Seven School Personnel Get Contract Extensions

Contracts of seven people were extended and one new faculty member was officially hired at the meeting of Tahoka school board Thursday night of last week.

Miss Cheryl Jones, a graduate of Big Spring High School and now completing work for her B. S. degree at Texas Tech, was elected commercial teacher to succeed Floyd Tubb, who was recently named North Elementary principal to succeed Jake Jacobs.

Mr. Tubb was given a two-year contract as North Elementary principal, and Principals J. B. Howell of South Elementary and Clifton Gardner of High School were given extensions of their contracts for two years beginning with next school year.

Melvin Burks, counselor, was also given a two-year contract extension.

Contract extensions were also given Gary Hall, band director; Jim Littlefield, assistant football coach; and Jim Tollett, junior high coach.

The board gave approval to a proposal by Supt. Harold Reynolds to make application under Title II, Elementary Secondary Education program, for Federal funds for library and audio-visual supplies and funds. Tahoka is eligible for \$2,848.00 in the program, Reynolds said.

A proposed calendar for the 1966-67 school session was adopted for 176 days of instruction, school to begin on August 29 and commencement exercises to be held on May 26, 1967. August 22-24 period has been set for pre-enrollment for elementary grades and grades 7-12 students to receive schedules, textbooks, lockers, etc.

The schedule calls for dismissal for Christmas holidays on December 16 and classwork to resume on January 2.

Also approved was a plan for keeping the High School library open each Thursday night, beginning this Thursday from 7:00 until 9:00 p. m. for benefit of students wishing to study or do research work there at this time.

New Home Stock Show Saturday

New Home will hold a Community Livestock Show this Saturday beginning at 10:00 a. m. in the Macha seed warehouse, according to Leonard Wilson, vocational agriculture teacher.

The show is a prelude to the New Home-Wilson show on February 26, the Lynn county show the first week in March, and the South Plains show following.

About fifty head of swine and 12 or 15 lambs will be shown by FFA and 4-H members, and ribbons will be given top places.

Robert Becker, vocational agriculture teacher at Brownfield, will be the judge.

Dickie Turner is general superintendent; Donnie Todd, swine superintendent; and Danny Nettles, sheep superintendent.

Tatum Bros. Will Erect New Building

Tatum Bros. Elevators is preparing to build a new warehouse and farm store building on the south side of US 380 just west of the Santa Fe tracks.

The present warehouse which has occupied the site has been moved across the street to the site of the old Burleson building destroyed by fire early in January.

The new warehouse will be adjacent to the railroad tracks and will house the feed, seed, and fertilizer part of the business, states Leighton Knox, manager. The present office area will be replaced with a new building to house the offices and a retail farm store.

Help keep Tahoka clean!

Trustee Election Is Set For April 2

Tahoka School Board at its meeting last week called the annual trustee election for Saturday, April 2, in the City Hall with J. M. Small as election judge.

Candidates for two places on the board may file with the district secretary, Mrs. Peggy Elliott, at her office in the Fenton Insurance Building. The term is for three years.

Terms of Clifton Hamilton, board chairman, and Roy Stephens expire at this time.

Other members of the board are Martin White, J. T. Miller, Elmer Owens, Edward Bartley, and James F. Roberts.

Reynolds Heads Tahoka Jaycees

Milton Reynolds has been elected to serve as president of the Tahoka Junior Chamber of Commerce for 1966.

Other officers include Guy Witt, first vice president; Tommy Brewer, second vice president; Roger Partain, secretary; and Bill Davis, treasurer. Three directors of the chamber are Charles Brookshire, Rudy Johnson and Clifton Clark. Inner-club director is Binie White.

A public installation banquet will be held March 5. Tickets may be purchased from any of the Jaycee members.

Electric Contest Here Monday

Mesa District Vocational Agriculture teams from at least nine schools will participate in a district farm mechanics contest sponsored by Lyntegar at their warehouse here next Monday, beginning at 1:30 p. m.

This is the first contest of its kind held here, and it will be directed by Binie White of Lyntegar and Dr. Lewis Eggenberger of Texas Tech.

The contest is in four divisions and will emphasize three skills: namely, arc welding and oxy-acetylene cutting, farm electrification, and plumbing, and the fourth division will be identification of items used in the three above skills. There will be four students on each competing team.

Mr. White says judging will be by people from other area electric cooperatives.

Following the contests, there will be an awards dinner at Smith Cafeteria, when plaques will be presented the three top teams, \$75.00 cash with which to buy shop equipment to the first place team, and a plaque to each of the high point boys in each division.

City Of Wilson Calls Election

City of Wilson has officially called the annual city election for Tuesday, April 5, when two aldermen are to be elected. Deadline for filing is March 5, according to Mrs. Ethel Covey, city secretary.

Places to be filled are those of Victor Steinhauser and Harold Key, and these two are filing for re-election.

Other members of the council are Mayor A. L. Holder, D. J. Hutcheson, Alfred Krause, and Clarence Nelson.

NEW HOME COMPLETED FOR TWO LOCAL LADIES

The new brick duplex home has been completed in the 2000 block of North Fourth for Mrs. W. R. Rogers and Mrs. Bert Dollins, mothers of Mr. and Mrs. Turner Rogers, respectively.

This is an all-electric Medallion home, and each apartment has a living room, two bedrooms, and kitchen.

Tahoka Project Show Saturday

Stock show time has arrived, and two community shows are being held this week end.

The Tahoka FFA and 4-H show will be held this Saturday in the county exhibition building in the south part of town, sponsored by Tahoka Young Farmers.

Walton Terry is the general superintendent; Hilton Wood, beef calf superintendent; and Billy Davis, swine superintendent. The Young Homemakers will operate the concessions stand. Prize money is being raised by the Young Farmers, but businessmen are not being solicited so as not to conflict with the county show.

New Home is also holding its community show this Saturday. (See story elsewhere.)

Annual Wilson-New Home show will be held in Tahoka at the county barn on Saturday, Feb. 26, with Edmund Maeker as general superintendent; Bobby Fillingim, Arlys Ehlers and Dofald Klaus, swine; and Leland White and Jerry McNeely, lamb superintendents. Entries will be brought in from 1:00 to 5:00 p. m. next Friday. Bonus awards will again be made by Wilson State Bank.

The big Lynn county show is set for March 3, 4, and 5, for which plans are just about complete except for raising the bonus award fund. This has become one of the largest county shows in Texas. Further details on the show will be published next week.

Mrs. McCord's Car Recovered Monday

Mrs. Lillian McCord's 1964 Chevrolet Corvair, stolen from her home here the night of Feb. 5, was recovered by officers in San Angelo Monday night. But, the car had been wrecked twice, although still running on its own power.

County Attorney Steve Thompson said two young men, ages 17 and 19, escapees from Big Spring State Hospital, were arrested by the San Angelo officers. They claimed a third young man stole the car.

On checking with the Hospital, Thompson found the two young men telling the truth, for they had not at that time escaped. Another juvenile mental escapee, acquaintance of these boys, is still being sought.

The latter is alleged to have stolen a Pontiac in Big Spring, drove it to Tahoka, abandoned it and took Mrs. McCord's car, later picked up the other two escapees, and later left them with the car.

Deputy Sheriff Son Guin and Doyle Woody went to San Angelo Tuesday to pick up the youths, but they are being taken back to the mental institution.

Nine Indicted By Grand Jury

Lynn county grand jury in session here last week returned nine indictments, passed six cases until next meeting pending further investigation, no-billed one case with instructions to re-file as a misdemeanor, and returned no bills in 13 cases.

Following indictments were returned: Tomas Paredes, two cases, forgery and passing.

Jesse Garcia, theft.

A. J. Finley, theft.

Antonio Gonzales, worthless check.

Adam Rivera, assault with intent to murder.

Pete Manriquez, assault with intent to murder.

John Martinez, forgery and passing.

Curtis Dearl Keeton, forgery and passing.

District Attorney George Hansard and County Attorney Steve Thompson worked with the grand jury.

Man Charged In Lynn Burglaries

A 25-year-old Lubbock man, Dwayne Rhea Millman, 1504 21st street, was arrested there Saturday following a raid by officers on his home, and was charged here with burglary of Kimbrell Super Market at Wilson and Higginbotham-Bartlett Lumber Co. at O'Donnell.

He also faces felony theft charges in Lubbock.

Loot recovered by Deputies Doyle Woody of Wilson, Son Guin of Tahoka, working with Lubbock officers, included a quantity of frozen foods, hams, bacon, cigars and cigarettes, ammunition, and tools.

A woman companion was also arrested Saturday, but was not named in either complaint. Millman is in jail here.

County Attorney Steve Thompson said the stores were entered Thursday night or early Friday. At Wilson, the burglar is alleged to have used tools taken at O'Donnell to gain entrance to Kimbrell's through the front door.

Weed Control Meet Monday Morning

Elmer Hudspeth of the Lubbock Experiment Station will be present at a weed control meeting Monday, Feb. 21, at 7:00 a. m. at Al Smith's Cafeteria.

County Agent Bill Griffin states that all farmers are urged to attend the breakfast meeting.

Discussions will be held concerning applications of Treflan, Caprol and Karmex, all chemicals for pre-emerge and post-emerge weed control.

Career Conference Is Held Tuesday In Tahoka Schools

The Rev. James McKinley of College Avenue Baptist Church in Lubbock delivered the keynote address Tuesday morning in Tahoka High School auditorium in the general assembly of the annual Career Conference day.

Students from New Home, Wilson and O'Donnell were invited to attend.

Members of the National Honor Society of which Mrs. F. B. (Madeline) Hegli is sponsor, have conducted the conference for about 10 years. Purpose of the conference is to introduce the students into various careers and to assist them in selecting their vocations. The organization has the project as a service to the school.

