United Fund Drive Starting Monday

Volunteer workers for the new Tahoka United Fund will meet at 7:00 a. m. Monday in City-Legion building to kick off the first annual community drive for support of four agencies, Boy Scouts, Girl Scouts, Red Cross, and Salvation Army.

United Fund, thus, is a combination of four drives in one.

Binnie White, drive chairman, asks all workers to meet promptly at 7:00 Monday so that the drive may be put over quickly and efficiently, is possible. Coffee and doughnuts will be served courtesy of Tahoka Jaycees.

With eight or more drives in the community annually, workers become tired and bored, and this is an effort to conserve manpower among civic-minded workers who give their time to such projects. Not all agencies will or can come into United Fund, but four of them are in this first year.

Based on previous needs, Tahoka UF has set a total budget of \$5,800. Of this amount, \$1,500 will go to Boy Scouts, \$1,000 to Girl Scouts, \$1,150 to Red Cross, \$1,973 to Salvation Army, and \$177 is budgeted for supplies and expenses of the drive. No one receives any salary or pay of any kind for work on the program or drive.

A person may designate on his pledge card or check any one or all of the above local projects or charities, or may eliminate any one of the four.

The one and only purpose is to raise the funds usually raised for these four projects in one drive instead of in four drives.

Dr. Gerald Wood is general UF chairman and Steve Thompson is secretary.

Binnie White, drive chairman, has announced the following division chairmen: Publicity and public relations: John Wells.

Projects list: Leighton Knox. Treasurer: Warren Embree. Bookkeeping: Robert Abbe. Advanced gifts, over \$50: Warren Embree.

Business division: Wayne Waters.

Employees: H. B. McCord Jr. Professional: Steve Thompson. Individuals and farmers living in town: Harry L. Short.

Farmers: Tommy Sterling, west; Lynn West, north; Ruben McElroy, south; and Roy LeMond, east.

Raymond King Is Buried Here

Ray King, 71, member of a pioneer Tahoka family, died Sunday in a Lamesa nursing home where he had resided only a day, having been transferred there from Amarillo.

Funeral services were held Monday at 2:00 p. m. in the First Christian Church of Lamesa with the pastor, Rev. Richard Tarr, officiating. Burial followed in Tahoka Cemetery.

Son of the late Mr. and Mrs. G. W. King, George Raymond King was born in Wilbarger county and came to Tahoka as a child. He was a veteran of World War I, in which he was wounded, and was a member of the Church of Christ.

Survivors include two nieces, Mrs. Nolan Jayroe of Welch and Mrs. Lewis Lee of Hereford; six nephews, Charles King of Lamesa, Tom Bert King of Loop, Grady King of Seminole, Bonnie King of Austin, Maurice and Buster King, both of California.

Mrs. Inez Jenkins is a medical patient in Tahoka Hospital. She was an overnight patient Wednesday night of last week and re-entered the hospital on Saturday.

Cotton is the top "cash" crop.

Homecoming Is Set October 23

Homecoming activities will get underway on Friday, Oct. 23, at 2:40 p. m. when the Student Council of Tahoka High School sponsors a program for ex-students and ex-teachers.

James Minor of Post, a 1936 graduate of the local school who holds an outstanding athletic record here, will be the principal speaker. The program will be held in the high school auditorium if construction is completed, or in the gymnasium if not.

A banquet for all ex-students will begin at 6:00 p. m. in the school cafeteria when the Class of 1944 will be honored on its 20th anniversary.

The Tahoka-Wink football game at 7:30 p. m. will be preceded by coronation ceremonies when the 1964 football queen will be named.

In the afternoon program, Mike Reid, president of the Student Council, will be master of ceremonies. Entertainment will be furnished by the high school combo. The ex-student graduating from the earliest class and the one coming from the greatest distance to attend will each receive a free ticket to the ball game. The Class of 1944 will also be recognized at the afternoon event. A pep rally will conclude the program.

The banquet will be catered by Underwood's and tickets may be purchased at the door. Mrs. Kenneth Turner is president of the Ex-Student Association; Tom Hale, Jr. is vice president; Mrs. Bert Stevens, secretary; and Mrs. Leonard Dunn, reporter.

Sponsors of the Student Council are Mrs. Aubrey White and Clifton Gardner.

Ed Brower, 69, Dies Recently

T. E. (Ed) Brower, 69, formerly of Lynn county, died suddenly of a cerebral hemorrhage while at the breakfast table Monday of last week at his home in Rogers, Ark. Funeral services were held there on Wednesday.

Mr. Brower farmed a number of years in Lynn county at West Point and Midway. He was a member of the Baptist Church and Veterans of Foreign Wars.

Survivors are his wife, Pearl; four daughters, one son, seven sisters, three brothers and one stepbrother, and 11 grandchildren.

A sister, Mrs. Myrtle Tankersley, wrote the above information to Mrs. Hubert Tankersley, no relation but an old friend of the family.

4-H Showing At Texas State Fair

Lynn county 4-H Club members will show 28 hogs and 11 lambs at the State Fair of Texas Oct. 19-24, according to County Agent Bill Griffin, who will accompany the boys and girls and their parents.

Taking three hogs each to the show will be LaNita Wood, Kent Wood, Ronnie Wood, Billy Wood, James White, Larry Emerson, Mary Moore and Mack Young. Four hogs each will be exhibited by Benny and Tandy Barton.

Lambs will be shown by Danny Brewer, Gary Beach, Paula Beach, Becky Brunette, Marjorie Brunette and Layne Birdwell.

FOOTBALL GAMES AT 7:30

Remainder of Tahoka Bulldogs football games will begin at 7:30 p. m., both these at home and away, announcements Jake Jacobs, athletic director. All the remaining games are conference games.

Tahoka residents cast their eyes upon the 40-year old First Methodist Church for the last time Tuesday. When the sun went down, the building no longer stood at the corner of North First and Ave. J. Wrecking crews, who have been dismantling the building, brought the walls down that day, making completion of the south wing of the new church possible.

New Home Post Office Set For Opening Today

New Home, Texas, 79383, is Texas' newest postoffice—scheduled for opening this morning, Friday, October 16.

Winston W. Davies is the clerk-in-charge, and the office is set up in the new Davies building. Ninety boxes are available to mail patrons in the town.

Mail will be supplied over Rural Route 1, Wilson, and Rural Route 4, Tahoka, but otherwise the office will handle just about all the business that would be handled in such offices as Wilson and Tahoka.

Establishment of the post office was authorized recently by J. L. Pierce, director, Local Services Division, Dallas Regional Office. Actually, New Home is designated as a Rural Station, and will be operated by Davies as clerk-in-charge, who is under bond. Zip Code number is 79383.

Mr. Davies is erecting a new building at New Home for the appliance store, and a corner of the building was set aside for the new postoffice.

New Home was a postoffice about 40 years ago, but it was abandoned in favor of rural route service out of Wilson and Tahoka.

Last year, New Home voted to incorporate, has issued bonds for a waterworks and sewer system, and some water wells have already been drilled. J. W. Edwards is the town mayor.

The town has grown and improved in many ways the last few years, and a number of farmers have built modern homes in the town. Erection of the new high school building brought the school plant up to par with any its size.

Rotary Governor Here Next Week

H. Hicks Allen of Snyder, governor of Rotary District 573, will make his official visit to the Tahoka club next Wednesday and Thursday.

He will meet with the club president, Wilton Payne, and Secretary, Robert Abbe, at 5:00 p. m. Wednesday, and at 7:30 p. m. with the club officers, directors, committee chairmen and other interested members for a club assembly in the Lyntegar meeting room.

Thursday, he will make the annual governor's address at the regular noon meeting of the club. President Payne is seeking 100 percent attendance from the club's 50 members.

Mrs. G. H. Spears, who underwent surgery for the removal of a pin from her hip on Sept. 30, was released from Tahoka Hospital last Thursday.

Mrs. Harold C. Reynolds is a medical patient in Tahoka Hospital, having been admitted Tuesday.

Mrs. Victor Salinas was a medical patient in Tahoka Hospital Monday and Tuesday.

