## Tahoka, O'Donnell Seek First Conference Victory

Tahoka Bulldogs play the O'Donnell Eagles tonight at 7:30 p. m. in O'Donnell in a game where all past season records mean nothing. The Eagles have been taking victories over Tahoka almost consistently the last few years, and last year defeated the Bulldogs here 24 to 18.

As usual, the stadium will be packed for this one with fans, bands, and pep squads from both towns and by interested spectators, even, from other towns.

On paper, Tahoka may seem a slight favorite. Certainly, the Bulldogs have better man-power this year, but the local team has not been able to produce consistently.

Coach Gilbert Hough's Tahoka boys have won one game, over Frenship 12 to 0, and Coach Allen Holliday's Eagles lost to Frenship 0 to 22. On the other hand, Plains defeated Tahoka 35 to 0, and only managed a 28 to 0 victory over O'Donnell.

With the Eagles having the advantage of their home field, the Bulldogs are expected to have all they can handle, and possibly a little more, at O'Donnell tonight. However, they showed last week at Homecoming that they are capable of playing a full game of football in which every play counts.

Top ball carrier for the Eagles possibly is Jimmy Barton, 167 pound senior. Quarterback Fen Taylor, the Eagles' outstanding 163-pound quarterback, who has missed most of the season because of injuries, has been back in play the last two games and last week is said to have played one of the best games of his career. Gary Reeves, 165, and Harold Bessire, 130, are other outstanding backs.

Among the other top O'Donnell players are Don Richardson, 200 pound tackle, and Ellis Treadway, 160 pound end.

The News had not received an O'Donnell line-up at press time.

## Ex-Students Here For Homecoming

Tahoka's Homecoming festivities last Friday were among the most enjoyable ever held by local ex-students, several have declared.

A crowd of exes and students filled the school auditorium for the afternoon program, at which James Minor of Post was the principal speaker, fully 125 were at the 6:00 p. m. banquet preceding the Tahoka-Wink football game, and many others were at the game. Some ex-lettermen also attended the pep rally and bonfire held the evening before.

Most of the members of the Class of 1944 were present for the reunion.

There was no formal program at the evening meal, and most of the time was spent visiting. The Combo Orchestra furnished music.

Mrs. Kenneth (Macky) Turner, said usually about 60 attend the affair, food was prepared for 80, and 125 showed up. Some went away hungry, but none seemed to mind too much.

In a brief business session, Mrs. Grady Lankford was elected the new Ex-Student Association president; H. W. (Sam) Edwards, vice president; Mrs. Natt Park, secretary; and Billy Tomlinson, reporter.

They succeeded Mrs. Turner, president; Tom Hale, vice president; Mrs. Bert Stevens, secretary; and Mrs. Leonard Dunn, reporter.

For a story on Minor's talk see back page of Section 2 of this issue.

**MRS. STEWART HAS STROKE**  
Mrs. Charley Stewart, 81, is reported to be improving from a light stroke she suffered last week. She entered Tahoka Hospital Friday.

## CROP Collection Set For Saturday

Churches in Wilson and New Home areas plan a Halloween "trick or treat" drive Saturday night for benefit of CROP. Citizens are asked to welcome the young folks making the collection and to contribute liberally.

Christian Rural Overseas Program is a program in which food and clothing for needy of foreign lands are gathered and distributed by Christian peoples, and is a way of giving real help to people on a person-to-person basis.

The program is conducted by volunteers, and aid goes where needed to victims of warfare and natural disasters, sick and disabled children and aged, and has also given help and encouragement of many people to do more for themselves.

Funds raised from this area will, for the most part, be converted to cotton goods. Other areas send wheat, corn, canned goods, etc.

Tahoka churches, along with others over the county, plan other types of collections for CROP, states Rev. Robt. Kamrath, county chairman.

## United Fund Is Short Of Goal

Tahoka's effort at putting over a United Fund Drive for four agencies usually supported in four drives is not going over very well, states Dr. Gerald Wood, chairman of the organization, and Binie White, drive chairman.

Only about 2,600, or about 45 percent, of the \$5,800 budget had been actually reported by workers up until this Wednesday.

Some workers have left pledge cards and not gone back for them, some have not finished contacting their lists, and some donors have cut the amount of their contributions, Dr. Wood says.

The UF drive is an attempt to raise the needed funds for Boy Scouts, Girl Scouts, Red Cross and Salvation Army in one drive instead of four, as has been the case in the past.

**MRS. JAMES TO SLATON**  
Mrs. Angie James, 86, medical patient in Tahoka Hospital this last week end, has been transferred to Mercy Hospital in Slaton.

**FOOTBALL QUEEN**—Carla McNeely, senior, daughter of Mr. and Mrs. Arlie McNeely, was crowned Tahoka Football Queen in pre-game ceremonies Friday night at the Homecoming game. (Photo by Finney)

## Wilson Postoffice Being Enlarged

Wilson postoffice quarters are being almost doubled in size with the addition of 1100 square feet of floor space from the adjoining building on the south, owned by Postmaster Pat Campbell.

Wilson recently became a second class office, but even before quarters had been cramped and the increased size was badly needed.

From 50 to 60 new boxes will be added, some new fixtures installed, asphalt tile floor laid, a rearrangement of fixtures for looks and convenience performed, and the building interior redecorated according to Postoffice Department specifications. Completion is expected in the near future.

A government team will install the new fixtures.

Incidentally, Elmer Rice, carrier out of Wilson, Route 1, says the new New Home postoffice installation is proving popular. Mail now can be routed to New Home boxholders either through Tahoka or Wilson postoffices, he says. Of course, those with rural route boxes in New Home area will continue to receive their mail on their respective routes.

## O'Donnell Calls Bond Election

O'Donnell school board has called a bond election for Saturday, Oct. 31, on two proposals for school improvements totaling \$140,000.

Proposal No. 1 is for addition of six classrooms to the present high school building at a cost of \$76,000 for the building, rest rooms and furnishings.

If approved, the high school would become a combination high school and junior high, permitting use of the present junior high for the overcrowded grade school.

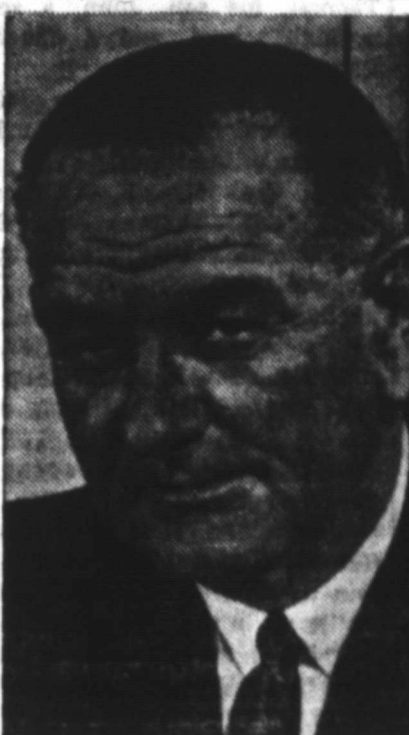

Proposal No. 2 is for dressing room and other facilities for boys and girls physical education in junior high and high school, toilet facilities, etc. Cost of these additions are estimated at \$64,000, for which the bonds are proposed.

The board says these bonds could be retired in 16 years without an increase in tax rate or valuation unless something unforeseen materializes. Present rate is \$1.76 per \$100 valuation.

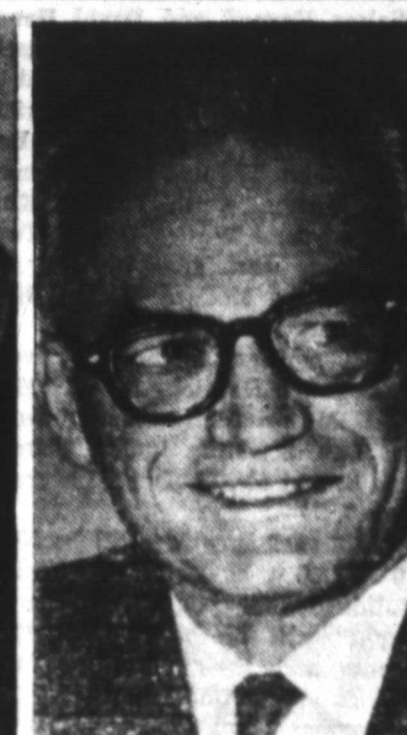

**BREAKS COLLAR BONE**  
Jesse Rodriguez, Lubbock, received a broken collar bone in a car wreck Sunday, and was treated at Tahoka Hospital. He is employed by New Home Gin.

Tahoka's ZIP Code is 79373.

# General Election Tuesday

LYNDON B. JOHNSON

BARRY M. GOLDWATER

One of the hottest presidential campaigns in many years will come to a climax with the General Election next Tuesday, Nov. 3, when voters across the nation go to the polls to elect a President, Vice President, and other officials on the state or local level.

Heavy voting is expected in most places, and Lynn county is not expected to be an exception.

## Senator Yarborough Visitor In Tahoka

Senator Ralph Yarborough made a brief visit to Tahoka Thursday noon and met a number of local supporters at Lyntegar building. On a whirlwind tour of the South Plains, he was to have arrived at Tahoka Airport at 11:45 a. m. and left at 12:45 p. m.

A dinner was being held in his honor Thursday night at KoKo Palace in Lubbock.

## Mahon Honored In City Tuesday

More than 200 people greeted Congressman George Mahon and wife, Helen, Tuesday afternoon from 2:30 until 4:00 o'clock in the City-Legion building.

In a brief talk, addressed principally to a Tahoka High civics class, Mr. Mahon explained some of the difficulties of our increasingly complex government and issued a plea for tolerance and understanding.

He declared the U. S. is strong, the future is bright, and we must keep our nation at the top militarily, morally, and spiritually.

The meeting was sponsored by Lynn County Democratic Women, with Mrs. Clint Walker heading the committee. Mrs. Eldon Carroll registering guests, and Mmes. Garland Pennington, Truett Smith, Albert Curry, and John F. Thomas serving punch, coffee, and cookies. The hall was decorated by Mrs. E. R. Edwards, Mrs. E. L. Short and Mrs. Calloway Huffaker.

## CHANGE IS MADE IN SOUTH TAHOKA VOTING PRECINCT

Polling place for South Tahoka voting precinct has been moved to the City-Legion building, where there will be much more room, according to County Judge W. M. Mathis.

Heretofore, elections in the precinct have been held in cramped quarters in the court house basement.

## J. O. King, 82, Dies Wednesday

J. O. King, 82, of Wilson, pioneer retired Lynn county farmer, died suddenly of a heart attack Wednesday at about 11:20 a. m. after collapsing in Lubbock at 13th Street and Avenue H. He had stepped from his car and was going to a nearby store when fatally stricken.

Funeral services will be held at 10:00 a. m. Friday in Wilson Methodist Church with the pastor, Rev. W. O. Rucker Jr., officiating. Burial will be in Tahoka Cemetery under direction of White Funeral Home.

James Oscar King was born April 7, 1882, at Corsicana, Navarro county. He was reared in Montague county. He came to Lynn county in February, 1904, to work for the Dixie Ranch north of Tahoka. There he met Minnie Lee Luttrell, also working at the ranch, and they were married on August 4, 1904, at the Luttrell home southeast of Tahoka. They observed their 60th wedding anniversary just a few weeks ago.

