# The Lynn County News

Tahoka, Lynn County, Texas, Friday, January 14, 1966 Number 16

Serving Tahoka and Lynn County Since 1903!

## School Given 'OK' By State Agency

Tahoka schools have been taken off of the probation list and cleared as a full accredited 12-grade system as a result of findings by the Accreditation Team of James A. Forester and Ken C. Clover of the Texas Education Agency here in November.

Tahoka had been under pressure to fully integrate the system and to upgrade building facilities, which have been accomplished over the past three year period.

Following is the complete report of the Accreditation Team as furnished The News by Supt. Harold Reynolds:

Tahoka Independent School District is a county-line district with a major part of its 365 square mile area in Lynn County, and the remainder in Terry County.

One integrated 12-grade school program is operated on an area four city blocks in size, divided into three separate campuses.

The staff includes two teachers of vocational agriculture, full-time and half-time teachers of vocational homemaking (the half-time teacher is assigned to ninth-grade physical science for the remainder of the day), one full-time counselor, one full-time

Saverance Leaving. New ASCS Manager Is Due Here Today

Don Saverance, local ASCS office manager, will be succeeded this week end by Wallace Dove, 34, who comes here from Iowa Park, Wichita county.

Saverance goes to Abilene as ASCS office manager of Taylor county, the county in which he was reared.

Mr. Dove is married and has two children. He has been Wichita county ASCS office manager a year, and before that he worked in ASCS offices in Erath, LaSalle and Harris counties. Before joining ASCS he was a teacher and coach at Stephenville.

Mr. Dove is married and has two children. He has been Wichita county ASCS office manager a year, and before that he worked in ASCS offices in Erath, LaSalle and Harris counties.

## Band Students All-Regional

Two Tahoka High band students made the All-Regional Band in competition at Big Spring last Saturday, states Gary Hall, local band director.

Miss Debbie Wright, sophomore, daughter of Mr. and Mrs. Bryan Wright, made the band in bass clarinet competition.

Carroll Curry made the select group for the third straight year playing the b-flat clarinet. He is a senior and son of Mr. and Mrs. Rogers Curry.

Others from Tahoka in the contests were: Arlene Stephens, baritone horn; Ralph Brock, clarinet; Elva Jo Edwards, flute; John Huffaker, tenor saxophone; and Leslie Jones, trombone.

Concert contests will be held in Sweetwater on April 16.

## Rash Of Fires In Tahoka Area

Fire damaged or destroyed 39 bales of ginned cotton at Wayside gin Sunday, to which Tahoka Fire Department was called. Hubert Teinert of the gin told The News the cotton was loaded on a truck when ignited, and was dumped in the near-by Wuensche field to save the truck.

In addition to this and the Tatum Bros. Fire, Tahoka firemen have made calls on three gin bur fires on Friday, a car on fire Friday on the north side of the square. Then, Tuesday, four runs were made, two being bur fires and the other two being cotton trailers loaded with unginned cotton. All were extinguished with very minor losses.

Fire Chief Pat Patterson says already this year, the Fire Department has made 12 calls. Last year, a total of 29 calls were made the entire year, 17 of them out of town.

## Farmers' Social Security Numbers Needed By ASCS

Lynn county farmers should receive this week a form from the local ASCS office on which they are asked to report their Social Security number and mail back to the office here, states Don Saverance.

In the future, a producer who draws payments from the Government on the farm program will have his Social Security number on the check.

## Jake Jacobs Is Honored At Two Affairs In City

"Thanks for a job well done making men of our boys," was the theme of tributes paid L. F. (Jake) Jacobs, moving this week to Bovina, at a meeting Tuesday night following the basketball games in Community Center, attended by more than 200 people.

Jacobs recently resigned as North-Elementary principal, athletic director and boys basketball coach after having been in the Tahoka school system 18 1/2 years, to take a position as high school principal at Bovina. He had served here longer as a school administrator than any other person in the 63 year history of the Tahoka school system.

Tuesday night's affair was sponsored by the Bulldog Boosters Club, but the crowd included other parents, businessmen, teachers and students.

## Capt. Don Blair Killed In War

Capt. Donald R. Blair, 27, reared at Tahoka, an outstanding area athlete and a career Army man, was killed Saturday in a Viet Cong ambush about 50 miles from Saigon.

His parents, Mr. and Mrs. L. R. Blair of Canyon, were notified of his death Saturday by wire, and they in turn notified their daughter here, Mrs. Carl Gene Spears. Don's wife and two children also live in Canyon.

Details of his death were not known here, but military sources indicated he was in a truck convoy which was attacked by Communists near the town of Hai Long, on the coast northeast of Saigon.

Mrs. Spears said the body would be shipped to Lagrone Funeral Home in Canyon but time of arrival was unknown and funeral arrangements are pending.

Don was commissioned a second (Continued on Back Page)

## Hootennany Time Is Here Saturday

Saturday night, is Hootennany again in Tahoka at the Community Center, and a crowd of musicians and fans is expected to be on hand again.

The affair has been drawing capacity crowds for many months to enjoy the popular, country, and Western music presented by various groups from over this area.

Those who have not attended one of the Hootennany are invited to come out and get a sample of the program, states Mrs. Leighton Knox.

Furnishing refreshments this month will be Shur-Crop Chemical Co. of Seagraves, represented in Lynn county by D. R. Adamson.

## Burglars Enter Two Buildings

Burglars hit two Lynn county places, the Emil Raindl shop southwest of wayside, and the Carl Jones Service Station at Grassland, some time during Saturday night.

Deputy O. D. Woody of Wilson, who investigated both burglaries, said Raindl's shop on his farm was almost cleaned out. Among the items missed were two electric drills, a welder, a cutting torch and four tips, four electric emeries, a power saw, 750 feet of Romex wire, and a large quantity of tools.

At Grassland, burglars entered the Carl Jones station, took about \$300 in cash, and also broke the lock on a gasoline pump and evidently filled their car or truck with gas.

Sheriff Carl Spears said they have very little to go on, but local and area officers are investigating possible leads.

## Veterans' Meeting Set January 27th

Veterans of World War I and their wives or widows are invited to a meeting here January 27 to hear a discussion of recent legislation which may entitle many veterans to additional benefits.

The meeting will be held in Lynntegar directors room at 6:30 p. m. Thursday, Jan. 27.

The new Medicare program and other problems of veterans will also be discussed by Sid A. Lowrey, veterans claims officer from Lubbock.

W. A. (Bill) Reddell of Tahoka will serve as chairman of the meeting.

## Medicare Meeting Is Next Monday

People interested in the Medicare program are invited to a meeting at Lyntegar conference room next Monday at 2:00 p. m. County Agent Bill Griffin announces.

Items to be discussed include hospital care, nursing home care, home nursing care, outpatient care, and other health services and supplies available under the program.

## New Quarters For Library, Agents

Plans are underway by the Commissioners Court to redecorate and improve the former ASCS building for use of the County Agents and the Lynn County Library.

The county bought the former Security State Bank building originally for the ASCS office, which moved out last week to a new building erected across the street south of First Baptist Church by W. T. Kidwell.

When reconditioning of the building is complete, offices of County Agent Bill Griffin and Home Demonstration Agent Billie Carr will be moved to the front, or east portion of the building.

Lynn County Library, which has outgrown its cramped quarters in the Boy Scout Hut, the old City Hall, will be given use of the rear one-third of the building and will have a south side entrance.

Steve Thompson, president of the revamped Library board, says the space is very badly needed for the growing number of books and usage by citizens. The Library board will erect new book shelves and have room for the growing library.