Wilson, O'Donnell Churches Observe 50th Anniversary

O'Donnell Baptist Reunion Sunday

O'Donnell's First Baptist Church will observe its 50th anniversary this Sunday, October 18, with all-day services at which several former pastors will speak. Some former members from a distance are expected. There will be a covered-dish luncheon at noon.

Among former pastors on the program are Rev. John Johns and Rev. Troy Dale, both of Lubbock, Rev. Ernest Stewart of Mineral Wells, and Rev. Bill Burton of Friona. Gayle Bowen of Lubbock will direct the musical program during the afternoon. The pastor is Rev. Calvin Partain, who has been at O'Donnell since April, 1962.

In charge of the anniversary program are the pastor; Bill Snellgrove, program; Mrs. Wayne Carroll, history; Homer Hardberger, publicity; and Mrs. Harvey Line, foods.

There are three charter members still living at O'Donnell. Mrs. J. M. Vaughn, Mrs. W. W. Williams, and Miss Effie Vaughn. The News is informed by Harold Hohn of the publicity committee.

O'Donnell had its start in 1910 with the coming of the Santa Fe railroad and was named for T. J. O'Donnell, one of the railroad promoters. H. E. Baldridge and C. H. Doak were leaders in promotion of the town on land owned by Mr. Baldridge, and the latter donated sites for each church established in the town.

For a time there was a union Sunday School, until the coming of Rev. Davis, Big Spring Association Missionary, in the summer of 1914 to hold a meeting which culminated in the organization of the church. The church met in the theatre for a time, built a basement in 1924, and completed the new building in 1938.

As the congregation grew, a new and larger building was needed by 1950, when a nice, new structure was erected. But, the building was barely complete before being destroyed by fire. The congregation went right back to work, however, and the present building was completed the next year under leadership of Rev. John Johns.

Since 1951, there have been many improvements to the plant, including a parsonage, Latin-American mission, all of which will be recounted at the meeting Sunday.

Wiley Lee Curry was released from Tahoka Hospital as a medical patient, Monday after being treated there since the previous Friday.

S. Tahoka Voting Place Changed

Polling place for South Tahoka, precinct 1, in the coming General Election of November 3 has been moved officially to the City-Legion building by action of Lynn County Commissioners' Court in regular meeting here Monday.

Heretofore, the voting place has been in the Justice of the Peace office in the basement of the court house, where space was very limited and there was little place for voters to make their ballots in any kind of secrecy.

All voters in Voting Precinct 1, South Tahoka, are affected by the change in location.

Freak Hail Storm Damages Cotton

Hail from a small cloud Monday afternoon damaged cotton along a strip about ten miles long from northeast of Tahoka to southeast of town.

Practically no rain accompanied the hail. Small stones "strung out" open cotton and damaged some bolls, farmers report.

The strip extended from the Watson Spears and R. E. Bagby places northeast of town, out to the L. A. Forsythe and C. B. Terry places, across the Six Miles station area, and down to the Lois Smelser farm.

Cotton Harvest Moving Slowly

Approximately 5,500 bales of 1964 cotton have been ginned in Lynn county to date, The News estimated Thursday morning following a spot report from gins. Tahoka had ginned 945 bales.

Fair weather has been predicted for the next several days, which will be welcomed by farmers trying to get their cotton matured. Some are defoliating, others waiting a freeze.

Few farmers are hand pulling cotton this year. Already, some of the dryland cotton is being harvested by machine, especially to the west and south of Tahoka.

A Wilson ginner told The News he expected production in that area to be about 30 percent below normal, and a New Home ginner had a similar estimate. However, some farmers in the Grassland and Draw areas say their cotton is turning out better than they had expected.

Layman's Day At Methodist Sunday

This Sunday will be Layman's Day at the First Methodist Church in Tahoka and special programs are being planned for both morning and evening services.

Sunday morning the theme will be "Able to Stand." Making the speeches will be Mrs. A. M. Bray, Rush Dudgeon and W. E. Cantrell. Lay leader J. M. Uzzie will be in charge of the morning worship service and says that 41 men are needed to fill the choir which will be directed by Dr. Emil Prohl.

On Sunday night at 6:30 o'clock Judge C. E. Lawrence of Seminole, an outstanding layman, will speak in the local church.

Everyone is urged to attend both services.

Leonard Fallin of Lubbock was treated for burns on his hands and face received Saturday when he poured gasoline on a trash fire. He was released from Tahoka Hospital Sunday.

Cotton can be made stretchable with a high twist of yarns.

Special Services At Wilson Church

The Wilson Baptist Church continues its observance of its 50th anniversary this week, ending with services on Sunday.

Beginning Wednesday evening, various former pastors have been speakers at services each day. Tonight at 7:30 Rev. W. H. Jackson, pastor of the Wilson church from 1939 until 1944, will bring the message. On Saturday night some of the wives of former pastors, Mrs. John A. Martin, Mrs. Jackson and Mrs. E. K. Shepherd, will speak. Climaxing the event on Sunday morning, Rev. E. K. Shepherd, pastor from 1945 until 1947, will preach the sermon.

The pastor from 1951 until 1955, Rev. J. A. Martin, conducted the Wednesday evening service and on Thursday Rev. E. V. Brooks, pastor there from 1947 to 1950, spoke to the congregation.

This week, a yearbook and directory of the church, giving the history of the Wilson organization, was distributed to members. The history contains pictures of the old church buildings, its additions, etc. until the present day. Established in 1914, it also contains pictures of its former day pastors as well as group pictures of families of the church at this time.

Rev. J. E. Nicholson was called as "fourth-time pastor" on Nov. 15, 1914 and the congregation built its first church in 1916 where the St. John's Lutheran Church now stands. It has grown from that building to a church plant that includes a large auditorium over a basement, a memorial tower and an educational building. A new parsonage was constructed in 1958. Rev. H. P. Scott has been pastor of the Wilson church for nearly nine years, coming there in January, 1956.

Also pictured in the edition is the mission at Wilson and a brief history of its growth.

J. H. Cook, 81, Rites Wednesday

J. H. (Jim) Cook, 81, retired Lynn county farmer, died at 1:48 a. m. Tuesday at his home in Lubbock at 2303 23rd street. He lived in the Draw and Bethel communities of Lynn county for 26 years.

Funeral services were held Wednesday at 2:00 p. m. in Oakwood Baptist Church in Lubbock with the pastor, Rev. John E. Schwensen, officiating, and burial followed in Draw Cemetery.

A native of Anderson county, Mr. and Mrs. Cook came to Lynn county from Whitney in 1927, and he moved to Lubbock in 1947 following the death of Mrs. Cook. He was a deacon in the Baptist Church.

A daughter-in-law, Mrs. Leon (Clodell) Cook, died in Houston Wednesday of last week and was buried at Tulla on Friday.

Survivors of Mr. Cook include two daughters, Mrs. Eula Moore of Wolforth and Mrs. James W. Bryan of 3407 62nd street in Lubbock; three sons, James Everitt Cook of 4804 44th street in Lubbock, J. C. Cook of Fort Worth, and Leon Cook of Tulla; 15 grandchildren and 19 great grandchildren.

Ornithologists have found that birds sing an average of 18 hours daily most of the year.

Miss Goodpasture Married Saturday

Miss Rita Goodpasture and Lt. Hal Kennedy Muldrow exchanged wedding vows Saturday, Oct. 10, at 6:00 p. m. in the First United Presbyterian Church in Brownfield. Rev. Ed Crow, pastor of the First Baptist Church there read the ceremony.

Parents of the couple are Mr. and Mrs. Grady Goodpasture and Mr. and Mrs. Alvin M. Muldrow, all of Brownfield.

The bride wore a princess gown of antique ivory peau-de soie and re-embroidered French alencon lace. The lace bodice, encrusted with tiny clusters of seed pearls, featured a sculptured portrait neckline and long sleeves. The bouffant skirt swept into a wide chapel train. The bride's hand-rolled scalloped illusion veil fell from a double miniature crown of alencon lace enhanced with pearls and cut crystals. She carried a cascade arrangement of mystery gardenias accented with pearls.

