County Officials Get Raise At First Business Meeting

Raises in salaries for all county and precinct elected officials, county agents, and deputies were voted Monday by Lynn County Commissioners Court in their first business meeting of the new year.

This is the first raise in salary in nine years, since 1956, County Judge W. M. Mathis told The News. Final action is expected on the salary raises at the meeting on Feb. 8.

A flat raise of \$300.00 per year was voted all elected officers, the two county agents, and the custodian, and smaller increases were voted deputies and secretaries.

Salaries of the following officers are being raised from \$5,100 to \$5,400 per year: County Judge W. M. Mathis, County Attorney Harold Green, County Clerk C. W. Roberts, and Sheriff Carl Spears.

County Treasurer Ola Reid received a salary raise from \$3,600 to \$3,900.

Salary for District Clerk W. S. (Skip) Taylor goes from \$3,600 to \$3,900.

County Commissioner salaries were raised from \$3,650 to \$3,950. These include Clarence Church of Precinct 1, Woodrow (Ode) Brewer of Precinct 2, Mrs. Beatrice McLaurin of Precinct 3, and L. K. (Heavy) Nelson of Precinct 4.

The two Justices of the Peace, H. L. Roddy of Precinct 1, Tahoka, and Horace Brunette of Precinct 4, O'Donnell, received raises from \$2,100 to \$2,400.

The county's part of the salary for County Agent Bill Griffin was raised from \$2,475 to \$2,775, and that of Home Demonstration Agent Billie Carr from \$1,800 to \$2,100.

Deputy sheriffs, office deputies and clerks received salary raises of an average of about \$15 per month.

Salary for the court house custodian was raised from \$3,600 to \$3,900 per year. Judge Mathis says Mr. White is able to do much of the plumbing and repair work for the county at no added labor.

C. A. Dorman, 60, Dies At Snyder

Chester Arthur Dorman, 60, formerly of Tahoka, died Monday at about 3:30 a. m. at his home in Snyder from a heart ailment. He had been ill three years.

Funeral services were held Tuesday at 2:30 p. m. in Northside Baptist Church in Snyder with Rev. John Duke, pastor, officiating, assisted by Rev. James Tidwell, pastor of First Methodist Church. Masonic graveside rites followed in Snyder Cemetery.

Mr. Dorman came to Lynn county from Oklahoma in 1921 when his parents, the late Mr. and Mrs. M. A. Dorman, settled at Grassland. He went to work for the Santa Fe railroad at Tahoka in 1927, was stationed at Post a few years, and moved to Snyder 19 years ago, where he was Santa Fe section foreman until retiring two years ago.

He was a brother of Pete Dorman of route 5 and Mrs. H. W. (Ruth) Benson, both of Tahoka, and Calvin Dorman of O'Donnell.

Survivors include his wife, Oma Lee; two daughters, Mrs. Jackie Grimmitt of Snyder and Mrs. Billy Bob Keen of Denver City; six sons, Chester H. of Austin, Owen of Seagraves, C. W. of Roscoe, Arnold of Sweetwater, Marvin of Snyder, Garland of Irving; five sisters, Mrs. W. J. Christman of Roswell, N. M., Mrs. Richard Key of Morton, Mrs. Jack Menoud of Hagerman, N. M., Mrs. R. D. Ford of Boswell, Okla., and Mrs. Benson; three brothers, Howard of Dexter, N. M., Calvin and Pete; 22 grandchildren and three great grandchildren.

Poll Taxes Are Below Normal

Payment of poll taxes as a qualification for voting in state and local elections is dragging away behind normal, states George McCracken, county tax assessor and collector.

Through Tuesday, only 684 voters had paid their poll taxes. Of the total, 208 receipts were issued in December, 91 in November, 300 in October, and only 85 so far this month. Deadline for payment is January 31.

Although this is an "off year" and poll tax payments are always light in such years, this year's payments are far behind normal. Two years ago, 1866 poll tax receipts were issued. Last year, a presidential election year, 2853 receipts were issued.

"Important city, school, and possibly bond and other elections are coming up," Mr. McCracken says. "And those who want to vote should not forget their poll taxes."

Many citizens paying their property taxes earlier forgot to include \$1.75 for each poll tax receipt desired, Mr. McCracken states.

Dates Listed For Livestock Shows

Dates for annual Junior Livestock Shows were announced this week by County Agent Bill Griffin.

First show coming up is the junior division of the Southwestern Exposition and Fat Stock Show at Fort Worth on January 29 through February 3, when a number of FFA boys will show their livestock.

El Paso's stock show is February 5-12, and Lynn county 4-H members will enter 16 steers and six barrows in the show.

Tahoka, O'Donnell, and New Home will all have annual projects shows on February 20.

The annual Lynn County Junior Livestock Show will be held on February 25, 26, and 27.

Following the county show, will be the annual Wilson-New Home Show in the county livestock pavilion here on March 6.

The South Plains Junior Livestock Show in Lubbock will be March 15, 16, and 17.

Duey Riddle Captain In H-SU ROTC

Duey O. Riddle, senior accounting student from Tahoka, has been promoted to rank of captain in the Army ROTC brigade at Hardin-Simmons University.

He also has been assigned as special assistant to the battalion commander, Lt. Col. Joseph E. Stopp, professor of military science, has announced.

Young Riddle is the son of Mr. and Mrs. A. D. Riddle of Tahoka and is a graduate of Tahoka High School. This is his fourth year in the ROTC program at Hardin-Simmons.

Water Conservation Meeting At Wilson

A water conservation meeting was being held Thursday night in Fellowship Hall of St. John's Lutheran Church in Wilson, according to County Agent Bill Griffin.

Bill Waddle of the High Plains Underground Water Conservation District was to be the speaker.

About 40 persons were expected to attend.

Tax Collections Surprisingly High

Tax collections have been surprisingly good so far this year, and about 81.2 percent of the state and county taxes had been paid before January 1, according to George McCracken, Lynn County Tax Assessor and Collector.

The current State and County tax roll totals \$268,977.94, he says.

After discounts for early payment, collections in October totaled \$156,838.07, in November \$14,865.90, and in December \$41,520.40, he says. Discounts for early payment totaled \$5,565.62.

He thinks prospects are good that collections will be normal this year in spite of the short crop which has affected so many dry land farmers.

License Plate Design Changed

Passenger car license plates will have a new numbering system this year which the Texas Highway Department thinks will be better.

Instead of a prefix of two letters of the alphabet and four numerals, the new tags will have three letters and three numerals. Among the letters, there will be no vowels.

License tag numbers assigned to Lynn county for 1965 are: CCC 500 to 999, CGD 10 to 999, CGF 10 to 999, CGH 10 to 999, and CGJ 10 to 449, states George McCracken, county tax assessor and collector.

There will be no change in farm and commercial license plates. The new license plates are being manufactured by inmates of Texas Prison System, and will be delivered here in time to go on sale by Monday, February 1.

Mrs. C. F. Carmack Is Critically Ill

C. O. Carmack flew to San Fernando, Calif. Tuesday morning to be with his mother, Mrs. C. F. Carmack, 86, who is critically ill there.

She suffered a stroke about two weeks ago at the home of her daughter, Mrs. Dolphia Carroll, and has been very ill since that time.

She has many friends in Tahoka, Lynn and Garza counties, having been a pioneer West Texas teacher, as well as over the area.

Mr. and Mrs. J. W. Edwards of New Home visited his sister and family in Deming, N. M. from Thursday until Sunday.

Hospital Party Is Given For Infant On First Birthday

Tahoka Hospital has had a little of everything—broken arms, pneumonia, measles, blacked eyes and whooping cough—but it had one of its "firsts" Saturday—a birthday party.

Little Juanita Arellano, the 1964 New Year baby, born prematurely Jan. 9, came in with her parents and together with the hospital staff celebrated her first birthday Saturday afternoon.

She was delivered by Dr. Skiles Thomas last year at the tiny size of two pounds, seven ounces. From that day until 47 days later, on Feb. 25, when she was released, Juanita became a pretty important little girl around the hospital.

Her parents are Mr. and Mrs. Luper Arellano of route 1, Wilson. They have six other children, one other daughter, and five sons. The family has lived on the Louis Brosch farm, one mile west of (Continued on Back Page)

Officers Are Elected By County 4-H Club

Officers have been elected for the county-wide 4-H Club for 1965 and Carla McNeely of Tahoka will serve as president of the organization.

LaNita Wood of O'Donnell is vice president; Kent Wood, O'Donnell, secretary; and James White, O'Donnell, reporter.

The program committee has interesting programs and several workshops planned for the coming year. All members, as well as anyone interested, are urged to attend the next meeting; the date to be announced later.

Tom Hale underwent foot surgery in a Lubbock hospital Wednesday morning and is reported to be doing fine.

Jim Taylor of Seminole, formerly of Tahoka, was here Tuesday on business. He is a brother of Mrs. Lee Roy Knight.

TAHOKA WEATHER

Table with columns: Date, Precip., High, Low. Rows: Jan. 8, Jan. 9, Jan. 10, Jan. 11, Jan. 12, Jan. 13, Jan. 14.

Readings made at 7:30 a. m.

Work Progressing On New Baptist Mission

Work is progressing steadily on the new Mission Gethsemani Baptist Church, at its new location on the corner of South Fifth Street and Ave. H.

The walls are up and workers were decking the roof and planning to have on part of the roof this week, according to Rev. T. James Efrid, pastor of the parent church.

It is hoped the new structure will be completed by March 1. Construction was begun the first of December under the supervision of E. O. Hartwell, pastor-builder, employed by the Direct Missions Department of the Baptist General Convention of Texas.

With three employees, some local employed men and several volunteers, the mission is being built at a cost of about \$35,000. Inside work will begin soon and all volunteer labor can be put to use.

The mission is being moved from its present location on South First because of the new four-lane highway right-of-way taking a large portion of the property, limiting expansion there. Last year a parsonage was built at the new location. The mission, established here in 1949, was originally located on South Third. (Continued on Back Page)

Dedication Sunday For New \$550,000 School Buildings

Open house and a dedication program for Tahoka's \$550,000 school plant improvement program will be held here Sunday afternoon, beginning in the High School auditorium with a program and talk by Lieutenant Governor Preston Smith at 2:00 p. m.

Following the short program, patrons of the district and visitors are invited to go on tours through the new High School building, the renovated old high school which is now the Junior High, the rejuvenated North Elementary building, the enlarged cafeteria at South Elementary, and the enlarged Vocational Agriculture building.

Lieutenant Governor Preston Smith of Lubbock, will take time out from his duties in reorganizing the Senate to fly here for the program. He will be introduced by District Judge Truett Smith.

Preceding the address, brief remarks will be made by—Cleve Littlepage, school board president; Arnold Maeker, architect; and J. B. Vickery of V&N Construction Company, the general contractor.

Supt. Harold C. Reynolds will be in charge of the program, and Rev. James Efrid will pronounce the invocation.

School authorities and patrons feel the Tahoka School District has been fortunate in getting the physical plant modernized and more adequately equipped at a minimum expense and this plant is now one in which the community can point to with pride.

The new high school building has been tied into the present plant for efficiency and economy without the sacrifice of quality. Mr. Reynolds points out, "Your present and past boards and administrators have done an excellent job, we feel, in planning Tahoka's school plant improvements," Mr. Reynolds states.

Members of the present board are: Littlepage, president; Clifton Hamilton, vice president; Wilton Payne, secretary; J. T. Miller, James Roberts, Roy Stephens, and Martin White. Mrs. Peggy Elliott is district secretary.

