Engagement Is Announced

Mr. and Mrs. W. U. Lowery of Route 2 Muleshoe, announce the engagement and approaching marriage of their daughter Virginia, to Mr. Richard Cline of Snyder. Richard is the son of Mrs. Belle Cherry and Mr. R. E. Cline of Lubbock.

The ceremony will be performed April 16, at 3 p.m. in the Kingdom Hall of Jehovah's Witnesses, 129 Temple Avenue Lubbock, Texas. All friends and relatives of the couple are invited to attend.

Needmore Club Will Have Auction Soon

The Needmore Community Club is sponsoring an evening of candidate speaking and an auction April 15 starting at 8:00 p.m.

Each lady is asked to bring a hand made gift to be auctioned off and the proceeds will be used to improve the club building.

Refreshments of homemade pie and coffee will be served to everyone.

Lazbuddie FHA Girls Honor Mrs. Clark

The girls of the Lazbuddie FHA planned a surprise stork shower for their teacher, Mrs. Albert Clark, Tuesday, March 29. It was held in the home of Eva Dean Ivy at 4 o'clock of that afternoon.

The stork theme was carried out by having them register on a large stuffed stork, which was presented to honoree after the shower. Angle food cake with pink and blue icing, decorated with miniature pink and blue booties was served after opening the gifts. A miniature plastic stork was used as plate favors, with mints and punch that was served.

Those attending were: Mary Faye Rigley, Pat Peterson, Corretta Watkins, Geraldine Broadhurst, Gail Robinson, Sharon Parham, Brenda Mason, Kay Burrellson, Wanda Beene, Janice Darling, Penny Grusendorf, Sandy Brown, Patsy Morrow, Beverly Smith, Judy Brown, Eva Dean Ivy, Evelyn Darling, and Johnny Ivy. Also Mesdames: Eulan Parham, Lee Mason, Duane Darling, Jack Smith, Calvin Clark and the hostess, Mrs. Leland Ivy.

Mr. and Mrs. W. T. Millen Take Vacation Trip To Hawaii February 23

INNOCENTS ABROAD: Here Mr. and Mrs. W. T. Millen, of Muleshoe, are pictured on a street in Honolulu, Hawaii, while on their recent vacation trip to the 50th State. Many from this immediate area have visited Hawaii in the past year or two.

Mr. and Mrs. W. T. Millen recently took a vacation trip to Hawaii. They left Muleshoe Feb. 20 and drove to California where they joined the tour and boarded a plane and arrived in Honolulu nine hours later. Mrs. Arthur Sammann of Tullia and Mrs. Jack Lowe of Maple accompanied them to Hawaii.

Mr. and Mrs. Millen were in a group of seventeen people from this vicinity who joined the tour sponsored by the Southwestern Stock and Crop magazine of Lubbock.

When they stepped off the plane they were met by the island people who bestowed upon them beautiful leis and a traditional kiss. They checked into the Moon Hotel, which is a part of the Surf Rider.

This hotel is located near the ocean with a beautiful terrace behind it. In the center of this terrace is a Banyan tree under which the program, "Hawaii Calls" has originated for the past twenty five years.

The Millens talked with Dottie Wilterding of Muleshoe who was vacationing in Hawaii, also.

The group took many tours in the two weeks they were there. Among these they visited the Dole Pineapple Factory and Col. Hershel Alsop, formerly of Muleshoe, took the group through the Army hospital which serves the whole Pacific area. They took a plane to Kauai and toured this island where they saw beautiful flowers. They said the flowers seemed to grow out of the lava rock. The "Grand Canyon" of the islands is also on this island. It is a small version of the Grand Canyon in the United States.

The Millens took a plane to Pearl Harbor. There they saw the Arizona and the Utah, which are the only two ships left standing above the water after that fateful day, Dec. 7, 1941. It is an awesome sight even today.

The tour took a boat and went up the Waialua river and saw the Fern Grotto, which is a lovely sight. It is a cave set

Dolores Wagnon Is Queen of Rainbow Sweetheart Banquet

Plans were made for the annual sweetheart banquet during the Rainbow Assembly which met March 28 in the Masonic Hall. Past Worthy Advisor presiding was Sandra Allison.

Nina Ed Bovell and Sonya Bass were initiated into the Rainbows.

The Rainbow Sweetheart and her attendants were elected and will be revealed at the banquet.

After the meeting cakes and cookies were served in the dining room by Kay Thomson and Karen and Sharon Leigon.

Eastern Star and Masons present were Mrs. John Farley, Mother Advisor, John Farley, Mr. and Mrs. Spencer Beavers, Mr. and Mrs. Willie Strong, Mrs. W. T. Bovell, Mrs. Ernest Kerr, Lonnie Bass and Mrs. Alex Wilkins.

The annual Muleshoe Rainbow Girls Sweetheart Banquet was held in the Masonic Hall Saturday April 2.

Candy Land was the theme for the program. The pillars in the Hall were wrapped in red and white crepe paper, to represent candy canes. The north wall held a sugar plum tree. The centerpiece for the table was a large gum drop tree with one on either end of the table also. The individual tables held red and white candies with ribbon streamers, with candy placed around each. The place cards were made to resemble candy canes and lollipops.

Kay Brown was mistress of ceremony. The invocation was given by W. R. Tittle. The welcome was given by Janie Sanders and the response was given by Jr. Past Worthy Advisor, Dolores Wagnon. The banquet was prepared by the advisory board and served by the girls mothers.

Fred Johnson made a talk to the young people on the first five commandments of the Bible.

Pat Thomson, the 1959 queen crowned this year's queen, Dolores Wagnon. Miss Wagnon was escorted by Willie Williams, Magann Lamb attendant, was escorted by her father Gil Lamb and Jana Goodwin, attendant was escorted by Tommy Thomson.

Ray Briscoe sang "Let Me Call You Sweetheart" as they came to the table.

The queen received a lovely

Who will succeed her?

That is the question running through the minds of millions of American homemakers as the time for selecting a successor to the reigning Mrs. America, Margaret Priebe of Des Moines, Iowa, (above) draws near.

