Jones Elected In Close Vote, Run-Offs Set In Two Races

V. F. Jones nosed out Woodrow (Ode) Brewer by 15 votes for county judge as the feature local contest in the Democratic Primary election here Saturday when 2,151 voters, slightly less than many expected, went to the polls. Jones received 974 votes to Brewer's 959.

C. W. Roberts was re-elected county clerk by a wide margin over his single opponent, Mrs. Billie Carr, former local home demonstration agent. The vote was 1463 to 506.

Mrs. Jessie Jewel Stevens grabbed a commanding lead in the race for county treasurer, leading a field of five candidates with 924

votes. Tied for second were Mrs. Teddie B. Kelley and the only man in the race, L. A. Forsythe, with 358 votes. Mrs. Margaret Carter received 310, and Mrs. Frances (Schneider) Hughes 146.

After the votes were canvassed Tuesday by the Democratic Committee in Calloway Huffaker's offices, Mrs. Kelley and Mr. Forsythe drew for second place, as provided by law, and Mrs. Kelley was the winner.

Two Run-Offs
Dorman L. Gandy and Willis Pennington go into a run-off for Commissioner of Precinct 2, the position which will be vacated by Mr. Brewer. Gandy received 195

votes, Pennington 163, Gus Sherrill 119, and Marvin E. Pierce 32. For Precinct 4 Commissioner, present incumbent L. K. (Heavy) Nelson was re-elected. He received 359 votes to 96 for his opponent, B. A. Young.

Crowd Attends Election Party

A large crowd turned out Saturday night for the election party sponsored by the Jaycees, who served free drinks and posted election returns as they came in while music was furnished by three string bands.

Returns from all precincts but O'Donnell were in before 9:00 p. m. with outcome of the county judge's race hanging on the O'Donnell vote. As a result most of the crowd remained on hand until the returns from this box were posted at about 10:30.

SOME FACTS ABOUT—

Milo Grain Sorghum

SEVERAL MYTHS regarding the current grain sorghum situation are developing among some national and area farm and grain trade people. This could be exceedingly damaging to producers and the trade serving them if decisions on future production, marketing, or financial plans were to be based on the MYTHS rather than FACTS as reflected in the new grain sorghum statistics just out.

MYTH NO. 1. Government programs causing cutbacks in grain sorghum PRODUCTION is the cause of reduced-grain stocks.

FACT NO. 1. Either from the standpoint of *acreage* or *bushels*, the production of grain sorghum is expanding both in Texas and the Nation—since 1956. Maximum grain sorghum acreage in Texas was 7.6 million in 1958, but production was only 251-million bushels—37 million bushels less than this past year.

Year	Texas		Nation	
	Acreage	Production	Acreage	Production
1956	4.7 million	124 mil. bu.	9.2 million	224 mil. bu.
1961	5.1 million	229 mil. bu.	10.9 million	479 mil. bu.
1965	5.4 million	285 mil. bu.	13.3 million	666 mil. bu.

MYTH NO. 2. Exports are the principal drain on current stocks and main cause of reduced carryover and that grain sorghum exports have been unduly increased as compared to other feed grains.

FACT NO. 2. Even with strong promotion efforts, sorghum exports have NOT increased as fast as corn exports. Corn exports in 1959 were 211 million bushels, in 1965 they were 570 million bushels—up about 3 times; Sorghum exports in 1959 were 98 million bushels, in 1965 they were 200 million bushels up 2 times. The biggest increased use of sorghum has been in *area* and other *domestic livestock feeding*, up from 172 million bushels in 1956 to 435 million bushels now. Over twice as much grain sorghum is fed as is exported.

MYTH NO. 3. There will be 30% decrease in milo production in 1966, because of the big sign-up.

FACT NO. 3. The number of grain sorghum acres out of the government program will expand more than acres in the program. With normal weather and usual yield increases, 1966 sorghum production is expected to equal or surpass the 1965 record crop. Feeding and exports will both be up a little more so the carryover may be less and the market strong.

MYTH NO. 4. Increased aid and trade demand an immediate release of sorghum and other feed grain acreage to production, and farmers look only to these increased sales for maintaining or expanding income.

