Latin Crusade Closes Tonight

Crowds of 400 to 450 have been attending the area Latin American New Life Crusade being held nightly this week in the Lynn County Agricultural building in Tahoka.

The series will end with the services this Friday night.

Latins have been coming each night by bus from Wilson, New Home and Lakeview, and others from Garza county, Slaton, O'Donnell, Lubbock, and other points over this area.

Evangelist is Rev. Roy L. Lyon, superintendent of Missions, Mexico City; and song leader is Wm. J. Blair, educational director of Baptist Spanish Publishing House in El Paso.

The meeting is being sponsored by Baptist churches of the area, and Rev. James Efrid is chairman of the sponsoring committee.

Lewis Robinson Dies Of Injuries

Lewis E. Robinson, 71 of Lamesa, formerly of O'Donnell, prominent ginner, land owner and rancher, died Monday in a Wichita Falls hospital from injuries received on Labor Day near Graham.

Mr. and Mrs. Robinson were at the cabin on Possum Kingdom Lake when his parked car with boat attached started to roll backward. As he tried to get back in the car, the door knocked him down, he was run over by the car, some ribs broken and internal injuries sustained. He was taken first to Graham Hospital, and later transferred to Wichita Falls.

Funeral services were held Wednesday at 2:00 p. m. in a Denton funeral chapel, and burial followed in near-by Jackson Cemetery. He was a former resident of Denton county.

Robinson moved to West Texas in 1925 to operate the Woodrow Gin, and moved to O'Donnell in 1927, where he engaged in the ginning business. In 1952, he moved to Lamesa. He owned considerable farm and ranch lands.

Mr. Robinson was a Mason and Shriner, member of Rotary and Lions clubs, and formerly served on the O'Donnell school board.

Survivors include his wife, Lois; one daughter, Mrs. Lynn L. (Lometa) Birdwell of O'Donnell; three sisters, Mrs. W. I. Bishop of Justin, Mrs. Lonnie McClary of Big Spring, and Mrs. Emma Stewart of Hurst; and two grand sons.

Ronny Driver Is Licensed Preacher

Ronny Driver, who was licensed on Aug. 30 to preach the Gospel, left Monday for Plainview to enroll in Wayland Baptist College, where he will prepare himself for the ministry.

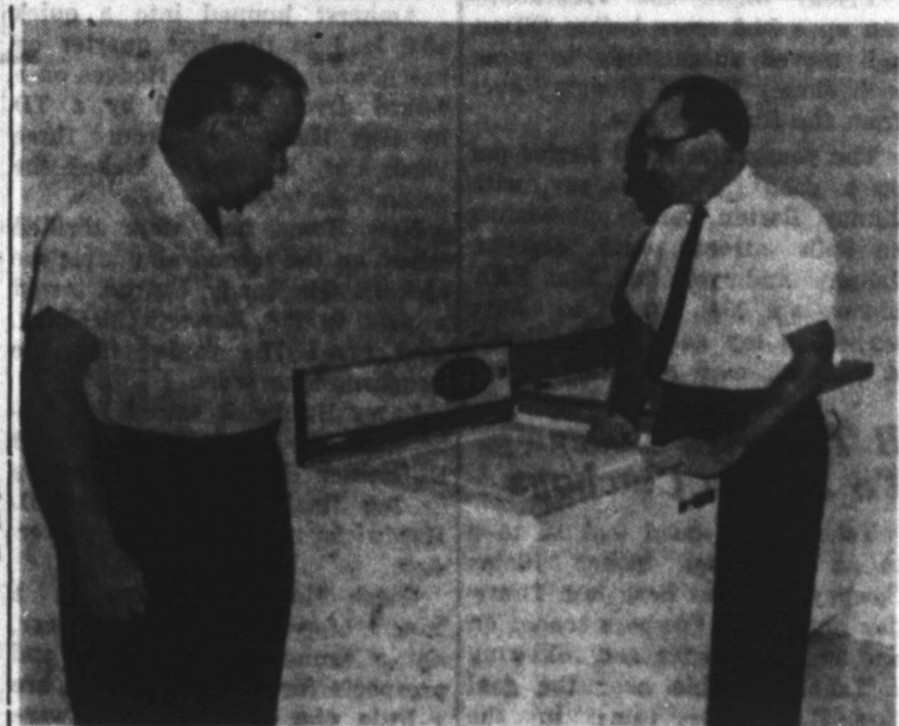

Ronny is a 1963 graduate of Tahoka High School and has resided in Tahoka with his grandparents, Mr. and Mrs. Louis A. Phillips, for the past several years.

Speaks At Seagraves

Wilmer Smith of New Home was the speaker Tuesday at noon at the Seagraves Rotary Club farmer day. His talk dealt with farm problems with particular emphasis on the boll weevil control program.

Oscar Roberts and Eldon Carroll attended funeral services for Lewis E. Robinson of Lamesa in Denton Wednesday.

Mrs. D. C. Hubbard was released Tuesday from Tahoka Hospital. She underwent surgery there on Sept. 1.

AN AUTOMATIC WASHER has been donated to Tahoka's Housing Project for the Aged. Shown in the picture above is Clifton Clark, right, Jaycee president, making the presentation of the gift, which was accepted by J. M. Uzzie, left, administrator of the Housing Authority of the City of Tahoka.

Bulldogs Will Play The Slaton Tigers Tonight

Tahoka Bulldogs, losers in their first two games, to Lorenzo 8 to 0 and to Crosbyton 32 to 12, will still be seeking a victory tonight when they go to Slaton to battle the Tigers. The Tigers nosed out Tahoka 18 to 15 here last year.

Coach Gilbert Hough and assistants have been working with the boys this week on deficiencies which have shown up in the first two games, and the boys declare they are out for Tiger meat tonight.

Coach Neal Chastain, who moved from Slaton to Tahoka this year, is also looking for a first Slaton victory. Last Friday the Tigers lost to Idalou 32 to 0 and opened the season with a loss to Petersburg 18 to 0.

Coach Chastain is pretty high on the attitude of his boys, and thinks they are due to win some games this year. Usually, the Tigers point to games with their old rivals, Tahoka and Post, and they will probably be ready for this one.

Slaton's starting lineup will probably be as follows: Backs: Bobby Brake, 190, senior quarterback who was out much of last year with injuries; Sparky Stephens, 160, senior fullback; Larry Gamble, 158, a senior, and Billy Gass, 153, a junior, at halfbacks.

Line: Larry Lumen, 150, senior, left end; Mike Hunter, 178, senior, left tackle; Danny Scott, 171, junior, left guard; Bobby Magalanes, 160, junior, at center; Mike Ball, 168, senior, right guard; Leonard Hurst, 183, senior, right tackle; and Larry Smith, 145, senior, right end. All are lettermen except Stephens. Gass and Smith were all-district last year.

Tahoka's band and pep squad and a large group of fans are expected to be on hand to cheer on the Bulldogs.

Bill Smith Gets Arizona Scholarship

Bill Smith, son of Mr. and Mrs. Ross Smith, has been granted a \$4,800 research assistantship in soils at the University of Arizona, Tucson, where he is starting work on his master's degree.

He is a graduate of Tahoka High School and of Texas Tech, where he majored in agronomy with a soils option and where he had an outstanding record in the Department of Agriculture. His wife, also a Tech graduate, will do work in University of Arizona toward her master's degree in Home Economics.

Bradley Carr, six year old son of Mrs. Billie Carr, underwent an appendectomy Friday in Tahoka Hospital.

Garland Pennington was hospitalized at Tahoka Hospital Sunday with a painful "catch" in his back.

Tahoka's ZIP Code is 76778.

City Population Estimated 3,500

Tahoka's population now stands at approximately 3,500, an increase of nearly 500 since the 1960 census.

This conclusion has been reached by Tahoka Chamber of Commerce as the result of a recent survey, states Harold Roberts, president.

The figure is based on the number of residential meters in service by the electric, gas, and water services, which have an average of 1,002 meters. Texas League of Municipalities recognizes a figure of 3.5 persons per residential utility meter.

Based on these figures, the C. of C. has asked Tahoka City Council to propose a figure of 3,507 to Texas Highway Department to be placed on population signs on the highways which lead into the town.

UF Fund Drive Set In October

Further plans were made Monday night at a meeting in the City-Legion building for the first annual Tahoka United Fund drive scheduled for mid-October, when the director of the Lubbock Community Chest and Bill Clark of the Boy Scouts outlined procedures. About twenty local workers attended the meeting.

