New School Head Elected By Board

Harold C. Reynolds, 34, Monday night at a meeting of the school board, was named the new Tahoka superintendent to succeed Otis Spears, head of the local system for 13 years, who is moving to Bovina this summer.

Mr. Reynolds expects to move here from Iowa Park as soon as he can rent or lease a three-bedroom home. He hopes to move by May 1 in order to become acquainted with the system and be in hand during the remainder of the new building construction program.

Mr. Reynolds is married and has three children. He received his B. S. and M. E. degrees in Public School Administration from North Texas State University at Denton.

Mr. Reynolds has had 12 years experience in the school business, as a classroom teacher and basketball coach, as superintendent at Bellvue 1956-'58, as high school principal at Childress 1958-'59, as superintendent at Paducah 1959-'61, and as superintendent at Vernon 1961-'63.

Last year, he resigned to enter the insurance business in Wichita Falls and work on his Ph. D. degree, but this arrangement did not work out and he now desires to get back into school administration.

The new superintendent is a member of the Baptist Church, and has been active in Chamber of Commerce, Lions Club, and Little League.

Members of the school board were highly impressed with Mr. Reynolds. Trustees talked with people in towns where he has served and all recommended him highly.

Among these was Cleddie Palmer of Vernon, whose wife is a Draper.

4-H Favorite Food Show Held Here

The Lynn County 4-H Favorite Food Show was held Saturday in the kitchen of the Lyntegar building, according to Billie Carr, Home Demonstration Agent.

This is a county, state, and national awards program.

The purpose of this program is to help 4-H club members to develop leadership talents and to work toward achieving the broad objective of character and effective citizenship, to develop skill in the preparation of food and in the planning and serving of nutritious meals, and in the selection and use of equipment, to gain an understanding of the preparation and combination of wholesome foods and of the selection of an

4-H Club Bake Contest Held

Thirty-one 4-H Club members entered 69 bake products in the Lynn County 4-H Bake Show which was held Saturday at Lyntegar, according to Billie Carr, Home Demonstration Agent.

Mrs. Leland White presented plaques to the 4-H members with the highest scores in each division. There were La Nita Wood, O'Donnell, senior division; Valetta Peterson, Wilson, junior division; and Tandy Barton, O'Donnell, elementary division.

Judging was done by 4-H club members, with adults assisting. Myrna Bartley of Tahoka; Ronnie Wood of O'Donnell, and Mrs. Lois Greathouse of Tahoka, judged the Senior division. Kent Wood, Lyndol Askew, La Nita Wood, all from O'Donnell, and Mrs. W. C. Macker of Wilson judged the Junior division. Jennie Hewlett, Wilson, Harold Bessire, O'Donnell, and Mrs. B. J. Dunlap, Tahoka judged the elementary division. Mrs. W. L. Rowe, Tahoka, Mrs. Leland White, New Home, Mrs. Edward Bartley, Tahoka, Mrs. H. G. Franklin, New Home, Mrs. Harold Nettles, New Home did the tabulating.

All participants were awarded ribbons. The bake show is a county activity.

Five Fires Here In Three Days

A plague of fires broke out in and near Tahoka Saturday, Sunday and Monday, keeping the Tahoka Volunteer Fire Department busy at the first four for about 24 hours with the fifth occurring the next morning.

Beginning with the burning of the Sessums "66" Station early Saturday morning, the second fire was reported outside of City limits at 6:30 p. m. Minor damage was done to a kitchen wall and cabinet in a home belonging to a Latin American two blocks east on the South end of Ave. B.

At 1:29 a. m. on Sunday a farm house was totally destroyed on the Mel Leslie farm one-half mile north of Tahoka. Leslie's farm hand was living in the house at the time.

Then at 4:32, as the firemen were coming in from the Leslie farm, a fire was reported at the residence of H. R. Minor at 1821 North Second where a chicken house and storage house was engulfed by flames and destroyed.

On Monday at 3:21 a. m. the Fire Department was called to the G. W. Grogan farm nine miles east of Tahoka where a farm hand's house and storage rooms were lost by fire.

No one was injured in the blazes, however, according to Fire Chief Pat Patterson.

Three Brothers In First Grade Here

Mr. and Mrs. Bill Nichols, new Tahoka citizens, have four sons, and three of them have the unusual distinction of being in the first grade.

The Nichols last week bought Dixie Dog Drive-In from Mr. and Mrs. Bill Taylor, and have moved here from the Amerado Camp, south of Brownfield, where he worked for that company. They live at 1929 South 4th.

The two oldest sons are twins, seven years old, and the next is Brent, age six, and all three started to school this year. Incidentally, they were each placed in different rooms on entering school here. The Nichols have another son, Barry, age four.

Help Sought For Victims Of Fire

Several Tahoka citizens are conducting an appeal for contributions of household items, clothing, or cash donations for the Victor Garcia family, who lost all of their belongings in a fire on the Mel Leslie farm which occurred while the family was away from home last week end.

Furniture, cooking utensils, dishes, linens, or clothing for Mr. and Mrs. Garcia and their five children, as well as money, is being accepted at the home of J. T. Miller on North Fourth Street.

Wilson Band Will Present Concert

Wilson School bands will present their annual spring concert next Friday night, May 1, at 7:30 p. m. in the Wilson auditorium.

Mr. Mayes says the program will feature popular and light, catchy classical music that the public will enjoy.

The high school band has 47 members and the junior high band has 28.

Admission will be 50 and 25 cents.

School Building Work Progresses

Tahoka school board heard a progress report on the new high school building and remodeling of other school buildings in a meeting Tuesday night.

Architect stated that the new high school building should be completed by the beginning of the school term in the fall, but even though it may not be completely finished, it will be habitable. Cleve Littlepage, board president, reported.

Because of minor changes, difficulty of going into existing gas lines, sewer lines, etc., the construction is going to cost a little more than expected. Since this will put the finances for construction in somewhat of a strain, Mr. Littlepage said that the board will wait to receive the final analysis of cost before buying furniture.

Furniture is assured to provide seating and desks for all students, however, but buying other new furniture, or extra furniture may be postponed for the time being.

DON BROWNING

Don Browning Leaving Tahoka

Don Browning, popular minister of the Tahoka Church of Christ the past three years, resigned Sunday, effective July 1, to engage in similar work with the East Side Church of Christ in Snyder.

The move is a definite advancement for the young minister. East Side is the older and larger of two Churches of Christ in Snyder, has more than 700 members and Bible School attendance exceeding 800. The Church erected a new building four years ago which has an auditorium seating 1,000, and will be paid for at the end of this year. Also, the Church has a beautiful three-bedroom minister's home.

Browning was reared nearby at

New Home Calls Bond Election

City of New Home has called a bond election for Saturday, May 2, to build a waterworks and sanitary sewer system, one of the principal reasons the town was incorporated last year.

The City proposes to issue \$70,000 in revenue bonds to be paid off in 40 years or less from revenues from the combined waterworks and sanitary sewer systems, and \$55,000 in general obligation bonds to be paid in 40 years from tax funds, a total of \$125,000.