County's Bank Deposits Soar Past \$15 Million

Lynn county bank deposits at the three banks totaled \$15,051,026 when the December 31, 1964, call was made.

Surprisingly, in spite of the drought and short crop, and lower prices for cotton, this is virtually the same total reported in the call of December 20, 1963, when the same three banks had \$15,263,989 on deposit.

However, in the 11 days difference a year ago deposits jumped considerably, and by early January the three banks had nearly \$20 million on deposit, the Tahoka bank more than \$11 million.

This Dec. 31, First National Bank of Tahoka had \$8,517,128 on deposit.

First National Bank of O'Donnell had deposits totaling \$2,277,859.

Wilson State Bank reports deposits totaling \$4,256,039.

Actually, according to estimates of bankers, deposits this year on December 31 were approximately \$1,200,000 below those on the last day of the year before.

F. B. Hegi, president of the First National here, says deposits here since January 1 have reached a high of \$9,700,000.

A majority of farmers are weathering the year in fine shape, bankers declare. Others are hard hit by the drought, higher crop expenses, or lower prices. Barring another dry year in 1965, most will come through in fair shape.

5 Fatal Wrecks During Past Year

There are five tombstones in Lynn county that were erected ahead of schedule in 1964. The stones mark the graves of persons who died in traffic accidents on rural highways in the county during the year.

But the suffering wasn't confined to those who were killed. The Department of Public Safety recorded 62 mishaps on rural highways in the county during 1964. Those accidents injured 36 persons and they spent countless days in the hospitals. Property damage from these accidents amounted to \$27,363.00.

During December there were five accidents on rural highways in the county, according to Sergeant A. E. Roberts, Highway Patrol supervisor in this area.

These crashes resulted in an estimated property damage loss of \$1,680.00.

Texas driver have killed more people during 1964 than any other year in the state's history. Unofficial figures indicate the Texas death toll may have reached 3,000 during 1964, but the final tabulation will not be completed until March 15.

Meanwhile, officials are hopeful that motorists will heed warnings and drive with greater care during the hazardous of driving during the winter months ahead.

Housing Project Has Vacancies

Tahoka's new housing project for aged people still is not filled in spite of the low rents, stated J. M. Uzzle, city administrator and manager of the Housing Authority of the City of Tahoka.

There is a vacancy for a single person, and two vacancies for couples. The apartments are new, very modern, have many facilities including laundry, and minimum rent is \$19.50.

Uzzle is somewhat puzzled as to a reason for the all-new quarters not renting. Before the project was started, there were many applicants for the living quarters. Of course, the drought has had a lot to do with a decline in demand for such quarters.

Citizens of Tahoka have first choice in renting the apartments, but next in line are elderly people from over the county, and then those from over the state or other states.

Harold Roberts Is Manager Of Year

Harold Roberts, Tahoka manager for the Southwestern Public Service Company, was presented with a "Manager of the Year" award Wednesday at the electric company's annual sales meeting in Amarillo.

Roberts earned the honor; a trip for two to the 1965 New York World's Fair, in competition with managers of 11 other communities of similar size to Tahoka throughout Southwestern Public Service Company's 45,000 square mile service area. The award was made by W. L. Pearson, sales vice president for the electric company.

"The 'Manager of the Year' award is based on the best overall record achieved by a manager in such activities as increase in residential and commercial kilowatt-hour sales, appliance sales by local dealers, commercial cooking and commercial and industrial lighting applications, electric heating sales and Medallion and all-electric home building programs.

Funeral services were held Wednesday at 2:00 p. m. at Normaldale Baptist Church in Fort Worth with Rev. Bob Gorsor officiating. Burial followed in Empress Hills Cemetery.

John Leonard Reese was born June 25, 1882, and grew up and married in Coryell county near the Seattle community. He was married in about 1910 or 1912 to Miss Rosie Holland. They farmed there until about 1925, when they moved to Lynn county and farmed several years in the Edith community before moving into town a few years later. They moved from Tahoka to 109 Donald Street, Fort Worth, in 1953 to be near their two sons, both Mr. and Mrs. Reese have been in ill health many years.

Survivors include the wife; one daughter, Mrs. Jack (Lorene) Keyser of Huntington, West Virginia; Martin S. Reese, of the faculty of SMU in Dallas, and Ernest C. Reese, with an airplane plant in Fort Worth; one brother, three sisters, and one granddaughter, Rosanne.

Dr. K. R. Dufham, for whom Lorene worked for years, and V. L. Botkin and T. I. Tippit, boyhood friends, furnished The News most of the above information.

Mr. Botkin says "Leonard was truly a good man; he never had an enemy I ever heard about."

Thomas Jolly was a medical patient in Tahoka Hospital Friday and Saturday.

J. L. Reese Dies At Fort Worth

J. L. Reese, 82, long-time Lynn county resident who moved to Fort Worth about 12 years ago, died Tuesday at 2:00 a. m. following a serious illness of about a week in a hospital in that city. He had been in ill health many years.

Funeral services were held Wednesday at 2:00 p. m. at Normaldale Baptist Church in Fort Worth with Rev. Bob Gorsor officiating. Burial followed in Empress Hills Cemetery.

John Leonard Reese was born June 25, 1882, and grew up and married in Coryell county near the Seattle community. He was married in about 1910 or 1912 to Miss Rosie Holland. They farmed there until about 1925, when they moved to Lynn county and farmed several years in the Edith community before moving into town a few years later. They moved from Tahoka to 109 Donald Street, Fort Worth, in 1953 to be near their two sons, both Mr. and Mrs. Reese have been in ill health many years.

Survivors include the wife; one daughter, Mrs. Jack (Lorene) Keyser of Huntington, West Virginia; Martin S. Reese, of the faculty of SMU in Dallas, and Ernest C. Reese, with an airplane plant in Fort Worth; one brother, three sisters, and one granddaughter, Rosanne.

Mr. Botkin says "Leonard was truly a good man; he never had an enemy I ever heard about."

Thomas Jolly was a medical patient in Tahoka Hospital Friday and Saturday.

Blair Ramsey entered Tahoka Hospital Thursday of last week and is undergoing treatment for asthma.

Tahoka's ZIP Code is 79573. Cotton is the top "cash" crop.

## Society & Club News

### Home Landscaping Program Presented At Garden Club

The monthly Garden Club meeting was opened with the Garden Prayer, Tuesday, Jan. 12 in the home of Mrs. V. F. Jones with Mrs. L. C. Haney as co-hostess.

Twenty-six members were present to hear Mrs. Marihelen Kamp give a program on home landscaping. Many types of formal, informal and naturalistic yards were seen when colored slides were shown.

Mrs. Roy Edwards received the prize for the best arrangement of driftwood. Guests present at the meeting were Mmes. Harold Reynolds, Everton Nevill and G. M. Stewart.

### CARD OF THANKS

We wish to express our gratitude and deep appreciation to the friends for flowers, words of comfort, and other help on the loss of our infant. We, especially wish to thank Dr. Thomas and the hospital staff and Rev. James Efrid. —Mr. and Mrs. Jacky Henry and family. ltp.

### Miss FHA Will Be Chosen At New Home

Miss FHA of New Home High School will be chosen by a panel of out-of-town judges Monday, Jan. 18, at 7:00 p. m. in the New Home Cafeterium.

The winner will be chosen from a list of candidates on the basis of her past records and of her contribution to the chapter.

Candidates for the honor are Peggy Marshall, Donna Sue Morris, Diane Newman, Eddie Halford and Iva Kieth.

The public is invited to attend and no admission will be charged, according to Susan Hancock.

### AAUW Meeting Is Held At O'Donnell

Tahoka Branch of the American Association of University Women met in O'Donnell on Monday, January 4.

Mrs. Bill Schooler brought a program on "The Arts and History of India." Also, a film was shown on India.

Cotton is the top "cash" crop.

### Local Couple At YF, YH Convention Held In Dallas

Mr. and Mrs. Donald G. Williams spent Friday and Saturday of last week in Dallas attending the state conventions of Young Farmers and Young Homemakers. They represented the Tahoka chapters as voting delegates.

The Young Farmers convention was held in the Adolphus Hotel. During the meeting, the young farmers heard an address by Attorney General Waggoner Carr and many other widely known people. At an awards banquet Friday night, many chapters and young men from various chapters were honored.

The Young Homemakers convention was held in the Baker Hotel. During the meeting, Mrs. Gail Oler from Boles Children's Home and many other excellent speakers were heard. The ladies also had an awards banquet Friday night when many chapters and members were presented awards.

Four couples were present representing the O'Donnell chapters, Messrs. and Mesdames Jack Minter, David Franklin, Gerald Barton, and Allen.

After the convention, Mr. and Mrs. Williams visited relatives and friends in Dallas before returning home.

### Homemakers Hear Marihelen Kamp

Tahoka Chapter of Young Homemakers met Monday night, Jan. 11, at the Homemaking Cottage.

The program was presented by Mrs. Marihelen Kamp of Lubbock on home beautification and was enjoyed by everyone.

Nine members were present. Refreshments were served by Mrs. Jan Orr and Mrs. Lena Williams. FHA girls served as baby sitters during the meeting.

Next meeting of the Young Homemakers will be held in the Homemaking Cottage on February 8, at 7:30 o'clock. Everyone interested is cordially invited to attend.—Reporter, Nancy Williams.

### Two Pairs Tie In Duplicate Play

Winners in duplicate bridge Tuesday night at T-Bar Country Club were:

Mrs. Tommy Leverett and Mrs. Frank Hill, Mrs. W. C. Wharton and Mrs. D. W. Gagnat, tie for first and second; Miss Echo Milliken and Mrs. Olen Renfro, third.

Several local duplicate players are playing in the sectional tournament of this area being held in Lubbock this week end.

### BEGINNERS DUPLICATE

Winners in the Beginners' Duplicate Bridge Club play last Thursday at T-Bar Country Club were:

Mrs. Clois Leverett and Mrs. Oscar Roberts, first; and Mrs. Ed Hamilton and Mrs. Larry Hagood, second.

### Cafeteria Menus For Next Week

Monday: Scalloped ham and potatoes, blackeyed peas, spoon tomato salad, biscuit, pineapple cake and milk.

Tuesday: Spanish rice with cheese, green beans, sun glow salad, apple sauce, rolls, butter and milk.

Wednesday: Hamburgers, onions, pickles, lettuce, baked potatoes, peanut butter cookies, milk.

Thursday: Toasted weiners with cheese, buttered broccoli, creamed potatoes, rolls, butter, peach pie, milk.

Friday: Cheese steak, tomato soup, macaroni, butter, rice pudding and milk.

Mr. and Mrs. Winston Davies of New Home visited their daughter, Mrs. Charles Freman and family, in Crosbyton Sunday.

Advertisements doesn't cost, it pays

### Legal Notices

#### NOTICE TO BANKS

Notice is hereby given by the Commissioners' Court of Lynn County, Texas, that at 10:00 O'Clock A. M. on the 8th day of February, A. D. 1965, the same being the first day of the regular February Term of said Court for 1965, the Commissioners' Court will receive bids and enter into a contract with any banking corporation, association or individual banker in Lynn County for depositing of the public funds of such county and the schools in such bank for the next two years.

