The Lynn County News

Tahoka, Lynn County, Texas, Friday, January 28, 1966 Number 18

Serving Tahoka and Lynn County Since 1903!

Mothers March Is Set Monday Night

Annual Mothers' March to raise funds to help stamp out polio and treat victims of birth defects will be held Monday night under sponsorship of Pythian Sisters, Miss Dorothy Kidwell in charge.

Citizens of the town are asked to leave their porch lights on, have their dogs tied up or penned, and have a contribution ready to help this worthy cause.

The house to house drive will be started by sounding of the city fire siren, Fire Chief Pat Patterson announces.

Not only members of Pythian Sisters, but other ladies of the town are asked to report at WOW Hall by 6:30 p. m. and help with the drive.

Boy Scouts recently put collection containers in most stores, where citizens are asked to drop the contributions.

Also, 1,000 mailing pieces were recently sent out containing envelopes in which citizens may mail in their check contributions to Garland Thornton at First National Bank.

When no answer is received by ladies in the Mothers' March, an envelope will be left and citizens are requested to use these to mail in contributions to J. M. Uzzle, treasurer.

Clifton Clark, chairman of the National Foundation fund drive in Lynn County, says contributions so far have come in very slowly.

National Foundation has spent more money on Lynn county polio victims than it has taken in during the last several drives in the county.

Special Program At PTA Tuesday

The film, "Operation Teenager" will be the main attraction for the Tahoka P-TA meeting on Tuesday, February 1, according to Mrs. Wanita Kelley, president.

"Operation Teenager" is a program produced under the guidance of the Texas Attorney General which had its beginning in the conscience of four inmates in the State Penitentiary who came to the conclusion that serving a sentence doesn't repay a thing. They felt that the only real contribution that they could make would be to steer others away from the mistakes that they have made. Since the crucial time in their own experiences was in their teenage years, they agreed that the teenagers in every Texas community should have an opportunity to be warned that they might be discouraged from a life of crime by hearing their stories revealed frankly and honestly.

Last fall, four convicts from the Texas Department of Correction at Huntsville presented a program to a person before the Tahoka High School and Junior High Student Bodies, and before the Tahoka Rotary Club, and since it was so well received, it is expected that many parents and teachers who were unable to attend these programs will want to see and hear this film presentation of these poignant stories of men telling their own version of the circumstances which led them on their life of crime.

Everyone is invited to attend this P-TA meeting and view this film next Tuesday night, February 1, at 7:30 in the Tahoka High School auditorium.

Help keep our town clean!

School Census Deadline Near

Annual scholastic census is being taken this week, and all parents are being requested to make sure census blanks are returned to schools.

Those having children who will enter the first grade next fall are especially advised to make sure their beginners are enumerated.

Since blanks have been sent by school children to parents, those who do not now have students in school but will have a child that will be six years of age on or before Sept. 1, 1966, should report the same.

In Tahoka district, such children may be reported to Mrs. Freda Gage, secretary to Supt. Harold Reynolds, phone 998-4538, and blanks will be sent to these parents.

Students enumerated in the annual census are those six on or before next Sept. 1, 1966, and not over 18 on this same date.

Census blanks must be completed and in the hands of school authorities by next Monday, January 31.

Property Tax Deadline Here

Next Monday, January 31, is the last day for paying property taxes to state and county, school districts, and cities.

After January 31, taxes for 1965 become delinquent and the law requires that penalty and interest be applied.

Local tax collecting agencies report that collections have been very good this year, but some people still have not paid.

The county tax office will remain open all day Saturday and until midnight Monday for convenience of those who have not already paid their taxes, George McCracken announces.

Trees Planted On Arbor Day

In spite of the snow and cold, the Arbor Day program sponsored by Tahoka Garden Club Friday afternoon on the lawn west of the City Hall went off on schedule. Three fruitless mulberry trees were planted following a brief program.

Mrs. Dorothy Kenley opened the program with a prayer; Mrs. Billie Carr, home demonstration agent, gave the origin of Arbor Day; Mrs. J. W. Martin presented the poem "Trees" by Joyce Kilmer; and Mrs. Hubert Tankersley, president of the Garden Club, turned the first shovel of dirt.

Others present included City Council members, Garden Club members and some of their husbands, County Agent Bill Griffin, Blake Loveless of the Soil Conservation Service, and others.

New Manager At Local Lumber Yard

Marvin Munn is the new manager at Shamburger-Gee Lumber Co. here. Mr. Munn has lived here most of his life and has been in construction work.

Ted Ratcliff, manager for several years, has moved to Lubbock but will continue to work at the yard here and commute back and forth from Lubbock.

Mr. Ratcliff says, contrary to rumor, the local Shamburger-Gee business and building is under the same ownership that it has been under since 1946.

72 YEARS TEACHING—Mr. and Mrs. Homer L. Miller, superintendent and teacher at New Home, will retire at end of the current school year after 38 and 34 years, respectively, in the school business. They expect to live on their stock farm near Durant, Okla., and do some traveling over the nation.

C-C Banquet Date Set, Board Named

Tickets are going on sale this week end for the annual Farmer-Businessman banquet of Tahoka Chamber of Commerce at which the principal speaker will be Dr. Leon Hill, Amarillo minister, who is one of the most popular humorist-philosophers of the Southwest.

The banquet will be at 7:30 p. m. Monday, Feb. 21, in the school cafeteria, and tickets at \$2.00 each may be secured at either drug store or from any C. of C. director, or the secretary, J. M. Small, states John Wells, president of the Chamber of Commerce.

Ten new directors have been elected by a mail vote of C-C members. They are: H. B. McCord Jr., E. L. Short, Calloway Huffaker, Harold Roberts, Horace Rogers, Clint Walker, Wayne Waters, Garland Thornton, "Cap" Whorton, and Jerry Cain.

Holdover directors are: Wells, Irvin Dunagan, Warren Embree, Clifton Clark, Frank Hill, Charles Townes, Dayton Parker, and Bob Haney, and the Jaycee president is an honorary member of the board.

Lynn County Soil Conservation District cooperates with the Chamber in the banquet, and awards will be presented at the meeting to the outstanding conservation farmer of the year and winners in the high school essay contest on conservation.

The banquet is open to everyone in the county, not just to Chamber of Commerce members. In fact, farmers and their wives are especially encouraged to attend.

The program is usually an outstanding one, and this year's speaker is said to be one of the best on the banquet circuit in the Southwest.

Wilson's Spanish Mission Opening

Services will be held in the Church of Christ at Wilson for the first time Sunday, January 30.

The new Spanish minister arrived this week from Snyder with his wife, Julia and two small children.

Bible classes will begin at 9:45 a. m., and worship services at 10:45 Sunday morning. Evening services will be at 6:00 p. m. Wednesday Bible study will begin at 8:00 p. m.

The building for the church was purchased recently by area congregations at New Home, Slaton, and Gordon, and the church will be under the oversight of the New Home Church of Christ.

Lessons will be in Spanish for the present time.

Mrs. T. C. White was admitted to Tahoka Hospital this week as a medical patient.

Snow Is Some Help

Only 1390 Have Paid Poll Taxes

Unless they pay their poll taxes by Monday, a lot of Lynn county people will not be able to vote in the several important elections this year.