Mrs. B. G. Boswell, cousin of the bride, was matron of honor. Bridesmaids and bridesmaids were Mrs. Glen Chesshir, of Brownfield, Mrs. Bill Evans of Lockney, Mrs. Mike Hamilton of Denver City, Mrs. Bill Loranca of Tulsa, Miss Jackie Whitaker of Santa Fe, N. M. and Mrs. Alvin M. Muldrow, Jr. of Landstuhl, Germany. Flower girl was Miss Letta Gene Boswell of Brownfield.

The attendants' long gowns were avocado green chiffon veiled over taffeta and fashioned with brief sleeves, square necklines and wide velvet ribbons encircling the waists. They carried arrangements of Tropicana roses and smilax attached to avocado green muffs. The head pieces were designed with matching green velvet bows accented with Tropicana roses. The flower girl wore a long velvet avocado dress and carried a matching green velvet basket filled with white daisies.

Lt. Alvin Montgomery Muldrow, Jr., brother of the bridegroom who is stationed in Germany, was best man. Ushers included Mike Hamilton, Don O'Neal of Fort Worth, Mike Amis of Dallas, Randy Thompson of Austin, Bill McKay of Fort Worth, Lt. Bob Berry of Killen, Roger Duncan of Weatherford, Okla. and Carl Reistle III of Kingsville.

Dale Durham, soloist, was accompanied at the organ by Jerry Gannaway, who also played traditional wedding selections.

A reception was held in the home of the bride's parents following the ceremony.

For a wedding trip to Washington, the bride chose a suit of palm-leaf Italian silk with a corsage of gardenias from her bouquet.

The bride attended Texas Tech, Baylor University and is a graduate of University of Colorado. She is a member of Chi Omega sorority. The bridegroom is a graduate of the University of Oklahoma and the University of Texas Law School. He is a member of Beta Theta Pi fraternity.

The couple will make their home in Tacoma, Wash., where Lt. Muldrow will be stationed for two years.

Huffaker Speaks At Demo Women's Meeting Monday

Democratic Women of Lynn County met on Monday night in the City-Region building with Mrs. Wilmer Smith, president of the organization, in charge.

John F. Thomas, Lynn County Democratic Chairman and all the precinct chairmen were recognized.

Mrs. Albert Curry, secretary, read letters and telegrams from President Johnson's office, from George Mahon, and from Ralph Yarborough congratulating the organization for its good work and thanking them for its pledge of support.

Mrs. Smith then introduced the speaker of the evening, Mr. Cal Lowry Huffaker. Mr. and Mrs. Huffaker attended the Democratic National Convention, and Mr. Huffaker was a delegate from this district.

Mr. Huffaker stressed the importance of "grassroots" work to be done and that work should be started now right in the precincts of the county. "If you want success for the party you should go to work at once in your precinct, and work now for even the next elections to come," Mr. Huffaker stated.

He referred the group at the meeting to the recent articles in magazines and papers who have rejected their own party ticket and have instead endorsed the Johnson-Humphrey ticket. As a few he named Life, Saturday Evening Post, and the Lubbock Avalanche Journal, and he suggested that the group should read these editorials.

He also noted the record of Senator Yarborough, who voted right down the line with other Democrats on all educational bills and for his vote on the farm program.

However, Mr. Huffaker stated that the most serious concern of all, is the attitude of some of our people who have adopted "againstism."

"These people are against everything and for nothing, and are trying to tear our country apart by finding fault with everything and never showing any real favor of any good work done," he said.

After Mr. Huffaker's talk, refreshments were served to the more than sixty members and guests present. Plans are being made by the group to offer rides to the polls to anyone who might need them.

A letter to our Congressman from JOE B. PHILLIPS

The Hon. George Mahon, Congressman, 19th District
1211 New House Office Building
Washington 25, D.C.

Dear Mr. Congressman:

This is another letter to acquaint you with my views concerning issues in this year's Congressional Campaign. Whenever it is convenient, I would be delighted to discuss publicly our opinions in an open forum.

I am unalterably opposed to our government's aiding communistic countries which are openly dedicated to burying us as a nation. Selling wheat to the Russians, was in my opinion, a very serious mistake. By extending credit to the USSR to buy wheat, we have turned our backs on the patriots in Cuba who burned their crops in an effort to bring about a collapse of the communist government in their country.

It is my conviction that we must not give any foreign aid to those nations which are communist or communist dominated. In my opinion, we need to develop a realistic foreign policy to serve our interests and those of our allies. We need to help our friends, but we must stop aiding and abetting an enemy dedicated to our destruction.

Very truly yours,

JOE PHILLIPS

A husband and wife golf tournament is being planned at T-Bar Country Club when "Mr. and Mrs. T-Bar" will be named.

Only husbands and wives may play together. Qualifying rounds of 18 holes must be played beginning Sunday, Oct. 18, through Saturday, Oct. 24.

On Sunday, Oct. 25, a "shotgun" start will begin at 1:30 p.m. Trophies will be awarded the winners and runners-up in each flight.

All husband and wife teams who are members of T-Bar are urged to participate.

New Directors For Lynn Farm Bureau Are Elected

Six directors were elected and a number of policy resolutions adopted Monday night at the annual membership meeting of Lynn County Farm Bureau held in Lyntegar meeting room. President T. B. Mason presided.

New directors are Arlys Askew of O'Donnell, Hubert Teinert of Wilson, and Robert Draper of Tahoka. Re-elected directors are Ward Eakin, A. L. White, and T. B. Mason.

Brief talks were made by Jeanie Hewlett of Wilson and Mike Reid of Tahoka, students sent by Farm Bureau to the Citizenship Seminar in Huntsville last summer. Their talks were confined mostly to the threat of Communism.

These students are available for talks before any county group.

Robert Abbe, CPA, gave a favorable financial report.

Ronnie Dullin outlined activities planned for the coming year.

Milton Evans reported membership to date is 832 as compared to 758 last year on Oct. 31. J. D. Atwell of New Home is responsible for about 100 of these new members.

Charles Reid reported on business progress and recognized Mary Nell Ashcraft and Sherry Tunnell, office secretaries, and Atwell and Bill Dorman, special agents.

A statement of progress shows money received by Lynn County Farm Bureau from insurance commissions increased from \$695.00 in October, 1956, to \$7,024.00 in 1964. He said Farm Bureau lacks less than four years clearing up payments on their building.

Special thanks were expressed to outgoing directors Earl Cummings, Woodrow Brewer, and Lois Smelser for their years of service on the board.

Following is a brief synopsis of the 15 resolutions adopted at the meeting:

1. In case of change in the County Superintendent set-up, Farm Bureau favors keeping as much local control of schools as possible.

2. For strict enforcement of

labeling of all import meat; co-operation of local butchers and cafes in use of display signs differentiating import; and U. S. beef.

3. For new legislation to reinstate the Bracero program.

4. Opposed to dumping CCG stock on market at less than 115 percent of parity plus storage and carrying cost.

5. Recommend Dept. of Agriculture eliminate Federal Crop Insurance program unless the program is offered dryland farmer the same as now offered irrigated farmer.

6. Pledge full support to boll weevil program.

7. Urge USDA and Secretary to accept the two idle rows in 2-and-3 cotton planting as diverted grain acres.

8. Propose keeping domestic cotton allotments on cotton or extra payment above the regular support price for reduction of grain acres.

9. Re-affirmed stated resolution to retain poll tax.

10. Strong opposition to transferring cotton allotments in any form.

11. Under the present program, the 14 acre allotment is allowed a higher support price. We recommend that all allotments be brought to the same level of support.

12. Recommend ASC, SCS and Great Plains Program be extended to cover cost-share of bench leveling and all other approved practices on dryland on the same percent as irrigated land.

13. Recommend state abolish ad valorem tax.

14. Opposition to any law or regulation making central ginning mandatory.

Three proposed resolutions were tabled.

Hot Shot Bowling League Results

In Friday's competition of the Hot Shots Bowling League, Tahoka Safety Lane won three points from Cannaday's Grill with Cecile Henry bowling high game of 170 and high series of 440. Joan Hamma was close behind with 168 and 432.