Dated this 11th day of January, A. D. 1965, W. M. MATHIS, County Judge, Lynn County, Texas. 16-2tc

### New Home FHA In First Meeting of 1965

New Home Future Homemakers of America held their first meeting of 1965 Monday of last week, when a very interesting speaker, Miss Wood, supervisor of the Home Management House at Texas Tech, talked on the subjects, "Teen Age Morals and the Importance of Schooling," according to Sandy Newman, FHA reporter.

Marla Bray of Tahoka was the speaker at the December meeting of New Home FHA. She told of the National FHA meeting in Chicago, which she attended, and urged each FHA girl to attend the meeting if she has the opportunity.

A Miss FFA contest is being held Monday night, January 18, at 7:00 p. m. in the New Home Cafeterium. The public is invited. Contestants are Diane Newman, Donna Morris, Eddie Halford, Peggy Marshall, and Iva Kieth.

Miss Gerene Harris is FHA sponsor and homemaking teacher at New Home.

### "The New Nations" Subject Of WSCS

"The New Nations" was the study presented both circles of the Woman's Society of Christian Service Monday afternoon in the Methodist Church.

Mrs. H. W. Carter, teacher of the study, displayed small maps of 50 countries that have come into existence within the last 20 years. The religion of each country was designated on the map by colored yarn.

The political, economical and social conditions in each country were also discussed.

On Monday, the second and last session of the study will be presented at 3:15 p. m. at the church when the topic will concern the Church's responsibility to the new nations.

### Tahoka 4-H Clubs Will Be Reorganized

A Tahoka Community 4-H Club organizational meeting will be held Thursday, Jan. 21, in the Community Center here, according to County Agent Bill Griffin.

The community club will replace the school 4-H Clubs in Tahoka that have been active for many years. However, the school clubs at Wilson, New Home and O'Donnell will remain the same.

Griffin said that such a club, scheduled to meet at night, will give parents an opportunity to see the workings of 4-H Clubs and will also give members time for recreation as well as business.

This is something new for Lynn county and it is hoped all boys and girls in Tahoka interested in 4-H Club work will attend.

### Mrs. J. O. King In LaVoy Nursing Home

Mrs. J. O. King, 83, Lynn county pioneer, moved in the LaVoy's Nursing home here Wednesday of last week. Since the sudden death of her husband on October 28, she had been visiting with children.

The couple had observed their 60th wedding anniversary less than three months prior to his death from a heart attack. She had come to Lynn county with her parents, the late J. W. Luttrell, in 1901, and was working at the Dixie Ranch headquarters when she met and married Mr. King, a cowboy at the ranch. The Kings farmed until a few years ago, when they retired and moved to Wilson.

One of the prized possessions she brought with her to the nursing home is a rocking chair said to be older than Mrs. King, given them for a wedding present in 1904 by Mr. King's cousin, a Waco dentist and one of the owners of the Dixie Ranch at that time.

Mrs. G. P. Bailey, a daughter from Odessa, accompanied Mrs. King to enter the nursing home. Linnie King, a son, and wife of Plainview, were here Monday visiting his mother at the home.

R. C. (Toe) Roberts Owner

### Lynn Bond Sales Below Normal

Savings Bond sales for the first eleven months of 1964 totaled \$178,593.00 in Lynn County. Of this amount \$29,507.00 were purchased during the month of November according to F. B. Hegi, chairman of the Lynn County Savings Bonds Committee.

During November Texans purchased \$11,577,054 in Series-E and H Savings Bonds. This represents a 9.6% increase over the same period last year. Cumulative sales for eleven months in 1964 amounted to \$135,945,497 which is 90.6% of the state's goal of \$150 million.

"A good habit to get into during the new year is buying U. S. Savings Bonds regularly—buy one a month at \$37.50 and you'll have \$50.00 a month coming back when the bonds mature," Chairman Hegi stated.

## New Construction This Year Over \$24,000,000!

That's right! Reddy Kilowatt will invest \$24,607,000.00 this year, in the service area of Southwestern Public Service Company, as evidence of the faith we all share in a growing land that 100 years ago promised less but has delivered more than perhaps any other area in our nation. We'll be completing another large steam electric generating unit, adding new transmission and distribution lines with one view in mind — to give you better service at the lowest possible cost. You'll have, at the touch of your finger, all the power you'll need for a powerful area.

**The Electric Company**

Picture shows an example of modern construction methods. The aerial, truck-mounted bucket lift is being used by two linemen in a safe and efficient manner to construct a new 230,000 volt transmission line.

**Mrs. Dee Sanders Is Recovering Burns**

Mrs. Dee Sanders, who was burned in a freak accident the Sunday before Christmas, says she is much improved and hopes to be back to normal soon.

Two of her sisters, Mrs. Elsie Carter of Roby and Mrs. Ruby Huggins of Midland, visited her a week and helped care for her. After being released from the hospital here, Mrs. Sanders spent Christmas and a few days following with her two daughters, Mrs. Floyd (Inez) Kersey in Lubbock and Mrs. Garland (Modelle) Cabe in Brownfield.

Mrs. Sanders received severe burns about the hands and knees at her home when she slipped and fell in some lye water she spilled on the floor while cleaning a stove. She says she owes much gratitude to T. B. and Helen Bookman, local colored couple, who got her to the hospital. She also extends thanks to Dr. Thomas, nurses, and to friends and neighbors who have been nice to help, send in food, cards, flowers, etc. "It's fine to live among such wonderful people," Mrs. Sanders says.

The U. S. owns almost 50 percent of the world's wealth.

**THE NEWS**

**Honor L. H. Moore On 81st Birthday**

L. H. Moore Sr. was honored Sunday on his 81st birthday at Lakeview Methodist Church, and a number of old friends were present for the services and the dinner which followed at noon.

Rev. Roscoe Trostle, pastor, dedicated his sermon to Mr. Moore and worked into his talk a tribute to the character and accomplishments of Mr. Moore and his wife. He has long been a leader in the Lakeview Church.

Among those from other communities who joined the present congregation in paying tribute to Mr. Moore and his wife, son L. H. Jr. and family of New Home; Mrs. J. W. Hutchison and Mr. and Mrs. A. F. Rason, all of Lubbock; Mrs. R. W. Allen, Rev. and Mrs. J. E. Peters, and Mr. and Mrs. M. J. Williams, all of Shallowater; Mrs. J. F. W. Maeker of Wilson; and "Mother" Stokes of Lakeview.

**BRADLEY HUFFAKER IS ANGUS ASSN. MEMBER**

Bradley Huffaker, 5, Tahoka, has been granted a junior membership in the American Angus Association at St. Joseph, Mo., announces Glen Bratcher, secretary.

This new junior membership entitles the member to register purebred Angus at regular membership rates and to the privileges of the Association until the age of 21. At that time junior members are eligible to convert to lifetime memberships in the Association.

Brad was one of 229 young people in the United States to receive junior memberships last month.

**WILSON 4-H CLUB BOYS IN MEETING TUESDAY**

Wilson 4-H Club boys of the fourth and fifth grades met on Tuesday. Discussions were held on the showing of 4-H animals, animal lice and tape worms and their effect on animals.

Mr. Griffin told the group studying photography would soon attend a meeting in Tahoka.

**Mill Tour Set**

Excluding temporary outside influences, the ultimate financial fate of any business—including the business of producing cotton—must largely depend on the businessman's ability to understand and satisfy the needs of his customers. And it is toward a greater understanding of the textile industry's needs and wants that the up-coming PGC textile mill tour for High Plains cotton producers and allied interests is directed.

The tour, sponsored by Plains Cotton Growers, Inc., with the American Textile Manufacturers Institute serving as hosts, leaves Lubbock for Spartanburg, South Carolina at 9:00 a. m. on February 16 and will leave Spartanburg at 1:30 p. m. February 18 for the return trip. Travel will be by chartered plane and the cost will be divided equally between those making the trip. Reservations must be made by February 1 in order for room accommodations and other arrangements to be made in advance, and since the aircraft will accommodate only 70 people, reservations will be taken by Plains Cotton Growers on a first-come-first serve basis.

James Parker, Textile Industry Relations Representative for PGC is enthusiastic about the value of the tour both from the standpoint of what High Plains people are able to learn and from the impression the effort to learn makes on people in the industry. "Getting spinners and producers together is one of the first steps toward getting more High Plains cotton into the opening rooms of textile mills," Parker said.

Since the big item of cost on the tour will be transportation, it will largely depend on the number of participants. All meals on the trip will be furnished with the exception of two "dutch" breakfasts and PGC hopes to keep the total individual cost of the tour to something below \$120.000. Four people, winners of door prizes at the PGC annual meeting last year, will make the trip at the expense of Plains Cotton Growers. They are Mr. and Mrs. Jack Mason of Brownfield and a couple from the Wienke-Lambert Gin at Anton. The free trips are awarded each year at the annual meeting to one ginner and one producer.

The most recent PGC mill tour was made in 1962 to mills in the Winston-Salem, North Carolina area and participants returned with high praise for the trip. Leroy Durham, Plainview farmer, said at the time that "This has been one of the most enlightening tours anybody who deals in cotton could make," and added that "any grower who takes advantage of

such an opportunity to learn more about what happens to cotton on its way to the consumer will never be sorry."

Those interested in making this year's tour may get additional details and make reservations by contacting Plains Cotton Growers, Inc., 1720 Avenue M, Lubbock.

**Labor Problems Aired**

Some 300 labor association managers and farmers crowded into the South Plains Electric Auditorium Thursday, January 7 to hear dismal predictions of what to expect on the farm labor front for 1965. Henry LeBlanc, Chief of Farm Placement for the Texas Employment Commission in Austin, told the group that "even if you had already complied with all of the prerequisites now set forth by the Department of Labor for importing Mexican National workers, there's not a person in the United States who could tell you where to go to get a Mexican National." He elaborated by saying that there are still many problems to be solved and questions to be answered before a foreign labor program can be put into effect.

The prerequisites to which he referred call for the prior offering to domestic workers all of the benefits included in Mexican National contracts under Public Law 78, which expired Dec. 31, 1964, plus a wage of 90 cents an hour between now and March 31 and \$1.15 an hour after that time—or the prevailing wage, whichever is higher at the time of employment.

Both LeBlanc and PGC Labor Relations Representative Ed Dean emphasized, however, that compliance with these criteria is only necessary for the employer who places an order with the Texas Employment Commission in the hopes of qualifying himself for importing a Mexican National (Bracero). "Unless the employer is trying to get certification for foreign labor," LeBlanc said, "neither the Department of Labor nor the TEC has anything to do with either the wages or other benefits offered by the employer and farmers are free to make whatever 'deal' they can get prospective domestic workers to agree to."

While no areawide policies were established at the meeting, those present were in general agreement that to place orders for workers with TEC at the present time as a means to qualifying for a Bracero under the recently issued criteria would constitute an accep-

ance of those criteria without any assurance that a Bracero could be contracted even after the employer had proved himself qualified.

Dean explained that while the authority for importing temporary foreign workers exists in the Immigration and Nationalization Act (P.L. 414), there still have been no arrangements made with Mexico and that until this is done we actually have no foreign labor program. "Mexico is pushing for a 'government to government' agreement and discussions are now in progress toward that goal," he said, "but there is no indication as to when such an agreement may be reached."

LeBlanc stated that teams of "recruiters" are now working in this area to establish the need for workers during the year, and that the TEC would make every effort to fill the orders received; but he said he felt the net result would be proof of a need for supplemental foreign workers. In response to a question as to whether he could send 350 irrigators to farmers in Cochran County on March 15, LeBlanc replied: "I couldn't send 350 irrigators to Heaven."