Only 1,390 people had secured poll tax receipts up to 3:00 p. m. Wednesday, according to George McCracken, county tax assessor and collector.

This compares with a total of 2,746 who paid poll taxes two years ago, the last time for election of state and county officials; however, that was a presidential election year.

Poll tax receipts are still required in Texas for all but Federal office candidates such as president, U. S. senators and congressmen.

Payments were beginning to pick up this mid week, though, and Mr. McCracken expects a big rush from here on out.

To facilitate payment of poll taxes and property taxes, Mr. McCracken says the county tax office will remain open all day this Saturday.

The tax office will also remain open until midnight Monday, January 31.

The rest of the week, there will be poll tax substations at Piggly Wiggly No. 1 and No. 2 stores in Tahoka and at Ted Rogers' New Moore Store.

Poll tax receipts may also be had at Moore Insurance Agency in O'Donnell, the Co-op gin office and School District office in Wilson, and at the Co-op gin office in New Home.

When statements on property taxes are mailed out, poll taxes statements are not included. For this reason, some may have overlooked paying poll taxes when they paid their property taxes.

Schools Closing Will Be Announced Over Radio Station

Tahoka was one of the schools in this area that did not close last Friday because of bad weather. Buses ran in rural areas but did not get off the pavement, and attendance was a bit abbreviated.

Supt. Harold Reynolds says that anytime there is very bad weather, patrons may tune in on KSEL radio early in the morning. If no announcement is made to the contrary, Tahoka will be having school.

EDWARDS IMPROVING

M. H. (Marcus) Edwards is showing continued improvement lately and has come down town some in the car.

MRS. J. V. HUDDLESTON

Mrs. Huddleston Buried Friday

Mrs. J. V. Huddleston, 88, a resident of Grassland community for 50 years, died Wednesday night of last week at the home of a daughter, Mrs. Grover (Ella) Bruster in Gordon community.

She had been ill since early in July, and had been confined to her bed at her daughter's every since.

Funeral services were held Friday in First Baptist Church of Post with the pastor, Rev. Joe Vernon, and Clarence Drake, minister of Grassland Church of (Continued on Back Page)

Teddy Dockery Gets Army Medal

Teddy L. Dockery, son of Mr. and Mrs. Ted L. Dockery, 1925 70th Street, Lubbock, formerly of the Grassland community, was recently notified by the Secretary of the Army through his unit that he was the recipient of the Army Commendation Medal for meritorious service in the Republic of Viet Nam.

Dockery was released from active duty in November, 1965, after spending over seven months in Viet Nam.

The Citation reads in part, "For the performance of exceptionally meritorious service in support of the United States objectives in the counter-insurgency effort in the Republic of Viet Nam. Through his outstanding professional competence and devotion to duty he consistently obtained superior results. The loyalty, initiative, and will to succeed that he demonstrated at all times materially contributed to the successful accomplishment of the mission of this command. His performance was in the best traditions of the United States Army and reflects great credit upon himself and the military service."

The certificate, which accompanied the citation and medal was signed by General W. C. Westmoreland, Commander of troops in Viet Nam, and Secretary of the Army Stanley R. Resor.

He is a 1959 graduate of Tahoka High School and a 1963 graduate of Texas Tech.

Agent in Training At Local Office

Laverla Gruben, who completed his work for a B. S. degree in agriculture at Texas Tech last week, is junior assistant county agent in training here under County Agent Bill Griffin, going to work the first of this week.

Mr. Gruben was reared at Rotan, and his wife Alice is from Plainview. They are living in the 1300 block of Avenue H.

Monday is the last day for paying Poll Taxes.

Damp, cold weather beginning Tuesday of last week, followed by snow which totaled approximately 6 inches and .56 inch of moisture has halted most farming operations, but the moisture was welcomed by the South Plains. More moisture, along with cold, is possible today or Saturday, the Weather Bureau predicted Thursday morning.

Temperatures during the past week ranged down to two degrees in Tahoka on Saturday morning, eight on Sunday, 14 on Monday, seven on Tuesday, 10 on Wednesday, and 13 on Thursday. Highest temperature ranged from 24 on Saturday to 45 on Wednesday.

Snow was still on the ground in large patches this Thursday. Outside of a few frozen pipes, a few stalled cars and some minor fender-bendings, no damage was reported here.

Most of the gins are entirely caught up, but a few gins still have a backlog of cotton in trailers on the yard and all of them expect to gin a few more bales.

In the south part of the county there is still some cotton in scattering fields, possibly some to be "scrapped" in other parts of the county, and many have "bollies" piled up to dry and some of these will be ginned.

Last week, The News estimated ginnings at 175,000 bales and further reports from gins this week indicate this figure will stand up. In fact, some people predict the ginnings may go as high as 185,000 bales.

With only 166,000 acres actually harvested, this will be the largest crop per acre ever harvested in Lynn county, and approaches the all-time record set in 1949 when Lynn county produced 186,696 bales, although this was from an estimated 310,000 acres.

Mrs. Carter In Treasurer Race

Announcing this week as a candidate for the office of Treasurer of Lynn County is Mrs. Herbert (Margaret) Carter.

A resident of Lynn County for almost 20 years, Mrs. Carter has been active in both business and civic affairs. Having already acquired many years of bookkeeping experience prior to coming to Tahoka, Mrs. Carter shared joint responsibility in the operating of the Carter Insurance Agency. Since the sale of the local agency, Mrs. Carter has remained a part of the Tahoka business scene as owner and operator of Margaret's Knit Shop.

"Dealing with the public for a number of years makes me feel confident that my qualifications deserve consideration of all the qualified Lynn County voters," she says. "I also believe the office of County Treasurer is a full time job and I will be prepared to give all my time to the duties of this office."

Currently Memorial Chairman for Lynn County Heart Fund, Mrs. Carter also worked many years with the County Cancer Crusade, as well as with many other civic activities.

Margaret is a member of Eastern Star, has worked for some six (Continued on Back Page)

County Agent Bill Griffin Discusses Impact Of New Farm Program

County Agent Bill Griffin discussed the new cotton program which goes into effect this year and which is the law for the next four years before Tahoka Rotary Club last Thursday.

He emphasized that business men have just as big a stake in the program as the cotton farmer.

He explained the four choices a farmer has under the program, namely, staying out, planting his effective allotment and selling on the open market, whatever that may be, now estimated at about 18 cents per pound; or complying and diverting 12.5, 25 or 35 percent.

He gave examples of the latter three diversion options a farmer may take, and said each farmer and landlord should figure which will meet his particular case better for all concerned. Most farmers seem inclined to take the maximum domestic allotment diversion of 35 percent.

This will have a big impact on South Plains business. The farmer will receive virtually the same amount of money for diverting 35 percent as for the minimum 12.5 percent, but will work intensively less acre.

This means there will be less fertilizer to buy, less irrigation, less equipment; in fact, less supplies to buy of all kinds. He will concentrate on fewer acres and try to produce more, but this will not necessarily be possible.

In spite of explanations in the press, there are still misunderstandings about several provisions of the new farm bill.

The Secretary of Agriculture has the power to cut the diverted acreage payment rate even to zero if he so desires.

The farmer will secure price support payment only of the domestic allotment, which is 65 percent of the effective allotment. Thus, if the allotment is 100 acres, he must divert at least 12.5 acres more to comply, leaving 87.5 acres to plant.

