Band Crowns "Sweetheart"

Miss Janice Renfro was crowned Band Sweetheart during half time ceremonies Friday night at the Tahoka-Idalou football game.

A freshman in Tahoka High School, Janice is the daughter of Mr. and Mrs. Olen Renfro. She was escorted by Bill Brock.

Other candidates were Misses Debbie Wright, sophomore, daughter of Mr. and Mrs. Bryan Wright, and Arlene Stephens, sophomore, daughter of Mr. and Mrs. Roy Stephens. Their escorts were John Huffaker and Carroll Curry, respectively.

As the band played "Sweetheart of Sigma Chi", the candidates, all three twirlers in the band, were escorted to the center of the field. The identity of the sweetheart, chosen by band members, was revealed when the crown was placed upon Miss Renfro's head by Principal Clifton Gardner. Miss Carol Gardner served as crown bearer.

The three girls were presented bouquets of roses by Paul Douglas Kenley. The sweetheart and her attendants were driven around the field on a new Thunderbird.

Preceding the coronation, the THIS Bulldog Band marched onto the field and provided the music for a twirling routine presented by Miss Barbara Whorton, freshman and daughter of Mr. and Mrs. "Cap" Whorton.

H. M. Anthony Rites Wednesday

H. M. (Red) Anthony, 74, former Tahoka business man, died Monday at 9:00 a. m. in Mineral Wells after a long illness.

Funeral services were held there at 9:00 a. m. Wednesday in Carlock-Minnick Funeral Home, and graveside services followed that afternoon in Longview.

Born in Georgia, Mr. Anthony came to Tahoka in 1912. In the 1920s he was engaged in the grocery business in the building now occupied by Marshall-Brown. He left here about 1928.

Survivors include his wife, three daughters, Mrs. J. F. Ketter of San Angelo, Mrs. J. E. Burnam of Coleman, and Mrs. W. F. Elder of Houston; one son, H. Mark Anthony of Fort Worth, nine grandchildren, one great grandchild, and five step-children.

Jaycees Plan Benefit Party

Tahoka Jaycees will hold a game party and auction of donated merchandise Friday night, October 8, at 7:00 o'clock in Community Center to which the public is invited.

All funds raised will go toward purchase of a flagpole for installation at Tahoka football stadium, Kelly Field.

Admission is free, but bring some money, the Jaycees advise, to play games and buy merchandise. They promise a lot of fun for a good cause.

Linda Hunter, six year old daughter of Mrs. Shirley Hunter of O'Donnell, underwent an appendectomy in Tahoka Hospital Tuesday.

Billy Jack Dunlap was a patient in Tahoka Hospital overnight Sunday after a piece of wire became imbedded in his right thigh when it was thrown from a lawn mower.

Q. T. Brian of Abilene was admitted to Tahoka Hospital Tuesday as a medical patient.

Ollie Riddle of Wilson, entered Tahoka Hospital Tuesday as a medical patient.

DRUM MAJOR JOHN HUFFAKER, a senior student, of the Tahoka High School Band is flanked by the 1965-66 twirlers. Kneeling, left to right, are Barbara Whorton and Janice Renfro, freshmen, and standing, Arlene Stephens and Debbie Wright, sophomores. Miss Wright is head twirler of the group this year.

Bulldogs Seeking Fourth Win At Frenship Tonight

Tahoka Bulldogs play the Class AA Frenship Tigers at Wolfthorpe tonight at 8:00 o'clock in their last non-conference game before meeting Plains here on October 15. Tahoka has an open date Friday of next week.

The Bulldogs carry a 3-1 record into the game, having won over Lorenzo 14-7, over Crosbyton 19-13, lost to Slaton 0-8, and nosed out Idalou 8-7.

Tahoka won over Frenship here last year 12-0, but the Bulldogs will be playing this Friday without several top boys. Co-Captain Rett Patterson, Guard Tommy Kidwell, Tackle and punter Mike Davis, and possibly Clarence Long.

Coach Don Smith hopes these boys will be ready for 5-A conference play. Although the Bulldogs won over Idalou Wildcatters here 8 to 7 in a fine come-back effort, they have not looked really sharp since their top performance against Crosbyton.

With an almost all-senior aggregation, Coach Norman Roberts had figured this would be the year for his Frenship Tigers to turn in a winning season, and he could do so yet.

