Seven Contests For County, Precinct Offices In Primary

For the first time in many years, the local political pot is boiling. When the deadline for filing as candidates for office was reached at midnight Monday, there were seven contests for county and precinct office in Lynn county. Regardless of outcome of the Democratic Primary election next May 7, and the second or run-off Primary on June 4, there will be some changes in the county court house. When veteran District Clerk W. S. (Skip) Taylor decided to retire and not stand for re-election, a chain reaction of announcements followed, although his retirement may not necessarily have caused all the flurry of activity. County Judge Walter M. Mathis decided he had held this office long enough and announced for District Clerk. Then, V. F. Jones, prominent local businessman, and Woodrow (Ode) Brewer, county commission-

er of Precinct 2, announced his candidates for county judge. Following came the announcements of four men for Commissioner, Precinct 2, Gus Sherrill, Willis Pennington, Marvin E. Pierce, and Dorman L. Gandy. Mrs. Ola Reid decided not to run again for County Treasurer, and one man and four ladies are seeking the post. These are L. A. Forsythe, Mrs. Margaret Carter, Mrs. Teddie B. Kelley, Mrs. Jessie Jewel Stevens, and Mrs. Frances (Schneider) Hughes. Stephen Thompson is not running for county attorney, a position to which he was appointed to fill out the unexpired term of Harold Green, and Jerry Cain, recent law school graduate, has filed for the post. Justice of the Peace Harry L. Roddy of Justice Precinct 1 decided to retire, and E. A. (Lefty) Hargrave and D. F. (Boss) Hanes have announced as candidates for this office.

County Clerk C. W. Roberts is being opposed by Mrs. Billie Carr, who has resigned as County Home Demonstration Agent. In Commissioners Precinct 4, the present incumbent, L. K. (Heavy) Nelson has drawn opposition from B. A. Young, farmer living northwest of Tahoka. At O'Donnell, Mrs. L. D. (Elsie Mae) Jackson, and the present incumbent, Horace Brunette, have announced for Justice of the Peace, Precinct 4. Others who have filed with County Democratic Chairman Callaway Huffaker, all for re-election unopposed, are: George Mahon for Congressman from the 19th district; Truett Smith for District Judge of the 106th Judicial District; H. J. (Doc) Blanchard for State Senator from the 28th district; R. G. (Randy) Pendleton for State Representative; J. P. Hewlett for County Superintendent; and Huffaker for County Chairman.

Dr. Leon Hill, an Amarillo Baptist minister who has gained fame over the southwest as an outstanding after-dinner speaker, humorist and philosopher, will make the address. Lynn County Soil Conservation District will present awards at the banquet to an outstanding farmer and the winners of the conservation contest for high school students. Farmers and their wives of the county have a special invitation to the affair, as well as business people and others of the town and county. Tickets are \$2.00 each. Ticket sales have been fairly brisk, Wells reports. Only 350 tickets are available, and several times in the past "late-comers" have been unable to get tickets. Those desiring tickets should call the Chamber of Commerce or secure them from Secretary Maurice Small, any director, or either of the drug stores.

First Aid Course Starting On Tuesday Is Open To Public

Area people interested have an opportunity to take a free American Red Cross basic first aid course beginning here next Tuesday and running through five weeks. The class will meet from 7:00 until 9:00 p. m. next Tuesday, Feb. 15, at Lyntegar directors' room, and will continue the following four Tuesday nights. Fire Chief E. W. (Pat) Patterson of Southwestern Public Service Co., an authorized instructor, will give the 10 hours of certified instruction. Lynn county had ginned 179,829 bales of 1965 cotton prior to January 18, according to the U. S. Bureau of Census report received by The News this week. This is several thousand bales above the too conservative estimate made by The News two weeks ago. In fact, Tahoka alone has ginned over 2,000 bales since the census count was taken. Thus, this 1965 crop will probably exceed the all-time record number of bales produced in one year, as well as the per-acre record. Previous record was in 1949 when the county ginned 186,696 bales; although this crop was produced on 310,000 acres, whereas the 1965 crop was from 166,872 acres. Final U. S. Census report in March or April will show 500-pound average bales and also be limited to bales of cotton actually grown in the county, but in Lynn's case this has never varied more than two or three thousand bales at the most. The South Plains again has the five top counties in Texas in cotton production. Lynn ranks fifth on the Plains, fifth in the state, and will finish no lower than 12th in the nation in cotton production for 1965. Following are the nearby Plains counties, and their production records for 1965 compared to 1964, the year of the drought in some counties:

Nancy Caron Pyeatt And Larry A. Forsythe Take Wedding Vows In Church At Tulia

Tulia (Sp.)—Wearing an ivory silk peau de soie sheath silhouette, Miss Nancy Caron Pyeatt became the bride of Larry Alton Forsythe of Amarillo at 6:30 p. m. Saturday in the Central Church of Christ. Officiant for the double ring vows was Horace Coffman, associate minister of Broadway Church of Christ in Lubbock.

