## United Fund Is Planning Drive

The stage is set for this town's first United Fund Drive which will get underway this month, according to Dr. Gerald Wood, chairman of the Tahoka UF. A coffee will kick off the drive on the morning of Monday, Oct. 19, in the City-Legion building. Binie White will direct drive operations here for a united campaign for four organizations, the Salvation Army, Red Cross, Boy Scouts and Girl Scouts. John Wells is public relations chairman. Over the past few years about \$5,775 has been collected for the four organizations. This will be one effort to secure funds for all four of the cooperating bodies.

In addition to the Boy Scouts and Girl Scouts, which will use their share to support the district and local agencies, the Red Cross and Salvation Army are both organizations that help in the time of emergencies, such as the needs arising in Tahoka at the time of the tornado during the 1950's. The Tahoka area has always been strong contributors to the drives of all four, and residents are reminded when making their donations that they will be contacted only one time, instead of in various drives.

## Mrs. Richardson Is Heart Victim

Funeral services for Mrs. R. L. (Mattie Eulalia) Richardson, 73, were held at 2:00 p. m. Tuesday in the Tahoka Church of Christ with Ralph Beattie, minister, and Garnie Atkisson of Lubbock officiating. Mrs. Richardson, a resident of Tahoka for 43 years, died at her home at about 11:00 a. m. Sunday following a heart attack. She had been in ill health for several years.

Burial was in Tahoka Cemetery under direction of Parsons Funeral Home in Olton. Mrs. Richardson was born May 20, 1894 and came to Tahoka in 1921. She began teaching music at the age of 15 and taught here until this year. She had been a member of the Church of Christ since 1914, was a member of the Rebekah Lodge, Pythian Sisters and VFW Auxiliary. She and Mr. Richardson, who died in 1961, were in business in Tahoka for many years. Survivors include one daughter, Mrs. LaVoye Parker of Brownfield; two grandchildren, Doyle and Janet Dea, both of Brownfield; one sister, Mrs. George M. Barnard of Cross Plains; and one brother, O. H. Gattis of Cross Plains. Nephews served as pallbearers.

## New Home Club Elects Officers

Officers were elected at a meeting of the board of directors of New Home Civic Club Monday night and plans are underway to increase membership of the organization. Don Smith was named president; A. B. Norman, Jr., vice president and program chairman; Willie A. Nieman, secretary-treasurer; Joe D. Unfred, reporter; Leland White, tall twister; and members of the board, John Edwards, Lt. H. Moore, Jr. and Milton Evans.

"Be a Part of a Better Community—Be Present" is the motto of the Civic Club and the board is planning for a better year than in several. The club expects to have about 50 members and urges all ex-members to renew their membership. The board of directors state that it will try to eliminate some of the conflicts of the meeting dates.

The New Home HD Club has again voted to serve meals. Pat Patterson was a medical patient in Tahoka Hospital from Saturday through Wednesday.

## Cooking School Next Thursday

The Foods and Nutrition subcommittee of Program Building of the Texas Agricultural Extension Service is sponsoring a cooking demonstration, according to Billie Carr, Home Demonstration Agent. This program will be presented by Vivian Liner, Home Service Advisor for Southwestern Public Service Company from Lubbock in the boardroom of the Lyntegar Building on October 15, 1964 at 2:30 p. m. The public is urged to attend. There is no admission charge. Door prizes will be given and some of the food will be given away in a drawing at the conclusion of the program. The program will feature vegetable cookery as well as meat cookery. The highlight of the program will be a demonstration of party foods which can be used for the coming holiday season. The committee hopes to make this cooking demonstration an annual event. The Foods and Nutrition Committee is composed of Mrs. J. O. Allen, Chairman, Mrs. Lois Greathouse, Mrs. Leland White, and Mrs. W. C. Maeker. Some of the other projects of this committee consist of furthering the 4-H Club program and presenting Home Economics information to the non-white people of our county.

## No Ball Game Here Tonight

Tahoka Bulldogs have an open date this week and are preparing for opening of 5-A Conference season at Plains Friday night of next week at 7:30 p. m. against the Cowboys.

Wilson Mustangs play White face there tonight at 8:00 p. m. O'Donnell Eagles are idle tonight and open 5-A play next Friday at Stanton.

New Home Leopards are idle, also, and will entertain Anton a week from tonight.

Mrs. W. W. Brazil was released from Tahoka Hospital Saturday.

## Farm Bureau Is Meeting Monday

Annual meeting of Lynn County Farm Bureau will be held Monday night, Sept. 12, at 8:00 o'clock in Lyntegar building to which all 801 members and other interested persons are invited.

Students of county schools who attended the Freedom Seminar at Sam Houston State College will make talks, Ronnie L. Dulin will give a preview of activities for young people in the county for the coming year.

The work part of the meeting will follow. President T. E. Mason states, including reports on finances and election of officers, but there will be as little waste of time as possible in order to shorten the meeting.

This is the policy forming meeting at the grassroots level. Some feel this is unimportant or a waste of time, Mason says, but if all people take this attitude of disinterest, then our democratic system can fall to dictatorship.

"Lynn County Farm Bureau is not a wealthy organization. Most people understand this but a few criticize FB for lack of high polish and big ideas and bigger programs but fail to stop and look at the finances. The program is supported by \$10.00 per family in annual dues. The directors are not paid for their services, and agents work for commissions on insurance sales only. The only paid person is the office secretary. We give this background to make a point. The resolutions that will be adopted will be of the people." Everyone interested is invited to take part in the meeting. Refreshments will be served.

## Dixie Ashcraft Is Winner Of High Scholastic Honor

One senior student, Dixie Ashcraft, at Tahoka High School, has been honored for high performance on the National Merit Scholarship Qualifying Test given last spring. Principal Clifton Gardner announced this week. Each student who is endorsed by his school receives a formal Letter of Commendation signed by his principal and the president of the National Merit Scholarship Corporation. These letters are being awarded to 38,000 students throughout the country in recognition of their outstanding performance on the qualifying test. These students, along with the semi-finalists, represent about two percent of all high school seniors. Dixie is the daughter of Mrs. Mary Nell Ashcraft of Tahoka.

Gordon Arnold was released from Tahoka Hospital as a medical patient Thursday of last week. E. W. Holloway of Levelland, formerly of Redwine, remains in critical condition at his home in the Hockley county city.

Mrs. Leon Anderson was released last Friday from Tahoka Hospital, where she had been a medical patient.

Mrs. E. W. Drager was a medical patient from Thursday through Saturday in Tahoka Hospital.

## Crop Harvest Off To Slow Start, Average Killing Freeze Date Nov. 12

Average date of the first killing freeze in Tahoka has dropped one day—to November 12—according to U. S. Weather Bureau records for a 50 year period compiled by The News this week.

Rainfall and snow records, high and low temperatures, are recorded daily by the publisher of The News. Since establishment of the new Weather Bureau Agriculture Service office at Lubbock a few months ago, the local cooperative Weather Station has been making reports daily on weather.

