Open Christmas Season Treasure Hunt, Parade

A treasure hunt in the City of Tahoka will precede the annual Christmas parade this year on Dec. 7 to open the most heart-warming season of the year.

The parade will begin winding its way through town at 2:30 p. m. from the corner of South Second and Sweet Street.

Theme of the parade this year is "An Old Fashioned Christmas."

Trophies will be awarded first, second and third place entries.

Santa Claus will be on hand to visit with the children and pass candy out to them.

On Saturday, Dec. 21, the Jaycees will also give away turkeys.

Browning said that all entries in the parade should notify the Chamber of Commerce secretary, Mrs. Leonard (Betha) Dunn previous to the parade.

Entries in the parade will line up on South Second street west of Ed Hamilton's Appliance and Furniture store.

Mrs. Waldrip, 81, Buried Sunday

Mrs. Willie M. (Beulah) Waldrip, 81 year old resident of Lynn county for 48 years, died Friday night at the home of her daughter, Mrs. Clarence Kopecky, at New Home.

Funeral services were held Sunday at 2:00 p. m. in White Funeral Home Chapel with Rev. Aubrey White, pastor of the Methodist Church, officiating.

Born March 17, 1882 at Granbury, Texas, she was married to Willie M. Waldrip there on Dec. 2, 1913. They came to Lynn county in 1915 from Burleson and settled in the Tahoka community where Mr. Waldrip was engaged in farming.

Mrs. Waldrip moved to Ed Couch, Texas in November, 1962, but fell and broke her pelvis in August. She moved back to Lynn county four weeks ago. She was a member of the Methodist Church.

Survivors include five daughters, Mrs. Vera Blalock of San Francisco, Calif., Mrs. J. L. Crawford of Tahoka, Mrs. Clarence Kopecky of route 4 Tahoka, Mrs. Carl Garrett of Ingram, and Mrs. Stanley Odom of Ed Couch; three sons, W. M. Jr. of Las Vegas, Nev., F. D. of Tahoka, and Warren of Lubbock; four step-daughters, Mrs. Charlie Quillen of Seminole, Mrs. J. A. Quillen of Hearne, Miss Thelma Waldrip of Yuma, Ariz., and Mrs. J. A. Evans of Tahoka; one sister, Mrs. Otis Curtis of Fort Worth; 21 grandchildren and 24 great grandchildren.

Palbearers were Bobby Clem, Adrian Evans, Milton Evans, Oran Short, Billy Ray Smith and H. L. McMillan.

Killing Frosts Finally Arrive

Heavy frosts the past few days have killed cotton leaves, late maturing bolls are opening up, and the tempo of machine harvest is being stepped up.

First heavy frost of the fall came on Saturday, Nov. 23, when the temperature dropped to 28 degrees in Tahoka. Again on Sunday morning the temperature was 30 degrees, on Tuesday morning it was 27, and on Wednesday it was 32.

Killing frost this year was about two weeks later than the average date for Tahoka.

Total precipitation for the month to date this month is .93 inch, and total for the year is 18.61 inches.

New Fire Truck Passes Tests

City of Tahoka now has one of the best-equipped and best manned volunteer fire departments in this area, declared Fire Chief E. W. (Pat) Patterson.

The new 500-gallon pumper, mounted on a new 1963 F-750 Ford chassis, was delivered Wednesday of last week, and on Friday passed final State inspection tests given by Chief Glen Smith of Lubbock.

Also this year, a new Plymouth station wagon was bought and paid for by the Volunteer Fire Department at no cost to the City.

A third fire truck is the 1937 500-gallon Ford V-8 pumper. The Department also has added much auxiliary equipment, and now has slickers, boots, and helmets for individual firemen.

Plans have been made by the Fire Department for an open house, to which all people of Lynn county are invited, at the Municipal Building on Sunday, Dec. 8, from 2:00 to 5:00 p. m. Refreshments will be served.

O'Donnell Turkey Shoot Dec. 6-7

O'Donnell Lions Club is sponsoring a turkey shoot Friday and Saturday, Dec. 6 and 7, near the highway at the north outskirts of town.

Turkeys and hams will be given as prizes. Shooting will begin each day at 9:00 a. m. and last until dark.

Proceeds will go toward Lions Club projects, principally a scholarship fund, states Glen Brewer, a member of the club.

Donkey Ball Game Set At New Home

There will be thrills and spills Saturday night at 7:30 in the New Home gymnasium when the Young Farmers meet the City Council in a donkey basketball game.

Mayor "Red" Edwards has promised to show the folks how to ride a contrary mule, R. L. Dulin says.

RONNIE WOOD

Ronnie Wood Is Trip Winner

Ronnie Wood, Route 3, O'Donnell, who is this year's state winner in the National 4-H Swine Awards program, will receive an all expense paid trip to 4-H Club Congress to be held in the Conrad Hilton Hotel, Chicago, starting Sunday, December 1 and ending Thursday evening, December 5.

He will also be competing with other state winners for one of the \$500 college scholarships to be awarded to the six national winners in the program.

All county, state and national swards in the 4-H Swine program are sponsored by the Moorman Manufacturing Company, Quincy, Illinois. Moorman's will honor the State and National Swine Award winners at a breakfast in the Congress Hotel, Wednesday, December 4.

Nationally the 4-H program is supervised by the Cooperative Extension Service.

Mrs. G. H. Spears, who received a fractured pelvis early this month in a fall at her home, is reported to be improving at Tahoka Hospital.

