Miss Nichols And Jerry Isham Plan Wedding Sunday

Miss Margaret Caleen Nichols and Jerry Isham will exchange marriage vows in the First Methodist Church at Lamesa Sunday, July 18, at 2:00 p. m.

The bride-elect is the daughter of Mrs. Irene Nichols, 103 1/2 Ave. H., Lamesa. Mr. and Mrs. C. A. Isham of Tahoka are parents of the prospective bridegroom.

Miss Nichols is a 1965 graduate of Lamesa High School. Isham attended the Tahoka schools and is employed at Piggly Wiggly No. 2. The couple will make their home in Tahoka.

Garden Club Has Coffee And Swim

Members of the Tahoka Garden Club and several guests gathered in the backyard of Mrs. Hubert Tankersley Monday morning for a short business meeting. Mrs. Roy Edwards was co-hostess with the president, Mrs. Tankersley.

Some of the ladies took a swim in the pool while others enjoyed visiting on the beautiful shady patio. Coffee, dainty apricot tarts and orange nut bread were served to about 20 guests.

The ladies then drove to the high school building to view the project which the club has completed in beautifying an enclosed area. An attractive water fountain, rocks, stepping stones, trees, shrubs and ground cover have been placed in the area which can be seen from the hall windows.

Joshua Reviewed At WSCS Meeting

Both circles of the Women's Society of Christian Service met Monday morning in the Methodist Church parlor with 12 ladies attending.

The meeting opened with a business session conducted by Mrs. H. W. Carter and Mrs. R. M. Stewart gave a brief review on the first five books of the Bible.

Miss Vesta Sue Dudgeon presented an interesting and beautiful review of the Book of Joshua.

Next meeting will be Monday morning, August 2.

New Winners In Thursday Bridge

Mrs. Cecil Clem and Mrs. Garland Thornton were winners in duplicate bridge play at T-Bar Country Club last Thursday.

The ladies meet each Thursday morning at 10:00 o'clock with each one bringing a sack lunch and enjoying bridge until about 2:30 p. m.

Mrs. G. H. Spears was Dismissed from Hospital and Returned to LaVoy's Nursing Home Friday

Mrs. G. H. Spears was dismissed from the hospital and returned to LaVoy's Nursing Home Friday.

MISS CAROL JOAN LAMB, daughter of Mr. and Mrs. Robert A. Lamb, Wilson, and Billy Wayne Baker, son of Mr. and Mrs. Wilson Baker of Slaton, were united in marriage at 11:00 a. m. Saturday, July 3 in Wilson Methodist Church. The couple is residing in Lubbock at the University Garden Apartments.

Goddard Cousins Attend Reunion

Approximately 35 people attended the Goddard cousins reunion in the Community Center here all day Sunday. Mr. and Mrs. Joe Durham and Mr. and Mrs. Glenn Allen were hosts and toastesses for the occasion.

One cousin, Mrs. Pauline Marshall, was here from Pennsylvania. Next year Mr. and Mrs. Harlan Cook, Mrs. Frances Dunagan and Mrs. Elnora Curry will be in charge of the reunion.

All aunts and uncles of the Goddard family are deceased and the cousins make their reunion an annual affair.

Cousins attending were: Mrs. Pauline Marshall; Mrs. Merle Smith, Mrs. Ollie Barrow, and Miss Mary Davis of Lamesa, Roy B. Davis, Mrs. Alice Cook, Mrs. Mary Jane Durham, Mrs. Mildred Allen, all of Lubbock; Mrs. Una Cook of Seagraves; Mr. Dewey Davis of Colorado City; Mrs. Sue Thagard of Midland; Mrs. Velma Witte of Oglesby; and Mrs. Elnora Curry of Tahoka.

VISIT IN CHICAGO

Rev. and Mrs. Aubrey White were expected to return home Wednesday after visiting with a son, Mr. and Mrs. Willmon White and family in Chicago, Illinois. Willmon is an associate editor of "Together" magazine, a Methodist Church publication.

Visiting with Rev. and Mrs. White recently were a son, Mr. and Mrs. Dwain White and daughter, Stacey. Dwain is a senior in Austin College in Sherman and will attend law school when he completes his college work.

Rasenda Tejada was hospitalized Monday upon receiving an injury to his right hand in a tractor accident.

Congratulations:

Mr. and Mrs. W. H. McNeely, route 1, Wilson, on birth of a son at 11:38 p. m. Thursday in West Texas Hospital, Lubbock. He weighed 6 pounds 4 ounces and has been named Courtney Lance. The young man has a big sister, Denesia Lee, two and one-half years old. The father is a farmer. Grandparents are Mr. and Mrs. Bill McNeely and Mr. and Mrs. "Fuzzy" Reynolds of Lubbock county.

Mr. and Mrs. Larry Gene Brown, Wilson, on birth of a son weighing 8 pounds 3 ounces at 10:01 a. m. Thursday in West Texas Hospital in Lubbock. He is the couple's first child and has been named Larree Shon. The father is a junior high school coach and teacher in the Wilson schools. Mr. and Mrs. Aubrey Smith and Mr. and Mrs. Claude Brown, all of New Home, are grandparents.

Mr. and Mrs. Elwayne Croftwell on birth of a son in Tahoka Hospital Saturday, July 10 at 5:50 p. m. He has been named Garland David and weighed 8 pounds 10 ounces. The little fellow has a big sister, Brenda 11, and two brothers, Wayne 7 and Gary 5 1/2 years old. Mr. and Mrs. O. A. Croftwell of Tahoka are paternal grandparents, and Mrs. Alcie Wilson of Stephenville is maternal grandmother.

David Hammonds Air Firm Officer

David Hammonds, wife, two sons and the new daughter, have been here the past week from Columbus, Georgia, visiting his parents, Mr. and Mrs. Edgar Hammonds, other relatives and friends.

Dave was recently made vice president of Helms Air Services, Inc., of Columbus, which he says is not a large company but a growing one with ambitions. Except for the 11 months he was back in Tahoka in 1959, Dave has been at the airport in Columbus since 1956, when he was discharged from the service.

He was greatly interested in Tahoka's improvements, especially in the new school buildings.

VACATION IN COLORADO

A. L. Smith and family spent all last week vacationing and resting at Chama, N. M., and Vallecito Lake, near Durango, Colo. Al says they just rested, enjoyed the scenery and climate, and did no fishing.

Mr. and Mrs. Alvin Allison of Grand Rapids, Mich. visited last week here with his grandmother, Mrs. R. Riley. He is an athletic coach and the couple was on their way to San Francisco, Calif. to visit relatives. Also here visiting Mr. and Mrs. Riley was Sgt. Al P. Alexander who is being transferred from Ft. Wolters to Indiana.

Young People Will Direct Services At Church On Sunday

Youth Week 65 at the First Baptist Church will be climaxed Sunday as the youth of the church direct the Sunday School, the worship services, and the Church Training hour. The young people assumed the responsibilities of church leadership at the close of the morning worship service last Sunday, and have been leading the church all this week.

They conducted the evening worship service last Sunday, and again on Wednesday evening. Eddie Howard, who recently surrendered his life to the ministry, and who is serving as youth week pastor, preached his first sermon at the mid-week service. On Tuesday the youngsters enjoyed a hayride, and on Thursday evening, they visited Sunday School absentees and prospects. Today, at noon, they are scheduled to leave for Plains Baptist Assembly for a two day retreat with the young people from Shallowater.

All of these activities have been pointing toward Sunday when the youth will shoulder the big task of directing all the activities of the day. Robert Adams, Jimmy Billman, and Max Bartley, youth week education director, Sunday School superintendent, and associate superintendent respectively, will lead some forty other teenagers in conducting the Sunday School. Serving as department superintendents will be Terry Harvick, Nancy Parker, Brenda Riddle, Zacki Oliver, Lexi Adams, Mike Reid, Elva Jo Edwards, and Martin Warren.

Teaching the various classes will be Stella Howie, Mary Ellen Wyatt, Calva An Edwards, Joe Hefley, Curtiss Harvick, Paul Kenley, Vonceil Grogan, Charlotte Warren, Jim Bob Biggerstaff, Loretta Foster, Jack Jaques, Rhonda Littlepage, Phil Adams, Donna Riddle, Lana Grogan, Robbie Biggerstaff, Kathy Curry, Ronnie Huggens, Carroll Curry, Jane Owens, Charles Carpenter, and Martha Womack.

Department secretaries will be Alta Hale, Kay Lambert, Lynda Akin, Richard Williams, Diann Wilson, and Carolyn Cox. General Sunday School secretaries will be Cal Womack and Jim Adams.

Connie Gardner, Arlene Stephens, Ronnie Efrid, Cal Womack, Brenda Foster, Linda Biggerstaff, and Carla Efrid are scheduled to work in the Church Training hour.