They farmed in the Midway and Three Lakes communities before buying a farm near Dixie in 1914, where they lived until retiring in 1952 and moving to Wilson.

Mr. King was long active in community and county affairs and in the Methodist Church.

Survivors include the wife; two daughters, Mrs. G. P. Bailey of Odessa and Mrs. Lee Taylor of Morton; four sons, Rev. John Paul King of Gary, Okla., James Lemuel of Panhandle, Wilson of Oklahoma City, and Lonnie of Plainview; two sisters, Mrs. J. B. Durham of Lubbock and Mrs. Emma McDaniel of Farmington, N. M.; 16 grandchildren and 14 great grandchildren.

Pallbearers will be Chester Swope, Luke Coleman, James Savell, Charlie Lichey, Clarence Church and Robert Lamb.

Cotton can be made stretchable with a high twist of yarns.

## Dog Vaccinations Are Next Thursday

Arrangements have been made for a veterinarian to be at Tahoka City Hall next Thursday, Nov. 5, from 3:00 to 7:00 p. m. to vaccinate dogs for rabies and distemper, states Police Chief Jack Miller.

At least five dogs died here last week from distemper, Miller says. Tags will be issued following vaccination, and also city license tags may be secured if needed.

Mrs. Oscar Follis of Wilson is a medical patient in Tahoka Hospital and is reported to be improving.

Mrs. T. L. Gaines, who underwent surgery recently in Tahoka Hospital, was released Tuesday.

**STATE FAIR GRAND CHAMPION** winner in the Junior Livestock Show swine division was Spotted Poland China barrow of James White, 18, son of Mr. and Mrs. J. F. White Jr. and a senior in O'Donnell High School. The barrow was grand champion of the breed and also of the show. White is a Lynn County 4-H Club member under County Agent Bill Griffin. (See story on back page.)

Democratic nominee Lyndon B. Johnson of Texas, who succeeded to the presidency last November with the assassination of President John F. Kennedy, is opposed by Republican nominee Senator Barry M. Goldwater of Arizona.

Johnson's running mate for the vice presidency is Senator Hubert H. Humphrey of Minnesota, and Goldwater's running mate is Congressman William E. Miller of New York.

There's a third party of nominees on the ballot, the Constitution Party, but this is not expected to cut much figure in the balloting except that many voters will forget to mark out this column—in which case their ballots may not be counted.

In fact, those voting split ballots must be very careful with the marking of their ballots if they are to be counted.

In 1960, a total of 285 voters out of 3,125 cast failed to get their votes counted in Lynn county because of irregular marking.

In addition to the race for president and vice president, there is considerable interest in Texas this year in other campaigns.

Democratic incumbent Senator Ralph W. Yarborough is opposed by Republican nominee George Bush for a six year term as U. S. Senator from Texas.

Considerable interest has also been stirred up in the candidacy of Republican Bill Hayes of Temple to replace Joe Pool of Dallas as congressman at large from Texas.

Local congressman George Mahon of the 19th District, is opposed by Joe Phillips of Lubbock, Republican nominee, but Mahon's re-election seems certain.

There are other token races, but Democrats the rest of the way down the ballot seem certain of election.

Of great importance to Texas voters are three proposed Constitutional Amendments at the bottom of the ballot to be voted upon. No opposition of any consequence has been registered to any of these proposals.

No. 1 would protect the Texas Permanent School Fund by removing authorization of the Legislature to transfer up to one percent annually from this fund to the Available School Fund.

No. 2 would require notice to the public and to other agencies when legislation is sought creating or altering conservation and reclamation districts.

No. 3 authorizes legislation to enact a program under the Federal Kerr-Mills Act of financing help for Texans 65 years of age and older in health care benefits for those not on Old Age Assistance but who are unable to pay for needed medical services.

Leading Texans and local citizens who have studied the three proposals recommend their passage.

## Methodists Install Pulpit Furniture

Sanctuary of the new Methodist Church has been completed, all pulpit furnishings installed, and workmen are expected to complete leveling of the old building site today.

Work of constructing the south wing of the new \$156,000 church building will start at once, and this portion is promised for completion by the contractor before December 1, according to Rev. Aubrey White, pastor.

Rest of the building has been completed, but the south wing could not be completed until the old building was razed and the lot cleared. The hole left by the basement is being filled and 18 inches of topsoil hauled in to place on the lot.

**YOUNG SUFFERS STROKE**  
Home Young of Wilson, who suffered a stroke last Friday, is reported to be improving at Tahoka Hospital, where he is patient.

### Fire Prevention Programs Given

Fires don't just happen—they are caused, Joe Smetana, Safety Director of the Texas Farm Bureau, pointed out in a gigantic fire demonstration held Thursday, Oct. 23 at New Home and Wilson high schools. He went on to name the three causes for most fires: "men, women and children."

In the 45-minute program Smetana used a variety of demonstra-

tion equipment and materials placed on tables 16 feet in length to dramatize seven basic facts about fire, its use, and control: (1) what fire is; (2) how to control fires; (3) the fact that nothing is fire-proof; (4) kitchen fires and their control; (5) fuel vapors; (6) the power of petroleum products; and (7) household wiring and overloaded electrical circuits.

Using a "fire triangle board," Smetana illustrated that fire is like a three legged stool—it can't work with one of the legs missing. The "legs" fire depends on are

### "Fair Time" Held By Cub Scouts

Cub Scout Pack 782 met Oct. 23 at 7:30 p. m. at the City-Legion Building. It was "fair time" at the monthly meeting and the Scouts had games, booths, food and drinks. There were 117 in attendance.

W. W. Gurley, Cubmaster, presented the following awards: Bobcat badges, Todd McNeely, Billy Marett, Scott Swan, Louis Zedlitz, James Dee Marett, Robert Pool, David Henry and Stan Lovelace. Wolf badge: Gary Lewis; Bear badge, Ben Carr.

Receiving arrow points for extra work were Todd Beckham, Danny Tilley, Tommy Henry, and John Thomas. Densetsu badges were given Jeff Roberts, Mark Leverett, Kent Payne and Stephen Hyatt. Gary Lewis, Terry McCord, Walter Hagood and David Henry received assistant denner badges.

One-year pins were presented to Walt Hagood, Carlton Harvick, Danny Tilley, Gary Miller, Ben Carr, John Thomas, Jim Thomas, Ken Turner, Keith Turner, Kirk McNeely and Wesley Boone. Two-year pins were given to Jeff Atwell, Gary McCord, Robin Harvick, and Leslie Paris.

Den mothers introduced were Mrs. Billie Harvick, Den 1; Mrs. Pearl Miller, Den 2; Macky Turner, Den 3; Mrs. Junior Marett, Den 6; and Mrs. LaQuita Leverett, Den 7.

Next pack meeting will be Nov. 19 at 7:30 p. m. at the City-Legion Building when "Cub Scout Genius Night" will be held. All Cub Scouts and their families and friends are invited to attend.

(1) fuel, (2) heat and (3) air. He stated that in American homes these three things come together in deadly and destructive combination every 57 seconds—an average of 1,500 home fires every day, causing more than 5,000 deaths in home fires every year.

Creating quite a loud explosion from one single drop of gasoline, Smetana stated that one gallon of gasoline contains approximately 155,000 drops and under ideal conditions, could produce an explosion force equal to the power of at least 30 sticks of dynamite.

After demonstrating how fires can be caused by overloaded electrical circuits and improper fusing, Smetana pointed out that many fires of this type are blamed on faulty wiring. He suggested that "faulty thinking" is involved more often than "faulty wiring."

Kenneth McClung assisted with the demonstrations at New Home and Steve Meador at Wilson. Lynn county Farm Bureau sponsored the visit of Mr. Smetana.

## GRASSLAND NEWS

(Mrs. O. H. Hoover)  
I am sorry there was no Grassland news last week but I was in Grandfield, Okla., and didn't get home in time. I will try to not let it happen again.

Mr. and Mrs. S. L. Turner went to Center, Texas, last week to attend the funeral services for Mrs. Turner's father, Lon Crawford. We extend to them our sincere sympathy in their loss.

Congratulations to Mr. and Mrs. Gerald V. Norman on birth of a new baby boy. He weighed nine pounds four ounces and his name is Michael Kim. He has two sisters, Judy and Jodie, and a big brother, Wren.

Visiting Mrs. Eunice Thomas Sunday were her son, Dr. A. G. Thomas, his son, John, a senior in high school, and a daughter, Elaine of Kermit.

Mrs. E. A. Thomas is visiting her son and family, the John Paul Lawsons of Andrews.

Last week Mrs. E. A. Thomas, Mrs. Eunice Thomas, Mrs. Ethel Fox and Miss Gladys Fox spent the week at their cabin on Lake Buchanan. They came home but the fish stayed. They reported the lake had risen about 17 feet and was muddy. Better fishing later on.

Miss Dixie Davis spent the weekend at home with her parents, Mr. and Mrs. Leroy Davis. Her sister, Mrs. Linda Gibson, and twin daughters were also visitors.

Visitors in the Ralph Dean home over the weekend were her sister, Mrs. C. L. Holbert and daughter, Tanya.

G. H. Spears was a patient in the Tahoka Hospital from Thursday until Wednesday. He and Mrs. Spears are taking the baths and treatments at the Stovall wells. We wish for them a speedy recovery.

Amos Gerner, Lee Mason and Dan Stewart have returned from a fishing trip to Falcon Lake. They got a nice catch of fish. They camped out and slept in a tent. Lee got to talking in his sleep and woke Amos. During the hassel, a large black and white cat ran out of their tent. He had started plundering in their food. Needless to say, he got out in a hurry.

Fay Claborn, sheriff at Post, was hospitalized for several days in West Texas Hospital for observation. He is now at home and we wish him a speedy recovery. Oct. 21 was Mr. and Mrs. Claborn's thirty-first anniversary and Mrs. Amos Gerner took them a wonderful supper at the hospital. Visiting them were their son, Gene, and daughter, Mrs. Marie Anderson and children of Roswell.

C. M. Greer's niece and family, Mr. and Mrs. Donald Holden of Odessa spent the day with them Sunday. Their daughter, Ruby and husband, Morris McClendon came in the afternoon.

Mrs. Walter Caswell was a medical patient in the Medical Arts Hospital in Lamesa several days last week.

Loyd Barnes was also in the Lamesa hospital for blood poisoning.

Mrs. Lorene Gerner and Laura took Mrs. Ruby Claborn and Mrs. Marie Anderson to Lubbock for a visit with Mr. Clayborn Thursday of last week. Lorene visited her mother, Mrs. O. F. Haley Saturday.

Mrs. J. W. Hawkins, wife of a former pastor at Draw Methodist Church, is visiting here.

Mr. and Mrs. J. C. Bailey have returned from their fishing and visiting trip to East Texas. They were gone three weeks.

J. M. Haley and his helper, Shortie Bell, have been working his mother's house over. They remodeled the siding and painted it white.

Mr. and Mrs. Amos Gerner and Laura went to Stamford Sunday and spent the day with the Al Smith family. A number of other visitors were present and everyone had a good time.

Mrs. C. C. Jones' sister, Mrs. Cardie Laws of Tahoka spent Sunday with her. Monday they went to Post and stayed until Tuesday with their sisters, Mrs. Ivy Young and Nannie Cooper. They also visited Mrs. Carl Jones.