Actually, there are four propositions on the ballot. No. 1 for \$48,000 in revenue bonds for the waterworks system, No. 2 for \$22,000 in revenue bonds for the sewer system, No. 3 for \$37,000 for general obligation bonds for the water system, and No. 4 for \$18,000 general obligation bonds for the sewer system.

Members of the City Council are: J. W. Edwards, mayor; Robbie L. Gill, M. S. Renfro, W. W. Davis, Orville R. Phifer, and G. B. Mayfield, aldermen.

Named to conduct the election are: Dick Turner, presiding judge; Bobby Carroll Jr., judge; Marlin Maloney and Howard Mayfield, clerks.

Kay McKibben was dismissed Thursday of last week as a medical patient at Tahoka Hospital.

New Oil Test In Wells Area

Texas Crude Oil Co. and Dan Auld of Kerrville have announced a new deep oil test to be known as the No. 1-38 R. F. Cook and others in the southwest part of the county, about 10 airline miles from Tahoka. Contract depth is 11,400 feet.

The prospector is located 900 feet from the south and 600 feet from the east lines of Section 38, Block H, EL&ER survey.

Last week, Lone Star Producing Co. abandoned as a dry hole its deepening of the old No. Mrs. W. D. Nevels test under the new name of No. 1-A W. A. Hoffman. The well as originally drilled to 10,010 feet, and the hole was deepened to 11,500 to test the Fusselman. Location was three miles northeast of West Point in Section 4, Block C-42 PSL survey.

Cindy Raindl, 10 year old daughter of Mr. and Mrs. Emil Raindl, has been a medical patient in Methodist Hospital, Lubbock. She was expected to be released the latter part of this week.

John Earles Of O'Donnell Dies

John L. Earles, 77, prominent O'Donnell citizen for 40 years, died Tuesday in a Lamesa hospital.

Mr. Earles formerly operated a garage and service station, owned bank stock, and the past several years had devoted his time to his farming and ranching interests.

Funeral services were held Thursday at 2:30 p. m. in the First Baptist Church of O'Donnell with the pastor, Rev. Calvin Partain, officiating. Burial was in Lamesa Memorial Park.

Survivors include his wife, O'Donnell, and one brother Jesse Earles of Denton. The couple had no children.

BUILDING NEW HOME

Construction of a new brick home for Mr. and Mrs. Leonard Norwood has been started on North Third, immediately east of South Elementary School.

George Johnson of Fort Worth, a medical patient in Tahoka Hospital, was dismissed last Friday.

Fire Destroys Local Building

Fire Saturday morning destroyed the Jim Sessums 66 Service Station building, owned by H. B. McCord & Son, and damaged the adjoining building and stock of McCord Motor Co. This was the first major fire in downtown Tahoka in many years.

Loss was estimated at \$35,000. Mr. Sessum had no insurance on his stock, but the McCord loss was partially covered by insurance.

The service station building, located at the intersection of Highways 87 and 390, will be rebuilt immediately. Mr. McCord told The News in last week's report that the station will be modernized, possibly some of the walls retained.

The fire was discovered by Mr. Sessums at about 6:20 a. m. Saturday in a closed store room, south of the station. He ran for a water hose, but the flames gained head-

way quickly and the Fire Department was called. Mr. McCord said the fire apparently started some distance from any electrical appliance and possibly had been smoldering for some time before the door was opened, at which time the flames burst into action and reached oil and greasy substances. Quickly the fire spread to the ceiling and the rest of the building.

Luckily, the wind was from the southwest, or the entire block could have been consumed. Firemen concentrated on keeping the flames and heat from extending across the firewalls and through doors connecting to the McCord shop on the east and the automobile display room on the south. Clyde Spruiell, McCord foreman and also a fireman, received slight burns and singed hair and was knocked down by a blast as

he tried to close a door between the shop and a storage room to the station.

Sessums lost all his stock, cash register and contents, and a pickup truck. McCord, in addition to building damage, lost considerable new stock, special equipment and tools, and two air compressors. Heat and smoke damaged other equipment in the garage. All electrical wiring was burned out in all three buildings. Smoke damaged McCord garage, showrooms, and offices and contents. New cars and boats, however, were moved out before receiving serious damage.

The brick service station building was about 40 years old, was once owned by the late F. O. Greathouse, later was a Sinclair station operated by Winter Knight and had been partially burned out

Parade Thursday Is Opener For Week-End Rodeo Event

Festivities connected with the fourth annual Tahoka Rodeo were getting underway here Thursday afternoon as The News went to press, with a street parade at 6:00 p. m., followed by the first performance of the show at 8:00.

Other performances will be Friday and Saturday nights.

This year's show is expected to be the best so far, members of Tahoka Rodeo Association state. Many top cowboys are entered to pit their skill in competition with some of the toughest rodeo stock available, that of Sand Hills Rodeo Co. of Seagraves, the stock formerly owned by Jack Miller.

Billy King, popular rodeo clown rated one of the best in the Southwest, is here with a lot of new fun acts and feats of daring.

Activity was scheduled to begin with the parade Thursday afternoon, with prizes for winning floats of merchants and clubs and for top Sheriff's posse.

Rodeo queen was to be announced at the opening performance from a field of six candidates, Eugenia Smith, Patricia Falls, Linda Ward, Montie McGinty, Leah Short, and Rhonda Littlepage, and was to be crowned by last year's queen, Nancy Parker.

A dance at the City-Legion building follows each performance. Monday and Tuesday, local boosters visited 18 area towns to advertise the rodeo, and had a fine reception everywhere they went. The group was accompanied by a string band composed of H. C. Gribble, Leighton Knox and James Aten. At Abernathy Tuesday they were guests of the Lions Club, and appeared on radio at Station and Monday on radio at Denver City.

The first day's tour was to O'Donnell, Lamesa, Seminole, Seagraves, Denver City, Plains, Brownfield, and New Home. The second day, the group visited Wilson, Slaton, Post, Rails, Lorenzo, Idalou, New Deal, Abernathy, Anton and Wolforth.

FFA Parent-Son Banquet Monday

Tahoka Future Farmers of America will hold their annual Parent-Son banquet next Monday night at 8:00 o'clock in the school cafeteria.

Alton Cain, local businessman, will be the principal speaker.

Entertainment will be furnished by the "Sandstorms," FFA talent team which won district honors last December in the entertainment contest and will represent this district in the area contest the last day of May. Members of the music group are Ronnie Hudgens, Dean Hamilton, Terry Bairrington, Jack Flippin, and Hugh Jack Norwood.

Johnny Long, FFA president, will be master of ceremonies at the banquet, and will be assisted by other FFA officers.

Seniors Stage Play At Wilson Tonight

Wilson Senior Class is presenting its play tonight, Friday, at 7:30 o'clock in the Wilson school auditorium, a hilarious horror comedy, "Hobgoblin House," by J. Tobias. Admission is 75 and 50 cents.