The local UF will attempt to combine four drives into one to support Boy and Girl Scouts, Red Cross, and Salvation Army. Average quotas required for such local support has been about \$5,775 the past few years.

Dr. Gerald Wood is chairman of Tahoka United Fund. Binie White is drive chairman, and John Wells is public relations chairman.

No other meetings are planned until just prior to the campaign when workers will be furnished materials for conducting the drive.

Crowson Baby's Rites At Wilson

David Mark Crowson, five month old son of Mr. and Mrs. Bobby Crowson of Albuquerque, New Mexico, passed away Sunday afternoon at 2:35 in St. Joseph's Catholic Hospital, Albuquerque. He was born there April 4.

Funeral services were held in the First Methodist Church, Wilson, at 10:00 a. m. Wednesday, September 16, with the Rev. W. O. Rucker officiating. Burial was in Englewood Cemetery, Slaton.

The infant had been seriously ill for about three weeks.

Survivors include the parents, maternal grandparents, Mr. and Mrs. Harry Anderson of Slaton, paternal grandparents, Mr. and Mrs. Sam Crowson of Wilson, maternal great-grandmother, Mrs. J. T. Self of Sulphur Springs, and paternal great grandparents, Mr. and Mrs. Richard Crowson Sr. of Birthright.

Local Women At State Convention

Four Lynn county women will return home today from the Texas Home-Demonstration Association meeting held Wednesday and Thursday in the Rice Hotel in Houston.

Representing this county were Mrs. Wilmer Smith, National Home Demonstration treasurer of New Home, Mrs. Leland White of the New Home club, Mrs. Ruben Sander of the Wilson club, and Mrs. A. M. Davis of the Joe Stokes organization.

The ladies left here by bus Tuesday for the two-day annual state meeting.

Mrs. Jack Adams was released Wednesday from Tahoka Hospital where she had been a medical patient since Thursday of last week.

Lloyd Meers was released from Tahoka Hospital Thursday of last week.

School Enrollment Shows Small Gain

Tahoka school enrollment has increased slightly this week over the opening week, announces Supt. Harold Reynolds.

Up to Thursday morning, a total of 1,082 had enrolled, an increase of 26 over last week.

By schools, the enrollment is as follows: Senior High, 238; Junior High, 156; North Elementary, 270; South Elementary, 353; Dunbar, 73.

At a special meeting of the school board Monday night, the 1964 tax roll approved ran a little more than tentative figures announced in The News recently, \$12,897.175.

Because of conflicts, the board set a new date for regular monthly meetings, the second Thursday in each month.

The auditing firm of Douglas, Mason & Nichols was selected to make the annual audit.

Approval was also given to purchase an additional evaporative cooler for the new cafeteria kitchen.

George C. Lindly Buried Tuesday

George C. Lindly, 79, route 1, O'Donnell, well known Lynn county farmer for 39 years, died Monday at 8:30 a. m. in St. Mary's Hospital, Lubbock, where he had been a patient for a week. He had been ill for several months.

Funeral services were held Tuesday at 3:00 p. m. in First Methodist Church of O'Donnell with the pastor, Rev. David Hamblin, officiating, assisted by Rev. Alby Cockrell of Forrest Heights Methodist Church in Lubbock, a former O'Donnell pastor. Burial followed in Tahoka Cemetery.

Mr. Lindly was born at Mexico on December 12, 1884. He was married on November 19, 1912, in Hillsboro to Miss Mary Ellen Hicks, and the couple observed their fiftieth wedding anniversary two years ago.

The couple came to Lynn county in 1925 from Abilene, and he had farmed ever since until forced to retire by age and ill health.

He is survived by his wife; three sons, Horace of 2906 33rd street in Lubbock, Randolph of Taena, Arizona, and James of Levelland; four daughters, Mrs. C. E. Sanders of O'Donnell, Mrs. A. L. Thompson of Kermit, Mrs. Carl Page of 2115-A 51st street, in Lubbock, and Mrs. Arol Moore of O'Donnell; two brothers, J. P. Lindly of Arlington and Joe Lindly of Tuscola; two sisters, Mrs. H. V. Boyd of San Angelo and Mrs. Bob Lease of Kermit; 19 grandchildren, and eight great grandchildren.

Grandsons were pallbearers.

Photographer Meet Is Held Thursday

C. Edmund Finney, Tahoka photographer and president of the South Plains Professional Photographers Association, was helping sponsor a Color Print Workshop in Lubbock Thursday night, attended by other photographers from over a wide range of West Texas.

The workshop was to be conducted by Bob Saitta of Dallas, who was demonstrating more economical methods of color photography.

Crosbyton Chiefs Beat Tahoka Bulldogs 32-12

Tahoka Bulldogs were given a little lesson in handling the pigskin here Friday night from Coach Deane Wright's Crosbyton Chiefs when the visitors took the big end of a 32-12 score. The Chiefs thereby got sweet revenge for a 6-6 tie two years ago and a 7-6 defeat last year, one of only two the team suffered in 1963.

Bulldog miscues and errors in judgment eliminated them from any chance at victory, but otherwise they showed fine possibilities, at times, on both offense and defense, especially in the second half.

The screen pass as used so effectively by the Chiefs, coupled with the visitors' heads-up play in covering free balls on punts and a kick-off, were big factors in the game.

Tahoka ran for 190 yards and 13 first downs, while Crosbyton ran for 215 yards and made 15 first downs, but Tahoka was able to pass for only 10 yards and on one completion and the Chiefs passed for 115 yards on 8 completions.

Coach Wright, quoted by the Lubbock Avalanche, admitted, "Man, we got every break in the

books. It all started when the ref flipped the coin before the game. We won and elected to receive. The wind was blowing a gale from the North. So then the Tahoka captain elects to kickoff against the wind. Now we've got the ball and the wind advantage. What else is there?"

Following the opening kickoff, the Chiefs marched in nine running plays to the Tahoka 17, with speedy little sophomore halfback Jim Flournoy and big bruising fullback Gaylon Wheelless going all the mail-toting. Then, QB Jim Blagg called a screen pass, tossed to Wheelless, and the latter rambled all the way. End Wynn Robinson kicked the conversion.

HB Mike Reed ran the kickoff to the 36. Tahoka couldn't move, and QB Terry Harvick's punt took a bad bounce toward the Tahoka goal, and the Chiefs were in business again on the Tahoka 38. Although set back by a 15 yard holding penalty, the Chiefs moved in to score again, this one on a 30-yard screen pass to Flournoy, and Robinson kicked to make the score 14-0.

HB Gary Tomlinson ran the kickoff from the 10 to the 47.

Eagles Playing Spur Tonight

O'Donnell Eagles, young and inexperienced, entertain the Spur Bulldogs tonight in the first O'Donnell home game. Spur won its opener over Roby 33 to 0 but lost last Friday to Rotan 12 to 6. The Eagles dropped their opener at Crosbyton 28 to 6, and lost to Ralls there last Friday 34-6.

Friday night, the Jackrabbits ran up a 34-0 score before O'Donnell moved successfully to score with Jimmy Barton plunging over from the five yard line.

The young and small Eagles put up a good fight, fans say, with Jimmy Barton being outstanding on both offense and defense. Johnny Anderson and Don Richardson are also said to have turned in top games. Fen Taylor is still out with an injury.

B Team Is Loser To Plains Cowboys

Tahoka's B squad lost 12 to 0 to an older and bigger Plains Cowboy B squad here last Thursday night. The Cowboys scored on one sustained drive and following a Tahoka fumble near the goal line. Both scores came in the second quarter.

The local boys put up a good defense but had trouble moving against the visitors on offense, although they did complete several passes for nice gains. Among those seeing action for the "B" Bulldogs were: John Tyler, Chris Roberts, Wayne Thurman, Doyle Schneider, S. R. Pena, Randy Wood, Gary Brooks, Buz Owens, Ken Sayles, Dickie VanHoose, Luisano Salix, Charles Wilson and Jerry Jolly.

New Home Will Play In Lubbock

New Home Leopards journey to Lubbock tonight to meet Christ the King, and prospects for victory are much brighter than they were last week.

The Leopards, however, put up a much better battle than some fans expected last Friday night in the opener at New Home against the powerful Amherst team before losing 27 to 6.

Amherst jumped into a quick 13-0 lead in the first quarter on touchdowns by Eddie Hedges on a 4-yard drive, followed by a TD by Guy Hufstetler from three yards out. Hufstetler kicked the second conversion.

New Home fans were thrilled when, on the second play after the kickoff, QB Randy Unfred tossed a pass to HB Kenneth McClung, who raced 70 yards for the Leopards lone score. Larry Hardwick scored for Amherst in the second period, and Hufstetler closed out the scoring in the final period with a TD. Hardwick ran the first conversion.