J. D. Tippit Fund Is Started Here

Local citizens may, if they desire, contribute to a Tahoka fund for the widow and three children of J. D. Tippit, the Dallas policeman murdered in an attempt to arrest the assassin of President Kennedy.

Eldon Gattis started the fund here Tuesday. Contributions are strictly voluntary and no solicitations will be made.

Those wishing to contribute may make their checks to "J. D. Tippit Fund", deposit them at First National Bank in Tahoka, or give to Gattis or leave at The News.

Ted Pridmore Was At Dallas Hospital During Emergency

Ted Pridmore, junior student in Southwestern Medical College in Dallas, was on duty at emergency ward of Parkland Hospital in that city Friday when President Kennedy and Governor Connally were brought there following the tragedy.

His mother, Mrs. Beulah Pridmore, says that although Ted was not in contact with either of the men, some of the doctors working to save the two men's lives came out and explained to him and other student doctors the proceedings.

Ted's first knowledge of the tragedy came from some nurses whom he saw crying.

THE NEWS OUT EARLY

The News went in the mails Wednesday afternoon this week in order that the force might observe the Thanksgiving holiday.

Pres. Kennedy Is Victim Of Assassin

The past week has been a tragic one in U. S. history which shook the world.

President John Fitzgerald Kennedy, 46, the 35th President of the United States, on a good-will tour of Texas, was assassinated Friday at 12:31 noon as he rode through downtown Dallas in an open car. Rushed to Parkland Hospital, he died half an hour later at 1:00 p. m. from a shot through the brain.

Governor John Connally, in the same car, was also shot, but is on the road to recovery. Their wives, riding with them, were uninjured.

Vice President Lyndon B. Johnson of Texas was sworn-in as the 36th President aboard the Presidential plane shortly afterward, at 1:39 p. m. by Judge Sarah Hughes, first woman ever to administer the oath of office to a president.

Lee H. Oswald, 24, the assassin, fired the shots from an upper story window of the Texas School Depository. Dallas police quickly identified the assassin, an admitted pro-Communist, pro-Castro sympathizer, once a defector to Russia.

Oswald fled the building, was confronted by Policeman J. D. Tippit, four miles west in Oak Cliff, where Oswald shot and killed Tippit with a .38 snub-nosed revolver. A few minutes later, Oswald was detected and overpowered in the Texas Theatre, four blocks away.

A day later, Sunday shortly after 11:00 a. m., Dallas police made the mistake of announcing in advance the transfer of Oswald from City to County Jail, to accede to demands of news and television people. As Oswald was brought into the jail basement corridor for the transfer, he was shot and killed before the eyes of the world via television by Jack Rubenstein, a Dallas night club operator, habitue of the police station, and great admirer of the President, who somehow had gained admittance to the corridor.

Meanwhile, the rifle used in the assassination, was traced to Oswald, fingerprints thereon identified as Oswald's, and handwriting on the order from a mail order house identified.

In Washington, the nation looked on via television as at least 140,000 filed by the President's bier in the rotunda of the capitol building Sunday through Monday, the professionals, the Catholic funeral services, and burial in Arlington National Cemetery.

The ceremonies, the remarkable fortitude of the widow, Mrs. Jacqueline Kennedy, the touching actions of the President's children, the great array of world figures who had come from around the world to pay their respects, have been declared the most impressive so many people of the nation and the world have ever viewed.

Today, the nation and the world moves on—and people give thanks for their many blessings.

Nephew Of Local Man Is Killed

James C. Holder, 16 year old nephew of Albert Holder who recently became the owner of Tahoka Feed and Seed, Inc., was killed in a hit-run accident in St. Louis, Mo. recently.

Mr. Holder attended funeral services held there on Nov. 13. The young man and his friend were killed by a driver in a station wagon, who was apprehended within 30 minutes following the accident.

Young Holder was dead on arrival at a St. Louis hospital. His friend died a few minutes later.

Memorial Service Held On Monday

Tahoka joined the nation Monday in tribute to President John F. Kennedy, and a special convocation was held in the local schools in honor of him.

All Federal, county, and city offices closed for the day. Some businesses closed for the entire day, and the rest closed from 11:00 a. m. until 1:00 to pay respects to the deceased President.

Churches were open during the day for prayer and meditation.

School classes opened as usual, but a special convocation was called at 10:00 a. m. for all 1,200 students in the school gymnasium, following which students were free to watch the national ceremonies over television sets furnished and installed by local dealers in the two gymnasiums, school cafeteria, and some of the class rooms. Many of the students chose to remain beside television during the lunch hour.

Cleve Littlepage, chairman of the school board, and Supt. Otis Spears both said they thought united and supervised observance at school was better all the way around in teaching Americanism, history, and respect than it would have been to declare a school holiday.

At the special convocation, a brief program included a Pledge of Allegiance to the Flag, two patriotic songs led by Vic Kyler, an eulogy in honor of President Kennedy presented by Allen Cox, senior student.

In a talk on "Today in History," Mr. Littlepage said that although this was one of the blackest days in American history, there have been other similar black days, such as Pearl Harbor, and our nation and its people have had the courage and determination to meet the occasion, to rise as one and overcome obstacles.

This tragedy is now in the past, he said, and American democracy will go on. There will be other black days, but America will rise to the occasion. The future rests on present day students, who will become good citizens, who will be wearing the uniform and will wear it with honor.

Wait a bit—don't get hit! (Cont'd. On Back Page)

Post Plays Here Tuesday; Tourny Opens Thursday Of Next Week

Best boys and girls visit Tahoka basketball games here Tuesday beginning at 7:00 p. m. and beginning Thursday, Dec. 5, and continuing through Friday and Saturday the annual Tahoka basketball tournament will be held which will include a county championship for both boys and girls.

