Number 7

Volume 60

Serving Tahoka and Lynn County Since 1903!

Bulldogs Play Seagraves In Final Game Of Season

Tahoka Bulldogs wind up the 1964 football season tonight at 7:30 on the local field with the Seagraves Eagles, 1963 defending 5-A district champions.

As a finale, the Bulldogs hope to give the fans an interesting evening and hope they can down the visitors.

Coch A. D. Shaver's Eagles were heavy favorites to repeat as district champions, but Wink had other ideas and upset the Eagles 20-19. Seagraves took Plains 28-20. Then, Plains and Wink tied 7-7, and the Cowboys claimed victory on penetrations. If this stands, Seagraves, Plains and Wink are tied. But, Wink claims the half game won and half lost rule applies. District authorities will have to rule on the case.

Seagraves is at Tahoka tonight, Plains goes to Stanton, and Wink is at O'Donnell. These games could help clear the situation.

Based on the Wink game scores, Tahoka and Seagraves may appear to be about equal, for Wink defeated Tahoka 7-6 and Seagraves 20-19.

Coch Gilbert Hough's Bulldogs have already proved they can get up off the floor and swing a few haymakers, and with a good team effort tonight they might pull the impossible.

Seagraves has a quick scoring outfit, however, and about ten players have crossed the goal line. Biggest break-away threat, possibly, is Little Bo Faulkenberry, 130-pound seatback. The Eagles have also been a little weak, at times, on defense and the Bulldogs hope to find some kind of opening to outscore the visitors.

About thirteen boys on the Tahoka squad will be playing their last football game for Tahoka. Seniors are Terry Harvick, Jim Wells, Adolph Chapa, Mike Reid, Jesse Limon, Dennis Clem, Jack Jaquess, Jack Edwards, Frankie Ferrerra, Mike Curry, Eddie Howard, and Stanley Price. Also, Larry Jolly and Freddie Pierce will be ineligible next year by reason of the semester rule.

Mike Reid will not see action tonight, because of his foot injury, and Dennis Clem and Freddie Pierce are also doubtful starters because of injuries.

The Bulldogs have dedicated this game to their dads.

Seagraves has an all-senior and junior starting line-up.

Among those who will see action in the backfield are: Skeeter Reed, 151, Bo Faulkenberry, 131, and Jon Roach, 175, halfbacks; Donny Rosson, 180, quarterback; and Ronnie Huffman, 165, fullback.

In the line: Charles Adam, 160, center; Larry Baron, 155, Steve Markley, 170, and Van Laster, 170, guards; Butch Hill, James Reasonover, 200, and Charles Orum, 220, tackles; and Billy Joe Cathey, 175, and Dwight Hamilton, 150, ends.

FREEMANS COMING FOR VISIT WITH RELATIVES

Mr. and Mrs. Bob Freeman and baby, Jeffery, age 9 months, will arrive Saturday from Long Beach, Calif., for a visit with Mrs. Freeman's mother, Mrs. Elnora Curry, and other relatives.

Bob, who is a mechanical engineer, is being transferred to Mineral Wells, where they will live.

Marjorie and baby expect to remain here a week while Bob is getting located at Mineral Wells.

Cotton is the life-blood of Lynn county economy. Why not use more of it?

CROP Donations Nearly \$400 Cash

Wilson and New Home raised a total of \$391.96 cash for Christian Rural Overseas Service on the Hallow'en "trick or treat" house, to house collection sponsored by the churches, according to Rev. Robert Kamrath of Wilson, county CROP chairman.

Four churches at Wilson and two at New Home cooperated in the drive. Wilson raised \$313.31, and New Home \$78.65.

"We would like to thank the young people, the churches, and the contributors for their help in supplying food and clothing to needy people overseas in the name of Christ," stated Rev. Kamrath.

Following the "trick or treat" drive at Wilson, young people from the four participating churches gathered in the parish hall of St. Paul Lutheran Church for a song fest and refreshments of cookies and cold drinks.

Tahoka YF Seeks Signal Light For Railroad Crossing

The Tahoka Young Farmers organization has taken as a project the seeking of a signal light at the railroad crossing in east Tahoka on Highway 350.

Because the crossing is partially "blind" and has proven to be a dangerous one, in view of accidents there where fatalities and injuries have occurred, the Young Farmers seek the aid of all Tahoka citizens in obtaining a signal light.

The project was decided upon at the monthly meeting held Monday night in Lyntegar board room.

A program on high energy feeds for wintering cattle was presented by Don McGinty and Lowell Schake of the Rollings Plains Livestock Experiment Station in Spur.

The group also voted to hold a turkey shoot at T-Bar Country Club sometime before Thanksgiving.

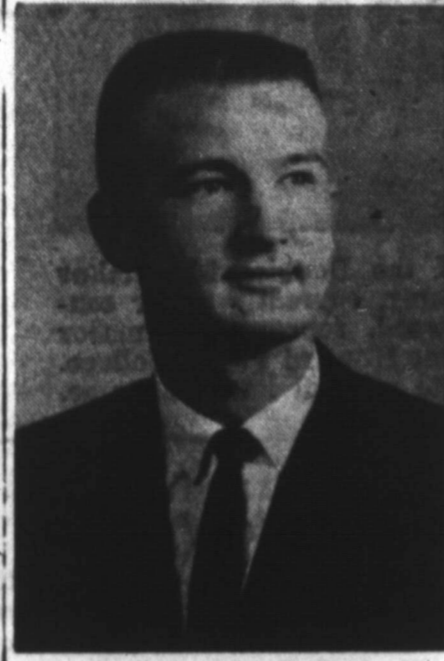

Lovelace Speaker At O'Donnell Meet

The O'Donnell Chapter of Young Farmers had one of its largest attendances this year when the group met Thursday of last week.

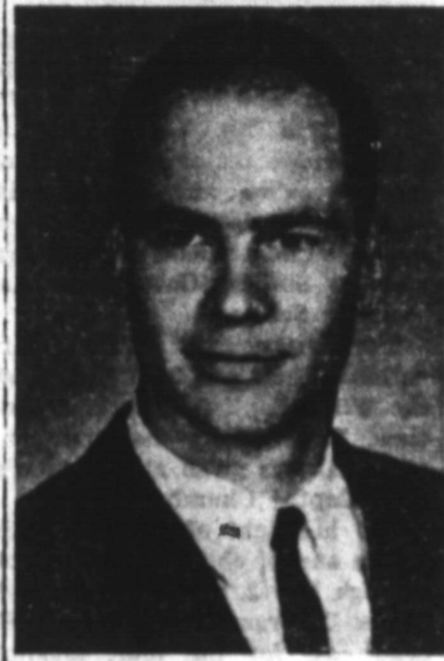

Blake Lovelace, Soil Conservation Service technician for Lynn county, and Warren Procter, technician for Dawson county, presented the program on the advantages of parallel terraces in comparison with the conventional terraces.

County Agent Bill Griffin invited the members to attend the New Home farm management course beginning in December.

Mrs. Pat McKibben, admitted as a medical patient on Nov. 3 to Tahoka Hospital, was released Friday.

REV. GORDON SMITH

JERRY NEILL

Youth Revival At Sweet Street

Sweet Street Baptist Church will begin a youth-led revival on Nov. 18. Services will begin Wednesday night and meet daily at 7:30 p. m. through Sunday, Nov. 22. Emphasis will be placed upon youth and their place in Christian service.

Rev. Gordon Smith, pastor of First Baptist Church of Shallowater, will be guest speaker. Gordon was reared in Tahoka and attended the public schools here. He is the son of Judge and Mrs. Truett Smith. "We feel that your life will be enriched by hearing this man," the pastor, Rev. Phillip Goodrum said.

Jerry Neill, music and education director of Woodrow Baptist Church, will be leading the music. Mr. Neill is a student at Texas Tech this fall. He appreciates and enjoys working with young people.

Rev. Gordon Smith will be bringing good gospel messages to inspire those in attendance to a more dedicated life in Christ. These messages are greatly needed in the world today.

Everyone is invited to attend, but a special invitation is extended to the youth of Tahoka and surrounding areas.

Washington was the only President ever to receive the entire electoral vote, (1789).

Give your living room a brand new look—with economical, cotton slipcovers.

Burglars Enter Tahoka School

Burglars entered Tahoka High School building sometime during Wednesday night, and stole practically all the loose change in the offices and vending machines. But, damages to the building and furnishings will run into the hundreds, perhaps thousands, of dollars, Supt. Harold Reynolds said.

Evidently, the burglars broke into the building through a north-west rear door, breaking a heavy glass. Principal building damage was breaking windows, or prying open doors, locks, door jams, desks, and vending machines.

But, the trail of damage was heavy as the burglars entered and ransacked the superintendent, secretary and principal offices, library and annual rooms, band director's office, counselor's office, and possibly other rooms. Some checks and records were destroyed, but not too much actual vandalism was in evidence, indicating the burglars were after money only.

Damage to vending machines, although not owned by the school, was heavy, and probably the largest amount of money was taken from them.

Mr. Reynolds told The News Thursday morning the school has a policy of leaving practically no money in offices, desks, or in fact anywhere at the school overnight. However, this time \$24.00 in money had been left in one of the offices.

Sheriff's officers and city police were both called in to start investigation of the crime early Thursday. The break-in was discovered at about 7:00 a. m. by a workman for the construction firm building the new school structures.

Debbie Jolly, 15 month old daughter of Mr. and Mrs. Bobby Jolly, was a medical patient in Tahoka Hospital from Saturday until Monday.

Ray Alvarada was released from Tahoka Hospital Friday where he had been a medical patient since Nov. 3.

Lt. Com. Duane Carter In Strange Change Of Command "Ceremony"

Lieutenant Commander James Duane Carter of the U. S. Navy, a Tahoka school graduate, was recently featured in the news up in the Pacific Northwest as a result of "one of the strangest change of command ceremonies recorded."

Lcdr. Carter and family have been in Seattle, Wash., since last March, and he has been stationed there in command aboard the ammunition ship U. S. Haleakala while the regular commanding officer, Capt. Willard Nyburg, was in Washington, D. C., on Chief of Staff.

The U. S. Haleakala is being equipped with the fast ammunition shuttle transfer system at Todd Shipyards and is due at Puget Sound Naval Shipyards in February for a two-week outfitting period, according to a clipping from

Cotton Ginnings At 25,000 But Farmers Await Freeze

United Fund Short Of Goal

Only about \$2,800 has been raised for the United Fund in Tahoka, which includes an area covering the Tahoka School District, for four agencies, Binie White, drive chairman said this week.

This is about 50 percent of the goal of \$5,800, the average collected by the four agencies in the past, Boy Scouts, Girl Scouts, Salvation Army and Red Cross.

Most citizens have not taken advantage of the pledge system. White said, which is necessary for a successful United Fund drive. Contributions have been mostly cash.

Close to 65 workers, including the directors, have been involved in the drive, the first United Fund campaign in Tahoka. United Fund was designated to restrain from so many drives in the area within a year.

A meeting of directors will be held to canvass the contributions and further plans made to contact those who have been missed, and to make efforts to raise the total fund for this campaign.

Workers who have contributions that have not been turned in to Robert Abbe are asked to do so immediately.

SMALL HAS OPERATION

Maurice Small was in Methodist Hospital Wednesday for removal of three small tumors from his throat. He is due home today.

Brenda Drager, 16, daughter of Mr. and Mrs. Ernest Drager, underwent an appendectomy at Tahoka Hospital Monday.

Cotton supports you. You support cotton!