He may plant skip-row, but there is a penalty in acres except where he plants four-in and four-out or two-in and four-out.

Impact of the program may be found, Griffin said, in the fact that the program is expected, weather being normal, on the loss of \$10.00 per acre income from South Plains cotton acreage. Since Lynn county has a base allotment of 176,000 acres, this would mean a loss of \$1,760,000 in income to Lynn county farmers.

Also, under the new milo program, the loss in income is estimated at \$3.00 per acre, which would mean another total loss in Lynn county of about \$600,000 income on the approximately 200,000 acres of grain.

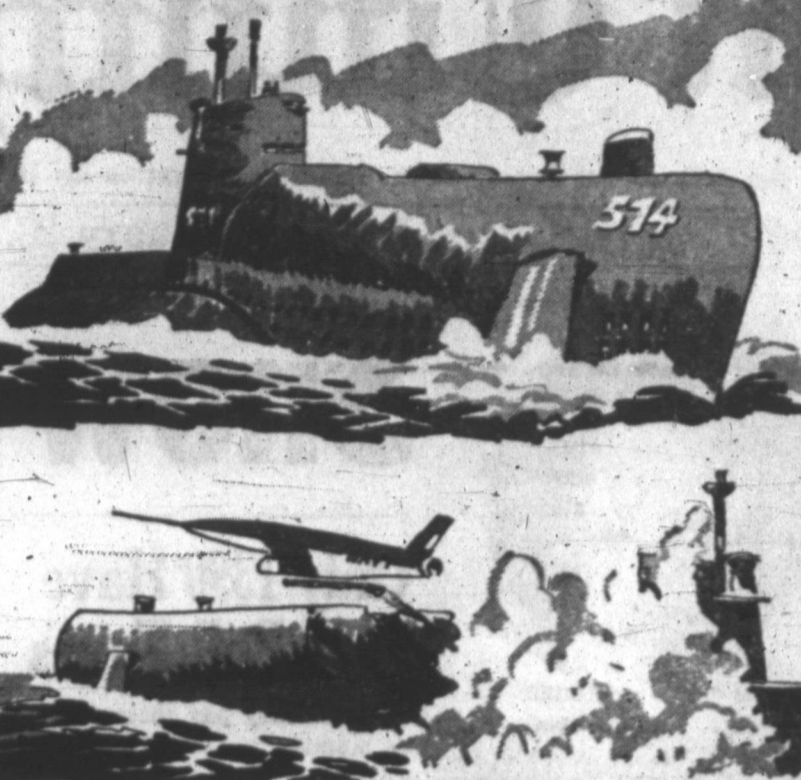

Mr. Griffin brought out another interesting point. He said right now much is being made, somewhat falsely, that most Plains cotton goes into the loan and that the big reason for the huge surplus of cotton in storage is low grade Plains cotton.

He cited 1964 figures of U. S. Department of Agriculture as of August 1, 1965, to disprove this argument.

Of 11.4 million bales of upland cotton in CCG inventory, only 2.3 million bales were 15-16th staple length and only 3.8 million bales less than 1-inch, while there is a total of 7.6 million bales in storage 1-inch or more, 3.3 million of the latter being 1 1/16 inch.

Mrs. Woodworth's Sister Dies Suddenly

Mrs. Ruby Ward, sister of Mrs. C. E. Woodworth, passed away suddenly of a heart attack Wednesday, Jan. 19, at the home of a son in Fairfax, Okla. where she had made her home for three years.

Funeral services were in Duncan, Okla., her former home, Saturday afternoon at 2:00 p. m. and burial followed there.

The Woodworths were unable to attend due to bad weather and impassable roads.

Fred McGinty was in charge of the program and introduced the speaker.

Warren Embree called attention to a service being offered by Grain Producers Association to help farmers arrive at a decision by use of computers.

Student guests Paul Kenley and John Huffaker were introduced by Clifton Gardner.

Central News

(Mrs. R. L. Craig)

The Central Baptist Church had their dedication services Sunday.

Dr. W. M. Turner of Lubbock delivered the main address Sunday morning. Afternoon speakers at the homecoming were Rev. A. T. Nixon and Rev. Raymond Walker, both of Post, and Rev. Welch of Lubbock. Special songs were by Carline Walker and several young people from Post.

Mrs. Mable Smith gave the church history which was greatly enjoyed by all present. There were several visitors from other churches.

Rev. Jess DeBord of Lubbock is pastor of the Central Church and Bill White of Lubbock is song leader.

Sympathy is extended to the Huddleston family upon the passing of their mother, Mrs. Melissa Elizabeth Huddleston, who had been making her home with her daughter, Mrs. Grover Bruster. She had lived in Lynn county many years and will be greatly missed by all her friends and neighbors.

Karen Laws and a girl friend and Delbert McCleskey of Bethany College of Oklahoma came home and spent the week end with their parents, the Kelly Laws and Hoolie and Layern McCleskey.

The L. A. Enloes are moving back to Slaton where he works for the Santa Fe Railroad.

Mr. and Mrs. Raburn Fitts and son are moving to the Enloe farm.

Cherri Norman will be home this week from Waco to spend a few days with her parents, Mr. and Mrs. A. L. Norman and other relatives.

Laura Gerner of Lubbock spent the weekend with her parents, Mr. and Mrs. Amos Gerner.

Mrs. Lorene Gerner visited her mother, Mrs. Haley last Monday. Ella Witcher is in the Lubbock Methodist Hospital. She has hepatitis. We wish her a speedy recovery.

Mrs. Maurine Chesser of Waco writes she reads the Lynn County News and enjoys it very much. Maurine and Earl Chesser were married in Lynn county on July 14, 1928, and lived in this county several years before moving to Waco. They have one son, Clyde that goes by the name Barefoot Chesser. He is the announcer for a musical group that puts on programs all over the states.

Ray Frushay and Larry Butler play for him. Ray Frushay and wife have visited with me. Maybe sometime we can get them to come up and play at the Hootenanny program. They play lots of Western music.

Mr. and Mrs. Norce Workman and family have moved to the Alton Greer farm.

Mary Lee Laws and children were Friday night guests of Ruth Ingle and family.

Our community had a 3-inch snow last Thursday night. We still have lots of snow on the ground. Maybe this hard freeze will kill some of those boll weevils people are talking so much about. Trees are all covered this morning and lots of phones are not working out our way. Winter has really come.

Robert Smith, Miss Ragland Married In Alpine Last Week

The Methodist Student Union Chapel on the campus of Sul Ross College, Alpine, was the scene of double ring wedding vows read for Miss Sharron Gayle Ragland and Robert Smith at 4:00 p. m. Wednesday, January 19.

Rev. Edwin Chappell, pastor of the First Methodist Church of Alpine, officiated.

Parents of the couple are Mr. and Mrs. Frank Ragland of Afton, and Mr. and Mrs. Ross Smith, Tahoka.

Miss Sherry Abel of Kermit served as maid of honor, and Clayborne Clark of Stamford was best man.

The bride wore a blue knit suit with light beige accessories and carried a white glabella bouquet atop a white Bible.

After a trip to points in New Mexico the couple is at home in Alpine where the groom is a senior at Sul Ross State College.