All teams in the county from O'Donnell, New Home, Wilson and Tahoka are entered in the event and the semi-finals will name the county champions. In a second bracket will be teams from Sundown, Slaton, Crosbyton, and Frenship, the winner of which will play the county champions for the tournament championship.

In the boys division, New Home will be pitted against O'Donnell at 6:50 p. m. Thursday with Tahoka and Wilson playing at 9:30 p. m. Thursday. Sundown and Slaton will play at 3:55 p. m. Thursday, while Crosbyton and Frenship will begin at 3:55 p. m. Friday.

New Home girls will compete with O'Donnell girls at 5:30 Thursday, and Tahoka and Wilson girls will play at 8:10 p. m. Thursday. The Sundown-Slaton girls game, actually the first game of the tournament, will be played at 2:15 p. m. Thursday. Crosbyton and Frenship girls will play at 2:15 p. m. Friday.

The county championship games will be played on Friday night, the boys at 9:30 p. m. and the girls at 8:10 p. m. Tournament finals will get underway with the girls at 8:00 p. m. Saturday and boys at 9:20 p. m. Saturday. A third place trophy will also be competed for, as well as consolation trophies.

Defending county champions are the O'Donnell boys and the Tahoka girls. Tournament defending champions are Slaton boys and Sundown girls.

Boys Winners At Abernathy

The Bulldog cagers went to Abernathy Monday night and returned home with a 61-54 victory after a hard fought contest. The girls, however, came out on the short end of the score, losing 46-74.

Coach Milt Pitt's basketball squad set the pace and kept it throughout the game to win from a team that is noted for its good basketball squads. The Bulldogs led 19-14 at the end of the first quarter and held a one-point margin at the half, 33-32. Third period score was 46-41.

Allen Cox poured in 25 points while Terry Harvick hit the basket for 13 and Macky McWhirter for 11. Team defense, rebounding and determination along with a good offensive effort spelled the difference for the local boys.

A taller Abernathy girls team, who controlled the rebounds kept Tahoka from being able to keep up score-wise. Abernathy took a 15-10 first quarter lead, 26-17 at halftime, and 39-29 at the end of the third. Tahoka girls battled all the way but couldn't match Abernathy in the rebound department.

Carla McNeely was high point for Tahoka with 13. Linda Thomas made 10 and Louella Tomlinson eight.

George Washington died December 14, 1799.

Girls Win, Boys Lose To Chiefs

Crosbyton Chiefs defeated the Tahoka Bulldogs 52-46 in the initial game of the season, but not without a battle from start to finish. Tahoka "A" girls swamped their opponents 50-27 and the "B" girls won 38-35.

Tahoka took a 13-10 first quarter lead, which was still maintained at half time when the score was 27-26. Crosbyton went ahead 38-34 at the end of the third before winning by six points.

Allen Cox, the only part-time starter from last year, scored 19 points. Eddie Howard tossed in 10. The Bulldogs looked good after only four days of workout. The Chiefs had four starters back from last year's team. With nine Tahoka lads seeing action, the defense also looked good at times.

The "A" girls were tied 6-6 when the first quarter ended, and Tahoka held a narrow 13-9 lead at the half and a 24-19 margin at the end of the third. It was in the final period that the local team surged ahead to win 50-27.

Linda Thomas was responsible for 19 points and Louella Tomlinson 13 for the winners. The Tahoka forwards scored 37 points in the second half and lightened their defenses on Crosbyton to win by a 23-point margin.

The "B" girls took an early lead, which it held at the end of each period. First quarter score was 11-7; half time 23-20; third period, 27-23; and at the end of the game 38-35.

Linda Hale was high point with 10 points while Chloe Jan Hufaker added seven more.

Savings Bonds Sales Increase

At the end of October, Lynn county stood 16th in the state and second in District 4 in percentage of U. S. Savings Bonds, according to announcement made by A. C. Verner, Lynn county Savings Bonds committee chairman.

On a quota of \$230,000, Lynn citizens had bought \$255,618, or 111.1 percent, during the first 10 months of the year. However, only \$13,000 in bonds were bought here during the month of October.

Crosbyton stood first in the district with 150.4 percent, or sales of \$350,655 in bonds on a quota of \$220,000. Crosby also leads the entire state in sales.

Statewide, Texas citizens in the first 10 months had bought \$122,667,337 in bonds, or 81.4 percent of its quota.

"According to information received from the Treasury Department, 1963 bond sales are hitting new peacetime highs. During the first 10 months of the year bond sales nationally have increased 11 percent over the same period in 1962. While sales have shown a fine increase, it is also noted that bond redemptions have decreased 2.7 percent during the same period," Chairman Verner states.

Christmas Mail Rules Listed

Faced with the certainty that Christmas 1963 will set an all-time record for mailings of Christmas cards and gifts, Postmaster W. E. Smith today requested your cooperation in his annual "Mail Early For Christmas" Campaign.

The Postmaster said "Here are the things to watch to be sure that every Christmas card and gift package will be delivered before Christmas Eve."

First, check over your Christmas card and gift list very carefully—be certain each address is complete with full name, street and number, city, state and zone or ZIP Code number.

Second, stock up soon on sturdy packing materials for your gift packages, including heavy wrapping paper, corrugated cartons, strong cord and paper adhesive tape.

