## School Board Approves Audit

Tahoka School Board in its regular meeting last Thursday night approved the audit report made by Douglas, Mason & Nickels of Lubbock, and extended the contract for two more years of Pritchard & Abbott of Odessa, for appraisals of oil and utilities properties in the district for tax assessment purposes.

Work of installing showers and dressing rooms in North Elementary gymnasium were authorized, expected to cost about \$3,000.00.

Mrs. Fred Graff, a new resident of Tahoka, was approved as a substitute teacher. She holds a B. S. degree in elementary education from East Texas State.

Supt. Harold Reynolds presented several reports including progress of the stadium improvement work and the curriculum improvement program.

The east football stands are being moved further east to permit building of a track around the football field.

The extensive 38-page audit reflects every phase of the school's financial operations, and corresponds largely with the financial statement recently published in The News as required by law. The report shows all funds in good shape and the school operating well within the budget.

Pritchard & Abbot have been working the assessments on oil and public utility properties the past two years, and the new contract with them runs through 1966 and 1967.

When North Elementary building was rebuilt under the new \$550,000 building program last year, old dressing rooms were torn out but due to shortage of funds at the time the work of rebuilding them was not carried out. Now that funds are available, largely from saving effected on the building program, this part of the building is being completed.

Mr. Reynolds also made a detailed report on all receipts and disbursements of the High School Student Activity Fund, which shows receipts of \$12,813.18 and \$12,195.47 in expenditures, and a balance brought forward on August 31, 1965, of \$2,422.57.

Taxpayers and other citizens are invited to inspect the audit and other reports on file in the office of Mrs. Peggy Elliott, school district secretary.

Board members are: Clifton Hamilton, president; James F. Roberts, vice president; Roy Stephens, secretary; J. T. Miller, Edward Bartley, Elmer Owens, and Martin White. Robert Abbe is the tax assessor and collector.

## J. R. Strain, 79, Rites Thursday

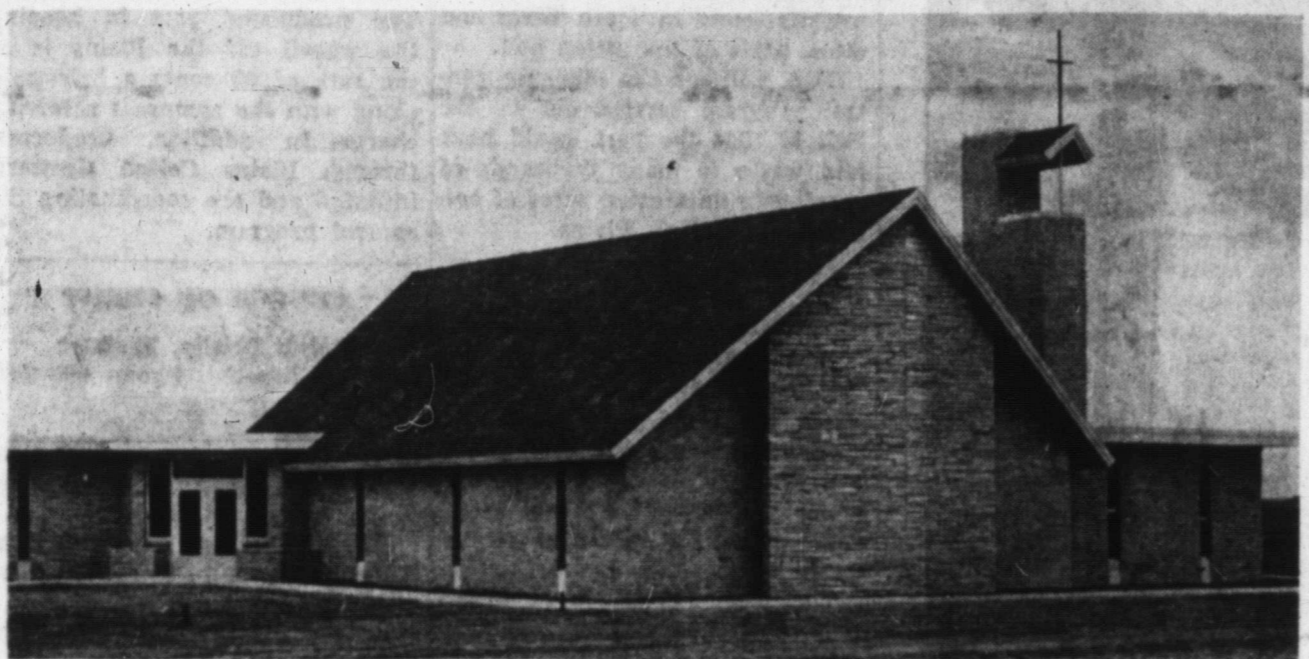

J. R. Strain, 79, prominent Lynn county citizen for 45 years, died Wednesday at 4:00 a. m. in Methodist Hospital, where he had been a patient since October 15, when he suffered a stroke.

Funeral services were at 2:30 p. m. Thursday in New Home Methodist Church, of which he was a charter member, with the pastor, Rev. Joe Allen, in charge, assisted by Rev. George E. Turrentine of Lubbock, a former Tahoka pastor; Rev. Hugh Daniel of Idalou, a former New Home pastor; and Rev. Paul McClung, present Baptist pastor at New Home. Interment followed in Tahoka Cemetery under direction of White Funeral Home.

Jesse Ross Strain was born in Montgomery, Ala., on November 13, 1886, and moved with his parents to Arkansas, thence to Paris, Texas, and then to Colorado City.

He was married to Electra to Miss Bessie Morgan on August 2, 1914, and the couple lived near Colorado City until 1920, when they moved to Draw community. They farmed east of Tahoka, then at Midway, and moved to their present farm just south of New Home in 1935. Mr. Strain retired from active farming six years ago.

He has long been respected as one of the county's finest citizens. (Continued on Back Page)

NEW METHODIST CHURCH at New Home is now complete, except for minor furnishing details, and members think the \$55,000 edifice is, one of the most beautiful small town churches in the area. Rev. Joe Allen is the pastor.

## Fred Hegi Gets Honors At SMU

Dallas, Nov. 18—Fred Hegi, senior finance major from Tahoka, has received two distinct honors at Southern Methodist University with in a week.

He has been selected as one of 11 seniors "who have made the greatest impact on SMU in their college years." These 11 "Senior Superlatives" were selected by an anonymous group of juniors, and will be featured in the 1966 Rounda, University yearbook.

Fred has also been selected as one of 37 students in SMU for listing in the 1965-66 edition of "Who's Who Among Students in American Universities and Colleges."

Considered in the selection were the student's scholarship, participation and leadership in academic and extracurricular activities, and general citizenship on campus.

At SMU, Fred is treasurer of Phi Gamma Delta and of the Student Senate, vice president of Blue Key, a cheerleader, and a member of Cycen Fjodr and the Squires.

He is a 1962 graduate of Tahoka High School, and is the son of Mr. and Mrs. F. B. Hegi, 1701 N. 7th, Tahoka.

"Who's Who" is a volume published in Alabama including students from colleges and universities all over the United States. The number of students selected from each school is based on a proportional quota with the school's enrollment.

## Schools Closing For Thanksgiving

Classes at the Tahoka schools will be dismissed at 2:30 p. m. Wednesday for Thanksgiving holidays.

All busses will run at that time, according to High School Principal Clifton Gardner.

Following the four-day holiday, classes will be resumed at the regular time Monday morning, Nov. 29.

## Former Local Pastor Has Heart Attack

Rev. J. B. Thompson, former pastor of the Tahoka Methodist Church, is reported to have suffered a severe heart attack last week at Irving where he now lives. He is in Methodist Hospital in Dallas. No further word of his condition had been received here this week.

Mrs. G. B. Tomlinson received a broken left heel when she fell down some stairs Thursday of last week. She was released from Tahoka Hospital Saturday.

## Wilmer Smith Is Named To Board

Wilmer Smith has been named director of the Farm Credit Board of Houshon for a three year term beginning January 1, 1966.

Official notification of his appointment was released Thursday morning by Harold P. Mason, acting governor of the Farm Credit Administration in Washington, D. C.

Mr. Smith has long been a leader in farm circles of this area and has been an advisor to Congressional committees and the Department of Agriculture on farm matters. He just recently retired as a director of Texas Tech.

## Lt. Col. Max Minor Visitor In Tahoka

Lt. Col. Max Minor, assistant Airforce Attache at the American Embassy in Paris, France, accompanied by his older brother, James Minor of Post, was in Tahoka Thursday morning visiting a few old friends.

He flew here Wednesday to be at the bedside of another brother, Jack Minor, critically ill in a Seagraves hospital following a severe heart attack.

All the Minor boys went through the Tahoka schools and were outstanding athletes here. Max was an outstanding football player at University of Texas, later at U. S. Military Academy at West Point, where he received the "most valuable player" award on the team that featured Glen Davis and Doc Blanchard.

## Terry Marshall In Viet Nam Service

Sp/1c Terry Marshall, son of Mr. and Mrs. Rex Marshall of New Home, arrived in Viet Nam about October 26, and is a mechanic working on helicopters, according to a letter to his parents.

Terry said he is living in a tent on an old airstrip at Phou-loi (foo-loy), and it had rained three inches that day.

Friends may write him: Sp. Terry Marshall, RA 18371635, Co. E, 701st Mt. Bn., APO 96345, San Francisco, Calif.