There will be an office available for the librarian, Mrs. A. J. Kadatz, and there will also be a reading room, a storage vault, and rest rooms available to both the County Agents and the Library.

Plans are underway for expanding the service of the library for wider use by people in all areas of the county.

Library Board members are: Steve Thompson, president; Garland Thornton, vice president; Elvin Ray Moore of O'Donnell, secretary; Mrs. Madeline Hegl, treasurer; Dan Cook of Wilson, Mrs. Guy Bradley of O'Donnell, Mrs. N. B. Hancock of New Home, Mrs. G. M. Stewart, Mrs. Gladys M. Stokes, Frank Hill, and Robert Abbe.

## Poll Tax Payments Are Still Lagging

Poll tax payments in Lynn county reached 739 through Tuesday, but this is far below what they should be. Of this number, 99 have been paid since December 31.

Citizens are reminded this is election year, and in Texas a poll tax receipt is still required as a qualification for voting in all state, county, precinct, and school district elections.

Without a poll tax, the citizen can vote only for federal office candidates such as congressman and U. S. senator.

## RODDY NOT CANDIDATE

Harry L. Roddy, justice of the peace of Precinct 1, Tahoka, informs The News he will not be a candidate for re-election.

Mrs. Alton Kelly was released from the hospital Saturday where she had been a patient since Dec. 28 when she received a broken knee cap in a fall.

BOHANNON BUYS HOME  
C. J. Bohannon, who lives about six miles north of town, has bought the Don Saverance residence on North Eighth Street.

## Lynn County Bank Deposits Pass \$16 Million Dec. 31st

## Local Site Offered For Possible Development

Tahoka is making progress on long range plans to go after location of one or more industrial plants in or near the town with help from the Santa Fe Railroad and Southwestern Public Service Co., states Garland Thornton, local banker and chairman of a Chamber of Commerce committee seeking industrial development.

Joe Clark of Amarillo, head of the West Texas Division for Industrial Development of Santa Fe, was here Tuesday conferring with the local committee, which in addition to Thornton, is composed of Mayor Meldon Leslie, Jack Jaquess and H. B. McCord Jr.

Clark was here preparing plans for possible industrial sites on City of Tahoka property north of town lying between the Wilson road, FM400, and the Santa Fe tracks.

Southwestern Public Service Co. is preparing a prospectus for the town, which will be of aid to the local committee, Santa Fe, and West Texas Chamber of Commerce and other agencies seeking more industrial development here and over West Texas.

Although previously unpublicized, the local committee and the City have been working on the program for several months.

## J. P. Hewlett Is Candidate Again

J. P. Hewlett announces he is a candidate for re-election as county superintendent of Lynn county subject to action of the Democratic Primary election in May.

Mr. Hewlett says he had not intended to run again, but he has several projects now underway he would like to see through to completion. County superintendents of Texas are submitting a plan to the state legislature for grouping of counties for administration of affairs of the county superintendents' office.

Mr. Hewlett has been county superintendent since late in 1959, and says he feels he is acquainted with the complicated details of school affairs, working with local superintendents and the state agencies.

He has had more than forty years experience in the school business, and was superintendent at Southland four years and at Wilson 12 years before being appointed to fill out an unexpired term as county superintendent.

"I am deeply grateful for all the past favors from the people of Lynn county," he says, "and will sincerely appreciate your consideration and vote for this office."

There are almost 12,000 caves known in the United States.

## Wilson Principal Resigns Position

Tom Harkey, principal of Wilson Elementary School the past year and a half, has resigned to accept a similar position at Hereford. He and his family will move this week end. Mr. Harkey is a son-in-law of Mr. and Mrs. Clarence Church, and school authorities say he will be missed greatly at Wilson.

Wilson school district is seeking applications for Elementary principal, which should be mailed to Supt. Leroy Scott, P. O. Box 8, Wilson.

Plans for the annual Lynn County Livestock Show early in March, election of Chamber of Commerce directors, and the annual Farmer-Businessman banquet were discussed at a meeting Thursday night of C. of C. directors, led by President Johnny Wells.

County Agent Bill Griffin was present and gave an account of the Stock Show operation, administration, finances, etc. The Chamber of Commerce, with \$100 help from the Rotary Club, furnishes all prize money and expenses which usually run to about \$875.00.

In addition, local businessmen and farmers furnish most of the "bonus" fund which usually runs from about \$1,300 to \$1,900. From this fund, raised by a separate

## Fire Destroys Tatum Warehouse

A flash fire Friday morning destroyed one of the Tatum Bros. Elevators' warehouses and its contents. The building destroyed was about 40 years old and was the former Burleson Grain Co. on the north side of US 380 adjoining the Santa Fe tracks. The loss was partially covered by insurance.

Plans were being made early this week to replace the structure with an all-steel building, Leighton Knox, manager, told The News. Owners of the property are Clyde and Bill Tatum of Lubbock.

Mr. Knox said the fire started at 9:30 a. m. when an employee, Junior Hardt, started up the roller mill and the kerosene milt steam lighted up. Gin lint had covered the building, and almost instantaneously the fire flashed over the entire interior of the frame and stucco building.

"All the fire departments on the Plains couldn't have saved the building," Knox declared, but the local department was on hand quickly to keep the fire from spreading to the near-by elevator and other buildings of the Tatum complex.

About 725 bales of alfalfa and prairie hay and a large part of the 50 tons of fertilizer stored in the building, roller mill equipment, and motors, and a large quantity of empty sacks were destroyed.

"The contents were not a total loss; a fireman pulled my boat to safety," Knox quipped.

## Cotton Ginnings Are Now 165,000

Lynn county cotton ginnings were close to 165,000 bales Thursday morning of this week, a spot check of gins indicated based on previous reports.

Tahoka had ginned a total of 33,680, an increase of more than 3,000 bales in a week.

An authoritative O'Donnell source placed ginnings at O'Donnell, Wells, and Newmoore at close to 45,000 bales with the O'Donnell plants still ginning around the clock as are some other gins in Tahoka and over the county.

A large majority of farmers are through, however, and mostly "scrapping" remains. Although most of the ginning will be over in a week, the crop now seems certain to pass 175,000 bales.

This will mean better than a bale to the acre average production across the county.

Don Saverance, ASCS office manager, told The News this week there were 166,872 acres actually planted for 1965 harvest in Lynn county.

Lynn county had an allotment of 177,315 acres, and about 8,000 acres were transferred in from East and Central Texas counties. But, after subtracting 10,000 acres plowed up, plus overplanted acres and the acreage reduction under the Domestic program; a net of 166,872 acres was left for harvest.

## Farm-Business Banquet, Livestock Show Planned

Plans for the annual Lynn County Livestock Show early in March, election of Chamber of Commerce directors, and the annual Farmer-Businessman banquet were discussed at a meeting Thursday night of C. of C. directors, led by President Johnny Wells.

County Agent Bill Griffin was present and gave an account of the Stock Show operation, administration, finances, etc. The Chamber of Commerce, with \$100 help from the Rotary Club, furnishes all prize money and expenses which usually run to about \$875.00.

Lynn county bank deposits from the December 31, 1965, call showed a total of \$16,285,647.66, an increase of \$1,224,621.66 over a year ago.

All three county banks showed increases, and the county total ran to nearly \$18 million by January 4, this year, although this is not reflected in the official statements.

First National Bank of Tahoka on December 31, showed deposits totaling \$9,506,668.14, an increase of \$989,540.00 over the same time a year ago. Deposits reached \$10.5 million after the first of January.

First National of O'Donnell had total deposits of \$2,309,237.66, an increase of \$71,378.07 over the year before, but on December 31 this year little more than half the O'Donnell area crop had been ginned.

