City Government Change Is Approved By Council

Tahoka aldermen in a meeting Monday night created an office of City Administrator, which in effect transfers authority to place the City of Tahoka under an arrangement similar to the City Manager form of government.

J. M. Uzzle, city secretary since 1957, becomes the city administrator, and was granted a salary raise of \$25.00 per month.

Mayor Meldon Leslie said the step was taken after studies by City Attorney Mitchell Williams and advice from the Texas League of Municipalities. An ordinance making the change was passed by the Council.

Members of the Council feel the change will work for much smoother operation of all concerned. The Council will still set policies, as in the past, but responsibility will rest on Mr. Uzzle to implement them.

In the past, individual councilmen have been in charge of each of five divisions, streets, water and sewer, police, parks and farms, and sanitation.

The change, it is believed, will become more agreeable to city workers who can go directly to Mr. Uzzle with problems without hunting an Alderman or waiting for a meeting of the Council.

Tuesday, the Mayor, Aldermen, City Secretary and all city workers met to discuss the change, and all seemed pleased with the arrangement, Mayor Leslie told The News.

New council members W. T. Kidwell and Alton Cain were sworn in recently and R. W. Rutherford on Monday. Holdover members are Jack Jaquess and Charles Oliver. This was the first meeting Mayor Leslie had attended since his recent operation.

J. H. Knight, 83, Is Death Victim

Funeral services for James H. Knight, 83, a resident of Lynn county and Tahoka for nearly 40 years, were held Saturday at 2:00 p. m. in White Funeral Home Chapel with Don Browning, minister of the Church of Christ, and Rev. Aubrey White, pastor of the Methodist Church, officiating. Interment was in Tahoka Cemetery.

Mr. Knight died at 4:30 a. m. Thursday in a Lamesa hospital. He had been in failing health for about two years and had been under medical treatment for some time.

Born March 31, 1881 in Georgia, he was married to Mary Haley on Feb. 13, 1910 at Rotan. The couple came to Lynn county in 1925 from Roby and settled in the Newmoore community where Mr. Knight farmed for 10 years. The family then moved four miles north of Tahoka where he farmed until moving to town about 11 years ago.

Mr. Knight was a member of the Church of Christ.

Survivors include his wife of Tahoka; two daughters, Mrs. Ruth Atkins of Fresno, Calif. and Mrs. Rosa Mary Moffitt of Tahoka; one son, Robert of Lubbock; one sister, Mrs. Ada Mitchell of Roby; one brother, S. H. of Snyder; 18 grandchildren and 16 great grandchildren.

Two sons and one daughter preceded him in death, Raymond in 1942, Roy in 1962, and Mrs. Ruby Bayer in 1960.

Pallbearers were Carl Spears, J. E. Nance, Jack Miller, Dan Curry, Ray Nevill and Ronald Sherrill.

MRS. HAPPY SMITH GETS FAVORABLE MEDICAL REPORT

Mr. and Mrs. W. E. (Happy) Smith returned Friday from Houston, where Mrs. Smith underwent examination and treatment at M. D. Anderson Hospital.

The physicians gave her a favorable report and a lot of encouragement. She is reported to be feeling much better.

City Holidays Remain Same

Official holidays of Tahoka business and professional firms will remain the same as in years past, Chamber of Commerce directors decided in a meeting Tuesday night.

The five approved holidays for closing are New Year's, Memorial Day, Independence Day, Thanksgiving and Christmas.

Since some holidays this year come on Saturday, a change was proposed, but since this is considered a working day in Tahoka, most business people seemed to want no change.

Chamber of Commerce directors voted to cooperate financially with Cotton Producers Institute in promoting cotton and cotton products by use of two 12x24-foot billboards on highways coming into Tahoka. The promotion is a Cotton Belt wide project.

Plans were discussed for the Soil Conservation Awards banquet for Region I to be held here next Thursday, May 14, in the school cafeteria. Dr. Gerald Wood is in charge of decorating the cafeteria for the meeting.

Tickets are on sale at the C. of C. office and local Soil Conservation District office at \$2.00 per person.

H. N. McDonald Buried Saturday

H. N. McDonald, 74, retired farmer and laundry operator here, died at 5:25 p. m. Friday in LaVoy's Nursing Home following an illness of several months.

Funeral services were held in White Funeral Home Chapel Saturday at 4:00 p. m. with Rev. James Efrid, pastor of the First Baptist Church, officiating. Burial was in Tahoka Cemetery.

Mr. McDonald was born May 9, 1890 in Milam, Texas. He was married to Clara Viola Howard Dec. 23, 1907 in Comanche. She died about four years ago.

He came to Lynn county in 1946 from Jones county and farmed, moving to Tahoka in 1960, owning and operating an automatic laundry until his retirement. Mr. McDonald was a member of the Sweet Street Baptist Church.

Survivors include two daughters, Mrs. Christa Bell Moon of Azusa, Calif. and Mrs. Pauline Scott of Lubbock; two sons, Cecil O. of Tahoka and A. J. of Abilene; two sisters, Mrs. Ann Clendenon of Mullin and Mrs. Betty Hart of Colorado; one brother, Reuben of San Antonio; 12 grandchildren, 25 great grandchildren and one great great grandchild.

4-H Teams Compete In District Contests At Tech Saturday

Two senior county-wide 4-H Club teams and one junior team will enter the District II 4-H Club Elimination contests to be held in Lubbock this Saturday. First and second place senior teams are eligible to participate in the State contest to be held at College Station June 2 and 3, according to County Agent Bill Griffin.

The seniors entering are the entomology team composed of Dean Hamilton of Tahoka, Frankie Scott, Laniita Wood and Katie Garrett, all of O'Donnell, and the livestock team made up of Harold Bessire, Ronnie Wood, James White and Larry Emerson, all of O'Donnell. These teams are coached by Griffin.

The junior team, entering electric team demonstration, is made up of Bobby White and Harold McCracken both of O'Donnell and coached by Binie White of Lytenger Electric.

Lynn county has won the state entomology contest the last two years.

Tahoka Host For Region I Soil Banquet Next Week

Tahoka will be host next Thursday, May 14, at 8:00 p. m. in the school cafeteria for the annual 51-county Region I Soil and Water Conservation banquet, when Walter R. Humphrey, editor of The Fort Worth Press, will present checks, plaques and certificates to winners in Northwest Texas.

Possibly 150 to 200 people are expected from the region, which extends from Dalhart and Perryton on the north to the T&P railroad on the south.

Local farmers and businessmen are being urged to attend the affair and present a creditable welcome to the visitors, as well as to enjoy the program.

Tickets at \$2.00 each may be secured at the SCS office, the Chamber of Commerce office in the Federal Land Bank Building, or from any C. of C. director.

Lynn County Soil Conservation District and Tahoka Chamber of Commerce are hosts for the occasion. Heading the group are: E. R. Blakney, chairman of the Board of Supervisors; Blake Lovelace of the SCS office; and Harold Roberts, president of the C. of C.

Last year the banquet was held in Plainview, when E. R. Blakney was honored as the outstanding conservation farmer of Region I, and David Unfred of New Home was the second place winner in the area essay contest.

This is the 19th year the Fort Worth Press and 22 state-wide businesses have sponsored the state-wide contests to arouse more interest to "Save the Soil and Save Texas." The meeting here is one of 18 regional contests in addition to the state contest awards meeting.

Clint Walker will be the master of ceremonies, and Mr. Humphrey (Cont'd. on Back Page)

Harold Green Gets First Kennedy Bonds

First of the new "Kennedy" U. S. Savings Bonds was issued Friday, May 1, at First National Bank by Mrs. Melba Clem to County Attorney Harold Green.