McCord Motor Co. won three points over Team No. 2. Marylyn Cope's high game paced the winners with 185 and high series of 435. Jean Curry also had a commendable series for McCord's with 405.

Ayer Way Cleaners won one point from Team No. 5 with Deanie Bingham's 157 game and 350 series.

Cecile Henry's 170 is second high game and Pearl Miller's 168 is third on the league standing sheet.

Jean Curry holds the high series, 467, and Cecile's 440 is second.

The Safety Lane came up to first place team with a game of 593 and also had first high team series of 1683. Ayer Way holds third place team game of 576 and McCord second high series of 1680.

Of the three thousand kinds of lizards in the world, only two are known to have poisonous glands. Both are residents of the North American continent.

JOEL R. BARTON

Welding Course At New Home

"A farm welding short course for adult farmers will be held Oct. 19-22 under the sponsorship of the New Home High School Vocational Agriculture Department, according to Mr. H. L. Miller, Superintendent and Mr. Leonard Wilson, teacher of Vocational Agriculture."

Mr. Joel R. Barton, welding specialist with the Vocational Agriculture Division of the Texas Education Agency and the department of Agriculture Engineering at Texas A & M College, will do the instructing in the course. He is headquartered at Texas A & M College.

Mr. Barton is a native of Glasscock County, Texas, and was reared on a west Texas ranch. He attended grade school in San Angelo and graduated from high school at Big Lake, Texas. He holds a B. S. degree in animal husbandry from Texas A & M.

After five years as a pilot in the U. S. Air Force, Mr. Barton served as an agricultural specialist in Texas State hospitals and special schools. In addition to regular classes, he set up farm shops and gave instruction in farm welding and general farm repair.

"Many welding short courses in various parts of the state have been taught by Mr. Barton and all have met with outstanding success," according to Mr. Hulan Harris, area supervisor of vocational agriculture, Big Spring. Arrangements for the adult education short course in welding and in other fields are made through Mr. Harris' office.

The short course at New Home is scheduled to begin Oct. 19 at 8:00 p. m. in the vocational agriculture building. Other meetings in the series of four will be held Oct. 20, 21 and 22. During the dates the short course is in progress, Mr. Barton will be available to assist farmers with individual problems and to provide on-the-farm instruction, according to Leonard Wilson.

Farmers interested in attending the short course should call Mr. Wilson. An entry fee of \$5.00 will be charged. Farm Welding Short Course Certificates will be presented to each enrollee who attends all the training sessions.

Mr. Barton states that the short course will be adjusted to wishes and interests of farmers enrolled but that he expects to cover such subjects as safety in welding, factors controlled by the operation in running a bead and striking an arc, types of electrodes, preparation of joints, distortion, cutting, hardsurfacing, and pipe welding.

"Short courses in welding, as well as in other areas, are now available to farmers throughout the state under the new cooperative program between the Texas Education Agency and Texas A & M College," stated Bob Jaska, associate professor, Department of Agriculture Education at Texas A & M College, who coordinates the program for Texas A & M.

"This cooperative program," states Jaska, "is designed to make the services of specialists available to conduct short courses under the supervision of public schools. Such a program will enable teachers of vocational agriculture to provide improved educational services to farm people."

Specialists are available in the fields of beef cattle, insect control, farm management, farm electrification, farm welding, swine production, tractor maintenance, dairy cattle, oxy-acetylene welding, and pasture.

Fertilizer Study Series Planned

Basic information on soil fertility and fertilizers will be given in a series of three intensive night meetings scheduled for November and December. County Agent Bill Griffin invites Fertilizer Dealers, Agency Personnel and County Program Building Committee members to make plans to attend by registering through his office.

Sponsored by the Texas Agricultural Extension Service, this series of meetings is to include presentations by outstanding authorities in both the Fertilizer Industry and Education. Subjects to be treated include nitrogen, phosphorus, potassium, soil testing, management, tissue testing and micronutrients.

Meeting places and dates are as follows: Dimmitt on Monday, November 9, 10, 30, High School Cafeteria; Plainview, Tuesday, November 10, 17, and December 1, Reddy Room Southwest Public Service Building; Lamesa, Wednesday, November 11, 18, and December 2, Forrest Park Community Center; Levelland, Thursday, November 12, 19, and December 3, Carlo Inn.

Each County Agent in the Area has registration blanks and suggests you attend the meeting nearest your place of business. A charge of \$5.00 will be made for registration and the deadline for registering is November 3. The \$5.00 fee includes cost of dinner the last meeting.

WILSON NEWS

(By Mrs. Ted Melugin)
The Wilson Mustang football got off to a fine start after last week's open date. Friday night they played Whiteface there and Wilson won 20 to 14. They will play their next game at New Deal, Friday 16th. Game time 8:00 p.m.

The Jr. High football squad played at Wilson, Thursday night, against Roperville, and won with the score standing at 38 to 22. They will play New Deal at Wilson, Thursday, Oct. 15. Game time 7:00 p.m.

Additional winners at the Fair representing Wilson were: Jennie Sue Hewlett, first in best dress and first in tailored skirt; Ruth Rucker, second in plain apron, third blouse, second in tailored skirt; Vickie Young, third in after-five dress. Miscellaneous: Ruth Rucker won third in leather article; Vickie Young won third in toy; Jennie Hewlett, second biscuits, third muffins.

Our congratulations go to these fine homemakers and students of Wilson High.

While we're passing out bouquets of roses, we would like to say, Congratulations to Mr. and Mrs. Ben Brier on their 50th Wedding Anniversary, which they celebrated Sunday, Oct. 11th at the V.F.W. Hall at Slaton.

The Band Boosters sponsored a 42 party in the gym at school, Monday night, Oct. 12. Coffee and doughnuts and soft drinks were served to a fine number, who turned out to enjoy playing 42 and helping, with the proceeds going to the band.

Invitations are being received by all the Ex-Students of good 'ole Wilson school, to come to the homecoming activities, Saturday, Nov. 7th. There will be a barbecue supper, Sat. at 5:30 p. m. in the school cafeteria. Friday, Nov. 6 will be the homecoming football game, between Wilson and Meadow, at Wilson, 8:00 p. m. The invitation is extended to all exes, friends, parents, and teachers.

The Jr. High Football team was honored after the game Thursday night with a party at the educational building at the Baptist Church. Refreshments and volley ball were enjoyed by the boys. They wish to thank the ladies who sponsored the occasion.

Sympathy is extended to Mrs. Rueben Sander and family in the loss of Mrs. Sander's mother, Mrs. Becker, this past week in Slaton.

Several area citizens attended the Coliseum meeting in Lubbock this past week. The theme Sunday night was "God's Way For Worship" which concluded the meeting, with the largest number present. There were 528 responses during the eight day meeting with 137 of that number being baptised. Mr. Batsell Baxter was the speaker during the meeting. One of the most impressive memories to those present, was a man who taught in sign language, to a congregation of the deaf, in interpretation. They also joined in with the singing, using their hands in song service. This meeting was made possible through many Churches of Christ throughout the area.

Six ladies of Wilson attended the Lutheran Missionary Rally Thursday in Lamesa.

The Methodist MYF of Wilson will attend a Sub-District MYF meeting Wednesday night in New Home.

New Grocery Store Opening
The Green building has been fully stocked with groceries and will be open for business by Friday or Saturday, states the new operator, Mrs. John Ramby of Tahoka. The grocery store will have a grand opening at a later date.

Visitors in Mr. and Mrs. Anton Ahrens home Sunday were their two sons and families, Mr. and Mrs. Henry Ahrens, Robert and Kathy, from Cotton Center, and Mr. and Mrs. Weldon Ahrens and James, of Lubbock. Last week's visitors were Mrs. Klaus, Mrs. Bessie Martin, Mrs. Erna Bruckner and Oliver, of Slaton.

Mr. and Mrs. Edgar Williams and Dolores visited with Mr. and Mrs. J. W. Williams in Pyote, Texas, Monday and Tuesday.