Parents of the bride are Mr. and Mrs. Loy Strange Pyeatt. Mr. and Mrs. L. A. Forsythe of Tahoka are parents of the bridegroom.

The bride's gown was enhanced by French lace on the lower bodice designed with a Florentine neckline and three quarter length sleeves. The slim skirt had a deep border of lace terminating in scallops at the hemline and was accented by a full overskirt sweeping into a chapel train.

Floor length illusion complemented her headband of peau de soie with lace appliques and seed pearls. She carried a bouquet of white roses trimmed with white lace and pearls atop a white satin covered Bible, which was a gift to the bride from her parents on her seventh birthday.

Tucked in the Bible was her "something old"—a white linen handkerchief that had belonged to her maternal great-grandmother, the late Mrs. Buchanan Cargal. The bride's aunt, the late Mrs. Edward Apple, and mother both carried the handkerchief at their weddings. The name of each bride was embroidered on the handkerchief after each wedding.

For "something borrowed and blue," the bride wore an heirloom ring with a blue stone which had belonged to the bridegroom's paternal grandmother. She had a coin in her shoe for luck.

The bride was escorted down the aisle and given in marriage by her father.

Music preceding the ceremony was presented by a bridal chorus from the Tulia High School A Capella Choir directed by James Willet. Mrs. Ray Barbours sang "The Twelfth of Never" and "More" as solos and "You'll Never Walk Alone" as a duet with Mrs. Don Hephthorne. James Willet sang "Believe Me If All Those Endearing Young Charms".

Decorative background for the ceremony included a central candelabra with seven-branch candelabra on each side flanked by candle swirls.

Mrs. J. V. Perrin, Jr. of Lubbock was matron of honor. Other attendants were Mrs. Pat George and Miss Michael Shelton. They wore American Beauty red floor length crepe dresses with overblouses designed with jewel necklines and three quarter sleeves. They had matching shoes and headpieces of American Beauty red feather bows with illusion veils. They carried cascades of pink roses with pink lace and

satin streamers.

Miss Belinda Howie of Las Cruces, N. M., niece of the bridegroom, was flower girl. She wore a pink organdy with fitted waist and full skirt, pink velveteen sash, and pink bow in her hair. She carried a small nosegay of American Beauty roses.

Best man for his brother was Jerry Forsythe of Tahoka. Rodney Blackwood and Don Johnson, both of Lubbock, were groomsmen. Seating guests were Melvin McMennamy, Plainview, cousin of the bride; Lester Ford and Raymond Stotts, Tahoka; Travis Surra, Crosbyton; Hanes Howie, Las Cruces, N. M., brother-in-law of the bridegroom. Ringbearer was Lynn Love.

For her daughter's wedding, Mrs. Pyeatt chose a blue Alaskine late-day three-piece suit. Her corsage was of pink roses, with American Beauty trim.

The bridegroom's mother wore a pink Alaskine late-day three piece suit and a pink rose corsage with American Beauty trim.

Following the ceremony, a reception was given in the home of the bride's parents at 201 Apache Trail.

Mrs. Hanes Howie of Las Cruces, N. M., sister of the bridegroom and Miss Melva Asberry of Groom registered guests.

Miss Mary Alice Terry of Lubbock poured white punch and Miss Annie Lou Williams of Big Spring and Mrs. Hanes Howie of Las Cruces, N. M. served the white tiered wedding cake topped with wedding bells.

Other members of the houseparty were Miss Glenda Israel, Miss Diane Sharman, Miss Fay Moss, all of Lubbock; Miss Gail Wright, and Mrs. Scott Raney, both of Midland; Mmes. Elmer Reiss, D. A. Dawson, Ray Herndon, Ray Pyeatt and Roy Pyeatt, aunts of the bride, and Mayo Duke.

After a wedding trip to Aspen, Colorado, the couple will be at home at 3117 Julian, Amarillo. For traveling the bride changed to an American Beauty red India tie silk dress with matching shoes and headband. A princess style pink wool coat and white kid gloves completed her ensemble.

The bride is a graduate of Tulia High School and Texas Tech, where she received a degree in home economics. She was a member of the Tech Home Economics Club and is now a member of the American Home Economics Association. She also attended Lubbock Christian College and the University of Hawaii.

Forsythe is an industrial engineer with Pantex. He is a graduate of Tahoka High School, Lubbock Christian College, and Texas Tech with a degree in industrial engineering. He was a member of Alpha Phi Omega, service fraternity, and AHE.