The bonds were issued in the names of Richard Harold Green and Miss Laura Beth Green, the two children of Mr. and Mrs. Harold Green.

Wilson Lions' Queen

Kathy Cummings Wilson Lions Queen

Miss Kathy Cummings, 16, will represent Wilson Lions Club in the District 272 Lions Queens contest being held during the district meeting in Snyder May 15, 16 and 17.

Miss Cummings, a student in Wilson High School, is the daughter of Mr. and Mrs. Earl Cummings.

Several Lions from Wilson expect to attend the Snyder meeting.

Billy Rhoads is the club president, and R. A. Lamb is secretary.

Sheriff, Two Commissioner Races Into Run-Off Election

Mrs. Madeline Hegi Is Named Texas' "Teacher Of The Year"

Mrs. Fred B. (Madeline) Hegi, homemaking teacher here for 17 years, was named "Teacher of the Year" in the State of Texas by the Texas Federation of Women's Clubs at the annual convention held in Houston.

The award was made at the Texas Brags dinner there on Monday night. Mrs. Hegi was nominated by her club, Phebe K. Warner Study Club, as Tahoka's Teacher of the Year, and was then selected for that honor on a district level by the Caprock District. Mrs. W. E. Cantrell, also of Tahoka, was the district "Mother of the Year."

The record of Mrs. Hegi, who was recognized for her outstanding contribution to education, was submitted to the state for the selection. Although the record is very extensive and impressive, Mrs. Hegi says the things that mean the most to her are contained in letters written in her behalf by her former students, co-teachers, family and citizens of the town. It is such statements as "without her help I would have been a drop-out" that are Mrs. Hegi's true rewards.

"To be a teacher, one must have faith in youth and faith in God," Mrs. Hegi says, "and without them 'I could not have taught'."

Mrs. Bill Davis of O'Donnell was nominated treasurer of the Texas Federation at the convention in Houston.

On Sunday, May 17, from 3:00 to 5:00 p. m. the Phebe K. Warner Club will hold a reception for both women and men at T-Bar Country Club honoring Mrs. Hegi and Mrs. Cantrell. Everyone is invited to attend.

MRS. MADELNIE HEGI

Rainfall Light Last 10 Months

Light rain fell here Wednesday night which measured .07 inch in Tahoka. North of town up to half an inch fell over a strip from the Buel Draper place east for several miles, with Clifton Hamilton reporting a half inch on his dad's farm south of Wilson.

Many Plains people have been speculating on the possibility that another drought may be in progress in this area. For many months, there has been little rainfall from the Plains westward, although recent rains have covered most of Texas from the Plains eastward.

Checking records, The News editor, who is local observer for the U. S. Weather Bureau, found that Tahoka has had only 6.18 inches of moisture in 10 months, from July 1, 1963, until May 1, 1964, compared with a normal for this period of 13 inches.

Normal for the first four months of the year is 3.13 inches, and Tahoka this year in four months has recorded 1.43. Normal for April is 1.33, and this year there was only a trace. Tahoka received only 2.02 inches the first four months of last year.

Torrential rains in May and June of 1963, however, totaled 12.46 inches, and the total for the year 1963 was above normal, 19.23 inches.

As May opened, Lynn county and other Plains people were getting nervous about the drought, but realize there is still time left for planting crops.

Stiff western and southwestern "breezes" have added to the anxiety.

Normal for May is about three inches and for June about two and a half inches.

Mrs. W. J. Benson Rites Last Friday

Mrs. W. J. (Jennie) Benson, 91, of Tahoka died at 10:00 a. m. Thursday in LaVoy's Nursing Home where she had been a resident about three months.

Funeral services were held at the First Baptist Church at 3:00 p. m. Friday with Rev. James Efrid, pastor, officiating. Burial was in Tahoka Cemetery under direction of White Funeral Home.

Mrs. Benson was born Jan. 3, 1873 in Caldwell and came to Lynn county in 1915 from her birthplace. She was married to Mr. Benson Oct. 11, 1896 at Caldwell. After farming many years, the couple moved to Tahoka 20 years ago.

Survivors include her husband; two daughters, Mrs. Lois Arnold of Slaton, Mrs. Florence Johnson of Lubbock; two sons, Charles of Post and Jesse of Tahoka; eight grandchildren; 14 great grandchildren, and two great great grandchildren. Another son, Herbie Benson, died on Jan. 31 of this year.

Grandsons were pallbearers.

Wilson Pre-School Day Is Tuesday

Pre-school day will be held at Wilson Tuesday, May 12, from 9:00 until 12:30, for six-year-old children entering school for the first time, according to Principal M. L. Green.

Parents are requested to bring their children to school at 9:00 a. m., and return for them at 12:00 noon, when there will be a meeting of parents, teachers and school officials to discuss procedures.

Each child should bring a birth certificate and 30 cents for lunch.

The largest chunk of quartz (70 tons) was found in Russia.

A second primary, or run-off election, will be necessary to determine winners of three Lynn county offices and one state office as a result of the Democratic primary election Saturday which saw 2,585 Lynn voters go to the polls.

In the very close race for sheriff, Carl C. Spears led the field with 634 votes, and Earl Calhoun of O'Donnell joins him in the run-off, having received next highest, 618. Roland W. Clem, a former sheriff, was next with 600, and Joe F. Raindl received 313. A last week write-in campaign for present Sheriff Norvell Redwine fell short, but he still received 375 votes. Mr. Spears is a farmer, and Mr. Calhoun and Mr. Raindl are both former deputies.

In Commissioners Precinct No. 1, Clarence Church of Wilson, a former commissioner, received a substantial lead over the nearest other man, Curtis Morgan, present commissioner who had previously won over Church. Church had 482 votes to Morgan's 239. Harvey Freeman and George Wright trailed with 142 and 141 respectively. Wilson gave Church a resounding vote of 272 to 74 for his opponents combined.

In Commissioners Precinct 3, O'Donnell-Newmoore, Paul Sherrill is in a run-off with Mrs. Beatrice McLaurin, present commissioner. Sherrill led the race with 200 votes to 176 for Mrs. McLaurin, 115 for J. G. (Ted) Rogers, and 46 for Arlys Askew.

In still another local contest, John F. Thomas won out as Democratic County Chairman with 1314 to 986 for the present chairman, S. M. Clayton Jr. of O'Donnell.

Elected to new terms of office, without opposition, were: Harold Green, county attorney; George D. McCracken, tax assessor and collector; also George H. Hansard of Lamesa, district attorney, 106th district.

Local Republicans Favor Goldwater

Fifty-one ballots were cast at three boxes, Tahoka, O'Donnell and Wilson, in the Republican Primary held last Saturday, according to Larry Hagood, county chairman.

In the only contest, for renomination as Republican candidate for the U. S. Senate, Jack Cox received 41 votes, George Bush 7, Robert Morris 2, and Dr. Milton Davis 0. Statewide, Bush and Cox are in the run-off.

In a preferential vote for 1964 Republican nominee for President, Goldwater received 33 votes, Nelson Rockefeller 2, Margaret Chase Smith 3, Harold Stassen 3, Henry Cabot Lodge 5 write-in, and Richard Nixon 3 write-in.

C-C Votes For Rain, Gets Some Results

Tahoka Chamber of Commerce directors in a meeting here Tuesday night voted in favor of a rain. Before some of the men had gotten home, a light shower fell over the area.

Some one remarked that if all members of the C. of C. had been present to vote there may have been a drought-breaking rain.