Appearing in the cast are: Valton aMeker, Zetha Rinne, Claudia Stoker, Kay Stell, Rodney Crews, Cassandra Scott, Dick Standefer, Barbara Wensche, Ted Bartley, Gary Herzog, Linda Heck, and Tommy Swann.

Sponsors are Bobby Lee and Miss Suzanne Johnson.

BUILDING NEW HOME

Mrs. A. L. Solsbery, who recently sold her home, is building a modern new four bedroom residence west of the Church of Christ. Several elderly ladies live with Mrs. Solsbery.

Mrs. M. T. Wyatt was a medical patient from Monday through Wednesday in Tahoka Hospital.

N. M. Smith was a medical patient in Tahoka Sunday and Monday.

Six Children In Welfare Custody

Mothers of six dependent and neglected O'Donnell children failed to appear in District Court Saturday morning as scheduled, and the children have been placed in the custody of the Department of Public Welfare.

Mrs. Mildred Crump of the Dawson-Lynn Welfare office took the children and has them for placement in foster homes.

Five of the youngsters, ages 4 to 12, are daughters of Mrs. Beatrice Carter, 41, Negro. The sixth is the child of Mrs. Carter's daughter, Myrtle May Carter, 17, also of O'Donnell.

County Attorney Harold Green told The News that on the previous Saturday at a hearing in district court, Judge Truett Smith declared the children dependent and neglected. The Judge gave the mothers until this Saturday to present a defense, but both mothers failed to appear, which resulted in making the decision permanent.

Dunbar Principal Is Given Release

British C. Daniel, principal of Dunbar School here, was relieved of his job by the Tahoka school board last Friday. Last week, Daniel had pleaded guilty to aggravated assault and fined \$50.00 and costs as result of an "attack" on a school child.

The News is informed Daniel has gone to his home in Fort Worth. His work is being taken over by Raymond Peppers, and principal duties have been assumed by Melvin Burks, counselor, and Supt. Otis Spears, until the close of school.

PETE COLEMAN, FORMER CITIZEN, DIED RECENTLY

The News is informed that "Pete" Coleman, former Tahoka resident, died suddenly of a heart attack at his home in Temple several weeks ago.

Mr. Coleman operated a service station in the 1920s and 1930s at the present location of Reynolds Tire Shop, and served as chief of the Tahoka Fire Department. He and his wife moved from here to El Paso. She now lives in Temple. The couple had no children.

Other outstanding personalities also will speak at the forum, sponsored by Lubbock Christian College.

A group of Tahoka people plan to attend the event. Fee for attending is \$100 including housing or \$80 for tuition, meals and no housing.

GRASSLAND NEWS

(Mrs. O. H. Hoover)

I am back at home again after spending most of last week visiting my son Jerry and family in Lubbock, and Herbert C. in Shallowater. I enjoyed it very much but you know what the best part of my visit was, coming home.

The Thursday club met April 16 in the home of Mrs. C. C. Jones. The afternoon was spent in visiting. Mrs. Jones served sandwiches, congealed salad, pickles, olives, pie and other tasty things. There were two guests and five members present. The next meeting will be May 6 at Mrs. Hoover's home.

Mr. and Mrs. Amos Gerner and Laura were guests of Lee Mason and Johnny Stumendall at the annual meeting of the Hackberry Club.

Visitors in the L. B. Burk home last week were J. H. and Dave Burk of Levelland and Carl St. Clair of Lubbock.

Mr. and Mrs. Lucian Walker spent the afternoon recently in the home of the L. G. Woods in Lamesa. Mrs. Woods has been quite ill and has had several heart attacks.

Laura Gerner attended the wedding shower of Sharley Bastick last week.

Jaretta Norman, daughter of Jim and Johnny Norman has been very ill with the measles but is getting over them.

Mr. and Mrs. J. A. Propst have gone down on the coast to stay a while for Mr. Propst's health.

Mr. and Mrs. C. M. Greer spent Sunday with their daughter, Mrs. Bethel Brown and family. The Brown's son Larry and wife were there from Abilene.

Mrs. Lorain Gerner visited her mother, Mrs. O. F. Haley Monday morning.

Mr. and Mrs. Amos Gerner have received word that their son Jerry has graduated from the Marine Corps recruit depot and has moved to Camp Pendleton for advanced training in the 2nd. B. N. Infantry training regiment.

Mrs. E. M. Walker, Mrs. C. M. Greer and Mrs. C. B. King all visited in the C. C. Jones home last week.

Mrs. C. C. Jones' son, Marion, had a serious accident recently while loosening a valve on an irrigation system. The valve blew out at 70 lbs. of pressure. He was

hit in the right side of his face breaking the jaw bone in three places and cracking the bone below his eye. He is in the Methodist Hospital in Lubbock under special care.

Mrs. O. F. Haley's granddaughter Brenda and her grandson Rickey Don and girl friend, Nancy and Donna all visited her Sunday.

Mr. and Mrs. Gus Porterfield visited last week with cousins, Mr. and Mrs. Earl Leonard of Wheeler, Texas and from there to Oklahoma City to visit Gus' sister, Mrs. S. D. Pollock and family.

Mrs. W. E. Ray and children visited in the parsonage all last week with Mrs. Ray's parents, Rev. and Mrs. J. E. Yeats.

Mrs. R. E. McCord of Tahoka visited a few days with her daughter, Mrs. C. E. Short and they went to see the new son of Mr. and Mrs. Billy L. Thomas. The baby is the McCord's great grandson.

Visiting in the home of Mr. and Mrs. Glen Norman Sunday for lunch were Mr. and Mrs. Ira Lee Duckworth and Mr. and Mrs. Walter Duckworth and Peggy Bevers.

Mrs. Ada Oden had a house guest the past week Mrs. Blanch Oden of Clarendon.

Mr. and Mrs. W. C. W. Morris visited Mrs. Ada Oden and Mrs. Blanch Gray Sunday afternoon.

Mr. and Mrs. Roy LeMond and Mrs. A. Z. Sewell spent the day Friday in Lovington with the Grady LeMond family.

Visiting Mrs. Lucy Cunningham as overnight guests were Mr. and Mrs. Bob Perry and granddaughter of San Angelo.

Rev. and Mrs. Onie Reed of Crosbyton visited with the Perry's Saturday.

Mr. and Mrs. C. E. Cook and grandchildren of Lubbock spent the day Sunday with her mother, Mrs. A. Z. Sewell. Mr. and Mrs. Sherrill had supper with Mrs. Sewell also.

Luncheon guests in the W. L. Gribble home Sunday were their son and family of the H. C. Gribbles.

The Odie Campbell family spent the day Sunday in Post with their daughter's family, the Donald Ritchey's.

Rev. and Mrs. Ira Campbell and the evangelist, Rev. Holcomb, had lunch Sunday with the M. C. Ritchey's.

THANKS TO EVERYONE!