Local weather records date back to 1913, and are complete for most years, with the exception of some gaps during the years 1915 to 1928.

Average date for the first killing frost in Tahoka has remained four days to a week later than at Lubbock, and at least one year Tahoka's first freeze was more than a month later than Lubbock's.

Following are the first killing freeze dates in Tahoka the past 11 years:

1963	28 degrees on Nov. 23
1962	32 on Nov. 17
1961	26 on Nov. 3
1960	22 on Nov. 10
1959	28 on Nov. 5
1958	29 on Nov. 18
1957	30 on Oct. 27
1956	29 on Nov. 9
1955	30 on Oct. 30
1954	29 on Oct. 31
1953	25 on Nov. 20

Billy Birdwell, 12, son of Mr. and Mrs. Ed Birdwell, underwent an appendectomy in Tahoka Hospital last Friday and was released on Sunday.

Mrs. Leon Anderson was released last Friday from Tahoka Hospital, where she had been a medical patient.

## Wilson Baptists Plan Anniversary Meeting Next Week

The First Baptist Church, Wilson, is observing the Golden Anniversary of the church, October 14-18, 1964.

Former pastors of the church are scheduled to speak each night. Friends and former members are cordially invited to all the services which will begin each night at 7:30.

On Oct. 18 albums will be distributed to members and others desiring them. The book contains a history of the church, pictures of all former pastors and leaders, and group pictures of all families in the church.

On Sunday, lunch will be served in the Educational Building of the church.

The Rev. H. F. Scott is pastor of the church.

## Demo Headquarters Are Opened Here

Lynn County Democrats this week opened a headquarters of office in the building north of Fenton Insurance Agency with Mrs. Josh (Mary) Rumbo in charge. She says her office hours are 8:00 a. m. to 5:00 p. m. daily until November 3.

Literature, stickers, and buttons are available, and Mrs. Rumb says even Republicans and Goldwater "Democrats" are invited to come in and get "converted." Free coffee, doughnuts and cake are being served.

John F. Thomas is the county Democratic chairman.

Mrs. E. W. Drager was a medical patient from Thursday through Saturday in Tahoka Hospital.

## Absentee Voting Starts Monday, October 12th

### Two Injured In Car-Train Wreck

Misses Linda Orr, 14, and Barbara Orr, 16, received injuries when the car in which they were riding collided almost head-on with a train about 6:00 p. m. Friday on Highway 380 when they were coming to town to attend a football game.

Linda received a broken leg and a severe head laceration. She is reported to be recovering nicely, however, at Methodist Hospital in Lubbock. Barbara, driver of the car, was treated at Tahoka Hospital for cuts and bruises and returned to school this week. They are the daughters of Mr. and Mrs. O. D. Orr of route 2, Tahoka.

The girls were traveling west just inside City limits and collided with the north bound train. T. N. Pickens of Slaton was the engineer.

### Mrs. Valton Harris Buried Tuesday

Mrs. Valton (Lorena Mildred) Harris, 52 year old resident of route 1, O'Donnell, died about 11:30 a. m. Sunday in Seale Clinic in Lamesa. She had been in ill health about a month.

Funeral services were held at 2:00 p. m. Tuesday in the O'Donnell Church of Christ with Don Browning of Snyder officiating. Burial was in Tahoka Cemetery under direction of White Funeral Home.

Mrs. Harris was born Dec. 2, 1911 at Ardmore, Okla. She came to Lynn county in 1930. She and Mr. Harris were married on July 9, 1933 at the Redwine community and farmed east of O'Donnell. She was a member of the O'Donnell Church of Christ.

Survivors are her husband; one daughter, Mrs. James Traylor of Lexington, Ky.; two sons, Raymond of Post and Roy of Lubbock; eight grandchildren; two sisters, Mrs. Lee Clinton of Oklahoma and Mae Wilson of McKinney; five brothers, Marion Ramsey of Happy, Fred Ramsey and Eugene Ramsey of Dallas, Albert Ramsey of Amarillo and Leonard Ramsey of Arizona.

Pallbearers were Jack Brewer, Woodrow Brewer, Joe Brewer, C. R. Bursleson, Julian Pirtle and Eli Vickers.

### Mrs. Reneau, 85, Rites Saturday

Mrs. Nannie Lou Reneau, 85, of Tahoka died at 5:30 p. m. Friday in LaVoy's Nursing home, following a long illness.

Funeral services were held at 2:00 p. m. Saturday in White Funeral Home Chapel with Rev. Aubrey White, pastor of the First Methodist Church, officiating. Burial was in Winsboro Cemetery under direction of the local funeral home.

Mrs. Reneau was a native of Vallarica, Ga. She lived in Wood county, Texas, moving to Tahoka from there. She was a member of the Methodist church.

Survivors include two daughters both of Tahoka, Mrs. W. H. Eudy and Mrs. J. M. Uzle; four sons, T. E. Reneau of Winsboro, R. T. Reneau of Dallas, Hall Reneau of Winsboro and Manell Reneau of Denton; six grandchildren and 12 great grandchildren.

Absentee voting in the general or Presidential election will become possible next Monday morning, Oct. 12, according to County Clerk C. W. Roberts. The election nation-wide is on Tuesday, November 3.

Ballots for the election are being printed by The News this week.

Of principal interest is the race for President and Vice President of the United States, three parties having nominees on the ballot for these offices and for some others. Parties having nominees are Democratic, Republican, Constitution, and there is also a write-in column.

Voters are cautioned that great care must be taken in marking ballots. In the last Presidential election in 1960, about 13 percent of Lynn county voters lost their votes when election officials threw them out because of improper marking.

Any person may vote a "split ticket" for any candidate in any column, but he must mark out all other names in other columns for the same office. If he votes a write-in of some one else, he must mark out other names for the same office as the one for which he is writing in a name.

If a straight Democratic ticket is voted all the way through, the other columns must be crossed out. The same applies to a straight Republican or Constitution party ticket.

As everyone knows, present incumbent President Lyndon B. Johnson has as his Democratic running-mate, Senator Hubert H. Humphrey for vice president; opposed by Republican nominees Sen. Barry M. Goldwater and William E. Miller; but few know that the Constitution candidates are Joseph H. Lightburn and Theodore C. Billings.

There is local interest in the bid of Republican George Bush to succeed Ralph W. Yarborough as U. S. Senator from Texas. Bill Hayes opposes Joe Pool for Congressman-at-Large; Joe Phillips is out against Congressman George Mahon; and Governor John B. Connally's Republican opponent for governor is Jack Crichton.

Three Constitutional Amendments are to be voted upon. No. 1 proposes elimination of authority to transfer up to one percent of the Permanent School Fund of Texas to help pay cost of public free schools. Proponents argue this money should be kept intact as a trust fund.

No. 2 would require public notice of intention to introduce bills creating conservation and reclamation districts.

