County-Wide 4-H Club Awards Meeting Here Thursday Night

A county wide 4-H Club awards program will be held Thursday night, Nov. 19, beginning at 7:30 in Fellowship Hall of First Methodist Church, Muleshoe.

A total of 12 4-H members are scheduled to receive medals for outstanding club work.

Two gold stars are to be awarded.

This is the highest honor that 4-H can bestow on boys and girls during the year.

The Rev. Edwin Hall, a former 4-H member who won a trip to the National 4-H Congress will be the speaker.

The program is being sponsored by the Bailey County Home Demonstration Council, states Mrs. Harriette Jackson, county agent.

Gore Funeral At Circleback Saturday P. M.

Mrs. Flora Gore, 52, of Circleback community, died at 7:30 p.m. Wednesday in the West Plains Hospital.

Her funeral is set for Saturday at 10 a.m. in the Circleback Baptist Church. Officiating will be the Rev. J. E. Moore of Muleshoe, Rev. Jesse Sawyer of Circleback, and Rev. E. K. Shepherd of Muleshoe.

Burial will be in Bailey County Memorial Park by Singleton Funeral Home of Muleshoe.

She was born Feb. 27, 1907 at Charlie, Texas. The family came to Bailey County in 1929. She was married to Hugh A. Gore Dec. 15, 1926 in Freeland, Texas.

She was a member of the Circleback Baptist Church. She is survived by her husband, two children, Mrs. Dorothy Turner of Muleshoe, and Billy Gore of Circleback; her mother, Mrs. Lucy Coker, of Lubbock, two sisters, six brothers and four grandchildren.

Open House and Field Day Plans Made by Pruitts

Open house will be held by Pruitt Bros. Implement Co. at their store north of the tracks in Muleshoe on Friday, Nov. 20. The firm is dealer here for Massey-Ferguson farm equipment.

Free coffee and donuts will be served during the day and the owners are hoping that a large number of farmers will be on hand for they are anxious to become acquainted with them. The Pruitt brothers, three of whom are connected with the firm, recently have returned to Muleshoe and purchased the former Texas Machinery Company business.

Then, on Saturday, November 21, Pruitt Bros. will stage a field day and demonstration on the Henry Bass farm just north of Muleshoe, when the full line of equipment will be seen in action. Massey-Ferguson factory representatives will be here to help the local dealers to explain features of the combines, tractors, and other farm equipment to be shown.

Local Officers Have Quiet Week

Local officers, county and city, had a rather routine week, in so far as enforcement was concerned, with persons placed in jail on varying charges.

Deputy Sheriff Bill Wilkinson picked up a drunk driver early Sunday morning on U. S. Highway 81. He entered a plea of not guilty, and is out on \$1,000 bond.

Also there were six charges for drunkenness, one disturbance of the peace, two for investigation, one for no driving license, one for no motor sticker.

Tech Final Home Game Matches Red Raiders Against Houston

LUBBOCK — Texas Tech's final home game of the season will be with the University of Houston here Saturday at 2 p.m.

Fittingly Texas Tech's homecoming, it will be the Red Raiders' only appearance on their own gridiron since the Texas Christian game Oct. 10.

After the Houston game, only a contest with University of Arkansas at Little Rock Nov. 21 remains for the current crop of Raiders.

Only five seniors will be making their final appearance before local fans — co-captains Ken Talkington of Tyler and Jerry Seifford of Borger, Mickie Barron of Childress, Ronnie Rice of Lefors, and Bill Turnbow of Burkburnett.

The Psychology Of The Driver

Just what kind of a driver are you? Maybe you are classified as one of these:

An egotist is a driver who is still in their babyhood. They pull in and out of line trying to confuse other drivers. They boast of breaking traffic laws. They always use two parking places instead of one. They think they are the only ones who have the right-of-way and expect everyone to heed to their commands.

You may be the showoff who likes to exceed the speed limit and make it around a corner on two wheels. You like to brag about your car's power and your skill. You always take dares and will always do anything once, even though it may be your last time to ever do anything.

You may be classified as the over-emotional type of driver. You lose your temper fast and express it by driving faster than you should. When someone does something wrong you yell at them and you try to get revenge.

Maybe you are a rationalizer. You never accept the facts. When you are in a car wreck it is never your fault. It is either the car's fault, the other driver's fault, or some other excuse you could think up.

Could you be the thwarted driver? Normally you are a weak sort of person till you get behind the steering wheel. Then you become powerful. You bully other drivers and pedestrians. You never give signals. You try to be big to traffic officers and other drivers.

If you are any one of these types of drivers I suggest you start trying to become a better driver, be a better sportsman, accept responsibility, and use good judgment. It is your duty as a driver to make the highways a safer place to drive on.

Roxana Hart

Plunkett Rites Are Held Here Friday, 2 P. M.

Mrs. Stella Ann Plunkett, 81, a long time resident of the Longview community in Bailey County, died in St. Joseph Hospital Nov. 4 at 10 a.m.

Her funeral was held Friday, Nov. 6, in the First Baptist Church, Muleshoe, with the Rev. J. E. Moore officiating. Burial was in Sudan Cemetery under the direction of Singleton Funeral Home, Muleshoe.

The Plunketts came to Bailey County in 1926. Mr. Plunkett died in 1949.

She was born Jan. 14, 1878 at Whitesboro.

She is survived by two children, a son W. L. Plunkett of San Jose, N.M., and a daughter, Mrs. Ona McGee of Fort Worth.

Pallbearers were U. S. Cooper, W. R. Young, Lewis Shafer, Arthur Shafer and Wilson Witherspoon.

TAKE GUIDED TOUR. This group of boys, known as the Royal Ambassadors, a boys organization of the First Baptist Church, Saturday went on a guided tour of Cannon Air Force Base near Clovis. They were shown through the Air Force Installation, and enjoyed hearing and seeing the details of the Link Trainer, a T-33 trainer jet, a huge cargo plane, and eating in the mess hall, along with many other interesting facts at the base. A total of 56 boys and 12 adults from the church made the trip.

John Kaltwasser Funeral In Lariat Thursday, 4 p.m.

John A. Kaltwasser, 84, of the Lariat Community, died at 4 o'clock Tuesday morning at his home.

His funeral was to have been held at 3 p.m. Thursday at St. John's Lutheran Church at Lariat, with the Rev. Andrew Szegedin of Hereford officiating.

Burial was to have been held in the Oklahoma Lane cemetery, with Singleton's of Muleshoe handling the arrangements.

The family moved to Parnell County in 1932 from Vernon.

He is survived by his wife and four children, Walter and Gilbert of Lariat; Rev. A. O. Kaltwasser of Altamont, Mo.; Mrs. Roy Murphy, Nebraska; and Clem Kaltwasser of Colwell, and 15 grandchildren.

Pallbearers were to have been Adolph, Henry, Arthur and William Haseloff, and Carl and Otto Striet.

Muleshoe Speech Club Will Make Holiday Float

Muleshoe High School Speech Club met Monday, November 9, with Nancy Julian acting as president. The club decided to make the P-TA float for the Christmas Parade. Phillip Billingsley was appointed chairman of the float committee.

In the very near future the Speech Club will present a one act hillbilly play "It's Cold In Them Thar Hills" for the Muleshoe Junior High students. A committee was assigned to take up the money at the play.

This is the 30th anniversary of the National Thespian Society and a letter was read at the meeting inviting MHS to form a chapter. To start the club they must have at least eight members. Ten students indicated they would be interested in joining. Dues will

be \$1.50 per year. It was voted to fine each member 10 cents for every meeting they missed. Students are excused when they are absent from school.

WEST PLAINS HOSPITAL & CLINIC
Dismissed
Rogue Puente, Mike Barker, Mrs. C. E. Roark, Roy Talamantz, George Tompkin, Roy Washing, Anna Bell Danner, C. T. Cunningham, Gary Cooper, Nelda Quinn, Harvey Andrew, Mrs. Cass Stegall, Lavon Stegall, W. C. Colbert, Baby Johnson, Baby Crazco.

Congratulations To:
Mrs. Willie James Muleshoe, boy, born November 5.
Mrs. Rogers, Sudan, girl, born November 9.

Department of Public Safety Doing Trailer Registration Educational Work

Officials of the Texas Department of Public Safety, Monday, termed the issuing of warnings to High Plains farmers and others about the registration of cotton trailers an educational program aimed at obeying the law.

At a meeting in the Plains Cotton Growers, Inc., office in Lubbock, officials said that only warnings had been issued at various gin points over the High Plains and letters outlining the policy of the Department of Public Safety are being distributed.

This program started in the Valley with the cotton harvest and it has now reached the High Plains, they explained.

The law concerning registration of farm trailers was passed in 1941 and the county tax collector has all information concerning the trailer registration.

"Public Safety officials said, "We would like this to be considered an educational program for voluntary compliance with this law". Some safety rules suggested include a burning red light on the rear of trailers, pulling of only one trailer, and adherence to the speed limits while pulling trailers.

Prior to the meeting between officials, House Speaker Waggoner Carr had been in contact with Col. Homer Garrison, Director of the Texas Department of Public Safety in Austin.

Crux of the situation is that trailers which exceed 4,000 pounds, gross weight, must be registered. Public Safety officials said the minimum registration fee for a 3,000 pound trailer for five months, the registration fee in this registration year, is \$4.13. Permits for higher gross weights will be from \$10.39 for 7,000 pounds graduated up to \$17.68 for 10,000 gross per trailer for farmers. Fees for gins who own trailers will be higher.

It was the consensus of opinion that the situation may not cause farmers additional harvesting cost this year. However, what remains to be done for future years seems to be the big question, which will be up to members of the legislature.

The Plains Cotton Growers will use their influence to remedy this situation.

P-TA Stunt Night Set For Nov. 16

The Muleshoe Parent-Teacher Association is sponsoring a stunt night activity, which is scheduled to be presented on Monday night, Nov. 16, beginning at 7:30 p.m.

The admission price has been set at \$1.00 for adults and 50c for students.

Any local club wishing to present a stunt is asked to contact Mrs. Pat Bobo, Mrs. Senn Slemmons, Mrs. L. S. Barron, or Mrs. Bernard Phelps. The stunt not to be more than five minutes in length.

A \$10 prize will be given for the best stunt. Gil Lamb will MC the program.

Muleshoe Freshmen and Sophomore class members are selling tickets.

Women's Country Club Association To Elect

The Women's Country Club Association, which was formerly the Ladies Golf Association will meet next Wednesday, November 18, at the country club with a luncheon at noon to be followed by a business meeting, election of officers for the coming year, and bridge.

All members are urged to attend please.

RUTH CIRCLE
The Ruth Circle of the First Methodist Church met in the home of Mrs. H. W. Hendon. Eight members were present. Mrs. Vernon Bleeker gave the devotional, Mrs. D. B. Lancaster

gave the study. After the business a social hour was enjoyed with refreshments being served.

M'shoe Chamber Favors Law To Exempt Trailers

Directors of the Muleshoe Chamber of Commerce Monday evening adopted a resolution favoring an amendment which would exempt from registration farm trailers weighing up to 12,000 pounds loaded. The resolution came during the regular November meeting of the Chamber of Commerce Board of Directors.

The directors also appointed a nominating committee, composed of W. F. Birdsong, Glen Williams, Frank Ellis, Wilbur LeVeque and John Crow.

This committee, which meets for the first time Friday afternoon, is charged with selecting the names of eight members to be placed on the ballot, with four of the eight to be elected as directors of the Muleshoe Chamber of Commerce, beginning their terms of office in January, 1960.

Four vacancies are occurring on the Board of Directors, including the posts now held by: J. V. Peeler, Jack Young, Jack Norris, and L. I. St. Clair.

Members of the Chamber will receive ballots by mail during early December, and may if they wish, write in the names of candidates for the directorships on their ballots.

New directors will be recognized at the annual membership banquet to be held January 14, 1960.

Wayland Plans Hall For Women

PLAINVIEW — Expected for the extra-session meeting of the Wayland Baptist College Board of Trustees on November 19 is Rev. E. K. Shepherd, Muleshoe, who was appointed at the November 4 meeting of the Baptist General Convention of Texas, according to W. A. Mays, Amarillo, chairman of the Board.

Trustees will consider ways and means of raising funds for a 100 unit women's residential hall and additional married student housing since they have gone on record as being opposed to borrowing from the federal government. At the October 6 semi-annual meeting, members of the board unanimously voted not to make application for federal funds as this, in their opinion, violated the historic principle of separation of church and state of Baptists.

News release on this decision has created widespread editorial comment throughout the United States and brought to President A. Hope Owen a flood of commendatory letters, telegrams and telephone calls. The October 28 Baptist Standard carried details of the decision and a half page of editorial comment by the editor, Dr. E. S. James.

Student Council To Run For A State Office

Muleshoe High School Student Council voted Friday, November 6, to run for the office of Parliamentarian of the Texas Association of Student Councils. The convention will be held in Amarillo this year during the last of March and the first of April, 1960.

At Friday's meeting the group had pictures made for the annual Robert Robinson announced that the Student Council pins have arrived. Each member that ordered one must pay Sue Logan \$2 no later than Thursday, November 12. He said that a man would be at school today, Thursday, November 12, to take orders for Student Council sweaters.

To buy, sell, rent, or trade, use the Journal want ads.

Workman Suffers Serious Head Injury At Clay's Corner Gin

Raymond Williams, of Progress suffered serious head injuries Wednesday afternoon in an accident at The Clays Corner Gin.

He was working on portions of the ginning equipment, and the switch was accidentally thrown, pulling him into the machinery, and catching him by the head, it was said, and it took some time to release him.

He was brought to the Muleshoe Hospital by ambulance. Thursday his condition was reported as fair. The exact extent of his injuries are not yet known.

Citizens Are Cautioned About School Bus Law

Strict compliance with the law requiring vehicles to stop before passing a hauled school bus was urged today by Captain E. L. Posey of the Texas Highway Patrol, Lubbock District.

