Tahoka-Seagraves Game Ends Season

Tahoka Bulldogs and Seagraves Eagles wind up the 1965 football season tonight at 7:30 in Seagraves in a District 5-A contest in which each team will be seeking the prestige of a better than average record.

Tahoka has won two and lost two games in conference play, and has a season record of five won, three lost, and one tied, the best record the Bulldogs have had since 1956.

Seagraves has won three and lost one game in conference, and has a season record of five wins and four losses.

"The Bulldogs can win against Seagraves by team play and top effort on every play by every man," states Assistant Coach Jim Tollett, who has coached the Eagles in three games.

But, scores indicate the two teams are about evenly matched, although Coach Tollett says the Eagles are about a two touchdown better team on their home field.

Plains defeated Tahoka 35-12 and Seagraves 35-0. Seagraves at home won over Wink 23-14; Tahoka lost at Wink 12-13. Seagraves took Stanton 8-6, Tahoka won 32-12. The Eagles downed O'Donnell 43-7. Tahoka won over O'Donnell 35-0.

As usual, ever since the Slaton game, Tahoka will have boys on the sidelines with injuries. Reserve quarterback John Tyler has a knee injury, and lineman Joel (Continued on Back Page)

REV. JIM TURNER
New First Baptist Pastor

New Pastor In Pulpit Sunday

Rev. Jim Turner will fill the pulpit at the First Baptist Church this Sunday morning as its new pastor, coming here this week from Loraine.

He and his family moved here Tuesday and he conducted the Wednesday night services in the local church.

He recently accepted the call from the First Baptist Church to succeed Rev. T. James Efrid, who moved to Columbus, Ohio in September.

Rev. Turner is 32 years old. He and his wife, both natives of Rising Star, have three children. He has also served as pastor for churches in Antton and Carbon before moving to Loraine.

A graduate of Hardin-Simmons University, Rev. Turner received his degree from Southwestern Baptist Theological Seminary three years ago. Before entering the ministry, he was employed by Pure Oil Company.

The parsonage had been redecorated by men of the church before Rev. and Mrs. Turner moved in.

Serving as interim pastor until Rev. Turner accepted the call here has been Rev. Burtis Hollis of Lubbock.

Unfred Heads Farm Bureau

Lynn County Farm Bureau board of directors met Monday night for the purpose of electing officers and making plans for the State Convention to be held in Dallas Nov. 14-17.

L. C. Unfred was elected president succeeding T. B. Mason, Howard Moore succeeds L. C. Unfred as vice president, and Arlys Askew look office as secretary, replacing Milton Evans, who will work as special agent in the New Home area.

Lynn County Farm Bureau has reached an all time high of 900 members, which is an increase of 29 members over last year.

A number of people from the county are making plans to attend the state convention, where Cheri Norman will reign as queen representing Area 2 in the state; Linda Burleson, as winner of the Talent Find Contest, and David Unfred, Discussion Meet. Anyone interested in attending the convention should contact J. D. Atwell, agency manager, or L. C. Unfred, president.

Two Minor Fires This Past Week

The Tahoka Fire Department was called out twice this week but light damage was reported.

On Monday night a fire started on the porch of a building on the Lubbock Highway being used by Alcoholics Anonymous, apparently caused by wiring.

On Wednesday, the Fire Department was called to the home of Terry Noble when a motor burned out on the heating system causing smoke to invade the house. There was no fire, however.

MRS. CONNOLLY HOME

Mrs. Jewel Connolly, who recently underwent surgery in a Lubbock hospital, is home, improving nicely, and able to be up much of the time.

Mrs. J. O. Allen is a medical patient in Tahoka Hospital, having been admitted Wednesday.

Mrs. Lee McFadden was admitted to Tahoka Hospital Wednesday as a medical patient.

Tahoka Band Is Trophy Winner

The Tahoka High School Marching Band took a Division I rating last Saturday at Hobbs, N. M. in the University Interscholastic League contests.

Under direction of Gary Hall, the band was presented a large trophy after taking the top, or excellent, rating.

Tahoka Junior High Band, marching for the first time in a contest, received a Division II, or superior. It is one of possibly 10 junior high school bands in Class A in the state of Texas that has a marching band. Mr. Hall said that most junior high bands in the Hobbs contest were from Class AAAA schools.

The high school unit was among about 20 bands performing in the contest last Saturday.

Misses Debbie Wright and Barbara Whorton both received a Division I in the twirling contest, of which about 17 other high school and junior high school girls from Tahoka also entered, many of them receiving Division II and III ratings.

However, Mr. Hall said, that out of about 150 twirling contestants, only eight Division I ratings were given.

The Tahoka High School Band will travel to Midland on Nov. 20 for the Texas University Interscholastic League marching contest and will be among 16 Class A bands in the event.

Tahoka will march seventh in its class, or sometime between 10:00 and 10:30 a. m.

Mr. Hall said that the local band is working toward the first sweepstakes band in the history of the school.

MISS CHERI NORMAN
Candidate for State Queen title

Youths Enter State Contests

An attractive Tahoka girl, a talented New Home girl and a New Home boy with an educated mind will represent 17 counties in this area in the state finals of the 1965 Texas Farm Bureau queen, talent and discussion contests on Monday, Nov. 15, in Dallas.

They are Cheri Norman, Linda Burleson and David Unfred, respectively and were winners of the District 2 contests held in Levelland Aug. 27.

Miss Norman is the daughter of Mr. and Mrs. A. L. Norman of Grassland. The winner of the district queen contest, she will compete for the state honor. Winner will receive \$500 to cover expenses for herself and a matron escort to attend the American Farm Bureau Federation convention in December in Chicago. All district queens receive expense-paid trips to the state convention, where they will receive wrist watches.

Cheri is a freshman at Baylor University. She is 5'3" tall. A graduate of Tahoka High School, she was sophomore class favorite and was awarded the Betty Crocker Homemaking Award. She was an officer of Future Homemakers of America, National Honor Society and the Student Council and participated in the junior and senior plays.

Crowd Attends Church Opening

About 170 people attended the open house Sunday afternoon of the new \$55,000 Methodist Church at New Home, according to the pastor, Rev. Joe F. Allen.

Some of the visitors were from out of the county.

Former pastors present were Rev. Hugh Daniel and wife of Idalou and Rev. Aaron Mitchell and wife of Whiteface, and the wives of two former pastors, Mrs. L. B. Taylor of Lubbock and Mrs. Hardy Cole of Oklahoma Lane.

Among the other ministers present were Rev. Aubrey White of Tahoka and Rev. Johnny Williams of Woodrow, Methodist pastors; and Rev. Roscoe Trostle of Lakeview and Rev. Paul McClung of New Home, Baptist pastors.

Many compliments were received on the beauty of the new building, which seats 120 in the sanctuary, has a fellowship hall, six class rooms, pastor's study, rest rooms, storage and utility rooms.

Monday, the church sold its old building to Julio Caballero, New Home farmer, who will move the front part of the building to his farm and rebuild the rear portion into a residence.

BLAKELEY IS SERIOUS

Jack Blakeley, owner of Tahoka Auto Supply, underwent major surgery Monday in a Lubbock hospital and is reported to be in a very serious condition.

SGT. JAMES HINKLE AND FAMILY NOW IN FRANCE

T/Sgt. James Hinkle, son of Mr. and Mrs. J. H. Hinkle of Tahoka, arrived in France about three or four weeks ago to spend a tour of duty with the Airforce.

Last week his wife, and two daughter, ages seven and ten, arrived to make their home with him while he is stationed there.

Mrs. Hinkle is the former Miss Betty Jo Story of O'Donnell.

STUART RICE IMPROVING

Stuart B. Rice of New Home has been seriously ill with lobar pneumonia, but on Wednesday afternoon was showing a great deal of improvement, according to his mother, Mrs. Elmer Rice. He is hoping to be released from the Osteopathic Hospital in Lubbock in a few days.

Garland Thornton of the First National Bank was master of ceremonies.

Mrs. Lois Greathouse of Lyntegar gave the welcome address and Miss LaNita Wood of O'Donnell, 4-H District Council delegate, made the response. The invocation was pronounced by Rev. Robert Kamrath, pastor of St. Paul Lutheran Church of Wilson.

About 80 persons were on hand to see the outstanding 4-H Club boys and girls receive awards in 15 different divisions. These included the following:

Achievement: 1. Harold Bessire, 2. Ronnie Wood.

Agricultural: 1. Benny Barton,

Tahoka Marine Serving In Viet Nam Upset Over Stateside Demonstrators

In a letter written recently to his parents here, Bill Waldrip, HMI, U.S.N., says he and others in the service are very disgusted with the demonstrations going on in the States.

He says, "These demonstrators have never seen what the people of a country, infested with communism, have to go through. If they could see, they would realize that it will take the U. S. and other countries as well to send troops to keep this kind of thing from spreading to the free. Sure, we are bitter and we didn't want to come over here, but someone had to do it and we are glad to do our part."

Bill is the son of Mr. and Mrs. Jack Waldrip. He is a Navy career man with 14 years service, was attached to the 3rd Marine Medical Division late in September and was sent directly to the combat zone just eight miles north of Da Nang, Viet Nam. He was with Headquarters and Services Co. working mostly with hospital records, and in emergencies helped with evacuation of injured personnel.

While in Viet Nam temperatures ranged from 100 to 130 degrees in the daytime and at night rarely got as low as 90 degrees.