Awards Day Set At Local School

Awards Day will be held for Tahoka High School and officers of the Student Council will be installed beginning in the auditorium at 9:25 a. m. today.

Outstanding students in the school will be honored during the annual Awards Day program.

All parents and others interested are invited to attend.

Mrs. Homer Young underwent major surgery in Tahoka Hospital Wednesday.

Annual Derby Held By Tahoka Cub Pack

The annual Pinewood Derby was held Thursday night of last week at the Cub Scout Pack 782 monthly meeting when Gary McCord of Den 7 was the grand champion.

Winners of each den included Ricky Gurley, Den 1; Pete Palady, Den 2; Ken Turner Den 3; Randy Craig, Den 6; and Gary McCord, Den 7. For the event each boy built a racer, assisted by his father. Races were held by each den, with the winners competing in the finals. Gary received a cook-out kit as the prize for pack winner.

Preceding the derby Den 1 presented the opening of the meeting with Ricky Gurley providing the voice for the "Talking American Flag." Scotty Smith asked the "flag" questions and the answers gave some of the history of the American flag.

E. B. Gaither presented the local pack an award for an active summer program, which will this summer include monthly pack meetings although den meetings will end with the close of school.

Mrs. Turner Rogers was also presented an award from the South Plains Council of Boy Scouts of America. The certificate was awarded her for three years of leadership work with Cub Scouts.

Individual awards were presented to the Cubs, including the following: Bobcat badge, Todd Beckum, Randy Craig; Wolf badge, Jerry McDaniel, Ken Turner, Kieth Turner; Arrow points, Jim Thomas, Walt Hagood; one year service star, Lynn Moffitt; Denner badge, Ronny Jolly; assistant Denner badge, Jerry McDaniel.

Den 7 won the cubby bear for having the most people in attendance. A total of 125 boys, parents, leaders and visitors attended the meeting.

The next pack meeting will be a weiner roast at the City Park at 7:30 p. m. Friday, May 22.

CASWELL MUCH IMPROVED
Vernon O. Caswell of O'Donnell, who fell from his horse on "blacking out" during the grand entry at the opening of the rodeo here, is reported to be getting along fine at his home.

New Bidrin Insecticide lies in wait inside cotton—knocks out thrips, fleahoppers, aphids, mites, lygus wherever they attack tender foliage

Above: magnified cross sections of cotton leaves. In left picture, Bidrin (dark strip, top) kills cotton insect with contact action, covers and protects leaf surface. 24 hours later, Bidrin has entered leaf tissue (picture right). Insect attacking from below where spray didn't reach—sucks up Bidrin with juices. This systemic action keeps protecting 7 to 14 days.

Magnified cross sections of cotton leaves (above) show how one application of new Bidrin keeps working 7 to 14 days, rain or shine.

Bidrin is the new phosphate insecticide that kills cotton pests with both contact and systemic actions.

It kills all major cotton insects on contact, at time of spraying—even weevils and worms.

It enters and spreads through plant tissue, makes cotton deadly to thrips, aphids, fleahoppers, mites, lygus.

When insects attack, they die—even if they pierce bottom of leaves where spray doesn't reach. This is systemic action. It keeps working 7 to 14 days.

Proven by growers

New Bidrin's amazing two-way action paid off for thousands of cotton growers in '63. They grew more cotton. And, thanks to early insect control with

Bidrin, a higher percent of their crop was early, high-quality, bottom cotton.

Weather resistant—economical

Soon after spraying, Bidrin enters your cotton plants. Once inside, rain can't wash it off. Sun can't break it down.

Bidrin has practically eliminated weather as a cause for re-spraying.

Bidrin costs little compared to insecticides that can't begin to do the same kind of job. Bidrin's long-lasting effectiveness means fewer sprays. With Bidrin you avoid buying early insect control at seeding before you know whether or not insects will come. Bidrin gives you systemic control, yet it lets you wait and see. Result: maximum insect control at minimum cost.

Get Bidrin from your pesticide supplier. Many brands available.

Always read and follow label directions. For more information write: Shell Chemical Company, Agri-

cultural Chemicals Division, Post Office Box 2099, Houston 1, Texas.

Maintain control with endrin-methyl parathion
During squaring and fruiting, stay ahead of insects with endrin-methyl parathion. It knocks out boll worms and weevils plus many other insects—quickly and surely. Gives you maximum length of control per spray, minimum number of sprays to do the job. Send for free, full-color booklet.

To The People of Lynn County:

Although I did not seek election this year for the office of Sheriff of Lynn County, I deeply appreciate the many votes I received on a "write-in".

Most of my adult life I have been a Peace Officer as Deputy Sheriff of this county, a State Highway Patrolman, a Texas Ranger, and now I am serving my 12th year as Sheriff of this county.

I deeply appreciate the opportunity of serving you as a Law Enforcement Officer. It has been my purpose at all times to enforce the law, regardless of who might be involved. If my work as a Peace Officer has pleased you, it is due not only to the work that I have performed, but to the fine cooperation I have received from the citizens of this county.

Whoever my successor may be, I am sure that you will extend to him the same type of cooperation, to insure that this county may be known as one that enforces the law.

Thanking you again for all of the kindnesses and courtesies you have extended to me in the past, and assuring you that I will, to the best of my ability, work to perform the duties of this office until my term expires on January 1st, I am

Yours sincerely,
NORVELL (Booger) REDWINE

David Bray, Dallas Girl Plan Marriage

Dr. and Mrs. H. Grady Hardin of Dallas announce the engagement of their daughter, Louise Taylor, to David Maurice Bray, son of Mr. and Mrs. A. M. Bray of Tahoka.

Wedding vows will be read on Aug. 22 in the Perkins Chapel on the Southern Methodist University campus, Dallas.

Both are graduates of SMU. Miss Hardin attended Southern University where she was a member of Alpha Delta Pi sorority and then attended SMU where she was a member of Who's Who in American Colleges and Universities and received an "M" award her senior year. She has just returned from a seven month stay in Europe working for the World Council of Churches' Ecuomenical Institute near Geneva, Switzerland.

Bray was a member of Blue Key, Cyren Fjord and Phi Gamma Delta at SMU. He was president of the Students Association his senior year, received the "M" award and was chosen one of the Ten Outstanding Students. He was also chosen a member of Who's Who in his junior year. During the past year, Bray has been a Rotary Scholar in Oxford England.

Assisting at the serving table were Miss Linda Thomas, Mrs. Walton Terry and Mrs. Kenneth Hanes of Lubbock.

Hostesses were Meses. Huffaker, H. B. McCord, Jr., Albert Curry, E. L. Short, R. M. Thomas, Ross Smith, W. T. Kidwell, Alton Cain, H. W. Carter, Maurice Small, James Brookshire and Harold Green.

Walther League Of Wilson In Contests

(Margret Bartley)

In a business meeting and election of zone officers, Miss Sandra Koslan was named the new zone secretary. The day ended with a service of hymns.

Those attending and participating in the talent quest were Gary Herzog, Marilyn Wuensche, Don Herzog, Sandra Koslan, Barbara Wuensche, Ray Ehlers, Diane Koslan, Kathy Nolte, James Wuensche, Jeanette Gindorf, Bob Wied, Delphine Menzer, Carol Talkmit, Elva Wuensche, Mr. and Mrs. Carl Bielefeldt and Tommy.

Seniors Honored By Church At Wilson

(Margret Bartley)
A candlelight supper honoring the graduating seniors was sponsored by the L.W.M.L. of St. Paul's Lutheran Church on April 28 when Rev. Robert Kamrath was the principal speaker.

