Tahoka Playing Stanton Here Tonight At 7:30

Stanton Bulldogs play the Tahoka Bulldogs here tonight at 7:30 p. m. in the next to last game of the season, and fans expect the home team to present another good performance.

Stanton is back in District 5-A this year after having been playing AA ball a few years. The Bulldogs, coached by Bill Milam, have been up and down this year, claim to be crippled by injuries, but hope to get back on a 50-50 basis against the Bulldogs.

Coach Gilbert Hough's boys have played a few top games, against Idalou and Wink, for instance, and some fair games and some not so good. The Bulldogs also have a number of injuries, the latest being Center Dennis Clem, who will sit this one out with a leg injury. Halfback Gary Tomlinson has an elbow bruise and may not be able to see action.

In Conference play, Stanton defeated O'Donnell 27 to 6, lost to Seagraves 13 to 32 and to Wink 13 to 33. Tahoka lost to Plains 0 to 35, to Wink 6 to 7, and won over O'Donnell 20 to 7.

The Bulldogs are capable of skinning the Bulldogs, but the coaches say they will have to play the game for keeps to do so.

Possible starters for Stanton include: Buddy Shanks, 170, quarterback; Mike Hall, 205, fullback; Dink Polson, 155, and Johnny Swanson, 140, halfbacks.

In the line: Carroll Anderson, 157, and David Dunn, 160, ends; Bill Davis, 205, and Wayne Woody, 165, tackles; Carl Lawson, 155, and Thomas Bruton, 156, guards; and Dale Thompson, 165, center.

C. E. McClellan Dies Thursday

C. E. (Edgar) McClellan, 69, long-time citizen of Tahoka, died Thursday at about 2:00 a. m. in the home of his son, Charles, at Ruidoso, N. M. He had been in ill health for some time, was discovered to have a serious ailment last April 27, and had recently been in the hospital at Ruidoso.

Funeral rites were pending here at noon Thursday. A White Funeral Home ambulance went for the body early Thursday. Services will be here.

Born on Sept. 10, 1895, he was married 44 years ago in September to Miss Maurine Jordan, whose parents Mr. and Mrs. J. W. Jordan lived at Wells many years and now live in Tahoka. They lived in the OK Community southwest of O'Donnell, moved to Spur in 1935, and then to Tahoka in 1943 and have resided here ever since. He was associated with J. B. Oliver in the cottonseed treating and culling business.

He was a member of the Methodist Church, a past grand master of the Masonic Lodge, an officer in the Oddfellows Lodge, and was a veteran of World War I.

Of a kindly and generous nature, Edgar McClellan had a great host of friends and as few enemies, if any, as a man could have. He is survived by his wife, Maurine; three daughters, Mrs. V. W. (Nellie) Parr of Odessa, Mrs. James (Charlene) Farr of New Home and Mrs. Elton (Mamie Lee) Beard of Wolforth; three sons, Charles of Ruidoso, A. W. of Clovis, and Douglas of Sundown; and 16 grandchildren.

He is also survived by a twin brother, Edwin McClellan of Tulsa, Okla.; three other brothers, Elmer of California, Warren of Pearsall, and Renick of Dallas; and two sisters, Mrs. J. W. Carlisle of Spur, and another sister, "Aunt Jodie", whose last name was not available to The News.

All his children were at his bedside when he passed away.

J. A. White of New Home underwent minor surgery in Tahoka Hospital Thursday of last week and was released Friday.

TB X-ray Unit At New Home

X-rays for detection of possible tuberculosis and cancer will be available at New Home Community Center today, Friday, beginning at 8:30 a. m., sponsored by New Home Civic Club.

Lubbock's chest X-ray mobile unit will be on hand to serve all persons 10 years of age and older. The service is free, but a donation of at least 50 cents is requested to help bear the cost of the service.

The X-rays are being made possible through cooperation of Lubbock County Tuberculosis Association, owner of the mobile detection unit.

Telephone Plant Being Enlarged

Substantial additions are being made to central office equipment in the Tahoka exchange of General Telephone Co. here that will give patrons better service, Rex Bailey, district manager, told The News Thursday.

Two hundred new lines costing in excess of \$22,000 are being added to the equipment, Bailey said.

The addition has been made necessary by growth of the town and increased demand for telephone service. Also, patrons now on two to four-party lines may soon be able to have one-party line service.

A crew of General Telephone equipment installers are adding the 200-line equipment, a highly technical operation, and completion is expected by the end of December, Bailey said.

C. C. Nettles, 71, Dies At Morton

Carroll C. Nettles, 71, who came to Lynn county as a young man, died Sunday shortly after noon at Memorial Hospital in Morton after having suffered a heart attack on Saturday.

Funeral services were held Monday at 3:00 p. m. in Morton First Methodist Church with the pastor, Rev. H. F. Dunn, and Rev. Jack Thompson of Lamesa officiating. Burial followed in Morton Cemetery.

C. C. Nettles came to Lynn county with his parents, the late Mr. and Mrs. J. J. Nettles, in 1906 from Stamford, and settled in Lakeview community. He was a veteran of World War I and served in the 38th Division during five campaigns in France.

Some years after the war, he farmed near Brownfield, and moved to Cochran county in 1938 and had lived there ever since. He was a long time member of the Methodist Church and was also a member of the American Legion.

Survivors include his wife, Willie; a son, Major Howard C. Nettles, U. S. Army (Ret.); Morton; two daughters, Mrs. Gervus Rork of Whiteface and Mrs. Geraldine McComie of Morton; one sister, Mrs. Ione Wilson of Bonham; three brothers, Roy O. Nettles of Lakeview, Eugene Nettles of Brownfield, and Loyd (Dude) Nettles of Lorens; six grandchildren and two great grandchildren.

MRS. WOODWORTH IMPROVES
Mrs. C. E. Woodworth, who underwent major surgery on Sept. 12 and was in the hospital for three weeks thereafter, is now reported to be much improved.

Mike Lankford was an overnight patient in Tahoka Hospital after receiving a concussion from a fall at school Thursday of last week. He is the son of Mr. and Mrs. Grady Lankford.

87 Right-of-Way Land Acquired

Another big step toward completion of right-of-way for the new four lane divided US 87 highway through the city of Tahoka has been completed on the reaching of a settlement with Higginbotham-Bartlett Co.

Deeds to this property have now been filed, including the lumber yard and a number of lots, for a price of \$31,348. Higginbotham-Bartlett is to vacate the lumber yard by July 1, 1965.

The lumber firm has bought the C. C. Ross property on US 380, a block east of the highway intersection, and is reportedly planning to build on the site.

Texas Highway Department pays half of the right-of-way cost, the City of Tahoka one-fourth, and Lynn County one-fourth.

J. M. Uzie, City administrator, told The News this takes care of the major portion of the right-of-way in town except for a few small tracts on which negotiations are still pending.

County Judge W. M. Mathis says commissioners have taken no action toward securing right-of-way outside the city limits of Tahoka. There remains a four-mile gap in the four lane road, about a mile and a half of which is in Tahoka city limits.

Man Pinned In Wrecked Truck Is Rescued Near Here

Charles McClinton, 46, Lamesa, narrowly escaped death Wednesday at about 4:30 p. m. when the truck he was driving overturned on US Hwy. 87 two miles north of Tahoka and pinned him in the cab for more than an hour.

On being rescued, he was rushed by a White ambulance to Medical Arts Hospital in Lamesa, where he is in serious condition with a broken left arm, fractured pelvis, and possible internal injuries.

Hwy. Patrolman Ray Priest, who investigated the accident, said McClinton was driving north in a 1965 Mack truck tractor, owned by Holt Brothers of Lamesa, and apparently was passing a car when his truck hit a slick place on the pavement caused by the light rain, lost control of the vehicle as it ran across the median and west lanes, and overturned in the barrow ditch.

The truck stopped upside-down, resting on the cab, inside of which Mr. McClinton was pinned in such a manner that he could hardly move.

Tahoka Volunteer Fire Department and a wrench truck unit from Lyntegar Electric came to the scene and, along with others, helped in the tedious task of removing the injured man. Hack saws and hydraulic jacks had to be used to extricate the man from the cab.

Patrolman Priest highly praised the workers in releasing the man from the wreckage without further injuries to him.

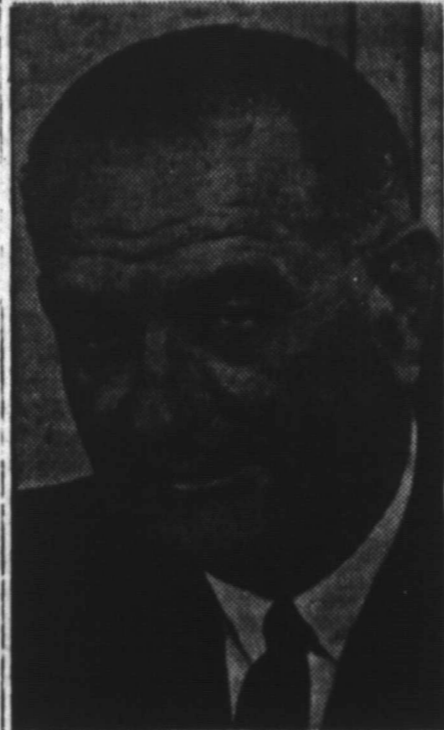

Mrs. Oscar Follis of Wilson was released from Tahoka Hospital Saturday where she had been a medical patient.

Mrs. Texas Owens was a medical patient Monday and Tuesday in Tahoka Hospital.

Tommy Brewer was treated in Tahoka Hospital as a medical patient Tuesday and Wednesday.

Mrs. Pat McKibben is a medical patient in Tahoka Hospital, having been admitted Tuesday.

LYNDON B. JOHNSON

HUBERT H. HUMPHREY

Homecoming At Wilson Today

(Mrs. Ted Melugin)
Wilson will be observing another homecoming next Friday night, Nov. 6. The football game between Meadow and Wilson will kick off the festivities with the game time being 7:30.

The following day, registration will begin at 2:30 p. m. and continue until 5:30 p. m. A home-cooked barbecue supper is planned from 5:30 to 7:30 p. m. Guest speaker will be Ralph Krebs and honored classes will be 1938, 1939, and 1940. Plates will be \$1.50 for adults and 75c for children.

Everyone is urged to come and join the fun, including all parents, teachers, friends and exes.