Contests to select state winners from "all 50" and the District of Columbia will be completed by mid-May, with the national finals following in Ft. Lauderdale, Florida, June 2 to 14.

Among the \$50,000 in prizes to be awarded this year is a \$30,000 home equipped with a complete RCA Whirlpool Mrs. America gas kitchen which includes a refrigerator, combination washer-dryer, built-in range, counter-top burner and under-counter dishwasher. In addition, the new Mrs. America will receive a swimming pool and two-week vacation in Florida for her husband and herself. Hundreds of all finalists will be on hand in Ft. Lauderdale to watch their wives vie for the Mrs. America crown.

Coronation will be before a national television audience direct from the War Memorial auditorium in Ft. Lauderdale. Leading up to the final selection will be a series of judgments to determine the proficiency of each finalist in all areas of homemaking. This includes cooking, baking, dishwashing, laundering, dyeing fabrics, and table placement, to mention a few. Each state winner will have proven herself the most outstanding in all these categories before arriving in Ft. Lauderdale, and receive the new RCA Whirlpool gas refrigerator, shown above, as top prize.

Entry blanks for the Mrs. America contest are available at RCA Whirlpool appliance dealer stores in virtually all sections of the country. Blanks may also be obtained on request from Mrs. America, Inc., 527 Madison Ave., New York 22, N. Y.

County Gins 99,234 Bales

Bailey County gins turned out 97,234 bales of cotton from the 1959 crop, final statistics from the Bureau of Census issued this week revealed. It is the record high ginning total in Bailey's history.

This total compares with a final report for 1958 ginnings of 90,947 bales, and it compares with a preliminary statistics report by the Bureau, printed in The Journal March 10, of 96,744 bales.

The Journal editor knows of more than one farmer who has not yet gotten around to having his cotton ginned. Who knows, the total could approach the magic 100,000 mark. Some of our neighboring counties in the final report had totals as follows: Briscoe, 20,325; Castro, 33,724; Cochran, 63,635; Cottle (Paducah) 17,524; Crosby, 112,111; Dickens, 27,838; Floyd, 123,718; Garza, 18,045; Hale, 179,966; Hockley 178,963; Lamb, 174,690; Lubbock, 211,079; Parmer, 40,887.

The Journal editor remembers when Bell, Ellis, Williamson, McLennan, were state leaders, later, Hall, Collingsworth, Wilbarger. Let's see what they produced last year: Bell 21,601; Ellis 49,334; Williamson 54,513; McLennan 32,487; Hall 46,171; Collingsworth 36,799; Wilbarger 24,117.

These figures tell most eloquently of a change in the way of life for these older settled counties, where livestock is a more predominate pursuit of the people.

Census Underway In Bailey County

Under the supervision of Mrs. Ellen Gupton, crew leader of Muleshoe, 10 enumerators are counting heads in Bailey County this week, in the decennial census of the population of the U. S.

In the city, the hope is that the census will show that well over 5,000 people now live in Muleshoe, and it is considered almost certain, especially since the city council recently included an additional section containing many families west of the Heathington Lumber Co. yards and north of the highway, including Shady Rest. Few will predict anything concerning the rural area; the trend has been running to larger farms, with less people living on the farm and doing the farming. Many farmers nowadays live in town, hire their farming done.

Enumerators Listed
Following is a list of your enumerators for Bailey County with the section they are to work shown also.
Ray Kersey: Northwest and East part of county.
Roland Stevens: North, west and east part of county.
Mrs. Wynnie B. Dunn: West-8th and Ave. D, to Main and

- south to Ave. J.
- Mrs. Hertha M. Walker: West 15th to Main and Ave. D.
- Mrs. Nell Rowe: Highland and Richard Hills additions to West 15th St.
- Mrs. Florence Knight: Southwest.
- Mrs. Rose Sain: Colored town Lenau addition, and East of Main.
- Mrs. Betty Flowers: West Camp section.
- Mrs. H. H. Snow: Enochs and Maple.
- Mrs. K. K. Krebs: Bula and Circleback.

Cochran County Enumerators

Mrs. Gupton, who is crew leader for Cochran County also gave the following list of enumerators in Cochran: Mrs. Zella Mae Morrow, Mrs. Clemmie C. Cunningham, Mrs. Jo Ann Glassford, Mrs. Opal Glass and Mrs. Vivian Nebhut.

Council Presented Charter For Study

At a dinner given last Friday night at Leigon's the charter commission presented its completed work to the City Council and recommended its adoption. Sam Fox, chairman, handed the typewritten and bound proposed charter to Mayor W. T. Bovell.

The mayor thanked the members of the commission, who have put in much time and work on the proposed charter. In turn Mr. Fox expressed the appreciation of the commission members for the splendid cooperation he said they had received from the council, the Texas League of Municipalities, local citizens, and for publicity by The Journal and Radio Station KMUL.

He said that in his opinion to understand what the charter will do for the city is to favor it, therefore he said continuing publicity and word of mouth discussion of the charter is desirable. The new council will make its decision on the document, and if it is approved by them an election will be called.

Before the election each voter will be presented a copy of the charter for perusal.

Attending the presentation meeting were: Roy Whitt, Jack Young, James Glaze, Ernest Kerr, Sam Fox, Morris Douglass, Alex Williams, Gil Lamb, M. D. Gunstream, W. T. Bovell, Horace Blackburn, Carroll Pouncey, Vance Wagnon, Owens Jones, E. O. Baker, J. M. Forbes, W. Q. Casey, Houston Hart, and Lowell Irvin St. Clair.

CARD OF THANKS

We wish to express our heart felt thanks to our friends and neighbors for their sympathy and every act of kindness, and our gratefulness to the doctors and nurses of West Plains Hospital during the illness and at the death of our loved one, Mrs. Elmer King. May God bless you.

Student Council Plans Election

Muleshoe Student Council met yesterday, Wednesday, to discuss plans for elections for 1960-61 officers and cheerleaders. Principal Bill Parker announced that after the students hand their petitions in with 15 Student Council members signatures on it they will be screened by a group of teachers. Election week will be May 2-6. On Friday, May 6, the assembly and election will be staged.