Gary Herzog gave the invocation, Mrs. Robert Kamrath presented the welcome address and Ted Bartley, the response.

"The Kid Sisters" presented special music and "School Days." High school girls sang "Moments to Remember." Gene Herzog pronounced the benediction.

A baker ham supper was served the group.

Mr. and Mrs. Tom Smith and son, Boyd Smith, former Lynn county people, were here Wednesday visiting old friends.

MYF Program On "Know Yourself"

M.Y.F. met Sunday, May 3, at 9:00 p. m. for monthly snack supper. Following this, Townes Walker, Jim Wells, and Jack Edwards presented the program, the first of a three-part series entitled "Know Yourself."

Next week, Wells, Edwards and Walker will again present the program. This series should help senior high's see themselves honestly. They will be challenged to examine their treatment of, and attitudes toward others in the light of Christianity.

Also, during this meeting, officers will be elected for the coming year. Nominees were selected Tuesday, May 5, by a number of M.Y.F. members. The nominees are, for president, John Huffaker, Mike Huffaker; for vice president, Jill Edwards and the one defeated in the president's election, Jack Edwards; for secretary, Chole Jan Huffaker, Marla Bray; for publicity chairman, Jim Wells, Tommy Kidwell; for chairman of Christian faith, Jack Edwards, Mitchell Williams; chairman of Christian citizenship, Lacey Walker, Rett Patterson; for chairman of Christian fellowship, Pam Roberts, and Andra Carroll; and for chairman of Christian witness, Vivian Short and Leah Short.

A meeting of the Spearhead Sub-District M.Y.F. was held Wednesday, May 6, at Ropesville. The purpose of the meeting was to elect officers, the candidates for office having been previously nominated. As to whether the candidates from the local M.Y.F. were elected was not known at the time this was written.

AAUW Holds Final Meeting This Year

The AAUW held its last meeting of the year Monday night at O'Donnell when a dinner was served to members and their guests.

Mrs. Weiss of Kerrville, State division president, served as chairman for a round-table discussion.

The new year begins July 1 and dues should be paid then, but must be paid before Oct. 1. Dues may be sent to the treasurer, Miss Gloria Price, Wilson, Texas, according to Mrs. E. L. Blankenship, secretary.

Cheer Leaders For Next Year Named

Cheer leaders were named by out-of-town judges Tuesday afternoon following try-outs held in the gymnasium for both the high school and junior high groups.

Selected for high school cheer leaders for the 1964-65 school term were Andra Sue Carroll and Judy Connolly, senior students; Vanceil Grogan, junior; Sue Woodall, sophomore; and Vicki Jacobs, freshman.

Junior high cheer leaders include Melanie Leverett, Cindy Carroll and Patti Short, all eighth grade students; Jane Cox, Sheila Tankersley and Joni McNeely, who will represent the seventh grade.

Little League Opening Held

Little League opened its season here Monday night with a double header, the Cardinals defeating the Giants in a close 6-5 game and the Cubs winning over the Yankees 10-4.

Winning pitcher for the Cardinals was Larry Durham. Losing pitcher was Devaughn Sales of the Giants. Sales hit a home run in the sixth inning and the losers got five runs on four hits. The Cards' six runs came on two hits. Danny Martinez doubled in two runs in the third for the Cards and Larry Durham got the other hit, a single in the second inning.

The Cubs scored 10 runs on four hits while the Yankees made four runs on two hits. The winning pitcher was Willie Brown and pitching for the losers was Lusano DeJesus. Also on the mound was Fred Pendleton for the Yanks and Jesse Arousa for the Cubs. Jim McCord hit a double and a single for the losers. Leading hitter for the Cubs was Kenneth Gormley with a triple.

CARD OF THANKS

We wish to express our deepest appreciation to everyone for your kindness, food, flowers, cards and all the helpful words of comfort during our sorrow. May God bless you all.—Mrs. J. O. Freeman and children. 1tp

Lady Is Unhappy On Delay Of Death Message Delivery

Mr. and Mrs. Walter Dubree of Redwine went to Salida, Colorado, Friday, May 1, to attend the funeral of a close friend, Mrs. Annie Harris, which was held on May 2.

When they reached Salida, they found the Harris family had tried to call the Dubrees by telephone and gave the operator the number, FA 7-5413, Tahoka, Texas. The operator said there was no such telephone number and no Dubree.

Then, the Harris' sent a telegram on April 29, which reached the Dubrees here on Monday, May 4. In the message, the Harris family had asked the Dubrees to get in touch with relatives, the Duckett family of Tahoka and the Durstine family of Lamesa.

Luckily, the Dubrees learned of Mrs. Harris' death, which occurred April 28, through E. L. Blackwell of Fort Worth, a brother of Mrs. Annie Harris.

The Dubrees wonder what kind of telephone and telegraph service Lynn county has.

CARD OF THANKS

Our gratitude is extended to each of you for your many kind acts and words, for the flowers, cards, food and prayers during our sorrow. Friends such as you will never be forgotten. May God be with you.—The J. H. Knight family. 1tp

Reading Program Completed Here

This year a pilot reading program has been completed in the second grade of South Elementary School and by all indications has increased the reading ability, vocabulary, spelling and comprehension of the students, according to the teachers, Principal J. B. Howell and Supt. Otis Spears.

The program entitled "Phonetic Keys to Reading" will be extended to include the first through third grades next year. It has been and will be taught in addition to state adopted textbooks and is usable with any basic reader, according to the teachers Mrs. Myrl Mathis, Mrs. Fieda Howell and Mrs. Minnie L. Ash, who attended a school in Floydada last summer in preparation for the program.

Although phonetics have been taught here for many years in the early grades, this program is a new and intensified approach. Favorable comment has come from parents, Mr. Howell stated, and teachers say the students are better qualified to figure out new words.

Achievement tests just completed have convinced school officials and teachers that the students' reading ability is better in every way. However, they pointed out, it will be several years when these students reach higher levels before the actual improvement can correctly be judged.

The program is published to be used with textbooks. It has not been substituted and will not be, but was tried as an experimental basis this year. School officials say they are also convinced the cost of the program has clearly been justified by the results. The cost will be greater than usual but will be borne by the school district.

Supt. Spears said the teachers have spent many, many hours outside the classroom in study, preparing themselves to teach the program, in addition to many hours in teacher conference. He said they are to be commended, as will the teachers who will begin the program next year.

Mrs. Hattie Yates' condition remains about the same in Tahoka Hospital, where she has been a patient over three months.

In Appreciation

This is an expression of appreciation to all the voters of Lynn county who went to the polls in the recent election. To exercise your right to vote is to demonstrate you are concerned about your local government.

For those who expressed confidence in me with your votes, I would say a special "THANK YOU". Having received the leading number of votes, I am anxious for your continued support.

I have visited with many of you in the last few weeks and will try and contact most of the citizens of the county again before the June 6th election.

It is my sincere desire to see the office of Sheriff of Lynn County maintain the high standards it deserves. It is for this purpose I solicit your vote in the coming run-off.

New Prometryne herbicide works wonders for Texas cotton

Prometryne® 80W brings a new dimension to cotton weed control in the South Plains. It offers a one-herbicide program that will take care of most weeds from planting to picking. Apply Prometryne preemergence or post-emergence or at layby, or at all three times if weed conditions so dictate.

Gets tough weeds...including carelesslyweed

Three years of research by State and Federal researchers in Texas proved the effectiveness of Prometryne in controlling most annual broadleaf weeds and grasses in cotton. It does an outstanding job, for example, in handling carelesslyweed (pigweed).