Mrs. Susie Bartley of New Lynn is a medical patient in Tahoka Hospital, having been admitted Sunday.

## United Fund Is Nearer Goal

About 80 percent of the goal of \$5800 has been raised for the Tahoka United Fund, according to chairman Harold Roberts.

Total collected or pledged to date is in the neighborhood of \$4,500.

Roberts said that little work will be done until December and it is hoped the balance can be raised at that time.

Bland Draper received a fractured right wrist in a tractor accident Wednesday of last week and was kept overnight in Tahoka Hospital.

## Cherri Norman Wins State FB Queen Title

A dimpled, petite Tahoka young lady, Cherri Lee Norman, made a big hit in Dallas Monday and walked away as Texas Farm Bureau queen. She will represent the state of Texas at the American Farm Bureau convention in Chicago this December.

Miss Linda Burleson of New Home was runner-up in the talent contest with a medley of songs and dances. Winner was a group of Western musicians from Collingsworth county.

David Unfred, son of Mr. and Mrs. Joe D. Unfred, was a contestant in the discussion meet representing District 2.

In addition to winning the beauty title, Cherri will receive \$500 for herself and a matron escort to attend the national meeting and contest.

A freshman in Baylor University, Cherri graduated from Tahoka High School last spring. She is the daughter of Mr. and Mrs. A. L. Norman of Grassland.

Cherri was the 12th contestant to appear of the 13 district queens in Memorial Auditorium Theater and, according to Duane Howell of the Lubbock Avalanche-Journal "exhibited charm and poise as she (Continued on Back Page)

## Hootenanny Is This Saturday

The monthly Hootenanny will be held this Saturday night at 7:30 o'clock in the Tahoka Community Center, sponsored by McCord Motor and Butane Co.

The event is held the third Saturday night of each month.

This event has continued to attract a capacity crowd and everyone from six to 60 can be assured of very fine country and Western music, according to Leighton Knox and Raymond Ashbrook. "Even though it has been advertised as non-professional entertainment, we have been fortunate in attracting the finest groups that can be heard on any program."

Anyone wishing to participate in the Hootenanny may do so by calling Mrs. Ashbrook at 998-4218. New talent is always appreciated, the men say.

## Mrs. D. S. Waldrip Is New Director For Housing Authority

Effective Dec. 1, Mrs. D. S. (Jack) Waldrip will be the executive director of the Housing Authority in Tahoka, succeeding J. M. Uzzle, who has served in that capacity since the program was conceived in 1958.

Mrs. Waldrip will transact all business of the Housing Authority in the office located at the housing project for the elderly on South Second Street.

The executive director is in charge of both the housing for the elderly and the housing for low-income families, a total of 26 units.

Members of the Housing Authority are A. M. Bray, Harold Green, R. W. Clem, H. B. McCord, Sr. and Warren Embree.

Mr. Uzzle has previously handled all business of the Authority in the City Hall. The program was begun in 1958 and the first buildings completed in 1961.

## Bake Sale Planned By Senior Mothers

Senior Class Mothers will sponsor a bake sale in Tahoka Wednesday, Nov. 24, the day before Thanksgiving, at three local stores. The sale will be held at both Piggly Wiggly stores and at Collier-Parker Pharmacy.

Anyone wishing to make special orders may do so by calling New Lynn 794-2257. No cake mixes will be used and the Senior Mothers say that patrons will get their money's worth.

This is the second time a Tahoka boy has been the bear trainer at Baylor University, Gordon Smith having had the job a few years ago.

Mackey Joe was also accompanied by his girl friend, Melina Milburn. Also home from Baylor were Larry Price and his girl friend, and Misses Jan Whitaker and Cherri Norman.

Lima beans are of South American origin.

Completion of the multi-lane US 87 highway through Tahoka, rebuilding of US 380 from Tahoka east, and retopping of a part of FM 1317, at a total estimated cost of \$1,750,000.00, all to be done during the year 1966, were approved Wednesday in Austin by Texas Highway Department as a part of the \$350 million Consolidated Highway Program for Texas, District Engineer Oscar L. Crain of Lubbock informed The News Thursday morning.

Biggest project is the 4.5-mile multi-lane freeway through Tahoka, a block east of the square, which will cost an estimated \$1,400,000. This is from a point two miles north of Tahoka at end of the four-lane US 87, through town to join the other end of the four-lane paving a mile south of the city limits.

Work will include grading, structures, base and surface, the four-lane divided highway and parallel access roads, and four grade separations.

Grade separations include the underpass under US 380, and overpass at the Cemetery road in the south outskirts of town, near the old drive-in theatre, in the north outskirts and at the junction of FM 400, the Wilson road, two miles north of town.

All right-of-way but one tract has been secured in the city limits, and right-of-way outside the city limits is now in the process of being secured.

US 380 will be completely rebuilt from the Santa Fe tracks in East Tahoka eastward for 8.4 miles at an estimated cost of \$340,000.

A minor project is a seal coat job on the 8.2 mile stretch along FM 1317, from the junction of FM 1730, south of New Home, west through Petty to FM 179, the paving from West Point to Lakeview.

## Burglars Hit O'Donnell Store

Hugh Lott Pharmacy at O'Donnell was burglarized Friday of last week and about \$1,000 in cash and possibly 10 or 12 bottles of narcotics taken.

Entrance was gained through a side door, and most of the loot came from the safe, which was also wrecked. The burglars left some of their tools, including crowbars, chisels and a sledge hammer behind.

Deputy Sheriff "Son" Guinn said the burglary appears to have been the work of professionals, and no definite clues as to their identity have been turned up.

## Baylor Bear Here Last Week End

"Duchess," the Baylor bear mascot, spent last Friday and Saturday nights in Tahoka while accompanying the football team and fans to the Tech-Baylor game in Lubbock.

"Duchess" was accompanied by her trainer, Mackey Joe McWhirter, son of Mr. and Mrs. Ivan McWhirter and a junior student in Baylor University.

Many kiddies of the town and even some of the adults enjoyed visiting with "Duchess" at the McWhirter home over the week end.

This is the second time a Tahoka boy has been the bear trainer at Baylor University, Gordon Smith having had the job a few years ago.

Mackey Joe was also accompanied by his girl friend, Melina Milburn. Also home from Baylor were Larry Price and his girl friend, and Misses Jan Whitaker and Cherri Norman.

Lima beans are of South American origin.

### Former Citizen Dies At Lamesa

Mrs. L. F. (Helen) McGee, 77, formerly of Lynn county and a sister of Mrs. Mary Elmore of Tahoka, died Sunday at 6:30 p. m. in a hospital at Lamesa. Her home was in Union community, west of Lamesa.

Funeral services were held Tuesday at 2:30 p. m. in Northside Baptist Church in Lamesa and burial followed in Lamesa Memorial Park. Mrs. Elmore and daughter, Mrs. Horace Rogers, attended the rites.

Mrs. McGee was born in Mason county, and she and her late husband moved to Lynn county in 1916 and lived in the Wells and T-Bar areas until 1936, when they moved to Dawson county.

Survivors include two daughters, Mrs. Gladys Burleson of Lubbock and Mrs. Quinton Maule of Lamesa; three sons, Allen of Lubbock and Floyd and Victor, both of Lamesa; five sisters, Mrs. Elmore, Mrs. John James of House, N. M., Mrs. Lewis Hulen of El Paso, Mrs. Sam Jacobson of Eden, and Mrs. Houston Stephens of Earth; three brothers, A. R. Tyler of Brownfield, C. L. Tyler of Mountainburg, Ark., and Joe Tyler of Eden; 10 grandchildren and one great grandchild.

Mrs. Earl Tunnell was released from Methodist Hospital in Lubbock Monday after undergoing major surgery there last week.

### Jodie Halford Bowls Series Total of 586

Jodie Halford, bowling like a pro, had a 222, 210 and 154 to make a 586 series as the Powerhouse 4 overpowered the Old Folks for four games in the New Home Mix Up bowling league. There was some good bowling on the Old Folks team, too, as Babe Evans had a 195-538.

The Bowl Weevils regained first place with a four game win over the Teapots, who are now in second. Sis Blevins led the Bowl Weevils with a 198-524 while Sue Tekell had a 186-501 for the Teapots.

The Handy Caps, taking advantage of David Airhart's 176-430, won four games from the Tenderfeet. For the Tenderfeet, Wayne Price was high with a 154-444.

Helen Lee Peek's 183-464 for the Night Owls was high as they took the Arrows four games. Charlie McCullough was high for the losers with a 139-401.

The Deadwoods took three games to one from the Morebells. Virgil Haley's 186-467 was high for the Deadwoods. For the Morebells Ronnie Dulin and Dwight Corbell had identical high games of 167 but Dwight had high series of 438.

Vera Harston led her team three games past the Crooked Walkers with her 161-411. For the Crooked Walkers Harold and Linda Crooks tied for high game with a 150 but Linda beat her husband out for high series with a 425.

Birds have air pockets in their bones, which make them lighter. Land and sea creatures do not have this innovation.

Rett Patterson was admitted to Tahoka Hospital Tuesday as a medical patient.

### Andy Bray Arrives In Nigeria During Election Disorders

Andy Bray, who recently went to West Nigeria, to serve as a Peace Corps worker among the natives of that African country, indicates in letters to his parents, Mr. and Mrs. A. M. Bray, he could hardly have arrived there at a worse time.

He arrived three days prior to the country's national election, and says the country is in a turmoil, a state of revolution, over the elections.