THS Yearbook Is Rated Tops

"The Kennel", Tahoka High School yearbook received a first class rating at the annual J-Day for over 400 journalism students from 200 high schools at Texas Tech Saturday.

Awards were announced at a luncheon in the Tech Union. Two newspapers and five yearbooks, all in 4A and 3A divisions, were the honor publications.

Tahoka, in the 1A division, was among Andrews, Muleshoe, Levelland, Tascosa of Amarillo, Alpine, Big Spring, Texico, Lamesa, Floydada and Odessa to receive the first class rating.

Mrs. N. E. Wood is sponsor of "The Kennel" in the local schools. J-Day included a meeting of the West Texas High School Press Association, a general assembly, panel discussions, and programs. That evening the students attended the Tech-West Texas State football game.

Pistone Conducts West Coast Revival

Rev. and Mrs. John Pistone and family left Monday morning for Los Angeles, Calif., where he will do the preaching in a week's revival meeting at the church of which his father, Rev. S. Pistone, is the pastor, Mission Bautista, in that city.

Rev. John Pistone is pastor of the Latin-American Baptist Mission here sponsored by the First Baptist Church. They expect to return next week end.

Brighten up your lunches—with beautiful cotton place mat settings.

Lynn county cotton ginnings are between 22,000 and 25,000 bales, a check made by The News Wednesday indicates. Local cotton men are still guessing the crop this year at about 100,000, or maybe a little more, or about two-thirds normal production.

Tahoka had ginned 4,930 bales up to 2:00 p. m. Wednesday.

O'Donnell is estimated to have ginned "nearly 4,000 bales", Grassland about 2,000, New Home about 3,500, and the Wilson area about 3,000 bales.

The News did not get ginning figures from all the gins in the above mentioned communities and therefore the figures are not exact but probably pretty close.

Most dryland cotton is hard hit by drought this year, especially in the southwest quarter of the county.

O'Donnell usually gins 25,000 to 30,000 or more bales, and farmers from the area say the town of O'Donnell may not gin over 10,000 or 12,000 bales this year. Wells and Newmoore in the southwest and West Point to the west of Tahoka are all hard hit.

Ginning has been brisk, however, at Draw and Grassland, and is picking up at other ginning points.

Most irrigated cotton in the north half and a lot in the central and southeast is not ready yet for machine harvest.

Farmers would welcome a killing freeze soon. Normal date for a killing freeze in Tahoka is about Nov. 11-12, a week to ten days later than the Lubbock date. Many irrigation farmers and some dryland farmers have used defoliants, but some of this cotton is not quite ready for machine harvest as yet.

A sandstorm Wednesday afternoon, a little unusual this early, did some damage to open cotton and eroded soil in places.

Mrs. Colenback Is Buried Here

Mrs. J. H. (Emmaretta) Colenback, 84, of 503 N. 3rd., Lamesa, a resident of Tahoka about 20 years before moving away in 1940, died Monday at about 5:30 a. m. Monday in Bennett-House Rest Home at Big Spring following a lengthy illness.

Funeral services were held Tuesday at 2:00 p. m. in the First Baptist Church of Lamesa with the pastor, Rev. Milo Arubuckie, and Rev. Geo. A. Dale of Lubbock, former Tahoka pastor, officiating. Burial followed in Tahoka Cemetery beside the grave of her late husband.

Mrs. Colenback was born at Fishers Store in Blanco county. She and her husband came to Tahoka in the early 1920's and he operated a blacksmith shop at the present location of McCord's body shop. Mr. Colenback was fatally burned in an explosion of a tank at his shop and passed away on Feb. 8, 1937.

Mrs. Colenback lived here about 1940, lived in Louisiana a while and at Lamesa since then, each place being near a daughter. She had been a member of the Baptist Church for 65 years.

Survivors include two daughters, Mrs. C. B. (Reta Lois) Grissom of Lamesa, route B, and Mrs. L. D. (Dovie) Anderson of Hammond, La.; two sisters, Mrs. Bill Humphreys of Brownwood and Mrs. Pearl Absher of Mullin; four grandchildren and four great-grandchildren.

Palbearers were: Bud McDonald, C. L. Beasley, Doyce Mensch, Stansell Clement, J. E. Nance and Buster Grissom.

Ernest Spruiell was dismissed Friday from Tahoka Hospital. He has been a medical patient for about a week.

Canadian River Project Is Fantastic Operation

Twenty-two Tahoka city officials and business and civic leaders Tuesday made a guided tour by chartered bus of the vast \$60 million damsite, pumping stations, and aqueduct system of the Canadian River Municipal Water Authority.

The dam is 87% complete, should be catching water by next Spring, and resulting Lake Meredith is expected to be at capacity in three years at normal flow of the Canadian River. The gigantic pipeline is being laid now at the north end, and work will start soon on the southern areas. The project and water service will be turned to the member cities in 1967 or early 1968. Water will be furnished 11

Plains towns, Borger, Pampa, Amarillo, Plainview, Lubbock, Slaton, Tahoka, O'Donnell, Lamesa, Levelland and Brownfield.

Special Tahoka Installation The local group, headed by E. R. Edwards, local director of the Authority, Mayor Mel Leslie, and City Administrator J. M. Uzle, was told by Bureau of Reclamation officials Tuesday that a regulating tank will be constructed in Tahoka at the city connection site at North 8th and Ave. P. This tank will be 19 feet in height and about 40 feet in diameter. Water used at Lubbock and other South Plains towns will be treated at a treating plant being built by Lubbock.

George Finger of Borger, president of the Authority, also announced National Park Service will take over recreational facilities and spend about \$3 million on the project, plus maintenance thereof.

Group Is Entertained

Tahokans, traveling in a TNM&O bus, left here at 5:00 a. m. and returned home at 5:30 p. m. from the 490 mile round trip. They were joined in Lubbock by another bus chartered by Lamesa, Slaton and Levelland and by another group in Plainview.

Mayor Bryan Hood of Plainview, formerly of Grassland and Tahoka, and Plainview Chamber of Commerce fed the 60 men breakfast in that city. Amarillo Chamber of Commerce met them

and entertained at a coffee stop. Following a visit to the dam, Borger Chamber of Commerce fed the party at a dinner meeting in that city's Borger Hotel.

Visit Pipe Plant

At Plainview, they were taken through the large Cen-Vi-Ro plant, where great sections of concrete pipe 54 to 72 inches in diameter are being turned out in 18 to 20-foot joints, each weighing up to 15 tons and costing \$20.00 a foot to manufacture. The same company is starting another plant near there to manufacture smaller pipe of the Tahoka-O'Donnell-Lamesa line. Officials explained one reason the pipe plant could not be built down here was the necessity

of large amounts of water.

At Amarillo, they saw the 750 acre-foot regulating reservoir, the repair shops of R. H. Fulton Co., contractor laying the pipeline, and visited Gifford-Hill-Western's pipe line plant, where 96-inch down to 78 and 72-inch in size pipes, 18 feet long, costing \$450 to \$650 per section, are coming off the production line constantly. Each section of this pipe weighs 18 to 20 tons.

See Line Being Laid

After viewing the gigantic pipe and machinery used to make it, one Tahokan remarked, "Old Joe D. Unfried ain't never told one as big as it actually is." Joe D. is a salesman and now a public relations man. (Continued on Back Page)

Rev. Pistone Asks Effort For Better Relations Between Anglos And Latins

"Improving Relations Between Latin-Americans and Anglos," was the subject of a talk at Tahoka Rotary Club Thursday by Rev. John Pistone, native of Argentina and pastor of Gethsemane Baptist Mission since January, 1962.

"By the year 1975," the speaker declared, "the Spanish people will have a majority in Texas—and they will govern us without any education. We have to do something for these people."

Before we can solve the problems between the two races, he

said, we must have understanding. He said we must lay aside discrimination because of race, complexion of skin, language, and philosophy of life, etc.

We, as good citizens, must help the Latins (1) because we are Christians, (2) because improving them will improve our community, and (3) because we must think of the future.

The Latin-American or Mexican is desperately in need of help and encouragement. He has a sense of pride and is hurt by reason of

THESE SICK WOMEN GOT WELL

by Dr. H. W. McIlroy

A stiff neck that was painful to turn, and a soreness between her shoulders brought this twenty-seven year old mother to Chiropractic for help.

During our consultation, she related other distressing symptoms that she didn't know were within our chiropractic scope of practice such as sick headaches, nausea, chronic head congestion with post-nasal drainage, coupled with nervous, tremulous spells, severe abdominal cramps and related painful female trouble.

Our regular spinal analysis and X-rays disclosed injuries evidently sustained from fall that she remembered having on the ice and about the home, that were causing nerve interference responsible for her mounting symptoms.

She was pleasantly surprised when she was able to report, at her first comparative examination period, that not only were her neck and shoulder pains gone, but those organic conditions originally thought beyond our scope were rapidly disappearing. She learned from this amazing experience that her nervous system controlled her entire body. She is now well and happy.

Several years ago, a lovely fifty-one-year-old widow suffered severe emotional tension. She was de-

pressed, despondent, exhausted from sleepless nights, eyes swollen, etc. She had a drawing pain over the kidneys, chronic constipation, gas, bloating and indigestion. Her heart pounded so rapidly that she felt frightened. For years, she tried all the usual methods and medicines. She changed physicians and was given a complete check-up including X-rays. She was told she was suffering nervous tension and acid indigestion, given a prescription and sent home. She gradually grew worse. Then her niece, who had formerly been under chiropractic care, brought her to chiropractic.

Our chiropractic analysis of her spine located defective nerve currents and X-rays disclosed spinal subluxations (misalignments) causing the nerve interference. Correction of the offending vertebral disturbances and her health returned to normal in due time. No nervous tension, no indigestion, no heart palpitations. Just good health through chiropractic treatment. Nerves connect with every organ of the body, and the nerves themselves, come from the spine.

If the other doctors have made you well—you don't need us. If you are not well, investigate! You have nothing to lose except bad health.

MOORES HOME FROM ANNUAL COLORADO TRIP

Mr. and Mrs. L. H. Moore Sr. came home Saturday from their annual trip to Durango, Colo., where they spend six weeks with their son and wife, Mr. and Mrs. K. Moore. Kay brought them home.

He said he had real good luck deer hunting. He killed two big bucks which dressed out a total of more than 400 pounds. He thinks this pretty fair shooting for a man "80 years young."

CARD OF THANKS

We wish to thank the many friends who visited, sent cards or flowers in behalf of Verna Lee during her illness. May the Lord bless each one.—Mr. and Mrs. Bonnie Brown. 11c.

Keep to the right or you will be left.

race discrimination. Refuse him service, as you would anyone, because he is dirty but not because of his race.

"The Latin has a smile on his face but a big hate in his heart because he feels oppressed," Pistone declared.

These Spanish people in our town need the true necessities of life. They have large families, draw low wages, and all do not get regular work. They are short on food and clothing and are prone to drop out of school early to work, or because their parents don't care.

They do not need charity so much, however, as they need help and encouragement to help themselves. Most of the children drop out of school in the elementary grades. Their parents have little education and don't care whether their children study or not. We need to encourage these children to get more education, to finish high school.

Rev. Pistone told of plans for his church to conduct two kindergarten classes when the new church building is complete.

George McCracken, who introduced the speaker, said Rev. Pistone has done much in Tahoka to encourage Latins to get more education and is doing an outstanding educational job with the people.

President Wilton Payne reported \$171.00 in profits from the recent pancake supper.

Student guests for November, Jesse Limon and Jack Jaquess, were introduced by Happy Smith and Winston Wharton.