This year the council wants

to make the election educational as well as fun. Students will vote in room 16 of the high school just like a regular election for citizens.

On Friday, April 8, Inter-scholastic League contests will be held at MHS and on Wednesday, April 13, it will be "Career Day". On these two days MHS coeds are asked to wear dresses. On Friday, the boys are asked to move their books out of their lockers after second period so as not to disturb contestants between periods.

Famed International A Cappella Choir Comes To Muleshoe

Members of the choir are: Muleshoe; Janice Grant, Levelland; Verna King, Ackerley; Mary Lou and Margaret McKee, Tahoka; Lee Baggett, Vernon; Jerry Parker, Olton; Bob Sartin, Friona; Larry Branscum, El Paso; Sue Coward Thompson, Amarillo; OKLAHOMA, Phyllis Williams, Keyes;

A Cappella Choir with 40 cut- Wayland Baptist College International A Cappella Choir under the direction of Donnie J. Adams, will appear in concert at the High School in Muleshoe, 2:45 p.m. April 27th. Also at First Baptist Church at 7:30 p.m.

The 39 student musicians, who come from Michigan, Colorado, Georgia, New Mexico, North Carolina, Oklahoma, Oregon and Texas, as well as Korea and Columbia, were presented in Missouri, Arkansas, Oklahoma, and Texas on their fall tour. Spring concert appearances are scheduled throughout the Panhandle Plains area.

These college students, garb-

ed in authentic costumes from many nations, will present music from many nations. Not only the costumes and music, but the choir personnel itself has an international element through Tae Rim Kim, Seoul, Korea, and Albert Bent, San Andres, Colombia.

Kim and Bent are two of many foreign students who have sung with this group in years past when it has presented in most of the mid-west and Southern states and Mexico. A smaller unit toured Brazil for six weeks several summers ago. Their distinctive costumes have been brought to Wayland Baptist College by foreign students, missionaries and widely traveled faculty

Student Council Wins Honors At State Meeting

After many months of hard work Muleshoe High School Student Council was elected Parliamentarian of the Texas Association of Student Councils. The election by the delegates climaxed a three day convention held in Amarillo last week end.

MHS delegates were: James Shepherd, Vice-President; Carolyn Burge, Historian; Robert Garlington, Parliamentarian; and Joy Autry, Principal and sponsor. Bill Parker accompanied the group.

One hundred and twenty letters were sent to member schools of TASC giving Muleshoe's qualifications. 77 personal letters asking their support were sent by Carolyn, Sue Logan, secretary; Magann Lamb, reporter; and Mrs. Bill Parker, sponsor; to students they met last summer at West Texas Student Council work shop at Canyon.

"Qualifications of Good Student Leaders" was the topic of the discussion group lead by Shepherd, Carolyn acted as recorder for the same group.

Nine Student Council members went to Amarillo Friday, to attend the campaign rally. Those going were Jimmy Bishop, Robert Robinson, Pat Barrett, Delores Wagnon, Kay Wilson, Ruby Kay Simmons, Sandra Darsey, Sue, and Magann. At the rally Nancy Henry from Tom S. Lubbock made the nominating speech of Muleshoe for Parliamentarian and Charles Merritt of Snyder made the seconding speech. The acceptance speech was made by Shepherd.

Other schools elected to TASC offices besides Muleshoe were: San Angelo president; Phillips vice president; and Odessa, secretary.

Enochs News Events

by Mrs. Jerome Cash

Mrs. J. M. Angel and Mrs. Harold Layton shopped in Lubbock Monday.

Mrs. Jerome Cash and Mrs. Ronnie Ethridge of Muleshoe spent the weekend in Amarillo visiting her sister, Mrs. C. H. Williams and father and grandfather Mr. C. E. Hinton.

Mrs. P. A. Altman is back in the Levelland Hospital after a car accident about 2 weeks ago. She is better at this writing.

Mr. and Mrs. J. J. Brockman Jeweleen and Nena Karen Vanlandingham visited Sunday in Dimmitt with Mrs. Brackman's cousin, Mr. and Mrs. C. N. Land. She had not seen him in four years. He

had been in Canada working in oil field work.

Mr. and Mrs. Raymond Austin spent Sunday evening with Mr. and Mrs. Burley Roberts of Needmore.

Mrs. Lee Branscum of Odessa is helping take care of her father Mr. L. G. Harris.

Mrs. W. A. Pool has been spending the past several days with her mother, Mrs. Lillian Everitt of Lubbock. 2711 Dartmouth St. Mr. Everitt suffered a serious heart attack 2 weeks ago and is still in bed.

Mr. L. G. Harris had the misfortune of getting badly burnt last week. He spent a few days in the West Plains Hospital at Muleshoe. He was using a kerosene lamp he was using for heat in a brooder house and it caught fire. He also lost the brooder house and 250 baby chicks in the fire.

The safest place in a lightning storm is your LOK-RIB Building

You enjoy peace of mind in stormy weather when you own a LOK-RIB Steel Building. It's all steel—it won't burn—and if lightning strikes, the easily grounded steel panels dissipate the charge. The extra strength of LOK-RIB's exclusive V-rib design gives you that same safe feeling when winds are high. The factory-engineered, mass-produced LOK-RIB Steel Building goes up easier and faster. There are no high framing costs. Every part is pre-punched and matched to fit. Four widths—24, 32, 40, and 48 feet.

Big Gain Set In Cotton Acreage

College Station—Texas cotton farmers have expressed their choices and the 1960 cotton acreage for the State is set. They will plant an additional 500,528 acres over the regular allotments as a result of Choice B selections.

Tom Prater, extension economist, said the final results of the selections—the deadline was March 16—were provided by the Texas Agriculture Stabilization and Conservation Office. He said the acreage on Choice A farms adds up to 5,543,000 acres with 283,194 acres of this total under conservation Reserve contracts. Choice B farms this year can plant a total of 1,783,228 acres.

Prater said the total acreage under both Choice A and Choice B plans now available for Texas growers stood at 7,326,220 acres compared with 6,842,599 acres in 1959.