LeBlanc also mentioned the possibility of an "Agricultural Training School" being established in Levelland to which farmers would be able to send trainees and, at least to some extent, specify the type training they would receive. The school has not been formally okayed by the Commissioners of the Texas Employment Commission, but would be under the direction of the Texas Education Agency through South Plains College at Levelland. The entire expense of the school would be borne by the Federal Government as a part of activities under the Manpower Development and Training Act. Trainees would be paid while in training and would also be allowed to work on a farm 20 hours a week during training.

## Tahoka Meets O'Donnell Today

This week end will provide plenty of basketball for Lynn county fans as O'Donnell comes to Tahoka tonight for conference games of "A" and "B" boys and varsity girls. Games are scheduled to begin at 5:00 p. m.

The Tahoka-O'Donnell game is always one of the year's highlights, because it always proves to be "anybody's ballgame."

On Wednesday morning one of the varsity players, Rett Patterson, was down with a case of three-day measles, leaving coaches to speculate whether Tahoka will even have a team on Friday night.

At New Home the "B" boys and girls are entered in a tournament which began Thursday and will continue through Saturday.

On Tuesday night next week, the Seagraves Eagles come to town, as well as the Friendship varsity girls. The "A" and "B" boys games will be played first, beginning at 5:30 p. m., followed by the varsity girls game.

## Top Scores Reported By Mix-Up Club

The New Home Mix-Up bowling league had some good scores this week, according to Faye Armstrong, reporter.

Bob Clem bowled the high game of 228 for Gutters and Guys and Helen Peek bowled 199 for the Night Owls.

Several turned in a series of 450 and up: Bob Clem 556, Helen Peek 508, Milton Evans 495, Havah Haley 492, LaJuan McClintock 493, Lil Todd 487, James Farr 467, Della Halford 466, Dwight Corbell 470, Loretta Tekell 473, Radene Turner and Gaylon Tekell 464 each, Joe Armstrong 461, Dick Turner 458, Ed Waldrip 468, Nick Ford 457, and Dub Ewing 456.

Games of 150 and up were Bob Clem 228, Helen Peek 199, Scot Lowrey 166, Mary Waldrip 157, Ed Waldrip 165, Foy Lowrey 157, Joe Armstrong 186, Dick Turner 172, Radene Turner 172, Faye Armstrong 153, James Farr 170, Della Halford 170, Milton Evans 176, Barbara Evans 161, Drina Clem 154, Jodie Halford 153, Gaylon Tekell 169, Loretta Tekell 179, Lil Todd 189, LaJuan McClintock 187, Sis Blevins 155, Sue Armstrong 187, Havah Haley 168, Virgil Haley 167, Betty Fillingim 155, A. C. Fillingim 157, Freddie Kieth 165, Ronald Wyatt 161, Dwight Corbell 167, Ronnie Dulin 152, E. R. Blakney 163, Robbie Gill 169, Wanda Gill 153, Wilkie Wilkinson 182, James Walker 155, L. F. Taylor 170, Nick Ford 179, Dub Ewing 175.

Mr. and Mrs. Homer Aldridge, who moved to Clifton a few months ago, visited here recently. Homer had a little set back from his heart ailment recently but is doing better, states his daughter, Mrs. Jack Milner.

B. R. Tate was a medical patient Sunday until Tuesday in Tahoka Hospital.

## Bulldogs Lose Stanton Games

Stanton basketball teams handed Tahoka a conference defeat there Tuesday night in the first district games of the year, winning the boys clash 63-58 and the girls game 44-34.

The Bulldogs "just got too far behind" before rallying in the last quarter. Stanton led 19-12 when the first quarter was over and held at 32-24 halftime lead. The winners widened the margin to 52-39 at the end of the third. In the fourth, Tahoka outscored the Stanton team by eight points, which was not enough to win.

Mitchell Williams made 15 points and three boys made 11 each, Terry Harvick, Jim Wells and Eddie Howard. Dink Polson hit 30 points for the winners, 15 of them in the first quarter, and Sammy Badgett made 12.

It was about the same story in the girls game. Stanton led 14-7, 21-14 and 32-23 at the end of the first three periods of play. Tahoka's forwards were cold, except Carla McNeely, who made 21 points. Janell Tate made 18, Lyn Franklin 13 and Alma Marshburn 11 for the winners.

## Gail Juniors In Games Here Monday

Tahoka won the eighth grade boys basketball game from Gail here Monday night but lost the other three junior games.

The local winners, in their 35-34 victory, held a bare edge at the end of each quarter and half-time score stood at 16-15. Lodie Edwards scored 14 points for Tahoka, Larry Arnold nine and Greg Thomas six. Gail's high point man made 19 and another added 10.

The seventh grade boys lost 32-24, and the score was 15-10 at the halfway mark. Ray Chapa and Tim Walker paced Tahoka's scorers with 13 and 8, respectively, while Gail's high point men made 14 and 11.

Gail posted a 45-9 eighth grade girls victory after holding a 23-5 halftime margin. Robbie Biggerstaff made five for Tahoka while Debra Jones made 16 and Debra Williams 11 for the winners.

The seventh grade girls game saw the visitors win 43-12. Sherry Schneider sinking all 12 points for Tahoka. Three Gail girls scored in double figures, Bobbie Ludeche 14, Debbie Dennis and Cheron Billeck, 10 each. Halftime score was 25-7.

## Tail-Water Use Reduces Expense

Records of the High Plains Underground Water District reveal that farmers can save approximately one third of the fuel cost required to pump an acre foot of water from an irrigation well if they utilize available tail water.

Cost records from farms conducting this study revealed that it required approximately \$3.20 worth of natural gas to pump an acre foot of water from an irrigation well. The average cost of fuel (butane or electricity) of tail-water return systems was approximately \$1.90 per acre, foot of water recovered.

Wayne Wyatt, field representative of the Water District, states that, "An acre foot of tailwater recovered eliminates the need of pumping an acre foot of water from an irrigation well." He further states that, "By using the tailwater there has been a saving on fuel cost of \$1.30 per acre foot of water by eliminating the need of pumping water from the irrigation well."

### CARD OF THANKS

We wish to express our deep appreciation for the lovely flowers and cards sent during our sorrow in losing our loved one, Dennis D. Cheatham. Such expressions are a great comfort and make our grief a little easier to bear.—Mr. and Mrs. Dewell B. Cheatham, Mr. and Mrs. W. B. Cheatham, Brownfield, Texas.

## Congratulations—

Mr. and Mrs. Marcario Hernandez Alborado of route 1, Tahoka on the birth of a son at 8:52 p. m. Thursday, Jan. 7, in Tahoka Hospital. Weighing six pounds, 10 ounces, he was named Marcario Sorosa.

Mrs. W. H. Mayfield of New Home underwent surgery Wednesday morning in Tahoka Hospital. She is reported to be doing fine.

Mrs. D. A. Kirkland, 83, who has been a medical patient in Tahoka Hospital since Dec. 11, is doing fine and expects to go home soon.

# WILSON NEWS

(By Mrs. Ted Melugin)

The Wilson Home Demonstration Club met Friday, Jan. 8 in the home of Mrs. Reuben Sanders. Roll call was answered with each member naming a nice gift they received for Christmas. The subject discussed was "Voting" by home demonstration agent, Mrs. Billie Carr. Refreshments were served to the following who attended: Mrs. Joe Lambright, Mrs. Willie Mae Riney, Mrs. Floyd Wilson, Mrs. James Savell, Mrs. Ester Klause, and hostess Mrs. Lanette Sanders. Next meeting will be Feb. 5 at 2:00 p. m. in the home of Mrs. Klause.

Wilson students are taking mid-term tests this week. Basketball pictures, individually and group, were made last Wednesday at school for the annual.

### Basketball Highlights

The Southland Eagles flew off with the wins in Friday night's games in Wilson. The "B" team boys play their games, starting at 5:30 p. m. Wilson basketball teams will travel to Cooper Tuesday night, Jan. 12, and on Friday night, Jan. 15 they will play at home against the Lubbock Christian High School team. Game time, 7:00 p. m. On Tuesday, Jan. 19, Wilson will play New Deal at Wilson.

Congratulations to Steven Brieger, seventh grade student of Wilson Jr. High, upon being named "Student of the Month" for December. There is a picture and write up story about each student selected posted on the bulletin board at school each month.

Clarence Church of Wilson is the new commissioner of Precinct 1, the northeast quarter of Lynn county, succeeding Curtis Morgan. Mr. Church had previously served as commissioner of this precinct.

Doyle Woody was retained as chief deputy at Wilson. The new Lynn county officials took the oath of office in brief ceremonies, along with others, Friday morning at 9:00 o'clock in Tahoka court room.

Mr. and Mrs. Sam Gatzki left for California Friday to visit Mrs. Gatzki's parents and grandmother, who is ill. They plan on being gone about two weeks. Mrs. Roy Robinson is staying in the Gatzki home until they return.

Mrs. Katie Nieman's son of Tres Ritos, New Mexico, visited a few days with her, arriving Sunday, Jan. 3. Mr. and Mrs. Adolph Nieman. Another son, Willie Nieman and his son, visited from Lakeview last Saturday.

Mrs. C. D. Siewert enjoyed a visit from Mrs. Nurenberger of Oklahoma and her daughter, Mrs. Courtney Siewert of Lubbock last Thursday afternoon.

Mr. and Mrs. Yates Key and Ramona visited the Ted Melugin's last Saturday night and enjoyed playing a game of 42 while there. Mrs. A. C. Melugin of Slaton enjoyed visiting Sunday afternoon.

Several college students are taking final exams and getting to return home for longer visits than usual. Seen about town were students Claudia Stoker, Tommy Swann, Roy Rinne, Terry Melugin, Lynda Heck, among others.

Mrs. Fountain's granddaughter and family of Amarillo visited Sunday, Mr. and Mrs. Bill Martin and children. Also visiting were her daughters and families, Mr. and Mrs. Earl Tunnel of Tahoka, Mrs. Bill Deaver and Mrs. George Deaver of Slaton.

On Friday, Jan. 15, Mrs. Fountain will enter the Slaton Rest Home. Valetta Kyzer will move to Slaton, also. The friends of both of these wonderful ladies will miss them but wish much happiness to them in their new residences in Slaton.

### Tech Students To Wed

Miss Jane Schneider and Bill Ray Fry will exchange wedding vows February 14 in the First Baptist Church at Wilson.

Mr. and Mrs. F. J. Schneider are parents of the bride-elect.

Parents of the prospective bridegroom are Mr. and Mrs. Joe W. Fry of 2719 Marlboro Drive, Lubbock. Miss Schneider is a senior home-economics education major at Texas Tech. Mr. Fry is a music major at Tech.

Mrs. Pat Swann is improving after a month's stay in Methodist Hospital in Lubbock. When she is strengthened sufficiently a battery is hoped to be inserted to control heart impulses. May our prayers be with her.

### Band Boosters Meet

The mothers in the Band Boosters Club met Tuesday morning, Jan. 12, at 9:00 a. m. in the School Library. A discussion was held on the band banquet, and details, which was set for Feb. 15, 7:30 p. m. Committees were appointed and selected.