Coach Maurice Warren has a bunch of young boys this year, not a senior on the squad, and prospects for a winning team are a little dim. However, fans were encouraged by Friday night's showing, although fumbles and pass interceptions hurt the New Home cause.

Mr. and Mrs. Carl Williams, accompanied by Mr. and Mrs. Bobby Williams and John of Seagraves, spent last week end on a short vacation trip to the mountains near Las Vegas, N. M.

Leighton Knox, Wayne Hufstetler, Joe Draper, and Jack Fenton are trout fishing on the Rio Grande near Taos, N. M., this week.

scoring drive. Chapa, Coburn, and Harvick gained consistently in moving the ball downfield on four first downs to the Crosbyton 18. Reed went for 9 and then for 15 to the Chief 3-yard line, and Coburn went off right tackle to score. Conversion failed.

After the kick-off, Tahoka blocked a Chief punt for a 11 yard loss on the Chief 38, but two plays lost six, a pass was incomplete, and the Bulldogs' only pass completion, Chapa to Wells on the 34 was not enough, and Crosbyton took over.

Two plays later, Flournoy got away around right end for 59 yards, being caught and hauled down by Reed and Tomlinson on the Tahoka 7. On the next play, Robinson went off right tackle seven yards to score. Conversion failed.

Tahoka had one more chance with 1:32 on the scoreboard clock but couldn't move. Stanley Renfro ran the last series at quarterback.

Other Tahoka boys seeing action, some of whom looked very good on defense, included Jesse Limon, Eddie Howard, Mike Davis, Jack Edwards, Larry Jolly, Dean Hamilton, James Moffitt, Jack Jaquess, Mike Curry, Milton Edwards, Cliff Thomas, Robert Adams, Tommy Kidwell, Dennis Clem, and possibly others.

Although discouraged, the coaches and players are out this week working on weak points and polishing up the offense for the Slaton Tigers there this Friday, and declare they are going to win some ball games.

Bands Perform

Crosbyton and Tahoka band put on a colorful halftime show. Fans declare this year's 60-piece marching band is rapidly shaping into the best band the school has had in many years.

The crowd was one of the largest at a game here in recent years.

workpower TRUCKS FOR '65!

More models, more engines, more Chevy workpower!

The long strong line of Chevy trucks for '65 is rolling in with miles of new working equipment. Like that handsome Fireside pickup that leads the pack . . . one of the 18 pickup models in the line this year.

Further along, you'll find economical Chevy-Vans, a wide selection of walk-in vans, a bigger choice of big trucks, more job-tailored components—trucks built to fit your business and budget. And under those hoods you'll find the best in 4- and 6-cylinder, V8 and diesel power, 18 tough truck engines in all including 4 new lower cost diesels. Here's the huskiest bunch of haulers that ever came looking for work!

Our word for all this is **workpower**. That's the stuff that makes a truck a real truck. A hard-nosed money-saver. Yes, workpower's here and Chevy's got it, in such a variety of types and sizes that picking the best truck for your job will be easier than it's ever been before. Tahoka FHA Holds Daddy Date Night

Tahoka Future Homemakers Tuesday night entertained members' fathers at the annual "Daddy Date Night" with an ice cream and cake supper in the school cafeteria.

The "Blisters Sisters," Jean Flippin and Maria Bray, entertained the crowd with a musical skit of fun and foolishness to the delight of the crowd. Jackie Burnett was in charge of the program.

Rhonda Littlepage, FHA president, presided, welcomed dads and guests, and presented the honored FHA dad sponsors, Walthal Littlepage, Welch Flippin, Bob Connolly, and A. M. Bray.

Gilbert Gandy was given special recognition as this is the 12th and last "Daddy Date Night" he has attended with his three daughters.

Stella Howie gave the invocation and Janis Bairrington the benediction.

Pythian Sisters Honor Past Chiefs

Fraternal corsages were pinned on 15 past chiefs and three charter members at a meeting of Pythian Sisters, Lynn Temple No. 45 Tuesday evening at the WOW Hall.

Most Excellent Chief Elsie D. Brooks presided when 30 members attended. Hostesses were the Temple officers.

On Sept. 29 the group will hold a pot luck supper. Each member is asked to bring a wrapped gift for the white elephant sale. The next regular meeting on Oct. 6 at 7:30 p. m. will be "Founder's Day." On Oct. 30 initiation will be held, according to Mrs. Lucy Brice.

Party Planned For Mrs. Bill Lumsden

T-Bar Duplicate Bridge Club will honor Mrs. Wm. G. (Wanda) Lumsden of Wilson at a special bridge party on Tuesday, Sept. 23, at the country club. Mrs. Lumsden received her Life Master rating several weeks ago, the ultimate goal of top bridge players.

Next Tuesday is master point night at the club.

Winners in play Tuesday night of this week were: Mrs. Jess Gurley and Mrs. D. W. Gagnat, first; John Wells and Mrs. W. C. Wharton, second; Mrs. Olen Renfro and Mrs. Frank Hill, third; Miss Echo Milliken and Mrs. Larry Hagood, fourth.

Guest Speaker At Young Homemakers

The state and area vice presidents of Young Homemakers met with the Tahoka Chapter Monday night in the Lyntegar building.

Mrs. Faye Newsom of Terry county, the Texas vice president, spoke to the group on organization and management of a chapter of Young Homemakers. Mrs. Peggy Bingham of Brownfield, the area vice president, and Mrs. Bobby Cowdrey of Post, area reporter-historian, also attended the event, along with members from the Post chapter.

The FHA members in Tahoka provided baby sitters for the members.

The local chapter will hold its next meeting on the second Monday night in October, according to the reporter, Mrs. Nancy Williams.

Miss Marie Potts Married Saturday To "Bud" Miller

Miss Ruth Marie Potts, daughter of Mr. and Mrs. James W. Potts and Charles W. "Bud" Miller, son of O. J. Miller of Lamar, Colorado, repeated wedding vows Saturday evening, September 12, at 7:00 p. m. in Sweet Street Baptist Church, Tahoka, with the Rev. Phillip Goodrum officiating at the double ring ceremony.

The bride, given in marriage by her father, was wearing a white sheath dress of embossed brocade, with elbow length sleeves, and crushed top-gloves. A wedding ring headpiece of pearls and royal crystals holding a mid-shoulder length veil of silk illusion adorned her head. The bridal bouquet was a white orchid, atop a white lace-covered Bible, with streamers of white stephanotis and ribbon.

Matron of honor, Mrs. Phyllis Fife, was dressed in a royal blue empire style, with short jacket, and matching shoes. Her short veil of silk illusion was adorned with hand made roses of self-fabric. She wore short white gloves, and her bouquet was tiny pink roses with streamers of blue ribbon.

S. B. Collins of Lubbock served as best man.

The simply decorated altar was flanked by baskets of white gladioli.

For a wedding trip to Austin and San Antonio, the bride wore her wedding dress, with matching jacket, and a pill box hat encrusted with sequins. The orchid from her bouquet completed the outfit.

The bride is a graduate of Tahoka High School, and attended Draughon's Business College in Lubbock. The bridegroom is employed as a construction analyst at the Veterans Administration Building.

The couple will make their home at 4405 28th St., Lubbock.

Cotton is grown in 18 states.

New Home Club Elects Officers

"What has been done and what is being done at the present time through the local H.D. Club?" was the question asked of members attending the New Home H. D. Club meeting on Thursday, Sept. 10.

The attendance and membership of the New Home Club have steadily declined the past few years, and members state that if the club is to continue, it must have the support of the women of the community.

The organization is basically a service organization and many other activities are for personal enjoyment. The New Home Club sponsors the local 4-H Club for girls, the Cub Scout troops, prepares and serves meals once each month for the Civic Club, sends a money gift monthly to the Special School in Tahoka, contributes to the State Scholarship Fund for a college student, serves at and contributes food to sell at the county Stock Show, aids in purchasing eye glasses for needy children, sponsors the local Cancer Fund Drive, and many others.

At the meeting new officers for the year were elected and include Mrs. Wayne Tekell, president; Mrs. Bill Ueckert, vice president; Mrs. David Airhart, secretary; Mrs. Leland White, treasurer; Mrs. J. B. Edwards, reporter; Mrs. Jimmie Kieth, council delegate; Mrs. C. T. Louder, alternate; Mrs. Leland White, THDA chairman.