LUTTRELL IMPROVES

R. R. Luttrell, who has been ill for some time and in and out of the hospital, says he is feeling much better now.

Contributions to the Goodfellow Fund are now being accepted, according to members of the Tahoka Home Demonstration Club, which this year will sponsor the distribution of toys and food to children and families of the community at Christmas time who might not otherwise have a merry holiday. Donations may be deposited in boxes at five local stores, Piggly Wiggly No. 1, Piggly Wiggly No. 2, Collier Drug, Tahoka Drug and First National Bank. They may also be mailed to Box 472, Tahoka.

Old toys, preferably that are in good condition, and canned goods or other articles appropriate for Christmas boxes may be left as usual at the City Hall. It is hoped that local boys and girls can again help with repairing toys and packing the boxes, members of the club say. Mrs. Patsy Dunlap is chairman of the Goodfellow Fund and Mrs. Joanne Hammonds is president of the Home Demonstration Club. They urge that all who plan to contribute to the Goodfellow Fund to do so early.

Democratic Candidates Win Sweeping Election Victory

Lynn county voters turned out Tuesday in near-record numbers to join the state and nation in sweeping Democratic candidates from President down to precinct officers into office. A total of 3,164 voters went to the polls in Lynn county, an even 1,900 in the three Tahoka boxes.

President Lyndon B. Johnson, the first Texan ever to serve as this nation's chief executive, and his chosen running mate for vice president, Senator Hubert Humphrey, ran away with the vote in Lynn 2281 to 745.

Many local people predicted a close race for U. S. Senator be-

tween Ralph Yarborough and Republican aspirant George Bush, but the incumbent carried Lynn 1838 to 1151. Lynn was the only county he lost in this immediate area in the primaries.

Other races went about as expected by most observers but the Democrats won by much larger margins than some anticipated.

Write-In At O'Donnell

A write-in campaign developed in Precinct 3, O'Donnell, for County Commissioner when friends of Paul Sherrill, nosed out in the Democratic Primary by Mrs. Beatrice McLaurin, present incumbent, mailed out circulars over

the precinct urging that his name be written in for the office.

Mrs. McLaurin received 326 votes at O'Donnell, 48 at Newmoore, and 11 absentee for a total of 385.

Sherrill received 195 at O'Donnell, 17 at Newmoore, and one absentee for a total of 213 write-in votes.

Election officials said everyone was very cooperative and pleasant, there was a surprisingly small number of improperly voted ballots and there was little trouble counting. Four years ago about 13 percent of the ballots had to be thrown out because of improper "split-ticket" voting.

Returns from all precincts were reported to County Clerk C. W. Roberts before 9:00 p. m.

The 3,164 voters in Lynn is a record for recent years. There were 2,755 poll taxes paid this year and 98 underage exemptions issued, according to Tax Man George McCracken. As high as 30 percent of the voters in some precincts were over-age voters, who do not have to have a poll tax receipt or exemption in Lynn.

Elvin Ray Moore, O'Donnell election judge, said 151 of the 537 voters there were over-age. Several other precinct officers thought up to 30 percent of the voters were over-age.

Bill Ueckert of New Home said election officials there checked up and found there were only five names on the poll list who failed to vote.

RALPH YARBOROUGH

O'Donnell Votes School Bonds

O'Donnell school district voters Saturday approved bonds totaling \$140,000 for school building additions and improvement of present facilities.

One proposal, to add six new classrooms to the high school building at a cost of \$78,000 carried by a vote of 215 to 120.

The second proposal, to build dressing room, toilet and other facilities for the physical education program at an estimated cost of \$64,000, was approved by a vote of 172 and 153.

Supt. Charlie White and school board members have worked out a plan following the building construction to return to the six-six plan of operation. Senior high building, with addition of six classrooms, would become a combination Senior-Junior High building for the upper six grades. All rooms in the present elementary and junior high building could then be converted to elementary school.

Facilities for physical education have been inadequate for lack of space. The school proposes to build additional dressing rooms for boys and girls to accommodate both junior and senior high school boys and girls and in the physical education and athletics program. Additional rest rooms will also be built.

There will be no increase in valuations or tax rates because of the bonds, at least not in the next three years, school authorities say. The bonds will be retired in 18 years.

Baptist Pastors At State Convention

Rev. T. James Eflord, pastor of First Baptist Church, Rev. Philip Goodrum, pastor of Sweet Street Baptist Church, and Rev. Hank Scott, pastor of the Wilson First Baptist Church, are in Corpus Christi this week attending the Baptist General Convention of Texas. Also attending the convention are 12 laymen from the Wilson church.

Some 5,000 delegates are in attendance in Corpus Christi this week, making this one of the largest conventions the state has had.

The Lynn county delegates will return today.

Robert Smith Is Officer Of Club

Robert Smith, student in Sul Ross State College at Alpine, has been elected vice president of Clip and Brand Club. Last year, this club was voted "club of the year" at Sul Ross.

Robert is also an employee of the College book store. He is the son of Mr. and Mrs. Ross Smith of Tahoka.

Greg Reid, 15, son of Mr. and Mrs. James Reid of O'Donnell was a medical patient in Tahoka Hospital Sunday and Monday.

Puerto Rico means rich port.

Tahoka Featured In Yarborough's TV Show On Monday

Tahoka was featured prominently in the Monday pre-election pre-recorded state-wide television program of Senator Ralph Yarborough.

The program showed the Senator arriving at Tahoka Airport last Thursday noon, where he was greeted by Lynn county's Democratic leadership quartet of John F. Thomas, E. L. Short, Calloway Huffaker, and Albert Curry.

Other shots were of him arriving at Lyntegar conference room with the new Methodist Church shown in the background, inside the room shaking hands with Lynn county people, the water tower bearing the word "Tahoka", and finally the plane taxiing down the landing strip for the take-off.

The film made in Tahoka was labeled a typical campaign visit of Senator Yarborough in his whirlwind campaign over Texas.

Strangely, Lynn county was the only county among 25 in this area which Senator Yarborough lost in the Democratic primary election.

Weather Halts Cotton Harvest

Mist Tuesday, light rain Wednesday, and overcast skies Thursday put a halt to cotton harvest just getting well underway here. Temperature only dropped to 40 degrees, but light snow was reported further north in the Pan handle.

On Wednesday .12 of an inch fell in Tahoka, bringing this year's total precipitation to only 10.17 inches.

Cotton had begun coming in at a more rapid rate, principally from dryland crops. With fair weather and frost within the next few days, the tempo of cotton harvest should increase.

MOVING TO TOWN
Mr. and Mrs. J. O. Allen are preparing to move their home from the Dixie community farm to lots they have bought on North Sixth Street just east of Mrs. Frances E. Dunagan.

H. L. Fyburn was a medical patient Sunday until Tuesday in Tahoka Hospital.

Presidential Vote

	Dem.	Rep.
1. South Tahoka	271	90
2. Wilson	308	112
3. O'Donnell	427	87

Lieutenant Governor: Preston Smith 2699, Horace Houston 320, Joe Lummler 1.

Attorney General: Waggoner (Continued on Back Page)

Perry Flippin At Johnson's Party
Perry Flippin, journalism student in University of Texas, was one of three reporters from The Daily Texan to receive a press card to attend President Johnson's election party Tuesday.

He also was in the picture on television Tuesday night when Mr. Johnson was interviewed, and several local people spotted Perry.

Perry is the son of Mr. and Mrs. Welch Flippin, a graduate of Tahoka High, and a student at Abilene Christian College last year.

Society & Club News

Guest Speakers At New Home Club

New Home Young Homemakers met October 26, at 7:00 p. m. in the Homemaking Cottage. Those present were Mrs. Jackie Wilson, Sue Eades, Nell Balch, Carolyn Gregg, Punk Franklin, Daloma Smith, Virginia Dulin, Zana Stanford, Madeline Rice, Scooter Sharp, Loretta Tekell and Miss Gene Harris.

Mrs. Anita Billman and Queen Draper of the House of Flowers presented the program on making Christmas centerpieces. Each homemaker attending made a centerpiece.

The next meeting will be November 23. The program will be "God in the Home."

New Home Exes Enjoy Banquet

About 150 people attended the Ex-Students banquet at homecoming activities for New Home High School last Friday held in the school cafeteria.

The classes of 1929 through 1934 were honored this year and every class was represented at the event except that of the Class of 1930. The high school twirlers entered the crowd with various routines.

Wilmer Smith of New Home was the principal speaker and gave a very entertaining talk on the "good ole days" at New Home. Those attending said everyone enjoyed the amusing anecdotes brought out by Smith.

A short business meeting followed and ex-students elected officers to serve for the next two years. These include Bernice Clem, president; Bernhard Ernst, vice president; and Mary Bess Edwards, secretary-treasurer.

Andra Sue Carroll Is FFA Sweetheart

Miss Andra Sue Carroll, senior in Tahoka High School, was named the Tahoka FFA Sweetheart Tuesday by members of the local chapter.

She will represent the Tahoka FFA in the Princess contest to be held in Lubbock at a later date and will attend the Lynn county stock show. Andra is the daughter of Mr. and Mrs. Eldon Carroll.

The FFA this year departed from the custom of choosing its sweetheart by the "penny a vote" method and she was chosen by popular vote of the chapter from a field of eight candidates with two representing each high school class.

Nominees for the honor were Pat Falls and Andra, seniors; Linda Ward and Nancy Parker, juniors; Sue Woodall and Maria Bray, sophomores; Jan Roberts and Debbie Wright, freshmen.

VISITING OKLAHOMA

Mr. and Mrs. Blain Ramsey left Wednesday to visit a week in Enid, Okla., with their daughter, Mrs. Clifton (Lamyrie) Cox.

JUNIOR HIGH CHEER LEADERS on hand each week to lead the pep squad at seventh and eighth grade football games have been, left to right, kneeling, Jane Cox, Patti Short and Shelia Tankersley, seventh grade students; and standing, Clady Carroll, Melanie Leverett, and Joai McNeely, representing the eighth grade. (Photo by Finney)

"Magic of Flowers" Is Theme of Club Show

"Magic with Flowers" was the theme of the Tahoka Garden Club placement flower show held Thursday, Oct. 29, in the home of Mrs. Maurice Huffaker. Reported to be one of the most beautiful shows ever held by the local club, about 85 guests attended between 3:00 and 5:00 p. m. to see the exhibit.

Winners in the various classes are listed below. However, although the horticulture exhibit was one of the best, many failed to place their names on each exhibit and a list of the winners was not possible.

Class I
Piano, blue ribbon, Mrs. V. F. Jones; red ribbon, Mrs. J. A. Pebsworth. End table, blue ribbon, Mrs. Jack A. Robinson; red ribbon, Mrs. K. R. Durham.
Dining table, blue ribbon and tri-color award, Mrs. Roy Edwards; red ribbon, Mrs. Clarence Williams. Built-in buffet, blue ribbon, Mrs. Blain Draper; red ribbon, Mrs. Gariand Pennington.