Ten areas were offered in the conference this year, and each high school student was allowed to attend two sessions.

The visiting consultants and

the vocations they represented include the following: Agriculture, Myron Grennell and George Sharp, representatives of Northrup King Seed Co.; beauty culture, Charles Powell of Isbell-Powell in Lubbock; business, Luta Eaves, Texas Tech; coaching, Leete Jackson, former Texas Tech athlete; Engineering, Dr. Paul G. Griffith, Texas Tech; home-economics, Miss Ann Faith and Miss Gough,

Texas Tech; interior decoration, Faye Moss, senior at Texas Tech and an employee at Cagle's; law, Ralph Brock, Lubbock attorney; medicine and nursing, Dr. O. W. English, West Texas Hospital, Lubbock; and teaching, Dr. Joe Tidrow, Texas Tech.

The conference, which is limited to high school students, has become an event that is looked forward to each year by the students. It is an event in which they can obtain information on their first and second choice of careers from consultants who are directly involved in that type profession.

John Huffaker is president of the National Honor Society. Other officers are: Mary Ellen Wyratt, vice president; Jill Edwards, secretary; Chloie Jan Huffaker, treasurer; Ralph Brock, reporter; and Maria Bray, parliamentarian.

C-C's Farmer-Businessman Banquet Is Monday Night

School Musical Program Tonight

"I Hear America Singing" is the title of a program of songs and folk games being presented tonight, Friday, at 7:30, in North Elementary School gymnasium by students under direction of Mrs. Bettye Green, public school music teacher, and other North Elementary teachers.

The program is free to the public, but those attending will be given an opportunity to make voluntary contributions to the Tahoka Garden Club fund for beautifying the school patios.

The program is expected to be an outstanding one, and Grades Four, Five and Six are participating in the event.

Assisting Mrs. Green are Mrs. Kathy Littlefield, accompanist, Mrs. Louis Wyatt, Mrs. Shirley Butler, Mrs. Jimmie Wyatt, Mrs. Nan Adams, Mrs. Blenda Pruitt, Mrs. Velma Gill, Mrs. James Clinton, Mrs. Anna Jo Carter, Gerald Edler, Ronnie McGrew, and Principal Floyd Tubb.

Various classes will represent Denmark, Ireland, Holland, Mexico, England, Norway, Sweden, Germany, Hawaii, France, and America in a wide range of songs, folk games, and skits.

Mrs. Reid's Home Damaged By Fire

Fire starting from a pan of hot grease damaged the interior of Mrs. Etta Lorene Reid's home Thursday morning. Mrs. Johnny Raind, in taking her children to school, noted smoke coming from the house and turned in the alarm at 8:25 a. m.

In rushing off to work at the post office at about 7:45 a. m., Mrs. Reid had left a pan of grease on the stove, and flames ignited the kitchen walls.

Fire Chief Pat Patterson said actual fire damage was not too heavy but smoke badly damaged the entire interior of the house and its contents. Slight further damage was done by water.

Had the house not been closed tightly, Patterson said the fire would have been more serious. Even at that, he said, had the alarm been delayed a few more minutes the house may have been destroyed.

Lillian McCord, O'Donnell Public School nurse, was a medical patient in Tahoka Hospital Thursday through Sunday.

Pastor Called By Sweet Street

Rev. Shelby Bishop, minister of the Baptist Church at Afton, accepted a call Sunday night to serve as pastor of Sweet Street Baptist Church.

Rev. and Mrs. Bishop will move to Tahoka on Feb. 24.

He preached both Sunday morning and night at the church and accepted the call from the church following the evening service.

The Bishops have three children, all married.

Working on the pulpit committee to help secure a pastor for the church were H. L. Duckett, Bonnie Brown, Lyndell Wood, Grady Herrin, Woodrow Brazil and Gilbert Gandy.

City Election Is Called April 5

Tahoka's City election was officially called at a meeting of the Council Monday night and set for Tuesday, April 5, when three aldermen are to be elected.

Terms of W. T. Kidwell, Alton Cain, and R. W. Rutherford expire at this time. Kidwell and Cain have agreed to file for re-election, but Mr. Rutherford is out of town and his permission for filing had not been secured.

Holdover members of the Council are Jack Jaquess and H. B. McCord Jr., aldermen, and Melton Leslie, Mayor.

Heart Campaign Is Opening Today

The appointment of Mrs. Margaret Carter as chairman for the 1966 Heart Fund Campaign in Tahoka was announced today by Dr. Fred D. Spencer, president of the Texas Heart Association.

The campaign will be conducted here and in more than 8500 other American communities throughout February.

Heart Fund Coin Collectors will be placed on counters of local stores, and in key positions throughout the city, Mrs. Carter announced today.

The Heart Fund Drive will reach its high point during the three day period, starting February 18th through February 20th, when Heart Sunday Volunteers in all residential areas will visit their neighbors to deliver educational information on how to reduce your family's risk of heart attack and to receive Heart Fund Contributions.

Mrs. Carter emphasized that although the heart and blood vessel diseases are now responsible for over 54 per cent of all deaths in this nation, dramatic progress has been achieved since the onset of massive research programs began in 1950, a year after the first Heart Fund Campaign.

Despite this progress, the campaign chairman added, the heart and blood vessel diseases continue to be the Nation's Number ONE KILLER, claiming the lives of nearly a million in the U. S. alone each year.

"Confronted with this fact," she went on, "we must expand our efforts in the fight against these diseases. I ask every resident of Tahoka to support this vital fight against the heart diseases by giving more generously than ever before to the Heart Fund."

Mrs. V. L. Botkin is a medical patient in the hospital where she was admitted Saturday.

Mrs. Joe M. Thurman was a medical patient in Tahoka Hospital Friday through Monday.

Dr. Leon Hill, Amarillo minister, humorist, philosopher and author who has gained a national reputation as a dynamic after-dinner speaker, will present the address at the annual Farmer-Businessman banquet of Tahoka Chamber of Commerce here next Monday night, Feb. 21, at 7:30 o'clock in the school cafeteria.

All people of the county, not just C. of C. members, are welcome to the meeting. Tickets are \$2.00 each and may be secured at either drug store, from C. of C. directors or at the office of J. M. Small in the Federal Land Bank building. A limit of 350 tickets will be sold.

Born in North Carolina, Dr. Hill became an outstanding Baptist pastor in Texas and so many demands were made on him for evangelistic appointments and speaking engagements that he retired from his pastorate in Amarillo to devote his full time to public speaking.

Last year he addressed 211 non-church groups from New York City to the smallest West Texas town.

His original humor "rolls 'em in the aisles," while he punches home down-to-earth basic principles of life, business, and Americanism, one man says of his talks.

Lynn County Soil Conservation District, which cooperates with the C. of C. in the annual banquet, will present awards to the outstanding "conservation farmer of the year," and to the three high school student essay winners on the subject of soil and water conservation.

Johnny Wells, out-going Chamber of Commerce president, will preside at the banquet, and turn the reins over to the new president, Wayne Waters, local automobile dealer.

New directors of the C. of C. recently selected by mail ballot are: H. B. McCord Jr., "Cap" Whorton, Jerry Cain, E. L. Short, Calloway Huffaker, Harold Roberts, Clint Walker, Wayne Waters, and Garland Thornton.

Holdover directors are: Irvin Dunagan, Warren Embree, Clifton Clark, Frank Hill, Horace Rogers, Charles Townes, Johnny Wells, Bob Haney, and Dayton Parker.

Jack Jaquess and Charles Brock are retiring from the board after having served several years.

President of Tahoka Jaycees, Milton Reynolds, is an honorary member of the board.

Mrs. W. G. Lyons' Rites Are Today

Mrs. W. G. (Lillian) Lyons, 77, mother of Mrs. Skiles Thomas and well known in Tahoka, passed away late Tuesday in a Galveston hospital, where she had been a patient nearly a month following a stroke.

Dr. and Mrs. Thomas left early Wednesday for Galveston, and details were unavailable here.

Mrs. C. A. Thomas learned Thursday morning funeral services will be held this Friday at 10:00 a. m. in Moody Memorial Methodist Church of Galveston.

She is survived by her husband; two daughters, Mrs. Thomas and Mrs. A. S. Koehler of Houston; one son, Kenneth Lyons of San Angelo; and nine grandchildren.

Hootenanny Here On Saturday Eve

It's Hootenanny time again Saturday night at the Community Building.

There will be a number of amateur musicians here to play Western, popular, and other music, and a capacity crowd of listeners is expected.

The show is all free, and refreshments will be served by Lyntegar.

Early Settlers Had Fun, Mrs. W. H. May Says

(By Mrs. W. H. May)

When we moved to Lynn County in 1903, we bought two sections of land from two old bachelors, and we moved in a two-room shack. The boys filed on the land and built a shack 16 ft. long and 10 ft. wide and floored it. The wall on the north side was 6 ft. and the south side was 9 ft. with a door in the south and wooden shutter in the east.

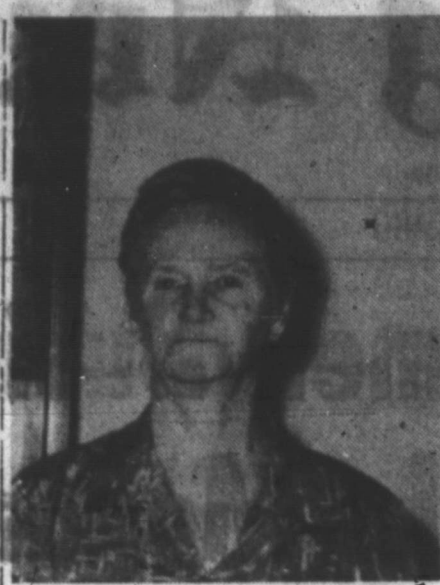

The next year they built a room on the south side with a door in the east and one in the west, and it was so dark when the doors were closed—just a dirt floor in that room—but we had an old tent—we made a carpet for it. We had two little window sashes and I kept trying to get Mr. May to cut a window and put the glass window in but he wouldn't do it.