After six weeks in that area Bill was sent to the nearest Marine Hospital at Camp Sukiran located (Continued on Back Page)

Work Starts On ASCS Building

Construction is well under way on the new \$25,000 office building for the Lynn County ASCS offices on Lockwood street, across from the First Baptist Church and just west of Dr. Durham's building erected for Huffaker & Green.

W. T. Kidwell is the owner and Ray Clark Construction Co. is the contractor.

The modern building will be of tile, faced on the north front with a light-colored brick and stone. The structure will be 46 feet wide, 55 feet deep, contain a large main room, a large work room, a combined County Committee meeting room and manager's office, storage rooms, and rest rooms. There will be central heating and refrigerated air conditioning.

In front will be a paved parking area for 16 cars and in the rear space for six cars.

ASCS Manager Don Saverance said the new building will afford better parking space, be more accessible to farmers, and furnish a better arrangement of office space for more efficient operation.

Lynn County owns the present quarters, a former bank building, once furnished the space free to ASCS, but in later years the Government has paid rent.

County Judge W. M. Mathis said no definite decision has been made on use of the building when ASCS moves out, but it will likely be used for office space by other county agencies.

Completion on the new building is expected by January 1, Mr. Kidwell says.

Geo. Mahon Will Speak Tuesday

George H. Mahon, representative in Congress from the 19th district, will speak to the Tahoka High School student body at 9:20 a. m. next Tuesday, Nov. 16.

He will discuss the legislation of the last session of Congress, problems of government, and possible future trends.

The people of Tahoka and from over the county are invited to hear his talk, according to Paul Douglas Kenley, who will introduce the speaker.

Tax Collection At High Mark

State and county tax collections are running a little ahead of last year but poll tax payments are a little behind, stated George McCracken, county tax assessor and collector.

Through October, 61 percent of the total tax roll had been paid as compared to 60 percent at the same time last year, as taxpayers took advantage of the three percent discount to save a total of \$4,928.56 on their taxes.

Two percent discount applies on taxes paid in November, one percent in December.

Total payments on Nov. 1 this year were \$159,291.48 as compared to \$156,835.39 at the same time last year.

Poll tax payments this year are only 249 so far, compared to 295 last year. Since the coming year is a regular election year, many are yet to pay taxes to vote in state, district and local election. No poll payment is necessary to vote for Federal officers.

A total of 2,164 farm-trailer license plates have been issued as compared to 1,762 last year, Mr. McCracken states. These plates may be bought at his office in the court house, at Tahoka Auto Supply, at Grassland Butane, at Moore Insurance office in O'Donnell, and at the Co-op gins in Wilson and New Home.

CON. GEORGE H. MAHON
Will speak here Tuesday

Farm Program Vote Set Nov. 23

Lynn county cotton growers will vote on two issues November 23, instead of one as in the past, on the cotton program, states Don Saverance, local ASCS office manager.

November 23 is the time for the national referendum on marketing quotas for the 1966 cotton crop. In the past, this referendum has usually been about Dec. 12, and farmers have voted overwhelmingly in favor because of adverse prospects from a negative vote.

If quotas are approved on a nation-wide basis, growers will divert at least 12% percent of their effective allotment to comply and qualify for price support payments, and price support loans.

Another separate and distinct ballot will be cast this year by farmers.

Lynn county farmers will vote whether or not to permit sale or lease of cotton allotments for transfer outside Lynn county to some other county within the state of Texas.

A vote to prevent transfer from Lynn will not prevent, however, Lynn county farmers from buying allotments in some other Texas county for transfer to Lynn if such other county by two-thirds majority votes to permit such sale and transfer.

Some counties in East and Central Texas not now using all their allotments may see fit to sell cotton acreage, many people in this area conjecture.

Not affected by this vote is the right of a man owning land in two counties (or more) to transfer cotton across county lines, if the transfer is agreeable to the operator of both farms, to any possible lien holder, and to the two county committees involved.

Mr. Saverance said farmers should be thinking on these problems between now and November 23.

Lynn county's cotton acreage allotment for 1966 was announced Wednesday as 176,171 acres, a reduction of 1,144 acres from this year's allotment of 177,171 acres.

J. R. STRAIN CRITICAL

J. R. Strain, who has been in critical condition in Methodist Hospital for some time, remains about the same friends report. Mr. Strain is a long time resident of Lynn county.

Monday, November 15, the Harvest Festival will begin at Wilson with a carnival of fun beginning in the old gym at 6:00 and a coronation being held in the high school auditorium at 8:00 for crowning the class favorites. The Mustang Band Boosters are sponsoring the events.

Broom Sale Saturday
Wilson Lions Club sponsored a broom sale Saturday, which is held each year with proceeds going to help the blind. Thank you to all men who gave their time and those who bought items in this worthy cause.

Congratulations to Mr. and Mrs. Harry Gene Hutcheson. They repeated wedding vows Saturday, Nov. 6, at 7:30 p. m. in the First Baptist Church with Rev. Jack Clack officiating. A reception was

held in the educational building, Mrs. Hutcheson was formerly Miss Barbara Shaw.

Wilson citizens are enjoying reading of Mrs. L. Lumsden's early day experiences as an area pioneer, in the Lynn County News.

Mr. and Mrs. Meeks Rinne and Patricia enjoyed a visit from Coy and Carolyn Rinne of Cimmaron, N. M., over the week end. Coy is employed by the Santa Fe. They also visited in Slaton with Mrs. Rinne's parents, Mr. and Mrs. Juel Bradshaw and Carlton, while here.

The FHA Chapter of Wilson High School is conducting their annual sale of the famous cookbook, "Favorite Recipes of Home Economics Teachers." The 1965 edition features Casseroles, including breads. These cookbooks are sold only for fund raising. The 1962 edition features meats, the 1963 edition features desserts, and the 1964 edition features salads. These books may also be obtained from the club. The 1966 edition, featuring vegetables, will be available in January.

Homemakers will find in this book the most complete collection of casserole recipes ever printed. It contains more than 2,000 recipes submitted by home economics teachers from every section of the United States and is well worth the \$2.95 price.

Favorite Recipes of Home Economics Teachers makes excellent gifts for weddings, showers, and graduation. For information about obtaining this book, contact the home economics department at Wilson High School.

Locals
Mrs. Olga Sander was honored Sunday for her birthday with visitors: Mrs. Anton Ahrens and Edgar, Mr. and Mrs. Rueben Sander, and Susan, Mr. and Mrs. Ervin Sander and Kieth, Mr. and Mrs. James Riney and Kathy. Mrs. Sander's birthday was Monday.

Visitors of Mr. and Mrs. H. H. Hewlett Sunday were their children, Mr. and Mrs. Freddie Briggs of Lubbock and Mr. and Mrs. Walter Ray Steen and children.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

It is now definite that at least for another year, the independent business economy will be taxed to throw away more billions in foreign give aways.

This is despite the many revelations that have come to light. For example, not too long ago Rep. H. E. Gross of Iowa commented on the incident whereby the Prime Minister of Singapore reported when they caught a State Dept. man involved in hanky-panky, the State Dept. offered him \$3 million to keep quiet.

Such penny-pinching irritated the Prime Minister of Singapore who is a much bigger thinker than \$3 million. He countered with an offer to keep silence for \$33 million.

Apparently, the State Dept. at the time did not have quite that much in the piggy bank, or around where it could be paid out without raising questions, so it was not paid.

State Dept. at first denied any such involvements so the Singapore Prime Minister, Rep. Gross relates, called in newsmen and produced a 1961 letter written by the Secretary of State admitting distress over improper activities purportedly engaged in by U.S. officials.

But the Prime Minister of Singapore is apparently a man who at times overlooks the

niceties permitted by semantic exercises. He would not equate "improper activities" with a bribery attempt and threatened to produce a tape recording of the whole sorry mess unless the U.S. admitted it was caught trying to bribe. Rep. Gross reports this was done.

The Congressman also raises the question as to how many millions have been used in this manner when there was no big thinker as the Singapore Prime Minister involved to demand a 1100 per cent raise in the ante.

Along this line it is also interesting to note that as soon as India and Pakistan started shooting at each other, Washington predicted they could not fight for long because they would run out of ammunition and other military needs.

Some of the officials in Washington should have a pretty good idea of their military supplies because both of the warring nations have been recipients of U.S. foreign aid.

The American position in this area has been somewhat similar to this. We have acknowledged to Indians that they do not like the folks in Pakistan, and in Pakistan we have understood their attitude toward India. American officials have then said, in effect, "we know you are at each others throats so we will give both of you tanks, guns, other supplies. Now please, keep the peace."

This is diplomacy.

It sounds more like keeping a group of teen age girls calm and quiet by sending them to a Beatles concert.

At the age of 68, Emperor Tiberius moved his court from Rome to Capri. He ruled the Roman Empire from the island communicating by smoke signals and messengers.

HOME FROM COAST

Mr. and Mrs. George Henry returned Friday from a visit with their daughter, Mrs. C. W. Reynolds, and family down at Freeport on the Gulf Coast. George says they fished a little, visited a little, and did some sight-seeing. One day they went to Galveston and rode the ferry across the bay.

The first definite mention of grape wine is found in a Mesopotamian manuscript of 2100 B. C.

ON CLASSIFIED PAGE
 A weekly newspaper, unlike a daily, is not all printed on one day. The News prints its first four pages on Tuesday afternoon. For mechanical reasons, we almost have to print the classified page on this first run. Therefore, new ads, changes and "fix" information must be in the hands of the printers by Tuesday noon. However, late ads, turned in up to early Thursday morning will be printed in the "Too Late to Classify" column.—The Publishers.