Mr. Sam Crowson spent a night with his brother and family, Mr. and Mrs. Henry Merle Crowson in Hurst over the week end.

Mr. Ira Clary visited his brother and family, Mr. and Mrs. Ivan Clary, at their cabin at Buffalo Lakes, Sunday afternoon and enjoyed fishing while there.

Visiting Mr. and Mrs. Elbert Gumm and John T. Sunday were the Gumm's daughter and family of Lubbock, Mr. and Mrs. Gilbert Kaatz, Betty and Sue. They also visited Mr. and Mrs. Edwin Martin.

Mr. and Mrs. Floyd Wilson and Linda had as week end guests Mr. and Mrs. Ben Wilson, Kim and Pam of Lamesa, the Wilson's son and family.

Mr. and Mrs. Edwin Martin and children, Diane, Clinton, Lanell and Karen spent an enjoyable week end at Six Flags. They report that the trip is very worthwhile and entertaining. Also going to Six Flags were Mr. and Mrs. Russell Moore, Delton, Gary, Brad and Carla, this past week end.

H. D. Club Met
The Wilson Home Demonstration Club met Oct. 2nd. in the home of Mrs. Rueben Sander. The program given was on "Buying and Selecting Electrical Appliances", by County Agent Mrs. Billie Carr. Films were shown by a representative of the Lyntegar Electric of Tahoka, Mr. Binie L. White.

Those present were: Mrs. Floyd Wilson, Mrs. James Savell, Mrs. J. H. Lambright, Miss Glenda Ward, Mrs. Rueben Sander and a guest, Mrs. Klaw. The next meeting will be in the home of Miss Glenda Ward, on Nov. 6.

Mrs. Katie Nieman's son and wife visited her Sunday evening, Mr. and Mrs. Edwin Nieman from Morton.

Miss Nita Hewlett of Abilene visited her parents, Mr. and Mrs. H. H. Hewlett and sister, Mrs. Walter Steen over the week end.

Mrs. H. H. Hewlett's mother, Mrs. A. M. Cookston has improved and returned to her home in Levelland, after being seriously ill and a lengthy stay in a Lubbock Hospital.

Mrs. Elbert Gumm and Mrs. Bessie Martin visited Monday with Mrs. Polly Melugin.

Total number of bales of cotton were approximately 500 bales at Wilson Cooperative Gins Tuesday, Oct. 13.

THOUGHT FOR THE DAY: "We are taught to look out for school children; especially those driving automobiles." Call 628-2956 anytime and it will be appreciated.

Decorations Theme Of Club Program

Christmas decorations was the theme of the program at a meeting of the Tahoka Garden Club Tuesday in the City-Legion building. A workshop and luncheon was also held.

Mrs. E. R. Edwards showed how to make various types of decorations from tin cans. Mrs. W. W. Hagood displayed Christmas tree balls of styrofoam and told how to use bits of velvet, braid, beads, sequins, etc. She also displayed tree skirts.

Mrs. Nat Park demonstrated flower arranging by making four different designs in unusual containers.

Mrs. L. C. Haney won the prize for the best "arrangement of the month" which was a crystal bowl of Montezuma roses in the triangle design.

Schedules were given to members for the placement flower show to be held Oct. 29. All members are expected to have entries at this show and any others who are interested are urged to enter arrangements and specimens of horticulture.

Mrs. Garland Pennington, chairman of the flower show, will be glad to give information about the rules and regulations.

Tahoka United Fund Head Tells Plans for Local Drive

Dr. Gerald Wood, chairman of the new Tahoka United Fund, told Rotarians Thursday of the organization and planning for the drive coming up which will combine four campaigns into one.

Each year Tahoka has about eight or ten community drives, and the UF drive will combine at least four of them into one, the drives for support of Boy Scouts, Girl Scouts, Red Cross, and Salvation Army.

About the same workers conduct these drives every year, which soon becomes a burden on busy workers, and this is the principal reason for the one campaign.

Dr. Wood was appointed by the Chamber of Commerce nearly a year ago to investigate this organization, several meetings of business people followed last spring, and the local United Fund organization was set up. Heart, Cancer, and March of Dimes cooperation are prohibited by the national organizations sponsoring these drives.

Tahoka UF embraces Tahoka school district, has 12 directors, a year-around program of planning, but the main work is the drive next week. Binie White is general chairman of the drive. Total goal is about \$5,775. The fund raised will be apportioned to the four agencies according to need, based on past average collections for each fund.

Donors to the UF can pay all at once quarterly, or monthly, preferably by bank draft. One may specify certain agencies, if he does not wish to give to one of the group.

There will be several divisions in the campaign, advanced or large gifts, business, employees, professional, and farmers and individuals.

Johanny Wells is in charge of publicity, Leighton Knox of prospects list, Warren Embree is the treasurer, and Robert Abbe is the bookkeeper. A list of workers appears elsewhere in The News.

Ronald Sherrill, program chairman for the day, introduced the speaker. Supt. Harold Reynolds introduced the student guests for October, Mike Reid and Stanley Price.

Wilton Payne, Rotary president, told briefly of the Rotary District Institute held in Canyon Tuesday which he and Vice-President Ross Smith attended.

W. A. Leubetter has been a patient in Veterans Hospital in Big Spring for over a week in Ward 2E, room 349. He is showing no improvement.

Weevil Exhibit At O'Donnell Gin

The educational exhibit on boll weevils recently prepared by O'Donnell Young Farmers has been placed on display at Farmers Co-op Gin in O'Donnell, according to Harold Sanders, reporter.

The exhibit attracted noteworthy attention at the recent Dawson County Fair.

O'Donnell Young Farmers Friday night entertained the Young Homemakers with a "42" party at which refreshments were served, and Mr. and Mrs. Jerry Gass enrolled as new members.

Next meetings of the two organizations will be the first Thursday night in November in the Vocational Agriculture and Homemaking departments, respectively.

Old Cornerstone Opened Tuesday

Workmen on Tuesday knocked down the walls of the old Methodist Church building, erected in 1924, so that the south wing of the new \$106,000 building may be completed.

Opening of the cornerstone revealed a number of interesting items placed there 40 years ago. Rev. Aubrey White, pastor, says the cornerstone will be preserved at some permanent location in the new building. Papers found there in also will be preserved.

The old building was started in 1923 and completed in the spring of 1924 during the pastorate of Rev. J. T. Howell. Rev. E. E. Robinson was the presiding elder or district superintendent. These two names and the names of the following trustees of the church are on the cornerstone: A. L. Lockwood, J. A. Brashear, F. E. Redwine, J. N. Thomas, and R. C. Wood. R. A. Clements & Son

O'Donnell Church Holding Revival

The fall revival services at the O'Donnell Methodist Church will continue through this week and with Rev. Ed Robb, pastor of St. Paul Methodist Church in Midland conducting the services.

Services have been held each day at 7:00 a. m. and 7:00 p. m. However, no morning service will be held on Saturday.

Don Ford, music director of the First Methodist Church in Brownfield, has been providing special music. On Sunday morning Mrs. Wayne Clayton, choir director at O'Donnell, will direct special music.

Everyone is invited to attend the remainder of the services.

Mrs. Jesus Leal was dismissed as a medical patient at Tahoka Hospital Thursday of last week.

were the builders.

Deposited in the cornerstone was a list of the 228 members of the church on March 3, 1924; a Bible belonging to Rev. Howell bearing the date April 21, 1916, presumably the date he acquired the book; a copy of The Methodist Hymnal in use at that time.

Other publications deposited in the cornerstone were: A copy of The Lynn County News dated April 6, 1924; a book, "The Call of the Forgotten Man" by Luther E. Todd, a 1922 Methodist Discipline, 1923 Journal of Northwest Texas Conference; and copies of Texas Christian Advocate dated April 10, 1924, the Christian Advocate dated April 11, 1924, and Epworth Era dated February, 1924.

As soon as the ground occupied by the old church building is cleared, the contractor will complete the south wing of the new building, which extends over onto the site of the old. Gordon Construction Co. is the contractor and Hugh Hunt is the architect.