Mix-Up Bowling League Results

In New Home Mix-up Bowling, Nick Ford carried high game for men with 202, and Bob Clem high series of 516, while Della Halford had high game for ladies with 189 and Babe Evans high series of 497.

Several bowled above 450: Joe Armontrout, 463 for the Lucky Strikers; Nick Ford 467 for the Lane Loafers; Foy Todd 466 and Babe Evans 497 for the Old Folks; Scoot Lowrey 486 for the Squires; Betty Fillingim 463 and A. C. Fillingim 467 for the Deadwoods; Gaylon Tekell 497 and Wayne Tekell 463 for the Teapots; Della Halford 496 and Bob Clem 516, both bowling for the Gutters & Gays.

Radene Turner says, "It won't help a bit soaking your hand Bob Clem's way." In fact, she couldn't bowl afterwards. It was kinda funny because I think she bowled him that very night, Faye Armontrout said.

Twenty bowled 150 and up Saturday night: Jodie Halford 153, Della Halford 189, Betty Fillingim 174, A. C. Fillingim 181, Wayne Tekell 165, Sue Tekell 176, Gaylon Tekell showed off a nice 201, Scoot Lowrey 171, Joe Armontrout 183, Dick Turner 175, Faye Armontrout 154; Dub Ewing 152, Gayland James 158, Nick Ford high score with 202, Adrian Evans 167, Babe Evans 183, Foy Todd 164, Lol Todd 157, Sue Armontrout 168, Helen Peek 150, Ronnie Dulin 156, and Lawrence Taylor 171. We sure had some good bowling going on.

There are some we would like to honorably mention: Imojean Taylor 89, Charlie McCullough 93, Kay James 74, Charles Armontrout 86. I know I'm loved for being so thoughtful.—Reporter, Faye Armontrout.

HILLS VISIT HERE

Mr. and Mrs. I. B. Hill, 515 E. Stanford, Lubbock, were able to drive their own car down to Tahoka Tuesday for the first time to visit old friends. Both are feeling much better and gradually getting over the critical injuries received in the car wreck.

Home Sweet Home Insurance (that really pays off)

A State Farm Homeowners policy pays off two ways. First, by protecting your home and belongings against almost every risk imaginable. (Even covers you in case of lawsuits.) And secondly, by paying big dividends—the kind of dividends that have already saved Texas drivers over \$45 million with State Farm Mutual. Want to hear more? Call me for the full details.

TO OUR FRIENDS

A word of apology to our friends in Lynn county:
Due to the limitations of Mrs. Herring and our daughter, Ernestine, we could not extend an invitation to all of you to our Golden Wedding reception. We wish it had been possible to have greeted each of you on this special occasion. To those of you who remembered us in any way we say "thank you" from the bottom of our hearts.—Mr. and Mrs. A. E. Herring. 1tp.

Mrs. Stokes Attends Insurance Meet

Mrs. Gladys M. Stokes, local agent for Southwestern Life Insurance, returned home after spending four days in Dallas at the 1964 Convention of her company. Mrs. Stokes was awarded the trip for having outstanding quality insurance.
On the agenda last Thursday, the honored guests were given a guided tour of the new \$6,000,000 Southwestern Life Insurance building in Dallas. Mrs. Stokes says the highlight of her trip was when she was presented a telegram of good wishes and a dozen red roses from her friends and relatives in Tahoka. This presentation was made at the President's Award Banquet that was held in the Grand Ballroom of the Statler-Hilton Hotel.

Among the many courtesies offered to the guests by their company were tickets to the SMU-A&M football game, tickets of choice to Dallas theaters, and Six Flags Over Texas.

Tells Of Visit To Old Folks Home

Mrs. Willie Mae Childress of Tahoka Rebekah Lodge No. 209, who is District Deputy President of District 10, accompanied by Mrs. Minnie McMillan of the local Rebekahs and Mrs. Ina Mae Peary and Mrs. Mildred Edgar of Levelland Rebekahs No. 5, recently visited the Odd Fellow and Rebekah Home for the Aged at Ennis and the Odd Fellow and Rebekah Home for Children at Corsicana.

Mrs. Childress says there are about 75 people in each home and that the group visited with each person there. She urges all Odd Fellows and Rebekahs of Texas to visit these homes and to see what the organizations are doing in carrying on this work.
"The elderly people asked me to thank all the Odd Fellows and Rebekahs of Texas for their home," Mrs. Childress says. "They are a group of happy people."

Jimmy Uzzle In Honor Fraternity

Eta Kappa Nu, national electrical engineering honor society, announces the selection of Jimmy Uzzle into its membership.

Uzzle will be initiated into the Gamma Nu Chapter at Texas Technological College in Lubbock. Eta Kappa Nu is an association of outstanding electrical engineering upperclassmen, according to T. W. Parish, president.
Uzzle is the son of Mr. and Mrs. J. M. Uzzle of Tahoka.

Cotton canvas tents sheltered the legions of Caesar.

WILSON NEWS

(By Mrs. Ted Melugin)

Homecoming Great Success

Last Thursday evening the parade downtown was greeted by a good crowd. The Mustang Band and Pep-Squad led the way with the fire truck giving the wailing of the siren and Mustang football boys, honking from their decorated cars. Ronnie Follis rode on his white horse in the gala affair with school children all trailing in with spirits of a victory, in Friday night's game.

The huge bonfire was set ablaze, after the fine pep-rally in the school gymnasium. On top a dummy, representing the Broncos, caught fire with shouts from the crowd. Friday afternoon another pep rally was held and the students and citizens were excited about the outcome of the game and festivities. The Football Sweetheart was crowned at half-time. She was seventeen year old Loyce Baker. The Pep Squad Beau was crowned next, Royce Baker, twin to Loyce, and a half-back star on the Wilson Mustang team. Runners-up were Charlotte Mears and Jane Stoker, seniors of Wilson High. Runners-up for the Beau were Sammy Crowson and Delbert McCleskey, senior boys.

The homecoming game was won by Wilson Mustangs with the score Mustangs 14, Meadow Broncos 6. This was a very close and exciting game with both sides battling all the way. It was the seventh game for the Mustangs and they have only one loss, which was the game with Sundown, the score being 32-30. The next game will be played on the Wilson home field between Ropesville and Wilson Friday at 7:30 p. m.

Homecoming Barbecue Saturday

Registration began at 2:30 p. m. in the High School building Saturday, and approximately 225 at

tended. The home-cooked barbecue was served, starting at 5:30 in the school cafeteria. Speaker for the evening was a former graduate, Ralph Krebs, of Lubbock. The band students entertained in the High School Auditorium.

A pre-Thanksgiving dinner was given in the home of Mr. and Mrs. Thad Smith Sunday, Nov. 1, with their children present: Mr. and Mrs. Loyd Anders and family, Mr. and Mrs. Bobby Smith and family, Mr. and Mrs. Billy Ray Smith of New Home, and Mr. and Mrs. C. W. Smith of Odessa.

Mr. and Mrs. Elbert Gumm and John T. visited Mr. Gumm's sister and family in Causey, New Mexico Monday, Mr. and Mrs. Amon (Bud) Garner and their daughter and family, Mr. and Mrs. Hank Merrick, Larry, Peggy and Ramona. The Garners run a pony farm in Causey.

Mrs. Katie Nieman's sister-in-law, Mrs. Ida Nieman of Port Aransas, came for a week end visit with her and other relatives this last Saturday.

Mrs. Anna Ehlers had as Sunday guests Mrs. Katie Nieman, Mrs. John Maeker, Mrs. Ida Nieman of Port Aransas, and Mr. and Mrs. Emil Nieman.

Mrs. Ted Melugin visited last Thursday afternoon in Slaton with a good friend, Mrs. Johnny Harnett and her daughter from Brownfield, Mrs. Vivian Rucker and daughter, Kathy, who is a cerebral palsy patient.

The Ted Melugins enjoyed eating out in Lubbock Sunday after church. Accompanying them were their son Terry, home from college at Levelland, and Miss Judy Pugh of Slaton.

Mustangs And Dads Honored

The Brotherhood of the Baptist Church gave a supper Monday

night honoring the football boys and their dads in the educational building. Guest speaker was Roy Bass from Lubbock. Approximately 100 were present.

Home Demonstration Club Meets

The Wilson Home Demonstration Club met Friday in the home of Mrs. Floyd Wilson. The program was presented on "Holiday Foods." The roll call was answered by each member giving Safety-Caution labels. Mrs. J. L. Lambright gave a brief discussion on her trip to Hawaii to the National Extension Homemakers Council. Members present were Mrs. Reuben Sanders, Mrs. David Peterson, Mrs. Willie Mae Riney, Mrs. Joe Lambright, Mrs. James Savell, Mrs. Floyd Wilson, Miss Glenda Ward, and the Home Demonstration Agent, Mrs. Billie Carr. Refreshments were served by hostess, Mrs. Floyd Wilson, after the meeting was dismissed. The club meets the first Friday of each month.

Wilson Mustang Football And Band Mothers Meet

The mothers of band students, football boys and pep squad met Monday morning in the High School Library. Mrs. Russell Moore, president of the Mustang Football Club, called the meeting to order. Plans were discussed and voted on for future parties to raise money for the band and football needs.

Dates will be announced later for a volley ball game and also a 42 party, with bake sale. There were 27 mothers present for the meeting. President for the Mustang Band Club is Mrs. David Peterson.

Coronation Program To Be Given

There will be a Coronation Ceremony given in the High School Auditorium Saturday at 7:30 p. m. The class favorites from each grade will be recognized and the favorites of the elementary, junior high and high school will be selected and crowned in

the ceremony. This will be a very colorful and enjoyable occasion, and the public is invited to attend.
Lions Club Ladies Night Held
The Wilson Lions Club met in the school cafeteria last Thursday night, Nov. 5, for the annual ladies night meeting. Mr. Methans showed films and the program was on the Crippled Childrens Home in Kerrville.

Call your church news and other activities to 628-2956.

The ancient Incas wove cotton.

We could say that the Flowers Funny Farm-Show is wonderful, marvelous, fabulous, outstanding, stupendous and out of this world. . . . but we don't.

Tune in 8:00 A. M. to 10:00 A. M. Monday through Saturday to the Flowers Funny Farm and find out yourself. Roger Flowers, Manager.

FHA MEETING

The second general FHA meeting was held Tuesday afternoon for the entire student body. Jan Whitaker and Judy Connolly were program chairmen.

Mrs. Stephen Thompson brought challenging thoughts in a speech on COMMUNISM. Mrs. Thompson stated that throughout history, no nation had lost a war until it had fallen from within because of immorality. She urged the students to become strong spiritually, intellectually, and to develop a strong sense of patriotism.

PANEL DISCUSSION

Friday morning the Student Council will present a panel on the "Problems of Our School." Those to appear on the panel are Mr. Tubb, moderator, Mr. Reynolds, Mr. Gardner, Mrs. White, Mrs. Hegi, Andrea Carroll, John Huffaker, Mike Reid and Jennie Limon. Parents are always welcome to attend the assembly programs.

EXECUTIVE MEETING

Maria Bray, area FHA secretary attended the area executive council meeting in Big Spring Saturday. Plans were made for the area meeting to be held in Odessa March 20-21.

BABY SISTERS

Susan Chancey and Frances Chapa were baby sisters for the children of Young Homemakers at their meeting Monday night. Sixteen children were present.

HAIR STYLES

Mrs. Harold Roberts spoke to the first period homemaking class on "Hair Styles for Your Face Shape." The students appreciated the individual suggestions she gave for improving our appearance.