However, Frenship has won two and lost two. Abernathy ran over Frenship 40-0, the Tigers then took a close 8-6 decision over Sudan, lost to Seagraves 20-0, and last Friday spanked O'Donnell 39 to 8.

Tiger fans think the O'Donnell victory gave their team the spark they needed. They run the straight-T with variations, and have a tricky offense featuring dive plays, reverses, and passes by

Rotary Officer Will Pay Visit

J. M. (Jimmy) Willson of Floydada, governor of district 573 of Rotary International, world-wide service organization, arrives here Wednesday, Oct. 6, to visit the local Rotary club, one of the 45 clubs in his district. He is scheduled to address Tahoka Rotarians at their meeting and will confer with Ross Smith, president of the local club, and other club officers on Rotary administrative matters and service activities.

A member and past president of the Rotary Club of Floydada, Texas, J. M. (Jimmy) Willson, Jr., is a building materials merchant. He was appointed a district governor for 1965-66 to replace Jerry Ratcliff of Amarillo who resigned because of illness. He is one of 278 district governors responsible for supervising the activities of more than 12,000 Rotary clubs in 127 countries.

Ross Smith, president of the local Rotary club, in explaining the purpose of the official's visit, said, "The governor of this district will be here as a counselor and adviser. We will discuss with him our plans for the year and such matters as expansion of membership and ways of further implementing Rotary's program of service. He will also give us here in Tahoka an insight into the global Rotary organization."

As the acting governor of this Rotary district, Mr. Willson supervises the organization of new clubs in this area. Last year, more than 250 new clubs were organized in 38 countries.

During his term of office, he will hold a conference of all Rotary clubs in his district to further the program of Rotary through fellowship and the discussion of matters relating to district affairs and activities.

Dr. Durham Sells Six Section Ranch

One of the largest land deals in recent years in Lynn county was consummated this week with the sale of a little over six sections of land by Dr. K. R. Durham, about a section and a half of which is in farm land and the rest in ranch land.

Calloway Huffaker and E. L. Short have bought the pasture land and a part of the farm land, and Olen Renfro has bought 537 acres of the farm land.

The property is eight and ten miles west of Tahoka and north of US 390, and was originally a part of the T-Bar Ranch.

Rev. and Mrs. Howard Hollowell of Wichita Falls are here visiting friends and looking after their farm property in Terry county. He is pastor of First Methodist Church in Wichita Falls and is a former pastor at O'Donnell.

It will take twice the normal annual flow of the Colorado River to fill Lake Powell.

Cotton Harvest Is Off To Slow Start

STEVEN GREER

Steve Greer, 19 year old son of Alton and Viola Greer of Tahoka, has been elected president of the sophomore class for the 1965-66 term at Sul Ross State College, Alpine.

Steven is a 1964 graduate of Tahoka High School, is an honor student at Sul Ross, and lives in Honor's Dorm.

County ASCS Board Named

Lynn county's ASCS committee for the coming year, effective today, was elected at a meeting of community committeemen last week, states Don Saverance, ASCS office manager.

Waymon Smith of New Home continues as chairman and drew a three-year term; Claude Schooler of O'Donnell is vice chairman, two year term; and Chester Swope of O'Donnell is the one-year member. First alternate is Ellis Barnes of O'Donnell, and second alternate is Loyd R. McCormick of Wilson.

The county committee administers the county-wide farm program under the ASCS and Department of Agriculture regulations.

Lloyd Smith, 54, Dies At Gallup

Lloyd W. Smith, 54, reared in Lynn county at Redwine the son of Mr. and Mrs. Tom Smith, died Monday of last week in a Gallup, New Mexico, hospital.

Funeral services were held there last Wednesday.

Lloyd came to Lynn county with his parents in 1916 and grew up here. He has been in New Mexico a number of years.

Survivors include his wife; two sons, Tommy Smith, living in the state of Washington and Sidney Smith serving in the Air Force; his parents, Mr. and Mrs. Tom Smith and Mrs. Mary McCurdy of Santa Maria, Calif.; and two brothers, Landon Smith of 3703 36th and Boyd Smith of 3308 46th, both in Lubbock.

All family members were there for the funeral except Lloyd's mother, who was unable to make the trip. Mrs. Nelson had been at her brother's bedside about a month.

Mr. and Mrs. Ira J. Smith of Scotsdale, Ariz. visited their cousin, Mrs. C. A. Thomas, here Wednesday. Mrs. Smith is a professor at the University of Arizona.