Stephen Ellis Will Wed Miss Kuehler

Miss Glenda Kuehler, Lubbock, and Stephen Ellis of Tahoka will pledge wedding vows March 5 at St. Elizabeth's Catholic Church in Lubbock. Father O'Brien will officiate at the double ring ceremony.

Parents of the couple are Mr. and Mrs. C. A. Kuehler, 407 North C Street of Brownfield, and Mrs. Helen Ellis of Tahoka.

Attendants to the couple are to be Sheri Kuehler, sister of the bride-to-be, and Mike Huffaker, cousin of the bridegroom.

The bride-elect is a graduate of Brownfield High School and Jessie Lee's Hair Design Institute. Her fiancé graduated from Tahoka High School, attended McMurry College in Abilene for a couple of years and is now a student at Texas Tech.

The couple will make their home in Lubbock.

Mrs. Jerry Cain Is Speaker At Guild

Mrs. Jerry Cain spoke last Thursday evening to members of the Wesleyan Service Guild and Woman's Society of Christian Service at a salad supper given by the W.S.C.S. honoring the Guild in commemoration of Guild Month.

Mrs. Cain, a graduate of Baylor University with a degree in sociology, is a welfare worker for the Child Welfare Department of the State Department of Public Welfare. Before coming to Tahoka in her present capacity from Dallas, she was assistant juvenile probation officer of Dallas county.

Mrs. Cain gave a most interesting review of her work with this department, inviting the cooperation of concerned persons throughout this area in child welfare.

Mrs. Clayton Carter and John Wells, accompanied by Mrs. Wells at the piano, sang two hymns. Mrs. H. W. Carter, president of the W.S.C.S. gave the welcoming address. Mrs. Clint Walker, president of the Guild the response, and Mrs. V. F. Jones gave the closing prayer.

Mrs. Aubrey Thomas of McAllen was an out-of-town guest.

Coke Party Given For Visitors Here

Misses Ann Law and Malicia Edington, both of Albany, weekend guests of Miss Barbara Whorton, were honored at a coke party Saturday morning from 10:00 until 12:00 o'clock in the home of Mrs. Winston Whorton north of town on the Lubbock highway.

Miss Whorton was assisted with hostess duties by her mother and aunt respectively, Mrs. Cap Whorton and Mrs. Winston Whorton.

The serving table was laid with a brown cloth and turquoise napkins. A unique arrangement of tall yellow flowers with a slanted coke and potato chips made the center piece.

Guests were served finger sandwiches, pecan tart, cookies, candy and drinks.

Others attending the event were Janice Renfro, Melanie Leverett, Cindy Carroll, Myrna Bartley, Becky Roberts, Jan Brookshire, Pat Young, Martha Womack, Jane Owen, Kathy Curry, Alta Hale, Patti Short, Debbie Wright, Betty Owen, Karen Elliott and Connie Gardner.

"42" And Bridge Played At Party

Only 33 people attended the "42" and bridge party Saturday night at Tahoka Community Center due to bad weather and a conflict with other affairs, but those present enjoyed the occasion, according to Mrs. Hubert Tankersley, head of the sponsoring group, Tahoka Garden Club. The club, however, expects to sponsor one or more similar parties in the future. Funds raised by the parties go toward the club's town beautification program.

Thursday Bridge Winners Listed

Winners in Ladies Thursday Duplicate Bridge Club last week were:

First, Mrs. Roy LeMond and Mrs. Oscar Roberts; second, Mrs. Pearl Holloway and Mrs. Jack Fenton; and third, Mrs. Tommy Leverett and Mrs. Maurice Small.

Cafeteria Menus For Next Week

Menus to be served in the school cafeteria during the week of Jan. 31-Feb. 4 have been announced as follows:

Monday: Barbecued beef, buttered potatoes, green beans, applesauce, rolls, butter and milk.

Tuesday: Beef and vegetable stew, peanut butter sandwiches, jellied cranberry-apple salad, apricot pie, cornbread, butter and milk.

Wednesday: Hamburger steak with gravy, buttered potatoes, buttered carrots, biscuits, butter, orange cake and milk.

Thursday: Hamburgers, onions, pickles, lettuce, Navy beans, prune pie and milk.

Friday: Pinto beans with meat, Harvard beets, buttered cabbage, cornbread, raisin-peanut butter cookies, and milk.

Any nation has its selfish men and women; it is a great country which can produce a number of unselfish citizens.

The time to support your church is now; not when you have made your pile, which time may or may not arrive.

Mr. and Mrs. A. W. Edwards Observe 66th Anniversary At Waco Home

A lot of Lynn county people remember Mr. and Mrs. A. W. (Wilson) Edwards, pioneer settlers of Tahoka who still own two sections of fine farming land north of New Home.

The couple recently celebrated their 66th wedding anniversary in Waco. A. F. (Pete) Edwards, a nephew, and wife Alma, on returning last Thursday from a visit in Waco, brought The News the following clipping from the Waco Times-Herald, which will be of interest to many local friends and relatives:

Contrary to prevailing beliefs, women CAN keep secrets. When asked her secret for staying married 66 years, Mrs. A. W. Edwards of 608 North Twenty-second Street said:

"If I have a secret, I'm not going to tell it." She did delect enough to say that marriage is composed of a lot of give and take, and "you take each day as it comes."

Mr. and Mrs. Edwards have lived in the same home for 40 of their 66 years. They first came to Waco in 1921, after years of being in the farming and hardware business in West Texas, in Crawford, and before that in Tennessee.

Shortly before celebration of their 66th wedding anniversary, Mr. Edwards had his 92nd birthday, so there has been lots of celebration lately at 608 North Twenty-second.

The Edwards son, Fred, moved to Waco from Lubbock three years ago to be near his parents in case they need him. He and his wife live at 901 North Fifty-seventh.

The Edwardses also have a daughter who visits them often, Mrs. Norma Edwards Dew of St. Petersburg, Fla.; a granddaughter, Mrs. Page Harp; and three great-grandchildren, Kimberlin, Page and Laurie Lane.

When asked about hobbies and sparetime occupations, Mrs. Edwards says she doesn't have any spare time—not with a big two story house to care for and all those thank you notes and letters she is writing for the many fine anniversary and birthday gifts and cards they received this month.

Mr. Edwards, despite the wishes of his solicitous relatives and friends, does a bit of carpenter work around the house. Other sources of winter time pleasure for him are the several fireplaces

Congratulations:

Mr. and Mrs. James C. House, 5205 Laurel Lake, Waco, on the birth of a daughter in Hillcrest Hospital Monday, Jan. 24, at about 8:00 p. m. She weighed 6 pounds 9 ounces at birth. Mrs. House is the former Ann Wharton, daughter of Mr. and Mrs. Winston C. Wharton of Tahoka. The daddy is an attorney with the Veterans Administration. This is the couple's first child, the first grandchild of the Whartons, and the first great grandchild of Mr. and Mrs. Doug Morrel of Post. Paternal grandparents are Mr. and Mrs. James F. House of El Paso, and the little girl also has one paternal great grandparent. Mr. and Mrs. Wharton are leaving today to see their grandchild, and Mrs. Wharton expects to remain for a more extended stay.

SHOPLIFTER GETS REFUND

Duluth, Minn.—Mrs. Faye Ellen Panetti, 31, had a good thing going when she received \$41.00 for merchandise she shoplifted earlier. When she went back to the same store, employees recognized her. Mrs. Panetti pleaded guilty in court and was fined \$80.00.