Class II
"Moon Madness" (Den): Mantle, blue ribbon, Mrs. Skiles Thomas; red ribbon, Mrs. Clifton Hamilton. Stereo, red ribbon, Mrs. Roy LeMond. Round table, blue ribbon, Mrs. Dub Kenley; blue ribbon, Mrs. Natt Park.
End table No. 1, red ribbon, Mrs. J. D. Martin. End table No. 2, red ribbon, Mrs. Calloway Huffaker. Hearth, blue ribbon, Mrs. Emil Froh; blue ribbon, Mrs. Clarence Williams. Serving bar in den, blue ribbon, Mrs. J. F. Toler; red ribbon, Mrs. Blain Draper.

Class III
"Steaming Caldron" (Kitchen): Table, blue ribbon, Mrs. Calloway Huffaker; red ribbon, Mrs. Charles Brookshire. Small buffet, blue ribbon, Mrs. G. H. Hines. Bar, blue ribbon, Mrs. R. M. Stewart; red ribbon, Mrs. R. C. Roberts.

Class IV
"Witching Hour" (Master Bedroom): Dresser, red ribbon, Mrs. L. C. Haney. Desk, blue ribbon, Mrs. K. R. Durham; red ribbon, Mrs. Roy LeMond. Night stand, white ribbon, Mrs. W. H. Norman; yellow ribbon, Mrs. Alice Fortenberry.

Class V
Master Bath: Dressing table, blue ribbon, Mrs. Weldon Martin; red ribbon, Mrs. Roy Edwards. Commode, blue ribbon, Mrs. Terry Noble; red ribbon, Mrs. G. H. Hines.

Class VI
Utility Bath: Commode, blue ribbon, Mrs. Oscar Roberts; red ribbon, Mrs. Hubert Tankersley.

Class VII
"Laprechaun's Workshop" (Boy's Room): Desk, blue ribbon, Mrs. W. T. Kidwell; red ribbon, Mrs. John Ramby. Chest, blue ribbon, Mrs. Ralph Beistle.

Class VIII
Boys Bath: Dressing table, blue, Mrs. Weldon Martin. Commode, blue, Mrs. Clifton Hamilton.

Class IX
"Friendly Ghosts" (Girls Room No. 1): Dresser, blue, Mrs. Buster Phlips; blue, Mrs. R. M. Stewart.

Class X
"Cat's Meow" (Girls Room No. 2): Dresser, honorable mention, Mrs. W. T. Kidwell. Night stand, blue, Mrs. Emil Froh; red, Mrs. Harley Henderson.

Class XI
Girls Bath: Dressing table, honorable mention, Mrs. Jack Fenton; third, Mrs. K. R. Durham. Divider, honorable mention, Mrs. W. S. Taylor, Mrs. John Ramby. Commode, yellow, Mrs. J. F. Toler; honorable mention, Mrs. Lynn Seales.

Class XII
"Harvest Moon" (Patio): Table, blue, Mrs. Jack A. Robinson; blue, Mrs. Hubert Tankersley. Floor, blue, Mrs. Skiles Thomas.

Garden Club Meets With Mrs. Fenton

Tahoka Garden Club will meet with Mrs. J. W. Fenton as hostess in her new home at 2411 North Third on next Tuesday, November 10, at 9:30 a. m.

Mrs. E. R. Edwards, co-hostess, will be in charge of program arrangements, which will be "Table Settings."

For roll call, members will bring enough copies of their favorite recipe to exchange with others.—Reporter.

Leverett "Girls" Win At Bridge

Winners in Beginners Duplicate bridge play at T-Bar Country Club Thursday were Mrs. Cln Leverett and Mrs. Tommy Leverett, first; Mrs. Maurice Small and Mrs. Olen Benfro, second.

T-Bar Duplicate Club did not meet this Tuesday night on account of the election.

Pythian Sisters Met Tuesday Eve

Lynn Temple No. 45 Pythian Sisters met for their regular meeting Tuesday, Nov. 3, with Most Excellent Chief Elsie Dee Brooks presiding.

The next meeting will be held Nov. 10, advancement night for officers. Hostesses will be Mrs. Fern Lewis, Mrs. Maurine McClellan and Mrs. Wanda Glenn.

WCS Is Planning Bazaar Nov. 21

Woman's Society of Christian Service met in the Methodist Church Monday for lunch and business session, Mrs. Margaret Carter presiding.

The group heard Mrs. George Heather speak on "Values," which was very inspirational and informative.

The Margaret Circle meets with Mrs. Carter next Monday afternoon at 3:15 o'clock.

Faith Circle meets with Mrs. A. M. Bray Monday at 9:30 a. m.

We are still working and planning for the bazaar which will be held November 21.—Reporter.

Cotton is grown in 28 states.

Shower Given For Former Tahokan

Mrs. Cary Oneal Davis, nee Miss Wanda Sue Andrews, of Oklahoma City and formerly of Tahoka was honored with a bridal shower Saturday morning in the home of Mrs. George Komposon of Brownfield.

Guests were received by the honoree, her mother, Mrs. Ellis Andrews, the bridegroom's mother, Mrs. Calvin Davis, and Mrs. Komposon. Mrs. C. W. Deakson registered guests.

Carrying out the bride's chosen colors, the serving table was centered with an arrangement of bronze chrysanthemums in a white milk glass bowl flanked by gold tapers in silver appointments and yellow bridal napkins. Covered with a beige cutwork lace cloth, the table was complimented by silver and china appointments. Mrs. Edward J. Yunkob, sister of the bride, presided at the silver service.

Hostesses were Mrs. Komposon, Deakson, Ferrell Daniel, James Fox, Howard Swan, Henry Car-gill, E. E. Preston, Bobbie Thomson, R. H. Sherrod, Elbert Floyd, Millard Martin and Henry Newman.

CARD OF THANKS

We would like to express our deep appreciation for the flowers, your presence, the cards, food and prayers in our time of sorrow in the loss of Mr. J. O. King.—The J. O. King family. Itp.

The gin was invented in 1793.

Lynco Bowmen At Abilene Shoot

The Lynco Bowmen held a league shoot on the home range south of Tahoka on Oct. 25 when 19 shooters participated.

Jack Kimbrough of Odessa shot the high score of the day. The league consists of five clubs from Abilene, San Angelo, Post, Odessa and Tahoka with the local club made up of members from Lynn county, Lubbock, Dalou, Levelland and Brownfield.

On Sunday, Nov. 1, six club members participated in a pre-historic shoot held in Abilene when the targets were dinosaurs and pre-historic monsters. Three men placed, including Ralph Davis, sixth; Richard Montgomery of Lubbock, ninth; Ed Redwine, 11th. Also attending were David Montgomery and Herman Brumblow.

of Lubbock and Paul Davis. Thirty five shooters were entered in the event, shot as a handicap score. On Nov. 22, the last league shoot of the season will be held in San Angelo.

MAS SURGERY

Mrs. A. L. White, 89 year old mother of Rev. Aubrey White, underwent major surgery Tuesday in Lamesa Hospital and was reported Wednesday to be resting well. She was admitted to Tahoka Hospital on Monday, but was transferred to Lamesa for surgery. Mrs. White has been in ill health for many months.

Home Sweet Home Insurance
(that really pays off)
A State Farm Homeowners policy pays off two ways. First, by protecting your home and belongings against almost every risk imaginable. (Even covers you in case of thefts.) And secondly, by paying big dividends—the kind of dividends that have already saved Texas drivers over \$45 million with State Farm Mutual. Want to hear more? Call me for the full details.

The Texas cotton crop is the most valuable crop grown in a single political subdivision in the world.

Only once has the speaker of the house ever become president, when James K. Polk was elected in 1839.

The Electroencephaloneuromyogram Prove Chiropractic Principle of Healing

by Dr. H. W. McElroy

The electroencephaloneuromyogram measures and graphs brain-waves or nerve current patterns. It was the first instrument of its kind capable of picking up multiple nerve currents at the same time. For over 20 years this ingenious, highly sensitive, \$100,000.00 mechanism has been in constant use in the conduct of chiropractic research. Used to parallel the progress of the patient, it records positive evidence that abnormal chemical reactions and pathological changes occur incident to any obstructive disturbance of the body's natural flow of brain-waves or nerve currents along the nerve lines. It further proves removal of such nerve interference will return a normal pattern, permitting nature to heal.

While making great strides in research, chiropractic has decreased sickness and increased the life span of people the world over. After more than 60 years of clinical testing, millions of authentic case records prove chiropractic to be a revolution in the healing sciences. Typical of this clinical proof is measured in the following case.

Extreme nervousness, severe headaches, frequent urination day and night, along with a constant nagging low backache, stiff joints,

tired exhausted feeling, upset stomach, nausea, indigestion, etc., all accumulated gradually over a period of five years until this young government worker gave up all other methods and came to chiropractic. He was in despair, irritable, underweight, sweating profusely and all for good reason. In his line of work, this condition would get anyone down—and to top it all, he had been previously diagnosed as having a bad heart.

Our spinal analysis and spinal X-rays located nerve interference that prevented his body from functioning normally as it was made to do. We removed the interferences and he watched symptoms after symptoms disappear as normal function returned. This was two years ago. Last week he was still on his government job and feeling fine. Nature works wonders when she is not short circuited! We gave her a chance to work!

While our critics go about saying it can't be done, we have already done it. Results speak for themselves.

For your health and happiness sake, investigate. Your own successful case may someday appear in this column.

214 Tahoka Road, Brownfield, Texas. Telephone 637-3242 for appointment.

Note: The world's largest insurance companies and the Texas Workman's Compensation pay for Chiropractic service. Demand it or buy from those who will pay. Next article in next issue. Adv.

Mahon Honored By Farm Leaders

Lubbock, Nov. 1 (Spl)—Congressman George H. Mahon was honored here today by the Texas Agricultural Extension Service for distinguished service to Texas agriculture.

Mahon received a plaque, known as the "Knapp-Porter Award," as a part of Extension's celebration of its 50th Anniversary Year. Governor Connally had previously proclaimed this week as "Texas Agricultural Extension Service 50th Anniversary Week."

The award, one of two presented this week, honors men who have "projected the visionary aims of Dr. Seaman A. Knapp, originator of Extension teaching methods, and Walter C. Porter, pioneer farm demonstrator." The other award was made to Congressman Olin E. Teague on the Texas A&M University campus earlier this week.