Accompanists for all worship services will be Debbie Wright at the piano, and Carla Efrid at the organ. Jerre Wyatt will be in charge of the music.

Augustine Montemayor underwent minor surgery in Tahoka Hospital Monday and is reported to be improving.

Advertising doesn't cost, it pays.

Mrs. Lumsden Tells Of Florida Visit

Mrs. Lonnie Lumsden of Wilson returned home recently from attending the World Baptist Alliance in Miami, Florida, following which she visited with Mrs. J. T. Williams and family, formerly of Wilson, in Lauderdale-by-the-Sea.

Mrs. Lumsden says the Williams sent their love to all their old friends. She said they asked about just about everyone they ever knew in Lynn county. Mr. Williams formerly operated Wilson Mercantile. Mrs. Williams lives with her son, Johnny, and family, he being with an abstract and title firm there.

Their other son, Webb, is still in El Paso with the U. S. Boundary Commission. His wife is the former Inez Weatherford of Tahoka.

Miss Gladys Kirtley and Mrs.

W. F. Raymond also attended the Alliance in company with Mrs. Lumsden, but they returned shortly after the meeting and Mrs. Lumsden went for a visit with the Williams. They all flew to and from the meeting.

Mrs. W. A. Fulford, Brownfield, was a patient in Tahoka Hospital Thursday and Friday of last week.

Mason Visiting Mid-West Farms

T. B. Mason left Sunday on the week-long Farm Bureau sponsored bus tour of five mid-western states to observe operations of county Farm Bureaus in these states. Mr. Mason is president of Lynn County Farm Bureau.

About 175 men from Texas in the party will visit in Oklahoma, Kansas, Missouri, Iowa, and Illinois as an "Institute on Wheels" designed to give a first hand look at programs carried on effectively in other places.

They will visit Farm Bureau offices, farms, feed lots, and other outstanding agricultural facilities in the five states and then hold a rally Wednesday evening at Bloomington, Illinois, and hear a talk by Charles B. Shuman, president of American Farm Bureau

Two Local Youths Make Naval Cruise

Frankie Ferrera and Jesse Limon, both 1965 graduates of Tahoka High School, returned home July 3 from a Navy cruise off the California coast. The two Navy reservists left for the San Diego base June 20 for the summer training program.

Frankie has made his home here since very young with an aunt and uncle, Mr. and Mrs. Martin Anchondo, and attended the Tahoka schools all twelve years. He plans to enter Texas Tech in the fall.

Jesse is the son of Mr. and Mrs. John Limon of the West Point community.

On the way home, they will stop in St. Louis to see the St. Louis Cardinals and New York Mets in a baseball game.

Lubbock Man Is Rotary Speaker

Marvin McLarty of Lubbock presented a highly entertaining talk and color movies of a float fishing trip down the wild and remote seldom visited course of the Salmon River through Idaho at last Thursday's Rotary meeting.

Although the crowd of about fifty enjoyed the unusual pictures of rugged scenery, wild game, fabulous fish catches, and the sometimes wild rides over rapids, Marvin's comments and stories were the feature and kept his audience roaring with laughter.

He has made the trip a number of times, but these pictures were made during his first trip of 260 miles down the roaring river inaccessible in most places by any other means than by a rubber raft.

Of special interest is the fact that a number of hermits live up and down the river, some for a lifetime, and his pictures and stories told of their life there.

The program was arranged by Garland Thornton, program chairman for the month.

Binie White of the Youth Committee announced Stella Howle and Paul Douglas Kenley have been selected from the local High School as the Rotary's delegates to the Attorney General's Youth Conference in Austin August 20-22. As an officer in Texas Future Homemakers, Marla Bray, the club's sweetheart, will also be privileged to attend.

Since Al Smith was on vacation last week, Van's Catering Service of Lubbock served the meal.

Smith Children Get Together Here

Miss Lola Smith, physical therapist associated with a medical clinic in New Orleans, La., was here last week end visiting her brother, W. E. (Happy) Smith and Herbert Smith of Tahoka and Lynn Smith of Brownfield and families.

Also meeting her here at the same time were two sisters and a sister-in-law. Mr. and Mrs. Dexter (Hattie) Armstrong of Fort Stockton and Mr. and Mrs. Lewis (Eunice) Livingstone of Grand Prairie were her sisters and brothers-in-law who were here. Also here was Mrs. Newt (Christine) Smith of Arlington and daughter, Mary Beth, husband and two children.

Miss Lola left Monday to return to her work.

Sgt. Roy C. Riddle Visits In Tahoka

SSG E6 Roy C. Riddle, who has been in the service nearly 12 years, wife and two children, have been here visiting his parents, Mr. and Mrs. T. R. Riddle.

Sgt. Riddle for the next few months will be in primary helicopter training at Camp Wolters, Texas, and near the end of November he will go to Fort Rucker, Alabama, for an additional five months training.

In the meantime, his wife, a native of Jacksonville, Ala., son and daughter, will reside in Alabama and then rejoin him at Fort Rucker in late November.

Roy is making a career of the Army and during the 11½ years he has had service in Korea, England, and Germany.

He worked for The News during his high school days and wrote this note: "I looked over your operations while here and noticed the many improvements you have made to better serve the public. Seeing the old press and folder again brought back a lot of memories and reminded me of the number of boys you have given employment here at The News over the period of years."

MAREZ VISITING HERE

Mr. and Mrs. Johnny Marez, son and daughter are in Tahoka visiting relatives while on a 30-day leave from the Navy. Johnny is being transferred from the San Diego Naval base to Jacksonville, Florida.

He is the storekeeper on base for aircraft parts.

While here Johnny and family are visiting his parents, Mr. and Mrs. John Marez, his brother, Mario Marez and family, and his wife's parents, Mr. and Mrs. S. R. Pena.

The Navy man is a 1963 graduate of Tahoka High School.

The United States has 45 per cent of the total coal reserves of the world.

Mrs. Miller's Nephew Killed At Amarillo

Mrs. J. L. Miller received word of her nephew's death Thursday of last week in Amarillo. Funeral services for David Austin, 25, were conducted Monday afternoon in the chapel of Blackburn-Shaw Funeral Home in Amarillo.

Austin had just completed a tour with the army in Germany and July 1 became employed with Southland Electrical Contractors in Amarillo. The company was installing lights at a football stadium, and the apparatus atop the truck that Austin was driving became in contact with high voltage wiring causing the driver to be electrocuted.

The fatal accident occurred about 6:00 p. m. Thursday, just a few minutes before the crew was to stop work for the day.

Mrs. Fred Edwards of Waco, who attended with her husband the recent Pioneer Reunion, remained in the area several days visiting here with Mrs. Frances E. Dunagan and with her parents, Mr. and Mrs. C. C. McCormick at 1915 63rd street in Lubbock. The McCormicks formerly lived at Wilson, where he built and operated a cotton gin. Mrs. McCormick has been ill but was improved last week.

Help keep our town clean!

Lynn County Soil Conservation District News

E. E. BLAKNEY HAROLD PAYNE
WARD EAKIN BOYD BARNES
JIGGS SWANN

Market supplies of native grass seed are still inadequate. Demand for grass seed is certain to grow as more low-producing cropland is seeded permanently to grass and as grasses are used more in the regular cropping systems on farms and ranches.

Experience shows that producing grass seed under cultivation—preferably under irrigation—is both practical and profitable. This has proven the only way to produce adequate and dependable supplies. Under dryland or irrigated conditions grass for seed production offers good promise as a cash crop in the Lynn County Soil Conservation District.

Producing, harvesting, and processing grass seed are not simple operations. They require as much skill as similar steps in managing cotton and other farm crops. Experience in each of the management steps often means the difference between success and failure in producing seed. In particular, special attention should be given to (1) selecting areas suitable for producing seed, (2) de-

termining seed fill, (3) selecting and adjusting harvesting equipment, and (4) timing harvesting operations.

Local Soil Conservation Service technicians will be happy to help you in planning a grass seed production program.

THOSE HORRID AGE SPOTS*

FADE THEM OUT

*Weathered brown spots on the surface of your hands and face tell the world you're getting old—perhaps before you really are. Fade them away with new ESOTERICA, that medicated cream that breaks up masses of pigment on the skin, helps make hands look white and young again. Equally effective on the face, neck and arms. Not a cover-up. Acts in the skin—not on it. Fragrant, greaseless base for softening, lubricating skin as it clears up those blemishes. At leading drug and toiletry counters. \$2 plus tax. If you have these age-revealing brown spots, blotches, or if you want clearer, lighter skin, use ESOTERICA. At all Drug Stores.

Garden Club Has Coffee And Swim

Members of the Tahoka Garden Club and several guests gathered in the backyard of Mrs. Hubert Tankersley Monday morning for a short business meeting. Mrs. Roy Edwards was co-hostess with the president, Mrs. Tankersley.