RAT DIET

Plans are being made by the Physical Science classes and biology classes to make a dietary study with rats. An adequate diet will be compared with the average teen-ager's diet in this rat experiment.

Cotton can be made stretchable with a high twist of yarns.

Boys Basketball Starts Friday

Basketball season is underway in Tahoka, the "A" and "B" girls already having played two games.

Next Friday night, the Bulldogs take the court for the first game of the season against Frenship. The "A" and "B" boys and "A" girls are scheduled to play on that night. With only a week's workouts behind the Bulldogs, the football season ending this Friday night, no predictions are being made at this time.

Thursday of last week two girls teams travelled to Sudan, and although both were defeated, reports were that prospects looked very good.

This Thursday night, the girls were playing at Slaton, both "A" and "B" teams.

On Monday night four junior games will be played here when Frenship seventh and eighth grade boys and girls come to town.

Thursday night, Nov. 18, the Petersburg "A" and "B" girls play in Tahoka.

The "A" girls are coached this year by Coach Gib Hough and the "B" girls by C. L. Rogers. After resigning for one year as head basketball coach, Jake Jacobs this year is resuming those duties.

Girls Basketball Play Is Started

Sudan girls teams took two victories in Tahoka's first basketball games of the year there Thursday night of last week, winning the "A" game by a close 43-39 score and taking the "B" encounter 34-14.

Coach Gilbert Hough's Tahoka girls looked good, however, against Sudan's pressing defense. Carla McNeely chalked up 29 points for the locals. Other squad members include forwards Andrea Carroll, Manuella Chapa, Sue Woodall, Betty Kuwanski and Loretta Foster, and guards Teresa Mason, Jean Filippin, Joy Thomas, Mary Ellen Wyatt, Dixie Ashcraft, Cholee Jan Huffaker and Linda Hale.

The "B" team, coached by C. L. Rogers, is composed of forwards Brenda Foster, Brenda Drager, Donna Riddle, Donna McAllister, Jerris Ashcraft and Quaydene Pool, and guards Leah Short, Jill Edwards, Carolyn Cox, Lexi Adams, Debi Thomas, Frances Chapa and Vicki Jacobs.

RECEIPTS ANNOUNCED FROM STANTON GAME

Total receipts from the Stanton football game last Friday were \$623.38, including \$25.00 on car tickets, or \$598.38 on which the two schools participate.

After expense of \$94.00, Stanton received \$504.38 and Tahoka \$251.76 plus the \$25.00 above, according to report of Supt. Harold C. Reynolds.

Mrs. B. C. Aycox was a medical patient in Tahoka Hospital Monday and Tuesday.

Society & Club

Shirley Morrison, Thurman Bartley Married Saturday

Miss Shirley Estelle Morrison and Thurman Preston Bartley repeated wedding vows Saturday at 7:30 p. m. in a candle light ceremony in the First Baptist Church in Wilson. Rev. Bill Pittman of Lubbock read the double ring vows.

Parents of the couple are Mr. and Mrs. Malcolm Morrison of Irving and Mr. and Mrs. Sears Bartley of Wilson.

The bride, given in marriage by her father, wore a semi-formal gown of white-chiffon with bouffant skirt and lace overlaid jacket. The wrist-length sleeves were veiled in satin. Her shoulder-length veil of bouffant net was held low on her forehead by a white satin rose. She carried a bouquet of baby carnations atop a white Bible.

Matron of honor was Mrs. Judy Nelson of Slaton, who wore a gown of blue chiffon and lace and a short circular veil centered with a blue satin rose. She carried a nosegay of baby carnations.

Floyd Bartley served his brother as best man. Ushers were Bobby Crowson and James Parker.

Mrs. B. E. Webb sang "Because" accompanied by Mrs. Evelyn Nelson, organist, who also played traditional wedding music.

A reception in Fellowship Hall followed the ceremony. Assisting in hospitalities were Mrs. Oscar Pollis, Mrs. Floyd Bartley, Jan Bartley, Mrs. Keith Bullard and Mrs. Sam Crowson.

The bride is a graduate of Irving High School. Her husband attended Wilson High School and received his diploma while serving in the Air Force. He is district manager for Shell, Horky Oil Co. in Plainview, where the couple will make their home.

Book Review At Faith Circle Meet

Mrs. V. F. Jones reviewed "The Will of God", author unknown, at a meeting of the Faith Circle of the Woman's Society of Christian Service Monday morning in the home of Mrs. A. M. Bray.

A business session was conducted by Circle chairman, Mrs. R. E. Bagby.

The Faith Circle will meet on Tuesday, Nov. 17, with Mrs. Jones as hostess. Mrs. Bray will bring the devotional.

Duplicate Winners

Winners at Duplicate Bridge held at T-Bar Country Club Tuesday night were Al Gardner and Butch Adams of Lubbock.

Second place went to Mrs. D. W. Gagnat and Mrs. Bill Lumsden. Mrs. Jess Gurley and Mrs. L. C. Haney were third.

GIRL SCOUTS PLAN CHRISTMAS PROJECT

Girl Scout Troop No. 309 met Tuesday afternoon in the Scout Hut for their weekly meeting. The group planned their Christmas project. Mrs. Mary Roe is leader of the troop.

Becky Rodriguez, 11 month old daughter of Mr. and Mrs. Jessie Rodriguez of Lubbock, entered Tahoka Hospital Wednesday as a medical patient.

New Law Regulates Labeling Of Belts

College Station—There's more protection on the way for consumers.

It will be unlawful, starting next January 1, to label belts by using such words as "leather, hide, or skin" or to use pictures suggesting the hide or skin of animals to describe belts not truly made from animal skin, says Lynn Parks, Extension consumer education specialist.

"Split leather" must then be so marked and not represented as "genuine cowhide," "alligator," or any other term indicating that it is top grain leather, the Texas A&M specialist says.

If a belt is labeled alligator, it must in fact be made from alligator skin and not be cowhide just made to resemble alligator. Labels must indicate, as the case may be, "ground, pulverized, shredded leather, or plastic."

When belt leather has been treated to look like something else, a label must so state. For example, a label might indicate that a product is "split cowhide with simulated pigskin grain." If another kind of leather, or non-leather material is used for backing, the label must carry this information.

Hot Shot Bowling League Results

Tahoka Safety Lane won three points in competition this week with Cannady's Fiesta Grill as Joan Hamm bowled high game of 160 and high series of 341.

McCord Motor Co. took three points from Ken's Paint Service behind Joan Curry's high game of 168 and high series of 486.

Ayer Way Cleaners took one point from Team No. 3 with Bobbie Barham's 142 and Deanie Bingham's 377.

Cecile Henry holds high game of 191. Wanita Kelley is second with 187. Joan Curry has high series of 486. Doris Stotts is second with 481 and Joan Hamm, third, with 469.

McCord Motor Co. is in first place at this time.

Mrs. Childress Tells Of Trades Days Held At Canton

Mrs. C. D. Childress of O'Donnell, Mrs. Mildred Edgar and Mrs. Luke Peary of Levelland visited with Mrs. Minnie McMillan and Mr. and Mrs. Oran Hickerson at Canton, over in East Texas, last week end.

The group attended the first Monday Trades Day in Canton, which event in that town is in its 68th year.

Mrs. Childress said there were "a million items for sale," several thousand people on hand, and "this was quite a big sight for a West Texan."

Muleshoe Man's Rites At O'Donnell

Funeral services for Edgar J. Bryant, 70, Muleshoe, were held Saturday at 2:00 p. m. in First Baptist Church of O'Donnell with the pastor, Rev. Calvin Partain, officiating. Burial was in Morton Cemetery under direction of White Funeral Home of Tahoka.

Bryant had never lived in this county permanently, but had a sister at O'Donnell and had become a member of the Baptist Church at O'Donnell. He died Thursday afternoon in a Houston hospital, where he had been a patient six weeks.

A retired cattleman, he was a veteran of World War I.

He is survived by one daughter, Mrs. Eileen Lund of Idaho; three sisters, Mrs. Joe Mears of Levelland, Mrs. Bessie Curtis of Pampa, and Mrs. Earl Gillespie of O'Donnell; three brothers, Vernon of Muleshoe, George of Pecos, and Bert of Littlefield; and four grandchildren.

Don't you read before you buy?

Most people do. They read an advertisement in print to get the facts before they buy. They read the newspaper to get the news. They read the magazine to get the entertainment. They read the book to get the story. They read the newspaper to get the news. They read the magazine to get the entertainment. They read the book to get the story.

When you add it all up, print advertising—the kind you read in the pages of this newspaper—is a big business. And because it means so much to the buying habits of most consumers, print makes sense. Most people read—and then buy. Don't you?

Herrings Observe 50th Anniversary

Mr. and Mrs. A. E. Herring of Lubbock, formerly of Tahoka, were honored on their golden wedding anniversary Sunday from 2:00 until 4:00 p. m. in Lubbock Woman's Clubhouse.

The former Miss Adeline Ratcliff was married to Albert Ernest Herring at Mungler, Texas, on November 8, 1914. They moved to Lubbock in 1920, and he was district superintendent for Continental Oil Co. for 20 years. They lived in Tahoka several years while he operated his farm north of town. Mr. Herring is a member of Tahoka Rotary Club, and drives down each Thursday from Lubbock to attend its meetings.

At the reception Sunday, their daughter, Mrs. Ernestine Walker, a former teacher in the Tahoka schools, was in the receiving line with them. Others in the house

Hallowe'en Party At Special School

Children of Lynn County Special School were given a Hallowe'en party on Friday, October 23, with Mrs. E. H. Conrad of Newmoore as hostess and Mrs. Lovelle Crain of O'Donnell as co-hostess.

The table was decorated in a Hallowe'en atmosphere, including a small tree that the children decorated. They were served home-made brownies, soda pop and other Hallowe'en goodies.

The children enjoyed the event eating, singing, and playing games. party were Mr. and Mrs. Joe Dan Walker of Lubbock and Mr. and Mrs. Alton Herring Peak and Janice Suzette Peak of Friona. The Harrings have one daughter, two grandsons, and four great grandchildren.

Miss Clark, Phillips Set Wedding Date

Mr. and Mrs. L. G. Clark of O'Donnell announce the approaching marriage of their daughter, Glenda Lee, to Terry Alan Phillips, son of Mr. and Mrs. K. W. Phillips, also of O'Donnell.

The couple will repeat wedding vows on Dec. 11 in the First Baptist Church in O'Donnell. Miss Clark is a graduate of O'Donnell High School, and is attending Texas Tech. Phillips, also a graduate of O'Donnell, plans to attend Tech.

Miss Glenda Young And Joe Draper Planning Marriage

Mr. and Mrs. L. E. Young of route 1, Tahoka, announce the engagement of their daughter, Glenda L., to Joe E. Draper, son of Mr. and Mrs. Buel Draper, route 4, Tahoka.

The couple plan to be married in January.

Johnson Family Honors Mother

Seventy relatives and friends attended a family reunion Sunday honoring Mrs. Susie Johnson of Lubbock, formerly of Tahoka, on her 80th birthday. The all day meeting was held in the Terrace Club House in Mackenzie State Park.

Mr. and Mrs. J. M. Johnson came to Tahoka in 1922. Following his death in 1941, Mrs. Johnson moved to Lubbock, where she has since resided.

Dinner was spread at noon by the group. A number of friends called during the day, including Mrs. Johnny Russell and son, Sherman, of Kerrville, Mr. and Mrs. Garland Pennington of Tahoka, and a niece of Mrs. Johnson's, Mrs. Falvous Bonds of Crossroads, N. M., and her grandson. Also present was Mrs. Hattie Mae Stevens of Dallas, a niece of the late Mr. Johnson.