We sincerely thank all those who helped during our recent fire; Tahoka Volunteer Firemen for the wonderful work in containing the fire and keeping it from spreading, as they did all they possibly could do; the employees of Southwestern Public Service and Pioneer Natural Gas for their response and work; the individual citizens who helped in many ways, including removal of building contents; those who offered help; and our customers and other friends who have been so understanding and patient with us and have offered all means of help.

If you weren't at the banquet the 20-00 gift at Grassland had Monday night, you should have been. The food was catered by Underwood's of Lubbock and it was delicious. 450 people were served.

Mrs. Lucy Cunningham had as luncheon guests Sunday, Mr. and Mrs. Tom Barry and Mr. and Mrs. Horace Huffaker.

Birthday Dinner For Mrs. Newton

A 92 year old Lynn county pioneer celebrated her birthday in Lubbock Sunday at the home of her son and daughter-in-law, Mr. and Mrs. E. H. Newton.

The honored guest was Mrs. Sarah May Newton, who came to Lynn county in 1916 with her late husband, G. W. Newton. The couple settled at T-Bar, but later moved to Joe Bailey, where Mr. Newton died in 1961.

She has lived in Lubbock the past few years, and is now residing in a rest home in that city.

Attending the event was Mrs. Newton's oldest child, 75 year old Mrs. Lida Waits of Joy, Texas. Among the 26 relatives and friends attending the dinner were three sons, Luther Lankford of Wichita Falls, Gilbert and E. H. Newton, both of Lubbock.

Mrs. Newton has five other living children, but is the mother of a total of 21, 13 of her own and eight of Mr. Newton's by a former marriage.

Tahoka Garden Club members are invited to a yard pilgrimage sponsored by the Dawson County Garden Club in Lamesa at 711 North 19th St. from 2:00 to 5:00 p. m. on Sunday, May 3.

Eight yards will be shown, including a farm home with acres of landscaping. Tickets will be 50 cents per person and may be obtained at the above address.

The Tahoka Garden Club met Tuesday in the home of Mrs. E. R. Edwards when 17 members were served punch and cake. Mrs. Skiles Thomas showed slides on "Wings Over the Garden" and Mrs. O. P. Rutledge gave a talk on feathered friends.

Members voted to meet during the coming new club year on the second Tuesday of each month at 9:30 a. m.

Mrs. Hegi Speaker At MYF Meeting

Sunday, April 19, Mrs. F. B. Hegi presented the first of a two-part series of programs entitled "Sex and the Whole Person." Mrs. Hegi will also present the second in this series Sunday, April 26.

Mrs. Hegi has presented numerous programs on this subject to various groups. This particular series is concerned with the relationship between boys and girls, and the respect they should have for each other; as well as the connection and significance of the relation of man and woman to each other, and with the relation of mortal man with his God.

The district elections for the Brownfield District are scheduled for April 26 in Littlefield at 2:00 p. m. A meeting of nominees for office, as well as representatives from the local churches was held in Brownfield Saturday, April 19. Those attending from the local church were John Huffaker, candidate for vice-president, and representatives Chloe Jan Huffaker and Reti Patterson.

This Is Pre-School Day For Youngsters

Children who will enter school next fall for the first time are attending pre-school day today in South Elementary School, and local first grade students are enjoying a holiday.

All students who will be six years old on or before Sept. 1, 1964 are to register this morning between 8:30 and 9:00 o'clock. They must be accompanied by a parent or other responsible adult.

Pre-School day will be turned out at 11:50 a. m. and all students attending must be picked up by that time. There is no bus room provided for these children and they must not come on the bus with older brothers and sisters expecting to return home on the bus.

Parents and children may eat in the cafeteria for 30 cents each, J. B. Howell, principal, said.

Mrs. D. C. Hubbard, who underwent major surgery recently in Tahoka Hospital, is still a patient there but continues to improve.

H. L. McMillan was a medical patient in Tahoka Hospital from Thursday of last week until Tuesday, when he was released.

Mrs. A. E. Herring entered West Texas Hospital Monday where she is a medical patient and is undergoing a general check-up.

Jeannie Isbell was released from Tahoka Hospital Thursday of last week where she had been a medical patient.

Mrs. Hattie Yates, a patient in Tahoka Hospital for over three months, continues about the same.

Chemicals May Reduce Hoeing

Pre-emergence herbicides have consistently reduced hoeing and can be profitably used on fields where hoeing costs usually exceed \$3.00 per acre. Several chemicals are available which have proved to provide effective weed control reports County Agent Bill Griffin. This is based on research by Dr. Allen Wiese, Texas Agricultural Experiment Station Agronomist located at the USDA Field Station, Bushland, Texas.

Pre-emergence herbicides must be applied immediately after planting, before a rain, because germinating seedlings are killed after absorbing the chemical through roots or stems. If herbicides are applied after a rain, emerging weeds will grow normally, not contacting herbicides on the soil surface. When rainfall does not leach herbicides into the soil within 2 weeks after application, effectiveness may be partially destroyed by exposure to sun and other weather elements. Weather records indicate 1/2-inch of rain will occur in 2 weeks to activate pre-emergence herbicides 2 years out of 3.

In order to minimize cost, continues Griffin, pre-emergence herbicides should be applied to 10-inch bands over the cotton rows. On 40-inch rows this treatment requires 1/4 as much herbicide as a broadcast application. Effectiveness of pre-emergence herbicides can be greatly increased by sprinkler irrigation immediately after application. Soil incorporation with mechanical devices improves the effectiveness of certain herbicides.

It is extremely important to ob-

tain a cotton stand after application of pre-emergence herbicides. Consequently, the best planting techniques and equipment available should be utilized. Research at the South Plains Research and Extension Center at Lubbock shows that planting flat or with a plateau profile planter will result in a better cotton emergence than other methods of planting. Most consistent cotton stands are obtained if planting is delayed until average maximum soil temperature at 2-inches is 60 degrees for 10 days prior to planting. If rain crusts soil, rotary hoe lightly to aid cotton emergence. After cotton emergence, proceed with normal cultural operations or applications of post-emergence oils or herbicides.

If suitable stand is not obtained, replanting may be done in the middles or in the same row. Weed control obtained with pre-emergence treatment can be maintained if replanting is done in the same row with knife or double disk openers. If cotton fails after pre-emergence treatment with herbicides other than Herban, do not replant to sorghum. Wheat can be planted in the fall, Griffin points out.

Application rates of pre-emergence may vary with coarse (loamy sands), medium (sandy loam and silt loams), and fine (silty clay loam) textured soils. Suggested retail price for 10-inch band applications of pre-emergence herbicides varies from about \$0.75 to \$6.00 per acre, depending on soil type and herbicide used.

Pine oil, liquid chlorine bleach and quaternary and phenolic compounds are effective laundry disinfectants for use against disease-causing bacteria which survive usual home laundings. Extension Service home management specialists point out. All four of these disinfectants have been laboratory tested by bacteriologists of USDA's Agricultural Research Service and in household laundering by cooperating homemakers.

Horned lizards often bury themselves in the sand. Then they change the color of their bodies to match the color of the sand as they lie in wait for their prey. They can change from dark to light, and back again, in a few minutes.