Some of the ladies took a swim in the pool while others enjoyed visiting on the beautiful shady patio. Coffee, dainty apricot tarts and orange nut bread were served to about 20 guests.

The ladies then drove to the high school building to view the project which the club has completed in beautifying an enclosed area. An attractive water fountain, rocks, stepping stones, trees, shrubs and ground cover have been placed in the area which can be seen from the hall windows.

New Winners In Thursday Bridge

Mrs. Cecil Clem and Mrs. Garland Thornton were winners in duplicate bridge play at T-Bar Country Club last Thursday.

The ladies meet each Thursday morning at 10:00 o'clock with each one bringing a sack lunch and enjoying bridge until about 2:30 p. m.

Duplicate Results For Tuesday's Play

Winners in Tuesday night's duplicate bridge play at T-Bar Country Club were:

Kent Jones and Mrs. Bill Lumsden, first; Butch Adams and Mrs. Mary Anderson, second; Mrs. Winston Wharton and Mrs. Mel Leslie, third; and L. C. Haney and Mrs. Johnny Wells, fourth.

CARD OF THANKS

I wish to thank all my friends and neighbors for all the good things you did for me while I was in the hospital and later at home. I deeply appreciate every kind deed, visits, cards, flowers, etc. Special thanks to Drs. Prohl and Thomas and all the nurses. God bless you all!—H. E. Mock

"Cotton is the top 'cash' crop"

MISS CAROL JOAN LAMB, daughter of Mr. and Mrs. Robert A. Lamb, Wilson, and Billy Wayne Baker, son of Mr. and Mrs. Wilson Baker of Slaton, were united in marriage at 11:00 a. m. Saturday, July 3 in Wilson Methodist Church. The couple is residing in Lubbock at the University Garden Apartments.

Goddard Cousins Attend Reunion

Approximately 30 people attended the Goddard cousins reunion in the Community Center here all day Sunday. Mr. and Mrs. Joe Durham and Mr. and Mrs. Glenn Allen were hosts and hostesses for the occasion.

One cousin, Mrs. Pauline Marshall, was here from Pennsylvania. Next year Mr. and Mrs. Harlan Cook, Mrs. Frances Dunagan and Mrs. Elvora Curry will be in charge of the reunion.

All aunts and uncles of the Goddard family are deceased and the cousins make their reunion an annual affair.

Cousins attending were: Mrs. Pauline Marshall; Mrs. Merle Smith; Mrs. Ollie Barrow; and Miss Mary Davis of Lamesa, Roy B. Davis, Mrs. Alice Cook, Mrs. Mary Jane Durham, Mrs. Mildred Allen, all of Lubbock; Mrs. Una Cook of Seagraves; Mr. Dewey Davis of Colorado City; Mrs. Sue Thagard of Midland; Mrs. Velma Witte of Oglesby; and Mrs. Elvora Curry of Tahoka.

VISIT IN CHICAGO

Rev. and Mrs. Aubrey White were expected to return home Wednesday after visiting with a son, Mr. and Mrs. Willmon White and family in Chicago, Illinois. Willmon is an associate editor of "Together" magazine, a Methodist Church publication.

Visiting with Rev. and Mrs. White recently were a son, Mr. and Mrs. Dwain White and daughter, Stacey. Dwain is a senior in Austin College in Sherman and will attend law school when he completes his college work.

Rasenda Tejeda was hospitalized Monday upon receiving an injury to his right hand in a tractor accident.

Congratulations:

Mr. and Mrs. W. H. McNeely, route 1, Wilson, on birth of a son at 11:58 p. m. Thursday in West Texas Hospital, Lubbock. He weighed 6 pounds 4 ounces and has been named Courtney Lance. The young man has a big sister, Denesia Lee, two and one-half years old. The father is a farmer. Grandparents are Mr. and Mrs. Bill McNeely and Mr. and Mrs. "Fuzzy" Reynolds of Lubbock county.

Mr. and Mrs. Larry Gene Brown, Wilson, on birth of a son weighing 8 pounds 3 ounces at 10:01 a. m. Thursday in West Texas Hospital in Lubbock. He is the couple's first child and has been named Larree Shon. The father is a junior high school coach and teacher in the Wilson schools. Mr. and Mrs. Aubrey Smith and Mr. and Mrs. Claude Brown, all of New Home, are grandparents.

Mr. and Mrs. Elwayne Crotwell on birth of a son in Tahoka Hospital Saturday, July 10 at 5:50 p. m. He has been named Garland David and weighed 8 pounds 10 ounces. The little fellow has a big sister, Brenda 11, and two brothers, Wayne 7 and Gary 5 1/2 years old. Mr. and Mrs. O. A. Crotwell of Tahoka are paternal grandparents, and Mrs. Alecie Wilson of Stephenville is maternal grandmother.

David Hammonds Air Firm Officer

David Hammonds, wife, two sons and the new daughter, have been here the past week from Columbus, Georgia, visiting his parents, Mr. and Mrs. Edgar Hammonds, other relatives and friends.

Dave was recently made vice president of Helms Air Services, Inc., of Columbus, which he says is not a large company but a growing one with ambitions. Except for the 11 months he was back in Tahoka in 1959, Dave has been at the airport in Columbus since 1956 when he was discharged from the service.

He was greatly interested in Tahoka's improvements, especially in the new school buildings.

VACATION IN COLORADO

A. L. Smith and family spent all last week vacationing and resting at Chama, N. M., and Vallecito Lake, near Durango, Colo. Al says they just rested, enjoyed the scenery and climate, and did no fishing.

Mr. and Mrs. Alvin Allison of Grand Rapids, Mich. visited last week here with his grandmother, Mrs. R. Riley. He is an athletic coach and the couple was on their way to San Francisco, Calif. to visit relatives. Also here visiting Mr. and Mrs. Riley was Sgt. Al P. Alexander who is being transferred from Ft. Wolters to Indiana.

Young People Will Direct Services At Church On Sunday

Youth Week 65 at the First Baptist Church will be climaxed Sunday as the youth of the church direct the Sunday School, the worship services, and the Church Training hour. The young people assumed the responsibilities of church leadership at the close of the morning worship service last Sunday, and have been leading the church all this week.

They conducted the evening worship service last Sunday, and again on Wednesday evening; Eddie Howard, who recently surrendered his life to the ministry, and who is serving as youth week pastor, preached his first sermon at the mid-week service. On Tuesday, the youngsters evened a hayride, and on Thursday evening, they visited Sunday School absentees and prospects. Today, at noon, they are scheduled to leave for Plains Baptist Assembly for a two day retreat with the young people from Shallowater.

All of these activities have been pointing toward Sunday when the youth will shoulder the big task of directing all the activities of the day. Robert Adams, Jimmy Billman, and Max Bartley, youth week education director, Sunday School superintendent, and associate superintendent—respectively—will lead some forty other teenagers in conducting the Sunday School. Serving as department superintendents will be Terry Harvick, Nancy Parker, Brenda Riddle, Zacki Oliver, Lexi Adams, Mike Reid, Elya Jo Edwards, and Martin Warren.

Teaching the various classes will be Stella Howie, Mary Ellen Wyatt, Calva An Edwards, Joe Hefley, Curtiss Harvick, Paul Kenley, Vonceil Grogan, Charlotte Warren, Jim Bob Biggerstaff, Loretta Foster, Jack Jaquess, Rhonda Littlepage, Phil Adams, Donna Riddle, Lana Grogan, Robbie Biggerstaff, Kathy Curry, Ronnie Hudgens, Carroll Curry, Jane Owens, Charles Carpenter, and Martha Womack.

Department secretaries will be Alta Hale, Kay Lambert, Lynda Akin, Richard Williams, Diann Wilson, and Carolyn Cox. General Sunday School secretaries will be Cal Womack and Jim Adams.

Connie Gardner, Arlene Stephens, Ronnie Efrid, Cal Womack, Brenda Foster, Linda Biggerstaff, and Carla Efrid are scheduled to work in the Church Training hour.

Accompanists for all worship services will be Debbie Wright at the piano, and Carla Efrid at the organ. Jerre Wyatt will be in charge of the music.

Augustine Montemayor underwent minor surgery in Tahoka Hospital Monday and is reported to be improving.

Advertising doesn't cost, it pays.

Mrs. Lumsden Tells Of Florida Visit

Mrs. Lonnie Lumsden of Wilson returned home recently from attending the World Baptist Alliance in Miami, Florida, following which she visited with Mrs. J. T. Williams and family, formerly of Wilson, in Lauderdale-by-the-Sea.

Mrs. Lumsden says the Williams sent their love to all their old friends. She said they asked about just about everyone they ever knew in Lynn county. Mr. Williams formerly operated Wilson Mercantile. Mrs. Williams lives with her son, Johnny, and family, he being with an abstract and title firm there.