Odis Tew, a medical patient in Tahoka Hospital, was released Thursday of last week.

At four miles elevation the atmospheric pressure is but one-half of that at sea level.

Cotton is beginning to open more rapidly and much of the crop is maturing well, but there will be little harvested until frost or defoliation time, farmers tell The News.

Most farmers hope for a late frost, but cool nights in September have made many fearful of an early frost date. Seven nights within the past two weeks, low temperatures have been in the high 40's, and Thursday morning's low was 46 degrees. Warm, dry weather is now needed to mature the crop and for best grades and staple length.

Normal killing frost date in Tahoka is about November 12. A comparatively few harvest hands will be used, and therefore only a few scattering bales are now being pulled.

Estimates on this year's crop run all the way from 135,000 to 160,000 bales.

Harvest of milo this year has been spread out over a long period. Early planted milo made little or nothing. That planted later in the year is producing well in areas of sufficient rainfall at the right time, and some is very good. However, harvest will probably be below normal.

Due to another drop in price because of government price support influences, the return per bale on cotton will be lower than last year.

However, most farmers have had little or no insect damage this year and county-wide this expense on the 1965 crop has been light.

C. B. King Of Grassland Dies

C. B. (Cleo) King, 74, resident of Grassland community for 43 years, died Thursday of last week at about 12:30 p. m. He had broken a hip in a fall nearly two weeks before.

Funeral services were held Saturday at 2:30 p. m. in Grassland Church of the Nazarene with Rev. W. M. Dorrough of Wichita Falls and Rev. Elmer Stahly of Grassland officiating. Burial followed in Terrace Cemetery at Post.

Mr. King was born Feb. 11, 1891, in Parker county, and grew up in the Reno community with his future wife, Miss Lura Austin, to whom he was married in Fort Worth on December 28, 1919.

The couple came to Grassland in 1922, when he bought a farm three miles southwest of the village. About 1945, he bought the Warrick place, where he and Mrs. King have since lived.

He was a veteran of World War I.

Survivors include his wife; one daughter, Mrs. Marshall Dubree, and one son, W. A. (Dick) King, both of Grassland area; one brother, Ray King of Parker county; and one grandchild.

GRANDSON IS SAFE

Mrs. C. T. Oliver received word Monday that her grandson, Tommy E. Brock, is safe after the terrible fire that swept through the Naval Communications building at a military base near Tokyo, Japan, reported in the press last week.

Temple Brashear was released from Tahoka Hospital Thursday of last week where he had been a medical patient.

Gordon-Southland News

(By Mrs. Edmund Wilke)

We would like to extend our deepest sympathy to Mrs. E. L. Anderson of Southland whose sister, Mrs. Leora Ivy, was killed in a car wreck last Sunday. Mrs. Ivy and her two sons, Jimmy Wayne 21 and Jerry Glenn 16, and another relative, Samuel Ray Bagley 18, and Mrs. Carolyn Jeanette Stephens, 17, were all killed in a two car crash just inside of the city limits of Lampasas. Mr. and Mrs. E. L. Anderson and Mrs. R. D. Eckert went to Lampasas for the funeral and returned to Southland on Wednesday.

Mr. and Mrs. Delbert Abshire had a most enjoyable visit with Delbert's uncle, Mr. and Mrs. W. R. Scroggins and their daughter and her two children, on Saturday. The Scroggins live in Buckeye, Arizona, and they stopped by and spent a few hours with the Abshires.

Mr. and Mrs. Eugene Loewe and girls of Haskell spent the week end with Mr. and Mrs. Willie Becker.

Mr. and Mrs. D. D. Pennell and Mrs. Lee Fredrickson spent from Friday until Sunday in Houston. They visited with Mr. and Mrs. G. C. Emery and three daughters and Mr. and Mrs. Homer Freeman and Jud.

Mr. and Mrs. Jack Hargrove are back from Los Angeles where they spent two weeks visiting with their son Joe Neil.

Mr. and Mrs. Jack Hargrove ate supper with Mr. and Mrs. Lonnie Stokes of Cotton Center on Friday and then they all attended the football game. Incidentally, Southland lost to Cotton Center 26 to 8. It was a good game, anyway!

Mr. R. T. Moorehead from Abilene spent Saturday with the Jack Hargroves. Mr. Moorehead is a cousin of the Hargroves.