Versatility of application

Prometryne is extremely versatile. You can use it as preemergence spray at planting. You can use it as a directed postemergence spray after both weeds and cotton are up. You can spray it at layby to control weeds through the rest of the season. Use it once, twice, three times...whatever weed conditions dictate.

How Prometryne works

Applied preemergence, Prometryne is carried into the soil by rainfall or overhead irrigation. It is absorbed by germinating weed roots and soon after weeds break ground, they die. No need to work Prometryne into soil. Applied after weeds are up, Prometryne kills by direct action on weed foliage and through roots.

Safe to use

Prometryne is safe to cotton when used according to label directions. It leaves no residues in cotton seed. It is safe to handle and non-irritating to humans and animals. A fall seeded crop should not be planted in the same year following the application of Prometryne 80W.

Available this spring

Since this is the introductory year for Prometryne, only limited quantities are available. Plan to make a preemergence application to at least a portion of your acreage at planting. Then follow through with postemergence and/or layby treatments if necessary. See what outstanding, economical weed control you can have.

To order Prometryne, or for more information, contact your supplier, or: Geigy Agricultural Chemicals, Division of Geigy Chemical Corporation, Saw Mill River Road, Ardsley, N.Y.

Elmer Wuensche Assigned School

Elmer Wuensche of Wilson, recent graduate of Concordia Teachers College in River Forest, Illinois, has received an assignment to serve as teacher at Ascension (Landover Hills) Lutheran School at Hyattsville, Maryland.
Elmer is the son of Mr. and Mrs. Oscar Wuensche of Wilson. He and his wife are members of St. Pauls Church, Melrose Park, Ill.
Wuensche earned a Bachelor of Science in Education degree from Concordia, and received his appointment from the Board of Assignments of The Lutheran Church, Missouri Synod, in a recent meeting at the church's headquarters in St. Louis, Mo.
The college supplied 242 of the graduates and 19 supply teachers needed to fill the 854 requests for Missouri Synod elementary and secondary teachers. They become a part of the parochial school system of The Lutheran Church, Missouri Synod, the most extensive in American Protestantism today.

Local People Attend Freedom Forum

Twelve Tahoka adults and students attended the Freedom Forum held three days last week in Lubbock and four adults attended one day each.
Many of those attending were sponsored by organizations and individuals.
On the program were Mrs. Charles Verner of Tahoka, and men both of Hungary and Cuba, as well as a retired Army general and other notable speakers.

Brother-In-Law Of Local People Buried

Weldon Huffman, 54, husband of the former Miss Sina Bairrington of Tahoka, died Sunday in Houston following an illness of several months.

Attending funeral services in Houston Monday were her sister and two brothers, Mr. and Mrs. Curtis Stevens and Gus Bairrington of Tahoka and Cleave Bairrington of O'Donnell.

He is survived by his wife and

Dixie H. D. Club Hears Rev. Efirid

Dixie Home Demonstration Club held its regular meeting Wednesday in the First Baptist Church here, when Rev. James Efirid, pastor, was the guest speaker on the subject, "A House or a Home?"

The very interesting talk was heard by 12 members, two visitors, and the agent, Mrs. Billie Carr.

W. T. Bovell Of Muleshoe Killed

W. T. (Bo) Bovell, 57, former Tahokan living at Muleshoe since 1947, died at 2:00 p. m. Saturday in a Littlefield hospital from injuries received the previous Monday night in a car wreck near that city.

Funeral services were held at 2:00 p. m. Monday in the First Baptist Church of Muleshoe with Rev. Don Boles, pastor of the First Presbyterian Church, officiating, assisted by Rev. Don Murray, First Baptist pastor, and Rev. Troy Walker, Trinity Baptist pastor. Burial followed in Bailey County Memorial Park Cemetery.

W. T. had been to Lubbock attending a business meeting and was returning home at about midnight when he lost control of his car six miles northwest of Littlefield, ran into a barrow ditch. Although wearing a seat belt, his chest was crushed against the steering wheel, ribs broken, and his lungs punctured. Friday he developed pneumonia, and died the next day.

Last year he had sustained a severe heart attack, and family members presumed he either had a heart attack, blacked out momentarily, or dozed off to sleep while driving.

William T. Bovell was born in Dallas on Nov. 12, 1907. He came to Tahoka with his parents, Mr. and Mrs. T. J. Bovell, in 1919, graduated from high school here, and attended Texas A&M. He was married here on March 22, 1931, to Miss Juarene Edwards, daughter of the late Mr. and Mrs. J. S. (Jack) Edwards.

On moving here, his parents farmed a while, operated a service station, and W. T. was later associated with his father in operation of a bakery. He was active in Tahoka civic affairs, and was a member of the Rotary Club.

Soon after returning from service in World War II, he moved to Socorro, N. M., for a year or two, and then moved to Muleshoe in 1947, where he operated Bovell Motor Supply.

He served as mayor of Muleshoe for nine years, was a member of the Masonic Lodge, the Scottish Rite, the Shrine, and was a 32nd degree Mason.

Survivors include his wife; three daughters, Mrs. Hulian (Jackie) Bass of Lubbock, Mrs. Charles (Tommie) Bratcher of Muleshoe, and Miss Nina Ed Bovell of the home; one son, Bill Bovell of the home; his mother, Mrs. T. J. Bovell of Tahoka; and five grandchildren.

Mrs. John Evans of Tahoka was an aunt, and Mrs. Rene Mae Griffing and Egbert Evans are cousins.

Man Killed In Tractor Mishap

Charles Fred Meyer, 53, a farmer in the Draw area for three years, was killed Tuesday at about 5:30 p. m. when he fell from a tractor and was crushed under a wheel. The accident occurred on a farm road near Draw.

The tractor, driven by his brother, Fred Meyer, hit some caliche causing the victim to fall from the vehicle, highway patrolmen said. The right rear wheel passed over his head and chest.

Mr. Meyer farmed the Mrs. D. B. Calaway place on route 3, Tahoka.

Funeral services were held Thursday at 1:00 p. m. at the Immanuel Lutheran Church in Posey with Rev. F. A. Whittig, pastor, officiating. Burial was in Englewood Cemetery, Slaton, under direction of White Funeral Home in Tahoka.

Mr. Meyer was born July 26, 1911 in Williamson county, coming here about three years ago. He was a member of the Immanuel Lutheran Church at Posey.

Justice of the Peace Horace Brunette of O'Donnell conducted the inquest.

Survivors include two sons, Robert Carl of Phoenix, Ariz. and Lawrence Eugene of Odessa; two sisters, Mrs. Robert Stolle of Slaton and Mrs. Alma Talley of Slaton; three brothers, Fred of route 3, Tahoka, Otto and Edwin both of Lubbock; and three grandchildren.

Pallbearers were Jimmy Meyer, J. L. Talley, Paul Boyle, W. J. Johnson, Gene Meyer and Ernest Meyer.

Wilson Man Is Heart Victim

John C. Scott, 60, living six miles east of Wilson, died suddenly of a heart attack at about 10:30 p. m. Tuesday at his home.

Funeral services were held Thursday at 3:00 p. m. in Slaton Assembly of God Church with Rev. V. F. Love of Lubbock and Rev. Noland Stout officiating. Burial followed in Englewood Cemetery at Slaton.

Mr. Scott had been employed in road maintenance work in Commissioners Precinct 1 for about 20 years, and had worked under Commissioners Pat Swann, E. J. Cooper, Clarence Church, and Curtis Morgan. He was supposedly in good health, went to bed, and a few minutes later his family found him near death. The News is informed.