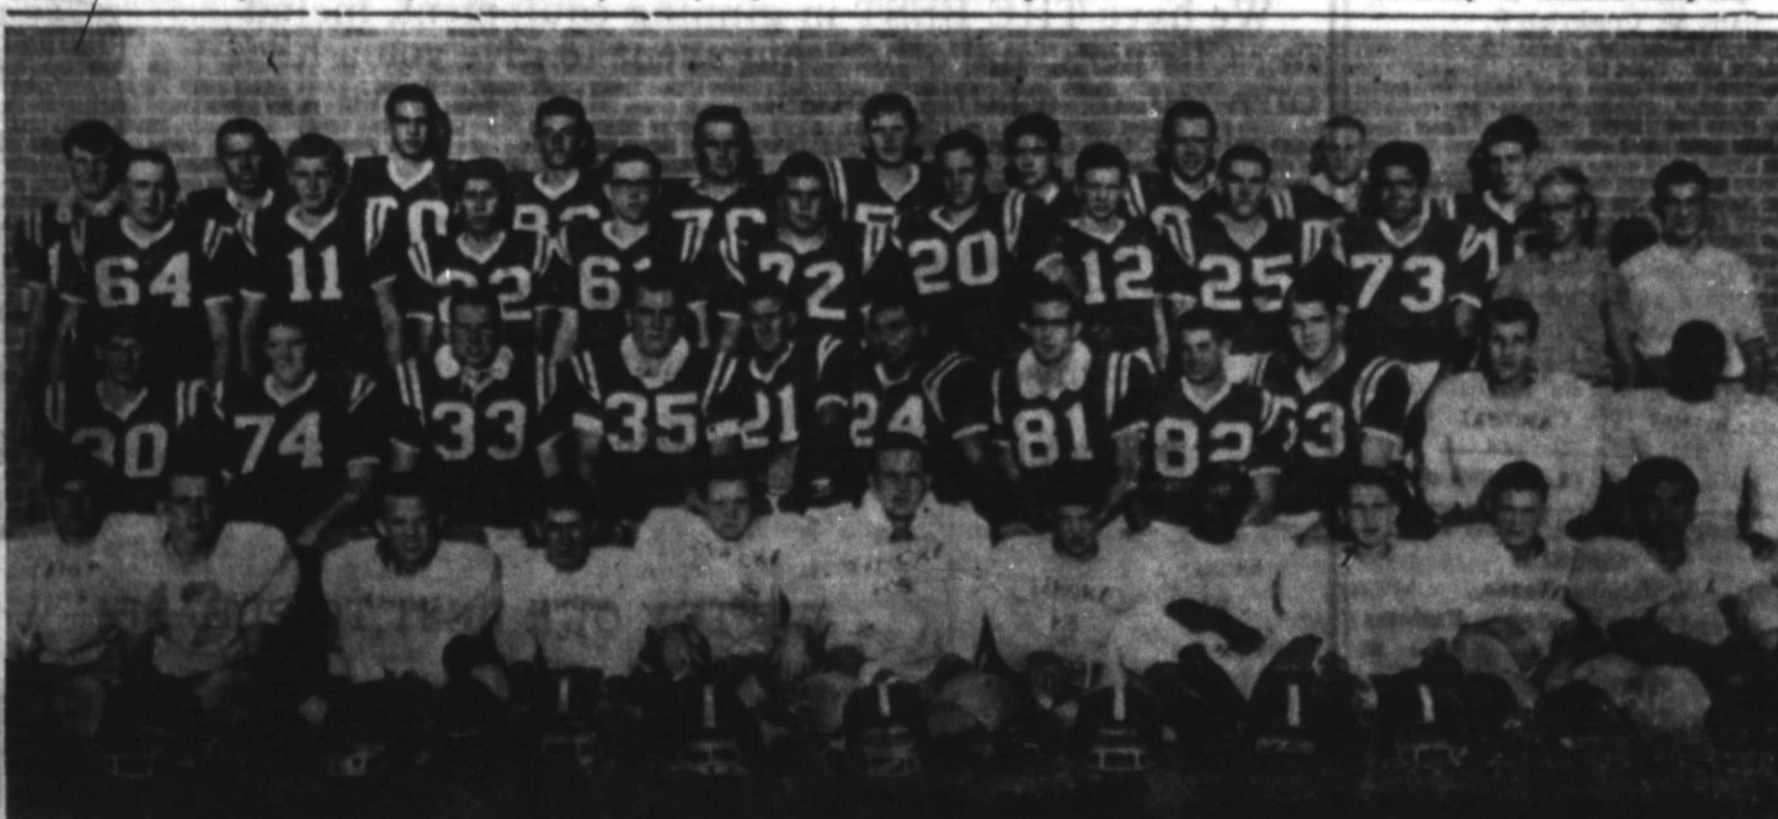

No. 3 would authorize payments for medical care on behalf of persons 65 and over, not receiving old age assistance and unable to pay for needed medical services.

### Swann Named To Soils Board

Jiggs Swann who lives and farms about six miles northwest of Wilson was elected a Soil Conservation District Supervisor of the Lynn County District Tuesday. He will represent the Wilson area as supervisor the next five year term.

Swann replaces Melvin Wuensche, his neighbor, on the Soil Conservation Board. Wuensche has served as supervisor the past five years.

The Lynn County Soil Conservation District is divided into five zones. The other members of the District Board are presently E. R. Blakney of New Home, Ward Eakin of the Tahoka zone, Boyd Barnes of Draw, and Harold Payne at Wells. The election is held in one of the zones each year. Thus it is five years between elections in any one zone.

# Bulldogs Win First Game From Frenship Tigers 12-0

Tahoka Bulldogs finally won a game Friday night to end its 5-A non-conference play by defeating the Frenship Tigers of 4-AA at Kelley Field here 12 to 0 before their moms, seated on the sidelines, to whom they dedicated the game.

In half-time ceremonies, Jackie Burnett was crowned Tahoka band queen (see story elsewhere), and following the game the kids were privileged to sing the victory ball for the first time.

The Bulldogs held the upper hand Friday night most of the way but never had the game on ice until scoring their second touchdown with 7:37 left in the fourth quarter.

Although still erratic on offense and impotent passing, the Bulldogs did run up a lot of yardage on the ground and completed two passes for 52 yards, and had a long pass called back by motion penalty.

Tahoka took the kickoff, with Tomlinson running out to the 20, couldn't move, and Harvick's punt went only two yards. Frenship hit on a 16-yard screen pass, the Bulldogs' "Jonah" all year, and two plays later Tomlinson intercepted a Frenship pass on the Tahoka one. Harvick went for 7, Tomlinson 2, then the Bulldogs fumbled and Danny Lara recovered for Frenship on the Tahoka 10.

In spite of a 5-yard penalty, Frenship moved to the Tahoka 2, drew another 5-yard set back, and made only 2 yards in four plays as the Bulldog defense was airtight.