Democracy seems to be a farce, and the people are in an uprising in protest. Thugs are burning houses and taking shots at almost anyone.

He has received little or no mail, no newspapers are available where he is located in a rural section, and only a few English language newspapers are available at a town somewhat distant to the area where he is assigned to work.

Andy is assigned to help natives improve their living conditions through farming, and his first assignment is a poultry project.

He has promised to write The News some of his experiences.

His mail address is: Andy Bray, PCV, YSC, Ministry of Agriculture, Ijebu-ode, Nigeria.

### Booster Club Report Given

Bulldog Boosters Monday night voted to hold meetings on each second Thursday night during basketball season, and to film two or three boys and girls games for use of coaches and to show at Booster meetings.

Mrs. Sam (Maxine) Edwards presided at the meeting, and reports were made by Mrs. Albert Curry, secretary, and Mrs. Pat Patterson, treasurer.

The club has 211 members, has raised funds totaling \$1444.00, bought a whirlpool bath for treating football bruises and sprains for \$472.66, ties costing \$300.00, and paid other miscellaneous expenses. There is a balance of \$657.79, some more ties to be sold, and 28 blazers to pay for.

Blazers will be here for boys basketball team members to wear. Jake Jacobs made a brief talk on the basketball set-up and welcomed the club's support of the boys and girls during the cage season. He also called attention to the annual tournament which brings a lot of people to town and should be some help to downtown business.

Maurice Bray announced the PTA will sponsor a pancake supper on Friday night during the tournament and a chili supper Saturday night.

Coach Don Smith, after showing films of the Seagraves game, expressed thanks on behalf of the coaching staff and the boys for the wonderful support of fans and declared, "I have never seen such fine support before in a small town."

The crowd of about fifty gave the coaches a round of applause.

### Letters From News Readers

(The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.)

Dear Mr. Hill:  
Here comes a belated expression of my sincere appreciation for the Lynn County News for the two years I lived in New Home. I did enjoy the paper, and think you are a fine editor.

We moved to Houston, Texas about six weeks ago and we are enjoying our church work here very much, but it goes without saying, that I truly miss that West Texas spirit of friendliness. I really enjoyed my association with the fine Lynn County people, specially those of New Home. I never became very well acquainted in Tahoka, but met some very fine folks there and enjoyed what business I did there.

So thanks so very much for your generosity in sending me the Lynn County News for two years in New Home, Texas.

Sincerely,  
M. Lonzell Ross

BOOKKEEPING supplies at The News, many items lower than Lubbock stores.

A recent boll weevil report from W. L. Owen, entomologist with the South Plains Research and Extension Center at Lubbock, has reaffirmed two facts about the High Plains boll weevil.

One, the High Plains weevil is a "different critter" from the boll weevils found in South Texas and other parts of the cotton belt.

Two, without the diapause control program carried out in the Fall of 1964 the pest would have laid waste to many thousands of previously unfested acres of cotton on the High Plains.

The report was primarily related to the winter survival rate of weevils in this area. Weevil "cages" were installed in various locations under different conditions. The cages were filled with weevils from both the High Plains area and weevils from near College Station to determine which would live through the winter in greater numbers.

The High Plains reared weevil won hands down, proving beyond reasonable doubt that ours is a separate strain of weevil which has adapted himself to area conditions.

The two paragraphs from the Owens report which deal with what might have happened this year without the 1964 diapause control program are quoted below.

The delayed emergence from hibernation allowed most of the weevils to immediately move to cotton for feeding. A good portion of the population emerged after cotton had squares large enough to allow egg deposition. The delayed emergence and the much higher survival than in 1964 resulted in field infestations only 35,000 acres less than the acreage included in the 1964 control program. This spread occurred following a 90 percent reduction of diapause weevil populations and by far the best in-season control program yet attempted.

"It would, therefore, appear that had the 1964 diapause control program not been used the spread of the weevil during the summer of 1965 might have proved disastrous. If only 10 percent of the possible overwintering population was left, as a result of the fall program, and a good in-season control program still allowed such widespread infestation, lack of the reductions effected by the two programs would have released weevil populations that would have brought saturated conditions of infestations much earlier than yet experienced. Earlier migration

would have occurred, with the pest spreading over much wider areas than previously recorded. A longer period of reproduction and spread would have occurred on the High Plains cotton and this would possibly have made the cost of the diapause control program seem small."

An even more intensive diapause control effort this fall is now in the closing stages, with hopes for as much as a 99 percent reduction in the number of weevils left to overwinter.

The program, costing over a million dollars per year, is jointly financed by producers and the Federal and State governments. The producers' part in keeping the weevil off the Plains is at the rate of 40 cents a bale paid along with the compress receiving charge. In addition, producers, through Plains Cotton Growers, initiated and are coordinating the control program.

## Luncheon Meeting By Garden Club Is Outstanding Event

In Fellowship Hall of the First Methodist Church Tuesday the Tahoka Garden Club had an International Luncheon with tables portraying four countries in the flower arrangements, food and accessories. Hostesses for the different tables, dressed in native costumes, were Mrs. Lynn Seales—Chinese; Mrs. Charles Brookshire—Spanish; Mrs. Harold Reynolds—Early American and Mrs. Leonard Dunn—Italian.

Mrs. J. D. Martin, chairman of the food committee, is to be commended on the excellent job she and her committee did in planning the menus for each table. Seventeen varieties of food were served. The "Early American" arrangement made by Mrs. Emil Prohl was the winner.

Mrs. Carl Griffing, Jr. reviewed the book "Walnut Grove" by Jane Gilmore Rushing, following the luncheon.

Members were urged to attend a program "Christmas Beautiful" on Nov. 30 at 9:30 a. m. and again at 1:30 p. m. at the Municipal Garden and Arts Center in Lubbock.

Mrs. Othell Meeks was accepted for membership into the club.

Many local guests were in attendance as well as out of town guests who were Mrs. Roy Beard and Mrs. O. H. Sires, members of the Dirt Dobber Garden Club of Lamesa. Also Mrs. G. Hobert Nelson and Mrs. Joe Arrington, Sr. of the Lubbock Garden Club were guests. Mrs. Nelson is the president of the Lubbock Council of Garden Clubs.

Mrs. J. O. Allen was released as a medical patient last Friday from Tahoka Hospital.

## Flower Making Is H. D. Club Subject

The New Home Demonstration Club met at the Community Center there on Nov. 11 when Mrs. Willie Nieman gave a demonstration on flower making and gift wrapping with tissue paper.

Eleven members and one guest attended. Mrs. Wayne Tekell presided over the business meeting. Refreshments were served by Mrs. Clarence Nieman and Mrs. Wilmer Smith.

A Christmas craft day has been scheduled for Monday, Nov. 22, at 9:00 a. m. in the Community Center. Everyone is invited to come and bring a sack lunch.

The next regular meeting will be held at the Center on Dec. 9 at 2:00 p. m. when a book review will be presented for the club's Christmas program.

## Pembertons Have 50th Anniversary

Mr. and Mrs. D. L. Pemberton of Seagraves, formerly of Tahoka, observed their 50th wedding anniversary Sunday afternoon when honored with a reception in the party room of the First National Bank in that city.

The couple married at Haskell on Nov. 15, 1915, moved to Post in 1917, then to O'Donnell, and next to Tahoka in 1930. They moved from here to Seagraves in 1942.

Hosts for the occasion were their son and wife, Mr. and Mrs. D. L. (Dip) Pemberton of Brownfield, and daughter and husband, Mr. and Mrs. O. B. McMahan of Odessa.

## Garden Club Sets Christmas Event

"Christmas Beautiful" is the theme of programs to be sponsored by the Lubbock Council of Garden Clubs and presented by Mrs. Merritt England of Merced, Calif. on Tuesday, Nov. 30 at Municipal Garden and Arts Center in Lubbock.

The two programs that day, one at 9:30 a. m. and another at 1:30 p. m., are open to the public. Tickets, which are \$1.00 each, will be available at the door prior to each program.

The program of "magnificent holiday designs places emphasis upon distinction and beauty of the Yuletide decor."

## Lt. Col. Carl Godsey Comes Back To See Old Home Town

Lieut. Colonel Carl Godsey of the U. S. Army brought his family by Tahoka Monday morning for a look at his old home town.

He is a career Army man of 22 years, and currently he lives in Augusta, Georgia, and he is the Adjutant General of nearby Fort Gordon.

Carl grew up here the son of Jess Godsey and his late wife, attended the Tahoka schools, from which he graduated in 1938. He left in 1939 to join the CCC, and from there went into the Army. Entering as a "buck" private, he has advanced to the rank of Lieutenant Colonel.

He spent a year in Viet Nam as personnel advisor to the Civil Defense Corps. From his experience over there, he says he thinks we are in for a long, long stay in that country, but he doesn't see how we can afford to do otherwise if we are to stop the spread of Communism over the rest of Southeast Asia.

Carl went to work as a school boy for D. B. English in 1934 selling popcorn and sweeping out the theatre, and by the time he finished high school he was projectionist working with the late Lee King.

A brother, Clyde, was killed in the Battle of the Bulge in Europe in World War II, and Carl was pleased to find Lynn county had honored him by placing Clyde's name on the Memorial.

A sister, Mrs. Clarence (Maxine) Overman lives in Amarillo. His other sister, Mrs. Bob (Marie) Gorman, died two years ago. His mother passed away in 1940.

Carl and his wife have two children, ages 12 and 5. They were en route from San Antonio to visit his father in Amarillo.