Mrs. Johnson's seven children are: Mrs. O. A. (Cora) Crowell, Mrs. Cecil (Pearl) Carraway, and Mrs. Pete (Sue Ellen), Dorman, all of Tahoka; and Moman Johnson, Mrs. Edward (Jewell) Quinsey, Mrs. Coy (Ouida) Cathcart, and Wyman Johnson, all of Lubbock.

Mrs. Fenton Hostess To Garden Club

The home of Mrs. J. W. Fenton was the meeting place for the Tahoka Garden Club Tuesday morning. Twenty-four members were present to hear Mrs. Roy Edwards speak on the subject of "Hospitality" and to view table settings of the "Past and Present."

"Plantation Dinner" Old South was the table setting prepared by Mrs. Clarence Williams which won first place. Mrs. Garland Pennington had an arrangement appropriate for a buffet "Supper at the Ranch." A modern dinner table "Contemporary Living" was arranged by Mrs. Emil Prohl.

Much interest was shown when favorite recipes were exchanged at roll call.

Mrs. Roy LeMond will be hostess December 8 in her home with Mrs. Weldon Martin as co-hostess.

Joe Stokes Club Planning Dinner

The Joe Stokes Home Demonstration Club met at 2:30 p. m., November 2, in the home of Mrs. W. C. Macker. Those present were: Mmes. Ronnie Dulin, Brent Gregg, A. M. Davis, W. C. Macker, C. C. Overman, Tom Russell, Lee Shockley, Charlie McCullough, and Billie Carr.

Mrs. Ronnie Dulin, president, presided over the business meeting. The annual Thanksgiving dinner was planned for November, 26.

Mrs. Carr brought the program on fruit cakes. Those present then baked a cake with the assistance of Mrs. Dulin and Mrs. Davis, who had earlier attended a training class.

The next meeting will be a Christmas party on the regular meeting date, December 1, in the home of Mrs. Brent Gregg.

Program On India At AAUW Meet

"Urban and Rural India" was the topic of the program presented at the meeting of the Tahoka Branch of AAUW on Monday, Nov. 2, at O'Donnell.

A film was shown on the study. Mrs. Billie Carr was in charge of the program, according to Mrs. M. L. Green of Wilson, president of the organization.

GRASSLAND NEWS

(Mrs. O. H. Hoover) Aren't these fall days beautiful, cool and tangy of mornings? The leaves and foliage on the trees and vines are so colorful and the mums out here around Grassland are gorgeous. Mrs. C. B. King has the loveliest ones I have ever seen.

Mr. and Mrs. W. L. Gribble, Mr. and Mrs. McCleskey, Mrs. Lucy Cunningham and Joy Laws attended singing in Slaton Sunday afternoon.

Mr. and Mrs. R. V. Melton are here visiting their mother, Mrs. G. H. Spears.

J. E. Sherrill has been moved from Methodist Hospital to La-Voy's Nursing Home in Tahoka and is improving slowly but steadily.

Mrs. Inez McGrew and daughter, Mrs. Doyle Rains and two children of Lamesa visited in the C. A. Walker home and also visited their aunt, Mrs. Hoover, Saturday.

Mrs. W. A. Oden entertained the Thursday Club in her home Nov. 5. There were six members present, Mmes. Propst, McMahon, Maxey, Wright, Hoover and Oden.

Mrs. Lela Giley joined our club and we are so glad to have her as a member. Mrs. Oden served sandwiches, pickles, chips, mints and coffee.

Mrs. C. C. Jones visited Mrs. Hoover one afternoon last week, and also went to see Mrs. King's flowers.

Mr. and Mrs. C. M. Greer had lunch with the N. O. Townsends Sunday. Mrs. Townsends and Mrs. Greer attended the funeral services for Mrs. White.

Young Homemakers Planning Party

Thirteen members of Tahoka Young Homemakers met at the homemaking cottage and attended the program held at the House of Flowers.

Presented by Anita Billman and Queen Draper, the program consisted of a workshop with members making their own centerpieces under the direction of the two ladies.

The group planned a Christmas Party to be held Dec. 11 for members, for members of Young Farmers, their husbands and wives who are not members of the organizations.

The next meeting will be held the second Monday night in December in the homemaking cottage. Everyone interested is invited to attend.—Reporter, Nancy Williams.

Mrs. Brown Honored On 80th Birthday

Mrs. Pearl Brown, who has been in Houston about two weeks visiting her daughters, Mrs. Fay Pierce and Mrs. Marie Sanders, was honored with a surprise birthday dinner there Sunday on her 80th birthday.

The daughters surprised Mrs. Brown when about 54 relatives and friends attended the dinner. Local friends said that all five of the late Mae Patterson's children, three boys and two girls, attended as well as Mr. and Mrs. G. C. Shaffer of Madisonville. Mrs. Brown is reported to have enjoyed the event immensely.

a color portrait is YOU

It expresses your personality as no other gift you can give ever will. It is YOU as those you love see you... warm and alive. Let us show you the color portraits we have made of your friends. Stop in soon... and arrange for your color sitting. Our photographers are experts in color photography.

Cleskey attended a cooking school in Lubbock coliseum Monday. Mrs. Carlos McCleskey won a large barbequed roast.

The Bert McDonald family visited after church Sunday night with the Kelly Laws.

Mrs. Ollie Huffaker has gone to Roswell to visit her mother for awhile.

Mr. and Mrs. Glen Norman and Mr. and Mrs. Ira Lee Duckworth went to Waco Friday and attended the Baylor-Texas football game Saturday. Miss Ida Montgomery stayed with the Norman children.

Carroll and Claudia Crenshaw of Lubbock spent the week end with Theresa Dean.

Mr. and Mrs. Rusty Dean visited his mother in Methodist Hospital in Lubbock Sunday.

Mrs. Nina Belle Chapman of Plainview visited her mother, Mrs. Hoover, over the week end. She also visited Mrs. L. B. Burk and the Gerald Norman family.

Miss Louise Gerner of Dallas spent the week end at home with her parents, the Amos Gerners.

Mr. and Mrs. G. H. Spears have been taking the hot baths at Stovall Wells for some time but are back home now.

Mr. and Mrs. John Paul Lawson and family of Andrews spent the day Tuesday with his mother, Mrs. E. A. Thomas.

Mr. and Mrs. Smith Lawson of Modesto, Calif. are here visiting her mother, Mrs. Minnie Shepherd and sisters, Mrs. Fred Bobb and Mrs. Irvin Chandler and

Smith's mother, Mrs. G. H. Spears and other relatives.

Mrs. E. A. Thomas and her mother, Mrs. Ethel Fox, have gone visiting. Mrs. Fox is in Fort Worth visiting relatives. Mrs. Thomas is in Texarkana visiting Mr. and Mrs. L. H. Arnold and family.

Mrs. L. A. Enloe attended the 50th wedding anniversary celebration in Post Sunday of Mr. and Mrs. J. Harve Mathis at the party house of the First National Bank.

Mr. and Mrs. Enloe's son, Danny and family, came by on the way to Clovis, N. M. He will be employed there as a barber at the Air Base.

Rev. and Mrs. William Adams and two sons went to Oklahoma City Sunday to hold a revival in the Pentecostal Holiness Church there.

James Enloe of Chilotho, Ill. visited his brother, L. A. Enloe recently.

Granny Riley is home from the hospital and is some better.

Mrs. Caswell is doing fair.

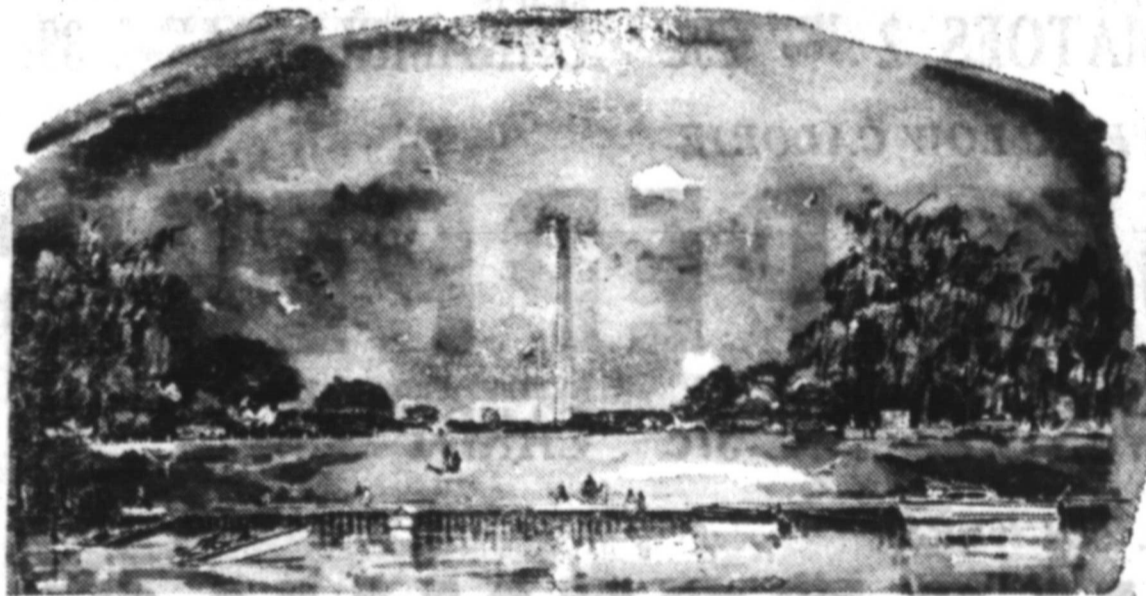

Mr. and Mrs. W. T. Luttrell, the Wes Caswells and Mrs. Moore were in O'Donnell one day last week.

Martha McKay visited her sister, Mrs. Vinyard, in Tahoka Saturday. Mrs. Vinyard has been hospitalized in Lamesa but is at home now.

Mr. and Mrs. Lewis McKay visited her brother, L. J. Cook, in Post Sunday and helped him celebrate his birthday.

SAN JACINTO ...

in 18 Minutes—Blessed Freedom!

At 3:30 P.M. on April 21, 1836, General Sam Houston launched his attack. So sure was Mexican Army Commander Santa Anna of his troops' superiority that he did not even post sentries during the customary afternoon siesta.

The freedom-inflamed Texans, shouting "Remember the Alamo!", sprang upon the enemy. In the incredibly short space of 18 minutes Texas' freedom was won.

Santa Anna was captured. Six hundred and thirty officers and men were killed; the rest taken prisoner. Texas lost only nine men killed or mortally wounded, with 30 less seriously wounded. When the captured Santa Anna ordered his troop commanders to leave Texas, the last threat to peace was removed. Texas was free!

FREE MEN DEPEND ON US!

Today, we cannot—with one decisive stroke—wipe out the threats to freedom that are all around us. Instead, we must join together for an almost unending task of holding at bay those who would destroy the liberty we hold so dear.

Our dollars, banded together in U.S. Savings Bonds, help keep our defenses strong—making sure that no enemy will smash through to victory over freedom.

You can be an active partner in defending freedom by buying U.S. Savings Bonds at your bank or on the payroll savings plan where you work.