Edmund Wilke went to Wilson on Sunday afternoon where he attended the Northwest Texas Conference of the American Lutheran Church Men's Fall Rally. The

guest speaker was Dr. A. G. Wiederaenders from Texas Lutheran College at Seguin.

Mr. Frank Moore and son, Billy Ray, from Liberal, Kan., visited with his mother and his sister, Mrs. Elsin Crawford, last week. Billy Ray is going into the service on October 6.

Webster Crawford went on a business trip last week to McAllen, Texas. Webster works in the Credit Union Department at Hancock Mfg. Company in Lubbock. He and another man went on this trip and they had a very bad scare, because one night Webster woke up and found the whole room that he was sleeping in filled with smoke. He jumped up and went into the other room to wake up the man in there and had a hard time finding him because his room was also full of smoke. They saw that the couch was smoking and they carried it outside and it burst into flames.

Mrs. Camden, mother of Bob Camden, will undergo surgery this morning (Monday) at Mercy Hospital in Slaton.

Mr. and Mrs. Leroy Zieschange and Edmund and Yours Truly gave a fish fry at our home on Saturday night. Those attending were Messrs. and Meses. Howard Moebry, Billy Lester and two sons, Delmar Wilke and Angie, August Patschke and three children, Bill Walter and Kathy, James Riney and Cathy, R. M. McMinn, Mrs. Libby Schneider and Mrs. Betty Bryson, Terri and Kathy. Our son Larry was home for the week end, so he was here along with Sherri and Darrell.

Mr. and Mrs. Ed Denton are home from Possum Kingdom. It rained so much down there that they thought they might as well come home for awhile. Their great grandson, Tommy Pierce, had brain surgery on the 7th day of September in San Antonio and is doing pretty well at present. Little Tommy is the grandson of Mrs. Louise (Denton) Corson and

Petty Leading In Go-Getter Bowling

Petty Gin, led by the husband-wife team of Ray and Beth Phifer, maintained its league lead of the New Home Go-Getters in this week's matches.

Ray had a 179 game while Beth's 484 series was high in winning 3-1 from the Wagon Wheels. Faye Armontrout's 173 high game and Don Sharp's 504 series paced the losers.

The Purty Bads had everything going their way to stay in second place by winning 3-1 from the Foul Ups. Francis Holder had a 247-555 to put her in first place on the women's division of the league. A. L. Holder also had a 202-504 for the winners while Charlie Louder had a 203 game and Dub Ewing a 500 series for the losers.

The Squares are tied for third after taking the Confederates 3-1. Drina Clem had high game of 174 but was nosed out on series by her dad, Adrian Evans, who had a 479 for the winners. Freddie Kieth had 194-462 for the Confederates.

The Armors put on theirs again and won 3-1 from the Lane Loafers to tie for third place. Willis Landers rolled 167-413 for the Armors. For the Loafers Nick Ford had 183-489.

The Tangelwoods took 2 1/2 to the Pin Pickers 1 1/2 with some good bowling on both teams. Robbie Gill had a nice 195-525 for the winners. For the losers Wilkie Wilkinson was high with 191-512.

The Back Fires did and took 3-1 from the Ad-Libs behind Charlene Farr's 188 game and LaJuan McClintock's 476 series. For the Ad-Libs Jackie Lisemby rolled 180-470.

About 48,000,000 Americans now living will eventually develop cancer—one in four persons, according to present rates. All but one third of them will die if present rates continue, the American Cancer Society reports. The death rate could be greatly reduced if every adult had an annual health checkup, making possible early detection and prompt treatment.

the son of Mr. and Mrs. Neil Pierce. Louise lives in Anchorage, Alaska, but is in Pleasanton helping out the Pierces while Tommy is in the hospital. Mrs. E. W. (Myrtle) Lichey of Durant, Okla., has also been down at San Antonio and Pleasanton helping. Before returning to Alaska, Louise will come by here to visit with her parents. She will probably get here tomorrow (Tuesday).

Mrs. Ed Denton took Mrs. Susie Bradshaw to church on Sunday morning and then Mrs. Bradshaw went home with Mrs. Denton for dinner. Also visiting the Denton's on Friday were Mrs. Claud Roper, Mrs. J. E. Rackler, Mrs. Louise Denton from Lockney, Mrs. A. B. Pruitt from Slaton, and Mr. and Mrs. Martin Edmunds.