## Congratulations:

Mr. and Mrs. Ken Sylvester, 4216-B 36th street, Lubbock, on the birth of a daughter weighing 7 pounds 3 ounces at 5:53 p. m. Friday in Methodist Hospital. The mother is the former Miss Sharon Renfro of New Home and is the daughter of Mr. and Mrs. Morris Renfro, now of Ash Grove, Mo. The father is employed by Shop Rite Foods.

## Fellowship Supper Held By Methodists

A fellowship supper was held Wednesday night in the Methodist Church when Captain Keeton of the Salvation Army in Lubbock was the speaker.

Entertainment was furnished by a girls' trio, also of the Salvation Army, who presented tambourine numbers.

The covered dish supper was provided for members of the church and their families.

### CARD OF THANKS

We want all our friends and neighbors to know we deeply appreciate the expressions of concern for Belton during his operation and while in the hospital.

The cards, letters, flowers and phone calls, and the prayers for his recovery were all sincerely appreciated. Thanks to all.—Mr. and Mrs. H. B. Howell. 1tc

Mrs. Lillian McCord was released from Tahoka Hospital Thursday of last week as a medical patient.

Florencia Zamara, who underwent surgery in Tahoka Hospital on Nov. 8, was released last Friday.

# GRASSLAND NEWS

(Mr. O. H. Hoover)

Well, here it is news time again. Seems it comes around faster than folks make news, or else I am lazy in gathering it. I had a nice time on my little two week vacation in Lubbock and Littlefield. Lara Hoover and I built me a really beautiful Christmas tree. Wish all of you could see it. Christmas is just around the corner. How time does fly.

Ruby Clayborn and Lorene Gerner visited with Mrs. Gerner's daughter, Laura, and her room mate, Martha Blodgett, last Wednesday. They took the girls out to eat. Martha and Laura attend Dragthon's Business College in Lubbock. Ruby and Lorene also visited their mother, Mrs. O. F. Haley, Tuesday.

Jerry Gerner is "okay" and has left the Philippine Islands on his way back to Viet Nam on the USS Monticello.

Visitors in the Bob Norman home recently were Mr. and Mrs. Raymond Gerner and daughter of San Angelo, Mrs. Anton Mueller and Linda Kay and Mr. and Mrs. Amos Gerner. Incidentally, Wade Gerner is still in Viet Nam and is still "okay" as far as is known.

Mr. and Mrs. Glen Norman and children and Mr. and Mrs. Arnold Parrish and children attended the Baylor-Tech football game in Lubbock Saturday.

Miss Cherri Norman, freshman at Baylor University, spent the week end here with her parents, Mr. and Mrs. A. L. Norman. She, with her parents, went to Dallas to compete in the Farm Bureau queen contest, which she won.

Little Pam Propst has been real sick but is better now.

The Thursday Club met in the home of Sue Maxey Nov. 4. All members were present except Mrs. Jones who was sick and Myrtle Hoover who was in Lubbock staying with two grandsons, Duane and Gary Hoover. Mrs. Maxey served refreshments of sandwiches, salad, coffee and hot chocolate. The next meeting will be with Mrs. Lela Gilley in Post Nov. 18.

Mrs. J. C. Bailey visited in the Tew home Sunday.

Monday night Mrs. Lucy Cunningham and Mrs. Tom Murray helped Mrs. C. B. King can tomatoes. The same two went back Tuesday night and helped her can sweet potatoes. I love those kind of neighbors.

Hoolie and Lavern McCleskey had lunch with her parents, the

Rev. and Mrs. J. C. Allen in Lubbock Sunday.

Mr. and Mrs. Mac Ritchey, Mrs. Lucy Cunningham and Mrs. W. L. Gribble spent the day Friday in Lubbock with Mr. and Mrs. J. W. Warrick.

Sunday night after church services, the James Murrays, the W. G. McCleskeys and the W. L. Gribbles all visited in the Kelly Laws home.

Mrs. Clark, a worker in a small church school, attended a luncheon in the Grassland Methodist Fellowship Hall Nov. 11.

Mrs. Ethel Fox has been in Tahoka Hospital most of last week. She is much improved and thinks perhaps she can come home Monday.

Tommie Hall of Lubbock spent the week end with her grandmother, Mrs. Grace Thomas.

Mr. and Mrs. W. T. Luttrell and Mrs. Lewis McKay visited Mr. Luttrell's brother in Methodist Hospital last Wednesday.

Rev. and Mrs. Reed's son and family of Lubbock spent the day Sunday with their parents.

Mr. and Mrs. Leslie Cook of Lubbock visited her mother, Mrs. A. Z. Sewell Sunday.

Mrs. Lura Hoover of Littlefield visited her mother, Mrs. H. W. Edwards and sister, Mrs. Roy LeMond Monday afternoon.

Mr. and Mrs. Loyd Anthony and son of Post visited in the Rusty Dean home Sunday.

Mr. and Mrs. E. M. Norman visited Mr. and Mrs. Ezra Wheeler and other relatives in Center, Texas recently. Mrs. Wheeler is Mrs. Norman's sister.

Mr. and Mrs. Claude Brown, Mr. and Mrs. Larry Brown and baby visited the Carl Greers Monday evening.

Lavonia Moore was complimented with a bridal shower Monday, Nov. 15, in the Graham community center. The serving table was laid with a white lace cloth over pink centered with an arrangement of pink and white roses flanked by white candelabra. Mickey Gribble presided at the punch bowl, Joy Spears served cake squares, nuts and mints to about 55 guests. Mrs. Stahly registed the guests.

Hostesses were Mickey Gribble, Bernice Gribble, Joy Spears, Lavern and Janette McCleskey, Mary K. McDonald, Ollie and Sonia Huffaker, Mrs. Stahly, Mrs. W. G. McCleskey, Ruby Patterson and Maggie Murray.

# Farm Economy Survey Studied

Lubbock—More than 60 people representing every major crop producing county on the South Plains have given their support to a proposed agricultural survey of this area that will bring together all pertinent research and statistics and give guidelines for continued agricultural prosperity in the region.

The group, composed primarily of farmers and agri-business people on county program building committees and county agents, discussed the possible survey with Extension District Agent Billy Gunter in a Thursday night meeting at the South Plains Electric Co-op here. Elmer Blankenship, Rt. 2, Wilson, Bertice Askew, Rt. 3, O'Donnell, and Woodrow Brewer, Rt. 3, Tahoka, represented Lynn County Program Building Committee.

The survey would be conducted by Texas A&M and would include information from public and private research agencies, commodity and civic groups and other organizations and individuals.

At the meeting Researchers Shelby Newman and Levon Ray, of the South Plains Research and Extension Center, told of the situation facing water-use and cotton production in the region.

Farm Management Specialist John Seibert pointed out that grain sorghum, livestock, vegetables and other crops also offer opportunities for South Plains agriculture.

Gunter suggested that an area survey might serve to bring into better perspective the inter-relationship of the different crops, water-use and management practices.

The survey could be developed into an area program something like the successful Blackland Income Growth program which has been underway in central Texas for several years, Gunter said.

In an open discussion, the group of local agricultural leaders felt that the complexity of current agricultural problems of the area dictates a need for such a survey. They also indicated they would give strong support to the project.

They passed a motion that Gunter formally make a request to the Dean of Texas A&M University's College of Agriculture and to Extension Director John Hutchison to back the survey and lend full resources of Texas A&M to carry it out.

Aubrey Smith has completed a system of parallel terraces one mile east of New Home on the south side of the pavement. This is the first system of this kind installed in the Lynn County Soil Conservation District this fall.

The system is around a lake. Terraces have an even number of rows between them that can be farmed with six row equipment. The number of rows between terraces is 48 rows. A total of 10,174 feet of terraces was installed. Smith plans additional parallel terraces after the first of the year.

M. G. Wied is installing a system of parallel on the Green Estate near Wilson. Soil Conservation Service personnel Buddy Aaron and Fred Graff assisted Wied grid map 125 acres and plan the system.

Wied has laid out about 10,000 feet of these terraces marking the number of rows between terraces with his tractor and a marker. Rows between terraces are in multiples of six.

Grid mapping, explains Blake Lovelace, Work Unit Conservationist of the Soil Conservation

## Go-Getters Bowl Very High Scores

The Go-Getters Bowling League of New Home reports that two teams are tied for the lead, the Purty Bad and Petty Gin.

Petty Gin won 3-1 from the Foul Ups this week with Bubby Norman bowling a 208-558 while his wife, Mary, rolled a 516 series. Mary Louder paced the Foul Ups with a high game of 181, but husband Charlie took high series with 450.

Purty Bad won all four games with the Lane Loafers to put them into a tie with the gin for first place. Scoot Lowrey turned in a 204-502 and A. L. Holder a 202-559, both for the winners, while Nick Ford rolled 180-493 for the losers.

The Pin Pickers, in third place, won 3-1 from the Back Fires. Billie Wilkinson had high series of 499 and Jerry Brown high game of 171 for the Pickers, while the losers were paced by Kent McClintock's 198-454.

Willis Landers led the Armors with a 167-461 to defeat the Squares 3-1. Adrian Evans led the Squares with 450 series and Drina Clem had high game of 162.

Behind Roger Blakney's 212-467, the Ad Libs won 3-1 over the Tanglewoods, whose Robbie Gill rolled 169-444.

The Confederates outbowled the Wagon Wheels 3-1 with Freddie Kieth pacing the winners with 197-516. Don Sharp's 196-523 was high for the losers.