The Methodist congregation occupied the incomplete new building two weeks ago.

Defoliant Usage Warning Given

Defoliants and desiccants have a place on the High Plains. But unless they are used properly—and when cotton is ready for their application—they can do much more harm than good.

Older, more mature cotton frequently can be prepared for machine harvest before frost, says Shelby Newman, Agronomist at the South Plains Research and Extension Center, Lubbock. Experience shows that proper use of harvest-aid chemicals permits earlier harvesting of mature cotton before exposure to weather damage reduces the grade or actual field losses occur due to bad weather. Research shows that open cotton left in the field generally deteriorates one grade and around 1/32 inch in staple per month of weathering.

"When" is the key word in using harvest-aid chemicals. For example, if a desiccant or defoliant is applied before cotton is fully mature—more than 60% of bolls open and preferably 80%—not only yield decreases but also detrimental effects to seed and lint quality are possible. The more immature the cotton, the greater the losses. In any event, harvest-aid chemicals should be used only when at least 60% of the bolls are fully open, indicates research at the Center.

Proper timing of harvest-aid chemical use has been easier to obtain on cotton grown under non-irrigated and light-irrigated conditions than under heavy irrigation. This is because dryland or light-irrigated cotton generally matures 30-40 days before frost.

Economics is the biggest consideration when debating between harvest-aid chemicals or letting frost do the job. According to John Seibert, Extension Area Farm Management Specialist, it is up to each producer to determine, under his conditions, whether or not use of harvest-aid chemicals is profitable. From all indications, concludes Seibert, it is often hard to economically justify their use. Where such things as earliness of harvest for debt retirement and risk of adverse climatic conditions are of primary consideration, then economics—or more net income—is secondary.

County Agent Bill Griffin can supply you with additional information on harvest-aid chemicals—their use and value.

NEW HOME BOWLING LEAGUE RESULTS

Mayfield Grocery won four games over New Home Farm Store Wednesday in the New Home Ladies Bowling league with Wanda Gill bowling high game and high series of 169 and 519 for the winners. Mel Halford paced the farm store with 104 and Dorothy McNeely bowled high series of 417.

Petty Gin took 3 1/2 games to New Home Butane's 4. Babe Evans bowled 191 and 507 while Bobby Blakney bowled 164 and Bess Phifer 448 for the losers.

Co-Op No. 1 won three and Co-Op No. 2 took one. Winners' Raydene Turner bowled 173 and 506 while Mentha Maloney scored 184 and 506.

Fridmore Spraying defeated Edwards Shop 3-1. Sue Armontrout bowled 190 and 470 for Fridmore's and Nona Nieman 196 and 480 for the shop.

Evans and Clem and Bowers Butane split 2-2. Barbara White and Drina Clem tied 166 for high game and Clem bowled 452 series. Faye Armontrout led Bowers with 180 and Billie Wilkerson 473.

Farr Texaco defeated New Home Gin 3-1 with Faye Leverett's 193 and 524. Faye Lowrey bowled 144 and Fernie Fillingim 396 for the gin.

Francisco Villareal, 10 month old son of Mr. and Mrs. Sebero Villareal of New Home, was a medical patient from Thursday through Saturday in Tahoka Hospital.

Letters From News Readers—

(The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.)

Mrs. Gaigat Writes

Dear Editor: Some people say we have a choice between two men for President. I say we have a choice between two ideas. This choice may very well determine whether our children and our grandchildren live in freedom or slavery. I realize full well that this very statement may be pooh-poohed as alarmism. Well, I am alarmed over the forces at work in our government which are aiding in the destruction of our individual liberty.

Today we are free to make the choice between socialism and democracy. But I think we would be closing our eyes if we didn't question the future state of elections in this country. With the dictatorial manipulations now going on in Washington, how can we be sure there will even be free elections in another four years if our choice is wrong this time?

Should we bury our heads in the sand, turn deaf ears to the awful facts that we read and hear? I, for one, think it is about time that I stand up and be counted for the things I believe in, and that for which many of our sons died in battle—country, honesty, integrity, and a free democracy. For me to do less would be breaking faith with my own son who gave his life for the very things many of our leaders seem bent on destroying.

There are other roads to defeat and death besides war. There is a gradual surrender. We are all naturally terrified of a nuclear war, so in our fight we back down at every Communist threat until we will finally reach the wall where further retreat will be impossible, and surrender inevitable.

The Communists are our enemy, though by some of the actions of our leaders, one might wonder. Just look at how we have helped the enemy through the years. We have sent millions of dollars to Communist-controlled countries to stabilize their socialist economy and build up their war machinery, while reducing our own defenses.

We have deserted the victims of their atrocities. We turned our backs on the courageous Freedom Fighters of Hungary, whose victory would have meant other satellites rebelling against the Communists. We shamefully watched as a Communist got in power in Cuba and then turned that island into a Russian military base only 90 miles from our shores! The peoples of the world don't want communism, yet we constantly aid the evils of communism by our inaction and cowardice—evils including purges, mass executions and slave labor camps.

You or I would gladly die to spare any one of our loved ones such a fate. Our dying would not

Roy Long Family Here From Europe

Mr. and Mrs. Roy Long and three sons arrived here on schedule Saturday, flying over from Vienna, Austria, and are visiting her parents, Mr. and Mrs. Fred McGinty. The baby boy was placed in a Lovelland Hospital for minor surgery by Mrs. Long's uncle.

Roy is a Church of Christ missionary in Austria, where they have been three years, and they plan to return after a three month's vacation. Roy is the son of Mr. and Mrs. Eugene Long of Abilene. His dad was associated with The News here before World War II.

Mrs. Kenneth Fallin of O'Donnell was a medical patient in Tahoka Hospital from Thursday until Saturday.

help in the least, but our doing something for them while we live will count.

Because we have been loyal, faithful Democrats all of our lives, must we continue to be led like lambs to slaughter? Yes, I am a loyal, true Democrat, and for that reason I am taking a stand against the dreadful position that great Party is taking. As much as I hate to admit it, our Party is not democratic! It is socialistic. You know this as well as I. And we also know that socialism is only communism in its infancy.

I also know that all Democrats are not socialists. George Mahon is a conscientious, conservative Democrat. The comparison between his record and the administration's is there for all to see. Should these two men really be placed in the same category? I don't think so. And can we really consider Hubert Humphrey, the liberal socialist whom Johnson has chosen for his possible successor, as the kind of Democrat we want in power?

We have a choice to make. We have a stand to take. What are we going to do about it at the polls on November 3rd? We may be Texans and Democrats, but first of all, we are Americans!

Tahoka's First Conference Game At Plains Friday

Tahoka Bulldogs open the 1964 District 5-A conference season tonight at 7:30 in Plains against the always tough Cowboys. Plains defeated Tahoka here last year 14 to 0.

The Bulldogs, losers in four of five starts, had an open date last week and have been working hard to improve their offense. They hope to be able to move the ball a little better in future games.

Plains has won four games and lost one, the loss being to Friona 7-9, and the victories have been over Sudan 30-12, Farwell 19-7, Post 15-14, and Sundown 35-6.

Tahoka has won only one game, over Frenship 12-0, has lost to Lorenzo 0-8, Crosbyton 12-32, Slaton 0-8, and Idalou 0-14.

Among the starters in the backfield for Coach Rip Sewell's Cowboys will probably be: Jack Lowe, 177, senior, quarterback who also plays end; Jim Smith, 169, junior, halfback and end; Dennis Crutcher and Alvie Faulkenberry, each 170 and junior halfbacks; and Joe Dan Cook, 172, junior fullback.

Up front probable starters include: Lowe and Smith, Harold Swann, 162, and Butch Gayle, 162, junior ends; Dan Smith, 185, junior, and N. C. Clananah, 196, sophomore, tackles; Bruce Long, 178, Fred Carnley, 188, and Sidney Pippin, 156, senior guards; and Richard Spencer, 166, senior center.

Also expected to see action are Bobby Taylor, 145, junior quarterback, and Ronnie Elmore, 169, junior halfback.