The 483,621 acre increase over last year's acreage resulted primarily from the selection of the Choice B plan by farmers holding the larger regular acreage allotments, Prater said.

Amarillo Stamp Show April 9-10

The Golden Spread Stamp Club is holding its first philatelic exhibition on April 9, and 10, 1960 in the U. S. Army Reserve Center at 2801 Dunivich Circle near Wofflin Village at Wofflin and Georgia Streets in Southwestern Amarillo.

Admission to this stamp show is free, and the show will be open to the public from 10 a.m. through 9 p.m. on Saturday, April 9th, and from 2 through 5 p.m. on Sunday, April 10th.

Billy J. Stephens In Amphibious Exercise

Formosa—Billy J. Stephens, electrician's mate third class, USN, son of Mr. and Mrs. Houston Stephens of Earth took part in a huge amphibious landing exercise, March 22 on Formosa's southern coast while serving aboard the attack aircraft carrier USS Bon Homme Richard.

The exercise, termed "Operation Blue Star", called for participating units to assemble in the area on March 20, along with Marine units based in the Far East and U. S. Republic of China navy, marine and air force elements.

Purpose of the operation, which comprised over 18,000 Marines and 70 Navy ships, was to promote closer working relations between U. S. and Republic of China forces in practicing the conventional and vertical assault type amphibious landings.

Janie Shankles' Poem Recognized

JANIE SHANKLES

A poem, titled "Pilgrimage of Pets", written by Janie Shankles of Muleshoe, has been included in a book "Voice of Young America", issued by the National Poetry Association. It is an anthology of the best verse written by high school students of the the nation and covers the last five years. Janie is the daughter of Mrs. L. E. Shankles of Muleshoe. Her poem follows.

THE PILGRIMAGE OF PETS

By Janie Shankles
The ground was wet each time a pet
Had to be laid beneath the sod,
A prayer was said, a tear was shed,
And then I left their care to God.
Many times I shed a tear
For with each tiny grave I cried,
In years to come there's only one
Who'll remember these pets that died,
Each unmarked grave, a pet I gave
To a ground that could not love as I.
For all eternity, I shall not see
These pets for which I cry.
I only ask that when I pass,
God will remember my cries,
And praise not me, but his pride may be
For my pets that will not rise.

"The Inside Story of Our MEDALLION HOME!"

BY
MR. and MRS. A. J. KEMP, JR.
DIMMITT, TEXAS

"We enjoy showing our Medallion Home... perhaps because we have been such a part of it from the very beginning. Before we built, we spent hours looking at pictures, creating plans — because we wanted our new home to meet the needs of our family. Our builder added the final touch when he built our home to meet the Medallion standards. Now, we're glad he did, for it will stay modern for many, many years."

Here is the attractive modern Medallion Home of Mr. and Mrs. Kemp in Dimmitt where they and their 3 children have proven that it pays in comfort and better living to live electrically.

Mrs. Kemp appreciates the convenience and cleanliness of her electric surface units. Electric cooking is a feature of every Medallion Home.

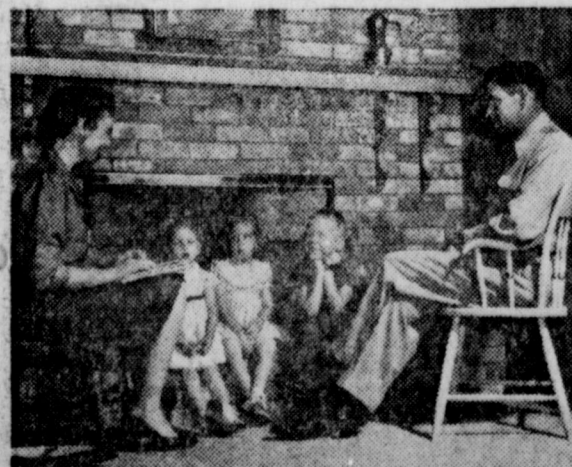

Electric clothes washer and dryer are conveniently located in utility closet off main bath, originating point for most soiled clothes.

"Our Medallion Home, with its pleasant atmosphere and work-saving electric appliances, makes for more relaxation. This is home as it should be," say the Kemps.

Specialty-designed chopping board fits over sink area — vegetable cuttings fall and are whisked away by electric disposer — no mess, no fuss.

"Our children enjoy our Medallion Home, too. Family gatherings are now fun because there is less housework, thanks to the efficiency of our electric Medallion Home."

"No need to throw away presently-owned appliances when building a Medallion Home," says Mrs. Kemp, who had her refrigerator-freezer repainted to match color scheme of new Medallion kitchen. Kitchen features include electric oven and electric dishwasher to help cut down on kitchen time for this attractive home-maker.

Lone Star Agriculture

FARM INCOME DOWN 16%

This will certainly not come as news to many Texas farm families who have been well aware of the situation for months, but the U. S. Department of Agriculture has now officially confirmed that total farm income dropped 16 per cent in 1959 below 1958.

The decline in the average farmer's spendable income was a little less, the USDA reported, falling 14.5 per cent in 1959 below what the farmer had to spend in 1958. The average spendable income per farmer in 1959 was \$2,364, being figured on the basis of what the farmer has left after paying all production expenses.

The 16 per cent decline in total farm income showed a total of \$11 billion in 1959, compared with \$13.1 billion in 1958. The USDA attributed the drop to lower cash receipts and higher production costs, which are an old familiar problem to most Texas farmers.

Cash receipts went down in 32 states, including Texas, and crops showing the sharpest decline were hogs, eggs, wheat, broilers and soybeans. In contrast, production expenses were higher in 43 states, also including Texas. Most of the increase in production expenses was due to depreciation charges, cost of repairs and operations, livestock purchases fertilizer, hired labor and taxes.

The first months of 1960 have shown a slight regaining of some of the ground lost in total farm income, but the best opinion on the outlook as the year goes on is extremely cautious. Over-all, the consensus seems to be that there is not much basis for any outburst of optimism and that, in fact, the farm income charts will do well to hold their own in comparisons with 1959.