Keep Freedom in Your Future with U. S. SAVINGS BONDS

Mrs. A. L. White Rites Sunday

Mrs. Alpha Leona White, 89, a resident of Tahoka two years and mother of Rev. Aubrey White, Methodist pastor, passed away Friday at 5:00 p. m. in Medical Arts Hospital in Lamesa. She had been in ill health for some time, a resident of LaVoy's Nursing Home, and early last week had undergone major surgery.

Funeral services were held Sunday at 2:30 p. m. in First Methodist Church of Tahoka with Rev. Marvin Fisher of Rotan and Rev. Lloyd Mayhew of Brownfield officiating. Burial followed in Lamesa Memorial Park Cemetery under direction of White Funeral Home.

Mrs. White was born in Anderson county on January 22, 1875. She was married to Arthur L. White in 1905 at Benjamin. Mr. White passed away in 1946. She was a member of the Methodist Church.

Survivors include one son, Rev. Aubrey F. White, Tahoka Methodist minister; three daughters, Mrs. C. A. Mitchell and Mrs. Blanton Clearman, both of Lamesa, and Mrs. O. C. Melton of Woodlands, Calif.; 14 grandchildren, 15 great grandchildren, and two great great grandchildren.

New Home Ladies Bowling Results

New Home Ladies Bowling League results for Wednesday: Petty Gin 4 to 0 over Bowers Butane. Mary Norman scored high game of 300 and high series of 501 for Petty, while for Bowers Barbara Evans had a 143 game and 403 series.

Edwards Shop took Mayfield Grocery 4 to 0, as Bernice Clem rolled 198 and 464 scores and for the losers, Natalie Unfried had high game of 158 and Wanda Gill high series of 425.

Farr Texaco and N. H. Butane split 2-2. Charlene Farr had 159 and 454 scores and Bobbie Blakney 201 and 481 scores.

Evans and Clem also split 2-2 with New Home Gin. Mary Waldrep rolled 180 and 480 for E&C and Betty Fillingim 175 and 493 for the winners.

New Home Farm Store won 3-1 over Co-op No. 9. Dorothy McNeely had a 196 game and 436 series for the winners, and Men-thea Maloney led the losers with 169 and 450.

Pridmore Spraying took Co-op No. 1 3-1. For the winners, Sue Armontrout had a 160 game and Betsy Fridmore 425 series. For losers, Della Halford had a 183 game and 454 series, and Helen Peck also had a game of 183.

Canadian Dam ...

(Continued from Page One) tions man for Gifford-Hill-Western.

Mayor Leslie wanted to know how many 2-inch irrigation wells it would take to fill a 96-inch pipe, into the end of which a compact car can be driven.

North of Amarillo, the group viewed the huge 78-inch pipe being laid in the ground by machines at the rate of a mile a week.

Line 323 Miles Long

The 322 miles of pipeline, including the spur to Borger and Pampa, leaves the damsite in 78-inch size. From the dam base in the bed of the Canadian River, water must be raised 700 feet into Amarillo, altitude 3,600 feet and 50 miles away, by four pumping stations, each with five pump units operated by motors of 1250 to 1750 horsepower, electricity furnished by Southwestern Public Service Co. At each pumping station is a surge tank ranging in height from 130 to 192 feet, much like the little ones on underground irrigation systems.

From the Amarillo reservoir, the water will flow by gravity to Plainview, Lubbock, Slaton, Tahoka, O'Donnell, and Lamesa, but smaller pumps will be necessary to take the water to Levelland and Brownfield.

Pipe 96-Inches

Across the head of Palo Duro Canyon, four miles east of Canyon, 96-inch pipe is required to get the push up the hill on the other side, then the pipe graduates down to 72-inch, and then 54-inch.

Pipeline toward Tahoka starts from Lubbock "only" 27 inches in size, reaches Tahoka at 21 to 24 inches in size and drops down to 18-inch pipe at Lamesa.

Dam Details Told

The earthen dam, rip-rapped with sand, gravel and stone, is 228 feet high, 6,410 feet long, 1,900 feet thick at the base, 40 feet wide at the top, and is set in the ground about 100 feet. It will contain 15 million cubic yards of dirt, one million cubic feet each of rock and of concrete. A new highway will be built from Borger to Dumas, crossing the dam.

Based on 36-year history of Canadian River normal flow, a year and a half would be required to fill the lake, but allowing for evaporation and seepage this will take nearly three years normal flow.

The dam will back water upstream for 17 miles, the lake will have a normal depth of 110 feet at dam, cover 17,300 acres, and have 100 miles of shoreline.

Big Machinery Used

Dam contractor H. B. Zachry Co. is now rushing work filling the closure gap by next February in time for any possible spring floods.

Tuesday, the Tahoka group saw the gigantic earth-moving machines in operation dumping 50,000 cubic yards an 18 hour day in the gap. Tremendous dirt loading machines were loading a carry-all every 40 seconds.

C. O. (Spike) Crane, project engineer, and Vern Grantham, assistant, of the Bureau of Reclamation, accompanied the Tahoka group and explained with loud-speaker and bull horns the operations. They said each Tahoka water user became a partner in the project.

Cost Estimate Cut

Original cost estimate of the entire project was \$103 million, about \$97 million to be reimbursed to the government by the cities through payments of principal and interest through water usage, but this has been reduced to about \$85 million through savings. Cities pay in proportion to amount of water used up to a 50 year period.

One unusual feature is that this is the biggest repayment project the U.S. Government has ever approved. The government's interest includes flood control, fish and wildlife propagation, recreation, etc.

Clay Bennett, a former Council member, took special interest in

Prussic Acid Danger Cited

College Station—Frost can be expected soon in most areas of the state, and this could mean trouble for Texas dairymen. Johnsongrass and sorghums often develop a high prussic acid content after a frost and, if grazed by livestock, can cause a lot of trouble, warns A. M. Meekma, Extension dairy specialist, Texas A&M University.

Certain chemical changes occur in frost-wilted plants that are responsible for the prussic acid development, Meekma explains. The poison acts quickly and can kill an animal within a short time after the damaged plant is eaten. Whether or not a poisoned animal can be saved generally depends upon how quickly a veterinarian can be consulted.

Frosted Johnsongrass or sorghums should not be grazed until they are completely dry, warns Meekma. However, those ready to cut for hay at the time of frost damage may be clipped the first day after frost if complete curing precedes baling.

Frost-wilted plants may also be used for silage, Meekma points out. Generally enough prussic acid is lost during the ensiling process to make it safe for livestock. However, animals should not be allowed to self-feed from a silo filled with frost-wilted forages. If there is any doubt about the silage, it should be tested by the

Congratulations-

Mr. and Mrs. Gilbert Gonales of Tahoka on the birth of a son at 8:45 p.m. Saturday in Tahoka Hospital. Named Gilbert, Jr., he weighed seven pounds, seven ounces.

Jannette Rankin was the first woman member of the U.S. House of Representatives—in 1916.

N. O. Townsens Tell Of Trip

Mr. and Mrs. N. O. Townsens returned recently from a two weeks sight-seeing trip to the West Coast and a visit with relatives. They say this was the best trip they have ever had, and they especially enjoyed fall leaf colors, sunsets and sunrises unsurpassed, especially at Grand Canyon. The weather was beautiful and all Nature was dressed up in fall colors, they say.

Leaving on a Sunday, they spent a day and night at their cabin at Pecos, N. M., then to Grand Canyon to spend a day and night.

They spent two days visiting Oak Creek Canyon and "lots of rock places" hunting for curios, then to Petrified Forest and Painted Desert.

They spent a week with their two sons and families at El Cajon, Calif., Duwaine and Wailan.

En route home, they visited in Roswell, N. M., with a granddaughter, Mrs. Roxanne Rhea, and in Carlsbad with Mrs. Townsens's brother, M. M. Scott.

LADY OF GUADALUPE CATHOLIC CHURCH
Located three blocks east of Hamburger-Gas.
Sunday, Mass at 8:00 a. m.
Friday Mass at 7:00 p. m.

The District of Columbia had a delegate in Congress for four years, 1871-1875.

The first zoo in America was at Philadelphia in 1874.

The ancient Incas wove cotton.

Legal Notices

NOTICE TO CREDITORS OF THE ESTATE OF S. W. SANFORD, DECEASED

Notice is hereby given that the original Letters Testamentary upon the Estate of S. W. Sanford, deceased, were granted to me, the undersigned, on the 27th day of July, 1964 by the County Court of Lynn County, Texas. All persons having claims against said estate are hereby required to present same to me within the time prescribed by law. My residence and post office address is 2120 North Main Street, Tahoka, Lynn County, Texas.

Mrs. Virginia E. Sanford Bailey, Independent Executrix of the Estate of S. W. Sanford, deceased.

the tour because he represented Tahoka when the area's first committee went to Washington in 1950 to appear before the House Ways and Means Committee, where they received a favorable reception from them and also from Congressmen George Mahon and Walter Rogers, ultimately resulting in the project approval. Following 1960, there were many stumbling blocks before the project was approved. Now many other towns would like to get in on the project but can not.

On the trip were also Director E. R. Edwards, Mayor Leslie, and Councilmen R. W. Rutherford, W. T. Kidwell, Charles Oliver, and Jack Jaquess; former Mayor H. B. McCord Sr. and former councilmen Ronald Sherrill, J. E. Nance, and Bennett; City Administrator J. M. Uzie, and Pat Hines, Evon Wilson, A. C. Davis, and Police Chief Jack Miller; C. of C. President Harold Roberts, W. H. Eudy, A. M. Cade, W. D. Harmon, Clifford Clark, Pat Patterson, and Frank Hill.

Tahoka Outscores Buffs In 30-19 District Thriller

Tahoka Bulldogs surprised home fans last Friday with offensive determination that carried them to a 30 to 19 victory over the Stanton Buffaloes. This was Tahoka's third victory in nine starts this year, the others being over Frenship 13-0 and O'Donnell 20-7.

Now standing 2-2 in 5-A Conference play, the Bulldogs could end the season tied for second place with a victory over Seagraves Eagles here tonight, although such a win is not probable.

Stanton received the opening kick-off, and moved to the Tahoka 33 in eight plays before losing the ball on a fumble. On Tahoka's first play, QB Terry Harvick threw a long pass, wrapped up in a difficult catch by HB Stanley Renfro 32 yards away on the Stanton 35.

The break seemed to give the Bulldogs the spark they needed, and HB Adolph Chapa and FB Coburn alternated in carrying in seven plays for Tahoka's first score, Coburn going the last yard untouched around left end for the score. Harvick's place-kick was blocked. Score, 6-0 Tahoka.

Stanton came right back with a successful scoring drive, set up largely by a 26-yard run by HB John Swanson, who appeared long-gone until tackled by Dean Hamilton, who played the finest defensive game of his life. A 24-yard pass, QB Buddy Shanks to HB Dink Polson took the ball to the one yard line. But, the Buffaloes drew a motion penalty, then lost four as Hamilton nailed the ball carrier on the 10. Not to be denied, Shanks hit FB David Dunn with a 10-yard scoring pass. Polson kicked the conversion, and Stanton led 7-6.

Tahoka moved downfield to the Stanton 35 in the second quarter before losing the ball, and from there the Buffaloes moved 65 yards to another score, the final play being an 11-yard pass to "Little" Mike Hall, left end. The kick was no good. Score 13-6 Stanton.

Tahoka moved to midfield only to lose the ball on a fumble, and Stanton ran out the clock.

Taking the second half kick-off, Renfro got up to the 34, Coburn went for 21. HB Gary Tomlinson, in spite of having an injured elbow, now went into the game and got away on runs of 15 and 20 yards in the drive, being tackled at the Stanton one yard line in his second carry. From here, Coburn bucked over to make the score 13-13, and then ran the 2-point conversion around left end to give Tahoka the lead 14-13.