Third, buy your postage stamps now. A 4c stamp will carry an unsealed card containing no writing other than name of sender to any point in the United States. A 5c stamp is required on each sealed card or a card containing a written message when that card is addressed for delivery to Tahoka rural routes or to another post office. The 4c unsealed cards are third-class mail and cannot be forwarded or returned in the event the addressee has moved. Those cards bearing 5c postage are first-class mail and will be forwarded or returned if undeliverable as addressed. Be sure to use the colorful new five cent Christmas Tree stamps on all your first-class cards.

Fourth, procure free labels from your post office which read "All For Local Delivery" and "All For Out-of-town Delivery," so that you can sort your Christmas cards into two groups, with addresses all facing one way, thus insuring fast delivery. Cards addressed to Tahoka rural routes should be tied in the LOCAL DELIVERY bundles.

Fifth, be sure that your full name and address is on all of your Christmas card envelopes and shipping labels and be doubly sure to include your ZIP Code number in your return address. Tahoka's ZIP Code No. is 79673.

The Postmaster especially requests that you schedule your Christmas mailings so that all of your cards and gift packages going to most distant points are mailed by December 10th. Those for local destinations should be mailed at least a week before Christmas.

Chery II Nova 4-Door Sedan

Now '64 Chevy II...

with a V8 engine

Now you see it. Now you don't. When a Chevy II does that kind of disappearing act you know without looking twice: It's a '64 with a V8 engine.

That's right. A full-grown 195-hp Turbo-Fire V8.* It's available for the first time this year along with a choice of three other engines—the standard 4 (in 100 Series sedans), the standard 6 and a new 165-hp 6.* (And all of them maintain their high spirits on modest amounts of regular gasoline.)

But the changes aren't confined to what happens when you slip into the driver's seat. There are new styling features like the tasteful grille design and trim accents, for instance. And the larger self-adjusting brakes that further reduce upkeep on a car that already has a reputation of coming about as close to perpetual motion as anything on four wheels can get.

The place to get the full details on the '64 is your Chevrolet dealer's. And after you've got them, we hope you'll attend to one further detail yourself. Drive it.

Tahoka, like the entire nation, was shaken by the assassination of President John F. Kennedy, the 35th head of our nation, and the attempted murder of our governor, John Connally.

Mr. Kennedy was a brilliant young man who had a fine personality and a drive which carried him to the highest office in our country, the most important leader in the world. He was a militant fighter for the things he considered the best for our nation, even though some were controversial. He was devoted to his family and to his religion, to his Irish heritage, and to a program which he considered an advancement of America through a "new frontier." What a tragedy for the life

of such a man to be snuffed out by a misguided "nut!"

This writer, as many other people in this area and across the land, disagreed with many of his objectives, but this is beside the point. He was the president.

Fortunate for Texas, his murderer was a pro-Communist, pro-Castro misguided fool. Fortunate for Texas and the nation, a nightclub operator of questionable reputation, killed the assassin, ending the sordid job of trying and convicting the man Oswald. But still, it's unfortunate that in a land of supposed justice and honor that some one illegally took the matter into his own hands.

But, why does a man—in either case—commit such a crime? How can a man build up such hate? What has either gained? What right does any one man think he has to take the life of another, president or just a little man who does not like our form of government? There are many questions. But, they will never be answered definitely.

Had the assassin been a Texan, a radical right, predominantly right-wing Dallas—and all of Texas—would have had a blot on its escutcheon for years to come.

There's one bright spot in the affair. Every effort possible seems to have been made to save the President's life by the most capable medical men that could be assembled on short notice. The assassin of the nation's leader received the same attention in a

similar futile effort in the same Dallas hospital. That's America. Where else would this happen?

Millions of words have been printed in the nation's press and other millions spoken over television and radio these last few days about the assassination. Anything else we might say is redundancy.

A Texan of humble beginning, Lyndon B. Johnson, has taken the place of the rich man's son as head of our nation. That's America, too! Where else could this happen?

Lyndon B. Johnson has drawn the ire of many Texans by his stand on many questions. The Eastern liberal Democrats call him a conservative. Many Southern Democrats call him a liberal. We hope he is a middle-of-the-roader. He is experienced in affairs of government. As leader of the Senate, he received invaluable experience in dealing with Congress. By his background, he should know the problems of our little people. He has a farm-ranch background. He is smart and capable. We just hope he ultimately sets his course back toward the kind of Democracy that has made our country great.

We come, stay a while on this earth, then pass on. Leaders come and leaders go. The United States will go on, forward and upward, we hope, under new leaders, and Old Glory will continue to wave over the home of the brave and the free.

At this Thanksgiving time, we have much for which to be thankful!

We found this verse on our desk: "The north wind doth blow, and we shall have snow, and what will Frank do then, poor thing? He'll buy a coat made of wool and lined with millium." We still say, use more cotton!

We still haven't found the owner of that daguerrotype (tin-type) picture found in an east Tahoka house by C. B. Smith. It's the picture of an aged man with beard and his wife. Mrs. Beecher Sherrod thought it might be of her grandparents, Judge and Mrs. Elliott, but decided it was not.

The Printer had an interesting visitor last week, John Toles of Lubbock, formerly of Happy and Canyon, and he subscribed for The News. Back about 1922, The Printer was attending West Texas State. Lindsey Nunn, publisher of the Amarillo News, owned a number of weekly newspapers in the area, and hired The Printer for a few weeks to manage the Happy Herald. We went down there two afternoons a week to sell ads, and pick up news copy from Mrs. Baggerly, mother of H. M. Baggerly, now the famed liberal editor of the Tulia Herald. Mr. Toles was a druggist in Happy, helped us out, gave us encouragement, and was partly responsible for us selling more advertising than any other manager Lindsey Nunn had had there. It's good to be remembered by an acquaintance you haven't seen in 41 years.

