and didn't move here until June 1, 1924, two days after leaving college and getting married. Dad and E. I. Jr., who retired nearly two years ago after 30 years in the U. S. Government printing office in Washington, D. C., and Albert Curry, older brother of Rogers Curry of the present News staff who now owns his own plant in Dallas, operated the business until we got here the next year to help mess things up.

The News had been established by Inez and Otis Lilly and the first issue, of which we have a

copy, came off the press on October 9, 1905. Incidentally, there are still a few people here who have read the paper ever since it was established. We have no other issues in the files up until July 7, 1905, but the Lillys operated the paper a while, sold it to another man whose name we can't locate at the moment, and he soon abandoned the publication. After a few months absence, Mr. and Mrs. Harry C. Crie, parents of Mrs. Sumner Clayton Sr. of O'Donnell, and children gathered up the scraps of equipment which had been scattered about town, picked up some of the type in alleys the kids had been using in "nigger shooters," and got the paper going again on the above date. Our files of The News are complete from July 7, 1905.

They operated the business in characteristic frontier editor manner until January 1, 1918, when they sold the business to James L. Dow, owner and publisher of The Lubbock Avalanche. W. M. Shaw was editor and manager until July 1, 1918, when R. B. (Bob) Haynes, now owner of the Miami Chief, took over. A few months later, the masthead carried Haynes as editor and owner. He sold to E. I. Hill of Sweetwater the last week in October, 1923.

The Printer and Mae were married in Plainview, where we spent our honeymoon. Because of poor "line-car" connections with Tahoka, we rode the Santa Fe to Slaton and Old John's "Blue Weed Special" from Slaton to "Ty-to-kee" as the conductor called out as we neared Joe Heare's depot, where our mother and dad met us in the Model T touring car. Ben King was at the depot with his team-drawn "bus" and Uncle Jimmy Fleming was there with his dray wagon.

The Printer had been to Tahoka twice before, once at Christmas, and once about a year before when we began dickering with Bob Haynes to buy The News, but this was Mae's first glimpse of the town in which she was to learn to love.

The first man we met was "Uncle Bud" Brewer. The first word he said was, "Young man, all I want to know is are you a Klucker?" Tahoka, we later learned, was almost torn apart on the Ku Klux Klan question. The next man we met was Charley Brown, daddy of "Red" Brown, leading citizen who helped bring

the Santa Fe to Tahoka, and he had to tell us his favorite story about the newcomer. Then, we went up to look at some rooms in the attic of John Donaldson's house. Finally, we took a little apartment in the home of Mr. and Mrs. S. N. McDaniel, he with the Irish wit and she with the Scotch-Irish temper. And, we thought, what characters this town has! But, they all were great people and remained our fast friends as long as they lived. We still owe a debt of gratitude to these people who welcomed us to Tahoka.

Tahoka's population was about 1,700, but Lynn county had just begun to develop as an important agricultural area. T-Bar lands in the Dixie area were being sold off, and Wm. Zappe was just starting his big selling program of these lands, as were Brown and F. E. Redwine. Southwest of Tahoka, the Singleton, Herd, and Higginbotham ranches were being cut up and sold off for farms. J. L. Heere reported to The News 12 or 15 immigrant cars had unloaded here during the month of October and other household goods shipped in in less than carload lots. More than 50,000 acres of Lynn county land had been sold in the last six months, the paper said.

Tahoka Bulldogs had beaten Snyder 32 to 0, and were playing Wayland College on November 2, 1923. H. P. Caveness was the school superintendent, the entire school plant was in southwest Tahoka, and football boys played on a scraped-off cow pasture and bought their own uniforms. Jack Applewhite was one of the team's biggest boosters. There was a golf course out in T-Bar pasture north of Guthrie Lake with greens made of cottonseed hulls.

Physicians were Dr. C. B. Townes, Dr. E. E. Callaway, Dr. L. E. Turrentine and Dr. J. H. McCoy. Dr. E. J. Cook, daddy of Howard, was at Wilson, and Dr. C. P. Tate was at O'Donnell. Local dentists were Dr. J. R. Singleton and Dr. L. D. Stephen, and Charles F. Shook was practicing chiropractic. Lawyers included L. C. Heath, C. H. Cain, B. P. Maddox, and G. E. Lockhart. Lum Haynes was operating the new Tahoka Drug, and Otho and Cliff Thomas had been here a long time—operating Thomas Bros. Drug. Also, Ross Ketter was operating The Limit, "the drug sundry store."

Billy Brandon and "Rube" Lewis were operating wagon yards near the southwest corner of the square, and there was a "tourist park" just back of Woolridge Lumber yard and south of Higginbotham-Bartlett, managed by G. M. Stewart. Cicero Smith also had a lumber yard. F. C. Hairton operated St. Clair Hotel and Cafe, a frame building which was the original Lynn county court house, moved and added to on lots now occupied by the Inman service station at the highway intersection.