Wilson State Bank had total deposits of \$4,469,741.86 this December 31, an increase of \$215,702.00 over a year ago, but since the call deposits have soared at the Wilson bank past the \$5 million mark, a reported record for the institution.

Of course, last year the crop was only about two-thirds normal, but this year crop profits have dropped considerably.

## Wilson Principal Resigns Position

Tom Harkey, principal of Wilson Elementary School the past year and a half, has resigned to accept a similar position at Hereford. He and his family will move this week end. Mr. Harkey is a son-in-law of Mr. and Mrs. Clarence Church, and school authorities say he will be missed greatly at Wilson.

In addition, local businessmen and farmers furnish most of the "bonus" fund which usually runs from about \$1,300 to \$1,900. From this fund, raised by a separate

committee organization, each entry in the stock show is able to receive a "bonus" of \$3.00 to \$5.00 on each animal entered, in lieu of a local sale where only the top animals draw a premium.

Dr. Leon Hill of Amarillo, a Baptist minister and reputed to be one of the most popular humorist after-dinner speakers in the Southwest, will be the principal speaker at the annual Farmer-Businessman banquet on the night of Monday, Feb. 21, in the school cafeteria.

Ten new C. of C. directors will be elected this year by mail ballot within the next few weeks.

Nominated for directors are: Harold Roberts, Clint Walker, Calloway Huffaker, H. B. McCord Jr., Horace Rogers, Garland

## Stanton Winner In Games Here

Tahoka boys and girls teams lost to Stanton Bulldogs here Tuesday night in the first District 5-A games of the season, the boys losing 70-57 and the girls 63-17.

In the boys game, Stanton led all the way 12-9, 32-22, 52-42, and 70-57.

After a close first quarter, Stanton put on a full court press, which shook up the inexperienced Bulldogs and the local boys were never able to recover after that.

The team is made up of juniors, sophomores, and one freshman. Rett Patterson, senior and a steady influence, was unable to play because of a sprained ankle.

Mitch Williams led Tahoka scoring with 26 points, and Poison was high man for Stanton, also with 26 points.

This was the last game in Tahoka High under the coaching of Jake Jacobs.

Tahoka girls, also very young and inexperienced and coached by Jim Littlefield, was overwhelmed by the strong Stanton girls team 63 to 17. Cindy Carroll led Tahoka scoring with 8 points and Robbie Biggerstaff had 6. Tate had 25 for Stanton and Harrell had 19.

Stanton girls, however, are ineligible for conference competition, and Tahoka and O'Donnell girls will be left to battle it out for the Class A district title.

## Bulldogs Playing At O'Donnell Today, Seagraves Tuesday

Tahoka basketball boys and girls play at O'Donnell tonight, Friday, and the boys team go to Seagraves next Tuesday night. These are 5-A Conference games.

At O'Donnell tonight, the B team boys play at 6:30, followed by the A team girls and then the A team boys.

Next Tuesday night, A and B team boys go to Seagraves, where the B team game will start at 6:00, followed by the A team boys game.

Junior High teams, Seventh and Eighth grade boys and girls play at Slaton next Monday, with the first game at 5:30 p. m.

Dr. and Mrs. Skiles Thomas left Wednesday for Houston to attend the National Kidney Foundation medical meeting. They will return Sunday.

## Tahoka Wins One In Slaton Games

Tahoka teams won only one game out of six in the Slaton Tournament last week end, but predominantly young and inexperienced boys and girls teams both gained some experience that may help them in the future.

Tahoka boys won their last game Saturday night over Seagraves 50 to 44, after having lost the two previous nights to Lubbock Christian High School 62 to 52 and to Slaton Tigers 46 to 38.

Tahoka girls lost successive games to Floydada 44 to 24; to Slaton 36 to 28, and to Slaton B 42-41 in a thriller.

In the LCHS game, Mitch Williams was high scorer with 18, Rett Patterson had 15, Mike Lankford 8, Doyle Schneider 6, and Cliff Thomas 5 points.

The Bulldogs played one of their better defensive games of the season before losing to the fine Slaton Tiger team 46 to 38 in a game even closer than the score indicated. Tahoka scoring was led by Patterson as high man with 13 points.

Tahoka boys rose up Saturday night to bat down Seagraves 50 to 44, and Williams was high point man although scoring 18 of his 20 points in the second half.

Tahoka girls lost their opener to an excellent Floydada team 44 to 24. Sue Woodall led Tahoka scoring with 14 points.

The girls next played Slaton a relatively close game before losing 36 to 28. Sue Woodall again led Tahoka scoring with 10 points.

In the girls final game with Slaton B team, Tahoka was nosed out 42 to 41. Robbie Biggerstaff accounted for 25 of Tahoka's points.

Rett Patterson received a sprained ankle Saturday night and will be out of action for a while.

## Red Raider Club Is Planned In City

The organization committee of the Red Raider Club is having an organizational meeting in Tahoka Thursday, Jan. 20, beginning at 7:30 p. m. in the community center. Purpose of the meeting is to organize a Red Raider club in Tahoka.

Leete Jackson, executive secretary of the Red Raider Club in Lubbock and Charles Verner, member of the board of directors of the Red Raider Club, will be here at that time and they will

## WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Reductio ad absurdum is an ancient Latin phrase which translates roughly into "just how nuts can you possibly get."

And this is the question concerning some of the chief-ains in the war on poverty that responsible educators in New York City are asking.

As a facet of this effort to combat poverty and afford educational opportunity, funds available to providing C. W. Harder youngsters in school with work at a wage rate of \$1.25 per hour. The jobs are working in the library, doing clerical work, other tasks.

The school people were asked to cooperate in this program to the extent of helping select the students to fill these jobs. The original intent was to select students of promise, ability, and diligence, but who due to unfortunate financial background might not be able to continue in school without some aid of this nature.

And while the merit and demerits of such a program can be debated, it is also necessary to take in to consideration the factors surrounding a willing youngster in New York City under present circumstances. While a generation or so ago, such youngsters with ambition could often make their way through school without any governmental program being set-up, today due to restrictions imposed by unions, as

well as applications of the original intent of child-labor laws, the doors of opportunity are closed.

But regardless of the merits, or lack of merit, in such a program, many good youngsters were being aided, and presumably in time society would be rewarded by the development of better citizens.

However, now the war on poverty chiefs think they have proceeded wrongly, and it is not the deserving that should be helped, but the drop outs and the juvenile delinquents.

On this basis, they have been pressuring the school people to fire the youngsters now holding the jobs, and give them to drop outs as a means of encouraging them to come back to school, or to problem delinquent youngsters as a bribe to try and influence them to stay on the beam.

Thus, the doctrine is being espoused to penalize the worthy, and reward the goof ups.

This is a strange viewpoint, and probably could only be dreamed up by a bureaucrat.

If this sort of reasoning is allowed to continue, it will be interesting to see how far it goes, and how much it affects the future of American life.

What for, example, would be the result if this type of thinking becomes entrenched in the officialdom of baseball. It is easy to imagine umpires then calling all foul balls home runs, especially those that go into the stands along the left field.

## Mix-Up Bowlers Post High Games

The Handycaps was the only team winning four games in league action this past week. David Airhart had a 498-178 to lead the winners past the Maniacs. Jerry Harston's 168-415 was high for the losers.

The Arrows, led by Charlie McCullough's 440-176, won three games from the Powerhouse 4. Dick Turner had high game of 197 and Jodie Halford had high series of 460 for the losers.

Betty Fillingim's 177-459 took honors for the Deadwoods as they defeated the Crooked Walkers three to one. Linda Crook's 137-378 was high for the Crooked Walkers.