Mr. and Mrs. Meeks Rinne and Patricia enjoyed a visit from Coy and Carolyn Rinne of Cimmaron, N. M., over the week end. Coy is employed by the Santa Fe. They also visited in Slaton with Mrs. Rinne's parents, Mr. and Mrs. Juel Bradshaw and Carlton, while here.

The FHA Chapter of Wilson High School is conducting their annual sale of the famous cook-book, "Favorite Recipes of Home Economics Teachers." The 1965 edition features Casseroles, including breads. These cookbooks are sold only for fund raising. The 1962 edition features meats, the 1963 edition features desserts, and the 1964 edition features salads. These books may also be obtained from the club. The 1966 edition, featuring vegetables, will be available in January.

Homemakers will find in this book the most complete collection of casserole recipes ever printed. It contains more than 2,000 recipes submitted by home economics teachers from every section of the United States and is well worth the \$2.95 price.

Favorite Recipes of Home Economics Teachers makes excellent gifts for weddings, showers, and graduation. For information about obtaining this book, contact the home economics department at Wilson High School.

WASHINGTON AND

"SMALL BUSINESS"

By C. WILSON HARDER

It is now definite that at least for another year, the independent business economy will be taxed to throw away more billions in foreign give aways.

This is despite the many revelations that have come to light. For example, not too long ago Rep. H. R. Gross of Iowa commented on the incident whereby the Prime Minister of Singapore reported when they caught a State Dept. man involved in hanky-panky, the State Dept. offered him \$3 million to keep quiet.

Such penny-pinching irritated the Prime Minister of Singapore who is a much bigger thinker than \$3 million. He countered with an offer to keep silence for \$33 million.

Apparently, the State Dept. at the time did not have quite that much in the piggy bank, or around where it could be paid out without raising questions, so it was not paid.

State Dept. at first denied any such involvements so the Singapore Prime Minister, Rep. Gross relates, called in newsmen and produced a 1961 letter written by the Secretary of State admitting distress over improper activities purportedly engaged in by U.S. officials.

But the Prime Minister of Singapore is apparently a man who at times overlooks the National Federation of Independent Business

niceties permitted by semantic exercises. He would not equate "improper activities" with a bribery attempt and threatened to produce a tape recording of the whole sorry mess unless the U.S. admitted it was caught trying to bribe. Rep. Gross reports this was done.

The Congressman also raises the question as to how many millions have been used in this manner when there was no big thinker as the Singapore Prime Minister involved to demand a 1100 per cent raise in the ante.

Along this line it is also interesting to note that as soon as India and Pakistan started shooting at each other, Washington predicted they could not fight for long because they would run out of ammunition and other military needs.

Some of the officials in Washington should have a pretty good idea of their military supplies because both of the warring nations have been recipients of U.S. foreign aid.

The American position in this area has been somewhat similar to this. We have acknowledged to Indians that they do not like the folks in Pakistan, and in Pakistan we have understood their attitude toward India. American officials have then said, in effect, "we know you are at each others throats so we will give both of you tanks, guns, other supplies. Now please keep the peace."

This is diplomacy. It sounds more like keeping a group of teen age girls calm and quiet by sending them to a Beatles concert.

At the age of 68, Emperor Tiberius moved his court from Rome to Capri. He ruled the Roman Empire from the island communicating by smoke signals and messengers.

HOME FROM COAST

Mr. and Mrs. George Henry returned Friday from a visit with their daughter, Mrs. C. W. Reynolds, and family down at Freeport on the Gulf Coast. George says they fished a little, visited a little, and did some sight-seeing. One day they went to Galveston and rode the ferry across the bay.

The first definite mention of grape wine is found in a Mesopotamian manuscript of 2100 B. C.

Band Boosters Buy Equipment

At the meeting of Tahoka Band Boosters Tuesday night in the band hall, Mrs. Floyd Hudgens, president, gave a report showing \$888.50 in the club treasury, of which \$549.20 in profit was made from operation by the ladies of the concessions stands at football games this fall.

The club has paid out \$586.00 for instruments and repair of instruments, and last spring before the close of school bought and paid for in cash a piano for use in the band hall.

Tuesday night, the Boosters voted to buy a piccolo, nine new music stands, have a new music rack built in the band hall, and also to have a movie film made of the Interscholastic League marching contest in Midland on Nov. 20.

Mrs. Rogers Curry, secretary, read the minutes of the last meeting.

C. Edmund Finney and Mrs. N. E. Wood were present to make pictures for the school annual.

The Boosters will again sell fruit cakes starting this Saturday, Nov. 13, and parents and students will call at home doors to take orders. Those missed may contact a band parent or band student, and a cake will be delivered.

Mrs. Jimmy Dulin, Band Boosters reporter, says the Band Boosters wish to thank everyone who has helped in any way during the football season with the concessions stands, and on other projects, and will look forward to serving customers at the gymnasium concessions stand during basketball season.

L. M. Williams was a medical patient Monday and Tuesday in Tahoka Hospital.

Basketball Girls Lose Opening Game

Borden County High School girls basketball team outscored Tahoka 32-23 at Gail Tuesday night in the local team's opening tilt of the season.

Off to a slow start, the score was tied 3-3 at the end of the first quarter but Borden county pulled away to lead 18-9 at halftime. Third period score was 28-16.

Theresa Mason and Sue Wood all each scored nine points, Chloe Jan Huffaker made three and Joy Thomas was responsible for two.

Other girls seeing action as forwards were Carolyn Cox Nelles, Chandler and Loretta Foster. At guard positions were Leah Short; Linda Hale, Brenda Foster, Lana Grogan, Connie Gardner, and Robbie Biggerstaff, the latter three freshmen.

Coach Jim Littlefield is in his first year as girls basketball mentor here.

O'Donnell B Team Wins Over Plains

O'Donnell B team won a 20 to 13 victory over Plains B team Thursday night of last week at Plains.

The winning touchdown was scored by a freshman tackle. O'Donnell had the Plains boys backed up on their 5-yard line. The ball was fumbled up into the air, came down in the waiting arms of 200-pound Lane Birdwell, O'Donnell freshman tackle, and Lane lumbered over into the end zone for the TD.

Man Injured As Car Is Overtaken

Christoval Garcia Jr. of New Home was injured in an automobile accident on Saturday, receiving a broken left foot and possible head injuries.

He is in Tahoka Hospital for treatment. Unofficial reports were that Garcia was travelling in a vehicle alone when it turned over near Petty.

He is employed as janitor at the New Home schools.

New Home Lady At Monterey High

Lubbock—Mrs. Barry (Betty) Eisenberg, Texas Tech Home Economics Education major from New Home, began her student teaching assignment this week (Nov. 8-12) in Lubbock at Monterey High School.

During the nine-week period of her assignment, Mrs. Eisenberg will participate in the school's home economics program under direction of Miss Debra Ferguson, supervising teacher.

The Tech senior is the wife of an accounting major at Tech. She is the daughter of Mr. and Mrs. L. F. Taylor of Tahoka.

New Home Mix-Up Bowling Results

Foy Todd's 184 game and Babe and Adrian Evan's identical series of 497 was all it took for the Old Folks to take four games from the Deadwoods in New Home Mix-up Bowling League. For the Deadwoods, Havah Haley had high game of 162 but A. C. Fillingim had high series of 458.

The Crooked Walkers, led by James Walker's 166-435, took four games from the Tenderfeet. For the losers Wayne Price was high with a 173-444.

Dick Turner's 198 game and Della Halford's 522 series was enough for the Powerhouse 4 to win four games from the Handycaps. David Airhart's 150-403 was high for the losers.

The Bowl Weevils out bowled the Night Owls to win three games. For the winners, La Juan McClintock had high game of 166 while Roy Blevins had high series of 449.

Sue Tekell was at it again with a fine 208 game and 506 series as the Teapots won three games from the Armors. L. F. Taylor had a 168-444 for the Armors.

The Maniacs won three games from the Morebells with Jerry Harston's 161 game and 402 series. For the Morebells Ronnie Dulin was high with a 188-426.

Ladies Bowling League Results

In New Home Ladies Bowling Wednesday, Pridmore Spraying crew the forfeit games 4-0 as Bea Follis rolled a 130 high game and 375 series.

Petty Gin whipped New Home Gin 4-0. The winners were led by Babe Evans' 181-490 scores, while for the losers Jennie Halford had a 159 game, and Zana Stanford a 425 series.

Co-op No. 2 also won 4-0 over Edwards Shop, as Radene Turner rolled 181-503, while Bennie Sealy had 166 game and Nona Nieman 432 series for the losers.

Mayfield Grocery was a 3-1 victor over Farr Station. Wanda Gill had scores of 172-468 for Mayfield, and Sis Blevins led the Farr team with 183-520.

Mr. and Mrs. Jack Waldrip attended a violin concert at Monterey High School, Lubbock, last Thursday night in which their 11 year old grandson, Mike, played. Wanda Faye Gaither, granddaughter of Mr. and Mrs. E. B. Gaither, also played in the concert. The children are cousins, their mothers being sisters.

Florencia Zamara underwent surgery in Tahoka Hospital Monday.

New Home Parents Buying Projector

Principal Willard Hedges was authorized to buy a projector for the school by New Home Parent-Teachers Club at its regular meeting last Thursday in the cafeteria, according to Mrs. Jimmy Kieth, reporter.