Bowlers of the week include A. L. Holder and Bubby Norman with Don Sharp, alternate, for the men; Mary Norman and Jean Ewing with Mary Louder, alternate, for the women.

## McCord Motor Co. New Local Dealer International Trucks

McCord Motor Company, owned by H. B. McCord and son, has been named the local dealer for International trucks, and will carry a line of the products, parts and offer service.

The McCords say International is the leading manufacturer of heavy duty trucks, and has been in the business of building these trucks since 1907. There are more than 5,000 dealers in the U. S. for parts and service.

In this "world's most complete line of trucks," there's one built for any job—4 cylinder engines for economy, 6 cylinder engines for long life and more lagging power, and 8 cylinder engines for long life, power, and high speed.

International is well known for reliability, quality, long life, toughness, ruggedness, and these trucks have all-truck built components, no automobile components. They have I-beam or torsion bar suspension for long life, easy ride, easier steering, and more driver comfort.

Pick-up bodies are all steel in 7-foot and 8½-foot lengths.

Other features include all gauge dash units, two quart full flow oil bath air cleaners, electric windshield wipers, foam rubber seats, inside rear view mirror, glove box, located fuse boxes, gas tank outside of cab, adjustable vent wings, single lever operated tail gate on bonus load pickup bodies, and many others.

The International claims the easiest service facilities in the industry for checking oil, battery, water, spark plugs, and distributor.

Lima beans are of South American origin.

## Carriers Taking Livestock Count

Rural mail carriers from the Tahoka Post Office will leave some livestock survey cards along their routes beginning November 20.

"Information reported on these cards is used to set the yearly inventory of livestock and poultry on Texas farms," Postmaster W. E. Smith explained.

Rural carriers distribute the cards at random in boxes along their routes.

"This means that not every box will get a card," Mr. Smith said. "For this reason, it's important for everyone who gets a card to return it filled out so that USDA can get a true sample of the State's livestock holdings."

Carriers assisting with the survey are: Eldon Carroll, Route 1; A. C. Weaver, Route 2; Dall Carroll, Route 3; Clyde Ashcraft, Route 4; and Jess Gurley, Route 5.

Facts and figures secured in this survey are the basis for Texas and National pig crop report and inventories of livestock and poultry on farms as of the first of the year. Stockmen and many others use this information in making business decisions.

Survey results will be widely distributed through Texas Crop and Livestock Reporting Service releases, newspapers, farm magazines, radio, and television.

### Honor Students At New Home

Miss Linda Farr was crowned football sweetheart and Kenneth McClung pep squad beau at homecoming celebrations at New Home last Friday.

A senior, Miss Farr is the daughter of Mr. and Mrs. James Farr. Kenneth, also a senior, is the son of Rev. and Mrs. Paul McClung.

Other candidates for football sweetheart were Susan Hancock, junior, daughter of Mr. and Mrs. N. B. Hancock, and Sandy Newman, junior, daughter of Mr. and Mrs. Melvin Newman. Pep squad beau candidates included Ricky Haley, senior, son of Mr. and Mrs. V. P. Haley, and Kenny Timmons, senior, son of Mr. and Mrs. Frank Timmons.

Football boys, cheer leaders and twirlers of the classes of 1952, 1953 and 1954 were honored at half-time ceremonies with Sue Cowan Reese of Encino and Pat Caudle of Dallas being the cheerleader and football player coming the longest distance to attend.

Current twirlers Rhonda Gill and Peggy Marshall presented a halftime program by twirling with fire batons. They are the daughters of Mr. and Mrs. Robbie Gill and Mr. and Mrs. Rex Marshall.

Other homecoming activities included a pep rally and bonfire on Thursday and a reception for ex-students following the football game, which was attended by a large group of exes.

Next year a banquet will be planned and the classes of 1935, 1936 and 1937 will be honored. Anyone knowing names and happenings concerning these classes are urged to call or write Mary Bess Edwards, Box 294, New Home.

Mrs. Winston Davies of New Home visited in Crosbyton Armistice Day with her daughter, Mrs. Charles Freeman, and family.

### Mahon Speaker At High School

Congressman George Mahon spoke Tuesday morning to the Tahoka High School assembly, attended by about fifty other citizens.

In discussing legislation of the recent session, he said 1200 bills were introduced but only 495 were passed into law. Of these, 86 were considered major bills, and 17 were appropriation bills handled by the 50-member appropriations committee of the House, which he heads.

The so-called "farm bill" carries about \$7 billion in appropriations, \$4 billion for supports. Success of the new program is problematical, not all the rules have been announced, but he thinks reaching its objective of getting more products into the world market will depend a lot on how the laws are administered.

Not too many years away, our population explosion will require all the food and fibre we can produce. In 35 years, our population will be 300 million.

Mahon declared he has long favored balancing the budget, but the public and Congress as a whole do not get excited about economy. Our present Gross National Product is \$655 billion, our Federal debt \$320 billion, and appropriations for the coming year \$119 billion. Fifteen percent of our GNP is required to run the government. For every 95.7 cents the government spends, it goes 4.3 cents in debt.

Another problem is crime. J. Edgar Hoover declares our crime rate is increasing six times as fast as our population. This is one reason, Mahon said, he voted for the Anti-Poverty Bill, thinking it may help create better living conditions and less crime.

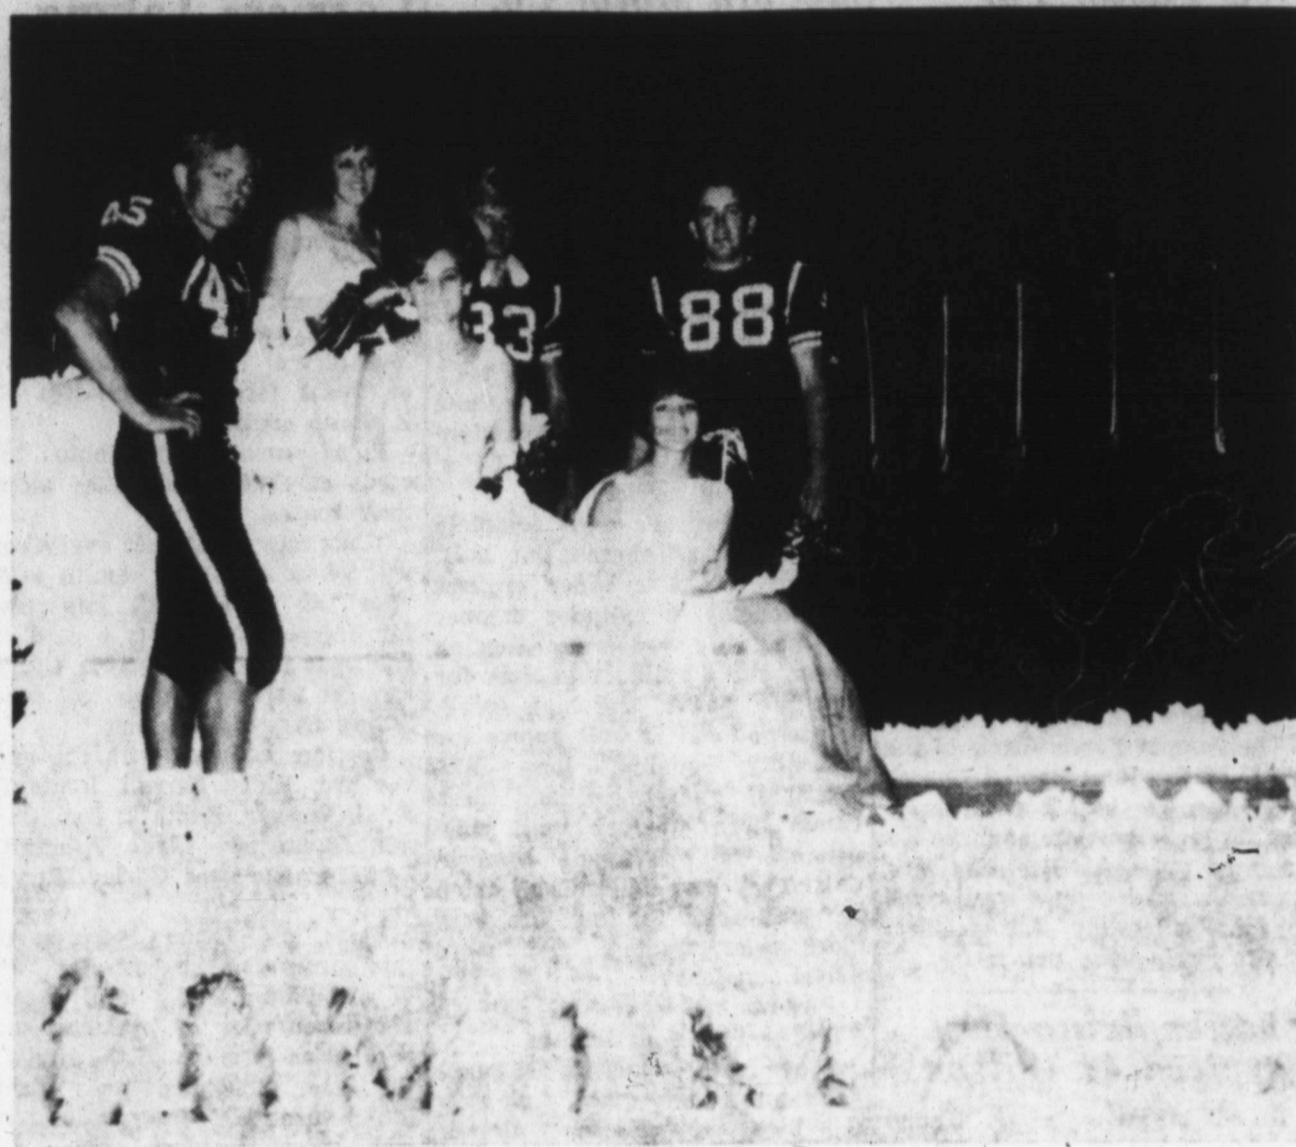

Speaking of the Viet Nam situation, he thought we are making progress there in stemming the spread of Communism, but our action is not without danger.