He said, "An unusually heavy toll of casualties in school bus accidents since schools opened this fall should serve as a challenge to all motorists to save their children from death and injuries, simply by obeying the law."

Captain Posey reported that since September 1, there have been 10 fatalities and 97 injuries resulting from accidents involving school buses across the state. He pointed out that the great majority of the victims were children being transported to and from school.

The school bus law is very simple and specific. It requires vehicles from either direction to come to a complete stop before passing a school bus which is discharging or taking on passengers. After stopping, you may proceed around the bus at a speed not to exceed 10 miles per hour.

The Patrol Captain noted that the law carries penalties up to a \$200.00 fine for violation, but added, "The real penalty lies in the possibility of killing or injuring a small child."

"While the Highway Patrol is constantly on the alert for offenders, obviously the real responsibility for keeping our children free from totally unnecessary harm on their way to and from school belongs to every driver to think about every school bus he approaches as if it were carrying one of his own children.

City Charter Commission Is Named by Council

A Charter Commission has been selected by the City Council to study a proposed home rule charter for Muleshoe and to make recommendations regarding such a charter's provisions.

It was established at a hearing held by the Council last week that there are now more than 5,000 persons residing in the city, and so the home rule charter may be adopted if the people choose to do so.

It was pointed out that before any election is held, each qualified voter will be furnished a copy of the charter proposed, and it is entirely up to the voters as to whether it will be adopted.

Mayor W. T. Bovell announced the names of 15 men to serve on this Charter Commission, as follows:
Owens Jones, Jack Young, Gil Lamb, Sam Fox, Carroll Pouncey, Irvin St. Clair, James Glaze, Horace Edwards, E. O. Baker, Alex Williams, Lindal Murray, W. Q. Casey, M. D. Gunstream, Cliff Griffiths, and Roy Whitt.

He is presently assigned to the Missile Test Department.

Baptists Name Rev. Shepherd

CORPUS CHRISTI — The Rev. E. K. Shepherd, pastor of the First Baptist Church of Muleshoe, was named to the Executive Board of the Baptist General Convention of Texas and also to the Board of Trustees for Wayland Baptist College, Plainview.

Election of the board members and trustees took place during the business session of the state Baptist Convention Wednesday afternoon. More than 320 pastors and laymen were elected to places of responsibility in the 24 Baptist institutions.

The Baptist General Convention of Texas owns and operates nine colleges and universities, eight hospitals and four children's homes. More than 1 1/2 million Texans are members of the denomination's 3,857 churches.

Hall Funeral Services Held November 8

Funeral services were conducted November 8 in the Assembly of God Church for Mrs. Mary Ann Hall, Childress County resident for more than 40 years who died at 3:50 p.m. Friday in the home of a daughter, Mrs. Bill Prescott, 309 Avenue C, Southwest, following an illness of several months.

Directing services was Rev. Lloyd McIntosh, local Assembly of God pastor, and Rev. Horace Reeves of Plainview. Grandsons served as pallbearers and burial followed in Childress cemetery under the direction of Newberry Funeral Home.

Mrs. Hall, 77, was born April 21, 1882, in Sunset, Texas, and was married to E. C. Hall on January 21, 1901 in Decatur. She came to Childress County in 1916 from Alvord. She was a member of the Assembly of God Church.

Survivors include her husband of Childress; two sons, J. D. of Wichita Falls and Rube of Childress; four daughters, Mrs. Alex Little and Mrs. Kenneth Prince of Decatur; Mrs. Archie Sharp of Burkburnett, and Mrs. Prescott of Childress; one brother, D. L. Greenwood of Spade; four sisters, Mrs. Ollie Bermillion of Lubbock, Mrs. Joe Huddleston of Post, Mrs. Elmer Coats of Denver City, and Mrs. Frances Beaty of Tahoka; 15 grandchildren and 17 great-grandchildren.

Attending from Muleshoe were Mr. and Mrs. Jack Little and boys, Mr. and Mrs. Ed Little and boys, Mr. and Mrs. Walter Sain, and Mr. and Mrs. J. R. Ottwell.

Gerald L. Pellham Of M'Shoe Fights Forrest Fires

Gerald L. Pellham, seaman apprentice, USN, son of Mr. and Mrs. Granville Pellham of Rt. 4, Muleshoe, was among 218 Point Mugu sailors who helped forestry service crews battle recent Southern California forest and brush fires.

Pellham, who volunteered for this fire fighting assignment, worked along side foresters in the 14,200 acre blaze at Angeles National Forest near Castaic, Calif. Divided into crews, the sailors cleared fire lines, cut underbrush and dug trenches preventing a re-start of the blaze. These crews worked continuously for 11 hours on the fire lines.

Pellham enlisted in the Navy in September 1958. He reported to the Naval Missile Center, Point Mugu in Dec. 2, 1958 from the Naval Training Center, San Diego, Calif.

Junior High Music Students Aided By Chorus In Recital Monday Night

Mrs. Elizabeth Laing presented her students in a musical recital Monday night at 7:30 in the high school auditorium. Muleshoe Junior High chorus presented a group of folk songs. One was directed by student director, Donna Baker, with an organ accompaniment by Mrs. Laing.

Plano solos were played by Virginia Bowers, Barbara Simmons, Victor Coker, and June Proves.

A piano duet was played by Linda Well and Virginia Bowers. Jack Griswold played a clarinet solo and Dianne Hodge played an organ solo.

Ushers for the program were Tommy Black and Albert Owen.

This was the first time for the Chorus to use their new uniforms of white blouses with black scarfs and black skirts.

Members of the chorus are: Joyce Adams, Pat Akin, Donna Baker, May Baker,

Paula Baker, Wanda Bleeker, Virginia Bowers, Warren Bragg, Suzy Lee, Alesha Moore, Debbie Sue Reeder, Barbara Simmons, Patsy Tandy, Anita Watrous, Linda Wells, and Phyllis Williams.

The Esther Circle Meets Nov. 10th

The Esther Circle met November 10 at the home of Mrs. Robert Hooten.

Mrs. Robert Hooten gave the opening devotional. Business was discussed and it was announced that our next meeting would be with Mrs. Jim Fite.

Mrs. O. N. Jennings gave a very informative talk on "American Federation of Women." Bernice Douglas concluded her talk with information on what foreign WSCS do in their meetings.

Eight members and one guest, Mrs. O. N. Jennings, were present. Meeting was adjourned with a prayer.

Philathea Circle Meets Nov. 6th

Philathea Circle of the First Methodist Church met November 6 at the home of Carol Mann. The devotional was given by Margaret Adams. A short order of business was held.

The program on "Those Turbulent Teen-Agers" was given by Polly Bass. Bobby Putman gave the closing prayer. The members present were Pat Nickels, Beth Blair, Bobby Putman, Polly Bass, Bette Cowan, Margaret Adams, Carol Mann and one guest, Billie Haskins.

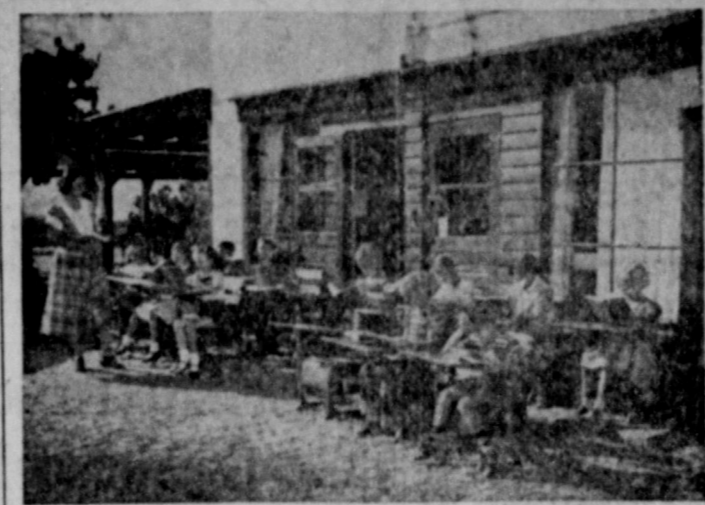

Miss Wuerflein Candidate For Wayland Queen

MARSHA WUERFLEIN

PLAINVIEW — Martha Wuerflein, daughter of Mrs. Lillie Wuerflein, Muleshoe, is one of 11 candidates for Homecoming Queen at Wayland Baptist College with coronation ceremonies slated for the evening of November 20 and the Queen will reign over the weekend festivities, according to Vernon Norris, Springfield, Ore., secretary of alumni affairs.

Competing against Miss Wuerflein, who is a candidate of Home Economics Club, are: Ruth Saenz, Post, Cosmopolitan Club; Carol Hester, Humber, Okla., Mission Band; Shirley Vernon Miller, Plainview; Texas Student Education Association; Jeanie Berryman Gonzales, Amherst, Philoklans; Doris Crisp, Shallowater, Speech Club; Martha Jim Baker, Thomaston, Ga., International Choir; Genell Cornett, Brownfield, Freshman Class; D'Lila Beckner, Clayton, N.M., Sophomore Class; Janice Grant, Levelland, Junior Class; and Janet May, San Andres, Colombia, South America, Senior Class.

CLASSES OUT OF DOORS in the brilliant sunshine and healthful climate are conducted frequently at Sahuaro school for asthmatic children at Tucson, Ariz. Operated by the National Foundation for Asthmatic Children, Sahuaro school currently is providing resident care under medical supervision to 62 boys and girls, ages six to 12, from all parts of the nation. More than 87 per cent of children at Sahuaro school can return home to stay after a sojourn at this rehabilitation center. Public contributions make operation of Sahuaro school possible.

Sahuaro School Provides Resident Care for 62 Asthmatic Children

Tucson, Ariz.—The National Foundation for Asthmatic Children has provided resident care at Sahuaro school, which it operates here, to more than 150 boys and girls afflicted with the disease and now discharged since the institution was established September 1, 1954. Current school population is 62 asthmatic children from 19 states and two foreign countries, according to A. B. Sieh, foundation executive director.

The foundation, supported by public contributions, paid total expenses of 70 per cent of pupils and bore partial costs of the remainder, he said.

More than 87 per cent of children at Sahuaro school can return home to stay after a sojourn, average length of which is two years, at this rehabilitation center, Sieh declared.

"The foundation limits itself to care for children between the ages of six and 12 because of the desire to deal with reversible asthmatic changes, and because experience at Sahuaro school substantiates the conclusion of our medical staff that this age bracket is one of greatest response and recovery," he said.

Sahuaro school, which consists of a neat cluster of sturdy buildings resting on a picturesque knoll extending over 10 rolling acres, was opened in 1941 as a private school for boys who needed this climate. In 1949, a group of interested Tucson citizens got together and decided something more should be done for asthmatic youngsters whose parents were unable to afford the transfer to Arizona. The result was formation of the National Foundation for Asthmatic Children and acquisition of Sahuaro school in 1951. Sieh was named executive director of the foundation in 1954.

Sahuaro school now has a lengthy waiting list, and the foundation hopes soon to expand present facilities to give care for a minimum of 150 children.

Candlelight Ceremony For CARE Marks Meeting Of Woman's Club

Mrs. Thurman White, president of the Muleshoe Study Club, will light the first candle in a special Thanksgiving "Count Our Blessings" program observance. This is dedicated to sending CARE Self-Help to people around the world.

The candle-lighting ceremony will be held at the club's meeting November 12 in the Production Credit building, as part of a national "We Count Our Blessings" program which will originate at the General Federation of Women's Clubs Headquarters in Washington, D. C. Each participating member will make a contribution to the current GFWC-CARE campaign, which seeks to provide tools and equipment to help people help themselves. Throughout the nation, 16,000 Federated clubs are participating by holding similar Thanksgiving observances during November.

"We believe that the best way to give thanks for America's blessings is to give help, and hope, to others," Mrs. White said. "Above all, by helping people to help themselves, we feel we are bringing closer the time when they,

too, will enjoy plenty — when our children, and theirs, can live together in friendship and peace. The candle-lighting program has been planned primarily for members, but we will warmly welcome the support of any one who may wish to join us by making a Thanksgiving contribution to the GFWC-CARE Campaign."

Thanksgiving Plans Made By S. S. Class

Friendship Sunday School class of the First Baptist Church met Thursday night, Nov. 5, in the home of Mrs. R. D. Precure for regular meeting and social with 16 members and four visitors present. Mrs. C. M. King served as co-hostess with Mrs. Precure.

The meeting began with a lovely dinner, served by the hostess. After dinner the meeting was called to order by the class president, Mrs. Precure. Mrs. W. T. Andrews gave the devotional. Business both old and new were discussed.

Committees were appointed to see about the Thanksgiving projects. December activities also were discussed. After the business session Mrs. Cecil Tate was in charge of the social hour.

Bailey County Woman Honored At Eastern N. M.

Eastern New Mexico's selections for recognition by the publication "Who's Who Among Students In American Colleges" were announced this week by Dr. Jack Mears, Dean of Personnel.

Among the 28 selections was Paula Griffith Paul, who is in the division of fine arts, language and literature. She is the daughter of Mr. and Mrs. Frank Griffith, of the Three Way Community.

Local People Attend Albuquerque Wedding

Mr. and Mrs. John St. Clair and Juanita visited recently with Mrs. St. Clair's brother, Carl Dyer and family of Albuquerque and attended the wedding of their nephew, Airman 2/c Charles Dyer, and Miss Ida Thaverson, on October 31 at 7 o'clock p.m. at the West Side Baptist Church.

On Tuesday night the Charles Dyers were the overnight guests of the John St. Clairs. A supper was given for them. Those attending were Mrs. Mack Fisher of Cotton Center, Mr. and Mrs. Layman Elkins of Olton, Mr. and Mrs. John A. St. Clair, Jana and Johnny Lee, Texico; Mr. and Mrs. Gerald Elkins, and Cynthia, Hart; Mr. and Mrs. I. V. Pierce, Muleshoe; Juanita St. Clair, Mr. and Mrs. Charles Dyer, Mr. and Mrs. John Dyer.