Cuts Window In Shack
Before long, he got on a trade with I. W. Meyers for the section we lived on for 45 years, and they had to go to Lubbock to fix up the papers. I could hardly wait for them to get out of sight. I got the hammer, saw and nails and started work. I cut a hole in the west end of the north room and moved the wooden shutter there and put a glass window in the east, and put a glass window in the south side of the south room. I made frames to slide the windows back and let the air in as well as light. When it rained they leaked a little. Mr. May never did brag on my carpenter work.

We had our little belongings packed in there like sardines in a can. Many mornings Mr. May would get up in a hurry and bump his head on a rafter, then I had to cover up my head to laugh; the words he used weren't Sunday School words.

Hands Drowned Out
In the early fall, we had three boys working for us; one was a farm hand, and Douglas Caldwell and another boy were breaking broncs. The boys had to sleep in the yard. One afternoon there was a big bank in the west and the boys had to move in the house. About 10 o'clock it just rained a flood, and pretty soon I heard the boys talking, and then they would laugh.

In a few minutes, they called Mr. May and said they were drowned out. We all got up, there wasn't a dry thread of their bedding and the water was about three inches deep all over the

MRS. W. H. MAY

carpet. We took buckets, dippers and pans and dipped all the water out, and took the three children in bed with us and the three boys took the other bed.

I got up about 4 o'clock to see if the floor would be dry enough by morning to cook breakfast. I decided it would and went back to bed. About daylight it came an other big rain, and our work was to go over, but I didn't sleep I was so disgusted. Breakfast was a little late that morning.

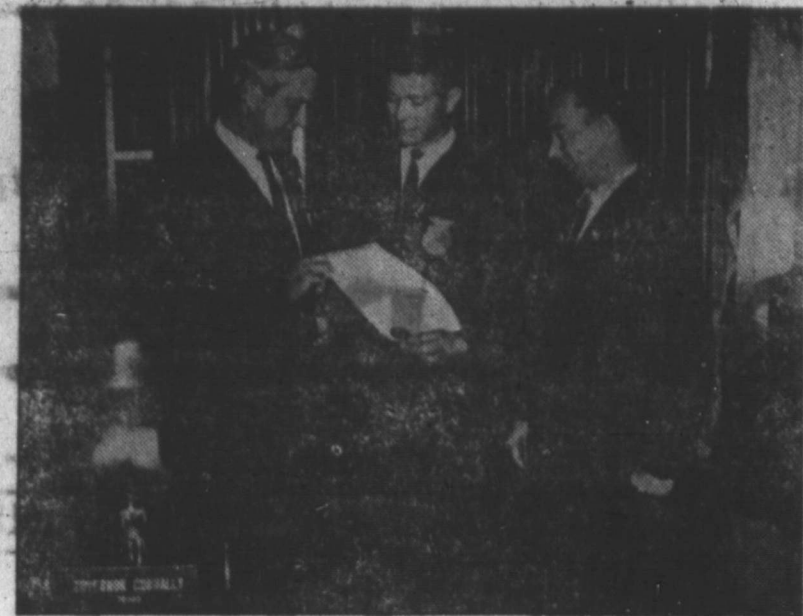

Plow Fire Guards
Well, we decided to build on the Meyers section. We had fire guards plowed and built the house, but didn't burn the grass inside the fire guard.

We had two bales of cotton to gin and had to take it to Lubbock to a gin. We had two wagons, one trailed behind the other, and four horses hitched to them and started out. The school teacher was boarding with us and she and Clara and Celia kept things together till we got back. We spent the night in Lubbock with some old friends.

Fight Prairie Fire
The next morning a strong sandstorm was blowing from the southwest. About 10 o'clock a prairie fire started over close to Meadow, and we started home and just about sundown we got to Mr. Morgan's place, where Mrs. J. F. W. Maeker now lives. Mr. May ran across and borrowed a horse and went to the fire. The wind gradually changed to the north and on to the east, but gradually calmed all day. The fire was north of us.

I drove on home and we turned one team loose and just watered the other team and hitched them to a buggy, put in a barrel of water and brooms and sacks, and we fought fire till midnight. All the neighbors were fighting fire, and when we got it all out it was about a half-mile north of our house.

Profit On Eggs
When they built the railroad from Lubbock to Post, we would ride horse back across to where Slaton is now and watch them lay the ties and rails with machinery. Old man Shippy had his camp in the breaks down below Southland, and I would take produce down there and sell to his Negroes. Sometimes the manager would buy it, and sometimes he didn't have time, but would

ring a big bell and the Negroes came from every direction.

I would go to Tahoka and buy eggs from Mr. Wells for 15 cents a dozen and take them down there and sell them for 30 cents.

One day I got all my stuff together and I had to go by the old place and take the boys' dinner. I was driving a little blue-gray pony that hadn't been worked too much. The wind was pretty strong and I tied her to a post, and a quilt blew out of the buggy and scared her and she broke loose and started to run. The hind wheel hung on the windmill post. Well, it looked like it was raining eggs. They spattered nearly to the platform of the windmill. Most of the milk spilled and the butter was slightly out of shape, but I took it back to the house and remoulded it and put it in the ice box. We didn't have refrigerators then: The next week I went back to Tahoka and stocked up on eggs and went on my weekly visit.

May Makes Mule Trade
Mr. May was interested in mules. One day we went to Wilson and three boys from Tatum, N. M., came through with 20 head of mules and he stopped them to look at their mules and bought the bunch. He took them home and sheared all but two. He had them in the lot, and a sandstorm was blowing. A mule buyer phoned from Tahoka and wanted to come and look at them. He said "let's shear them two."

We were having a time getting them in the chute. He had a 1 by 4 about 4 ft. long and one of the mules kicked that board; it struck his forehead and cut a two-inch gash above his eye. He fell to his knees.

Doctors Mule Buyer
I ran to him and I said "Let's go to the house; we will have to call a doctor." He said, "Is it that bad?" I said, "Yes, it will take two or three stitches." When we got to the house, he wanted me to put rubbing alcohol on it. I said, "No, it will burn you up." He insisted and I said, "No, not till I call Clifford Thomas." Clifford said it was all right, and when I poured it on it ran in his eye and it like to have paralyzed him.

But the doctor got there pretty soon and got him fixed up, and the mule buyer came and he lay there on the bed and sold his mules. The next day we had to go to Tahoka to have his head dressed and when we went in the drug store Clifford Thomas said, "I forgot to tell you yesterday you had better tie up a foot before you put that alcohol on a fresh cut." He sure needed something.

Breaks Young Horse
We liked to break horses, and we had a big young two-year-old horse that was gentle as a dog. We decided to hitch him to the wagon, and put a halter with a long rope tied to it on him. I was holding the rope and Mr. May had the lines. When they started they caught the hind wheel of the wagon on a corner post and pulled the coupling pole loose and the wagon bed dropped on the ground. The team ran off with the front wheels and dragged us about 10 feet. I turned the rope loose and Mr. May had to turn the lines loose. They ran to the back of the "starve out."

Carl Sherrod and Ruth lived in the house about 100 yards away, and Ruth saw the run away and it tickled her to death. She came

January Traffic Accidents High

The Texas Highway Patrol investigated 13 accidents on rural highways in Lynn County during the month of January, according to Sergeant A. E. Roberts, Highway Patrol Supervisor.

These crashes resulted in one person killed, eight persons injured, and an estimated property damage of \$6,810.00.

April 15 is the deadline to have your motor vehicle inspected. During the past five and one-half months only 2,000,000 or 40% of the approximately 5,000,000 registered vehicles in Texas have been inspected. This leaves 3,000,000 vehicles to be inspected in approximately two months. If the number of uninspected vehicles were divided evenly among the 5,200 official stations in Texas each would have approximately 577 vehicles to inspect in about 40 working days, or about 15 vehicles per day. The inspection stations in heavily populated areas will have more than this average number to inspect. In areas where there are only a few inspection stations you may have many miles to travel to get your vehicle inspected.

The Sergeant urges motorists to have their vehicles inspected without delay to avoid the inconvenience of waiting lines.

Remember—no extension of the Safety Inspection deadline, April 15, 1966.

down there, and she couldn't talk she was so tickled. She tried to apologize. Finally, she said that was the funniest thing she ever saw.

Mr. May went and got the team. We had a heavy load of lumber on another wagon, and he took a trace chain and locked one wheel and that time didn't run but a few steps. We drove them a couple of miles across the prairie and the young horse was pretty well broke when we got back. That was fun in the early days.

Lynn County Soil Conservation District News

E. R. BLAKNEY HAROLD PAYNE
ELMER OWENS BOYD BARNES
JIGGS SWANN

A conservation irrigation system is a vital necessity if water is to be utilized efficiently, says Blake Lovelace, Work Unit Conservationist of the local Soil Conservation Service Office.

If water is applied by sprinkler, attention must be given to proper nozzle size, proper pressure and length of line. The principal consideration in designing a surface system include soil texture, amount of slope and length of run. Only when all of these factors are considered can maximum benefit be achieved from irrigation water.

When runs are too long the near end is over watered in order to reach the far end. The proper length of run will vary from farm to farm due to differences in slope and soil textures.