T Larry Jolly kicked off short to the Stanton 37. Dunn made 9 yards, and one the next play he broke through right tackle and raced 53 yards for a quick Stanton touchdown, the visitors' last. Pass for conversion failed, and Stanton led 19-14.

Now touchdown hungry, the (Continued on back page, Sec. 2)

O'Donnell Will Close Out Season

O'Donnell Eagles wind up a dismal football season tonight by entertaining the Wink Wildcats at 7:30 p. m.

Short on manpower this year, the plucky Eagles made an interesting game of it last Friday in spite of the lop-sided 51-14 score run up by the Eagles of Seagraves. The O'Donnell boys made 20 first downs to 18 for Seagraves, but had 255 yards rushing to 423 for Seagraves.

Seagraves took a 14-point first quarter lead on a 20-yard run by Danny Rosson and a 43-yard scamper by Ronny Huffman. In the second quarter, James Reed bucked over two yards for another Seagraves score, and Rosson got away on a 73 yard scoring gallop. O'Donnell scored late in the half when Gary Reeves plunged over from 5 yards out.

In the second half, little Bo Faulkenberry bucked two yards for a score, Rosson passed 60 yards to Faulkenberry for another and still later 40 yards for another TD. Reeves scored again for

New Home At Meadow Tonight

New Home Leopards journey to Meadow tonight to try out the Broncos, and will close the 1964 season at Ropesville a week from today.

The Leopards have won two games in non-conference play, and have dropped District 3-B games to Cooper 6-14 and Wilson 0-18.

Meadow lost to Wilson 6-14, to Cooper 6-24, and to Ropesville 22-32.

With a little luck, Coach Maurice Warren's New Home Boys are capable of upsetting the Broncos tonight.

Congratulations-

Mr. and Mrs. Bobby Cook of Brownfield on the birth of a son Wednesday, Nov. 4, at 4:25 p. m. in Goodnight Hospital in Lubbock. He weighed six pounds eight ounces and was named Danny Robert. The mother is the former Miss Barbara Jones. Grandparents are Mr. and Mrs. H. P. Jones and E. A. Cook, all of Tahoka. The boy is the couple's first child.

The prettiest thing under the sun — is cool, sheer, washable 100 percent cotton.

You feel so good when you are dressed in cotton.

Tomnie Lemon Dies Of Injuries

Tomnie Lemon, 34, critically injured in the car-pickup wreck last May 30 which took the life of J. T. Whorton of Tahoka, died Thursday of last week in a Slaton rest home. He had been unconscious since the accident.

Lemon was driving a pick-up involved in the crash on College Avenue two miles south of Lubbock with the Whorton car, also occupied by Mrs. Whorton and J. T.'s brother, Joe Whorton of Albany, both of whom were also seriously injured in the wreck.

Tomnie was a nephew of W. I. Lemon of Tahoka, and his wife, the former Miss Mary Helen Cade, is a niece of A. M. Cade of Tahoka.

He was a 1940 graduate of Cooper High School, married Miss Cade August 23, 1949 at New Home, and has been a prominent young farmer at Wolforth, where he was a member of the Baptist Church, the Lions Club, and a

"Thanks to our electric heating - we never worry about Shawndi kicking off the covers!"

Individual room control gives the Danny Smith family of Earth, Texas comforting assurance of desired warmth!

Mr. and Mrs. Smith specified ceiling cable electric heating when they built their Gold Medallion home because they could have a thermostat in each room to insure individual room control. The Smiths set the thermostat in their bedroom at 60 degrees; in Shawndi's room 70 degrees; with appropriate settings in other rooms. So even is the temperature and so accurate that Mrs. Smith's tropical fish (in the family room) have not required auxiliary heating. In short, the Smiths enjoy comfort for all, all through the house.

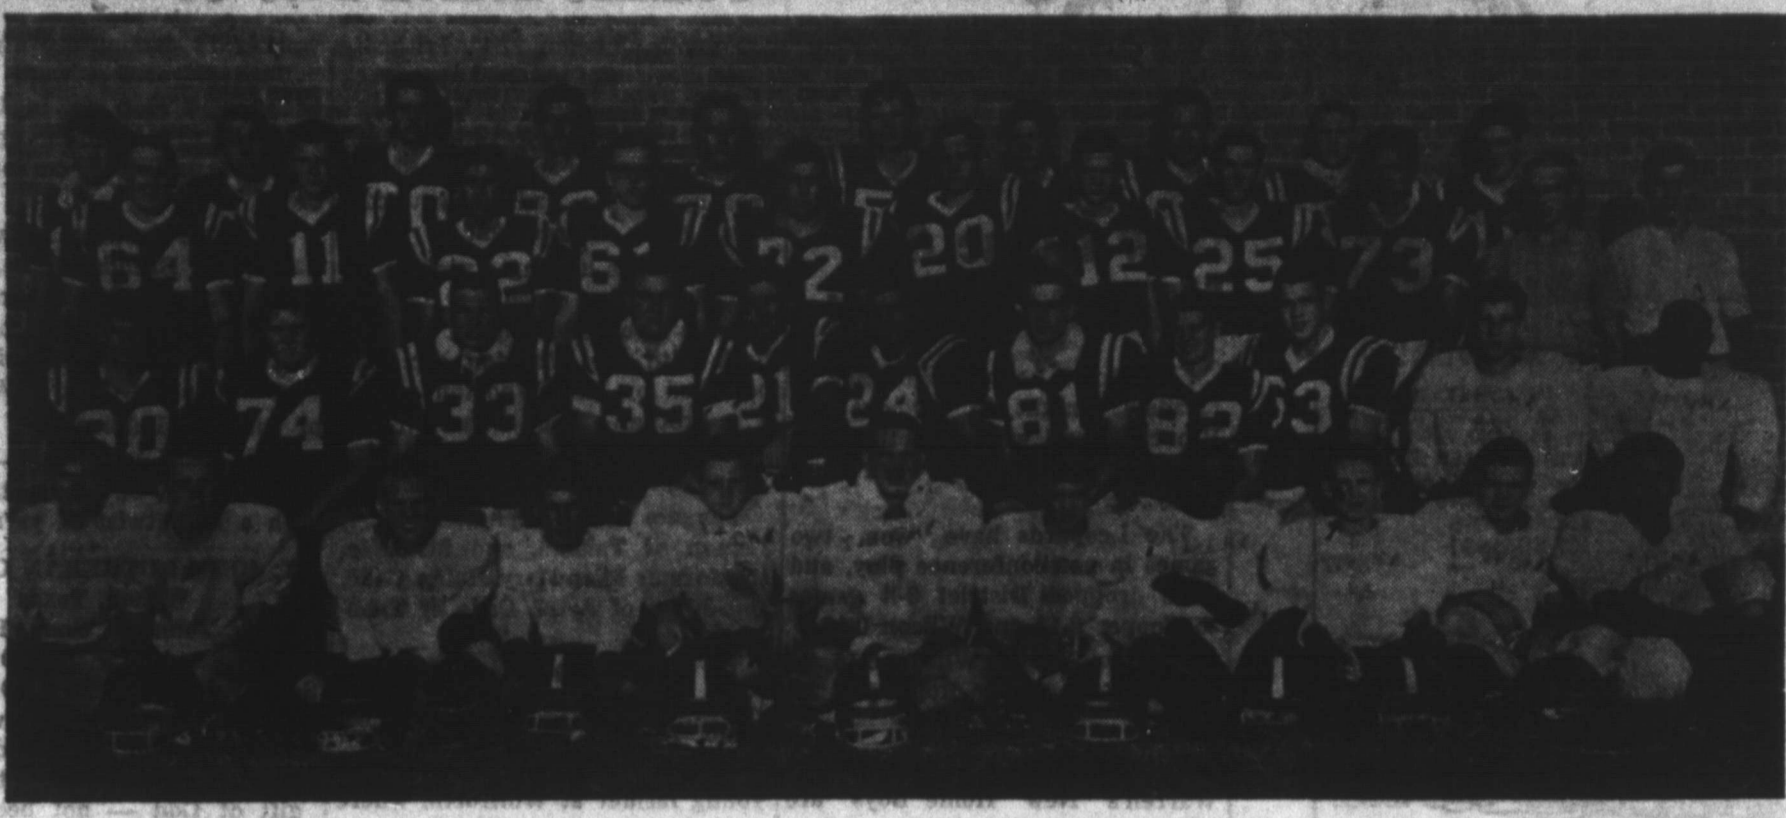

SPECIAL OFFER

Get the facts about electric heating for your home. Every Public Service customer can receive a free indoor-outdoor thermometer simply by permitting our heating representative to survey his home and hearing the electric heating facts. Call us this week — no obligation, ever!

**Tahoka
Pep Rally
Friday**

Tahoka is raising a lot of the finest young men and women of any town anywhere. The most pleasure we get out of the newspaper business is in writing about the successes of our young people—the boys and girls we have seen grow up from babies.

For example, there is Jimmy Williams, whose picture we ran last week along with a story about his farming, family, etc. Jimmy was farming on his own before he was out of high school. He didn't choose to go to college, but he's studying scientific farming methods anyway and we'll bet he does all right. There are a lot like him. And, there are a lot of un-sung housewives like Jimmy's wife who are making successes.

One of our favorite native sons is Karl Prohl, for we've watched him since birth, growing up, a fine personality, a leader in school, a determined "Bulldog" as a football and basketball player, a college student and a little mixed-up about what he wanted to do in life. He decided on public relations. He worked for The News one summer to gain a knowledge of newspapering at the grassroots. After graduating in journalism at North Texas State, he went to Boston University, supposed to be tops in the field of public relations, for his Masters Degree. Now, Karl is employed by the Quincy (Mass.) Patriot Ledger, circulation 58,000, as copy editor on the city desk—some more valuable experience. Karl is a work horse, enjoys work and people. And we wish him every success!

Karl won't like us for writing the above, but it's true. We had a long personal letter from him the other day and we could tell his heart was with the Tahoka Bulldogs, his old friends, and the people of our town and county. His address is: Karl Prohl, 230 Babcock St., Apt. 1-A, Brookline 46, Mass.

Mrs. Johnny Wells brought us a clipping about Tull Rea, Lum Haney's nephew, being honored for 35 years with American Airlines, currently the Fort Worth manager. Tull worked for us in 1929 when The Printer and Mae were editing the Nolan County News at Sweetwater. He was in our Boy Scout troop. In addition to attending school, he worked about eight hours a day. Tull was a fabulous kid even at about 14, studied telegraphy, became wireless operator at Love Field, was given credit for saving the German dirigible lost in a storm in

Lockwood, Texas

the Big Bend, got the company's distinguished service award for rescuing a fellow employee from the flooding Potomac river while working in Washington, D. C., became vice president of the airlines and in charge of Latin American operations while stationed in Mexico City. We could tell a lot of stories about Tull Rea, a boy who had little chance to succeed but pulled himself to success by sheer determination and hard work.

Our Bulldogs have done fine the last two games; at least, we won a couple, which makes three this season. In fact, the boys have played fine defensive ball all year but hadn't been able to score much until last Friday. If they can play the kind of defensive football they did in holding Wink 7-6 and the kind of offensive ball they put forth against Stanton to win 30-19, the Seagraves Eagles will know they've been in a ball game. The Bulldogs could win—if they make up their minds to play every down for keeps.