The Charles Dyers were enroute to the Shepherd Air Force Base near Wichita Falls, where they will make their home.

VISITS PARENTS HERE

Airman John Aillsworth is spending 15 days here with his parents, Mr. and Mrs. Dave Aillsworth. He is enroute to Boloxi, Miss., to a new station at Reno, Nev.

HERE FROM MEADOW

Robert Lyles of Meadow was attending to business in Muleshoe Wednesday. He owns some land near here.

Large Crowds Viewed Paintings Shown By Local Artists Sunday

One might have imagined himself in Greenwich Village here Sunday afternoon as he viewed 175 paintings of local ladies, placed on view in the bright sunshine on Piggly Wiggly's parking lot.

The show marked the end of a 10 weeks art school conducted here by Dr. Emilio Caballero, head of the Art Department of West Texas State College, Canyon, in which 28 women and two children were enrolled. The group met each Tuesday night in the school cafeteria. Each person was expected to complete at least 10 paintings.

The ladies exhibited five and more paintings each and all excepting two had their paintings on display Sunday. Viewers were numerous and it seemed that everyone who came examined each picture, in some cases several times, returning to examine them further. And there were visitors from Clovis, Plainview, Lubbock, Littlefield, Sudan, Morton and other Plains communities.

Organize Club

At the close of their school, the local artists were so enthused about it that they formed a permanent organization and they will hold regular meetings. They feel they were extremely fortunate to get such a well recognized authority to teach them; and Dr. Caballero expressed amazement because his pupils showed such a spirit of sincerity and enthusiasm, and he was generous with his praise of the quality of work as he viewed the displays Sunday.

The following were enrolled in the class: Mesdames Rudolph Wiedebush, J. M. Forbes, A. J. Lenderson, M. S. Childers, W. Q. Casey, Roy Whitt, M. D. Gunstream, Cayle Reed,

Methodist Youth Fellowship News

Last Sunday afternoon the MYF of the First Methodist Church went to Bovina for a "Shining Light" Sub-District meeting. Eight youths from Muleshoe attended the meeting.

A missionary told about her adventures in the Belgium Congo. The missionary has been in the Congo for three and one-half years. It was a very interesting program and all who attended were inspired.

Following the Sub-District mass meeting, there was a Sub-District council meeting at the Y.L. Church.

The Intermediate and Senior MYF collected \$75.75 for C.R.O.P. They appreciated all contributions that were received on Halloween afternoon.

Lamb County Council of P-TA Clubs Meet

The Lamb County Council of P-TA met Tuesday, Nov. 3, in the Spade high school gym, with the President, Mrs. L. E. Sullins, presiding. Those attending were, Mrs. Edd Edmiston, Muleshoe, Mrs. Melvin Hines, Olton, Mrs. J. M. Farmer, Mrs. I. T. Shotwell, Mrs. Frank Rodgers, Littlefield, Mrs. John Vrubel, Mrs. W. B. Jones, Mrs. Bill Cook, Mrs. Luther Wood, Mrs. Robert Ramage, Mrs. Travis Hopper, Mrs. Leon Leonard, Mrs. Edward Mitchell, Mrs. Willis Apple, Mr. Willis Apple, Mr. J. S. Bridges, Mr. David Bardin, Spade.

The Spade P.T.A. boys gave a working demonstration of Parliamentary Procedure.

Mrs. L. E. Sullins was elected to represent the council at the State convention to be held in Dallas November 18-20. Mrs. J. M. Farmer was elected as her alternate.

GLAMOUR FINISH FOR BAKED HAM
 Try this glaze! Mix together 1 cup Imperial Brown Sugar, 1 teaspoon dry mustard and enough orange juice or pineapple juice to moisten. Or combine 1/2 cup Imperial Brown Sugar with 1/4 cup crushed pineapple. About 30 minutes before end of baking, trim off rind from ham; spread with glaze and return to oven.

"N

HAMS, YAMS

DANDY YAMS Peel and halve 8 medium sweet potatoes lengthwise, brown in 1/4 cup butter or margarine in skillet. Arrange sweet potatoes in 2-quart casserole, along with butter. Add 1 cup Imperial Brown Sugar, 2 tablespoons honey, 1/2 cup orange juice and 1 teaspoon orange rind; cover casserole and bake at 450° 45 minutes. Remove cover; bake 20 minutes longer or until tender, basting often. Makes 8 servings.

PECAN PIE!

PECAN PIE IMPERIAL
 1 10" unbaked pastry shell 4 eggs
 1/2 cup pecans 1/2 cup light cream
 1/4 sticks butter or margarine 1 1/2 teaspoons vanilla extract
 1 lb. Imperial Light or Dark Brown Sugar
 Pour pecans into unbaked pie shell. Distribute evenly. Cream butter and add Imperial Brown Sugar and blend. Add eggs, one at a time, blending thoroughly. Add cream and vanilla. Pour into pie shell; cover pecans and bake one hour at 350° F.

Closed Sundays

Hams and yams and pecan pie. A festive meal to make gourmets cry. Shop Piggly Wiggly for this treat, Brown sugar glazed and good to eat. Serve it once and you'll see why, They all like hams and yams and pecan pie.

Parmer County Farm Bureau News

Our hearts go out in sympathy for the Matt Jesko family and relatives in the tragic loss of their daughter, Clara Jean Wheat, and her husband, Kenneth. Clara Jean was Parmer County Farm Bureau Queen in 1954, and we have had regular business correspondence with her and her husband since they married.

We visited in the home of the Herman Siffords at Bridwell Ranch Headquarters one day last week. The location is 48 miles northwest of Friona, and except for the modern house and conveniences, the area is much like those related in Western pictures, kind of like it was around Friona when we moved here in 1929. The last report we had on county delegates to the Texas Farm Bureau Convention in San Antonio indicated that five or six went. Herman Gerles, President, Gilbert Kaitwasser, past president, Vernon Symcox, Secretary-Treasurer, and Ernest Kube, a member. Others who may have gone are Raymond Schlabs, director of Black Community, John Hend-

erson, Black Community member, and Franklin Bauer, Rhea Community director. The other men are from Farwell, Oklahoma Lane and Bovina areas. This is the first time in 10 years that we have not attended the annual convention, and it seems kind of strange. We are glad for the good delegation that went, and at least three of them have not attended before.

The Secretary of Labor's committee report regarding employment of Mexican Nationals makes it sound like farmers aren't fit to hire hired hands.

Florida has a law against selling lewd and indecent magazines. One local operator of a newsstand was recently convicted, and it is reported that almost all newsstands in that town had gaping holes the next morning where such magazines had been displayed. We'll be glad when Texans pass a law like that and clean up some of the stands in this state. We believe this needs to be done as long as children continue to be born and grow up. They are the best customers, you know.

Radio news commentator, Paul Harvey, speaking in Lubbock recently, stated that 12 persons connected with the administration of UNESCO have been identified in sworn testimony before congressional committees as Communists. He said six others refused to appear before government loyalty boards. UNESCO, you know, is the U. N. Agency that is attempting to determine what your children are taught in school, particularly concerning history and patriotism. It advocates one worldism as opposed to Americanism. The strange thing about this is that America is the only one of the large nations that is falling for this kind of stuff; and it is also strange that America is furnishing the bulk of the money to promote this kind of thing. (It's your tax money.) United Nationsism is a long way from Americanism, and we're one hundred per cent for Americanism.

CONSIDER THIS: To have respect of persons is not good; for, for a piece of bread that man will transgress. Proverbs 28:21.

RESponsible Party Wishes To Rent 3 Bedroom House Phone 9-0583 44-tfc

Farm Questionnaires Are Being Mailed

Questionnaires for the 1959 Census of Agriculture are now in the mail and will be in the hands of local farmers within a few days, it was announced today by Field Director James W. Stroud of the Census Bureau's regional office at Dallas.

The 1959 Census of Agriculture questionnaire is designed to provide information on the number and size of farms, acreage and harvest of crops, livestock production and inventories, selected farm facilities and equipment, selected farm expenditures, farm values, and mortgage debt. On the average, each farmer is asked about 100 questions, many of which can be answered by simply checking "yes" or "no".

Junior Cass Try-Outs Being Held For Annual Play Set For December 17

The Junior Class of Muleshoe met in the high school auditorium for the Junior play tryouts. The title of the play is "Love is in the Air". The characters to be in the play are as follows: Rex Miller—Elmer Truitt (head of the Truitt tribe); Pat Thompson—Gert Truitt (Elmer's wife); Doris Ann Gilbreath—Gladys Truitt (Roscoe's girlfriends); Benny Joe Moore—Clarence Truitt (one of the leaders of Hope Springs High); James

Ethridge—Gramps (crotchey father of Gert Truitt); Sandra Taylor—Maggie Truitt (half-child and half-vampire, eager, melodramatic, brattish, and adorable); Ronald Julian—Hugo Nogginoecker (the literal-minded, overgrown, and tenderhearted pal of Clarence Truitt's); Shirley Burlesmith—Jackie Summers (a "real knockout" and something of a diplomat); Travis Waters—Roscoe Blipp (the bashful, timid soul whom Gladys would like to think is a darling, romantic suitor); Linda Blair—Poodles (Maggie's pal); and James Towns—Beanie (a skittish high school freshman). Others performing in the play are the three Lady Buffaloes, Kay Landers, Magan Lamb, and Judy Kay Lambert.

Local People Tour Carlsbad Caverns

Bill Shafer of Muleshoe toured one of the Eight Natural Wonders of the World—Carlsbad Caverns National Park in southeastern New Mexico.

Winter is the ideal time to visit the famous underground wonderland due to its mild wintered location and its proximity to the southern coast to coast route.

Carlsbad Caverns are unequalled in size and splendor of formations. A feature of the winter schedule is a scenic room tour daily which enables the visitors to see the Kings Palace, Queens Chamber and Papoose Room following the 1:55 tour of the Big Room, which is the world's largest. The scenic rooms are considered the most beautiful in the cave, and are seen otherwise only on the walk-in tours.

Carlsbad Caverns National Park is open every day of the year. The present winter schedule includes four elevator trips, four walk-in trips, a scenic tour and a camera tour daily. The first tour starts at 8:30 a.m. and the last complete tour at 1 p.m. Partial tours start as late as 2:45 p.m. Mountain Standard time.

Meals are served in an underground lunchroom which seats 1000 and above ground in the new Visitors Center.

Several committees were established for this play. The crew is as follows: Promoters—Jonnie Burris, Lynda Lee, and Wanda Parker; Lighting—Derrill Lancaster; Properties—Goldialu Goucher, Norma Hennington, Jimmie Patton, and the chairman, James Shepherd.

Usherettes—Martha Elmore, Virginia Hickman, Janie Sanders, and the chairman, Sandra Broyles; Make-up—Carolyn Burge, Jana Goodwin, Phillip Billingsley, and Donna Guinn; and Costumes—Joy Autry and Lynda Gillis. All of the positions for the committees have not been fulfilled.

Everyone is looking forward to this great play and hoping you will come see it.

Rebekahs Plan Rummage Sale

The Muleshoe Rebekah Lodge No. 114 met at the hall Tuesday night, November 10, for a very impressive initiation of one new member, Peggy Lay. The team was composed of Mary Murrell, Noble Grand; Vice Grand Mary Taber; Chaplain Callie Smith; Past Noble Grand Lucille Gross; Warden Fern Davis; Conductor Barbara Burton; Outside Guardian Grace Kemp; Inside Guardian Ona Berry; Right Supporter to the Noble Grand Ina Owens; Left Supporter to the Noble Grand Diana Stewart; Right Supporter to the Vice Grand Mary Finley; Left Supporter to the Vice Grand Grace Morgan; Musician Jessie Robinson; Team Captain Evelyn Calder. Others taking part in the degree work were LaRue Kemp and Tom Smith.

The rummage sale will be held again this Saturday, November 14, near the Berry Electric Store.

Callie Smith was appointed by the Noble Grand to be one of the committee members to work with members of other lodges in Bailey County on the UN program.

The Muleshoe Rebekahs will put on a skit Monday night at 8:00 p.m. for the P.T.A. in the high school auditorium.

After the meeting adjourned pie and coffee were served to the new member, two visitors from Littlefield, Daisy Stewart and Stella Edwards, and 16 members.

The visiting hour following the meeting was a most enjoyable one.

Canton To Meet

Canton and Auxiliary No. 31 will meet Friday, Nov. 13, in the lodge hall. All members are urged to be present.

Local Farmers Invited To Give Milo To Feed Boys Ranch Stock

Farmers of this area are being invited to contribute 100 pounds of maize to Boys' Ranch, to help feed their hogs, dairy cattle, and sheep. The movement is gaining momentum over the great milo growing Plains country. The Journal was told this week by J. Muri McCasland, of Amarillo, owner of several farms in the Muleshoe country, who was here on business for a few days.

Mr. McCasland himself has started the ball to rolling in the Muleshoe territory by personally contributing 1,000 pounds of grain at 14 different elevators here and in the surrounding country.

He said that the monthly feed bill for the Ranch livestock runs several hundred dollars; if enough farmers will give 100 pounds of milo through the elevator where they bring their grain, there soon will be sufficient feed on hand and the Ranch can use the money usually spent to buy feed for other needed things.

Beef Club Organized

Mr. McCasland has interested himself in the Boys' Ranch Beef Club, too, and showed The Journal man a long list of families and firms who are contributing one beef a year, pigs, or money to help buy beef animals. He has himself given recently three heaves, one nurse cow, and a calf to the program. Two heaves are

needed to feed the boys a week, he said.

Those who contribute a beef will receive an official BR branding iron that was made by the Boys Ranchers themselves and the name of the boy who made it will be on the handle.

Writing recently of Cal Farley, the founder of Boys Ranch, Mr. McCasland said: History has no greater hero than the man who gave up great material gain in business to give all his money and time to the greatest business in the world . . . making a good man out of a boy. The records show him to be just an ordinary man but eternity will accept him as a part of God on this earth.