Agricultural Extension work was born sixty-one years ago on the Walter Porter farm near Terrell, Texas. The first cooperative farm demonstration ever was conducted on this farm under the direction of Dr. Knapp. With the success of this first demonstration proven, the U. S. Department of Agriculture was quick to adopt methods used on the Porter farm.

Called a highly selective award by Extension Director John E. Hutchison, the award was established this year. Hereafter the award shall be made only when an outstanding nominee is eligible to receive it and not necessarily on a regular basis.

Hutchison said. Purpose of the award, he said, is to provide recognition to individuals who have made truly significant contributions to Texas agriculture and family living through support of informal educational programs for both adults and youth.

Mahon, chairman of the House Appropriations Committee, has been a vital force behind the growth of both Texas and U. S. agriculture. He was elected in 1934 to the 74th Congress and has been reelected to each succeeding Congress.

Born in 1900 near Haynesville, Louisiana, Mahon was raised on a farm and attended a rural school. He was graduated from Simmons University, Abilene, in 1920 and took his law degree at the University of Texas in 1925 and attended the University of Minnesota in 1925 also. He is the holder of three honorary degrees.

Married to Helen Stevenson of Loraine in 1923, Mahon began his political career as elected county attorney for Mitchell County in 1926. He was appointed district attorney for the thirty-second judicial district in 1927. He was elected district attorney in 1928, 1930, and 1932.

In 1963, Mahon received the American Political Science Association Congressional Distinguished Service Award. He was appointed to the chairmanship of the House Appropriations Committee last spring by President Johnson. For 17 years, he has headed the subcommittee handling money appropriations for the military services and was a member of it long before then.

Mahon's award was presented this morning at a coffee sponsored by the Plains Cotton Growers' Association. County Agent Bill Griffin of Tahoka was a member of the group from this area present for the presentation.

Cotton is grown in 18 states.

Lynn County Soil Conservation District News

E. R. BLAKNEY HAROLD PAYNE
WARD EAKIN BOYD BARNES
JIGGS SWANN

Many producers of the Lynn County Soil Conservation District verify the merits of maintaining crop residues on the soil surface to help retain soil moisture and conserve the soil from both wind and water erosion. From another angle, the Halfway Experiment Station has recently stated the importance of maintaining crop residues on the soil surface to help curtail the sorghum midge problem. They advocate that the sorghum midge can be exterminated from exposure to the cold, dry, winter winds of the South Plains. By turning under midge-infested residues, the midge are able to survive due to the warmer and more moist conditions beneath the soil surface. While the sorghum midge is not as much a menace to farmers of this district as in some areas; nevertheless, it should warrant your attention.

There are several important reasons to maintain crop residues on the soil surface. Yet, the main benefits received are from the residues ability to conserve water where it falls and the soil it falls on. Residues covering the soil slow down the water; hence, increasing the infiltration of water into the soil. In an area of low rainfall, such as we have, the retention of moisture should be very important to both dryland and irrigated farmers.

In this district most farmers know well the importance of managing the residue on the soil sur-

face to control wind erosion. There are several advisable methods of plowing land having residues, but chiseling is probably the most effective and the most popular. Methods such as tandem discing tend to pulverize the soil too much and cover too much residue. Any method that will pulverize the soil as little as possible and leave the residue on the soil surface is recommended.

CARD OF THANKS

Our gratitude cannot be expressed for the many lovely flowers, cards, food and kind words during the illness and death of our father and grandfather. Your concern shown in so many ways brings us to realize more deeply the value of friends. May God be with each of you.—Mr. and Mrs. Jake Jacobs, Vicki, Becky and Fran. 1p.

FARMERS WINNING BATTLE OF THE BOLL WEEVIL!

BATTLE RECORD TO DATE

SPRAYING	ACRES SPRAYED	COMMENT
Number 1 (Beginning Sept. 15)	303,000 acres (Originally estimated 240,000 acres. Total includes Skip-row)	First application was hampered by rain, wind, etc. Migrating weevils caused increase in size of control zone. Extremely high adult and unemerged weevil populations encountered.
Number 2 (Beginning about October 4)	281,000 acres (Reduction due to acreage desiccated or harvested)	Field checks indicated effective kill of adult weevils but continuing emergence kept new weevil population up. Additional planes brought in to speed up sprayings.
Number 3 (Beginning about October 13)	230,000 acres (Continuing harvest and desiccation)	Field examination showed great reduction in number of adult weevils, with low occurrence of weevils in diapause stage. Also fewer unemerged weevils.
Number 4 (Beginning about October 21)	190,000 acres	Few unemerged and very young weevils left. Practically no weevils in diapause stage.

CONCLUSION: Remaining unemerged and young adult weevils will be kept from going into hibernation either by frost or a fifth spraying. Entomologists agree that hibernating weevils will have been reduced by more than 90 percent by end of this year's program.

Financial Arrangements

- Compresses to collect 50c per bale, and remit to a special boll weevil control fund in bank — no connection with P.C.G. regular funds.
- While compresses collect on all cotton, the contribution is voluntary for individual farmers who may request and receive refund.
- All funds are under direction of a Certified Public Accountant firm.
- Monthly financial reports by U.S.D.A. and Boll Weevil Steering Committee will be made — Complete audit will be published at the end of season.
- Any unexpended Steering Committee funds will be placed in interest bearing account for continuation of Boll Weevil Program next season. Unexpended U.S.D.A. funds must return to Treasury, as all appropriations are on annual basis only.

GRASSLAND NEWS

(Mrs. O. H. Hoover)
Cotton is coming in fast now at Grassland gins. The Farmers Co-op Gin reports 1125 bales ginned up to Monday and running steady all day and until midnight or after. Producers Gin reports 582 bales ginned and not too busy yet but steadily increasing. Look out in about 10 more days.

Correction: Mrs. Amos Gerner did not carry the anniversary supper she prepared to the hospital; she carried it to the Claborn home.

Mr. and Mrs. Mutt McGeugh and son Mike of Abernathy spent the day Sunday with her parents, Mr. and Mrs. J. A. Propst.

Mr. and Mrs. Propst hope to get moved into their house in about a week or ten days.

Mrs. W. A. Oden and Mrs. Hoover took a 90 mile drive Sunday down in the "breaks" country around Gail, and found that the haze in the hills made beautiful scenery.

Rev. J. E. Yeats preached for us Sunday morning at the Methodist Church in Grassland at 9:30, and also at Draw at 11:00. He was

our pastor here for two years.

Mr. and Mrs. Roy LeMond spent the week end with Mr. and Mrs. Ted Pridmore near Dallas.

Rev. and Mrs. Ira Campbell are leaving Monday for Memphis, Tenn., to hold a two weeks revival. Roy McCoy of Lamesa will preach here while he is gone.

Mrs. Mary Lee Laws and children spent the week end in Hobbs, N. M., with her parents.

Mrs. Cordie Laws was a week end guest of her son and family, the Kelly Laws.

Mrs. May Lewis suffered a heart attack and was hospitalized for some time in Wichita Falls. She is a former resident of Grassland.

The Carlos McCleskey family had supper with the James Murray family last Monday.

Rev. J. C. Allen and Mrs. Allen came home from the Valley by way of Grassland and visited a while with their daughter and family, the "Hooley" McCleskeys, last Wednesday.

Mr. and Mrs. W. M. DuBose of Brownfield spent the day Thursday with the W. G. McCleskeys.

Mr. and Mrs. L. J. Murray, Mr. and Mrs. Hulan Murray and baby of Lamesa, Mr. and Mrs. James Murray and children, Mrs. Ollie Huffaker and daughter, Mrs. Ludie Johnston and two boys of Colorado Springs, Colo., had lunch Sunday with the Bert McDonalds.

Mrs. Ludie Johnston and two little sons are here visiting her parents and other relatives.

Mr. and Mrs. "Hooley" McCleskey and son Delbert and Mr. and Mrs. W. L. Gribble went to Lubbock after church Sunday and had lunch with the J. C. Allens, and also visited Mr. and Mrs. J. W. Warrick.

Mr. and Mrs. W. G. McCleskey took their dinner and went to their grandsons and had lunch with them. I call this cooperation.

Mrs. Glen Norman and Linda Boucher were hostesses to Post Music Club Monday night in the home of Mrs. Norman.

Mr. Guy LeMond of Snyder came by and got his sister, Mrs. A. E. Sewell, and took her over to Lovington, N. M., to be with their brother, Grady LeMond, who is very ill.

Grandma Riley is not doing very well.

Mr. J. E. Sherrill is improving, but don't know when he will get to come home.

Mrs. Caswell is in the hospital at Lamesa, but they plan to take her to a specialist in Lubbock for further tests. She also has a heart ailment.

Mr. and Mrs. W. T. Luttrell attended the funeral services for their brother-in-law, Mr. J. O. King, in Wilson Methodist Church last Wednesday. We extend to these good people our sympathy.

Mr. and Mrs. Ruel Smith and Mr. and Mrs. Bob Norman attended funeral services for a cousin, Bill Ogle, in Chico last Wednesday.

Mr. and Mrs. L. B. Burk and Mr. and Mrs. E. N. Norman visited Mr. and Mrs. Ferman Chapman and family in Brownfield Sunday.

Mrs. Lucian Walker spent a few days last week with her son and family, the L. J. Walkers of Littlefield.

Mr. and Mrs. Joe Flemings and children of Brownfield visited her brother and family, the Gerald Normans, Saturday night. Johnnie and Mim Norman took the eight children "trick or treating."

Mr. and Mrs. C. A. Walker were week end guests of their daughter and family, the Bill Moores of Seagraves.

Rev. and Mrs. Ray Forbes went to Tulla Saturday for the rehearsal of a wedding. They spent the night with Mr. and Mrs. Buck Campbell, went to church services Sunday at Trinity Methodist Church and performed the wedding ceremony Sunday afternoon for Miss Wanda Anderson and Mr. Royce Tillman in the Calvary Baptist Church.

Rev. and Mrs. Forbes went to Vera this week to hold funeral services for a friend and former member, a Mr. Moore.

Rev. and Mrs. J. E. Yeats had lunch Sunday with the Gus Porterfields.

R. W. Haley of route 4, Tahoka, and Mrs. Amos Gerner visited their mother, Mrs. O. F. Haley, one day last week. Mrs. Gerner also visited Mr. Faye Clayborn and reports he is improving.

Mr. W. P. Thomas, who was transferred to Methodist Hospital in Lubbock, seems to be improving slowly.

Mr. and Mrs. L. S. Turner visited Mr. and Mrs. H. B. Crosby of Wilson Sunday afternoon.