Coburn collaborated with Tomlinson in carrying 95 yards for Tahoka's first score. In the drive, Renfro made a sensational catch and run of Harvick's pass, but the play was called back by a motion penalty, but Tomlinson immediately got away for 35 yards. With 8:21 left in the second period, Coburn, playing his best offensive game of the year, went the last four yards over right guard to score. Pass to Pierce for conversion failed.

Frenship couldn't move. QB Bob Parham got off a 48-yard punt, and two plays later Harvick hit Renfro with a 27-yard pass, Coburn made 15, Chapa 3, Coburn 18, Chapa 3, and the Bulldogs

Tahoka	Frenship
18 First downs	10
211 Net yds. rushing	98
52 Yards passing	70
7 Passes attempted	13
2 Passes complete	3
0 Had intercepted	2
1 Fumbles lost	1
2 for 17 Punts, avg. 3 for 47	3 for 47
5 for 40 Penalties	11 for 93

were knocking at Frenship's door again on the 2 yard line when penalized back to the seven for offside. On fourth down Tomlinson was stopped on the 3, Parham kicked out 43 yards.

With time running out, Tomlinson took a short pass but cut across field and raced 25 yards to the Frenship 30. Time ran out two plays later with Tahoka on the Frenship 26.

Frenship came back in the second half with a sharp running and passing game to move from its own 36 to the Tahoka 7 in four first downs, but Parham lost 10 when nailed by Coburn, and on the next play Wells intercepted Parham's pass on the 10. Three plays later 6 yards, and Davis punted 32 yards from the end zone. But after making one first down, two QB Brent O'Donnell passes were incomplete, Milton Edwards nailed O'Donnell for a 11 yard loss on fourth down.

Tahoka took over on its own 37, and Tomlinson and Coburn alternated in moving the ball at 5 to 10 yard clips in four first downs to the Frenship 8. Tahoka got a first down on the Frenship 5, and on fourth down Tomlinson went over left guard for the second score, with 7:37 left in the game Harvick failed to run over the conversion.

Frenship still had life, or Tahoka relaxed, and in spite of two long penalties, the Tigers moved on five passes for a total of 41 yards and six running plays to the Tahoka 2 yard line, the next play lost two, the next was an incomplete pass, and Mike Curry covered a Frenship fumble on the Tahoka 3, Frenship drew another 15-yard penalty, and Harvick ran out the clock.

Substitute quarterback O'Donnell was Frenship's big gun toward the end, completing passes to Carmon Turnbow, HB Van Grady and HB Lara. QB Parham turned in a few good runs, but FR Dale Cook accounted for 51 of Frenship's 98 net yards rushing.

For the Bulldogs, Tomlinson ran for 52 of Tahoka's yards plus 25 yards on a pass, and Coburn accounted for 37, all running.

Among others outstanding on defense were Rett Patterson, Dennis Clem, Jim Wells, Jesse Limon, Jack Edwards, Freddie Pierce, and James Moffitt.

## O'Donnell Eagles Have Open Date

O'Donnell Eagles dropped their fifth game Friday night to the Tigers at Slaton 20 to 6, but outplayed the Class AA boys much of the way to make the game a lot better than the score sounded.

In fact, the Eagles made 14 first downs to 13 for Slaton and were still in the ball game until late in the contest.

Slaton scored in the second quarter and one each in the third and fourth quarters. Long pass plays, a couple of fumbles, and some key Tiger runs were the difference, O'Donnell fans say.

The Eagles are idle this Friday but next Friday go to Stanton to open the 1964 District 5-A competition with the Buffaloes.

## New Home Loses New Deal Game

New Home Leopards are idle this Friday but are preparing to entertain Anton at New Home next week.

The Leopards lost a lopsided decision at New Deal 42 to 8 last Friday as the Lions' Randy Peoples ran wild to score five of the winners' six touchdowns.

Kenneth McClung ran 10 yards in the fourth quarter, then ran over the conversion for the Leopard's only score.

## B Team Game At Plains Exciting

Tahoka B team lost to Plains B there last Thursday night 32 to 20, but actually the game was very close.

Tahoka had two TD's called back on account of penalties, and Plains scored two of its touchdowns on intercepted passes. John Tyler passed for two as Chris Roberts and Dannie Goodrum led the scoring.

Chris Roberts received a slight concussion when tackled following his touchdown run and remained in Plains Hospital overnight on recommendation of Dr. Skiles Thomas.

## Hot-Shot Bowling League Results

The results of the "Hot Shot" bowling league play on Friday has been announced.

Ayer Way Cleaners won four points from Tahoka Safety Lane as Bobbie Barham rolled a 400 series and 188 high game while Joan Hamm's 415 series and 141 game were high for the Safety Lane.

McCord Motor Co. took a four point win over Cannady's Grill with Joan Curry's high game of 185 and 467 series.

Tahoka teams and girls posted on league standing now include the following:

McCord Motor Co., high team series of 1895; Ayer Way Cleaners second high team series of 1647.

Ayer Way, high team one-game of 578; McCord, second high team game of 574.

## Fire Prevention Is Stressed Here

This week, Oct. 4-10, is Fire Prevention Week and is being observed across the nation to keep the fire toll down, according to Pat Patterson, chief of Tahoka Volunteer Fire Department.

This is the 42nd anniversary of the observance, which is proclaimed each year by the President of the United States.

Patterson said that Fire Prevention week always falls in the week which includes Oct. 3, the anniversary of the Great Chicago Fire in 1871 in which 250 persons lost their lives, 17,450 buildings were destroyed, and losses totaled \$175 million.

Despite all fire safety efforts, however, Patterson said that 11,200 persons died in fires last year, thousands more were injured, and property dollar losses increased to a new high of nearly \$1.5 billion.

All persons within the reaches of the local fire department are urged to check their homes, business institutions, etc. for fire hazards.

In case of fire at home there are precautions that should be taken. Quickly get everybody out of the house and call the Tahoka Fire Department at 998-4122. Everyone in the family, including children, should know how to call the fire department.

At public gatherings—walk, do not run, to the nearest exit. Call the fire department immediately. Keep calm.

In business institutions, the National Board of Fire Underwriters says that both employee and employer have a stake in fire prevention, both in protection of property and uninterrupted employment.

## Officers Elected By GI Forum

Officers were elected by the American GI Forum at its regular meeting Tuesday night in Lytsegar directors room.

Leonard Benitez was re-elected chairman; Lino Moreno, vice chairman; Troylan Salinas, secretary; Nino Sanchez, treasurer; and Jesus Calderon, chaplain.

The GI Forum meets each first and third Tuesday night.

## Former Wilsonite Is New Club President At Grand Prairie

Emmett E. Ahrens, formerly of Wilson, Texas, was elected president of the Grand Prairie Toastmaster Club at its regular meeting on Thursday, Sept. 24. Ahrens, a 1948 graduate of Wilson High School, is the son of Mr. and Mrs. Anton Ahrens of Wilson. His wife, the former Miss Blanche Swann, is from Tahoka.