ROBERT ALLEN BERRY, JR.

Mr. and Mrs. T. W. Berry visited last Sunday in Littlefield with their daughter-in-law, Mrs. Robert Allen Berry and their new grandson, Robert Allen, Jr. Also visiting in Littlefield with the Berrys were Mr. and Mrs. Lester Perkins, now of Lubbock, Mrs. L. A. Harper, Gary and Denise of Muleshoe, another son Mr. and Mrs. Frank Harper from Dallas.

Lubbock Social Security Office Pays Out More Than Nine Million Per Year

As of February, 1959, old-age, survivors, and disability insurance monthly benefits were being paid in the Lubbock District at the rate of nine million dollars a year, according to John G. Hutton, manager of the Lubbock Social Security District Office.

"This is an increase of about 38% over last year," Mr. Hutton said. Hutton stressed that while the benefits are intended primarily for the beneficiary's economic security, the payment of social security benefits at the rate of \$202,000 a year in Bailey County helps business in the community because most of the money is spent immediately for food, clothing, and other necessities. "In February, social security benefits were being paid nationally at a rate of nearly 10 billion dollars annually."

"Payments to a retired worker with no dependents, receiving benefits, averaged \$67.50 a month nationally in February, and to a retired couple — \$119.40 a month," Mr. Hutton said. The average for a widow with two young children was \$165. The maximum payment for a family is \$254.

"There were several reasons for the increase in beneficiaries over last year," Mr. Hutton said. The long-term growth of the aged population and of the proportion of the aged population eligible for benefits are important factors in the continuing increase in the number of beneficiaries. Other reasons for the increase of beneficiaries are found in the provisions of the 1958 Amendments to the Social Security Act which now make it possible for the wife, dependent husband, and children of a disabled-worker beneficiary to receive monthly payments. The amendments also provide

for benefits to aged dependent parents of a deceased worker even though other survivors are entitled to payments.

Moreover, Mr. Hutton points out, it is now easier for a disabled worker to qualify for benefit payments. He no longer needs social security credit for 1 1/2 years' work in the last 3 years before he became disabled. If he worked under social security for at least 5 years out of the 10 before he became disabled, he may be eligible for disability benefits.

"Increases in average benefit payments reflect the 7 percent raise in benefit amounts which became effective with the checks for January, 1959," Mr. Hutton said. Average disability benefit payments also reflect the elimination of the so-called "offset" provision in the old law. Disability benefits under social security are now payable in full even though benefits are also payable under State workmen's compensation or under some other Federal Government programs.

Volunteer workers, headed by Mrs. Paul Coulter of Water Valley, will wrap each item in cellophane.

Many of these gifts will be put on display in the Volunteer Services Building at McKnight, for patients who are able to leave their beds to come and make a selection.

For those unable to leave their beds or their buildings, volunteers will take a selection of gifts to them.

Patients do not purchase the gifts — they are free, through the generosity of West Texans. The patients are given gift certificates—and with these, they "buy" the gifts.

Volunteer workers then wrap and mail the gifts to the patients' family.

Workers have already begun collecting items suitable for gifts. But many are needed. You may send ladies stockings, men's socks, underwear, toys for children — anything that a patient might be pleased to give someone in his family.

Cash donations are needed, too. Cost of wrapping and mailing gifts this year is estimated at \$400. Make checks payable to McKnight Patients Christmas Gift Shop.

Wherever you live, you may send items at no postage cost to you — simply take the package to the motor freight line office in your city and mark the package to go to the Christmas Gift Shop at McKnight State Hospital. The freight line will deliver it free of charge.

Gifts must be at McKnight by Nov. 20. Send yours today.

Sheryl reported that there has been \$40.00 donated to the club to help pay for their expenses this year. Pleasant Valley 4-H Club has chosen this means of thanking everybody who has donated money to the 4-H Club, to help pay for their expenses. This is greatly appreciated. The president appointed activity leaders for the coming year. Romana McMahan, song leader; Carolyn Allison, recreation; Mike Bryant, refreshments, and Mack Allison, program leader.

Refreshments were served by Paula Holt and Mike Bryant. The meeting was adjourned and a film was shown on citizenship.

There were 22 members present and four new members as follows: Junior Landers, John Pitts, Mary Van Dyke, and Barbara Van Dyke.

There were 22 members present and four new members as follows: Junior Landers, John Pitts, Mary Van Dyke, and Barbara Van Dyke.

Today's Meditation

Read I Peter 2:20-25
I am the good shepherd; the good shepherd gives his life for the sheep. (John 10:11.)

A picture which has always impressed me shows the shepherd leaning over a precipice. He is pictured as risking his life to save the sheep which is caught in the brambles.

But that picture hardly gives a complete idea of what our Lord means when He says of Himself, "I am the good shepherd."

In His few words there is an ocean of love. No one can take the place of Christ. He is the Shepherd. Those words of His imply an impassioned search for the sinner, a search impelled by a love that is limitless. It does not stop even when facing death. The Lord Jesus Christ signed and sealed this definition of Himself by giving His life for His sheep.

His sheep know He is the good Shepherd. The sheep know what that means. It means protection as with Him they go down the paths of the world without fear. The good Shepherd leads the way.

PRAYER: We thank Thee, our Father, that our Lord Jesus Christ is the good Shepherd.

Be Good To Yourself

4-H Report
The Pleasant Valley 4-H Club met November 4 in the community building at 5:00 p.m.

The meeting was called to order by the president, Johnny West. The roll call was read by Sheryl Stevens, the secretary, and members answered by their projects for the next year.

for He gave His life for us. He finds for us the green pastures and the still waters. Grant that we may grow in our love for Him. Teach us to obey Him, so that we shall not go astray. Help us to heed His voice and to follow Him. In His name we pray. Amen.

THOUGHT FOR THE DAY: I will entrust myself to the good Shepherd and obey Him. Francisco E. Estrella (Mexico)

World-wide Bible Reading—Hebrews 12:1-17.

David Shepherd Named Editor Of Wayland Paper

PLAINVIEW — David Shepherd, son of Rev. and Mrs. E. K. Shepherd, Muleshoe, has been selected Sports Editor of the weekly school newspaper, The Trail Blazer, at Wayland Baptist College.

Shepherd, a 1958 graduate of Muleshoe High School, is seeking a Bachelor of Arts degree with a major of English and a minor of Speech from Wayland College.

He is vice president of McDonald Hall, president of the Student Government Association, and is a Sophomore Senator on the SGA.

The Trail Blazer is one of the three student publications at Wayland. Others are the school yearbook and the literary magazine. All are under the supervision of Publications Committee of the college. These publications provide students with valuable training and outlets for creative efforts.

The Paul Robinsons Are Honored With Birthday Dinner Party

Rev. and Mrs. Paul Robinson were honored with a surprise birthday dinner party Saturday evening in the home of Mr. and Mrs. Finis Kimborough.

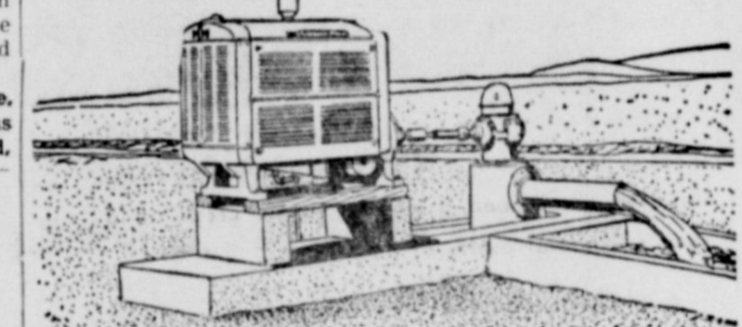

More than 30 friends called, and presented the Robinsons with lovely luggage.

After enjoying a delicious turkey dinner, the group enjoyed singing. Mrs. Gail Hoover accompanied them at the piano.

RESOLUTIONS RECOMMENDED BY THE LAZBUDDIE FARMERS UNION

The basic underlying reason that farmers are seldom able to earn more than half of a parity income is their largely defenseless bargaining position in the administered-price, and administered-production general economy, which requires the farmer to sell for what he is offered and to buy at the price that is asked of him. We recognize that the strong bargaining power of industry, organized labor, and food processors has been acquired by their strenuous efforts to expand domestic and export demands and by adjusting market supply of commodities and services to effective demand, thereby controlling prices and maintaining profits. We feel that farmers in self-protection must learn to build and use similar devices, such as a workable proration system involving both farmer-controlled private and public commodity marketing operations. We, therefore, adopt the following resolutions at the local level as a means of accomplishing this kind of control over the market supply and price of our products. The Lazbuddie Local of Farmers Union recommends the following resolutions:

A. GRAIN SORGHUM, CORN, AND OTHER FEED AND FORAGE CROPS:

1. We favor setting up a parity income program for producers of grain sorghum, corn and other feed grains and of forage along the following lines:

a. Allot each feed grain and forage producer a feed grain and forage acreage allotment of not less than 60 percent of plantings in previous eight years adjusted for abnormal production conditions such that the national total allotment will equal the total production, with average yields, that will be consumed in the year ahead with price maintained at the parity income equivalent level for the different feed grains and forage crops. Acres diverted from production of feed grains and forage by operation of this program could not be used for commercial production of other farm commodities during the crop year.

b. The farm prices of grain sorghum, corn, and other feed grains should be maintained at the parity income equivalent level by means of price support loans, purchases, and purchase agreements.

c. We urge repeal of laws applying the sliding scale to feed grains, and we urge immediate classification of all feed grains as "basic crops" and their support at parity of income.

d. We also urge that commercial storage handling charges and storage rates be maintained at a fair and competitive level.

B. COTTON:

1. We regard the recent Federal legislation pertaining to cotton as being more favorable to processors than to family farm producers. Therefore, we urge immediate repeal of the legislation amendments providing the quota alternatives known as Plans "A" and "B". Viewing with disfavor any scheme to promote greater production for lower returns, we urge the early establishment of a comprehensive cotton program conducted along the following lines and designed to keep supply in line with effective demand and thus to raise price to a parity-of-income level:

a. Allot each cotton producer a marketing quota for domestic U. S. use with return to producer maintained at the parity income equivalent price by means of incentive payments to build up market prices to the price goal. The domestic marketing quota should be set to equal the volume of cotton that will be consumed in the United States at the competitive market price.

b. Allot each cotton producer a marketing quota for export with return to producers maintained at the price goal by means of export subsidies. The export marketing quotas, should be set to equal realistic export needs, considering world conditions and an International Cotton agreement, when such is set up.

2. We ask the repeal of the laws applying the sliding scale to cotton and that Congress enact legislation to provide for full income parity protection. We urge that basis be established on 7-8 inch middling cotton, and that "plus" cotton should be considered as a separate grade and that it have a separate price rate.

3. We urge the installation and use of machine sampling devices at all gins and the universal adoption of machine grading as soon as possible. We request our Texas Farmers Union officials to

write to Texas' two U. S. Senators and all House members in Congress, urging a rapid solution to the perennial cotton classing problem. In view of losses from classing delays, amounting to several million dollars annually to Texas cotton producers, all possible measures should be considered including offering of additional incentives to attract more individuals into the cotton classing profession and the further encouragement of machine classing.

In order to eliminate the inequities in marketing cotton on the "green card" class, we urge that a system be initiated under which the only date appearing on such card is that entered by the ginner on the date of ginning.

4. We urge that the Farmers Union promote a more active participation of the individual producer in a cotton research and promotion program and urge that contributors remain alert to see that funds are used only for promotion and research.

C. WHEAT:

1. We favor setting up a parity income program for wheat producers by amending the existing wheat price support program along the following lines:

a. Allot each producer a marketing quota for domestic U. S. use with return to farmers maintained at the parity income equivalent prices by means of incentive payments to build up the market prices to the price goal. Such program to be financed by a wheat milling tax. Domestic marketing quotas would be set to equal the volume of wheat that will be consumed in the United States at Parity income equivalent prices.

b. Allot each producer a marketing quota for export with return to the producer maintained by export subsidy payments. The export marketing quota would be set to equal realistic export needs in relationship to the International Wheat Agreement.

c. The individual producer would be informed of domestic marketing quota and his export marketing quota prior to planting time. If the individual producer chooses to produce and sell more wheat than the total of his domestic plus his export marketing quotas, he would be required to purchase over-quota marketing certificates for his excess sales and would not be eligible to receive incentive payments on his export quota nor export subsidy payments on his export quota.

D. FARM-TO-MARKET ROADS:

We favor the farm-to-market roads program as it is presently constituted. We will strongly oppose any attempt to divert these funds to any program other than new farm-to-market road construction.

E. RURAL ELECTIFICATION:

1. We urge the continuation of the Congressional investigation of the power field and request that Congress authorize a large scale investigation of monopoly in the electric and power industry.

2. We urge that REA be continued as presently constituted with adequate administrative and loan funds.

3. No electric or other utility should be allowed to count as cost in rate making and expenditure for tax deduction purposes, the money they spend, either directly or indirectly, to influence political action at any level.

4. We urge continuation of efforts to block implementation and enactment of Administration's power policy.

5. We are strongly opposed to any increase in the interest rates of REA loans.

6. We favor adequate funds for REA loans and administration.

7. We insist that electric cooperatives should have equal rights with power suppliers in rural areas; that a cooperative should be permitted to serve any consumer desiring services in an area in which the cooperatives may have lines, which thereafter may be annexed to a municipality, provided that such municipality shall grant a franchise to the cooperative; that a cooperative shall have 10 years in which to move out of an area which has become annexed by a municipality; in the event that such municipality shall refuse to grant a franchise to such cooperatives, and that the Texas Farmers Union lend such aid and assistance as may be necessary to secure equal rights for the electric cooperatives.

F. WATER:

1. We favor the placement of agricultural use of underground and surface water second only to domestic use as distinguished from industrial use.

2. In recognition that soil and water conservation cannot be separated, we urge adoption of a program of proper land use and land treatment as a part of any overall state water program.