Following the business session, HD Agent Mrs. Billie Carr showed a film on air conditioning, its types, advantages, costs, etc.

Hostesses were Mrs. David Airhart and Mrs. J. B. Edwards. Attending were Meses. Wilmer Smith, Wayne Tekell, Bill Ueckert, L. M. Moore, Jr., G. B. Mayfield, Leland White and C. T. Louder. Mrs. Harold Crooks was a visitor.

The next meeting will be held on Oct. 8 at the Club House in New Home. Everyone is invited.

Dr. and Mrs. A. B. Gattis and children of Frederick, Okla. were here over the Labor Day week end visiting his mother, Mrs. I. I. Gattis, and other relatives.

Cafeteria Menus For Next Week

Strange Animal
 Much excitement was in store for the Melugin children upon their return from school Thursday to find a strange animal caged, after being caught by their dad, Lynda and Troy had to guess what kind of animal it was because it was their first time to ever see a prairie dog, and this one is so large. Perhaps, it is someone's pet, or maybe the drouth has even brought the prairie dogs out because of thirst. Maybe we all need to be more like the little girl that brought along her umbrella, when the preacher announced that they would be praying for rain. When asked why she had the umbrella she replied, "You said we were praying for rain, didn't you?"

GRASSLAND NEWS

(Mrs. O. H. Hoover)
My, hasn't it been cool these last few days? Pity we couldn't have had some of this in the summer when it was so hot and hope we don't have any more such hot days.

H. C. Gribble had a bad accident Saturday afternoon about 3:30. He was breaking a horse for Jim Norman. The horse reared up and fell over on H. C. The saddle horn hit his leg just above his ankle and broke both bones. He is in West Texas Hospital, room 427. The doctor said he would have to wear the cast from four to six months. We all wish good luck for him.

Mrs. Hoover has been real sick with the flu. She is much better now. Jerry and Herbert came down Saturday night. Herbert stayed until late Sunday evening. Daurene and the boys, Rodney and Doyle, were visitors also Sunday afternoon.

Mrs. C. C. Jones and Mrs. Cordie Laws visited the LaVoy Nursing Home in Tahoka Friday. Mrs. Laws came home with her sister, Mrs. Jones, and spent the night.

Mrs. C. C. Jones had lunch with the Mac Richeys Thursday. Other visitors were Rev. Ira Campbell and wife and Rev. Clifford Mayo.

Mr. and Mrs. Hulan Murray and baby visited his parents, the T. J. Murrays Sunday.

Mrs. Wichers brother, Richard Whelley, stationed at the MacDill Air Force Base in Florida, has been here visiting.

Mrs. Lucy Cunningham spent the day Wednesday with Mrs. C. C. Jones.

Visitors in the Hoover home last week were Mrs. Odom, Mrs. Porterfield, Nelda Lois Murray. Mrs. C. C. Jones was an overnight guest Tuesday night.

Mrs. L. S. Turner's father, Lon Crawford, of Center, Texas has pneumonia. He is an elderly man and is very ill. Mrs. Turner's mother has been ill for some time but is doing fairly well now. We wish for both of them a speedy recovery.

Mr. and Mrs. Melton, Mr. and Mrs. Dick King and Mr. and Mrs. Darian White have returned from a trip to the South Land. They traveled in 11 states, sightseeing. They stopped in Rome, Miss. and visited their former pastor's family, the Kenneth Leach family, and also visited an uncle in Tennessee. They report a lovely trip.

Mr. and Mrs. Ralph Dean went to the Big Spring Hospital Monday to visit their niece, Cynthia Condon. She had a freak accident. She was hit on the head with a volleyball and seems to be losing the use of her legs and eyes. We hope she gets much better soon.

Griffin Speaker At Young Farmers

Cotton defoliation was the topic of the program presented by County Agent Bill Griffin to the Tahoka Chapter of Young Farmers Monday night in the Lyntegar building here.

Griffin also explained the proposed boll weevil program to the group, and Blake Lovelace of the S.C.S. showed a soil conservation film.

The chapter has planned a farm management program for this winter to be sponsored by the Ex-

tension Service. Programs from October through June will include one on the Soil Conservation Service, the high energy wintering of cattle, income tax, tractor maintenance, farm shop, irrigation and waste level, the A.S.C. program, cotton seed and care, and the F.F.A.

In addition to the above plans, the group will select a "Young Farmer of the Month" during the year, reporter Donald Williams said.

Samuel Slater in 1790 started the first U. S. cotton mill.

Southwestern Public Service Holding Open House At Giant Electric Plant

Southwestern Public Service Company's Plant X, largest of the electric company's 11 generating stations, will be the scene of an Open House on Saturday and Sunday, September 19th and 20th. Plant X is located in Lamb County, four miles south of Earth on Farm Road 1055.

Visiting hours at the \$43,000,000 plant will be from 1:00 p. m. to 5:00 p. m. each day, and area residents are invited to tour the ultra-modern facility during those hours. Refreshments will be served to visitors.

The largest single generating unit in service on Southwestern Public Service Company's system, a 21,000 kilowatt machine, has just been put in service at Plant X. The fourth unit at the plant increases the capability of the station to 487,500 kilowatts.

The turbine room at Plant X which houses the four generating units is more than 522 feet long.

Plant operators on the early morning shifts insist that the plant is now so large that the sun rises on the east side of the building five minutes earlier than it does on the west.

Plant X features a number of installations of electronic equipment which are used to make possible the most efficient and economical generation of electric power.

The plant has a central information system which provides the control room with 400 different readings from various equipment every two minutes. This information is constantly studied in order that the most efficient results can be obtained at all times.

An automatic load dispatching system is also used, which takes into account both the cost of producing the electric power and the cost of transporting it to the point of ultimate use, in order that, once again, maximum economies can be obtained.

Three times the distinction of housing what was then the largest single generating unit on Southwestern Public Service Company's system has gone to Plant X.

The original unit at the station, which went into service in 1952, was the first 50,000 kilowatt generator that the electric company installed. However, while it was still in the construction stage itself, work began on a 100,000 kilowatt machine, which went into service in 1953. The 210,000 kilowatt unit which has just gone into service makes the third "largest unit" distinction for Plant X.

Perhaps no statistic more significantly records the growth and progress of an area than the increase in the generating capability of the electric company serving a region. Certainly, only as the area it serves grows can an electric company grow.

Plant X, and Southwestern Public Service Company's 10 other major generating stations, provide

SAMMY CROWSON Wilson Backfield Ace

Wilson Winner In First Game

Wilson Mustangs of Class 4-B entertain the Sundown Roughnecks of District 3-B, who have stepped down a notch from Class A competition tonight at 8:00 p. m.

Last Friday night in its opening game, the Mustangs pleased home fans with a 26-18 victory over the Lazbuddie Longhorns.

Hard-running halfback Sammy Crowson ran for two touchdowns and two conversions, and was otherwise outstanding in the victory.

Crowson's first TD was in the first quarter when he rambled 20 yards to paydirt and then ran over the conversion. Halfback Royce Baker rumbled over another quick score from four yards out and then ran the extra points. Score, 16-0.

Crowson returned the kickoff 90 yards opening the second half for the Mustangs' third score, and then ran the conversion. Then, later, End Johnny Nava tackled the Lazbuddie quarterback in the end zone for a 2-point safety.

Lazbuddie, however, stayed in the game on a 2-yard scoring buck by Mabry, a 25-yard run by Bradshaw, and Mabry intercepted a Wilson pass and raced 35 yards for a third score. All conversion attempts failed.

Coach Doug Duncan's boys presented Wilson fans with a mild surprise, and served notice they will have to be considered again this year in the district race for the championship.

TANKERSLEYS RETURN FROM EXTENDED TRIP

Mrs. Hubert Tankersley and her mother-in-law, Mrs. C. T. Tankersley, returned home Tuesday from an extended trip.

They went to Waco, where they were joined by H. R. Tankersley and Mr. and Mrs. Roy (Pansy) Rutland, for a trip to Southwestern Missouri, where Hubert recently acquired two ranches near Carthage, and where he was transferring four loads of cattle. They were highly impressed with the ranches and scenic surroundings.

They also did a bit of sight-seeing in Arkansas, and say H. R. especially enjoyed the trip. Under treatment for a long time in the Waco Veterans Hospital, he has shown great improvement.

Young Farmers Observing Week

Next week, Sept. 20-26, is Young Farmer and Young Homemaker Week, states Donald Williams of the local organization.

The State Association of Young Farmers was formed in 1953, but before that, in the early 1940's there were several clubs such as Golden Key Club and FFA Alumni Club under sponsorship of vocational agriculture teachers, and the first state-wide Texas FFA Alumni Association was formed in 1950. State conventions of Young Farmers have been held since 1954.