He said he has served under Roosevelt, Truman, Eisenhower, Kennedy, and Johnson administrations, and that President Johnson is in a class to himself in getting things done—largely by reason of his many years experience in Congress.

Most of the revolutionary bills passed are really nothing new but have finally caught up with us and gained approval.

Paul Douglas Kenley, Tahoka senior, introduced Mr. Mahon. Opening the meeting, Student Council President Phil Adams announced Nancy Parker and Luciano Soliz as the THS "citizen of the month" for November.

### Mrs. Ater Tells Of Visit Down State

Mr. and Mrs. Wallace White and Mrs. B. B. Ater tell of an interesting trip they have just returned from to interesting points "down state."

They left November 11 and returned home Monday. The principal mission to attend the 75th anniversary of the founding of the Methodist Home for Children at Waco.

They drove to Brownwood Lake, where a new building program is in progress, and quite a few new vacation cottages are being built. Arriving at Waco that night, they visited the Children's Home campus where the events of the next day were to take place.

By noon Friday, a big crowd had gathered at the Home, and Waco City buses hauled the visitors while drivers and Home hosts explained each feature of the buildings and grounds. Some 28 cottages and other buildings were visited.

Before noon, the crowd assembled at the new swimming pools made possible by Mr. and Mrs. Bryant Edwards of Wichita Falls, which pool was dedicated in an impressive ceremony with Hubert Johnson presiding, invocation by Bishop Paul E. Martin of Houston, presentation of the gift by the Edwards, and a statement from the children by Danny Lord.

At noon, a barbecue and all the trimmings were served under two huge oak trees in front of Hubert and Reba Johnson Student Center which was dedicated at 2:00 p. m., made possible by more than 500 donors of \$1,000 each.

"Our Children's Needs" was the subject of the talk by Governor John B. Connally of Texas. Bishop O. Eugene Slater spoke of "Tomorrow's Children."

Honored guests greeted and visited with the people for some time after the benediction. The Lynn county visitors drove to Waxahachie for the night to visit a sister, Grace Estes, and her son and family. Next morning they toured some of the city, stopping and admiring the lovely old court house, one of the loveliest in Texas. One wonders how in early days it was possible to construct such a marvelous building.

Leaving Waxahachie, the state capitol was next on the agenda, but this being Saturday most of the offices were closed and not much could be visited, but a guide did escort the visitors up several stories around the winding stairs, which are awe-inspiring.

Next stop was San Antonio, and their motel was convenient to Brackenridge Park and Zoo. Sunday, they attended 8:30 a. m. services at Alamo Heights Methodist Church and heard a sermon by Dr. R. F. Curl, district superintendent of San Antonio District. Pastor is Dr. Calvin W. Froehner.

Brackenridge Park and Zoo was explored for several hours. A miniature train makes a tour of the grounds in 16 minutes, with several stops. One can get off and on again a number of times without extra charge. The flowers and shrubs at Sunken Gardens are of extreme beauty.

Most every animal, fowl, fish and reptile can be seen in the park. One never tires of looking and exploring. Help keep our town clean!

### Ex-Students Attend New Home Event

Among the ex-students attending homecoming at New Home and visiting with their parents, Mr. and Mrs. Winston Davies, the past week end were Mr. and Mrs. C. H. (Sue) Reese and children of Encino, Mr. and Mrs. Dan Cowan and daughter of Richardson.

Although they were not able to come for the football game Friday night, Mr. and Mrs. Wayland (Ann) Walton and children of Snyder and Mr. and Mrs. Carlton Davies and children of Lubbock came Saturday.

The Cowans came with Pat and Jo Caudle of Dallas, who visited Pat's grandparents, Mr. and Mrs. John Armontrout at New Home and friends in Lubbock. The Caudle children stayed with Jo's mother in Cleburne.

### Hot Shot Team Bowling Results

In Hot Shot bowling this week, Lewis Construction tied 2-2 with Farmers Community Gin as Cecile Henry had high scores for Lewis of 179 game and 475 series.

McCords won one from Jester's Garage, Jean Curry high with 158-420.

Tahoka Safety Lane lost four to Piggly Wiggly. Sue Tekell being high for the Tahoka team with 158-420.

### MRS. HERMAN BROWN HAS SEVERE ARM SPRAIN

Mrs. Herman Brown of Wilson received a fractured left wrist and severe ligament sprains Sunday morning, Nov. 14, when she fell on the kitchen floor of the Slaton Rest Home.

She had planned to make candy Monday to send her son, SP-4 Harlan Brown, who is in Viet Nam, but says she had to make a slight change in plans.

Max is making a career of the Airforce, now assisting the consular service. He and wife have four children: Gerald, 18, freshman at University of Maryland branch in Munich; Michael, 17, senior in Paris-American High School; Molly, 15; and Jimmy 14.

The historic Alamo was next point of interest. There were tourists all over the place. We could almost feel the terrible siege of the Alamo as we viewed reminders and pictures. The grounds are out of this world, profusions of flowers and shrubs, besides palm trees and evergreens.

There was an "old time sing-song" at Travis Park Methodist Church Sunday night. Everyone had a part on a well planned program, and the congregation joined somewhere on most songs.

Monday morning, because of the weather report, the Lynn county citizens started home instead of going to Corpus Christi as previously planned. They arrived home at 7:00 p. m. tired as could be but so glad they had at last realized a long time dream come true. No one can visualize the grandeur and immensity of our capitol building, Brackenridge Park, and our Children's Home at Waco.

### School News

George Mahon, representative to Congress from this district, spoke to a high school assembly in the auditorium on Tuesday morning.

Citizen of the month for November, chosen by the Student Council, are Nancy Parker, senior, and Lusiano Soliz, a sophomore.

Second six-week tests were given on Wednesday and Thursday.

### REFERENDUM TUESDAY ON FARM PROGRAM

Farmers will vote next Tuesday, Nov. 23, on marketing quotas for the 1966 cotton crop.

At the same time, farmers will vote on the question of permitting sale or lease of cotton allotments for transfer outside Lynn county to some other Texas county.

The latter will not affect transfer into this county from some other county voting to permit such a sale and transfer.

### State Queen . . .

(Continued from Front Page) represented the 17 counties in District 2.

"Under questioning by Millard Shivers of Dallas, director of rural development for an insurance firm and master of ceremonies, she explained that she is majoring in psychology at Baylor.

"You mean this business of asking silly questions and getting silly answers?" Shivers joked. "You mean like you have been doing out here tonight," Miss Norman replied calmly, to the delight of a big audience."

The new Texas queen is 5'3" tall, has brown hair, and sparkling hazel eyes. In Tahoka High School she was a member of the Student Council, National Honor Society, Future Homemakers of America and was active in many school projects and events. She received the Betty Crocker Homemaker award and was voted the favorite of her sophomore class.

Miss Burleson is the daughter of Mr. and Mrs. Lloyd Nunley and is an outstanding senior student at New Home High School.

### Tea Is Given For Methodist WSCS

Mrs. Oscar Roberts and Mrs. Jack Fenton were hostesses to the Traditional Thanksgiving Tea sponsored by the Woman's Society of Christian Service on Monday, Nov. 15.

Mrs. Charles L. Waters of Lubbock reviewed "Who Gets the Drumstick" by Helen Beardsley. The tea table was covered with a lavishly appliqued brown net cloth and centered with an arrangement of golden queen chrysanthemums.

## Bulldogs End Play With 30-22 Win

Tahoka Bulldogs went to Seagraves Friday night with revenge in mind and upset the Eagles 30 to 22 in an offensive battle before a large crowd of fans from the two towns that almost filled the stadium. The win gives Tahoka a 6-3-1 season record, the best in years, and a tie for second in District 5-A competition.

Tahoka scored in every quarter and had the game under control from the very first play. The game was a senior victory, as 12 Tahoka boys were playing their last football game as Bulldogs, and Senior Halfback Gary Tomlinson led the way.

The game was a big disappointment for Seagraves since 17 Eagles were playing their last game for Coach A. D. Shaver.

Gary "Butch" Tomlinson ran wild for a total of 169 yards in 13 carries, an average of 13 yards a try. His 51-yard touchdown run was one of the greatest of his fine career. But, every player was a star in this one. Although seniors stood out, the juniors, sophomores and even a freshman or two were outstanding. Sophomore Cliff Thomas came up with 106 yards rushing, almost an 8-yard average on 14 carries, and scored twice.

**Bulldogs Take Command**  
Tahoka received the kickoff with Freshman Jodie Edwards, who was rugged on defense, as usual covering on the Tahoka 42. Tahoka was in charge, and went to work with authority to move for a touchdown in 11 plays.