Last rites for Jasper Campbell were held Tuesday, Jan. 5, at the Slaton Church of Christ at 3:00 p. m. Officiating ministers were James Wilbanks, Slaton; Cline Drake, Gordon; C. L. Newcomb, of Perryton, Texas. Burial was in the Wilson Cemetery under the direction of White Funeral Home of Tahoka. Our deepest sympathy is extended to the family of such a wonderful kind person, as was Mr. Campbell. In these remarks, please let me tell of one small incident that happened after the services. There was a school bus of cheerful children passing by the church building as the people stood with heads bowed, and a

small voice, from the bus of students whispered, "Gee, he must have had a lot of friends." Truly, he did, because he was such a friend himself unto others. May God bless his loved ones at this time in their loss.

Phone Wilson News to 628-2956.

### Talk On Income Tax At Lions Club

"Income Tax" will be the topic of the program of the Wilson Lions Club on Thursday, Jan. 21. John Seibert, area farm management specialist of the Extension Service, and Jim Davidson of the Internal Revenue Service, will speak at the event.

Mrs. H. C. Harter, Sr., tripped over a foot stool at her home on North First Street Monday and received a broken left elbow. She received treatment at Tahoka Hospital and was transferred to Lubbock.

R. R. Ragan of O'Donnell is expected to be released in the near future as a medical patient from Tahoka Hospital. He was admitted on Christmas Day.

**Mercury, year's most successful car, awarded year's top honor**

Receives Car Life's Annual Award for Engineering Excellence. The car you see on this page is the proud recipient of the hardest won award in the automobile business.

In selecting Mercury for 1965, Car Life Magazine stated: "Mercury shows a quality of concept, design and engineering far above the ordinary."

**Wide press acclaim.**  
The New York Times called Mercury "the surprise hit of 1965 in the medium-price field." Automotive News says it's "probably the most changed car in years." Life Magazine, the Miami News, the Pittsburgh Post-Gazette have echoed these sentiments.

But what counts most, really, is customers — people who come in and say, "I like" — and then buy. Right now, the 1965 Mercury is getting its greatest customer acceptance ever.

**Production up 83%.**  
To assure meeting the increased demand, production schedules for Mercury have been increased 83%. Credit, of course, goes to the car itself. A new kind of Mercury—built in the Lincoln Continental tradition. Beautifully proportioned, and with luxury features and options once reserved only for the most expensive cars. No medium-price car has ever come so close in luxury to the high-price class. Come see what all the talk is about. Drive the new Mercury — today.

**GRASSLAND NEWS**

(Lucile Walker)

Your reporter has been in the Garza Memorial Hospital the past week, so we will do our best to bring you a few news items.

Mrs. Hoover was admitted to the hospital Tuesday with pneumonia, was dismissed Friday and is recuperating at the home of her son and daughter-in-law, the Huston Hoovers in Littlefield.

Visiting Mrs. Hoover were Rev. Ray Forbes, pastor of Grassland Methodist Church, Rev. Clarence Stevens, Methodist pastor at Post and a former Grassland pastor, Rev. and Mrs. Joseph E. Yeates of Spur, and Mrs. Nina Belle Chapman.

Mrs. Norris Neff, Helen Cornish, Mrs. Nettie Barrow, Mr. and Mrs. C. A. Walker, Mr. and Mrs. W. G. McCleskey, Bernice Gribble, Laverne McCleskey, Reba Turner, Addie Josey, Mrs. Jurd Young, Dr. Surman, Mrs. Will Wright, Mrs. Ruby Kirkpatrick, Mrs. E. M. Walker, Mrs. S. A. Benge, Mrs. Anton Mueller, Laura Gerner, Mrs. Amos Gerner, Ada Oden, Bonnie Johnston also were visitors.

Mr. and Mrs. W. L. Gribble and "Grandma" Gribble were luncheon guests in the Jim Patterson home Sunday.

Mrs. Billie Inklebarger has been ill with the flu this week.

Mr. and Mrs. W. G. McCleskey visited in the home of Mr. and Mrs. Jurd Young Thursday afternoon.

Mr. Young had been a patient in Garza Hospital for some time and was dismissed Wednesday. Both of these fine people are confined to bed at present. Mrs. Young is in traction. We wish them a speedy recovery.

Luncheon guests in the home of Mr. and Mrs. James Murry Sunday were Mr. and Mrs. Bert McDonald, the C. O. McCleskeys and Delbert.

Mrs. Herman Huffaker left Thursday to spend a week in Roswell, N. M. with her mother, Mrs. Hicks.

Mr. and Mrs. W. G. McCleskey and Mr. and Mrs. T. J. Murry attended singing in Slaton Sunday afternoon. Then all came back to the McCleskey home for dinner.

Visitors Wednesday through Thursday in the W. L. Gribble home were Mr. and Mrs. Earnest Linsley of Wilcox, Arizona. Other visitors in the Gribble home were Mr. and Mrs. W. G. McCleskey Wednesday evening after prayer meeting.

Mrs. Maude Coker of Seagraves was a house guest of Mrs. Eunice Thomas. She also visited Mrs. E. A. Thomas, Miss Gladys Fox and Mrs. Ethel Fox.

Mrs. E. A. Thomas took Mrs. Coker back to her home in Seagraves Friday, then continued her journey on down to Andrews for the week end with her son and family, the John Paul Lawsons.

Mrs. Ada Oden has been on the sick list this week suffering from a bad sore throat.

Mr. J. E. (Scrap) Bullock has been ill with pneumonia in a hospital in Lufkin. He and his wife had gone down to Lufkin for the holidays to visit their daughter and family, the Arthur Wards when Mr. Bullock became ill. The family reports he is improving. They are former residents of, Grassland community and are now living in Fort Worth.

Mr. and Mrs. L. A. Enloe were in Carlsbad, N. M. over the week end to visit her sister, Mrs. Elvin Johnston, who had major surgery in a hospital there on Wednesday. Mrs. Enloe reports her sister is doing fine and may return to her home Saturday.

While in Carlsbad, the Enloes also visited her brother, the Bill Coopers, and a sister and family, Mr. and Mrs. Earnest Bostick, the Burl Bakers and friends, Mr. and Mrs. Homer Roper and the J. T. Williams.

Leslie Adams of Slaton spent three days last week with his grandparents, Mr. and Mrs. L. A. Enloe.

Danny Enloe visited his parents, the L. A. Enloes, Thursday.

Mr. and Mrs. Jim McGrew had hard luck on their return trip from New Pine Creek, Oregon. They ran into a stalled car in a blinding snow storm. The McGrews were not seriously injured, but it did a lot of damage to their car.

The Thursday Club met in the home of Mrs. C. C. Jones Jan. 7. Refreshments were served to Mrs. Iris McMahon, Minnie Wright, Ada Oden, Bernice Propst, Mrs. Gilley, Sue Maxey and hostess. Mrs. Hoover was sick and unable to attend.

Officers were elected for the coming year: Sue Maxey, president; Mrs. Gilley, vice president; Ada Oden, secretary-treasurer.

A lovely afternoon was enjoyed by all present.

Next meeting will be Jan. 21 in the home of Mrs. Will Wright.

Mr. and Mrs. J. A. Propst are at home after spending several days in a hospital in Okmulgee, Okla. where Mr. Propst had undergone surgery. We hope he is soon able to be up and out visiting among friends soon.

Ted Kuwaski was released from Tahoka Hospital Thursday of last week after being a patient for several days. He previously had suffered a heart attack, but is reported to be recuperating nicely.

**CHAIR COVERS**—Make bright washable covers from cotton bag prints. Cut patterns by widths of chair back and seat. Use one or more layers of cotton batting in cushion. Make ruffles of solid. Machine quilt two pieces together for top of cushion and front of slip-on cover. Use single pieces for bottom and back. Add ties to cushion to hold in place.

**KPOS Is Sponsoring Carnegie Course**

The world-famous Dale Carnegie Course is returning to Post under the sponsorship of Radio Station KPOS.

It was announced this week by Dan Sanford, manager, that the first meeting will be a free explanation demonstration session. It will be held in the Community Room of the First National Bank in Post, 7:00 p. m. Wednesday, Jan. 20, and the public is invited.

The purpose of the demonstration meeting, according to Sanford is to acquaint visitors with the Dale Carnegie methods in effective speaking, human relations, and leadership training. A special feature of the evening will be a demonstration of the remarkable memory training technique developed by Dale Carnegie.

"We believe that the KPOS sponsorship of this adult education program is a genuine community service," says Mr. Sanford. "Church workers, businessmen, farmers, sales people, housewives, clubwomen, office workers—every adult will benefit from this training. It will build a new enthusiasm, develop self-confidence, create new understanding among the citizens of our town and area."

Mr. Sanford added that civic clubs in other areas report that the classes have had an important influence on human relations in their communities.

The Dale Carnegie Course began in 1912 in New York City. Today Dale Carnegie classes are taught in more than 1000 cities in America and in 51 foreign cities. More than 1,000,000 men and women are graduates.

Tahoka's ZIP Code is 79373.

**Oddfellows Lodge Holds Installation**

Tahoka Oddfellow Lodge No. 167 and Tahoka Rebekah Lodge No. 209 will hold public joint installation at the Community Center Saturday, Jan. 16, at 7:30 p. m.

Graham Tyler, Deputy Grand Marshall, and staff and Willie Mae Childers, District Deputy President, and staff will be the installing team.

The public is cordially invited to attend.

Officers to be installed are David Massey and Ollie Pendle-

ton as Noble Grands; L. E. Bain and Dale Singleton, Vice Grands; Leona Waldrip, Ilene McMillan, Charlie Beckham and Graham Tyler, secretaries; and Maurine McClellan, treasurer, according to Dana Akin, reporter.

Tahoka's ZIP Code is 79373.

Sure. You might find another car as new as the Delta 88.

But not this year.

This is Oldsmobile's Delta 88. It's unique. Unique because it's new. New clear through.

Styling is new. So new, not a line nor a highlight was borrowed from last year's.

Power plant is new. Super Rocket V-8 is the biggest in Olds history; 425-cubic-inches big, up to 370-horses strong.

Transmission is new, too. Turbo Hydra-Matic, available on any Delta 88, provides up to 40% more torque from a standing start, superlative performance at all speeds.

New styling. New engine. New transmission. This year, only Delta 88 lets you have all three, all new. Other cars have a lot of catching up to do.

**'65 OLDSMOBILE**

## London Boy Picks Tahoka Phone Number From Thousands For Call

Imagine picking up your telephone in Tahoka, Texas and hearing the voice of a young man in London, England say he had picked your number at random from a list of 18 to 19 thousand numbers for a talk with someone in the United States!

That is what happened at the home of Mrs. Minnie Sayles last week. The 19-year old college man had dialed 998-4685, the residence of Mrs. Sayles. The telephone was answered by James Devaughn, her son who is an eighth grade student. After about three minutes of conversation, he turned to his mother and said, "This is not an American man."

The young man, who didn't reveal his name, said that the British each year pay for a telephone call for a young girl or boy to make to the United States. The call lasted about 45 minutes at a cost of about \$375.00.

He asked many questions about

America and its problems. His first question concerned the school situation and the pictures he had seen of racial strife in Alabama and Georgia. He said that he did not like the situation that exists there and stated that "God made us all and would want us to treat one another as brothers."

Another question concerned whether young people marry at an early age. Mrs. Sayles replied that some did, but most finish high school and either continue college or marry and many times go to college together.

In response to "what do your boys think about the Beatles," Mrs. Sayles told him "most of them like them and imitate them but do not wear the Beatle hair style. When told of the Beatle wigs (a word he did not understand), he was told by his father standing nearby, that wigs are "false hair."