The Ahrens came to Grand Prairie in 1952. Mr. Ahrens was engaged in the local aviation industry until recently when he began to work in the area's growing real estate business. He is active in church and civic affairs. He is Sunday School Superintendent of Sunday School in St. John's United Lutheran Church of Grand Prairie.

About three years ago, he joined the Grand Prairie Toastmaster Club. Since then, he has made steady progress in the organization which promotes self improvement through more effective vocal communication. After holding most of the club's major offices, he was named to head the club for its fall and winter season.

The Ahrens live at 927 Clarice St., Grand Prairie. They have two children: Dinah Sue, 20 and Edward 16.

## Former Citizen Writes Robinsons

Mrs. Roy L. Dew, the former Norma Edwards, daughter of Mr. and Mrs. A. W. (Wilson) Edwards of Waco, has written Mrs. Hall Robinson from her home in St. Petersburg, Florida, expressing thanks for the trophy won at the Pioneer Reunion in June for the person coming the greatest distance.

She says she had a very happy time renewing old friendships, and joining in the fun. She expressed regret in not getting to visit Ethel and Hall to recall some "mischief of my childhood." She

especially enjoyed visiting Era Stewart and Bernice Roberts and other old friends.

"Do wish my parents could have been with me," she writes, "they would have loved seeing and visiting with you wonderful people, also."

R. L. WARREN BUYS REGISTERED ANGUS COWS  
R. L. Warren, Tahoka, recently purchased eight registered Angus cows from Tommy Sterling, also of Tahoka.

Mr. and Mrs. B. J. (Jake) Leddy of Lubbock, formerly of Tahoka, visited Sunday with Mrs. Joe VanDyke.

We wish we could trust all the assurances that come out of Washington. We're told in one breath we are powerful in our military build-up against the Soviets. Then, we read about the \$400 million X-30 Dynasor being scrapped, production cut back on our bomber force, Atlas missiles which cost \$3.4 billion, and the Nike-Zeus shelved which was supposed to be the anti-missile missile. We have already deactivated bases in Turkey, Greece, Italy and England. Washington assures us Russia is reducing arms production. And about this time, here comes old Krushy bragging about the development of a sensational new anti-missile missile that will now require us years and years to produce.

We read a statement the other day from Washington about how

FARM TRAILER LICENSE PLATES Are available at the below named places in Lynn county at \$5.00 per set. The law provides that all trailers operated on public highways and roads for farm purposes where the gross weight exceeds 4,000 pounds must have license tags. much better off the farmer is this year of 1964 than in the past; then, we read in Nation's Agriculture, "Price level is now at 74 percent of parity—down two points from last month and down 10 points from last year. Farm prices hit a 25-year parity low in June." Which do you believe?

Some of the things The News keeps fighting, in its very small way are: The deceptive propaganda that comes out of Washington; the slanted news of the press, radio, and TV; insincerity, double-talk, and lack of integrity and honest convictions on the part of our statesmen; admitted lies told by Government officials. Don't you think it's a little hard to teach our youth high principles when they are exposed daily to questionable principles and actions on the part of our national leaders?

Mrs. D. W. Gagnat brought us a little book she thinks every red-blooded American needs to read. We agree. It's "None Dare Call It Treason" by John Stromer, in which is documented the shocking story of our sell-out to Communism over the past 25 years. If you read this book, you can't help but cringe. The book is non-partisan but details the soft-policies of our State Department, blunders of our politicians, theories pushed by some of our educators, slanted news in the press, and leftist learnings of organized labor, ADA, etc. What can we do? We can talk Americanism. We can protest to our congressmen and senators.

We'll bet President Johnson wishes he had never said: "Baker (Bobby) is my strong right arm, the last man I see at night, the first one I see in the morning." (Speech at Rocky Botton, N. C., 1960.)

W. R. Ledbetter of Wells says a little six-year-old down at Lamasa walked around the trunk of big mulberry tree and was trying to describe to his elders the size of the tree. "It's almost as big around as mama," he said.

We think we have troubles. Then, here comes Marlin Patterson of Houston to see us. A native of Tahoka and a grandson of the late Mr. and Mrs. F. M. Sherrord, he has been blind since birth. In spite of this handicap, he pulled himself up by his own bootstraps, married, raised a family, runs his own business, built a nice home, and has acquired other property in Houston.

and girls say they can't go to college. We know a young man right now who arranged his classes three days a week at Tech and works three days a week.

The children of the late Mrs. Phebe K. Warner of Claude, "the little brown wren of the Panhandle," who wrote columns for Texas newspapers during the years 1916-1935, have come out with a book of her "Selected Editorials." Mrs. Warner was a remarkable woman who had a keen insight into the feelings and thoughts of most Texans and expressed her thoughts so well that she became widely known. Her philosophy, observations, and comments stated in these editorials 30 to 50 years ago are as delightful and refreshing today as they were when written. She visited Tahoka on occasion. The News published many of her articles, and a local study club was named in her honor back in the early 1920's. "Selected Editorials" may be secured by sending \$4.95 to The Naylor Company, P. O. Box 1838, San Antonio.

Speaking of "the good old days," we'll bet there are a lot of people who never saw an old steam thrasher engine. In this day of self-propelled combines, some never even saw a thrasher. The steam engine was nearly as big as a small locomotive, was fired by wood or coal, and caused teams to run away as it would move down the road. A belt 50 to 100 feet long extended from the tractor pulley to the pulley which ran the thrasher—because the fire had to be far away from the wheat straw, chaff, etc. The thrasher, engine, and crew moved from farm to farm in the community until the crop was harvested. Two things stand out in The Printer's mind about threshing grain. No. 1 is the weather was hot, the work was hard, the hours long, and the chaff was awful. No. 2 is the good dinners the women prepared for the crew.

In 1935, Harry Truman said, "I wouldn't be president of the United States for a million dollars"; in 1940, Laurence Dennis said, "We give the Germans two to four weeks to blitz Britain into submission;" and the Oxford Dictionary, 1942, said, "Atom—a body too small to be divided."

Mrs. Ross Smith is one of those concerned about the dangers of the Highway 380-Santa Fe crossing in Tahoka, and thinks some kind of step needs to be taken to improve the crossing situation. "The next wreck there may be one of my loved ones or one of yours," Mrs. Smith says. She cites the instance where the people of Slaton rose up in arms until the Highway Department agreed to an overpass for the intersection of US 84 and FM 400.

The Chamber of Commerce and City of Tahoka have previously sought, to no avail, a stop light or blinker at the crossing. Maybe they need a little more backing and push.

"What Tahoka High Means To Me" Subject of Essay By Local Student

As a culminating activity in an English II class which ended a unit study of the history of our school, essays were written on the subject, "What Tahoka High School Means to Me." The following was written by a sophomore student, Chloie Jan Huffaker, daughter of Mr. and Mrs. Maurice Huffaker.