FACT NO. 4. Secretary Freeman said that "Even if food aid is increased, it will have little effect on corn and grain sorghum exports, for hungry nations don't feed livestock." . . . Trade for free grains will continue to develop at about the same rate as in the past few years. These demands could have a strong effect on sorghum growers in 10 to 15 years—but what about this year's and next year's need for income—with current freight and port situations, it doesn't appear that looking abroad for it is the answer and that keeping some soundness in the administration of current farm programs hold greater promise.

The stated purpose of the current reserve commodity bill which indicates that the principal purpose of a reserve should be to protect consumers against price rises in grain.

GRAIN SORGHUM PRODUCERS—and the related businesses serving them—are in one of the few growth industries in American agriculture. This doesn't mean we don't and won't have problems! In fact, our very growth rate itself is a problem. As we continue to strive to bring order to this expanding industry let's keep in mind that "God gave us two ends, one to think with and one to sit on. The future of our industry may depend on which we current receive commodity bill lose."

Gordon-Southland News

(By Mrs. Edmund Wilke)
 Monday (Monday) is another one of those freak days that are so known here in West Texas. Monday was such a nice warm day (in fact a little hot) and tonight is just the opposite. Maybe we will get some more rain, sure so.

We would like to say congratulations to Mr. and Mrs. Robert on the birth of their new girl.

D. Eckert, who underwent surgery recently in Houston, returned home on Sunday and is feeling very well. We certainly hope that everything goes well with him from now on.

Guests in the home of Mr. and Mrs. E. L. Anderson on Sunday were Mr. Sam Anderson and daughter from Bangs and Mrs. Alice Black from Odessa.

Mr. and Mrs. Elmer Belk and children spent the day on Sunday at the home of Mrs. M. T. (Grandma) Holly in Lubbock. Also visiting were Mr. and Mrs. E. L. Belk from Levelland, Mr. and Mrs. Ernest Conley of Lubbock, and Mr. and Mrs. Sam Holly and five children from California. Late in the afternoon Mr. and Mrs. Sam Holly and children came to Southland with Mr. and Mrs. Elmer Belk for supper and homemade ice cream.

Mr. and Mrs. Carl Payton went to Oklahoma this past week to visit with his mother.

Mrs. William Bevers was selected as the Mother of the Year and presented a red corsage on Sunday at the Pleasant Valley Baptist Church. All of us here in

this community certainly agree with their choice.

Mr. and Mrs. B. B. Hodges from Post spent Mother's Day with Mr. and Mrs. William Bevers and children. Mr. and Mrs. Hodges are the parents of Mrs. Bevers.

On May 15th there is going to be a big birthday celebration in honor of Mrs. S. S. Bevers of Petersburg. Her birthday is really on the 17th, but the children have decided to get together on Sunday, a couple of days early. Mrs. Bevers has children living in Snyder, Brownfield, Justiceburg, Post and Pleasant Valley.

Guests in the home of Mr. and Mrs. P. W. Crawford on Mother's Day was their son James and family from Lubbock and Janet Hollingsworth from Slaton. The Crawfords have heard from their son, Webster, and he is already in Viet Nam. At present he is a machine-gunner on a Helicopter and has flown on five missions. He is a paratrooper.

Mr. and Mrs. Marcus Wilke are home from LBJ Lake. They came in on Sunday.

Guests in the home of Mr. and Mrs. Jack Hargrove this week were Mr. and Mrs. Nina Broom from Amarillo, and Aldine Riggs from Lubbock, all on Friday; and Mrs. Dahl Haire and Mrs. Winnie Tuffing from Post on Saturday.

We were so sorry to hear last Saturday that Claud Roper, son-in-law of Mrs. J. F. Rackler, is in the hospital and has been very sick. We hope that he is better by this time.

The two little children of Mr. and Mrs. Gilbert Becker of Kansas City, Mo., have been sick and in the hospital for several days. They are the grandchildren of Mr. and Mrs. Willie Becker.

Coach and Mrs. Bob Dyess and two children spent Mother's Day in Spur visiting with his parents, Mr. and Mrs. D. J. Dyess.