This one is from Rev. Efrid's Rotary Stenwinder: "How is your wife?" the man asked a friend he hadn't seen for years. "She's in Heaven," replied the friend. "Oh, I'm sorry." This point didn't sound quite right so he said, "I mean, I'm glad." That was worse yet, so he finally came out with "Well, I'm surprised."

I would rather fail in a cause that will ultimately succeed than succeed in a cause that will ultimately fail.—Woodrow Wilson.

SIX MEN COME HOME WITH TWELVE DEER

Six men came home last week and from Junction, where they bagged their limit, twelve head of deer, two of which were eight-pointers.

In the party were "Ted" Rogers and son, Finis, of Newmoore, and Hubert Webb, also of Newmoore, and three sons, R. O. and O. L. Webb of Seagraves and Jack Webb of Newmoore.

"Ted" says the deer were fat and in excellent shape. They hunted on a ranch eight miles south of Junction.

Mr. Rogers brought The News a "mess" of venison and also of catfish — a special feast for Thanksgiving.

Birthday Party At Special School

Danny Floyd Crain of O'Donnell was honored with a birthday party at the Lynn County Special School Friday, Nov. 22. His cake was topped with 13 candles.

Danny was host for his party. He chose the songs that were sung and games that were played. His mother was hostess and served ice cream and cake to all of the guests. She also gave each child a small toy.

This is Danny's sixth year in the special school. Mrs. Margaret Renfro, teacher, says he and his mother have at all times been very cooperative and he is maturing into a fine young man, one whom any mother would be proud of.

HAGOODS ATTEND FUNERAL FOR UNCLE IN CORPUS

Mr. and Mrs. W. W. Hagood returned home last Thursday from Corpus Christi, where they attended funeral rites on Wednesday for Mrs. Hagood's uncle, M. M. Sadler, 83, a resident of that city for 32 years.

They returned by way of Seguin, where they visited Mrs. D. B. English a few hours and found her getting along fine.

In master point play at T-Bar Duplicate Club Tuesday night, the following were the winners:

Mrs. Jess Gandy and Mrs. D. W. Gaignat, first; Al Gardner and Weldon Wells, both of Lubbock, second; Mrs. John Wells and Mrs. Winston Wharton, third; Mrs. Meldon Leslie and Mrs. Larry Hagood, fourth; Miss Echo Milliken and Mrs. A. N. Norman, fifth.

AAUW Meeting Is Set For Monday

The AAUW will hold its next meeting on Monday, Dec. 2, at 7:00 p. m. at the New Home schools.

Mrs. Fred McGinty will bring the program.

The last meeting was held at Wilson when Floyd Tubb showed slides of his trip to Europe.

NAMES ARE OMITTED FROM GUEST LIST

Wade Holland, president of T-Bar Country Club, said this week that the club extends its apologies to the children and teen-agers of those members who did not receive invitations to recent Country Club parties.

Through an oversight several children's names were either overlooked or misplaced. Those who did not receive invitations are urged to contact Mrs. Charles Townes so that the same error will not happen again.

What Happens In Car Crash

For some years, research people, especially at Cornell University and the University of California, have been studying automobile crashes. It may give you immediate cause to meditate over your own driving skills and habits once you know in detail what happens during those deadly tenths of a second when an automobile at 55 miles an hour is crashing into a solid tree. It does not take you long to die in those circumstances.

In the first tenth of that fatal second, your front bumper and grill collapse, with slivers of steel penetrating the tree to depths of one and a half inches or more.

In the second tenth of a second, your hood crumples as it rises, smashing into the windshield, and spinning rear wheels leave the ground. Fenders begin wrapping themselves around the tree, forcing the rear parts to splay out over the front doors. The car frame is being braked powerfully, but your body is still moving at 55 miles an hour. This means a force of 20 times gravity, your body now weighs 3200 pounds.

Instinctively, you stiffen your legs for the jolt, but they snap at the knee joints.

During the third tenth-second, your torso upright leaves the seat and broken knees ram into the dashboard. The steering wheel begins to collapse under your death grip, the steering column drives toward your chest.

In the deadly seconds fourth tenth, the car's front two feet are totally demolished, but the rear end is still coming on at 35 miles an hour. YOU are still doing 55. Half a ton of motor plunges into the tree. The car's rear, like a bucking horse, rises high enough to scrape bark off low branches.

In the fifth tenth, you are impaled on the steering column. Jagged steel punctures lung and intercostal arteries. Blood spurts into your lungs.

In the sixth tenth, the force of impact has built up so great that your feet are ripped out of tightly laced shoes. The brake pedal shears off at the floorboard. The car frame buckles in the middle. Your head banks into the windshield. The rear wheels, still spinning, fall back digging into the earth.

And in the seventh tenth of the second, the whole car is distorted. Hinges rip. Doors open. In one last convulsion the seat rams forward, pinning you against the cruel steel of the steering shaft. Blood spurts from your mouth. But it doesn't matter... You are already dead.

No need to go into the final three tenths of this horrible second, you won't be around to know them. And, of course, neither are your passengers. They have succumbed to their own troubles.

Salome De La Rosa was treated for bruises received in a car wreck at Tahoka Hospital. She was an overnight patient Thursday night.

Eulogy Read By Tahoka Student

(Following is the Eulogy on the Death of President John F. Kennedy written and presented by Allen Cox, senior, at the school convocation Monday morning before the student body.)