Grassland Co-op In Annual Meeting

Members of Grassland Cooperative Gin attended the annual meeting Monday night, enjoyed a barbecue dinner, heard reports, received dividend checks and elected new directors.

Checks totaling \$51,336.32 were issued to members, \$26,800 from current operations and \$24,536.32 in retired equities.

The auditor's report showed the gin in good shape financially, a total of 4,975 bales of cotton ginned for the year ending March 31, 1964, and an average of 4,646 ginned the past ten years.

Reports were also made by representatives of regional cooperatives.

President Ted Aten presided at the meeting.

R. C. Ray was elected a new director, and Aten and Roger Hensley were re-elected to the board. Holdover board members are Glenn Norman, John Davis, Amos Gerner, and C. O. McCleskey. Odus Tew is the gin manager.

Explorer Scouts In Reese Rendezvous

Saturday, April 18, Explorer Post 721 participated in the Explorer Rendezvous held at Tech and Reese AFB. For the first two hours, beginning at 9:00 a. m., the group took part in a swim meet at Texas Tech. Following this they, along with other posts from the area, went to Reese AFB. A noon meal was served in the Wing cafeteria.

The highlight of the day was a flight in a troop transport. Before the flight, Post 721 and two others in the group making the same flight were taken to the Flight Operation building on the flight line, where they were given details and instructions for the flight, including a demonstration in the use of a parachute, which all who went up were required to wear.

Then the group went out to a C-119 "Flying Boxcar" waiting on the flight line. There participants in the flight were fitted with parachutes and took their places on the plane. After a wait, the engines were started, the plane taxied to the strip, and was soon airborne.

Those who made the flight from Post 721 were E. B. Gaither, advisor, Jack Jaquess, Terry Harvey, Ralph Brock, Stanley Price, Johnny Hillhouse, Dennis Clem, Jack Edwards, Mike Reid, Joe Jaquess, Billy Brock, Chris Dyer, and Larry Forsythe.

ALBERT HOLDER VISITS PURINA RESEARCH FARMS

Albert Holder of Tahoka Feed & Seed, Inc., with a group from this area last week visited the Ralston Purina Company offices in St. Louis and the Purina Research Farm at Gray Summit, Missouri.

About 350 store operators and farmers from the southwest made the trip and saw the results of experiments conducted in livestock and poultry feeding management. The 778-acre farm is devoted entirely to feeding and management.

Mr. Holder bought the Dale Thuren Farm Store here a few months ago, and changed the name to Tahoka Feed & Seed.

Late Planting May Cut Down Weevils

Weather conditions during the spring and early summer will to a large degree determine the size of the boll weevil population in the infested areas below the Caprock. However, farmers in infested areas should be aware of the factors involved in both late and early planting as far as weevils are concerned.

Early plantings—in some cases—gives time to set a crop before large weevil populations develop, points out Don Rummel, Extension Entomologist. Early plantings will also attract early emerging weevils and actually serve as trap crops. April cotton provides early food and breeding sites and allows for extra generations.

If farmers in weevil infested areas would avoid planting until May 10-15, some early emerging weevils would die from lack of food. If planting takes place over a long period—early to late—emerging weevils are assured of a constant food supply, probably resulting in heavier over-all infestations, the entomologist warns.

Cotton planting time is rapidly drawing near, and plans must be made for another cropping system. It is important that the cropping system include enough high residue crops such as sorghums to meet the needs of the soil. What with skip-row plantings and diverted acres, early planting is vital if the land is to receive needed residue requirements.

We have three basic methods of providing residue: 1. Sorghums or grass. 2. Small grain. 3. Cotton burrs.

The majority of soils in the district will require from one-half to two-thirds of the land treated with residue each year. On the basis of a 160 acre farm, this would figure 80 to 106 acres.

The intensity of treatment is based upon the capability of the particular soil. Assuming that the

T-Bar Variety Show Brings \$308 Profits

T-Bar Country Club's variety show, held Monday night in the high school auditorium, was a "howling" success, according to those who attended its first public performance.

The Club reported a total of \$308.00 raised through the show, which featured many novelty acts that brought the house down, as well as outstanding talent from Tahoka's children, young people and adults.

A style show was also presented by local merchants showing modern attire for golfers.

Music was furnished by the Tahoka school stage band.

Mrs. Jack Alley Robinson and Mrs. Clint Walker were in charge of program arrangements and the show contained a cast of about 75 local "stars."

Geigy Prometryne

CREATORS OF CHEMICALS FOR MODERN AGRICULTURE

New Prometryne herbicide works wonders for Texas cotton

Prometryne® 80W brings a new dimension to cotton weed control in the South Plains. It offers a broad-spectrum program that will take care of most weeds from planting to picking. Apply Prometryne preemergence or post-emergence or at layby, or at all three times if weed conditions so dictate.

Gets tough weeds...including carelessweed

Three years of research by State and Federal researchers in Texas proved the effectiveness of Prometryne in controlling most annual broadleaf weeds and grasses in cotton. It does an outstanding job, for example, in handling carelessweed (pigweed).

Versatility of application

Prometryne is extremely versatile. You can use it as preemergence spray at planting. You can use it as a directed post-emergence spray after both weeds and cotton are up. You can spray it at layby to control weeds through the rest of the season. Use it once, twice, three times. Whatever weed conditions dictate.

How Prometryne works

Applied preemergence, Prometryne is carried into the soil by rainfall or overhead irrigation. It is absorbed by germinating weed roots and soon after weeds break ground, they die. No need to work Prometryne into soil. Applied after weeds are up, Prometryne kills by direct action on weed foliage and through roots.

Safe to use

Prometryne is safe to cotton when used according to label directions. It leaves no residues in cotton seed. It is safe to handle and non-irritating to humans and animals. A fall seeded crop should not be planted in the same year following the application of Prometryne 80W.