Coach and Mrs. Dyess and Mr. and Mrs. F. W. Callaway are going as sponsors for the seniors on their trip after graduation. I talked to Mrs. Dyess this morning and she is very excited about the whole thing. I know that they all will have a wonderful time, because they are going to some of the same places that we went to last year.

Mr. and Mrs. Jack Myers have gone to Van Horn to attend the funeral of Mrs. Wallace, mother-in-law of Mrs. Myers' brother, Berry Hart.

The Southland Baptist Church has a very nice yearly tradition. Each Mother's Day they present the oldest and youngest mother a corsage. This year Mrs. Ed Denton received a white corsage for being the oldest mother there and Mrs. Kenneth (Karen Gayle) Callaway received a red corsage for being the youngest mother there.

We are sorry to report that

BRENDAS DABBS spent the week end with her parents, Mr. and Mrs. Herman Dabbs. Mrs. Alice Martin was a Sunday dinner guest of the Dabbs. Brenda, who will graduate from Texas Tech in June, has signed a contract with the Public School System at Irving for this coming year.

Athletics' Value Rotary Subject

(By Mrs. R. L. Craig)
 Jim Schiermeyer, a former assistant coach at Texas Tech, spoke at Taboka Rotary Club Thursday noon of last week. He explained he was substituting for Gene Gibson, who was a substitute for Berl Huffman.

Using the subject, "Motivation," he declared that the athletics program is the very last stronghold for discipline of young people, since parents now give their kids almost everything and require little in return. He cited other instances of youth "rebellion" and lack of direction and discipline.

In athletics, as in life, he declared a person must have "motivation" in our highly competitive surroundings to rise to the top. To be a winner, one has to have four things:

1. He must take a chance, accept a challenge, do something—one does not win by "playing it safe."
2. One must expect to fail, and be able to rise up from failure, for one can not appreciate success without knowing what failure means.
3. You can be as big as you think you can. A person has to believe in himself.
4. Do it!—You've got to do it. There is no substitute for action, determination.

He cited Donny Anderson and Tommy Wilson as examples of young athletes who believe in themselves, who simply refuse to accept defeat, who are determined to be winners. He said as a result of this thinking this last year Texas Tech simply "stole" three or four football games.

Pete Hegi was in charge of the program. Introduced by Marla Bray as student guests for the month were Britt Robinson, Harlan Curry, and B. L. Miller.

Leighton Knox announced the up-coming Little League program and urged support of adults by their attendance and encouragement of the youngsters.

E. L. Short announced the annual Tahoka Rodeo.

Mrs. Susie Bradshaw is sick and confined at her home.

Mr. and Mrs. Herman Havis were in Corpus Christi last week visiting friends.

Cotton Vote . . .

(Continued from Front Page)
ers who vote will permit such transfers for the next three up-land cotton crops, 1967-69.

A referendum on the same question was conducted last fall throughout the Cotton Belt, and growers in 349 counties at that time approved the allotment transfers. The vote this May will be held only in counties which disapproved such transfers in last fall's vote.

The upcoming vote by mail marks a first in program administration according to Mr. Smith. Farmers previously have been able to vote by mail in annual ASC committeeman elections, but the method has never before been used in a commodity program referendum.

Mr. Smith said, "It's easy to vote by mail, and we hope all producers will vote. The vote should be fully representative of the wishes of cotton farmers in our county."

The Chairman said that copies of the ballot are being sent to all cotton producers of record in the county, together with information describing the program's purpose and operation. Any cotton producer who has a question about the referendum or about who is eligible to vote, is urged to get in touch with the ASCS county office.

THANK YOU, VOTERS!

I sincerely appreciate the support and vote and the consideration given me in the election. Although I didn't receive enough votes, I appreciate those I did receive, have no ill will toward you who voted for someone else, and extend congratulations to the winners. Thanks to everyone.—Gus Sherrill. Itc.