Mrs. Jodie Halford, vice president, presided at the meeting, and Mrs. Charles Louder, secretary, read the minutes of the previous meeting.

Mrs. Bubby Norman served refreshments to seven members and 10 teachers.

Next meeting will be on December 2 at 3:30 p. m. in the cafeteria.

BROTHER IS BURIED

Mrs. Dee Sanders came back home last week end from Odessa. She was called there on Saturday, Oct. 27, by the illness of her brother, Curtis McCain, 62, and passed away the following Monday. Funeral rites were held there Wednesday of last week. She was accompanied to Odessa by her brother, Medford McCain, of Shallowater. Mrs. Sanders says Curtis is the second of 10 children in her family to pass away.

AVOID STRAY SHOTS WHILE OUT HUNTING

To avoid being hit by stray shots while hunting, the Texas Safety Association advises hunters to keep out of the brush in heavily hunted country. A hilltop also can be especially dangerous. On high ground, stand in front of a tree or rock so that your silhouette won't invite another hunter's bullet.

THE NEWS

SAN JACINTO . . .

in 18 Minutes—Blessed Freedom!

At 3:30 P.M. on April 21, 1836, General Sam Houston launched his attack. So sure was Mexican Army Commander Santa Anna of his troops' superiority that he did not even post sentries during the customary afternoon siesta.

The freedom-inflamed Texans, shouting "Remember the Alamo!", sprang upon the enemy. In the incredibly short space of 18 minutes Texas' freedom was won.

Santa Anna was captured. Six hundred and thirty officers and men were killed; the rest taken prisoner. Texas lost only nine men killed or mortally wounded, with 30 less seriously wounded. When the captured Santa Anna ordered his troop commanders to leave Texas, the last threat to peace was removed. Texas was free!

FREE MEN DEPEND ON US!

Today, we cannot—with one decisive stroke—wipe out the threats to freedom that are all around us. Instead, we must join together for an almost unending task of holding at bay those who would destroy the liberty we hold so dear.

Our dollars, banded together in U.S. Savings Bonds, help keep our defenses strong—making sure that no enemy will smash through to victory over freedom.

You can be an active partner in defending freedom by buying U.S. Savings Bonds at your bank or on the payroll savings plan where you work.

Officers Elected By Tahoka H.D. Club

The Tahoka Home Demonstrators met in the home of Mrs. E. M. Hammonds, Jr. on Nov. 4 when several games were played and refreshments served following a business meeting.

Nine members and one visitor attended.

Incoming officers for next year are Mrs. Guy Witt, president; Mrs. Lindell Bell, vice president; Mrs. E. M. Hammonds, Jr., secretary; Mrs. Hugh Jack Norwood, reporter; Mrs. Roger Partain, council delegate; and Mrs. B. J. Dunlap, council alternate.

November 17 is the date for the Home Demonstration Bake Sale to be held at Piggly Wiggly No. 1 from 8:00 a. m. until 1:00 p. m. Christmas cards will also be available at that time.

The H. D. Christmas party has been scheduled for Dec. 10.

The next meeting will be the first Thursday in December in the home of Mrs. Jacky Henry. Christmas ideas will be the topic of the program.

OBSERVES BIRTHDAY

Wade Williams and Dale Wilson of Lubbock were week end guests of Donnie Abbe, son of Mr. and Mrs. Robert E. Abbe, on the occasion of his sixteenth birthday celebration. Donnie took the boys on a tour of Tahoka, including the FFA farm, and all the points of interest in the area.

Mr. and Mrs. Jack Waldrip spent last week end visiting friends and relatives in Dimmitt and Hereford.

"Poverty" Is Subject At AAUW Meeting

The Tahoka Branch of the American Association of University Women met in Wilson on Nov. 1.

Mrs. Billie Carr discussed the recent legislation enacted by the Federal government to help rid poverty. It was stressed that the legislation has been passed and it is up to local units and needy persons to seek it.

Mrs. E. L. Blankenship spoke on a few aspects of China since 1912.

Mrs. George E. Lacy is a new member of the organization.

The next meeting will be held in O'Donnell, Mrs. Blankenship reported.

Book Review Set For WSCS Meeting

Mrs. Charles L. Waters of Lubbock will review "Who Gets the Drumstick" by Helen Beardsley at the traditional Thanksgiving festival of the Woman's Society of Christian Service to be held Monday, Nov. 15, at 4:00 p. m. in the home of Mrs. Oscar Roberts.

All ladies of the area are invited to attend.

The book is a "heartwarming story of a family of 20 children raised on love and laughter."

Mrs. Ruth Koch of Roff, Okla., has been visiting her niece, Mrs. Leona Waldrip, for the past three weeks. She returned to her home Thursday.

Tailoring Course Set At O'Donnell By Young Ladies

The O'Donnell Young Homemakers met last Thursday night for an introductory session of the approaching tailoring workshop to be held in February.

The course is planned for six sessions. First week's meeting will be on Feb. 9, 10 and 11 and second week's on Feb. 15, 17 and 19, beginning each day at 4:00 p. m. and ending at 6:00 p. m.

Anyone other than members may take the course for a fee of \$5.00, which covers expenses of baby sitters and nursery supplies. Mrs. Warren Smith, advisor and homemaking teacher, will supervise the workshop.

At last Thursday's meeting, plans were made to attend the Community Thanksgiving program as a group at the Methodist Church on Wednesday night, Nov. 24, at 7:30 p. m. The Young Homemakers will have a designated section in the sanctuary.

The club also voted to assist a needy family, child or aged person for Christmas rather than draw names. Each member is asked to bring \$1.00 to the next meeting.

Committees were named to plan the Christmas party, to plan the club's advisor's 25th wedding anniversary, and to make plans for the State meeting expenses.

The First Aid course has been tentatively set for the latter part of February and those members completing the course will earn the Red Cross badge. However, everyone in the community may attend.

The O'Donnell Club now has 23 members, new ones being Mrs. Calvin Partain, Mrs. Roger Doss and Mrs. Kenneth Eaker.

The next meeting will be held Dec. 2 on Christmas baking.

Following last week's meeting the Young Homemakers and Young Farmers met together for refreshments served by Mrs. Harold Brumit and Mrs. Harold Sanders. Young Farmers provided the drinks.

Rebekahs Plan Friendship Night

Tahoka Rebekah Lodge No. 209 met in regular session Tuesday night with Vice Grand Dale Singleton presiding.

Matters of business disposed of included a donation of \$6.00 to the "International Eye Bank," a gift for our adopted orphan boy at the children's home in Corsicana, and nominations for 1966 officers. These will be announced at a later date.

Final plans were made for "Friendship Night" to be held in connection with next regular meeting. Invitations have been sent to six neighboring lodges. Each member is asked to bring an apron and bonnet to be sold for gifts.

There were 18 members present. Next meeting night is Tuesday Nov. 23 at 7:30 p. m. — Leona Waldrip, secretary.

James Buchanan was the only life-long bachelor to be President.

Garden Club Will Hold Luncheon Meeting Tuesday

Tahoka Garden Club will have an International Luncheon and guest day Tuesday, Nov. 16, beginning at 9:30 a. m. in Fellowship Hall of the First Methodist Church.

Mrs. Carl Griffing, Jr. will present a book review.

Four tables will be decorated in decor depicting four countries. Each will have flower arrangements, food and a hostess carrying out the theme of each country.

One table will represent Spain with Mrs. Charles Brookshire as hostess, who will dress in Spanish attire; another Italian with Mrs. Leonard Dunn as hostess; Chinese with Mrs. Lynn Seales, hostess; and Early American, Mrs. Wayne Huffaker, hostess.

Mrs. R. M. Stewart is hostess for entire event and Mrs. Nell Park is co-hostess.

Officers of Garden Clubs in this area have been invited to attend.

Zone Garden Meet Local Ladies Attend

Three Tahoka ladies attended the Central Zone Meeting, District 1 of Texas Garden Clubs in Morton Tuesday.

Mrs. Roy Edwards, Mrs. H. R. Tankersley and Mrs. V. F. Jones represented the local organization at the all day event.

A business meeting and workshops were held during the morning.

Following a luncheon, Rev. Foust, pastor of the First Baptist Church of Graham, was the speaker at an outstanding program. He is a collector of driftwood and along with an entwined message, Rev. Foust demonstrated various arrangements with driftwood. He also showed the group a harp made from driftwood, along with many specimens he has collected over the years.

County And Town Names Don't Always Fit In This State

Austin—Names sometimes have to do double-duty in Texas, especially on the Official State Highway Map published by the Texas Highway Department.

You'll find Dallas in Dallas County, El Paso in El Paso County, Lubbock in Lubbock County, Nacogdoches in Nacogdoches County. But that doesn't prove a thing.

You might suppose that Huntsville would be in Hunt County. But it isn't. It's in Walker County. And Jefferson, the town, should be in Jefferson County, the county. Actually, it's a good 200 miles north of Jefferson County, in Marion County.

Jefferson County does include the community of Sabine, but Sabine County is about 75 miles away. Sabine County, on the other hand, is the site of a town named Milam—but Milam County is a far piece west in central Texas.

Cameron is the county seat of the county—Milam County, that is, not Cameron County. Brownsville is the county seat of Cameron County and Brown County is hundreds of miles north in west central Texas. Oddly enough, Brownwood is its county seat.

Not confused enough? Okay, let's look again. Start with Caldwell County. Don't bother to look for the city of Caldwell there. It's in Burleson County. Burleson, the town, is in Johnson County; and Johnson City—you've heard of this place—is miles away in Blanco County.