Available this spring

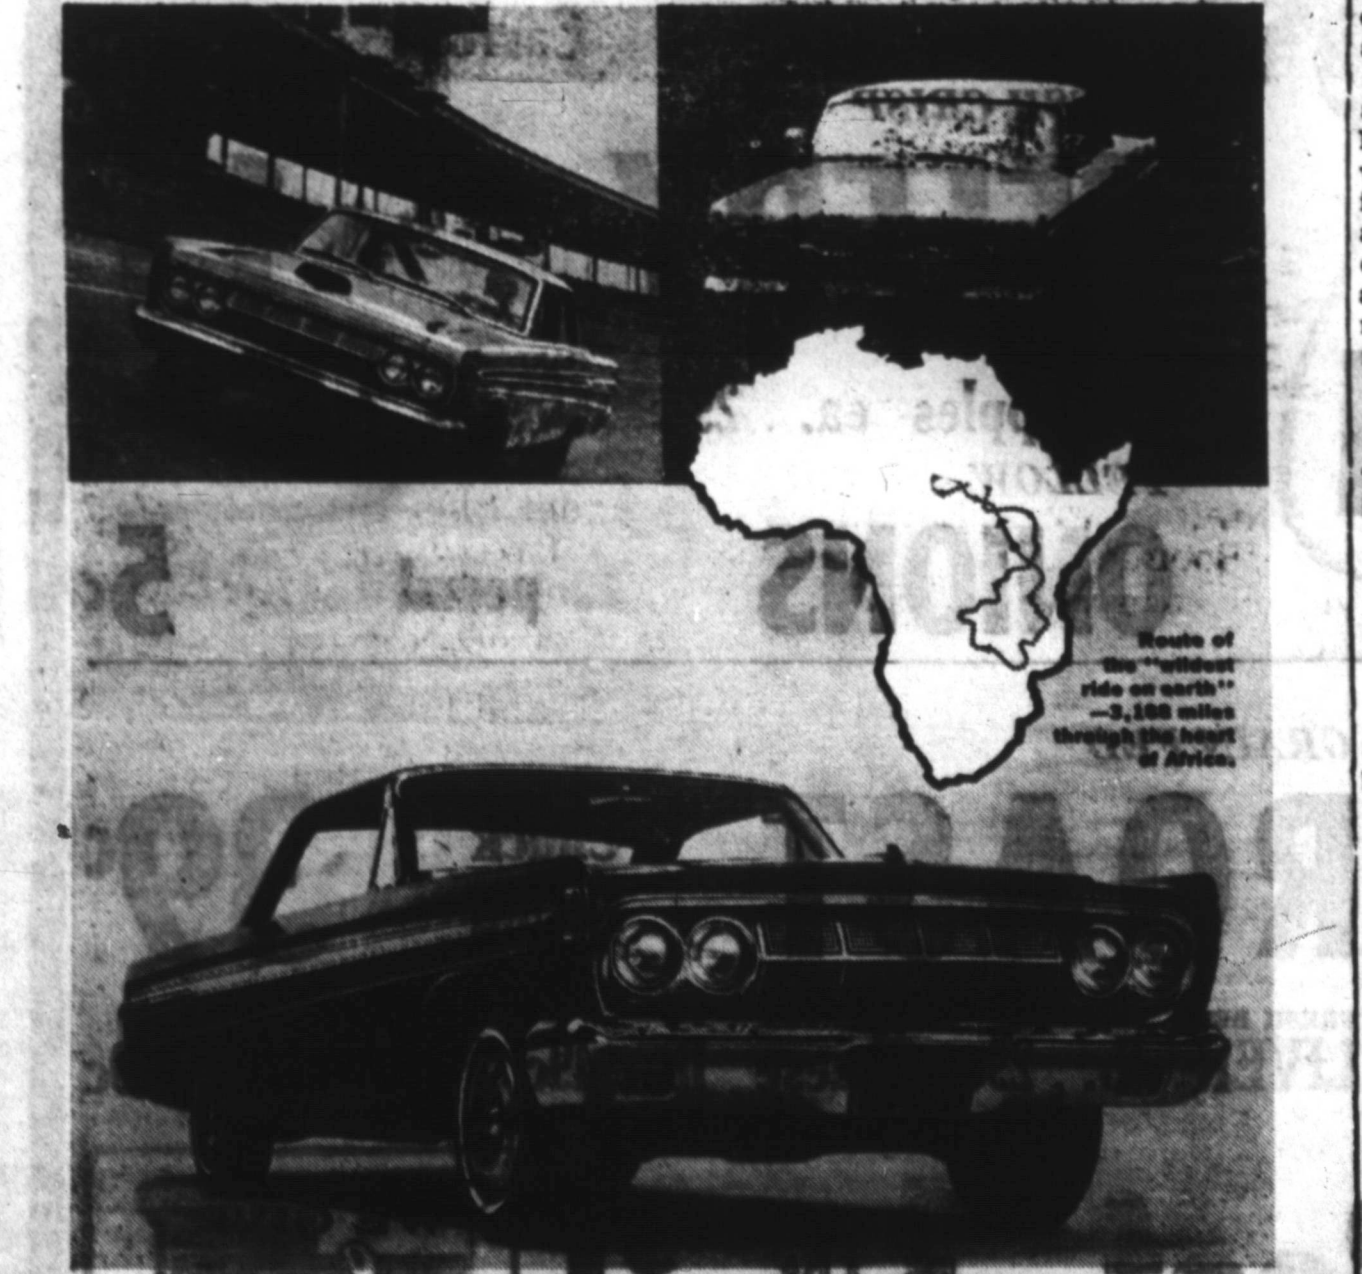

Since this is the introductory year for Prometryne, only limited quantities are available. Plan to make a pre-emergence application to at least a portion of your acreage at planting. Then follow through with post-emergence and/or layby treatments if necessary. See what outstanding economical weed control you can have.

To order Prometryne, or for more information, contact your supplier, or: Geigy Agricultural Chemicals, Division of Geigy Chemical Corporation, Saw Mill River Road, Ardsley, N.Y.

Comet...World's 100,000-Mile Durability Champion

At Daytona, a team of four specially equipped '64 Comets each traveled day and night 100,000 miles at over 105 miles per hour—an unequalled feat of stamina and durability.

In Africa, Comet showed its stamina again in "the wildest ride on earth"—the moon-swept East African Safari Rally. 94 cars started. Only 21 finished the run—two of them were Comets.

Leads the sales success parade!

Is it any surprise that Comet sales are up to almost double last year's? Comet proves what it can do. After 100,000 miles at Daytona, one of those special Comets has traveled another 31,000 and is still going strong. Then ride through 3,188 miles of African mud, rocks and jungle—the fiercest, every American's colors in the world's toughest car event. Want more reasons? Just take a look at the new Comet. Stylish, racy, beautiful, and built, really built. Make tracks for a Comet at your Mercury dealer's.

Ladies Play Day Is Held At T-Bar

Twenty four ladies played golf at the monthly T-Bar Country Club Ladies Golf Association play day, when a luncheon was also held on Tuesday, April 21.

Playing the three flights according to handicaps, medalist for the day and winner of Flight One was Mac Edwards with a 45 on nine holes. Runner up was Glenda Dunagan.

Doris Ashcraft was the winner of Flight Two with Vinita Hamilton the runner up. Taking Flight Three honors was Euella Rogers. Runner up was Alta Thomas.

Five ladies tied for low putts, Lottie Joe Walker, Mrs. Dunagan, Mrs. Edwards, Mrs. Ashcraft and Jeanette Harvick. Mrs. Dunagan won the toss.

Weekly play day winners are Mac Edwards, March 24 and April 8; Jeanne McCord, Jeanette Harvick and Wanda Glenn, April 14. Average putts for the month was won by Mrs. Edwards.

The luncheon was held at noon in the club house.

Tahoka Men In Lamesa Tourney

Several Tahoka men played in the annual Invitational Golf Tournament of Lamesa Country Club last week end in which Buster Tuttle of Lamesa was winner in the finals of the championship round.

W. B. Holland of Post, who plays at Tahoka, lost 1-up in the semi-finals of the first flight to Jay Haney of Lamesa.

Willis McNeil lost 1-up, also in the semi-finals consolation, second flight, to Carl Peterson of Lamesa.