Miss Millen, who is a junior secretarial science major, is also a member of Phi Gamma Nu, business sorority, Mary E. Hudspeth, honorary society freshman and sophomores, and Tau Beta Sigma, band organization. She was named to Who's Who among American Colleges and Universities. She is the daughter of Mr. and Mrs. W. T. Millen, Muleshoe.

ROSE LEE MILLEN IS SORORITY SECRETARY

CANYON—Rose Lee Millen, a former student of Muleshoe, was recently installed as secretary of Chi Omega, national social sorority at West Texas State College.

But not all of the per capita farm income, the USDA pointed out, came from actual farming operations. Of the \$960 realized, \$643 came from farming and \$317 from sources outside of the farm. In 1958, the \$1,043 per capita realized showed \$748 coming from the farm and \$295 from outside sources.

BABSON DISCUSSES

Government Bonds For Small Investors

Babson Park, Mass., April 7. I am often asked what are the best types of investments for those whose funds are limited and who need ready income to help with their living expenses or to provide a major part of such expenses. Here is my answer to these people and to others in similar circumstances:

U. S. Government Bonds Are A Buy

Among the best investments from the point of view of safety of principal and continuity of income are U. S. Government Bonds. These are available in different series and maturities to accommodate different series and maturities to accommodate different types of investors, and are selling not far above their low prices for the past 20 years. The longer maturities now return a yield of over 4 per cent which is more than you can get by leaving your money in a savings bank.

The full faith and credit of the United States is behind these government bonds, and I am sure Uncle Sam will never default on these obligations. It is entirely possible, however, that the money in which you will one day be repaid may purchase less than it does now, but that is a risk which you must take with almost any investment you make. Of course, government bonds are taxable, but there are comparatively few investments you can make which are not taxable.

Don't Overlook Municipal Bonds

Many of the bonds of cities and towns throughout the country pay well today and should be safe investments. A further advantage is that income derived from these mun-

icipals is non-taxable. I suggest, however, that you choose your municipal bonds carefully. It is desirable to know something about the financial affairs and tax income of the city or town whose bonds you buy; otherwise you should employ an investment counselor.

Usually the best municipal bonds are those of localities of substantial size, though under 100,000 population. Avoid bonds issued by the larger cities. The risks involved in holding them are too great and too numerous, especially for people of moderate means and income. I also prefer bonds of interior cities which would probably not be bombed in case of World War III.

Advantages of Turnpike Issues

In my opinion, the bond issues of most of the larger turnpike authorities should prove to be safe investments for those who are really dependent on their investment income for their living expenses. These roads provide the safest and fastest mode of auto and truck transportation we have yet developed. The medium-term future of the better turnpike bonds should be excellent as far as earnings are concerned.

Some of these turnpikes may get into financial trouble because of competition with each other, or from airplane and helicopter facilities, but at present most of them are doing well. Of course, their income would be adversely affected in case of war, particularly if such a conflict should force a return to gasoline rationing.

Some Other Good Investments

Government, turnpike and municipal bonds are not, by any means, the only invest-

ments today which offer safety of principal plus a good return. Most Mutual Funds offer good opportunities for income. They provide diversity for those whose limited savings would not permit them to buy many different stocks. Remember, however, that these Mutual Funds are only as good as the judgment of their managements.

Do not put all your investment funds into one basket, whether it be individual Bonds Stocks, or Mutual Funds. Also, do not forget that one of the better investments for a retired person or for one with limited income is to buy a two-family house in a good residential area and live personally in one half while renting the other half. This house should have a backyard with two or three trees.

SAND HILLS PHILOSOPHER DOUBTS

If Improving Television Programs Will Improve The Children

Editor's note: The Sandhills Philosopher on his Johnson grass farm discusses television this week. At least we suppose that's what he's doing.

Dear editor:
 It never has worried me much about what other people think about me, consequently I don't get riled up over what the television industry thinks of the American public but this doesn't go for some people.

I was reading in a newspaper only this morning where the head of the national P-T-A was outraged at what the television people are offering the public, especially the children.

She said there is far too much violence, too much silliness, too much trash, offered the 30 million children watching T. V. these days. Also she said if the television industry would take a survey they'd find the American public isn't

as moronic as the industry apparently thinks.

Well, it's my opinion that the television people aren't in much shape, mentally speaking, to be surveying anybody's intelligence, judging by some of the programs I've had a chance to see.

But back to the violence angle, the brutality, the shooting, the crime, the delinquency, the stupidity, shown on television, with millions of kids watching I know there are some people who say if you don't think your children ought to see such programs, turn the thing off, but they don't understand the control the kids have over the situation. The only way to keep most children of most parents from watching television is to wait until the picture tube blows out.

Consequently, the argument is that the only way to improve the situation is to improve the programs, and until they do, we're liable to have more juvenile delinquents, more youthful crime, more children with the wrong viewpoint toward life, etc.

Well, now, I'll tell you, I think a lot of kids could stand some improving, but I doubt if improving television will do it.

And if you want to protect children from hearing about violence, silliness and stupidity, you'd better not let them read the newspapers or listen to the radio or read history. In fact you'd better not let them associate with adults at all.

Yours faithfully
 J. A.

Dreams Come True For Council Members

Magann Lamb
For many months now members of the Muleshoe High School Student Council have had dreams of being elected Parliamentarian of the Texas Association of Student Councils. The members of the council realized though that for this to come true a great deal of effort would have to be put forth. This past week end those dreams became not just dreams, but reality.

With the help of willing students, MHS's campaign was a success. James Shepherd was elected chairman of the campaign committee with Carolyn Burge, Robert Garlington, Todd Wilt, and Magann Lamb on the committee. Approximately 120 letters were written to TASC member schools by Pat Barrett, Delores Wagnon, Jimmy Bishop, Joy Autry, Joe Childs, James Shepherd, Robert Garlington, Carolyn Burge, and Magann Lamb. In the letters the councils were informed of Muleshoe's qualifications. MHS has served as president, secretary, and parliamentarian of the South Plains Association of Student Councils. They are also a charter member of SPASC.