Probably the greatest waste of water occurs when water is run down slopes that are too steep. In this case, water moves too rapidly to soak in the ground and nearly all of it ends up running down roadside ditches and into lakes. Evidence of this can readily be seen on irrigated land. The crop at the far end of the rows is rank and producing a good yield while that farther up the slope is stunted for lack of water. This is especially true when the land tends to flatten out at the end of the rows, giving the water more chance to soak in.

Our underground supply of water is falling off every year and we must not fail to use every gallon as efficiently as possible.

The Lynn County Soil Conservation District has levels available to rent to farmers who need them in laying off irrigation rows. Soil Conservation technicians are available to assist where more help is needed in planning and applying conservation practices.

Come in and take on a tiger!

The only thing that looks low-priced on a Pontiac Tempest is its price sticker.

And that's removable.

Take it off, and there's just a pure, unabridged Pontiac: crisp, Wide-Track style and handling. A handsome interior. Plus the effervescent performance of a new, overhead cam 6 engine that puts out with all the spunk of an 8, yet saves like the traditional 6. And of course, being a Pontiac, Tempest allows you the luxury of choice—with options in engines, transmissions, suspensions, practically everywhere. And like all Pontiacs, Tempest also has a standard safety package with items like seat belts to buckle—front and rear. (That ought to do for now. We'll tell you the rest when you get here.)

Our government is screwing the vice a little tighter and a little tighter all the time.

There are signs of added restrictions on every hand. Bracero labor was done away with, and other unemployed people refuse to go to the fields. A firm cannot legally advertise for a female clerk, let alone a white clerk. Demonstrators can block a private business firm's doors and get government protection. Just recently, the Secretary of Agriculture told farm owners they could not dismiss a renter in order to farm his own land and remain in the Farm Program, except on six months' notice.

A few days ago, The News received a questionnaire from the Bureau of Labor Statistics asking several questions about our business which we consider to be a little bit of our personal business.

Really, we have no serious objection to giving out the information to the Labor Department, or to anyone else, if it were not for the implications, the possible use to which the Labor boys put the information to the detriment of business. But, what really burns us up is that we are admonished to present the report, under oath, and were threatened with the statement, "Penalty for failure of refusal to comply with this requirement of the Act is punishment by a fine not to exceed One Hundred Dollars (\$100.00), or imprisonment not to exceed thirty (30) days." Great freedom! Great Society!

Guion Cobb says back in the early days a man was convicted of cow theft, and when the judge went to pass sentence he gave the culprit his choice of three years in the penitentiary or three years in Jack county.

Now, don't anyone go jumping on Guion or The Printer. Guion was born in Montague county and The Printer was born in Bell county. A lot of good people came from Jack as well as Montague and Bell counties.

There was a big revival meeting going on, and the crusty old codger who never darkened the church-house door was approached by a friend: "Don't it soften your heart to know the Lord loves you?" the friend asked. "You mean to tell me," the old reprobate spat, "that the Lord loves me when he ain't never knowed me?" The friend thought a second. "Let me put it this way," he finally said. "It's a heap easier for the Lord to love you without knowin' you than if he knowed you like I do."

Swiped: Burning the candle at both ends is one way to go out like a light. . . They're married for better or for worse—she couldn't do better and he couldn't do worse. . . President Hoover gave his salary back to the government; this started a fad, and now the government wants everyone to do the same thing.

Sign in a cafe: Our food will make you thick at your stomach. Sign in a church: Come early and get a back seat. Sign in a beauty shop: If your hair is not becoming to you, you should be coming to us. Sign in a shoe store: Come inside and have a fit.

PLAIN TALK ON VANISHING AMERICAN

To News Readers: Americans who believe in God and our Constitution, which our forefathers founded on a belief in God, country above party, and states rights, should be alarmed at the left-wing Socialist government we have, which is being forced on the American people by sheep-like followers of the dictator we have in power—who is substituting Socialism for Americanism; and fighting a war and having our men killed when it could be done without a Chamberlain pacifist attitude.

You can't argue with a rattlesnake or Communist unless on their own terms.

We are gradually having a noose placed around our necks by our bungling so-called diplomats selling us out to Communism, and soon it will be too late to repair the damage unless we wake up.

Communists are being let go free by our Supreme Court and government in power, which is doing nothing about draft dodgers, burning draft cards, the teaching of Communism in our colleges under guise of freedom of expression, civil right promoted by the Communists and our government, the white race having their rights taken away, using the bayonet to enforce "rights", making possible use of the "X" by the illiterates to be voted by politicians as they wish in blocks for our "fabulous" politicians who promise anything until elected.

Both parties are to blame. We still have some good men. As long as we are in a fool's world, like now, money is getting less value all the time, and a depression is around the corner.

We have the UN dictated by known Communists while Uncle pays all the bills and gets all the insults from our Communist "friends"; over 100 billion owing us largely by Communist countries who will never pay; our "United" churches, supposed to be Christian, wanting Red China admitted to UN; Castro our close Communist "friend", still receiving money from our Socialist promoters.

We are living in a fool's paradise—so called—going to destruction as fast as we can, still sending money and supplies to our Communist friends; State Department controlled in part, or more, by Communists in it.

Americans, let's wake up before too late! —An American who believes in God and the brotherhood of man. (Name withheld on request.)

Socorro Lady Is Tahoka Visitor

Miss Elsie Lehew of Socorro, New Mexico, was here last Thursday and was a visitor at The News office.

She says she and her mother and brother came through here in 1922 headed for western New Mexico for their health, and they liked the looks of Lynn county so well, they came back later to buy the farm they now own near New Home through "Happy" Smith.

They filed on land at Pie Town and lived out the claim, and her brother runs a ranch there now. Before retiring, Miss Lehew served 30 years as a postal clerk at Datil and then at Socorro.

Miss Lehew says the dry air at Socorro is wonderful for people suffering from asthma and similar ailments.

Grand Jury Recommends Increase In Pay For Three Deputy Sheriffs

Lynn County Grand Jury, in session here last Friday, recommended that the county increase salaries of three deputy sheriffs. Following is the statement which the grand jury has asked The News to publish:

"It has been brought to our attention that Lynn County, Texas now has three full time Deputy Sheriffs serving this County very capably and competently, and that these three Deputy Sheriffs perform their duties in an excellent manner.

"It has been further brought to our attention that these Deputies are on duty an average of 12-14 hours per day, 7 days a week, and are subject to call 24 hours a day. We have further noted that these deputies are called upon to risk injury and possible death in the performance of their duties and that this potential danger has not lessened their willingness to protect the citizens of Lynn County.

"It has come to our attention that these Deputies are paid the following monthly salaries, (BEFORE SOCIAL SECURITY AND WITHHOLDING TAX DEDUCTIONS):

Chief Deputy Sheriff, \$365.00 per month;
Deputy Sheriff No. 2, \$335.00 per month;
Deputy Sheriff No. 3, \$260.00 per month.

"It has been brought to our attention that out of the above gross monthly salaries the Deputy Sheriffs are required to furnish their own equipment, to-wit: guns, ammunition, hand cuffs, etc., and Deputy Sheriff No. 4 is required to furnish his own automobile.

"In view of the above findings, we, the Grand Jurors of Lynn County, Texas do hereby respectfully recommend that the Commissioners' Court of Lynn County, Texas immediately give the three full time Deputy Sheriffs of Lynn County, a substantial raise in salary to a sum commensurate with the risks, hours, and responsibility involved in their respective duties. We further recommend that a copy of this report be delivered immediately to the County Commissioners of Lynn County, Texas for their action, and we strongly urge said

VISIT COLLEGE STATION

Mr. and Mrs. Roy Harvick and Mrs. Elnora Curry visited over the weekend with their sons, Terry Harvick and Mike Curry, both freshmen at Texas A&M University where it is reported that Terry is playing quite a bit of basketball on the freshman squad. The Harvicks and Mrs. Curry left for College Station Friday and returned Sunday.

Miss Echo Milliken attended the State Convention of Hair Stylists in Dallas last week. Mrs. Abbie Whorton of Lubbock accompanied Miss Milliken on the trip.

Mr. and Mrs. Claude Chapman and children, Dennis, Claudia Ann, Debbie and Thames, and Mr. and Mrs. Shorty McNeely and son, Tom, all of Plainview visited with Mr. and Mrs. Harley Henderson, Mr. and Mrs. Lub Burke, and Mr. and Mrs. Bill McNeely over the week end.

For the guy who'd rather drive than fly: Chevelle SS396

POTENT THE CHEVROLET WAY

Chevelle SS 396 Sport Coupe with Body by Fisher, seat belts front and rear, one of eight features now standard for your added safety.

This is about a Chevelle—a very special one—with a bulging hood, a black grille and red stripe nylon tires. Start it up and you've tuned in on 396 cubic inches of Turbo-Jet V8. Get it moving and suddenly you're a driver again. With gears to shift. A clutch to work. Even a set of gauges to read, if specified. Now take a curve, surrounded by a machine that delights in crooked roads. This, you see, is an SS 396. A Chevelle, yes. But what a Chevelle.

Dr. R. Huddleston Heads Hospital in Tanzania, East Africa Nation

Dr. Ronald Huddleston, son of Mr. and Mrs. R. W. (Mutt) Huddleston of Gordon and Grassland, is having some interesting experiences in Tanzania (formerly Tanganyika), East Africa, where he has just opened a hospital sponsored by Texas Churches of Christ. He and his family have been in that country two years.

Ronald was reared at Gordon, Lynn county, and attended high school at Southland, where he was an outstanding athlete. After attending Abilene Christian College, he attended Southwestern Medical School in Dallas, served his internship, then decided to go to Africa on missionary work.