Survivors include his wife, Lorene; six sons, Charles, Clarence and Douglas, all of Lubbock, and Johnny, Ronney and Jerry, all of Wilson; five daughters, Linda of the home, Mrs. Billy Kitchens and Mrs. Joe Elmore of Lubbock, Mrs. Harvey Young and Mrs. Bill Young of Canyon; and one brother.

North Lynn Little League Opening Program Tuesday

Opening ceremonies of North Lynn Little League were held Tuesday night at New Home when Joe D. Unfred, acting as master of ceremonies, presented all the boys, Little League officials, and the mayor of the town.

New Home Scout Troop 526, under Scoutmaster Lit Moore Jr., conducted impressive flag-raising ceremonies.

In the opening game, New Home Giants won over the New Home Yankees 8 to 5.

New Home and Wilson Pony League teams had a game just getting underway when the weather interfered and the game had to be called off.

Mrs. T. J. Hawkins, 90, of Big Sandy, returned home last week end with her daughter, Mrs. J. P. Unfred of Lubbock, formerly of New Home, following funeral rites for her husband.

County Convention Set For Saturday

The Lynn County Democratic Convention will be held Saturday at 2:00 p. m. in the county court room in Tahoka for the purpose of electing delegates to the state convention; passing resolutions, etc., according to S. M. Clayton Jr., chairman of the executive committee.

Lynn county will be entitled to nine delegates to the state convention.

This year delegates to the county convention can not vote by proxy, but must be present to cast a vote, Mr. Clayton says.

Election . . .

(Cont'd. from Page 1)

Other district officers nominated without opposition were: George Mahon, congressman of the Congressional District; H. J. (Doc) Blanchard of Lubbock, State Senator, 28th district; and R. G. (Randy) Pendleton of Andrews, State Representative, 7th district.

Governor John Connally, who decisively defeated three opponents for another term, received 2,021 votes in Lynn to only 406 for Don Yarbrough, his only serious opponent.

Lieutenant Governor Preston Smith of Lubbock, who led all candidates with opposition in total vote, got 2,332 votes in Lynn to 179 for his opponent, Albert Fuentes Jr.

U. S. Senator Ralph Yarbrough, who won renomination, surprisingly trailed his opponent, Gordon McLendon, in Lynn by the narrow margin of 1192 to 1200.

Congressman-at-Large Joe Pool, who will be in a run-off with Robert W. Baker of Houston, led the ticket in Lynn with 948 votes, Dan Sullivan of Andrews was second with 921, and Lynn Baker received a total of only 390 votes.

Commissioner of Agriculture: John C. White, 1631; Millard Shivers, 730.

Commissioner of General Land Office: Jerry Sadler, 1988; Fred H. Williams, 475.

Agriculture Growing Industry, Duane Howell Says In Talk

Agriculture is a growing industry, will grow more through technology, food is cheaper than in the past, however, the free enterprise system is being threatened and agriculture is hampered by government controls.

These were some of the points made in a talk before Tahoka Rotary Club on the subject, "Agriculture—Land of Opportunity," by Duane Howell, farm editor of Lubbock Avalanche-Journal, son of Mr. and Mrs. L. D. Howell, and a 1947 graduate of Tahoka High School.

Too many people in this country think agriculture is declining, he declared. This is a gross misstatement, as the only decline is in the number of people required to run farms.

Although a smaller share of our total population is engaged directly in farming, the agricultural industry is big, broad, basic. Out of 88 million people employed, about 26 million work in some phase of agriculture, 7 million on farms, 8 million produce goods and services purchased by farmers, and 11 million process and distribute farm products.

Agriculture today uses more capital, more science and technology, more managerial capacity, more purchased production inputs, more specialized marketing facilities, and more research than the year before.

Brainpower has replaced horse-

power, Howell said. Due to efficiency, our farm output has increased two-thirds in 20 years. One farm worker today feeds and clothes himself and 27 others. In 1930, he fed and clothed only 9 others; a century ago, it was only three others. Total output of agribusiness today is \$90 billion.

A generation ago, farmers were producing most of their own fuel, power, and fertilizer; while today, they use more steel than the passenger car industry, five times the chemicals used in 1935, more petroleum than any other industry, enough rubber to make tires for 6 million autos, and use more electricity than Chicago, Detroit, Baltimore, Boston, Houston and Washington does.

Advances of farming is due largely to research and efficiency, and by comparison Russia's inefficient farming program requires 45 percent of their workers and still can't feed and clothe the nation properly.

American people today are fed and clothed better than any time in history, and spend only 16 percent of their disposable income compared to 23 percent 20 years ago for food. In ten years, food prices have risen 5.6 percent, but the economic index has risen 12.3 percent. The working man gets a loaf of bread for 40 percent of the working time required a generation ago for food. In ten years, food prices have risen 5.6 percent, but the economic index has risen 12.3 percent.

Trade what you're driving for one of these, and you won't want to trade seats with anybody else on the road.

Spirit—Next, Chevelle. The beautifully in-between size car that combines small car handling oomph with big car comfort. Eleven different models that you can equip with just about any extra-cost option you can imagine. No place to go this summer? Get a new Chevelle—you'll think of something.