Muleshoe delegates have attended Southern Methodist University and West Texas Workshops, Wayland Panhan-

dle Plains Student Council Clinic, and discussion groups on parliamentary procedure. Last year Muleshoe High ran for TASC Parliamentarian, but lost to Donna, Texas. Janie Sanders, who is a talented artist, helped make posters. The Chamber of Commerce furnished Muleshoe post cards for the delegates to hand out at the convention. Delegates elected to represent MHS were: James Shepherd, Carolyn Burge, Robert Garlington, and Joy Autry. They were accompanied by their sponsor, principal Bill Parker.

Junior, Senior Win FHA Degrees

Phyllis Milligan
Mary Gross and Virginia Hickman will attend the FHA State meeting at Austin on April 29 to receive their honors. Both girls attended the State meeting last year as representatives.

Mary is president of FHA, and was one of the student representatives at the Area meeting at Lubbock. She has also held other offices in FHA during her years in High School.

Virginia is first vice president of FHA, and also was student representative at the area meeting at Lubbock. By receiving their State Degrees they will obtain all of their degrees in FHA work.

Personality of The Week

Laquinna Stone

This week's personality is Don Ethridge. Don serves the Senior Class as Student Council Representative.

Don was born in Spur, Texas, on July 23, 1942. He moved to Muleshoe in December of 1948. Don's parents are Mr. and Mrs. S. M. Ethridge. He has two younger brothers, Dean, a freshman at MHS and Gary, who is in the second grade.

Don is very active in all school affairs. Don has been a member of the FFA for the past three years and this year he is president of that organization. In his junior year, Don served on the Junior Livestock Judging Team and the Lane Judging Team. He was also an officer of the Spanish Club. This year Don is a member of the student Council, Annual Staff, and the National Honor Society. He was also runner-up for Mr. School Spirit.

Don is an excellent student and a fine friend with his alert mind and pleasing personality.

Student Council Heads Cleanup Drive

Darrell Lancaster
The Student Council of MHS sponsored a clean-up project last week which helped to beautify the high school grounds. The purpose of the campaign was to put the grounds in good shape for the Interscholastic League held here this week.

The grounds were divided into four sections and each class was responsible for that section. The classes and the grounds each was responsible for are as follows:

Freshman — parking lot; sophomores — the grounds in back of the school; junior — the northern half of the front lawn; seniors — the southern half of the front lawn. The freshmen and sophomores split the five dollars prize money which was given to the class boasting the cleanest area.

Florine Forbes of Abernathy is district superintendent, and Mrs. Fred White is the local director.

High School Band Named Outstanding

Jeanne Gray
The "Mighty M" Muleshoe High School Band received first place in Class AA and was named outstanding Band of the day at a contest in Hereford, Texas on Monday, March 28. The band played music they are to play at the Interscholastic League Contest at Levelland. Judges for the contest were Floren Thompson and C. M. Stookey of Eastern New Mexico University and Dean Killion of Texas Tech. Following the Contest, the band attended a clinic held to improve the contest music. Dean Killion was clinician. Raymond Hill, band director at Hereford, presented the plaques to Mr. Cheek and the band. The plaques are engraved in accordance to the place won. The band proudly added these to its mounting collection of trophies and plaques.

14 MHS Students On "A" Honor Roll

Priscilla Inman
Striving to be a success, fourteen students of MHS were partially granted their wish by making straight "A's" for the first nine weeks of the second semester. These students are the outstanding students in school. They play a great part in setting the standards for other students to reach. Students making "A's" are as follows: Seniors: Sharon Evans, Joe Jackson, and Derrell Oliver. Juniors: Lula Mae Embry, Beatrice Aylesworth, Norma Hennington, and Mary Ann Greene. Sophomores: Jerry Gilbreath and Rhonda Johnson. Freshmen: David Douglas, Jim Thomson, Karen Jones, Nicki Sooter, and Kathy Grey.

Family Combines Prominent At MHS

Mary Sanders
While looking around the halls one will notice someone speaking to another in a personal sort of way and may be showing consideration of some one to whom they feel very close. These are their brothers or sisters of whom they are proud and willing to assist when needed. In the senior class the Pope twins are active members. Bessie and Dessie Pope moved here when they were sophomores and have been active members of their class since that time. Lyndal, a senior, and Ronnie Black, a freshman, are both presidents of their class. Don and Dean Ethridge are members of the senior and freshman classes.

Don is Student Council Representative from the senior class. Nancy and Ronald Julian are members of the senior and junior classes. Nancy has been cheer leader in years past and was head cheer leader this year. Ronald played football this year and was in the junior play.

A member of the Student Council is Jimmy Bishop, a senior. A sister, Judy, who plays basketball this year is a junior. A junior, Jeanne Gray and her sister Kathy, a freshman, are members of FHA and Jeanne is a member of the choir and stage band.

Besides those already named there are other brothers and sisters in high school. These are as follows: Joe and La Von Childs, a senior and sophomore; Priscilla and Ira Lee Inman, a senior and freshman; Jeanne, James and Johnnie Garrett, a senior, freshman and sophomore; Rita and Patricia Lewis, a senior and freshman; Kenneth and Glenn Dell Phipps, a senior and sophomore; Nelda Redwine Hunt and Jackie Redwine, a senior and sophomore.

Kay, a senior, and Gayle Wilson, a freshman; Quentin, a senior, and Karen Knight, a sophomore; Beatrice a junior, and Smitty Aylesworth, a freshman; Frances, a junior, and Travis Bessire, a sophomore; Karen, a junior, and Keith Stephens, a freshman; James, a junior, and Paul Shepherd, a freshman; Janie, a junior and Mary Sanders, a sophomore; D. W., a junior, and Eddie Puckett, a freshman; Ann, a junior, and Sue Phipps, a sophomore; Mike, a sophomore, and Jimmy Cahera, a freshman; Jerry Don Coulter, a sophomore, and Charlene Volkman, a senior; Pat, a junior and Kay Thomson, a freshman; Dan Lee, a senior, and Don Smallwood, a freshman.

Seniors Have Taken Their Last Test

Magann Lamb
After taking forty seven nine weeks test during the past eleven years approximately sixty Muleshoe seniors have written the answers to their last high school tests. This drew them only nine weeks away from Baccalaureate, the senior trip, and graduation day.