I was so sorry to hear that Mrs. Alpha Taylor fell and broke her right arm one day last week. Her daughter, Mrs. Sybil Allicorn from Amarillo, was going to come and get her and take her back to Amarillo.

Mr. and Mrs. Robert Hagler, Velma and Robert Lee have gone to Tennessee on a visit.

As most of you know, this week end is Southland's Homecoming, so I am expecting to see a lot of you here. There will be a delicious barbecue dinner served and the crowning of the queen will take place at the business meeting. Also the football sweetheart will be crowned at the half of the ballgame. Southland will be playing Loop.

THE LONELY HEART

THE NEW TOWELS YOU HUNG IN THE LIVING ROOM, NOW GOOD MAT!

WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

In ancient times there was classified the seven wonders of the world, which included the Colossus of Rhodes. To qualify for inclusion, the item had to be well-nigh impossible.

Thus, if in those days, if there had been an American farm program, it would have won a place in this category hands down.

There is no question there is a farm problem. Whenever a situation develops whereby the value of all farm products in a 25 cent loaf of bread is only 3 cents, there is definitely something definitely askew.

Further complicating the problem is the fact that wheat is under a government program, with the taxpayers assessed millions every year to maintain a price on wheat.

Now, of course, the current idea is to delete these taxes. Instead of people paying taxes to support the wheat price, and the price on other farm products as well, they will pay higher for these.

This little piece of political chicanery is so transparent, it is somewhat fantastic that it is being considered seriously. Of course, it is a plan that is perhaps supported by what is known as Big Business. After all, a corporation does not eat bread, but it does pay taxes to support the price of wheat.

At the present time there is running around the country an

investigative body known as the National Commission on Food Marketing. So far, this group displays reluctance to pin the tail on the donkey.

It is going to be interesting to see if this august body whitewashes the real oppressor of the American farmer.

How will this group explain the biggest problem.

Out of the 25 cent loaf of bread the farmer gets three cents. But when that loaf of bread leaves the bakery in the care of one of Jimmy Hoffa's teamsters, it is now costing between 8 and 10 cents to get it over to the grocery store.

Besides a very high rate of pay, that teamster is also protected, by charges against the employer, against many of the vicissitudes of life, probably only stopping short of all expense paid hang-over cures.

The farmer, of course, is protected against practically nothing, including hailstorms, rust and blight, or grasshoppers.

Now there is a drive to get him price protection by jacking up the price the consumers pay for bread.

It does sound a silly way to go about things. Yet, if the Labor Department can force consumers to pay a tax to support union teamsters in a manner they never anticipated, why should not the Department of Agriculture do something along this line for the farmers. Of course, this could curtail consumer buying of food necessities, but that might have its right side, too. Wonderful slogans could be developed in time for a War on Malnutrition.

Two and a quarter million other 4-H'ers join Texas 4-H Club members when they say, I pledge: My Head to clearer thinking My Heart to greater loyalty My Hands to larger service My Health to better living. For my club, my community and my country.

Several farmers in this district have taken advantage of the Great Plains Conservation Program this year, says Don Reed of the Soil Conservation Service. There is also more work scheduled for this fall.

Charles Brookshire is among the participants. Last spring he installed underground irrigation pipe and this fall he plans to install parallel terraces.

B. R. Taylor has installed a complete sprinkler irrigation system, including a gathering system.

Garland Pennington has sprigged 50 acres of Midland Bermuda and has completed fencing and a stock well under the program. Other Great Plains participants

in the district that have planted grass include A. C. Hardy, Ray Adams, Lynn Maeker, and L. C. Unfred.

E. L. Brosch has completed doing land leveling on his farm and plans to do more in the future.

Among the newest participants in the Great Plains Program are Pat Hensley and Kenneth Eaker. Pat has just completed terraces and Kenneth is planning parallel terraces this fall.

Your local county agent, SCS, ASC, or FHA representative or a member of the board of Soil Conservation District supervisors may help you get further information on the Great Plains Conservation Program, says Reed.

THE NEWS

To America with love... The 1966 Chrysler

Could be we're getting too emotional. But it isn't very often you get a chance to follow an all-time sales record year with a new Chrysler like this one.

Sure, our '65 was great. But the '66 is even better.

It looks better. Moves quicker. It's got a beautiful new front end and a very dramatic new rear.