Walton Terry of Tahoka was the only trophy winner from T-Bar Club. He won the consolation in the fourth flight over M. L. McWhorter of Lamesa.

Other Tahoka players in the tournament were Thomas Jilly, Charles McAuley, and Jimmy Bragg.

Vote On May 2 For EARL CALHOUN

For Sheriff of Lynn County

In this statement, I would like to make myself better acquainted with you, as time has not permitted me to visit with you as I would liked to have done.

I live in O'Donnell. Prior to moving to O'Donnell, I was a Deputy Sheriff in Dawson County under Sheriff Henry Mayfield for three years. After moving to Lynn County, I was a Deputy Sheriff under Sheriff Norvell "Booger" Redwine for 2 1/2 years. I resigned last year to help manage some estate farming property since I have farmed and ranched most of my life.

Peace officer work is my main interest, and I feel that with my past years of experience, I am acquainted with the many and complex problems that befall the office of sheriff. There are no office hours in his business, he is a public servant 24 hours a day, every day of the year. A sheriff's office should be run on a business-like basis. It is your duty as a citizen to elect the man most qualified for the office of Sheriff of Lynn County.

I am in favor of STRICT but FAIR law enforcement; I am in favor of FAIR and JUST treatment to all citizens; I am in favor of QUALIFIED deputies in the county, and I am in favor of continuing to keep LYNN COUNTY "THE CLEANEST COUNTY ON THE SOUTH PLAINS".

You are sincerely urged to investigate the background of experience, performance, and qualifications of all candidates in the Sheriff's race, and I will be satisfied to stand on my above beliefs, my experience, and my promise to "make a hand".

LYNN COUNTY should have the best, and I hope to fit that standard.

Former Tahokan Is Buried At Waco

A. C. Bennett of Waco, husband of the former Miss Hazel Alley and brother-in-law of Mrs. Hall Robinson, died there Friday afternoon.

Mrs. Robinson travelled to Waco to attend funeral services held there on Monday afternoon and on Wednesday was still there with Mrs. Bennett.

Mr. Bennett suffered a heart attack about a year ago but his death was not expected. His wife, who lived here many years, graduated from the local schools and is well known by many Lynn county residents. She and Mr. Bennett, who was a jeweler in Waco, had visited in Tahoka with relatives and friends every year.

Browning

(Cont'd. from Page 1)

Fluvanna, where his parents still live, and East Side was Don's home church for two years while he was attending Abilene Christian College. He feels he is going "back home."

He and wife, Charlene, came here in June, 1961, and quickly became a part of the Church and community life. Not only have they been a great force in advancement of their church, but have many many fast friends outside their congregation.

Bro. Browning has been active in community affairs, worked with the Chamber of Commerce for a better community, the Rodeo Association, and currently is president of the Rotary Club. His term of office in the club will end July 1, closing out an outstanding year for the club.

In spite of his numerous civic activities, he declared many times his church work was ever first and outside activities were on his own time.

Many friends will regret to see the Brownings leave, but predict Bro. Browning has a fine future before him and rejoice in his movement upward to a larger field of service.

His letter of resignation to the Tahoka Church of Christ follows:

Letter of Resignation

(The following statement is one of the most difficult tasks of my lifetime, and is accompanied with feelings of pain and heartache which can never be fully expressed. D. B.)

I hereby tender my resignation as the minister of the Church of Christ in Tahoka, Texas. I am most happy and grateful for the conditions under which this resignation is extended, yet deeply pained at the severing of a three year relationship which has been filled with pleasure and happiness.

Be assured that this resignation comes for only one reason: a feeling that Christian duty demands that we be employed in another field of work. I have, as a minister of the Gospel, one desire which supercedes all others... I want to be useful to the Lord's work in whatever way I possibly can and we desire always to be of a disposition to live and work where we feel He can best use whatever limited talents we possess.

We have accepted the invitation of the East Side Church of Christ in Snyder, Texas, to work with them. We are to begin our work there on July 1st.

It is not easy to leave this community. This is where our married life began and where our little girl was born. The residents of this town have been more than just gracious and kind to us. They have been a vital part of us!

It is not easy to leave this wonderful congregation. The Elders here have been to me like my own dad. They have helped me to grow in faith, courage and devotion to the Lord. I shall miss their wonderful counsel and guidance. I am deeply humbled and appreciative of the invitation of our beloved Elders in asking me to stay on here but we feel that the Lord has set before us a great challenge that we must accept. The congregation is comprised of people who are unselfish and who are devoted to the Master's cause. Let me thank each of you for bearing with our many mistakes. I know you have shown us love in a much greater measure than we deserve. I know with this combination of love and devotion this congregation will continue to grow and will spread the Gospel to many in this world.

It is my prayer that this change at this time will not be allowed to be injurious to the Lord's work here and Charlene and I desire your prayers in our behalf in the work that we are to soon begin.

Let me now urge you to give your prayers up in the behalf of the Elders of this congregation, as well as your cooperation as you begin the task of seeking a replacement. You have always been wonderful to cooperate in every effort; your kindness and understanding will be more useful now at this time.

With Christian love,
Don Browning.

Housing Project Work Progressing

Work is continuing on the housing project for elderly persons and the Housing Authority of Tahoka says the units should be ready within the next month or two.

Plenty of applications have been received for the "singles", but all of the "doubles" are not filled. The latter consist of one bedroom and are designed for couples. However, two elderly ladies would be permitted to live together in a "double", each paying the rent of a "single."

In addition, J. M. Uzie, of the Housing Authority said, applications are always being accepted for the low-income family units as some are vacant from time to time. When a vacancy is not available, applicants are placed on the waiting list.

CHARLIE TERRY'S VISIT WITH SON IN ODESSA

Mr. and Mrs. Charlie Terry drove down to Odessa Sunday thinking they might get a chance to see their son, Sp/4 Alton Lee Terry, en route from Fort Hood to participate along with 48,000 troops in the Desert Maneuvers of the Army.

Luckily, the couple and their son spotted each other as Alton, who was in an Army truck, and arrangements were made soon afterward with the commanding officer for a brief visit.

The Primary Elections are right on us. Every good citizen should exercise his rights at the polls, for this is the major way in which we can keep democracy working. Vote like you think, but vote!

We blow a lot about our democracy, but it's a sad commentary that only about half the eligible voters in America even bother to go to the polls, whereas in some of the European countries, France for instance, up to 95 percent of the people vote in elections.

Governor John Connally should be returned to office. He is a moderate. His principal opponent is Don Yarborough, an ultra-liberal Houston attorney who is backed by Mrs. Randolph, the AFL-CIO, and the give-away people. We've got one too many Yarboroughs in Texas, already.

There's no question about returning Preston Smith of Lubbock to the office of lieutenant governor. He is opposed by virtually unknown Albert Fuentes Jr. of San Antonio.