In January, 1964, Park Row Church of Christ in Arlington had set up a mission in Chimala, Tanzania, and since then with the help of other churches of the Dallas-Fort Worth area have built a 50-bed \$70,000 hospital there said Dr. Huddleston has been in charge.

On December 28, the hospital was dedicated, and President Julius Nyerere of Tanzania was present, the first time the president of a nation had ever opened a Church of Christ facility.

At the opening, the President of the African nation said in his talk: "Americans are hard-working people and we in Tanzania must try to follow their example." He said that through hard work Americans have become the richest people in the world and told the thousands of Tanzanians attending the ceremony that they also must work hard to make their country self-sufficient.

Last year, even before the hospital was completed, Dr. Huddleston's 16,480 patients were attended in an area of 100,000 population.

The area is very primitive, compared to the U. S., and the most modern farming equipment consists of oxen pulling crude plows.

The Huddlestons are one of the five white families in the area. Ronald's wife teaches Sunday School classes at the mission. She is the former Maxine Childs of Sacramento, Calif. They have two children, Rhonda, 6, and Kevin, 3. They are to spend at least another year in the hospital mission work there.

'Grandma, Let's Talk About Our Heart Operations'

IDENTICAL HEART OPERATIONS saved the lives of Mrs. E. L. Boyce of Fort Worth, Tex., and her grandson, Charlie Glasie III of Tacoma, Washington. Understandably, they are ardent boosters for the 1966 Heart Fund Campaign, being conducted nationally through February.

Medicare Advice Available Monday

Everyone 65 or older who gets social security or railroad retirement benefits has received an enrollment card for the medical insurance part of health insurance, popularly known as Medicare, according to Mr. John G. Hutton, social security district manager in Lubbock.

Many people have marked the card, signed their names and returned it. Others may have put the card aside, intending to make their decision later. Mr. Hutton suggested that these people get in touch with their social security offices if they would like more information about health insurance.

If the enrollment card has been misplaced or lost, the social security office at Lubbock, Texas can provide another. It is very important that you make a decision, Mr. Hutton added. If you were 65 or over January 1, 1966, you will have medical insurance when the program starts only if you sign up by March 31, 1966.

A representative of the Lubbock Social Security Office will be in Tahoka on Monday, February 21, in the courthouse at 9:00 a. m.

The annual value of shipments from primary timber manufacturing plants in Texas is \$211,700,000 value in shipments annually from secondary manufacturers.

Gordon-Southland News

(By Mrs. Edmund Wilke)

Happy Valentine's Day to each of you. I would like to take this opportunity to thank all of you for your kind words and encouragement since I have been writing this column. The age old question has been voiced: "Is praise and encouragement necessary?" Yes, being human beings, we need it. Not perhaps the spoken words, but the feeling that we are needed and appreciated. So many of you have taken the time to stop and tell Edmund or me how much you enjoy the Southland News and I can't possibly tell you how much this means to me. Thanks to you, from the bottom of my heart. Of ten times I find that my attitude is that of criticism and complaint, and oh how much better and happier I would be if I would only express my genuine compliments and expressions of gratitude and love to my friends and neighbors.

Mr. and Mrs. Herman Dabbs are in Las Vegas, Nev., this week attending a National Rural Electrification meeting. They left early Saturday morning and expect to be gone for several days.

Our district basketball tournament over at Shallowater turned out rather well. On Thursday night our girls played the New Deal girls and they really played them a good game, but lost by three points. The boys played Wilson and beat them. They played Cooper on Friday night and beat them, putting them in the finals. On Saturday night, they played the unbeaten Shallowater team and lost, but they still played them a good game. Eagles, we are proud of you, and are already looking forward to next year. Our Junior High teams are playing the Slaton Catholic School boys and girls here in our gym tonight (Monday).

Sunday dinner guests in our home were Rev. and Mrs. Robert Richardson and children and Mr. and Mrs. James Riney and Cathy, all of Slaton.

Little Kristi Allbright celebrated her third birthday last week with a birthday party on Saturday afternoon. Her little guests were Stacy and Jay Callaway, Ann Monk, Debra Crawford, Shera Ann, Roson and Billy Guy Pearson. They had a good time playing together and later were served birthday cake, hot chocolate and ice cream. Also visiting were her aunt, Mrs. Elsie Pearson from Amarillo and Mrs. Dee Hodge from Levelland. Elsie came on Thursday and stayed until Sunday, visiting her parents, Mr. and Mrs. Alva Allbright.

Mrs. J. F. Rackler spent Friday and Saturday in the home of Mr. and Mrs. Claud Roper. Mrs. Rackler still isn't feeling as perky as she should and we sure hope that it won't be too long until she does feel better.

Elder and Mrs. Ray Smith and daughters, Patty, Sherry, and Thresa had supper with Mr. and Mrs. J. B. Rackler on Saturday night.

J. B. Rackler Jr. and a group of FFA boys from Wilson left on Sunday for San Antonio where they will be attending a swine show all week. Each of the boys took hogs down to enter them in the show.

Donna Hayslip from Lubbock was a dinner guest of Beverly Rackler on Sunday. In the evening they attended the Central Baptist Church in Lubbock.

We were so sorry to hear that Ned Myers had to return to the hospital sometime this past Saturday night. He is in the Meth-

odist Hospital in Lubbock.

Miss Carol Stolle was at home over the week end. Carol is a student at TLC and is doing student teaching at Lackland Air Force Base in San Antonio.

Mr. and Mrs. Gene Moore and children from Slaton, Mr. and Mrs. Floyd Foerster and children from Lubbock, Mrs. H. L. Moore and Mrs. Ed Moore and Linda from Slaton were dinner guests on Sunday in the home of Mr. and Mrs. Junior Becker. Mrs. H. L. Moore is spending a few days with the Beckers while her husband is fishing down at Falcon Lake.

Willie Becker has gone fishing with a group of men from the Farmer's Gin Company. While he is gone Mrs. Becker is staying with her sister-in-law, Sister Lydia Becker in San Antonio. Mr. and Mrs. Becker will spend this coming week end in Fredricksburg visiting with Rev. and Mrs. Weiss.

Willie will attend the Brotherhood Convention that will be held in Fredricksburg on Saturday and Sunday.

Mrs. S. S. Bevers and Mrs. Sam Bevers Jr. from Justiceburg and Mrs. Evelyn Dorman from Snyder were guests in the home of Mr. and Mrs. Spence Bevers on Monday.

Cathy Long, daughter of Mr. and Mrs. Bob Long, celebrated her 12th birthday last week with a Hobo Party. Each guest came dressed as a hobo. Those attending were Laura Bevers, Marla Shelton, Breonne Winterrowd, Janet Belk, Lupe Cisneros and Darrell Hill. As per usual, a lot of giggling went on, games were played and refreshments were served.

John Poindexter of Lubbock and Breonne Winterrowd were visitors in the Robert Long home on Saturday.

Mrs. Opal Pennell attended the funeral of E. K. Haynes in Post on Wednesday of last week.

Mrs. Lynn Freeman from Houston spent last week with Mr. and Mrs. Donald Pennell.

Mr. and Mrs. Kenneth Callaway and children visited with Mr. and Mrs. Don Kelly and children in Clovis last week. These two couples are better known as Karen Gayle and Kenneth, and Chub and Kay.

Guests in the Donald Pennell home on Wednesday were Mrs. Jewel Long from Post and Mrs. Dorothy Dugger from Lubbock.

Mrs. Opal Pennell went to Post several times last week to be with her brother and family, Mr. and Mrs. Riley Howard, who live in Decatur. They were visiting in the home of Mr. and Mrs. Carl Cedarholm.

Mr. and Mrs. Marcus Wilke have gone to Lake LBJ for a few days.

Wednesday visitors of Mr. and Mrs. Jack Hargrove were Mrs. Sam Robertson from Sundown, Mrs. Aldine Riggs from Lubbock and Mrs. Florene Reed from Ft. Worth.

Mr. and Mrs. Jack Hargrove visited Mr. and Mrs. Ray Griggs at Lubbock on Saturday night.

The housewarming for Mr. and Mrs. Hub Haire and Johnny was a huge success. Around 100 guests registered and everyone had a real nice time.

Mr. and Mrs. Jack Allen from Denver City visited on Sunday with Mr. and Mrs. Delbert Abshire. "42" was played and I think that the men won. Don't they nearly always?

The Hackberry Gin Company is taking a group of their customers fishing down to Falcon Lake this coming week. Don't tell any of them, but I think I am going to sneak in one of the boats and go along!

A lot of repairing is going on down at the Hackberry Gin, getting ready for another ginning season. The gins are just like the farmer, they get one crop behind them, and immediately they start on the next one. Edmund has been watering since January. With our little wells, we won't be over all the land before it is time to plant. But thank goodness for the little water that we do have!

Mrs. Haney Gives History Of Garden Club At Meeting

Mrs. Emil Prohl and Mrs. Roy LeMond were hostesses for the Tahoka Garden Club Tuesday morning, Feb. 15, in the home of Mrs. Prohl.

In a short talk Mrs. W. H. Kenley paid a lovely tribute in honor of the charter members of the club. About 11 of the 30 women present were recognized as charter members.

Mrs. L. C. Haney, the club's first president, gave an interesting history of the organization. She included in her talk the names of all the presidents—mentioning the organizational meeting and touching on the programs and special speakers, various fund raising projects as the side-walk cafe style show and the canary birds in cages used on the stage in another style show. Flower shows held in the past were also recalled.

She spoke of the plantings the club had placed in various areas in the city to help in the beautification program such as trees and plants at the Community Center, North and South Elementary schools, home-economics cottage, the new patio area at the high school and the Veterans' Memorial Garden.