Additional Fair Winners Listed

In the year 1911, when the people of Tahoka built the first high school, they must have wanted something very good for their children. Generations of students have gone to this school. Probably some of the very first students' children have gone here, and their children's children. I am sure our school has meant a great deal to them as it has to me.

Going to high school these past two years has caused me to realize how dear this school, even this building, is to me. Without this school our now and close relationships with fellow students and teachers could never have been possible. This school has taught me to appreciate people, especially teachers, and education. It has given me an opportunity to learn not only what books have to offer, but also what one can learn from people. I have gained many lessons from experience, dedicated teachers, and classmates.

For about fifty-three years students have gone to Tahoka High School. They have all yelled until they lost their voices at football games, and worried over examinations as do the students now in 1964. A dear remembrance of this school will always be in the hearts of students who have come before me and all of those who will follow. This school means much to

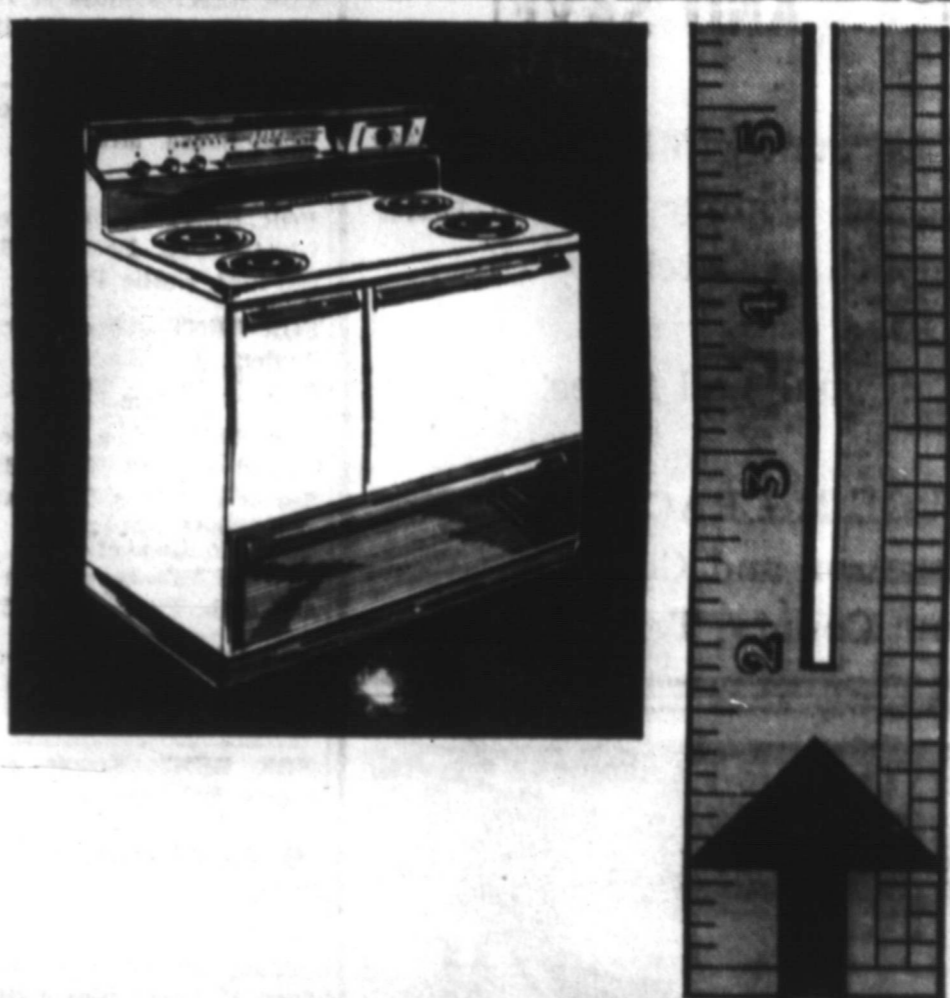

me because it is the center of my world, my life, during my youth. Yes, this school has been a symbol in our community for many years, and probably through the years the students found it difficult to pen their true feelings of what Tahoka High School meant to them—just as I have.

ELECTRIC COOKING MEASURES UP

When anything "measures up" then you know it's good. And, it's that way with electric cooking. It, too, measures up. Millions of homemakers have found this out for themselves and that's why you'll see electric cooking included in almost every new home. Women insist on it. They like its cleanliness... its ease of cooking... its everytime accurate results. Best of all they like the way the family's taste buds smile when electric cooking is the measure for every meal.

MR. AND MRS. BEN BRIEGER

## Mr. and Mrs. Ben Brieger, Wilson, Will Observe 50th Anniversary On Sunday

Friends and relatives are invited to the Golden Wedding anniversary of Mr. and Mrs. Ben Brieger of Wilson to be held at the VFW Hall in Slaton on Sunday, Oct. 11, from 3:00 to 5:00 p. m.

Hosts for the event will be the couple's children, Monroe Brieger of Slaton, Curtis and Leonard Brieger of Wilson, Mrs. Edgar Melcher of Meadow and Mrs. Carlton Schaffner of Slaton. Assisting with hospitalities will be their grandchildren.

The reception table will be laid with white net over white satin centered with an arrangement of gold chrysanthemums flanked by gold tapers in crystal holders.

The former Miss Bertha Wilke and Ben Brieger married Oct. 11, 1914 at Bishop, Texas. They made their first home at Bishop, moving to Lubbock county in 1920. In 1928 they moved to Lynn county and now live near Wilson where Mr. Brieger is a retired farmer. The couple have 26 grandchildren and two great grandchildren.

## Women Democrats Meeting Monday

The Lynn County Democratic Women will meet in the City-Legion Building in Tahoka on Monday night, Oct. 12, at 7:30 p. m.

Calloway Huffaker will be the speaker and several wives of major candidates have been invited.

Husbands of members and all interested persons are invited to attend.

A spring in Marlin, Texas, turns ordinary glass, when dipped into it, to a clear and permanent amber.

## Mrs. L. Lumsden Honored At Coffee For W.M.U. Service

The W. M. U. of First Baptist Church, Wilson, honored Mrs. L. Lumsden with a coffee Tuesday, September 29th, at 10:00 a. m.

Mrs. Lumsden was honored for her many years of service to Women's Missionary Union. She has been a member of this organization since 1926, serving as president of Brownfield Association W. M. U. for 11 years. She was president of District 9 W. M. U. for 8 years and served as vice-president of the state W. M. U. during these years.

Guests were received by Mrs. H. F. Scott, Mrs. Wm. Lumsden, and the honoree, Mrs. L. Lumsden. The program theme was "Memories". Special music was brought by Mrs. Roy Kahlich and Mrs. Jerry Don Ross, accompanied by Mrs. E. R. Petty. Guests were given opportunity to tell of experiences which they had shared with Mrs. Lumsden during her years of service to W. M. U. work. At the close of the program, Mrs. Lumsden was presented letters from many friends who were unable to attend.