Their other son, Webb, is still in El Paso with the U. S. Boundary Commission. His wife is the former Inez Weatherford of Tahoka.

Miss Gladys Kirtley and Mrs.

W. F. Raymond also attended the Alliance in company with Mrs. Lumsden, but they returned shortly after the meeting and Mrs. Lumsden went for a visit with the Williams. They all flew to and from the meeting.

Mrs. W. A. Fulford, Brownfield, was a patient in Tahoka Hospital Thursday and Friday of last week.

Mason Visiting Mid-West Farms

T. B. Mason left Sunday on the week-long Farm Bureau sponsored bus tour of five mid-western states to observe operations of county Farm Bureaus in these states. Mr. Mason is president of Lynn County Farm Bureau.

About 175 men from Texas in the party will visit in Oklahoma, Kansas, Missouri, Iowa, and Illinois as an "Institute on Wheels" designed to give a first hand look at programs carried on effectively in other places.

They will visit Farm Bureau offices, farms, feed lots, and other outstanding agricultural facilities in the five states and then hold a rally Wednesday evening at Bloomington, Illinois, and hear a talk by Charles B. Shuman, president of American Farm Bureau

Two Local Youths Make Naval Cruise

Frankie Ferrera and Jesse Limon, both 1965 graduates of Tahoka High School, returned home July 3 from a Navy cruise off the California coast. The two Navy reservists left for the San Diego base June 20 for the summer training program.

Frankie has made his home here since very young with an aunt and uncle, Mr. and Mrs. Martin Anchondo, and attended the Tahoka schools all twelve years. He plans to enter Texas Tech in the fall.

Jesse is the son of Mr. and Mrs. John Limon of the West Point community.

On the way home, they will stop in St. Louis to see the St. Louis Cardinals and New York Mets in a baseball game.

Lubbock Man Is Rotary Speaker

Marvin McLarty of Lubbock presented a highly entertaining talk and color movies of a float fishing trip down the wild and remote seldom visited course of the Salmon River through Idaho at last Thursday's Rotary meeting.

Although the crowd of about fifty enjoyed the unusual pictures of rugged scenery, wild game, fabulous fish catches, and the sometimes wild rides over rapids, Marvin's comments and stories were the feature and kept his audience roaring with laughter.

He has made the trip a number of times, but these pictures were made during his first trip of 260 miles down the roaring river inaccessible in most places by any other means than by a rubber raft.

Of special interest is the fact that a number of hermits live up and down the river, some for a lifetime, and his pictures and stories told of their life there.

The program was arranged by Garland Thornton, program chairman for the month.

Binie White of the Youth Committee announced Stella Howle and Paul Douglas Kenley have been selected from the local High School as the Rotary's delegates to the Attorney General's Youth Conference in Austin August 20-22. As an officer in Texas Future Homemakers, Maria Bray, the club's sweetheart, will also be privileged to attend.

Since Al Smith was on vacation last week, Van's Catering Service of Lubbock served the meal.

Smith Children Get Together Here

Miss Lola Smith, physical therapist associated with a medical clinic in New Orleans, La., was here last week end visiting her brother, W. E. (Happy) Smith and Herbert Smith of Tahoka and Lynn Smith of Brownfield and families.

Also meeting her here at the same time were two sisters and a sister-in-law, Mr. and Mrs. Dexter (Hattie) Armstrong of Fort Stockton and Mr. and Mrs. Lewis (Eunice) Livingstone of Grand Prairie were her sisters and brothers-in-law who were here. Also here was Mrs. Newt (Christine) Smith of Arlington and daughter, Mary Beth, husband and two children.

Miss Lola left Monday to return to her work.

Sgt. Roy C. Riddle Visits In Tahoka

SSG E6 Roy C. Riddle, who has been in the service nearly 12 years, wife and two children, have been here visiting his parents, Mr. and Mrs. T. R. Riddle.

Sgt. Riddle for the next few months will be in primary helicopter training at Camp Wolters, Texas, and near the end of November he will go to Fort Rucker, Alabama, for an additional five months training.

In the meantime, his wife, a native of Jacksonville, Ala., son and daughter, will reside in Alabama and then join him at Fort Rucker in late November.

Roy is making a career of the Army and during the 11½ years he has had service in Korea, England, and Germany.

He worked for The News during his high school days and wrote this note: "I looked over your operations while here and noticed the many improvements you have made to better serve the public. Seeing the old press and folder again brought back a lot of memories and reminded me of the number of boys you have given employment here at The News over the period of years."

MAREZ VISITING HERE

Mr. and Mrs. Johnny Marez, son-and-daughter are in Tahoka visiting relatives while on a 30-day leave from the Navy. Johnny is being transferred from the San Diego Naval base to Jacksonville, Florida.

He is the storekeeper on base for aircraft parts.

While here Johnny and family are visiting his parents, Mr. and Mrs. John Marez, his brother, Mario Marez and family, and his wife's parents, Mr. and Mrs. S. R. Pena.

The Navy man is a 1963 graduate of Tahoka High School.

The United States has 45 percent of the total coal reserves of the world.

Mrs. Miller's Nephew Killed At Amarillo

Mrs. J. L. Miller received word of her nephew's death Thursday of last week in Amarillo. Funeral services for David Austin, 25, were conducted Monday afternoon in the chapel of Blackburn-Shaw Funeral Home in Amarillo.

Austin had just completed a tour with the army in Germany and July 1 became employed with Southland Electrical Contractors in Amarillo. The company was installing lights at a football stadium, and the apparatus atop the truck that Austin was driving became in contact with high voltage wiring causing the driver to be electrocuted.

The fatal accident occurred about 6:00 p. m. Thursday, just a few minutes before the crew was to stop work for the day.

Mrs. Fred Edwards of Waco, who attended with her husband the recent Pioneer Reunion, remained in the area several days visiting here with Mrs. Frances E. Dunagan and with her parents, Mr. and Mrs. C. C. McCormick at 1915 63rd street in Lubbock. The McCormicks formerly lived at Wilson, where he built and operated a cotton gin. Mrs. McCormick has been ill but was improved last week.

Help keep our town clean!

Lynn County Soil Conservation District News

E. E. BLAKNEY
 WARD EAKIN
 JIGGS SWANN
 HAROLD PAYNE
 BOYD BARNES

Market supplies of native grass seed are still inadequate. Demand for grass seed is certain to grow as more low-producing cropland is seeded permanently to grass and as grasses are used more in the regular cropping systems on farms and ranches.

Experience shows that producing grass seed under cultivation—preferably under irrigation—is both practical and profitable. This has proven the only way to produce adequate and dependable supplies. Under dryland or irrigated conditions grass for seed production offers good promise as a cash crop in the Lynn County Soil Conservation District.

Producing, harvesting, and processing grass seed are not simple operations. They require as much skill as similar steps in managing cotton and other farm crops. Experience in each of the management steps often means the difference between success and failure in producing seed. In particular, special attention should be given to (1) selecting areas suitable for producing seed, (2) de-

termining seed fill, (3) selecting and adjusting harvesting equipment, and (4) timing harvesting operations.

Local Soil Conservation Service technicians will be happy to help you in planning a grass seed production program.

THOSE HORRID AGE SPOTS*

Weathered brown spots on the surface of your hands and face tell the world you're getting old—perhaps before you really are. Fade them away with new ESOTERICA, that medicated cream that breaks up masses of pigment on the skin, helps make hands look white and young again. Equally effective on the face, neck and arms. Not a cover-up. Acts in the skin—not on it. Fragrant, greaseless base for softening, lubricating skin as it clears up those blemishes. At leading drug and toiletry counters. \$2 plus tax. If you have these age-revealing brown spots, blotches, or if you want clearer, lighter skin, use ESOTERICA. At all Drug Stores.

Family Night At Rebekah Meeting

Tahoka Rebekah Lodge No. 209 met on regular time with 17 present and the following officers in chair: Ollie Pendleton, noble grand; Dale Singleton, vice grand; and Leona Waldrip, secretary.

A school of instruction was conducted by Willie Mae Childress, lodge deputy.

A family night has been planned for tonight, July 16, at the hall when cake and ice cream will be served. Following refreshments "42" will be played. Dana Akin, reporter.

Joe Stokes Club Planning Picnic

Joe Stokes Home Demonstration Club met July 13 at 2:30 p. m. in the home of Mrs. Curtis Overman. Twelve members and four visitors were present.

The meeting was called to order by Mrs. Ronnie Dulin, and the minutes were read and approved. Mrs. Brent Gregg gave the council report.

Plans were made for the club picnic on August 3 at 7:00 p. m. in the Mackenzie Park at Lubbock.