G. FARM WATER:

We feel that each farm should be allowed to store within its boundaries at least 200 acre feet of water for irrigation purposes as well as other uses on the farm without prior approval from any board, body, or commission.

H. NOXIOUS WEED CONTROL:

We urge each Texas Farmers Union Local to pursue noxious weed control methods in their respective counties with attention directed to the present State Laws which allow noxious weed control districts supported by a small tax on land included in the district or county.

I. FARM TRAILER LICENSE:

Present law requiring licensing of trailers over 4,000 pounds gross weight should be amended to provide exemption of farm trailers up to 12,000 pounds gross weight.

J. TAXES:

1. We urge enactment of an additional \$1,000 per student of personal exemption for parents of children in college.

2. As additional sources of State Revenue are required in order to provide the kind and quality of services in education, welfare, highways, conservation of natural resources, and protection comparable to that supplied by other states of the union, we favor tapping the following sources of state revenue in the order listed:

a. Natural Resources Tax.
b. Corporate Profits Tax.

3. We are unalterably opposed to any form of State or National Sales tax.

4. We believe that the internal revenue department should accept the fact that underground water for irrigation purposes in the Southwest is being fast depleted, therefore, we ask that a fair value for such water be established on each farm

and that it be depreciated over a reasonable period of time.

5. Farmers should be allowed to average their incomes over a five year period and pay income taxes on the basis of this average.

6. We recommend the amendment of the Federal personal income tax law to (a) eliminate exemption of profit corporation stock dividends, and (b) raise personal exemptions from \$600.00 to \$1,250.00.

K. STATE GAS TAX REFUND:

1. To carry on mechanized farming at present high costs, we recommend that gasoline tax refunds be continued. We urge repeal of the law prohibiting gasoline dealers from handling and filing exemption certificates as a service to the farmer. We oppose any additional tax on gasoline and recommend that the state limitation of six months on gas exemption certificates be extended to 12 months.

L. SEEDS, FEEDS, FERTILIZERS, AND INSECTICIDES:

We urge that the State Department of Agriculture be financed to the extent that it can more effectively enforce the Certified seed laws and other laws governing purity, safety, and labeling of production items such as feeds, fertilizers, and insecticides. We further recommend better supervision of seed cleaning and sacking plants.

M. SURPLUS SALE:

We recommend that the Secretary of Agriculture be restrained from selling surplus crops in CCC storage immediately before, or during, the harvesting season for such crops. This practice has had much to do with depressing prices during the harvest.

N. POSTAL COSTS:

We oppose any additional increase of regular first class mail and parcel post rates and urge elimination of the Federal subsidy for unsolicited advertisements and propaganda.

O. POLL TAX:

We urge that the Locals in Texas Farmers Union immediately start a campaign to get all citizens to pay their Poll Tax and to vote; and that every County Farmers Union put on a Poll Tax Drive immediately. We recommend that a vote be required by state law to register his party affiliation.

P. LABOR RELATIONS:

1. We commend labor organizations for their efforts and progress in contributing toward raising the standard of living of the working man. We support the efforts of all those who work for employers to obtain Federal and State Legislation to protect their rights to organize, bargain collectively, and protect their organizations.

2. We urge the establishment of a National policy to eliminate illegal immigration, while at the same time modernizing the legal immigration quota system.

3. The child labor law as applied to farmers should be changed to make parents or the guardian of underage children share equal responsibility with the farmer who hires them.

4. Because agricultural mechanization is not keeping pace with the diminishing supply of American "stoop" laborers, we feel we must temporarily continue to import foreign labor. As long as the importation of foreign labor is necessary, we favor the "bracero" program as presently constituted and urge the U. S. Department of Labor and other appropriate Federal agencies to negotiate with the Mexican government a contract impartial both to the worker and employee. We feel that the Mexican workers should be willing to share the contracting insurance and transportation costs because the privilege of contracting is equally advantageous to both parties.

Realizing that the "bracero" program only makes available a temporary emergency work force, we urge that each individual producer take part in an accelerated and continuing project to completely mechanize cotton and those other crops presently requiring hand laborers. Finally,

We urge each Farmers Union local to initiate a continuing publicity and public relations campaign among their city neighbors, designed to educate consumers of farm products on the farmers' problem, and on the spread between the farmers' market price and the consumer's purchase price.

Derrell Oliver Sets Outstanding Record In Four Years With Mules

By Billy Ellis

(Special To The Journal)

Husky Derrell Oliver, Muleshoe's "Mr. Dependable" for four years, closes out a fabulous football career at M.H.S. Friday when the Mules take the field against Abernathy's Antelopes in the 1959 season finale at Benny Douglass Stadium.

Already a holder of several school records statistically, the versatile 190-pounder will add quite a significant one Friday just by showing up for the game. For Oliver, a mainstay for four football seasons at M.H.S., will be competing in his fortieth straight high school game tomorrow, and that's every one of 'em since he enrolled in high school.

This season, although hampered by injuries which caused him to miss the most action of his career, Derrell has made

DERRELL OLIVER

a wholesale onslaught on the record books of M.H.S., rewriting at least six school marks, and due to add even more.

Scores Five Times

Last Friday against Lockney, Derrell established a new one-game scoring record by blasting over for five touchdowns—breaking a three-way tie (in which he was included) in becoming the first Mule ever to cross the double-stripe five times in a game. Players who had scored four touchdowns in a game were

Bobby Seid, against Crosbyton in 1951; Donnie Shafer, against Hale Center last season; and Oliver, in the 43-0 rout of Portales earlier this season.

Actually, Oliver could have claimed the one-game scoring record, since he booted a PAT in the Portales game, to give him 25 points in that one, but of course his latest effort overshadows the previous one, leaving quite a mark to shoot at.

Shafer's Mark Falls

Earlier this season, Oliver wrote new one-game marks into the record book with his fantastic 301 yards rushing against the Portales Rams, topping by 34 yards the figure set only last season by the fleet Donnie Shafer against Hale Center.

Many believed Shafer's mark of 267 yards might stand for several years, since a "good" backfield man will average only around 100 yards per game, but Oliver powered his way past that mark on Sept. 18—exactly one year after Shafer's 1958 performance. (It is interesting to note that Portales replaced Hale Center on Muleshoe's 1959 football schedule.)

As if the 301 yards rushing total isn't enough of a barrier, Oliver's total offense (rushing plus passing yardage) for the

Portales game was more impressive, topping the one pass, but completing that for 53 yards and a touchdown (halfback Curtiss Walker giving the assist on a fine running catch), giving the Mule star the fantastic total of 354 yards total offense in one game. This tops the former passing-rushing mark held by 1932 quarterback Buck Johnson against Hereford by practically 100 yards.

Tops Young's Total

Derrell's 30-point spurt Friday gave him 83 points for the season, topping the 62 scored by halfback Johnny Young in 1956, thus assuring him of the season scoring record. He had already passed the season rushing mark of 769 established last year by fullback Gerald Shanks.

This came in game number eight against Morton when he picked up 85 yards to run his total to 817 yards. He made 131 in the Lockney game putting his rushing total at 817 yards going in tomorrow's game.

Add to this his yardage passing and run backs on punts and kickoffs, and his record of moving the ball would go well above the 1000 yard mark. Early in the season many area sports writers felt he would be an all-state candidate, but he was injured in the third game of the season, and only in the Lockney game did he return to his normal form.

A sixth mark which Oliver will establish this year is his season total offense mark, which hasn't been fully tabulated as yet, while his career marks (four years) in rushing and offense merely need to be totaled to establish other M.H.S. records.

Gratifying Record

Oliver's four-year performance has been gratifying both to himself and to the school, and should speak for itself when the colleges begin to bargain for the area talent.

Perhaps the most important phase of Oliver's sports activity, however, will not be found in the record book. This would include his all-out team effort and personal modesty, perhaps the greatest tribute to a fine athlete.

Olton Mustangs In Playoffs

The Olton Mustangs, Friday night in defeating the Abernathy Antelopes, clinched a place in the district playoffs.

By winning Friday night, Morton could go into a tie with Olton, but since Olton has already beaten Morton, they could not move them out of the playoffs.

If Muleshoe can defeat Abernathy, they will be able to end the season with a 2-2 record.

Mules Take On New Life: Roll Over Lockney Friday Nite 30-12

Friday was "the night" for Coach Callan and the Muleshoe Mules, as they rolled past the Lockney Longhorns in what was considered an upset.

The Mules had trouble getting started, fumbling several times, but their defense was so tight, all night, that the visitors were not able to capitalize on very many Mule errors.

To start the game off, Young received the Lockney kickoff at the 20 and ran it up to the 40. Young picked up three, and Oliver fumbled on second down and Lockney covered on the Mule 42.

The Longhorns made three, two and four yards on drives up the middle for a first down. The next series they hit the line for no gain, then took an offside penalty, hit the line twice more for no gain, and punted into the end zone.

The Mules, on the 20, tried the "belly option" play, but about the time they got ready to make the option, they lost the ball, and Lockney had possession on Mules 25.

First down made no gain, second down Lockney took a 15 yard holding penalty, a pass fell incomplete, then Lockney completed an eight yard pass which was not enough to enable them to keep possession, and they punted into the end zone again.

Mules on their own 20, Pierce made five, hit again for no gain, then Oliver made five and a first down. Pierce made one, Oliver tried for no gain, and they punted to the 35.

Lockney tried this time, made runs for one yard, no gain, and then six yards, and punted to the 22 where Oliver called for a fair catch, and took it.

A long pass from Oliver intended to Black, interference was ruled, and the play was good for 36 yards and a first down. The next play Muleshoe took a five yard offside penalty. Standing one yard from pay dirt, Lockney made a desperate bid, and their quarterback piled over, but his knee hit the ground about a foot short of the goal, and Mules took possession at this point.

Oliver made two yard gain, two more, then Young four, and they punted to the 30.

Lockney ran for eight gain, then 12 and a first down. Then they made six and a first down, and on the next play they piled over for their second score, missing extra points and the score was tied 12-12.

On the kickoff, Black took the ball at the 15, handed to Walker on a reverse. Walker in turn reversed to Oliver, who threaded the needle in Lockney's defense, and rolled 85 yards for Mules third score. The conversion try failed, giving Mules the edge on the scoreboard 18-12.

Lockney took the kickoff at their own 15, ran it up to the 42. In a series of downs they

picked up only four yards and punted to the Mule 29. Young made three, Oliver lost a yard on each of two tries. On a punt play he got a bad pass and attempted to run, but did not make a first down, and Lockney took possession on the 29. This ended the third quarter.

Things were serious here. Lockney, sitting in scoring position, and a possibility of catching up and going out ahead in the final quarter, but they fumbled on first down, and Mules took over on their own 25.

Pierce made three, and then Oliver rolled out for 24 and a first down. Then he fumbled and covered for three loss, and on the next play, attempting to pass he lost 10 yards. On third down he quick kicked, getting behind the defense, the ball rolling dead on the 17.

Again, the visitors in three tries failed to make a first and punted to the 48. Oliver hit the line twice in yard loss plays, then quick kicked again, the ball going to the five yard line.

The visitors seemed to get rolling, making six and then 11 for a first down. Attempting a pass, Patton slapped the ball and Oliver came in and intercepted it on the 30.

In scoring position again, in a measure that could put the game on ice, Oliver made four, Pierce two, and Young eight for a first down. Oliver made two, and then 11 for a first down. Pierce made four, then Oliver piled over for the touchdown. The attempt to pass for extra points was intercepted.

SECOND HALF

After the half, Lockney took the kickoff at the 30, moved up to the 40. They ran four plays for three, four, one and two yards for a first down. They then ran for three and two yards gain. On third down the visitors fumbled and covered, losing two yards on the play. Then they punted to the Mule 10 where Oliver took the ball.

Young made four, then the Mules fumbled and the visitors had possession on the 10. Lockney ran first down for no gain. Second made three, and third one, and the Mules took a five yard offside penalty. Standing one yard from paydirt, Lockney made a desperate bid, and their quarterback piled over, but his knee hit the ground about a foot short of the goal, and Mules took possession at this point.

Oliver made two yard gain, two more, then Young four, and they punted to the 30.

Lockney ran for eight gain, then 12 and a first down. Then they made six and a first down, and on the next play they piled over for their second score, missing extra points and the score was tied 12-12.

On the kickoff, Black took the ball at the 15, handed to Walker on a reverse. Walker in turn reversed to Oliver, who threaded the needle in Lockney's defense, and rolled 85 yards for Mules third score. The conversion try failed, giving Mules the edge on the scoreboard 18-12.

Lockney took the kickoff at their own 15, ran it up to the 42. In a series of downs they

The kick after score went into the end zone, which gave Lockney possession on the 20. They tried three pass plays that made no yardage, then in a bit of fakery, tried a fourth down pass which was intercepted on the Mule 14.

Pierce made eight, then Young made one, and the Mules were caught offside. Pierce made five, and then three and the Mules were assessed a 15 yard holding penalty. A pass was completed to Patton for 13 gain, and Oliver made eight and a first down, then Oliver came back and made the touchdown. The try for conversion failed, as the game ended giving Muleshoe a well appreciated victory 30-12.

Lazbuddie Plays For Championship Friday Night

The feature game of the week, in so far as this area is concerned will be the Lazbuddie-Happy game, to be played at Happy Friday night.

Both teams are undefeated in conference play, and the district championship will hinge on the outcome. Lazbuddie has been getting stronger as the season progresses, and they will have the strong backing of the sports fans of Farmer, Bailey and other counties to take the Happy Cowboys for a ride.

Gerald, Harold and Oscar Allison spent the night with their mother in Ft. Sumner, N.M., last Wednesday helping her celebrate her birthday.

Mrs. Elmo Stevens and Oscar Allison took the Pleasant Valley 4-H members to Littlefield Monday night to accept a plaque for outstanding club work the past year.