Miss Sharon Lumsden And Charles Bishop Take Double Ring Vows In San Antonio

Northridge Park Baptist Church, San Antonio, was the scene of the Friday-evening marriage of Miss Sharon Lumsden, daughter of Mr. and Mrs. Wm. G. Lumsden of Wilson, and Charles A. Bishop, son of Mr. and Mrs. R. L. Bishop of Terrell. Rev. Jeff Campbell officiated as double ring wedding vows were repeated.

Escorted by her father, the bride was attired in a formal length sheath gown of white crepe featuring a portrait neckline, long sleeves with a detachable train of tulle peau forming a coat effect. She carried a cascade bouquet of white cattleya orchids, surrounded by white butterfly roses and miniature English ivy.

Miss Sandra Lumsden, sister of the bride, was maid of honor, and bridesmaids were Misses Carolyn Bishop of Terrell and Sharmyn Lumsden, also a sister. The attendants' floor length dresses of Wedgewood blue linen were designed on a modified A-line with scoop necklines and elbow sleeves. The empire waistlines were emphasized by a single ruffle which was repeated on the sleeve. They carried cascade bouquets of white and yellow daisies.

A brother of the bridegroom, Bobby Bishop, served as best man and groomsmen were Charles Gann of Terrell and John Garlich of Michigan.

Wedding selections were presented by Miss Rita Reynolds of Wichita Falls, soloist, accompanied by Mrs. W. R. Dyer of San Antonio, organist.

A wedding supper was held in the Renaissance Room of the Menger Hotel. The bride's travel ensemble was a pale blue knit suit with off-white accessories.

Miss Cherry Nan Campbell and Jimmy Don Carter exchanged wedding vows at 7:30 p. m. Saturday in the home of the bride's mother, Mrs. Jasper Campbell, Wilson. Double ring wedding vows were read by Cline Drake, minister of the Gordon Church of Christ.

The bridegroom's parents are Mr. and Mrs. H. A. Carter, 2301 46th St., Lubbock.

The bride was escorted down the stairway and given in marriage by her brother, Chester Campbell of Lubbock. She wore a gown of bouquet taffeta, designed

along semi-princess' lines with a dropped waistline, scoop neckline and long sleeves tapering to petal points. Re-embroidered lace motifs sprinkled with seed pearls and frosted sequins outlined the neckline and adorned the front of the bell skirt extending into a chapel train. The bride carried a bouquet of blue tipped white roses on a white Bible with a center of white roses.

The bride's attendants were Linda Heck, maid of honor, and Miss Barbara Henderson, Slaton, bridesmaid. Candellighter was Miss Cindy Campbell, sister of the bride. They wore identical sleeveless, floor-length dresses of sky blue peau-de-sole featuring lowered round necklines and empire waistlines.

Best man was Steve Granger of Lubbock, and groomsmen was Larry Carter, brother of the groom of Lubbock.

Guests were seated by Billy Weaver, brother-in-law of the bride, and David Cain, cousin of the groom from Ropesville.

Wedding music was presented by Mrs. Carlton Wilke, pianist, and Miss Jane Campbell, soloist, of Covington, both cousins of the bride.

A reception followed in the home. Piano selections were presented by Mrs. Dan Taylor of Cooper.

The bride's travel ensemble was a turquoise linen suit with black patent accessories. She wore the rose corsage from her bridal bouquet.

Mr. and Mrs. Carter will reside at 1810 16th Street, Apt. 9, Lubbock.

The bride is a 1963 graduate of Wilson High School. She attended Lubbock Christian College and is presently employed at Southwestern Bell Telephone Co. in Lubbock.

The bridegroom is a 1962 graduate of Lubbock High School. He attended South Plains Jr. College and Texas Tech, and is presently in the U. S. Army stationed at Ft. Sill, Oklahoma.

Every time we have a local election, we feel a bit sorry for the defeated candidates. They've had some dreams shattered, met disappointment, and can't help but feel pretty low. Really, unless they are too bitter, the losers are in a way winners, too. A person can't make a political campaign without gaining a lot of new friends and broadening himself by reason of the experience. We heard of no bitterness or unfair tactics in the contests this year. So, here's a salute to all the candidates!