SANDHILL CRANES NOT EASY TARGET

Sandhill cranes number in the thousands throughout much of the Plains country and range as far south as Big Spring, but the harvest this past fall by hunters was very light, according to Texas Parks and Wildlife Department.

Sandhill cranes, educated by being shot at for the last three years, are too smart for most sportsmen.

New Home Selects Miss FHA Monday

A "Miss FHA" contest will be held in New Home Monday, January 31, beginning at 7:00 p. m. in the school cafeteria, states Sidney Sealy.

Candidates entered in the event are Misses Von Nettles, Sanly Newman, Ivah Kieth, Peggy White and Linda Burleson.

Out-of-town judges will determine "Miss FHA".

The public is invited to Monday night's event and no admission will be charged.

Guest Speaker At Dixie H.D. Club

Eleven members of the Dixie Home Demonstration Club met in the home of Mrs. Guion Cobb recently.

Mr. Gerald Schantz talked to the ladies on the benefits of Medicare for elderly people. He held a very informative discussion and made the working of the program more clear.

Next meeting will be in the home of Miss Virgie Cobb on Feb. 2.

Band Boosters In Meeting Thursday

Tahoka Band Boosters were having a meeting opened to the public Thursday night, Jan. 27, at 7:00 p. m. in the band hall.

Band director, Gary Hall, was presenting the film made of the THS band marching in contests at Midland on Nov. 20, when the group received a Division I, superior, rating.

The Tahoka band is now recognized as one of the outstanding Class A bands in the state.

Congratulations:

Mr. and Mrs. Larry Mears of Wilson on the birth of a son weighing 7 pounds 5 ounces at 1:42 p. m. Monday in Methodist Hospital at Lubbock. Grandparents are Mr. and Mrs. Lloyd Mears and Supt. and Mrs. Leroy Scott, all of Wilson.

Mr. and Mrs. Elton George, University Apartments, Lubbock, on birth of a son weighing 5 pounds at 8:37 a. m. Tuesday, Jan. 25, in Methodist Hospital. The father is a Tech student. Mrs. Norma Thomas is maternal grandmother and Mr. and Mrs. Graham George are paternal grandparents.

Ronnie Schneider was dismissed from Tahoka Hospital Friday after having been admitted the previous Monday. He is the son of Mr. and Mrs. Truett Schneider.

Landscape Expert Will Speak Here

Everett E. Janné, Landscape Horticulturist Specialist from the Texas Agricultural Extension Service of Texas A&M University, will be in Tahoka Thursday, February 3, 1966 at the Lyntegar building at 2:00 p. m., according to Billie Carr, Home Demonstration Agent.

This program is for all persons who are interested in the appearance of the exterior of their homes. Mr. Janné will discuss the over-all line and design that can be achieved through planning your landscaping. He will also discuss the pruning and maintaining of the plants. Roses will be discussed in detail.

Mrs. Carr suggests that anyone having questions pertaining to horticulture to bring them to the meeting, as there will be an open discussion period.

Townsens Home From Long Trip

Mr. and Mrs. N. O. Townsen returned home January 14 from a trip to Pendleton, Oregon, where they visited their son, Mr. and Mrs. Dwight Townsen and family.

Dwight has been in Oregon 11 years, had previously lived in Portland, so this was the local Townsens first trip to Pendleton. Pendleton is strictly ranching country.

The Townsens made a trip to Portland while there and got into a snow storm, but Mrs. Townsen says that the country was very beautiful. While there they met two Texas men, one a county agent.

Mr. and Mrs. Townsen said that Dwight sends his best regards to all Tahoka people as he has missed them greatly.

Garland Croftwell, 6-months-old son of Mr. and Mrs. Elwayne Croftwell, was admitted to Tahoka Hospital Wednesday as a medical patient.

Travis Inman was admitted to Tahoka Hospital Jan. 19 after breaking his right arm. He was dismissed Tuesday.

Miss Mary Ellen Wyatt Is Winner Of Homemaker Of Tomorrow Award

Miss Mary Ellen Wyatt, 17, is winner of Tahoka High School's 1966 Betty Crocker "Homemaker of Tomorrow" award, Mrs. Madeline Hegl of the Homemaking Department announces.

She scored highest in a written knowledge and attitude examination taken by senior girls Dec. 7, 1965, and is now eligible for state and national scholarship awards. Miss Wyatt has already earned a special award pin from the program's sponsor, General Mills.

Miss Wyatt is a senior, vice president of National Honor Society, and third vice president of the local FHA, and plans to major in Home Economics at Texas Tech next year. She is the daughter of Mr. and Mrs. F. A. Wyatt.

Test papers of all school winners in the state are being judged, and a State Homemaker of Tomorrow runner-up will be selected soon. The State Homemaker of Tomorrow will receive a \$1,500 college scholarship, and her school will be awarded a complete set of the Encyclopaedia Britannica by Encyclopaedia Britannica, Inc. The second-ranked girl in the state will receive a \$500 educational grant.

Next spring, the State Betty Crocker Homemakers of Tomorrow from every state and the District of Columbia, each accompanied by a school advisor, will join in an expense-paid educational tour of Colonial Williamsburg, Va., and Washington, D. C. Then, the 1966 All-American Homemaker of Tomorrow will be announced at a dinner in Washington.

Chosen from state winners on the basis of original test score and personal observation and interviews during the tour, she will have her scholarship increased to \$5,000. Second, third, and fourth-ranking Homemakers of Tomorrow in the nation will be awarded \$4,000, \$3,000 and \$2,000 grants, respectively.

The Betty Crocker Search for the American Homemaker of Tomorrow was instituted by General Mills in 1954-55 to emphasize the importance of homemaking as a career. The program has enrolled 4,627,943 senior girls, with total scholarship grants exceeding \$1,261,000. The 570,824 girls, and 14,714 schools participating in the 1965-66 search, established a new record enrollment.

Preparation of the test and selection of Homemakers of Tomorrow is in the hands of Science Research Associates, Chicago educational testing and publishing company.

Theda Gandy, daughter of Mr. and Mrs. Rubin Gandy and a Tahoka High School student, was admitted to Tahoka Hospital Sunday.

Raymond Smith underwent minor surgery Monday in Tahoka Hospital due to an infection in his left hand.

Lynn County Soil Conservation District News

E. R. BLAKNEY HAROLD PAYNE
ELMER OWENS BOYD BARNES
JIGGS SWANN

"This is the time of the year when crop residues, if handled properly, can do much in controlling blowing," says Don Reed of the Soil Conservation Service.

Many tons of soil are lost each year in Lynn County Soil and Water Conservation District due to improper utilization of crop residues. By using the residues properly farmers can conserve moisture, increase water infiltration, reduce soil losses to erosion, and improve soil tilth.

The pounds of residue required on the soil surface to control blowing range from 2500 lbs. per acre, sandy soils in the southwest part of the District to 1000 lbs. per acre in the northern parts of the county where the soil is heavier and is irrigated.

Tillage operations, such as

chiseling should be used to leave the required amounts of residue on the soil surface during the critical blowing season. This will normally be until the land is prepared for pre-irrigation on the irrigated land and until the land is prepared for planting on the dryland.