A rehearsal dinner was held Friday evening at Wayne's Restaurant for members of the bridal party and their guests. Parents of the bridegroom were hosts for the event.

The bride and her attendants were honored with a luncheon in the home of Mrs. Wayne Flynt on Saturday, Feb. 5, at 1:00 p. m. Hostesses with Mrs. Flynt were Mmes. D. A. Dawson, Mayo Duke, and Porter Anderson. They presented Miss Pyeatt with a crystal and silver pitcher.

Rhonda Littlepage And Mike Reid Are Married Friday In Home Ceremony Here

Miss Rhonda Sue Littlepage and Charles Mike Reid exchanged marriage vows at 7:00 p. m. Friday, Feb. 4, in the home of the bride's parents at 1901 North Fourth. Rev. Jimmy Turner, pastor of the First Baptist Church, officiated the double ring ceremony before an arch of votive candles flanked by baskets containing yellow and bronze mums.

Parents of the couple are Mr. and Mrs. Walthal Littlepage and Mr. and Mrs. Charles Reid.

The bride, given in marriage by her father, wore a three-piece white knit suit trimmed with crocheted and bone accessories. Her bridal veil of silk illusion was attached to a rosette of silk pseudo-sole enhanced with seed pearls. She carried white cymbidium orchids with feathered mums in a cascade arrangement atop a white Bible.

Maid of honor was Miss Margaret Cruce. Miss Denise Reid, sister of the groom, was bridesmaid. The attendants wore street-length pale yellow wool dresses with portrait necklines, natural waists and straight skirts.

Jack Jaquess Jr. served as best man, and Dan Reid, brother of the groom, was groomsman.

Following the ceremony a reception was given in the home. The table was laid with a white crocheted table cloth made and given to the bride by her grandmother. The centerpiece was made of yellow French hibiscus.

Misses Cheryl McClintock and Jean Ann Littlepage, cousins of the bride, served guests. Penny McClintock, also a cousin of the bride, presided at the register.

The couple is making their home at 2021 North First Street in Tahoka.

A new choir will be added to the music ministry of the First Baptist Church this week with formation Sunday at 2:00 p. m. of a Ladies Choir.

The choir will rehearse from 2:00 to 3:00 o'clock on the second Sunday of each month and then sing for evening worship service at 6:00 p. m. that night. These requirements are: (1) that the member love to sing and (2) that the member agree to be faithful in attendance in both rehearsals and performances.

Bulldogs Whip Plains Cowboys

Tahoka Bulldogs rose up Tuesday night at Plains to defeat the District 5-A favored Cowboys 71 to 69 and thereby put the Stanton Buffaloes in the driver's seat for the title.

Plains and Stanton has each lost one game, but Plains must defeat Stanton tonight at Stanton, a pretty tough assignment, to stay in the running. If Stanton wins tonight, the Buffaloes are the title holders. If Plains wins, the Cowboys will have to play Tahoka a make-up game in Tahoka next Tuesday night. A win over Tahoka then would tie Plains and Stanton and force a play-off game between these two teams.

Therefore, if Plains wins over Stanton, Tahoka and Plains will play here next Tuesday night.

In the meantime, Coach Jim Littlefield's Bulldogs will play the Wink Wildcats here this Friday night with the B team boys' game starting at 6:00 p. m., followed by the A game.

Tahoka is now 4-4 in conference play.

Plains defeated Stanton when they played at Plains, but the Cowboys lost a game to Seagraves at Plains Friday night the Bulldogs put up possibly their best team effort of the season, and out-hustled the Cowboys for the victory.

Plains took a 15-12 first quarter lead, but the Bulldogs caught fire in the second quarter and scored 26 points to go ahead 38 to 31 by halftime.

At one time in the third quarter, the Bulldogs led by 12 points, but let down and the Cowboys surged into a three point 51-48 lead by end of the quarter.

The fourth quarter was nip and tuck until Tahoka went ahead again with 50 seconds to go and won by two points, 71 to 69. Ret Patterson fouled out early in the fourth period, but Gary Brooks came in to do an outstanding job the rest of the way. Doyle Schneider also fouled out in the fourth.

Mitch Williams scored 31 points, Cliff Thomas 15, and Patterson 10 for the Bulldogs, but all nine boys saw action and turned in fine performances. For Plains, Ronnie Elmore had 21 points and Jim Smith 12.

Fifty-eight fouls were called in the very rough game, 30 on Tahoka and 28 on Plains, and the Cowboys "nearly beat Mitch to death." Plains won the B game 84 to 47, and all of Tahoka's "little boys" saw action. Lewis Hise had 14 points, Charley Brown 8, and Buz Owens and Jody Edwards 6 each.