Visitors in the Gerald Norman home Saturday and Sunday were Mrs. Norman's sister and children, Kathryn of Seagraves, and Mr. and Mrs. J. A. Bass of Brownfield.

W. G. McCleskey's brother-in-law, J. G. Hendricks of Baird was an overnight guest last week and went on to Plainview to visit a brother there.

Mmes. Huffaker, Murray, Cunningham, Gribble, and McCleskey and Rev. and Mrs. Ira Campbell helped Earl Gregg pack his things to move to Abernathy. Earl has sold his farm to the Norman

### Walker's Brother Is Heart Victim

Mr. and Mrs. J. E. (Ebb) Walker returned home Thursday night of last week after attending funeral services for his brother, W. L. Walker of Amarillo.

Mr. Walker, 67, passed away suddenly Sunday, Oct. 18, following a heart attack at his Amarillo home. Burial was in Omaha, Texas, the Walkers' former home.

Mr. and Mrs. Walker were accompanied to the services by their daughter, Mrs. Jesse Mize of Falls, and his sister, Mrs. Donald Combs of Midland.

## Miss Dorothy Bingham And John Draper Married In Sunday Ceremony Here

Miss Dorothy Carolyn Bingham became the bride of John Gordon Draper in a double ring ceremony read Sunday at 4:00 p. m. in Tahoka Church of Christ. James A. Petty, brother-in-law of the bridegroom, officiated.

The bride is the daughter of Mr. and Mrs. Jim Bingham of New Home. Draper is the son of Mr. and Mrs. Howard M. Draper of Tahoka.

The couple repeated vows before an arch of pom-pom mums and baskets of large yellow mums. Wedding music was furnished by a chorus from Lubbock.

When given in marriage by her father, the bride wore a street-length dress of white brocade with a bateau neckline, long sleeves and a side pleated skirt. A tiara of rhinestones and pearls held a short veil. She carried a cascade arrangement of stephanotis and a white cattleya orchid.

Mrs. Bob Garrett of Weslaco, the bride's sister, served as matron of honor. Bridesmaids were Misses Karen and Norma Farris. They wore pale yellow wool dresses with three-quarter-length

sleeves. Their yellow head bands held yellow net. They carried cascade arrangements of large yellow mums and pom-pom mums.

Best man was Dr. Pat W. Brecheen of Snyder, brother-in-law of the bridegroom. Groomsmen were Robert T. Draper and H. Bland Draper. Seating guests were Morris W. Bingham and James Bingham of Tahoka, Kent G. Gibson, Lubbock, and Jay Gurley, Clovis, N. M.

Following the ceremony a reception was held in the home of Mr. and Mrs. M. Bland Draper, 1715 North Second. Members of the houseparty were Mmes. Robert Draper, Morris Bingham, both of Tahoka, and Mrs. Mary Studman of Odessa. Mrs. James Bingham registered guests.

Mrs. Draper attended Tahoka High School. Her husband is a graduate of the school, attended Abilene Christian College and is now farming.

The couple is making their home at 1728 North Sixth in Tahoka.

**Clark-Phillips Wedding Date Set**

December 11 has been chosen by Miss Glenda Lee Clark and Terry Alan Phillips for their wedding in the First Baptist Church in O'Donnell.

The bride-elect is the daughter of Mr. and Mrs. L. G. Clark of O'Donnell, and Mr. Phillips is the son of Mr. and Mrs. K. W. Phillips, also of O'Donnell.

Miss Clark is a graduate of O'Donnell High School and is attending Texas Tech. The prospective bridegroom was also graduated from O'Donnell High School and will attend Texas Tech.

Friends and relatives of the couple are invited to the wedding.

**Garden Club On Visit To Ruidoso**

Two car loads of Tahoka Garden Club ladies went to the New Mexico mountains on a three day trip last week. Club president, Mrs. H. R. (Clifford) Tankersley was the hostess at her Ruidoso cabin.

Ladies making the trip were Mmes. W. H. Kenley, Roy Edwards, V. F. Jones, John Toler, Alice Fortenberry, Clay Bennett, K. R. Durham, and Tankersley.

One thing the ladies especially enjoyed was the cold nights and the warmth of the burning logs in the large open fireplace.

The group also enjoyed drives through the mountains to Cloudcroft. The aspens, with their golden leaves, scattered among the Ponderosa pines, and other trees with their bright fall colors were beautiful.

They had group at the Cloudcroft lodge and later visited with Prentice Walker, formerly of Tahoka and Brownfield, who has a gift shop and operates Knotty Pine Lodge. They missed seeing his wife, Helen, as she was bringing her mother, "Bob" Rutledge, back to Tahoka.

On the return trip to Ruidoso, the ladies visited Mayhill Nurseries.

All agreed that this was a most wonderful trip and expressed a desire to go again some time.—Reporter.

**CHEST X-RAY UNIT AT O'DONNELL NEXT TUESDAY**

The mobile X-ray unit from Lubbock County Tuberculosis Association will be in O'Donnell on Tuesday, Nov. 3, and all people of this and neighboring area are invited to take advantage of the visit. A contribution of at least 50 cents is requested to pay expenses.

O'Donnell Young Homemakers are sponsoring the unit's visit as a public service to the community. Citizens of Tahoka are invited to have X-rays made, as are all others of this section.

Mrs. Harold Hohn and Mrs. Jim M. Burkett are general chairman of this project. Mrs. Harold Sanders is in charge of newspaper and radio publicity. The telephone committee is composed of Mrs. David Franklin, Mrs. Kenneth Williams, Mrs. Mack Forbes, and Mrs. A. F. Allen. Mrs. Freddy James will take care of the clerical work. The poster committee is composed of Mrs. Harold Brumit, Mrs. Jerald Barton, and Mrs. Buster Snellgrove.

**Hallow'e'en Fete Saturday Night**

The annual Rainbow Halloween carnival will be held Oct. 31, at 7:00 p. m. in the City-Legion Building.

Fun and food will be provided for all. Admission is 25 cents. Everyone is urged to attend, old and young alike. Dancing, spook houses, booths and a farmer's store will add to the fun and excitement for everyone.

The Halloween carnival has been sponsored each year by the Tahoka Rainbow Assembly No. 234. Order of the Rainbow for Girls and a cordial invitation is extended to the people of Lynn county to make this year's carnival another success.

Mr. and Mrs. Horace Rogers, over the week end visited her parents, Mr. and Mrs. J. B. Elmore of Belen, N. M., formerly of O'Donnell.

Keep to the right or you will be left.

**No Duplicate Play On Election Day**

There will be no duplicate play next Tuesday night at T-Bar Country Club on account of the election, according to Mrs. John Wells, director.

Winners in master point play this Tuesday night were: August Plate of Lubbock and Mrs. Winston Wharton, first; Stan Stone of Lubbock and Mrs. Bill Lumsden, second; Mr. and Mrs. Jack Clendenin of Lubbock, third; Mrs. A. N. Norman Jr. and Mrs. D. W. Gagnat, fourth.

**Program Given By Girl Scouts**

Tahoka Girl Scouts met in a regular meeting Tuesday at 4:00 p. m.

For a part of the program Donnie Dudgeon, Eunice Smith and Penny Parker played a trio on the horns. They played "America" for the troop to sing. Popcorn balls and cokes were served for refreshments.

Present for the meeting were Sandy Woods, Debbie Bailey, Cindy Raindl, Barbara Roe, Eunice Smith, Debbie Renfro, Donnie Dudgeon, Penny Parker, Mrs. Dudgeon and Mrs. Roe.

# WILSON NEWS

(By Mrs. Ted Melugin)  
 The Mustang Football team played their sixth game of the season, Thursday night at Wilson, against the Crosbyton Chiefs "B" team. The score was Wilson 30, Crosbyton 14.  
 The Mustangs will play at New Home Friday night for their first district game. Game time 7:30 p.m.  
 The Jr. High team will play Cooper there on Thursday night. This will be the final game and we want to give the boys praise for the fine effort they have put forth this season.  
 Wilsonites are pleased to learn that Jiggs Swann was selected for a five year term representing the

Wilson area as Supervisor for the Lynn County Soil Conservation District. Mr. Swann has a wife, Myra, son, Tommy, freshman at Tech and a daughter, Karen, a sophomore at Wilson High School. Swann farms six miles northeast of Wilson.  
 Rodney Maeker, son of Mr. and Mrs. Edmund Maeker, has been chosen as president of Texas Lutheran College Choir for this year. There are forty-nine members in the Choir, they tour the states and have also toured Canada and Mexico. Rodney was a 1961 graduate of Wilson High School.

The Mustang band students have been selling Texas Manor fruit-cakes. These cakes are very delicious and make nice gifts, also. The cakes sell for \$3.75 each.  
 The Mother and Daughter FHA Banquet was held Tuesday night at 7:30 p. m. in the school cafeteria. Each class put on a program that was very entertaining.  
 The Wilson Co-Operative gins have ginned between 900 to 1000 bales of cotton already this season. The weather has been ideal for harvesting. Wilson received no rain or hail, as did some of the surrounding area, on Saturday night.  
 Visiting in Mr. and Mrs. Elbert Gunn's home last week was a long time friend from Levelland, Mr. John Mayo.  
 Sympathy is extended to Mr. Zant upon the loss of his grandfather. Mr. and Mrs. Zant, Leland, Karen and Renea attended the funeral services in Levelland last week.  
 Sympathy is also extended to Harold Moore family upon the loss of his brother-in-law, Mr. W. L. Savage, who was killed in a truck-train wreck last Tuesday morning, leaving a widow and three children. Mr. and Mrs. Harold Moore attended the funeral services Thursday in Levelland at the Cactus Drive Church of Christ.  
 Mr. and Mrs. O. D. Woody enjoyed as weekend guests their daughters and family, Mrs. Hollis Henderson and three children from Oil Center, New Mexico, and Mr. and Mrs. Elder McCarty from Midland.  
 Sunday afternoon Mr. and Mrs. Willie Nieman of Lakeview visited his mother, Mrs. Katie Nieman. Also visiting were Mr. and Mrs. Fred Munson, of Lubbock.  
 Mrs. H. C. Fountain was happy to have each of her four children visit her Sunday. They were Mr. and Mrs. C. W. Fountain of Dallas, Mr. and Mrs. J. T. Fountain of Amarillo, Mr. and Mrs. Earl Tunnell of Tahoka, Mrs. Bill Deaver of Slaton, also a niece, Mr. and Mrs. Everett Harris of Rising Star.  
 Venita Kyzer spent the weekend with her parents, Mr. and Mrs. George Deaver of Slaton.  
 Mr. and Mrs. Ted Melugin, Lynda and Troy visited Sunday night with Mrs. Melugin's mother, Mrs. Hacker in Slaton. Also visiting were her brother and sister, Mr. and Mrs. Harold Hacker and baby, Ellen, of Clovis, New Mexico and Mr. and Mrs. Cecil Penny, of Lubbock.  
 Mr. Homer Young suffered a light stroke Thursday and is now in the Tahoka Hospital. Several friends of Wilson are taking turns in sitting up with Mr. Young, as he requires attention at this time, and is unable to speak.  
 Mr. M. M. Mahurin is in the Methodist Hospital at Lubbock after receiving a broken leg in a fall from a butane tank last Thursday afternoon.  
 Mr. and Mrs. Cecil Fields have returned home after visiting Mrs. Fields' mother, Mrs. J. H. Hornsby, in Ladonia, and also visited in Houston with their daughter's family, Mr. and Mrs. George Webb and son, Jay.  
 Mr. and Mrs. Glynn Moore and children and Mr. and Mrs. J. L. Turner and children have returned home after a weekend trip to Commerce, visiting their parents, Mr. and Mrs. John Turner.  
 A happy birthday is wished to Patsy Shaw, Rodney Maeker and