Where insufficient residue is on the soil surface such as on cotton land supplemental surface roughing such as listing or chiseling should be performed to control the blowing, says Reed.

If you're looking for safety in numbers, try these figures on United States Savings Bonds.

The value of Savings Bonds adds up at a safe, steady rate. When your Bonds are held to maturity, you get back \$4 for every \$3 that you invest. And that interest is guaranteed.

Furthermore, you don't pay any state or local income tax on E Bond interest. The federal income tax income may be deferred until you cash them. When you need the cash, your Bonds convert in a jiffy.

But the best part of the Savings Bond equation doesn't show up on the tables—the pride you can feel that your money is put to work helping to strengthen freedom's cause throughout the world.

It all adds up to the fact that United States Savings Bonds are a mighty hard-working investment. Millions of Americans have found Bonds the star-spangled way to save. That figures, doesn't it?

Quick facts about Series E Savings Bonds
 ✓ You get back \$4 for every \$3 at maturity
 ✓ You can get your money when you need it
 ✓ Your Bonds are replaced free if lost, destroyed or stolen

Mahon Comments California News On New Budget

Washington, D. C. (Spl.)—The President's budget was submitted to Congress this week and referred to the House Appropriations Committee headed by Representative George Mahon. In commenting on the huge request for funds Mahon said that the President used a great deal of restraint in submitting spending requests to Congress.

Of special interest to the 19th Congressional District is a budget estimate of \$14,215,000 for the continuation of the Canadian River Municipal Water project and \$1 million for the continued maintenance of the boll weevil barrier.

Of interest to ranch men throughout the state was the request for \$2.8 million to continue the highly successful screw worm program.

The President recommended sharp reductions in many areas of government spending. Mahon said that Congress would move as rapidly as possible toward evaluating the programs and fulfilling its responsibility to determine the amount of funds to be made available for defense and non-defense purposes. The total request of the President for appropriations, including interest on the federal debt, is approximately \$121 billion.

(By Raymond Griffin)
 Mrs. Nora Griffin, my mother, will be 89 years old March 27. She is still doing her own house work. I sure would appreciate it if the oldtimers there that know her would write her a card or letter at 279 Florence Street, Turlock, Calif.

There were 21 of my family at our home for Christmas dinner, myself, wife Mamie Ruth, Gary, Randy, Terry, Douglas, Donald, Darla Sue and Bonnie Gail, our children at home; Raymond Griffin Jr. and wife Linda; Carolyn (Griffin) and Carl Norris, grandsons Carl and David; Thelma (Griffin) Parker and husband, Warren, Sheryl and Billie, Mrs. Nora Griffin and Ferg Griffin. Mrs. Bill Mayberry has been sick for nearly a month.

Frank, I believe the man you were wondering about in the picture you had in The News about two years ago, made in about 1923, was my dad, J. S. Griffin—looked like a wrecking yard picture. Papa would have been 100 years old had he lived until January 25, 1966.

I have been a car salesman here since April 10, 1963, Modesto Chrysler Plymouth.

Mr. and Mrs. W. A. (Bill) Hibdon, formerly of Tahoka and now living on Petaluma Avenue in Delhi, Calif., during the holidays had a family reunion attended by 80 people. The couple has 15 children, 50 grandchildren, and 54 great grandchildren, a total of 119 direct descendants, most of them living in California.

Although native Texans, the Hibbons were married in Estancia, N. M., in 1918, lived at Tahoka during the 1920s, moved back to Mountaineer, N. M., and then to California in 1940.

FULL HOUSE

Raleigh, N. C.—R. D. Brogassa and his bride returned from their honeymoon to find a house full of gifts. When they opened the door, "friends" had filled the bedroom with newspapers from floor to ceiling. The bathroom was full of balloons and wood filled the refrigerator.

Gordon-Southland News

(By Mrs. Edmund Wilke)
 Enough has been said about the weather the last few days, so we won't even touch on that subject! But—I love it!

We would like to say "congratulations" to Harold Wayne and Linda Donahoo on birth of a baby girl born at 12:10 a. m. Saturday, Jan. 22, weighing 8 pounds 2½ ounces, at Highland Hospital, Lubbock. They have one other child, a son, Mark Wayne. Harold Wayne is working on his Master's degree at Texas Tech and works for the City of Lubbock.

I've done it again! I would like to make a little correction from last week's column. Mr. and Mrs. Gilbert Becker's child is a boy, not a girl!

Southland High lost two games to Cooper last Tuesday night. Junior High will play at Shallowater tonight (Monday) and High School plays New Deal here on Tuesday night. Let's go Eagles!

Mr. and Mrs. Nolan Williams and family from Post spent Sunday with Mr. and Mrs. Billy Lester and boys.

Southland is on the "boom" again. Three families have moved here this past week. They are Mr. and Mrs. Oscar Outlaw and seven children; Mr. and Mrs. Ned Myers and Nedra; and Mr. and Mrs. Robert Lee Meek. We would like to welcome these families to our community. Mr. and Mrs. Ehlers and family from Slaton are moving into the house of Mrs. Ed Becker, formerly occupied by Mr. and Mrs. Lee Mayberry.

Readers: If you know the names and addresses of any of the students that graduated from Southland High School in 1941, I would appreciate it very much if you would let me know as soon as possible. My address is Box 56, Southland or my telephone number is 3423.

Bro. and Mrs. Hill's son, Don and family will leave Southland tonight for Michigan to visit relatives. Don is with the Air Force and will be leaving before long for duty on Guam. His family hopes to join him there later.

Mrs. Nellie Mathis, Sue and Dee Hodge, Marie and Delroy Odom went to Jacksboro on Sunday to attend the funeral services for Mrs. Lucy Haire, mother of Mrs. Dick Mathis of Salem, Oregon. We would like to extend our deepest sympathies to this family.

Mr. and Mrs. Dick Mathis of Salem, Oregon, and Mrs. Dian Reed and son, Doyle, of Pecos, are visiting with Mrs. Nellie Mathis.

Miss Carol Stolle will be one of four students from Texas Lutheran College at Seguin who will begin nine weeks of practice teaching at Randolph Air Force Base, starting Monday. Carol is a senior at TLC and is majoring in physical education. Randolph Air Force base is located about 19 miles from TLC.

No Curtailment In Postal Service

The curtailment of postal services authorized last fall was called off by President Johnson this week when he directed Postmaster General Lawrence F. O'Brien to take steps to increase window service where needed in some 15,000 post offices.

This and other services will be restored, and O'Brien was authorized by the President to "explore all the techniques available to modernize the postal service and make certain they are being used to provide the American people with the best postal system in the world at the lowest possible cost to the taxpayer." He also authorized O'Brien to seek service improvement funds from Congress.

Actually, there had been very

little change in service in the Tahoka post office, states Assistant Postmaster Charles Townes. Local postal employees work on a staggered-hour basis to attempt to serve the local public efficiently.

When axe or hatchet heads fly off the handle there can be dire results. Keep all axe and hatchet handles tight and secure by soaking the tool in linseed oil for about 36 hours, so the wood can swell tight in its socket.

PRINTER'S INK LINGS
We have been told several times by people in position to know that there has been a big increase the past year or two in the number of teen-agers who are drinking beer and even whiskey.