Raymond Langford Is Buried Saturday

(By Mrs. O. H. Hoover)
Raymond Langford passed away from a heart attack on Wednesday, Oct. 23, at 7:00 a. m. He was the son of Mr. G. W. Langford and was reared in Grassland community but had been gone for a number of years.

Services were held in a funeral home in Fort Worth by his pastor, Rev. Ritchey, of the First Baptist Church there on Saturday.

Attending from here were Mr. and Mrs. G. W. Langford and a sister, Mrs. Millie Ola Hartness of Portales, N. M.

WILSON NEWS

(By Mrs. Ted Melugin)
Wilson Homecoming Friday
There will be a big parade at 6:00 p. m. Thursday in downtown Wilson with a bonfire following to start off the big Homecoming activities for the week end. The Mustang Band will lead the parade. On Friday night the Wilson Mustangs and Meadow will clash at 7:30 p. m. During half-time the band will perform and the football sweetheart and pep-squad

beau will be crowned. Candidates for football sweetheart are Layce Baker, Jane Stoker, Charlot Mears, and candidates for pep-squad beau are Sammy Crowson, Royce Baker and Delbert McClellan.
Saturday at 3:30 registration begins for all exes and at 5:30 p. m. the barbecue supper begins. Guest speaker will Ralph Krebs, and honored classes will be 1939, 1939 and 1940.

The Jr. High football team played at Cooper Thursday night, and won with the score Wilson 30, Cooper 14. This was their final game for the season, with five wins and two losses.

After the football game last Thursday night, all the eighth grade football boys were honored with a party, in the home of Jasper Campbell. There were a decorated cake representing a football field, pizza burgers and soft drinks. Games were played and enjoyed by the entire eighth grade class. The honoree was Cindy Campbell and parents with school sponsors present, Mr. and Mrs. Larry Brown.

Mr. Anton Ahrens' birthday was Friday, Oct. 30, and helping him celebrate were visitors Mr. and Mrs. Elbert Gumm and John T. Pat Swann, Otis Nell of Slaton, Mrs. R. R. Dreyer, and Bill Carley of Tahoka. Sunday a birthday dinner was served with Mr. and Mrs. Ahrens' children present and friends visiting. They were Mr. and Mrs. Walter Gardner, Carla and Dennis of Olton, Mr. and Mrs. Weldon Ahrens and James of Lubbock, Mr. and Mrs. Henry Ahrens, Leslie, Robert and Kathy of Cotton Center, Mrs. R. J. Schuette, Bruce, Kenay, and Roxanne, Mr. and Mrs. Bill Klaus, and Rev. John W. Gada.

Friday night, Mr. and Mrs. Loyd Anders and family, Mr. and Mrs. Bill Smith and Mr. and Mrs. C. W. Smith of Odessa, attended the homecoming supper and football game in New Home.

Sunday afternoon Mr. and Mrs. Thad Smith, Mr. and Mrs. Loyd Anders and family, Mr. and Mrs. C. W. Smith and family, attended the Golden Wedding Anniversary of friends, Dr. and Mrs. D. C. Baker at The Lou Stubbs Party House in Lubbock. Approximately 100 guests attended.

FHA Banquet Held
The Mother and Daughter FHA Banquet was held Tuesday night in the school cafeteria.

The program was presented by each class. Freshmen program was "Home to Our Mothers", sophomores, "Keys That Hold the Future"; juniors, "Emblem Service"; seniors, a devotional program.

Officers for the FHA for 1964-65 are president, Janis Maeker; vice presidents, 1st, Layce Baker; 2nd, Ruth Rucker; 3rd, Marilyn Wuensche; 4th, Wanda Wuensche; 5th, Karen Swann; parliamentarian, Charlotte Mears; secretary, Sandra Koslan; treasurer, Mrs. Kay Brown.

Mr. and Mrs. Edmund Maeker and Dennis returned home after visiting over the week end with their sons, Rodney and Valton in Seguin. It was homecoming week end at the Texas Lutheran College and the Maeker's enjoyed the activities while there. Mrs. Maeker reports that Rodney and Valton are really looking forward to Thanksgiving holidays for their first visit home since entering college in September.

Mrs. E. A. Edwards is home and recovering from major surgery on Oct. 17.
Local Lady Files to Hawaii
Mrs. J. H. Lambright and aunt,

Mrs. Sallie Pollard of Brownfield, chose.

The officers of the Ex-Student Association for 1964 are president, Edmund Maeker; vice president, Hubert Teinart; secretary, Mrs. Milton Wied; reporter, Mrs. Wilene Schuette. New officers will be selected during the homecoming meal Saturday.

The Methodist WBS will meet Tuesday morning to finish the study on the book, "Death of a Myth", given by Mrs. Tommy Harkey. The book in part tells how the American people can help the immigrants of Latin America to this country. The devotional will be given by Mrs. T. A. Stone. The MYF is having a skating party this Sunday.

Lynn County Soil Conservation District News

E. R. BLARNEY HAROLD PAYNE
WARD EAKIN BOYD BARNES
JIGGS SWANN

Billy Hardberger, whose farm lies three miles southeast of O'Donnell, has built a system of terraces which are parallel and all the soil was moved uphill to construct the terraces.

Hardberger traded with his contractor, Versal Cox, to build the terraces from the back side only. He believes that he will get better water distribution between his terraces. Without a water channel on the upper side, the rainfall will spread over more rows on the upper side of the terraces. And by building the terrace from the back side only, the land between the terraces is leveled so that water will stand from one terrace to the next one.

The parallel system was built with 300 feet, or 90 rows, between each terrace so that it will fit his six-row equipment without point rows. This will speed up his farming operations.

The Soil Conservation Service technicians are planning and laying out parallel terraces in order to keep up with the changing farming operations. The SCS technicians locate the key terrace lines in a field from engineering information. The farmer uses his regular bedding equipment to mark off the number of rows he wants between terraces making them parallel to the key lines. The technician then checks the parallel lines to see what adjust-

ments will be necessary to make them safe.

Sometimes the lines are level within tolerable limits. Some cuts and fills may have to be made to make the terrace workable. Blocks in the terrace channel may solve some of the problems involved.

The cost of making terraces parallel is more than building standard terraces and federal cost-share programs recognize this fact. Since the cost varies from farm to farm, the federal cost-share is set up on the basis of the actual cost not to exceed a certain limit established locally.

Farmers who need terraces to control erosion on their land should see the local Soil Conservation Service and inquire into the new program on parallel terraces.

Cotton is the life-blood of Lynn county economy. Why not use more of it?

Cotton Stripper Advice Offered

Three factors will determine the efficiency of your cotton stripping operation says County Agent Bill Griffin. These are:

1. Field conditions at harvest time;
2. Machine characteristics and adjustments; and
3. Skill of the operator.

Very important is field conditions at harvest. In damp weather, performance of a cotton stripper will be less efficient than under dry conditions. Extensive testing has shown best cotton stripper performance is obtained when humidity is below 60%.

So, for better grades and cleaner fields delay harvesting until the relative humidity is 60% or less at boll height in the field to be harvested. This measurement can be conveniently made with a dial-type hydrometer — a relative humidity measuring instrument. Dial hydrometers are available from hardware stores or instrument houses for approximately twenty dollars, points out Griffin.

THANKS TO EVERYONE!

We wish to extend our sincere thanks and appreciation to all those who helped in any way during the recent campaign.

Your fine cooperation was a big help in putting over our program. Special thanks are extended to all who contributed their money and time to the campaign, to those who helped in keeping the headquarters open, to Mrs. Mary Rumbo for her time and effort, and to Hall Robinson for his letting us use his building.

We would also like to thank the election officials who did such a fine job in conducting the election, and most of all we'd like to thank all you voters for giving generous consideration to the Democratic ticket.

JOHN F. THOMAS, Chairman
Lynn County Democratic Executive Committee

The pilgrims landed at Plymouth Rock December 21, 1620.

Work on the Great Wall of China began in 255 B. C.

Cotton can be made stretchable with a high twist of yarns.

The first subway opened in Boston in 1897.

The "Great Plague of London" in 1665 caused 63,506 deaths.

The ancient Incas wove cotton.

Farm Co
 Ralph W. Williams has been named the 1964 Census taker for the regional office of Census at Dallas. The new census of about 1,825,000 in the U.S. to record the population. He will be in Dawson on Thursday, November 11, to house to hire in this area. He will have about 24 positions. The new census taker will be in Lynchburg, Va. on Thursday, November 11, to house to hire in this area. He will have about 24 positions. The new census taker will be in Lynchburg, Va. on Thursday, November 11, to house to hire in this area. He will have about 24 positions. The new census taker will be in Lynchburg, Va. on Thursday, November 11, to house to hire in this area. He will have about 24 positions. The new census taker will be in Lynchburg, Va. on Thursday, November 11

Farm Census Gets Underway

Ralph W. Williams of Lamesa has been named crew leader for the 1964 Census of Agriculture, Percy R. Millard, director of the regional office of the U.S. Bureau of Census at Dallas, announced today. The new crew leader is one of about 1,825 persons throughout the U.S. to receive this appointment. He will be head of the census in Dawson and Lynn counties.

Mr. Williams will be in Tahoka on Thursday, Nov. 12 at the courthouse to hire eight people to work in this area. He would like to have about 24 applications for the positions.

The new crew leader will supervise a team of census enumerators who will visit all farms and ranches in Lynn county to collect official census questionnaires from farm operators. Enumeration of all farms in the county will take place in November and early December.

The census will be taken in the following way: Shortly after November 5, the Bureau of the Census, an agency of the U.S. Department of Commerce, will mail census questionnaires to all rural boxholders. Those required to fill out the forms should do so and send the questionnaires until a census enumerator comes to collect them. At that time, the

enumerator will help answer any questions that may have proved troublesome.

The crew leader is a key person on conducting a Census of Agriculture. He recruits and trains the enumerators, schedules their work, reviews the accuracy of completed forms, and conducts difficult interviews.