O'Donnell Opens League Season

O'Donnell Eagles open their 1964 5-A Conference season tonight, Friday, at Stanton against the Buffaloes, back in Class A competition again after having advanced to Class AA for a few seasons.

The Eagles have their first game to win this season, but say they expect to pick up one or two somewhere. The Eagles have lost to Crosbyton 6 to 28, to Ralls 6 to 34, to Spur 8 to 40, to Frenship 0 to 22, and to Slaton 0 to 20.

Stanton has won three games, over Roscoe 12 to 8, over Loraine 50 to 12, and over McCamey 14 to 7; and has lost two, to Big Lake 0 to 32 and to Coahoma 7 to 36.

New Home, Anton Game Tonight

New Home Leopards, following a lay-off this last Friday, will play the Anton Bulldogs at New Home this Friday, and Friday of next week, Oct. 23, the Leopards open their 3-B Conference season by entertaining the Cooper Pirates.

Anton and Cooper tied 6-6 in a game on Sept. 25. Anton had previously lost to powerful Ropesville 32 to 14, won over Hart 33 to 12 on Oct. 2.

Coach Maurice Warren has a bunch of young and inexperienced boys this year who have looked good in spots, fans say. After losing to strong Amherst 32 to 14 New Home won 12 to 0 over Christ the King, and then got stomped by New Deal 42 to 8.

AT TECH-TCU GAME

Mr. and Mrs. Irvin Dunagan made a flying trip last week end, saw the Tech-TCU football game in Fort Worth Saturday night, visited his uncle in Italy Sunday morning, had lunch with his two sisters in Hillsboro, and came back home Sunday night.

WRITES FROM FRANCE

Mrs. C. E. Birdwell reports her daughter, Mrs. Bobby Tomlinson, writes that they are having a big time in France and have done quite a bit of sight-seeing. Her husband is in the Air Force, stationed near Paris, France.

Gov. John Connally signs a proclamation for the Douglas MacArthur of Freedom Week in Texas (Nov. 9-15). Looking on are: Teri Ryden, 6th grade student at Casis School in Austin, and Sam Reed, President of Douglas MacArthur High School Student Council in San Antonio. School students in Texas are raising money for an erection of a statue at the entrance to the Douglas MacArthur Academy of Freedom in Brownwood.

Wall Is Named To AGA Board

Atlantic City—C. I. Wall, president, Pioneer Natural Gas Co., Amarillo, Tex., today was elected to the Board of Directors of the American Gas Association.

Mr. Wall was named to a two-year term at the 46th annual convention of the gas industry's national trade association. Some 5,000 gas industry executives, representing nearly every state in the nation, Canada, Mexico and a number of foreign countries, are attending the five-day convention here.

The new A.G.A. director has been president of Pioneer Natural Gas since 1955, having moved up from executive vice president. He began his utility career in 1927 with the West Texas Gas Co., predecessor firm of Pioneer Natural Gas. While with West Texas he served as vice president and general manager, vice president in charge of operations and, in 1951, as president. In 1954, when Pioneer Natural Gas was organized, he was vice president of distribution and, later, executive vice president.

Mr. Wall is a director of the First National Bank of Amarillo, the Quanah, Acme & Pacific Railway and Amarillo Oil Company and Pioneer Production Corp. He is president and director of Pinaga, Inc., and the Amarillo Area Foundation, a trustee of the Institute of Gas Technology, a director of the High Plains Re-

Wilson Mustangs Meet New Deal

Wilson Mustangs upset Whiteface there 20 to 14 Friday night in a game that saw two touchdowns scored before a few of the fans had even gotten to their seats.

Wilson won the toss, chose to receive. Whiteface kicked off, and Royce Baker took the ball on his own 5 yards line, sprinted and zig-zagged through the entire gang of Whitefaces for a TD. Sammy Crowson ran the conversion.

Wilson kicked off to Whiteface, FB Raymond Guajardo picked up the pigskin on his own 30 and ran 70 yards to score. Conversion failed, and Wilson led 8-6, and there hadn't been a play from scrimmage.

But, the sensational scoring wasn't over. In the second quarter, Crowson got away on a 44 yard run to take a 14-6 lead. In the fourth quarter, Whiteface put together another scoring drive and a conversion to tie it up 14-14. Then, with two minutes left, Crowson got away on a 64-yard run for the victory.

The defending Class 3-B champions, Coach Doug Duncan's Mustangs have now won three games and lost one. The Mustangs lost to Sundown 32-30, but have won over Lazbuddie 26-18, Levelland B 28-16, and Whiteface 20-14.

The Mustangs play the strong New Deal Lions there this Friday. New Deal ran over New Home 42 to 8, held Lorenzo to a 10-6 score, and took Hart 24-6 and Cooper 18 to 8.

Wilson Juniors Defeat Ropesville

Wilson Junior High defeated Ropesville 34 to 24 in a game Thursday night at Wilson. This Thursday night, Wilson Junior High is playing New Deal at Wilson.

In the game last Thursday against Ropes, Rudy Nava ran 55 yards for a touchdown on the first play from scrimmage, scored again later in the game. Habier Salinas ran for another touchdown, and Clinton Martin, center, pulled the dream play of every lineman when he recovered a Ropes fumble in the end zone for a touchdown.

Running over conversions for Wilson were Brade Moore, Joe Crews and Steve Brieger. Larry Brown is coaching the Junior High team.

Every month, we get a beautiful slick-paper magazine from Japan which tells of the great progress in that country, carries color pictures of its industry, all possible (although the magazine doesn't say so) because of American dollars from Lynn county taxpayers. A recent issue was devoted to Japanese textile industry. American cotton is sold Japan at about 8 cents lower than sold American mills. This cotton is manufactured into materials by labor at from 10 cents per hour up, shipped back to the U. S. and sold to American cotton farmers right here in Tahoka. Yet, we people in the cotton country keep voting for people who permit this without even a protest. Write your senators and congressman.

Police in New York City last week began arresting white mothers for protesting, loitering and picketing schools in opposition to transfer of their children to Negro schools, some seven blocks and others as far as five miles across the city, to achieve "racial balance." Actually, we're told by the press, the switching of students is only a token integration move. There has been no move to achieve "racial balance" by transferring Jewish students, Puerto Ricans, Hungarians, Turks, Indians, Spanish or any other race to secure "balance." In other words, the politicians from Lyndon Johnson and Bobby Kennedy down to the New York City school board want Civil Rights for Negroes only, we must presume. Or is it just votes they want? Those New York white mothers have no civil rights.

Labor goons and Negro mobs may picket and protest almost at will, even beat up those who choose to stand in their way, prevent so-called free men from working or supposedly free Americans from entering a store of their choice to make purchases. The merchant's freedom to serve whom he chooses has been taken away. The freedom of choice in regard to whom a person may employ is being restricted. The freedoms our forefathers came to America to find are being limited in the name of so-called "progress."

Quite a few of our readers tell us they have a hard decision to make in this year's election. We can understand that problem.

The Graham Leader broke out with this bit of verse:
Now I sit me down to school,
Where praying is against the rule,
For this great nation under God
Finds public mention of Him
odd.

Any prayer a class recites
Now violates the Bill of Rights;
Any time my head I bow
Becomes a Federal matter now!

New Home Ex-Students need a little help. They would like to know the names of New Home graduates from the years 1929 until 1934. No record has been kept for these years, and anyone with any record or memory of graduates for these years should contact Mrs. Rebecca Ueckert or Mrs. Sue Armontrout. New Home will have its homecoming on October 30 and would like to honor the classes of the above years.

This Sunday is a momentous occasion for two Lynn county Baptist Churches—Wilson and O'Donnell—established 50 years ago this month. Each is furnishing The News a copy of the history of each church, and we'll use a story on these in the near future. The News now has fairly complete histories of the following Lynn county churches: First Baptist and First Methodist of Tahoka, New Home Baptist, Draw Methodist, Wilson and O'Donnell Baptist. Other Lynn county churches should work up some kind of history before all the pioneers have passed on carrying much valuable information with them.