Fifty-five guests attended. Out of town guests were: Mrs. E. F. Lyons, San Antonio; Mrs. W. F. Mays, Mrs. B. W. Baker, and Mrs. Lloyd McCormick all of Lubbock; Mrs. Roger Blakney, New Home; Mrs. H. D. Knight, Brownfield; Mrs. Henry Heck, Plainview; Mrs. W. H. Kenley, Mrs. R. C. Forrester, Mrs. Garland Pennington, Mrs. W. Roe, Miss Alice Fortenberry, Mrs. K. R. Durham, Mrs. J. A. Biggerstaff, all of Tahoka; Mrs. Jessie Earwood, Slaton.

## Garden Club Will Hold Workshop

A Christmas Workshop and covered dish luncheon will be held Tuesday, October 13th at 9:30 a. m. in the City-Legion Building.

The following arts will be demonstrated: Candle Making, Mrs. Calloway Huffaker; Tree Skirts and Ornaments, Mrs. W. W. Haggood; Tin Can Decorations and Lye Soap Fruits, Mrs. Roy Edwards.

Arrangements of "Our Country's Bounty" will be furnished by Mrs. Garland Pennington, Mrs. L. C. Haney, Mrs. R. M. Stewart and Mrs. K. R. Durham.

## Year's most talked-about new cars

'65 Chevrolet Impala Sport Sedan

## '65 Chevrolet Impala

It's '65's biggest, most beautiful change. There's striking new styling. New length, width and lowness. A roomier new Body by Fisher housing an interior that's a knockout. And a more serene Jet-smooth ride with a new Full Coil suspension system. Fact is, if you overlook just one thing you can easily convince yourself you're onto a big expensive car here. And that thing is its Chevrolet price.

New Corvair Corsa Sport Coupe

## '65 Corvair Corsa

There's never been anything like it from either side of the Atlantic. There's new thin-line hardtop styling for all closed models. More length and width, more entrance and shoulder room in all models. And a higher powered range of engines—with up to 190 hp available in the top-of-the-line Corsas. How sporty can a car get? Your dealer's got the Corvair that'll show you.

### Plan Christmas Mail Speed-Up

Expanded delivery services and large-scale extension of the ZIP-coded parcel post speedup are planned for Christmas. Postmaster General John A. Gronouski has advised the local Postmaster, Mr. Gronouski outlined to the Tahoka postal head, three major new steps he has taken "for the best Christmas mail service the Postal Service has ever had."

1. Expanded post office window hours Dec. 5 to 26 as deemed necessary by the local postmaster.
2. A six-day week Dec. 7-31 for parcel post deliveries.
3. Completion by Nov. 1 of Phase III of ZIP Code parcel handling at about 130 more "sectional center" post offices (strategically-located mail massing points), providing faster delivery up to 24 hours or more for parcels with ZIP Code.

In Phase I and II, approximately 75 offices with receipts of \$5 million annually and above activated faster ZIP Code sorting and dispatch by Sept. 1. The 130 in Phase III include offices with receipts of \$1 to \$5 million.

In addition, many other sectional center offices with smaller receipts will have the program in operation by early December, in time to help speed delivery of Christmas gifts mailed with the ZIP Code.

The Postmaster General told Mr. Smith the Christmas plans are part of a nation-wide program to bring postmasters into more responsible positions in postal management as "real partners in providing better mail service at all levels."

## Party Platform Farm Proposals

By special request, The News herewith publishes below quotations from both the Democratic and Republican party platforms the views on agriculture:

**Democratic**

"Our policies and programs must continue to recognize the significant role of agriculture and rural life.

"To achieve the goal of higher incomes to the farm and ranch, particularly the family-sized farm, lower prices for the consumer, and lower costs to the government, we will continue to carry forward this three-dimensional program:

"(1) Commodity programs to strengthen the farm income structure and reach the goal of parity of income in every aspect of American agriculture. We will continue to explore and develop new domestic and foreign markets for the products of our farms and ranches.

"(2) Consumer programs including expansion of the food stamp program and the school lunch and other surplus food programs, and acceleration of research into new industrial uses of farm products to assure maximum use of an abundance of wholesome foods at fair prices, here and abroad. We will also study new low-cost methods and techniques of food distribution for the benefit of our housewives to better feed their families.

"(3) Community programs and agricultural cooperatives to assure rural America decent housing, economic security, and full partnership in the building of the great society. We pledge our continued support of the Rural Telephone Administration and the Rural Electrification Administration, one of the great contributions of the Democratic party to the well-being and comfort of rural America."

**Republican**

"We pledge... development of truly voluntary commodity programs for commercial agriculture, including payments in kind out of government-owned surpluses, diversion of unneeded land to conservation uses, price supports free of political manipulation in order to stimulate and attain fair market prices, together with adequate credit facilities and continued support of farm-owned and operated cooperatives including rural electric and telephone facilities, while resisting all efforts to make the farmer dependent, for his economic survival, upon either compensatory payments by the federal government or upon the whim of the Secretary of Agriculture.

"Full cooperation of all governmental levels and private enterprise in advancing the balanced use of the nation's natural resources to provide for man's multiple needs.

"We pledge... to provide our

## WASHINGTON AND "SMALL BUSINESS"

BY C. WILSON HARDER

One of the strange phenomena of our times is the way in which anyone who bucks a going trend is portrayed.

Take for example, the impression that has been created in certain areas concerning Rep. Otto Passman of Louisiana stemming out of his long standing fight to prevent the waste of tax-payers' money on foreign give aways.

He has been often made to appear to be a somewhat belligerent, irascible whin- G. W. Harder scial character who somehow has a personal grudge against what is called foreign aid. When during the recent approval of a few more billions to give away he was outmaneuvered, certain writers seemingly expressed feeling that was the greatest strategic victory since the Normandy landing.

Yet Rep. Passman has developed and released some astounding figures. From December 31, 1952, through 1953, U. S. gold holdings dropped from over \$23 billion to slightly more than \$15 1/2 billion, a drop of \$7,654,000,000.

In the same period the other countries, excluding the Russo-China bloc, almost doubled gold holdings, going from \$13 billion to over \$24 1/2 billion.

In same period, free world foreign nations increased holdings of U. S. dollars from \$19 1/2 billion to almost \$26 billion.

On December 31, 1953, he points out, the U. S. national debt totaled \$200 billion, while the combined national debts of all the rest of the free world nations totaled \$22 billion.

This coupled with his figures that show every year since 1950, with the exception of 1951, there has been a deficit in the U. S. balance of payments position which totaled at the end of 1953 almost \$27 billion, causes wonder why such conditions continue.