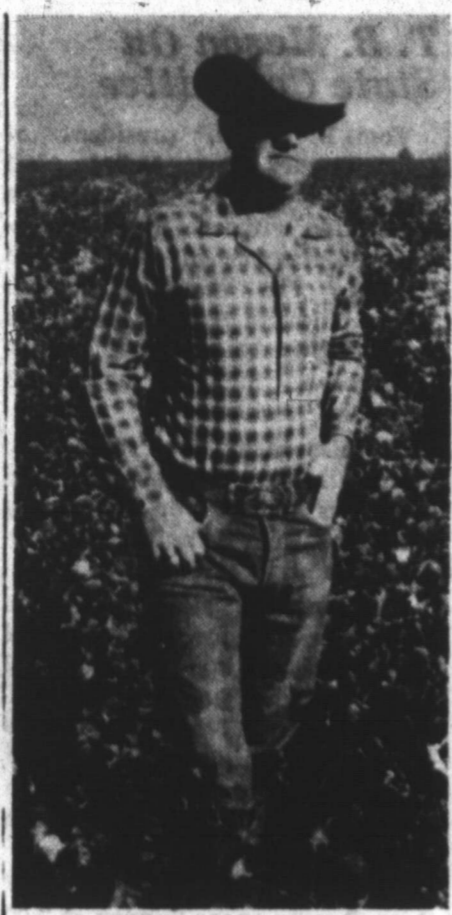

The Census of Agriculture is taken every five years in years ending in "4" and "9" to gather information on the nation's agricultural resources and production. Such information is vital in making decisions affecting many segments of the U. S. economy. Data gathered include the number and size of farms, acreage and harvest of crops, livestock inventories, information on farm equipment and improvements and income and some production expenditures.

The information will be published starting in 1965 for counties, States, and the nation.

STEWARTS AT REST HOME

Mr. and Mrs. Charley Stewart have moved to LaVoy's Convalescent Home and are reported to be improving.

Mrs. Walter Lee Stice entered Tahoka Hospital as a medical patient Wednesday.

JIMMY WILLIAMS

Jimmy Williams Farmer Of Month

Jimmy Williams, 27, has been selected by Tahoka Young Farmers as the "young farmer of the month" for November.

He was born and reared in Lynn county the son of Mrs. Gussie Williams and her late husband, Albert Williams. He attended Tahoka schools, graduated in 1955, and married the former Miss Lena Bengt. They have four children.

The Jimmy Williams belong to the Methodist Church at Draw. He is a member of the Masonic Lodge at Tahoka and is secretary of the Young Farmers, which post he has held twice. Mrs. Williams is president of Tahoka Young Homemakers.

Jimmy and family live at Draw, where he is engaged in farming. He started farming in 1952 on 80 acres of land while a freshman in high school. He managed to come through the dry years of the early 1950's and began to develop irrigation wells.

He has expanded his farming and at present is farming 503 acres. He now owns 253 acres of land and rents the rest. He has two 8-inch and three 4-inch irrigation wells and waters 210 acres of cotton.

Williams and some of his neighbors have a practice of swapping their water and pipe to aid in crossing their land faster and cutting down on the expenses.

Due to the bad water, he has to use several practices to aid his farming. One of these practices is breaking about half of his land and chiseling the rest for better water penetration and weed control.

Another is the user of fertilizer to help offset the salt and mineral content of his irrigation water. He has been experimenting with different types and amounts of fertilizer. He also experiments with different varieties of cotton to try to find the best producer with bad water.

He has also gone to use of larger equipment such as six-row to cut down on labor and expenses. He believes that all farming will come to use of larger equipment in the future.

One of the new methods he is planning is the use of chemicals to control weeds, to help cut labor and increase production. He will experiment this first year to determine the value in farming.

Jimmy has a dealership for fertilizer and seed, and if he likes the chemical weed control, he will try to handle it and insecticides for the farmers in his area.—Reporter, Donald Williams.

SHERRILL IN REST HOME

J. E. Sherrill of Draw, about 77, was released from Methodist Hospital Tuesday after being hospitalized 22 days from a stroke, and he and Mrs. Sherrill are now at LaVoy's Nursing Home here. Mr. Sherrill is reported to be recovering nicely.

Homer Young of Wilson was released from Tahoka Hospital Wednesday where he had been a patient since Oct. 23 after suffering a stroke.

Mexican Cotton Exports Increase

College Station—The movement of Mexican grown cotton across the border at Brownsville doesn't mean it has been purchased by American processors. The Port of Brownsville handles more foreign grown cotton for export than any port in the nation, says James E. Kirby, economist in marketing and policy for the Texas Agricultural Extension Service.

Chances are very good, he says, the inbound cotton shipments are coming into Brownsville as a part of this foreign trade.

He explains that certain U. S. ports have bonded warehouses where foreign products may be stored or processed and then re-exported. These facilities allow an imported product to be stored, sorted, graded or manufactured without the payment of duty.

Over 90 percent of Mexico's cotton exports moved through U. S. ports as late as the early 1950's, Kirby says. But by the 1962 season, only about a third of her exports were transhipped. Kirby says the development of Mexico's west coast ports of Guaymas and Ensenada was responsible for most of the decline.

He lists transshipments for the 1962-1963 Mexican cotton season through U. S. ports as 449,000 bales through Brownsville; 18,000 bales through Houston; 4,000 through Corpus Christi; 77,000 through San Diego and 3,000 bales through Los Angeles.

Kirby said Brownsville's six compresses at one time provided the major facilities for handling cotton grown in Mexico's Gulf Coastal areas and by which the Mexican flat bales could be prepared as high density bales necessary for ocean shipment. Changes in export policies by the Mexican Government have resulted in expanded compress facilities and their use and a drastic drop in business for the Brownsville compresses, Kirby said.

He noted that the 1963-64 cotton crop in Mexico is estimated at two million bales, a sharp drop from the 2.4 million bales for the present season.

Former Tahokan's Husband Buried

Mrs. Carl Taylor, the former Miss Cricket Baldrige of Tahoka, was here Friday in company with her sister, Mrs. Ben Moore, en route to O'Donnell to spend a few days.

Mr. Taylor died suddenly from a heart attack in their home town, Farwell, as he was preparing to accompany his wife to College Station to a meeting of home demonstration agents. A native of Cherokee, Texas, he was with the Santa Fe a number of years, moved to Clovis in the early 1940s, and had lived in Farwell the past two years.

He is survived by his wife, four sons and a daughter, and two stepchildren, son and daughter of Mrs. Taylor by a previous marriage, Mrs. J. A. (Norma Jean) Carlisle of Long Beach, Calif., and Harmon E. Shankle of Houston.

Mrs. Moore had stayed in Farwell with Cricket several days before the two came down to Mrs. Moore's home in O'Donnell last Friday.

STUDENT COUNCIL PLANS

Student Council met Tuesday morning, October 27, with John Huffaker, vice president, presiding. Andra Carroll, secretary, read the minutes of the last meeting and Carla McNeely read the treasurer's report. It was decided that pens would be awarded each month to the boy and girl selected as best citizens for that month. Pens will be presented for the months of September and October. Plans were discussed for presenting a Student Council Panel Discussion in an assembly.

in which campaign speeches were given by Eddie Howard, John Huffaker, Jim Wells, Ralph Brock, and Jim Crawford. Karen Laws, N.H.S. President, introduced the speakers, and Jean Flippin, chairman of the election, read letters from Bugh, Connally, and Goldwater, and gave the students instructions in voting. A total of \$28.70 was received from the sale of poll tax.

Cotton can be made stretchable with a high twist of yarns.

SENIORS HEAR MAHON

The Senior Class was invited to a reception for George Mahon, 19th Congressional District Representative, Tuesday afternoon at 2:45 in the Legion Hall. Mr. Mahon and his wife personally greeted every student, then Mr. Mahon addressed a few remarks to the students concerning Americanism, citizenship, and voting. He explained his duties in the House of Representatives. Mr. Mahon remarked that he has worked his way up in twenty five years time from 25th member of the Appropriations Committee to Chairman. He joked about having the "weight of a billion dollars" on his shoulders, but then quickly changed and went into the subject of voting. Mr. Mahon said that in the last election over 67,000,000 qualified voters did not vote. He urged each student to take an active interest in politics and become a well-informed voter, voting from the mind and not party loyalties.

SPANISH CLUB

Spanish Club members met Thursday morning, Oct. 22, to elect officers.

The officers are Jessie Limon, president; Andra Carroll, vice president; Robert Medlin, secretary; Jackie Burnett, treasurer; Joy Thomas, reporter; Carroll Curry, program chairman.

MOCK ELECTION

Lyndon Johnson, George Bush, and John Connally came out on top Thursday as students stated their preferences for President, Senator, and Governor in the mock election sponsored by National Honor Society. Voting was heavy as 266 ballots were tallied. President Johnson racked up 197 votes to 52 for Barry Goldwater. Bush received 155 while Senator Ralph Yarborough got only 100, and Governor Connally landslided with 239 votes to only 17 for Crichton. A total of 38 votes were not counted because of improper marking, with the remainder of votes going to write-ins. The voting followed an assembly

M. S. RENFROE PLANS ON MOVING TO MISSOURI

Morris S. Renfroe, who has lived at New Home most of his life, has bought an 800-acre ranch at Everton, Missouri, and he and family are preparing to move there about the first of the year. He says his ranch is about ten miles from the ranch B. A. Morrow moved to last year. Located northeast of Carthage, he says the country is beautiful and the grass fine.

Clark 2.
 Treasurer: Jesse James 2639, Fred Neumann 351, Bert Ellis 2.
 R. R. Commissioner: Jim C. Langdon 2681, Don Flanagan 354.
 Associate Justice: Jack Pope 2686, T. E. Kennerly 345.

Other Democratic nominees were unopposed. Locally these include County Attorney Harold Green, Tax Assessor and Collector George McCracken, Sheriff-elect Carl C. Spears, and Commissioners-elect Clarence Church of Precinct 1, and Mrs. McLaurin, of Precinct 3. All three proposed Constitutional Amendments carried in Lynn county by a large majority, as they did over the state.

No. 1 to protect Texas' permanent school fund received 1265 votes, while 564 opposed the proposal.

No. 2 to require public notice when legislation is sought to create or alter conservation and reclamation districts, 1241 to 352.
 No. 3 to help Texans over 65 in the health care program when these people are not on Old Age Assistance and unable to pay for medical services.

Farm Census Coming

Census takers will visit every farm and ranch in the United States during November or December as part of the 1964 Census of Agriculture, conducted by the U.S. Bureau of the Census. Census questionnaires will be delivered by mail; the farmer will answer the questions and keep the questionnaires until the census taker calls for them. Answers are confidential and are used only for statistics. From the last Census of Agriculture in 1959 the nation learned that the number of farms had dropped by about 1 million in five years, but farm production had increased.

NEW HOME CIVIC CLUB IN ATTENDANCE DRIVE

The New Home Civic Club is pushing an attendance drive and wants to have a minimum of 28 members on hand at each meeting, the number of plates the club is committed for.

Members point out that the Civic Club has sponsored many projects within the past nine years and has spent far in excess of \$15,000 for improvements of the community.