Tahoka Girls In Bi-District Play

Tahoka High girls, basketball champions of District 5-A, will meet the Wylie girls, champions of District 6-A there on Tuesday night March 1. Wylie is in the outskirts of Abilene.

Coach Jim Littlefield says arrangements were completed for the playoff game Thursday.

In a warm-up game Tuesday night at Post, the Tahoka girls lost to the Post Does 48 to 42.

Post girls led all the way, but the Tahoka girls almost caught up. Scores by quarters were 17-7, 29-25, and 37-30.

For Tahoka, Teresa Mason scored 15, Robbie Biggerstaff 10, and Sue Woodall 9. On defense a good job was turned in by Linda Hale, Joy Thomas, Leah Short, and Brenda Foster.

For the Does, Marilyn Jones had 14 points and Johnson 12.

Seagraves Wins Over Bulldogs

Seagraves Eagles came from behind Friday night to take a 66 to 62 victory over the Tahoka Bulldogs in the local gymnasium. Tahoka's B team also lost decisively, 74 to 38.

The Bulldogs played a fine first half, led 16-12 at end of the first quarter and 32 to 24 at the half. Opening the third period they jumped into a 10-point lead, but relaxed a little and in less than three minutes the Eagles had caught up, then Tahoka led only 45-44 at the end of the third. Seagraves went ahead with 6:45 left and the now "cold" Bulldogs were suffering from four fouls on two or three players and couldn't catch up.

Mitchell Williams again led scoring with 28 points, but scored 22 of these in the first half. Mike Lankford and Cliff Thomas each had 10, and Doyle Schneider had 11 points. For the Eagles, Kenny Cullum had 20 and Phil Nash 17 points.

Minus a few regular players, Tahoka B team put up a gallant fight against the tall Seagraves B before losing 74 to 38. For Tahoka, Lewis Hise had 22 points and Charley Brown 11. Tim Blair with 29 and Harley Bradley with 20 led Seagraves scoring.

Mrs. Charles Potts was a medical patient in the hospital Thursday through Sunday. Her daughter Linda, was admitted to the hospital Wednesday and dismissed on Saturday.

WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

Quite a peculiar situation has developed. On one hand, the U.S. is engaged in hostilities in Viet Nam, with American lives lost. No one has yet apparently been able to precisely explain the objectives.

In addition, the Cuban thing keeps cropping up, with no apparent settlement insight.

But with these matters hanging in air, the nation be- C. W. Harder comes involved in a dispute between England and one of its former African colonies, Rhodesia, about the size of Montserrat, decided it wanted independence.

Now it appears the spirit of '76 which freed this nation from England is no longer in good taste.

This small nation was developed by a group of Europeans with their descendants following on. As they built a prosperous economy, African tribesmen came over the borders in great numbers seeking a better life.

The British took the position that Rhodesia should not be free from England unless provisions were made for these tribesmen to have a big say in how the wealth developed by others should be administered or even if Rhodesia should be independent.

So the whole matter was brought before the UN. The result was a decision to boycott Rhodesia unless it gives up

The idea of independence and resumes allegiance to England.

The U.S. jumped in to support Britain, even though 50% of vitally needed U.S. chrome comes from Rhodesia.

The silliness of this situation is magnified by the fact that it is remembered that in 1776 there were a lot less than 4 million people who decided that America should break away from England, and there is no record of the Indians being consulted on the matter at all.

Of course, it is not known how many Indians were in the land. But even a hundred years later, after they had been decimated by gunpowder, firewater and disease, at the Little Big Horn, General Custer learned there was still quite a paucity of them still around.

But this little nucleus of less than 4 million people, at that time largely of Anglo-Saxon extraction, went on to build a mighty economy for the benefit of peoples all over the world. It is hard to imagine who would have bailed England out of trouble a number of times since then if the Indians, who actually possessed the real estate in the first place, had been able to veto separation from England.

What makes it even sillier is the fact that Britain has always turned a deaf ear toward American requests to impose an embargo on communist nations, including Red China and Castro Cuba. Yet the Labor government of England has but to whistle, and the U.S. comes a-running. If Andrew Jackson were alive today, he would be dead tomorrow from apoplexy.

JET-SMOOTHER THE CHEVROLET WAY

We added new bushings and softened body-to-frame mounts to smooth Chevrolet's ride. We put in soft-acting shock absorbers and soft-working coil springs at every wheel. By soft, though, we don't mean mushy. Chevrolet's Way makes for a smooth, solid ride. Very steady on curves. A bump jumps from the Wide-Stance wheels to the supple springs and shocks—and pffft! It all but disappears.