Then the young man asked what part of the United States he was talking to and when told he was talking to Tahoka, Texas asked the names of nearby towns.

Mrs. Sayles was asked her impression of England, which she described as hilly with lots of running water in her mind, and the young man said he would expect to find lots and lots of Indians and cowboys here.

Then, he finally asked Mrs. Sayles her occupation and she told him that since her school at Post had become integrated, she was an unemployed teacher. When the young man did not understand, it was only then that Mrs. Sayles told him that she is a Negro.

The caller stated that in England Colored people are called Africans and asked Mrs. Sayles to spell the word "Negro".

He wondered why they are not called Africans here, and Mrs. Sayles replied that although they originally came from Africa, they are Americans. Mrs. Sayles said they discussed Africans and Negroes at some length.

Another term used by the Tahoka lady was not understood. He had asked about rural schools in this country. When told that there are no rural schools in this area and

the entire staff fell in love with the little curly headed girl and when she was dismissed on Feb. 25 at the husky size of three pounds, four ounces, happiness was mingled with tears.

Saturday she came back for a social call, complete with a birthday cake to share with her nurses and doctors, although Dr. Thomas was out of town on business. On that day, Juanita "weighed in" at 16 pounds, four ounces.

To prove they think Juanita is "sterling", the staff presented her with a silver youth set, knife, fork and spoon.

that students are brought to towns by a "school bus", he again turned to his father for an explanation of the word "bus". His father told him it was the same as the large "red carriage" used in England to transport students.

Mrs. Sayles is still amazed at the chance selection of her telephone number—one chosen from the many listed in the United States.

## YF Club Seeking Light At Railroad

Tahoka Chapter of Young Farmers held its regular meeting Monday night in the Lyntegar directors room.

Donald Williams gave a report on the annual Young Farmers state convention held at Dallas in the Adolphus Hotel.

The club heard a report from Wayne Huffaker on getting a signal light installed at the railroad crossing in East Tahoka.

The club was informed that the City of Tahoka had to submit a request to have such a light installed, had to furnish an accident report for the past two years, amount of traffic crossing the railroad, and number of trains that come through per day.

From what the club has learned, the organization will need the support of all Tahoka to get something done.

The club voted to have a tractor maintenance program next Monday night at Gilmore & Jaquess presented by Don Sales.

Monday's program was presented by R. E. (Toby) Messer, sales representative for International Minerals and Chemical Corp. His company has set up an experimental program which is designed to help the farmer make more money on less money invested. Jimmy Williams and Walton Terry are in the program. It runs a complete soil test and gives the farmer the best crops and the amount of fertilizer to use and the amount of money that should be spent for the best returns.

A door prize was given by Piggy Wiggly No. 2, which consisted of a ham, and was won by Pete Hegi.

Donald Williams, reporter.

## Salary Raise . . .

(Continued from Page One)

Although the raise will put an added burden on the county funds, at least temporarily, the Judge says county finances are in good condition.

There has been no change in valuations since 1951, and only additional income during this period has been from new construction. He thinks some adjustments should be made in valuations to provide more money for some of the county funds other than the officers' salary fund. For example, the price of road machinery has just about doubled since 1951, and there have been no added tax funds for such.

The future is bright, however, for a reduction in county taxes.

The \$850,000 road bond issue of 1946 is due for retirement next year. In fact, Judge Mathis thinks there may be enough money in the interest and sinking fund at the end of this year to make the final payment on the 1946 bonds.

Also, the 1956-1957 road bond issue will pay out in 1967.

Lynn county now has a tax rate of \$1.90 per \$100 valuation. The State tax rate is 42 cents, making a total State and County rate of \$2.32 at the present time.

The county has a 40 cent tax rate to take care of the 1946 bond issue and a 35 cent rate to retire the 1956-1957 issue. When these issues are paid out, the county tax rate could be reduced from \$1.90 to \$1.15.

There is some sentiment, however, for keeping this tax on the full period to develop a fund for much-needed repairs on some of the existing farm-to-market roads in the county.

## New Church . . .

(Continued from Page One)

In 1959 the mission property on South First was purchased from the Church of Christ, the site of the first Tahoka First Baptist Church.

Rev. John Pistone is pastor of the mission and has served here three years, since Jan. 1, 1962.

The new brick and tile mission has an auditorium with a base seating capacity of 132 and can be expanded by folding doors to seat 279. It provides 13 Sunday School

class rooms, six department rooms including three nurseries, the pastor's study and a kitchen. Two departments may be opened together for use as Fellowship Hall. There is also additional space for a kindergarten department, when growth demands its separation from another class.

The mission in October had experienced a 40 percent growth in 18 months and the new edifice has been planned to take care of additional growth in the future.

The construction committee is composed of Walthal Littlepage,

Garland Pennington, J. T. Miller and Mauro Marez. Those who served on the plans committee were Everton Nevill, J. C. Womack, Lynn West, Pennington, Littlepage, Marez, Julian Guttierrez, Rev. Pistone and Rev. Efirid.

**Birthday . . .**

(Continued from Page One)

Wayside, for 17 years, former place of the late C. A. Gould.

On Juanita's second day of life, feeding began at the hospital, measured by cc's. She began losing weight, as all babies do after birth, and dropped to two pounds at 10 days of age. Then she began to slowly regain her weight, ounce by ounce, until 20 days after birth, weighed two pounds, eight ounces. From then on, sailing was fairly smooth.

The entire staff fell in love with the little curly headed girl and when she was dismissed on Feb. 25 at the husky size of three pounds, four ounces, happiness was mingled with tears.

Saturday she came back for a social call, complete with a birthday cake to share with her nurses and doctors, although Dr. Thomas was out of town on business. On that day, Juanita "weighed in" at 16 pounds, four ounces.

To prove they think Juanita is "sterling", the staff presented her with a silver youth set, knife, fork and spoon.

**New Home Ladies Bowling Results**

TAHOKA, TEXAS

"Heart of the South Plains"

FRIDAY, JANUARY 15, 1965

## Dr. F. W. Mattox Tells Of Trip Around The World

Some impressions gleaned from his recent trip around the world were told Tahoka Rotarians at the club meeting Thursday by Dr. F. W. Mattox, president of Lubbock Christian College.

He spent most of his time telling of conditions in Nigeria, Egypt, Okinawa, Korea, and Japan.

He spent 10 days in Nigeria and found it to be probably the most stable country in Africa, a nation seeking to improve and to follow the principles of democratic self government, free enterprise, and having a desire for more knowledge. The people and the leaders seem interested in America and American type principles. He said the nation has 17,000 students studying abroad in colleges.

In Cairo, Egypt, he found an opposite situation, under rule of

Nassar and the United Arab Republic. Egypt has cast its lot with Socialism, leans toward Communism, the people seem to have no ambition or initiative and are expecting the government to raise the standard of living for everyone. When he asked a business man "How?" the man couldn't give him an answer.

Spending a week on the island of Okinawa, the speaker said, made him real proud of our military establishment. All branches of the service are working together as a united defense force, the island is heavily fortified and on the alert for any possible advance by Communist nations. American blood reddened the hills and bay waters in wrestling this island from the Japanese in World War II, and he said such heroism as our boys

showed here makes one proud of them and our way of life.

He found Korea backward, the people uninformed, having no conception of self-government, and 50 years behind the times in modern Japan. But, our military men there conduct maneuvers to prepare for almost any type warfare that might arise by a possible Communist advance.

All the Communists understand is force, he said, and therefore he thinks our strong front is necessary. He pointed out Khrushchev's statement, "The Russian bear pushes on every door, and when he finds a door that gives, he enters."

He found Japan modern, busy, prosperous, the people well dressed and well informed, much construction underway, including super highways, and the people busy manufacturing many types of goods to sell at prices much lower than those manufactured in the United States.

But, he said, there is no place like the U. S. and especially West Texas, where there is the spirit of friendship, helpfulness, neighborliness, where the people are independent economically and enjoy freedom under a free enterprise system.

He was impressed by one great lack. We are not telling The American Story to the rest of the world. In many countries around the world, there are beautifully printed Communist magazines on every news stand at a nominal price which tell how wonderful life is behind the Iron Curtain. One one East Germany is pictured as a beautiful, prosperous country, the people all smiling and happy.

Everywhere on sale is the "true" story of President Kennedy's life and death and his "last words." He said everyone knows Mr. Kennedy's brains were blown out of his head, but this Communist book quotes several pages of what the President is reputed to have said in the Dallas hospital before he died, and all of it is the Communist line of propaganda.

In introductory remarks, he said Lubbock Christian College now has 630 students from 151 towns and 22 states, has been accredited by the Southern Association of Colleges and Secondary Schools, and is adding vocational and technical training.

Ralph Beistle, in charge of the program, introduced the speaker. Student guests for January, Jack Edwards and Jim Crawford, were introduced by Dr. Gerald Wood and Steve Thompson.

President Wilton Payne read a letter from Hank Irmiger of the Netherlands, a foreign student guest here a few years ago.

Mr. and Mrs. Valton Flemings and baby of Roswell, N. M., recently visited here a few days with Mr. and Mrs. Leonard Dunn.

## Bulldogs Playing Best Ball Of Season, But Drop All Tournament Games

The Tahoka Bulldogs played their best basketball of the year in the Slaton tournament last week end although they lost all three close games, one in an overtime. The Tahoka girls also dropped three clashes.

Slaton boys and Post girls won the round-robin tournament.

The Bulldogs lost to Post 60-59, to Slaton 49-45 and to Shallowater 64-61 in an overtime, while the girls dropped their games to Post 62-39, Slaton 45-30 and to Shallowater 42-32.

Post squeaked out Tahoka 60-59 in the first game on Thursday night. The Bulldogs were in front 17-12 and 33-26 at the end of the first two stanzas and Post pulled ahead 45-44 at the end of the third, before winning the game by one point. In a smooth ball game from start to finish, Mitchell Williams paced Tahoka with 22 points, Terry Harvick 15 and Eddie Howard 11. Ronnie Pierce and D. Pierce scored 31 and 15, respectively for the Antelopes.

Preceding the boys game, the local girls dropped their starter to Post 62-39 after the winners led 18-4, 35-15 and 52-24 at quarter periods. Carla McNeely took scoring honors with 20 points for Tahoka while Marilyn Jones scored 37 and Sherry Woods 12 for Post.

In one of the strangest games in Tahoka's history, the Bulldogs came from behind... a 34-8 score halfway in the third quarter to tie up Slaton with one minute left to play before the Tigers won 49-45.

The Bulldogs, playing good ball from the beginning except in hitting the basket, were cold until the last four minutes of the third, when they became red hot. Slaton led 8-5 and 28-8 at the end of the first two periods. They widened the margin 34-8 after four minutes in the third and before the quarter was over Tahoka had scored 14 points and the Tigers led 39-22.

With a minute left in the game, Tahoka tied up 44-44 and went ahead 44-44, but Slaton pulled the game out of the fire. Williams and Harvick scored 14 each and Freddie Pierce 10.

Larry Gamble and Bobby Brake made 18 and 12, respectively, for Slaton.

The Slaton girls defeated the Tahoka team 45-30 in a hard fought game most of the way. The winners held a 13-7 lead when the first period ended and maintained a 22-17 halftime margin before widening the score, 35-20 at the end of the third. Carla McNeely hit the basket for 18 points with Williams making 14 and Peggy Kirksey 11 for Slaton.