We wish every teen-ager—and every adult—could hear the message that Gil Lamb brought to the high school assembly here last week: If his life story won't convince one of the dangers of strong drink, nothing will. As many Tahoka people know, Gilbert Lamb deserves a lot of credit for being able to rise from the deepest state of alcoholism to success in business and a crusader in leading others to "get on the wagon."

In fact, he has become a forceful speaker with a timely message, and he is on the go almost constantly making such talks. Incidentally, he pays his own expenses on these speaking trips. "It's a lot smarter not to drink," he says.

We can send people out in space, doctors can take the human heart out of the body and repair it, but we still haven't found a cure for the common cold.

An interesting fact has come out about the November 9 blackout in the Northeast which put 30 million people in eight states and Ontario in darkness. The President and other politicians were loud in their castigation of "private power" for its "carelessness" and some even proposed a government take-over. Now, it turns out, Ontario Hydro-Electric Power Commission operates a station at Niagara, where the trouble started, which has a technician named Vernel Olson, who is a Canadian national chairman of the Communist-dominated Fair Play for Cuba Committee.

Our Senate Internal Security Subcommittee discloses 166 of 258 State Department employees who were "security risks" 10 years ago are still in the State Department and many have advanced to higher rankings. State insists that all such men have been removed, but refuses to produce records to prove it. We remember Otto F. Otepka was fired from State Department because he dared to tell the purported truth about these security risks. But, Otepka put loyalty to his country above loyalty to the State Department and was "canned." Why, oh Why?

We don't know the connection, if any, but a fine young man raised in Tahoka gave his life right recently in Viet Nam. We do know some of the things he had been writing to home folks just before his untimely and tragic death at the hands of Communist snipers. He had even sent pictures of his antiquated equipment. Of his 600 native men he had in training in the jungles infiltrated by the enemy, less than 300 had any kind of a weapon; we presume not even a knife; and the weapons they did have were salvaged from World War II of 20 or more years ago. If we're going to send our boys to fight, somebody, somewhere, somehow should see that they have weapons. We know nothing about war. We suspect some of the boys, like McNamara, are not experts at war, either. He was a business executive before becoming virtual dictator of our defense program and evidently vetoes decisions of generals at the Pentagon and in the field, unless a lot of the evidence is false. It looks to this humble yokel we should either "cut wood" or quit.

For twenty-five years we've been backing up, appeasing, apologizing, procrastinating, while nation after nation has fallen to Communism, and we are still preaching "togetherness" and "let's get along" and "we might start a war" until we've almost made old Chamberlain look like a hero. The more we back away from a bully, nation or individual, the harder the fight will be when we do have to "belly-up" and stand for our rights and principles. But, then, the Printer never had to go to war. But, being a little guy growing up when there was a fight almost every day, we did get some experience with bullies. We learned we couldn't appease a bully who tried to push us around. Finally, we found when we "belly-up" and fought, we usually made a friend.

We wish the Government would be just half as careful with spending our money as it is in the pains it goes to take it away from us.

May we acknowledge a recent personal message from Lieutenant Governor Preston Smith. Thanks a lot, Preston, for the kind remarks about our paper. Preston is an old country boy, raised out in the sand and shinnery west of Lamesa, who is making Texas a great public servant and keeps his "feet on the ground." We should return him to office.

We've lost another fine old friend, Mrs. J. V. Huddleston of Grassland, a personal friend, a friend of this newspaper, and a friend of a great many people. She was one of the last of those now diminishing hardy pioneer women who asked no quarter, gave no quarter, stood on her own feet and fought her own battles. Only a year or two ago, at 86, when she caught up with her housework she went out to her weeds in a neighboring cotton field and simply explained, "I still don't like to see weeds growing in cotton." She was a great old soul. We'll miss her frequent visits to this sanctum sanctorium.

The minister had just finished an excellent chicken dinner. As he looked out of the window a rooster strutted across the yard. "My! that certainly is a proud rooster," said the minister. "Yes sir," replied the host, "He has reason to be proud. One of his sons just entered the ministry."

A patrolman ran down a lady driver, waved her to a stop, and said: "Lady, you were doing 60 miles an hour." She replied: "Isn't that just wonderful. I just learned to drive yesterday."

Columnists have been swiping these from each other: By the time a man finds greener pastures, he can't climb the fence.

Before criticizing your wife's faults, remember that it may have been those very defects which prevented her from catching a better husband.

When you get a scalding mouthful of coffee, no matter what you do next—it's going to be wrong.

The end of the school brings home to parents what teachers have known for nine months.

WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDER

The deeply religious Portuguese on certain festival days carry statues of their various patron saints in processions. This custom may have given rise to the unobscured unfounded rumor they will canonize U.S. Labor Secretary Willard Wirtz and carry through their tomato fields a statue of St. Willie, Patron of Portuguese Paste.

But because Wirtz denied labor to California's huge tomato industry, Portugal now sells tomato paste in the U.S. in huge volume.

Tomato paste, a concentrated puree, is a most important product. Not only used by many housewives, it is in huge demand from food processors.

But last season, due to Wirtz's interference, the California tomato acreage went down from 145,000 to 118,000. Production dropped from almost 3.1/10 million tons to about 2 1/2 million tons, according to the Cannery League of California; would have dropped further except for most favorable weather.

American food processors were forced to look for other supplies of paste. Portugal is sharing in this bonanza. In all 12 months of 1964 paste imports from Portugal were less than 2 million pounds. In the first six months of the 1965 crop season, the imports exceeded 2 1/2 million pounds, with six months left to go.

Thus, Portugal, alone, may be the way to build a great society?

triple sales of tomatoes for dollars further aggravating precarious U.S. balance of trade situation.

The above dwarfs fact California farmers also lost over a million dollars from the unplanted acreage.

But it is doubtful the American housewife will applaud the sanctity of Wirtz, for the price of tomato paste, which has advanced from \$6 per case in 1964 to \$9.75 currently will increase the price of many processed foods. Thus Wirtz has perhaps done more to increase the cost of living than the aluminum producers would have done.

Next year's prospects also seem good for the Portuguese, and less than good for the housewife. Building is being rushed on tomato picking machines with 600 expected in operation next season, or about twice the number used in the 1965 season. The machines apparently can handle 80 to 100 acres per season, so prospects are that plantings will be held down to the capacity of the available machines. The smaller planter, unable to afford a machine, will be forced out.

So, what was gained. Cost of living goes up, more dollars go overseas, American farmers take a loss, cannery workers lose income, more small farmers are forced out. All this for what purpose. Merely to hold jobs open for people, who when the need for them was critical, refused to take the jobs. And now, through automation, opportunities for these jobs themselves disappear.

Could this possibly be the way to build a great society?

Medicare Open To Citizens 65

College Station (Spl.) — More than 900,000 Texans over 65 are eligible for coverage under the Medicare program according to Mrs. Patsy Yates, Texas A&M University Extension family life education specialist. Mrs. Yates states that of this number, more than 55,000 Texans over 65 who are not now receiving social security or on welfare rolls are eligible. All persons concerned with the Medicare program should contact their local Federal Social Security Office now to obtain detailed information.

All senior citizens should know the provisions of the program. If you are 65 years of age or over—and not receiving Federal social security or State old-age assistance—it is important that you visit your Social Security office soon, the specialist says. "This means you, even if you are working full-time or if you are not receiving any social security benefits," Mrs. Yates explains.