Lucille Reger of Lubbock brought a very interesting demonstration on cake decoration.

Following the business and program, refreshments were served.

Congratulations:

Mr. and Mrs. Wayne Vandergriff of Macon, Georgia, on birth of a son, their firstborn, on July 6 in Macon. He weighed 10 pounds 2 ounces and has been named Michael Wayne. The father is assistant manager of a service station in Macon. Grandparents are Mr. and Mrs. L. B. Thompson and Mr. and Mrs. J. B. Floyd of Macon.

CARD OF THANKS

We would like to say "thank you" to our many friends and neighbors who were so kind and thoughtful during the illness and death of our loved one. We would also like to add a special thank you to the men who helped with the crop, including John Thomas Tippit, Raymond Ashbrook, Elmer Owens and Garland Pennington. May you be richly rewarded for all your kind deeds.—The family of Gus Bairrington. 1tc

Lubbock—A highly controversial, low loan-direct payments cotton bill, H.R. 9414, was reported out of the House Agriculture Committee July 8. Diligently sought by the Administration and bitterly fought by producers, the bill finally came from the committee on a split vote of 20 to 13.

Then the committee almost immediately went back into executive session, added some new features and brought out a substitute—no less controversial and no less displeasing to cotton producers.

The new bill, still called the "Cooley Bill" after sponsor and chief proponent Congressman Harold Cooley (D-NC), carries the number H.R. 9715. Written as a four-year proposal, it provides:

1. A loan price of 21 cents per pound on middling-inch cotton at average location in 1966 and a loan price at 90 percent of the "estimated" world price for 1967, 1968 and 1969;

2. A mandatory 15 percent acreage reduction for any farmer who wishes to be eligible for the loan or direct payments;

3. Unlimited acreage and production for farmers who elect to plant over 85 percent of their effective allotment and sell on the open market without benefit of loan or payments;

4. For establishment of a domestic allotment for each farmer at not less than 65 percent of base allotment;

5. A price support payment of 9 cents per pound and a variable land retirement payment which, combined, would give the producer a total payment of (a) 11.42 cents per pound times the projected yield from domestic acreage (85 percent of base) for growers who plant 85 percent of base allotment, (b) 13.04 cents per pound times projected yield from domestic allotment for growers who plant 75 percent, and (c) 14.65 cents per pound times projected yield for the grower who plants only his domestic allotment.

6. That the amount of direct payments after 1966 will be set in accordance with a formula contained in the bill which would cause it to vary in direct relation to the loan level;

7. A restriction on release and reapportionment which would prevent cotton acres released from being reapportioned outside the county in which released;

8. That a producer who receives reapportioned acreage will be eligible for the loan (21 cents) and the support payment (9 cents on domestic acres) but not for land diversion payments;

9. That allotment holders can release 85 percent of their acreage and receive a land-diversion payment in the amount of one-half the loan price times projected yield from the other 15 percent without planting any cotton at all;

10. That if the Secretary of Agriculture is unable to make payments as provided in the law he may carry out its provisions

WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

Now that a drive is definitely being made to repeal Section 14-B of the Taft-Hartley Act so that no state will be permitted to outlaw labor contracts which force workers to pay dues to a union, there is being unleashed a lot of high flown oratory in favor.

However, this is all patent nonsense and even those who spot it do not believe it. For stripped of all sham and pretense the essential issue involves money.

At the present time, union membership is down to some 17 million. What this figure would be if in most states union membership were not required to hold a job is a subject for conjecture. But even with present membership, and setting a low monthly dues average of \$5 per month, the unions even now have an income of some \$85 million per month, tax free.

New while unions are not supposed to employ their funds in carrying on political activity, it is no secret that this law is violated, or circumvented.

The labor leaders themselves have been quite upset that despite the means they have to force workers to pay dues to them, union membership is still less than 25% of the present working force.

There are 19 states with right to work laws. The total population of these states is about 50 million, or equal to a third of the total population in states where people can be forced to pay union dues to work.

Hence, using rough average, repealing section 14-B would probably force 5 million more people to pay dues to work.

This would produce a new, fresh tax free union income of somewhere around \$25 million per month, \$300 million per year. Presumably, this would more than compensate them for the monies they have spent in political activity.

On three different occasions, the nation's independent business proprietors, voting through the National Federation of Independent Business, have opposed repeal of Section 14-B by majorities in excess of 80%.

And leaving aside the principle involved here of using federal laws to enforce collection of monies for the privilege of earning a living, this is an issue which could create disruption of the American system.

For after all, the greatest strength any government actually has over the long run is confidence of the people in that government. An incompetent government is weak.

In this instance, there is no government that has taken such a stand with both money and the blood of its men to uphold the right of other peoples to determine without own destinies free from subordination to others. Yet the fact that the government would attempt to deny the right of a job to its own citizens unless they conform to the dictates of labor leaders is a great inconsistency.

through use of loans or through purchase and resale of cotton;

11. That the Secretary of Agriculture cannot sell cotton from CCC stocks at less than 110 percent of the loan price except if he determines that production in any year will be less than oftaken, in which case he can sell CCC stocks at market prices;

12. That farmers may, within counties or adjoining counties, trade rice and cotton allotments themselves, and

13. That sale and transfer of cotton allotments may be made between growers within a county, except that if a referendum vote shows that two-thirds of the growers in a county approve, allotments from that county can be sold and transferred outside the county but within the state.

However, the total allotment for any farm to which acreage is transferred can not exceed 150 percent of the average size farm acreage allotment in that state or 100 acres, whichever is greater.

Department of Agriculture figures are reported to show that the blended, or average, price for a farmer planting 85 percent of his allotment would come to 30.73 cents per pound, to 33.3 cents if he plants 75 percent and 36.6 cents if he plants only 65 percent. In this calculation it appears the Department is assuming that cotton will sell at one cent above the loan price, which may or may not be the case under varying conditions.

As an example of how the bill would work if it should become law as now written, consider a farmer with a 100 acre allotment and assume his lint yield to be 500 pounds per acre.

If he plants over 85 acres he may as well plant fence-row to fence-row because he loses eligibility for loan or payment.

If he plants 85 acres and produces 85 bales he gets a minimum of the 21 cent loan value on the full 42,500 pounds of lint, or \$8,925.00. Then, on the 65 bales from his domestic allotment, he gets a payment of 11.42 cents per pound, or \$3,711.50, for total gross income from cotton of \$12,636.50. On the 42,500 pounds, that's an average price of 29.73 cents per pound and he will have to sell at one cent above the market to reach the Department's figure of 30.73 cents.

Planting 75 acres he would get the minimum 21 cent loan value on 37,500 pounds and a payment of 13.04 cents on the 32,500 pounds—a payment of 13.04 cents on the 32,500 pounds from domestic acreage—a total of \$12,113.00 and an average of 32.3 cents per pound for all of his cotton. Again, this is one cent below the figure used by the Department.

If he chooses to reduce back to his domestic allotment, 65 acres, he would receive a minimum of 21 cents plus 14.65 cents, or 35.65 cents per pound on all production.

Our cotton on the High Plains

normally averages above 3 cents per pound below the middling inch at average location loan price, which in 1965 is 29 cents. Therefore in 1965 we have a support level under the loan of 26 cents per pound. And, converting this per-pound price to the 100 acre, 100-bale example as used above, the gross income support will be \$13,000.00.

By comparison, under H.R. 9715 discussed above, the High Plains farmer electing to plant 85 percent of his allotment would have a gross support level at \$11,361.50—a 12.6 percent drop in gross. Planting 75 percent he would have a support level at \$10,988.00—a drop in gross of 15.5 percent. If he cuts back to 65 percent his gross support drops to \$10,611.25 for an 18.4 percent loss in gross income.

Of course these are minimum farmer receipts, or the amounts he could count on, for sure. But with a huge carryover and the possibility of some producers growing unlimited amounts of cotton, most observers see little hope that cotton will sell at much above the loan level. If it doesn't, these figures would closely approximate producer income under H.R. 9715.

THE NEWS

Olivers Attend Nephew's Funeral

James Barnett Trusty, 32, of Wichita Falls, died in Porta Rico June 29 of a cerebral stroke. He was a Naval officer and had been in the Navy 14 years.

The body was sent to Wichita Falls where a first class military funeral was conducted.

Trusty was a nephew of J. B. Oliver of Tahoka. Mrs. Pyle and Mrs. Andrain, both of Big Spring and sisters of J. B., came to Tahoka and accompanied the Olivers to the services.

James Barnett was J. B.'s namesake—James was for his Grandfather Trusty and the Barnett for J. B. He is survived by his wife, a five year old son and a three year old daughter, who are living in Tennessee.