## Jacobs' Father Death Victim

Albert L. Jacobs, 83, frequent visitor over the years in Tahoka with his son, L. F. (Jake) Jacobs, and family, died Monday afternoon in a Pampa hospital. He had made a number of friends in Tahoka while visiting here.  
 He suffered a stroke on Sept. 6, as he was en route to Pampa with his Tahoka son and was hospitalized in Plainview, later moved to Pampa, where a daughter lives while visiting here.  
 Funeral services were held Thursday at 2:00 p. m. in Ulmer Funeral Home Chapel in Carthage, Mo., and burial was in the cemetery there beside his wife of 61 years who passed away in 1961.  
 Born in Paris, Ill., in 1880, he was married there in 1900 to Viola Adams. He was an interesting man, had an interesting career, was a friend to scores, and left a host of friends, especially in the North Panhandle.  
 As a young man, he was a professional baseball player. He and his wife homesteaded in Beaver county, Oklahoma, in a half dug-out. They moved to Spearman, Texas, in the early 1920s, was in business there several years, and served several terms as county commissioner of Hansford county. On retiring in 1950, he and his wife moved to Carthage, Mo.  
 Survivors include three daughters, Mrs. Frank Hogsett of Pampa, Mrs. Claude Schell of Perryton, Mrs. Earl Carpenter of Woodward, Okla.; four sons, Arthur L. of Carthage, Mo., Elmon of Spearman, Ledru F. of Tahoka, and Jerry of Edna; one sister, Miss Mary Jacobs of Paris, Ill.; two brothers, Dudley of Paris, and a twin, Gilbert of near Phoenix, Ariz.; 21 grandchildren and 47 great grandchildren.  
 "Jake" Jacobs, Tahoka athletic director and North Elementary school principal, arrived at his bedside Monday before his father's death, and Mrs. Jacobs and three daughters, Vicki, Becky and Fran joined them there that evening.  
 Mrs. B. A. Young, patient in Tahoka Hospital, was dismissed Saturday.  
 The gin was invented in 1793.

**VOTE FOR THE TEXAN WHO LEADS THE FREE WORLD!**  
 For the past eleven months, for the first time in our history, a native son has led our nation and the free world. And every Texan can take pride that President Johnson has met the awesome burdens of the office with courage, wisdom and restraint.  
**THE ISSUE TUESDAY IS SIMPLE: WHO CAN BEST LEAD OUR NATION IN A TIME OF CHALLENGE AND PERIL?**  
 To which man do you feel most comfortable entrusting the security and well being of yourself and your children for the next four years—  
 A man who wants to turn back the clock of achievement... a man who has worked consistently against progressive measures in the Senate... a man virtually untested in a time of crisis?  
 Or a man who has dedicated his entire life to public service... who has demonstrated, under five administrations, progressive leadership in working for a better way of life for all Americans. A man who has proved his courage under fire... has demonstrated his unswerving strength to meet any aggressor with firmness, yet restraint?  
**PRESIDENT JOHNSON HAS PROVIDED RESPONSIBLE LEADERSHIP FOR MORE THAN A QUARTER OF A CENTURY**  
 For almost three decades, President Johnson has been a pillar of strength for Texas and the nation. As Congressman, as Senator, as Majority Leader, as Vice President, and now as Chief Executive, he has written a proud record of progress.

## Ex-Bulldogs At T-Club Meeting

Ten ex-Bulldogs from five championship Tahoka teams were present and made talks at the meeting of the Bulldog T-Club Thursday night of last week preceding the Tahoka-Wink homecoming game.

Coach Gilbert Hough and Athletic Director Jake Jacobs both said the boys seemed impressed and encouraged with the talks made by these older Bulldogs, and the old champs seemed to enjoy meeting with the present team.

Present at the meeting were James F. (Sonny) Roberts and E. L. Short of Tahoka, of the 1940-1942 period; Rev. Gordon Smith, Shallowater; Gilbert Hough, the present coach, from the 1947-48 team; Lynn Carl Halamick, Brownfield; James Foster and J. B. Ables, both from Lubbock; Wayne Tekell, Jimmy Williams, and Wiley Lee Curry, all from Tahoka area.

These and other Bulldogs will be watching for results of this year's Tahoka-O'Donnell game.

**SENIOR DANCE SUCCESS**  
 Students, exes and faculty members turned out Friday night, Oct. 23, for the parent-sponsored dance at the City-Legion Building. Sponsored by faithful parents of the seniors, the dance was held from 10:15 p. m. to 12:30 a. m. Over \$100.00 made from the event went to the fund for a senior trip after graduation.

**FRESHMEN WINNER**  
 The members of the Freshmen class were presented with a \$5.00 check for the best exhibit for the homecoming activities. Their exhibit consisted of a Bulldog witch and her "brew" which was used to kill the wildest which hung on the opposite side. All exhibits from the seventh grade through the senior class had something to do with the homecoming event.

**FHA ASSEMBLY**  
 Tuesday, Oct. 20, the FHA girls held their first assembly of the year. Each officer had a part in the program, each putting up one piece of an octagon and a white cross atop these pieces. Prior to the more serious part of the program, Jackie Burnett, Eddie Howard and James Hollars sang some folk songs. Jean Filippin led the student body in a "hootenanny".

Tahoka's ZIP Code is 75753.

## Letters From News Readers

(The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.)

**News Readers:**  
 We would like to clarify a few vague points brought to the readers' attention last week.

First of all, we believe that most people will agree there is definitely a difference in the basic philosophy of the two great parties. The Republican philosophy is one of free enterprise and individual rights as provided under our Constitution. This is what Barry Goldwater supports.

The Democrats' philosophy is one of a Socialistic trend. As it was so ably worded in last week's letter, "each person will get his proper share." Who shall decide what is the proper share? The government? A perfect example of this is Billie Sol Estes. He got his share. Bobby Baker got his share. Socialism is practiced in England, Sweden, and Norway, and it has been proved basically unsound.

Let's move to another of the present administration's concepts. It was mentioned that farm income is at an all time high. If you will read the present issue of Nation's Agriculture, page 26, you will find the following: "Farm prices are now at 75% of parity—one point above the quarter-century low of last month and three points less than a year ago."

Let's take a look at what the present administration has done for the farmer of Lynn county. In 1961, during the peak harvest time, the government flooded the market with milk at a reduced price. The government graciously helped the Lynn county farmer by reducing the price by approximately 20 cents per 100 pounds. After harvest time, they raised the price again. The government was in direct competition with us. To verify this, check with your local grain dealers.

This fall, cotton is being dumped on the market at a reduced price, thereby stifling our normal markets. This may be verified by contacting Plains Cotton Growers Association.

And what has this administration done about cattle imports? You all know the answer to this question.

To sum up what the present administration thinks of the farmer, Secretary of Agriculture Freeman's economic advisor says that agriculture is a public utility and should be nationalized.

Barry Goldwater has promised to appoint a secretary of agriculture who is an experienced farmer—not an out of work Governor.

Can you say our leaders would not betray our heritage when a group wants to turn our nuclear power over to the UN, welcome Castro into the American Alliance for Progress, and eliminate the House Committee on Un-American Activities? These are a few of the objectives of Hubert Humphrey and the ADA. This man, if elected, will be but a heart-beat away from the presidency.

Are we to give up our heritage to the idealistic, utopian ideas of the power hungry hierarchy of the present administration? Read and study issues and the men running for the offices. We believe that Barry Goldwater will return the United States of America back to her people.

I appreciate The News allowing us the opportunity of stating our views. May we continue to have the privilege in the future. And, may the best of the campaign not spoil our friendships.

Sincerely,  
 Larry Hagood.

## Congratulations-

Mr. and Mrs. Steve Slover, DeRidder, Louisiana, on the birth of a son weighing 7 pounds 1 ounce on Thursday of last week. He is the couple's first child and has been named Shannon Wilson. Mr. and Mrs. Rufus Slover of Tahoka are paternal grandparents. The mother's parents live at DeRidder, where Steve is assistant Humble Station manager.

Mrs. C. O. Carmack was a patient in Tahoka Hospital last week and with a strep throat.

## CHRISTMAS IN OCTOBER?

It may seem unreasonably early, but we are urging patrons to come in now and pose for Christmas portraits. Good professional portraits cannot be hurried and, because they take time and extra special care, few gifts are as warm hearted and loving and truly welcome.

## A letter to our Congressman from JOE B. PHILLIPS

The Hon. George Mahon  
 Congressman, 19th District  
 1211 New House Office Building  
 Washington 25, D.C.

Dear Mr. Congressman:

This letter is written to request you to let the people of the area know how you stand on the issues which confront us in this coming election. I have been specific in outlining my position and would like you to speak out in a letter or in a face-to-face meeting.

Your unqualified endorsement of Hubert Humphrey as a Vice-Presidential Candidate carries with it a disregard for the feeling of West Texans. Because Mr. Humphrey was one of the founders of the Americans for Democratic Action, commonly known as the A.D.A., we are suspicious of his stand on vital issues.

The A.D.A. calls for the admission of Red China into the United Nations and for the Recognition of Red China. This proposal I oppose with every ounce of energy I possess. I am also against the A.D.A. endorsement of foreign trade with communistic countries and its willingness to disarm our own country and let Russia remain armed.

I am opposed to the A.D.A. — its organization, its founders, and its soft attitude toward communism. The voters of West Texas are anxious to know your attitude toward the A.D.A.

They know mine.

Very truly yours,

JOE PHILLIPS

## '65 Comet completes 16,200-mile durability run from Cape Horn to Fairbanks, Alaska, in 40 days

Shades of Daytonal Comet is famous for durability. Last year, specially equipped Comets ran 100,000 miles at Daytonal in 40 days.

Regular production-model Comets used, just like the showroom Comets. Want to see the car that made it from Cape Horn to Fairbanks? Visit your Mercury dealer's. Check a 1965 Comet Caliente, with smooth Multi-Drive, Merc-O-Matic. The only difference: the run cars had an extra gas tank, because service stations are frequently so far apart in South America.

Comets are ready for immediate delivery. No waiting, if you order yours now.

Texas Deserves Better Representation in the U. S. Senate!

in the

**U. S. SENATE**

You have the right to know what a man believes in before you decide to vote for him. To help you make your choice, here are some of his comments on several important issues:

### GEORGE BUSH ON THE ISSUES—

#### Morality In Government

The men in our highest elective offices must be men of dignity, honor and integrity. Honesty is not a matter of degree—it is a matter of principle.

#### Imports

Any Senator from Texas should be in the forefront in the battle to protect the Texas oil and cattle industries. I will continue to support meaningful programs to restrict imports of these commodities.

#### Foreign Policy

In our conduct of foreign affairs, there is no room for incompetence, negligence and resulting mistakes. We must give up the tragic policy that commits us to fight wars but not to win them.