SAND HILLS PHILOSOPHER FEARS Wave of Honesty May Dry Up 90 Per Cent of Political Speeches

Dear Editor:

As I understand it, a wave of honesty is sweeping the television industry, for reasons everybody knows, and the thing may get out of hand. For example, some people are demanding that politicians write their own speeches, and while it would be interesting to see what some of them would say, it'd be interesting only once. The second time up, nobody'd listen. Ninety per

cent of the speeches would be eliminated.

Going even further, some people are demanding that television comedians write their own jokes. It's hard to see how some of their jokes could get any worse, but left on their own, they probably could swing it. This might be good for honesty, but it'd be hard on entertainment.

Honesty is a fine commodity, but you've got to under-

stand the use of it if you intend to hold your audience, your neighbors, your friends, your wife, etc.

On the other hand, if every politician were required to write his own speeches, the speeches might not be as good, but they'd be scarcer. This thing needs exploring further.

At the same time, the world needs a little more self-reliance. It always has embarrassed me a little to see some big shot arrive from an important trip to a foreign conference and step out of his airplane and, before a vast television audience of millions pull out a sheet of paper, put on his glasses, and read: "I'm awfully glad to be back home. Thank you very much." When a man can't trust himself to say he's glad to be back, without a script, he ain't inspiring much trust generally.

There aren't enough leaders in the world who know what they think until they've had a staff conference to tell them. The symbol of leadership, where it used to be the mighty oak, now seems to be the common hedge, rows and rows of it, neatly trimmed and watered.

I don't know the solution to this problem. Don't be looking at me. My banker yesterday asked me how I was doing this year and I cleared my throat and said I don't know yet. Maybe a scrawny hedge anybody can see through is better than no landscaping at all.

Yours faithfully,
 J. A.

BABSON DISCUSSES DENMARK

COPENHAGEN, Denmark — Let me first make an apology about Norway, Sweden, and Denmark:—

Babson Apologizes

Prior to this trip, I had assumed from my reading that the Scandinavian countries followed a system of government and an economic way of life halfway between Communism and Capitalism. After three weeks of travel through Scandinavia, I have come to the conclusion that this representation is misleading.

These three Scandinavian countries can be called "Welfare States" owing to the fact that great consideration is given to free hospital and dental service, care of young mothers and their babies, and old-age pensions. These things are in addition to government operation of the railways, bus companies, telephones, municipal apartments, etc., and in addition to the great co-operative stores. But private ownership is encouraged and these countries are democratic in their conduct of all political elections. Nothing here resembles Communism in any way.

Copenhagen A Free City

Of the leading European countries, Denmark is the only one where the baggage of American tourists is not examined. Most goods are not taxed on entry; these nontaxable items include liquor, cigarettes, cameras, etc. Copenhagen (in which city is concentrated nearly one-third of the population of Denmark) is "Free Port". Consequently, it is a great "Shopping Center" for all the women of the world! The women tell me that its goods are both the most beautiful and the lowest priced—while goods are the highest priced in Paris.

Denmark has no natural re-

people live in apartments, and everyone rides a bicycle! The majority of the population are of Caucasian origin; the girls considered as its World Center are beautiful with golden hair. One reason for my being here I can appreciate. Governor here is to help with the Rockefeller's son choosing to birth of this Society. And I marry a Scandinavian girl! I am interested in knowing how The World's "Shopping Center" All who read this column feel about the idea of low know and patronize some new "Shopping Center" which has recently been built near their towns. Well, my wife considers Copenhagen the leading "Shopping Center of the World." Moreover, it is easy to reach, since the beautiful and steady ocean liners of the Swedish-American line go directly to Copenhagen as their first stop.

During World War II, Hitler took over Denmark and Norway; but Sweden remained neutral. Hitler, however, did not interfere with the economic life of Copenhagen, but was satisfied with the money and silverware he collected as a heavy tax. This city is a wonderful center for silversmiths, porcelain makers, and manufacturers of home electrical products. Shipbuilding is also booming here.

Eliminating Economic Causes of War

Following World War I a group of prominent Philadelphia businessmen — under the leadership of Mayor Vandergraph and of George Horace Lorimer, famous editor of the Saturday Evening Post — formed a society which interested me greatly. This society believed that war could be eliminated henceforth only by gradually eliminating tariffs and giving equal economic opportunities to all nations. Unfortunately, World War II broke up this society.

sources except its fertile soil, industrious people, and a reputation for excellent character. All food products are raised here, living costs are low, most

The Society is now being re-organized, and I am pleased to say that Copenhagen is being considered as its World Center. One reason for my being here I can appreciate. Governor here is to help with the Rockefeller's son choosing to birth of this Society. And I marry a Scandinavian girl! I am interested in knowing how The World's "Shopping Center" All who read this column feel about the idea of low know and patronize some new "Shopping Center" which has recently been built near their towns. Well, my wife considers Copenhagen the leading "Shopping Center of the World." Moreover, it is easy to reach, since the beautiful and steady ocean liners of the Swedish-American line go directly to Copenhagen as their first stop.

CARD OF THANKS

We wish to take this means to thank everyone for the food, flowers, cards and all your many other kindnesses at the loss of our dear mother, Mrs. Stella Plunket. May God richly bless each of you in our prayer.

Special Christmas Leaves Offered New Recruits

Sgt. John G. Mattmiller, local U.S. Army recruiter, announced today that in accordance with current army policies all personnel enlisted from now until December 10, 1959, will receive two weeks leave during the Christmas holidays. Sgt. Mattmiller also stated that all basic training will be suspended during the period December 18, to January 4. This policy is to enable all enlistees to be at home the holiday season. Contact Sgt. Mattmiller for further information on this enlistment plan or call PO3-7209.

Irrigation Motor Drive Shafts Should Not Be Left Uncovered

The High Plains Underground Water Conservation District, says that, one of the most dangerous omissions that an irrigation farmer can be guilty of is that of leaving the drive shaft between his irrigation pump and engine exposed.

We all remember the recent story that appeared in our nation's newspapers which told of a 12-year-old girl whose pony-tail became entangled in the moving parts of a potato-digging machine. As a result of this tragic accident, she lost her ears, eyebrows and scalp. Death ultimately claimed this 12-year-old.

This was a terrible thing, and we found ourselves asking how such an accident could happen and why the moving parts on the digger were not covered to prevent such an occurrence.

Well, the answer as to "why" may never be evident; however, one thing is certain—the potentially dangerous gears, etc. of that particular potato digger are no doubt adequately guarded today. The regrettable thing is that the safeguards came too late and the cost of delay was too expensive.

Parallel this incident with the picture here in our own backyard. We have literally thousands of irrigation wells in the southern High Plains of Texas that do not have any form of cover or guard that offers protection from contact with the high speed drive shaft that transmits power to

the pump from the engine.

If any model of the many guards that are manufactured to cover exposed drive shafts, were expensive, an irrigator would perhaps be excused for not having one on each well that he operates, but all are probably priced under \$10. Therefore, the expense involved is not a valid excuse.

What then is the reason for these many drive shafts remaining exposed?

Probably the principal reason can be traced back to our old friend "complacency." He can be a bitter foe. We simply cannot feature tragic things happening to us. Oh, sure, these things occur every day, but always to someone else.

That's probably what a lady who lives in Lubbock today thought, until her hair became accidentally entangled in an irrigation pump drive shaft back in 1948. This particular woman was observing a pumping well on her husband's farm near Anton in Hockley County at the time of the accident. She leaned in to get a better view of the water being pumped from the well. The next thing that she remembered was regaining consciousness in a Lubbock hospital. The agonizing pain that she felt was caused by the fact that one of her eyebrows and her entire scalp had been ripped from her head by the irrigation well's treacherous drive shaft. For weeks she lay at the brink of death. When finally the ordeal of facing death itself had passed, the months of expensive and painful plastic surgery began.

This is not a fictitious story. It actually happened, and it happened here in the High Plains.

Three Way News

by Mrs. Frank Griffith

Visiting in the home of Mr. and Mrs. Jimmy Bateas Sunday were Rev. and Mrs. A. E. Moore and Rita of Muleshoe. Mrs. Lester Harding and daughter of Odessa, Mrs. Byron Hester and daughter of Casey, N.M.

On the sick list the past week were Nona Coffman, Claude Cunningham, Johnny and Debra Furgerson, Mr. and Mrs. Cass Stegall and La Yon.

Guests in the Frank Griffith home over the weekend were Mr. and Mrs. J. L. Chesser and boys of Hedley, Texas.

Mr. and Mrs. David Stovall and son of Muleshoe are spending the week with her parents, the Clint Everetts. David is helping with the cotton harvest.

Mr. and Mrs. C. J. Feagley have a new baby in their home. The boy was born November 2 and weighed six pounds eight and one-half ounces. They have named him Ross Anthony. The Feagleys adopted the baby last week.

Three Way defeated Spade 37 to 18 Friday evening. They play Nazareth Saturday evening to climax the homecoming celebration. Nazareth defeated Three Way earlier in the season, and the Eagles are seeking revenge.

The football sweetheart and hero will be recognized in a halftime ceremony by the pep squad and football captains. Registration begins at 5 p.m. Supper will be served in the lunch room from 5:30 to game time at 7:30.

Ray Quinn and son of Baltimore, Texas visited the past weekend in the home of Mr. and Mrs. Earl Bowers.

Earl Bowers completed his flying lessons and soloed last week.

Mrs. Earl Bowers and Pam were in Lubbock Saturday for Pam to see her dentist.

Mrs. Garvin Long broke a leg and finger in a fall from

Texas Will Grow Half '60 Cotton

COLLEGE STATION — Secretary of Agriculture Ezra Taft Benson has proclaimed a national marketing quota of 13,133,000 bales (standard bales of 500 pounds gross weight) and a national acreage allotment of 16 million acres for the 1960 upland cotton crop.

Texas' share will be 6,761,512 acres with an additional 55,965 acres for the national reserve. The Secretary also announced his determination that alternate — Choice (B) — farm allotments for the 1960 upland cotton crop will be 40 percent larger than the "regular" Choice (A) allotments for the same farms.

An acreage allotment of 22,243 acres will be in effect for the extra long staple cotton grown in Texas in 1960. The national marketing quota will be 66,590 bales with a 64,776 acre allotment.

December 15 was set as the date for a growers' referendum on marketing quotas for both upland and extra long staple cotton. At least two-thirds of the farmers voting in the referendum must approve the quotas if they are to remain in effect.

If the quotas are approved, Choice (A) will include "regular" farm allotments with price support at not less than 75 percent of parity available to growers who comply with their regular allotments. Choice (B) includes 40-percent-larger farm allotments and price support to growers who comply with their Choice (B) allotments at 15 percent of parity less than under Choice (A). Individual farm allotments under both Choice (A) and Choice (B) will be made available to producers prior to the referendum.

Benson added that if marketing quotas are not approved for the upland cotton crop, only the "regular" Choice (A) allotment program will be in effect and price support will be available to cooperators at 50 percent of parity, as provided by law. If quotas are turned down by extra long staple producers, support to eligible growers will drop to 50 percent of parity.

a cotton trailer last Tuesday afternoon. She is in Room 34 at West Plains Hospital at Muleshoe and will be there several weeks. Mrs. Long had undergone several operations as a child to correct lameness from birth. The same leg was broken in the accident.

Lorena Long, a student at West Texas State College in Canyon, visited her mother, Mrs. Garvin Long at Muleshoe Sunday. Lorena is a 1959 graduate of Three Way. She is a member of the staff of the college newspaper.

WSC met Monday afternoon in the home of Mrs. H. Garvin. The women continued the study of Luke.

In Lubbock on business and shopping Friday were Mr. and Mrs. D. L. Tucker.

Mrs. Jimmy Bateas and girls and Mrs. Frank Griffith visited at Levelland Thursday.

Mrs. Clifford Dupler of Lubbock was honored with a stork shower Saturday in the home of Mrs. A. H. Darieck.

Refreshments of punch, cookies and coffee were served to 56 guests from a table laid with a lace cloth centered with an arrangement of fall garden flowers.

Mrs. Dupler received a corsage of carnations with a stork tied in the center.

Hostesses were Mesdames: Darieck, Leon Dupler, D. L. Tucker, Carrie Huff, George Tyson, Bob Kindie, Mae Wells, Bill Mann, B. H. Tucker, Don Lamar, Rayford Masten, Jimmy Darieck, Paul Powell, Herman Abbey, and Morris Gant.

Mrs. Dupler is the former Pauline Warren, daughter of Mr. and Mrs. Bud Warren.

Mr. and Mrs. Paul Carsille went to Abilene the past weekend to visit their son, Bobby, who is a student at Hardin-Simmons.

Lazbuddie News Letter

By Penny Grusendorf

The Lazbuddie Longhorns played the Hart Longhorns at Hart Friday night, for the next to last game of the year. The Lazbuddie Longhorns won 45-0 in a very exciting game. The Longhorns will play Happy this Friday night at Happy for the last game of the season. Lazbuddie will be playing Happy for the District. We expect the game to be very exciting and urge everyone to come out and back a very successful team all-the-way.

As most people know the Harvest Queen race is on, and we encourage everyone to vote. The votes are 1c each. Those running for Grade School are:

First Grade: Raygena Treider, Queen, with Jim Paul as escort; Second Grade: Vicki Robinson with Brent Tanner as escort; Second: Darla Spitzer with Larry Hodges escort; Third Grade: Susie Tanner and Gary Elliott is the king; Fourth Grade: Connie Harlon and Ronald Mayfield; Fifth Grade: Ann Collins with Royce Barnes escort.

Those running for Jr. High: Sixth: Judy Parker and Sammy Harlon; Seventh: Karene Johnson and D. H. Foster; Eighth: Wynell Barnes and Kenneth McGehee.

And the High School are:

Freshmen: Brenda Mason and Carol Redwine; Sophomores: Kay Burreson and Jimmy Dale Seaton; Juniors: Beverly Smith and Ronnie Gustin; Seniors: Lara Meyers and Jerry Weaver.

Mr. and Mrs. John Agee went to Frederick, Okla., to visit with relatives and at Cold Spring to visit with Mrs. Agee's parents.