Since then, the movement has grown to about 175 chapters with ten Area divisions and over 2,000 members.

The Young Homemaker organization grew out of the companion organization and is also meeting popular response among young matrons.

From the beginning, major Young Farmer emphasis has been placed on educational programs to keep abreast of new developments in the field of agriculture.

Lynn county has three chapters, Tahoka, O'Donnell, and New Home.

Guido Pabis Is Rotary Speaker

Guido Pabis from Rose, Italy, foreign student guest of Tahoka Rotary Club this summer, presented an address before the club Thursday noon of last week in which he called for more love and understanding among the peoples of the world, individually and collectively.

"We are building a new world," he declared in his opening remarks. "The past world has been ugly and filthy, and we must change this old world."

He pointed out that Americans are looked upon in Europe as leaders, and the people over there expect the best from us. In these times, our values of life seem to be falling down, he said, "and you, with your great capacities, can change it. . . . The ugly must die. We must try to be good men, not just American or Italian."

He cited the Old World where an imaginary line divides countries, such as the line between Italy and France, a line which divides disagreements and hates and nationalities, in the past represented by fears of conquest. Friendship and love and understanding, he indicated, should replace these hard feelings in the modern world.

Paraphrasing President Kennedy's statement, he said, "Don't ask what people can do for you, but what you can do for people," and place this friendship and love above private, selfish interests.

He thinks we are sometimes dogmatic in our preachments of freedom. Sometimes we put ourselves behind something we call freedom—and lose freedom in some other area. Sometimes we choose some things that are not freedom.

In closing, he said he liked the inscription on the pulpit of a Tahoka church, "Christ Above All," for Christ is love.

Harold Green was in charge of the program, and he called on Mrs. A. M. (Neely) Bray, who made a fitting introduction of the foreign visitor.

Several Rotary Anns and visiting Rotarians were present, the latter introduced by George McCracken.

For the first time of the new school year, local senior student guests were present. These were Mike Curry, introduced by Clint Walker, and Dennis Clem, introduced by Dr. Skiles Thomas.

The annual Rotary-Teacher banquet has been set for Tuesday evening, Sept. 29, at 7:30 in the school cafeteria, when Paul New, Denver City attorney, will be the speaker.

The Rotary pancake supper has been set for October 12.

President Wilton Payne called on Rotary committee chairmen to turn in the reports of plans for the year by this Thursday.

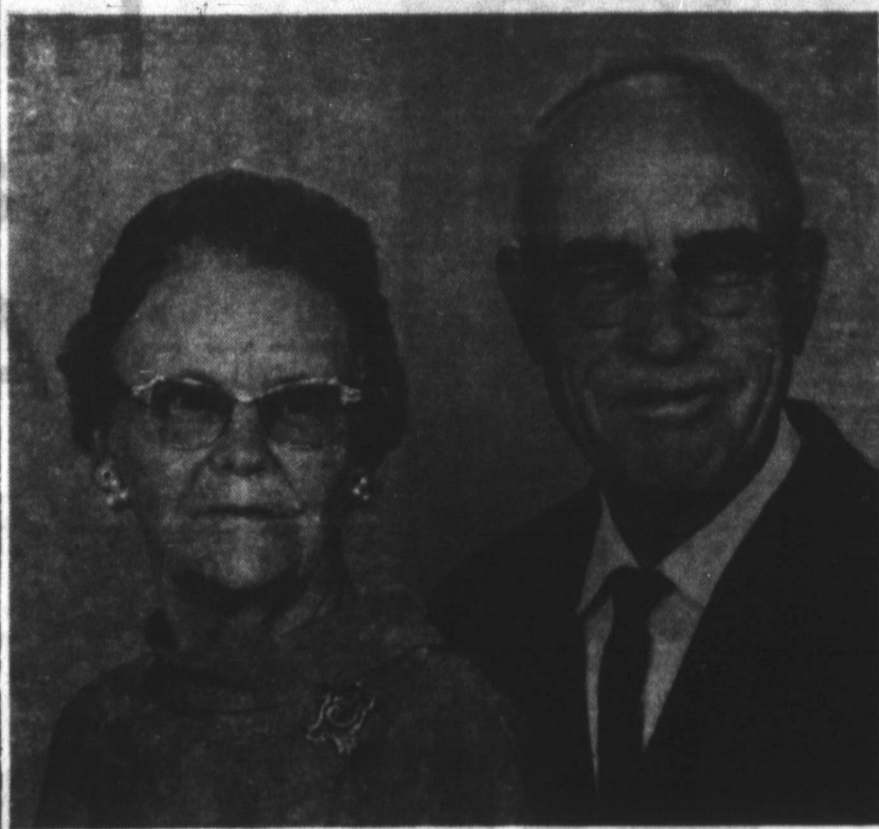

Ice Capades Set For Show At Fair

The all-new 1965 edition of Ice Capades opens its local engagement with a 3 p. m. Sunday Matinee, September 27th at the Fandangle South Plains Fair Coliseum. The limited 6 day run will close with the 5:30 p. m. performance on Friday, October 2.

Six rich production numbers grace the ice stage. "Masquerade," featuring the music of Aram Katchaturian, opens the show; there's a delightful "Kiddle Circus," and a "Salute to Cole Porter" spotlighting many of his great hit songs. The "Annapolis" honor the U. S. Naval Academy; "Viva Italia" presents a joyful Italian festival, and the musical talents of Vincent Youmans afford a "Hallelujah" finale, combining twin-surprises in stage setting and effects.

MR. AND MRS. J. W. YOUNG

Mr. and Mrs. J. W. Young Are Observing Golden Wedding Anniversary Sunday

Mr. and Mrs. J. W. Young, residents of Lynn county 47 years, will be honored on their Golden Wedding anniversary by their children and friends at the family home a mile north and a half mile east of Central Church, route 2, Post. All friends are invited to the open house Sunday, Sept. 20, from 2:00 to 5:30 p. m.

Jurd W. Young, born in Atascosa county, and Artie Frances McKay, born in Hamilton county, had come with their parents to Fisher county in 1904 and 1906, respectively. There they met and were married on Sept. 20, 1914 near Rotan at a preacher's house with his brother and wife as witnesses.

Mrs. Young was the oldest of 14 children. She was the first of 11 girls, and says people felt sorry for "poor little Artie—ten sisters and no brothers," but then three brothers came along, one now deceased. Mr. Young had five brothers and three sisters, all now deceased but one brother, B. E. Young of Lubbock.

The couple farmed up north of Rotan, in Stonewall county, a couple of years, before moving to eastern Lynn county, where he bought 180 acres of C. W. Post land. His father and brother had preceded them to the Post lands, and J. W. just stumbled on this choice quarter section that was left and made the down payment on it.

They moved to the land Dec. 12, 1916, bringing the household goods in a wagon and a Model T Ford.

Mr. Young recalls that Post, the cereal manufacturer and developer of Post City and the Post land program, sold him the land at \$22.50 an acre, plus \$900.00 for the improvements, which included the house and barn, and interest on the notes was 4 percent.

But, they got here just as the 1917-1918 drouth hit, and never paid a cent on the land until 1921. There were all kinds of hardships, but they managed to weather them all. A storm blew down their windmill. There was no money for fuel, but R. L. Craig went up to "11 Sections" north of there and hauled in some cow chips. At various times there fuel

has been cow chips, mesquite grubs, maize, corn, cottonseed, coal oil, and butane. They also had to fight grasshoppers and leafworms.

Then, came the depression. Surman had the diphtheria in 1931 and William the typhoid fever in 1934. Mrs. Young was also seriously ill, and had to go to old Post Hospital.

They sold off part of the land, and now have 83 acres of fine irrigated soil. They still live in the same house, remodeled and modernized. When they came grass was almost knee high.

Both were baptized into Grassland Church of Christ in 1920, and in the early days they recall services were held in various homes of the neighborhood.

Both have been in the hospital this year. She was hospitalized in March, and he underwent surgery on July 4.

But the land and the community have been good to them, they say, and they wouldn't trade their life in Lynn county for life anywhere.

O'Donnell Holds Farming School

O'Donnell Young Farmers and Young Homemakers Friday night completed a four-day short course on farm management.

The course was taught by Carl G. Anderson Jr., farm management specialist with the Vocational Agriculture division of the Texas Education Agency and the Department of Agricultural Economics at Texas A&M University, where he is headquartered.