#### Foreign Aid

I will support our foreign aid program only when it is used to strengthen those friendly areas where technological and military assistance are necessary to the defense of the free world. In all other areas, foreign aid should be drastically reduced.

#### Federal Spending

I do not believe a politician should attempt to perpetuate himself in office through wasteful spending projects. The billions of dollars unwisely spent are your dollars and mine. We must balance the budget and unshackle our free enterprise system. Then we'll see a prosperity the likes of which the left-wingers have never dreamed of.

There's a job to be done in the U. S. Senate . . .

LET GEORGE DO IT!

# We are glad YOU are in the White House

## Mr. President

Current international developments emphasize the grave importance of having a COOL HEAD in the White House. The composure and strength shown by President Lyndon B. Johnson in the swirling atmosphere created by the explosion of a nuclear device by Red China and the upheaval in Russia magnificently demonstrate his leadership—still another sound reason for electing President Johnson and Senator Hubert H. Humphrey.

West Texans respect Lyndon B. Johnson not only because his roots are in Texas, but because of the tremendous job he has done to keep the peace, promote economic advances, maintain the American position of world leadership and open the door of humanity to the less fortunate. Election of the Johnson-Humphrey ticket will assure continuation of these marvelous accomplishments.

At no time in our history has Texas shown more progress than today. Never have its interests been better protected in the halls of the federal government. International Cold War tensions continue to be resolved—patiently, methodically, prudently and effectively. The people of the United States—and especially in our home state — are prosperous and at peace.

# FIRST TEXAN IN THE WHITE HOUSE

### AN OPEN LETTER TO THE PEOPLE OF LYNN COUNTY

We believe the election of President Johnson and the Democratic ticket will safeguard world peace and is the best assurance for this nation's sustained prosperity. President Johnson entered the White House better equipped by experience and proven leadership than any other President in American history. We believe the President has demonstrated leadership and a sense of mature responsibility, has developed practical answers to this complex nuclear age, is energetic and dedicated to continuing America's strong economy, and has qualities that tend to unite. America, we feel, needs President Lyndon Johnson.

We feel that Texas must support the Democratic ticket overwhelmingly. President Johnson is the first national and world leader from Texas that has ever been accepted and respected by the whole world. What would be our position in Texas if we reject our own native son? We sincerely doubt that Texas could even find out the time of day in Washington with two Republican Senators fighting all that the Democratic Party stands for.

Lynn County has always recognized what is the best for our segment of society and has never failed to support the nominees of our Democratic Party. Thus, we strongly and earnestly urge the voters of Lynn County to turn out in mass and let Texas and the nation know that we have overwhelmingly supported the Democratic Party at all levels.

It would be ridiculous for Texas, and particularly Lynn County, to send Republicans to Washington who have vowed to kill the REA and all farm programs that have made it possible for us to develop and prosper.

Within the next thirty days, to offset the drought, the farmers of Lynn County will have received approximately \$800,000.00 which will benefit farmers and businessmen alike, and drought loans are already available. Surely we do not want to be one of the few counties that rejects our Party leaders. If so, we would be in an embarrassing position.

## Many Lynn County 4-H & FFA Members Won At Dallas Show

Many Lynn county 4-H and FFA members took away prizes at the Junior Livestock Show of the State Fair of Texas in Dallas last Wednesday and Thursday.

Grand champion barrow of the show was displayed by an O'Donnell youth, James White, 18, 4-H Club member, senior in O'Donnell High School, and son of J. F. White Jr. His grand champion among 700 hogs entered was a 216 pound Spotted Poland China barrow.

Ronnie Wood, 18, also from O'Donnell, won the Junior Barrow Showmanship contest with a 217 pound Hampshire barrow. Ronnie is the son of Mr. and Mrs. J. M. Wood, is a freshman in Texas Tech, and is also a member of Lynn County 4-H.

Ronnie also showed the champion Hampshire barrow, and Kent Wood, also a 4-H boy from O'Donnell, showed the reserve champion Hampshire barrow.

In the auction, James White's grand champion barrow brought \$500.00 on a high bid by Burrus Mills. Ronnie Wood's champion Hampshire weighed 217 pounds and brought 90 cents a pound from Paymaster. Kent Wood's 210 pound reserve champion Hampshire was sold to Dallas Times Herald for 31 cents a pound.

Hogs, other than champions, averaged 20 cents, and lambs averaged 90 cents.

Mike Huffaker, Tahoka FFA, showed the first place heavyweight Hampshire.

Cal Womack, Tahoka FFA, showed the second place medium weight Spotted Poland China, right behind White, and also the first place lightweight of the Spotted Poland China class.

Following are the placings of Lynn county boys and girls in the show:

Berkshire, Med. wt.: Randy Allen, O'Donnell FFA, 8th and 6th.

Chester White, Hwt.: La Nita Wood, Lynn County 4-H, 2nd; Mary Moore, Lynn Co. 4-H, 10th.

## Carla McNeely Is Football Queen

Carla McNeely was crowned Football Queen for 1964 Friday night in ceremonies preceding the Tahoka-Wink game before a Homecoming crowd. She is a senior, the daughter of Mr. and Mrs. Arlie McNeely, and was elected by vote of the football squad.

To the music of Tahoka High Band, the nominees, Miss McNeely; Zackie Oliver, a junior; Sue Woodall, sophomore; and Lexi Adams, freshman, were driven around the field in a new car by Jim Crawford and Mike Reid. Accompanying the girls to the center of the field were Jack Edwards, Rett Patterson, Stanley Price, and Cliff Thomas, respectively.

Captain Larry Jolly placed the crown on the new queen's head when Clint Walker announced the winner, and Captain Jim Wells presented her the queen's bouquet.

## JUNIOR GAMES ARE "CANCELLED" BY POST

Two bus loads of Seventh and Eighth grade football players and pep squads, plus a number of parents in cars went to Post Tuesday night for scheduled junior high school games.

When no one showed up at the Post football field, the Tahoka people learned that Post had "cancelled the games and forgotten to inform Tahoka school authorities."

Mrs. Jesse Flores was a medical patient in Tahoka Hospital Sunday.

## Wink Tops Bulldogs 7-6 When Conversion Fails

Tahoka Bulldogs rose up off the floor and played the kind of game they have been capable of playing Friday night before a large homecoming crowd. They held the Wink Wildcats to a 7-6 score, something of a moral victory for Tahoka. The week before Wink had defeated the highly rated Seagraves Eagles 20-10.

In fact, the Bulldogs came within inches of winning the game. Wink had scored late in the second quarter on a sustained drive. Midway of the fourth, Bulldog Halfback Gary Tomlinson raced 54 yards to score for Tahoka. He was called on to run the conversion and came within a few inches of scoring two points.

Actually, Tahoka rolled off 163 yards on the ground and 20 in the air for 183 yards offensively, to Wink's 124 net rushing and two yards passing. Except for the one drive, the Bulldogs stopped Wink on every other occasion.

A bonfire rally Thursday night, homecoming activities, pleas of old-time Bulldogs, including James Minor and Gordon Smith, must have put the kind of fire in the Bulldogs coaches have been trying to get all year. Anyway, except for brief lapses, the boys played as a team and put up a stout defense.

ense. Still, there was room for improvement on offensive blocking, but fans were pleased with the overall effort.

Tahoka took the opening kick-off, failed to move, but got new life on a roughing the kicker penalty and moved to the Wink 40. Wink was stopped cold on the 21, and then after the 39 yard punt, Dan Coburn, Tomlinson and Adolph Chapa made a first down rushing. Wink retaliated with its first down as the quarter ended.

Next time the Wildcats gained possession on their own 44, and moved 56 hard-earned yards in 15 plays for the only Wink score, with 1:31 left in the half. HB Toby Morton, HB David DeWitt, FB Lamont Batchelor and QB Gary Wolf all had a hand in carrying the mail with Wolf bucking over center on a keeper for the tally. Guard Jesse Minter kicked the conversion. Score 7-0.

With time running out, QB Terry Harvick hit Stanley Renfro with a 11-yard pass to the left and then a 9-yarder to the right as the Bulldogs moved down to the Wink 36. But, here, on the last play of the half, Wink intercepted a Harvick pass to end the threat.

Opening the second half, the Bulldogs came back with their fangs bared, stopped Wink cold following the kick-off, and on first play after the punt Chapa got away on a 40 yard run up the east sideline to the Wink 35, but Tahoka bogged down on the Wink 31.

Two plays later, Freddie Pierce intercepted a long Wink pass on the Tahoka 44, but the Bulldogs were held by Wink. There was a

## O'Donnell Drops Game To Cowboys

O'Donnell Eagles fared better with Plains Cowboys Friday night than Tahoka did the week before at Plains. With the Eagles as hosts, the Cowboys took away the honors 28 to 0. O'Donnell plans a rough reception for the Bulldogs there tonight.

In the game with Plains, Ronnie Elmore and Joe Dan Cooke each scored two touchdowns, and "Butch" Gayle kicked four conversions. Elmore raced 73 yards for one of the scores.

Don Richardson and Gary Reeves were outstanding for O'Donnell on defense. The Eagles were never able to get a successful scoring drive underway.

Earliest fish hooks known were discovered in caves in Switzerland.

punting duel until early in the fourth.

Taking over on its own 36, Wink moved on eight plays to the Tahoka 14, and appeared headed for another touchdown. But, after Morton had made nine, Dennis Clem, Mike Curry, and Dean Hamilton nailed Wink runners for losses of 4.3, and 11 yards on successive plays, and Tahoka took over on the 32 yard line.

Tomlinson and Chapa moved the ball 14 yards in four tries, a pass was incomplete. Then, the line opened a hole briefly for Tomlinson, and he scooted through, was past the secondary in a flash, and out ran the defense to the goal line. Going for all the marbles, Tahoka chose to run for the two point conversion and failed, as Tomlinson was stopped only inches away.

On Larry Jolly's kick-off, a Wink player took the kick on his own 37, hit the 45 fumbled and Tahoka recovered. But the official ruled the whistle had blown. Still, Tahoka had another chance, but Wink nullified that and ran out the clock.

There was some great punting in the ball game, three different Wink boys punting five times for a 42-yard average. Tahoka's was just as good, or better, but three of five were over the goal and had to have 20 yards subtracted, and even then the average was 37.8 yards. One was a quick kick by Mike Davis, the other by Harvick.

Mike Curry played the finest game of his career in the line, and Dennis Clem, Rett Patterson, Dean Hamilton, Freddie Pierce, and James Moffitt were also outstanding. Jim Wells, Jack Edwards and Milton Edwards, Larry Jolly, Eddie Howard, Jack Jaques, Robert Adams, Jesse Limon, and possibly others were also carrying out their assignments well.

## New Home-Wilson Fracas Is Tonight

New Home Leopards entertain the Wilson Mustangs tonight, Friday, in a traditional game in which past records sometimes mean little. It's homecoming at New Home, and the Leopards will be "keyed up" for the highly favored Mustangs.

Wilson, 3-B district defending champions, have won six and lost one, the only loss being to Sundown 30 to 32. They have won over Larbuddle 28 to 18, Levelland B 28 to 16, Whiteface 20 to 14, New Deal 22 to 14, and Crosbyton B 30 to 14. This will be Wilson's first conference game.

New Home, short on manpower this year, has won two games and lost three. The Leopards have won over Christ the King 12 to 0 and Anton 16 to 0, while losing to Amherst 6 to 27, to New Deal 8 to 42, and to Cooper in the first conference game last Friday 6 to 14.