Shallowater won the final game 64-61 in an overtime after a game that saw the lead change hands almost every time a basket was made. Shallowater led 17-12 when the first quarter ended but the score was tied 30-30 at the half.

## Ronny Gurley Is Author Of Book

Ronny Gurley, Tahoka native, is co-author of a new book, "The Juvenile Offender and Texas Law", sponsored by The Hogg Foundation for Mental Health, and published by the University of Texas Press.

Son of Mr. and Mrs. Jess Gurley, Ronny was born in Tahoka, graduated from High School here in about 1950, attended North Texas State, taught and coached basketball at Colorado City, served as juvenile officer at Sweetwater, and has been at Austin the past two years, where he is administrative assistant to Chief Probation Officer Bill Anderson, Travis County Juvenile Court.

Anderson collaborated with Gurley in writing and compiling the publication; the purpose of which is "to provide a handbook which will be of value to anyone who

wishes to orient himself to the general provisions of juvenile law and procedure, and to make available a handbook which may be used by the professional worker as a continuous reference document."

The book deals with many phases of juvenile problems and law enforcement, a compilation of laws as they apply to juvenile offenders, problems and treatment of juveniles, etc.

Attorney General Waggoner Carr, in a letter, praises Anderson and Gurley highly for their contribution through publication of the book, and says, "I am proud to recommend it highly to those seeking help in this complex field and wish to congratulate you as its editors and the Hogg Foundation for Mental Health for its timely publication."

Carpenter ant queens may live the daytime.

Tahoka's ZIP Code is 79373.

### BAG TRICKS

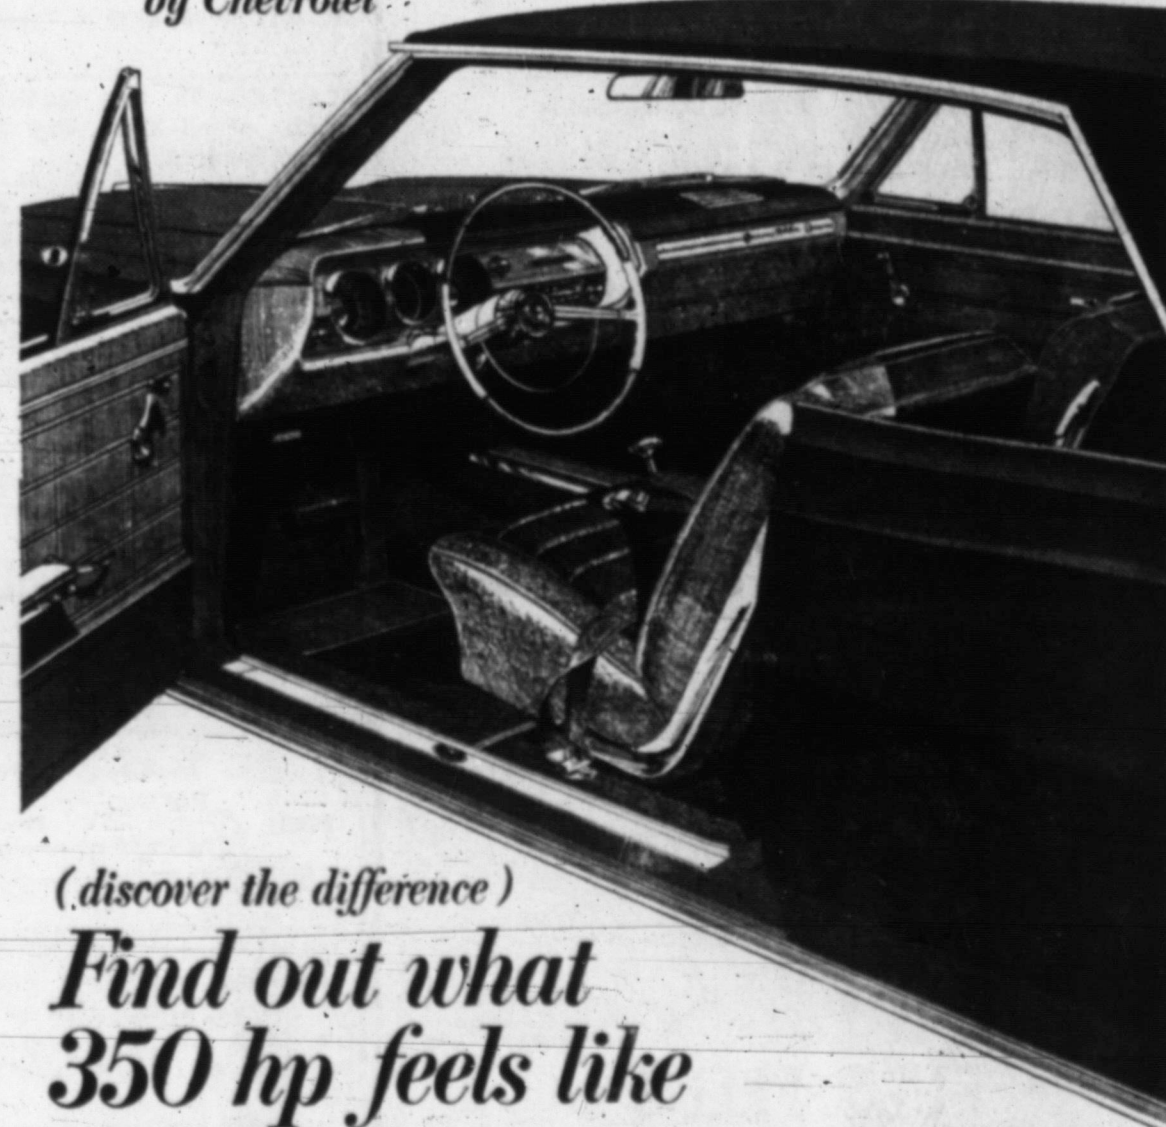

BIRD HOTPAD—Use cotton bags, follow pattern. Cut two plain bottom pieces and two print top pieces. Stitch center seam of top, then sew edges of top and bottom, adding regular size rick rack in seam, plus loop for hanging. Stuff head with cotton, add 1/3" layer of cotton between top and bottom. Hand stitch center of bottom piece, quilt body. Add yarn top-knot and embroider eye.

## '65 Chevelle

by Chevrolet

Chevelle Malibu Super Sport Coupe

(discover the difference)

Find out what 350 hp feels like

in America's favorite intermediate-size car

Next time you're feeling low, come on in and plunk yourself down in the bucket seat of a Chevelle Malibu Super Sport. Flick the ignition—bring that special-order 350-hp power plant to life. Then go find a road and try not to smile.

We think it's the greatest pep pill since weekends—and that goes for the other Chevelle V8's too. The 195-hp. And the 250- and 300-hp jobs we can order for you.

And of course if power doesn't sell you right off, maybe Chevelle's short turning radius and overall handling ease will. Or its Full Coil suspension ride. Or its all-vinyl, carpeted interior. Or maybe it's just plain old Chevelle value.

Every now and then we get a wee bit surprised that some people do not realize the function, purpose, or ethics of most newspapers in the free enterprise system. We'll be the first to admit there's a lot of propaganda—too much of it—that gets by in the modern newspaper. There's too much slanting of the news, although not near as much in the newspapers as in some other media, such as television, radio, magazines. We're guilty, ourselves, of slanting the news a bit, but it's usually for the good of our area and community, seldom for the good of some political faction.

The news columns are for news. The editorial page, or column, is for the editor's personal opinions. The "Letters from Readers" column is for anyone's opinion, so long as such expressed opinions are not libelous, are in good taste.

and are of reasonable length and judged to be of general public interest. There are other columns for advertising, where the business and professional people tell of their merchandise and services. This free enterprise, competitive system still works in America. In most cases, a product sells because its quality lives up to its advertising.

A good newspaper takes a positive stand for what it considers good in its editorial columns. It may even slant the news a bit for the good of the community without being entirely dishonest or unfair. But, please remember, the columns are also open to your opinions. The editor's column and the news columns can not be bought. The only way you can buy our front page is to buy the entire business.

When we lose freedom of the press in our nation, all freedom is lost. There are people in America—even in the government right now—who would like to throttle the press. In fact, some hobbies are being put on the free press gradually by the increase in postage rates, which may ultimately make sending this paper through the mails prohibitive and impractical.

Today, it's popular in some circles, especially among the liberals seeking socialized medicine, to attack the medical profession and the pharmaceutical industry. Read an article the other day refuting this thesis which cited the fact that 70,080 Americans died from tuberculosis in 1935, only 9,311 in 1963; 25 years ago New York City alone had 12,000 cases of whooping cough with 105 deaths, last year; and today there are 54,000 fewer patients in mental hospitals than in 1955. This improvement is largely due to development of new "miracle" drugs. The factor that makes these new drugs so high today, the article states, is that researchers devise 2,500 to 3,000 compounds for each new compound that survives to become an effective prescription drug.

### THAT'S A FACT

**OLD "O"**  
THE FIRST ALPHABET WAS DEVELOPED BY THE SEMITIC PEOPLE BETWEEN 2000 AND 1000 B.C. ITS "O" HAS REMAINED UNCHANGED AND IS THEREFORE CONSIDERED TO BE THE OLDEST OF ALL LETTERS!

**LONGEST!**  
THE LONGEST WORD IN THE ENGLISH LANGUAGE IS...  
**"PNEUMONOUSTRAMICROSCOPICUSILICOVOLCANOCOENIOSIS"**  
(IT DESCRIBES A MINER'S LUNG DISEASE)

**ABOUT TAX REFUNDS...**  
TAKE YOUR TAX REFUND IN U.S. SAVINGS BONDS BECAUSE IT GIVES YOU AN EASY WAY TO HANG ONTO IT!

AND...  
WHEN YOUR BONDS MATURE YOUR REFUND BECOMES 3-1/2% BIGGER. YOU GET \$4 FOR EVERY \$3!

### Special School Is Thankful For Aid Given Christmas

The Lynn County Special School children and personnel wish to thank the people of the town who helped make the children's Christmas the "best one we have ever had."

Some of the people who helped with Christmas at the Special School were the Future Homemakers of Tahoka High School, the A.L.C.W. of the Wilson St. John's Lutheran Church, the Tahoka Jaycees, the Young Farmers Chapter, the Wilson Lions Club, Mrs. J. T. Miller and Mrs. Charles McAuley's Beginners Sunday School Class of the Baptist Church, the Salvation Army, Mrs. Kenneth Turner, Helen and Bill Biggerstaff, Polly Weathers, Mrs. W. O. Thomas, Mr. and Mrs. Santa Claus, and others.

The following was the children's Christmas prayer:  
"Our Father in Heaven: Thank you for our special school and your precious children who attend. Thank you for helping us to learn tender love, patience and integrity of character. May we always have respect and reverence for very human being and be able to help them to transmute handicaps and sorrows into wisdom and happiness. May they too feel they are useful, needed and loved."  
"Please, Father, forgive us for the mistakes that we make and continue to guide us until our mission is filled on earth, then let us enter the home and school that you have prepared for us in Heaven, we ask in thy name. Amen."

—Margaret Rentro, teacher.