Eulogy of John F. Kennedy
Slightly less than three years ago a beaming President John F. Kennedy rode triumphantly down Pennsylvania Avenue in Washington, D. C., to proclaim the arrival of the New Frontier and to utter those immortal words, "Not what your country can do for you, but what you can do for your country."

Yesterday, he again traveled the same route to the Capitol, but this time at a much slower pace, and this time as his last. Instead of wild rejoicing, there were only muffled drums and muffled sobs; President Kennedy is gone.

With him is gone something of the legend that Mr. Kennedy established during his few years in the White House. What American can forget the saga of P.T. 109, the famous rocking chairs, the call for action "with much vigah," and the frolicking games of touch football which captured the heart of the nation!

A shocked and stricken world stands helpless before the fact of death—death brought to us through a tragically successful assault upon the life of the President of the United States by a diabolical madman.

The early shock and disbelief of this deed have melted into profound sorrow as the world joins to lament a silence that cannot and will never again be broken by the familiar Boston brogue of the fallen President.

The world grieves for the smile and flash of the man who captured universal attention and who now lies as only a tragic symbol of the end result of blind and unrelenting hate.

Many marveled as he matured under increasing pressure and emerged as a man who stood firmly on his principles, regardless of the opposition. He combined all the qualities of greatness in noble perfection. Many will pay tribute to the President as a world figure, to his political skill, his swiftness of resolution, his youthful enthusiasm and energy, and his brave heart.

Others will recall his as a husband and father, surrounded by his young and beloved family. What a precious memory to his now fatherless children must the sweet times of careless frolic among the pressures of a vicious world be now. Who among us can forget those touching scenes of family life which enhanced the elegance of the executive mansion and touched the emotions of all Americans.

At his side, in understanding and affection, has stood always his charming and gracious Jacqueline. Just before the body of the slain President was placed into the coffin, Jacqueline entered the hospital room, removed her wedding ring, and placed it on his finger as an act of faith in a reunion yet to come on some distant day. She then kissed his hand and took one last, lingering look into the battered and still-bloody face of the man she loved.

From wherever men look out in eternity to see the workings of our world, John Kennedy must now beam with pride for the valiant woman who shared his life and his courage even to the closing moments. When men speak of this sad hour in times to come, they will ever recall how her frail beauty matched in courage the man who was her husband.

And thus ends the closing chapter in that immortal book authored by the late President, "Profiles in Courage". The pages of history will forever note the legend of John F. Kennedy and will speak down through the ages of time that this was a man!

To close, I quote from Milman, "It matters not at what hour the righteous fall asleep.—Death cannot come untimely to him who is fit to die.—The less of this cold world, the more of heaven; the briefer life; the earlier immortality."

Rest in peace, John Fitzgerald Kennedy!

Warren Moerbe, seven year old son of Mr. and Mrs. Moerbe of Wilson, is a medical patient in Tahoka Hospital.

BRAY CHEVROLET

GRASSLAND NEWS

(By Mrs. O. H. Hoover)

The terrible tragedy that happened so very fast in our beloved Texas last Friday has cast a pall of grief and sorrow over our little community of Grassland. What a terrible thing for anyone to do! May God have mercy on the soul of the man responsible!

Mrs. E. M. Walker accompanied her brother John Davis, who had been visiting their father W. M. Davis here, to Dallas on Nov. 18. There, they met his wife Alice and two daughters and husbands, Mr. and Mrs. J. W. Burress of Salem, S. C. and Mr. and Mrs. Bill Atkins of Danville, Va. They were in Dallas attending the Dr. Pepper national convention.

They stayed for the President's visit, and this is what Mrs. Walker told your reporter. "As the motorcade approached where we were waiting, a significant fact seemed to stand out—the vast crowd lining the streets was made up mostly of younger people. They seemed to say, 'He is not only our leader,

but his life we can follow by living our convictions as he is doing, and by serving our country more efficiently.' One minute we were watching Mr. Kennedy, full of vitality and acknowledging the applause of those thousands of people, then within seconds this useful, energetic life was no more. What a waste! The whole world mourns his loss!"

Mrs. C. A. Walker was admitted to the Garza Hospital Saturday. She has arthritis in her knee and will have to stay off it for some time. She is doing fairly well.

Mr. Gus Porterfield is confined to his home with a real bad cold.

Traci Huff missed school most of last week with a high fever and sore throat. We are glad to say she is better.

The Thursday Club met in the home of Mrs. Myrtle Hoover Nov. 21. There were only four members present, Ada Oden, Emma Jones, Minnie Wright and the hostess, Bernice Propst was in Dallas visiting her mother, Lillian

Junior Games Starting Monday

Junior high basketball games for seventh and eighth grade boys and girls will get underway next week.

First game of the season will be played at Slaton on Monday night. One game is scheduled each week for the teams and the district tournament will be played in Tahoka late in February.

Stevens had gone deer hunting somewhere near Buchanan lake and Iris McMahon had company. Mrs. Hoover served pumpkin pie with whipped cream, nuts and candy pumpkins and coffee.

Mrs. Hoover visited her niece, Mrs. C. A. Walker, in the hospital Sunday afternoon.

Mrs. Roy LeMond has brought her mother, Mrs. H. N. Edwards, home from the hospital. She had eye surgery Nov. 18. She is recovering nicely. Visiting her Sunday afternoon were Mrs. A. Z. Sewell, Mrs. Hoover and Mr. and Mrs. Sam Edwards.