ALABAMA PEOPLE BACK FOR NEW HOME VISIT

Mr. and Mrs. Pierce James and daughter and husband, Mr. and Mrs. R. C. Cain, and their two sons, all of Jasper, Ala., are here visiting the Smith cousins at New Home. They and local relatives will have a family party at the Wayman Smiths this Thursday afternoon.

Mrs. James lived in Lynn county in 1917 when her parents came to this country, but "dried out" and went back to Alabama.

She recalled that in 1917, the road from New Home to Tahoka came directly across the pasture land and they opened a plank gate about where Tahoka High School now stands just before reaching town.

THOSE HORRID AGE SPOTS*

FADE THEM OUT

*Weathered brown spots on the surface of your hands and face tell the world you're getting old—perhaps before you really are. Fade them away with new ESOTERICA, that medicated cream that breaks up masses of pigment on the skin, helps make hands look white and young again. Equally effective on the face, neck and arms. Not a cover-up. Acts in the skin—not on it. Fragrant, greaseless base for softening, lubricating skin as it clears up those blemishes. At leading drug and toiletry counters. \$2 plus tax. If you have these age-revealing brown spots, blotches, or if you want clearer, lighter skin, use ESOTERICA. At all Drug Stores.

Collier - Parker Pharmacy

CARD OF THANKS

From the depths of our hearts we extend our thanks to the many people who have helped us in any way—to Dr. Prohl and nurses at the hospital, to those who gave or offered assistance, expressed sympathy, sent flowers, cards, letters, and food; to those who

worked out our crops; and to others for the many acts of kindness, large and small. We never knew we had so many friends who really cared. God bless each one of you.—Mrs. John F. Thomas and family. 1tc

Sorghum Midge Is Crop Threat

College Station—Texas farmers should start looking for signs of sorghum midge, says Weldon Newton, associate Extension entomologist, Texas A&M University. The small orange fly is best seen as it crawls over spikelets of young grain sorghum in early morning.

Destroying thousands of dollars of grain every year, midge is one of the most damaging insects attacking Texas grain sorghum. Usually farmers are unaware of midge until tell-tale "blighted" or "blasted" heads begin to appear. Then it is too late to attempt control, Newton adds.

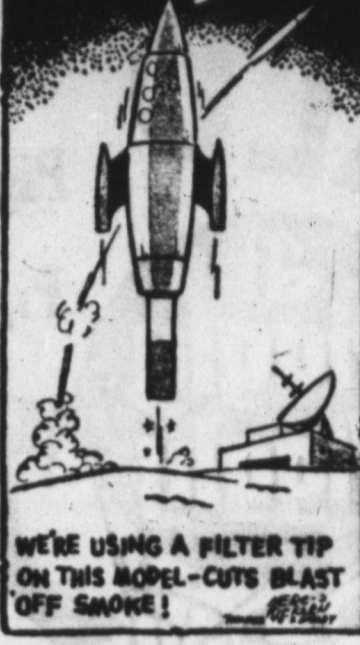

He explains that sorghum midge, whose adults are about one-twelfth of an inch long, overwinter as larvae in cocoons which are attached to spikelets of Johnsongrass. About the same time that Johnsongrass begins to bloom the midge matures and flies to fields of grain sorghum where heads are beginning to emerge from the boot.

The females deposit their eggs on spikelets of young heads during a four to ten day period following booting. The eggs produce maggots that bore into and consume the internal portion of the seed.

The only economical way to control midge is by destroying the females before they deposit their eggs. This requires precise timing because it must be done during the four to ten day period when adults fly to the young heads.

Many growers choose to apply insecticides immediately after head emergence if midge damage occurred the previous year. Others prefer to inspect their fields and determine the need for treatment

MRS. VANDYKE MOVING TO SAN ANTONIO

Mrs. Joe (Bess) VanDyke, a resident of Lynn county since a baby, is moving to San Antonio today, where her son Jim lives, and will live at 331 West Silver Sands in that city.

Mr. and Mrs. Jim VanDyke accompanied her here this week. She has been visiting with them since Easter, Mr. VanDyke having passed away on August 18, 1964.

Mrs. VanDyke came to Lynn county as a babe in her mother's arms back in 1902, before the county was organized. Her dad, the late Jim H. Cowan helped organize the county. Her younger brother, Bart Cowan, was the first baby born in Lynn county after the county was organized in the spring of 1903.

She hates to leave her many old friends here, but will be in San Antonio with her son and family, where Jim is in the diesel engine business.

depending upon the number of adult midge among newly emerged heads.

Research shows that best results are obtained if insecticides are applied when approximately 90 percent of the heads have completely emerged from the boot," Newton reveals. "The application should be repeated after three to five days if adult activity continues."

He says that sevin, toxaphene, endrin, parathion, carbophenothion, diazinon and ethion are effective insecticides for sorghum midge control. Farmers should obtain additional information concerning concentration, methods and time of application from their local county agent's office.

Mrs. Hattie Beard was dismissed from Tahoka Hospital Friday where she had been a patient several days.

Lucky's Still Lead In Bowling League

Lucky 3-plus-1 remains in lead in the New Home Bowling League, the Confederates are in second place and the Alley-Oops in third. In competition last week the Luckys took 3 from U&H with Betsy Primrose bowling a 174 game and 481 series. U&H's leader was L. C. Unfred who had a 160 game and 457 series.

The Confederates tromped past Big Four with Freddie Kiehl's 193 game and series of 529. Jerry Brown led Big Four with a 180 game and series of 472.

Alley-Oops took the Alibis 3-1 with Jodie Halford's high game of 188 and Dick Turner's 494 series. The losers were led by Bob Clem's 194 game and 481 series.

Bowl Weevils took 3 from the Show-Offs with Kent McClintock's 192 game and 504 series. Benson Rice led his team with high game of 168 and series of 484.

Adlibs took 3 from Cullahays with Roger Blakney's 191 game and Jackie Lisebmy's 471 series. Virgil Haley led his team with a 142 game and series of 381.

Jokers took Poor Merchants 4-0 with Scott Lowrey's 191 game and 509 series. James Farr led the Merchants with a 162 game and series of 444.

Lane Loafers took Old Folks 3-1 with Nick Ford's 192 game and 536 series. Lil Todd had a 160 game and Babe Evans had high series of 438.

Maniacs took 4 from the Nite Owls with Jerry Harston's 158 game and series of 418. Garland Peek led his team with 175 game and series of 433.

Those bowling 500 series and over were Nick Ford 536, Freddie Kiehl 529, JoAnn Kiehl 529, Jimmie Kiehl 502, Kent McClintock 504, and Scott Lowrey 509.

CARD OF THANKS

To the people of New Home: By the time the News comes out this week we hope to be home where on doctor's orders Raymond will still have to have bed rest for a few weeks. The doctors are giving us encouraging reports, with their care, plus the "tender loving care" of our many wonderful friends and our Devine Father, life should be very good for us again.

So many have had a part in caring for our crop, sending cards and letters of encouragement and other ways too numerous to name, that it would be impossible to send a personal note to each one, so we are taking this way of saying thank you from our hearts, and may God bless each one. Sincerely, Raymond and Bess Daugherty, etc.

BREWER GETS SHOWER

Commissioner Ode Brewer reports the half-inch shower on his place Saturday morning helped a lot. The rain extended about a half mile north of his irrigated place and on down into Dawson county.

Cotton was grown in Spain by the Moors in 700.

Gordon-Southland News

(By Mrs. Edmund Wilke)

Well, we're back! We had a wonderful week in the mountains of New Mexico and Colorado. Saw a lot of beautiful scenery. I love trees and when I'm in the mountains, I am just carried away with all the things that you usually see in the mountains.

We went to the Chaco Canyon in New Mexico and toured the Indian Ruins and was amazed at how perfect some of the houses still are after hundreds of years. We went to the new Navajo Dam and lake about 30 miles from Farmington and Sherri caught her first trout. We also went up into Colorado, through Devil's Canyon Pass and on over to Fun Valley, where we spent the night and day. We climbed up Treasure Mountain and Edmund had to get behind me and push me up the mountain most of the way. We wandered off on an unbeaten path and it was quite rugged.

We went shopping at Durango, Colorado, and Edmund went through a large sawmill. We visited with my sister and family, Mr. and Mrs. Aubrey Bryan and boys and some friends, Mr. and Mrs. Albert Krause and girls. We saw a lot of snow in Colorado and on Thursday it snowed a little at the Continental Divide. We also saw a forest fire burning right in the middle of the snow. All in all we had a wonderful time, saw a lot of beautiful country, it was so nice and cool—but it is great to be home. After all—there is no place like home!

We are not the only ones that have been in the mountains. Mr. and Mrs. Fred Myers and son and Mr. and Mrs. Ned Myers and daughter spent four days at Ruidoso recently. They said that it was so nice and cool up there and that they had to wear their jackets when they went fishing.