As Mrs. Haney reminisced the members enjoyed hearing of club

Guest Speaker At Meeting Of W.M.U.

Mrs. A. B. Reid of Abernathy will be guest speaker at the W.M.U. meeting at the First Baptist Church fellowship hall Monday, February 21, at 4:00 p. m.

Mrs. Reid is known for her book reviews and talks to civic groups. All women from all churches are cordially invited and urged to attend. The speaker's subject, "Our World Today", should be of special interest to parents and Sunday School teachers.

Another very enjoyable feature of the program was poetry readings given by Mrs. A. M. Bray. Her selections from modern poets were most interesting.

The winner of the group of flower arrangements entitled "My Love" using the Valentine motif was Mrs. Skip Taylor.

Sweetheart Banquet Saturday night At First Baptist

"The Sound of Music" will be the theme of the annual youth sweetheart banquet scheduled for Saturday evening at 7:30 in the Fellowship Hall of the First Baptist Church. Speaker for the occasion will be Rev. James McGinlay, pastor of the College Avenue Baptist Church in Lubbock.

Rev. McGinlay is well known in Tahoka as he has served in the past as the Bible conference leader for the church's youth retreat last summer, as the speaker for the church's Sunday School workers banquet last fall, and as the keynote speaker for the career conference held this week at the high school. He is a native of Canada, but grew up in Brooklyn, New York, and in California. Following graduation from Southern University, he studied two years at Southwestern Baptist Seminary in Fort Worth. Rev. McGinlay is a former professional baseball player and spent part of one season with the New York Yankees.

In addition to the speaker, the program will feature a panel quiz based on the old television show, "Name That Tune". Panel members were elected last Sunday to represent the three youth departments of the church. Members of the church's high school choir will present several numbers from "The Sound of Music" and also lead the audience in singing some of the hit tunes from the musical. Tickets are \$1.00 each and should be purchased by noon today if possible. Ticket sellers are Phil Adams, Robbie Biggerstaff, Jane Cox, Mike Glenn, Jim McCord, and Charlotte Warren.

WHORTONS IN MEETING

Mr. and Mrs. "Cap" Whorton and Barbara visited Mrs. Whorton's sister and husband, Mr. and Mrs. Dan Rush, in Abilene last week end. On Sunday, the Whorton "children" met in their home town, Albany, to have dinner together. Mr. and Mrs. Winston Whorton were returning from Waco, where they visited Mr. and Mrs. James House and baby daughter, and Joe Whorton and a sister, Mrs. A. L. Robertson of Waco, met at Albany with them.

Horace (Bud) Grider was dismissed from the Tahoka Hospital Monday where he had been a patient since Saturday.

Grover Cleveland was a bachelor when inaugurated President but married in the White House.

WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDER

This session of the Congress of the nation will undoubtedly face one of its severest tests as a democracy.

The issue will be over the proposed repeal of Section 14-B of the Taft-Hartley Act which permits states to pass laws barring the closed shop, or the so-called "right-to-work" laws presently in force in 19 states.

Public opinion polls show that the public is substantially against repeal of Section 14-B. The nation's independent business proprietors, voting through the C. W. Harder National Federation of Independent Business, strongly oppose this repeal. And, as was presented to the Congress, about one-third of the union members oppose repeal.

In fact, the hard core of the drive to make every worker subject to union control stems from the union leaders who want to be able to collect dues from all. Their desire is aided and abetted by those who made political campaign promises to the union leaders.

Thus, the attempt is to disregard majority will in order to pay off a political debt.

In ancient Rome political debts were often paid out by providing free spectacles in the Coliseum with captive gladiators. In modern America it is sought to pay off a political

debt by delivering millions of workers into captivity.

It is probably impossible to find at any time prior in American history, where naked power has been so unleashed to negate the will of the majority, and at the same time deliver a large segment of the population into bondage. For essentially, there is little difference in saying to a man that you shall not eat without paying tribute to the union bosses and in saying you shall not eat unless you are chained to a galley oar. There is some difference in degree, but none in principle.

There is of course, a last ditch recourse, the majority of the people have before the curtains are closed.

That is to write or wire Senators and Congressmen, expressing their views.

At Bunker Hill the destiny of the American people rested with the common people who were both dedicated and indignant.

The destiny of American freedom again rests with the American people. If the people write their views to their members of Congress and their senators, the light of freedom can still be preserved.

Davies Attend Friend's Funeral

Mrs. Winston Davies of New Home attended funeral services for a friend, J. J. (Jodie) Hughes, 71, Monday in Plainview. Rev. J. W. Gofforth, pastor of the Hale Center Primitive Baptist Church officiated.

Burial was in the Plainview Memorial Park.

A retired farmer, Mr. Hughes died Saturday after a lengthy illness.

The Hughes and Inman families were neighbors in Wilbarger county in the late 1920's.

While in Plainview, Mrs. Davies visited briefly with Mr. and Mrs. Othel Welty. Mrs. Welty, formerly of Tahoka, teaches in the Plainview schools.

Ronnie and Wayla Craig, three and seven years of age, children of Mr. and Mrs. Wayland Craig, were patients in Tahoka Hospital Tuesday and Wednesday.

WILSON NEWS

(By Mrs. Ted Melugin)
Store Burglarized

An undetermined amount of supplies was stolen early Friday morning at Kimbrell's Super Market. The produce delivery man discovered the damaged doors as he arrived around four o'clock and reported the break-in.

Entrance had been gained through the front doors badly dented with crowbars which were left behind by the vandals. The back entrance had been opened, but it was thought that the merchandise was loaded into large cardboard boxes and pulled through front doors to be loaded and hauled away. It was believed that the burglars had broken into an O'Donnell lumber yard earlier, to obtain the instruments used in the Wilson break-in. New doors were being installed late Friday afternoon at the store. Goods stolen included hams, bacon, twenty-two shells, cake mixes, cigarettes, etc. V. B. Kimbrell is owner of the super market. It was learned Monday that two suspects from Lubbock had been apprehended.

MYF Sub-District Meeting

The Sub-district meeting of MYF was held at the Methodist Church Wednesday, Feb. 16. Registration began at 6:30 p. m. with the meeting beginning at 7:00 p. m. Wilson presented the program for the evening and Meadow was in charge of the devotional. After the group adjourned they enjoyed refreshments and games at the school gym.

Receive Books For Play

The Seniors of WHS received their books for the senior play. It is entitled "Lights Out," and is a mystery comedy to be presented in April.

Elected College Club Secretary

Terry Melugin, sophomore stu-

dent at South Plains College in Levelland, was elected recently as secretary for the Flaming Spurs Club. The club denotes school spirit at the basketball games, etc., and was entered in the float contest recently at the homecoming parade for SRC.

Child Has Surgery

The four year old son of Mr. and Mrs. Arlis Ehlers underwent surgery Tuesday in the Mercy Hospital at Slaton. He is recovering satisfactorily.

Lonnie Stabeno, Tech student, visited his parents, Mr. and Mrs. E. C. Stabeno over the week end. Mrs. A. Wilke of Slaton was a dinner guest in the home of her daughter and family, Mr. and Mrs. Stabeno, this past week end. Mrs. Stabeno and Lynn visited with Mrs. Ted Melugin on Friday.

Valleyball Tourney Begins

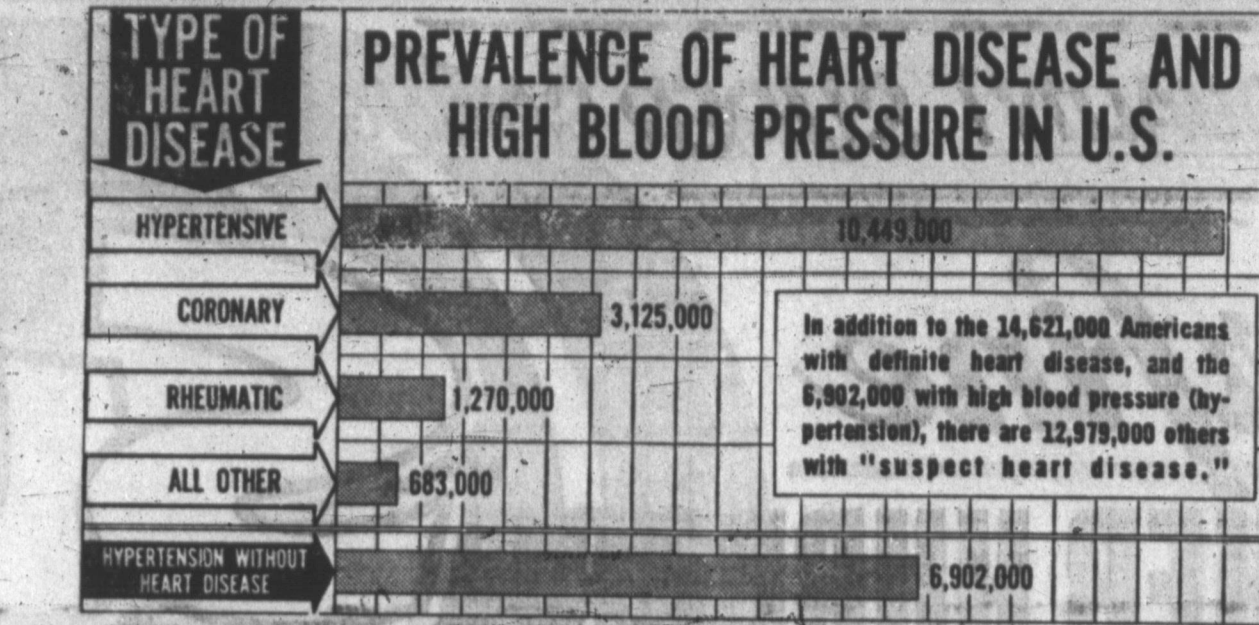

The annual Wilson Outsiders' Volleyball Tournament began Thursday and will end Saturday. Men and women's championship and consolation prizes will be given. Several teams from area towns are participating in the event. Coach is Bobby Davis.