Mrs. T. J. Murray and Mrs. W. G. McCleskey visited Mr. Jim Patterson in the Slaton Mercy Hospital Thursday. He is improving slowly.

Mrs. Hoover visited Mrs. G. H. Spears in the Tahoka Hospital Saturday. She fell some time ago and broke her pelvis in three places. She is suffering a great deal but is doing as well as can be expected. It hasn't been too long since she broke her hip and the little lady is 85 years young. Several of her children are here helping to care for her.

The Carlos McCleskeys, the J. C. Allens of Lubbock, and the W. G. McCleskeys visited the C. O. McCleskeys Tuesday.

Mrs. W. L. Gribble visited Mrs. Spears at the hospital Saturday afternoon.

Mrs. Carrie Wall spent the night Friday with her daughter, Mrs. Billie Joe Terrell of New Home.

The Odie Campbells had lunch Sunday with the J. F. Moores.

Mrs. Carlos McCleskey and children had lunch Sunday with the C. O. McCleskeys.

Mrs. Amos Gerner and Laura attended the wedding Saturday evening of Elaine Wheatley and James Ferlich in the Church of Christ in Post.

Mrs. Gerner reports her mother, Mrs. O. F. Haley, is improving some.

Mrs. Murray, Mrs. McCleskey and Mr. and Mrs. C. O. McCleskey visited Mr. Jim Patterson right recently. He thinks if he keeps on improving he will get to come home this week.

The Producers Gin at Grassland has ginned 1000 bales of cotton so far. The Farmers Co-op has ginned 1043, but look out when the weather clears. You won't be able to see either gin for the cotton trailers.

Dr. Ford Speaks At Rotary Club

"America" was the subject of an inspiring and stirring address at Tahoka Rotary Club last Thursday by Dr. Herschel W. Ford of Dallas, evangelist, author, and former pastor of leading churches, who was here conducting revival services at First Baptist Church.

Approaching the subject on the positive side, he said he received an extra amount of enthusiasm for our country when he heard years ago Kate Smith's initial rendition of "God Bless America" over radio.

"America was founded on faith in God, he said, and whereas all history nations founded for any other objective have failed.

On reaching our shores, the first think the Pilgrims did was to kneel in prayer. When Jamestown settlement was established in 1603, the first building erected was a church. At the Continental Congress, when discussions seemed bogged down, Benjamin Franklin told the group, "Let us get down on our knees and pray."

America has been built on faith in God, freedom of speech, press, and religion, freedom of opportunity. He pointed out the scenic beauties of our land, the richness of natural resources and a heritage of equality of rights, a place where a poor man can rise to the highest office.

A South American, asked what he thought of the great progress to world leadership by the United States, he said, declared, all countries to our south were founded by men seeking gold while those who founded the U. S. were seeking God.

Today, he warned, from information gleaned from newspapers, radio, and television, our nation seems to be turning away from God.

In closing, he declared there is no better rule for business than the Golden Rule. We need more,

4-H Club Elects Year's Officers

of God taught in the homes, schools, churches—but, most of all, we need God in our own hearts.

Rev. James Efrid introduced the speaker. Since this was Dr. Ford's birthday, James Hollars, First Baptist music director, also a guest, was called on to lead Rotarians in singing "Happy Birthday" to him.

President Don Browning announced an Interact Club, Rotary sponsored for high school boys, had been formed in Tahoka High.

The rotary cylinder printing press was invented by Richard M. Hoe in 1846.

Boys And Girls Defeat Sands

In a game with the lead changing hands every few minutes the Tahoka Bulldogs defeated Sands in the basketball game here 56-52, and the girls lost by one point in an overtime 57-56 after tying 49-49 at the end of the regular period of play. Boys "B" game went to Sands by a score of 43-31.

The Bulldogs went out in front 15-8 at the end of the first quarter, but Sands pulled ahead to lead 26-25 at halftime and held on to a 39-35 lead at the end of the third. The Bulldogs came back to score 21 points in the final stanza to win the game.

The last four winning points of the game came in the last six seconds. Rett Patterson dropped in a field goal and after the whistle sounded, the Bulldogs made two free shots.

Allen Cox took point honors with 21 and Eddie Howard tossed in 11. Eddie Herm was high for Sands with 22.

In a tight battle all the way, Tahoka girls and Sands were tied 11-11 when the first quarter ended and were still tied 24-24 at half-

Abbe Is Speaker At New Home

Robert Abbe, Tahoka certified public accountant, spoke to New Home Young Farmers at their meeting Monday night on the subject of income tax returns. Sixteen members were present, according to R. L. Dulin, club reporter.

Plans are being made for a Christmas party in December for New Home Young farmers and their wives at the Community Center.

KEITH CONNOLLYS HERE

Mrs. Stanely Odom was an overnight medical patient in Tahoka Hospital Saturday night.

time. Sands went out in front 41-35 at the end of the third but Tahoka came back strong in the last period to tie up the game 49-49 when the final whistle blew. In the overtime, Sands was able to outscore Tahoka by one point. Louella Tomlinson sank 25 points for Tahoka, Linda Thomas 15 and Carla McNeely 12. Zelda Bodine made 26 for the winners.

The "B" game was a close one most of the time. Sands led 8-3, 20-19, 30-27 and 43-31 at the end of the four periods of play. Danny Coburn made 12 points for Tahoka, Dean Hamilton and Jerry Jolly, six each.

Wilson Game ...