Among the leading general mercantile stores were H. M. Larkin & Son (Frank), in the two story building now owned by Ed Hamilton; J. S. Wells & Sons, (Clair, Ruby, and Jack) the town's first store in the building now occupied by Kenley's; The McCormack Stores, operated by Mrs. McCormack, in which Viola and D. W. Gainat were clerks, and later came to own and to build into a big small-town business; and Knight & Brashear, which occupied the building in which A&B Food and Lankford Variety are and handled groceries, dry goods, hardware, millinery, coal, and farm implements. Then, there was G. W. Small Hardware, J. M. Small Dry Goods, R. H. Turner & Sons grocery, B. R. Tate dry goods and groceries, and Jones Dry Goods. E. L. Howard owned the picture show, and Walter Anglin ran the City Light & Power Plant.

Ches Connolly was the Ford dealer, Joe Bovell and Frank Weaver were operating Tahoka Service Station, now Tom Cloe's, W. T. Clinton was Magnolia agent.

A. I. Lockwood was president of the First National Bank, W. D. Nevils, vice president; W. B. Slaton, cashier; R. P. Weathers, assistant cashier; and some of the others working there about that time were Louie Weathers, "Casey" Jones, and Fred Barker. Over at Security State Bank, we believe G. E. Lockhart was president; anyway, Coleman Weis was the ramrod, and Carl Griffing was assistant cashier. J. E. Nance went to work there a little later.

J. F. Stuart & Son were advertising Blue Wagon Staple Cotton, G. W. Short was advertising work mules, E. A. Park and J. C. Welch each had meat markets, Jake Leedy was running the Palace Cafe, Ira Doak had a barber shop and was also selling Star cars, Jesse A. May was the town jeweler, Mr. Baldrige owned the bakery, and John A. King was operating a daily auto line from Post to Tahoka to Brownfield. The Wyatts and the Jones were in the coal and feed business, Leonard Craft had the tailor shop and laundry agency, E. M. (Marshall) Swan and Don Bradley had Pioneer Abstract, and W. S. (Skip) Taylor and T. G. Marks had Lynn County Abstract. A. M. Sullivan was selling car tires and real estate.

From the news columns of the Nov. 2, 1923, issue of The News, we learn W. J. Crouch and B. J. Leedy had taken a Lynn county exhibit to the Dallas Fair which won premiums totaling \$114.00, and which Mr. and Mrs. W. O. Thomas said was one of the best at the State Fair. Ches Connolly had gotten in 28 Fords, sold them in less than a week, had eight men employed, including George Knight, Ovid Luallin, and Roscoe Roberts, whom he was paying \$40.00 a day total for eight men, and was hiring four more. O. B. Davis was out from Ellis county prospecting and visiting the W. C. Huffakers.

Lubbock had just closed the deal for Texas Tech College, and a "rousing mass meeting" had been held in the "city" proposing paved roads. Wilson had been an unsuccessful candidate for Texas Tech, and Lynn county had not paving but the brick paving in Tahoka. The News also noted Lynn county had neither a county agent or home demonstration agent.

Rev. J. H. Doshier was the Baptist pastor, Rev. J. T. Howell was the Methodist pastor, and Rev. J. F. Curry, father of Rogers and Mrs. Borden Davis, was the Baptist Associationist missionary. The Methodist Church was just getting its new building underway, and the Baptist Church was a frame building on the present site of the Mexican Mission. Rev. and Mrs. S. H. Hatchett were retired people here. Rev. Fred Barker, Cumberland Presbyterian Church

The Lynn County News, Tahoka, Texas Friday, October 18, 1963

pastor here, had just died suddenly in Dallas.

Mary Link was editor of a column of school news in the paper. The school was preparing to present a "Negro Comedy". She reported "Karr Wells always has an unlimited amount of chewing gum." Condy Carmack was the high school principal.

Some student contributed this verse: "When we are dead, bury us deep; bury us where the History Class sleeps. Place our History on our breast—tell Mr. Peoples we did our best."

E. E. McManis of Lakeview had five mules strayed away. H. W. Pennington of Redwine had lost a mare, C. H. Jones of Grassland had two Jersey cows for sale, with calves, J. W. Broyles of O'Donnell wanted to sell two car loads of

mules, Ed Welch had lost a box of clothes between here and Post, someone had lost his keys to a Maxwell car, G. M. Stewart wanted to sell a New Perfection oil cook stove, George Yearly wanted land to break, A. R. Salsbery had a Ford truck to sell, and Mrs. B. M. Carmichael would be here over the week end to take measurements for Barclay custom made corsets.

The weather was wet—rain, fog and mist—delaying crop harvest.

Sam W. Sanford was sheriff, and Happy Smith was county clerk. J. B. Walker was postmaster.

All this is from just one issue of The News of 40 years ago. If we had time, it would be a lot of fun to run a column like this every week.

to laugh at themselves. Their marvelously keen and ready wit makes them a never-ending pleasure to be around.

The English are equally as efficient at their businesses as we are, but have retained a real concern for personal service. While some supermarkets and other mass serving stores are being built, they are not being received very well; primarily because the people can get better quality merchandise from the small shops which specialize in only one product and also because the people don't like the coldness of the mass selling approach. They are not so much in a rush that they cannot enjoy a chat with the butcher, the baker, the vegetable man, or the laundry man.