Tomlinson made 16 yards in two carries, Thomas 3, Butch another 8, Thomas another 7, FB Danny Coburn 5, a 15-yard penalty set the Bulldogs back and then four was lost on a fumble. But, unworried, Tomlinson then raced around left end for 18. Thomas hit left tackle for 7, and Coburn bulled through left guard two yards for a first down on the Seagraves 8.

On the next play, Senior Quarterback Stanley Renfro fooled the Seagraves defense on a keeper and raced around right end behind fine blocking for Tahoka's first touchdown with the game about five minutes old. Thomas' kick was wide. Score, Tahoka 6-0.

Seagraves drew a 15-yard penalty after the play on the conversion, and Tahoka's Thomas kicked off from the Seagraves 45, and HB Tim Raper ran the ball out to the 10.

**Eagles Go Ahead**  
Tahoka had been warned of the Seagraves tricky reverses, and things looked a little bad to spectators on this series.

Two plays gained only two yards for the Eagles, then on third down QB David Turrentine found Raper on a 23-yard pass and Seagraves was off on a 90-yard scoring march, with Raper, FB Carl Burnett, and HB Dennis McKinzie, a former Lynn county boy from Wells, eating up yardage, all up the middle in short gains but one 18-yard end run by McKinzie. On the second play of the second quarter, Turrentine tossed an 11-yard scoring pass to End Bernard Gibson, the big Colored boy, for the TD. Seagraves took its only lead when Burnett bulled over for a 2-point conversion. Score 6-8, Seagraves.

## Basketball Season Opening

Basketball season at Tahoka High gets underway immediately as boys started working out this week following close of the football season.

Tahoka A team boys and girls open the season tonight, Friday, at 7:00 o'clock at Frenship.

First local games are with Crosbyton here next Monday when the B team girls will play at 5:30 p. m., followed by A team girls and A team boys, and the A boys and girls go to Abernathy Tuesday night.

Coach Jake Jacobs could have a fair boys team, but they are expected to be pretty ragged for a while due to lack of practice.

Coach Jim Littlefield will handle the girls' A and B teams, has already worked with them some, but has considerable work to do also before much can be told about the potential strength. Junior High teams are being

coached by Jim Tollett and Miss Joy Rogers.

Following are the schedules, which fans should clip and put in a convenient place for future reference:

### Jack Minor Suffers Attack At Seagraves

Jack Minor, reared in Tahoka and owner of Minor's Food Store in Seagraves, suffered a severe heart attack Monday of last week while at work. He was reported last week and to be improving very slowly in Seagraves Hospital.

He is a 1931 graduate of Tahoka High School and was one of the famed Minor brothers athletes who played for Tahoka over a period of nearly 20 years.

He was a halfback on the 1930 team here, reputed to have been one of the fastest backfields any school on the Plains ever had. Minor and Billy Lester at halfbacks, Curtis Stevens at fullback, and Coughran Ketner at quarterback all ran the 100-yard dash in 10 seconds or less, and also helped Tahoka have a winning football team.

A. J. Minor was the first of the brother athletes, Jack the second, James the third, Max the fourth, and Joe Don the fifth.

## O'Donnell Eagles Hold Wink Three Quarters, Building For Next Year

O'Donnell Eagles have not won a football game all season, and some fans have been "down" on the team and coaches, but Friday night the young Eagles rose up at Wink and played the Wildcats a whale of a ball game for three quarters. Wink finally exploded for 23 points in the fourth period to win 30-7, but the Wildcats had received quite a scare.

"Our boys and coaches deserved more credit than they have received," one O'Donnell fan told The News. "Please say something good for our boys."

In spite of the fact that the Eagles have given up 407 points while scoring 59 in ten losses, they have never quit and still had the fire to play a top game the tenth time out in face of despondency among fans.

There were only four seniors on the 41-man squad, Harold Bessire, Jerry Haire, Tom Ed Vestal, and Mike Barnes. There are 13 juniors, 10 sophomores, and 14 freshmen.

Coach Malcolm Kennedy and Assistant Jerry Don Brown, a former Tahoka assistant, have some excellent prospects for the future if the boys and the fans stay with them, The News is informed.

Friday night at Wink, the Wildcats scored early on a 49-yard run by QB Glen Howard, and Jesse Minter kicked the conversion.

In the second quarter, O'Donnell scored on a 32-yard run by QB Ken Vestal, and Bud White kicked the conversion to tie the score 7-7.

O'Donnell held on to the 7-7 tie until the fourth quarter, when Curtis Northcutt got away on a 40-yard scoring run, followed by a 14-yard dash by Ronnie Tidwell, and a 32-yard run by Wally Schifflett.

The Eagles led Wink in first downs 15 to 11, but trailed in total yardage 261 to 289 yards rushing and passing.

## Gordon-Southland News

(By Mrs. Edmund Wilke)

This little community is really buzzing with activity. Some of the farmers are stripping cotton, so the gins are beginning to get real busy, which pleases all of us. Football is over for another year and all of us parents are so thankful that our boys came through it without any serious injuries. And of course, it is basketball time and Edmund and I love basketball.

Edmund received a card from Mr. Marvin Truelock last week. Marvin has been quite ill and is doing fair at the present. His address is Box 214, Kismet, Kansas, in case you would like to drop him a card.

Mr. and Mrs. Jack Hargrove visited with Mrs. Docia Copeland in Mesquite, Texas, recently. Mrs. Copeland is the mother of Mrs. Hargrove. They also visited Mr. Hargrove's mother, Mrs. E. C. Hargrove, at Garland.

Visiting with Mr. and Mrs. Jack Hargrove this past week were Mr. and Mrs. R. L. Halliburton, Mr. and Mrs. Willie Becker and Mr. and Mrs. Earl Lancaster.

Mrs. Nellie Mathis went to Levelland on Thursday to visit Carolyn Sue and Dee Hodge. On Sunday, Carolyn Sue, Dee, Marie and Delroy Odom and baby visited with Mrs. Mathis.

Mr. and Mrs. Tom Sims and Mr.

and Mrs. Delbert Abshire visited the Myers family at the West Texas hospital on Sunday. Ned Myers is in the West Texas Hospital, room 205.

Mr. and Mrs. Marcus Wilke have returned home from LBJ Lake.

Mrs. Herman Dabbs entertained a group of friends on Monday with a Stanley Party.

Mrs. John Gilliam of Ozona spent several days visiting her parents, Mr. and Mrs. Robert Hagler.

### MRS. BRADSHAW IMPROVES

Mrs. Susie Bradshaw is showing improvement after her recent illness with pneumonia. Visitors during the week were Mrs. Ed Denton, Mrs. J. F. Rackler, Mrs. Virgie Roper, Mrs. Jean Hargrove, Mrs. Sis Lancaster and Hubert Bradshaw.

Just in case you may not know, it's open season for hunting deer in Lynn county from November 15 to December 31.

Have we just about lost the power of the ballot box? Have we lost our "say so" in government? In a broad measure we have. We elect a man and hope he will carry forward in a progressive manner but yet keep his feet on the ground.

For a good many years, we've been moving toward the welfare state, and the pace is increasing at a dangerous rate. Now, certain factions, led by President Johnson, have tossed out the socialistic idea that the government should guarantee everyone a minimum annual income instead of doling out welfare and relief payments. Dr. Gallup took a poll, not always but sometimes accurate, and these were the results: 19 percent favored the idea, 67 percent opposed it, and 14 percent had no opinion. We're pretty certain a vast majority of Lynn county citizens don't want this kind of socialism.

Once we had some fine Rhode Island Red hens. They were laying real well and we even had some eggs to sell. A few mites showed up but we didn't think they amounted to much. But, they kept getting worse until finally we were getting no eggs at all, the hens were all sick, and a few died. Finally we burned the hen house and got rid of the mites, but it was too late.

L. S. Turner of Grassland brought us an article by Rep. Teague of California which raises our hackles. He cites efforts of Community Relations Service, established under the 1964 Civil Rights Act, and Office of Education in the Department of Health, Education and Welfare to re-write

history textbooks so they will "conform to establish standards." These "standards" doubtless are what they want in a federally controlled curriculum. Already the Federal government is requesting "the right to check text books published or approved by whatever agency, individual or firm by use in public schools or colleges. There's precedent for central government control of textbooks. Communist Russia has the system. We're getting closer every day!

Our congressman, George Mahon, made an informative talk to Tahoka High School students Tuesday in which he gave a discussion of various problems faced by Congress and the nation. Mr. Mahon has become one of the most important men in Congress, and heads the powerful and important 50-man appropriations committee. This column frequently disagrees with Mr. Mahon. But, he is a top man and we could do a whole lot worse. He usually represents his district as best he can.

Mrs. Florence Davies, commenting on Tahoka Bulldogs going to games neatly dressed, says that mention recalled to her mind one of her happiest moments. She says the practice was started at Tahoka back about 1947 by Coach Jim Foust, now in business in Amarillo. Her son Dan had never worn a tie, didn't know how to tie a knot, and she was so proud of him when she tied that tie around his neck and he went off all dressed up in white shirt and tie and coat with the football team.

For about 20 years J. W. Jaquess has been sending Texas pecans to kinsmen and friends back in Cookeville, Tenn. A long time ago he noticed hickory nuts do well there but were no pecans, and he thought that pecans ought to do well where hickory nuts produce. He says people planted many of these pecans he has sent back, and some have grown into trees and are producing.

Mr. and Mrs. John Armontrout were in Thursday, said they had been taking The News 32 years, could hardly wait to get it on Friday, and hung around until the first copy rolled off the press Thursday afternoon. The Armontrouts came from Hamilton county where they still have a lot of friends, but the land has been good to them at New Home and they appreciate their many friends here.