Pancake Supper Friday

The Wilson Lions Club is sponsoring a pancake supper Friday, Feb. 18, at the school cafeteria from 5:30 to 8:00 p. m. The funds raised will help the club's community projects. One of the projects of the Lions Club is the summer training offered at Kerrville for handicapped children. Applications are now being taken for a summer vacation full of fun for any deserving child. Transportation is furnished to and from the camp also. For more detailed information contact Earl Cummings or Carl Bielefeldt of Wilson Lions Club.

Entries In San Antonio

The 1966 San Antonio Livestock Exposition is being held Feb. 11-20, and fourteen FFA boys of Wilson have nineteen entries of swine in the show. Boys having entries are Mike Coleman, Jimmy Koenig, Robert McDonald, Delton Moore, Tommy Stone, David Tucker, Keith Wied, Dennis Moore, Gary Moore, Lee Moore, Mike Riney, Gary Williamson and Mac Young. Bobby Lee is the Vocational Agriculture teacher at WHS.

HEART AND BLOOD VESSEL DISEASES are not only responsible for more than 54 per cent of all deaths in the United States each year but also afflict more Americans than any other cause. (In prevalence, arthritis-rheumatism is second, and mental-nervous disorders third.) Chart is based on recent National Health Survey. The study did not cover persons suffering from the after-effects of stroke, one of the major forms of heart and blood vessel disease. You can help in the fight against the Number One health enemy by giving generously to the Heart Fund.

Farewell Party For Koenigs

The F. R. Koenig family left for Bastrop last Wednesday. A farewell party was given by school students Tuesday night at the school cafeteria for the Koenig children. The Koenig family plan to engage in farming at their new residence.

Basketball Season Ends

The District Shallowwater Tournament was held Feb. 10-12. Wilson played basketball there Thursday. The Wilson boys team won their game over Cooper Tuesday night at Wilson, 52-49. Cooper girls won their game 53-32 in the tilt. The tournament at Shallowwater ended the basketball season for the Wilson Mustangs. They are to be commended for their fine entertainment and sportsmanship, the teams and coaches.

Track Season Begins

Boys at school have begun training in track during their physical education class.

Enjoys Trip

Mrs. Tom Rodgers of Wilson accompanied her daughter and husband, Dr. and Mrs. J. D. Snider of Slaton, on a trip to San Angelo to visit relatives last week end. They visited with Mr. and Mrs. Jamie Snider and children and with Mr. Woodrow Rodgers of Sanitorium, Tex.

36 Years and 3 Decisions!

Thirty-six years is a long, long time. To be on the driveway and call things fine. The hours are many, the pay seems slow—What to do about this when it's all you know! I stayed in one location for thirteen years—Had many a laugh and shed a lot of tears—At three different times when I was tired and thin, I would lease or sell out to some ambitious men. I would head for the pastures to run some cattle. With not enough production to win the battle. When grass died out and the water got low, Back to the driveway and the trade I know! I'm a little impatient—what a laugh! For me to wait nine months while a cow found a calf. Three months and twenty days was a pretty long span For a sow to find pigs according to her plan. So back to the pumps and the cold driveway—It is not all roses, nor is it all spice. But you meet fine folks that are very nice. Some take their time, others are in a hurry. Just give them service and not cause them worry. To wrap this up without a pause, I enjoy my business just, because—

This foolishness was written by D. R. Proffitt, and he was voted the one man who could talk all day and not say a thing.

Mrs. W. W. Hagood Hostess For WSCS Valentine Luncheon, New Officers Elected

Mrs. W. W. Hagood was hostess for the annual Valentine luncheon in her home for members of the Woman's Society of Christian Service Tuesday. Twenty-five ladies attended the event, which is always an outstanding affair.

The house was beautifully decorated with pink candles and pink carnations in red glass containers.

Mrs. H. W. Carter, president, presided at a short business session. Mrs. A. C. Weaver, chairman of the nominating committee presented the list of officers for the next two years.

The following officers were elected:

President, Mrs. H. W. Carter; vice president, Mrs. R. M. Stewart; treasurer, Mrs. A. C. Weaver; secretary, Mrs. J. O. Allen; secretary of Spiritual Life, Mrs. W. E. Cantrell; secretary of Missionary Education, Mrs. G. M. Stewart.

Others are secretary of program material, Mrs. Georgia Cook; secretary of Social Relations and Social Activities, Mrs. V. F. Jones; secretary of supplies, Mrs. W. H. Eudy; secretary of Campus Ministry, Mrs. A. M. Bray, who will also serve as secretary of Mem-

bership and Evangelism.

Mrs. Carter announced that a district meeting would be held in Seagraves Feb. 23 with registration beginning at 9:30 a. m. Pledges for the next year will be made at this time.

The World Day of Prayer will be observed Feb. 25 from 10:15 a. m. until 12:00 noon at the Tahoka Methodist Church. Mrs. W. E. Cantrell is program chairman for this event. On this day all over the world groups of Christians will be gathering to pray for all the peoples of the world who are caught up in the tensions and opportunities of a changing time. All who will be urged to join in this observance.

Mrs. Johnny Williams of Cooper reviewed the book, "Dr. Ida," in a most impressive manner. This was the life story of the dedicated medical missionary to India who established hospitals and medical schools and who taught the Indians to be doctors and nurses.

A life membership in the Woman's Society of Christian Service was given to Mrs. Williams' granddaughter, Mrs. Bessie Allen of Cooper.

Band Banquet Is Held At Wilson

(By Mrs. Ted Melugin)

Valentine's Day marked the date for the annual Band Banquet at Wilson, sponsored by the Band Booster Club. All band students were honored at the banquet which began at 7:00 p. m. in the school cafeteria. The Valentine theme was used in gaily decorated tables with red and white streamers overhead. The welcome was given by Band President Sandra Koslan. Kathy Noite gave the invocation.

The meal was served by band mothers, afterwards the presentation of the Band Sweetheart, Jeanie Hewlett and Band Beau, Jimmy Koenig, was given by Sandra Koslan. They were given gifts of identification bracelets. Entertainment for the evening was the Evans Junior High Choir, consisting of 65 students from Slaton, under the direction of Mrs. M. G. Davis who accompanied them at the piano.

Band Director Coy Cook then announced band students who were chosen as best players out of each grade level. Those recognized were Karen Hobbs, tenor sax, 7th grade; Joe Crews, cornet, 8th grade; Karen Zant, cornet, 9th grade; Patsy Koenig, clarinet, 10th grade; Lynda Melugin, alto sax, 11th grade; all of the 12th grade was recognized. The benediction was given by Vicki Young.

Special guests present for the occasion were Band Booster President and husband, Mr. and Mrs. Weldon Meador, Supt. and Mrs. Leroy Scott, Principal and Mrs. Kenneth Baker, Principal Owen Comer, Band Director Coy Cook, Band Sweetheart Jeanie Hewlett, Band Beau Jimmy Koenig, and Band President Sandra Koslan.

FREDDY THE FROG

Make him from a green print cotton bag. Cut two oval pieces 7" by 11", shape to point at one end. Cut eight 2 1/2" squares (double thickness) for legs. Sew three sides, turn, stuff loosely, close. Pin two body pieces together, wrong sides out. Put one corner of each leg square into seams from inside. Stitch around body, leaving opening. Turn, stuff tightly, close. Add buttons and felt circles for eyes.

Seagraves Site Of Brownfield W.S.C.S. District Meeting

Brownfield District Woman's Society of Christian Service of the Methodist Church will meet next Wednesday, Feb. 23, with the Seagraves Methodist Church as host and 30 churches of the area sending representatives.

Registration will begin at 9:30 a. m., the opening session will be at 10:00 a. m. and the host church will serve lunch at noon.

Mrs. Wilmer Smith of New Home, District president, will be assisted in activities of the day by Mrs. Alby Cockrell and Mrs. Coy Jones of Brownfield, Mrs. Roy LeMond of Grassland, and Rev. Joe Allen, pastor at New Home.

During the morning session, a special skit will present the accomplishments of the year, and colored slides will be shown of projects in the U. S. supported by WSCS.

A feature of the afternoon program will be a 25th anniversary recognition and memorial services.

Congratulations:

Mr. and Mrs. Douglas Pierce of Draw on birth of a son on Tuesday, Feb. 1 in a Lamesa hospital. The couple's first child weighed 6 pounds and 8 ounces and has been named Shannon Wayne. Paternal grandparents are Mr. and Mrs. W. E. Pierce of Draw. Maternal grandparents are Mrs. Billie West Thompson of Draw and C. B. Thompson of Brownfield.

Help keep Tahoka clean!

Mrs. R. P. Weathers, Mrs. Elmer Owens, Mrs. Maurice Huffaker and Mrs. Larry Hagood were guests.

The next meeting of the Bible study with the Guild will be March 3 at 7:30 p. m. at the church.

Emma Halamiciek Will Make Visits

The Pythian Sisters of Lynn Temple No. 45 met Tuesday evening for a regular business session with Mrs. Ruth Benson, MEC, presiding.

The District Deputy of District 10, Emma Halamiciek, plans to make several special visits in March, and each member who can go is invited to do so.

The hostesses for the evening were Ilene McMillan, Lucy Brice, and Elsie Brooks.

Cafeteria Menus For Next Week

The following menus will be served in the Tahoka School cafeteria during the week of Feb. 21-25:

Monday: Beef and vegetable stew, peanut butter sandwiches, carrot-apple-pecan congealed salad, cornbread, prune pie and milk.