The Printer got a write-in vote for Congressman in one precinct and one for district clerk in another, but our ego was deflated when we learned Batman also got a write-in vote. Incidentally, Jerry Cain's fame is spreading, too. He received two write-in votes at Lubbock for Attorney General of Texas. With all this encourage-

ment, Jerry, Batman, and The Printer are thinking about lining up a ticket of our own.

Asked "Pete" Dorman how he was getting along the other day and he handed us this bit of verse entitled, "I'm Fine."

"There is nothing whatever the matter with me—I'm just as healthy as I can be. I have arthritis in back and knees and when I talk I talk with a wheeze; my pulse is weak, my blood is thin. But I'm awfully well for the shape I'm in."

"My teeth eventually had to come out, and my diet I hate to think about. I'm overweight and I can't get thin—my appetite is sure to win. But I'm awfully well for the shape I'm in."

"The moral is this, as the tale we unfold—That for all of those who are growing old, it's better to say, 'I'm fine' with a grin than to let folks know the shape you're in!"

Mrs. Emma Halameick was down at her Lake Buchanan home last week and saw Joe Don Minor, wife and "in-laws", who have just bought Lake Point Cottages on the highway west of the dam and invite old Lynn county friends to drop by and see them. In addition to modern refrigerated air cabins, they have boats and motors for rent, service station, boat ramp, heated dock, and a swimming beach. Joe Don was a star Tahoka athlete who went to the University of Texas and had quite a record as a freshman but received a severe concussion that eliminated him from further play.

We had a letter from Roy and Ruby Edwards a few days ago, and we read between the lines they are a bit homesick. Roy gripes about there being so much rain his yard is washing away and not getting to vote for the first time in his adult life. Says he wishes he could be here to disagree with The Printer on some of our politics. The Edwards, you'll remember, moved to Temple, near where they grew up, a few weeks ago.

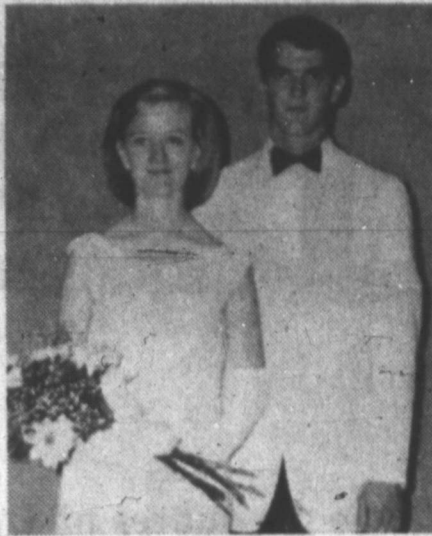

Roy sends along a brochure on "Sterling's Castle", the historic Sterling C. Robertson home at old Salado, Bell county, occupied by the Robertson family for over 100 years, one of the best preserved landmarks in the state. The mansion has 22 rooms, 11 fireplaces, and adjoining are slave quarters, stables, and burial grounds. The home is filled with original furnishings of pre-civil war days and

CHARLOTTE NETTLES And Escort

Charlotte Nettles Is Queen Finalist At Lubbock Christian

Lubbock (Spl.)—Charlotte Nettles, daughter of Mr. and Mrs. L. H. Nettles, New Home, was a finalist for May Queen of Lubbock Christian College, as announced in coronation ceremonies May 2.

She represented Metah Moe social club, which she serves as president. Miss Nettles is a sophomore at the college, and was escorted by Pete Webb, Plainview.

Candidates for May Queen are chosen from each of the six women's social clubs on campus. The student body then votes on who will receive the title, and Miss Nettles, a Friona native, was one of four finalists.

May Queen is Carol Buffington, sophomore from Jal, N. M. Other candidates, all from Texas, were Judy McKinney, O'Donnell; Beverly Hendricks, Meadow; Cheri Romigh, Lubbock; and Melissa Black, Amarillo.

A 1964 graduate of Friona High School, she participated in basketball, student council and the Nurses Club. She was a majorette for the band.

Her major at LCC is medical technology. She will graduate May 28 and then go on to a senior college for advanced work.