Thanks to Mrs. Gladys Copeland of Tulla for kind words about this column. She doesn't like the term "country editor," and calls The Printer an "in-the-know editor in the country," whatever that is.

A gentleman farmer is one who has time to read all of the Government bulletins.—Hamilton Herald-News.

We haven't heard of any draft card burners setting fire to their Social Security cards.

President Johnson retains a minimum of privacy. The ceremony of picking out his stitches was not televised.—Boston Globe.

Some more from "Uncle Zeb" in the Claude News: If most folks only lived up to their ideals they would be stooping pretty low most of the time. . . . Few people would feel enthusiastic over science after they had been caught in a radar speed trap. . . . We should always borrow money from a pessimist—he doesn't expect it back anyway.

## How to make a holiday last all year long

"How often do you call Long Distance to friends or members of the family?"

"Well, I expect to make some calls on Thanksgiving and maybe on Christmas."

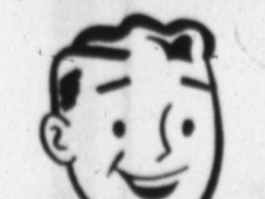

"Why wait for a holiday or special occasion to call — that's the old fashioned way!"

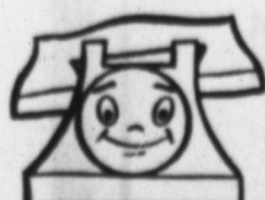

"How come? Is the phone company having a sale just now?"

"No, not that. New low-cost long distance rates are now in effect all day Sunday and every night after eight — so now for a dollar or less, you can keep in touch more often."

"Say! That's a good idea! Tonight I'll make some important calls I've been putting off."

"Fine! Thanks to new low rates you can call anywhere in continental U. S. station-to-station and talk three minutes for \$1.00 or less. This is the big communications bargain — the modern way to keep in touch at all times."

### Tech Vice President Tells Rotarians College Will Enroll 25,000 By 1970

Texas Tech's tremendous growth in the 40 years of its existence and plans for the future were told by Vice President Marshall Pennington at the Tahoka Rotary meeting last Thursday.

He said Tech is one of 22 fully supported state colleges in Texas, ranks third in enrollment, second in number of semester hours taught, and has grown from 910 students in 1925 to 16,305 at the present time. Projected into the future, there should be 25,000 students in five years, by 1970.

Four thousand call Lubbock home, many of them married students or others who have moved there because of the college. Others come from 235 Texas counties, 47 states, and 33 foreign countries; 45 list Tahoka as their home.

Increase in enrollment this past year of 2,400 was more than the total enrollment of Rice University.

This year, there are 1,700 candidates for the Bachelor's degree, 263 for the Master's and 19 for

the Ph. D. The Bachelor's degree is offered in 83 fields, the Master's in 36, and the Doctor's in 10.

There are 513 full-time faculty members, 140 part-time teachers, and 218 student assistants for a total of 871. Faculty salaries for the current biennium total \$9,500,000.

He said the planners were wise in requiring 2,000 acres for the school, of which 371 are now used for the campus.

There are about 100 permanent buildings, a number of temporary ones, but in spite of all the land the campus is becoming congested already because of the need for keeping buildings close enough for students to walk from one to another. There are parking places for 8,400 cars, including the stadium lots, but soon some of these will have to be taken over for building space.

Tech lead most schools in providing on-campus residence for students, but because of the growing increase in percentage of women students more and more of

### 12 Rural Wrecks During October

The Texas Highway Patrol investigated 12 accidents on rural highways in Lynn County during the month of October, according to Sergeant A. E. Roberts, Highway Patrol Supervisor of this area.

These wrecks accounted for sixteen persons injured and an estimated property damage of \$6,305.00.

The rural traffic accident summary for this county from January through October of 1965 shows a total of 54 crashes. As a result of these crashes there were two persons killed and 32 persons injured. The estimated property damage amounted to \$24,763.00.

November and December are noted as dangerous months in traffic and especially for pedestrians. During the last two months of 1964 in Texas there were 80 pedestrians killed and 726 injured in collisions with motor vehicles. There are many reasons for this: longer hours of darkness, bad weather, pedestrians not visible to drivers, holidays and lack of driver's and pedestrian's concentration.

The Sergeant stated, "To aid both the pedestrian and drivers, always wear something light colored when walking after dark. If possible, carry some kind of light, walk on the left side of the road facing traffic day or night so that you can see approaching traffic. If you have a dark colored raincoat, put a strip of reflectorized material across the back and front when walking on the highway or street."

the residence halls are being directed toward housing girls. Now, a new program is being instituted to provide privately owned off-campus housing for men students.

The residence halls owned by the college are built on borrowed money, and by law they must be self-supporting.

The speaker was introduced by Binie White, in charge of programs for the month.

President Ross Smith appointed Lynn Seales as the new institutional representative for the Boy Scout Troop 721 and Post, sponsored by the Rotary Club.

Student guests Clarence Long and Dean Hamilton were introduced by Wilton Payne and Mitchell Williams, respectively.

### Football . . .

(Continued from Page 1, Sec. 2) the Eagles' backs. Seagraves was offside on the first conversion attempt, but Tahoka fumbled on the next try. Score, Tahoka 18-8 with 2:31 left in the half.

**Bulldogs Defense Tightens**  
After the kickoff, Tahoka defense tightened and forced an Eagle punt, but it went 49 yards. QB Mitchell Williams, out several weeks by illness, now went in and ran out the clock.

Opening the second half, Raper ran the kickoff to the 17, where he was hit hard by Tahoka's Britt he was hit hard by Tahoka's Roy Isham, Raper fumbled and Britt Robinson recovered to set up another quick Tahoka score.

**Tahoka Scores Quickly**  
Tahoka took just six seconds to score again on the first play after the Seagraves miscue. Thomas started around left end, cut back across tackle, and ran through the Seagraves defense 17 yards to score standing up. Tahoka was scoring well, but still couldn't convert as Thomas again failed on the conversion attempt. Score, Tahoka 24-8.

Tahoka defense again held the Eagles, forced a punt, but on the third play after making a first down Tahoka lost the ball at the Seagraves 39 on a fumble covered by Cavazos. Raper made 7, McKenzie 6, then Burnett bulled through the line and went 26 yards to score, then ran over the middle again for the conversion to cut the lead to 24-16.

**Tahoka Drive Stopped**  
Next Tahoka drive was hurt first by a clipping penalty on the kickoff, then, after moving to the 45, Davis' punt was almost blocked and went only 15.

Seagraves moved to the Tahoka 28, and on the next play fumbled when Isham and Davis jarred the ball away and Isham recovered on the 21. Two plays later, Tomlinson got away for 22 yards, and after a fumbled pitch-out at midfield, the Bulldogs had to punt. This time Davis kicked 42 yards to the Seagraves 14.

**Adams Scores on Pass**  
McKinzie and Cavazos made only 5 in two tries as Tahoka's defense was now very tight. Dean Hamilton nailed Raper for a 4 yard loss. Kenny Cullum, on fourth down, went back for an apparent punt, but instead passed to Raper, who was pushed out of bounds after a yard gain, but not enough for a first down.

Tahoka took over on the Seagraves 22 and scored in two plays. Coburn hit right guard for 6, then Renfro faded to pass, saw Phil Adams in the end zone, and fired to thread the needle. Adams went up between two defenders and made another of those sensational catches, the last of several his senior year. Somehow he caught and hung on to the ball while falling away and with two defenders right on top of him. Score, Tahoka 30-16 and 6:49 left on the clock.

**Eagles Score on Fake Reverse**  
Cullum brought the kickoff to the 41. Five running plays and two completed passes moved the ball to the Tahoka 17. Then, McKinzie on the fake reverse came around left end, the play finally fooling the Bulldogs successfully, and he went all the way for the final score. Conversion failed. Score 30-22 with 1:55 left.

Seagraves now pulled the short kick, covered then fumbled by Tahoka on the 49, then covered by the Eagles' Gibson.

But the Bulldogs weren't going to put up with anymore foolishness, and Dean Hamilton and Mike Davis nailed Turrentine for a 10 yard loss, a pass to Clarence Law was good for only a yard, another was incomplete, and Chris Roberts knocked down a fourth down try with 29 seconds left.

Tahoka took over at the Seagraves 43, Renfro fell on the ball to run out the clock.

**All Played Well**  
Other seniors doing a great job were Roy Isham, Mike Davis, Clarence Long, and Benny Limon. Danny Coburn, although not carrying the ball too much in this game, had his finest game as a blocker and on defense. Luciano Soliz, although not a senior but playing his last game because of the age rule, had a good game. Dean Hamilton stopped many gains as he was the defensive key on his side of the line.

Milton Edwards, as usual, was a

stand-out, as was Tommy Kidwell, Richard White, Jodie Edwards, Doyle Schneider, Chris Roberts, Wayne Thurman, and others, all of whom have been improving as the season progresses and will be back next year.

For Tahoka, this was a great victory, for the boys proved for themselves they could get up off the floor and win ball games in spite of injuries.

**Several Miss Game**  
Senior Rett Patterson was lost for the season in the Slaton game, and he had been Tahoka's top defensive man. Senior Britt Robinson saw only limited service.

Little John Tyler was on crutches with a knee injury. Mitchell Williams saw very limited service because of recent illness. Bill Wright was still out with an injury, as was Joel Inklebarger.