It's got a bigger and more zesty group of V-8 engines. From a 383 cubic inch to a 440 TNT with twin exhausts and twin snorkels. (A "snorkel" is an air intake horn for the carburetor — does great things for performance.)

The interiors, all up and down the line, are more luxurious and comforting. Take our new shell bucket

seats, for example. It's almost as if they had been custom-fitted for you.

One thing we didn't even think about changing. It has to do with money. Five of our Newport models (real Chryslers — not junior editions) are priced just a few dollars a month more than the most popular smaller cars with the same equipment. This includes features like power steering, power brakes, a 383 cubic inch V-8, automatic transmission, radio and many standard items like safety door handles and seat belts.

Move up to Chrysler... it's getting easier by the minute.

REQUIRED MAINTENANCE: The following maintenance services are required under the warranty—change engine oil every 3 months or 4,000 miles, whichever comes first; replace oil filter every second oil change; clean carburetor air filter every 6 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.

Bulldogs Nose-Out Idalou, Score 8-7

Fighting Tahoka Bulldogs Friday night came back in the second half in a complete reversal of form from an 0-7 first half deficit to upset the favored Idalou Wildcats 8-7 in a hard-fought defensive battle that was a cliff-hanger until the final seconds.

For a quarter it seemed Idalou would run the Bulldogs out of the stadium, as they scored their only touchdown comparatively easy. But, the Bulldogs came back in the second half with a sensational offensive that led to a touchdown, adequate defense, and a victory. This leaves Tahoka with three wins and one loss, the best start of a Bulldog team since 1956.

The game was a strange one. Idalou went for 79 yards rushing and 9 passing for six first downs and a score in the first quarter, while Tahoka managed only one first down and 9 yards net rushing. Each team had only one first down in the second quarter. The Bulldogs had six first downs in the third and put 8 points on the scoreboard, while Idalou had only one first down and 11 yards rushing. The fourth saw Tahoka making two first downs, Idalou one first down and 0 yards rushing, although 34 passing.

Wildcats Score
Tahoka's Cliff Thomas kicked off, and Idalou's Ken Burford returned from the 18 to the 37. From there, the Wildcats marched down field through holes in the line and around ends to the Tahoka 9. QB Ray Ater, who ran for 45 yards in the first quarter and had minus-six the rest of the way, made 14 of those yards on a roll-out around right end and 19 on the same play around left end. But, now the Bulldogs momentarily put up a great defensive stand and stopped the drive on

the 8-yard line.

The Bulldogs couldn't move, Mike Davis got off a 28-yard punt, short for Mike, and the Wildcats were back in business. HB Ray Cannon carried to the Tahoka 19, Jody Chance made one, Ater hit End Ron DeBusk with a 9-yard pass, and three plays later HB Larry Isom went off right tackle 8 yards for the score. Ater kicked the extra point score, 0-7 Idalou.

Neither Can Gain
Stan Renfro brought the kickoff from the 10 to the 30, on a keeper, QB Mitchell Williams went for 10, but Tahoka had to punt. Idalou's Ater completed a 7-yard pass to DeBusk but had to punt on fourth and three. A short 19-yard punt to the Tahoka 45, put Tahoka in possession. HB Gary Tomlinson made 2, FB Dan Coburn 10, but two plays lost ground and then Williams' long pass was intercepted by Ater on the Idalou 20 and he was tackled back on the 15.

Tahoka pushed the Wildcats back to their own 10, and on third down Chris Roberts broke up a long pass to DeBusk. Renfro ran the punt back to the Idalou 33, and Tahoka had new hopes. But, Williams lost 5 trying to pass, then hit Thomas with a 5-yarder, and the next two were incomplete.

Now Idalou moved for another first down before having to kick, the ball taken by Renfro on the Tahoka 25. The very next play, Williams was rushed, and Ater intercepted the pass on the 44 and ran the ball to the Tahoka 39. Again the Bulldogs held the visitors, and tried one long pass before time ran out.

Bulldogs Come Back
Opening the second half, the Bulldogs came back with new life and with their fangs bared. Coburn ran the kickoff to the 35, Thomas went around right end (Continued on Back Page)

O'Donnell Loses Frenship Game

O'Donnell Eagles face another dim prospect this Friday night as they entertain the Slaton Tigers of Class AA after having lost the first four starts. But, fans say, the small and inexperienced but game Eagles are still in there trying.

Last Friday, they lost 39-8 to another Class AA team, Frenship, at Wolforth, a team which will be after the hide of the Tahoka Bulldogs this Friday.