Of course, the foreign aid give away boys seem somewhat confused as to the objectives of the program. While on one hand they are giving away birth control equipment all over the world, they also hand out to Nationalist China over \$15 worth of "Royal Bee" capsules, advertised as a sex rejuvenator, Rep. Clarence Brown of Ohio reports. This would seem to be working toward opposite directions.

Rep. Brown is also curious about the \$200 worth of bubble gum given to Turkey. He can not quite ascertain how bubble gum can be used to stop communist aggression.

And of course, perhaps a classic is the shipment made by the foreign aid experts with U. S. tax dollars of Metrecol. Presumably the slogan here is "help starving people get even thinner on Metrecol."

So, it gives pause to wonder over the reports that indicated that in our maneuvering Rep. Passman to get still more money voted for foreign give aways, some sort of a victory was achieved. This seems somewhat akin to people cheering loudly and madly when burglars manage to evade the police.

## New Screwworm Danger Cited

A confirmed case of screw worms has been reported from Briscoe County. Officials of the Southwest Screwworm Eradication Program say the case was found on a ranch about 20 miles north-east of Silverton. This is the first reported case of screwworms since last fall on the High Plains.

The screwworm infestation was found in the eye of an animal. At the present time, program officials say origin of the case is unknown. It is not known whether the case was in cattle brought in from another area or in cattle which had been on the ranch for some time.

Action has already been taken to find out more about the case and to get control measures underway in the area where the case was found. Sterile screwworm flies will be dropped over the infested area within 24 to 48 hours.

Close checks on your livestock is vital at this time, says Dixon Hubbard, Extension Livestock Specialist, Lubbock. Keep stock under close surveillance and call county agent Bill Griffin at once if an animal is found that is thought to be infested with screwworms. Griffin can send some of the maggots to the Screwworm Eradication Center at Mission, Texas. If they are found to be screwworms, you will be quickly notified.

Don Rummel, Area Extension Entomologist says all producers should use an approved smear or repellent on all wounds or other cut areas on any livestock. This is doubly important at this time, since screwworms migrate fast during the damp, cooler weather experienced lately.

Cottonseed oil was shown at a scientific meeting in 1788.

## Hans Irniger Wants Horned Toads For Introduction In Santiago, Chile

West Texas horned toads may be imported to Chile, if proper arrangements can be completed. Hans Irniger, Rotary visitor from Switzerland to Tahoka a few years ago, became acquainted with the horned frog and the little animal's love for ants while he was in Lynn county.

Now, Hans is teaching in Swiss College of Santiago, Chile, and he has a problem—ants. "At night they make excursions or incursions to our kitchen pantry and

populate honey and other good things by thousands," Hans writes. While visiting in Tahoka, one of the friends Hans made was Ken Durham, who has always had many interests, and Hans has written to Ken, now teaching in the college at Longview. In turn, Ken has written The News seeking help from the newspaper, Rotary Club, Chamber of Commerce, or individuals for his friend Hans Irniger, now in desperate "ant trouble" in Santiago, Chile.

"Now, to tell you the truth, I should like to breed some (horned toads) here," Hans writes in more detail. "The experiment is bound to be a success. We have the same geographical latitude, the same altitude, and a very similar semi-desert climate and vegetation, and sandy soil. It simply can not fail.

"Apart from enriching this country so poor in animals, the horned toad would be an extremely welcome anti-ester and present no danger when breeding fast like the rabbit introduced to Australia. Therefore, I dare ask you to send me some horned toads."

Postmaster Happy Smith has checked on the possibility of sending the horned toads to Hans in Chile, but finds that such importation very likely can not be made without proper authority from the Chilean government or postal service. This will be sought before horned toads can be mailed Hans.

In the meantime, if it's not already too late before they hibernate, some horned frogs might be caught and preserved by some school student or class. This could be a good turn for Hans and the entire nation of Chile.

## Harold Roberts Honored by SWPC

Harold Roberts, Tahoka manager for Southwestern Public Service Company, received a 15 year service award Tuesday night in Lubbock at the 16th annual service awards dinner for Southern Division employees of the electric company.

Thirty-nine employees, including Roberts, were honored for periods of service ranging from 5 to 35 years, and received awards from A. R. Watson, president and general manager of Southwestern Public Service Company.

The top award, for 35 years, went to Gordon Hammond of Levelland.

Throughout Southwestern Public Service Company's 45,000 square mile service area, 245 employees with a combined service of 3505 years will be honored at service award dinners this year.

## Agents Win Trip To Cotton Bowl

Lynn County Farm Bureau insurance office placed second in Texas and first in this district in volume of business in September, states Charles Reid.

As a result, the four agents, Reid, J. D. Atwell, Bill Dorman, and Billy Rhoads will each receive two tickets to the Cotton Bowl game in Dallas Jan. 1, rooms two nights at Six Flags Inn, and transportation to and from the game.

The local office produced \$250,000 business in September to win second in the state Cotton Pickin' Cotton Bowl Contest, and second in this district.

## Mix-Up Bowlers Roll High Scores

## Average Family Saves \$600 Year

College Station—If your family managed to save \$600 last year, you're just about average.

So says Mrs. Wanda Meyer, Extension Service home management specialist at Texas A&M University.

The amount is arrived at by adding up the year's increase in savings accounts, savings and loan deposits, U. S. savings bonds and life insurance cash values, as reported by government agencies, and dividing by the number of households in the country.

By including just the most common types of financial savings, the total value of family savings in the United States averages about \$7,300 per household. This is the average for all families—the extremely wealthy included. The typical family's savings are considerably lower, by this measure.

Preliminary results of another government study suggest a higher figure for the typical family—provided the dollar value of all types of property that can be readily sold is included. This includes the family home and car, securities, business or professional assets and other considerations.

Savings accounts and life insurance cash values are the most frequently owned family financial assets, reports indicate. Most families have either life insurance or a savings account—or both. Only one out of each five families owns stocks.

## Junior Class To Sell Corsages

## A letter to our Congressman from JOE B. PHILLIPS

The Hon. George Mahon, Congressman, 19th District, 1211 New House Office Building, Washington, 25, D. C.

Dear Mr. Congressman:

Because of your busy schedule and the fact that you are unable to be in the district during much of the campaign, I am taking this opportunity of requesting your convictions upon some of the vital issues which concern the voters in our area.

I want to acquaint you with mine.

I believe that the power of God is paramount to the freedom of man, and that our founding fathers created a government to preserve the God given rights of man.

Because I believe in these rights, I think that the children in our public schools must be allowed to pray, each according to the dictates of his own conscience.

I have the conviction that we should uphold the separation of church and state, not the separation of the state from God. I believe that the words "Under God" should remain in the Pledge of Allegiance and the phrase "In God We Trust" on our coins. It is my opinion that Chaplains should be sustained in the military service and in Congress.

The U. S. Government is confronted with one of the most critical periods of its history, as it faces Godless, atheistic communism. As God fearing citizens of this nation, we must stand up and be counted in this time of crisis.

Very truly yours,  
JOE PHILLIPS