Soft contoured new Strato-bucket front seats come standard in Super Sports for relaxing comfort on every trip.

Eight features now standard for your added safety—including seat belts front and back (always buckle up) and an outside rear-view mirror (always check in back before passing).

When all the scraps are ginned, Lynn county will end up 12th in the nation in cotton production...

But, we've got to start raising the kind of cotton at a price the mills will buy and start selling more of it on the market...

were producing cotton; today 49 nations produce the crop. In most cases, the U. S. government furnished the money and know-how to set these 20 nations up in cotton production.

Continued cotton reduction is bringing the time near when we must find a substitute for cotton—unless our government really gets on the job in trying to push stored cotton into the world market.

There were 62 farms per U. S. Agriculture Department employee in 1954, and ten years later, in 1964, there were 31 farms per employee.

"Dub" Harvick is another who doubts the ability of a civilian with no military experience running the war or even the defense department and the Pentagon. "If Mr. McNamara is not a lot better at military strategy than he was in building his baby, the Edsel automobile, we're really in trouble," says Dub.

Liars may figure but figures seldom lie. Our government appropriated \$8 million for the first year's operation of Camp Gary, in the shadow of the President's alma mater at San Marcos. The center is "training" 2,500 in this Job Corps camp. That figures out at exactly \$3,200 per man, at least twice as much as it costs to send a young man to college.

If a town is good enough to live in, it ought to be good enough to trade in. If all of us bought all we could at home, our local economy would be better, there would be more businesses, more people employed, taxes would be lower, and we would have better schools and churches and other community services.

The Tullia Herald puts it this way: "We believe that anyone who accepts the conveniences and comforts of a town, who wears out its streets, who uses its sidewalks and parks, who calls its fire department and police when emergency develops, is honor bound to support that town or move to a town which he can conscientiously support."

Editor, The News: Long time no see, but do enjoy The Lynn County News Walter sent us. Will you please change our address from Lometa to address on front of card.

We have moved down on Colorado River and are managers for Garman Falls Fishing Camp, the most beautiful river camp one ever saw. They come here from everywhere.

These springs run behind cabins and form a beautiful fall where it goes in the river. Water is coming down soon; get him to tell you about it. We have fresh fish. The white bass are biting good, especially just after a norther blows in. Stop in and go fishing.

Understand how any person on the public payroll of a community could conscientiously take the money the local taxpayers pay him for services and spend it with competitors in another town, unless these very needs were unavailable from his neighbors who furnish him his living. For some strange reason, a lot of people on the public payroll feel they owe the community in which they work nothing.

The good citizen, the public-spirited person, feels it part of his duty to support civic enterprises, the churches and schools, to help take up collections for stock shows, Red Cross, March of Dimes and a dozen other charitable institutions, support Little League, school athletics, etc. But, every town also has a lot of drones who sit on the sidelines and criticize, donate little or nothing to improving their community, and take their money elsewhere because they can "save money" and will even argue they owe their home community nothing. It's a strange world.

Some Texans were kidding an old Arkansas boy about hardly ever working and just existing off the "fat of the land." Not to be outdone, he replied: "Well, me and my family get along, don't have nothin', don't want much, and save a lot of time for huntin' and fishin' and jest sittin'. I don't work on Sunday 'cause that's go-to-meetin' day. On Monday I have to watch the kids to keep the hogs from eatin' 'em while the old woman washes. If it's not too hot or too cold, too wet or too dry, I might go to the field a spell on Tuesday. Then, Wednesday is sales day. Thursday, if it ain't too hot, too cold, too wet or too dry, I might farm a bit. Then, comes Friday, and shoot, there ain't no need startin' a job on Friday, cause the next day's Saturday."

The trouble with holding membership in the human race is that they keep raising the dues every year.

Cal Farley of Boy's Ranch says: Give a boy enough rope and he'll bring home a stray dog on the end of it. . . . If we don't stand for something, we'll fall for anything.

Thanks for some kind comments by letter from Mr. and Mrs. W. O. Lewis of Goree, Mrs. Olive Holt of Lovington, N. M., and J. E. LeMond of Snyder.

Mr. LeMond writes: "I wake up at night and get to thinking about the mess we are in and I want to write about it, but it is like going against a stone wall."

Every newspaper likes to receive letters for publication. We just ask that they be kept as brief as possible. Occasionally, we violate the 800-word rule, but we would appreciate writers keeping them brief because space costs money and the short ones are more certain to be published.

Child Welfare

Work of the Dawson-Lynn Child Welfare Unit of the State Department of Public Welfare since being set up in March, 1964, was told Rotarians at their meeting Thursday by Mrs. Jerry (Sandra) Cain, local case worker from the branch office in Lynn county court house.