Or take Houston. Houston is in Harris County, but Houston County is three counties north, and the city of Crockett is its county seat. Crockett County is in far west Texas.

Look-up Dimmitt County on the map. It's in south Texas. But the town of Dimmitt (with an extra 't') is in Castro County in the Panhandle. Yes, Castroville is back down in south Texas, in Medina County. Medina is in the next county north, Bandera.

If you still aren't dizzy, check Smithville—in Bastrop County Smith County is in east Texas and includes the City of Tyler. Tyler County is further south, and it includes the town of Woodville. Wood County is further north, in east Texas next to Smith County.

There are others, but by now you should have got the idea. You can find them all on the Official State Highway Map. And at the

Donald Williams Named Young Farmer of Month

By Joe Brooks
President, Young Farmers

Donald (Shorty) Williams has been selected by Tahoka Young Farmers as their "young farmer of the month" for November. He farms near Draw.

Donald started farming in 1956 on the halves with his dad, Carl Williams, on 200 acres of dryland cotton and maize. In 1958, he began renting the place.

He now farms 350 acres, 140 of which is in cotton and the rest in maize and summer fallowed land.

He waters this land with four irrigation wells, one eight-inch, one four-inch and two three-inch wells. He irrigates out of aluminum and underground pipe.

Donald fertilizes all of his irrigated cotton. He tried a small amount of chemical weed control this year and was very pleased with the results. He plans to put it on all his cotton land next year.

He strips all of his cotton. Then, as soon as possible, he

breaks one-fourth of his land and chisels the rest of it.

He is planning on fixing up a caliche pit on his farm to catch rainwater for irrigation purposes. He also plans to irrigate on the contour as much as possible next year.

Williams has 80 acres of rye planted for cow pasture this year. He plans to feed cotton-burrs to the cattle, also.

His farm operation is financed through FHA.

Donald does all of his own farm work and also keeps a complete set of books on his farming operation, which enables him to find unnecessary expenses.

The son of Mr. and Mrs. Carl Williams, Donald graduated from Tahoka High School in 1958 and attended West Texas State University and Texas Tech. He is married to the former Miss Nancy McCormick, daughter of Mr. and Mrs. Baillie McCormick of Canyon. Nancy graduated from Canyon High School in 1959 and attended Tech. They have two small sons, Keith and Gregg. They are members of Tahoka Church of Christ.

Donald is reporter of Tahoka Young Farmers, a post he has held for two years.

Nancy is secretary of Tahoka Young Homemakers and president of Tahoka Home Demonstration Club.

Cotton is the life-blood of Lynn county economy.

Irrigation Man Assigned Area

Lubbock — An area irrigation specialist who will work with county agents in the Plains and West Texas area has been appointed to the area Extension staff office here, according to an announcement by Extension Director John E. Hutchison, of College Station.

The new area specialist is Agricultural Engineer W. M. Lyle, 26, who was born in Lubbock and grew up in Crosby county. He will move here from College Station to begin his new assignment December 1.

Director Hutchison said the appointment is in response to requests from county agents and county program building committee members who have expressed a need for professional help on problems of water conservation and use.

Lyle's job will be to keep up with all pertinent water-use research and provide leadership for Extension educational programs dealing with all phases of water conservation and irrigation, Hutchison said.

The new area specialist holds a B.S. degree from Texas Technological College and an M.S. degree from Texas A&M University. Both of his degrees are in agricultural engineering.

Before joining the Extension Service, he did research work for the City-County Health Department of Lubbock and for the agricultural engineering department at A&M. He has been serving as the agricultural engineer-civil defense on the headquarters Extension staff since July 1964.

Lyle joins a staff of specialists who serve the West Texas area and are office here in Lubbock. They include Entomologist Don Rummel, Farm Management Specialist John Seibert, Livestock Specialist Dr. Dixon Hubbard, Soil Chemist Jim Valentine, Information Specialist Mike Hood and Plant Pathologist, Dr. Robert Berry.

He will fill a position that has been vacant since Dave Sherrill retired after 30 years of Extension work.

Lyle is the son of Mr. and Mrs. T. D. Lyle, of Ralls. He is married to the former Robby Ware, of Midland.

Lynn County Soil Conservation District News

E. R. BLAKNEY HAROLD PAYNE
ELMER OWENS BOYD BARNES
JIGGS SWANN

There is no doubt that applying mulches such as cotton burs to the soil is beneficial, says Don Reed of the Soil Conservation Service.

When managed on the soil surface, not only do mulch retard wind erosion, but they also reduce evaporation and act as a sponge in absorbing water. All these benefits are in addition to increasing the organic material in the soil.

Although cotton burs are the common mulching material used in the Lynn County Soil Conservation District, any type of organic litter is good. Barnyard manure is very good. Generally it is recommended that at least three tons per acre should be applied. In order to aid in the decomposition of the burs it is generally recommended that Nitrogen be applied.

Tests supervised by County Agent W. B. Griffin have shown that six tons cotton burs applied at a cost of \$2.50 per ton or \$15.00 per acre produced an increase of 456 lbs. of lint. At \$27.00 this increase produced a gross return of \$123.12 which made the burs worth about \$20.00 per ton in cotton production.

In another test the increase from cotton burs was 72 lbs. of lint per acre. The application of the burs cost \$15.00 per acre. The increase in lint amounted to \$20.00 with \$1.39 return per dollar invested.

Tests like these and others show that the addition of mulches to the soil increases the net return to the producer and in addition to conserving soil and moisture says Reed.

Now! '66 Chevelle Malibu by Chevrolet

Two racy new hardtops

A clean-sculptured new sport coupe with recessed rear window, and—for the first time—a 4-door Chevelle Sport Sedan. Pick from 12 racy-looking new Chevilles in all for '66.

Not only will you find more variety in the '66 Chevelle lineup, but even more of what makes a Chevelle a Chevelle.

Say you pick a new Malibu Sport Sedan and specify the new 220-hp V8. You've got yourself quite a machine.

Or pick a Malibu Sport Coupe, equip it with the new Strato-bucket front seats, and order the new 275-hp V8. You've got yourself even more machine.

Or maybe you'd like to pick a new black-grilled SS-396 Coupe or Convertible. (Standard engine is a Turbo-Jet 396 V8 with 325 hp. And there's also a 360-hp version you can specify.) Now you've got yourself the most.

Which '66 Chevelle for you? The answer to that covers a lot more ground than we can here. And that's where your Chevrolet dealer comes in.

New Cotton Law Lists Provisions

Following is a brief summary of some of the provisions as they apply to cotton under the new law passed by Congress:

1. The cotton program is a four year program—1966 through 1969.
2. National Domestic Allotment can be no less than 65% of the regular allotment. The domestic farm allotment is 65% of the effective farm allotment for 1966.
3. National average support price for 1966 crop is 21 cents based on middling "1" cotton at average location. National average support price for subsequent years is 90% of estimated average world price.
4. Projected yields assigned to the farm are based on the previous three year production history (for 1966, this would include 1963, 1964 and 1965 production years).
5. Cooperators in the 1966 cotton program are those which divert at least 12.5% of their effective allotment from cotton production. Three levels of participation are available at the election of the producer—12.5, 25 or 35 per cent diversion. "Small" farms with 10 acres or less, or farms with 3600 lbs. or less, need not divert acreage for price support payments and diverted acreage payments.
6. Price Support Payments are based on 9.42 cents per pound of lint on the projected yield on the domestic farm allotment. Producers are eligible for full price support payments if at least 90% of domestic allotment is planted.
7. Diverted Acreage Payments are based on 10.5 cents per pound of lint on the projected yield on the acreage diverted from cotton. "Small" farms (No. 5) are eligible for payments without diversion.
8. Diverted acreage may be planted to approved substitute crops and payment cannot exceed 50% of the farm rate, as determined by the Secretary of Agriculture.
9. Referendum to be held November 23 to approve or disapprove marketing quotas and transfer of allotments across county lines through lease or sale. Two-thirds majority of growers voting is necessary for approval for above items. "Transferred or purchased" acreage cannot exceed 100 acres

Seagraves ...

Richard White has a back injury, and Mitchell Williams may be ready for action again after missing several weeks because of illness.

Coach Smith's boys probably played their best game since early in the season in taking Stanton 34 to 12 at the latter school's homecoming celebration last Friday. Blocking and tackling looked much better, the middle of the line was tough, and the pass defense contained the Buffaloes most of the way.

Tahoka players, school people, and fans would greatly like to get some revenge on Seagraves and end the season with a 6-3-1 record.

Seagraves Eagles, coached by A. D. Shaver, have been one of the top Class A teams in the area several years. They are, this year, a well balanced, well drilled team that makes few mistakes and capitalizes on the opponents' miscues. They use the reverse frequently and effectively.

Probable starters in the backfield are: David Turrentine, 138, senior quarterback; Carl Burnett, 173, senior fullback; and Tim Raper, 145, senior, and Dennis McKinzie, 156, junior, at halfbacks.

Offensive line starters are likely to be: Kenny Callum, 182, senior, and Bernard Gibson, 185, junior, at ends; Gary Burnett, 181, and Phil Nash, 140, both juniors, at tackles; Edward Hernandez, 147, junior, and Danny Shaver, 160, son of the coach and a senior, at guards; and the center is Bill Coward, 172, senior.