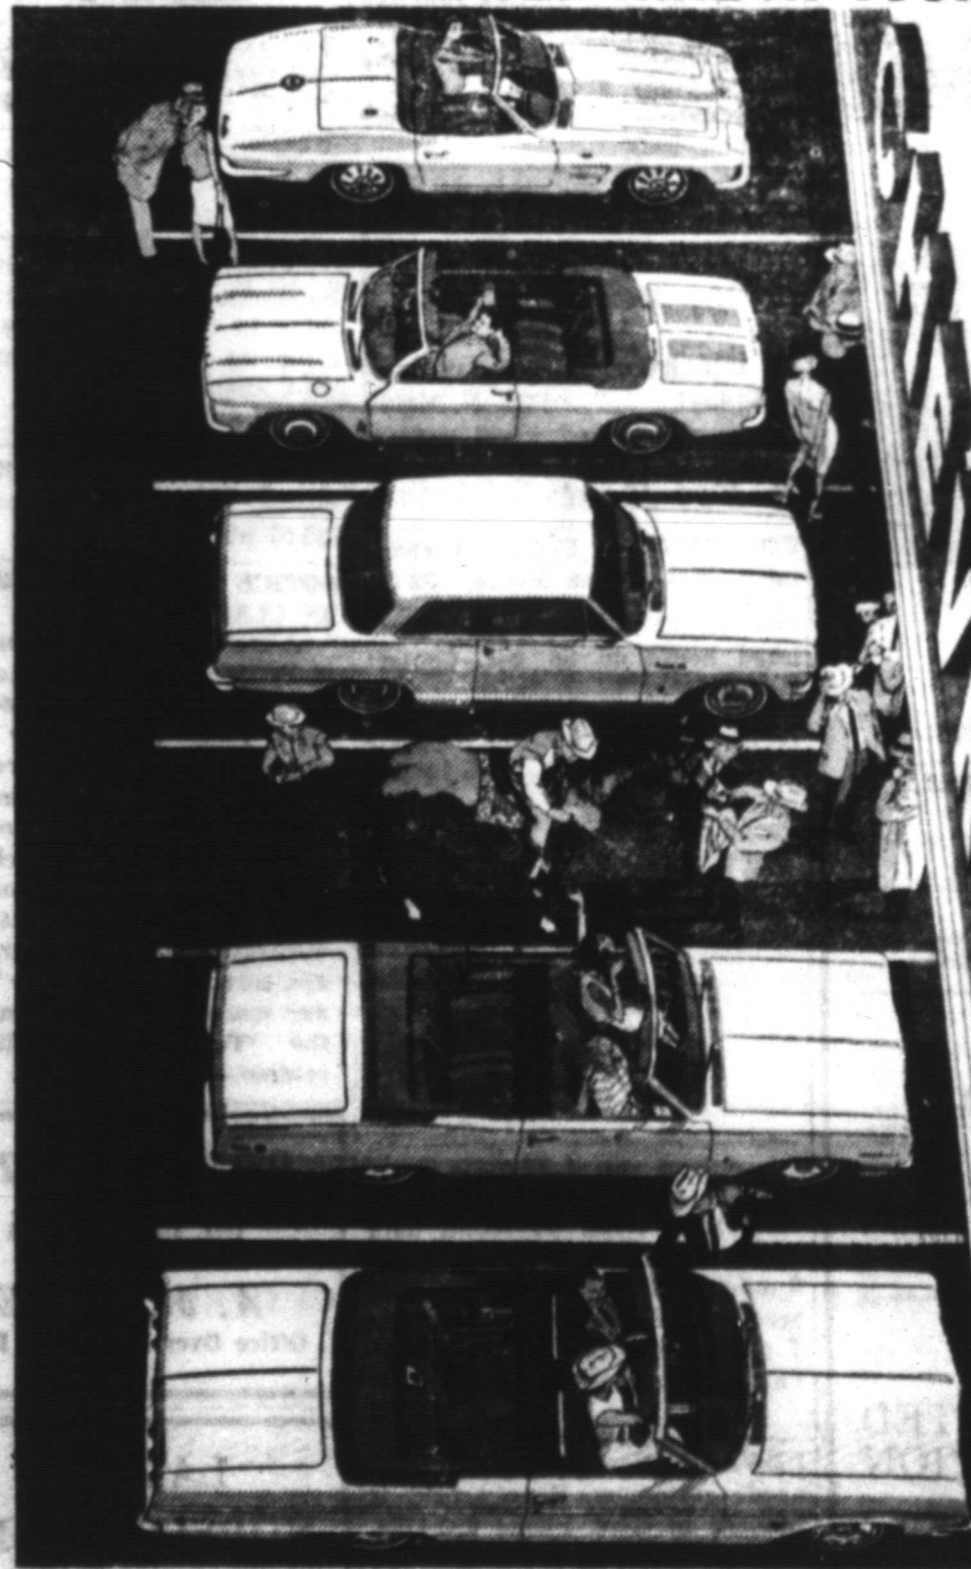

Economy—Chevy II—the car that takes to inexpensive vacations naturally. It just goes and goes, and where it stops nobody knows. Eight models to pick from, including wagons with enough room to swallow up an eight-foot Christmas tree. (Plan ahead, we always say.)

Fun—Then there's Corvair. The fun one with the engine in the rear for unbelievable traction. Spring mud, summer sand, winter snow—nothing stops it.

Corvette. The enthusiast's car. Sting Ray Sport Coupe and Convertible. Still America's only true sports cars. They do for your driving what holidays do for kids.

Performance—And with any new Chevrolet you choose, you can pick from a wide range of standard or extra-cost high performance engines.

Either way, whether you've got some place special to go this summer or not, when you trade for one of Chevrolet's five great highway performers—you'll travel!

THE GREAT HIGHWAY PERFORMERS—Models shown top to bottom: Corvette Sting Ray, Corvair Monza Spyder, Chevy II Nova Super Sport Coupe, Chevelle Malibu Super Sport, Chevrolet Impala Super Sport.

The victor has enough glory and compensation. We'd like to take our hat off to the losers, as well as the winners. All our local candidates are fine people, some were misled or disillusioned by voters, friends and neighbors, but not intentionally. Few people had any deep grudge or enmity toward any candidate, so far as we know. All are good citizens. All have profited from the race, made new friends, renewed old acquaintances. You can't always tell how the ball will bounce.

As we've said many times, our greatest joy is in writing of the successes of our young people. We're not one who thinks our youth is going to the "bow-wows." We fill these columns full of youth activities in the belief they deserve the space, the recognition, the encouragement. We have the finest young people in the world right here in old Lynn. Therefore, it is like a stab in the heart to The Printer when local youths do something unbecoming of young ladies and gentlemen.

Coach Gene Gibson of Texas Tech at the recent athletic banquet stated we must admit that discipline has broken down in the

home. We want winning teams, but we don't want the coaches to be too hard on the boys. The only way to win is to maintain discipline. Coaches in Tahoka have been criticized by parents for requiring a code of proper action and discipline among boys and punishment for not meeting these standards. We can never build winning teams, or men and women, without backing from parents and fans.

J. Edgar Hoover, director of the FBI, says: "The Negro situation is being exploited fully and continuously by Communists on a national scale."

Hoover also says: "The FBI is deeply concerned with the increasing abuse and ridicule aimed at the nation's law enforcement officers. Unless we witness a radical change in the behavior patterns of our more than 180 million population, 1964 will bring another sharp rise in crime."

The fact should be obvious by now there is a growing wave of resentment among Texas voters over the ultra-liberal line, increasing federal controls, the taking away of more and more individual rights, the squandering and waste of public monies without consent of the people. Members of Congress, are you listening? Are you noting the trend of election results?

Please, dear readers and correspondents and advertisers, get your copy in early. We don't run a daily, and just have to start a new paper on Monday. Last week we had to leave out a lot of news and two advertisements because of the late rush and an unusual amount of copy.

No letter we receive is more appreciated than one from a home boy in service. We have received two the last few days.

Charlie Mack Holland, at Great Lakes Naval Training Station, in a personal letter, says "School is hard but I think I will make it. I like the Navy and hope I can make good while I'm in here. It will give good training for a job when I get out, and I make a lot of new friends." Stay in there and pitch, Charlie, we're all for you back here at home.

Sgt. Jerry L. Bragg, over in Europe with the 97th Signal Battalion, writes a long complimentary letter. Once he worked for The News a bit, and his grandmother, Mrs. C. T. Tankersley, sends him the paper, and he says

he enjoys keeping up with old friends, athletics and even "The Inklings." At least, he says, the paper "sounds like West Texas." How about writing us a letter for publication?

Once down at Roscoe, a friend high-balled it through the yards at 60 miles an hour. A stranger asked Jim Holmes, who worked for the Express company, "The Sunshine Special, does it stop here?" And Jim replied, "It once did for Jesse James."

A T-Bar cowboy who had very little regard for manners or society is reputed to have gone to Post back years ago and started into the then classy Algerta Hotel dining room for supper. "You can't come in here without a coat," the head waiter told him. So the 'puncher just went back to his horse and came back wearing a slicker. He got in.

Another time, the fellow was eating breakfast in the Harvey House over at Slaton among a "high faluting" crowd of Easterners off the Santa Fe. He kept eyeing the women, who seemed to be saying to themselves, "What an uncouth man!" So the puncher just poured his syrup over his pancakes, then licked the pitcher with his tongue.

Still another time, he was in the old Sherrod Hotel here for a cuppa coffee. The mail hack from Gail to Lubbock stopped outside, and a high-toned lady rushed into the hotel dining room and asked for a cup of coffee right quick so that she wouldn't get left. Feeling unusually courteous, the old cowboy said, "Here, lady, take mine. It's already been sauced and blowed."

Yep, they are old stories. We just changed the names and places for local color.

THANKS TO THE PEOPLE OF PRECINCT NO. 3

My sincere thanks go to all the people of Precinct 3 who voted for me, those who gave my candidacy consideration, and my opponents for their friendship. Best wishes to all of you. Come to see us.