#### WHAT'S COMING IN 1965

From Denver City Press:  
Thanks to Changing Times, we're able to pass on to you tid-bits of information about what will happen in 1965:  
About 7,233,000 children will stop outgrowing their shoes every couple of months.  
About 194,100,127 Americans will not be hurt or killed in an auto accident.  
Nearly 13,199,000 girls will outgrow the Beatles.  
About 750,000,000 acres of forestland will not burn up.  
About 44,503,000 couples will stay married.  
About 55,503,000 citizens will file tax returns on which the arithmetic is absolutely correct.  
About 11,000,000 teen-agers will not drop out of high school and over 600,000 of those who go on to college in 1965 will stay there four years.  
One out of every 4.3 golf balls hooked or sliced into a tree will bounce back onto the fairway.

#### CARD OF THANKS

The family of J. E. Thomas wishes to express our many thanks to all our friends for all acts of kindness and especially for the many prayers during the recent passing of our loved one—Mrs. J. E. Thomas and children. 11p.

At least one member of every family should have a knowledge of first aid to cope with any emergency whether it be home accident, hurricane, tornado, flood or enemy attack. Medical self-help courses are available through your local civil defense office in cooperation with the Texas State Department of Health. Contact your local civil defense director to learn more about this free and valuable training.

Over 20 billion dollars' worth of auto loans will be paid off.  
And all year long there will be only one Friday the thirteenth.  
There you are. Help yourself. No charge.

Mrs. Frank Decker is another native of Izard county, Arkansas. Although she left there as a child in a wagon in 1901, she says she remembers fondly the life and good people as we pictured the same here a few weeks ago. She was born at Franklin, had heard of Calico Rock, and even visited the county seat, Melbourne, 10 miles away, on one occasion.

Since becoming an incorporated town, erecting some beautiful new churches, new homes, an ultra-modern high school, new businesses, and more lately installing city water and sewer works, Mayor J. W. Edwards says "We're gettin' hi-falutin'". New Home has installed street markers, such as Broadway, the east-west highway; Main street, the north-south highway; Smith Avenue, on the east; and Stadium Drive, the thoroughfare running north toward the football field. Community pride holds sway at New Home.

If we remember correctly, the Secretary of Agriculture said there would be no change in the status of the cotton program if farmers voted early in December for the program. Now, we understand, cotton will be \$5.00 a bale lower in 1965. We don't believe the Department is shooing square with the cotton farmer. Most farmers favored a decrease in price to get into better world market competition. But, the farmer also has a right to expect our government to use every effort possible to move cotton into world trade and then to increase allotments so that the farmer may maintain sufficient income to stay in business.

A decrease in price of \$10 to \$20 a bale in 1964, a decrease in price of \$5 in 1965, a raise in wages and the doing away entirely of the bracero program—combine to take \$4 to \$5 million dollars from Lynn county's agricultural economy for a normal year. How long can we survive under this kind of program?

Mae is terribly embarrassed. A Mrs. Wilson called her Saturday noon, said she went to school with some of Mae's relatives at Merkel. At the moment, Mae says she had a terrible headache, something was burning on the stove, and she thinks she sounded very rude when she asked the lady to call back later. Anyway, the Mrs. Wilson didn't call again, and Mae would like to get in touch with her.

Ex-convict to judge: "But, your honor, if you send me to prison, I'll violate my parole. I'm not supposed to consort with known criminals."—Clipped.

## State and County PROPERTY TAXES

Are Now Due and Payable, If You Haven't Already Paid Them!

After January 31, taxes become delinquent and subject to penalty and interest, set by State law. Don't forget to see your Tax Collector during this month, or mail a check for your property and poll taxes.

Also, Don't Forget to Pay Your POLL TAXES

Many people who have already paid their property taxes failed to pay their poll taxes. Poll taxes must be paid in Texas as a qualification for voting in all elections, except National elections.

For your convenience, arrangements have been made so that you may secure your poll tax receipts at—

Tahoka, Texas

## Historical Survey Board Named

County Judge W. M. Mathis has issued a call for a meeting of the newly-appointed Lynn County Historical Survey Committee on January 16th at 10 a. m. in County Court Room in Tahoka.

This meeting is being held in accordance with a proclamation by Governor John Connally, designating January 10-16 as "See and Save Texas History Week."

More than 2,900 committeemen in 254 County Historical Survey Committees over Texas are expected to convene on the 16th to review the accomplishments of the past Committee's work and to announce plans for the 1965-66 term of Recording, Appreciating, Marking, Preserving, and Surveying (RAMPS) Texas history.

"Every county has a history all its own, and Lynn County is no exception," said Judge Mathis. "Our County Historical Survey Committee has unlimited possibilities for doing us great service in the fields of preserving our history for future generations as well as seeing that this history is attractively displayed and marked for our citizens and visitors."

"The tourist trade stimulated by history-seeking travelers will be an aid to the economy of the county," he added.

In his Texas history week proclamation, Governor Connally pointed out that history is a major attraction of the state and extremely valuable to its economy.

The RAMPS program of work now being enacted by the Texas State Historical Survey Committee is with the cooperation and implementation of all County Historical Survey Committees.

This dynamic five-year program has 21 points which range from the marking of more than 5,000 historic houses, sites and landmarks to the planning of tours to view them. Included is an extensive plan for the saving of local history as well as for the introduction of this history in interesting form to school children and county residents for appreciation of their heritage.

Members of the newly-appointed Historical Survey Committee for Lynn County are J. H. Huddleston, Frank P. Hill, W. B. Griffin, Mrs. G. M. Stewart and Mrs. Ben Moore.

Rev. and Mrs. Howard Hollowell of Wichita Falls, where he is pastor of the First Methodist Church, visited here Friday with friends. Rev. Hollowell, a former O'Donnell pastor, is still recuperating from a severe heart attack he suffered several weeks ago. He says he is making fine progress.

A young man asked us the other day why The Printer was opposed

## You Don't "Outgrow" Asthma

By Dr. H. W. McIlroy

One of the most common and yet most unscientific statements made is the one that says: "The child will perhaps outgrow it in time."

How can one "outgrow" such disorders as asthma or epilepsy or nervousness? Just what process will be at work while the child "outgrows" it?

Reminds me of a father of a good sized family who waited thirty-six years to "outgrow" Asthma — it twisted his features and humped his body, and just kept right on smothering him, year after year. Several years ago he stopped having Asthma, but not because he outgrew it. He has not suffered with it since shortly after he came to the McIlroy Chiropractic Clinic to tell us he was tired waiting to "outgrow" it. Many asthma cases like this one have been stopped after the cause was found and removed with adjustments.

Parents that are waiting for their child to outgrow an ailment have been confided by someone, and are doing a grave injustice to their loved ones.

Here is a typical case from our Clinic files for your consideration. A 10 year old boy had been having Asthma attacks with in-

creasing frequency since he was one year old. His doctor had told his parents that he might grow out of it, but instead he gradually grew worse. Nothing they did seemed to offer more than temporary relief, so, discouraged and with heavy hearts, his parents decided to try Chiropractic.

A spinal analysis and spinal X-rays to locate the cause were made. Bear in mind that in Asthma, the muscles located in the tubes leading to the air sacs of the lungs contract in spasms that close the tubes and keep the air either in or out, or both. Nerves make muscles contract and relax. Faulty, irritated nerves cause the spasms in the muscles.

Gentle adjustments corrected, and realigned his spinal curvature that had been developing for 9 years. Once his nerve disturbances were restored to normal function, this boy's Asthma promptly vanished and has not returned. His headaches, poor appetite and nervousness likewise went away with the Asthma. He has filled out to his normal weight, and now enjoys normal activity with other boys which is reflected in the smiling gratitude of his relieved mother.

So don't let your child continue to suffer. Have a heart. For their health's sake, investigate now. Your own worry lines might also change to smile wrinkles. Try it! 214 Tahoka Road, Brownfield, Texas. Telephone 637-3242. Adv.

## WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

It would be quite interesting if a businessman went to his banker and showed with his books that he was running badly in red figures and that in addition, both his creditors and competitors were doing their best to take advantage of the situation. Would the banker therefore help him out?

But what would make it even more interesting, assuming the banker showed some interest in extending help, if the businessman also said, "And while you are at it better leave me have a few more extra thousand and so I can go to Las Vegas and take a chance on some new forms of gambling to see if I can bail out this way, too." Obviously, the banker would take a very cold attitude.

While that may sound ridiculous, and it is, it is perhaps no more ridiculous than the recent maneuvering in the world monetary market participated in by the United States government to bolster the British pound.

In the last election, by a very narrow majority, the British put into power a Labor government. Now of course the British people have the right to elect any kind of a government they desire.

But the Labor Government has announced that it is determined to continue socializing industry, continuing where they left off the last time in power.

The plans are to nationalize the steel industry, the trucking industry, and others, as well as extend welfare state.

However, with their economy already deeply in the red, these announced plans to further socialize the economy made investors, holders of British pounds, and others, understandably nervous.

Also as a factor was the memory that the last British Labor government lowered the value of the pound by almost half. So, with all these uncertainties, investors started dumping the pound on the open market to get rid of them at the best price possible before the boom was lowered.

But immediately, to prop up the British pound, the United States participated in a move to raise \$3 billion to prop up the pound, even digging into the diminishing U.S. gold supply.

Thus, by indirection, the people of the United States are now committed to support socialism in Britain.

Thus, the situation is weird, especially when a nation that is supposed to believe in the free enterprise system, taps the resources of its citizens to support a socialist regime.

If it is not inconceivable that in the not too distant future somebody will come up with the idea of government financial aid to counterfeiters. After all, if American funds can be used to maintain a false value on British currency, why cannot it be used to support bogus American money?

### VISITING MISSISSIPPI

Mrs. W. C. Jones is visiting for two months with her daughter and husband, Mr. and Mrs. J. W. (Maxine) Auld, in Natchez, Mississippi.

Cotton is the top "cass" crop.

### ATTEND FUNERAL

Mrs. Samie Norwood and two daughters, Mrs. Winfred Craig and Mrs. C. J. Renfro, went to Abilene Monday last week for the funeral of Mrs. Norwood's uncle, M. S. Williams, age 93. He was the last of her uncles, to pass away.

## Farm Equipment Care Proposed

College Station—Proper maintenance can extend the useful life of sprinkler irrigation equipment. And, with the irrigation season just about over, now is the time to do some of these maintenance jobs.

Check the engines and have needed repairs made now, says Wayne Keese, agricultural engineer for the Texas Agricultural Extension Service. Pumping units left in the field over winter should be covered with a waterproof tarpaulin or some other suitable structure. Special care should be taken to prevent moisture from entering the exhaust pipes of internal combustion engines.

Impellers and seal rings on centrifugal pumps require checking, the engineer points out.

Sprinkler heads should be removed and checked for excessive wear and repairs made if needed. Remove all gaskets and store them flat in a dry, cool location out of sunlight.

Store pipe on inclined racks well above the ground to provide drainage, air circulation and resistance to wind damage. Pipe left in the field during freezing weather should be completely drained after use, and secured from wind damage, advises Keese. Buried lines must have complete draining facilities in colder areas unless they are buried below the frost line. Tractor tow lines and other mechanically moved sprinkler lines should be placed near the edge of the field or in an out-of-the-way area.

If fertilizer is applied through sprinkler systems, all equipment should be flushed thoroughly and cleaned before shutting down. Should corrosion be detected in any part of the system, Keese ad-

vises contacting the supplier immediately. If corrosion is detected early, several remedial steps can be taken to minimize damage. Since there is a large investment involved in a properly equipped sprinkler system, it deserves to be protected, not only for extending its useful life, but also to get the most efficiency from its use,—concludes Keese.

A house cat has been known to reach the age of 27 years.