Anderson holds two college degrees in Agricultural Economics, a B. S. degree from Texas A&M and an M. S. from LSU. He conducted research in the field of farm management at LSU in addition to college work.

The four day session covered investment credits, problems in Social Security, distribution of one's estate with or without a will, why a person should make a will, the importance of good records, computing costs of loans, methods of handling depreciation, capital gains and losses, and estimating machinery ownership costs.

Hulan Harris, FFA and Young Farmers Area II supervisor, visited the Young Farmer Chapter and sat in on the session Wednesday night.

Members receiving certificates of completion follow: Messrs. Mesdames Freddie James, Bubs Allen, Buster Snellgrove, Jack Minter, David Franklin, Harold Sanders, Jim Burkett, Gerald Barton, and Mr. Kenneth Williams, Mr. Harold Hohn; Mrs. Warren Smith, Young Homemakers sponsor; James Reed, Young Farmers sponsor.

Following completion of the course Friday night, a watermelon and "forty-two" part was enjoyed by the members.

According to one scientist, the human brain could store about 50 times more information than is contained in the 5,000 volumes of the Library of Congress.

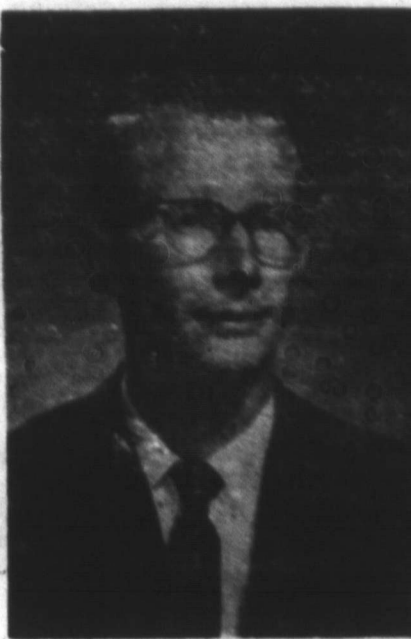

Cotton is grown in 18 states.

Happy Smiths Are Home From Hospital

Postmaster and Mrs. Happy Smith returned home last Thursday from Houston, where she has been under treatment in a hospital. Mr. Smith reports she is feeling much better, and they are encouraged as a result of the new treatment she is under.

Their daughter and husband, Mr. and Mrs. Carey (Susie) Friby of Fort Worth, returned home with them for a visit.

Another daughter, Mrs. Reuel (Pat) Casey of Lubbock, who was seriously injured in a car wreck in that city more than a month ago, is reported improving.

Mrs. W. P. Thomas, Newman Bartley, and John Slover were among the dozen or so who said they enjoyed our tales of our barefoot boy days. Mrs. Thomas said they remind her of girlhood days in deep East Texas, and recalled the time she and her sister climbed a sweet gum tree, got afraid they couldn't get back down, and her sister prayed long and earnestly for God to help them out of their predicament. Newman promised to write some of his childhood experiences, and John said he liked the old-time stories a lot better than our politics.

We could tell a lot more of a brush-arbor camp meeting at old Moffat on the Leon River... wading in the cool water of Cedar Creek... gathering water cress for salad at the springs in Belton... the old Darkies singing Spirituals "in a weaving way"... sorghum molasses... making time... the steam engine thresher days... making "airplanes" from bumblebees tied to a thread... the Sunday afternoon sport of riding yearlings... twisting rabbits, hunting possums and coons... hunting bee swarms in the hollow of a tree somewhere out in the woods... Sunday afternoon baptizings at Seal's Creek near Roscoe... week-end roamings in the "breaks"... rabbit drives and coyote hunts... waiting at the fire station to see the prancing and excited fire horses run to their places and pull away the fire-engine belching smoke... the magic lantern shows and the first movies... and the medicine shows, circuses, and other traveling shows... these things may recall fond memories to some of you from the not-so-good "good old days." But, we sorter feel sorry for today's kids when we hear one say "there's nothing to do."

At school, we practiced football at noon and during the recesses. After school, we ran home, then to the office to work until nearly dark. Before and after, there were chores to do such as feeding and watering the stock, cutting stove wood, and working in the garden. In season, there was also cotton picking and cotton chopping, and we walked from town to wherever we could get a job, near town or four miles away—and, believe it or not, we sorter enjoyed some of this work, although we wouldn't admit it then.

Well here's another of those tales. Down on the line of Bell and Coryell there were a few wild turkeys. Winfred Grimes and The Printer went turkey hunting with a single shot 22, over near Bland, across the river, in the country Vester Botkin and T. I. Tippit know so well, near where Winfred's Grandpa and Grandmas Grimes lived. The Printer took dead-eye on a gobbler roosting in a tree and accidentally killed him. We took the bird home, Aunt Sudie Grimes cooked him and invited Uncle Earnest Grimes' parents over for Sunday turkey dinner. We were hardly seated at the table when Grandma Grimes remarked, "My old gobbler hasn't shown up the past two days." We knew right then where that old gobbler was but judiciously held our tongue.

Prayer should never be taken out of the schools. That's the only way some of us got through.

Win, lose or draw, we're going to stay with our Bulldogs. We hope you will, too. In fact of football losses, Tahoka crowds turn out in remarkable numbers. Our encouragement is bound to be of some help to the boys; after being on the bottom so long. Let's do our part to help them get off the floor.

Our attention is called to the fact that George Bush, U. S. Senate candidate as a Republican nominee, also stopped at Wilson, and Sam Kinch of the Star Telegram reported he stopped at West Point, the first time any candidate for state office ever gave this community the honor of stopping there to campaign.

September 17-23 is Constitution Week, and Daughters of the American Revolution request that all good citizens take a new look at our Constitution by re-reading the document—in the light of so many trends by Government to go around, or place new interpretation on, the principles it outlines which have made our country the greatest on earth.

The DAR points to our great proponents of liberty and freedom—Pat Henry, who first voiced the idea of liberty; Thomas Jefferson, who wrote the Preamble; George Washington, who with his revolutionary soldiers secured its future after signing by the Constitution writers; and those who later gave us the Bill of Rights. Maybe many of us need to re-evaluate our thinking on many problems facing our country today in regard to these principles expounded by great men who had more concern for freedom than for getting votes at the polls.

Borden Davis got this letter from a customer to whom he had sent a "dun":

Dear Fren—I bot a lown moore from you bak sum time a go. U sed ur silf i kud pay fer it iny wa i wanted to. Wel its lik this: Sumer is gone, fall has fell, an i realy dont need that lown moore iny moore. i jest thot i mite make a doun pament now an if it luku like i mite need it nex spring, i wul try to make sum moor. Amount enclosed. Urs trooly (No name). P. S.—Appli amt. tu akount. (One penny was enclosed.)

Some subscribers get mad if you stop the paper without sending them a notice. Others get mad if you send them one and call it a dun. And still a few get angry if you stop it when the time is out. What is a paper man to do?—Moody Courier.

Too many of our leaders today will sell-out convictions and principles for votes and position and power. Too many are blinded by political ambition.

Some people would rather have glory, prestige and power than respect, integrity and position as good citizens.

In the North a man by the name of Shave married a woman by the name of Close. This could be determined a Close Shave.—Moody Courier.

In northern Georgia, a tourist stopped to ask directions. "Which road do I take to get to Atlanta?" "You a Yankee?" "Yes, I'm from Massachusetts." "Well, you found Atlanta in 1864," was the gruff reply. "Let's see if you can find it again."

LEMOND SERIOUSLY ILL
Grady LeMond, member of a pioneer Lynn county family, remains seriously ill in a Lovington, N. M., Hospital. He has been in serious condition many weeks.

DID YOU KNOW—
When calling a doctor at his office, clinic or hospital, it is proper and polite to give the receptionist your name and the nature of your business, unless it is of a delicate nature. The receptionist or the doctor's aide will know more about appointments and the doctor's schedule than the doctor himself. She may be able to get a patient in and ready for treatment or examination before the doctor is free to talk on a telephone. If you have an emergency tell the aide. She will help the doctor get to your patient despite a heavy schedule or appointments. The same approach works well when trying to contact other professional people, ministers, lawyers, etc.

Letters From News Readers—

(The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.)

Editor, The News:

I enjoyed your article regarding early days. Do some more, but don't let anyone tell you not to say what you think about our sell-out to Socialist powers. We have no "Democrat"—a lost word. Some folks want to have their opinions, but don't allow yours. There's fallacy in saying the old Texas and Southern traditions are lost.