The Agency works with unfortunate children when referred to them by the courts, other welfare agencies, doctors, schools, parents and others; but do not go out seeking cases.

These include a number of case types including such as abandonment, mentally retardation, physical handicap, trouble in school, conflict with the law, lack of love, broken homes, exploitation, and unwed mothers and their children.

Child welfare operates on the thesis that every child is entitled to basic rights, opportunity, and protection against neglect, abuse, rejection, and exploitation.

Assistance is given in rehabilitation of children, placing of children in foster homes away from own home when necessary, planning for the unwed mother and child, helping solve delinquency and serious behavior problems, assisting the courts in adoption and contested custody cases, planning care for physically and mentally handicapped, seeking foster parents, etc.

One great need now in Lynn county is prospective foster parents.

Child Welfare is financed in this unit by Dawson and Lynn counties and the State on a 50-50 cost basis.

The first year, 423 children from 123 families were handled by the unit in the two counties at a cost of \$40.95 a year per child, which should be considered very economical compared with a

Helping Many

cost of \$1,300 to \$1,800 in the state training schools.

Mitchell Williams and L. C. Hancey arranged the program, and Mr. Williams introduced the speaker.

Among the visitors were Don Browning of Snyder, former local club president and Church of Christ minister; and Burnett Roberts of Levelland, past-district Rotary governor.

Student guests for February, Freddie Pierce and Jimmy Billman, were introduced by Clifton Gardner.

James Moffitt Is Wrestling Champ

Wallace E. Moffitt, formerly of Tahoka and living at 5122 Crockett in Amarillo since June of last year, was a visitor here Monday.

He says his son, James, a junior in Amarillo High School, is undefeated this year as the heavy-weight member of the AHS wrestling team. James now weighs 182 pounds, and already is being looked-over for a college scholarship when he graduates.

James played football at Tahoka and had fine prospects, but he is ineligible for football in Amarillo under Interscholastic League rules and went out for wrestling. This is a popular sport at Amarillo, and his team had about a dozen matches this year.

Henry Ray Tells Of Dulce Earthquake

Henry F. Ray and wife of Dulce, N. M., was here last week end and said the earthquake which shook up that community two or three weeks ago was a bit fearsome.

He said he and his wife were sitting in their trailer house watching television when the tremor started at about 7:00 p. m. Their trailer was not damaged, but the big general store there was shaken up pretty badly, groceries scattered all over the place, and this building and many others were damaged by cracks in the foundations, walls, etc.

Several slight tremors have followed the first which are keeping people a bit apprehensive.

ELECTRICITY POWERS PROGRESS!
This is National Electrical Week, marking the 119th anniversary of the birth of Thomas Alva Edison. It was Edison's invention of the first practical incandescent lamp that gave birth to an industry that now employs more than three million men and women, or 1 out of every 20 American workers. Almost every industry owes its progress to the power produced by electricity for, truly, electricity powers progress.

TOP TEXAN—Beautiful and talented Dale Evans, Queen of the Cowgirls and a world-renowned philanthropist, displays the Texas Press Association's most coveted plaque—The Texan of the Year Award. Miss Evans is the first woman to be named Texan of the Year. Four other native-born Texans have been similarly honored. Awards during previous years went to Paul Richards, Van Chiburn, Dan Blocker, and C. B. "Tex" Thornton. Pictured with her at the honor banquet in San Antonio on January 29 is her famous husband, Roy Rogers, King of the Cowboys. Miss Evans received the plaque from TPA President Winn Crossley, publisher of the Madisonville Meteor, at the closing event of a two-day TPA Mid-Winter Convention at the El Antonio Motor Inn. The couple flew from California especially for the event.

Gordon-Southland News

(By Mrs. Edmund Wilke)

My goodness, where do the weeks go? Here it is another Monday for the life of me, I can't figure out where last week went! Edmund, Darrell, Sherri, Dayneen Dunn and I went to Kingsland LBJ Lake and spent Saturday and Sunday and like always, I would liked to have stayed down there forever. There is something about that place that draws me like a magnet. We visited with Dub Pierce, former Southland resident, on Saturday night. His wife, Betty Sue (Basinger) and daughter Sue Ann, were here at Southland and Slaton, so we didn't get to see them. They came to attend Mr. and Mrs. John Leake's 50th wedding anniversary.

Mr. Robert Mock underwent surgery last Tuesday morning at the West Texas Hospital in Lubbock.

The Pleasant Valley Gin Company took a group of their customers on a fishing trip to Lake Falcon. They left on Sunday, and will be gone for five or six days.