On defense, some big boys will see action in the line. James Reasonover, 210; Bill Hollifield, 216; and Juan Blanco, 233, all seniors. The Eagles won four 5-A championships in a row before falling to Plains Cowboys this year. Plains plays at home today against Stanton and will meet Coahoma at Andrews Nov. 20 at 7:30 p. m. in bi-district play.

Raymond Clark Dies At Ruidoso

Raymond D. Clark, 44, of Ruidoso, N. M., formerly of Draw and Tahoka, died Saturday in Veterans' Hospital at Albuquerque.

Funeral services were held Monday at 10:00 a. m. in First Baptist Church of Ruidoso with the pastor, Rev. Alfred Richard, and Rev. Wayne Joyce officiating. Burial followed in Ruidoso Cemetery.

Raymond was born July 3, 1921, in Oklahoma. He went to work for Winston Wharton as a mechanic at about the age of 17. He left here about 1950, and was with the Ovid Luallin shop at Ruidoso. He returned to Wharton's for a year as head mechanic in 1954, and moved back to Ruidoso, where he resided until his death.

He is survived by his wife, LeVenia; two sons, Wesley R. and Kenneth W.; and his mother, Mrs. Georgia Baker, all of Ruidoso.

Above the present farm allotment, purchased acreage becomes the permanent history of the farm. Cotton allotment may be sold or leased from soil bank land—ACP payments will be reduced if this should occur.

10 Producers with cotton allotments in 1965 can apply for additional acreage from the National 250,000 allotted acres. Requests for such acreage are to be made to county committees prior to January 15, 1966. If additional acreage is accepted, they are not eligible for participation in domestic allotment program on any other farm.

Bulldogs Winners At Stanton 34-12

Tahoka Bulldogs exploded at Stanton Friday night to defeat the Buffaloes 34 to 12, and served notice on the always tough Seagraves Eagles Tahoka may not be a push-over this Friday when they invade the Gaines county town.

For the first time this year, Tahoka showed break-away power featuring 173-pound sophomore halfback Cliff Thomas, who carried the ball 212 yards, including touchdown runs of 65 and 77 yards, a scoring pass play for 50, plus two conversions kicked for a total of 20 points.

But, it was not all Thomas, for Gary Tomlinson made 105 yards on six carries, FB Danny Coburn was a power in the line, and QB Stan Renfro threw the ball for 115 yards. In fact, this was prob-

ably the best team effort since the Crosbyton game as the gang up front—Milton Edwards, Tommy Kidwell, Roy Isham, Jody Edwards, Mike Davis, Richard White, Clarence Long, Wayne Thurman, and company manned the bastions, while Dean Hamilton played one of his best, Phil Adams hauled in another sensational catch, and Chris Roberts, Luciano Soliz, Benny Limon, Doyle Schneider, and others guarded outer space. Also seeing action briefly were Buz Owens, Britt Robinson, John Tyler, Joel Inklebarger and Charley Brown. Long, Davis and Milton Edwards were especially outstanding on defense.

Stanton Dangerous, Too

Stanton proved to be one of the most dangerous teams the Bulldogs have met, led by QB Buddy Shanks and HB Dink Polson, keys in tricky running and pass plays, power by FB Allen Springer, and pass-snatching by David Hicks and others.

Actually, the game was much closer than the score indicates, the difference being Tahoka's sudden explosive power.

There were only five punts in the game, but Mike Davis got off one for 58 yards and one for 36, while for Stanton Polson kicked one 67 yards over the Tahoka receiver and others of 41 and 40 yards, both kickers showing better records than most college punters.

This was Stanton's homecoming, many ex-students were on hand, a parade of floats around the field preceded the game, and tension was high. Fans frankly stated before the game the Buffaloes intended to trample the Bulldogs.

Tahoka Scores Early

The Bulldogs had other ideas. Stanton won the toss, received the kickoff, and on the third play from scrimmage fumbled a lateral pass and Chris Roberts recovered for the Bulldogs on the Stanton 33.

Meadow Playing At New Home

Today is homecoming at New Home for former students and residents, and the Leopards hope to bounce back with a top effort tonight at 7:30 in an attempt to corral the invading Meadow Broncos, undefeated in 3-B play.

Special events include a supper being served by Methodist Youth Fellowship, a half-time program honoring football boys, cheer leaders and twirlers of the 1952, 1953, and 1954 classes, and a reception for all ex-students following the game in the cafeteria.

The Leopards had an open date last Friday, previously lost to Cooper and Wilson, but fans say they have the potential to rise up and knock off Meadow.

New Home will close its football season Friday of next week when Ropesville comes to town.

Gib Hough's Team Has Perfect Record

The Richardson High School's undefeated freshman Broncos, under direction of former Tahoka coach, Gilbert Hough, will meet Garland freshman team this week for the district championship, according to a clipping from the Richardson newspaper.

The Broncos came within one game of the title by downing Mesquite last week 18-0 played "on the swampy lands of the high school stadium" during drizzle and fog, scoring both on the ground and "via the airplanes."

The Broncos have won most of their games this year by wide margins.

Coach Hough, who moved from Tahoka to Richardson last summer, was placed as head coach of the freshman team in the AAAA school. His wife, Pat, is secretary to the assistant high school principal, Mr. Jeter, who is a former O'Donnell coach.

Mr. and Mrs. Charles Freeman and boys of Crosbyton, Miss Debbie McClintock of Lubbock, Mr. and Mrs. W. B. Walton and children and R. C. Walton of Snyder visited in New Home Sunday with Mr. and Mrs. Winston Davies.

O'Donnell Closing Game At Wink

O'Donnell Eagles close out a long, disastrous season tonight at Wink against the tough Wildcats.

Coach Malcolm Kennedy and assistants Jerry Brown and Robert Ryan have had a squad of young and inexperienced boys this year, but most of them have stayed until the last and offer brighter prospects for future years.

Friday night, in their last home game, the Eagles went down before an onslaught from the Seagraves Eagles 43 to 7.

For Seagraves, Dennis McKenzie ran for two TD's and Carl Burnette, Kenny Cullum, Tim Raper, and Johnny Cavazos each scored one time. David Turrentine passed to Bernard Gibson for one conversion, Cavazos ran one, and Cullum kicked two.

O'Donnell's score came on a pass from "Bud" White to Joe Lopez, and White kicked the conversion.

Pin-Pickers In Go-Getters Lead

Ray Phifer had two games of 186 and a series of 499 for Petty Gin when the team split 2-2 with the Pin Pickers to maintain its lead in the Go-Getters Bowling League. The Pickers stayed in third place behind the bowling of Billie Wilkinson, who rolled a 235-526.

Still in second place is the Purty Bad team, which won 3-1 from the Wagon Wheels. Scoot Lowrey bowled a 505 and Frances Holder a 172 for the winners while Joe and Faye Armontrout rolled 472 and 180, respectively, for the Wheels.

The Foul Ups turned in some competitive bowling in splitting 2-2 with the Squares. Dub Ewing of the Foul Ups rolled a 202-548 but right behind him for the Squares was Bobby Clem with 197-534.

James Farr paced the Back Fires with 196-501 to help his team win 3-1 from the Armors. Jean Landers rolled 440 and her husband, Willis, a 157 for the losers.

Another husband and wife teamed up for the Confederates. Freddie and Charlene Kieth had high series of 499 and high game of 184, respectively, to split 2-2 with the Tanglewoods, whose Robbie Gill was high with 193-475.

The Lane Loafers clobbered the Ad Libs 3-1. Nick Ford came through with a 200-535 and Roger Blakney paced the losers with 156-443.

Qualifying for Bowlers of the Week were Dub Ewing and James Farr with Nick Ford, alternate for the men, and Billie Wilkinson and Charlene Kieth with Jean Landers, alternate, for the women.

In anthropology, the term of "Grimaldi Man" is applied to a Negroid type of prehistoric man found in the caves of Grimaldi, near Mentone, Italy.

Basketball Is Starting Monday

Varsity boys basketball workouts will get underway next week following the last football game with Seagraves tonight.

First game will be played at Frenship Saturday, Nov. 20, at 7:00 p. m. Two games will be played the following week on Monday and Tuesday nights, Crosbyton here and Abernathy there, respectively.

Varsity girls opened their season this week at Gall on Tuesday night.

Junior high games are scheduled to begin on Nov. 29.

Tire Care Subject Of O'Donnell YF

The O'Donnell Young Farmers met last week for its November meeting when Scott Russell of Lamesa presented the program.

Topic was "Farm Tire Buying and Care."

Twelve members and two guests, Mr. Russell and Melvin Williams of Post, attended.

Mr. and Mrs. H. W. (Sam) Edwards visited over the week end at College Station with their son, Jack Edwards, student in A&M, and saw the SMU-A&M football game.

Wilson Mustangs Play At Ropes

Down but not out, the Wilson Mustangs will try to get back in the District 3-B title race tonight when they journey to Ropesville to battle the Eagles.

At Meadow last Friday night, Terry Jones, sophomore Bronco halfback, returned the opening kickoff 85 yards for a touchdown and went on from there to a 19-0 victory.

The Mustangs could never recover from that early score. QB Dwain Hester passed to End Jim Wilkes in the second quarter for a 39-yard scoring play, and QB Roy Cato plunged over from two yards out in the third for the final score. Jones kicked the conversion following the first TD.

Meadow is now 3-0 in district play and Wilson is 1-1.