Sue Tekell had a 202-553 as the Teapots out-bowled the Morebells three games. Dwight Corbell had a good series of 532 but Ronnie Dulin took high game honors with a 198 for the Morebells.

The Old Folks went to work and out-bowled the Bowl Weevils three games. Adrian Evans led his team with a 200-517 while Sis Blevins had a 222-487 for the losers. Sis's 222 is high game in the Class A women's division.

The Night Owls' Garland Peek took high honors with his 181-467 as they won three games from the Tenderfeet. Wayne Price's 170-505 was not enough for the Tenderfeet.

## Water Depletion Credit Possible

Added income tax benefits may be in store for those producers who own irrigation water rights in the Ogallala formation for the taxable year 1965, says John J. Seibert, Area Farm Management Specialist, of the Texas Agricultural Extension Service in Lubbock.

Representatives of the Internal Revenue Service and the High Plains Underground Water Conservation District are currently developing "guidelines" which an eligible taxpayer may use when filing a claim for the depletion allowance. They say it is doubtful that these guidelines will be established and published before February 15, when farmers who have not filed an estimated return must have their completed tax forms filed.

Therefore eligible farmers who are planning to claim an irrigation water depletion allowance for 1965 may elect to file an estimated return by January 15. This would give these taxpayers until April 17 to file their completed 1965 return, Seibert said. By this date, there is a good possibility that depletion "guidelines" would be published. This would allow farmers to include in their completed tax returns any eligible depletion allowance and enable this allowance to be within these established "guidelines".

There is no substitute for complete and accurate records, emphasizes Seibert. This is particularly true where cost basis, annual depletion rate, and thickness of water bearing strata are used in determining the annual depletion allowance. Guidelines are just part of the total picture cautions the farm management specialist. If questioned, farmers would no doubt also be asked to substantiate the information used in arriving at their cost bases—value used as "water rights." This would also be true for the thickness of the water-bearing strata.

Farmers who elect to file for water depletion allowance in 1965 will want to keep in close communication with their account, water district representatives, or other individuals who are keeping abreast of regulations governing water depletion. Utilizing official

rulings may save embarrassing questions and may also result in more income tax savings.

Mrs. Amelia Turner was admitted as a medical patient to Tahoka Hospital Tuesday.

increasing each year." Well, we're not nearly so much worried about the Gross National Product as we are about the Gross News Product. It's the GTP (gross tax product) and the GLP (gross labor product) and the GPP (gross postage product) and the GEP (gross expense product) that's about to kill this little country newspaper—and we imagine it's about the same with other small businesses and farming enterprises. Are you listening, George?

Like a lot of other Tahoka people, we are grieved over the loss of Capt. Don Blair, killed in Viet Nam by Communist guerrillas. Don was one of our favorite kids and we've watched his advancement with pride and interest. He was one of the finest young men ever to go out from the Tahoka schools. He gave his life in the name of freedom and "the American way." His brief career and life should be an inspiration to many. May his soul rest in peace!

How can we have real confidence when politicians and non-military men like the President, McNamara, Rusk, et al. are calling the shots in Viet Nam? And we wonder if this is another war, like Korea, we are fighting just to gain a stalemate—not to win? If our generals trained in military affairs are not in command, how can we trust the judgment of a former business executive like Mr. McNamara? Remember, these fellows' judgment was none too good in the Cuban fiasco. Are we becoming a nation of Chamberlains; or do we have the guts to stand up to our enemies?

Praise the Lord! Senator Ralph Yarborough is NOT going to run for governor. And Congressman Jim Wright of Fort Worth is NOT going to run for Senator. We don't know how well he'll be able to make out, but we suppose there will be no immediate catastrophe—at least as a result of their decisions.

Our Washington politicians keep trying to encourage us taxpayers by telling us "Look how much the GNP (gross national product) is

We had an enjoyable visit Friday from Jeff Shook, the O'Donnell oil distributor, and he had to visit The News office to find out his son-in-law, Gus Sherrill, had tossed his hat into the race for commissioner. We hadn't seen Mr. Shook in years.

"Our good friend, Garland Pennington, says he enjoyed the last two columns by The Printer—we didn't 'get on' the government either time.

Sign in a local cafe: By the time a man finds greener pastures, he can't climb the fence.

Seeing a tractor the other day running in a field without a driver reminds us of the following true story. Maybe we've told it before, but we think it's worth re-telling.

One January or February day, a stranger entered The News office and said he wanted to take home a newspaper from this area. "I was reared on a farm in West Virginia," he volunteered; "now live in Baltimore, but I just saw something back there between Tahoka and Brownfield I never expected to see—and I thought I knew something about tractors and farming. I had heard about this modern farming area and big scale farming but I never expected to see a tractor run by radar. That tractor out yonder is plowing up a storm out in the field, and that farmer is probably sitting in his living room watching television while he runs that tractor by radar."

We ruined the story, though, by telling him how the tractor stayed on course while plowing around and around the field.

"Hut" Hutson, the cartoonist who drew the heading for this column and made a lot of friends in Tahoka while working here, sends best wishes to all the folks he met here. Says he's "brushing up a storm" in Thousand Oaks, Calif.

The Claude News: That illustrious Printer's Devil, Dee, was somewhat confused the other day. He's quite a TV fan and reports seeing "the dog broke away and raced crazily through a field of tobacco. Came the commercial: 'Does your cigarette taste different lately?'"

Clipped: You've studied in school about famous kings, and here are six more you also know. Some of them, like those you studied about, are more worthy of your better acquaintance than others. The most powerful king on earth is WORKING; the laziest is shirKING; the funniest, JOKING; the quietest is THINKING; the slyest is winKING; and the noisiest is TALKING.

Senator Everett M. Dirksen says: "If they talk to me about rights, I'm ready. I helped captain the Civil Rights Act of '59 and '60, and I captained the Civil Rights Act of 1964, and the Voting Rights Act. I know a little something about rights and here a right is involved. A right to work, to survive, to support a family in a free country. And that's not what they want. They want to give you the right to work for thirty days and then you join the union or the boss-man fires you. That's what's involved in 14(b). This and other issues, are going to have to be fought out in the Congress that convenes on the 10th of January."

RAISES LARGE TURNIP L. A. Forsythe brought a 9-pound turnip by The News office last week end which had been given him by Lynn West. He says Lynn West has about an acre of the finest turnips one could want.

There are almost 12,000 caves known in the United States.

### Letters From News Readers

(The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.)

Lynn County News: Here it is another year rolling along and not much done about it, but I do want to renew our Lynn County News. It's really better than some letters from home because the average letter from home wouldn't cover so many happenings.

It's always a pleasure to read your Printer's Inkings and to know that there are a few people in the world who still believe in the old school methods of honesty and integrity and ability to save for a rainy day rather than blow and spend and expect the all-mighty, all-powerful and all-knowing Government to let you be a dead beat in your declining years and worship them because of their superior power. Oh, rats, I'd better quit that.

It was nice to see Hap Smith's smiling countenance in the recent edition. That must have been a picture that was taken in his younger days. However, it's rather thought-provoking to know that a fellow as young as Hap was when I first knew him is old enough to have to retire now.

In fact, the worst angle I have is that I knew Hap's daddy when he was a fairly young man. Any way I hope that he will enjoy the years ahead as much as I have. I always was a little slow and disinclined, but now I have developed into a professional deadbeat and that is the only reason I am still alive (Doctor's orders).

Our best to you, your family and all our Friends there in Tahoka.

Homer F. St. Clair 510 Love Street Weatherford, Texas 76086 Editor's Note: Homer, that was really a late picture of old Hap.