The up-and-coming Frenship Tigers scored on two touchdowns by Fullback Van Grady on an 8-yard run in the second quarter, on a one-yard sneak in the fourth, ran one conversion, passed for two touchdowns, one to Randy Curry for 35 yards to Carmen Turnbow in the first quarter and one for 77 yards in the fourth. Joe Lara ran 28 yards to score in the first quarter, and Dale Cook blocked an Eagle punt and fell on the ball in the end zone for a TD in the second period. Cook also ran one conversion.

O'Donnell's touchdown came in the second quarter on a 12-yard pass to Joe Lopez, and Vestal ran over the conversion.

Being a bit lazy this week, The Printer swiped the following paragraphs from "Uncle Claude" or Ceell Waggoner of the Claude News:

Do you remember—
When the only Cokes you could buy were the fountain variety?
When a potato was used to cork the coaloil can?

When bringing in the kindling and coal and taking out the ashes was the small-frys daily chore?

When men and boys often sported a broken arm from cranking the family auto?

When peanut butter was cut and wrapped in wax paper?

When marceels were the rage?

When girls rolling their hose were considered fast.

When kids wore knee-length pants and cotton sox?

When coffee was ground fresh daily at your grocer?

When 5c would buy a pocket full of candy?

When women were going to hell if they hobbled their hair or smoked cigarettes?

When mail-order catalogs were considered not too unsoft?

The Way of Life

The first grader was asked if he liked his first day at school.

"No. I can't read and write and they wouldn't let me talk."

Crime In America

As if from a bad dream, Americans are beginning to awaken to the fact that crime is running rampant in our land. Why it's sudden rise? Dick West in The Dallas News gives some good answers. He lists the following reasons for the rising crime rate:

Because we put the dollar and personal ambition ahead of integrity and honor.

Because we have relaxed discipline in the home, the school and courts of law.

Because juries differ in their ideas of justice and appellate judges strain to find loopholes that release the criminal back into the streets.

Because we have more leisure than we ever had and less desire to put in an honest day's work for an honest day's pay.

Because too many churches endorse "sit-ins" as justice and approve of transgressions against private property in the name of "equality" and civil rights.

Because the government itself encourages loafing and indolence by weekly checks for unemployment compensation and rewards mothers of illegitimate children with welfare payments.

The next two paragraphs are from "Uncle Zeb's" column in the same Claude News, which, incidentally is one of the best small town newspapers we know, published in Lucille Smith's home town:

An old farmer was moving West in the early days in search of a new opportunity. . . . As he approached Red River it was on a sudden rampage. "Look, maw," he said, "she's too thick to drink and too thin to plow."

Kathleen Evanson puts it this way:

What right have mortal men to rule. . . . That children cannot pray in school. . . . Lest they offend agnostics there. . . . Who never bow their head in prayer? The time has come; . . . Let us proclaim. . . . This simple truth in our Lord's name; . . . The Court

Letters From News Readers—

(The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.)

Dear Editor:

Please find enclosed my check to keep my dear old Home Town Paper coming.

Now that I have a granddaughter enrolled in Tech, I'll probably be up Tahoka way more often.

From "Printer's Inklings," yes, I remember when I carried my school lunch in a syrup bucket. Please don't ever discontinue your Inklings.

Sorry to read of the passing of so many of our dear old friends, and several of the younger ones, too.

I was in Lubbock recently and it was good to see the Plains country looking so prosperous.

Your friend,
Mrs. Suma B. (T. L.) Fortenberry, Box 572, Kerrville.

SISTERS VISIT HERE WITH HANEYS SATURDAY

Mr. and Mrs. Gus Rea of Sweetwater, Mr. and Mrs. Tull Rea of Fort Worth, and Mrs. X. B. Sanders of Roscoe visited here a few hours Saturday with L. C. Haney and family. Mrs. Gus Rea and Mrs. Sanders are sisters of Mr. Haney and Tull Rea is his nephew.

Tull Rea is Fort Worth manager of American Airlines, and has had an interesting career and was the subject of one of those "Horatio Alger" stories The Printer wrote in his column in The News once. He has known Tull since the latter was in diapers. Tull was a "printer's devil" on the old Nolan County News edited by The Printer a few months back in 1925, and Mae also claims him as one of her boys.