A group of friends of Mr. and Mrs. Hub Haire have gotten together and planned a "house warming" for them on February 13, from 3:00 to 4:30 p.m. Any of you that would like to visit the Haires and see their new home are welcome. Their address is 905 West 13th Street, Post. I haven't seen their home as yet, but I have heard that it is just lovely. We are looking forward to seeing it.

We would like to extend our sympathies to the family of Mrs. Lena Chaffin, who passed away on Monday last week and was buried on Friday.

Mr. and Mrs. Bill Winterrowd from Amarillo visited with their son and family, Mr. and Mrs. Paul Winterrowd on Sunday. Also visiting were Mr. and Mrs. H. A. Chilcutt from Lubbock. Dahlonna Winterrowd was home from South Plains College for the week end, and while she was here she celebrated her 19th birthday. Mr. and Mrs. Paul Winterrowd are celebrating their 20th Wedding Anniversary today, Monday. Congratulations, you all!

The Pleasant Valley 4-H Girls and their mothers met on Tuesday after school in the home of Mrs. Herbert Dunn. Mrs. James Overman and Mrs. James Shelton gave some information on some of the changes of the 1966 County Food Show. Mrs. Wanette Gentry, the county Home Demonstration Agent, was present and assisted with the program.

The 4-H girls that were present were Laura and Sue Bevers, Marla Shelton, Kathy Long, Janis Belk, Dayneen Dunn, Brenda Kotrola, Tommie Jean Wilson, Irene Martinez, and Lupe Cisneros. The following mothers and leaders were present: Mrs. Spencer Beavers, Mrs. James Overman, Mrs. James Shelton, Mrs. Bob Long, Mrs. Nancy Belk, Mrs. Jerry Kotrola, Mrs. Wanette Gentry, and the hostess, Mrs. Herbert Dunn.

Mr. and Mrs. Ned Myers and Nedra spent Sunday in Lubbock with Mr. and Mrs. Grady Hunt. Mr. and Mrs. Hunt are the parents of Mrs. Myers.

Stephen J. Myers, son of Mr. and Mrs. Fred Myers, spent several days with Mr. and Mrs. Ned Myers, while his mom and dad went to the Fat Stock show in Fort Worth.

We would like to extend our congratulations to Mr. and Mrs. John Leake who celebrated their 50th wedding anniversary on Feb. 6. We were gone and didn't get to attend, but I hear that it was all very nice. When Edmund and I looked at their picture in the paper, we remarked how young that they both look. It is hard to realize that they have been married for fifty years. I think that this is one of the most beautiful occasions that two people can celebrate together, fifty years of married life. May they be blessed with many more happy years together.

Our Southland High School basketball teams will be playing in their District Tournament on the 10th, 11th and 12th at Shalloswater. Both teams left to Cooper on Friday night. Basketball is soon going to be over, and I am

just not ready for it to be over. Seems like we have had a short season. Track and volleyball will start pretty soon now.

Mr. and Mrs. Jack Hargrove visited in Lockney Sunday with Mr. and Mrs. D. E. Adams and Mr. and Mrs. Wilbur Adams. They attended a piano recital of Sonza Adams, daughter of Mr. and Mrs. Wilbur Adams. By the way, Jack and Jean Hargrove have a telephone now and the number is 2248. Welcome to the "yak-yak" club, Jean.

Mrs. Bob Dyess entertained a group of ladies in her home on Tuesday with a Stanley Party.

After the game visitors in our home on Friday night were Mr. and Mrs. Leroy Ziesohang, Mr. and Mrs. Chris Gindorf and girls, and Mrs. Libby Schneider. See you next week.

ERNEST WEST HERE VISITING FRIENDS
Ernest West of Stanton was here Tuesday visiting old friends. He is a former minister of the local Church of Christ and now minister at Stanton. He also has a sideline selling visual education materials to schools and was here for that purpose.

The Wests' son, Larry, who started to school in Tahoka is now a junior in Abilene Christian College studying for the ministry.

PROUD OF NEW BABY
Mrs. Norma Thomas says we could have told a little more about her new grandson born Jan. 25 to Elton and Linda George in Lubbock. Mrs. Callie George of Lubbock is a very proud great grandmother, as a pair of maternal great grandparents, Mr. and Mrs. J. F. Edwards of Richland Springs, Mrs. Thomas' parents.

"Helping Make A Good Community Better"

Johnny Wells Recounts Activities Of Chamber

Johnny Wells, president of the Chamber of Commerce for the past year, outlines some of the body's activities during the past year in the article which follows:

The Chamber of Commerce is seeking to enroll new businesses and individuals. The organization is dependent entirely on the dues of its members.

An office is maintained in the Federal Land Bank building with a part-time secretary with office hours from 1-5 p. m. Monday through Friday. J. M. Small is now serving the organization as secretary. A complete set of books showing income and expenditures is maintained and anyone interested, may examine the books at any time.