Her school is a private liberal arts junior college founded in 1957. It offers degrees in 12 fields leading to a bachelor's degree. In addition, it has special terminal courses in technical-vocational and secretarial sciences.

During the 1965-66 school year it set records for fall registration with 850 students and for the spring with 750. Summer school classes begin June 2.

early Texas accumulated by this famed-early-day Texan.

Old Salado, where Mrs. Edwards was reared, is one of Texas' most interesting spots as there are other old homes, a beautiful motel and the Stage Coach Inn almost hidden in those big oak trees there on the banks of the beautiful Salado River, and Roy thinks it is destined to become a resort town.

The Printer has some ties with old Salado, himself. Our dad attended old Thomas Arnold High School, one-time Salado College, and our mother got her teacher's certificate at Salado. A classmate was later to become Mrs. James E. (Miriam) Ferguson, later a governor of Texas. Some of our uncles and aunts attended the same school. Even The Printer well remembers the beautiful crystal-clear swimming holes, the ruins of the old college, the caves, the old hotel, the water-powered mill. If you ever get a chance, spend a few hours at old Salado.

Moody Courier: This nation was founded upon belief in God, energy and hard work. Now, some are trying to dump religion and work into the trash can. In the early days, one had to work to survive. Now, some quit work and sponge off those that do work.

For some strange reason (?), since the last presidential campaign, television cameras are not focused on the Johnson family every time they enter any one of a dozen churches on Sunday morning of varied denominations—Protestant, Catholic and Jewish. We can remember one time a local man was running for office. He attended his own church pretty regularly, but on entering politics one Sunday he went over to another church service. As a result there was a great to-do, hue and cry about him being a demagogue, a hypocrite, and using the church for political gain.

Casarez And Nava In Marine Course

Camp Pendleton, Calif.—Marine Privates Israel R. Casarez, son of Mr. and Mrs. Ramon Casarez of Route 3, Tahoka, and D. Nava, son of Mr. and Mrs. Pedro Nava of Route 2, Wilson have completed individual combat training here.

The four-week course included over 200 hours of instruction under simulated combat conditions, covering squad tactics, guerrilla warfare, day and night combat, patrolling and the use of infantry weapons.

Their next stop is four weeks of basic specialist training in their military occupational field. Marines to be assigned to infantry units will be taught infantry specialties, such as the machine gun, grenade launcher, rifle or mortar. Marines to be assigned to highly technical specialties will be sent to military technical schools for their specialist training.

Leathernecks bound for the Pacific will receive more training when they report to the Staging Battalion at Camp Pendleton, Calif. This training will emphasize jungle warfare, patrolling, and civic action based on experience gained in Vietnam.

Jerry L. Ward In U. S. Navy Training

San Diego, Calif.—Seaman Recruit Jerry L. Ward, USN, son of Mrs. Odell Vaughan of Tahoka, is undergoing seven weeks of basic training at the Naval Training Center here.

Under the supervision of veteran Navy petty officers, he is receiving instructions in naval history and organization, customs and courtesies, ordnance and gunnery, seamanship, damage control, first aid, swimming and survival, shipboard drills and sentry duty.

Military drills are emphasized during recruit training, and with various inspections and a planned physical fitness program, keep the recruits mentally and physically alert.

Upon completion of recruit training, he will be assigned to a school, shore station or ship, according to the results of his Navy classification tests, his own desires and the needs of the Navy.

To a motorist who still hasn't put a Tiger in his tank.

You're a skeptic. Good. Then you're going to be a good customer, if we can ever win you. We showed you proof on television that High-energy Enco Extra cleans your carburetor while you drive.

(Probably you said, "So what? My car still runs.")

We told you it improves firing power, helps prevent hot spots and misfiring and gives you the high octane to help you take off like a cat.

(You drove right on by.)

It's frustrating to develop a gasoline that gives this kind of performance and then not even have you try it.

Did you know new High-energy Enco Extra is more powerful than aviation gasoline of just a few years ago?

That the Tiger is now the favorite of motorists all over the world? And that Jimmy Clark became the World's Champion Race Driver with a Tiger in his tank?

So why not "Put a Tiger in Your Tank?" "Happy Motoring!"