Homecoming Queen will be crowned in a ceremony at the game.

Preceding the game, ex-students and family members will attend a banquet in the school cafeteria at 6:30 p. m., and classes of 1929 through 1934 will be honored.

## Mustangs Defeat Crosbyton B 30-14

Wilson Mustangs took a 30-14 victory over Crosbyton B team Thursday night of last week as Sammy Crowson and Gilbert Guerra each scored two touchdowns. Joe Mason, Crowson and Guerra each ran a two-point conversion.

Lary McDowell ran both of Crosbyton B-team's scores, and Robert Anderson passed to Lance Morris for a two-point conversion.

## New Home Loses To Cooper 14-6

Cooper Pirates took a 14-6 win over New Home Leopards Friday night in a game played at New Home, the first 3-B conference game for each.

Fullback Dickie Turner scored New Home's only touchdown and Eddie Hickman scored Cooper's two touchdowns and also ran the conversion after the second.

## Congratulations-

Mr. and Mrs. Duane Howell, 3803 26th, Lubbock, on the birth of a son weighing six pounds eight ounces Thursday at 2:58 p. m. in Methodist Hospital. The mother underwent major surgery following the birth, but she is reported to be recovering nicely. The young fellow has two older sisters, and has been named James Lonnie for his daddy and grandfather, L. D. Howell of Tahoka.

A lot of people say they believe in freedom of speech, but in the heat of a political campaign they don't want anyone to disagree with them.

As our readers may have gathered, we don't go too strong on partisan politics. Partisan politics, we think, is for the professional politician who wishes to perpetuate himself in office. Any good citizen should feel free to vote for the man of his choice regardless of the candidate's party affiliation. He should be free to vote his choice without pressure or castigation. If this thesis is wrong, then our Founding Fathers must have been wrong when they set up this democratic form of government.

We wonder if those fellows who signed the Declaration of Independence did so for financial gain. We wonder if Patrick Henry was thinking of how much money he might make when he gave his famed "Give me liberty, or give me death" speech.

Some people are blinded by SSS's.

Greatest threat to democracy is apathy of too many voters. Whatever you think, vote next Tuesday.

We actually believe there is both moral and spiritual laxness in our country today and that most of our ills could be cured by returning to the principles of old. In government, and in everyday living, there is a tendency to leave God and Christian teachings out of our affairs.

We go so far overboard on "rights" that our Supreme Court denies the mention of God in certain areas of government simply because there are atheists among our citizens. We do not believe in forced prayer, either. But we can see no harm in teaching little children in school that there is a Supreme Being.

We hope we are entirely wrong, but there are too many indications that too many of our leaders do not put Christian principles and Christian living into practice or in proper perspective.

Last week there was a program on the Kraft Mystery Theatre TV hour, we're told, which ridiculed patriotism as being "flag-waving" by crackpots. One of our readers says if this was not Communism, he has never seen it preached on TV before.

We're sorry! We haven't done justice this year to the B team football boys. The shock troops deserve a lot more credit than they get. All week they are clobbered by the A team boys, and then on Thursday night they go out and play a game without too awfully much preparation. Due to some injuries and, some other boys getting discouraged, the B team went to Post two weeks ago, got stomped 43 to 6, and this newspaper didn't carry a line about it. Only 12 or 13 Tahoka boys were left on the B string, and two or three of them got injured in the game. After these injuries, the remainder of the B team schedule had to be canceled. So, let's all give a pat on the back to these shock-troop boys who sometimes find the going even rougher than the A team boys.

CHRYSLER - DODGE - PLYMOUTH - VALIANT

While Cal Farley was here the other day, he told us there have been many improvements at Boys Ranch at Tascosa . . . It is the first such ranch in America, established in 1939 . . . has been the home for 1,500 boys . . . now has 348 boys . . . 1,400 acres of land, 30 buildings, including its own bank, postoffice, independent school district, and chapel . . . and he invited all interested Lynn county people to come up for a visit.

Mrs. Bill Davis and several interested committeemen are still trying to get the South Plains Boys Ranch to going again, have some fine offers of help but not enough. This is a worthy project that could be a wonderful thing for this section.

An anonymous reader sent this in: Remember the old time school, double desks, pot-bellied coal stove, no electric lights, slate blackboards, globe hanging from ceiling, dictionary on teacher's desk, three or four classes in same room, singing America each morning, athletics at recess, dinner in syrup pail, Blue Back Speller, McGuffey's Reader, leather strap hanging on teacher's desk—teach-er used strap freely, and pa used willow limb or buggy whip afterward. Remember?

Yep, we're old enough to remember all but McGuffey's. We've got a copy of McGuffey's Sixth Grade reader and also of the Blue-back Speller. The Printer studied the Art Literature readers in school. Of course, they're too old fashioned for use today because these books contained gems of real literature, taught patriotism, morality, honesty, ambition, and such virtues. Some of our modern readers, it seems to us, are more frivolous and are nearly devoid of such lessons.

Most of us keep wishing for things we don't have, but what else is there to wish for?—The Outlook.

Roy Nettles of Lakeview brought The Printer a "mess" of turnips and declared, "I just want to show you I can raise something besides Cain." Roy is the last man in the world that would have to prove he is not a Cain-raiser. Never in 40 years have we ever heard any man say anything bad about Roy

Nettles. In our book, Roy is one of the finest men we ever knew. Don't you agree?

James Minor of Post, reared in Tahoka, has had a bunch of cards printed of the following by Dean Alfange: I do not choose to be a common man. It is my right to be uncommon . . . if I can. I seek opportunity . . . not security. I do not wish to be a kept citizen, humbled and dulled by having the state look after me. I refuse to barter incentive for a dole. I prefer the challenges of life to the guaranteed existence; the thrill of fulfillment to the stale calm of utopia. I will not trade freedom for beneficence nor my dignity for a handout. I will never cower before any master nor bend to any threat. It is my heritage to stand erect, proud and unafraid; to think and act for myself; enjoy the benefits of my creations and to face the world boldly and say, this I have done. All this is what it means to be an American.

James Minor, in a speech here last week, recalled a few old football experiences and said Eby Dyer has the dubious reputation for the longest kick-in-reverse in history. He said back in the Dust Bowl days, when the Tahoka football field ran east and west and was located on the north side of the campus, Tahoka was playing Lamesa. A gale of sand was blowing from the west, and Lamesa kicked to Tahoka. Tahoka couldn't run or even see into the wind, so Eby went back to punt. The ball went into the air, was caught by the wind and when last seen was going east across the Lubbock highway a half mile away.

James said he and Max used to pick cotton for John Price during the Depression. John paid them 25 cents per hundred, but when the cotton was sold John had just about enough money to pay for the pulling and ginning.

Rhinos breed only once in every two or three years and usually have a single calf.

**Why Pay Twice?** You already pay taxes to support a generous federal-state medical program for those over 65 who need it. Why pay again for a plan that isn't needed?

Surprised? Chances are you never heard of the Kerr-Mills Law, passed by Congress in 1960. We call it...Health Opportunity Program for the Elderly.

This program enables individual states, with federal assistance, to guarantee to every elderly person who needs it the health care he or she requires. Thousands of people every day are being helped by its broad benefits.

Yet, the supporters of the proposed Medicare Tax would have you believe that its passage is urgent...that persons over 65 are deprived of needed medical care because they can't pay for it.

So why pay twice? Find out about the health program you're already supporting. For information on health care for the elderly in your area, ask your doctor or contact your local medical society.

### James Minor Is Speaker Here

"Be an individual—not a statistic, a thing, or a Social Security number. If you are right, fight," James Minor of Post, one of the most distinguished graduates of the Tahoka schools, told local students at the afternoon Homecoming program Friday in the school auditorium. His talk drew a prolonged ovation from the crowd.

As a preface to his listing of "ten rules" for happy living, James listed ten subjects he said he could have chosen, such as deficit spending by the government, so-called peaceful co-existence, the sellout of Berlin, scuttling of the Constitution, growth of centralized government, etc.

His ten rules for happy living included: Keep busy. Never indulge in self-pity. Wear a smile. Cultivate a cheerful disposition and a sense of humor. Put yourself out to help someone each day. Fill your life with worthwhile things. Appreciate people. Make at least one child happy every day. Refuse to be discouraged. Read your Bible and talk to God about all your affairs.

"In this day of oppression and down-right denial of the rights of the individual by an all-powerful, always-right and never-wrong centralized Federal government," he declared, "we have more need for the thinking and action of the rugged individual than at any time in the history of our country."

The speaker was introduced by Mrs. Clint (Lottie Jo) Walker, who told of James' remarkable career.

James was one of five brothers who made the name "Minor" famous on Tahoka athletic teams for more than 20 years—A. J., Jack, James, Max, and Joe Don. James was a top student, president of his class through high school, valedictorian, president of his class all the way through Howard Payne College, student body president, and outstanding athlete. His studies in University of Texas Law School were interrupted by World War II.

He entered the Army as a private and came out a lieutenant colonel, one of the youngest ever to rise up from the ranks in the U. S. Army. With the famed 36th Division, he was in the most bitter battles of the Italian invasion, the fight up through France and into Germany, was wounded three times, and received many of the highest citations accorded Army fighting men.

Minor married the former Marlon Mason of Post, and he is in the furniture and undertaking business in that city, where he has held just about every civic post.

Mike Reid was master of ceremonies at the school program, John Huffaker gave the invocation, and Jim Crawford recognized some special guests. Each performed in a professional manner.

Crawford said Mrs. Alice Fortenberry was the earliest Tahoka student present but she had been honored before and wished the gift to go to someone else. Mrs. Mary (Link) Willhoit, 1924, was the next earliest graduate registered. Mrs. Marianna McGinty Long from Vienna, Austria, was the ex-student present from the greatest distance.

THE Combo Band, directed by Vic Kyler, and composed of Paul Kenley, Ronnie Hudgens, Carroll

Curry, John Huffaker, Ralph Brock and Marla Bray, brought a large ovation from the crowd.

At the pep rally which followed Gordon Smith, Baptist pastor at Shallowater and also an outstanding former Tahoka student and Bulldog, joined James Minor in making a pep talk to the Bulldogs.

Gordon said he was a firm believer in "the power of positive thinking," and the Bulldogs could do just about what they thought

### I. B. Hills Buy Home In Lubbock

Mr. and Mrs. I. B. Hill, long-time Lynn county residents, have bought a home in Lubbock at 515 East Stamford and are moving there this week.

Their son, Kelley, has been here from Wyoming helping them purchase the home and move. He said his parents hated to leave friends here, but felt they had to be close

they could do. Minor's talk to the boys was in a similar vein.

to relatives in Lubbock.

Mr. and Mrs. Hill were critically injured a few months ago when riding with her brother and wife, Mr. and Mrs. Chester Short, en route to Petersburg. At the intersection of FM 400 and the new four-lane US 84 at the south outskirts of Slaton, a trailer truck loaded with hot asphalt for the road construction work was in collision with the car and Mr. and Mrs. Short were killed.

Both Mr. and Mrs. Hill are able to be up and around.

Lyndon Johnson had a serious heart attack in July, 1955. Doctors say that the average life expectancy of a man Johnson's age following such a heart attack is less than 10 years. (Ask your own doctor about this.) Therefore, the medical odds are that if Johnson is elected in 1964, Humphrey will be President before the term expires.