ST. JOHN LUTHERAN CHURCH Wilson, Texas Rev. John W. Onda, Pastor Divine Service 10:30 A.M. Sunday School 9:15 A.M. "For by grace you have been saved through faith; and this is not your own doing, it is the gift of God—not because of works lest any man should boast." Eph. 2:8,9.

**Pictures Taken For Annual**  
 Monday, the athletic pictures and others were taken at the school for the annual, "The Coral".

Students will be taking mid-term exams this week.

Mr. and Mrs. Walter Ray Steen enjoyed the week end in Ruidoso, N. M.

Several couples from Wilson were in Ruidoso for the week end. Congratulations to Mr. and Mrs. Tony Riojas on the birth of a son born New Year's Day in Mercy Hospital in Slaton. While it was about trying to find headlines, this little one became the first baby to be born in Slaton for the new year, and received an abundance of fine gifts from Slaton merchants. The infant is the fourth for the Riojas' and was named James Roy.

Mr. Clarence Church came home Friday after spending a few days in Lubbock hospital. Visitors of Mr. and Mrs. Church Sunday were Mr. and Mrs. M. C. Church of Olton and Mr. Church's mother, Mrs. W. C. Church of Slaton.

Mr. and Mrs. Dickie Marriot and Ronnie of Slaton spent the week end with Shirley's parents, Mr. and Mrs. J. W. Morton.

Mrs. O. W. Ray of Slaton visited her mother, Mrs. J. W. Lamb, Saturday afternoon. Mrs. J. W. Lamb visited in Slaton with Mrs. Ray on Friday, also visiting was another daughter of Lubbock, Mrs. Weldon Lemon.

**Photo of Hope Show Sent From Viet Nam**

SP/4 Harlan Brown, son of Mr. and Mrs. Herman Brown of Wilson, now serving with the 55th Military Intelligence Unit in Viet Nam, sent home a photo recently of the Bob Hope Show in action. In the photo, the great audience of soldiers watching the show can be seen, as well as the filming crew of the Hope show. Bob Hope can be seen on stage wielding a

golf club in the air in the midst of his entertainment of the group during the "Christmas Tour" of Viet Nam. Brown has been serving there since September and is looking forward to returning home in August. The Bob Hope Christmas show will be seen on TV on Jan. 19.

## V. F. Jones Issues Statement On Race For County Judge

V. F. Jones, local businessman, announces he is a candidate for the office of County Judge of Lynn County, subject to action of the Democratic Primary election in May of this year.

To let the people know his background, Mr. Jones has made the following statement:

"I was born in Coleman county, Texas, 62 years ago, and after graduation from high school attended Texas A&M College, and received a B.S. degree in agriculture in 1925. For the next eight years, I taught Vocational Agriculture in high school.

"On resigning my teaching job to join the Texas Extension Service, I was assigned as County Agent of Lynn county in December, 1933. After five years in this job, I was transferred to Lamb county as agent. After five years in Lamb, I resigned my job and came back to Tahoka to establish the grain, feed, and seed business I have operated the past 22 years.

"I have always been interested in civic affairs of my community, and have served on the Tahoka City Council, school board, and have been active in church work and other community and county programs.

"By training and experience, I believe I am qualified to carry out the duties of County Judge. If elected County Judge, I intend to devote full time to the office, and assure you that to the best of my ability I will discharge these duties of office in an honest, efficient, and business-like manner. I solicit your vote and support."

(Signed) V. F. Jones.

JUANITA ARELLANO

## Tiny Infant of Two Year Ago Honored By Hospital Staff

Little Juanita Arellano, a New Year baby, born prematurely Jan. 9, 1964 in Tahoka Hospital came in Sunday afternoon with her parents and three of her brothers and together with Dr. and Mrs. Skiles Thomas and the hospital staff celebrated her second birthday.

Parents of Juanita are Mr. and Mrs. Lupe Arellano of route 1, Wilson. They have six older children, one other daughter and five sons. The family has lived on the Louis Brosch farm, one mile west of Wayside, for 18 years.

Juanita was delivered by Dr. Thomas at the tiny size of two pounds, seven ounces. From Jan. 9, 1964 until 47 days later, on Feb. 25, when she was released, Juanita was an important little girl-around the hospital.

On the second day of the little girl's birth, feeding began at the hospital, measured in cc's. As all babies do after birth, she began losing weight, and dropped to two pounds at 10 days of age. She slowly regained her weight and 20 days after birth weighed two pounds, eight ounces.

She was dismissed from Tahoka Hospital on Feb. 25, 1964, her weight being three pounds, four ounces. She now weighs 21 pounds.

Juanita had a party last year at the hospital marking her first birthday. Sunday her parents brought the birthday cake with two candles, and the little miss was honored with gifts. Pictures were also taken of Juanita, her parents and brothers, and the hospital staff.

## "Son" Guin's Dad Buried On Friday

Rube Guin, 66, father of Homer E. (Son) Guin, Lynn county deputy sheriff, died suddenly on Wednesday of last week. Mr. Guin had had a heart ailment several years but had been doing very well until the time of his death.

Funeral services were conducted in Spills Chapel in Winters Friday, Jan. 7, with burial following in Wingate.

Survivors include the wife, the one son, Homer of Tahoka, and two grandchildren.

Mr. and Mrs. Guin, son and daughter returned home Wednesday.

## Miss Littlepage's Wedding Date Set

Mr. and Mrs. Waltha Littlepage announce the approaching marriage of their daughter, Rhonda, to Mike Reid on Friday, February 4th. The ceremony will be in the home of the bride.

Mike is the son of Mr. and Mrs. Charles Reid.

## ENTERTAIN MRS. JACOBS AT TWO PARTIES HERE

Mrs. E. W. Patterson entertained the Nite Owl Bridge Club Wednesday morning in her home with an informal coffee honoring Mrs. Jake Jacobs, who is leaving Tahoka.

Mrs. Clint Walker presented a gift from the club. Members are Mesdames Johnny Wells, Charles Townes, Peggy Elliott, James F. Roberts, Kenneth Turner, Larry Hagood, Ruth Walker, Mitchell Williams, Eldon Carroll, Clint Walker, Skiles Thomas, and Mrs. Patterson.

Mrs. Maurice Huffaker was hostess at another coffee Tuesday morning in her home, honoring Mrs. Jacobs.

W. R. Ledbetter was admitted Tuesday to the hospital as a medical patient.

## SCS Sponsoring Essay Contest

The Lynn County Soil Conservation District is again participating in the Fort Worth Press "Save the Soil and Save Texas" Conservation Awards program.

On the local level, the district is sponsoring an essay contest for youth and in selecting an outstanding conservation farmer for the year.

The essay contest may be entered by any youth 19 years of age or younger. The theme for the essay will be "Conservation: The Key to Plenty". The essays should be mailed to the Lynn County Soil Conservation District, Box 413, Tahoka, by January 28th.

Awards by the local district will be \$15.00, \$10.00 and \$5.00 for first through third place essays. All essays submitted will also be entered in the Fort Worth Press Awards Contest which carries a state award of \$200.00 and plaques and medals for regional winners.

Essays should be 300 words or less. Further information can be obtained from any of the District Supervisors or the Soil Conservation Service. Information on the contest has been given to all schools in the district.

## Lady Dies Of Wreck Injuries

Funeral services are pending for Mrs. Billy Joe (Lydia) Bryant, colored, who died Tuesday afternoon as a result of injuries sustained in a one-car accident south of Tahoka early Monday morning.

Mrs. Bryant, who lived in O'Donnell, received several broken ribs, bruises and possible internal injuries in the crash.

Also injured in the wreck was R. C. Cook, also a resident of O'Donnell and an employee of Kerr Construction Co. He was taken to a Lubbock hospital by a White ambulance.