Mr. and Mrs. Tommy Wholeys and three sons from Marshall spent Sunday with Mr. and Mrs. L. J. Myers. Also visiting was Miss Kelly Jo Myers of Lubbock. Kelly Jo is now employed with the Citizens National Bank of Lubbock.

Mrs. Alex Fry of Spur spent Thursday night with Mr. and Mrs. L. J. Myers.

Little Nedra Myers is spending a week with her grandparents, Mr. and Mrs. L. J. Myers. Nedra is the daughter of Ned Myers.

Mr. and Mrs. Ben Vernon of Lubbock spent Sunday with Mr. and Mrs. G. D. Ellis. Mr. Vernon is Mrs. Ellis' brother.

Dayneen Dunn is attending the 4H Camp at Cloudcroft.

I was so sorry to hear that Will Barton has been in the Mercy Hospital in Slaton. He is better now and they brought him home this morning.

Mr. and Mrs. B. L. Thomas and family visited with Mr. and Mrs. Claud Thomas at Denver City recently.

Mr. and Mrs. Jerry Pennell and daughter ate supper Saturday night with Mr. and Mrs. Willie Becker Jr. and boys. The Pennells are from Lubbock.

Mr. and Mrs. G. C. Emery and three daughters from Houston are visiting with Mr. and Mrs. D. D. Pennell.

Mrs. Nellie Mathis attended the Mathis reunion at Lubbock on Sunday.

Mr. and Mrs. Arthur Smallwood and boys attended the Ross reunion at Slaton on Sunday.

Mrs. F. W. Callaway and her sister from Redbluff, Calif., spent a few days at Roby last week.

Mr. F. W. Callaway and Rodney and Jackie Dunn spent several days last week at Lake Thomas.

Mrs. Birdie Rackler of Portales spent Saturday night with Mrs. J. F. Rackler. Sunday they attended church at Slaton and then ate dinner with Mr. and Mrs. J. B. Rackler. Mrs. Birdie Rackler also visited with Mr. and Mrs. Claud Roper and with Mr. and Mrs. Robert Lee Rackler of Lubbock. On Saturday she ate dinner with Mrs. Ed Denton.

Gwen-Stencil of Fluvanna visited with Beverly Rackler on Sunday.

Canadian Lake Covers 6,000 Acres

Record high late June rainfall totaling 10 1/2 inches in the Amarillo area has swollen Meredith Reservoir on the Canadian River to 6,413 surface acres, reports the Texas Parks and Wildlife Department.

Most other Panhandle lakes, largely without sufficient run-off since 1961-62, are now full and overflowing because of recent rains.

Lake Meredith, the site of recent walleye releases by the department, is the Panhandle's newest and largest lake. The newest reservoir, destined to cover 20,000 surface acres when full, has already become one of the major centers for water-oriented sports in northwest Texas.

Cotton is the life-blood of Lynn county economy.

VISITING FROM MARLIN

Mr. and Mrs. Hubert (Veta) Davis of Marlin were visiting her mother, Mrs. Nettie Davis, last week. Also visiting here were their son, Mr. and Mrs. Hubert Edward Davis, Schandra, Lisa and Karen of Dallas. Visiting here from South Gate, Calif. were a daughter of Mrs. Nettie Davis, Mrs. Wade (Mildred) Schooler and Pam.

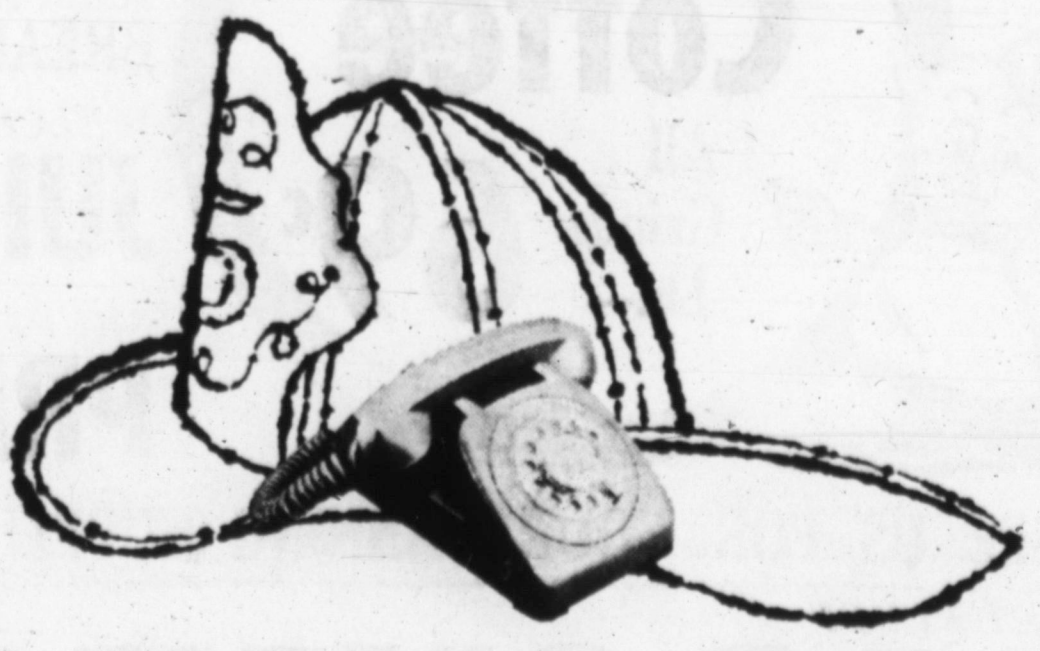

Mrs. L. M. Byrd underwent major surgery Monday in West Texas Hospital. She is reported to be recovering.

COMMUNICATIONS — Your Tool for Progress

In case of fire, this telephone rings the alarm

In many of our towns, fire protection comes from a volunteer fire department. An effective communications system summons these volunteers by ringing all members' telephones at the same time. What's more, it is a distinctive ring which means "FIRE!" and brings firemen on the run. Here is another example of how Communications becomes a Tool for Progress—a communications service of great value to every town with a volunteer fire department. For full information about our many communications services, please call our Business Office.

Bray CHEVROLET
 1615 LOCKWOOD TAHOKA, TEXAS 998-4343

We get ideas from it almost weekly. Last week, Editor Cecil Waggoner was disturbed a bit because some one had complained that Claude has too many drives, and he proceeded to answer in his column. That aroused a little idea in our mind.

If it had not been for a drive started by some one we would not have our fine school plant, our beautiful churches, our park and swimming pool, our system of rural roads, rural electricity and telephones, the community center, the Boy Scout hut, the county library, the excellent school gymnasium and football stadium, the country club, our service clubs, and so forth and so on. Yet, we have people who just want to suck on the teat, gripe, cuss the town, and go to Lubbock to buy.

It's a fine feeling to be proud of your home town, work for it, boost it, and be a part of it. If it's good enough to live in, it's good enough to be a part of by supporting its institutions. If it's good enough to furnish us a living, it's good enough for us to patronize.

Now, here comes "Bud" Milliken eating us out about grass growing in our sidewalk—says it doesn't look good in view of our town beautification program—and he's right. He thinks our town needs to put forth more effort to clean up down-town parking areas, sidewalks, vacant lots, and especially along the highways in each of the four entrances. The traveler gets his impression of our town from what he sees from the highways—and that's not too good. We expect to have our grass pulled before you read this. Thanks for the constructive criticism. Bud.

People visiting here who take the trouble to drive over Tahoka say we have a very pretty little town. We think so, too. But, we can't rest on such statements. All of us could do a lot better in making our town more attractive—and such could mean more business to our folks down town. The News is going to join this flower program one of these days. This could be made the greatest thing

HOME FRONT BARRAGE

that ever happened to Tahoka if we'd all get in on it.

Thanks to Cholley Guy, The Plainsman, for the few paragraphs of good publicity on Tahoka as a result of the Tahoka brochure sent him by Johnny Wells—of the Chamber of Commerce. Cholley gave Tahoka a big send-off in his column last Friday evening and Saturday morning in the Avalanche-Journal. If you haven't seen one of the beautiful Tahoka brochures, you can get one by coming by or writing The News or the Chamber of Commerce.

Not all the best people get their names in the headlines. Last week we lost a sister-in-law who was tops in our book. She was ever cheerful, saw the humor in life about her, loved people, her home and her town; she was tolerant of the weaknesses of others, but refused to compromise her principles for anyone; through adversity, she stood on her own feet; she looked to the future, took time to play; and we noticed the Bible beside her bed was almost worn to a frazzle. Being close to Dell Howard Reagan was a privilege and inspiration. She will live a long time in the hearts of those who knew her intimately.

We're still getting requests for The News issue in which we reminisced about the good old days of Tahoka 41 years ago. Guess we'll have to do some more of that soon; seems like people like to read about "the good old days" more than almost anything.