Tuesday: Chicken and dressing, buttered potatoes, green beans, applesauce, rolls, butter and milk.

Mrs. Verner Is Rotary Speaker

"Prejudice" was the subject of a thought-provoking talk at the Rotary Club Thursday by Mrs. Charles (Myrna) Verner of Lubbock.

She declared none of us are immune to prejudices, although each has them to a different degree, whether we admit it or not. She was prompted to select the subject because of the current race problem, aggravated by emotions and fears.

But, she said, these problems will not go away just because of legislation but will be with us a long, long time, and we may as well face the fact that we are going to have to deal with the Negro uprising.

She said she was getting tired of the South being blamed for all racial strife when people in the North are doing no better, in spite of their claims, and do not take the Negro in as a brother.

Although the Negro admittedly has not had the opportunities, he must have a chance to develop and make a place for himself in society but he has to do a lot of this himself, and she hinted she didn't believe the law or charity or riots would necessarily get the job done for him.

Furthermore, she declared another thing about it that in releasing 10 percent of our people

Radiation Course Given SCS Men

Donald H. Reed of the Soil Conservation Service, USDA, received instruction this week in radiological monitoring in a school held in the conference of the Plains Co-op Oil Mills, 2901 Avenue A, in Lubbock.

Instructors for the school, which concluded Tuesday afternoon, were furnished through Headquarters III Corps and Fort Hood CBR Intelligence Division, G2 Sector B CBR Center, and by the Soil Conservation Service.

Instructors were Lt. A. H. Bacas and Sp. 6 John D. Stewart, U. S. Army and Mr. Jack Williams, Soil Scientist, USDA, SCS.

In case of nuclear attack, it will be the responsibility of the SCS to measure radiation on food and to locate those land areas which would be safe for continued production of agricultural products.

Subjects covered by the specialists included:

Effects of Nuclear Weapons, Exercises Using Radiological Monitoring Equipment, Operations and Techniques in Radiological Monitoring, Medical Effects of Fallout, Protection and Decontamination Measures and Dose, and Dose-Rate Calculations, and Fallout Prediction.

All Soil Conservation Service employees are required to take this course.

from bondage we must remember that the other 90 percent should not lose their rights.

She presented other angles to the prejudice problem and indicated we need to soften our prejudices and use more realism in solving the race problem.

Mitchell Williams secured the speaker, and she was introduced by Clint Walker.

President Ross Smith presented a Valentine gift from the club to the "sweetheart," Maria Bray. Student guests were Larry Jolly, Freddie Pierce, and Jimmy Billman.

Future Bulldog Prospects Good

Tahoka Bulldogs, with only two lettermen back this year from last year's team, won 5 and lost 4 games in conference play, and over the season won 12 and lost 15.

One conference game with Plains here was called off because of weather and was not made up because the outcome would have little material effect of the district standings.

Coach Jim Littlefield took over coaching duties at mid-term from veteran local Coach Jake Jacobs, who moved to Bovina.

Offensively, the Bulldogs scored 68.8 points average, while allowing their opponents an average score of 63.4 points.

Mitchell Williams, a junior, was the outstanding scorer and had an average of 32 points per game for nine 5-A conference games.

Cliff Thomas had an average of 11.3 points; Mike Lankford, 8; Rett Patterson, 4.5; Doyle Schneider, 5.7; John Tyler, 2; Wayne Thurman, 1.5; Gary Brooks, 1.4; and Richard White, 1.2.

Prospects for the future are excellent as there are three juniors and five sophomores on the A team. On the B team there are one junior, one sophomore, and eight freshmen, all potential varsity players in the future.

Mike Lankford, Wayne Thurman, and Mitchell Williams are the juniors, and the sophomores are Cliff Thomas, Doyle Schneider, John Tyler, Gary Brooks, and Richard White.

On the B team, Lewis Hise is a junior, Buz Owens is a sophomore, and the other eight are freshmen. Patterson is the only senior on the squad.

Bulldogs Win Final Games

Tahoka Bulldogs, both A and B teams, wound up the season Friday night before a home crowd with resounding victories over the Wink Wildcats. The A team won 90 to 59 and the B team 57 to 46, and each played one of their better games.

Coach Jim Littlefield used every boy in uniform in each game.

In the A game, the Bulldogs put together a fine team effort and jumped into a 26-11 first quarter lead. The margin was narrowed a bit in the second but the home boys led 38-25 at halftime. They pushed the score to 63-37 in the third period, and then coasted in to the 90-59 victory.

Four boys scored in double figures, but Mitchell Williams, who scored only 10 points in the first half, poured 18 points through the hoop in the third quarter eight minutes, and left the game in the fourth period with a total of 39 points.

Cliff Thomas had 16 points, Doyle Schneider 12, Mike Lankford 10, Rett Patterson 6, Gary Brooks 4, John Tyler 3, and Wayne Thurman and Richard White didn't get to score.

For Wink, Glen Howard had 15 points and Rodney Green 12.

In the B game, Tahoka's younger little boys possibly played their finest game against a much taller team. By quarters, Tahoka led 16-7, 25-21, 38-30, 56-46.

Ten boys were used alternately in the game, nearly all of them Freshmen. Jodie Edwards was high point man with 17, followed by Charley Brown with 16 and Lewis Hise with 15, Larry Arnold 3 and Buz Owens 6. Also seeing action were Jim Adams, Billy Applewhite, Greg Thomas, Billy Curry, and Randy White.

For Wink, Jerry Hadley was high with 18 points. Rett Patterson is the only senior among the 19 boys on the two teams, and this was his last game for Tahoka High. He did a great job rebounding before going out in the fourth with five personals.

Bulldog Booster Meeting Tuesday

Bulldog Boosters will meet Tuesday night, Feb. 22, at Community Center at 7:30, and all people interested in Bulldog sports are invited to attend, according to Mrs. Sam Edwards.

Films of the Tahoka-Wink and Tahoka-Crosbyton basketball games will be shown. Refreshments will be served.

Girls Warm-Up For Bi-District

Coach Jim Littlefield has scheduled four more practice games for his Tahoka girls' team before they meet Wylie of Abilene in bi-district play there on Tuesday night, March 1.

This Thursday night, the girls were playing Gail here at 7:00 p. m.

Monday night, Shallowater girls will be here for a practice game at 6:00 o'clock.

Then, Friday night of next week the Tahoka girls, along with three other district champions, will be at Forsan, 100 miles beyond Big Spring for games at 7:00 p. m. Tahoka will meet Trent, last year's state champions, and Wylie will play Forsan. This will give both Tahoka and Wylie opportunity to see each other play.

Girls Team Play Close Game Here

Tahoka girls basketball team, 5-A champions who will meet Wylie at Abilene in bi-district March 1, lost a practice game to an excellent Three-Way Class B championship team here Monday night 52 to 47.

Coach Jim Littlefield's girls played the visitors a very close game all the way, led part of the time, but were behind 25-24 at the half, 40-34 at the three-quarter mark, before pulling up again before game's end.

Sue Woodall led Tahoka scoring with 30 points, Tresa Mason had 12, and Robbie Biggerstaff 6. For Three-Way, Madalyn Galt had 27 points and Wittner had 15.

Mr. and Mrs. J. W. Owens and Mrs. Texas Owens left Thursday for Bonham to see a brother of Mrs. Texas Owens, Isaac Williams, who is ill. They also plan to visit relatives in Dallas.

Scout Banquet Is Next Week

The annual Blue and Gold Banquet of Cub Scout Pack 782 will be held at 7:30 p. m. February 24 in the Tahoka Community Center. Theme for the banquet, which celebrates the founding of scouting, will be patriotic, and L. A. Forsythe, a member-at-large of Boy Scouts of America, will make a short address.

Rudy Johnson, newly selected Cubmaster of Pack 782, will preside as master of ceremonies, and for the presentation of awards. Table decorations and invitations with the patriotic theme have been made by the Cubs in recent den meetings. Cubs are urged to complete the "genius kits" which are to be displayed at the banquet.

All Cub Scouts belonging to Pack 782 and their families are invited to attend, according to Mrs. Wanda Faye Smith, who has assumed duties as secretary of the local group. Mrs. Peggy Beckum will serve as her assistant and reporter.

Mr. and Mrs. Lawrence Harvick accompanied Mr. and Mrs. Roy Harvick and Mrs. Elnora Curry on a trip to Texas A&M University over the week end where they visited Terry Harvick and Mike Curry. They attended the A&M freshman and varsity basketball games Saturday night. Terry is a member of the freshman squad.

Mrs. Nancy Brooks was a medical patient in the Tahoka Hospital Sunday and Monday.

Wilson's Athletic Banquet Date Set

The annual banquet honoring all athletes of Wilson High School will be held Friday night, Feb. 25, at 7:00 p. m. in the high school, announces Leroy Scott, superintendent.

Tom Wilson, outstanding quarterback this past season for the Texas Tech Red Raiders, will be guest speaker. The meal will be catered by Underwood's of Lubbock.

Tickets for the event will be \$2.00 each and may be purchased at the high school in Wilson or from any of the Mustang athletes.

TAHOKA HOSPITAL HAS NEW NURSE

Miss Barbara M. Hydock of Forest City, Penna. began work at Tahoka Hospital Friday of last week. She is a registered nurse and has worked in hospitals in New York and Washington, D. C. While in Texas she has been employed in Dallas and Snyder.

She has been out of school five years and has done quite a bit of traveling, and declares she thinks the people of Tahoka are among the friendliest found.

Mr. and Mrs. Winston Davies spent the week end in Snyder with the Wayland Walton family.