That was no error in Stanton's printed roster. There were two Mike Halls on the Buffaloes. "Big" Mike Hall, No. 37, weighing 205, was at guard. "Little" Mike Hall, No. 85, weighing 148, played left end and caught a pass for a touchdown. The two boys are not even infolks.

Joe D. Unfred sent us the following on "Democracy," written by Prof. Alexander Fraser Tyler nearly two centuries ago when our thirteen original states were still colonies of Great Britain, and at the time he was writing of the decline and fall of the Athenian Republic over two thousand years before:

"A Democracy cannot exist as a permanent form of Government. It can only exist until the voters discover they can vote themselves largess out of the public treasury. From that moment on, the majority always votes for the candidate promising the most benefits from the public treasury with the result that Democracy always collapses over a loose fiscal policy, always to be followed by a Dictatorship and then a Monarchy."

Cecil Waggoner in Claude News: For years Kennedy followers have collectively looked down their nose at President Johnson. This election may not change that but it at least proves him to be a much better vote getter than they. In fact, it was Johnson who pulled Bobbie out in his New York race. President Johnson topped history in his vote getting power. That should prove something about the man. On top of this he is the first man from a southern state to win since the Civil War and the first Texan. Pretty good record, duncha think?

Mrs. Lee Owens, whose husband works for Cicero Smith, was in Saturday, started to sign a check for her subscription and said she knew exactly what day this was for Oklahoma was admitted to the Union as a state on Nov. 7, 1907. She was living there as a child at the time and remembers the occasion.

Mrs. Owens says they came here two years ago from Tipton, Okla., and only expected to remain a

short time. But, she says, people are so friendly in Tahoka they like it fine. "Why," she says, "Even little boys call my husband Lee. I never saw such a place for calling people by their first names!"

Jim and Lucille Looker of Ingram were up last Wednesday until Sunday on business and visiting her mother, Mrs. R. B. McCord, and other relatives. And, Jim called The Printer to tell him how much they enjoy the ravings and rantings in this space. He said they even agree with us some times—especially about honesty and integrity and statesmanship in matters of government, of which we seem to have so little these days.

Mrs. Ona M. Pilley, 262 N. Caesar St., Fresno, Calif., writes in part: "My husband and I are both old Lynn county people. Mrs. H. R. Minor is my aunt and I was one of these in the Old Mexico party. Although just a child, I do remember quite a lot of the trip, also the country down there. O. L. Miller was my father My husband, George Pilley, is an old timer. We have been married five years, and we want you to send us the paper regularly." Mrs. Pilley asked for the issues telling of the Minors 61 years in the county and the ill-fated Old Mexico pilgrimage.

Lt. H. Moore paid high tribute to the late Oscar King, his friend since 1916: "I never knew a finer man Oscar King always stood for the best, and he was respected as a man of real character."

Mrs. E. W. Lichey, route 2, Durant, Okla., missed a copy of The News and writes "I always look forward to The News as I know so many people in the county."

The Free Enterprise system is fine, but there are getting to be so many strings attached it is no longer free but governed by a central power more and more each year.—Woody Courrier.

Every nut in a car should be tight except the one behind the steering wheel.

Lynn County Soil Conservation District News

E. R. BLAKNEY
WARD EAKIN
HAROLD FAYNE
BOYD BARNES
JOGGS SWANN

The benefits of applying mulches such as cotton burs to the soil are manifold, according to Soil Conservation District technicians. When managed on the soil surface not only do mulches retard wind erosion, but they also reduce evaporation and act as a sponge in absorbing water. All these benefits are in addition to increasing the organic content of the soil. In unfavorably dry years, such as this one, the need for mulches are even more important. This is true for two reasons. First, the wind erosion problem is expected to be unusually severe because of the large amount of land left bare of crops due to the drought. Ordinarily feed stubble managed on the surface is significant in reducing wind erosion, but in most areas not enough feed survived the dry weather to offer any soil protection this year. Second, mulching will aid materially in holding whatever moisture received this winter. With the soil profile as dry as it is now, every drop of moisture will be needed, and probably some besides, if dryland is to have very much hope of making a crop in 1965. Although cotton burs are the most common mulching material used in the Lynn County Soil Conservation District, any type of organic litter is good. Barnyard manure is very good. Generally it is recommended that at least three tons per acre be applied. Fertilizer should then be applied in order to aid in the decomposition of the mulch. Approximately 10 pounds of actual nitrogen per each ton of mulch is applied is needed for this purpose. Horace Strickland, who farms eight miles south of Tahoka, states that the only land that produced cotton on his place this year was land that had been treated with cotton burs. The Linotype machine was invented by Ottmar Mergenthaler. It was first used in 1866 by the New York Tribune. These luxurious cotton towels in smart decorator colors just love to soak up water.

"SMALL BUSINESS"

BY C. WILSON HARDIK

There is an old maxim: "You can lead a horse to water, but you can't make him drink." Recently in Oakland, California, relief clients of the area staged a weekend demonstration and "sit-in" at the offices of the Alameda County welfare administration. Crops were going unharvested in nearby fields due to the shortage of labor, and the welfare officials took the position that it would be well if their able-bodied clients not only helped out by doing some C. W. Hardik work in this field, but they would also earn some money. These welfare clients immediately started a brannigan, taking the position it was an insult on their dignity to expect them to work on farms. Curiously, they said nothing about the dignity involved in taking public welfare. This episode is only interesting insofar as it applies to the larger crisis coming up created by the Congressional ending of the "welfare" program. For many years the agriculture of California, Arizona, New Mexico and various other states has depended on some 61,000 Mexican nationals brought in under a set of rules formulated and overseen by Federal authorities. The employers furnished transportation from Mexico, furnished inspected housing, as well as three meals per day, which were under inspection, although the braceros paid a low cost for them. In addition, although the work is on a piece work payment plan, they are guaranteed a minimum of \$1-per hour. However, when peaches, grapes, lettuce, tomatoes, and other crops are in peak harvest, it has not been unusual for a man to average \$40 per day. At the end of the season they are transported back to Mexico with their saved earnings, and in the off-season are not around to become public charges of the taxpayers of the U.S. Labor leaders had long fought this system, inasmuch as they cannot collect dues from these Mexicans. They were joined by a lot of "do-gooders" under the category of social welfare groups, with the result that Congress voted to abandon the plan. Of course, the big argument was that the Mexicans were taking jobs that unemployed Americans should have. California growers, seeking to work out a solution without Mexican nationals this current season spent thousands of dollars bringing in unemployed workers from Mississippi, Texas and other states. But the experience has been that some 70% are either incapable of performing the tasks, or quit. Looking forward to the coming decade, some of the big processing companies have established plants in Mexico, moving payroll out of the U.S. This is progress?

Football...

(Continued from Page 1, Sec. 2) Bulldogs weren't through. End Eddie Howard brought the kick-off out to the 45 and nearly got away, then Coburn, Tomlinson and Renfro moved in 10 plays to score again, Coburn hitting right guard for the score from two yards out. Tomlinson ran the ball over left guard for the conversion and Tahoka was back in the lead to stay, 22-18. Following the kick-off, Tahoka's defense looked a little better and the Buffaloes were stopped cold, with the help of two 5-yard penalties, and had to kick. With the ball on its own 20, Tahoka drew a holding penalty back to the 10, Tomlinson made 15 in two runs, and then Harvick got off a great kick of 58 yards that died on the Stanton 17. Early in the fourth, the Bulldogs seemed to have a drive going but lost the ball on another fumble on the Stanton 10. Two running plays and an incomplete pass and Stanton had to punt from its 13. There was a bad snap from center, Dunn raced back to pick it up in the end zone, evaded Tahoka tacklers, and finally got off a desperation punt which went to his own 24. Harvick made two, Tahoka drew a 15 yard clipping penalty, Coburn went for 9, and then Harvick broke away on an option play and went 20 yards around right end to the Stanton 9. Coburn made 4, and Chapa went five yards over left tackle for the final score, and Coburn ran the conversion. Score, Tahoka 30, Stanton 19. Stanton tried desperation passes with 3:47 left, all incomplete, and Tahoka took over and ran out the clock. Coburn had a fine night carrying 36 times for 140 yards, scored three TD's and two conversions; Tomlinson, although injured, went 94 yards on 11 carries, set up two TD's and ran a conversion; and Chapa 32 on seven tries, and scored one TD. Harvick and Hamilton were outstanding on defense for Tahoka. Dunn and Swanson were the big guns for Stanton, carrying the ball for 112 and 75 yards, and "Big" Mike Hall and Shanks were outstanding on defense. Keep to the right or you will be left.

4-H CLUB ENROLLMENT DRIVE COMPLETED

Texas' 4-H Club enrollment now totals 92,014 members, including 10,780 additional members added recently during the "Each-one-get-one" recruitment campaign, officials have announced. The club total now stands at 2,991, with 287 new clubs organized recently. Voluntary adult leaders assisting with the program were increased by 2,114, and the total count now numbers 17,632. The top ranking district in the recent 4-H recruitment drive was District 6. Agents of the district worked under the supervision of District Agents Ray Siegmund and Mrs. Roberta Johnson. Cotton is the life-blood of Lynn county economy. Why not use more of it?

HUNTERS ADVISED ON SAFETY RULES

Careful hunters know the safety rules but all hunters need to take the time to review them. It's the "over-anxious" hunter who endangers the lives of fellow nimrods and causes needless damage to wildlife, says Wallace Klusmann, Extension wildlife specialist. Two-thirds of all hunting accidents are caused by humans in the line of fire, humans mistaken for animals and the failure of hunters to use the safety catch on their guns, says the specialist. Be safe and not a statistic, cautions Klusmann. Only cotton sheets give such beauty, such freshness, such wear. Beautify your bathroom with colorful, absorbent cotton towels.

Lynn County, Texas

Farm Census Is Planned Soon

Plans for taking the 1964 Census of Agriculture in Lynn County were announced today by Ralph W. Williams, and Edward M. Richter, newly-appointed census crew leaders for the county. The job will be done in three stages, the crew leaders said. First will come recruitment and training of enumerators to count all farms in the county. About one enumerator for each 150 farms will be needed. Shortly after November 19, the Bureau of the Census, an agency of the U. S. Department of Commerce, will start the second stage by mailing agricultural census questionnaires to all rural box-holders in the county. This will give farm and ranch operators, who are required by law to fill out the forms, a period of time to consult their records and fill in answers to the questions. In the final stage, enumerators will visit each farm in the county to collect the questionnaires. At the time of this visit, the enumerators will help farmers complete answers to any questions the farmers may have had difficulty with. Enumerator visits are scheduled to begin in this county on November 23. Enumerators will take about three weeks to complete their work, the crew leader estimates. The Census of Agriculture is taken every five years in the years ending in "4" and "9" to gather up-to-date information on the nation's agricultural resources and production. Such information is vital in making decisions affecting many segments of the U. S. economy. Data gathered include the number and size of farms, acreage and harvest of crops, livestock inventory, information on farm equipment and facilities, farm products sold, and use of fertilizers, insecticides, and herbicides.

JESSE LAWSON HOME

Jesse Lawson, local Colored man who ran afoul of the law and recently spent three months in the Texas Penitentiary and quite some time before that as a trusty working for the county, is back home and says he wants all his friends to know he is a reformed man. Jesse says he got to Huntsville in time to pick cotton, pull corn, and help with the rest of the harvest—and says he doesn't want any more of that. He is back working for Lynn county for a while. Before work could begin on the present granite Capitol in Austin, the Legislature set aside three million acres of land, located in the Texas Panhandle, to finance it. Deep, thirsty cotton towels pamper you tenderly. Have News? Phone 998-4981.