The Social Security Administration has advised that such persons are eligible for Medicare. Qualified persons will need to make a decision concerning the program before March 31.

"We are interested in the senior citizens of Texas understanding any program that affects them—and the Federal Medicare program is one that is extremely important to them. Because of this, we urge that senior citizens who are not drawing State welfare or Federal social security contact their social security offices to learn the significance of the program to them," Mrs. Yates says.

The local county Extension Service office advises eligible persons who desire detailed information about Medicare to contact their social security officer. He is Mr. Gerald Schantz, who maintains an office at Tahoka county courtroom on 1st and 3rd Mondays from 9:00 a. m. to 5 p. m.

CARD OF THANKS
We would like to express our gratitude to everyone for their kindnesses, for the food, flowers, cards and visits, during the sickness and death of our loved one, Mrs. J. V. Huddleston. We also wish to thank the ladies of Grassland Methodist Church for the noon and night meals. May God's richest blessings be on each of you.—The Huddleston Family. 1tp.

How to plug up the money drain

If the part of your pay you planned to save always seems to leak out of your pocket, you need a new stopper for your money drain. The Payroll Savings Plan is one of the best plugs around—and it's guaranteed.

Here's the blueprint: Just tell your employer to put aside a small amount from each pay check and apply it to the purchase of United States Savings Bonds. Once you get it started, the Plan is fully automatic. Chances are you'll never miss the little cash you're setting aside. After all, it just leaked away before, remember?

And here's the best part. Not only have you stopped the flow, but you're putting your dollars to work earning more dollars—\$4 at maturity for every \$3 you invested. So stop in at your payroll department and set your Plan in action. And watch your savings grow instead of go.

Local Boys Enter Hogs At Fort Worth

Fort Worth (Special)—Tahoka High School boys who have entered swine in the junior class of the 1966 Southwestern Exposition and Fat Stock Show January 28 through February 6 include:

Jim Adams 2, Phil Adams 6, Dusty Bailey 4, Jody Edwards 1, Larry McClendon 1, Larry Grider 1, Kenneth Hart 2, Bobby Martin 2, John N. Owens 3, Stanley Renfro 3, Steve Roberts 1, Britt Robinson 1, Frankie Stanley 1, Dennis Thomas 2, John Tyler 1, and Richard Williams 2.

With entries still being counted, W. R. Watt, Stock Show president and manager, is optimistic about the possibility of the final entry figure breaking the 1965 all-time record of over 11,000.

Exhibitors and spectators wanting to take in the Stock Show Rodeo will find more emphasis on "action" this year.

Mail order ticket applications for the '66 edition of the World's Original Indoor Rodeo are now being taken at the Southwestern Exposition and Fat Stock Show, P. O. Box 150, Fort Worth, Texas 76101.

Bulldogs Whip Wink 83 to 65

Tahoka Bulldogs turned in one of their best performances of the season Tuesday night at Wink when they whipped the Wildcats 83 to 65. The B team boys were also victorious, winning by 19 points, 61 to 42.

In the A game, Mitchell Williams led the Bulldog scoring with 35 points, Cliff Thomas had 20, and Mike Lankford added 9. Johnny Warren led the Wildcat scoring with 18 points and Green had 13.

By quarters, Tahoka led 20-15, 44-36, 61-50 and had poured 22 points through the basket in the final quarter for the 83-65 final score.

Coach Jim Littlefield was very happy over the result and said this was a very fine team effort and indicated the Bulldogs may not be out of the running if they can continue this pace. The game was a very rough one, however.

Coach Don Smith's B team boys also came through in fine fashion to take a 61-42 victory as Lewis Hise poured 30 points through the net, followed by Buz Owens and Charley Brown with 9 each. For Wink, John had 14 and Dorman 8.

In other District 5-A games, O'Donnell Eagles got a measure of sweet revenge on Seagraves by taking the long end of a 62-57 score as Ronnie Barnes came forth with 24 points for high scoring honors.

Plains Cowboys took a close 60-58 victory over Stanton.

Tahoka is now 2-2 in conference play, Plains and Stanton are 3-1 each.

O'Donnell Teams Coming Tuesday For Games Here

Tahoka A team boys and girls go to Stanton today, Friday, for games with the Buffalo teams. The girls' game starts at 6:30 p. m., followed by the boys' game. This starts the second round of 5-A conference play.

Next Tuesday, O'Donnell boys and girls come to Tahoka. The B team girls will play at 5:30 p. m., followed by A team girls and then the A team boys.

Seventh and Eighth grade boys and girls teams are scheduled to play at Post next Monday evening with the first game starting at 5:30 o'clock.

Tahoka and Plains boys games scheduled here Friday of last week were postponed because of the snow storm, and will be played some time later if necessary to determine the conference title.

Red Raider Club Formed

A Tahoka Red Raider Club was organized Thursday night when about thirty Texas Tech students met at Community building, and about twenty memberships were signed at the meeting.

Maurice Small was elected chairman of the local club, and Garland Thornton was named secretary and treasurer. They are taking memberships, and all ex-students of Tech or any other citizen interested may obtain membership for whatever amount he wishes to contribute.

All funds raised go toward support of Texas Tech athletic scholarships in seven sports. A scholarship consists of room, board and tuition.

Speakers at the meeting and assisting with the organization of the Tahoka club were Barney Rushing, president; Leete Jackson, executive secretary; Charles Verner and Howard Alford, all of Lubbock and representing the parent Red Raider organization.

O'Donnell Plans Welding Course

A farm welding short course for adult farmers will be held in O'Donnell February 7 under the sponsorship of the O'Donnell High School Vocational Agriculture Department, according to Mr. Charles W. Yarbrough, superintendent, and Mr. James Reed, teacher of vocational agriculture.

Mr. C. B. Edwards, welding specialist with the Vocational Agriculture Division of the Texas Education Agency and the Department of Agricultural Engineering at Texas A&M College, will do the instructing in the course. He is headquartered at Texas A&M College.

Mr. Edwards holds two college degrees, a B.S. in Agricultural Education from Texas A&M and M.S. in Agricultural Education-Animal Husbandry from Oklahoma A&M; and in addition, has several graduate hours at the University of Texas. Mr. Edwards has had experience as a vocational agriculture teacher and as supervisor of state schools. He has organized T & I programs and supervised the operation of several shops. He has been with the Adult Specialist Program since its initiation in 1958.

"Many welding short courses in various parts of the state have been taught by Mr. Edwards and all have met with outstanding success," according to Hulan Harris, area supervisor of vocational agriculture, Big Spring. Arrangements for adult education short course in welding and in other fields are made through Mr. Harris' office.

The short course at O'Donnell is scheduled to begin at 7:30 Feb. 7 in the vocational agriculture building. Other meetings in the series of four will be held on Feb. 8, 9 and 10. During the dates the short course is in progress, Mr. Edwards will be available to assist farmers with individual problems and to provide on-the-farm instruction, according to James Reed.

Farmers interested in attending the short course should write or call the superintendent of schools, Mr. Yarbrough, or the teacher of vocational agriculture, Mr. Reed. An entry fee will be charged. Farm Welding Short Course Certificates are to be presented to each enrollee who attends all the training sessions.