Some of the major projects, expense-wise, include the tennis court, \$912.00; Little League lights and field, \$5,042.00; prize money for the Wilson-New Home Livestock Show for nine years, \$1,125.00; street paving around school and Community Center, \$1,100.00; fire equipment at school, \$283.00; Scout house, \$625.00; Gun Club, \$152.00; Community Center repairs and upkeep, \$365.00; the Community Center building, \$5,200.00; and any number of lesser projects too numerous to name.

In addition the Club sponsors the Boy Scouts and the Man of the Year and Athlete of the Year in New Home.

Members urge all to attend each meeting.

T. B. Mason On State Committee

Tom B. Mason, president of Lynn County Farm Bureau, left Wednesday for Houston, where he is meeting with the State Resolutions Committee of Texas Farm Bureau. The state convention opens there on Sunday, continues through Nov.-11, and several other Lynn county men will be attending those sessions.

Mr. Mason said that from Wednesday through Sunday, the committee is going over all county resolutions and formulating therefrom the state resolutions.

Also on the state committee from this area are Hub King of Brownfield, the state director, and a Mr. McClure from Castro county. There are 17 counties in this district, and on a rotation method two send a representative to the state Resolutions Committee each year.

The 31st annual convention of Farm Bureau opens Sunday at 2:00 p. m. in the Rice Hotel in Houston, and meeting extends through Wednesday, Nov. 11.

NEW HOME LADIES BOWLING RESULTS

This week's New Home Ladies Bowling League results are as follows:

O'Donnell Falls To The Bulldogs 20-7

Tahoka Bulldogs won a hard fought 20-7 victory over the Eagles at O'Donnell Friday night, the first Tahoka football victory over their Lynn county rivals since 1960 when the Bulldogs won 28-6.

Although the Bulldogs were in control from the first kickoff, there were times when they were battling to control the determined Eagles. In fact, the Bulldogs didn't have the game sewed up until a late fourth quarter score.

HB Gary Tomlinson scored twice for Tahoka, once on a one-foot dive, then on a 87-yard broken field run, and FB Danny Coburn ran 14 yards for the clincher. QB Terry Harvick kicked two of three conversion attempts.

O'Donnell's lone score came in the third quarter as QB Fen Taylor bucked over from about 1-inch away, and Bud White kicked the conversion.

O'Donnell took the wind on the kickoff, HB Adolph Chapa ran the ball from the 3 to the 20, and Tahoka controlled the ball 9 minutes and 18 seconds in moving 71 yards in 17 plays and five first downs to score. Tomlinson and Coburn did most of the ball carrying, and Gary bumped over for the score. Harvick's conversion kick into the wind was good.

2 Fumbles lost	1

Tackle Larry Jolly kicked short, and the Eagles were in business at midfield. On four carries, White moved the ball to the Tahoka 38, but bogged down on the 36, where the ball went over.

Tahoka made 7 yards on two plays as the quarter ended. Opening play of the second quarter, Tomlinson started to the left, aged hemmed in, retreated and cut to the right, raced around the end and went down the east sidelines 87 yards for Tahoka's most sensational run of the season so far. Harvick's attempted conversion kick was blocked. Score, 13-0.

The Eagles bounced right back following an on-side kick from the 30, Taylor hit HB Gary Reeves with a 6-yard pass then a 11-yard pass, FB Jimmy Barton and White carried to the Tahoka 13, and then on third down Linebacker Jim Wells intercepted a third down Eagle pass in the end zone for a touchback.

Tahoka couldn't move, Harvick punted 31 yards. The Eagles couldn't move, and Reeves' punt went only 11. But, on second down, Tahoka fumbled on its own 44 and Tom Ed Vestal recovered for O'Donnell. The Eagles moved to the Tahoka 17, an offside penalty on the Bulldogs put the Eagles on the Tahoka 12, but here Taylor fumbled and Jim Wells pounced on the loose ball at the 12, and Tahoka moved out to the 26 as the half ended.

Opening the second half, HB Stanley Renfro almost got away as he ran the kickoff from the 9 to the 38. O'Donnell was now throwing a lead on back page, Sec. 27

Meadow Plays Wilson Tonight

Wilson Mustangs, District 3-B defending champions, meet Meadow Bronchos at Wilson tonight at 7:30, the second of Wilson's four conference games.

The Mustangs have won six games and lost one, the loss being to Sundown 20-32, and the victories being over Lazbuddie 28-18, Lovelland B 28-16, Whiteface 20-14, New Deal 32-14, Crosbyton B 30-14, and New Home 18-0.

Meadow has won only two games, over Anton 14-12 and Amherst 14-6.

Wilson is the favorite on the basis of comparative scores. The Mustangs defeated Whiteface 20-14 and Meadow lost to Whiteface 14-22.

Meadow has one more conference game after tonight, New Home, while Wilson has Ropesville and Cooper left on Nov. 13 and 20, respectively.

Coach Travis Rector hopes to have Royce Baker, out two weeks with an ankle sprain, ready to go if needed.

Wilson Winner At New Home

Wilson Mustangs took an 18-0 victory over New Home Leopards to dampen the fever of Homecoming day for New Home Exes. However, the thin-ranked Leopards made a battle of it most of the way.

Wilson's first score came in the second quarter on Sammy Crowson's four-yard scoring blast. In the fourth, Crowson took an 8-yard pass from Joe Mason to score, and near game's end Johnny Nava pushed over the final score from two yards out.

The game was played before a large crowd of Homecoming people and visitors from Wilson. New Home Exes enjoyed a banquet program in the school cafeteria preceding the game.

The Leopards have an open date next week before winding up the season with Meadow and Ropesville on successive week ends.

FOOTBALL SCORES

- Tahoka 20, O'Donnell 7.
- Wilson 18, New Home 0.
- Wink 33, Stanton 15.
- Seagraves 28, Plains 20.
- Cooper 24, Meadow 6.
- Lorenzo 19, Idalou 13.
- Petersburg 13, Rails 12.
- Spur 27, Crosbyton 6.
- Denver City 42, Post 8.

A golden spike, driven at Ogden, Utah in 1860, marked the completion of the first transcontinental railway.

Cotton is not heat sensitive.

Lynn County Residents Have High Income Gain

(Special To The News) New York—The income gains that were accounted for by Lynn County residents in the last few years have carried many local families into higher brackets than they ever occupied before.

Progress in that direction has been made at nearly every level, with the result that the median point on the local income scale has gone up several notches.

The changes are recorded in a copyrighted study released by Sales Management. It indicates what portion of the population falls within each income bracket.

Every section of the country is covered in the breakdown, the purpose of which is to throw light on what constitutes the so-called "average income" attributed to each community.

It reveals whether it consists of a small number of families with big incomes making up for a large number with depressed incomes or whether the fat is more evenly distributed.

The figures show that no less than 1,370 households in Lynn County had disposable cash incomes of \$4,000 or over in the past year. This was net income, after payment of Federal and state taxes.

By comparison, the number of households in the over \$4,000 brackets was only 1,290 in 1961. The increase in the proportion of families in that range amounted to 8.3 percent for the two-year period.

Elsewhere in the United States, the gain was 5.7 percent and, in the State of Texas, 7.4 percent.

The number of local households at other income levels is also revealed in the breakdown. It shows a total of 260 in the \$7,000 to \$10,000 bracket, 670 in the \$4,000 to \$7,000 group and 620 with earnings from \$2,500 to \$4,000.

The growth in the number of

better-heeled families, locally and in other parts of the country, has brightened the whole economic horizon. Bigger incomes mean more purchasing power and the ability to upgrade family living standards.

Spending by such families promises to continue at a heightened pace for some time to come, according to a survey of consumer intentions, conducted by the University of Michigan's Survey Research Center.

Bulletins Offered To Deer Hunters

Local deer hunters will be interested in two bulletins now available at the office of County Agent Bill Griffin, both issued by the Extension Service.

One bulletin is entitled "Field Dressing A Deer" and the other "Wild Game, Care and Cooking." The latter contains a number of recipes for wild game dishes.

Honor Roll For North Elementary

Following is the honor roll for North Elementary School as announced for the last six weeks period:

Grade 4A: Deborah Draper, Eugene Brown, Ricky Coburn, Carlton Harvick, Robin Harvick, Bruce Spruiell, Louis Zedlitz.

Friday

Aren't you glad it's over? Now, let us all pray that each man elected has the best interest of the United States and all its people sincerely at heart.

Since this column is written over the week end and printed on Tuesday, there is no way of knowing the victors as these lines are written. But, those elected are our officials and we wish them the best.

The campaign has been hot nationally. It has been hot locally. Good friends have disagreed on issues and candidates. There have been harsh words. But, for the most part, the people we know have maintained a sense of balance and good humor. Isn't it fine to live among people with whom one may disagree and still joke and josh one another?

Regardless of the election's outcome, we'll continue to preach what we believe to be sane, sensible Constitutional government and preservation of our democracy.

Some pretty good fellows preached this line. They include Patrick Henry of "give me liberty or give me death" fame; Alexander Hamilton and George Washington, Thomas Jefferson, Theodore Roosevelt, Sam Houston, Douglas MacArthur, and many others.

By the way, we read the other day that out of 50 modern day high school books adopted by U. S. schools, only three mention the thrilling story of patriotism as exemplified by Patrick Henry's "give me liberty or give me death speech." In 1920, only one out of 19 high school history texts omitted the Patrick Henry address. Our modern historians play down patriotism and love of country.

We're told Senator Ralph Yarborough called The Printer a John Birch Republican in his talk last Thursday noon at Lyntegar building. Well, poor old Ralph was a very worried man. We sort of feel sorry for him, in a way. Here he is in Tahoka talking to a group of farmers when he has voted to deny them bracero labor and cast his lot with AFL-CIO and promised to encourage unionizing native farm labor.

Best speech of the campaign on either side, in our book, was that by Ronald Reagan. To us, he sounded like an American first and a political party member second.

Wednesday and Thursday of last week, we received six letters to the editor we were unable to publish, all regarding the political campaign, five on the conservative line, and the sixth we couldn't tell which. Sorry, folks. Write us again, and please, please keep 'em of reasonable length.

You old-timers remember Cricket Baldridge (now Cricket Taylor of Farwell). She was in the other day with her sister, Mrs. Ben Moore, and said Cricket is actually her name. When she was born to the late Mr. and Mrs. H. E. Baldridge, Lynn pioneers, her parents couldn't agree on a name immediately. They got to calling her Cricket and never gave her any other name. Some years ago, she came back here to get a birth certificate, found in the county clerk's office "born to Mr. and Mrs. H. E. Baldridge a baby girl." She had the name Cricket legally inserted on the certificate, and that's her name.