## Jack Minter, O'Donnell Farmer Putting Scientific Ideas Into Practice

Jack Minter, 34, Kansas-reared and college educated O'Donnell farmer, is putting into practice some of the scientific farming ideas he has picked up and is making most of them work profitably.

He has been named farmer of the month by O'Donnell Young Farmers.

Son-in-law of Oscar Telchik of northwestern Borden county, south of Draw, Minter farmed 480 acres for Mr. Telchik in 1938 and 1960, added 320 acres the next three years, and lately has bought 192 acres of his own three miles from O'Donnell.

Jack was born and reared in Kansas, spent four years in the Air Force. Then, he entered Abilene Christian College, where he met Daphne Telchik, and the two married before receiving their degrees. Jack taught a year in Tahoka junior high, then the couple went to Sam Houston State College, where both received

master's degrees. Jack majored in agriculture, and planned to teach but turned to his second love, farming, in 1939.

In the meantime, a daughter, Larhea, now seven, was born and Jackie Jr. came along in 1959.

He decided to try out some of the methods he had studied in college.

First year there were many hard lessons to learn. He planted skip row, was unable to save the first planting, two-in and two out. The hard, dashing rain that washed in on the seed didn't provide enough moisture for an inexperienced farmer to do anything but replant solid. Those able to save their skip-row made above average, but Jack made only 167 pounds of lint per acre.

Next year, however, 635 pounds average, and the next three averaged 600 pounds of lint per acre. One thing he has done for six years is to deep break at least one-third of the total acreage yearly, which helps in water penetration, root penetration, and weed control. He also chisels with sweeps rather than spikes for better water penetration. He has experimented with summer fallowing unused acres, growing organic matter, and using cotton burrs.

He works with SCS in preventing soil erosion, and controls water by use of contour terraces and border terraces, a sink hole in a lake helps prevent cotton drowning, and this also helps strengthen small irrigation wells in the vicinity.

On the newly purchased land, he plans to dig a deep pit in the lake so less of the lake will be under water, and he will irrigate from this pit as long as the water lasts.

For two years he has used two types pre-emergence in planting, one of which must be incorporated and the other sprayed on the soil behind the planter. He used the drags to incorporate weed control and simplify application.

YOUNG O'DONNELL FARM FAMILY—Jack Minter and wife, the former Miss Daphne Telchik, and their two children, Larhea and Jackie Jr., are all interested in modern farming and farm life.

## Pioneer Lady's Rites On Monday

Funeral services for Mrs. Lela Tomlinson, 76, a pioneer resident of the area, were held Monday at 2:30 p. m. in the First Baptist Church of Post with the Rev. Joe Vernon, pastor, officiating.

Mrs. Tomlinson died Saturday at West Texas Hospital, Lubbock. Burial was in Terrace Cemetery in Post.

Mrs. Tomlinson had been a resident of Post and O'Donnell since 1922.

Survivors include a son, Bland Tomlinson, Slaton; three sisters, Mrs. C. L. Tomlinson Sr., O'Donnell, Mrs. George Shewmake, Seagraves, and Mrs. Oma Miles, Lamesa; a brother, Jack Miles, Lamesa; two grandchildren and one great-grandchild.

## Two Wilson Youths In Concert Band

Rodney and Valton Maeker, both of Wilson, are among the fifty selected undergraduate students who have successfully auditioned for the Texas Lutheran Choir Concert Band at Seguin. Both are graduates of Wilson High School.

TLC Concert Band for the past decade has performed in many cities of the South and Southwest. This year the annual tour will take members to cities in West Texas, New Mexico, Arizona and California from January 23 until February 7.

## New Home Farmers Hear Agronomist

New Home Young Farmers met in a regular meeting Monday night when Bany Love, associate agronomist at the High Plains Research Foundation at Halfway, brought an interesting program on soybean and castor bean production.

Love pointed out the advantages and disadvantages of having soybean and castor bean crops for a cash basis.

Also present for the program were P. L. Leach, head of the agriculture extension department at Texas Tech, and seven student teachers. Eleven members of the New Home chapter were in attendance.

The chapter urges all young farmers in the New Home area to pay dues and attend the meetings, every fourth Monday of the month, as much can be benefited from the informative programs that are on schedule.

## WEEKEND VISITORS

Visitors in the home of Dr. and Mrs. Skiles Thomas over the weekend were Sue Metz of St. Louis, Mo.; Diane Kitzia, Ossing, N. Y.; Carolyn Cooksey, Corsicana; and their daughter, Susan, a senior at SMU. The girls attended the SMU-Tech football game.

## Jerre Ann Wyatt In Senate At Wayland

Plainview (Spl.) — Jerre Ann Wyatt, student from Tahoka, has been elected one of five from her class to serve as Sophomore Senator at Wayland Baptist College.

Miss Wyatt, daughter of Mr. and Mrs. F. A. Wyatt, has also recently been selected for membership in Wayland's famed International Choir. Membership is on the basis of careful screening and audition.

Other students selected as Sophomore Senators are: Cynthia Wiginton of Altus, Okla., Douglas Self of Clovis, N. M., Linda Gayle Jacobs of Artesia, N. M., and Mahesh Chavda, Mombasa, Kenya.

## BAND SELLING CAKES

Members of the Tahoka High School Band are now taking orders for their Manor Texas Quality fruit cakes. The cakes are to be delivered this Saturday and anyone wishing to make an order should contact a member of the band.

About 10 gallons of liquid was used in 12 inch bands. Jack finds this very successful. His goal is to keep the hoe bill under \$1.00 per acre, which he has been able to manage, not including wages for the tractor hand.

He believes that organization is the secret to success, and "record keeping is where my business starts and ends." He keeps his farm tools painted, clean, and organized.

Young Minter and wife are active in Church of Christ work, teach Sunday School classes, and are very active in civic work. He is active in the Young Farmers, is regional chairman in helping Abilene Christian College raise funds for a college farm, and has helped promote better relations between our country and Brazil as host to a group of teachers from that country visiting this agricultural area.

Mr. and Mrs. Donald Paris and two sons of Hereford were here Saturday visiting Mr. and Mrs. Leslie Paris and they were to visit the Bobby Paris family at Stanton Sunday. Donald is counselor in Hereford High School.

## Rotary Governor Tahoka Visitor

"Rotary is one of the greatest forces in the world today in the promotion of better international understanding," stated Hicks Allen of Snyder, governor of District 573, Rotary International, in his talk at Tahoka Rotary Club Thursday noon.

He emphasized how business and professional leaders in every nation of the free world, 126 nations, communities, and across national boundaries without regard to race or creed, there are 11,800 clubs and 355,000 members all with the same objectives.

He urged individual Rotarians to rededicate themselves to the objects of Rotary, and pointed out some of the general rules necessary for dedicated membership and good citizenship.

Mr. Allen said the Tahoka club, 28 years old, is recognized as one of the better clubs, and is one which the District Governor can offer little worthwhile counsel.

Wilton Payne, club president, introduced the Governor. Hicks Allen is a native of San Angelo,

a graduate of University of Texas, and has been in the oilfield construction business in Louisiana, East Texas, Oklahoma, Dallas, and at Snyder since 1953.

At Snyder, Allen heads SACROC Company, a unique organization of 300 oil companies and individual members set up to operate the entire Snyder oil field as one unit. He was a Rotarian at Corpus Christi and at Dallas, before coming to Snyder.

Mrs. Allen accompanied him and was the guest of Dr. and Mrs. Emil Prohl.

Wednesday night, a club assembly was held in Lyntegar building at which 14 officers and club committee chairmen met with Governor Allen to go over with him local club operation procedures.

Mike Reid and Stanley Price, student guests for the month, were introduced by Dr. Skiles Thomas, and Mike invited Rotarians to attend Tahoka High homecoming activities on Friday.

**Human Brains Wired For Electricity**

By Dr. H. W. Mellroy

Not long ago, several newspapers carried a story about the human brain having wires stuck into it through holes in the skull and mild shocks of electricity being applied.

The shocks of electricity or electric currents so alter the human nerves currents that no pain is felt but noticeable chemical changes take place. The number and types of blood cells change. Hormone production is altered. The studies are just beginning, according to the professor of Neurosurgery at Tulane University.

That outside interference can alter human nerve-wave patterns and thus cause chemical changes in the body fluids, making acid or alkaline, etc., or that the blood cells and various hormone producing glands are affected by such disturbances, is no great news to those of us, who for many years, have been clearing the interferences from human nerve lines and observing the renewed life and glacial activity that results.

It is only strange and new to those who are just now observing the human nervous system from this angle.

Nerve-wave pattern interference caused many symptoms or illness in this actual case taken from clinical files—while removal of

nerve interference caused symptoms to vanish.

A 46 year old housewife complained of severe menopausal symptoms with stabbing low-back pains, extreme nervousness, mental anxiety, and elapse of memory. She also suffered severe headaches, dizzy spells, heart palpitations, difficult breathing along with indigestion, frequent urination and constipation. She came to Chiropractic for correction of her menopausal syndrome because a patient recommended Chiropractic to her for that complaint.

Spinal analysis and spinal X-rays indicated defective energization of the pelvic area and subluxated (misaligned) vertebrae in the neck causing nerve pressure and spinal cord interference. Under corrective adjustments, realignment was made and interference removed. The complaints rapidly disappeared as normal function was permitted to return. This was four years ago. She has been in for her periodic check-up and is still enjoying good health.

While our critics go about saying it can't be done, we have already done it. Results in millions of cases in chiropractic, speak for themselves.

Have your present and past treatments made you well? If not, what can you lose except bad health? Investigate. You might regain good health.

**H. R. Minors Tell Of Colonizing Venture Into Old Mexico In 1910**

Mr. and Mrs. H. R. Minor of Tahoka, who settled in Lynn county in 1903, were participants in an ill-fated 1910 colonizing expedition to the state of Vera Cruz, east of Mexico City, near the Gulf of Mexico. Sixteen Lynn and Lubbock county families were in the colony.

They spent a year on the land, at the end of which time they were so glad to get away that they just ran off and left it to the Mexicans—and haven't been back since.

Among those buying land in the 53,000-acre Vera Cruz project were W. C. Cowan, Rev. J. R. Miller and sons, Leon and Bub Miller, Henry R. Minor and B. M. Taylor, father of Mrs. Minor, all of Lynn county; Isom Tubbs, Sam and Fred Spikes, and others Mr. Minor doesn't recall from Lubbock.

The men had gone down and seen the land and everything looked beautiful, vegetation was rank, and the area looked like a great cattle country.

J. R. Griffin, an Itasca banker, was president of the colonizing company, Mexico Land & Cattle Co., a man named Kent from Lubbock was the promoter, and the Lubbock and Lynn prospectors furnished the money.

Mrs. Minor says their hopes were high when they boarded the train at Lubbock during a big snowstorm near Christmas of 1910.

They crossed the border at Laredo into a land foreign to them, but they had pioneered the Plains and had little fear in pioneering the new land. They little dreamed what lay ahead.

At Monterey, they changed to a narrow gauge rail line. Now troubles and anguish began.

The train crawled along mountain ledges barely wide enough for the tracks, through dark tunnels, down a canyon wall and up again, until finally they emerged into a tropical land near the seacoast with jungles so thick the sun never reached the ground, near the city of Vera Cruz.