Bob Tate says the rain gauge kept by The News for the U. S. Weather Bureau is dead right most days—because most days it doesn't rain at all! We measured two-hundredths of an inch last Friday night, and Bob admitted that was "almost right."

Money may talk, but today's dollar doesn't have cents enough to say much.

Suggestion for the FBI: One way to make sure that crime won't pay would be to let the government run it.

A Scotchman finally succeeded in raising his chickens on a diet of sawdust and water. And when a dozen of the eggs were hatched he discovered that he had ten woodpeckers and two chickens with wooden legs.

VISITING WITH ROWES
Mr. and Mrs. Orville Verhaug and son Todd from Carrington, North Dakota, are here visiting her parents, Mr. and Mrs. "Cap" Rowe, for about two weeks. They were accompanied by his mother, Mrs. Nellie Verhaug, also of Carrington, and his brother, Eddie Verhaug of Minneapolis, Minn.

Mrs. Clyde Spruiell, Tony and Bruce visited in Pampa over the week end with her mother, Mrs. F. E. Barnes.

Two Freeman Boys Are In Army, Navy

Mrs. J. O. Freeman, on a visit to The News this week, stated that her son, CWO Kenneth Freeman of Walled Lake, Michigan, was able to name a few of the members of the band 25 years ago in a picture run by this paper three weeks ago.

Kenneth has been in the Army now for 18 years.

Another son of Mrs. Freeman, SPT3 J. N. Freeman, enlisted in the Navy and stayed ten years before getting out to enter other work. He stayed out three years and enlisted last February and is now in Viet Nam serving on the USS Independence aircraft carrier.

Mrs. Garner (Othelda) White of Lubbock, sister of the two men, is in civil service work.

Cotton is the life-blood of Lynn county economy.

Dr. Lam Writes Of Early Tahoka Days

Dr. Conrad R. Lam, an old Tahoka-reared boy now chief thoracic (heart) surgeon at Henry Ford Hospital, Detroit, received a copy of the "Pioneer-Days" issue of The News recently from Mrs. Welch Flippin, which caused him to write:

"Since I arrived in Tahoka on the Blue Weed-Special in 1914, I was close to being a pioneer. I know all of the names mentioned by Frank Hill in his page of reminiscences.

"I was particularly glad to see the picture of Craft's Tailor Shop, as it was about 1921 Leonard Craft rented this building from Benny Sanders for \$15.00 a month. I was Craft's first employee, and was paid \$3.00 per week for working after school every day and all day on Saturday. I considered that I was well paid.

"I have an old photograph of myself sitting at the old Singer sewing machine in that building, altering a pair of pants which Glenn Brashear had just sold to a farmer.

"It was nice to see a picture of the old Tahoka High School, although the auditorium was added after I graduated. I did see the auditorium when the Simmons Cowboy Band played a concert there, and I directed the last half of the program.

"Speaking of bands, I am enclosing a photostat of an item which appeared in one of our newspapers recently."

In addition to being world-famous for being one of the initiators of open heart surgery Conrad was quite a musician in Tahoka, at Simmons University, and still has a band as a hobby. The Franklin Village Band in his suburban home at Detroit. He made his way through college selling band instruments and organizing town bands.

The picture Conrad refers to is from Detroit News, covers 5 columns, and the heading reads "Gene Krupa Fills In, Small Town Band Gets a Big-Time Beat" and shows Conrad looking on as the

great Krupa warms up on the drums.
Conrad's 28-piece village band was playing at the annual Strawberry Festival and is made up of company presidents to housewives, rehearses once a week and plays five or six concerts a year. Of course, Conrad is the director.

JUDGE SMITH APPOINTED TO STATE BAR COMMITTEE
District Judge Truett Smith of Tahoka was appointed to the State Bar of Texas committee on improving justice court system.
The appointment was announced in Austin by Bar president Clint C. Small, Jr.

Youths Report On Trip At Lyntegar Board Meet

Students sponsored by Lyntegar in recent oratorical and safety contests presented a highly entertaining program at the monthly meeting of the electric cooperative's board here Tuesday, attended by cooperative officers, directors, division heads, and a few guests.

Four speaking contest winners, Paul Kenley and Jean Flippin of Tahoka, Zane Wright of Meadow, and Mary Lynn Gresham of Ropesville reported on their trip to Washington June 4-14 along

with 62 other Texas young people. Kathy King and Carol Green, both of Brownfield, fourth in state Safety Program contest sponsored by Texas electric cooperatives, presented a program and demonstration on mouth-to-mouth resuscitation and heart massage that was very impressive.

Miss Gresham told of the wonderful privilege the kids had in making the trip, increased realization of the great service the electric cooperatives are doing, the renewal of pride and patriotism toward country in viewing first hand the great documents of history such as the Declaration of Independence and on seeing government in action.

Miss Flippin told of the profound impression gained by seeing in person the great men of our government, the historic spots and documents, the place where laws are made, the monuments to such men as Washington, Jefferson, and Lincoln, to have stood on the very spot where Lincoln and Kennedy and MacArthur had stood. She said the experience made her feel "this country is really ours" and made one feel very humble and appreciative of the things and people who have made America great.

Zane Wright followed a similar theme, but told also of the Congressional breakfast attended by Texas representatives and senators, the beauty of the capitol building and the artwork, the Supreme Court building, the Library of Congress, the National Archives, all visited on their first

of three days in Washington, D.C.; the Rural Electrification meeting on the second day, the laying of a wreath on President Kennedy's grave, the Iwo Jima monument, the impressive changing of the guard at the Tomb of the Unknown Soldier, the visit to Mount Vernon, and then the highlight when President Johnson met them on the White House lawn. He also told of a visit to Smithsonian Institute.

Paul D. Kenley showed a remarkably beautiful series of slide pictures of the trip, accompanied by further commentary which added greatly to the effectiveness of the program. Paul and Jean have the pictures, mostly made by a professional photographer, and talk worked up for presentation to any group desiring to hear the program.

The crowd of about thirty in attendance was unanimous in praise of the young folks for the good talks and presentation of the trip in such an entertaining manner.

Mrs. Lois Greathouse, public relations director for Lyntegar, arranged the program. Following a special steak dinner served the group, Jean Flippin presented hilarious reading with assistant manager of Lyntegar, Wilton Payne, the "goat."

Among others at the meeting were President Frank Harris of Lamesa, Vice President W. H. Moore of Ackerly, Secretary G. Q. Hensley of Tahoka, Bob Alexander of Sundown, Roger Blakney of New Home, H. Dabbs of Post, and Kenneth Purtell of Brownfield, all of the board; Manager Garland Pennington and wife; Attorney Calloway Huffaker and Harold Green; new county attorney Stephen Thompson; and Lyntegar department heads and a few special guests.

The board spent most of the day in a busy session, part of which was in preparation for the

Retirement Income In County Doubled In Last Five Years

(Special to The News)
New York — The number of Lynn county people who are now on the receiving end of Social Security has reached a new high.

In the past year, according to the latest Government figures, there were 895 local residents getting monthly retirement checks, as against only 493 five years ago. Also, the total amount going to them was 103 percent greater than it was then.

The findings are contained in a report released by the Social Security Administration. It shows, for every county in the United States, the number of people on the retirement rolls and the payments to them, as of January 1, 1965.

It reveals the extent to which the amendments written into the Social Security Act by Congress have added to its scope. Nationally, there are now 20 million men, women and children receiving benefits, compared with 13.7 million five years ago.

Most of them are retired workers or their widows, children and parents. Others are disabled workers and their dependents.

In Lynn county, pension payments are currently at the rate of \$675 a year, in contrast to the 1960 rate of \$602 a year. The local rise, 12.1 percent, compares with an 8.5 percent gain in the United States and 8.6 percent in the State of Texas. The payments are related to the amounts that were paid into the Social Security fund by work-

ers and their employers during their active years.

Now, with pension checks larger than in the past and with more people covered, the amount of cash flowing into the local area from this source has grown in importance. It represents a sizeable part of the money in circulation in the area.

The total amount being received by Lynn county residents at the present time is \$604,000 a year, as against \$297,000 in 1960. More and more, Americans are retiring at earlier ages than before, it is found. Making it possible are better company retirement programs, larger benefits under Social Security and the revision in the law that permits pension payments, in some cases, from age 62.

CARD OF THANKS

We extend our deep gratitude to our friends for the flowers, cards, visits, and other expressions of sympathy on the passing of our beloved sister, Mrs. Dell Howard Reagan, of Floydada. Mrs. Frank Hill and Mrs. Harley Henderson and families. Itp.

Cold cream can be made by melting 4 ounces of white wax in one pound of almond oil and mixing with a pint of rose-water.

Georgia grew cotton in 1734.