Tahoka's United Fund campaign is away short of its goal, and those who have given their time and work toward raising funds to support four agencies are disheartened. Too many people cut their contributions too short. Some gave only the amount to all four agencies they have been giving to each of four drives. Leaders say they are going to keep the drive open until up in December. Then, if the funds do not come in to the neighborhood of the quota, the United Fund set-up will be dropped and each organization will just have to raise its own funds in four separate drives in the future. We should not let this happen. If you've worked on two or three of these a year, you realize the difficulty in getting enough workers and the drain on you individually. If you haven't given your part, why not mail in a check to United Fund, Tahoka?

Law enforcement officials over the state, disturbed over the controversial new Code of Criminal Procedure which becomes effective January 1, are calling for repeal of the new law already. Officers fear the changes will hinder them in combatting crime and give more protection to the criminal law violator. We can't understand why, in view of the tremendous increase in crime and warnings from such men as J. Edgar Hoover on the breakdown in law enforcement, the Supreme Court, our Legislature, and others persist in giving the criminal and even the Communists who advocate overthrow of our form of government, more and more leeway, loopholes, and even legal protection.

The "Tahoka Gang" down at A&M, Mike Curry, Mike Reid, Terry Harvick, Jack Edwards, and Stanley Price, sent Elora Curry a clipping from the Mexia Daily News about the staleness of Aggie jokes and "a few words of kindness for the Aggies." The writer is a graduate of another college, but he spends a column deprecating the triteness of stories told on Aggies from the barber shop to the back alley. Then, the writer, points out the tremendous Aggie spirit and loyalty is to be commended more than censured. Many a poor boy has received an inexpensive education at Aggie-land he could not have gotten at some of these other schools. No one tells these jokes before the Memorial, for more A&M men have given their lives in the service of their country than any college in the nation. And, at least, every A&M cadet at least looks bathed and shaved, and there are none of those long-haired, bearded, shirt-tail flying weirdies one finds at some other intellectual mills.

Well, boys, we're no Aggie, but we are beginning to have a little sympathy with you—what with so many throwing their jokes your way. But, remember, deep down in their heart a lot of exes of other institutions have "jealous admiration" for the Aggie spirit.

Mrs. J. D. Tharp, 10843 Hermosa Drive, Dallas, the former Nona Tharp, born at Redwine, whose mother is buried at Grassland, and who was here a few weeks ago seeking information on her family and found what she wanted to know from Mrs. Bob Traweck, writes: "We fell in love with the town of Tahoka and its

HOW MUCH TO REAR A CHILD?

(J. D. Polk's daughter sent the following to him which she got from some paper, and he thinks it appropriate in view of the inequities being created by our government.)

Hey, Uncle, how much does it cost to rear a child?

You allow us taxpaying parents only \$800 a year to feed, clothe, house and train a youngster.

Yet, to feed, clothe, house and train a youngster in your Federal Job Corps, you spend \$7,000 a year.

Now, which is the correct figure? Either we're allowing you too much or you're not allowing us enough.

You allow taxpaying parents a \$600 deduction for the care and feeding of each child. Yet under Cuban Refugee Program, you assume minimal upkeep requires \$1,000 a year, and if the Cuban boy or girl is attending school an extra \$1,000 a year.

How come you shortchange the home folks?

In the austere environs of a Federal prison, you have discovered that it costs to maintain one person, with no frills or luxuries, \$2,300 per year.

By what rule of thumb do you estimate that Mom and Dad can do it for one-fourth that amount?

Under Social Security you will pay \$168 a month to maintain the elderly. What makes you think we can maintain our young 'uns on \$50 a month?

And, Uncle, your Vista Program spent \$3,100,000 this fiscal year to turn out only 202 trainees. This indicates that the cost of maintaining and training one youth for one year is more than \$15,000.

Then, how come we taxpaying parents get an exemption of only \$600 to maintain and train one youth for one year?

Or, let's see how much you spend upkeeping a youngster in military uniform—house, \$55.00 a month; food, \$30.27; clothing upkeep, \$4.20; and this amount comes to \$1,076.04 a year.

How in the world do you expect parents to provide all these, plus clothes, recreation, books, and medicine for \$600 a year? With your own figures, you admit it can't be done.

Is it possible you expect us parents to manage more efficiently than you, because we usually do?

With all our prosperity, you, Uncle, are still spending per year \$2.9 billion dollars more on relief than during the depths of the Depression. So, it may be that you are uncommonly extravagant.

But, however we try to rationalize and explain you and excuse you, it still is a harmful effort when you allow us hard-working dues-paying homefolks only \$600 a year to rear a legitimate child while you, under ADC, will pay more than \$800 a year to upkeep an illegitimate one.

—Harassed Taxpayer.

people. We found everyone to be most friendly, an attitude not seen too much in a big city." She is subscribing to The News.

It won't be long now. No we're not talking about Thanksgiving and Christmas. We're talking about 1966 politics. We received the first free "press release" Monday from a State Representative down at Goliad who is a candidate for Texas Railroad Commissioner. Of course, he wanted about a column of free advertising.

Plains Weather Subject Of Talk

Bob Sewell of the Brownfield radio station was the speaker on the subject of "Weather" at the Rotary Club last Thursday. Bob is an amateur meteorologist by reason of being the weather-caster on Channel 13 TV, Lubbock, several years, and currently the co-operative weather observer at Brownfield.

He explained some of the whys and wherefores of weather predicting, the causes of weather changes, air streams and their effect on weather, highs and lows and their effect, and gave special attention to this particular area.

Weather on the South Plains is influenced, among other things by three distinct characteristics—the Rocky Mountains to the west and northwest, the dry and hot country to the southwest, and the Caprock which bounds the Plains on the east. All of these affect air currents, which, in turn, cause or fail to cause moisture-laden clouds to drop rainfall.

When there is heavy precipitation in the form of rain and snowfall in the mountains of New Mexico and Colorado, as so far this fall, this area can usually expect a wet winter and spring.

Although Sewell didn't say so in so many words, one reason this country has a hard time getting rain in the spring is that lows have a habit of becoming stationary over dry southern New Mexico and Arizona and northern Mexico, counter-clockwise winds off this parched area come out over the Plains and "dry out" most of the clouds which try to form.

Sewell dismissed as "poppycock" most of the "weather signs" such as the "Indian sign."

He said some day man will be able to use the elements, when the situation is right, and cause them to drop rain. He declared man may become able to control tornadoes. But, he said he believes nature and a Supreme Being will remain in charge of the weather and man can only adjust the elements to help his own well being.

Binie White arranged the program, which, incidentally, proved very interesting to the audience.

Student guests for the month are Clarence Long, son of Mr. and Mrs. Marion Inklebarger of Grassland, and Dean Hamilton, son of Mr. and Mrs. Clifton Hamilton. They were introduced by Harold Green and Calloway Huffaker, respectively.

Crows are found from Mexico to Canada.

Welding Course Is Held Here

Twenty farmers took advantage of the welding short course held here last week sponsored by Tahoka Young Farmers and Tahoka FFA, according to Donald Williams.

Joel R. Barton, welding specialist with the Vocational Agriculture Division of Texas Education Agency and Texas A&M College, taught the course.

He instructed the class in safety in welding, factors controlled by the operation in running a bear and striking an arc, types of electrodes, preparation of joints, distortion, cutting, hard surfacing, and pipe welding.

Extra welders were furnished by Forney Welding Supply of Lubbock, and extra wiring and boxes were furnished by Lyntegar and Southwestern Public Service.

Gordon-Southland News

(By Mrs. Edmund Wilke)
It is that time of year once again when we begin planning for the coming holidays, Thanksgiving and Christmas.

The Southland Methodist Church will hold their Lord's Acre Harvest Festival on Sat., Nov. 13, at the Southland School gymnasium. There will be crafts, handwork and other items on sale from 1 p. m. on. A country style supper will be served from 5 until 9 o'clock followed by an auction sale of gifts not sold in the afternoon. They are inviting all their friends and neighbors to come out and enjoy this Harvest Festival with them. The supper tickets will be \$1.50 for adults and 75c for children.

Mrs. Alice Martin went to Ralls last week to visit a friend, Mrs. Gertrude Winfrey. Also visiting was another friend, Mrs. Gladys Gollahar from Hale Center. These three ladies met on a train two years ago and have been good friends ever since.

We were sorry to hear that Mr. Claud Spence of Slaton died this morning. Mr. Spence is a former resident of this community and has many friends here.

Mrs. Herman Dabbs went to Dallas last week to visit her son and family, Dr. and Mrs. Gerald Dabbs. Her little four year old granddaughter, Devon Dabbs, had a tonsillectomy.

Mrs. S. S. Bevers from Justiceburg visited several days last week with her son and family, Mr. and Mrs. William Bevers.

Mr. B. D. Ellis went to Lubbock on Sunday with Mr. and Mrs. C. R. Lancaster to visit Mr. and Mrs. Jack Biddy and family. It was Hazel Ruth's sons birthday, so they all had a birthday party for him.

Mr. and Mrs. Jerry Pennell and little daughter from Lubbock and Mr. and Mrs. Donnie Pennell visited in the D. D. Pennell home on Sunday.

Mrs. Thelma Burkett and Mrs. Maxine Lewis visited Monday with Mrs. Lee Fredrickson and Mrs.

Opal Pennell. On Friday, Mrs. Dorothy Dugger from Lubbock visited in the Pennell home and also Rev. Hill from the Southland Baptist Church.

On Thursday of last week, Mrs. Karen Gayle Callaway entertained a group of ladies with a party. There were around 20 ladies there and they enjoyed playing the games and winning the prizes. Refreshments were served by the hostess.