Many old friends are happy to see Mr. and Mrs. I. B. Hill able to be back in circulation again. The News recently enjoyed a visit from the couple. Mr. and Mrs. Hill were critically injured several months ago in the wreck which took the lives of her brother and

sister-in-law, Mr. and Mrs. Chester Short.

Mrs. Dorothy Pyburn brought us several back copies of the Goldthwaite Eagle and Mullin Enterprise, established in 1894, which we enjoyed looking over. Beulah Applewhite Rutledge is also from old Mills county. But, long before either of these ladies was born, there were settlers on the Colorado River and Pecan Bayou, this being one of the oldest settled areas in Western Texas.

Believe it or not, cherry trees are blooming out at the Archie Reece place. Just to prove the fact, Archie brought The News a bouquet of cherry blossoms Monday morning.

Gerald Wayne Tippit, Jerry on "Secret Storm", broadcast from New York City, the TV week-day show, and wife have moved to 315 Cedar Hill Avenue, Wyckoff, New Jersey, where the couple has bought a home. They're glad to get out of the New York City apartment house.

From Texas Outlook, the Texas teachers' magazine: Learn from the mistakes of others. You haven't time to make them all yourself. . . . Some people forget the things learned at mother's knee quicker than those learned over dad's. . . . We've spared the rod and got a beat generation, anyway. . . . A tall, stately girl is merely a long, lanky gal with money.

Didja hear about the Communist living in the USA who tried to get his son accepted as a member of the Yacht Club? Seems he wanted his Red Son in the Sail Set.

"She told me that you told her the secret I told you not to tell her."
"Well, I told her not to tell you I told her."
"Oh, Dear! In that case, don't you tell her I told you she told me."

Boy 1: "Do you believe this business about devils?"
Boy 2: "Nah, it's like that Santa Claus stuff. . . it's just your old man!"

A teacher asked his class to give examples of coincidence.

There was a long silence, then a small boy said, "My father and mother were married on the same day."

No matter where they seat you at a ball game, you're always located between the hotdog peddler and his best customer.—Clipped.

A lady says: "The average man is 36 around the chest, 40 around the waist, 98 around the golf course, and a nuisance around the house."

Mr. and Mrs. Merl (Ina Faye) Stevens of Pueblo, Colorado, were here last week end visiting her parents, Mr. and Mrs. H. R. Minor.

ERROR IN STORY ON INSURANCE SALES

Last week a transposition of figures on a Farm Bureau news story about insurance sales for September made more than a quarter million dollars difference. The story should have said the business totaled \$520,000, not \$250,000.

Of this amount J. D. Atwell sold \$225,000, Charles Reid \$142,500, Bill Dorman \$102,500, and Billy Rhoads \$50,000.

LUBBOCK—At least the first if not the biggest beneficiaries of the current battle to keep boll weevils from overrunning the High Plains will be those in the weevil infested control zone, or those "on the front line," and here's what some of them have to say about the program.

S. J. Braselton, farmer and merchant of Roaring Springs—one of the boll weevil "hot spots"—is enthusiastically supporting the diapause control program. And he has good reason. As a farmer, he has been fighting a losing battle with the weevil. And as a merchant, he says, "If we don't do something about the boll weevil, at least 80 percent of my customers will soon be out of the

cotton business." Braselton, who farms 40 acres of cotton, says the boll weevils began to trickle into the Roaring Springs area in 1961. A year later they were a serious problem, and in 1963 they hit with full force. He spent more than \$20 an acre trying to control the weevils. But they still took one-third of his crop.

As a businessman, Braselton is a "great believer in the private enterprise system." Yet, he doubts that it would have been possible to carry out a diapause control program without the cooperation of government agencies. He was also especially complimentary of Plains Cotton Growers, Inc. for its leadership in the program.

What do the farmers think of the program so far? "I haven't heard one unfavorable comment," says Braselton. He adds, "At 50 cents a bale, we consider the program almost a gift. We couldn't do this kind of job for \$5 a bale." Commenting that even the first treatment looks very good, he says, "Of course anyone familiar

with insects knows you don't get rid of all of them the first time." Polk M. Cooper, who farms 175 acres of cotton in the Roaring Springs area, expresses cautious optimism about the diapause program when he says: "We're hopeful it will help." Cooper's fields were first hit by the boll weevil four years ago and he says, "I would have had a crop for the past three years if I hadn't poisoned." One year he treated his fields 18 times for the boll weevil. Yet, each year he loses about one-third of his crop to this ravenous insect.

As for the effectiveness so far, Cooper says it's too soon to tell. He explains, "I had just dusted the day before my fields were sprayed the first time." However, he did note that the malathion continued to kill the boll weevils for several days after it was applied.

H. C. Smith, Roaring Springs ginmer and farmer, says, "We're all real hopeful and most of us are confident that the diapause control program will work. We all realize that weather conditions have been very bad for the control program but we're 100 percent behind the program." In talking to other farmers, Smith found that "despite the bad weather, the kill was real fine. Almost everyone I heard talk is well pleased."

However, Smith said that "entirely too many farmers" wanted to quit their own dusting and depend on the diapause program to take care of this year's boll weevil problem.

As a ginmer, Smith has an especially big stake in the boll weevil program. He built a new \$350,000 cotton gin just before the boll weevils decided to move in, and says he won't be able to con-

48 Rural Wrecks So Far During '64

The Highway Patrol investigated two rural traffic accidents in Lynn county during the month of September, according to Sergeant A. E. Roberts, Highway Patrol Supervisor of this area.

The wrecks accounted for one person injured and an estimated property damage of \$850.00.

The rural traffic accident summary for Lynn County from January through September shows a total of 48 crashes resulting in 5 persons killed, 27 persons injured, and an estimated property damage of \$20,163.00.

"Accidents go up when the sun

continue operating that gin in that area if the war against the weevil is lost. It's easy to see why. His gin normally gins around 5,500 bales a year. Last year the weevils cut this to 2,900 bales. He doesn't expect the total to be that high this year.

In one final comment addressed to Plains growers, Smith said: "I hope we stop the boll weevils before they go any further. Heaven help those fellows West of here if the weevils take over that expensive Plains land."

Continue Clothing Drive At Wilson

A clothing drive at Wilson is being continued, according to a report received this week for an undetermined length of time.

The project is sponsored by the Wilson Junior High Student Council.

goes down" is not just a mere slogan but the truth. Why? Because darkness hides danger. That is the reason traffic accidents increase during October's shorter days and longer nights. The Sergeant stated, "Sixty per cent of all Texas rural traffic deaths occurred during the hours of darkness last year."

The driver who boasts that he can see as well in the dark or even better than he can during the sunlight just doesn't exist. The hospitals and morgues will attest to this fact. We have news for the driver who still says he has "cat eyes" because science has now proved that even "Tabby" does not see as well after dark as she does in the daylight.

Level terraces are needed in Lynn county Soil Conservation District to prevent water erosion of the land, SCD technicians say. Terraces are constructed on land which has a slope of greater than one percent to hold the rainfall on the land for a longer period of time, providing moisture for the crops.

The Soil Conservation Service laid out 120 miles of ter-

aces in this district during the past year. Approximately 80 miles of these were constructed under the Great Plains Conservation Program and about 41 miles under the Agriculture Stabilization Conservation office.

The SCS is encouraging farmers to put level terraces in parallel where possible, although this may involve more expense in some cases.

'65 Chevrolet Impala Sport Coupe—with new Sweep-line roof.

If what you see moves you, wait'll you take the wheel
(V8's with—GRRRR!—up to 400 hp)

One look at those longer, wider lines tells you it's the kind of car you just couldn't buy before without getting into the higher price brackets. But one drive will tell you a lot more.

You've got your kind of engine going for you. There's an even half dozen of them available this year—anything you name from a quieter, sweeter running 6 to a V8 with the authority of 400 hp. And the road feels like satin because our engineers came up with a new Full Coil suspension system, teamed it with a Wide-Stance design, and made our famous Jet-smooth Ride smoother and more stable than ever.

Beginning to feel like it's your kind of car? There'll be no doubt about it when you drive the real thing at your Chevrolet dealer's.