One of the first Lynn settlers, Mr. Baldridge was one of the first county commissioners of Lynn county, furnished the money to

Charley Doak and T. J. O'Donnell for promoting the town of O'Donnell, donated locations for all O'Donnell churches, and laid out and named the town's streets.

Thanks to Mr. and Mrs. James Murray of Grassland for some kind words about this column, and to Mrs. Ernest Drager, N. W. Allphin, and others.

Quotable Quote
I preach to you, then, my countrymen, that our country calls not for the life of ease, but for the life of strenuous endeavor... if we stand idly by, if we seek mere swollen, slothful ease, and ignoble peace, if we shrink from the hard contests where men must win at hazard of their lives and at the risk of all they hold dear, then the bolder and stronger peoples will pass us by and will win for themselves the domination of the world—Theodore Roosevelt.

He Convinced Half
The young clergyman was telling his bishop about a sermon designed to persuade his flock that it is the duty of the rich to help the poor. "Did you convince them?" asked the bishop. "Partially," replied the minister. "I convinced the poor."

Nice lady to little girl: "You're pretty dirty, aren't you?"
Little girl: "Yes, but I'm prettier clean."

Judge: Have you ever been up before me?
Accused: I don't know. What time do you get up?

AIMS AND PURPOSES
"Loose Talk" column from the Denver City Press:

Left Wingers have long accused Conservatives of being "against" everything. So I would like to take this opportunity to say what a Conservative is FOR.

We are FOR the Constitution of the United States that has guided this nation so wisely and well and made it what it is today.

We are FOR States Rights. We believe that local and state problems can best be solved at the local and state level by the people concerned... not by some bureaucratic "expert" from Washington.

We are FOR a government "of the people, by the people" instead of merely a government for the people as dictated by the Supreme Court (which is just another name for "Welfare State").

We are FOR majority rule rather than minority rule.

We are FOR paying our bills, balancing our budget, and putting something away for a rainy day... at both the national and individual level.

We are FOR freedom of choice and individual responsibilities.

We are FOR taking the Un out of the Un-United Nations and returning that body to its original high purpose instead of letting it continue to be just a World Club, hamstrung by a membership that refuses to pay its share of operational expenses while still demanding a full share of its benefits.

But, most of all, we are FOR the United States of America... land of the free and home of the BRAVE!

Mrs. Marianna Long Tells Of Life In Austria, People And Customs

Life in Austria was the subject of a talk at Tahoka Rotary Club Thursday noon by Mrs. Roy Long, the former Miss Marianna McGinty, who has lived there nearly three years while her husband has been doing mission work for the Church of Christ. They will return to Austria after a few weeks here.

Most of the time they lived in Vienna, a city of two million on the famed Danube River, an old city of great beauty sometimes called "music center of the world" and once a great medical center.

Only 30 miles from the "Iron Curtain," Vienna has many refugees from Russian conquered nations, particularly Hungary. Some are escapees from German concentration camps of World War II who have told the Longs horror stories of life in these camps. While there, Roy made two trips into Poland and one into Hungary. The city is old and quaint, 20 years behind our times, where little shops predominate in place of large stores. Prices are government controlled, and store keepers are sometimes jailed for failure to comply with prices.

Austria has socialized medicine, and this once great medical center, as a result has deteriorated terribly. Hospital entrance is hard to get, facilities are running down, and medical practices falling far

behind the times. If a child is admitted, even though critically ill, the parents may visit their child only briefly twice a week. Two of the Longs' three children were born in Austria, but they have been very fortunate not to have any serious illness.

A doctor friend of the Longs draws \$150 per month, gets \$4.00 extra for all night work, lives in an apartment up three flights of stairs, has no heat in the bedrooms, a wood burning stove, has to carry the garbage downstairs and the stove wood upstairs, and feels fortunate to have such a nice place in which to live.

But, the Longs find the people very warm and lovable, although reserved and conservative, and greatly enjoy life in Austria. For entertainment and recreation, the thing to do is to walk in the beautiful parks, attend operas and symphonies, and to eat out. Nothing out is quite an experience in Vienna, where waiters wear tuxedos and musicians entertain in almost every restaurant.

They lived in Lina, also, a few months, an industrial city but in an hour's drive of the Alps. The mountains are wonderful, and the forests are beautiful, she said.

She thinks the school system in Austria is outstanding through the first five grades, but the sixth

WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDER

Some years back the late Dale Carnegie wrote a best-selling book entitled "How to Win Friends and Influence People."

But apparently now the U.S. State Department has come out with a work on "How to Create Enemies and Confuse People." At least that seems to be the gist of a recent statement by Rep. Richard Poff of Virginia.

He reported that the U.S. has signed diplomatic agreements with the communist government of Rumania to authorize the sales of American oil refineries, petrochemical plants and synthetic rubber factories to the communist nation.

The U.S. State Dept. with one of those curious twists of reasoning which can seemingly only emanate from the tortuous corridors of this Alcoa-Woodward complex, hailed this move as a fine thing because Rumania has sided with Red China against Moscow.

Of course, the U.S. State Dept. recognizes Red Russia, but does not recognize Red China, and somehow it is impudently that it is far better for Rumania to be Red with China than to be Red with Russia.

But if this is confusing to anyone the real confusion was yet to come, Rep. Poff reports.

It seems that a year earlier, before Red Rumania decided to

be mad at Red Russia and be buddies with Red China, in order to help Red Russians avert starvation, Rumania loaned Russia 400,000 metric tons of wheat. This loan was to be repaid in 1964, but Russia waltzed on making good.

So on May 22, 1964, the U.S. Dept. of Agriculture announced that a license had been granted Russia to re-export 100,000 tons of the wheat sold by the U.S. to Russia, with the costs partially subsidized by the American taxpayers, to Rumania.

Now the plot thickens. The U.S. State Dept. entered into a trade agreement with Red Rumania to help tear it away from Red Russia.

But on the other hand, the U.S. taxpayer is assessed to help Russia pay off part of her obligations to Rumania.

So now, according to Rep. Poff, everything is quite clear.

The United States has permitted Russia to use American wheat to retire its debt to Red Rumania. This, of course, helps Russia stay on a more friendly basis with Rumania, but in the meantime, the U.S. has taken steps to encourage Red Rumania to become more friendly with Red China, and bolster Red China's influence. So now through courtesy of the U.S. State Department, Red Rumania and Red China are friendly, and Red Rumania and Red Russian relations are not quite so strained. Never before have 100,000,000 people given so much to keep so many enemies reasonably friendly with each other. If this be diplomacy, how is insanity defined?

Football . . .

(Continued from Page 1, Sec. 2) ing up a strong defense, and stopped the Bulldogs cold. Harvick's kick went only six yards, and O'Donnell moved 51 yards in 13 plays for its only score.

In the drive, Bud White carried five times, Reeves twice, a pass was good for 11 to Ellis Tredway, and Taylor bucked the ball over on his second try. White's conversion kick was good. Score 13-7.

Reit Patterson covered the attempted on-side kick on the Tahoka 45, and the Bulldogs moved down to the 33, but were set back by a 15 yard penalty, and then lost the ball on Coburn's fumble at the O'Donnell 40.

Things looked bad for the Bulldogs, as the fired-up Eagles got their passing attack working as Taylor hit Vestal for 10, White for 10, Harold Besaire for 1, and Vestal for 7 before the ball went over on downs on the Tahoka 27.

There was an exchange of punts, then late in the fourth Tahoka got a drive going that moved another 73 yards for a touchdown. In the drive Harvick got loose for 18 yards. When Tomlinson was tackled out of bounds on the O'Donnell 28, the Eagles drew a 14-yard penalty. On the next play, Coburn raced around left and behind fine blocking 14 yards for the score. Harvick again kicked. Score, 20-7.

But O'Donnell had some fresh ideas. On the kickoff, Jimmy Barton took a hand-off at the 10, and as his teammates threw up a blocking screen Barton raced up the west sidelines and was not overtaken by Harvick until he had reached the Tahoka 27. Tahoka drew a 13.5-yard penalty and O'Donnell was desperately trying to pass for another score in the waning moments of the game. Tahoka took over on its 10 and ran out the clock in the two plays.

Playing his best offensive game,

Tomlinson ran for 146 yards on 27 carries. Coburn had 77 on 17 tries. Big gainers for the Eagles were White and Barton, who had 74 and 39 yards respectively rushing, and Taylor, who threw nine completed passes, mostly caught by Reeves, Barton, Reeves, Besaire, and Richardson were O'Donnell's stalwarts on defense. Wells, Harvick, and Milton Edwards did good jobs on defense for Tahoka.

John Milton used 6,000 different words in his poem "Paradise Lost." The gin was invented in 1798.

LET US TREAT YOUR SEED WITH **Panogen** THE VAPOR ACTION SEED TREATMENT

Why risk disease damage that can cause poor, profit robbing stands? Let us delint and treat your seed with Panogen—the world's most proven control of cotton seedling diseases. Cost is low... profit big!

Rev. White Attends Meeting In Waco

The annual commissioner's meeting is being held at the Methodist Home in Waco this week, according to Rev. Aubrey White, representative from this area.

The meet will begin with a dinner at 6:00 p. m. on Wednesday and was to close with the luncheon on Thursday.

There are approximately 50 districts in Texas and each district elected one minister and layman as Commissioners. Along with the minister and lay delegate were the District superintendents of Texas, which made up the entire group.

Judge C. C. Lawrence of Seminole is the lay commissioner and Rev. White is the minister. Rev. H. Dewitt Seago is the Brownfield superintendent. The three traveled by car to Waco Wednesday morning and were to return Thursday night.

through ninth years not so good. Children have to start studying two foreign languages at age 11, usually French and English. At 14, a youth has to decide on a profession, a practice she does not like as the parent is usually the one making the decision for the child.

But, all in all, she thinks life in the old world atmosphere of Austria, along the "blue" Danube, in the shadow of the Alps, and among very warm people is a wonderful experience.

Ronald Sherrill, in charge of the program, introduced Marianna as a Rotary sweetheart of the Tahoka club for four years. She is the daughter of Mr. and Mrs. Fred McGinty.

President Wilson Payne announced the Tahoka club had 100 percent attendance, with make-ups, for the recent visit of Rotary Governor Hicks Allan of Snyder.

H. E. Ray of Quemado, N. M., was here last week end visiting his mother, Mrs. John B. Ray. He says she is doing fairly well but naturally very lonesome since the loss of her husband.