A large group of friends and neighbors of Mr. and Mrs. Alva Allbright honored them on Sunday with a house warming. I told you several weeks ago they had moved into their beautiful new home. There were around 90 to 100 guests that called during the afternoon. Hostesses for the occasion were Mmes. Jean Hargrove, Jerry Callaway, Doris Coffee, Oma Payne Brown, Dixie Johnston, Elsie Camden, Elsin Crawford, and Francis Sargent.

Mr. and Mrs. William Cato and Brenda from Quanah visited with Mr. and Mrs. F. M. Davidson on Saturday and Sunday.

Mr. and Mrs. Ed Denton returned home from Lake Possum Kingdom on Friday of last week. Mrs. Alice Martin and Mrs. Maggie Hallman visited with the Dentons on Monday.

Mr. R. L. Hagler underwent surgery last week at St. Marys Hospital in Lubbock. The report is that he is doing fine. I hope that he will be able to return home soon.

We were so glad to hear that Mrs. Susie Bradshaw is at last home from the hospital.

Mr. and Mrs. Harold Wayne Donahoo and Mark from Lubbock visited with Mr. and Mrs. Wes Donahoo last week.

Miss Carol Stolle was home this past week end from Texas Lutheran College at Seguin.

Miss Patsy Dunn went to Lake Thomas on Sunday with Mr. and Mrs. H. C. Dunn and Dayneen.

Mr. and Mrs. D. J. Dyess from Spur spent the day recently with their son and family, Coach and Mrs. Robert Dyess.

Mr. and Mrs. Ben Vernon from Lubbock and Rev. and Mrs. Hill and Darrell had dinner with Mr. and Mrs. G. D. Ellis on Sunday.

Mrs. Winnie Henderson from Post spent Friday afternoon and Friday night with Mr. and Mrs. G. D. Ellis.

Darrell Wayne Wilke spent Saturday and Sunday in Sweetwater attending the Fall Luther League Retreat Camp. This is an annual retreat where the youth, pastors, sponsors, and parents meet for fun, fellowship and worship.

Visiting with Mr. and Mrs. Herman Havis recently were their two daughters, Mrs. Jack Andrews from Brownfield and Mrs. Jessie Lane from Smyer.

Mr. and Mrs. Delmar Wilke and Angie have gone to Lake LBJ for a few days.

Mrs. Elmer Hitt visited in Earth recently with her son and family, Mr. and Mrs. Sonny Hitt and children.

Mr. and Mrs. Joe Lester and children of Amarillo visited Saturday night and Sunday with his parents, Mr. and Mrs. W. P. Lester.

Mrs. Robert Mason and Brenda and Mrs. Nolan Williams from Post visited with Mr. and Mrs. Billy Lester last week.

Rev. and Mrs. Ross Dunn and baby from Snyder spent Saturday with Mr. and Mrs. Dillard Dunn.

Mrs. Nancy Belk and Mrs. Janie Abshire honored their two daughters, Janet Belk and Connie Abshire, on their 11th birthdays, with a birthday party.

Stanton Game . . .

(Continued from Page 1, Sec. 2)

Tomlinson made a yard, Coburn three, a pass to Adams incomplete, and then on fourth down Renfro threw one out to the right, hauled in by Coburn, and Danny Boy ran down the right sideline into the end zone. Thomas' place kick was low, but Tahoka had a 6-0 lead with the game just 1:44 minutes old.

Tremendous Punt
Stanton still couldn't move after the next kick-off, but it was when that Polson got off that tremendous 67-yard punt from his own 29 over the head of Tahoka safeties to the Tahoka 4-yard line, but Stanton drew a 15-yard penalty from that point and the Bulldogs took over on their 19.

Tomlinson Runs Wild
On Tahoka's first play, Tomlinson made a great run after taking the ball on a reverse, almost got caught for a loss, raced to his left, dodged and sidestepped tacklers and ran 37 yards for the last score. Thomas' kick was wide, and Tahoka led 34-12 with 9:04 left on the clock.

Pass Pays Off
Renfro made 7, Tahoka lost 5 for being in motion, then Tomlinson got away for 17 yards, then 7 as the quarter ended. Coburn then hit for 4 and 6 yards on two plays.

On second down with the ball exactly in midfield, Renfro dropped back to pass, spotted Thomas open, hit him with the ball on the 35, and Thomas really turned on the steam and roared across the goal-line like a speedy through-freight train.

The Bulldogs successfully went for a two-point conversion as Renfro saw Dean Hamilton open and threaded the needle right into Dean's mailbag. Score, Tahoka 14, Stanton 0 with 10:46 left in the second quarter.

Bulldogs Take Rest
The Bulldogs would just as soon forget the rest of the second quarter, either because they let down, or Stanton perked-up, or both. Things looked easy to the Bulldogs, but the Buffaloes had other ideas. Anyway, the Bulldog pass defense left a lot to be desired during the period.

Shanks ran the kickoff to the 43, then on fourth down HB Polson passed to QB Shanks on the Tahoka 38, Polson ran for 4, then Shanks hit Springer with a 13 yard pass on the Tahoka 22. Two plays later, Shanks threw the 22-yard scoring pass to Polson. Guard Phillip Payne's place-kick was low. Score 14-6 with 7:36 left in the half.

Tahoka couldn't move after the kick-off, but Mike Davis now got away a fine 58-yard punt to the Stanton 21.

But Stanton now moved 79 yards, in spite of 20 yards in penalties, to score again before half-time. In the drive, one pass to David Hicks ate up 18 yards, then one to the same boy for 38 yards set up Stanton's second TD on the Tahoka 11. Four plays later, Polson dived in one yard for the score. A pass was incomplete for conversion and Tahoka led 14-12 with 40 seconds left.

Stanton had made 9 first downs in the quarter to Tahoka's 2, and Bulldog fans were pretty apprehensive.

Quick Tahoka Score
Maybe it was the coach, maybe the boys, but anyway things were different the second half. Tahoka gave up no more long passes and quickly broke the game open.

Tahoka elected to take the out-of-bounds kick-off at its 35. On the very first play "Freight Train" Thomas broke through the right side, gave the old high-ball sign, poured on the coal, and chugged 65 yards to the pay station; then came back and kicked the conversion to give Tahoka a 21-12 lead.

In Stanton's next series, the Buffaloes gambled on a fourth down and won on their own 46. Chris Roberts broke up a long pass, and on the next play Dean Hamilton snatched a Shanks pass on about the Stanton 48 and ran all the way down to the Stanton 31. On the tackle, Stanton drew a roughness penalty and Tahoka was in business on the Stanton 16.

Stanton Boys Hold
But Tahoka could make only 9 yards in 4 plays and gave up the pigskin on the Stanton 7.

However, the Bulldogs kept Stanton in the hole, and on fourth down Davis and Hamilton rushed the kicker and nailed him on the one-yard line, where the Bulldogs took over and seemed certain to score.

Stanton rose up in another great defense as Coburn lost 2, a pass was incomplete, another running play by Coburn at left end lost 3, another pass was incomplete, and Stanton took over on its own

6, moved out to the 40 in 8 plays, and punted to the Tahoka 20, this being the first play of the fourth quarter.

"Train" Rolls Again
Roberts took the kick to the 23, Renfro called "all aboard" and handed the ball to Thomas, who broke through the line and whistled the "high ball" again as he made a few curves to throw impediments out of the way, and ran all the way for 77 yards and another six points, then kicked the conversion. Score 28-12.

Bulldogs were now feasting on Buffalo meat. Stanton moved up to the Tahoka 42, and on fourth down gambled on a pass, but the passer was nailed by Tahoka for a 15-yard loss, plus another 5 for intentionally grounding back to their own 37.

Last Play In Doubt
Then, with 3 seconds left, Renfro faded to pass, threw, and Stanton's Springer intercepted at the goal line.

The game was over, but ruling on the last play was in question. Stanton gave credit for a safety, gave 2 points to Tahoka and a final score of 36-12. However, Tahoka coaches were not notified of the safety, if there was one ruled.

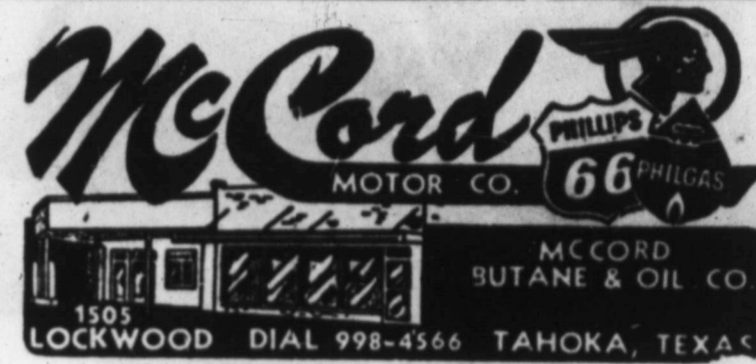

The only way this could have occurred was that Springer was on the playing field when he caught the pass and was tackled in his own end zone as he tried to run out.

The Texas Safety Association advises hunters to never trust a gun that's "on safety." The more a hunter counts on a safety catch for protection, the less reliable it becomes. Any mechanical device can fail—unless it's backed up by skill, good sense and safe habits. Know the limitations of the safety catch and check its position frequently while you hunt.

The Texas Safety Association reports that firearm accidents around the home take more lives than hunting accidents. Last year, there were 185 persons killed by firearm accidents in Texas—103 of these fatalities occurred in the home. Be sure to unload all guns before taking them into the house. If there are children in the home, store guns and ammunition separately—under lock and key!