"Miss Virgie" Sanders was next-door neighbor to the Hills in Roscoe, and is due a lot of credit for helping keep The Printer out of the reformatory.

Bulldogs Win...

(Continued from Page 1, Sec. 2) for 8, Coburn broke through the right side for 14 yards, then Williams kept and circled left end for 14. Coburn made 5, Thomas was stopped, and then came Williams' keeper around left end for 6 yards and a first down on the Idaho 18 in which he ran through and over a half dozen would-be tacklers.

Two plays later, Mitch found End Phil Adams with a key pass good for 9 on the Idaho 10. Here came another desperation play with Williams carrying off left tackle and when hit the ball squirted out of his arms but was grabbed by Thomas who went to the 4-yard line. Coburn was stopped at the middle.

Then Mitch dropped back to pass, drilled the ball to End Dean Hamilton, who made a sensational catch in the end zone for Tahoka's only touchdown. But, the clincher was now to come. On a similar pattern, Williams passed to Hamilton again, who somehow snatched the pigskin from two defenders, dropped it momentarily, but caught it in a vice-like clamp between his legs—and the Bulldogs had the go-ahead score, 8-7 Tahoka.

Defense Gets Rugged

The Bulldogs were not to be denied now. Thomas zoomed the ball to the 5, Ater ran it out to

the 28, but Tackle Milton Edwards then threw Mr. Ater for a 5-yard loss, and two plays later Ater had to punt from his 26. Thomas and Coburn moved the ball back to the Idaho 42, the Bulldogs bogged down; then, taking no chances, Davis kicked the ball out of the end zone. The best Idaho could do was rack up one first down and punt.

Tahoka couldn't move either, and now Davis got off a 39 yard punt and on the runback Idaho was charged 15 yards for clipping back to its own 15. Three running plays netted 9, and Ater got off a 41-yard punt which Renfro ran back five to the Tahoka 40. Tomlinson and Coburn made 3, then Williams found Adams for a beautiful 14 yard pass, Coburn ran for 4, Thomas took a 5-yard pass, and then hit the line for three and a first down on the Idaho 31, and the Bulldogs had visions of another TD.

However, a 15 yard holding penalty set the locals back; Thomas made 8, lost 5, Coburn 1, and then a bad pass from center on fourth down handed the ball to Idaho on the Tahoka 46, with 2:20 left on the scoreboard clock.

Idolou Threatens

Finally, Idaho now got its passing attack going, but it was all for naught.

Ater's pass to DeBusk was good for 17 and the visitors' only first down of the fourth quarter. Then he hit Cannon on an 8-yard pass, but the next play Cannon lost 9 yards trying to run. Then, Ater completed another 9-yard pass, fumbled and recovered by Tahoka but ruled down before the fumble. It was just as well, though. With 41 seconds left after a running play gained only one, Tahoka

took over, the Bulldogs drew an intentional delay of game penalty and Williams next fell on the ball as time ran out—and the Bulldogs had themselves a ball game.

Two Regulars Out

Tahoka was playing without the services of Co-Captain and Center Rett Patterson, who received a head injury in the Slaton game, and Guard Tommy Kidwell, who has a broken finger. Both are stellar defensive men, but Gary Brooks did a good job at center and Richard White at guard, both seeing their first major action.

Dean Hamilton and Mitch Williams were the game heroes, but all the boys did well, especially in the second half—at least Bulldog fans thought so. Hamilton is coming toward the top on defense. Williams called a fine game and was himself a threat.

Gary Tomlinson, co-captain/half-back out with an injured hand, was in the game. Thomas was a marked man, but Coburn and Williams gained considerable yardage, and Renfro did a fine job running back punts and kickoffs. Chris Roberts turned in his usual top defensive job in the secondary.

Roy Isham and Milton Edwards were stand-outs in the line, as were Mike Davis, Jody Edwards, Clarence Long, and Wayne Thurman, all of whom were in on key tackles.

Phil Adams, along with Hamilton, although heart-broken by missing a possible touchdown pass by being over-anxious, was a constant threat and later caught one on a key play in the touchdown drive, and still later a 14-yarder that kept the ball in Tahoka's possession late in the game to insure victory.

Coach Don Smith said he and his assistants were especially proud of the boys' come-back efforts and determination to win.

The Wildcats' Ater was possibly the 'top man on the field, turning in a great game on defense as well as offense, and Bulldogs were never able to block out Dale Layne, a thorn in the home team's side all night.