During the past year the Chamber of Commerce was again the sponsor for the Lynn County Livestock Show. This show is one of the largest in West Texas and brings in lots of participants and visitors to Tahoka. There is a definite need for more of our local business people and citizens to attend this event and mix and mingle with the people. The show this year promises to be one of the best yet and it is hoped that we can have the largest attendance ever and show these boys and girls who are exhibiting their livestock, that we are behind them.

Along this line the Chamber of Commerce also buys bus tickets for the 4-H judging team going to the state meet each year.

During the past year the Chamber of Commerce also gave \$200 to the local Cemetery Association for improvement of the roads.

We also sponsored a "Pat Hines Day" and held a reception for him at the Tahoka Community Center.

We worked with the Tahoka Garden Club and asked all the businesses and home-owners to clean up their yards, alleys and business places. Most of the local stores put out flower boxes. This flower box program brought favorable comment and good publicity to Tahoka from people everywhere. The Chamber of Commerce office answered numerous inquiries from other towns and cities who were interested in

starting such a program of their own.

It is sincerely hoped that every one will again have flower boxes this year and help beautify our town. If you did not join in the program last year, please make a special effort this year. Assistance will be gladly given by any Garden Club member on types of plants, when to plant, and the care of plants.

The Garden Club also had as one of their projects the beautification of the Memorial triangle in the center of town. We cooperated with them by helping to finance the project. It is now one of the most beautiful and fitting memorials to our War Dead.

The Chamber of Commerce gives \$100.00 premium each year to the farmer with the first bale of cotton ginned in Tahoka.

The Tahoka United Fund grew from a committee of the Chamber of Commerce and we have supported it by paying part of the operational expenses of the Fund.

Around \$500.00 was spent this past year on the Christmas promotional program. Six bicycles were given away on three consecutive Saturdays. We also had a Santa Claus on these days with candy for the little ones.

We have an Industrial Development Committee headed by Garland Thornton that is constantly working and promoting Tahoka as a site for some industry. The committee is making progress and has spent many hours with representatives of various companies.

Our Chamber of Commerce year is climaxed by the annual Farmer-Businessman banquet. New officers assume their duties after the banquet. Our new president for the coming year will be Wayne Waters, the local Ford dealer.

I have tried to outline some of the activities, duties and promotions of our chamber of commerce. If you are interested in joining with us in helping our city grow and prosper, call our office—998-4761, and have your name added to our list of members. We need you.

School Musical Is Next Week

North Elementary School will present a program of songs and folk games entitled, "I Hear America Singing." The date has been set for Friday night, February 18, at 7:30 p. m. in the North Elementary Gymnasium.

Last year the Tahoka Garden Club volunteered to beautify the patios between the old and new high school buildings. They exhausted their funds before the job was completed. This year they asked the assistance of both the high school and North Elementary School in raising the necessary funds to complete the project.

Instead of charging for the program, as originally intended, it will be free of charge. If anyone wishes to make a contribution to the Tahoka Garden Club that night, he may do so, but it will be strictly on a voluntary basis. A box will be placed in the foyer for this purpose.

Virgil N. Stewart Dies At Post

Funeral services for Virgil N. Stewart, 77, longtime Garza county resident, were conducted at 2:00 p. m. Thursday in the First Methodist Church in Post with the Rev. Clarence Stephens, pastor, officiating.

Mr. Stewart passed away Tuesday morning in Post Nursing Home, after a lengthy illness. Born in Grayson county, Mr. Stewart moved to Garza county in 1918 from Montague county. He farmed in the Graham community, east of Grassland, until 1945, when he retired and moved to Post. He was a member of the Methodist Church.

Survivors include four sons, Woodrow of Brownfield, Edsel of Lawndale, Calif., J. Captain Tells Of Viet Nam War

First hand information, pictures, and observations about the war in Viet Nam was given at the meeting of New Home Civic Club Monday night in a talk by Capt. Joseph A. Breen of Reese Air Force Base.

Capt. Breen served a year as a combat pilot in the war, flew 650 missions, 430 of which were in combat, and was presented the Distinguished Flying Cross, a medal and 13 oak leaf clusters for outstanding service beyond the call of duty.

He declared the only thing the North Vietcong and the Communists understand is power, and he strongly indicated he believes the only way we can win the jungle war is to isolate the invaded territory.

He illustrated his talk with pictures of the dense jungles, the mountains, the guerrilla fighters, planes, and towns.

Capt. Breen's talk was so impressive, he will be sought for another appearance in the school.

The program was arranged by Stewart Rice, club vice president. Club president is A. B. Norman Jr.

Among the 35 present for the program and dinner were the High School senior boys.