If this farming country ever had an enemy, he is Ralph Yarborough, our senior U. S. Senator. He's said to be one of the most ineffective men in the Senate, having introduced 90 bills and having had less than ten approved. We don't know too much about his opponent, Gordon McLendon of Dallas, but he is a moderate conservative, is said to "wear no man's brass collar," is well educated, has had a successful career in business as a radio executive, and was once known as "The Old Scotchman" on radio. Too, we didn't like the deal pulled by the Administration to keep Congressman Kilgore out of this race against LBJ's old enemy, Ralph Yarborough. We couldn't be any worse off with Gordon McLendon.

For Congressman-at-Large, we'll string along with Joe Pool of Dallas, not an outstanding man but at least not a radical. Dan Sullivan of Andrews, one of Pool's four opponents, is an ultra-liberal with AFL-CIO backing.

Present Commissioner of Agriculture John C. White, who has done little of note for farming except rubber-stamp Washington control programs, is opposed by Millard Shivers of Waco, formerly with the Farm Bureau. Vote as you please: we'll take Shivers.

For Land Commissioner, Jerry Sadler seeks re-election. He has served in the legislature, on the Railroad Commission, and in his present office since 1960. He is opposed by Fred H. Williams of Dallas, experienced in business and investments, and as an independent oil operator. He advocates changes in the Land Office for efficiency, and also advocates making public bids for mineral rights.

We'll vote to return Jim Langdon to the Railroad Commission, reputedly a man of much ability. His opponent is Jesse Owens of Vernon, 69 years old and a habitual office seeker. In fact, Owens ran for public office about 12 times, and has been defeated 10 times.

We'll take the word of lawyers and vote for Judge Jack Pope for Supreme Court Justice. The law-

yers say 4 to 1 he is better qualified than his opponent, Sears McGee of Houston, and local attorneys are endorsing Judge Pope.

Judge Ernest O. Northcutt seeks re-election as associate justice of the Amarillo Court of Appeals. He is opposed by Judge Herbert C. Martin, who formerly held the office. We don't know which should be elected but are inclined to go with the present Judge.

In Lynn county, there are three important contests, for sheriff and for commissioners of Precinct 1 and 3. You know them as well as we do, so vote for the person you think best qualified to do the job.

In addition, S. M. Clayton of O'Donnell, the present Democratic County Chairman, is being opposed by John F. Thomas of Tahoka. This is a job done as a public service and there is no salary.

The Republican Party is also having a primary election this year in Lynn county with candidates for 11 state offices and for Congress from the 19th District. There are four candidates for U. S. Senator, the list being headed by Jack Cox. Joe B. Phillips of Lubbock is the candidate for congress and will oppose George Mahon in the general election.

There they are. The choice is up to the voters.

David Bray of Tahoka, studying at Oxford University, England, under a Rotary Foundation fellowship, sent a copy of The Bucks Free Press to Maurice Small, who gave the paper to The News. On the front page is a story about David's talk before Wycombe Rotary Club. Of special interest is the difference in English and American newspapers. English papers carry advertising on the front page, although this issue had 23 pages. Of further interest is the manner of presenting news and the difference in use of words both interesting.

Mrs. W. C. (Mary Lynn) Verhines, 1210 W. Lea, Roswell, writes: "We enjoy The News even if it has been a long time since I lived there. It is one way of keeping in touch with old friends. Hope to be over Old Timer's Day."

Mrs. J. K. (Lucille McCord) Looker of Ingram: "We enjoy each issue, not only reading about our friends in Tahoka but especially your column. The Hill Country is more beautiful than it has been in years due to spring rains."

Mrs. F. E. (Lou) Calvery is renewing her News sends love to all her old friends. She and F. E. run the store at Flory, near Andrews, where she is postmistress. F. E. is a partner in the Triangle Engineer, Inc., of Albuquerque, in which both he and Leonard F. Craft are vice presidents.

Mrs. W. M. (Clara) Harris, living in Baptist Gastric Hospital in San Angelo, says she still calls Tahoka home, loves all the people here, and asks all old friends to come to see her when down that way.

Harold and Kathryn Edwards, 6112 Dashwood, Houston 26, write: "We surely enjoy The News. We especially like the editor's comment and the society news. We are having a beautiful spring so far; everything is green and many flowers are in bloom, and the weeds are doing real well."

Kay K. Moore, Red Barn, Rt. 1, Durango, Colorado, writes in part: "We still enjoy very much The Lynn County News. Don't guess we will ever get to the point we don't look forward to Monday, the day we receive The News. . . . Have been the 'Durango Kid' eight years now, according to Joe D. Unfred, but Lynn county is still home to us in our conversation here. To them (the Durango people) we are still Texans, which I will never deny. . . . We constantly watch our door in summer for some of our Lynn county friends. . . . we sure enjoy your Printer's Inklings. Keep up the good work."

Howard Draper Tells Some Early History

Howard Draper, the old Lynn county boy who gave up cotton farming to take life a little easier living down below the cap near Clairmont, where he stock farms and hunts wolves, has invited The Printer of The News down for a little visit.

He writes, in part, the following little bit of interesting history:

"In the 1870's, there was one Charlie Rath, a German merchant, who followed the buffalo slaughter and furnished the hunters whiskey and ammunition and what have you, and bought the hides and humps, etc.

"Rath & Reynolds had a supply house at Fort Griffin and at the same time had an outpost over here in Stonewall county a few miles from the Double Mountains.

"According to these modern historians, this dive over here in Stonewall was called Rath City, and they say the ruins are still in evidence. I have been aiming to go over there and see if I could locate the place, but of course I haven't done it.

"And there are the ruins of a stage station on the old route from Colorado City to Crosby county here just a few miles west of my camp.

"I have been reading your paper over the years and have enjoyed it immensely, but never was any hand at expressing my appreciation.

"If you decide to come over here, just come out of Post on the Clairmont road 34 miles. At the Y, turn south on the Snyder road and you will find me three miles south of the Y, my mail box on the right, my house on the left."

(Editor's Note: The Printer couldn't get off, but he certainly intends to visit old Howard's place one of these days.)

For you and your family, a new electric dishwasher, dryer, range and freezer and if you're 21 or over and live in the area served by Public Service you may win the appliance you use every day. It's all yours! Write for details.

YOUR PLYMOUTH DEALER IS HAVING A RED HOT SUCCESS SALE NOW

ON THE TEST TRACK CHAMP

Recently a showroom Plymouth, equipped with a standard V-8, beat Ford and Chevrolet in ten out of ten tests at Sebring, Florida. Tests of performance, handling, braking and gas economy. Tests of the "things you buy a car for."

Now your Plymouth Dealer is having a "success sale" on the same model Plymouth (and other models, of course). He's dealing like it was midsummer. And right now trade-ins are worth more too. Get up and go see your Plymouth Dealer.

At Plymouth's request, National Consumer Testing Institute bought the comparably equipped V-8s directly from dealer showrooms, hired the drivers, supplied the officials, made the runs and supervised the entire competition. See your Plymouth Dealer for details of "Test Track, U.S.A."