The Seniors are selling the annuals and everyone that wants one should contact them and get one.

Mr. and Mrs. Glenn Annear went to Gallup, N.M., Wednesday and came back Friday. They visited with her mother, Mrs. Lucy Martin.

Mrs. Albert Clark is back in school teaching after being out a week from illness. We thank Mrs. Bond for taking her place but are glad Mrs. Clark is back.

The Farmers Union had a meeting Monday evening at the school. It was a monthly meeting and the purpose was to adopt resolutions and elect the delegate to go to the state meeting. Refreshments were served. It was family night.

Topflight Roll In The U. S. Army Security Agency

Sgt. John G. Mattmiller, announces today members of USASA play an important and distinctive role in our National Defense. Looking toward an assured future, you, as USASA man by virtue of your experience, training and sense of responsibility can hold the important positions of tomorrow, both in and out of the service.

The USASA will offer you opportunities for schooling and experience in various languages, mathematics, physics, electronics, and allied subjects, announces Sgt. Mattmiller.

To supplement these technical fields, assignments are available in the areas of personnel administration, intelligence, operations and training, and supply.

The type of work in this topflight organization offers young men the chance to learn skills that will provide the foundation for subsequent careers in the amazing new era of scientific achievement now unfolding before us in radio, electronics, and communications. The degree of achievement and proficiency obtained in your USASA assignment will determine the extent to which you are qualified for civilian employment, for many of the technical advances in these fields were initiated by and for the needs of the Armed Forces and are now being rapidly to civilian industrial and business uses.

Sgt. Mattmiller announces he has only six vacancies in this topflight field.

Sgt. Mattmiller may be contacted at Selective Service office every Monday, in Muleshoe, Texas.

Non-Shatter Type Sesame Is Being Developed

Scientists from the High Plains Research Foundation will attend meetings of the National Agronomy Society to be held in Cincinnati, Ohio, November 16th thru 20th, Harold Hinn, chairman of the board of trustees, announced this week.

Dr. Tom Longnecker, director, Dr. Earl Collister, assistant director and Delbert Langford, agronomist, are to make the trip.

Dr. Earl Collister, who is internationally known for his research with sesame is on the convention program. He will present a research paper concerning his plant breeding and genetic studies in developing the Renner's Combine No. 15 variety of sesame. This new variety is a paper shell, non-shattering type which is adapted to complete mechanization in the dryland sections of north and northeast Texas.

Dr. Collister joined the staff at the High Plains Research Foundation November 1st, coming from the Texas Research Foundation where he was a staff member for 9½ years.

The convention will include more than 2000 scientists attending from the U. S. and several foreign countries.

John West is in Kansas pheasant hunting.

Johnny West, James West, Larry Allison and Bobby Allison went to the Air Base at Clovis, N.M., Saturday for lunch and a tour of the base. The trip was sponsored by the Brotherhood of the First Baptist Church of Muleshoe.

"Battle Border"

Little known facts about Texas boundaries.

PART V

(Editor's Note: This is the fifth in a series of articles outlining the numerous boundary conflicts dating back to 1716, pointing up little known facts which shaped the Texas of today.)

Greer County lies at the base of the East side of the Texas Panhandle between the forks of Red River.

For many years people in that county did not know whether they were part of Texas or Oklahoma.

The trouble goes back to the treaty between the United States and Spain fixing Red River as boundary at a time when Texas Panhandle area was unexplored wild Indian territory.

They did not even know Red River had two forks.

In 1852, Captain R. B. Marcy discovered two forks of the river and attempted to locate on the ground the 100 meridian fixed in the old treaty as the northern boundary of Spanish territory.

And his location caused the trouble.

Attorney General Will Wilson, currently fighting another boundary battle, that of the tidelands suit before the U.S. Supreme Court, pin-points the controversy.

"If the 100th meridian passed below or downstream from the river's forking then the land belonged to Texas unquestionably."

In 1855 a treaty with the United States and the Choctaw and Chickasaw Indians called for the ground location of the 100th meridian.

A. H. Jones and H. M. C. Brown, contract government surveyors, located their first boundary monument on the north bank of the south fork of Red River. They were convinced that the meridian crossed Red River 50 miles west of the junction of the forks.

The land in between seemed irrevocably headed for dispute.

The Texas legislature jumped into the middle of the issue and created a county out of the entire disputed area, Indians and all. That was in 1860.

The same year saw the beginning of the war between the states. The boundary dispute took a back seat until 1885 when Congress officially recognized the controversy and appointed officers to join with Texas representatives in ascertaining the point.

Any chance of this commission's accomplishing anything seemed doomed from the word go. Representing the United States were four army officers whose luggage consisted primarily of foregone conclusions, misconceptions of their function and a bag full of court martial tricks.

"They came to Texas with nothing to offer in the way of an agreement and they left the same way," Wilson observed.

In the next article will be related how the federal government took another bite out of Texas and Texas lost Greer County.

To buy, sell, rent, or trade, use the Journal want ads.

"Captain R. B. Marcy discovered the Red River had two forks and the land in between became a center of dispute," Will Wilson points out.

BULA NEWS BRIEFS

by Mrs. John Blackman

The Bula WSCS met in the church building Wednesday afternoon at 2:30 with eight ladies present.

Mrs. Kile presided over the program, opening with a song "Are Ye Able Said The Master," followed by Mrs. Lancaster leading in prayer.

Responsive readings from the hymn book on "The Church." The program consisted of articles taken from the Methodist woman magazine. Mrs. Kile giving the first talk on "The World Federation of Women," also unit in Africa and Korea. Mrs. W. L. Clawson gave an article on "The Mission." Mrs. Paul Young giving article on "Future Planning in An Ancient Setting." This article was 1959 World Council of Churches meeting place at Rhodes, Greece. Program closed with benediction in song, "The Churches One Foundation".

Those attending were Mesdames H. W. Kile, Roy Young, W. L. Clawson, George Bhalman, Joyce White, D. T. Johnson, P. M. Lancaster and Paul Young.

Mr. and Mrs. Leo Nixon of Lubbock were lunch guests, Sunday with her parents, the L. L. Waldens.

Visiting over the weekend with Mrs. B. S. Settiff and son, Chester, were Mr. and Mrs. Raymond Rowland and son, Dennis, of Amarillo and Mrs. Elvie Sewell of Duncan, Okla.

Sherri Lynn is the name of the eight pound and seven ounce baby girl that arrived Wednesday, Nov. 5, to make her home with Mr. and Mrs. Bennie Claunch. The Claunch's have two boys, Kenny and Keith.

Clyde Hague underwent major surgery at the Medical Arts Hospital Wednesday, Nov. 5, and is recuperating nicely.

Mrs. Maurice Hazard and son, Don, of Eastland drove up Saturday to visit sisters of Mrs. Hazard, Mrs. Edd Crume, Mrs. H. H. Snow and Mrs. W. E. Layton. Mrs. Crume, Mrs. Snow and Mrs. Hazard spent

Saturday night in Hereford with another sister, Mrs. James Cash, who was involved in an accident about two months ago and is just now able to get around some in a wheel chair.

Mr. and Mrs. Cecil Cox and Mr. Fred Archer returned Monday from Cleburne, after visiting with their father, W. R. Archer, a patient in a Cleburne hospital and has been for the past eight weeks. Mr. Archer underwent surgery Friday and is recovering nicely.

Debbie Williams returned to her home last week after staying for about five weeks with her auntie and uncle and little cousin, Craig Harper. The baby girl is the daughter of Mr. and Mrs. C. G. Williams of Sudan and lived with the Harpers while her mother was staying with her little brother, Rickie, a patient in the Muleshoe hospital.

Mr. and Mrs. Maynard Hamman and daughter, Felecia, visited Sunday night after church in Littlefield in the Earl Partain home.

The Sophomore class were feted to a hamburger supper Friday night by Wanda Hubbard in the home of her parents, the John Hubbards.

Mr. and Mrs. John Hayes are the proud parents of a baby girl born at the Littlefield hospital Sunday afternoon, Nov. 8. The little lady was named Margaret Irene and weighed eight pounds and four ounces.

Reverend John R. Boone left Sunday afternoon for El Paso where he will visit in the home of his son, Clark Boone, and also to return Mrs. Boone to her home here. She has visited the past week with her son while Reverend Boone attended the Southern Baptist Convention in Corpus Christi.

Mrs. Charles La Rue and son Jonnie, of Lubbock, visited Saturday night with her mother, Mrs. I. J. Crume, in the home of Mr. and Mrs. H. G. Thompson.

Mr. and Mrs. D. J. Cox were in San Antonio first of this week attending a Farm Bureau meeting.

A covered dish dinner for all teachers and their families will be given Monday evening, Nov. 16, in the school lunch room.

In a recent class meeting of the seventh and eighth grades they elected class favorites. Linda Grusendorf and Lamar Pollard were elected for the seventh grade and Judy Clevenger and Curtis Archer for the eighth grade.

Sunday afternoon guests in the C. A. Williams home and also to see their new grandson, Gary Don, were Mr. and Mrs. Lowell Walden of Springlake, Mr. and Mrs. Darell Kennamer and daughter, Debbie, of Lubbock, Mrs. Bill Cooper and daughter, Janette of Morton and Mr. and Mrs. Allen Williams of Whitharal.

Mrs. R. T. Newton visited Wednesday with her sister-in-law, Mrs. Shorty Barnes, of Levelland.

Mr. Haywood Smith of Dimmitt visited Saturday in the J. C. Snicker home.

The seventh and eighth grades enjoyed a theater party Saturday night. Mr. Don Hendricks was sponsor for the group and drove the bus for them.

Several of the Phillips children gathered in the home of their parents Sunday to help Mr. M. Phillips celebrate his birthday. His birthday was Saturday but he was honored with a birthday dinner Sunday.

Maple News

by Mrs. Jerome Cash

Mrs. Bill Eubanks spent several days last week with her mother, Mrs. Davis, who is in the hospital at Hale Center again. She is feeling some better at this time.

Mr. and Mrs. Foy Lewis visited her parents, Mr. and Mrs. Shepherd, in Brownfield Sunday afternoon. Her father is still in bed after breaking his hip several months ago.

Mrs. Clifford Dopler of Lubbock was honored with a pink and blue shower Saturday afternoon in the home of Mrs. A. H. Danieck. About 40 guests registered and several sentimental gifts that were unable to attend. She received many nice and useful gifts.

Mrs. Stanley Stafford and daughter of Lubbock visited her parents, Mr. and Mrs. Horace Brashear Saturday and also attended Mrs. Dupler's shower.

Mrs. Dess Stafford of Muleshoe attended Mrs. Dupler's shower Saturday afternoon and also visited friends around Maple before going home.

Betty and Maralyn Lewis spent Saturday night in Morton with Glenda Farris.

Mrs. Bill Robinson is substitute teaching Home Ec in high school in Portales, New Mexico this week.

Mrs. Guy Gattis spent several days last week in Littlefield with a niece who is ill.

The Ladies Bible Class met in the home of Mrs. Bill Robinson Monday for Bible class with eight ladies present. They are studying in Acts.

BILL W. DENNIS IS SERVING WITH ANTI AIRCRAFT SUB SQUADRON

SAN DIEGO, Calif. — Bill W. Dennis, aviation electronics technician second class, USN, son of Mr. and Mrs. Fred C. Dennis of Friona, is serving with Air Anti-Submarine Squadron 38 at the North Island Naval Air Station, San Diego, Calif.

On October 9, the squadron returned to the United States after a six-month tour of duty with the U.S. Seventh Fleet in the Western Pacific.

Progress News

by Mrs. M. O. Nigh

Those visiting Sunday in the home of Mrs. Lee Williams and Dennis were Ray Dillard of Lockney, Mary Morgan, Clovis, N.M., Mr. and Mrs. Junior Cruse of Bovina, Mrs. Helen Talley of Muleshoe, and her daughter, Wanda Joy Talley, of Dimmitt.

Mr. and Mrs. Albert Kube of Wildorado were here Sunday visiting friends and Mr. Kube's mother at Lariat and other relatives.

Mr. and Mrs. Pug Eastwood of Taiban, N.M., visited one day this past week with their old friend, Mr. and Mrs. C. A. Bishop.

WMU ladies met with eight ladies. One was a visitor. The lesson was the first two chapters of a book. The subject this week was "O Good We Pray For All Mankind." The lesson this week was brought by Deloris Garret.

The G.A. met at 4:30 with their leader, Mrs. Mary Marrow.

Mr. W. M. Cook has been on the sick list this week. Mr. and Mrs. Carl Kindred

Muleshoe Student At Texas Tech Gets Scholarship

Damron Harlon Duncan, a senior mechanical Engineering student at Texas Tech, the son of Mr. and Mrs. O. E. Duncan of Muleshoe, is one of a number of Texas college students receiving the B. & H. Instrument Co. of Fort Worth scholarships.

B. & H. requests that the schools select not necessarily the student with higher grades, but promising students who could study more effectively if their finances were lesser problems. Amount of individual scholarships are determined by the individual school.

Texas Tech received \$1000 of the scholarship money. They have nominated two other students beside Duncan.

Which of these Babies is J. D.?

This is the nursery of a large metropolitan hospital. Six times a day these precious bundles visit their happy mamas. And every night their proud papas gape at them through the glass. Nurses watch over them constantly. Doctors examine them daily.

But the statistics in the files of the police department cast a black shadow over this innocent scene. For one of these babies is J.D.

J.D. is short for a juvenile delinquent. And from police records and census figures we can estimate the proportion of new-born infants who will become juvenile delinquents in ten to twenty years. The one factor that threatens the accuracy of our calculations is that juvenile delinquency is increasing.

There are just two ways to deal with the problem. One is to enlarge our jails. The other is to give every child's spiritual well-being the same thorough attention that this hospital gives his physical well-being.

Is yours a church-going family? Is yours a religious home?