Mrs. Bryant was a member of the Macedonia Baptist Church. Survivors include the husband, a son, Forest Norvell; her parents, Mr. and Mrs. Ollie Hunter, O'Donnell; four sisters and two brothers.

Local arrangements were under direction of White Funeral Home.

## New Car Tags Available Feb. 1

New 1966 vehicle license plates will go on sale February 1 at the county tax office, and have white letters on black backgrounds.

The 1966 plates will bear the letters CHM, CHN, CHP, CHR and CHS, and after each such three letters the numeral will range from 10 to 999, states George McCracken, county assessor and collector.

Commercial plates will be IN 4475 to 5774 and farm plates will be 8F 3450 to 4949.

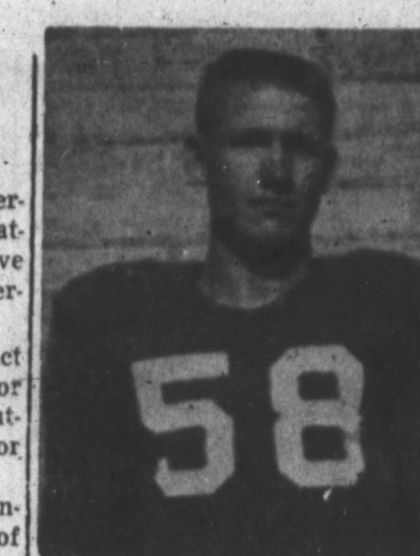

Mr. McCracken told The News a grand total of 10,177 vehicle licenses were issued in Lynn county last year, a slight drop from 10,435 the year before.

In categories, the total licenses issued for 1965 follow: Passenger cars, 4,042; commercial trucks and pick-ups, 1,110; farm trucks and pick-ups, 1,269; truck trailers, 61; motor scooters and motorcycles, 31; commercial trailers, 504; and farm trailers, 3,160.

Texas license plates are manufactured by inmate workers at Huntsville unit, Texas Department of Corrections, who completed the job of turning out the 13,237,689 plates for 1966 in record time at 11:10 a. m., Dec. 29. Already, the prison is preparing to start work on 1967 plates.

### Alex Sanders On Trip To Florida

Mr. and Mrs. Alex Sanders of Wayside and Mr. and Mrs. B. B. Hohn of O'Donnell leave today with a caravan of 10 Airstream trailer houses on a trip to Fort Meyers, Florida, where they will base while sightseeing and visiting for four or five weeks.

Mr. Hohn will serve as "wagon boss" for the trip.

The Sanders, now retired from the ginning business, have some farms and say "we can't take it with us" and make two or three of these trips a year and "have a ball" with other Airstream fans.

Last summer they went on a similar trip to Wyoming and Montana, and last September and October they made a trip to Minnesota and Michigan and states in between.

### Durham Predicts Happenings In '66

"Things to Come in 1966" was the theme of a New Year's talk filled with witticisms, philosophy, foolishness and some serious statements made by Dr. K. R. Durham at the Rotary Club Thursday noon.

Half joking, he advised his listeners to look on the situation with optimism. For instance, he said gin smoke smells like money to him.

However, he threw in a lot of statements that don't make the future look so good.

Our new Job Corps training program is costing \$6,000 per year per trainee, and a lot of these trainees don't want to work any how. This cost is four times the cost of sending the average young man or woman to college one year.

New legislation grants free hurricane insurance to communities on the seaboard, up to \$22,000 on a home destroyed by a wind-storm and up to \$75,000 on a business building.

Free medical and dental expenses are now to be furnished a lot of people. The leaders have made a big to-do about tax decreases, while on the other hand Social Security is being increased \$5 billion a year beginning this January 1.

This year, even without an increase in the cost of war in Vietnam, our Federal Government will have a deficit of \$10 billion. We are now paying \$12 billion a year in interest alone on the Federal debt. That's \$31 million a day.

More and more, politicians in our government are trying to take care of everyone.

Biggest job of the businessman today, he said, is to keep the government from "taking care of him."

"The government has too many people looking for somebody to help but the taxpayer."

Fred McGinty was in charge of the program, and Steve Thompson presided in the absence of the president and vice president.

Student guests for January are John Huffaker and Paul Douglas Kenley, who were introduced by McGinty and Ronald Sherrill, respectively.

Ernest Herring of Lubbock, a former member, was the guest of Winston Wharton.

### Gordon-Southland News

(By Mrs. Edmund Wilke)

Hello to each of you. Another week has gone by, and let me tell you this, it was a very hectic week for me. I just hope that this one is going to be a lot better, and I am sure that it will be. I have kinda been on the puny list, and when we don't feel well, things just don't look very bright, do they?

Mr. and Mrs. Tom Buchanan from Canyon ate dinner with Mr. and Mrs. Jack Hargrove recently. I haven't seen Tom and Ann in a year and I would like to have seen them. As you will remember, Tom was our coach here for a couple of years and we liked him very much.

Mr. and Mrs. J. L. Gary from Lubbock visited with Mr. and Mrs. Jack Hargrove recently.

Mr. and Mrs. Edmund Stolle from Corpus Christi visited in this community from Monday until Wednesday of last week. They visited relatives here and at Wilson and they took Mrs. Stolle's parents, Mr. and Mrs. Fred Steinhauer of Wilson, back to Corpus with them for a visit.

Mrs. Pauline Siewert fell a week ago last Sunday and broke her left arm. She was leaving her house for church and was walking across her yard when she fell. We wish for her a speedy recovery.

Mr. and Mrs. Arno Albrecht from Corpus Christi visited with Mr. and Mrs. Leo Stolle recently. Also visiting the Stollers was Mr. and Mrs. Winifred Hallman and children from Lubbock and Mrs. Kendall Holcomb and baby from Odessa. Mrs. Kendall (Charlotte) is the daughter of Mr. and Mrs. Hallman.

Mrs. Arthur Stolle underwent major surgery at Mercy Hospital in Slaton on Saturday morning. May God grant her a speedy recovery.

We would like to extend our deepest sympathies to Mr. and Mrs. Carl Wartes and family. Carl's mother died and was buried yesterday (Sunday).

Cpl. and Mrs. James Dupleschain and twin sons from Camp Pendleton, Calif., visited with Mrs. Nellie Mathis on Thursday of last week. Mrs. Dupleschain is the niece of Mrs. Mathis. They spent the night in Slaton on Wednesday with Mr. and Mrs. Walter Kellum and then came to Southland on Thursday.

We would like to extend our sincere sympathies to Mrs. Lena Lieske and her family. Mrs. Lieske's sister, Mrs. Anderson of San Angelo, passed away on Saturday and her funeral was held here at the Southland Cemetery today (Monday).

Mr. and Mrs. Cecil Cummings from Buchanan Lake visited with Mr. and Mrs. Ed Cummings last week. Cecil used to be a barber at Post and then they retired and moved to Lake Buchanan, and Mrs. Ed Cummings said that they just love it down there. They said that the fishing was real good right now. So how's about it—let's all get our fishing poles out of moth balls and go down to Lake Buchanan and do a little fishing? Wouldn't that be nice?

Speaking of fish, I talked to Mr. and Mrs. Clark Barton this afternoon and they were talking about going fishing pretty soon. At least they were wanting to go, and goodness sakes, I hope that they get to go. Wish I could go with them!

Mrs. Lucille Myers called me this morning and it was good to talk to her once again. She has more or less been out of circulation around here since Ned had his terrible truck accident. She said that he is getting about pretty good now, but still has a long way to go. He went to church here on Sunday. Their plans now are that Ned and family will move here to Southland to live while Ned is recuperating.