But we have no Democrat or Republican parties any more. You are either a Liberal Left or a Conservative Right. Some people worry so much about the Rightist move, and forget to worry about the Leftist leaning, but there are good people in both so-called parties.

Russians worry about the Rightist movement, also, but they have been getting what they want the past 30 years. Our Leftist form of government that we have now, Socialism, is a half-brother of Communism, and it may take 10 years or less for us to be under Godless Communism if we don't wake up.

Our noted traitor sold Texas and the South out for a mess of pottage. This infamy should be repudiated. And, we have a foot-kissing Congress to pass anything a dictator wants and vote a Poverty bill. Of course, a several-time millionaire's heart would bleed for the poverty of people.

The Negro race deserve their rights, in the right way. But let them earn their way like the white

Pat Hammonds Is LCC Hostess

Lubbock (Sp.)—Pat Hammonds of Tahoka has been appointed by Dr. F. W. Mattox, president of Lubbock Christian College, to serve on the official LCC Hostess staff.

Other members are Judy Rhodes, Canyon; Jan Adams, Roswell; Sandra Scott, Muleshoe; Chlo Johnson, Lubbock; Kathy Kromer, Adrian; Molly Vickers, Lubbock; Peggy Horner, Skellytown; Emily Young, Los Angeles; Sue Johnson, Quanah; and Linda Ross, Wilson.

The hostesses will help with official functions of the school. They will serve at teas, help greet important guests arriving on campus, etc. Their main job is to make people feel comfortable and welcome while visiting LCC.

Their first official function will be to conduct tours through the new wing of Katie Rogers Hall, women's dormitory, during open house Saturday, September 12. They will also serve the guests with refreshments.

Dr. Mattox explained that the members of this new organization must be poised, charming and representative of the ideals of LCC.

man does, and let's not try to degrade the white man to achieve this purpose. The white man made this country what it is. What would it have been under different conditions and circumstances?

Government by force is like the carpet bag rule. With our gestapo at Washington aimed entirely at the South, scars will be left for 100 years, like after the Civil War. The powers in office now have aided and abetted the riots, with assistance of so-called church people, and condoned mob rule and destruction caused by such.

Our wonder boy, Bobby, said the Communists do not present any trouble, but they have been behind all this Negro trouble and everything else. He proved his assertion by not prosecuting any Communist, and if he had, the so-called courts would have released all offenders.

Communist influence was behind the decision against saying the Lord's Prayer. Next move will be to take "In God We Trust" off the inflated money, if it can be printed fast enough.

The bubble will break—can't go on like this. 1929 will look like a child to what will happen.

The Government spent \$150 million to put Meredith in Mississippi school by 15,000 to 20,000 troops at taxpayers' money. With Communist influence in State Department, Supreme Court, and other Government agencies, these Communists have a ringside seat seeing us go bankrupt.

Selling out to the Russians in a lot of ways the past 30 years has been aiding Communism all along—like we aided Japan in selling them scrap iron, and the boys appreciated this when it was shot back at them. Washington is asleep now just like before Pearl Harbor days. There was the sell-out in Berlin and Cuba—no Monroe Doctrine anymore—only appeasement policy like Chamberlain's to the Germans.

In selling wheat and other supplies to the Russians to help them war against us, we are helping them out fast by bankrupting our economy. Vultures sell their own country out for money.

Let all vote like they want to, which is our privilege and right, but I can't be a party to Socialism that eventually leads to Communism by vote or influence.

MRS. CLARA HARRIS IS HONORED AT HOSPITAL

Mrs. W. M. (Clara) Harris, who lives at 8th Division, Room 8, Baptist Memorial Hospital in San Angelo, writes that she was signally honored recently at the hospital.

"We had a banquet here Monday night," she writes. "They rolled me out there and introduced me as the little Candy Girls' mother. They voted to have me for their mother. This was the first time it has been. They pinned a beautiful corsage on me. There were 17 girls who got caps that night, three in Division Five."

From all indications, wind erosion will be a serious problem in the area this year. The drought has not only caused wide-spread crop failure, but in many instances has left the land bare of adequate vegetation as well.

In order to prevent heavy soil loss, many farmers will drill cover crops for soil protection. Rye or other small grain is well suited for this purpose.

The advantages of a growing cover are many. In addition to erosion control, they enable the soil to absorb rainfall more easily; the roots form channels through which water is taken into the soil. At the same time, the force of raindrops is broken up, thereby preventing damage to the surface structure. Another important benefit of cover crops is the reduction in the evaporation of soil

moisture. Drying caused by wind is greatly reduced when a protective cover is used.

In addition, cover crops return organic material to the soil. Organic residues, of course, are important in storing nitrogen and improving the soil's physical condition. Poor root development is associated with a lack of organic material. Moreover, organic material provides the soil with greater water holding capacity.

Small grains are normally drilled in August or September at the rate of about 40 pounds per acre. Of course, the critical factor at the present is getting rain. But, generally, we can expect rain in September and if that holds true

this year cover crops could be used very effectively in combatting wind erosion.