Don Hammonds is Winner Of Award

Lubbock — Don Hammonds, sophomore finance major from Tahoka, was awarded the Meistersinger Chorus service award at the annual Spring Concert last Friday, April 24, at Lubbock Christian College. This service award was given for the most outstanding service to the organization during the school year.

The annual Spring Concert is one of the most important musical performances of the year. This program brings together all the major musical groups of the school. The Royal Blue Band, Meistersinger Chorus, A Capella Chorus, and Piano Sextet presented some of the best music they have practiced this year.

The Music Masters departmental award went to Judy Bates of Lubbock. This award is given to the person representing the most service to the overall music department.

CARD OF THANKS

We wish to express our heartfelt thanks to those who extended their sympathies to us during the loss of our loved one. To all the nurses at LaVoy's Nursing Home, for the flowers, cards and food. May God bless each of you.—The family of Mrs. W. J. Benson. 1tp

NOW AT YOUR REDDY KILOWATT APPLIANCE DEALER

It Is Morally Wrong

THE MEDICARE BILL
now before Congress, would force all wage-earners and their employers to pay substantially higher payroll taxes to provide hospitalization and other limited health care to millions of the elderly who are financially able to take care of themselves. This is morally wrong.

The worker earning \$100 a week, who would be compelled to pay at least 16% more payroll taxes, would pay as much tax toward the program as the \$1,000-a-week executive. Thus, the bulk of the tax load would fall on those least able to pay. This is morally wrong.

Local, state and federal programs for helping the elderly who need help in meeting health care costs are available now. You already are supporting these programs with your tax dollars. These programs avoid the waste of tax money by helping only those who need help.

We believe in voluntary programs that preserve the right of the self-reliant to take care of themselves. More than 60% of the elderly already have protected themselves with some form of health insurance.

The Kerr-Mills Law, passed by Congress in 1960, enables individual states to guarantee to every elderly person who needs help the health care he requires.

There is no demonstrated need for the costly, compulsory, morally wrong Federal Government plan called Medicare!

We urge you to write your Congressman and Senators TODAY. Ask them to vote against MEDICARE H.R. 3920

If you desire more information on Medicare, ask your family physician.

Your Congressman is: **George Mahon**
Your Senators Are: **Ralph Yarborough, John Tower**

Sgt. Jerry Bragg In Army School

Sgt. Jerry L. Bragg, son of Mr. and Mrs. Cody Bragg, serving with the U. S. Army in Germany, has been selected for attendance at the Seventh U. S. Army Non-commissioned Officers' Academy, according to a letter received this week by Mr. and Mrs. Bragg from Lt. Col. Emmet B. Lyle, Infantry Commandant of the Academy.

Lt. Col. Lyle writes Mr. and Mrs. Bragg, "This selection itself sets him apart from his fellow soldiers, putting him in the top category of our troops in Germany, since only the best come here as students.

"At this time he has been graduated and further distinguished himself by earning three awards. He was designated as the Distinguished Graduate, in turn earning the 'General George S. Patton Jr. Award for Excellence,' and he was cited for attaining the highest leadership standing within his student platoon.

"For this accomplishment he earned the 'General Douglas MacArthur Award for Leadership.' The ability to achieve distinction in competition with fellow soldiers is commendable; the ability to accomplish this in competition with the finest soldiers in Europe is an accomplishment from which you may draw real pride and satisfaction.

"This Academy judges its graduates not only in the light of academics, but predominantly in the development of essential, practical characteristics vital for those who will lead other men. Your son has made a fine contribution to himself, his Army and his country. My congratulations to you."

Agriculture . . .

(Continued from Page 1, Sec. 2) tion ago. The average citizen today lives much better on a smaller percent of his income than in the past.

American agriculture and industry were built on free enterprise. This system is under constant attack, supported by well-meaning citizens who look to Washington for unrealistically high price supports, price regulations, price ceilings, and so on. America's greatest danger is organized attempts to limit output per worker, per factory, per farm, a strangling philosophy. Our free enterprise system has made America great, strong, prosperous, and is the only system that will keep our country great.

Howell made a strong plea for preservation of the very freedoms we seek to give others, and warned of increasing restrictions and controls by government which stifle initiative skills, the desire to move forward.

In our free society, the right to succeed carries with it the right to fail. If, through legislative action of one kind or another, we remove the right to fail, we ultimately will also remove the right to succeed beyond mediocrity. Most men of vision and ambition do not want that. They know their future is most secure in an environment which guarantees freedom to choose, freedom to experiment, freedom to become more efficient, freedom to seek and develop new markets, freedom to dream and freedom to enjoy economic rewards if their dreams are successful.

Our economic system of individual initiative, private property, competitive pricing and of profits works for us. It has enabled us to profit-seeking America, most of all the nations of the world, to achieve the Communists goal— plenty for everyone in a classless society. The system is worth preserving.

Dr. Emil Prohl, in charge of the program, introduced the speaker. Student guests for the month are Jack Edwards and Jim Wells. Dr. Skiles Thomas presided in the absence of President Don Browning and Vice President Calloway Huffaker.

Botkin Heads Council At Tech

Ronnie Botkin, son of a former Tahoka couple majoring in industrial engineering, recently was elected president of the Texas Tech Student Council by a vote of 2,987 to 956.

He is the son of Mr. and Mrs. Roy Botkin of Summerfield, near Hereford. Both his parents were reared here. Ronnie is a graduate of Hereford High School, and was valedictorian of his class.

At Texas Tech, where he is a junior this year, Ronnie has served as business manager of the Student Association, and president and senior advisor of Phi Eta Sigma, engineering representative to the Student Council, student representative to the Athletic Council, and executive secretary of the Southwest Conference Sportsmanship Committee. He is a member of "Saddle Tramps", the American Institute of Industrial Engineers, and Alpha Pi Mu, an international engineering society.

Among other honors, he is listed in Who's Who in American Universities and Colleges, the All-College Recognition service for scholarship and leadership, the Dean's honor roll, and served as Junior Rotarian of the Month in January in Lubbock Rotary Club.

A sister, Nelda, is a freshman in Tech.

His mother is the former Miss Margie Lawrence. Both his parents attended Tahoka High School.

Robert Bessire At Fort Chaffee, Ark.

Fort Chaffee, Ark.—Army Pvt. Robert D. Bessire, son of Mr. and Mrs. Darrell J. Bessire, Route 2, O'Donnell, Tex., was assigned April 14 to the 16th Artillery at Fort Chaffee, Ark.

Bessire, a member of Battery A, 6th Howitzer Battalion, entered the Army in January 1964 and was last stationed at Fort Polk, La.

The 22-year-old soldier is a 1960 graduate of O'Donnell High School and attended Texas Technological College, Lubbock.

Chas. Whitfield Is Lubbock Principal

Charles Whitfield, formerly of Tahoka, has been named principal of Jackson Elementary School, located at Second Street and Vernon in Lubbock.

He previously was sixth grade teacher in the school and will succeed Mrs. Iris Bergholm, who is retiring.

Mrs. Whitfield is the former Miss Eddie Lois Hamilton, daughter of Mr. and Mrs. Ed Hamilton. A letter to The News this week from Mrs. Whitfield stated that their older son, Charles Eddie, is a member of the E. Y. Lee Chapter of DeMolay, of which Era Stewart's nephew, J. Q. Warnick, Jr., candidate for State representative from Lubbock, is their "Dad." She says Charles Eddie thinks Warnick is a fine fellow, as do all the boys.

Before returning to the college classroom, Whitfield was associated with Hamilton's Furniture and Appliance here for several years.