Mr. and Mrs. Jack Myers had all their family home with them on Sunday. Also visiting with the Myers was Mr. and Mrs. Alex Fry from Spur.

Mrs. Irby Boyd, Mrs. Ronnie Ragland and Mrs. Jack Myers honored Mrs. Sharon Ragland with a bridal luncheon on Saturday at Youngblood's in Lubbock. Twenty-one guests attended.

Mr. and Mrs. Dee Hodge went to Anson on Sunday to visit with Carolyn Sue's father, Mr. Tom Kasinger.

Mrs. Herbert Dunn and Dayneen, Mrs. Earl Lancaster, Mrs. Jack Hargrove and Mrs. Weldon Callaway attended a bridal shower on Saturday night for Miss Wanza Windham, bride-elect of Robert Mock. Later in the evening, they went on to Post to visit with Mr. and Mrs. Hub Haire and to see their new home.

Mr. and Mrs. Jack Hargrove and Joe Neil went to Crosbyton on

### SISTER SERIOUSLY ILL

Mrs. Ella Hodges, 86, sister of L. H. Moore Sr. and aunt of Mrs. Cap Rowe, is seriously ill in an Austin rest home. Mr. Moore learned Saturday. She was taken to a hospital there in critical condition Thanksgiving, but has recovered sufficiently to be moved to the rest home. Mr. Moore says she is known by a number of Lynn county people, having visited here several times.

The president urges each one to attend the meeting as officers for next year are to be elected. Included on the program will be "Preservation of Native Birds and Why Protect Them", by Mrs. R. M. Stewart. "Indoor Gardening" will also be discussed. Roll call will be "Resolutions for My New Year's Garden."

Arrangements, of which the theme is "Glorifying the Woodpile," will be made by Mmes. Hubert Tankersley, Roy LeMond, Terry Noble and W. T. Kidwell. The ladies will use driftwood with dried or artificial flowers in the arrangements.

### AAUW Branch Has Meeting In Tahoka

Tahoka Branch of American Association of University Women met in the Tahoka Farm Bureau conference room Monday, Jan. 3rd.

Mrs. Warren Smith described the religious influences and the leaders of China.

Mrs. E. L. Blankenship discussed the "open door" policy for China and the U. S. resistance of Japanese efforts to violate the "open door" policy. This resistance was one reason for Japan's attack on the U. S. in World War II.

The next meeting will be on Jan. 31, instead of the regular meeting of Feb. 7, and will be in Wilson High School library at 7:30 p. m.

### Mrs. Bill Davis Is TFWC Candidate

Mrs. Bill W. (Virida) Davis of O'Donnell, currently state treasurer, has been nominated as a candidate for secretary of the Texas Federation of Women's Clubs.

Her nomination has been presented by Caprock District officers and also by the three O'Donnell Federated clubs, 1946 Study Club, Mrs. Carr Spraberry, president; 1939 Study Club, Mrs. John Etter, president; and Entre Nous Study Club, Mrs. Glen B. Brewer, president.

Mrs. Davis has long been active in study clubs, and has served as officer on the local, district, and state level.

She has been owner and operator of O'Donnell Telephone Co. for twenty years. She was born and reared on the South Plains.

Mrs. Davis has also been active a long time in civic and church work. She served five years as superintendent of the young married people's department of the Baptist Sunday school, has been head of the Chamber of Commerce, the Heart Association in her community, even helped promote the O'Donnell rodeo, and has had a hand in many other civic moves.

### Local Lodges Will Install Officers

Tahoka Rebekahs and Oddfellows are having a joint installation service tonight, Friday, at 7:30 p. m. in the community center.

Officers of the Rebekahs to be installed include: Noble grand, Dale Singleton; vice grand, Evelyn Burr; recording secretary, Willie Mae Childress; financial secretary, Leona Waldrip; and treasurer, Gertrude Schuknecht.

Oddfellows officers are Noble Grand, L. H. Bain; vice grand, Tom Chandler; recording secretary, Maurice Jackson.

Following the installation services sandwiches, coffee and doughnuts will be served those attending.

### Tahoka H. D. Club Plans Activities

Mrs. Jackie Henry was hostess Thursday of last week for the first meeting of the year of the Tahoka Home Demonstration Club.

Mrs. Billie Carr and eight club members were present to discuss and vote on business, programs and projects for the year 1966.

The local club is in need of new members and any woman in Tahoka is invited to join. Things will be done that will be of interest to everyone in the community.

Members of the club have planned a "42" party for Feb. 5 at 7:30 p. m. in the community center for raising money to buy a set of encyclopedia for the County Library. Tickets will be \$1.00 each.

Last week's program was on the planning of yearbook programs, which was discussed by Mrs. Carr. Refreshments were served following the program.

Mrs. Roger Partain will be hostess at the next meeting on Feb. 3 from 3:00 to 5:00 p. m. Anyone interested may attend.

### CARD OF THANKS

We would like to take this opportunity to thank all who came to our aid in this time of need. We would like to thank those who devoted their time and effort to our needs and to those who sent cards and flowers. Our deepest gratitude is expressed to you. Thank you.—R. G. Medlin family. 1tc.

### CARD OF THANKS

I would like to thank the New Home community for being so nice and thoughtful to gather my crop during my recent confinement in the hospital. You never know what it means to have friends until you need them and the only way I can think of to show my appreciation is by saying, "Thank you." C. B. Harston. 1tc.

### SCS District Is Given Citation

The Tahoka Work Unit of the Soil Conservation Service has been awarded a certificate of merit by the Department for sustained above average work performance from July 1, 1964 to the present.

The award cited the Tahoka Work Unit for superior performance in assisting the Lynn County Soil Conservation District in basic conservation through orderly development and use of soil, water, and plant resources. The award was signed by H. N. Smith, State Conservationist, at Temple.

W. S. Goodlett, Jr., Area Conservationist at Big Spring, nominated the local work unit for the award and commented that the unit had achieved the best overall production record in the Big Spring area.

Members of the local state cited

in the award were Blake Lovelace, work unit conservationist, and Don Reed, Walter Bertsch, William Aaron and Bland Draper. Bertsch has since transferred to Andrews as head of that work unit office.

Each received a copy of the Certificate of merit, a personal letter from Mr. Smith complimenting them on their performance, and a cash award.

### Jacobs . . .

(Continued from Front Page)  
for "the wonderful influence you have had over the young people of Tahoka these many years," and presented a plaque bearing the words engraved "In appreciation for helping make men of our boys."

Rev. Gordon Smith, Shallowater Baptist pastor, speaking for ex-litern, claimed Jacobs had been a great influence on his life and the lives of many other boys, and declared his greatest desire would be to have his son play under "Coach" or a man like him.

Walker read a telegram from Fred Hegl, SMU senior stating "A word of thanks to one who has helped develop so many men. I truly appreciate the guidance and inspiration that you gave me. Best wishes at Bovina. I will miss you."

Presentation was then made by the Bulldog Booster Club of an engraved plaque "To Jake Jacobs, in appreciation for more than 18 years of service and as a leader of the youth of our community."

Apparently deeply touched by the tributes and turnout, Jacobs responded with a plea for people to back up their teachers, whose unselfish goal is to teach their children and to build character in them; to remember that some times a coach or teacher has to step on the toes of their children but it is for the children's good.

The teacher and the coach, he said, have a hard job at best and need all the cooperation possible in building men and women—although he sometimes has to work in the face of criticism and false rumors.