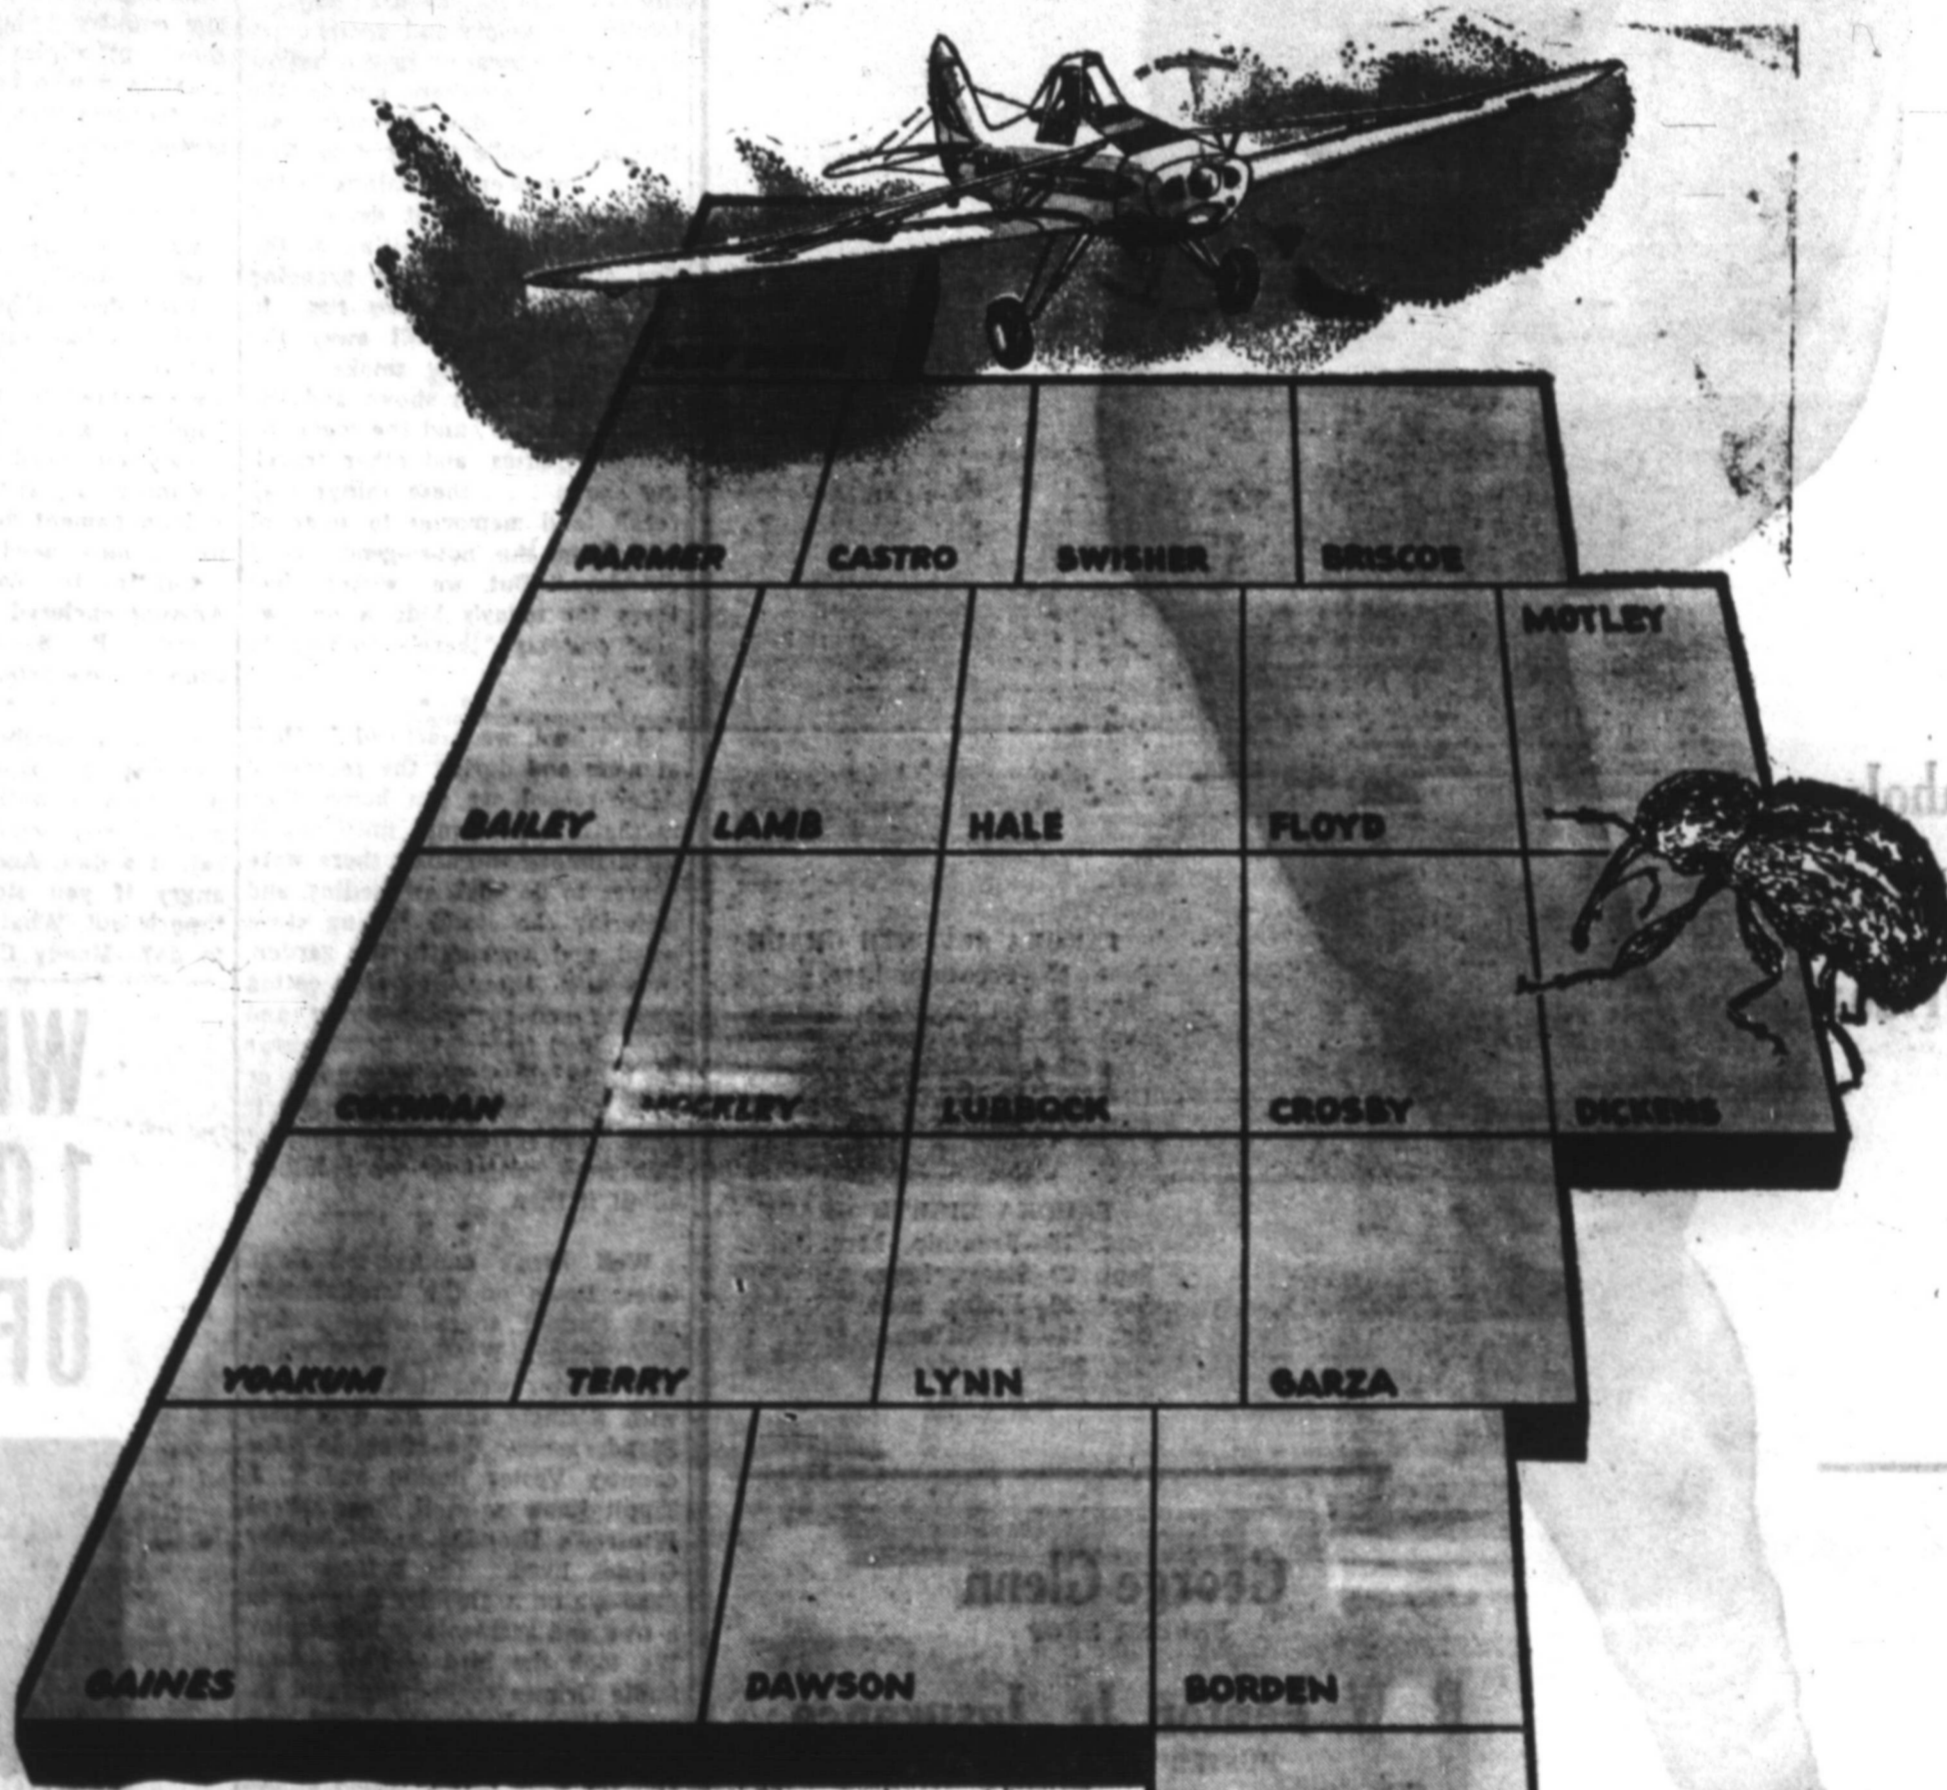

CARD OF THANKS

We are deeply grateful for the many kind expressions of sympathy, flowers, calls, visits, cards, and other kindnesses during the long illness and on the passing of our beloved one. May the Lord bless each of you, is our prayer.—The Family of Mrs. W. A. (Hattie) Yates.

A great drought lasting from 1276 to 1299 A. D. forced the ancestors of the Pueblo Indians to leave their homes on the plateaus and cliffs and settle in the river valleys.

JOIN THE BATTLE OF THE BOLL WEEVIL!

We urge every person, directly or indirectly connected with the cotton industry, to help wage war on the boll weevil. Widespread infestation of the area would produce an economic disaster that is frightening . . . yes, FRIGHTENING! The economic base of our High Plains area could be eaten away by the boll weevil. High Plains bankers urge YOUR support of the Diapause Control Program to protect your income and that of every High Plains resident. JOIN THE BATTLE.

- THE ENEMY** — BOLL WEEVILS . . . Invading the High Plains . . . If they succeed will cost about \$30.00 per acre, every year, for control . . . Millions more in lost yields and quality, plus reduced value of investments.