Their ranch colony was near Tlaxotalpan, about 75 miles from Vera Cruz, to which they traveled overland, fording rivers at low tide for the Gulf of Mexico pushed water up the rivers as the tide rose, and finally floated down a large river to land at a town called Laloma. Then, they proceeded to the colony.

Mrs. Minor recalls that Rev. Miller carried most of the money along on the trip in a tow-sack, and Mexicans never suspected what was in the sack.

"Be careful, there, that's steeples," she says. Bro. Miller once cautioned a Mexican carrying the sack of money. The Mexican didn't sabe English, but he didn't know the sack was filled with money, anyway.

They set up housekeeping in

tents, bought cattle, and everything looked pretty good for a while. The jungle was beautiful. The parakeets and parrots flew over in swarms.

The ticks and mosquitoes not only got on the cattle, but they began eating on the colonists. Then, there were snakes of all kinds, alligators, monkeys chattering from every tree.

One day when the men were gone, some Mexican desperados came in Mrs. Minor's tent, sat down, and asked about their money. She told them their money was in Estados Unidos (United States), but they wouldn't take "no" for an answer. Finally, she told them the men folks were coming, and the desperados got on their horses and rode away.

The Texans charged off the colony to experience, got on the train and came back to the South Plains.

"The South Plains sure is a beautiful land," the Minors say. "We've never again wanted to help colonize the jungles of Old Mexico."

**UNFREDS ARE VISITING RELATIVES DOWN STATE**

Mr. and Mrs. J. P. Unfred of Lubbock, formerly of New Home, have been visiting relatives in Groesbeck, Gladewater, Big Sandy, Naples, Dallas, and Wichita Falls the past ten days.

J. P. read about the hail in the Lubbock area and on Monday morning called his big son, Joe D., at New Home (collect) and wanted to know if he could continue the trip or come on home.

While on the trip, J. P. celebrated his 73rd birthday by catching a five pound black bass in the lake of Mr. and Mrs. Bowen of Gladewater. Mrs. Bowen is a sister-in-law of the Unfreds.

**THE THINKING WOMAN'S**

**MAKE-UP STRATEGY**

A beautiful woman walks into the room. She has that cool, poreless, melted pearls complexion that makes men effuse... women chortle. A luminous radiance lights her face, star-dusts her eyes. Later, you wonder, "Was she really all that beautiful—or did she just seem beautiful?"

Illusion. All magnificent illusion. Her secret? *Make-up lighting*... camouflage long practiced by photographers, models, great actresses. Now you, too, can play these make-up tricks with wondrous **JAQUET Translucid Foundation** in **White Magic**. Working on a light-refracting principle, the white under-foundation blots out the unbeautiful... soft focuses the complexion in a flattering new light.

Completely non-detectable, **JAQUET Translucid White Magic** is worn right under your Translucid complexion color. This is the first foundation *chiffon-sheer* enough to be worn in 2 tones—white and a flattering complexion tone.

**JAQUET's wonder-under** make-up creates some amazing illusions; **White Magic** whites out shadows under eyes, dark circles, little age-insinuating lines. Blemishes fade politely. Use a pink tone Translucid over the **White Magic** and sallow skin—fini!

**White Magic** is like giving yourself hours of beauty sleep in a few seconds! Drying? Quite the contrary! **JAQUET Translucid Foundations** contain effective ingredients to keep your skin delectably dewy all day. It will never cake or change color. Choose from seven outrageously beautiful shades... created to color-bathe your complexion in the most flattering light imaginable!

Diagrammed below, a few fool-the-eye make-up stratagems with **JAQUET TRANSLUCID FOUNDATION**

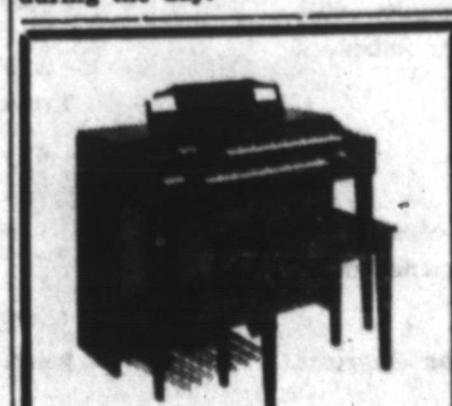

Miss Nina Bennett, Jaquet's Beauty Consultant from New York, will be in our Cosmetic Department October 29th and 30th. Miss Bennett has a Gift for you... Jaquet's Beauty Strategy Kit, regularly \$2.50... yours with the purchase of any Jaquet Beauty Preparation during Miss Bennett's visit.

# MR. PRESIDENT, JUST WHERE ARE WE HEADED?

Dear Mr. President:

I have a question, Mr. President, that takes more of a man than I to answer.

You see, Mr. President, I have a son, an avid reader of history and current events and in his pursuit to learn about this great country of ours he has become confused.

He has been brought up in the tradition of God first, country second and family third; he has been taught the stars and stripes is a symbol of freedom; that the Fourth of July is to be celebrated, not tolerated; that just because goose bumps jump out all over his body when the National Anthem is played is no indication he's a "square" or "some kind of a nut"; that we are a strong, free nation, a nation where the majority not a minority rules; that we are a republic of free enterprise where a man or woman, regardless of race, color or creed, can rise as high as the heavens if he has the ambition and if he is willing to make the necessary sacrifices; he has been taught that freedom and equality are earned, not legislated or handed out on a silver platter.

HE HAS BEEN TOLD of the hundreds of thousands of young Americans who have given their lives on bloody battlefields across the globe so that he might enjoy his freedom and that someday, when it is needed, he, too, must be ready to answer the call of his country.

The heritage of Americanism runs deep in this boy, Mr. President.

He takes pride in recalling the winter at Valley Forge; the courage of patriots at the Battle of New Orleans; the charge of Teddy Roosevelt up San Juan Hill; the storming of the trenches in France; the heroic defenders of Bastogne; the raising of the flag at Iwo Jima; and the gallant stand at Pusan in Korea.

By modern standards, I guess this son of mine and myself would be labeled extremists—he loves his country and his flag. And next to God, there's no man like Uncle Sam.

But now, Mr. President, the boy can no longer accept this fantasy called patriotism. The more he reads, researches and studies, the more confused he becomes.

☆☆☆

THE QUESTION THAT HAS HIM STYMIED, Mr. President, is, "What does the United States of America stand for now and where is it headed?"

I cannot answer that question in all fairness to the boy, Mr. President.

Am I to tell him we have become a country, where minority groups make the decisions at the expense of the majority?

Am I to tell him we have become a nation forced to accept the dictates of mob violence?

Am I to tell him that chains have bound the free enterprise system and that a man can no longer operate his property, his business as he thinks best without government intervention?

Am I to tell him "protector of our enemies" is rapidly replacing "land of the free, home of the brave," as our national slogan?

RECALLING PAST ADMINISTRATIONS' deeds at the Republican National Convention sent the boy scurrying to his books

JACK HORD  
Sun-Sentinel Managing Editor

(A young American boy watching a national political convention for the first time in his life asked his father questions concerning the operations and history of this country. The concern of this young boy for his country led his father, Jack Hord, managing editor of The Sun-Sentinel, to write this thought-provoking story in letter form to the President of this United States.)

to attempt to find for himself questions and charges made for and against the past 25 years of Republican and Democrat administrations.

History shows, Mr. President, that during the years of Franklin Roosevelt, Harry Truman and Dwight Eisenhower, this country won the wars but completely capitulated at the peace tables.

Then along came John F. Kennedy, a dynamic young man who was going to get this country moving again, make it strong, the last bastion of democracy. His words were strong, Mr. President, but he, like his predecessors, carried a weak stick.

Are you going to follow their examples, Mr. President? I can't speak for you and my son wants to know.

We are a strong and mighty nation, our representatives in Congress tell us. We are unmatched in weapons, our executive branch shouts. We are a God fearing nation, honored by laws and traditions of our ancestors, the historians write.

Then, if this is true, Mr. President, explain to my son why we gave away eastern Europe to the Communists at the Yalta conference under Mr. Roosevelt; explain to him why we fought a half-way war in Korea under Mr. Truman; why we coddled the Red Chinese, allowing them to violate all agreements while we stood helplessly claiming "foul" and yet did nothing while young American men were slaughtered, dying not knowing what they were fighting for or why they were fighting.

☆☆☆

Attempt to reason with this boy, Mr. President, how the State Department allowed Communists to gain high positions in the foreign diplomacy field. It's in the history books, Mr. President, but it doesn't explain why.

Tell this young American why, Mr. President, that after the Federal Bureau of Investigation had pinpointed men of high rank in our government who were Communists or had Communist affiliations, that nothing was done to remove these cancers imbedded in the working mechanism of a free country.

☆☆☆

AND EXPLAIN TO THIS BOY that when these conspirators were arrested they were eventually freed by decisions handed down by the U. S. Supreme Court.

This is another confusing issue, Mr. President, the Supreme Court.

Since this country was founded, the historians relate, the high court has influenced the branches of the government with decisions that aided, not hindered independence and respect for human rights and liberties.

But the sands of time have shifted. And with the shift the Constitution of this country has become merely a scrap of paper, used

to twist and squeeze from ink dried long ago, interpretations that are not to be found in those finely written words.

And since 1964 when Earl Warren was appointed chief justice of this hallowed court, the record indicates a trend toward anti-God, pro-Communist favoritism as a result of the court's decisions.

Mr. Warren, particularly has supported the Communist cause in nearly all cases appealed to the majestic court. Yet, this country has no recourse to correct what appears to be a deficiency in our form of representative government.

☆☆☆

BUT THINGS WERE GOING TO BE better when Mr. Kennedy became president, my son had read. But did they, Mr. President? We continued to help our sworn enemies who promised to bury us. We sold them wheat and strategic materials, built power plants behind the Iron Curtain, sold them jet fighters.

Why, Mr. President, in the past 20 years, you couldn't tell a Democratic president from a Republican president.

And Mr. Kennedy, as likeable as he was, made enemies by making possible more freedom for the minorities and less freedom for the majority. He alienated business, the backbone of this free enterprise form of government.

And please explain to this boy, Mr. President, that at a time when our country needed more courage and less profile, we allowed the Berlin Wall to be built; that we permitted 1,400 young Cuban patriots to go ashore at the Bay of Pigs, one eye on the enemy and one eye scanning the skies for promised air support that never came?

And tell this young patriot why our State Department financed the Castro revolution in Cuba when as early as 1948 U.S. officials knew he was a Communist when he led the Red-inspired revolt in Bogota, Columbia.

☆☆☆

THESE ARE THINGS I CAN'T EXPLAIN to my son, Mr. President. I trust that you may have the answers.

History records the progress we have made in science, medicine, engineering and the professional arts, but it seems that in government we have switched from the basic concepts this country was founded upon.

And frankly, Mr. President, I think that at this moment, the majority of 196 million Americans would rather "fight than switch" to Communism.

My son wants to know what he can do for his country, Mr. President. There was a time when I could tell him but now I cannot.

☆☆☆

THE ONLY ADVICE I CAN GIVE HIM is simple and to the point:

"Pray, my son. Pray that in some way, some manner, some miracle, our nation can be restored to what it once was—a nation of strong, free, independent, self sustaining people that cannot and will not perish from this earth."

Sincerely,  
Jack Hord