To their parents, schoolmates, and even to themselves it seems like only last year when they were "Fish". Today seniors wait in expectation to be officially called an MHS ex student and tomorrow they will be looking back on their high school years.

Autry Elected To TASC Convention

Sue Logan
Joy Autry was elected to replace Jerry Gilbreath as MHS representative to the Texas Association of Student Councils Convention in Amarillo March 30 through April 2. Jerry was unable to represent Muleshoe at the convention due to a conflicting track meet.

The council also decided to sponsor a clean-up campaign for Tuesday. Each class was assigned a section of the school grounds to clean up. A committee composed of Robert Robinson, Derrell Oliver, Mary Sanders, Magann Lamb, Joy Autry, Robert Garlington, Billy Gilbreath, Nicki Sooter, and Jerry Gilbreath were selected to judge the classes to see which one did the best job. A prize of \$5 was split between the winning classes, freshman and sophomore.

May 2 through the 6 was set as the date for campaigning for Student Council election. Each student running for office is required to present a petition with fifteen council member's signatures to Mr. Parker. Elections will be held on the last day of the campaigning week.

High School Students Addressed By Willett
Rita Lewis
MHS students attended an assembly in which Mr. William Willett from the Southern School Assemblies gave a talk on India.

Mr. William Willett, who has been around the world twice and has lived in India gave an enjoyable talk on his experiences and life in India. Mr. Willett also displayed musical instruments made from bamboo, a tiger's skin, clothing, and weapons, which are used in India.

The principal, Mr. Bill Parker, presented awards at the beginning of the assembly to Ariene Howard, who won Betty Crocker contest, the band, and the district play cast. Mr. Carroll Pouncey presented Rodney Blackwood with an outstanding award in Agriculture and Judy Bishop an outstanding award in Homemaking. These students were chosen the outstanding students of the month in these subject.

Favorite's Crowned At Choir Banquet
Jeanne Gray
On Friday, March 25, Leigon's Banquet Hall was the scene of the annual Choir Banquet, highlighted by the crowning of the favorite's. Chosen by the Choir students, the favorite's crowned were Pat Brown, a junior, and Bob Lowe, a senior.

"Spring Notes" was the theme of the banquet. The menu consisted of filet mignon potatoes, green beans, chives, tossed salad, strawberry shortcake, rolls and butter, and iced tea.

Lealand Dean, Master of Ceremonies, gave the invocation, followed by the welcome by Jeanne Gray, president. This was followed by an introduction of guests. Special guests were Mr. and Mrs. Jerry Davenport of Earth. The program was a series of skits and games of group participation and led by different students.

The group sang songs led by Lealand Dean and Jeanne Gray with Mrs. George Laing at the piano. Donita Stratton and Darrene Nowlin followed the group singing with the coronation. Jeanne Gray gave a vocal selection, "With A Song In My Heart", accompanied by Mrs. Laing.

The Master of Ceremonies gave a special vote of thanks to Linda Blair for her clever and lovely table decorations. The annual event closed with the benediction by Mr. George Laing.

Basketball Girls Receive Jackets
Mary Gross
This year's girls basketball jackets were awarded recently. Ten varsity letters were awarded and eight "B" team letters.

Those receiving varsity letters were Janie Sanders, Trudy Davis, Mary Wedel, Brenda Melson, Lynda Gillis, Latoyia Howell, Carolyn Burge, Mary Gross, Joy Autry, Ira Lee Inman, and two managers, Jana Goodwin and Rita Turner. This made Janie Sanders' second letter and Mary Gross, fourth and Rita Turner's third. This was the first letter for the others.

"B" jackets were awarded to Melba Buhrman, Donna Guinn, Rita Rucktashel, Linda Bartley, Kay Thomson, Dennis King, Roxanna Hart and Louise Stinson.

Out of the ten varsity letters only two will be lost by graduation, therefore, the prospects for the future look very good for the Mulettes.

PARMER COUNTY FARM BUREAU NEWS
"In the early 1930's the Communist instructed thousands of their members to rejoin their ancestral religious groups and to operate in cells designed to take control of churches for communist purposes. This method was not only propounded, but it was executed with great success among large elements of American church life.

The tactic of infiltrating religious organizations was set by the Kremlin. This policy was successful, beyond even Communist expectations." So testified Manning Johnson, a former member of the National Committee of the Communist Party before the House Committee on Un-American Activities on July 13, 1953. We quote this in conjunction with objections raised to statements to the effect of the above operations in a recent Air Force Manual.

The National Council of Churches also appeared in opposition to Farm Bureau's bill to extend the Mexican Farm Labor Program for an additional two years. National Grange, National Council of Farmers Cooperatives, The New Mexico Farm and Livestock Bureau, Agriculture Council of Arkansas, National Farm Labor Users Committee, Ginners Association of Rio Grande Valley and Vegetable Growers Association of America all testified with Farm Bureau.

Did you know that if a farmer gave groceries retailing at \$1,040 to the processors, the food would still cost the housewife \$641 in the retail store? Lorri, Frances and I will be gone from this area about two weeks, beginning Friday. We know that Miss Glenda Rickerd, office secretary, will be able to take care of any services you may need in the meanwhile. She will appreciate your calling on her to do so.

CONSIDER THIS: If a wise man contendeth with a foolish man, whether he rages or laugh, there is no rest. The Blood thirsty hate the upright; but the just seek his soul. A fool uttereth all his mind; but a wise man keepeth it in till afterward. Proverbs 29:9-11.

SOCIAL SECURITY MAN Here April 14
Retiring workers were advised to call on the Social Security Administration two or three months before the date of retirement by John C. Hutton, District Manager of the Lubbock District Office.

"Early application for the social security benefits will enable us to attend to the necessary details and avoid a delay in the payment of the first check," he said.

"Claims for the retirement and family insurance payments require some action before they can be certified to the Treasury Department for payment" according to Hutton. "By filing early, payment can be made soon after retirement. An applicant should bring some evidence of his age and an earnings statement showing the amount of his wages the last year. The self employed person should furnish a copy of his latest income tax return.