Copyright 1959, Knister Adv. Service, Strasburg, Va.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Proverbs	17	8
Monday	1 Samuel	2	1-2
Tuesday	Mark	4	26-29
Wednesday	Psalms	140	4-6
Thursday	Proverbs	4	16-22
Friday	Romans	7	20-25
Saturday	1 Timothy	4	11-16

THERE IS

STRENGTH IN

PRAYER

Who shall separate us from the love of Christ? (Romans 8:35). Having loved his own which were in the world, he loved them unto the end. (John 13:1.)

Christ's love never varies. No matter how cold our love to Him, how selfish or self-centered, disobedient or neglectful we may become, He does not alter in any way His love to us. His love neither diminishes nor cools. It is unquenchable.

Sometimes we become disillusioned with those we love. So we restrain our love. Often a coolness springs up between us. But our Lord is never disillusioned with us. He understands us. He forgives us, and keeps on loving us with the same intensity.

His love is unlike all other loves. It is divine. So is the love which He imparts to us, and which may be implanted in our hearts, if we will it. This is the love that draws humanity to Christ, wins and wins men and women, and melts hardened hearts.

PRAYER

Our Father, we thank Thee for that unchangeable and eternal love of Christ. May our knowledge of that love grow more and more. Grant that we may experience Thy love in our lives. May we make it known to others, that they may be warmed and comforted, even as we are. Through Christ our Lord. Amen.

Weekly Publication of Muleshoe Schools

RICHLAND HILLS GRADES 4 AND 5

By Phyllis Milligan
Starting off the second nine weeks the students of Richland Hills have been changing from room to room instead of the teachers.

Mrs. Costen's class has played M. S. Middlebrook's class in baseball. The outcome was a victory of 9 to 7 in favor of Mrs. Costen's class.

Linda Lay is having a birthday this month. She is a fourth grade student of Mrs. Costen.

In Mrs. Middlebrook's class Diana Rucktaschel is having a birthday this month. Last Monday and Tuesday Wayne Commer visited the Rio Grande Valley.

Mrs. Shelby's class has welcomed three new students. These pupils are Marcos Castilla and his two sisters, Anita and Audella.

In Mrs. Lambert's class they are making outlines on people of the cold lands. Mrs. Lambert's class has brought about a 6 to 4 victory over Mrs. Shelby's class in baseball.

In Mrs. Lambert's English class they are studying houses. All the students are to build a small house from their milk cartons. Each house will be adorned with a self written paragraph about houses.

Ronnie George has captured with the assistance of his father, a wild owl with a broken leg. Ronnie is planning on making a pet out of the owl.

Those that are having birthdays from Mrs. Lambert's class are Davey Henry, Guisario Rodriguez, and Ronald Scott.

HOME ECONOMICS SUPERVISOR VISITS

By Carolyn Hicks
Miss Esther Sorensen, Supervisor of Home and Family Life Education, Area I, visited in the Muleshoe High School Wednesday.

Miss Sorensen held conferences with Mrs. Harold Hurd and Mrs. Joe Bradley, the Muleshoe High School Home Economics teachers, in which they discussed the semester program plans, Home Experience, Home Visitation, and Future Homemakers programs. She also held conferences with Principal Bill Parker and Superintendent Jerry Kirk.

While she was here, Miss Sorensen observed various homemaking classes. Miss Sorensen informed us that she is the supervisor for 135 Home Economics teachers. Her home is in Plainview, Texas.

TRYOUTS HELD FOR JUNIOR PLAY

By Mary Ann Greene
Tryouts for parts in the annual Junior Play were held last Monday evening. The book for "Love Is In The Air" arrived enabling the chosen few to start practicing their parts.

RICHLAND HILLS

By Nancy Julian
Although the beautiful flowers surrounding the Richland Hills school have died, the surrounding lawn remains green. This takes a lot of work on the part of custodians Arthur and Ashby Askev.

Entering the halls, we noticed small boys and girls carrying trays with milk cartons on them. At approximately 3 p.m. each afternoon the children have a milk break. This gives them a chance to relax before finishing their lessons.

The first graders are studying the effects of the changing weather on animals, people, their homes and their home life. Shortly they will begin to study the pilgrims and what they have contributed to civilization. We are sorry to report that Janice Martin is sick and hope that she will be able to return to school soon.

There seems to be a new club in Mrs. Witherspoon's room. The name of this club is "The Toothless Club". Those who are members are as follows: Donnie Puckett, Darwin Green, Lary Wayne Peterson, Brenda Tandy, Glenda James and Linda Baker.

Jerry Burkhardt, Ophelia Rogers, Rhonda Mardis, Greg Little, Lee Ann Yerby, and Randy Bragg. Although "toothless" they be, it doesn't seem to interfere with the boys having one or two girlfriends or the girls having one or two boyfriends.

"I want to be a salesman." "I want to be a nurse." These young boys and girls are already concerned with their futures and are making plans to be farmers, ranchers, scientists, nurses, housewives and some even want to be cowboys.

Elaine Phipps, a second grader in Mrs. Jackson's room, wants to be a movie star. She is a small girl with sparkling eyes and her friendly smile reached out to everyone as they walked down the halls. Elaine, like quite a few other young ladies, helps her mother before she goes to school.

Third graders in Mrs. Puegh's class have erected a tent in their room. In the window they have an Indian scene. In English they have written their own poems. Ronald Dove had quite an idea when he wrote this poem:

A LITTLE DIME
Once upon a time I had a little dime
I bought a bar of candy
Which came in very handy.
It was a Hershey's.
And it made me thirsty.
So I got a drink.
Next time I get a dime
I'll save it!!!
Charlotte Peaf, who wants to be a cowgirl, composed this Halloween poem:

Halloween, halloween,
The night the ghosts and goblins can be seen.
And I like to trick or treat
Because I get good things to eat!

We received other poems and perhaps they can be printed later on. Questioning the boys and girls we learned that they wanted to be anything between elevator builders to baseball players to scientists.

This week the fourth grade students began moving into different class rooms for their different classes. Previously the teachers had moved, but due to the new science equipment and mathematics aids, it is more efficient for the students to move.

ENGINEERS CLUB AND SPONSOR SHOCKED

By Lee Raney
Upon completion of the Van de Graff generator, the club and sponsor were shocked at and by its performance. The generator was the first project for the Atom Cracker. It produces 250,000 volts of static electricity. This electricity is harmless but packs quite a jolt.

PERSONALITY OF THE WEEK

By Kay Wilson
Receiving the honor of personality of the week is Anita Schmitz, sophomore cheerleader. Anita has been a cheerleader in high school for two years and one year in Junior High.

In preparation for becoming a better cheerleader, Anita has attended cheerleading schools the summers before both her freshman and sophomore years. She attended Sam Houston Cheerleading school at Huntsville her freshman year and Midwestern Cheerleading school this past summer.

Anita was born June 21, 1944 in Tahoka, Texas. She is no stranger to Muleshoe. She moved here with her family before she was a year old and has claimed Muleshoe as her home for about 15 years. She is the daughter of Mr. and Mrs. Thomas Earl Schmitz of Needmore. Mr. Schmitz is a farmer. She has one little sister, Judy Kay, who is 11 years old.

Judy is in the sixth grade at Mary DeShazo grade school. She is also a cheerleader. Anita has attended Muleshoe schools all her life. She has received many honors and is well liked by all her many friends. She was class favorite of her seventh grade class and was on the honor roll. Her eighth grade year she was the class secretary and also a reporter for the Junior High paper. Anita has proved herself to be a very good basketball player. She made the starting lineup of the eighth grade girls basketball team and received her varsity suit and jacket in the ninth grade.

She was the sergeant at arms for the Little Sister chapter of FHA her freshman year. During that year she was also a candidate for most beautiful. The first nine weeks of this year she made the honor roll in world history and Typing I with an average of 94 in both classes.

Among her many favorites, Anita claims reading books to be her favorite pastime. Basketball and football are the favorite sports of Anita. Her favorite actor and actress is Jeff Chandler and Lana Turner. "Mack the Knife" is the song Anita likes best and her favorite singer is Jimmy Rogers. She favors light rose, as a color, and her favorite food is broiled steak. As for teachers, Anita likes them all and chooses English as her favorite subject. When asked about her dislikes, she claimed "show-offs" to be her pet peeve.

Anita can be seen and heard at all pep rallies and football games. She is very pretty, smart and popular and truly deserves to be the personality of this week.

DID YOU KNOW . . . ?

By Susan Birdsong
The class of 7-C is greatly relieved that the nine weeks tests are over. Maybe some of us still haven't gotten the roof back on the house when it blew off after our parents saw our report cards, but others, like Tonyne Welch, who made the highest Math grade in 7-C, still have their roof.

Our home room teacher, Mrs. McSpadden, has been gone a whole week visiting her sick sister. We have had an able substitute though, Mrs. Washington, the football coach's wife, has put up with us for the week.

The class is proud to know that they have a poetess in the room. Her name is Shirley Smallwood. Maybe she'll let me print one of her poems sometime if I ask real sweetly. Seven-C was rather worried about band tryouts last week, as we're all band students. We had plenty to worry about, too. After tryouts, there wasn't one seventh grader sitting on first chair. We still think the band director, Mr. Cheek, is still tops, even if he did put us down a few chairs.

One of the members of the class, Susan Birdsong, played the piano at the Rotary Club last Tuesday. Her pieces were: Prelude in C Minor; Malaguena, Clair de Lune, and Edel weiss Glide.

NEWS FROM WEST MARY DESHAZO

The fifth and sixth grade softball teams of Mary DeShazo Elementary school have played several games this year, and proved themselves to be well worth being recognized.

The fourth grade has also elected two baseball captains. They are Brad Bell and Jack Parker.

A few recent birthdays in the three upper grades are as follows: James Phipps, October 14; Sharon Calshom, October 26; Kay Gore, October 28; Sandra Hopper, November 2; Marsha Blackman, November 4; Mike Marlow, November 5; and Larry Wilson, November 6.

ENOCHS NEWS EVENTS

A birthday and slumber party was given to Allen Jones, at the home of his parents, Mr. and Mrs. Billy West, on November 6. The boys played games, watched TV and ate a supper consisting of cheeseburgers, potato chips, fritos, cake and pop.

Those helping him to celebrate his birthday were Dennis Newton, Dennis Turney, Jimmy Pool, Tom Newton, Kenny Turney, and the host, Allen Jones.

Mr. and Mrs. Buford Peterson and children of Morton, Morris and Kay, attended a family get together at the home of his mother at Union, near Slaton, on November 4. Also visiting with them were Mr. Peterson's sister and family from California.

Mr. and Mrs. Will Mansell and family from Amherst visited in the Willie Welch home Sunday and attended church at the Methodist Church Sunday.

Enochs Baptist WMU met November 4 at the church for a mission study session. Mrs. Ralph Beasley was leader. Others present were Mesdames D. Grusedorf, B. Peterson, C. Hall, J. J. Terry, Guy Sanders, J. E. Layton, J. M. Angel, C. C. Snither, W. M. Bryant, and E. N. McCall.

Mrs. H. T. Clark is home again after a second stay in West Texas Hospital in Lubbock last week. It has been less than two weeks since she had major surgery. At last report she was feeling better.

The next Baptist Workers' Conference is to be on November 16 at 8 p.m. at West Camp. It is urged that as many go as possible.

Mid-week prayer service scheduled at the Baptist church has been changed to 45 minutes for teacher meeting and Bible study and 15 minutes for prayer.

Mr. and Mrs. W. M. Bryant visited in Littlefield Saturday with her parents, Mr. and Mrs. Hodges.

Mr. and Mrs. Duane Bryant and children visited recently in Lubbock with her grandmother, Mrs. Lillian Everett.

Mrs. E. N. McCall and Mrs. Carl Hall visited in Lubbock last week. Mrs. McCall visited her daughter, Mrs. Robert George, and Mrs. Hall's mother, Mrs. Clara McGinnis.

Mrs. R. P. McCall, Mrs. G. R. Newman, Mrs. E. N. McCall, Mrs. Arnold Archer attended a Tupperware party in the home of Mrs. Burley Roberts of north of Muleshoe.

Mr. and Mrs. H. C. Vandlingham of California visited his brother and family, Mr. and Mrs. J. B. Vandlingham.

Mr. and Mrs. Ronnie Ethridge of Muleshoe spent Sunday evening with her parents, Mr. and Mrs. Jerome Cash, and attended church Sunday night at the Bula Church of Christ.

By Mory Gross
Hampers by bad passes and first game jitters the Mulettes fell to Bula 71 to 46.

PEP CLUB ELECTIONS MR. AND MISS SCHOOL SPIRIT

By Magann Lamb
Muleshoe High School Pep Club has elected Miss Nancy Julian as "Miss School Spirit."

Nancy, a MHS senior, is the daughter of Mr. and Mrs. Jack Julian. She is head cheerleader this year and president of the Pep Club. Runner-up is Miss Virginia Hickman, daughter of Mr. and Mrs. M. E. Hickman. She is a MHS junior.

Robert Robinson has been elected as "Mr. School Spirit." He is the son of Pete and Jessie Robinson. Robert is president of the Muleshoe High School Student Council. Don Ethridge, son of Mr. and Mrs. S. M. Ethridge, is the runner-up.

Robert and Don are both seniors, Friday, November 13, they will be crowned.

The Pep Club has chosen the name of Pacos Barros, which is Spanish for "little mules." When the football season is over the Pep Club will form a service club. Plans are being made for the group to go Christmas caroling.

SWEETHEART AND PLOW GIRL ELECTED

By B. H. Wagon
Muleshoe Chapter of FFA elected its Sweetheart and Plow Girl last Monday night.

Don Ethridge, president, called the meeting to order and business was taken up. A motion was made that the chapter elect a Sweetheart and the runner up be Plow Girl. Kay Wilson was elected Sweetheart and Ronda Johnson was elected Plow Girl.

A committee was organized to check with the FFA girls about a Christmas party. Plans for a father-son banquet were discussed.

By Mory Gross
Hampers by bad passes and first game jitters the Mulettes fell to Bula 71 to 46.