(Cont'd from Page 1)

boys carried the ball some time in the game, including linemen shifted to backfield. Five were in on the scoring. HB Sammy Crowson scored 32 points, four touchdowns and four 3-point conversions, bringing his season's scoring total to 156. FB Johnny Nava scored two, HB Royce Baker two, bringing his season total to 108 points, QB Joe Mason scored one, and End Johnny Koenig kicked four of five conversion attempts. Wilson lost seven fumbles but intercepted six Dell City passes, two each by Crowson and Nava, one by Gary Herzog, and one by Mason. Dell City, knowing it was outmanned, attempted 53 passes, completed 19 of them for 197 yards and two of them for touchdowns. HB Jon McCoy punted seven times for a 35 yard average. Wilson never punted.

Wilson scored 24 points in the first quarter on a 25-yard run by Nava, a 10 yard run by Crowson, and a 5-yard run by Baker. Crowson ran over all three conversions. The Mustangs added only eight points in the second, another 25-yard run by Nava, and Crowson converted again. On three successive passes by Ben Jonas, two to RE Tommy Slaughter for 18 and 15 yards, and then the touchdown pass to HB Devon Lewis for the score. Wilson led 32-6 at halftime.

Opening the second half, Wilson scored again in three plays, Crowson racing the last 35. Herzog intercepted Ben Jonas' pass, Baker went 28, and then Mason sneaked over for another TD. Dell City had to kick, and Baker raced the punt back 64 yards for another score. Koenig kicked all three conversions to make the score 53-6.

Coach Duncan, now trying to hold down the score, had all his reserves in, and began using linemen and reserves to carry the ball. Dell City made spasmodic yardage, but Wilson lost three fumbles in a row, the last on its own 22, crew a 11 yard penalty, and then FB Jonas, threatening to pass ran around end for Dell City's second score and then passed to Manuel Levario for the conversion. Score, 53-14.

In the fourth, Jonas set up another TD on a 27-yard pass to Slaughter, made three through the line and then passed to Slaughter for the visitors' score. But, Wilson wasn't through. Baker went back in for one play and ran 22 yards, and Crowson carried again and went all the way 25 yards to score. Koenig kicked.

Dell City wasn't through, either Jonas heaved a long one to little 105-pound Walter Bavousett, who took the ball on the dead run, the play good for 66 yards and a touchdown.

Center Ray Ehlers, as time was running out, moved to fullback and moved 18 yards on four carries, a guard, Tommy Swann carried once, and then Crowson went in for one more try and ran 31 yards for the final score, 66-26. Vicious tackling by Mustangs, plus equally rugged blocking, especially in the line, enabled the hard-running Wilson backs to go great guns. Wilson defense was a highlight. When they stopped Dell City running and the visitors were throwing passes all over the place, Wilson players rushed the passers to make this feature of their game ineffective most of the way.

In addition to those mentioned above, Wilson boys seeing action were Dennis Verkamp, Manuel Samora, Gene Herzog, Gary Williamson, Mike Holder, Kieth Sander, Lee Moore, David Koslan, Mike Walton, Gilbert Buerra, David Tucker, and Mike Gatzki.

Vote On Cotton Program Dec. 10

College Station — The meaning of a "yes" or a "no" vote in the December 10 referendum on cotton marketing quotas has been explained by W. L. David, Chairman, Texas Agricultural Stabilization and Conservation Committee. All farmers who engaged in the production of upland cotton in 1963 are eligible to vote in the referendum.

The Chairman explains the basic program choices as these: First, if at least two-thirds of the growers who vote in the referendum approve of quotas, then the quotas will be in effect for the 1964 upland cotton crop. Also, marketing penalties will apply to any 'excess' cotton produced on a farm, and price support at a level within the range of 85 to 90 percent of parity will be available to farmers who comply with their farm acreage allotments, he says.

On the other hand, if more than one-third of the growers who vote oppose the quotas, then there will be no quotas and no penalties applicable to the 1964 upland cotton crop. Then price support to farmers who comply with their farm acreage allotments will be available at 90 percent of parity, as directed by law.

Allotments are not affected by the outcome of the balloting, David says. They will remain in effect, whether or not quotas are approved, as a means of determining eligibility for the available price support.

David pointed out that, while the Secretary of Agriculture is directed by law to proclaim quotas for the next crop when the total cotton supply exceeds normal, it is the growers themselves who decide whether or not quotas shall be used. Allotments for individual farms will be made available to growers prior to the December 10 referendum, the Chairman said.

Mrs. Paul Garcia entered Tahoka Hospital Wednesday of last week and was released Monday. She was a medical patient.

Augustine Amaro was released Thursday of last week from Tahoka Hospital after injuring his knee in a fall at a gin.

THOUGHTS OF THANKSGIVING

Thanksgiving is a special time of gratitude, concern, hope and belief.

Gratitude for the peace and plenty in our land.

Concern for those not so fully blessed.

Hope for a friendship between all people.

Belief in our way of life.

In the spirit of Thanksgiving, all of us at Tahoka Drug send you a very special "thank you" for the trust you have placed in us. We will try always to merit that confidence. With our best wishes for a happy and abundant Thanksgiving.

THANKSGIVING
On this Thanksgiving Day, 1963,
We pause to give thanks for our great land,
A land of the free and the brave,
A land of plenty and a land of beauty,
For the blessings of home and family,
For the privilege of free enterprise, freedom of speech, press, and religion,
A land where man may be rewarded for individual initiative,
For a nation that can arise when tragedy strikes.
Our blessings are many!
And, furthermore, we are thankful for our friends and customers—and wish each of you the fullest measure of happiness and prosperity!