He said his code of life had been acquired from his parents, from his early teachers and from the Coaches' Code of Texas Interscholastic League, the essence of which is "to play the game in the spirit of fairness and clean sportsmanship; to observe all rules and not to attempt to 'beat the ball' or coach from the sidelines, because this can be done without the knowledge of the referee; or to resort to trickery in equipping or preparing players; to accept decisions of officials without protest, and to see that proper precautions are taken for their protection and safety; to treat your opponents as your guests, and to put clean play and real sportsmanship above victory. This means the ability to win without boasting and to lose without grudge. Victory is no great matter. The important thing in sports is the manly striving to excel and the good feeling it fosters between those who play fair and have no excuse when they lose."

Registration table was decorated with copies of The Lynn County News bearing pictures of the coach and school athletes, outlined in blue sequins. In the center was a tiny covered wagon in a field of yellow roses bearing the inscription "to Bovina or bust," a campfire surrounded by pictures of Jake, Pat, Vicki, Becky and Fran, and opposite this setting was a miniature red school house.

The serving table was covered with a white lace linen cloth, and the centerpiece was red carnations and white mums. Coffee, punch and cookies were served.

Hosts and hostesses were: Messrs. and Mrs. Sam Edwards, Bulldog Booster co-presidents; James F. (Sonny) Roberts, vice president; E. W. Patterson, secretary; Albert Curry, treasurer; Maurice Huffaker, Robert Harvick, E. L. Short, Roy Edwards, "Colton" Carter, Skiles Thomas, Rufus Slover, and H. B. McCord Jr. Many other people helped with the occasion.

Cotton is the life-blood of Lynn county economy.

### Don Blair . . .

(Continued from Front Page)  
lieutenant on graduation from West Texas State University in 1960, and was making the Army a career.

Among citations earned in service was a very unusual one. While a member of an airborne division at Fort Benning, Ga., he received a certificate of achievement from the 2nd Infantry Division.

He visited Tahoka early last summer en route to Viet Nam, where he has served seven months and was scheduled to return to the States this summer. He was a member of Advisory Team No. 89 in Viet Nam.

Donald Blair was born at Hawley, north of Abilene, March 11, 1938. The family moved to Tahoka when he was six, and he grew up here. He was an outstanding athlete in Tahoka High, where he graduated in 1956, was a star fullback on the Bulldog football team and was named to the Class AA all-district team. He was also outstanding in track.

He attended West Texas State on a football scholarship, and his parents moved to Canyon with him. At West Texas, he lettered three years as a fullback and was outstanding on one of that school's finer teams, although he was sidelined much of his senior year with a kidney injury.

He was married while in college in 1958 to Miss Bonnie Evans, a Hale Center school graduate, now attending college, and living at 1709 Sixth Ave. in Canyon. They have two children, John Scott, 6, and Sara Sue, 4.

His parents, Mr. and Mrs. L. R. Blair, live at 2708 Third Ave. in Canyon. He is also survived by a brother, Parker Blair of Dallas, and two sisters, Mrs. C. M. (Laverne) Lambert of Hawley and Mrs. Carl Gene (Janice) Spears of Tahoka. B. L. Parker of Tahoka is an uncle.

A financial report made by Secretary Maurice Small showed all bills paid and a nice balance in the treasury.

E. L. Short asked for encouragement and support from business institutions of the annual Rodeo planned the last of April. The Rodeo has been built up on a self-sustaining basis and no donations or financial help have been asked for from business men.

Short said the Rodeo brings a total of about 5,000 people to town for the three day run.

Sixteen members of the board were present for the meeting, the highest percentage in many months.

### Dinner Given For Jacobs By Teachers

(Contributed)  
North Elementary personnel, husbands and wives, honored their outgoing principal and wife, Mr. and Mrs. Jake Jacobs, with a dinner at Al Smith's cafeteria Wednesday evening.

The group presented Mr. Jacobs a plaque with the engraving, "In appreciation for his high ideals, inspiration and leadership as principal of North Elementary School, 1956 to 1966," and bearing the names of all teachers and other personnel of North Elementary.

They also presented him a gold wrist watch, also bearing an inscription, and presented Mrs. Jacobs an arrangement of flowers. To keep things lively, each teacher presented Jake a "gag" gift.

Mrs. Harold Green served as mistress of ceremonies.

Table decorations included a little red school house and pipe cleaner figures with pictures of teachers stuck on these figures waving "Good Bye" and a sign said "Good luck, Jake." A flower arrangement with little banners said "happiness, success, and health." There was a little red car bearing pipe cleaner figures, with pictures of the Jacobs family in the car, following road signs to Bovina along the table. Down the center of the U-shaped table was ivy, pencils, rulers, scissors, crayons, etc.

### School Okay . . .

nurse, one full-time speech and hearing therapist, and one full-time special education teacher.

High school curriculum makes available all subjects required by the State Board of Education and a number of elective subjects. The curriculum, however, is largely college oriented and affords an extremely limited number of courses that might be of practical benefit to terminal students.

Curriculum for grades seven and eight, based on eight 45-minute class periods daily, met accreditation standards relative to instructional time, required subjects, and electives. A well planned and effective program for reading improvement was observed in grades seven and eight.

Elective subjects, however, afforded little variety of educational experiences, including only band and a second course each in science and physical education.

Official accreditation visits have been made to the Tahoka School system on three separate occasions. Because of plans approved for major school improvements

reported during the 1963 visit, no visit was made during the 1964-65 school year in order to permit time for completion of construction and renovation.

Since the first accreditation visit in 1961, the district's total assessed valuation has increased from approximately \$9,700,000 to \$13,512,958, the staff from 49 to 56, and total enrollment from 1068 to 1123.

Following the 1961 and 1962 accreditation visits the district was warned of violations of accreditation standards resulting from the most part from inadequate physical facilities, insufficient operational funds, and a serious imbalance between the separate school for Negro pupils and the larger school for white pupils.

During the 1965 visit, the following was noted:

The district has established a financial plan which, with continual community support and good management, should support present operations and provide for further development of the educational program.

Relationships between administration and the board of trustees, and between the school and com-

munity are reported to be excellent. There are numerous examples of good community attitude and pride concerning impressive school improvements made during the past two years.

Although nine teachers had minor discrepancies relative to college preparation or certification, each had a plan on file for removing deficiencies. Most teaching and administrative procedures at all grade levels were of high calibre.

Physical facilities are attractive, functional, and presently provide a number of excess classrooms for increasing enrollment. At a cost of \$573,158.24, a new high school plant was provided and all old buildings were completely renovated. The new quarters were completed before January, 1965, and were occupied during the spring semester of the 1964-65 school year.

School officials and patrons have exhibited an attitude of cooperation toward complying with accreditation standards and providing good educational opportunities.

The following comments concern instructional areas in need

of further improvement or development:

1. The central library served students in grades seven through twelve. Spacious, well arranged quarters were provided with appropriate and attractive furniture. The librarian had done an excellent job of organizing, categorizing, and marking books so as to make them easily accessible to students. The variety and quantity of books available to support instruction in Texas history and geography were extremely limited. Books and materials to support high school science were in greater supply; however, there was need for more variety of current issues and more modern materials related to this subject area, as well as a need for duplicate copies of certain volumes receiving concentrated use by students. The addition of short novels or of simple vocabulary readers were needed to enrich and further support instruction in Spanish.

2. Although a considerable amount and variety of visual type instructional aids were observed in the two elementary schools, audio-visual equipment consisted only of one 35-mm filmstrip pro-

jector with filmstrips appropriate for grades four through six, and several record players.

Recommendation. It is recommended the Tahoka Independent School District be cleared and carried as a fully accredited twelve-grade school.

Mrs. J. H. Huddleston was dismissed from Tahoka Hospital last Saturday where she had been a medical patient.