No appointment is necessary to file a claim. The Lubbock office of the Social Security Administration is located at 2878-34th Street. The office is open Monday through Friday (except holidays) from 8:30 a. m. to 5:00 p. m.

A representative of the Lubbock Social Security Office will be in Muleshoe on Thurs. April 14, at 9:30 a. m. in the Co. Courthouse and will be glad to assist in all matters pertaining to Social Security.

... with portable irrigation and Alcoa Aluminum Pipe!

Save again on leveling, installation and care with a sprinkler or gated system tailor-made of Alcoa Aluminum Irrigation Pipe!

You get *bonus* benefits when you deliver the right amount of water to your crops—as it's needed throughout the growing season—with portable irrigation using Alcoa® Aluminum Pipe. You'll find it uses only about 55 per cent as much water as flood irrigation; is more economical to install, easy to move; eliminates most leveling and ditching.

There's an Alcoa Irrigation Pipe for every need!

Alcoa Standard Class 150—tough enough for rough handling, strong enough for high pressures over long hauls—comes in eight diameters from 2 in. through 10 in. **Alcoa Lite-Line** comes extruded—light weight and low cost for most average uses; and welded—alclad inside for maximum corrosion resistance. It's available in nine sizes from 6 in. through 12 in. for high-volume sources. Both **Alcoa Standard Class 150** and **Alcoa Lite-Line** come in lengths of 20, 30 and 40 ft; larger sizes of **Alcoa Lite-Line, Welded**, in 50-ft lengths.

Ask your irrigation supply dealer about Alcoa's 48-Month Irrigation System Finance Plan!

Provisions of this finance plan allow your new irrigation system to serve as collateral against your loan. There's no red tape... you get immediate action on application for a loan. Irrigate while you pay for your system out of increased profits.

Your Irrigation Dealer has quality Alcoa Irrigation Pipe available for immediate delivery from local stocks. He is an expert on irrigation engineering and can provide local service on a complete irrigation system tailored to your needs.

Vacation-Scouting

A few week ends spent vacation scouting now will help you find a new site, avoid false starts and insure more pleasure for your big vacation this summer. Here's the simple plan.

First, decide what kind of vacation the family would like to try—beach golfing, camping, fishing, mountain climbing, resort-loafing, etc.

Second, get a road map from your Shell service station dealer and circle the areas where vacations you want to consider can be found.

Third, go scouting. If everyone in the family agree on a general goal, plan a week-end trip and scout a promising area for the site you want. If there's a general agreement, plan two or three week-end tours and check several places.

Each scouting trip can be a little vacation in itself, but with its special fact-finding purpose. Be sure the trip yields the information you want. Try the local restaurants. Talk to people. Find out all you can about each spot you consider. When you've gathered facts—and impressions—make your big decision.

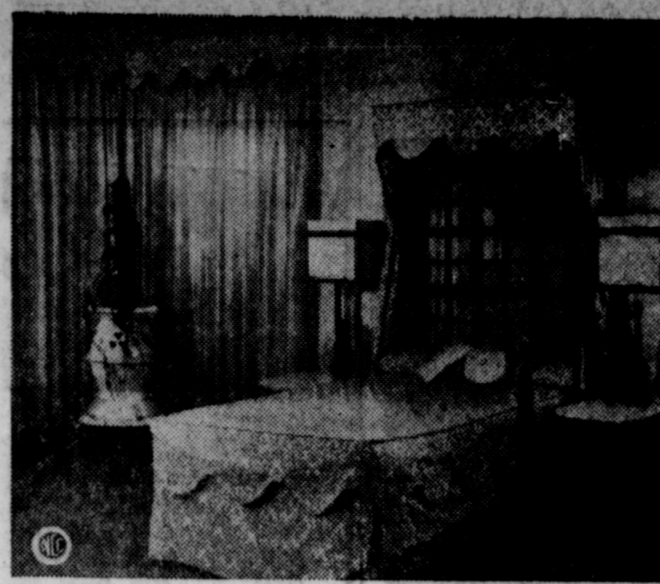

Part of your choice will be determined by the accommodations you find. It's a good idea to make reservations as soon as you do pick a site. A vacation-scouting week end is little investment in time—and pleasure—that will earn big dividend in an enjoyable and refreshingly different vacation later on.

Survey, in Bailey County, Texas, containing 320 acres of land, more or less; holding and claiming in fee simple said property; That on the 4th day of March, 1960, the defendants unlawfully entered upon said premises and dispossessed Plaintiff from said premises, and the defendants unlawfully withheld from the Plaintiff possession of said land. That Plaintiff holds title to said premises by virtue of regular and unbroken chain of conveyances from the Sovereignty of the soil. Plaintiff alleging additionally that he has title thereto under the three, five, ten and twenty five years Statutes of Limitations; That the defendants actually own no interest therein and any apparent interest should be removed as a cloud upon Plaintiff's title; and seeking recovery of the title to and possession of the lands and premises above described, together with the removal of any apparent clouds upon the title of Plaintiff and for cost of court and general relief as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at office, in Muleshoe, Texas, this 18th day of March A. D. 1960.
Attest: Hazel Gilbreath, Clerk, District Court, Bailey County, Texas.

Right For The Road

You're a driver of quick wit and high intelligence—so you never get a ticket and you always avoid accidents.

But some of your friends are not so good. An important reason—stressed by a Bureau of Public Roads study—is that they don't suit their driving to the road.

Everybody knows excessive speed is dangerous, and most drivers are careful to avoid that hazard.

But many forget that "too slow" is also hazardous—it actually causes more accidents than speeding.

The Bureau of Public Roads survey shows that on high grade roads in open country, more accidents occur at 35 m.p.h. than at any other speed. In terms of number of accidents, the greatest menace is the slow poke.

How come? Modern roads and modern cars are designed to permit safe, comfortable driving at higher speeds than were common a generation ago. This is progress, and most motorists have adjusted to it. But some have not. Their caution can confuse others.

Result: Some states are considering minimum speed limits to solve the slow poke problem.

Don't speed, but don't poke. Suit our driving to the road, and driving will be safer and more pleasant for everybody.
